00:00:36,590 --> 00:00:33,300  
UFO Abduction claims at the end of the

4  
00:00:40,130 --> 00:00:36,600  
1970s by Charles Lear by the end of the

5  
00:00:43,729 --> 00:00:40,140  
1970s after the 1973 pascagoul incident

6  
00:00:45,830 --> 00:00:43,739  
in the 1975 Travis Walton case abduction

7  
00:00:48,350 --> 00:00:45,840  
claims were not only an accepted aspect

8  
00:00:50,389 --> 00:00:48,360  
of the UFO Mystery by many investigators

9  
00:00:52,369 --> 00:00:50,399  
they were considered worthy of attention

10  
00:00:54,470 --> 00:00:52,379  
by the news media and there are many

11  
00:00:56,810 --> 00:00:54,480  
likely newspaper articles detailing

12  
00:00:58,790 --> 00:00:56,820  
reports throughout that decade the

13  
00:01:00,889 --> 00:00:58,800

narrative hadn't yet been taken over by

14

00:01:02,750 --> 00:01:00,899

the now common reports of being taken

15

00:01:05,210 --> 00:01:02,760

aboard a crack by creatures three to

16

00:01:07,370 --> 00:01:05,220

four feet tall with big slanted black

17

00:01:09,350 --> 00:01:07,380

eyes and being subjected to invasive

18

00:01:11,690 --> 00:01:09,360

medical procedures that seemed to have

19

00:01:13,130 --> 00:01:11,700

something to do with reproduction the

20

00:01:14,690 --> 00:01:13,140

creatures and the natures of the

21

00:01:17,030 --> 00:01:14,700

encounters reported throughout the

22

00:01:18,890 --> 00:01:17,040

seventies were varied but by the decades

23

00:01:20,630 --> 00:01:18,900

end elements had emerged that would

24

00:01:22,789 --> 00:01:20,640

become common in the decades to come

25

00:01:24,890 --> 00:01:22,799

what would also become common in such

26

00:01:26,929 --> 00:01:24,900

cases would be the use of regressive

27

00:01:29,030 --> 00:01:26,939

hypnosis which was thought to Be an

28

00:01:31,310 --> 00:01:29,040

Effective means to recover lost memories

29

00:01:33,710 --> 00:01:31,320

however this technique is since come

30

00:01:35,929 --> 00:01:33,720

under criticism particularly in its use

31

00:01:37,490 --> 00:01:35,939

to provide evidence in legal cases as

32

00:01:40,190 --> 00:01:37,500

can be seen in the article titled

33

00:01:42,789 --> 00:01:40,200

hypnosis memory and Amnesia which was

34

00:01:45,170 --> 00:01:42,799

published in the November 29 1979

35

00:01:47,090 --> 00:01:45,180

biological sciences edition of the

36

00:01:49,370 --> 00:01:47,100

philosophical transactions of the Royal

37

00:01:51,350 --> 00:01:49,380

Society London in order to get an

38

00:01:53,690 --> 00:01:51,360

overview of the newspaper coverage of

39

00:01:55,969 --> 00:01:53,700

abduction reports throughout the 1970s

40

00:01:58,130 --> 00:01:55,979

we went through all the issues of the

41

00:02:00,170 --> 00:01:58,140

UFO news clipping service from that time

42

00:02:03,230 --> 00:02:00,180

which are available at archives for The

43

00:02:05,149 --> 00:02:03,240

Unexplained in the January 1980 issue

44

00:02:08,449 --> 00:02:05,159

there are three articles covering three

45

00:02:11,089 --> 00:02:08,459

reports all of them from November 1979.

46

00:02:13,970 --> 00:02:11,099

after that other than a report in the

47

00:02:16,729 --> 00:02:13,980

September 14 1980 London England Sunday

48

00:02:19,369 --> 00:02:16,739

Mirror about a family abduction there is

49

00:02:22,309 --> 00:02:19,379

nothing throughout 1980. in the November

50

00:02:24,650 --> 00:02:22,319

6 1979 Fresno California daily

51  
00:02:27,589 --> 00:02:24,660  
Collegiate there is an article by Lori

52  
00:02:29,869 --> 00:02:27,599  
Granger headlined UFO captive tells her

53  
00:02:33,890 --> 00:02:29,879  
story in an informal talk Granger

54  
00:02:35,930 --> 00:02:33,900  
reports that on November 26 1972 Judy

55  
00:02:39,410 --> 00:02:35,940  
Kendall and her two sisters left Bodega

56  
00:02:40,910 --> 00:02:39,420  
Bay California at 5 30 PM they were

57  
00:02:43,130 --> 00:02:40,920  
headed for their parents house in

58  
00:02:45,770 --> 00:02:43,140  
Woodward California where they expected

59  
00:02:48,470 --> 00:02:45,780  
to arrive at 8 30 PM they instead

60  
00:02:50,690 --> 00:02:48,480  
arrived at 12 30 a.m with four hours

61  
00:02:52,369 --> 00:02:50,700  
they couldn't account for five years

62  
00:02:54,770 --> 00:02:52,379  
later on the anniversary of the event

63  
00:02:57,470 --> 00:02:54,780

Judy Kendall underwent hypnosis

64

00:02:59,449 --> 00:02:57,480

according to Granger Kendall learned the

65

00:03:02,150 --> 00:02:59,459

truth from her own subconscious mind

66

00:03:04,790 --> 00:03:02,160

what she recalled was that she and her

67

00:03:06,790 --> 00:03:04,800

sisters had been abducted by a UFO and

68

00:03:09,110 --> 00:03:06,800

examined by aliens for four hours

69

00:03:11,089 --> 00:03:09,120

according to her she and her sisters

70

00:03:13,430 --> 00:03:11,099

were taken from her car as they

71

00:03:15,530 --> 00:03:13,440

approached a bridge 10 miles west of

72

00:03:17,390 --> 00:03:15,540

Woodland four hours later they were

73

00:03:19,610 --> 00:03:17,400

returned to the car and they continued

74

00:03:21,710 --> 00:03:19,620

over the bridge according to Grainger

75

00:03:24,170 --> 00:03:21,720

Kendall's hypnosis session was arranged

76

00:03:26,390 --> 00:03:24,180

by J Alan heineck who was at the time

77

00:03:29,149 --> 00:03:26,400

the director of the center for UFO

78

00:03:30,910 --> 00:03:29,159

studies a friend of Kindles had advised

79

00:03:33,110 --> 00:03:30,920

her to call heineck Kendall

80

00:03:35,390 --> 00:03:33,120

Recollections were similar to reports

81

00:03:37,550 --> 00:03:35,400

that would become common except for her

82

00:03:39,410 --> 00:03:37,560

descriptions of the creatures she said

83

00:03:41,449 --> 00:03:39,420

she was taken aboard a craft and

84

00:03:44,570 --> 00:03:41,459

strapped down to a table in a large

85

00:03:46,789 --> 00:03:44,580

hexagonal room as for the creatures she

86

00:03:48,770 --> 00:03:46,799

described a very pretty black-haired

87

00:03:51,110 --> 00:03:48,780

woman who comforted her and told her not

88

00:03:53,570 --> 00:03:51,120

to worry a group of creatures with pale

89

00:03:56,030 --> 00:03:53,580

white skin wearing skin-tight gray suits

90

00:03:57,830 --> 00:03:56,040

and what Looked Like Oxygen masks and a

91

00:03:59,869 --> 00:03:57,840

creature that was between six and seven

92

00:04:02,509 --> 00:03:59,879

feet tall that she called the witch

93

00:04:05,270 --> 00:04:02,519

doctor she described the witch doctor as

94

00:04:07,490 --> 00:04:05,280

having a bulbous type head with slits

95

00:04:10,130 --> 00:04:07,500

instead of ears gelatinous eyes with

96

00:04:12,229 --> 00:04:10,140

elongated pupils and transparent white

97

00:04:14,449 --> 00:04:12,239

skin with red veins showing through

98

00:04:17,390 --> 00:04:14,459

Kendall said that the witch doctor told

99

00:04:19,129 --> 00:04:17,400

her it will be okay and sounded as if it

100

00:04:20,689 --> 00:04:19,139

was speaking through a megaphone though

101

00:04:23,150 --> 00:04:20,699

she got the feeling that the creatures

102

00:04:25,129 --> 00:04:23,160

were speaking to her telepathically she

103

00:04:27,710 --> 00:04:25,139

said that some sort of fluid was taken

104

00:04:30,170 --> 00:04:27,720

from her side the next article involving

105

00:04:33,950 --> 00:04:30,180

an abduction appeared in the November 14

106

00:04:37,010 --> 00:04:33,960

19 1979 Fort Jones California Pioneer

107

00:04:39,350 --> 00:04:37,020

Press it was written by Hazel Davis and

108

00:04:42,249 --> 00:04:39,360

is headlined Helen White appears on real

109

00:04:45,170 --> 00:04:42,259

people according to Davis on November 7

110

00:04:49,070 --> 00:04:45,180

1979 white appeared on an episode of

111

00:04:50,870 --> 00:04:49,080

real people on ktvl TV she was one of

112

00:04:52,550 --> 00:04:50,880

three people claiming to have had an

113

00:04:54,409 --> 00:04:52,560

abduction experience who were

114

00:04:56,810 --> 00:04:54,419

interviewed during a three-day Mutual

115

00:05:00,050 --> 00:04:56,820

UFO Network convention that ran from

116

00:05:02,090 --> 00:05:00,060

July 6th to July 8th white claimed she

117

00:05:04,430 --> 00:05:02,100

was abducted from a car along with two

118

00:05:07,129 --> 00:05:04,440

men all three were residents of Happy

119

00:05:09,950 --> 00:05:07,139

Camp California the next memory they had

120

00:05:11,990 --> 00:05:09,960

was of waking up in the ship in the sky

121

00:05:14,689 --> 00:05:12,000

according to White the creatures

122

00:05:17,390 --> 00:05:14,699

described only as beings spoke English

123

00:05:19,610 --> 00:05:17,400

and promised not to hurt them the next

124

00:05:21,590 --> 00:05:19,620

thing white describes is being back in

125

00:05:23,810 --> 00:05:21,600

the car and that she and the two men

126

00:05:26,150 --> 00:05:23,820

were singing the hymn there is power in

127

00:05:28,129 --> 00:05:26,160

the blood white described two later

128

00:05:30,290 --> 00:05:28,139

encounters one where she was taken

129

00:05:33,110 --> 00:05:30,300

aboard a craft and examined and another

130

00:05:35,689 --> 00:05:33,120

where she escaped by driving away in a

131

00:05:38,090 --> 00:05:35,699

truck she also reported being visited by

132

00:05:40,010 --> 00:05:38,100

a creature in her bedroom Helen and her

133

00:05:42,830 --> 00:05:40,020

husband Clem are described as being

134

00:05:44,870 --> 00:05:42,840

regular subscribers to the mufon UFO

135

00:05:47,029 --> 00:05:44,880

journal the last article has a

136

00:05:49,430 --> 00:05:47,039

description of creatures that is very

137

00:05:51,590 --> 00:05:49,440

similar to that of the Grays along with

138

00:05:54,170 --> 00:05:51,600

the depiction of one of them the article

139

00:05:56,629 --> 00:05:54,180

is by Edward C Fennell and headlined

140

00:05:59,510 --> 00:05:56,639

Charleston resident claims they paid him

141

00:06:01,909 --> 00:05:59,520

a visit in the November 18 1979

142

00:06:04,550 --> 00:06:01,919

Charleston South Carolina news and

143

00:06:06,890 --> 00:06:04,560

Courier it tells the story of North

144

00:06:08,870 --> 00:06:06,900

Charleston resident William Herman who

145

00:06:12,590 --> 00:06:08,880

reported being taken aboard a craft on

146

00:06:15,170 --> 00:06:12,600

March 18 1979 he described his captors

147

00:06:17,270 --> 00:06:15,180

this way their skin was the color of a

148

00:06:20,090 --> 00:06:17,280

marshmallow Their Eyes Were long and

149

00:06:22,370 --> 00:06:20,100

dark with a brown Iris their heads look

150

00:06:24,950 --> 00:06:22,380

like overgrown human fetuses with no

151  
00:06:27,710 --> 00:06:24,960  
ears or hair I Heard a Voice telling me

152  
00:06:30,230 --> 00:06:27,720  
to have no fear according to fennel

153  
00:06:32,990 --> 00:06:30,240  
Hermann had undergone psychological

154  
00:06:35,930 --> 00:06:33,000  
stress event evaluation polygraph tests

155  
00:06:37,850 --> 00:06:35,940  
and interrogation under hypnosis there's

156  
00:06:40,370 --> 00:06:37,860  
no report of Hermann being medically

157  
00:06:42,830 --> 00:06:40,380  
examined by aliens but there is a report

158  
00:06:45,230 --> 00:06:42,840  
that Hermann ended up with a Memento of

159  
00:06:48,650 --> 00:06:45,240  
his encounter Herman claimed that on

160  
00:06:51,230 --> 00:06:48,660  
April 21st 1979 a metal ingot

161  
00:06:53,749 --> 00:06:51,240  
materialized in his bedroom in a globe

162  
00:06:56,330 --> 00:06:53,759  
of blue-green light impressed into it

163  
00:06:58,670 --> 00:06:56,340

was the word man in capital letters and

164

00:07:01,070 --> 00:06:58,680

what was later determined to be a chart

165

00:07:03,110 --> 00:07:01,080

of the Zeta reticulum star Group by

166

00:07:06,290 --> 00:07:03,120

aerial phenomena research organization

167

00:07:08,930 --> 00:07:06,300

investigator Wendell C Stevens according

168

00:07:11,450 --> 00:07:08,940

to fennel abroad tested the Metal Ingot

169

00:07:13,550 --> 00:07:11,460

and sent photos Herman had taken to the

170

00:07:15,950 --> 00:07:13,560

jet propulsion laboratory in Pasadena

171

00:07:18,830 --> 00:07:15,960

there is no mention of any results or

172

00:07:20,510 --> 00:07:18,840

conclusions as this case involved apro

173

00:07:23,089 --> 00:07:20,520

one would think there would be something

174

00:07:25,249 --> 00:07:23,099

about it in the April bulletin there

175

00:07:28,129 --> 00:07:25,259

isn't there is however an open letter

176

00:07:31,129 --> 00:07:28,139

from apro director Jim Lorenzen in the

177

00:07:33,589 --> 00:07:31,139

August 1979 issue complaining about the

178

00:07:36,650 --> 00:07:33,599

use of his name by Stevens in his book

179

00:07:38,570 --> 00:07:36,660

UFO contact from the Pleiades inferring

180

00:07:40,969 --> 00:07:38,580

that he endorsed the claims contained

181

00:07:43,070 --> 00:07:40,979

therein the book contains photos taken

182

00:07:45,710 --> 00:07:43,080

by Billy Meyer who claimed they showed

183

00:07:47,809 --> 00:07:45,720

spaceships from the Pleiades Lorenson

184

00:07:50,330 --> 00:07:47,819

wrote in his letter that his inclination

185

00:07:52,730 --> 00:07:50,340

was that the case was a hoax and he

186

00:07:54,529 --> 00:07:52,740

offers evidence to support that Stevens

187

00:07:58,010 --> 00:07:54,539

wrote a book with Herman about hermann's

188

00:08:01,129 --> 00:07:58,020

case titled UFO contact from reticulum

189

00:08:03,529 --> 00:08:01,139

that was published in 1981. there is a

190

00:08:06,529 --> 00:08:03,539

video documentary about the case titled

191

00:08:09,050 --> 00:08:06,539

UFO Abduction it's a low quality

192

00:08:11,150 --> 00:08:09,060

production by Arcturus films and has

193

00:08:13,749 --> 00:08:11,160

Hermann describing multiple sightings of

194

00:08:16,249 --> 00:08:13,759

UFOs and pictures he'd taken of them

195

00:08:18,950 --> 00:08:16,259

Stevens is featured as the main

196

00:08:21,589 --> 00:08:18,960

investigator along with Juni T yowie

197

00:08:23,689 --> 00:08:21,599

from Nippon television the documentary

198

00:08:26,210 --> 00:08:23,699

starts off as an investigation into

199

00:08:28,189 --> 00:08:26,220

hermann's sightings and pictures it ends

200

00:08:30,650 --> 00:08:28,199

with him being hypnotically regressed

201  
00:08:33,649 --> 00:08:30,660  
and describing his abduction and captors

202  
00:08:36,110 --> 00:08:33,659  
Jim and coral Lorenzen are listed in the

203  
00:08:38,449 --> 00:08:36,120  
credits as investigators hermann's case

204  
00:08:40,310 --> 00:08:38,459  
generated a great deal of interest and

205  
00:08:43,010 --> 00:08:40,320  
there has been much written about it by

206  
00:08:45,769 --> 00:08:43,020  
researchers such as John schussler and

207  
00:08:48,350 --> 00:08:45,779  
Richard Hall his depiction shows up in

208  
00:08:51,170 --> 00:08:48,360  
Bud Hopkins groundbreaking 1981 book

209  
00:08:53,269 --> 00:08:51,180  
missing time all the creatures depicted

210  
00:08:55,550 --> 00:08:53,279  
in that book are similar to each other

211  
00:08:57,230 --> 00:08:55,560  
and close to what gray aliens are said

212  
00:08:59,750 --> 00:08:57,240  
to look like but the depiction of a

213  
00:09:01,310 --> 00:08:59,760

creature described by Betty andreasen is

214

00:09:03,889 --> 00:09:01,320

the only one with the now classic

215

00:09:06,290 --> 00:09:03,899

slanted almond-shaped eyes though they

216

00:09:07,970 --> 00:09:06,300

are drawn with irises throughout the 80s

217

00:09:10,190 --> 00:09:07,980

there are reports of all sorts of

218

00:09:13,490 --> 00:09:10,200

creatures especially around the time of

219

00:09:15,949 --> 00:09:13,500

the 1982 movie E.T some of the reported

220

00:09:17,930 --> 00:09:15,959

creatures resemble Grays but it seems

221

00:09:20,329 --> 00:09:17,940

that the classic gray alien hadn't

222

00:09:23,389 --> 00:09:20,339

become cemented in the UFO Mythos until

223

00:09:25,970 --> 00:09:23,399
