[Music]

5  
00:01:07,490 --> 00:01:05,030  
hello everyone and welcome to the show

6  
00:01:09,469 --> 00:01:07,500  
on Martin wilsher host and we have a

7  
00:01:12,950 --> 00:01:09,479  
very interesting show tonight we have

8  
00:01:14,810 --> 00:01:12,960  
Julie Olson coming up she had a 1982

9  
00:01:18,469 --> 00:01:14,820  
encounter we're going to be talking

10  
00:01:20,450 --> 00:01:18,479  
about and she actually has some uh

11  
00:01:21,890 --> 00:01:20,460  
debris we're going to be talking about

12  
00:01:23,810 --> 00:01:21,900  
that she's because she has it she's

13  
00:01:26,149 --> 00:01:23,820

going to be able to show that and I have

14

00:01:27,770 --> 00:01:26,159

pictures of that as well just I want to

15

00:01:30,830 --> 00:01:27,780

get something out of the way a sad thing

16

00:01:33,890 --> 00:01:30,840

we lost a great uh contributor to the

17

00:01:35,330 --> 00:01:33,900

UFO world and that's Robbie Graham uh he

18

00:01:36,770 --> 00:01:35,340

passed away a couple of days ago

19

00:01:39,050 --> 00:01:36,780

unfortunately

20

00:01:41,030 --> 00:01:39,060

so uh if you have not heard that I

21

00:01:43,969 --> 00:01:41,040

wanted to let people know listeners know

22

00:01:47,749 --> 00:01:43,979

he was a past guest on this show and

23

00:01:50,270 --> 00:01:47,759

will be missed in this world of UFOs so

24

00:01:54,050 --> 00:01:50,280

um this week our blog

25

00:01:56,630 --> 00:01:54,060

by Charles Lear is uh UFO Abduction

26

00:01:58,969 --> 00:01:56,640

research under the scrutiny of at

27

00:02:01,490 --> 00:01:58,979

Harvard and this is about John Mack of

28

00:02:03,710 --> 00:02:01,500

course and uh it's another great blog

29

00:02:07,850 --> 00:02:03,720

again these are made into audio blogs

30

00:02:11,089 --> 00:02:07,860

that go out on our podcast feed or they

31

00:02:12,830 --> 00:02:11,099

actually go out as a video on YouTube as

32

00:02:15,050 --> 00:02:12,840

well so I want to thank you all for

33

00:02:17,449 --> 00:02:15,060

joining us tonight and without further

34

00:02:18,830 --> 00:02:17,459

Ado on bringing in our guests by the way

35

00:02:20,710 --> 00:02:18,840

I do want to thank everyone that helps

36

00:02:24,949 --> 00:02:20,720

out with the show I do appreciate that

37

00:02:27,589 --> 00:02:24,959

and here we go welcome to the show Julie

38

00:02:30,290 --> 00:02:27,599

hello everybody

39

00:02:32,990 --> 00:02:30,300

and I gotta say this uh you can't help

40

00:02:35,690 --> 00:02:33,000

but see what a beautiful uh uh property

41

00:02:38,330 --> 00:02:35,700

you have uh behind you you can right

42

00:02:41,270 --> 00:02:38,340

away I I feel like I'm in snow country

43

00:02:42,949 --> 00:02:41,280

and um and then I saw you do have like

44

00:02:44,930 --> 00:02:42,959

two feet of snow coming your way right

45

00:02:48,470 --> 00:02:44,940

or is it snowing right now

46

00:02:49,970 --> 00:02:48,480

just very lightly coming down so we're

47

00:02:53,270 --> 00:02:49,980

not going to get as much as the cities

48

00:02:57,110 --> 00:02:53,280

like they're supposed to get like 26 and

49

00:03:00,710 --> 00:02:57,120

I think we only got six so far so yeah

50

00:03:02,509 --> 00:03:00,720

yeah that that's good well I'm not in

51  
00:03:06,229 --> 00:03:02,519  
Snow Country right now and I'm not

52  
00:03:08,809 --> 00:03:06,239  
really missing it so but I uh you know I

53  
00:03:10,309 --> 00:03:08,819  
uh I may someday but

54  
00:03:12,309 --> 00:03:10,319  
um but right now I don't think I'm Gonna

55  
00:03:15,050 --> 00:03:12,319  
Miss Snow for a while

56  
00:03:17,809 --> 00:03:15,060  
well I I like the winter but I'm ready

57  
00:03:22,130 --> 00:03:17,819  
for spring and summer now bonfires I'm

58  
00:03:25,610 --> 00:03:22,140  
yeah I'm ready right right so I I had uh

59  
00:03:28,729 --> 00:03:25,620  
one of my listeners uh mentioned you uh

60  
00:03:30,290 --> 00:03:28,739  
and I I tracked it down and listened to

61  
00:03:32,809 --> 00:03:30,300  
an interview

62  
00:03:35,330 --> 00:03:32,819  
um with you and thought you had a very

63  
00:03:36,830 --> 00:03:35,340

interesting story not only that but it

64

00:03:38,509 --> 00:03:36,840

continues on

65

00:03:40,910 --> 00:03:38,519

um you know so I'd like for you if you

66

00:03:43,729 --> 00:03:40,920

would let's start out by you telling of

67

00:03:44,869 --> 00:03:43,739

the story as it happened back in 1982 if

68

00:03:51,009 --> 00:03:44,879

you would

69

00:03:54,649 --> 00:03:51,019

sure uh 1982 I was well I just turned 18

70

00:03:58,910 --> 00:03:54,659

November 26th I still lived at home

71

00:04:01,009 --> 00:03:58,920

and I lived in a a real rural area of

72

00:04:03,710 --> 00:04:01,019

Minnesota

73

00:04:06,470 --> 00:04:03,720

um a lot of people probably watching are

74

00:04:09,289 --> 00:04:06,480

familiar with Minnesota but I lived in a

75

00:04:11,449 --> 00:04:09,299

pretty rural area Stillwater Mahtomedi

76

00:04:12,770 --> 00:04:11,459

will learning was is just a little town

77

00:04:16,789 --> 00:04:12,780

it was

78

00:04:20,090 --> 00:04:16,799

um like the population when I was 18 was

79

00:04:21,730 --> 00:04:20,100

400 you know from what I we put it back

80

00:04:24,950 --> 00:04:21,740

to yeah I was very small

81

00:04:29,030 --> 00:04:24,960

uh and I lived in a house that was built

82

00:04:31,790 --> 00:04:29,040

in 1900 a real old home and we had ponds

83

00:04:33,950 --> 00:04:31,800

that surrounded our house and then on

84

00:04:36,110 --> 00:04:33,960

the right side of our house we had a uh

85

00:04:40,430 --> 00:04:36,120

the backwaters of a lake called

86

00:04:44,090 --> 00:04:40,440

Washington Lake and I I will go right

87

00:04:47,749 --> 00:04:44,100

into the in the what my mother and I and

88

00:04:50,930 --> 00:04:47,759

my stepfather witnessed and it was

89

00:04:55,670 --> 00:04:50,940

February 10th of 1982 and again I was 18

90

00:04:57,530 --> 00:04:55,680

years old and uh my parents were

91

00:05:00,170 --> 00:04:57,540

actually going through a divorce at this

92

00:05:02,810 --> 00:05:00,180

time in Roland

93

00:05:06,950 --> 00:05:02,820

um my well let's we'll just call him

94

00:05:09,230 --> 00:05:06,960

rawland I my stepfather anyway he had uh

95

00:05:11,270 --> 00:05:09,240

he had about another week to be in the

96

00:05:13,189 --> 00:05:11,280

house before he had actually leave when

97

00:05:16,430 --> 00:05:13,199

the divorce would be final

98

00:05:18,830 --> 00:05:16,440

so anyway my mother and I

99

00:05:20,510 --> 00:05:18,840

um and I'm from a family of I have three

100

00:05:22,969 --> 00:05:20,520

brothers and two sisters and I'm the

101  
00:05:23,810 --> 00:05:22,979  
middle child and

102  
00:05:27,590 --> 00:05:23,820  
um

103  
00:05:30,469 --> 00:05:27,600  
the February 10th of 1982

104  
00:05:33,650 --> 00:05:30,479  
um my I my we had a four bedroom house

105  
00:05:35,450 --> 00:05:33,660  
and my bedroom was in the hallway so I I

106  
00:05:37,010 --> 00:05:35,460  
didn't have a bedroom I I slept out in

107  
00:05:39,409 --> 00:05:37,020  
the hallway I'm a little bed I didn't

108  
00:05:41,629 --> 00:05:39,419  
have a dress or anything but my sisters

109  
00:05:43,310 --> 00:05:41,639  
were gone and I got to sleep in their

110  
00:05:44,990 --> 00:05:43,320  
room that night and my parents were

111  
00:05:46,850 --> 00:05:45,000  
going through a divorce and my mother

112  
00:05:50,029 --> 00:05:46,860  
and I slept in a room that neither one

113  
00:05:53,210 --> 00:05:50,039

of us have ever slept in and that to me

114

00:05:56,689 --> 00:05:53,220

too was like a sign from when I when I'm

115

00:05:59,629 --> 00:05:56,699

about to tell you so anyway it was about

116

00:06:02,090 --> 00:05:59,639

uh midnight and

117

00:06:05,930 --> 00:06:02,100

in the bedroom so the bed was up against

118

00:06:07,969 --> 00:06:05,940

the wall and there was two windows and I

119

00:06:10,490 --> 00:06:07,979

wasn't facing the windows and neither

120

00:06:12,650 --> 00:06:10,500

was my mother and it was around midnight

121

00:06:14,210 --> 00:06:12,660

and you know like if somebody came into

122

00:06:16,189 --> 00:06:14,220

a room and turned on a light you would

123

00:06:19,010 --> 00:06:16,199

know that right you're like oh you know

124

00:06:20,330 --> 00:06:19,020

somebody just light switch that's what I

125

00:06:22,070 --> 00:06:20,340

thought

126

00:06:23,809 --> 00:06:22,080

um because we I think we went up to bed

127

00:06:26,689 --> 00:06:23,819

about like 10 10 30 somewhere around

128

00:06:28,790 --> 00:06:26,699

there so but anyway I thought someone

129

00:06:33,110 --> 00:06:28,800

turned on a light switched and I opened

130

00:06:36,650 --> 00:06:33,120

my eyes and the whole room was neon lime

131

00:06:38,749 --> 00:06:36,660

green not like a just a beam coming in

132

00:06:41,570 --> 00:06:38,759

the whole room was lit up green and it

133

00:06:43,790 --> 00:06:41,580

was just like oh my gosh what is this I

134

00:06:46,790 --> 00:06:43,800

mean I knew it wasn't a car going by or

135

00:06:48,950 --> 00:06:46,800

and again I'm in a very rural area so I

136

00:06:51,230 --> 00:06:48,960

turned and I kneeled down the bed and I

137

00:06:54,350 --> 00:06:51,240

looked out the window and our house was

138

00:06:55,790 --> 00:06:54,360

on a little Hill I mean not not a big

139

00:06:57,770 --> 00:06:55,800

hill but just like a little Hill and on

140

00:06:59,270 --> 00:06:57,780

the bottom of the hill we had a street

141

00:07:01,730 --> 00:06:59,280

light in our yard

142

00:07:04,670 --> 00:07:01,740

and so when I'm looking out the window

143

00:07:08,450 --> 00:07:04,680

you know kneeling on the bed I can see a

144

00:07:11,870 --> 00:07:08,460

long cigar shaped object about 40 feet

145

00:07:13,550 --> 00:07:11,880

long hovering so like

146

00:07:14,990 --> 00:07:13,560

um down below where the heel is in the

147

00:07:17,510 --> 00:07:15,000

street light if you would add one more

148

00:07:21,650 --> 00:07:17,520

street light on there that's about how

149

00:07:23,450 --> 00:07:21,660

low this was so and I I didn't have to

150

00:07:26,689 --> 00:07:23,460

say anything to my mother because I just

151  
00:07:30,469 --> 00:07:26,699  
kind of like gave her a little nudge you

152  
00:07:31,969 --> 00:07:30,479  
know and my mother got up and she uh

153  
00:07:33,650 --> 00:07:31,979  
walked to the edge of the bed and she

154  
00:07:35,029 --> 00:07:33,660  
looked out the window and I now I'm

155  
00:07:38,150 --> 00:07:35,039  
kneeling on the bed looking out the

156  
00:07:41,749 --> 00:07:38,160  
window at this 40 foot long long lime

157  
00:07:43,610 --> 00:07:41,759  
green cigar light just hovering and I

158  
00:07:45,850 --> 00:07:43,620  
mean it wasn't just like this I mean it

159  
00:07:48,650 --> 00:07:45,860  
had like a little bit of a bounce to it

160  
00:07:50,629 --> 00:07:48,660  
and my mother's standing there and she

161  
00:07:53,089 --> 00:07:50,639  
looks out the window and her first words

162  
00:07:55,370 --> 00:07:53,099  
and this is even in the newspaper her

163  
00:07:57,350 --> 00:07:55,380

first words were oh my god Julie it's

164

00:08:00,710 --> 00:07:57,360

the second coming of the Lord because it

165

00:08:03,650 --> 00:08:00,720

was so Majestic it was so beautiful was

166

00:08:06,890 --> 00:08:03,660

it scary there were so many emotions in

167

00:08:08,689 --> 00:08:06,900

in just looking at it you didn't you

168

00:08:11,150 --> 00:08:08,699

were froze you you

169

00:08:12,650 --> 00:08:11,160

were you scared no I mean there was just

170

00:08:15,409 --> 00:08:12,660

so many things but that's what she

171

00:08:18,230 --> 00:08:15,419

thought and we just stared at it so as

172

00:08:21,050 --> 00:08:18,240

as we're staring at this then all of a

173

00:08:22,790 --> 00:08:21,060

sudden it lowers now it's lower lowered

174

00:08:25,189 --> 00:08:22,800

um below the street lane and it's about

175

00:08:27,890 --> 00:08:25,199

like six feet off the ground and again

176  
00:08:30,529 --> 00:08:27,900  
we're upstairs we're looking at a second

177  
00:08:33,230 --> 00:08:30,539  
floor bedroom window facing the street

178  
00:08:35,750 --> 00:08:33,240  
light facing this whole object so we we

179  
00:08:39,230 --> 00:08:35,760  
can see that this we're watching it drop

180  
00:08:41,990 --> 00:08:39,240  
down then we watched it shoot up and as

181  
00:08:44,029 --> 00:08:42,000  
it shut out well first I'm going to tell

182  
00:08:46,850 --> 00:08:44,039  
you about this light the lime green

183  
00:08:48,590 --> 00:08:46,860  
light like I looked inside there and

184  
00:08:49,850 --> 00:08:48,600  
this wasn't a blinding light like you

185  
00:08:52,009 --> 00:08:49,860  
could look at the site you didn't have

186  
00:08:53,509 --> 00:08:52,019  
to go like oh my gosh yes it was bright

187  
00:08:55,970 --> 00:08:53,519  
but you could look at it and it didn't

188  
00:08:58,670 --> 00:08:55,980

hurt your eyes and within the Light

189

00:09:00,650 --> 00:08:58,680

Within the cigar shaped light I looked

190

00:09:02,750 --> 00:09:00,660

inside there to see if I could see

191

00:09:04,430 --> 00:09:02,760

anything

192

00:09:06,170 --> 00:09:04,440

um like if there was any movement in

193

00:09:09,050 --> 00:09:06,180

there if there was anything dark in

194

00:09:10,009 --> 00:09:09,060

there I couldn't it was just one solid

195

00:09:13,490 --> 00:09:10,019

light

196

00:09:15,949 --> 00:09:13,500

and so as this lowered and then lifted

197

00:09:18,470 --> 00:09:15,959

it shut you're not going to believe this

198

00:09:21,230 --> 00:09:18,480

but this is exactly what happened it

199

00:09:23,810 --> 00:09:21,240

shot down Fireballs like all these

200

00:09:25,009 --> 00:09:23,820

Fireballs came out uh from like the

201  
00:09:26,870 --> 00:09:25,019  
Craft

202  
00:09:28,670 --> 00:09:26,880  
um they didn't come straight down they

203  
00:09:31,190 --> 00:09:28,680  
came out at like

204  
00:09:33,230 --> 00:09:31,200  
sat at the on out of the sides because

205  
00:09:35,269 --> 00:09:33,240  
the way they came down

206  
00:09:37,610 --> 00:09:35,279  
and so they and they had a tail on them

207  
00:09:39,470 --> 00:09:37,620  
but they they shot down and you got to

208  
00:09:44,570 --> 00:09:39,480  
remember this is February 10th this is

209  
00:09:47,269 --> 00:09:44,580  
willerni Minnesota and even in my um

210  
00:09:49,730 --> 00:09:47,279  
uh we have a lot of snow this is me and

211  
00:09:52,370 --> 00:09:49,740  
my mother but we had about two feet of

212  
00:09:55,130 --> 00:09:52,380  
snow and this is one of the pieces here

213  
00:09:57,949 --> 00:09:55,140

that yeah that

214

00:10:00,470 --> 00:09:57,959

um that shot down that wasn't Disturbed

215

00:10:02,269 --> 00:10:00,480

but anyway so this is the next morning

216

00:10:04,970 --> 00:10:02,279

but let's get back to the night when

217

00:10:07,430 --> 00:10:04,980

when this lifted and shot down those

218

00:10:09,110 --> 00:10:07,440

Fireballs they went all over into like

219

00:10:11,269 --> 00:10:09,120

the snow Banks across the road and

220

00:10:13,850 --> 00:10:11,279

everything and now they're glowing

221

00:10:17,810 --> 00:10:13,860

there's these glowing Embers all over

222

00:10:20,389 --> 00:10:17,820

and after that lifted it shot off at

223

00:10:23,570 --> 00:10:20,399

like an 80 degree angle within one two

224

00:10:26,150 --> 00:10:23,580

three seconds it was gone so now we're I

225

00:10:28,190 --> 00:10:26,160

wish I was outside but now we're just

226

00:10:30,670 --> 00:10:28,200

still looking out the window this is

227

00:10:34,009 --> 00:10:30,680

gone and we can see all these Embers

228

00:10:36,949 --> 00:10:34,019

burning in the snow Banks across the

229

00:10:40,370 --> 00:10:36,959

street in our yard and they stayed

230

00:10:42,889 --> 00:10:40,380

glowing for at least 15-20 seconds and

231

00:10:44,150 --> 00:10:42,899

Rollin I was telling you my parents are

232

00:10:47,090 --> 00:10:44,160

going through a divorce so he was

233

00:10:49,850 --> 00:10:47,100

downstairs and we could we could hear

234

00:10:52,009 --> 00:10:49,860

him yelling June get down here there's a

235

00:10:55,310 --> 00:10:52,019

UFO June he's just down there screaming

236

00:10:58,009 --> 00:10:55,320

because he was watching it below us we

237

00:11:00,290 --> 00:10:58,019

were in the upstairs and below us he was

238

00:11:02,569 --> 00:11:00,300

watching it from the patio window so

239

00:11:04,310 --> 00:11:02,579

he's standing below us looking out the

240

00:11:05,930 --> 00:11:04,320

patio window we're seeing the same

241

00:11:06,949 --> 00:11:05,940

things but we're up here and he's down

242

00:11:10,670 --> 00:11:06,959

here

243

00:11:14,630 --> 00:11:10,680

so anyway so we watched this burnout and

244

00:11:17,090 --> 00:11:14,640

then uh we ran downstairs and I got on a

245

00:11:19,790 --> 00:11:17,100

jacket and I wanted to know what that

246

00:11:21,590 --> 00:11:19,800

was that what that was out there so I

247

00:11:22,910 --> 00:11:21,600

went out and Roland did tell me he said

248

00:11:23,930 --> 00:11:22,920

Julie I think you should get back in

249

00:11:26,990 --> 00:11:23,940

here because we don't know if they're

250

00:11:29,210 --> 00:11:27,000

radioactive so but I just wanted to get

251  
00:11:31,090 --> 00:11:29,220  
out there and take a peek and I did get

252  
00:11:34,009 --> 00:11:31,100  
close to one but I mean it was already

253  
00:11:35,990 --> 00:11:34,019  
burnt out you know but you could see and

254  
00:11:39,710 --> 00:11:36,000  
again this is probably you know like 12

255  
00:11:42,530 --> 00:11:39,720  
30 now you know 12 20 whatever so we had

256  
00:11:43,850 --> 00:11:42,540  
to wait for morning you know to come for

257  
00:11:46,130 --> 00:11:43,860  
things to get brighter so we could go

258  
00:11:48,290 --> 00:11:46,140  
out there so yeah that night none of us

259  
00:11:50,150 --> 00:11:48,300  
went to bed my mom called her sisters we

260  
00:11:52,310 --> 00:11:50,160  
called the police we called the

261  
00:11:54,470 --> 00:11:52,320  
neighbors I mean it was really something

262  
00:11:56,449 --> 00:11:54,480  
to see so what happened when you what

263  
00:11:59,389 --> 00:11:56,459

happened when you called the police

264

00:12:01,009 --> 00:11:59,399

I actually just um when I was writing my

265

00:12:02,990 --> 00:12:01,019

book too I did call the Washington

266

00:12:05,150 --> 00:12:03,000

County Police Department and see if they

267

00:12:07,009 --> 00:12:05,160

had any archive or anything like that

268

00:12:09,650 --> 00:12:07,019

because

269

00:12:14,090 --> 00:12:09,660

um our road got roped off and I don't I

270

00:12:16,910 --> 00:12:14,100

I this is you know this was 1982 and you

271

00:12:19,069 --> 00:12:16,920

know it's for 39 40 years ago but I

272

00:12:22,069 --> 00:12:19,079

can't remember who roped off I wrote the

273

00:12:23,509 --> 00:12:22,079

next morning like you couldn't they

274

00:12:25,910 --> 00:12:23,519

blocked off the road so you couldn't

275

00:12:28,190 --> 00:12:25,920

drive that you know drive through it but

276

00:12:30,290 --> 00:12:28,200

you could go around our house we had a

277

00:12:33,110 --> 00:12:30,300

side road and you could use that road

278

00:12:35,690 --> 00:12:33,120

so I don't know if it was Robert

279

00:12:37,610 --> 00:12:35,700

englberg from kufos that roped off the

280

00:12:39,889 --> 00:12:37,620

road I don't know if it was the police

281

00:12:42,050 --> 00:12:39,899

department I just can't recall that and

282

00:12:44,269 --> 00:12:42,060

I wish I I wish I could tell you who

283

00:12:47,030 --> 00:12:44,279

roped it off but it did get you know

284

00:12:49,670 --> 00:12:47,040

blocked off did they did they come out

285

00:12:52,250 --> 00:12:49,680

that night though to talk to anyone or

286

00:12:53,750 --> 00:12:52,260

or did they actually physically come to

287

00:12:56,030 --> 00:12:53,760

the house the police I'm talking about

288

00:12:58,550 --> 00:12:56,040

yeah they didn't come to the house till

289

00:13:01,069 --> 00:12:58,560

uh my mom well this happened around

290

00:13:03,230 --> 00:13:01,079

midnight and I think they came it was

291

00:13:05,870 --> 00:13:03,240

like about five six in the morning that

292

00:13:08,690 --> 00:13:05,880

they came to the house but again I try

293

00:13:12,230 --> 00:13:08,700

to get a report on that and it they're

294

00:13:13,610 --> 00:13:12,240

just there just wasn't one so

295

00:13:16,730 --> 00:13:13,620

um but then

296

00:13:19,610 --> 00:13:16,740

um uh the next day

297

00:13:24,769 --> 00:13:19,620

um Robert englberg from kufos came to

298

00:13:27,290 --> 00:13:24,779

our house and he we actually gave him a

299

00:13:29,629 --> 00:13:27,300

piece and also the University of

300

00:13:32,329 --> 00:13:29,639

Minnesota came to her house

301

00:13:34,069 --> 00:13:32,339

and they took two pieces

302

00:13:36,290 --> 00:13:34,079

and they were going to analyze it in

303

00:13:38,030 --> 00:13:36,300

fact that's in the paper

304

00:13:39,230 --> 00:13:38,040

um did you have that article that I gave

305

00:13:42,790 --> 00:13:39,240

you about that

306

00:13:47,750 --> 00:13:45,889

on on here also it says downstairs Ron

307

00:13:50,509 --> 00:13:47,760

Julie's brother had also seen the fire

308

00:13:54,290 --> 00:13:50,519

you know the Fireballs it wasn't my my

309

00:13:57,350 --> 00:13:54,300

father's name was uh Roland so that was

310

00:13:59,569 --> 00:13:57,360

supposed to be downstairs Ron it should

311

00:14:01,310 --> 00:13:59,579

have said Roland Julie's father so but

312

00:14:03,949 --> 00:14:01,320

that that's just an error there that's

313

00:14:05,870 --> 00:14:03,959

not the idea yeah um but yeah the

314

00:14:08,509 --> 00:14:05,880

University of Minnesota took some pieces

315

00:14:10,910 --> 00:14:08,519

and then they couldn't analyze it so

316

00:14:13,069 --> 00:14:10,920

they the University of Minnesota sent

317

00:14:14,930 --> 00:14:13,079

the pieces off to kufos in Chicago

318

00:14:17,329 --> 00:14:14,940

Illinois

319

00:14:19,550 --> 00:14:17,339

yes that that piece there that you're

320

00:14:22,310 --> 00:14:19,560

showing that's the one that Robert

321

00:14:24,829 --> 00:14:22,320

engberg from kufos and wolfon he worked

322

00:14:26,269 --> 00:14:24,839

for both of them he took that one from

323

00:14:29,810 --> 00:14:26,279

my mother and I and he was going to have

324

00:14:33,050 --> 00:14:29,820

it analyzed and unfortunately we never

325

00:14:34,730 --> 00:14:33,060

heard from him again we never heard from

326

00:14:37,129 --> 00:14:34,740

like the University of Minnesota sent

327

00:14:38,750 --> 00:14:37,139

the two pictures or the two um pieces

328

00:14:41,150 --> 00:14:38,760

that they couldn't identify they sent

329

00:14:45,590 --> 00:14:41,160

those to kufos we never heard back from

330

00:14:47,870 --> 00:14:45,600

kufos it was like our Pieces Just

331

00:14:49,790 --> 00:14:47,880

we're gone

332

00:14:55,069 --> 00:14:49,800

um my mother

333

00:14:57,970 --> 00:14:55,079

also wrote a letter to uh kufos Center

334

00:15:00,410 --> 00:14:57,980

for UFO studies was what kufo's yeah

335

00:15:03,050 --> 00:15:00,420

three or four studies but my mother

336

00:15:05,629 --> 00:15:03,060

wrote a letter uh to them so this

337

00:15:08,090 --> 00:15:05,639

happened in February 10 1982 and my

338

00:15:10,329 --> 00:15:08,100

mother wrote a letter to them

339

00:15:12,829 --> 00:15:10,339

um right here

340

00:15:16,370 --> 00:15:12,839

go ahead yeah this is the original

341

00:15:19,790 --> 00:15:16,380

letter she wrote to them in

342

00:15:22,490 --> 00:15:19,800

um March of 1982 pleading with them and

343

00:15:24,290 --> 00:15:22,500

I have this in my book you know to you

344

00:15:26,509 --> 00:15:24,300

know to whom it may concern you know

345

00:15:28,269 --> 00:15:26,519

where the pieces that we that were sent

346

00:15:31,970 --> 00:15:28,279

to you from the University of Minnesota

347

00:15:33,889 --> 00:15:31,980

you know where is Robert englberg

348

00:15:36,829 --> 00:15:33,899

um you know and as God is my witness

349

00:15:39,590 --> 00:15:36,839

this is what me and my daughter seen and

350

00:15:40,750 --> 00:15:39,600

I mean I could read her letter no that's

351

00:15:42,590 --> 00:15:40,760

okay

352

00:15:44,569 --> 00:15:42,600

so anyway

353

00:15:48,530 --> 00:15:44,579

um they never responded even in March of

354

00:15:50,569 --> 00:15:48,540

1982 it was just like okay so all this

355

00:15:54,230 --> 00:15:50,579

happened it was so exciting it was so

356

00:15:56,769 --> 00:15:54,240

Majestic it was so mind-blowing and here

357

00:15:59,689 --> 00:15:56,779

we're entrusting our pieces to people

358

00:16:01,790 --> 00:15:59,699

you know such as mufan kufos whatever

359

00:16:03,410 --> 00:16:01,800

and we just don't hear from anybody and

360

00:16:04,550 --> 00:16:03,420

then the story just kind of slowly

361

00:16:07,189 --> 00:16:04,560

fizzled out

362

00:16:09,889 --> 00:16:07,199

now before we go on from this point here

363

00:16:14,090 --> 00:16:09,899

I wanted to ask you a couple things

364

00:16:16,790 --> 00:16:14,100

um what what was the reaction like

365

00:16:20,269 --> 00:16:16,800

locally was this in the papers besides

366

00:16:22,430 --> 00:16:20,279

that did it go more broadly or was it

367

00:16:24,710 --> 00:16:22,440

just did it stay like a regional story

368

00:16:26,810 --> 00:16:24,720

do you know

369

00:16:28,970 --> 00:16:26,820

uh earlier that evening there was

370

00:16:31,310 --> 00:16:28,980

sightings on Bald Eagle Lake that they

371

00:16:35,030 --> 00:16:31,320

saw this lime green cigar-shaped light

372

00:16:36,530 --> 00:16:35,040

too and it's it's uh you know now that

373

00:16:39,470 --> 00:16:36,540

my book is out my book just came out

374

00:16:41,509 --> 00:16:39,480

September of 2022. now the neighbors

375

00:16:44,090 --> 00:16:41,519

like people that I um I just went down

376

00:16:46,490 --> 00:16:44,100

to my town uh will Ernie and I stopped

377

00:16:48,650 --> 00:16:46,500

in at the um to talk to a few of the

378

00:16:50,150 --> 00:16:48,660

locals and there there's so many people

379

00:16:51,710 --> 00:16:50,160

that are coming up to me and saying

380

00:16:54,769 --> 00:16:51,720

Julie I remembered when this happened

381

00:16:56,990 --> 00:16:54,779

and I seen this and you know and your

382

00:16:58,389 --> 00:16:57,000

story is true and and this and that and

383

00:17:02,449 --> 00:16:58,399

then um

384

00:17:04,309 --> 00:17:02,459

uh a lady yesterday uh she's a realtor

385

00:17:07,069 --> 00:17:04,319

my my oldest daughter works for Edina

386

00:17:08,569 --> 00:17:07,079

Realty and she's a realtor and her

387

00:17:10,789 --> 00:17:08,579

friend

388

00:17:11,929 --> 00:17:10,799

um I'll just say her name Pam but I'm

389

00:17:16,429 --> 00:17:11,939

not going to say a last name but she

390

00:17:18,829 --> 00:17:16,439

just reached out to me and I'm 59 and

391

00:17:21,350 --> 00:17:18,839

Pam is 61 and she just I actually talked

392

00:17:23,750 --> 00:17:21,360

to her yesterday and this morning and

393

00:17:25,850 --> 00:17:23,760

she said that she said she read my book

394

00:17:28,669 --> 00:17:25,860

it's it's mind-blowing and that her and

395

00:17:30,650 --> 00:17:28,679

her husband witnessed she said there's

396

00:17:33,230 --> 00:17:30,660

something about the willernee area

397

00:17:37,070 --> 00:17:33,240

because there was a lot of UFO uh

398

00:17:39,710 --> 00:17:37,080

sightings and stories and uh her and her

399

00:17:42,169 --> 00:17:39,720

husband actually seen one very close

400

00:17:44,390 --> 00:17:42,179

that was v-shaped and it was like a 1978

401  
00:17:47,150 --> 00:17:44,400  
or 79 so she was telling me about that

402  
00:17:48,890 --> 00:17:47,160  
too so I'm just have I'm talking to

403  
00:17:51,770 --> 00:17:48,900  
people now that have like you know are

404  
00:17:53,270 --> 00:17:51,780  
sharing things with me so and I think if

405  
00:17:54,950 --> 00:17:53,280  
this story would have what happened with

406  
00:17:57,890 --> 00:17:54,960  
me and my mother you know at our house

407  
00:17:59,930 --> 00:17:57,900  
and my little town of willernie 1982 I

408  
00:18:01,490 --> 00:17:59,940  
think if this happened today the news

409  
00:18:03,590 --> 00:18:01,500  
would be all over it I mean it would be

410  
00:18:06,950 --> 00:18:03,600  
get so much more attention but back then

411  
00:18:10,789 --> 00:18:06,960  
yeah I got teased you know like oh yeah

412  
00:18:12,770 --> 00:18:10,799  
Julie Olson saw a UFO or you know

413  
00:18:14,150 --> 00:18:12,780

um there was Whispers there was this and

414

00:18:16,130 --> 00:18:14,160

that but it didn't matter to me because

415

00:18:19,250 --> 00:18:16,140

I know what I've seen and I actually

416

00:18:22,250 --> 00:18:19,260

have pieces of it so and then um in my

417

00:18:23,750 --> 00:18:22,260

book too uh Angie and I'll leave her

418

00:18:25,909 --> 00:18:23,760

name blasting him out of it but she's in

419

00:18:28,370 --> 00:18:25,919

my book she wrote she

420

00:18:30,590 --> 00:18:28,380

um she was coming home from work after

421

00:18:33,890 --> 00:18:30,600

midnight also and she lives right behind

422

00:18:36,950 --> 00:18:33,900

me back then and she had to pull her car

423

00:18:39,529 --> 00:18:36,960

over and they were right by her car and

424

00:18:41,990 --> 00:18:39,539

she says there was two of them so but

425

00:18:43,070 --> 00:18:42,000

she pulled her car over and she said

426

00:18:45,770 --> 00:18:43,080

that

427

00:18:47,570 --> 00:18:45,780

um she watched as the it almost looked

428

00:18:51,529 --> 00:18:47,580

like the woods were gonna be on fire

429

00:18:53,270 --> 00:18:51,539

because when this craft rose and it

430

00:18:55,730 --> 00:18:53,280

shout out those Fireballs you could see

431

00:18:57,049 --> 00:18:55,740

the Horizon from the trees and it looked

432

00:18:59,029 --> 00:18:57,059

like there was going to be a massive

433

00:19:00,710 --> 00:18:59,039

fire and I always ask myself too

434

00:19:02,090 --> 00:19:00,720

sometimes what if this would have

435

00:19:05,330 --> 00:19:02,100

happened in the summer because I'm

436

00:19:08,390 --> 00:19:05,340

around you know all those ponds and you

437

00:19:09,890 --> 00:19:08,400

know if those Fireballs shot down in the

438

00:19:12,289 --> 00:19:09,900

summer there would have been a fire but

439

00:19:16,730 --> 00:19:12,299

this was was winter you know and it

440

00:19:18,470 --> 00:19:16,740

burned those holes those Rings like four

441

00:19:21,350 --> 00:19:18,480

or five inches deep into the snow that's

442

00:19:23,930 --> 00:19:21,360

how hot those were wow so you I mean

443

00:19:25,130 --> 00:19:23,940

this was a huge display this was the

444

00:19:26,750 --> 00:19:25,140

silhouette of this you wouldn't even

445

00:19:29,990 --> 00:19:26,760

believe you would you would swear yeah

446

00:19:31,490 --> 00:19:30,000

there's that's when we left undisturbed

447

00:19:33,350 --> 00:19:31,500

because

448

00:19:35,390 --> 00:19:33,360

um and that was my idea I told my mother

449

00:19:37,250 --> 00:19:35,400

I said because she was gonna scoop it up

450

00:19:40,010 --> 00:19:37,260

and how we got these things out of the

451  
00:19:42,230 --> 00:19:40,020  
snow we we had two wood stoves that he

452  
00:19:44,510 --> 00:19:42,240  
that's how we heated our house you know

453  
00:19:47,450 --> 00:19:44,520  
we were old school and we just burned

454  
00:19:50,270 --> 00:19:47,460  
wood to heat the house and so we took

455  
00:19:52,010 --> 00:19:50,280  
two of the shovels from the wood stove

456  
00:19:53,870 --> 00:19:52,020  
fireplaces and we went out and scooped

457  
00:19:54,950 --> 00:19:53,880  
those up and we put them on a plate and

458  
00:19:56,029 --> 00:19:54,960  
I don't know if you have that picture

459  
00:19:59,870 --> 00:19:56,039  
too

460  
00:20:02,330 --> 00:19:59,880  
so yeah yeah yeah let me look through

461  
00:20:04,669 --> 00:20:02,340  
and we have these pictures here but you

462  
00:20:06,529 --> 00:20:04,679  
actually have the objects or you have

463  
00:20:08,450 --> 00:20:06,539

one of the objects that you were able to

464

00:20:11,450 --> 00:20:08,460

retrieve and I want to of course we're

465

00:20:14,630 --> 00:20:11,460

gonna be talking about that as well uh

466

00:20:17,990 --> 00:20:14,640

you have what I'm showing here right yes

467

00:20:20,450 --> 00:20:18,000

yeah so uh why don't you if you don't

468

00:20:21,650 --> 00:20:20,460

mind why don't you uh actually hold it

469

00:20:23,510 --> 00:20:21,660

up to the camera

470

00:20:25,730 --> 00:20:23,520

I will do that but I want to tell you

471

00:20:29,330 --> 00:20:25,740

something about this piece so this was

472

00:20:31,130 --> 00:20:29,340

our full and past intact piece right and

473

00:20:34,430 --> 00:20:31,140

this is the one that we entrusted Robert

474

00:20:37,549 --> 00:20:34,440

with and he works with kufos and mufon

475

00:20:39,950 --> 00:20:37,559

this is all documented and um

476

00:20:42,169 --> 00:20:39,960

so when Robert

477

00:20:45,230 --> 00:20:42,179

took this and said he was going to have

478

00:20:48,529 --> 00:20:45,240

it analyzed and I remember when I was 18

479

00:20:51,289 --> 00:20:48,539

this is the box he put it in and it even

480

00:20:54,830 --> 00:20:51,299

says his name on it Robert Amberg

481

00:20:59,950 --> 00:20:54,840

right Yep this is the Box

482

00:21:03,110 --> 00:20:59,960

so and so Robert takes us in

483

00:21:05,810 --> 00:21:03,120

1982. we don't see him remember I told

484

00:21:07,909 --> 00:21:05,820

you my mother wrote the letter to kufo

485

00:21:08,570 --> 00:21:07,919

Falls

486

00:21:12,490 --> 00:21:08,580

um

487

00:21:15,070 --> 00:21:12,500

and when mufon how this whole story got

488

00:21:18,909 --> 00:21:15,080

rekindled is

489

00:21:21,890 --> 00:21:18,919

mufan wrote me a letter December of

490

00:21:24,169 --> 00:21:21,900

2019. I I get it in my mail and they

491

00:21:26,870 --> 00:21:24,179

said are you the girl from 1982 that

492

00:21:29,210 --> 00:21:26,880

witnessed this sighting and I said I am

493

00:21:32,210 --> 00:21:29,220

that girl and I reached out to move on

494

00:21:35,690 --> 00:21:32,220

and then I was telling them that my um

495

00:21:38,630 --> 00:21:35,700

we never did get any of our pieces back

496

00:21:41,390 --> 00:21:38,640

um and they were never tested with it's

497

00:21:43,990 --> 00:21:41,400

like the whole story just just fizzled

498

00:21:46,310 --> 00:21:44,000

out so they said well let me check into

499

00:21:47,990 --> 00:21:46,320

kufos and write them a letter and see if

500

00:21:49,490 --> 00:21:48,000

they have your pieces or any record of

501  
00:21:53,870 --> 00:21:49,500  
any of this

502  
00:21:55,850 --> 00:21:53,880  
so a letter was written to kufos and

503  
00:21:59,750 --> 00:21:55,860  
then we got the letter back

504  
00:22:01,490 --> 00:21:59,760  
and or they got a response and they they

505  
00:22:03,049 --> 00:22:01,500  
said we do not have any record of

506  
00:22:05,870 --> 00:22:03,059  
getting any pieces from the University

507  
00:22:08,169 --> 00:22:05,880  
of Minnesota or anything however we do

508  
00:22:10,669 --> 00:22:08,179  
have your mother's letter on file from

509  
00:22:12,470 --> 00:22:10,679  
1982. why would they have my mother's

510  
00:22:16,669 --> 00:22:12,480  
letter on file but not have any of our

511  
00:22:19,010 --> 00:22:16,679  
pieces right right so on that letter and

512  
00:22:21,890 --> 00:22:19,020  
they got a copy of that letter and they

513  
00:22:24,529 --> 00:22:21,900

mufan sent that to me and that's how I

514

00:22:25,850 --> 00:22:24,539

found out I'm like that was it because I

515

00:22:28,310 --> 00:22:25,860

couldn't remember this guy's name Robert

516

00:22:31,970 --> 00:22:28,320

ingberg I met him one time but his

517

00:22:33,470 --> 00:22:31,980

letter was um on or his name was on my

518

00:22:35,990 --> 00:22:33,480

mother's letter

519

00:22:38,810 --> 00:22:36,000

because on the bottom of it and that's

520

00:22:41,090 --> 00:22:38,820

how I found his name and I it took me

521

00:22:43,430 --> 00:22:41,100

like three months to find him and I

522

00:22:45,169 --> 00:22:43,440

finally found I tracked Robert down and

523

00:22:47,149 --> 00:22:45,179

I said I need my piece back I said you

524

00:22:48,830 --> 00:22:47,159

know what happened and I told him I was

525

00:22:50,210 --> 00:22:48,840

dealing with Jacques valet and Paula

526

00:22:52,430 --> 00:22:50,220

Harris and he's like how do you know

527

00:22:56,210 --> 00:22:52,440

them well just a long story anyway

528

00:23:00,890 --> 00:22:56,220

Robert found my piece and we met June of

529

00:23:04,430 --> 00:23:00,900

2021 in Mora at a diner and he gave me

530

00:23:06,890 --> 00:23:04,440

back my piece he apologized to me and he

531

00:23:09,770 --> 00:23:06,900

even gave me a letter of transmittal

532

00:23:11,690 --> 00:23:09,780

and um I have that right here

533

00:23:15,350 --> 00:23:11,700

this is all in my book

534

00:23:19,010 --> 00:23:15,360

saying that he re uh returned the piece

535

00:23:20,870 --> 00:23:19,020

back to me since from since 1982. so

536

00:23:23,210 --> 00:23:20,880

here's this proof their letter of

537

00:23:25,549 --> 00:23:23,220

transmittal transfer that he gave it

538

00:23:28,430 --> 00:23:25,559

back to me so at the diner when he

539

00:23:31,669 --> 00:23:28,440

pulled this box out and I was sitting

540

00:23:33,950 --> 00:23:31,679

there and he took the uh cap out you

541

00:23:35,510 --> 00:23:33,960

know the box top off and you set it

542

00:23:37,909 --> 00:23:35,520

right in front of me I started crying

543

00:23:40,250 --> 00:23:37,919

because I have not seen this piece for

544

00:23:43,250 --> 00:23:40,260

39 years and to me this was like a human

545

00:23:45,710 --> 00:23:43,260

connection I say what you want I

546

00:23:47,690 --> 00:23:45,720

literally sobbed over this piece it was

547

00:23:50,330 --> 00:23:47,700

gone for me for that long it's something

548

00:23:53,930 --> 00:23:50,340

my mother and I witnessed together it

549

00:23:55,070 --> 00:23:53,940

was uh uh it was so miraculous and I got

550

00:23:58,850 --> 00:23:55,080

this back

551  
00:24:01,190 --> 00:23:58,860  
and to me that this is just

552  
00:24:03,770 --> 00:24:01,200  
you can you can't replace this ever you

553  
00:24:05,390 --> 00:24:03,780  
know what I mean so yeah that's how I

554  
00:24:07,010 --> 00:24:05,400  
got that piece back and I will show you

555  
00:24:08,630 --> 00:24:07,020  
I'm going to put a glove on here I'll

556  
00:24:10,010 --> 00:24:08,640  
show you what it looks like

557  
00:24:10,909 --> 00:24:10,020  
and

558  
00:24:13,909 --> 00:24:10,919  
um

559  
00:24:15,830 --> 00:24:13,919  
Martin I told you that it's growing it's

560  
00:24:18,049 --> 00:24:15,840  
growing it's been in this box for 40

561  
00:24:20,870 --> 00:24:18,059  
years and it's growing some type of

562  
00:24:23,149 --> 00:24:20,880  
silver metallic

563  
00:24:25,850 --> 00:24:23,159

I shouldn't even be touching it yeah but

564

00:24:28,669 --> 00:24:25,860

do do you see I do see it yeah yeah yeah

565

00:24:31,430 --> 00:24:28,679

and it doesn't have a small or anything

566

00:24:32,690 --> 00:24:31,440

it wasn't like stored in somewhere damp

567

00:24:36,169 --> 00:24:32,700

or anything like that that you're aware

568

00:24:37,010 --> 00:24:36,179

of no and he yeah he had it in a safe

569

00:24:39,289 --> 00:24:37,020

um

570

00:24:43,370 --> 00:24:39,299

so let me ask you let me ask as you're

571

00:24:46,130 --> 00:24:43,380

showing this piece yeah um did he say

572

00:24:49,549 --> 00:24:46,140

anything about any analysis of the

573

00:24:51,649 --> 00:24:49,559

whatever the material is basically he

574

00:24:54,710 --> 00:24:51,659

apologized to me he said he never had it

575

00:24:56,930 --> 00:24:54,720

tested and basically he said basically I

576

00:24:59,450 --> 00:24:56,940

mean he didn't come out and say it but

577

00:25:01,909 --> 00:24:59,460

he kind of like being selfish he was

578

00:25:04,909 --> 00:25:01,919

just going to keep it for himself and I

579

00:25:07,549 --> 00:25:04,919

I told him hey I get it you know

580

00:25:09,529 --> 00:25:07,559

whatever but at least now I've got this

581

00:25:11,649 --> 00:25:09,539

back and he apologized and we became

582

00:25:14,029 --> 00:25:11,659

friends we talked for

583

00:25:17,149 --> 00:25:14,039

my gosh I talked to him at least a few

584

00:25:18,950 --> 00:25:17,159

times a week you know and he was really

585

00:25:21,409 --> 00:25:18,960

happy that I had it back and then

586

00:25:23,029 --> 00:25:21,419

unfortunately to tell you this I got

587

00:25:25,070 --> 00:25:23,039

this back in June and then three months

588

00:25:27,529 --> 00:25:25,080

later Robert passed away for he died of

589

00:25:30,549 --> 00:25:27,539

a sudden heart attack so that was really

590

00:25:33,649 --> 00:25:30,559

sad yeah yeah

591

00:25:36,529 --> 00:25:33,659

amazing that your timing was prior to

592

00:25:38,870 --> 00:25:36,539

that there it is right there now your

593

00:25:40,250 --> 00:25:38,880

gloves yeah my gloves are camouflaging

594

00:25:41,510 --> 00:25:40,260

it I got to take I couldn't find a

595

00:25:43,610 --> 00:25:41,520

rubber glove and I got to get some more

596

00:25:46,730 --> 00:25:43,620

but I'll just have to wash my hands I

597

00:25:48,590 --> 00:25:46,740

gotta be very delicate with this yeah so

598

00:25:49,909 --> 00:25:48,600

there it is right there turn it turn it

599

00:25:53,149 --> 00:25:49,919

right around keep turning it right

600

00:25:55,010 --> 00:25:53,159

around uh and it it shows you can

601  
00:25:57,110 --> 00:25:55,020  
obviously see that it was you know

602  
00:25:59,390 --> 00:25:57,120  
burned looks like it was burned from the

603  
00:26:02,570 --> 00:25:59,400  
inside and uh those of you who are

604  
00:26:04,789 --> 00:26:02,580  
listening to this and audio only I will

605  
00:26:05,870 --> 00:26:04,799  
have pictures of this but the video

606  
00:26:08,090 --> 00:26:05,880  
itself

607  
00:26:10,730 --> 00:26:08,100  
um on YouTube and Facebook

608  
00:26:13,190 --> 00:26:10,740  
Etc does show her handling this piece

609  
00:26:15,350 --> 00:26:13,200  
but you will see pictures in the show

610  
00:26:18,409 --> 00:26:15,360  
notes if you just follow that so there

611  
00:26:20,990 --> 00:26:18,419  
it is and uh what

612  
00:26:22,549 --> 00:26:21,000  
um what are the plans with this material

613  
00:26:27,769 --> 00:26:22,559

at this point

614

00:26:30,490 --> 00:26:27,779

well it's not going to be anything uh

615

00:26:34,330 --> 00:26:30,500

cheap to get tested you know what I mean

616

00:26:36,769 --> 00:26:34,340

yeah yeah I've heard it could be

617

00:26:38,029 --> 00:26:36,779

thousands and thousands and thousands of

618

00:26:40,850 --> 00:26:38,039

dollars because it just has to go

619

00:26:43,610 --> 00:26:40,860

through the test and I may hold the Holy

620

00:26:45,289 --> 00:26:43,620

Grail you know and I'm the type of

621

00:26:47,450 --> 00:26:45,299

person yeah I have a connection with

622

00:26:49,610 --> 00:26:47,460

this because it was gone off uh all

623

00:26:53,930 --> 00:26:49,620

those years for me and to me it has

624

00:26:56,149 --> 00:26:53,940

sentimental uh value to it but I would

625

00:26:58,130 --> 00:26:56,159

also I would like the world to know what

626

00:27:00,610 --> 00:26:58,140

this is and I would be willing to put it

627

00:27:03,169 --> 00:27:00,620

into a um a university

628

00:27:04,970 --> 00:27:03,179

or I mean I would like the world to know

629

00:27:07,970 --> 00:27:04,980

what this is and I would be willing to

630

00:27:10,310 --> 00:27:07,980

give that up to just if so people could

631

00:27:12,230 --> 00:27:10,320

learn or know what this is you know

632

00:27:14,690 --> 00:27:12,240

maybe it's from the government we don't

633

00:27:16,130 --> 00:27:14,700

know I don't know what this is yeah you

634

00:27:18,590 --> 00:27:16,140

know well you know I'd like to suggest

635

00:27:21,409 --> 00:27:18,600

and we can do this offline but I mean I

636

00:27:24,230 --> 00:27:21,419

know uh for instance Gary Nolan is not a

637

00:27:26,750 --> 00:27:24,240

metal or metallurgist he's not but he's

638

00:27:28,370 --> 00:27:26,760

he's a scientist with with connections

639

00:27:31,370 --> 00:27:28,380

and someone that you can absolutely

640

00:27:32,930 --> 00:27:31,380

trust and I think that that would be I

641

00:27:35,450 --> 00:27:32,940

mean I can again I can talk through this

642

00:27:38,090 --> 00:27:35,460

offline but I connect you two together

643

00:27:41,570 --> 00:27:38,100

and I think that might be a way to get

644

00:27:43,370 --> 00:27:41,580

this at least the ball rolling on this

645

00:27:45,110 --> 00:27:43,380

um because I understand you're you're

646

00:27:47,990 --> 00:27:45,120

correct in your assumption that it's

647

00:27:50,029 --> 00:27:48,000

very expensive and I know that that

648

00:27:52,909 --> 00:27:50,039

stops a lot of people from doing a lot

649

00:27:55,010 --> 00:27:52,919

of things similar but this uh like you

650

00:27:57,169 --> 00:27:55,020

said if this is the Holy Grail this

651  
00:28:00,230 --> 00:27:57,179  
actually you saw this actually come out

652  
00:28:02,570 --> 00:28:00,240  
of a very strange unknown object then I

653  
00:28:05,690 --> 00:28:02,580  
really think that uh the world needs to

654  
00:28:07,669 --> 00:28:05,700  
to know at least if this is something

655  
00:28:09,350 --> 00:28:07,679  
off planet or you know maybe it's

656  
00:28:11,169 --> 00:28:09,360  
something that like you said maybe it's

657  
00:28:13,850 --> 00:28:11,179  
something that can be explained in some

658  
00:28:16,549 --> 00:28:13,860  
experimental it'd be hard to imagine the

659  
00:28:18,950 --> 00:28:16,559  
1982 experimental thing that could do

660  
00:28:20,990 --> 00:28:18,960  
exactly what you're discussing but did

661  
00:28:22,850 --> 00:28:21,000  
you hear any types of noise at all any

662  
00:28:25,909 --> 00:28:22,860  
humming anything at all

663  
00:28:28,190 --> 00:28:25,919

now it's winter our you know our windows

664

00:28:29,750 --> 00:28:28,200

are closed you know it's winter

665

00:28:32,090 --> 00:28:29,760

um but I didn't hear a thing and even

666

00:28:33,890 --> 00:28:32,100

Angie she said that when she pulled her

667

00:28:35,210 --> 00:28:33,900

car over she had her window down just a

668

00:28:36,830 --> 00:28:35,220

little bit she said she didn't hear I

669

00:28:39,950 --> 00:28:36,840

mean there there was no noise to this

670

00:28:42,529 --> 00:28:39,960

yeah well and then um I had many

671

00:28:44,870 --> 00:28:42,539

neighbors that seen this Mr Steiner Mrs

672

00:28:46,370 --> 00:28:44,880

Mahoney and of course they're all passed

673

00:28:50,330 --> 00:28:46,380

away because they were elderly you know

674

00:28:52,549 --> 00:28:50,340

them but I mean there there was a half a

675

00:28:55,970 --> 00:28:52,559

dozen Witnesses so I mean and then my

676

00:28:58,130 --> 00:28:55,980

mother and I in Rowland and yeah so and

677

00:28:59,930 --> 00:28:58,140

uh here's I'm gonna ask a couple of

678

00:29:01,970 --> 00:28:59,940

questions that have popped up

679

00:29:04,850 --> 00:29:01,980

um and if anyone would like to ask

680

00:29:05,870 --> 00:29:04,860

uh any questions please do put them in

681

00:29:07,370 --> 00:29:05,880

caps

682

00:29:09,830 --> 00:29:07,380

um so did all the objects look very

683

00:29:12,830 --> 00:29:09,840

similar to this yes

684

00:29:15,649 --> 00:29:12,840

um this one is intact it's what do I say

685

00:29:18,769 --> 00:29:15,659

by that it's whole it's it's not broken

686

00:29:22,370 --> 00:29:18,779

I mean it's it's intact the other pieces

687

00:29:25,070 --> 00:29:22,380

are black black charred but you can tell

688

00:29:27,669 --> 00:29:25,080

that they're round and that they're um

689

00:29:30,769 --> 00:29:27,679

they got so hot that they they literally

690

00:29:32,450 --> 00:29:30,779

did not have the shape of the circle I

691

00:29:35,570 --> 00:29:32,460

mean they're you can tell that they were

692

00:29:38,510 --> 00:29:35,580

so hot they like almost broke so they're

693

00:29:40,850 --> 00:29:38,520

like half half round pieces and they're

694

00:29:43,190 --> 00:29:40,860

literally black and charred all the way

695

00:29:45,590 --> 00:29:43,200

through inside and out

696

00:29:48,350 --> 00:29:45,600

so it looked up from the looks of things

697

00:29:50,750 --> 00:29:48,360

when these things shot down into the

698

00:29:53,810 --> 00:29:50,760

snow it looked like whatever it was was

699

00:29:56,930 --> 00:29:53,820

like burning up do I have that right

700

00:29:59,389 --> 00:29:56,940

the light itself didn't burn not I mean

701  
00:30:02,870 --> 00:29:59,399  
it was nothing like that it just the

702  
00:30:05,269 --> 00:30:02,880  
fire came from underneath but remember I

703  
00:30:07,010 --> 00:30:05,279  
told you how it first hovered and then

704  
00:30:09,409 --> 00:30:07,020  
it went down really low about six feet

705  
00:30:11,690 --> 00:30:09,419  
off the ground yeah and then when it

706  
00:30:14,269 --> 00:30:11,700  
lifted back up it it kind of did a

707  
00:30:17,090 --> 00:30:14,279  
little like a bounce just like that but

708  
00:30:19,610 --> 00:30:17,100  
then it shot up fast and then all of a

709  
00:30:22,730 --> 00:30:19,620  
sudden these I mean how can a green a

710  
00:30:24,289 --> 00:30:22,740  
lime green light solid light shoot out

711  
00:30:27,169 --> 00:30:24,299  
fireballs and I'm talking these

712  
00:30:28,549 --> 00:30:27,179  
Fireballs were big and they had a tail

713  
00:30:30,049 --> 00:30:28,559

on them I'm telling you they were round

714

00:30:32,389 --> 00:30:30,059

and they had a tail and they came down

715

00:30:34,909 --> 00:30:32,399

so hard and they hit the snow wall over

716

00:30:36,230 --> 00:30:34,919

and these are the Embers that were left

717

00:30:38,330 --> 00:30:36,240

burning

718

00:30:41,210 --> 00:30:38,340

so

719

00:30:42,350 --> 00:30:41,220

and and I did see other pictures I was

720

00:30:45,169 --> 00:30:42,360

trying to find them I don't have them

721

00:30:47,090 --> 00:30:45,179

you may have one right there

722

00:30:50,630 --> 00:30:47,100

um of the ones that were in pieces do

723

00:30:52,490 --> 00:30:50,640

you have a picture of those oh uh yes I

724

00:30:55,310 --> 00:30:52,500

think I have it on the

725

00:30:57,889 --> 00:30:55,320

and but they were all it seems like

726

00:31:01,130 --> 00:30:57,899

they're all parts and pieces of

727

00:31:03,649 --> 00:31:01,140

something very similar right

728

00:31:04,789 --> 00:31:03,659

um do you see this picture that is my

729

00:31:07,010 --> 00:31:04,799

mother

730

00:31:08,450 --> 00:31:07,020

but see how much snow we had that's I

731

00:31:10,490 --> 00:31:08,460

took a picture of my mother she was

732

00:31:12,590 --> 00:31:10,500

outside with a shovel in her hand and

733

00:31:14,090 --> 00:31:12,600

she was looking for pieces you know that

734

00:31:15,590 --> 00:31:14,100

were burning on the side of the road we

735

00:31:18,110 --> 00:31:15,600

were looking for debris the next morning

736

00:31:20,990 --> 00:31:18,120

yeah so that just goes to show how much

737

00:31:23,210 --> 00:31:21,000

snow we had and yes you said it looked

738

00:31:24,710 --> 00:31:23,220

like five or so that were sh there's the

739

00:31:28,750 --> 00:31:24,720

plates right the plate with them right

740

00:31:34,909 --> 00:31:31,370

you're saying there were like five of

741

00:31:37,730 --> 00:31:34,919

them or so did you retrieve all five of

742

00:31:41,389 --> 00:31:37,740

what you saw shoot down or not

743

00:31:44,510 --> 00:31:41,399

we got yes we got it we probably on this

744

00:31:46,190 --> 00:31:44,520

plate we had more but the University of

745

00:31:48,230 --> 00:31:46,200

Minnesota

746

00:31:50,450 --> 00:31:48,240

um I can't and I can't remember did we

747

00:31:52,610 --> 00:31:50,460

give them two did we give them one I

748

00:31:54,529 --> 00:31:52,620

can't remember and then we then

749

00:31:57,230 --> 00:31:54,539

um Robert had this one

750

00:31:59,690 --> 00:31:57,240

but I I want to tell you something too

751  
00:32:00,529 --> 00:31:59,700  
that and I don't understand have you

752  
00:32:03,169 --> 00:32:00,539  
ever

753  
00:32:04,909 --> 00:32:03,179  
that you okay they say that Men in Black

754  
00:32:08,630 --> 00:32:04,919  
come around after something like this

755  
00:32:11,389 --> 00:32:08,640  
happens right okay so

756  
00:32:12,950 --> 00:32:11,399  
Paula Destin they said Julie why didn't

757  
00:32:16,909 --> 00:32:12,960  
you put that in your book I said because

758  
00:32:19,310 --> 00:32:16,919  
I don't I don't recall okay

759  
00:32:21,169 --> 00:32:19,320  
two or three days after this happened

760  
00:32:23,210 --> 00:32:21,179  
two guys showed up at our door and they

761  
00:32:25,370 --> 00:32:23,220  
had the long coats on and they had those

762  
00:32:28,970 --> 00:32:25,380  
rubber shoes you know that you zip to

763  
00:32:31,490 --> 00:32:28,980

put your yeah yeah and chiseled faces I

764

00:32:34,970 --> 00:32:31,500

mean sunglasses knocked on our door my

765

00:32:36,889 --> 00:32:34,980

mother let him in and the story is my

766

00:32:39,169 --> 00:32:36,899

mom's sister who's still alive today in

767

00:32:41,930 --> 00:32:39,179

fact she just published a book herself

768

00:32:43,789 --> 00:32:41,940

not on the UFO just something else but

769

00:32:45,289 --> 00:32:43,799

these guys were led into our house and

770

00:32:48,409 --> 00:32:45,299

they did an interview with my mother

771

00:32:51,110 --> 00:32:48,419

with me and my stepfather I remember

772

00:32:53,389 --> 00:32:51,120

these guys and I remember them coming to

773

00:32:55,909 --> 00:32:53,399

the door and I remember them coming in

774

00:32:58,070 --> 00:32:55,919

but I don't remember the interview and I

775

00:32:59,750 --> 00:32:58,080

can't no matter how much I've tried to

776

00:33:01,789 --> 00:32:59,760

lay down and think about it I can't

777

00:33:03,769 --> 00:33:01,799

remember the interview that they talked

778

00:33:05,389 --> 00:33:03,779

to us all separate so I never wrote that

779

00:33:07,070 --> 00:33:05,399

put that part in my book

780

00:33:10,789 --> 00:33:07,080

but I think it's something very

781

00:33:14,509 --> 00:33:10,799

important and um but my mom's sister uh

782

00:33:16,310 --> 00:33:14,519

clarine she uh taught we we just did a

783

00:33:18,529 --> 00:33:16,320

um a zoom with her and she said yes

784

00:33:20,870 --> 00:33:18,539

Julie she talked to Dustin she said yes

785

00:33:23,269 --> 00:33:20,880

those men came to your house they

786

00:33:26,509 --> 00:33:23,279

interviewed your mother your father you

787

00:33:29,169 --> 00:33:26,519

and she remembers all of it like it was

788

00:33:32,750 --> 00:33:29,179

yesterday because she my mom's sister

789

00:33:35,450 --> 00:33:32,760

did they identify themselves as from any

790

00:33:38,450 --> 00:33:35,460

type of organization I do remember them

791

00:33:39,889 --> 00:33:38,460

giving us a card and I we don't I don't

792

00:33:41,509 --> 00:33:39,899

know whatever happened to that card I

793

00:33:43,970 --> 00:33:41,519

don't ever remember hap whatever

794

00:33:45,590 --> 00:33:43,980

happened to them but I don't understand

795

00:33:47,090 --> 00:33:45,600

why I don't remember that part I

796

00:33:48,950 --> 00:33:47,100

remember them coming knocking on the

797

00:33:50,269 --> 00:33:48,960

door coming in this is God's honest

798

00:33:53,269 --> 00:33:50,279

truth but I don't remember anything

799

00:33:55,669 --> 00:33:53,279

after that nothing and so I left that

800

00:33:57,110 --> 00:33:55,679

part out of my book because what am I

801  
00:34:00,169 --> 00:33:57,120  
going to write about yeah they came to

802  
00:34:02,690 --> 00:34:00,179  
the door they came in and there's no

803  
00:34:04,549 --> 00:34:02,700  
really nothing to write about but I

804  
00:34:07,030 --> 00:34:04,559  
probably should have put that in there

805  
00:34:10,909 --> 00:34:07,040  
so I might write it

806  
00:34:14,210 --> 00:34:10,919  
that is that is interesting so uh so

807  
00:34:17,089 --> 00:34:14,220  
mufon had this and kufos they both knew

808  
00:34:20,030 --> 00:34:17,099  
about it and how did you know how to

809  
00:34:23,510 --> 00:34:20,040  
contact them because I'm thinking 1982

810  
00:34:27,470 --> 00:34:23,520  
who gave you the advice to contact do

811  
00:34:29,690 --> 00:34:27,480  
you remember mufon or kufos well when we

812  
00:34:33,290 --> 00:34:29,700  
had the sighting and we have these

813  
00:34:35,329 --> 00:34:33,300

pieces um see the a paper Joseph Tui

814

00:34:37,250 --> 00:34:35,339

from the paper actually we didn't even

815

00:34:39,889 --> 00:34:37,260

call the newspaper the newspaper called

816

00:34:42,649 --> 00:34:39,899

us because they were citing

817

00:34:46,310 --> 00:34:42,659

um on Bald Eagle Lake so I know Joseph

818

00:34:47,990 --> 00:34:46,320

Tui and he's now passed away to that he

819

00:34:49,849 --> 00:34:48,000

came over to our house and he took

820

00:34:51,530 --> 00:34:49,859

pictures and interviewed my mother and I

821

00:34:55,190 --> 00:34:51,540

and all that

822

00:34:57,950 --> 00:34:55,200

um shortly after kufos came Robert

823

00:35:00,829 --> 00:34:57,960

engberg and I don't know how he got

824

00:35:02,570 --> 00:35:00,839

there who sent him maybe when we called

825

00:35:05,810 --> 00:35:02,580

the police or maybe when we called the

826

00:35:08,570 --> 00:35:05,820

University of Minnesota how we got um

827

00:35:10,849 --> 00:35:08,580

hooked up with Robert I don't know

828

00:35:12,589 --> 00:35:10,859

but obviously you know Robert was there

829

00:35:15,589 --> 00:35:12,599

because he took my piece and he gave me

830

00:35:18,410 --> 00:35:15,599

back the letter of transmittal and he's

831

00:35:22,849 --> 00:35:18,420

on my mother's letter that she wrote so

832

00:35:25,550 --> 00:35:22,859

so how did Robert from kufo's mufan uh

833

00:35:28,010 --> 00:35:25,560

come into this picture I I can't answer

834

00:35:30,829 --> 00:35:28,020

that but obviously obviously the word

835

00:35:32,990 --> 00:35:30,839

was out there you know I mean you're

836

00:35:34,849 --> 00:35:33,000

talking 1982 so I mean I've got a pretty

837

00:35:37,010 --> 00:35:34,859

good memory but I can't remember I have

838

00:35:38,750 --> 00:35:37,020

a little details no I know if you tried

839

00:35:41,150 --> 00:35:38,760

if I tried to think of things back then

840

00:35:42,589 --> 00:35:41,160

it would be really tough although you

841

00:35:44,329 --> 00:35:42,599

know something like that in your life is

842

00:35:46,670 --> 00:35:44,339

something you remember a lot of details

843

00:35:49,970 --> 00:35:46,680

about when something major like when I

844

00:35:52,190 --> 00:35:49,980

interrupt magic cheese cube says why not

845

00:35:53,930 --> 00:35:52,200

open a GoFundMe and let ufologists who

846

00:35:57,109 --> 00:35:53,940

are generally interested to pay for this

847

00:36:01,010 --> 00:35:57,119

testing it's funny that you say that uh

848

00:36:04,310 --> 00:36:01,020

because I just did a podcast too with uh

849

00:36:05,870 --> 00:36:04,320

Billy and Suzanne and we're talking they

850

00:36:08,450 --> 00:36:05,880

brought that up they said Julie we need

851  
00:36:10,010 --> 00:36:08,460  
to do a GoFundMe page and so I'm

852  
00:36:12,710 --> 00:36:10,020  
answering your question

853  
00:36:14,810 --> 00:36:12,720  
um that that was brought up and that

854  
00:36:16,430 --> 00:36:14,820  
would be a good idea it really would be

855  
00:36:18,950 --> 00:36:16,440  
because I'm willing

856  
00:36:21,290 --> 00:36:18,960  
to put this out there for everybody to

857  
00:36:24,470 --> 00:36:21,300  
know what it is and like I said is it

858  
00:36:27,290 --> 00:36:24,480  
from extraterrestrial is it from the

859  
00:36:31,250 --> 00:36:27,300  
government I mean it's either or but I

860  
00:36:33,109 --> 00:36:31,260  
know what I saw I that was not from to

861  
00:36:35,569 --> 00:36:33,119  
me that was not government I I there's

862  
00:36:37,849 --> 00:36:35,579  
no way I mean but who knows I mean I I

863  
00:36:40,790 --> 00:36:37,859

don't know well not not to sound too

864

00:36:43,510 --> 00:36:40,800

conspiratorial but if it were me if I

865

00:36:46,490 --> 00:36:43,520

owned that equip if I own that material

866

00:36:48,710 --> 00:36:46,500

and I wanted to have it tested I would

867

00:36:52,190 --> 00:36:48,720

just simply say I would like to have

868

00:36:55,069 --> 00:36:52,200

this piece tested for materials and not

869

00:36:56,810 --> 00:36:55,079

give any details about it just because

870

00:36:58,730 --> 00:36:56,820

you know

871

00:37:00,530 --> 00:36:58,740

if you start saying it could be

872

00:37:03,470 --> 00:37:00,540

extraterrestrial just let them make

873

00:37:04,550 --> 00:37:03,480

their analysis but also

874

00:37:06,950 --> 00:37:04,560

um

875

00:37:08,329 --> 00:37:06,960

it seems to be that a few people have

876

00:37:10,730 --> 00:37:08,339

tried to do this in the past and

877

00:37:13,250 --> 00:37:10,740

materials end up missing you know kind

878

00:37:15,290 --> 00:37:13,260

of like that's my fear

879

00:37:18,109 --> 00:37:15,300

um so I wouldn't even mention you know I

880

00:37:20,750 --> 00:37:18,119

would maybe have a friend

881

00:37:22,849 --> 00:37:20,760

um you know uh bring it to a place and

882

00:37:25,010 --> 00:37:22,859

and all that stuff and just cover your

883

00:37:26,690 --> 00:37:25,020

bases that's all I'm saying right and I

884

00:37:28,970 --> 00:37:26,700

want to make sure that whoever is

885

00:37:30,710 --> 00:37:28,980

testing this is credible I mean I don't

886

00:37:32,270 --> 00:37:30,720

want them breaking it up and you know

887

00:37:35,150 --> 00:37:32,280

what I mean I I'm sure you could get

888

00:37:37,430 --> 00:37:35,160

some debris or ashes or whatever from it

889

00:37:38,870 --> 00:37:37,440

or even my other pieces that I have I

890

00:37:42,230 --> 00:37:38,880

would be willing to part with those

891

00:37:44,089 --> 00:37:42,240

first because it's the same thing and

892

00:37:45,170 --> 00:37:44,099

see what those are because those are a

893

00:37:47,270 --> 00:37:45,180

little more

894

00:37:51,170 --> 00:37:47,280

um you know they're burnt all the way

895

00:37:53,750 --> 00:37:51,180

through and they're charred so yeah I

896

00:37:55,970 --> 00:37:53,760

would yeah so I have plenty to you know

897

00:37:58,310 --> 00:37:55,980

get tested but I just got to make sure

898

00:38:00,589 --> 00:37:58,320

that it goes into the right hands that's

899

00:38:01,910 --> 00:38:00,599

right right and um this person wants to

900

00:38:04,430 --> 00:38:01,920

know did you have any subsequent

901  
00:38:07,670 --> 00:38:04,440  
sightings or events of high strangeness

902  
00:38:09,770 --> 00:38:07,680  
in your life yes I did

903  
00:38:12,530 --> 00:38:09,780  
um in my book dark secrets and hidden

904  
00:38:15,230 --> 00:38:12,540  
lies I started journaling and writing

905  
00:38:18,170 --> 00:38:15,240  
because I was talking about my horrific

906  
00:38:21,589 --> 00:38:18,180  
upbringing uh very neglected rejected

907  
00:38:23,089 --> 00:38:21,599  
upbringing it was horrible and

908  
00:38:26,810 --> 00:38:23,099  
so

909  
00:38:29,930 --> 00:38:26,820  
when I was eight years old and my

910  
00:38:31,370 --> 00:38:29,940  
parents were up at the local bar my

911  
00:38:33,290 --> 00:38:31,380  
brother and I

912  
00:38:34,730 --> 00:38:33,300  
um we were on the bottom bunk and I

913  
00:38:36,710 --> 00:38:34,740

don't know who was up on the top bunk

914

00:38:39,650 --> 00:38:36,720

and we lived in a two-bedroom Shack

915

00:38:42,410 --> 00:38:39,660

literally we lived in a very very well

916

00:38:44,450 --> 00:38:42,420

this is this is prior to 1982. yeah this

917

00:38:45,910 --> 00:38:44,460

this yeah this is like a 19 when I was

918

00:38:47,930 --> 00:38:45,920

eight years old so it was

919

00:38:50,870 --> 00:38:47,940

1972 or so

920

00:38:53,930 --> 00:38:50,880

but I was uh it was a in the evening and

921

00:38:54,650 --> 00:38:53,940

I was on the bottom bunk next to the

922

00:38:56,810 --> 00:38:54,660

wall

923

00:39:00,170 --> 00:38:56,820

and I was singing Twinkle Twinkle Little

924

00:39:01,670 --> 00:39:00,180

Star and my brother put his hand over my

925

00:39:04,069 --> 00:39:01,680

mouth he likes

926

00:39:08,150 --> 00:39:04,079

quickly put his hand over my mouth and

927

00:39:10,490 --> 00:39:08,160

he said look and I looked and in the

928

00:39:14,390 --> 00:39:10,500

entryway of our bedroom

929

00:39:16,430 --> 00:39:14,400

there was this small creature about four

930

00:39:18,410 --> 00:39:16,440

feet tall

931

00:39:20,630 --> 00:39:18,420

um standing there and I know it wasn't

932

00:39:22,630 --> 00:39:20,640

human and

933

00:39:25,310 --> 00:39:22,640

um when I was

934

00:39:28,730 --> 00:39:25,320

talking with mupon they said Julie did

935

00:39:31,609 --> 00:39:28,740

you ever see have any uh unusual things

936

00:39:32,870 --> 00:39:31,619

that happened to you and Bill mcnaff I

937

00:39:33,970 --> 00:39:32,880

don't know if you know bill mcnuuff from

938

00:39:37,310 --> 00:39:33,980

mufan

939

00:39:38,990 --> 00:39:37,320

the element in fact I have our email

940

00:39:41,990 --> 00:39:39,000

it's in the book

941

00:39:43,790 --> 00:39:42,000

Bill asks me and I I asked Bill I said

942

00:39:45,829 --> 00:39:43,800

can I put this in in the book because

943

00:39:48,349 --> 00:39:45,839

you know you can't have you have your

944

00:39:49,910 --> 00:39:48,359

copyright stuff and he said Julie could

945

00:39:52,490 --> 00:39:49,920

you draw me a picture of what you

946

00:39:54,890 --> 00:39:52,500

remember at eight years old so I did

947

00:39:56,089 --> 00:39:54,900

right here I that's what I drew and I

948

00:39:57,730 --> 00:39:56,099

couldn't because I'm laying on the

949

00:40:00,170 --> 00:39:57,740

bottom of the bunk so I couldn't see

950

00:40:02,930 --> 00:40:00,180

past the waist you know I didn't see the

951  
00:40:05,329 --> 00:40:02,940  
legs because I'm laying down and this

952  
00:40:07,190 --> 00:40:05,339  
thing is standing in our entryway

953  
00:40:10,730 --> 00:40:07,200  
so

954  
00:40:13,970 --> 00:40:10,740  
um Bill he said oh my god Julie he said

955  
00:40:16,430 --> 00:40:13,980  
you didn't draw an alien and I said no I

956  
00:40:21,710 --> 00:40:16,440  
didn't see an alien I just saw a little

957  
00:40:24,770 --> 00:40:21,720  
creature and he oh gosh do you have this

958  
00:40:27,950 --> 00:40:24,780  
right here yes so

959  
00:40:30,829 --> 00:40:27,960  
uh bill says Julie give me a second so

960  
00:40:34,310 --> 00:40:30,839  
then he sends me this an email and this

961  
00:40:36,710 --> 00:40:34,320  
is from 1969 that two military guys

962  
00:40:38,210 --> 00:40:36,720  
they experienced this and he said you're

963  
00:40:40,730 --> 00:40:38,220

giving me bill says you're giving me

964

00:40:43,010 --> 00:40:40,740

goosebumps because it looks like exactly

965

00:40:45,349 --> 00:40:43,020

what you drew and I said when I looked

966

00:40:47,270 --> 00:40:45,359

at that I said Bill the picture that

967

00:40:49,370 --> 00:40:47,280

bill just you know that you just had up

968

00:40:52,750 --> 00:40:49,380

that was more what I saw than my own

969

00:40:55,550 --> 00:40:52,760

drawing how can that be that

970

00:40:59,089 --> 00:40:55,560

the same you know what I mean it's Eerie

971

00:41:01,430 --> 00:40:59,099

it is just mind-blowing but that's yeah

972

00:41:04,790 --> 00:41:01,440

and it just stood there and my brother

973

00:41:07,010 --> 00:41:04,800

put his uh the blanket over his head and

974

00:41:09,589 --> 00:41:07,020

I locked eyes with it it had black shiny

975

00:41:12,710 --> 00:41:09,599

eyes and I locked eyes with it and I

976

00:41:15,109 --> 00:41:12,720

can't it was like it was a magnet and

977

00:41:17,930 --> 00:41:15,119

this went on for maybe a minute or so

978

00:41:19,790 --> 00:41:17,940

and then I open and close my eyes a few

979

00:41:21,050 --> 00:41:19,800

times and it was gone so I don't know

980

00:41:25,130 --> 00:41:21,060

what that was

981

00:41:26,210 --> 00:41:25,140

wow and it came yeah when's the last

982

00:41:27,170 --> 00:41:26,220

time you spoke to your brother about

983

00:41:29,210 --> 00:41:27,180

that

984

00:41:31,550 --> 00:41:29,220

oh gosh

985

00:41:33,170 --> 00:41:31,560

um well he lives in Missouri somewhere

986

00:41:35,630 --> 00:41:33,180

I'm not really close with him right now

987

00:41:37,310 --> 00:41:35,640

he's but did he remember this through

988

00:41:40,370 --> 00:41:37,320

the years when you did speak with him

989

00:41:42,290 --> 00:41:40,380

yes absolutely he even told

990

00:41:45,589 --> 00:41:42,300

um one of my friends Mike that lived in

991

00:41:47,450 --> 00:41:45,599

our town he actually sent me a text

992

00:41:48,890 --> 00:41:47,460

message saying that you know Ron told me

993

00:41:50,750 --> 00:41:48,900

all about this Julie because I believe

994

00:41:54,190 --> 00:41:50,760

you yeah so

995

00:42:00,170 --> 00:41:54,200

absolutely that happened

996

00:42:06,290 --> 00:42:04,069

so this this happened uh prior and you

997

00:42:08,089 --> 00:42:06,300

know I mean there was no UFO connection

998

00:42:11,150 --> 00:42:08,099

or anything to that was just like you

999

00:42:14,089 --> 00:42:11,160

saw this this being but um so anything

1000

00:42:15,589 --> 00:42:14,099

has anything happened since that's what

1001

00:42:17,030 --> 00:42:15,599

the last question was but I mean has

1002

00:42:20,470 --> 00:42:17,040

anything

1003

00:42:22,130 --> 00:42:20,480

uh happened since this has happened

1004

00:42:26,089 --> 00:42:22,140

1982.

1005

00:42:29,089 --> 00:42:26,099

well I am I am no not not not anything

1006

00:42:31,010 --> 00:42:29,099

big to tell you about but I am now Sky

1007

00:42:34,730 --> 00:42:31,020

watching and I have never done that and

1008

00:42:36,470 --> 00:42:34,740

I have a video of two unusual things and

1009

00:42:38,450 --> 00:42:36,480

I've shared it with some reputable

1010

00:42:40,790 --> 00:42:38,460

people and they're like yeah that's

1011

00:42:43,370 --> 00:42:40,800

really cool it

1012

00:42:45,890 --> 00:42:43,380

yeah so I'm doing that now I'm going out

1013

00:42:47,810 --> 00:42:45,900

and I'm well I have a perfect spot I

1014

00:42:49,790 --> 00:42:47,820

live in northern Minnesota I'm on a lake

1015

00:42:52,190 --> 00:42:49,800

I mean we just had the Northern Lights

1016

00:42:55,310 --> 00:42:52,200

the other night oh wow beautiful you

1017

00:42:57,349 --> 00:42:55,320

know so I have a lot of beautiful

1018

00:42:59,690 --> 00:42:57,359

um and you know another thing too I want

1019

00:43:03,770 --> 00:42:59,700

to tell you uh

1020

00:43:05,829 --> 00:43:03,780

Marvin or Martin my book Dark Secrets

1021

00:43:09,770 --> 00:43:05,839

hidden lies do you see the street light

1022

00:43:11,329 --> 00:43:09,780

yeah and then I designed this cover and

1023

00:43:14,270 --> 00:43:11,339

that's me underneath the street light

1024

00:43:18,349 --> 00:43:14,280

okay yeah you got it there yeah and that

1025

00:43:19,970 --> 00:43:18,359

UFO was shining down on me I actually we

1026  
00:43:22,250 --> 00:43:19,980  
saw that when I was in the house looking

1027  
00:43:25,390 --> 00:43:22,260  
out the window but

1028  
00:43:27,710 --> 00:43:25,400  
I told you I had her a very rough

1029  
00:43:30,410 --> 00:43:27,720  
upbringing and so my book The Dark

1030  
00:43:31,670 --> 00:43:30,420  
Secrets and hidden Lies when Rollin

1031  
00:43:32,930 --> 00:43:31,680  
would come home from the bar and throw

1032  
00:43:35,750 --> 00:43:32,940  
me out of the house the middle of the

1033  
00:43:37,010 --> 00:43:35,760  
night as a young child young person I

1034  
00:43:38,450 --> 00:43:37,020  
would go sit underneath that street

1035  
00:43:40,150 --> 00:43:38,460  
light and that's the same place where

1036  
00:43:42,710 --> 00:43:40,160  
the UFO came

1037  
00:43:44,270 --> 00:43:42,720  
that was like my safe spot beneath the

1038  
00:43:47,030 --> 00:43:44,280

blank of the Stars underneath the street

1039

00:43:48,170 --> 00:43:47,040

light but that was my safe spot and

1040

00:43:51,170 --> 00:43:48,180

that's where

1041

00:43:55,010 --> 00:43:51,180

so I think it just kind of all mirrors

1042

00:43:57,710 --> 00:43:55,020

and connects wow interesting now they're

1043

00:44:01,190 --> 00:43:57,720

getting to the light the color of the

1044

00:44:03,710 --> 00:44:01,200

light it's not totally unheard of as a

1045

00:44:05,870 --> 00:44:03,720

matter of fact I was I was taking a a

1046

00:44:09,050 --> 00:44:05,880

flight on a commercial flight

1047

00:44:11,569 --> 00:44:09,060

and the guy next to me uh was a pilot

1048

00:44:15,050 --> 00:44:11,579

for American Airlines and we he was

1049

00:44:16,730 --> 00:44:15,060

deadheading and we had a discussion that

1050

00:44:22,730 --> 00:44:16,740

um

1051  
00:44:25,069 --> 00:44:22,740  
this is right after uh December of 2017

1052  
00:44:28,670 --> 00:44:25,079  
when the New York Times article came out

1053  
00:44:30,890 --> 00:44:28,680  
about the Pentagon and UFOs and so I

1054  
00:44:32,990 --> 00:44:30,900  
asked him um if he happened to catch

1055  
00:44:34,250 --> 00:44:33,000  
that I don't know exactly I think it had

1056  
00:44:37,370 --> 00:44:34,260  
to do with he was saying he was a Navy

1057  
00:44:39,770 --> 00:44:37,380  
pilot and uh

1058  
00:44:42,890 --> 00:44:39,780  
so he said no he did not he did not

1059  
00:44:44,870 --> 00:44:42,900  
catch it but UFO was a real and I said

1060  
00:44:47,809 --> 00:44:44,880  
oh tell me tell me why you're saying

1061  
00:44:51,290 --> 00:44:47,819  
that and so he was uh flying I think uh

1062  
00:44:55,130 --> 00:44:51,300  
either an F-16 or something like that

1063  
00:44:58,670 --> 00:44:55,140

um and for about 300 miles he was tailed

1064

00:45:01,190 --> 00:44:58,680

by a bright green object that lit up the

1065

00:45:03,109 --> 00:45:01,200

entire cockpit and it was uh he said it

1066

00:45:05,150 --> 00:45:03,119

was a it was just a really bright green

1067

00:45:07,609 --> 00:45:05,160

and followed him for

1068

00:45:11,450 --> 00:45:07,619

um I think he said about 300 miles which

1069

00:45:13,250 --> 00:45:11,460

is which is very interesting yeah so you

1070

00:45:15,829 --> 00:45:13,260

do hear you don't hear it a lot but

1071

00:45:18,470 --> 00:45:15,839

green is one of the things people talk

1072

00:45:23,150 --> 00:45:18,480

about green orbs I've never heard anyone

1073

00:45:25,910 --> 00:45:23,160

talk about a green cigar-shaped item but

1074

00:45:29,569 --> 00:45:25,920

would you say that this um

1075

00:45:32,510 --> 00:45:29,579

had an overall green Hue to it or was it

1076

00:45:35,270 --> 00:45:32,520

shining out green lights

1077

00:45:38,809 --> 00:45:35,280

was not shining out any green flashing

1078

00:45:40,670 --> 00:45:38,819

lights it was just green bright and it

1079

00:45:41,690 --> 00:45:40,680

just it had like a

1080

00:45:44,030 --> 00:45:41,700

um

1081

00:45:47,329 --> 00:45:44,040

so you know like the actual

1082

00:45:49,150 --> 00:45:47,339

light had what did you see like a aura

1083

00:45:51,950 --> 00:45:49,160

around it

1084

00:45:54,710 --> 00:45:51,960

yeah kind of late like that it had like

1085

00:45:56,990 --> 00:45:54,720

a little like a uh a light around it

1086

00:46:00,290 --> 00:45:57,000

that's kind of what I have to say that's

1087

00:46:04,430 --> 00:46:00,300

kind of what I saw I had a sighting back

1088

00:46:07,849 --> 00:46:04,440

in 2007 and it was a disc shaped object

1089

00:46:09,710 --> 00:46:07,859

but it had a blue glow all the

1090

00:46:13,309 --> 00:46:09,720

way around it it didn't have any lights

1091

00:46:15,290 --> 00:46:13,319

but it was uh it was sort of Twilight at

1092

00:46:17,089 --> 00:46:15,300

the time but this thing had a it wasn't

1093

00:46:19,069 --> 00:46:17,099

really extremely bright or anything but

1094

00:46:22,130 --> 00:46:19,079

it had a blue glow all the way around it

1095

00:46:25,130 --> 00:46:22,140

but no lights emanating you know off of

1096

00:46:26,390 --> 00:46:25,140

it nothing nothing flashing I looked in

1097

00:46:28,430 --> 00:46:26,400

there I wanted to see if there was

1098

00:46:30,410 --> 00:46:28,440

anything like dark in that light you

1099

00:46:31,970 --> 00:46:30,420

know like if they're if you could just

1100

00:46:33,589 --> 00:46:31,980

because you know you're looking out the

1101  
00:46:36,109 --> 00:46:33,599  
window and you're watching this and it's

1102  
00:46:38,870 --> 00:46:36,119  
even with you with the street light and

1103  
00:46:41,510 --> 00:46:38,880  
I I couldn't make anything out in that

1104  
00:46:43,849 --> 00:46:41,520  
light at all and isn't it weird that uh

1105  
00:46:44,450 --> 00:46:43,859  
I shouldn't say use the word weird but

1106  
00:46:46,910 --> 00:46:44,460  
um

1107  
00:46:49,430 --> 00:46:46,920  
for a light like that to shoot out

1108  
00:46:50,870 --> 00:46:49,440  
Fireballs it just I've never heard I

1109  
00:46:53,569 --> 00:46:50,880  
don't think I've ever heard anything

1110  
00:46:55,970 --> 00:46:53,579  
like that ever from anyone so far I know

1111  
00:46:58,190 --> 00:46:55,980  
I mean and it was it and that's exactly

1112  
00:46:59,390 --> 00:46:58,200  
what happened and and I don't like you

1113  
00:47:01,370 --> 00:46:59,400

said I don't

1114

00:47:03,710 --> 00:47:01,380

I don't even understand it how can a

1115

00:47:05,270 --> 00:47:03,720

light shoot out fireballs and then you

1116

00:47:06,050 --> 00:47:05,280

know leave these debris in the snow it

1117

00:47:08,329 --> 00:47:06,060

was

1118

00:47:10,790 --> 00:47:08,339

it's just something that I got to

1119

00:47:12,109 --> 00:47:10,800

witness and I feel like it was a gift

1120

00:47:13,970 --> 00:47:12,119

um I really do with me and my mother

1121

00:47:16,250 --> 00:47:13,980

what we went through with all the trauma

1122

00:47:17,510 --> 00:47:16,260

and then rolling you know the timing of

1123

00:47:18,770 --> 00:47:17,520

they're going through with the divorce

1124

00:47:20,750 --> 00:47:18,780

and he was leaving

1125

00:47:24,290 --> 00:47:20,760

to my mother and I it was like finality

1126

00:47:26,750 --> 00:47:24,300

it was just like Yep this you know I it

1127

00:47:28,849 --> 00:47:26,760

was just to us it was a sign and we all

1128

00:47:30,050 --> 00:47:28,859

her and I talked about that we said it

1129

00:47:32,630 --> 00:47:30,060

was a sign

1130

00:47:35,030 --> 00:47:32,640

do you do you believe that you have

1131

00:47:37,190 --> 00:47:35,040

complete memory of it or do you think

1132

00:47:38,829 --> 00:47:37,200

that there's any missing pieces that

1133

00:47:40,809 --> 00:47:38,839

you'd like to recover say in

1134

00:47:43,010 --> 00:47:40,819

hypnotherapy or something like that

1135

00:47:44,569 --> 00:47:43,020

here's you know

1136

00:47:46,670 --> 00:47:44,579

I was too and I've told this to Paula

1137

00:47:49,370 --> 00:47:46,680

okay so this happened at midnight we

1138

00:47:53,270 --> 00:47:49,380

went up to bed about because I know uh

1139

00:47:56,809 --> 00:47:53,280

uh we watched a movie there's no way

1140

00:47:58,130 --> 00:47:56,819

an hour and a half went by and there's

1141

00:48:00,290 --> 00:47:58,140

no to me

1142

00:48:01,970 --> 00:48:00,300

that happened you know happening at

1143

00:48:03,710 --> 00:48:01,980

midnight and

1144

00:48:07,010 --> 00:48:03,720

I know

1145

00:48:12,710 --> 00:48:10,250

since the time part like I think

1146

00:48:15,230 --> 00:48:12,720

12 o'clock came too fast

1147

00:48:16,430 --> 00:48:15,240

that's how I always felt my mom felt

1148

00:48:20,390 --> 00:48:16,440

that way too

1149

00:48:23,030 --> 00:48:20,400

and so I don't know who knows

1150

00:48:25,010 --> 00:48:23,040

but it's just something that I it's on

1151

00:48:26,870 --> 00:48:25,020

in in the back of my head that I I

1152

00:48:30,530 --> 00:48:26,880

always did believe that that

1153

00:48:32,630 --> 00:48:30,540

this happened at like 10 15 10 30 or

1154

00:48:33,829 --> 00:48:32,640

whatever I mean how did 12 o'clock come

1155

00:48:35,150 --> 00:48:33,839

that quick I mean I couldn't even

1156

00:48:38,450 --> 00:48:35,160

believe when that happened that it was

1157

00:48:40,670 --> 00:48:38,460

after midnight to me well yeah that's

1158

00:48:43,849 --> 00:48:40,680

just someone complimenting you yeah that

1159

00:48:46,370 --> 00:48:43,859

they bought your book yeah your strength

1160

00:48:48,890 --> 00:48:46,380

is extraordinary and all that so

1161

00:48:51,230 --> 00:48:48,900

um yeah I believe that

1162

00:48:52,790 --> 00:48:51,240

you know it wouldn't hurt you know there

1163

00:48:54,589 --> 00:48:52,800

I'm sure you've heard if you've been

1164

00:48:56,870 --> 00:48:54,599

paying attention to a lot of people

1165

00:48:58,609 --> 00:48:56,880

talking about having sightings that

1166

00:49:00,410 --> 00:48:58,619

there's a Time issue a lot of times

1167

00:49:01,730 --> 00:49:00,420

there's a Time issue whether it's

1168

00:49:04,849 --> 00:49:01,740

missing time

1169

00:49:07,849 --> 00:49:04,859

time dilation or I don't even know you

1170

00:49:10,250 --> 00:49:07,859

know there is a time element uh there

1171

00:49:12,770 --> 00:49:10,260

seems to be with a lot of UFO sightings

1172

00:49:15,109 --> 00:49:12,780

and sometimes people will say something

1173

00:49:17,450 --> 00:49:15,119

like Jason or the next thing I mean I I

1174

00:49:19,250 --> 00:49:17,460

spoke to someone on the phone recently

1175

00:49:21,410 --> 00:49:19,260

that had quite a signing I'm probably

1176

00:49:24,109 --> 00:49:21,420

going to try to get him on the show

1177

00:49:26,089 --> 00:49:24,119

um in New Mexico and uh he's probably

1178

00:49:29,329 --> 00:49:26,099

going to listen to the show and and uh

1179

00:49:33,589 --> 00:49:29,339

and uh get back in touch with me but he

1180

00:49:36,650 --> 00:49:33,599

uh had this weird very very unusual

1181

00:49:38,089 --> 00:49:36,660

citing that started out looking like an

1182

00:49:39,589 --> 00:49:38,099

animal type of thing and then it

1183

00:49:41,569 --> 00:49:39,599

shape-shifted and everything else it's

1184

00:49:43,370 --> 00:49:41,579

really bizarre and then all of a sudden

1185

00:49:45,470 --> 00:49:43,380

it's you know like three o'clock in the

1186

00:49:48,349 --> 00:49:45,480

morning and they have no idea what

1187

00:49:50,150 --> 00:49:48,359

happened so uh there there seems to be a

1188

00:49:51,589 --> 00:49:50,160

lot of times that people are talking

1189

00:49:53,030 --> 00:49:51,599

about this and I don't think it would

1190

00:49:55,490 --> 00:49:53,040

hurt you to

1191

00:49:56,750 --> 00:49:55,500

you know look into it a little more as

1192

00:49:59,630 --> 00:49:56,760

far as uh

1193

00:50:01,730 --> 00:49:59,640

hypnotherapy or something right and the

1194

00:50:03,410 --> 00:50:01,740

clarity of it I mean so where our house

1195

00:50:05,809 --> 00:50:03,420

was up on that little Hill there's no

1196

00:50:07,609 --> 00:50:05,819

houses in front of us there's no houses

1197

00:50:10,309 --> 00:50:07,619

on the side of us but there is a house

1198

00:50:12,349 --> 00:50:10,319

behind us so now we have you're looking

1199

00:50:13,790 --> 00:50:12,359

out you have all these ponds in front of

1200

00:50:17,270 --> 00:50:13,800

you and you have a lake on your right

1201  
00:50:19,069 --> 00:50:17,280  
hand side oh and another thing which I

1202  
00:50:20,870 --> 00:50:19,079  
thought was unusual is there was a

1203  
00:50:23,150 --> 00:50:20,880  
sighting the same night as mine and you

1204  
00:50:25,609 --> 00:50:23,160  
you just had that up and it said uh

1205  
00:50:28,730 --> 00:50:25,619  
February 10 1982

1206  
00:50:31,550 --> 00:50:28,740  
uh UFO underwater that's not for me

1207  
00:50:33,410 --> 00:50:31,560  
that's not art my mine's already

1208  
00:50:35,690 --> 00:50:33,420  
recorded my sighting but there was

1209  
00:50:36,950 --> 00:50:35,700  
another one from February 10th will

1210  
00:50:38,690 --> 00:50:36,960  
Ernie come on my little town of

1211  
00:50:40,990 --> 00:50:38,700  
willernie that there was somebody

1212  
00:50:43,550 --> 00:50:41,000  
reported a UFO underwater

1213  
00:50:46,609 --> 00:50:43,560

underwater underwater

1214

00:50:48,829 --> 00:50:46,619

now how that's in fact I already know

1215

00:50:53,089 --> 00:50:48,839

that's that's in the ice the lakes are

1216

00:50:54,410 --> 00:50:53,099

iced over yes so the report that UFO cat

1217

00:50:56,930 --> 00:50:54,420

had

1218

00:50:58,549 --> 00:50:56,940

um I I think I thought I gave it to you

1219

00:51:00,950 --> 00:50:58,559

but it's in my book

1220

00:51:03,230 --> 00:51:00,960

so where did that I do I do believe you

1221

00:51:06,290 --> 00:51:03,240

did uh I just didn't that just didn't

1222

00:51:09,290 --> 00:51:06,300

get uploaded yeah but anyway

1223

00:51:11,710 --> 00:51:09,300

um that's very strange uh to be

1224

00:51:15,530 --> 00:51:11,720

underwater yeah

1225

00:51:18,470 --> 00:51:15,540

I know yes I saw that yeah well this one

1226

00:51:23,210 --> 00:51:18,480

this is crazy but this is

1227

00:51:27,049 --> 00:51:23,220

um back then in 1982 we had Northwestern

1228

00:51:30,349 --> 00:51:27,059

Bell right Ma Bell yep and my mother

1229

00:51:32,990 --> 00:51:30,359

saved this and this is us uh it says

1230

00:51:37,309 --> 00:51:33,000

save this Northwestern Bell from March

1231

00:51:40,190 --> 00:51:37,319

uh or uh 1982 searching for report of

1232

00:51:42,710 --> 00:51:40,200

whatever became of the full intact ring

1233

00:51:45,170 --> 00:51:42,720

where where was it what happened to the

1234

00:51:47,569 --> 00:51:45,180

piece we never got back but we saved

1235

00:51:48,950 --> 00:51:47,579

This Is Us calling cupos in Chicago

1236

00:51:52,190 --> 00:51:48,960

Illinois

1237

00:51:53,450 --> 00:51:52,200

mm-hmm my mother saved that she had

1238

00:51:56,750 --> 00:51:53,460

everything like in a little photo album

1239

00:51:59,329 --> 00:51:56,760

she was so proud yeah gave her

1240

00:52:01,849 --> 00:51:59,339

everything yeah she's passed away now

1241

00:52:03,109 --> 00:52:01,859

but I mean I hope she knows that I wrote

1242

00:52:05,150 --> 00:52:03,119

the book because

1243

00:52:06,710 --> 00:52:05,160

and I believe she does and I believe she

1244

00:52:08,870 --> 00:52:06,720

was with me when I wrote it but I mean

1245

00:52:10,750 --> 00:52:08,880

it was for something this Majestic to

1246

00:52:14,930 --> 00:52:10,760

happen and then just have your pieces

1247

00:52:16,130 --> 00:52:14,940

you know disappear and there's the whole

1248

00:52:18,950 --> 00:52:16,140

story just

1249

00:52:22,670 --> 00:52:18,960

gone but now it's it's been rekindled

1250

00:52:24,650 --> 00:52:22,680

and I'm well I'd like to stay in touch

1251

00:52:26,510 --> 00:52:24,660

with you and follow up about this

1252

00:52:28,549 --> 00:52:26,520

material because I think it's important

1253

00:52:32,030 --> 00:52:28,559

to at least have it put in the right

1254

00:52:33,770 --> 00:52:32,040

hands and I I still think that uh Gary

1255

00:52:37,430 --> 00:52:33,780

Nolan would be a good start and I'm

1256

00:52:39,290 --> 00:52:37,440

going to reach out to him and uh also

1257

00:52:41,870 --> 00:52:39,300

send them a link to this video and and

1258

00:52:44,750 --> 00:52:41,880

the pictures and things like that and uh

1259

00:52:47,210 --> 00:52:44,760

we have just a couple of minutes uh left

1260

00:52:49,849 --> 00:52:47,220

so I guess what I'd like to ask you is

1261

00:52:51,829 --> 00:52:49,859

uh how do where do you go from here on

1262

00:52:53,210 --> 00:52:51,839

this is just besides having the material

1263

00:52:54,530 --> 00:52:53,220

looked at

1264

00:52:57,290 --> 00:52:54,540

um are you going to try to keep this

1265

00:53:00,349 --> 00:52:57,300

story kindled until that gets answered

1266

00:53:01,970 --> 00:53:00,359

I am like I I like I like doing the

1267

00:53:05,210 --> 00:53:01,980

podcast and getting the word out there

1268

00:53:07,370 --> 00:53:05,220

and um My Little Town of willerney they

1269

00:53:08,930 --> 00:53:07,380

just had a uh it was so cute and I found

1270

00:53:11,049 --> 00:53:08,940

this out after the fact but they just

1271

00:53:14,990 --> 00:53:11,059

had a little alien party

1272

00:53:17,750 --> 00:53:15,000

I said you did and then um I guess the

1273

00:53:20,450 --> 00:53:17,760

old uh folks that come in there in the

1274

00:53:22,010 --> 00:53:20,460

morning the uh they're reading my book

1275

00:53:26,990 --> 00:53:22,020

to them when they come in and have their

1276

00:53:30,290 --> 00:53:27,000

coffee so uh oh really yeah yeah and

1277

00:53:32,210 --> 00:53:30,300

then my my brother-in-law was um he has

1278

00:53:34,309 --> 00:53:32,220

a pizza business and anyway a guy came

1279

00:53:36,829 --> 00:53:34,319

out from a real estate realtor office

1280

00:53:39,049 --> 00:53:36,839

and he goes hey is your last name Olson

1281

00:53:40,609 --> 00:53:39,059

because I'm reading this Julie Olsen's

1282

00:53:42,650 --> 00:53:40,619

book right now and he goes and I see her

1283

00:53:44,750 --> 00:53:42,660

let you know the last name on the the

1284

00:53:46,730 --> 00:53:44,760

truck the pizza truck and my

1285

00:53:48,109 --> 00:53:46,740

brother-in-law's like oh my gosh your

1286

00:53:49,370 --> 00:53:48,119

name is getting out there he's like I

1287

00:53:51,309 --> 00:53:49,380

might have to start taking the side

1288

00:53:53,690 --> 00:53:51,319

streets

1289

00:53:55,670 --> 00:53:53,700

well thank you so much Julie and I'm

1290

00:53:57,170 --> 00:53:55,680

1291

00:54:00,049 --> 00:53:57,180

show notes as I mentioned to anyone

1292

00:54:02,390 --> 00:54:00,059

1293

00:54:04,609 --> 00:54:02,400

1294

00:54:07,069 --> 00:54:04,619

will also if there's ever an answer to

1295

00:54:09,109 --> 00:54:07,079

this material uh we'll talk again and

1296

00:54:11,930 --> 00:54:09,119
