

KAROL OLESIAK

**USS RONALD REAGAN
UFO ENCOUNTERS**

#547

1
00:00:05,100 --> 00:00:10,250
foreign

2
00:00:59,689 --> 00:00:27,740
[Music]

3
00:00:59,699 --> 00:01:05,530
foreign

4
00:01:10,490 --> 00:01:07,969
welcome to the show I'm Martin Willis

5
00:01:13,250 --> 00:01:10,500
your host and we have another fantastic

6
00:01:17,870 --> 00:01:13,260
show for you this evening we have Carl

7
00:01:20,870 --> 00:01:17,880
olshek and he was on the USS Reagan back

8
00:01:23,810 --> 00:01:20,880
in 2004 had a very strange sighting was

9
00:01:26,929 --> 00:01:23,820
more strange by the reactions of

10
00:01:28,370 --> 00:01:26,939
everyone than the sighting I think but

11
00:01:32,330 --> 00:01:28,380
uh anyway we're going to be talking to

12
00:01:36,350 --> 00:01:32,340
him and this week's blog by Charles Lear

13
00:01:38,330 --> 00:01:36,360

is the second part of abduction UFO

14

00:01:41,870 --> 00:01:38,340

Abduction research gone sideways part

15

00:01:45,830 --> 00:01:41,880

two where he gets into the crazy stuff

16

00:01:48,289 --> 00:01:45,840

that happened with Emma Woods and the

17

00:01:49,789 --> 00:01:48,299

allegations and things like that so uh

18

00:01:51,950 --> 00:01:49,799

but anyway that's the last of the series

19

00:01:56,389 --> 00:01:51,960

I think he's written five blogs on that

20

00:01:58,910 --> 00:01:56,399

another great one by him and uh let's

21

00:02:01,190 --> 00:01:58,920

see I don't think I have anything else

22

00:02:03,289 --> 00:02:01,200

to announce I do appreciate everyone

23

00:02:05,030 --> 00:02:03,299

that helps out with the show and anyone

24

00:02:08,270 --> 00:02:05,040

can do that all you have to do is go

25

00:02:10,190 --> 00:02:08,280

over to the website podcast ufo.com we

26

00:02:12,229 --> 00:02:10,200

also have a pretty active Facebook page

27

00:02:14,750 --> 00:02:12,239

I think there's 20 some odd thousand

28

00:02:17,210 --> 00:02:14,760

people that uh sometimes interact and

29

00:02:20,270 --> 00:02:17,220

just look that up on Facebook podcast

30

00:02:22,729 --> 00:02:20,280

UFO and our guests I'm bringing them in

31

00:02:24,770 --> 00:02:22,739

now Carl welcome

32

00:02:28,190 --> 00:02:24,780

hey how are you nice to see you Martin

33

00:02:30,710 --> 00:02:28,200

big family yes great thank you I

34

00:02:33,170 --> 00:02:30,720

remember hearing about you in this case

35

00:02:35,390 --> 00:02:33,180

uh Dave Beatty alerted me to it but

36

00:02:37,490 --> 00:02:35,400

you've had it out there for a while uh

37

00:02:39,830 --> 00:02:37,500

you published something out there to to

38

00:02:42,890 --> 00:02:39,840

kind of get the word out

39

00:02:45,470 --> 00:02:42,900

um so uh how long has this been this

40

00:02:49,729 --> 00:02:45,480

story did you feel comfortable putting

41

00:02:51,890 --> 00:02:49,739

it out there after the USS Nimitz uh you

42

00:02:54,949 --> 00:02:51,900

know case was out there everywhere

43

00:02:57,949 --> 00:02:54,959

that's correct there's uh my Shipmates

44

00:03:01,070 --> 00:02:57,959

uh quite a few of them have been asking

45

00:03:04,729 --> 00:03:01,080

me to write about it for a while and

46

00:03:10,190 --> 00:03:04,739

um well I mean as much as I appreciate

47

00:03:12,110 --> 00:03:10,200

the topic I uh was doing different kinds

48

00:03:15,170 --> 00:03:12,120

of writing having to do with activism

49

00:03:19,369 --> 00:03:15,180

and I felt like uh writing about the UAP

50

00:03:21,229 --> 00:03:19,379

Topic at the at the time would have

51
00:03:24,649 --> 00:03:21,239
detracted from what I was writing about

52
00:03:28,369 --> 00:03:24,659
which was an anti-war topic and now

53
00:03:29,690 --> 00:03:28,379
after 2017 these top two topics have

54
00:03:32,330 --> 00:03:29,700
collided

55
00:03:33,410 --> 00:03:32,340
yeah the way they have you know you're

56
00:03:35,990 --> 00:03:33,420
right

57
00:03:37,970 --> 00:03:36,000
um and what do you think in general

58
00:03:40,789 --> 00:03:37,980
about

59
00:03:43,309 --> 00:03:40,799
um you know the the the hard look I have

60
00:03:44,930 --> 00:03:43,319
to say uh about what's going on in the

61
00:03:48,050 --> 00:03:44,940
military when it comes to they call it

62
00:03:53,270 --> 00:03:50,030
um I have a friend who just retired from

63
00:03:56,390 --> 00:03:53,280

space force also had a UAP encounter he

64

00:03:59,809 --> 00:03:56,400

told me that uh you know he wants to get

65

00:04:03,710 --> 00:03:59,819

a hold of Dave as well but you know no

66

00:04:06,530 --> 00:04:03,720

people this is a a topic

67

00:04:08,809 --> 00:04:06,540

it's crazy how similar these two topics

68

00:04:11,149 --> 00:04:08,819

are like the the topic of renewable

69

00:04:13,250 --> 00:04:11,159

energy for instance in the topic of uaps

70

00:04:15,110 --> 00:04:13,260

there are certain people that won't

71

00:04:18,289 --> 00:04:15,120

think about the topic of renewable

72

00:04:21,050 --> 00:04:18,299

energy at all it's hokey it's fairy dust

73

00:04:23,810 --> 00:04:21,060

it's this it's that and it just doesn't

74

00:04:25,490 --> 00:04:23,820

fit into their personality so whether

75

00:04:28,189 --> 00:04:25,500

you're inside of the military or outside

76

00:04:30,290 --> 00:04:28,199

I feel like you encounter that people

77

00:04:34,129 --> 00:04:30,300

that say that that's just not me

78

00:04:37,310 --> 00:04:34,139

yeah well I I think you know from what

79

00:04:39,230 --> 00:04:37,320

I've seen the reaction to the Renewables

80

00:04:41,990 --> 00:04:39,240

and things like that is it's like it's a

81

00:04:45,409 --> 00:04:42,000

hard Arc to get from where we are over

82

00:04:47,270 --> 00:04:45,419

to that and convince you know people and

83

00:04:49,909 --> 00:04:47,280

setting up the infrastructure to make it

84

00:04:51,110 --> 00:04:49,919

all work but once it's in place then

85

00:04:53,629 --> 00:04:51,120

we're going to be in really good shape

86

00:04:55,730 --> 00:04:53,639

but it's it's it's a hard

87

00:04:58,550 --> 00:04:55,740

um you know it's it's gonna cost some

88

00:05:00,650 --> 00:04:58,560

money and and it's gonna cause uh

89

00:05:02,870 --> 00:05:00,660

environmental damage to get to a place

90

00:05:04,610 --> 00:05:02,880

to stop the environmental damage you

91

00:05:06,830 --> 00:05:04,620

know I mean well the biggest purchases

92

00:05:08,150 --> 00:05:06,840

of environmental sorry I mean interrupt

93

00:05:10,010 --> 00:05:08,160

you the biggest purchasers of

94

00:05:13,370 --> 00:05:10,020

environmental products oh is the

95

00:05:16,909 --> 00:05:13,380

military but it's convincing it's

96

00:05:20,270 --> 00:05:16,919

convincing the the the Personnel to use

97

00:05:22,790 --> 00:05:20,280

the environmental products and you know

98

00:05:24,950 --> 00:05:22,800

because in terms of delivering gas into

99

00:05:27,409 --> 00:05:24,960

a war zone you don't want to lose lives

100

00:05:29,210 --> 00:05:27,419

in delivering gas so this is obviously

101
00:05:30,890 --> 00:05:29,220
something the military has always been

102
00:05:33,650 --> 00:05:30,900
thinking about but it's completely off

103
00:05:35,510 --> 00:05:33,660
the topic of uaps but it is the same

104
00:05:39,050 --> 00:05:35,520
because it's kind of a mentality thing

105
00:05:42,230 --> 00:05:39,060
you know that it's like I love my gas I

106
00:05:43,969 --> 00:05:42,240
love my truck or I love the way my

107
00:05:45,950 --> 00:05:43,979
mentality is already structured and I'm

108
00:05:49,210 --> 00:05:45,960
not trying to mess with it which I'm not

109
00:05:52,730 --> 00:05:49,220
sure that that's a that's reasonable

110
00:05:56,510 --> 00:05:52,740
sanity is sanity is not overrated right

111
00:05:58,490 --> 00:05:56,520
right exactly so uh let's talk about now

112
00:06:00,650 --> 00:05:58,500
tonight I'd like to be able to talk

113
00:06:03,469 --> 00:06:00,660

about both encounters that you had and

114

00:06:06,350 --> 00:06:03,479

the LA the latter one uh but the one

115

00:06:08,749 --> 00:06:06,360

that um is really fascinating and and

116

00:06:10,730 --> 00:06:08,759

why you're here to speak about

117

00:06:13,370 --> 00:06:10,740

um I'd like for you to

118

00:06:14,990 --> 00:06:13,380

um just go through and tell us uh you

119

00:06:16,129 --> 00:06:15,000

know what happened

120

00:06:17,590 --> 00:06:16,139

okay

121

00:06:22,550 --> 00:06:17,600

so

122

00:06:26,090 --> 00:06:22,560

I I went into the military right after 9

123

00:06:30,650 --> 00:06:26,100

11 and I ended up in in boot camp in

124

00:06:32,870 --> 00:06:30,660

April of 2002 and I commissioned the

125

00:06:36,529 --> 00:06:32,880

Ronald Reagan and so I was a plank owner

126

00:06:38,570 --> 00:06:36,539

on the Ronald Reagan and so I was one of

127

00:06:40,730 --> 00:06:38,580

the first Quartermasters I struck out

128

00:06:43,309 --> 00:06:40,740

into the rate and I was one of the first

129

00:06:45,430 --> 00:06:43,319

Quartermasters to be trained and you

130

00:06:47,150 --> 00:06:45,440

know to be working on that ship

131

00:06:50,870 --> 00:06:47,160

and

132

00:06:54,290 --> 00:06:50,880

um one particular evening I relieved one

133

00:06:56,870 --> 00:06:54,300

of my Shipmates and I was like what is

134

00:06:58,129 --> 00:06:56,880

that and she's like I don't know

135

00:06:59,270 --> 00:06:58,139

and I'm like what do you mean you don't

136

00:07:10,610 --> 00:06:59,280

know

137

00:07:12,830 --> 00:07:10,620

then just took off I'm like okay so

138

00:07:14,930 --> 00:07:12,840

there's this orb about the above the

139

00:07:16,730 --> 00:07:14,940

flight deck right from this is my

140

00:07:18,409 --> 00:07:16,740

perspective there's other perspectives

141

00:07:20,749 --> 00:07:18,419

in this book from in my perspective

142

00:07:24,890 --> 00:07:20,759

there's this orb there but I've been

143

00:07:26,510 --> 00:07:24,900

brainwashed into you know if the officer

144

00:07:29,150 --> 00:07:26,520

of the deck is concerned then I'm

145

00:07:33,770 --> 00:07:29,160

concerned it's my my whole relationship

146

00:07:37,670 --> 00:07:33,780

with authority had kind of changed and

147

00:07:41,210 --> 00:07:37,680

um so I it was just kind of it was like

148

00:07:44,809 --> 00:07:41,220

The Truman Show kind of except with a

149

00:07:46,070 --> 00:07:44,819

UAP you know which is a APT metaphor I

150

00:07:48,230 --> 00:07:46,080

think

151
00:07:50,570 --> 00:07:48,240
um so this thing was was hovering there

152
00:07:52,969 --> 00:07:50,580
above the flight deck the there seemed

153
00:07:56,809 --> 00:07:52,979
to be a complete delineation on the

154
00:07:58,790 --> 00:07:56,819
bridge uh between officers and enlisted

155
00:08:01,550 --> 00:07:58,800
and I'm just popping this up for the

156
00:08:03,830 --> 00:08:01,560
people on YouTube this was something I

157
00:08:06,770 --> 00:08:03,840
just found on the internet

158
00:08:08,510 --> 00:08:06,780
um and so I guess I have to ask you and

159
00:08:10,129 --> 00:08:08,520
sorry to interrupt you here and I want

160
00:08:12,409 --> 00:08:10,139
you to keep going but

161
00:08:16,370 --> 00:08:12,419
um is that kind of what you think you

162
00:08:20,450 --> 00:08:19,309
um it's it's very similar it's very

163
00:08:21,110 --> 00:08:20,460

similar

164

00:08:24,650 --> 00:08:21,120

um

165

00:08:28,550 --> 00:08:24,660

uh uh I would say that that there was

166

00:08:31,189 --> 00:08:28,560

another if you look up uh the sun the

167

00:08:34,909 --> 00:08:31,199

sun had a mock-up that they did of their

168

00:08:38,029 --> 00:08:34,919

own and I thought that that one was uh

169

00:08:41,269 --> 00:08:38,039

if you look up my name and the the sun I

170

00:08:44,329 --> 00:08:41,279

believe uh that one was was closer even

171

00:08:47,150 --> 00:08:44,339

though I love Dave's as well

172

00:08:50,449 --> 00:08:47,160

um yep yep okay so continue on and again

173

00:08:53,690 --> 00:08:50,459

I apologize for uh interrupting

174

00:08:55,269 --> 00:08:53,700

yeah so the on the bridge I guess I have

175

00:08:58,430 --> 00:08:55,279

to explain what a quartermaster does

176

00:08:59,990 --> 00:08:58,440

quartermaster is uh works for directly

177

00:09:01,910 --> 00:09:00,000

for the ship's Navigator there's a

178

00:09:04,910 --> 00:09:01,920

limited amount of department heads on a

179

00:09:07,550 --> 00:09:04,920

on a ship and the Navigator runs his own

180

00:09:10,310 --> 00:09:07,560

department so we're in charge of making

181

00:09:13,210 --> 00:09:10,320

sure the ship is positioned in a way so

182

00:09:16,190 --> 00:09:13,220

the planes can take off and then land

183

00:09:17,870 --> 00:09:16,200

and uh during during flight operations

184

00:09:19,970 --> 00:09:17,880

and then we're in charge of making sure

185

00:09:23,630 --> 00:09:19,980

the ship knows where it's going in in

186

00:09:25,850 --> 00:09:23,640

other circumstances and

187

00:09:30,230 --> 00:09:27,889

sorry I lost my I lost my train of

188

00:09:32,090 --> 00:09:30,240

thought there but uh there's there's

189

00:09:34,490 --> 00:09:32,100

Quartermasters and then there's bosom

190

00:09:36,949 --> 00:09:34,500

mates and they're like the they they

191

00:09:39,170 --> 00:09:36,959

have a number of different jobs on the

192

00:09:41,990 --> 00:09:39,180

ship having to do with the anchor and a

193

00:09:44,990 --> 00:09:42,000

lot of the traditional duties these are

194

00:09:46,970 --> 00:09:45,000

mostly traditional rates uh there's a

195

00:09:49,130 --> 00:09:46,980

lot of operations people and then

196

00:09:54,110 --> 00:09:49,140

there's officers which consists mostly

197

00:09:57,230 --> 00:09:54,120

of helicopter pilots and uh airplane jet

198

00:10:00,710 --> 00:09:57,240

jet pilots and some of them retired

199

00:10:03,350 --> 00:10:00,720

Pilots whatever and there seemed to be

200

00:10:07,310 --> 00:10:03,360

uh you know in terms of I mentioned

201
00:10:11,329 --> 00:10:07,320
backstage that the um the miracle of Our

202
00:10:14,150 --> 00:10:11,339
Lady Fatima seemed to uh Co you know

203
00:10:16,370 --> 00:10:14,160
seem to kind of be the same as the

204
00:10:18,889 --> 00:10:16,380
experience that I'm having here with

205
00:10:21,590 --> 00:10:18,899
this orb that's hovering above us

206
00:10:25,190 --> 00:10:21,600
because some people seem to see it some

207
00:10:26,170 --> 00:10:25,200
people seem to not see it you know and

208
00:10:28,850 --> 00:10:26,180
um

209
00:10:31,190 --> 00:10:28,860
you know some people are excited and I'm

210
00:10:34,790 --> 00:10:31,200
I've asked myself and asked other people

211
00:10:38,150 --> 00:10:34,800
and I asked who I had relieved why we

212
00:10:40,310 --> 00:10:38,160
weren't at General quarters I mean for

213
00:10:43,490 --> 00:10:40,320

me what does General quarters mean

214

00:10:46,449 --> 00:10:43,500

exactly General quarters is a is a

215

00:10:49,790 --> 00:10:46,459

combat Readiness procedure

216

00:10:52,130 --> 00:10:49,800

when the ship is in danger you know when

217

00:10:53,990 --> 00:10:52,140

there is something unknown something I

218

00:10:56,509 --> 00:10:54,000

mentioned in the interviews that I did

219

00:10:58,610 --> 00:10:56,519

with Dave and if I go off tangent need

220

00:11:01,310 --> 00:10:58,620

to come back I I'd appreciate the help

221

00:11:03,350 --> 00:11:01,320

yeah but something I had mentioned uh to

222

00:11:06,050 --> 00:11:03,360

Dave is that we do darkened ship which

223

00:11:09,230 --> 00:11:06,060

isn't I'm sure it's not classified but

224

00:11:11,269 --> 00:11:09,240

it's it's that you know All Ships do

225

00:11:13,130 --> 00:11:11,279

this we're all afraid of somebody

226

00:11:14,990 --> 00:11:13,140

noticing Us in the middle of the ocean

227

00:11:17,030 --> 00:11:15,000

and I'd always ask myself this

228

00:11:18,650 --> 00:11:17,040

philosophical questions like what is the

229

00:11:19,970 --> 00:11:18,660

greatest Navy in the world afraid of in

230

00:11:22,030 --> 00:11:19,980

the middle of the ocean

231

00:11:25,430 --> 00:11:22,040

yeah you know

232

00:11:28,069 --> 00:11:25,440

pre-uss coal maybe I don't know but I it

233

00:11:30,350 --> 00:11:28,079

it had always you know I had always

234

00:11:33,170 --> 00:11:30,360

wondered you know what is it that we're

235

00:11:36,110 --> 00:11:33,180

afraid of what is it that's unknown 70

236

00:11:38,870 --> 00:11:36,120

of this world is ocean you know right

237

00:11:41,990 --> 00:11:38,880

and we really know nothing about it you

238

00:11:44,329 --> 00:11:42,000

know right but we do have the strongest

239

00:11:46,910 --> 00:11:44,339

Navy in the world at the same time I

240

00:11:50,030 --> 00:11:46,920

don't know yeah um

241

00:11:51,410 --> 00:11:50,040

so the officers seem like they're having

242

00:11:54,350 --> 00:11:51,420

a party

243

00:11:57,350 --> 00:11:54,360

and the bosom mates seem like they're

244

00:11:59,030 --> 00:11:57,360

having a mental breakdown you know this

245

00:12:01,910 --> 00:11:59,040

is what I'm observing you know what I

246

00:12:04,370 --> 00:12:01,920

mean half the bridge seems like they're

247

00:12:07,670 --> 00:12:04,380

uh freaking out and the other half seems

248

00:12:10,250 --> 00:12:07,680

it's way too calm and I might fall into

249

00:12:13,850 --> 00:12:10,260

the category of

250

00:12:16,430 --> 00:12:13,860

um somebody that was too calm you know

251

00:12:18,949 --> 00:12:16,440

what I mean like in retrospect in

252

00:12:21,170 --> 00:12:18,959

retrospect like thinking about it again

253

00:12:23,810 --> 00:12:21,180

like I can say okay it was because of

254

00:12:26,210 --> 00:12:23,820

the brainwashing oh it's because of this

255

00:12:29,030 --> 00:12:26,220

oh it's because I wasn't trying to draw

256

00:12:31,610 --> 00:12:29,040

attention to myself but at the same time

257

00:12:33,889 --> 00:12:31,620

it's like why the hell was I so calm

258

00:12:36,470 --> 00:12:33,899

hmm no but you were kind of following

259

00:12:38,389 --> 00:12:36,480

like you said the the brainwashing they

260

00:12:41,150 --> 00:12:38,399

do is you know you kind of look to your

261

00:12:43,009 --> 00:12:41,160

superiors for any type of reaction

262

00:12:44,329 --> 00:12:43,019

aren't you I mean isn't that what part

263

00:12:46,850 --> 00:12:44,339

of it is

264

00:12:47,990 --> 00:12:46,860

I yeah totally my relationship with

265

00:12:49,550 --> 00:12:48,000

authority was completely different

266

00:12:50,990 --> 00:12:49,560

before I went into the military as

267

00:12:53,150 --> 00:12:51,000

opposed to after I went into the

268

00:12:56,930 --> 00:12:53,160

military and my relationship now which

269

00:12:58,790 --> 00:12:56,940

is you know I I'm very defiant against

270

00:13:01,009 --> 00:12:58,800

the authority at this stage of my life

271

00:13:02,990 --> 00:13:01,019

which I think is very healthy it's the

272

00:13:03,730 --> 00:13:03,000

American way

273

00:13:09,650 --> 00:13:03,740

um

274

00:13:12,050 --> 00:13:09,660

depiction that I found that is that the

275

00:13:14,210 --> 00:13:12,060

more of the correct yes yes

276

00:13:17,030 --> 00:13:14,220

this is was in the Sun the publication

277

00:13:19,790 --> 00:13:17,040

the Sun and uh it does look like the sun

278

00:13:21,290 --> 00:13:19,800

and I think I mentioned to you off

279

00:13:24,050 --> 00:13:21,300

um and

280

00:13:26,990 --> 00:13:24,060

um off camera uh before the show started

281

00:13:30,889 --> 00:13:27,000

that we had someone in the military on a

282

00:13:34,430 --> 00:13:30,899

while back uh Kevin Day nope

283

00:13:37,310 --> 00:13:34,440

um boy his name is his slipping uh

284

00:13:40,310 --> 00:13:37,320

escaping me right now uh Mario Mario

285

00:13:42,470 --> 00:13:40,320

woods and if this was over a nuclear

286

00:13:44,090 --> 00:13:42,480

facility and he said it looked like a

287

00:13:46,250 --> 00:13:44,100

large Sun

288

00:13:50,030 --> 00:13:46,260

you know was right over uh right over

289

00:13:52,610 --> 00:13:50,040

the the weapons uh so it's it's really

290

00:13:54,410 --> 00:13:52,620

was really something and he had missing

291

00:13:56,329 --> 00:13:54,420

time and all that and that's another

292

00:13:57,889 --> 00:13:56,339

thing of course I'm gonna ask well

293

00:13:59,930 --> 00:13:57,899

that's what I wonder about Derek Smith

294

00:14:02,269 --> 00:13:59,940

who was he was one of the Bosa mates

295

00:14:05,810 --> 00:14:02,279

that's included in my article the

296

00:14:09,230 --> 00:14:05,820

original article and also have been um

297

00:14:10,850 --> 00:14:09,240

interview okay I I I don't want to say I

298

00:14:13,009 --> 00:14:10,860

don't think Dave actually did the

299

00:14:15,650 --> 00:14:13,019

interview with Derek I know he did an

300

00:14:18,710 --> 00:14:15,660

interview with Patrick Gokey

301
00:14:22,370 --> 00:14:18,720
um I think Dave used an interview that I

302
00:14:25,009 --> 00:14:22,380
had done with Derek but you know Derek's

303
00:14:27,050 --> 00:14:25,019
experience is so short that I'm

304
00:14:30,710 --> 00:14:27,060
wondering because my experience is so

305
00:14:32,389 --> 00:14:30,720
long how you know like and it's the same

306
00:14:34,730 --> 00:14:32,399
thing with Patrick Patrick sees it

307
00:14:37,250 --> 00:14:34,740
moving I don't see it moving you know

308
00:14:39,410 --> 00:14:37,260
like uh but I trust these guys I worked

309
00:14:41,269 --> 00:14:39,420
with Patrick for years and he's one of

310
00:14:44,569 --> 00:14:41,279
the few people I I you know and I I

311
00:14:46,790 --> 00:14:44,579
trust Derek too they they're not and

312
00:14:49,430 --> 00:14:46,800
they're they Derek was definitely one of

313
00:14:52,430 --> 00:14:49,440

the people that was pressuring me to to

314

00:14:54,290 --> 00:14:52,440

write about this because

315

00:14:56,810 --> 00:14:54,300

um man we had gone through this

316

00:14:59,329 --> 00:14:56,820

experience and then the reflection

317

00:15:01,689 --> 00:14:59,339

process about the experience is actually

318

00:15:05,449 --> 00:15:01,699

the thing right because

319

00:15:08,449 --> 00:15:05,459

yes the experience is weird and the

320

00:15:11,090 --> 00:15:08,459

experience the experiencers are behaving

321

00:15:13,490 --> 00:15:11,100

weird but what happens to me over 15

322

00:15:16,310 --> 00:15:13,500

years is I think about it think about it

323

00:15:18,889 --> 00:15:16,320

as if it was I had taken some sort of

324

00:15:21,410 --> 00:15:18,899

psychedelic some sort of psychedelic and

325

00:15:23,269 --> 00:15:21,420

I was reflecting on the experiences I

326

00:15:24,590 --> 00:15:23,279

had on the Psychedelic the thing is

327

00:15:27,590 --> 00:15:24,600

you're not allowed to do drugs in the

328

00:15:30,230 --> 00:15:27,600

military you know

329

00:15:33,710 --> 00:15:30,240

but okay so this this thing the people

330

00:15:36,170 --> 00:15:33,720

you're witnessing this with

331

00:15:37,550 --> 00:15:36,180

um outside you're are you're outside or

332

00:15:41,150 --> 00:15:37,560

you're inside

333

00:15:43,790 --> 00:15:41,160

I'm yeah I'm inside I'm inside uh okay

334

00:15:46,189 --> 00:15:43,800

there's bulletproof glass and you know

335

00:15:49,189 --> 00:15:46,199

you've if you've seen the movie Top Gun

336

00:15:51,650 --> 00:15:49,199

this is a Top Gun situation the Top Gun

337

00:15:53,170 --> 00:15:51,660

Flight uh the flight bridge is right

338

00:15:57,410 --> 00:15:53,180

above us

339

00:15:58,550 --> 00:15:57,420

uh we are right is that a picture of the

340

00:16:01,129 --> 00:15:58,560

Reagan

341

00:16:03,110 --> 00:16:01,139

uh well I I Googled it I was hoping it

342

00:16:04,850 --> 00:16:03,120

was I know it's isn't it number 76. I

343

00:16:07,189 --> 00:16:04,860

think that is the Reagan I I think

344

00:16:10,189 --> 00:16:07,199

that's the Reagan in um The Straits of

345

00:16:13,250 --> 00:16:10,199

Magellan which I navigated it's one of

346

00:16:17,449 --> 00:16:13,260

my claims claims to fame which is like

347

00:16:19,430 --> 00:16:17,459

you uh I think it was the first time a

348

00:16:22,850 --> 00:16:19,440

large aircraft carrier like that had

349

00:16:25,490 --> 00:16:22,860

ever traversed a small area like that

350

00:16:30,530 --> 00:16:25,500

and it was a navigation detail was like

351
00:16:32,629 --> 00:16:30,540
30 hours long you know and uh

352
00:16:34,790 --> 00:16:32,639
wow that must have been beautiful

353
00:16:37,490 --> 00:16:34,800
too to go through there

354
00:16:40,009 --> 00:16:37,500
um so yeah I mean the reaction of the

355
00:16:41,329 --> 00:16:40,019
people this is this is what I when I

356
00:16:44,329 --> 00:16:41,339
listened to another interview that you

357
00:16:46,790 --> 00:16:44,339
did with Dave Beatty that was my

358
00:16:49,610 --> 00:16:46,800
takeaway of the strangeness of this

359
00:16:52,069 --> 00:16:49,620
thing is the reactions and like there's

360
00:16:53,150 --> 00:16:52,079
really nothing going on in your

361
00:16:56,030 --> 00:16:53,160
launching

362
00:16:58,610 --> 00:16:56,040
uh you know your caterpillar catapulting

363
00:17:00,069 --> 00:16:58,620

these uh what are they f-18s or what

364

00:17:03,610 --> 00:17:00,079

were they at that time

365

00:17:05,929 --> 00:17:03,620

uh super Hornets

366

00:17:06,970 --> 00:17:05,939

f-22s22s are raptors sorry

367

00:17:11,990 --> 00:17:06,980

yeah

368

00:17:14,270 --> 00:17:12,000

been a while but it was the the ship was

369

00:17:17,449 --> 00:17:14,280

built to outfit the the Super Hornet

370

00:17:19,069 --> 00:17:17,459

which was the the newest the newest in

371

00:17:21,650 --> 00:17:19,079

the Arsenal for the military-industrial

372

00:17:23,329 --> 00:17:21,660

complex if you can yeah if you can guess

373

00:17:25,189 --> 00:17:23,339

what my political leanings lie

374

00:17:27,590 --> 00:17:25,199

[Laughter]

375

00:17:30,830 --> 00:17:27,600

so these things are are being launched

376

00:17:33,409 --> 00:17:30,840

and the thing is just sitting there

377

00:17:35,990 --> 00:17:33,419

um which is very I mean the the fact

378

00:17:38,750 --> 00:17:36,000

that you were launching the the uh

379

00:17:41,810 --> 00:17:38,760

uh these Jets off of that thing while

380

00:17:44,870 --> 00:17:41,820

this thing was sitting there is battling

381

00:17:46,549 --> 00:17:44,880

and uh you know I mean and and why

382

00:17:49,370 --> 00:17:46,559

you're not on some type of alert

383

00:17:51,529 --> 00:17:49,380

situation and why no one's talking about

384

00:17:53,510 --> 00:17:51,539

it why none of the officers are talking

385

00:17:55,909 --> 00:17:53,520

about that that's we're talking about it

386

00:17:58,549 --> 00:17:55,919

afterwards one of the things I mentioned

387

00:17:59,990 --> 00:17:58,559

in Dave's in Dave's uh interview was

388

00:18:04,850 --> 00:18:00,000

that

389

00:18:07,190 --> 00:18:04,860

um the bull uh who was the senior uh

390

00:18:09,409 --> 00:18:07,200

when I started writing about it uh he

391

00:18:11,210 --> 00:18:09,419

was the senior the senior commission to

392

00:18:13,130 --> 00:18:11,220

officer the lowest ranking senior

393

00:18:14,810 --> 00:18:13,140

commissioned officer and it's kind of

394

00:18:17,510 --> 00:18:14,820

they they wear a cowboy hat it's

395

00:18:21,470 --> 00:18:17,520

ceremonial but he was on watch that

396

00:18:23,870 --> 00:18:21,480

night and I asked him what happened in

397

00:18:26,690 --> 00:18:23,880

the galley in the officers Galley where

398

00:18:30,169 --> 00:18:26,700

they ate the day after and he's like

399

00:18:32,690 --> 00:18:30,179

nothing they didn't give a sorry

400

00:18:36,529 --> 00:18:32,700

they didn't they did not care they did

401
00:18:39,650 --> 00:18:36,539
not care I'll try to watch my language

402
00:18:41,630 --> 00:18:39,660
that's all right so yeah that you know

403
00:18:44,450 --> 00:18:41,640
that's just I just I'm just totally

404
00:18:46,850 --> 00:18:44,460
baffled by by that part of it because I

405
00:18:49,789 --> 00:18:46,860
mean to me I just I just see this thing

406
00:18:51,890 --> 00:18:49,799
was actually pacing along with you right

407
00:18:55,070 --> 00:18:51,900
you're going about other things are like

408
00:18:59,650 --> 00:18:55,080
this in our in our world where there are

409
00:19:05,210 --> 00:19:03,529
cumulatively ignore that they they just

410
00:19:07,850 --> 00:19:05,220
things happen they're like I don't know

411
00:19:10,310 --> 00:19:07,860
what that was I don't care it was just

412
00:19:12,409 --> 00:19:10,320
like we'll chalk it up to you know

413
00:19:14,210 --> 00:19:12,419

whatever you know like I well you know

414

00:19:17,870 --> 00:19:14,220

it's a it's kind of like a sheep

415

00:19:19,490 --> 00:19:17,880

mentality in a way because if if uh like

416

00:19:22,730 --> 00:19:19,500

people looking at each other for

417

00:19:24,590 --> 00:19:22,740

reactions and uh if the officers are

418

00:19:27,289 --> 00:19:24,600

acting like it's no big deal that's

419

00:19:28,850 --> 00:19:27,299

going to be contagious as well you know

420

00:19:30,830 --> 00:19:28,860

unless I wasn't trying to make myself

421

00:19:34,310 --> 00:19:30,840

ridiculous either

422

00:19:36,830 --> 00:19:34,320

hmm you know not to say that the UFO

423

00:19:39,950 --> 00:19:36,840

research is ridiculous you know it's

424

00:19:47,690 --> 00:19:42,950

once you put yourself into that Arena

425

00:19:49,909 --> 00:19:47,700

might make it harder to go into other

426

00:19:52,070 --> 00:19:49,919

things and I think that's the you know

427

00:19:53,750 --> 00:19:52,080

that's how people think about it and

428

00:19:55,669 --> 00:19:53,760

it's sad that it people do think about

429

00:19:57,289 --> 00:19:55,679

it that way

430

00:19:59,090 --> 00:19:57,299

um but

431

00:20:01,070 --> 00:19:59,100

um

432

00:20:03,710 --> 00:20:01,080

I don't know Dostoevsky has a story

433

00:20:07,130 --> 00:20:03,720

called The Dream of a ridiculous man you

434

00:20:10,130 --> 00:20:07,140

know and it's this idea that somebody

435

00:20:12,710 --> 00:20:10,140

can have this ridiculous dream of a

436

00:20:15,409 --> 00:20:12,720

perfect world but

437

00:20:16,370 --> 00:20:15,419

um when they

438

00:20:18,529 --> 00:20:16,380

um

439

00:20:21,950 --> 00:20:18,539

they can't actually make it happen in

440

00:20:24,230 --> 00:20:21,960

reality you know it's kind of like these

441

00:20:26,750 --> 00:20:24,240

uh so I've gotten to listen to a bunch

442

00:20:29,810 --> 00:20:26,760

of your podcasts and I got to listen to

443

00:20:32,090 --> 00:20:29,820

a couple of the Jack valet ones uh and

444

00:20:34,370 --> 00:20:32,100

um you know he was talking about his

445

00:20:37,490 --> 00:20:34,380

books and he's like these things are

446

00:20:40,010 --> 00:20:37,500

real we know these things are real and

447

00:20:41,690 --> 00:20:40,020

you know it's like this idea of real

448

00:20:44,750 --> 00:20:41,700

might be the problem

449

00:20:47,990 --> 00:20:44,760

you know there there might be a category

450

00:20:52,010 --> 00:20:48,000

of things that exist in between real or

451
00:20:55,669 --> 00:20:52,020
unreal or even beyond that you know like

452
00:20:58,549 --> 00:20:55,679
I guessed this word's Supernatural is so

453
00:21:00,470 --> 00:20:58,559
kitschy you know but I guess the word is

454
00:21:03,409 --> 00:21:00,480
Supernatural and that's the word we've

455
00:21:06,710 --> 00:21:03,419
been using uh forever

456
00:21:10,010 --> 00:21:06,720
I don't know yeah yeah no yeah I think

457
00:21:11,750 --> 00:21:10,020
one of the things that valet does

458
00:21:16,789 --> 00:21:11,760
uh

459
00:21:19,190 --> 00:21:16,799
which I agree totally is that you know

460
00:21:21,650 --> 00:21:19,200
we may not even understand what we're

461
00:21:23,930 --> 00:21:21,660
looking at if if you know I mean we may

462
00:21:26,870 --> 00:21:23,940
not even be able to understand

463
00:21:29,149 --> 00:21:26,880

what these things are some of them are

464

00:21:31,789 --> 00:21:29,159

and they all could be different you know

465

00:21:34,190 --> 00:21:31,799

different things but I do think that

466

00:21:36,590 --> 00:21:34,200

there is you know then the way that they

467

00:21:40,190 --> 00:21:36,600

move regardless of whether they're cigar

468

00:21:44,510 --> 00:21:40,200

shaped or uh saucer shaped or whatever

469

00:21:48,230 --> 00:21:44,520

it's it's in the way that they move that

470

00:21:50,810 --> 00:21:48,240

it uh that is the the similarity and

471

00:21:54,590 --> 00:21:50,820

that is the thing that makes us feel

472

00:21:56,990 --> 00:21:54,600

something you know that uh this other

473

00:21:59,149 --> 00:21:57,000

worldly feeling where where we're

474

00:22:00,770 --> 00:21:59,159

convinced that that can't be from here

475

00:22:02,390 --> 00:22:00,780

you know

476

00:22:04,130 --> 00:22:02,400

um

477

00:22:07,070 --> 00:22:04,140

but I don't that could be some sort of

478

00:22:09,049 --> 00:22:07,080

trickster mechanism too you know it's

479

00:22:10,190 --> 00:22:09,059

like I'm pretty sure the experience that

480

00:22:13,130 --> 00:22:10,200

I had

481

00:22:15,110 --> 00:22:13,140

wasn't a trick you know what I mean like

482

00:22:15,950 --> 00:22:15,120

but

483

00:22:18,350 --> 00:22:15,960

um

484

00:22:21,350 --> 00:22:18,360

I don't know it's it's there there might

485

00:22:24,409 --> 00:22:21,360

be again this in this uh divide between

486

00:22:26,450 --> 00:22:24,419

real and unreal there might also be this

487

00:22:28,970 --> 00:22:26,460

this thing between trick and Miracle

488

00:22:31,010 --> 00:22:28,980

right so

489

00:22:32,990 --> 00:22:31,020

um I've always I started thinking about

490

00:22:35,570 --> 00:22:33,000

this in terms of another philosophy

491

00:22:37,549 --> 00:22:35,580

experiment that you have say

492

00:22:39,049 --> 00:22:37,559

manufactured crop circles these

493

00:22:41,570 --> 00:22:39,059

fraudsters decide that they're going to

494

00:22:45,049 --> 00:22:41,580

manufacture circles and then they're

495

00:22:49,190 --> 00:22:45,059

going to convince a bunch of UFO

496

00:22:52,130 --> 00:22:49,200

enthusiasts that these uh that these are

497

00:22:53,750 --> 00:22:52,140

real you know and the UFO enthusiasts

498

00:22:56,990 --> 00:22:53,760

believe that they're real and they come

499

00:22:59,390 --> 00:22:57,000

and then later the fraudsters they go in

500

00:23:02,570 --> 00:22:59,400

the papers and they say haha we tricked

501
00:23:05,870 --> 00:23:02,580
them blah blah blah and yet the UFO

502
00:23:08,630 --> 00:23:05,880
enthusiasts are like you know still

503
00:23:11,690 --> 00:23:08,640
won't believe it but what if the whole

504
00:23:14,630 --> 00:23:11,700
interaction between the enthusiasts and

505
00:23:17,330 --> 00:23:14,640
the fraudsters is contact of some sort

506
00:23:22,430 --> 00:23:17,340
you know that these two groups are being

507
00:23:23,810 --> 00:23:22,440
compelled by some Force you know but I

508
00:23:25,669 --> 00:23:23,820
thought about this in terms of the

509
00:23:29,149 --> 00:23:25,679
Philadelphia Experiment because that's a

510
00:23:31,070 --> 00:23:29,159
classical example of a hoax but at the

511
00:23:34,070 --> 00:23:31,080
same time it's like

512
00:23:36,289 --> 00:23:34,080
I don't know in my studies there's no

513
00:23:39,289 --> 00:23:36,299

such thing as a complete hoax

514

00:23:41,210 --> 00:23:39,299

you know everything comes from somewhere

515

00:23:43,430 --> 00:23:41,220

um but anyway going back to this

516

00:23:46,190 --> 00:23:43,440

specific experience we had talked about

517

00:23:49,909 --> 00:23:46,200

it for years me and Patrick actually

518

00:23:52,310 --> 00:23:49,919

ended up working together uh with uh on

519

00:23:55,370 --> 00:23:52,320

when Occupy Wall Street started because

520

00:23:57,529 --> 00:23:55,380

I was going to school in New York and it

521

00:24:00,890 --> 00:23:57,539

seemed like our movement and our time

522

00:24:03,470 --> 00:24:00,900

and I can't say that seeing you this UAP

523

00:24:05,029 --> 00:24:03,480

encounter didn't influence all of that

524

00:24:07,490 --> 00:24:05,039

and didn't because that was pretty

525

00:24:10,070 --> 00:24:07,500

arbitrary before I went into the

526

00:24:14,149 --> 00:24:10,080

military I didn't care about it you know

527

00:24:16,970 --> 00:24:14,159

uh all of these things I was uh you know

528

00:24:20,149 --> 00:24:16,980

Civics you know I I was I was late to

529

00:24:24,110 --> 00:24:20,159

the T I was late to the class for civics

530

00:24:26,090 --> 00:24:24,120

you know like I I there's something

531

00:24:27,830 --> 00:24:26,100

great about the American classroom where

532

00:24:29,870 --> 00:24:27,840

you can get that lesson sometimes if you

533

00:24:31,730 --> 00:24:29,880

have a good professor a good teacher

534

00:24:33,830 --> 00:24:31,740

somewhere along the way that will teach

535

00:24:36,649 --> 00:24:33,840

you the importance importance of civics

536

00:24:39,230 --> 00:24:36,659

but I was 32 before I understood the

537

00:24:41,149 --> 00:24:39,240

importance of civics even you even after

538

00:24:42,830 --> 00:24:41,159

I had served you know

539

00:24:45,289 --> 00:24:42,840

hmm

540

00:24:47,149 --> 00:24:45,299

so there were there were people were

541

00:24:50,450 --> 00:24:47,159

there other people saying that they saw

542

00:24:51,890 --> 00:24:50,460

other orbs that were moving did I did I

543

00:24:54,470 --> 00:24:51,900

hear that

544

00:24:57,049 --> 00:24:54,480

I think I was mistaken in the interview

545

00:25:01,669 --> 00:24:57,059

in uh in my reading because

546

00:25:04,130 --> 00:25:01,679

um Patrick has sent me a write-up of

547

00:25:06,049 --> 00:25:04,140

um his encounter and I had just copy and

548

00:25:08,870 --> 00:25:06,059

pasted it and put it into my article and

549

00:25:11,450 --> 00:25:08,880

I had Mis I think I had misread it I had

550

00:25:14,810 --> 00:25:11,460

misread it that he saw more than one orb

551
00:25:17,270 --> 00:25:14,820
he had seen the same he had seen the

552
00:25:19,789 --> 00:25:17,280
same orb in different positions on the

553
00:25:22,669 --> 00:25:19,799
ship because the way that the Bosa mates

554
00:25:24,769 --> 00:25:22,679
worked is they they rotated positions

555
00:25:26,750 --> 00:25:24,779
they're trained Lookouts and this is

556
00:25:29,690 --> 00:25:26,760
something that your listeners should

557
00:25:31,669 --> 00:25:29,700
probably know too everybody in these

558
00:25:34,789 --> 00:25:31,679
positions is

559
00:25:36,490 --> 00:25:34,799
has had extensive trainings on how to

560
00:25:38,750 --> 00:25:36,500
spot different kinds of aircraft

561
00:25:42,169 --> 00:25:38,760
especially the Lookouts because that's

562
00:25:45,470 --> 00:25:42,179
their job and how to how to identify how

563
00:25:46,070 --> 00:25:45,480

to tell how far away they are and

564

00:25:48,409 --> 00:25:46,080

um

565

00:25:52,789 --> 00:25:48,419

yeah uh

566

00:25:55,310 --> 00:25:52,799

yeah so this isn't this isn't like a a a

567

00:25:56,690 --> 00:25:55,320

civilian sighting so to speak this is

568

00:25:59,510 --> 00:25:56,700

their job

569

00:26:01,070 --> 00:25:59,520

now did anyone try to look I know you

570

00:26:02,990 --> 00:26:01,080

have those I forget what they call them

571

00:26:05,390 --> 00:26:03,000

big eyes or something like that

572

00:26:08,510 --> 00:26:05,400

whatever those really powerful

573

00:26:10,310 --> 00:26:08,520

binoculars did anyone try I believe I

574

00:26:11,510 --> 00:26:10,320

believe Derek uh looked through the big

575

00:26:13,669 --> 00:26:11,520

eyes

576

00:26:15,529 --> 00:26:13,679

and he looked at this object

577

00:26:17,149 --> 00:26:15,539

I think he tried I think they I think

578

00:26:20,330 --> 00:26:17,159

they tried I don't know that they saw

579

00:26:23,690 --> 00:26:20,340

anything uh uh specific through the the

580

00:26:26,810 --> 00:26:23,700

big eyes that they had hadn't seen with

581

00:26:29,149 --> 00:26:26,820

uh again this thing is like right on top

582

00:26:29,930 --> 00:26:29,159

of us you don't need the big eyes to see

583

00:26:34,310 --> 00:26:29,940

it

584

00:26:38,090 --> 00:26:34,320

hmm wow and how many people would you

585

00:26:44,690 --> 00:26:42,169

uh you know I'd I had uh been a little I

586

00:26:47,029 --> 00:26:44,700

had exaggerated a little in my interview

587

00:26:48,890 --> 00:26:47,039

with Dave I'd said like a thousand I

588

00:26:50,810 --> 00:26:48,900

think I was feeling a little a little

589

00:26:53,570 --> 00:26:50,820

ornery definitely a couple hundred

590

00:26:55,390 --> 00:26:53,580

definitely a couple hundred you know

591

00:26:58,850 --> 00:26:55,400

um

592

00:27:00,890 --> 00:26:58,860

you know the there's def there's at

593

00:27:04,310 --> 00:27:00,900

least 30 people

594

00:27:05,990 --> 00:27:04,320

uh to 45 people working between the two

595

00:27:08,930 --> 00:27:06,000

different Bridge teams whether it's

596

00:27:12,350 --> 00:27:08,940

airops in the navigation detail you know

597

00:27:14,510 --> 00:27:12,360

there's two floors so you know about 15

598

00:27:17,210 --> 00:27:14,520

to 20 people on each floor and then you

599

00:27:19,730 --> 00:27:17,220

have the flight deck which is all um

600

00:27:21,470 --> 00:27:19,740

different colored shirts based on what

601
00:27:24,230 --> 00:27:21,480
they do whether it's fuel or this or

602
00:27:26,810 --> 00:27:24,240
that and you know so you need in order

603
00:27:30,610 --> 00:27:26,820
to conduct flight operations you need a

604
00:27:34,010 --> 00:27:32,510
you know

605
00:27:36,470 --> 00:27:34,020
now what about

606
00:27:38,210 --> 00:27:36,480
um there would be no way to find out if

607
00:27:40,610 --> 00:27:38,220
this thing ever showed up on radar or

608
00:27:42,830 --> 00:27:40,620
anything like that right the radar is

609
00:27:45,649 --> 00:27:42,840
right next to me I didn't see it

610
00:27:48,169 --> 00:27:45,659
so my charge table is my chart table and

611
00:27:51,169 --> 00:27:48,179
then right next to me is the the bull

612
00:27:53,750 --> 00:27:51,179
who who I'd mentioned before and he's

613
00:27:56,930 --> 00:27:53,760

working with operations he's but he's

614

00:27:58,970 --> 00:27:56,940

aware of it right so they're they're not

615

00:28:00,409 --> 00:27:58,980

seeing it on radar they're not seeing it

616

00:28:01,850 --> 00:28:00,419

on radar but the fact that they're not

617

00:28:04,730 --> 00:28:01,860

seeing on radar doesn't mean anything

618

00:28:07,010 --> 00:28:04,740

because it's right on top of us not only

619

00:28:08,690 --> 00:28:07,020

is it right on top of us I have no idea

620

00:28:12,769 --> 00:28:08,700

when it got there

621

00:28:15,890 --> 00:28:12,779

you know what I mean like uh

622

00:28:18,350 --> 00:28:15,900

yeah yeah nothing if anything would be I

623

00:28:20,210 --> 00:28:18,360

don't think anything that close to us is

624

00:28:22,730 --> 00:28:20,220

going to show up on radar

625

00:28:24,590 --> 00:28:22,740

oh Jesus I never thought about this I

626

00:28:27,169 --> 00:28:24,600

don't I'm not a I'm not a you know that

627

00:28:28,850 --> 00:28:27,179

wasn't my job that wasn't my job but I

628

00:28:31,070 --> 00:28:28,860

don't I don't think so

629

00:28:32,990 --> 00:28:31,080

well what was the buzz like after I

630

00:28:36,649 --> 00:28:33,000

talked to you know people that were on

631

00:28:38,870 --> 00:28:36,659

the the uh Princeton and the Nimitz and

632

00:28:40,970 --> 00:28:38,880

you know there was a lot of Buzz going

633

00:28:43,490 --> 00:28:40,980

on about it you know a lot of teasing

634

00:28:45,169 --> 00:28:43,500

and stuff like that but you know to say

635

00:28:48,049 --> 00:28:45,179

David fraver I guess they were teasing

636

00:28:51,350 --> 00:28:48,059

him a bit but uh but what was that like

637

00:28:53,269 --> 00:28:51,360

afterwards I think I remember fraber

638

00:28:55,430 --> 00:28:53,279

from navigation details I think his

639

00:28:57,710 --> 00:28:55,440

Squadron was with us for a while I I

640

00:28:59,390 --> 00:28:57,720

can't say that for sure but I pretty

641

00:29:02,149 --> 00:28:59,400

sure I remember because I used to sit in

642

00:29:04,130 --> 00:29:02,159

navigation details and I remember I

643

00:29:06,769 --> 00:29:04,140

remember his face

644

00:29:09,490 --> 00:29:06,779

um giving speeches about what the I

645

00:29:12,710 --> 00:29:09,500

think the Black Aces is that what it was

646

00:29:14,510 --> 00:29:12,720

one of the aces but

647

00:29:17,870 --> 00:29:14,520

um

648

00:29:20,570 --> 00:29:17,880

like I said so I I can gauge the officer

649

00:29:23,029 --> 00:29:20,580

reaction based on what the bull told me

650

00:29:25,909 --> 00:29:23,039

and that was they didn't really talk

651
00:29:27,769 --> 00:29:25,919
about it at all complete ignoring like

652
00:29:30,049 --> 00:29:27,779
the reaction while I was seeing these

653
00:29:32,389 --> 00:29:30,059
guys on the bridge was having a good

654
00:29:35,210 --> 00:29:32,399
time looking at it I think they were

655
00:29:37,490 --> 00:29:35,220
looking at it and then

656
00:29:39,529 --> 00:29:37,500
um and then he said that in the galley

657
00:29:41,690 --> 00:29:39,539
afterwards nobody really talked about it

658
00:29:44,389 --> 00:29:41,700
because nobody's in a hurry to make

659
00:29:46,850 --> 00:29:44,399
themselves ridiculous you know

660
00:29:51,769 --> 00:29:49,190
which is sad

661
00:29:54,830 --> 00:29:51,779
yeah but well in the in the enlisted in

662
00:29:56,990 --> 00:29:54,840
the enlisted uh Spectrum it's a little

663
00:29:59,750 --> 00:29:57,000

different there's there's rumors flying

664

00:30:02,210 --> 00:29:59,760

around you know what I mean like

665

00:30:03,889 --> 00:30:02,220

um there's people that are lying there's

666

00:30:05,630 --> 00:30:03,899

people that are saying that they saw it

667

00:30:07,850 --> 00:30:05,640

and they didn't see it they they were

668

00:30:09,230 --> 00:30:07,860

nowhere they were they weren't on you

669

00:30:10,549 --> 00:30:09,240

know

670

00:30:13,250 --> 00:30:10,559

um

671

00:30:16,730 --> 00:30:13,260

yeah it's it's strange world we live in

672

00:30:18,289 --> 00:30:16,740

you know well that you know they have

673

00:30:21,590 --> 00:30:18,299

all the things that happen but I think

674

00:30:23,630 --> 00:30:21,600

valet talks about it in in his book when

675

00:30:26,630 --> 00:30:23,640

he's talking about the um the

676

00:30:29,750 --> 00:30:26,640

Philadelphia Experiment of how rumors

677

00:30:31,130 --> 00:30:29,760

move on ships and I found that to be

678

00:30:33,409 --> 00:30:31,140

something that really spoke to me

679

00:30:34,850 --> 00:30:33,419

because

680

00:30:37,310 --> 00:30:34,860

um you could really do a scientific

681

00:30:40,310 --> 00:30:37,320

study for it in studying fiction the

682

00:30:42,049 --> 00:30:40,320

ship is a representation for society you

683

00:30:43,730 --> 00:30:42,059

know anytime a writer writes about the

684

00:30:46,250 --> 00:30:43,740

ship what he's doing is writing about

685

00:30:48,110 --> 00:30:46,260

Society you know he's making a statement

686

00:30:49,250 --> 00:30:48,120

even if he doesn't know that he's making

687

00:30:51,769 --> 00:30:49,260

a statement

688

00:30:54,289 --> 00:30:51,779

yeah uh here's a Gerald there's a

689

00:30:56,510 --> 00:30:54,299

question did it make any noise I know

690

00:30:58,010 --> 00:30:56,520

you were on the inside but I I don't

691

00:31:01,610 --> 00:30:58,020

know if anyone on the outside or

692

00:31:03,830 --> 00:31:01,620

anything with our loud with our loud uh

693

00:31:05,330 --> 00:31:03,840

super Hornets again I'm gonna

694

00:31:07,669 --> 00:31:05,340

um do everything in relation to the

695

00:31:09,590 --> 00:31:07,679

super hornets and

696

00:31:11,930 --> 00:31:09,600

um those are those things are loud as

697

00:31:14,570 --> 00:31:11,940

hell so even if it made a noise we

698

00:31:15,909 --> 00:31:14,580

wouldn't have heard it right and what

699

00:31:19,850 --> 00:31:15,919

about well

700

00:31:21,710 --> 00:31:19,860

dies is I I think it's it was about the

701
00:31:22,669 --> 00:31:21,720
size of the Super Hornet without the

702
00:31:24,409 --> 00:31:22,679
wings

703
00:31:26,810 --> 00:31:24,419
if we were to take the Super Hornet

704
00:31:29,389 --> 00:31:26,820
without the wings that's that's my

705
00:31:35,169 --> 00:31:29,399
approximity and that's like 40 50 feet

706
00:31:40,490 --> 00:31:38,870
uh 40 50 feet yeah I think that's I

707
00:31:42,590 --> 00:31:40,500
think that's that's fair

708
00:31:43,789 --> 00:31:42,600
yeah I mean I'm just throwing the number

709
00:31:47,690 --> 00:31:43,799
out there I don't really you know I

710
00:31:49,610 --> 00:31:47,700
don't really know but um so what what

711
00:31:51,649 --> 00:31:49,620
was the ending of this thing do you

712
00:31:53,630 --> 00:31:51,659
happen to know did someone see Advantage

713
00:31:55,850 --> 00:31:53,640

all of a sudden or it was there your

714

00:31:58,909 --> 00:31:55,860

entire watch did you ever speak to

715

00:31:59,889 --> 00:31:58,919

anyone well the person relieving you how

716

00:32:03,409 --> 00:31:59,899

did that

717

00:32:05,330 --> 00:32:03,419

that's the sad thing is knowing that

718

00:32:07,789 --> 00:32:05,340

you're the kind of person that left

719

00:32:09,950 --> 00:32:07,799

watch without knowing because you were

720

00:32:14,330 --> 00:32:09,960

tired you know what I mean I was working

721

00:32:17,090 --> 00:32:14,340

16 hour days but like I had this sinking

722

00:32:20,029 --> 00:32:17,100

feeling as I was walking down to my rack

723

00:32:22,669 --> 00:32:20,039

somebody had relieved me and kind of the

724

00:32:25,810 --> 00:32:22,679

same in the same kind of relief process

725

00:32:28,850 --> 00:32:25,820

that I got what is that I don't know

726

00:32:33,350 --> 00:32:28,860

does the officer of the deck know I

727

00:32:36,529 --> 00:32:33,360

don't know you know like wow and yeah I

728

00:32:38,090 --> 00:32:36,539

mean but so so but I mean the officer of

729

00:32:40,430 --> 00:32:38,100

on the deck

730

00:32:43,070 --> 00:32:40,440

someone had to tell the officer on the

731

00:32:44,510 --> 00:32:43,080

deck right I mean that's just a given or

732

00:32:46,370 --> 00:32:44,520

whose job is it to tell the

733

00:32:49,490 --> 00:32:46,380

opportunities waking up the captain

734

00:32:51,350 --> 00:32:49,500

that's the Endeavor right nobody cares

735

00:32:53,570 --> 00:32:51,360

about the officer of the debt really the

736

00:32:56,690 --> 00:32:53,580

officer of the deck is some lower level

737

00:32:58,789 --> 00:32:56,700

department head it's should we wake the

738

00:33:00,710 --> 00:32:58,799

captain again it's like the general

739

00:33:02,990 --> 00:33:00,720

quarters the general quarters question

740

00:33:04,549 --> 00:33:03,000

why didn't we call General quarters well

741

00:33:07,250 --> 00:33:04,559

first we would have had the Wake the

742

00:33:08,510 --> 00:33:07,260

captain you know and nobody wants to

743

00:33:12,490 --> 00:33:08,520

wake the captain to tell him that

744

00:33:14,750 --> 00:33:12,500

there's a UFO you know wow

745

00:33:16,909 --> 00:33:14,760

he's one of the ones that doesn't see it

746

00:33:18,850 --> 00:33:16,919

what if it's gone by the time he gets

747

00:33:22,970 --> 00:33:18,860

there

748

00:33:25,009 --> 00:33:22,980

but but what if he he hears about well

749

00:33:29,049 --> 00:33:25,019

you you said it didn't get entered in

750

00:33:31,310 --> 00:33:29,059

the line I should I should contact him

751
00:33:33,649 --> 00:33:31,320
by the way yeah you should now and see

752
00:33:36,230 --> 00:33:33,659
what happens but um

753
00:33:38,389 --> 00:33:36,240
if it's not in the logbook

754
00:33:41,090 --> 00:33:38,399
um so no it's possible that no one said

755
00:33:44,630 --> 00:33:41,100
anything to him the next day

756
00:33:46,070 --> 00:33:44,640
I really doubt anybody had the coney to

757
00:33:48,649 --> 00:33:46,080
do that

758
00:33:51,710 --> 00:33:48,659
this is a part this is the part of the

759
00:33:54,470 --> 00:33:51,720
brainwashing that's really profound I I

760
00:33:56,630 --> 00:33:54,480
had a I I'm a pretty confident person

761
00:33:58,730 --> 00:33:56,640
and I I've done a lot of public speaking

762
00:34:01,310 --> 00:33:58,740
but you know

763
00:34:05,029 --> 00:34:01,320

performing in front of the captain

764

00:34:08,089 --> 00:34:05,039

after you went through this boot camp

765

00:34:09,710 --> 00:34:08,099

where they teach you about honor and

766

00:34:11,149 --> 00:34:09,720

discipline and all that stuff and

767

00:34:13,490 --> 00:34:11,159

suddenly you're face to face with the

768

00:34:15,470 --> 00:34:13,500

captain no matter who you are

769

00:34:16,909 --> 00:34:15,480

no matter who you are you get a little

770

00:34:19,669 --> 00:34:16,919

shaken

771

00:34:25,210 --> 00:34:19,679

so I can understand why nobody wanted to

772

00:34:29,149 --> 00:34:27,169

you know I didn't want to tell the

773

00:34:32,329 --> 00:34:29,159

captain one time they wanted me to do a

774

00:34:33,829 --> 00:34:32,339

PMS preventive maintenance system and I

775

00:34:36,169 --> 00:34:33,839

felt like something wasn't quite right

776

00:34:37,730 --> 00:34:36,179

and I just didn't want to do it you know

777

00:34:40,430 --> 00:34:37,740

what I mean I didn't want to be the one

778

00:34:42,169 --> 00:34:40,440

to present the information in some sort

779

00:34:44,869 --> 00:34:42,179

of you know

780

00:34:47,030 --> 00:34:44,879

but but wouldn't you think that like if

781

00:34:49,070 --> 00:34:47,040

he found out like the next day hey why

782

00:34:50,990 --> 00:34:49,080

didn't you wake me up would could that

783

00:34:54,409 --> 00:34:51,000

be a possibility could that be that a

784

00:35:02,329 --> 00:34:58,730

the first time I had ever

785

00:35:03,550 --> 00:35:02,339

really encountered the

786

00:35:06,890 --> 00:35:03,560

the the the the

787

00:35:09,109 --> 00:35:06,900

vernacular of what are you smoking was

788

00:35:11,329 --> 00:35:09,119

when I talked to a recruiter you know

789

00:35:13,970 --> 00:35:11,339

what I mean he tried to pass me the fake

790

00:35:16,490 --> 00:35:13,980

joint you know like and it was it was

791

00:35:19,069 --> 00:35:16,500

that's how military people are you know

792

00:35:23,630 --> 00:35:19,079

what I mean if it's not tangible and

793

00:35:27,050 --> 00:35:23,640

it's not You Know The Enemy then again

794

00:35:27,290 --> 00:35:27,060

you have to ask yourself if the the

795

00:35:28,370 --> 00:35:27,300

[Music]

796

00:35:29,770 --> 00:35:28,380

um

797

00:35:32,569 --> 00:35:29,780

the the the

798

00:35:34,609 --> 00:35:32,579

policy of ignoring these things is

799

00:35:35,690 --> 00:35:34,619

better than shooting at them

800

00:35:38,690 --> 00:35:35,700

yeah

801
00:35:41,210 --> 00:35:38,700
you know because I think what I've heard

802
00:35:43,010 --> 00:35:41,220
is that in various War situations

803
00:35:45,349 --> 00:35:43,020
they're they're showing up on different

804
00:35:47,810 --> 00:35:45,359
battlefields in the world and people are

805
00:35:50,510 --> 00:35:47,820
shooting at them and again this is Word

806
00:35:53,510 --> 00:35:50,520
of Mouth from Jeremy Corbell you know

807
00:35:55,310 --> 00:35:53,520
but uh it's not like I don't know who

808
00:35:57,710 --> 00:35:55,320
knows I don't know what to believe what

809
00:36:00,349 --> 00:35:57,720
not to believe my view in terms of

810
00:36:03,470 --> 00:36:00,359
intelligence is I know what I saw right

811
00:36:05,690 --> 00:36:03,480
but I know that there is information and

812
00:36:07,910 --> 00:36:05,700
then there's disinformation and they're

813
00:36:10,430 --> 00:36:07,920

really you're hard pressed to find any

814

00:36:13,250 --> 00:36:10,440

information and you you have to decide

815

00:36:14,930 --> 00:36:13,260

on in the moment which you're being

816

00:36:17,089 --> 00:36:14,940

presented with whether even this

817

00:36:19,069 --> 00:36:17,099

experience is it information is it

818

00:36:23,630 --> 00:36:19,079

disinformation or is it misinformation

819

00:36:27,170 --> 00:36:23,640

even like the the I don't know and then

820

00:36:30,470 --> 00:36:27,180

the the idea of a of the government

821

00:36:34,069 --> 00:36:30,480

staging a fake UFO Invasion always comes

822

00:36:36,050 --> 00:36:34,079

up into the uh as a as a justification

823

00:36:37,910 --> 00:36:36,060

for war always comes into the pipelines

824

00:36:38,770 --> 00:36:37,920

as well so

825

00:36:41,630 --> 00:36:38,780

um

826

00:36:43,730 --> 00:36:41,640

so uh this we talked about this earlier

827

00:36:45,349 --> 00:36:43,740

and uh Judy wanted to know where the

828

00:36:47,270 --> 00:36:45,359

Jets landing and taking off while the

829

00:36:50,569 --> 00:36:47,280

Orbit's present and I believe that that

830

00:36:52,670 --> 00:36:50,579

was exactly the case right yes

831

00:36:55,670 --> 00:36:52,680

and yeah that is one of the most

832

00:36:58,250 --> 00:36:55,680

baffling parts to me it just seems like

833

00:37:00,170 --> 00:36:58,260

the possibility of it being a danger you

834

00:37:02,510 --> 00:37:00,180

know I'm sure if it reacted in some type

835

00:37:05,569 --> 00:37:02,520

of aggressive way everything would have

836

00:37:08,390 --> 00:37:05,579

changed immediately I would imagine

837

00:37:11,410 --> 00:37:08,400

I mean I don't didn't see any armaments

838

00:37:14,329 --> 00:37:11,420

on it you know me walking away from this

839

00:37:17,510 --> 00:37:14,339

and I mean I've had a lot of reflection

840

00:37:20,390 --> 00:37:17,520

on it is it's like if these if these

841

00:37:23,690 --> 00:37:20,400

things wanted to be a danger to us we'd

842

00:37:25,490 --> 00:37:23,700

probably be screwed yeah and I think

843

00:37:28,490 --> 00:37:25,500

they've been in our history for a long

844

00:37:30,410 --> 00:37:28,500

time with Foo Fighters and whatnot you

845

00:37:32,270 --> 00:37:30,420

know and um

846

00:37:35,150 --> 00:37:32,280

yeah I think they're like me I think

847

00:37:39,290 --> 00:37:37,490

well you know I mean that there's

848

00:37:42,410 --> 00:37:39,300

there's something to that you know I

849

00:37:45,770 --> 00:37:42,420

mean when they have uh you know disarmed

850

00:37:48,290 --> 00:37:45,780

uh warheads and all the way back in 1962

851

00:37:50,390 --> 00:37:48,300

I think it was yeah you know really

852

00:37:52,430 --> 00:37:50,400

makes you wonder about all that so

853

00:37:53,810 --> 00:37:52,440

that's very very much a possibility now

854

00:37:56,630 --> 00:37:53,820

I'm going to shift gears a little bit

855

00:38:01,130 --> 00:37:56,640

because uh times been flying by here and

856

00:38:06,589 --> 00:38:03,230

um encounter when you're walking your

857

00:38:08,690 --> 00:38:06,599

dogs how did what happened at that point

858

00:38:10,010 --> 00:38:08,700

so unless there's anything unless

859

00:38:13,069 --> 00:38:10,020

there's anything else you want to wrap

860

00:38:17,030 --> 00:38:13,079

up on this particular uh this particular

861

00:38:19,130 --> 00:38:17,040

sighting uh no no I mean

862

00:38:22,490 --> 00:38:19,140

um

863

00:38:26,089 --> 00:38:22,500

I have a yeah I have a sub stack in

864

00:38:29,329 --> 00:38:26,099

which there's a uh there's a an auto

865

00:38:31,430 --> 00:38:29,339

fiction account of the story if your

866

00:38:33,349 --> 00:38:31,440

listeners would like to check it out

867

00:38:35,569 --> 00:38:33,359

yeah okay I can link that in the show

868

00:38:37,670 --> 00:38:35,579

notes everyone so I'll be happy to do

869

00:38:39,589 --> 00:38:37,680

that and you know that's uh I'm sure you

870

00:38:43,130 --> 00:38:39,599

know that's what Kevin day did as well

871

00:38:45,410 --> 00:38:43,140

he wrote a fiction you know I I want to

872

00:38:47,150 --> 00:38:45,420

read I want to read I I listened to your

873

00:38:49,490 --> 00:38:47,160

interview with Kevin Day specifically

874

00:38:52,370 --> 00:38:49,500

and I think maybe and this is the

875

00:38:54,770 --> 00:38:52,380

conclusion that I came to maybe what

876

00:38:58,069 --> 00:38:54,780

we're left with is you know the fiction

877

00:39:00,230 --> 00:38:58,079

you know and and how we process it you

878

00:39:02,750 --> 00:39:00,240

know that I'm not a big I'm not a big

879

00:39:05,329 --> 00:39:02,760

data person you know I'm not sure that

880

00:39:08,150 --> 00:39:05,339

an accumulation of data is going to get

881

00:39:10,970 --> 00:39:08,160

us closer to understanding what it is

882

00:39:13,790 --> 00:39:10,980

that we're dealing with you know or it's

883

00:39:17,630 --> 00:39:13,800

such a hurry to take it apart figure out

884

00:39:19,250 --> 00:39:17,640

how it works you know and not why it

885

00:39:22,550 --> 00:39:19,260

works you know

886

00:39:24,410 --> 00:39:22,560

anyway we can move on to 2015.

887

00:39:25,849 --> 00:39:24,420

so

888

00:39:28,310 --> 00:39:25,859

um I moved to Detroit to work in

889

00:39:31,190 --> 00:39:28,320

renewable energy why I know that the

890

00:39:34,550 --> 00:39:31,200

subject of uaps is similar to the

891

00:39:35,329 --> 00:39:34,560

subject of renewable energy and

892

00:39:38,150 --> 00:39:35,339

um

893

00:39:39,530 --> 00:39:38,160

one night I was uh hanging out with a

894

00:39:42,670 --> 00:39:39,540

friend of mine it was one o'clock in the

895

00:39:44,329 --> 00:39:42,680

morning and we were in class in Michigan

896

00:39:46,490 --> 00:39:44,339

and

897

00:39:47,329 --> 00:39:46,500

we're just walking around having a good

898

00:39:48,829 --> 00:39:47,339

time

899

00:39:50,089 --> 00:39:48,839

and

900

00:39:53,410 --> 00:39:50,099

um

901
00:39:56,990 --> 00:39:53,420
suddenly we see about 30 of these things

902
00:39:59,390 --> 00:39:57,000
and now are they 30 I'm not sure that

903
00:40:01,130 --> 00:39:59,400
there are 30 little Sons you know we're

904
00:40:04,490 --> 00:40:01,140
further away than I would have been on

905
00:40:05,410 --> 00:40:04,500
the ship but they're like above people's

906
00:40:07,910 --> 00:40:05,420
houses

907
00:40:10,250 --> 00:40:07,920
and their

908
00:40:11,870 --> 00:40:10,260
when I I wrote in my sub stack about

909
00:40:15,349 --> 00:40:11,880
that they're engaged in a janitorial

910
00:40:17,150 --> 00:40:15,359
function it's that they

911
00:40:19,370 --> 00:40:17,160
you know what it looks like when

912
00:40:21,650 --> 00:40:19,380
something is exploring and it hasn't

913
00:40:24,589 --> 00:40:21,660

been somewhere before as opposed to

914

00:40:27,950 --> 00:40:24,599

something that is engaged in something

915

00:40:30,170 --> 00:40:27,960

routine that it engages with on a

916

00:40:32,990 --> 00:40:30,180

regular basis the movement of these

917

00:40:36,410 --> 00:40:33,000

things over people's houses seemed very

918

00:40:38,750 --> 00:40:36,420

routine you know again in the way that

919

00:40:41,390 --> 00:40:38,760

they moved and the way that they moved

920

00:40:42,770 --> 00:40:41,400

was again this kind of feeling of the

921

00:40:44,930 --> 00:40:42,780

other worldly

922

00:40:50,089 --> 00:40:44,940

you know and again I'm

923

00:40:53,510 --> 00:40:50,099

uh my my friend and I saw it with we um

924

00:40:55,190 --> 00:40:53,520

first we see these things and then at

925

00:40:57,170 --> 00:40:55,200

some point I'm sure we've made contact

926
00:40:59,750 --> 00:40:57,180
because one of these things is following

927
00:41:02,329 --> 00:40:59,760
us to his house at least this is my

928
00:41:03,589 --> 00:41:02,339
perception of it we go to his house and

929
00:41:05,630 --> 00:41:03,599
we're sitting out there and we're

930
00:41:07,430 --> 00:41:05,640
staring at it and there's definitely a

931
00:41:10,490 --> 00:41:07,440
conclusion to this encounter where it

932
00:41:12,890 --> 00:41:10,500
just leaves you know but like we try to

933
00:41:14,510 --> 00:41:12,900
wake up his wife she doesn't care she

934
00:41:18,670 --> 00:41:14,520
doesn't want to see it she's like you

935
00:41:21,530 --> 00:41:18,680
have what I'm going back to sleep

936
00:41:24,710 --> 00:41:21,540
but you know the day afterwards I'm like

937
00:41:26,810 --> 00:41:24,720
oh my God so I have to at least in this

938
00:41:29,930 --> 00:41:26,820

situation I have a friend there with me

939

00:41:32,870 --> 00:41:29,940

and I was like did we just see what I

940

00:41:34,550 --> 00:41:32,880

thought we just saw and he's like yes

941

00:41:40,190 --> 00:41:34,560

that was real

942

00:41:42,349 --> 00:41:40,200

oh my God you know I didn't have that in

943

00:41:44,930 --> 00:41:42,359

the I didn't have that on the on the

944

00:41:47,990 --> 00:41:44,940

Reagan because you're almost afraid to

945

00:41:52,190 --> 00:41:48,000

talk about it you know

946

00:41:55,130 --> 00:41:52,200

but like you know but again I had this

947

00:41:58,010 --> 00:41:55,140

experience with them where he's like

948

00:42:00,650 --> 00:41:58,020

um this feeling of the other worldly

949

00:42:03,589 --> 00:42:00,660

that I've been carrying with me ever

950

00:42:05,810 --> 00:42:03,599

since it just seemed to kind of

951
00:42:08,510 --> 00:42:05,820
dissipate from him very quickly where

952
00:42:10,609 --> 00:42:08,520
he's like oh the next day it's it's all

953
00:42:12,589 --> 00:42:10,619
about how am I going to pay my bills how

954
00:42:14,329 --> 00:42:12,599
am I going to meet ends meet which is

955
00:42:17,930 --> 00:42:14,339
what all people have to work you know

956
00:42:20,150 --> 00:42:17,940
the things that we all deal with but to

957
00:42:22,370 --> 00:42:20,160
me that feeling of the other worldly is

958
00:42:24,230 --> 00:42:22,380
like some sort of high you know where

959
00:42:27,530 --> 00:42:24,240
you're like

960
00:42:29,870 --> 00:42:27,540
um suddenly impacted almost like

961
00:42:32,690 --> 00:42:29,880
um profoundly

962
00:42:34,190 --> 00:42:32,700
you know but again I'm not sure that

963
00:42:37,010 --> 00:42:34,200

there isn't some sort of trickster

964

00:42:38,089 --> 00:42:37,020

mechanism at play here as well you know

965

00:42:44,829 --> 00:42:38,099

that

966

00:42:50,329 --> 00:42:44,839

experience

967

00:42:52,609 --> 00:42:50,339

the Reagan I was intoxicated too just in

968

00:42:56,870 --> 00:42:52,619

the opposite way it was the ultimate

969

00:42:59,089 --> 00:42:56,880

sobriety that's I mean I was so calm why

970

00:43:00,770 --> 00:42:59,099

you know I'd had a dream

971

00:43:03,170 --> 00:43:00,780

when I went back to my mom's house

972

00:43:05,390 --> 00:43:03,180

before I met and almost a prophetic

973

00:43:07,849 --> 00:43:05,400

dream before I went back to before I

974

00:43:10,490 --> 00:43:07,859

moved to Detroit I stopped at my mom's

975

00:43:12,349 --> 00:43:10,500

house and I this Vivid Vivid dream you

976

00:43:14,270 --> 00:43:12,359

know how you have those dreams and you

977

00:43:16,190 --> 00:43:14,280

just remember them forever because

978

00:43:20,089 --> 00:43:16,200

they're so vivid so I walked out my

979

00:43:22,309 --> 00:43:20,099

mom's backyard and I see a miniature UFO

980

00:43:25,010 --> 00:43:22,319

and you know it's a very classical

981

00:43:28,250 --> 00:43:25,020

miniature UFO but I have the right

982

00:43:31,609 --> 00:43:28,260

reaction I you know when you know you

983

00:43:34,069 --> 00:43:31,619

you have when you're a child and you

984

00:43:36,410 --> 00:43:34,079

want to scream but you can't you know

985

00:43:41,349 --> 00:43:36,420

what I mean that is the right reaction

986

00:43:47,210 --> 00:43:44,690

in our human instinct right like that so

987

00:43:49,490 --> 00:43:47,220

why in one Instinct am I ultimately

988

00:43:51,710 --> 00:43:49,500

sober and the other instant I'm

989

00:43:54,290 --> 00:43:51,720

ultimately Intoxicated by these things

990

00:43:57,230 --> 00:43:54,300

you know like again these are things

991

00:43:59,870 --> 00:43:57,240

that I've been reflecting on for years I

992

00:44:03,609 --> 00:43:59,880

definitely think

993

00:44:07,250 --> 00:44:03,619

um maybe that there there is a

994

00:44:08,930 --> 00:44:07,260

phenomenon at play that we

995

00:44:14,109 --> 00:44:08,940

in our

996

00:44:20,990 --> 00:44:14,119

uh

997

00:44:23,770 --> 00:44:21,000

necessarily understand it

998

00:44:25,809 --> 00:44:23,780

you know and well maybe we're left with

999

00:44:28,309 --> 00:44:25,819

fictionalizing it mythology

1000

00:44:30,770 --> 00:44:28,319

mythologizing it I don't know I don't

1001
00:44:33,950 --> 00:44:30,780
want to go against the the hard science

1002
00:44:37,010 --> 00:44:33,960
people that are looking for hard data so

1003
00:44:40,490 --> 00:44:37,020
they can break the rules of physics you

1004
00:44:42,770 --> 00:44:40,500
know but I I think it's important to

1005
00:44:44,390 --> 00:44:42,780
embrace a kind of meditative path where

1006
00:44:47,150 --> 00:44:44,400
you're actually thinking about what

1007
00:44:49,069 --> 00:44:47,160
you're getting yourself into in these in

1008
00:44:50,870 --> 00:44:49,079
these processes I think in our initial

1009
00:44:53,870 --> 00:44:50,880
interviews we had talked about Tommy

1010
00:44:55,910 --> 00:44:53,880
knockers which when you when I uh listen

1011
00:44:58,130 --> 00:44:55,920
to your interviews with Kevin day that

1012
00:45:00,770 --> 00:44:58,140
really the Tami knockers idea really

1013
00:45:01,790 --> 00:45:00,780

came into play for me again I'm like you

1014

00:45:05,690 --> 00:45:01,800

know

1015

00:45:07,370 --> 00:45:05,700

Tommyknockers were when this thing was

1016

00:45:09,530 --> 00:45:07,380

buried under the ground right for

1017

00:45:11,569 --> 00:45:09,540

thousands of years or millions of years

1018

00:45:14,150 --> 00:45:11,579

or something or am I thinking of I read

1019

00:45:15,710 --> 00:45:14,160

the book but it was so long ago yeah I

1020

00:45:18,470 --> 00:45:15,720

read it I read it when I was in Middle

1021

00:45:21,470 --> 00:45:18,480

School as well but essentially it deals

1022

00:45:23,450 --> 00:45:21,480

with so the the the benefit of of a

1023

00:45:25,970 --> 00:45:23,460

classical education is one of the first

1024

00:45:28,490 --> 00:45:25,980

things that my professor told me is that

1025

00:45:30,890 --> 00:45:28,500

before the Renaissance nobody had their

1026

00:45:33,530 --> 00:45:30,900

own ideas all ideas either came from

1027

00:45:36,290 --> 00:45:33,540

Muses or they came from Gods this idea

1028

00:45:40,250 --> 00:45:36,300

that this modern idea that we have an

1029

00:45:42,910 --> 00:45:40,260

individual idea is an invention you know

1030

00:45:45,710 --> 00:45:42,920

like it's not a part of the

1031

00:45:47,510 --> 00:45:45,720

it's not a part of the human story you

1032

00:45:51,410 --> 00:45:47,520

know we've Rewritten the human story

1033

00:45:54,290 --> 00:45:51,420

where we have our own ideas and we uh

1034

00:45:57,829 --> 00:45:54,300

the whole idea of intellectual property

1035

00:46:02,630 --> 00:45:57,839

is based on this this uh Renaissance

1036

00:46:03,910 --> 00:46:02,640

idea of ownership of things right just

1037

00:46:06,710 --> 00:46:03,920

so

1038

00:46:08,690 --> 00:46:06,720

in terms of what Stephen King is getting

1039

00:46:11,990 --> 00:46:08,700

at is that these people are getting

1040

00:46:14,990 --> 00:46:12,000

ideas for these inventions and all the

1041

00:46:18,170 --> 00:46:15,000

inventions are turning into these

1042

00:46:20,390 --> 00:46:18,180

torture devices oh that's right okay all

1043

00:46:22,790 --> 00:46:20,400

right all right but he did have he did

1044

00:46:25,190 --> 00:46:22,800

have a book that I read a long time ago

1045

00:46:27,230 --> 00:46:25,200

where this they they found this there

1046

00:46:30,230 --> 00:46:27,240

was a UFO that had crashed and it was

1047

00:46:31,910 --> 00:46:30,240

down inside the earth uh down below this

1048

00:46:34,190 --> 00:46:31,920

property and I was I forget what that

1049

00:46:35,329 --> 00:46:34,200

was called but I want to go back to your

1050

00:46:37,490 --> 00:46:35,339

sighting though

1051

00:46:39,470 --> 00:46:37,500

um it just

1052

00:46:41,569 --> 00:46:39,480

can you describe I'm trying to figure

1053

00:46:42,829 --> 00:46:41,579

out what you mean exactly like it seemed

1054

00:46:46,730 --> 00:46:42,839

like whatever they were doing was

1055

00:46:49,970 --> 00:46:46,740

routine and like they were almost like

1056

00:46:52,130 --> 00:46:49,980

uh janitorial or something like that and

1057

00:46:53,690 --> 00:46:52,140

what what exactly do you mean by what

1058

00:46:59,270 --> 00:46:53,700

were you observing that made you feel

1059

00:47:03,470 --> 00:47:01,190

well

1060

00:47:05,750 --> 00:47:03,480

I was observing these things floating

1061

00:47:08,329 --> 00:47:05,760

over people's houses I'm not saying that

1062

00:47:10,309 --> 00:47:08,339

they were making any kind of contact

1063

00:47:13,069 --> 00:47:10,319

with people's houses because I don't

1064

00:47:16,010 --> 00:47:13,079

know I know that one of them you know

1065

00:47:17,210 --> 00:47:16,020

followed us back to our house

1066

00:47:18,589 --> 00:47:17,220

um

1067

00:47:21,410 --> 00:47:18,599

so

1068

00:47:23,750 --> 00:47:21,420

to explain the janitorial function you

1069

00:47:26,990 --> 00:47:23,760

know it's I used to stand a lot of watch

1070

00:47:28,970 --> 00:47:27,000

so you do a lot of observing you know if

1071

00:47:31,250 --> 00:47:28,980

I was observing people that were there

1072

00:47:33,589 --> 00:47:31,260

if say if I was observing a group of

1073

00:47:36,050 --> 00:47:33,599

people that have been there for the

1074

00:47:38,530 --> 00:47:36,060

first time as opposed to a group of

1075

00:47:42,170 --> 00:47:38,540

people who had been there lots of times

1076
00:47:43,910 --> 00:47:42,180
you know like uh that's what that's what

1077
00:47:46,010 --> 00:47:43,920
I'm getting at you know that it didn't

1078
00:47:48,170 --> 00:47:46,020
seem like these lights that were

1079
00:47:51,650 --> 00:47:48,180
hovering over people's houses had just

1080
00:47:54,770 --> 00:47:51,660
gotten there and this was uh some sort

1081
00:47:56,870 --> 00:47:54,780
of Novel encounter because it was as if

1082
00:47:59,270 --> 00:47:56,880
I mean it was a regular night at one

1083
00:48:02,809 --> 00:47:59,280
o'clock in the morning it wasn't even

1084
00:48:05,210 --> 00:48:02,819
it wasn't even hidden you know it was

1085
00:48:07,730 --> 00:48:05,220
just you describe these things as

1086
00:48:10,130 --> 00:48:07,740
similar to what you saw before like like

1087
00:48:14,450 --> 00:48:10,140
in like orbs

1088
00:48:17,569 --> 00:48:14,460

yeah yeah the the you know the idea of

1089

00:48:19,309 --> 00:48:17,579

lights in the sky always comes back you

1090

00:48:22,670 --> 00:48:19,319

know what I saw was lights in the sky

1091

00:48:25,490 --> 00:48:22,680

I've never had any I've never had any

1092

00:48:28,790 --> 00:48:25,500

other experiences besides lights in the

1093

00:48:31,849 --> 00:48:28,800

sky I mean that I can

1094

00:48:34,550 --> 00:48:31,859

conjure here for this for this interview

1095

00:48:37,670 --> 00:48:34,560

and when you were looking out at these

1096

00:48:40,730 --> 00:48:37,680

say 30 or so whatever they were

1097

00:48:42,470 --> 00:48:40,740

um they they seem to hover in place

1098

00:48:44,809 --> 00:48:42,480

except for one the one that seemed to

1099

00:48:47,870 --> 00:48:44,819

follow you home

1100

00:48:50,630 --> 00:48:47,880

no they were moving it was it was by the

1101

00:48:51,349 --> 00:48:50,640

way that they're moving that

1102

00:48:52,790 --> 00:48:51,359

um

1103

00:48:55,130 --> 00:48:52,800

you know

1104

00:48:57,530 --> 00:48:55,140

that gives me this feeling of other

1105

00:48:59,870 --> 00:48:57,540

worldliness that feels kind of

1106

00:49:02,510 --> 00:48:59,880

intoxicating so they're all moving

1107

00:49:04,670 --> 00:49:02,520

around at some point but even though

1108

00:49:06,170 --> 00:49:04,680

these things are out there my friend

1109

00:49:09,470 --> 00:49:06,180

wants to go home

1110

00:49:12,710 --> 00:49:09,480

yeah that's definitely you know another

1111

00:49:14,930 --> 00:49:12,720

thing like kind of like me on watch you

1112

00:49:17,089 --> 00:49:14,940

know I was working 16 hour days lights

1113

00:49:18,109 --> 00:49:17,099

in the sky are great you know but

1114

00:49:19,870 --> 00:49:18,119

they're not going to help me wake up

1115

00:49:22,550 --> 00:49:19,880

tomorrow

1116

00:49:24,050 --> 00:49:22,560

but I definitely but I'm the kind of

1117

00:49:26,690 --> 00:49:24,060

person that would have stayed out there

1118

00:49:27,650 --> 00:49:26,700

all night looking at these things you

1119

00:49:30,470 --> 00:49:27,660

know

1120

00:49:32,089 --> 00:49:30,480

and when you saw the thing take off

1121

00:49:35,569 --> 00:49:32,099

um would you say it took off at a rapid

1122

00:49:38,750 --> 00:49:35,579

speed or how and it went straight up

1123

00:49:41,210 --> 00:49:38,760

straight up straight up oh that's pretty

1124

00:49:42,710 --> 00:49:41,220

key and uh that's because because what I

1125

00:49:45,170 --> 00:49:42,720

was thinking about in terms of Michigan

1126

00:49:47,390 --> 00:49:45,180

is all these Lakes you know and that

1127

00:49:48,589 --> 00:49:47,400

they it's you know the my intuition is

1128

00:49:50,569 --> 00:49:48,599

like they have to be coming out of the

1129

00:49:52,250 --> 00:49:50,579

water but when this thing was done with

1130

00:49:53,690 --> 00:49:52,260

us it went straight up

1131

00:49:58,970 --> 00:49:53,700

yeah

1132

00:50:00,710 --> 00:49:58,980

that does that is one of the

1133

00:50:02,630 --> 00:50:00,720

characteristics that you do here a lot

1134

00:50:06,230 --> 00:50:02,640

of people talk about thing just shooting

1135

00:50:08,089 --> 00:50:06,240

straight up and and fast and obviously I

1136

00:50:08,990 --> 00:50:08,099

mean I'm assuming that there was no

1137

00:50:10,970 --> 00:50:09,000

sound

1138

00:50:13,550 --> 00:50:10,980

either

1139

00:50:14,930 --> 00:50:13,560

no we didn't hear any sound that night

1140

00:50:17,809 --> 00:50:14,940

yeah

1141

00:50:22,670 --> 00:50:17,819

well it's all it's all so so fascinating

1142

00:50:24,530 --> 00:50:22,680

uh and you you don't there was no no way

1143

00:50:26,150 --> 00:50:24,540

that you could have had any missing time

1144

00:50:28,670 --> 00:50:26,160

I know we talked briefly about that

1145

00:50:30,589 --> 00:50:28,680

earlier but you said this was about one

1146

00:50:32,930 --> 00:50:30,599

in the morning and everything checked

1147

00:50:34,550 --> 00:50:32,940

out as far as the time goes like if you

1148

00:50:36,829 --> 00:50:34,560

looked at your watch and it was like 1

1149

00:50:40,609 --> 00:50:36,839

30 in the morning after that or

1150

00:50:43,370 --> 00:50:40,619

I mean we were up until we were up until

1151
00:50:45,589 --> 00:50:43,380
early in the morning I think we were out

1152
00:50:47,150 --> 00:50:45,599
on the back porch we were we were out

1153
00:50:48,770 --> 00:50:47,160
when we got back to his house we were

1154
00:50:49,910 --> 00:50:48,780
just laying out on the back porch just

1155
00:50:53,930 --> 00:50:49,920
looking at it

1156
00:50:56,450 --> 00:50:53,940
you know above us yeah yeah

1157
00:50:57,710 --> 00:50:56,460
wow and no no I don't think there was I

1158
00:51:01,010 --> 00:50:57,720
don't think there was missing time I

1159
00:51:04,849 --> 00:51:01,020
think the thing that's weird for me is I

1160
00:51:06,849 --> 00:51:04,859
don't know what parts of my life are

1161
00:51:10,010 --> 00:51:06,859
um

1162
00:51:13,130 --> 00:51:10,020
are uh

1163
00:51:15,890 --> 00:51:13,140

me having a meeting with someone you

1164

00:51:18,470 --> 00:51:15,900

know what I mean like um like after you

1165

00:51:20,809 --> 00:51:18,480

have an experience like this you start

1166

00:51:22,910 --> 00:51:20,819

to wonder about other experiences you

1167

00:51:25,250 --> 00:51:22,920

have and whether they're connected to

1168

00:51:27,370 --> 00:51:25,260

this you know and that's kind of what

1169

00:51:31,010 --> 00:51:27,380

what happened to me especially

1170

00:51:33,410 --> 00:51:31,020

especially after this one because I was

1171

00:51:36,950 --> 00:51:33,420

you know in a lot of ways I was these

1172

00:51:40,250 --> 00:51:36,960

things show up when I need a sign you

1173

00:51:42,109 --> 00:51:40,260

know when I need a little when I need a

1174

00:51:44,510 --> 00:51:42,119

little extra to push on because it's

1175

00:51:47,569 --> 00:51:44,520

been a you know it's been a hard journey

1176

00:51:50,450 --> 00:51:47,579

I know that Kevin Day talked about this

1177

00:51:53,210 --> 00:51:50,460

um the idea of possibly getting some re

1178

00:51:56,089 --> 00:51:53,220

some compensation for injuries that

1179

00:51:58,069 --> 00:51:56,099

we've received from these experiences

1180

00:52:01,309 --> 00:51:58,079

and I completely understand that because

1181

00:52:04,730 --> 00:52:01,319

as a disabled veteran you know

1182

00:52:06,650 --> 00:52:04,740

um I I understand how few things are

1183

00:52:08,870 --> 00:52:06,660

covered you know

1184

00:52:11,450 --> 00:52:08,880

you know I I'd like to just mention the

1185

00:52:15,530 --> 00:52:11,460

idea of a non-state actor instead of

1186

00:52:17,329 --> 00:52:15,540

this idea of aliens because you know in

1187

00:52:20,510 --> 00:52:17,339

terms of sickness The Havana Syndrome

1188

00:52:21,890 --> 00:52:20,520

has come up recently too and the

1189

00:52:24,049 --> 00:52:21,900

government put out something really

1190

00:52:26,510 --> 00:52:24,059

strange that they were going to cover it

1191

00:52:28,309 --> 00:52:26,520

medically but they can be sure that it

1192

00:52:30,470 --> 00:52:28,319

wasn't a foreign government what the

1193

00:52:32,569 --> 00:52:30,480

hell does that mean because for the rest

1194

00:52:34,250 --> 00:52:32,579

of us we need an act of Congress to be

1195

00:52:37,010 --> 00:52:34,260

passed in order for them to cover

1196

00:52:40,790 --> 00:52:37,020

something how does it automatically they

1197

00:52:43,250 --> 00:52:40,800

proved this Havana syndrome is not a

1198

00:52:44,569 --> 00:52:43,260

foreign government and they're going to

1199

00:52:47,690 --> 00:52:44,579

cover it

1200

00:52:48,950 --> 00:52:47,700

that is that is really bizarre now I

1201
00:52:51,829 --> 00:52:48,960
don't know are you familiar with the

1202
00:52:54,770 --> 00:52:51,839
rendelshim forest incident

1203
00:52:56,870 --> 00:52:54,780
you'll have to remind me yeah well that

1204
00:52:59,510 --> 00:52:56,880
happened back in 1980 and it was on a

1205
00:53:00,490 --> 00:52:59,520
military base in England America yeah

1206
00:53:03,890 --> 00:53:00,500
yeah

1207
00:53:06,530 --> 00:53:03,900
I mean John Burroughs was covered

1208
00:53:08,809 --> 00:53:06,540
um for medical insurance he had a lawyer

1209
00:53:10,670 --> 00:53:08,819
and they actually was able to he had

1210
00:53:14,630 --> 00:53:10,680
heart trouble that he was relating to

1211
00:53:18,410 --> 00:53:14,640
his incident and uh uh he actually won

1212
00:53:21,710 --> 00:53:18,420
which is pretty rare so uh but that you

1213
00:53:24,349 --> 00:53:21,720

know I mean that's a whole different uh

1214

00:53:26,210 --> 00:53:24,359

type of situation I believe you know

1215

00:53:27,950 --> 00:53:26,220

from what his exposure was I'm not

1216

00:53:30,349 --> 00:53:27,960

really sure

1217

00:53:32,150 --> 00:53:30,359

um what other peoples are that you're

1218

00:53:34,309 --> 00:53:32,160

you know if you were exposed to anything

1219

00:53:36,290 --> 00:53:34,319

or not I don't know I'm I'm interested

1220

00:53:39,170 --> 00:53:36,300

in veterans getting compensation all

1221

00:53:40,730 --> 00:53:39,180

around I'm already 100 disabled and so

1222

00:53:44,030 --> 00:53:40,740

like you know there's nowhere to go

1223

00:53:47,089 --> 00:53:44,040

after 100 you know well you can't

1224

00:53:50,089 --> 00:53:47,099

compensate me anymore but um you know

1225

00:53:52,490 --> 00:53:50,099

and so for something like this uh so I

1226

00:53:53,870 --> 00:53:52,500

have MS but for something like this you

1227

00:53:57,410 --> 00:53:53,880

know people are gonna have a hard time

1228

00:53:59,690 --> 00:53:57,420

getting compensation and uh yeah I guess

1229

00:54:01,849 --> 00:53:59,700

we have to start working on it now you

1230

00:54:04,490 --> 00:54:01,859

know uh Kevin day was talking about

1231

00:54:05,510 --> 00:54:04,500

education you know

1232

00:54:07,549 --> 00:54:05,520

um

1233

00:54:08,870 --> 00:54:07,559

yeah well I didn't know how to educate

1234

00:54:11,569 --> 00:54:08,880

people I don't know how to educate

1235

00:54:14,530 --> 00:54:11,579

people on something like this I'm a i i

1236

00:54:16,849 --> 00:54:14,540

favor classical education

1237

00:54:19,609 --> 00:54:16,859

hey you know we were out of time already

1238

00:54:20,930 --> 00:54:19,619

and uh went really fast thank you so

1239

00:54:24,710 --> 00:54:20,940

much for everything thank you for your

1240

00:54:26,630 --> 00:54:24,720

service and uh we'll be talking soon

1241

00:54:27,950 --> 00:54:26,640

um and I will put in the show notes I

1242

00:54:30,589 --> 00:54:27,960

appreciate your time and you're doing

1243

00:54:32,150 --> 00:54:30,599

great work great thank you very much I

1244

00:54:35,089 --> 00:54:32,160

will put your blog in the show notes for

1245

00:54:37,609 --> 00:54:35,099

anyone could uh take a look at it all

1246

00:54:39,589 --> 00:54:37,619

right thanks a lot all right take care

1247

00:54:42,230 --> 00:54:39,599

all right everyone sorry we ran short in

1248

00:54:44,870 --> 00:54:42,240

time we'll be back next week uh remember

1249

00:54:45,190 --> 00:54:44,880

to keep your eyes to the sky thank you

1250

00:54:56,460 --> 00:54:45,200

all
