UFO Abduction research gone sideways by

Charles Lear in 2010 an article by

5
00:00:42,170 --> 00:00:39,600
Jeremy vaney headlined the incredible

6
00:00:44,690 --> 00:00:42,180
visitations of Emma Woods appeared in

7
00:00:46,970 --> 00:00:44,700
the November issue of UFO magazine that

8
00:00:48,650 --> 00:00:46,980
caused people in the UFO Community to

9
00:00:50,869 --> 00:00:48,660
take a hard look at the methods and

10
00:00:53,450 --> 00:00:50,879
conclusions of the two most prominent

11
00:00:56,150 --> 00:00:53,460
people in Alien Abduction research Emma

12
00:00:57,950 --> 00:00:56,160
Woods was the pseudonym of a woman who

13
00:01:00,950 --> 00:00:57,960

lived in England and she was one of

14

00:01:02,750 --> 00:01:00,960

David Jacobs's research subjects she had

15

00:01:04,789 --> 00:01:02,760

posted some tapes of her hypnosis

16

00:01:06,830 --> 00:01:04,799

sessions with him that contained some

17

00:01:09,649 --> 00:01:06,840

details that Jacobs probably would have

18

00:01:11,390 --> 00:01:09,659

preferred had not been made public Woods

19

00:01:15,050 --> 00:01:11,400

provided more details in an interview

20

00:01:18,109 --> 00:01:15,060

she gave on March 29 2010 on the

21

00:01:20,450 --> 00:01:18,119

peritopia podcast hosted by veiny and

22

00:01:22,910 --> 00:01:20,460

Jeff Ritzman which appear in the UFO

23

00:01:25,670 --> 00:01:22,920

magazine article the article prompted

24

00:01:27,950 --> 00:01:25,680

Bud Hopkins's wife Carol Rainey to write

25

00:01:30,410 --> 00:01:27,960

an article of her own headlined the

26

00:01:34,010 --> 00:01:30,420

priests of high strangeness published in

27

00:01:36,469 --> 00:01:34,020

2011 in Volume 1 Number One of peritopia

28

00:01:38,390 --> 00:01:36,479

magazine detailing some of hopkins's

29

00:01:40,969 --> 00:01:38,400

methods with his subjects as well

30

00:01:43,429 --> 00:01:40,979

according to Vani Woods underwent

31

00:01:46,130 --> 00:01:43,439

Psychotherapy as an adult for a variety

32

00:01:48,230 --> 00:01:46,140

of normal reasons she explained on the

33

00:01:50,270 --> 00:01:48,240

podcast that she'd had experiences

34

00:01:53,389 --> 00:01:50,280

throughout her life that she classified

35

00:01:55,910 --> 00:01:53,399

as anomalous including being visited by

36

00:01:58,310 --> 00:01:55,920

a tall cloth humanoid who gave her a key

37

00:02:00,350 --> 00:01:58,320

and told her telepathically that at some

38

00:02:03,530 --> 00:02:00,360

point in her life she'd need to use it

39

00:02:05,209 --> 00:02:03,540

according to her the need never arose as

40

00:02:07,609 --> 00:02:05,219

for anything close to an abduction

41

00:02:09,889 --> 00:02:07,619

experience she said she had also had

42

00:02:11,869 --> 00:02:09,899

encounters with small humanoids who had

43

00:02:15,110 --> 00:02:11,879

either brown skin or brown clothing

44

00:02:17,390 --> 00:02:15,120

according to vaney it took Woods several

45

00:02:19,369 --> 00:02:17,400

years to build up enough trust in her

46

00:02:21,650 --> 00:02:19,379

therapist to share these experiences

47

00:02:23,570 --> 00:02:21,660

with him he was open to exploring these

48

00:02:25,369 --> 00:02:23,580

with her having gotten to the point with

49

00:02:27,410 --> 00:02:25,379

Emma where her normal life was

50

00:02:29,390 --> 00:02:27,420

manageable it was during this period

51
00:02:31,850 --> 00:02:29,400
that she came upon an article about

52
00:02:33,350 --> 00:02:31,860
alien abductions and felt that this was

53
00:02:35,750 --> 00:02:33,360
an area where she might find some

54
00:02:38,449 --> 00:02:35,760
answers Feeney describes her applying

55
00:02:41,089 --> 00:02:38,459
her meticulous attention to detail and

56
00:02:43,130 --> 00:02:41,099
naturally analytical mind to herself and

57
00:02:46,610 --> 00:02:43,140
becoming an alien abduction researcher

58
00:02:49,190 --> 00:02:46,620
with herself as the subject in 2002

59
00:02:52,009 --> 00:02:49,200
which his therapist retired and woods

60
00:02:54,650 --> 00:02:52,019
had him give her a written evaluation he

61
00:02:57,050 --> 00:02:54,660
declared her in vainey's words sane and

62
00:03:00,110 --> 00:02:57,060
normal it's confirmed during the podcast

63
00:03:02,449 --> 00:03:00,120

that the document did indeed exist and

64

00:03:05,030 --> 00:03:02,459

was posted on Woods's website which is

65

00:03:07,190 --> 00:03:05,040

no longer active her therapist offered

66

00:03:10,309 --> 00:03:07,200

to help her with her research and did so

67

00:03:12,229 --> 00:03:10,319

until 2006. he gave her advice on how to

68

00:03:13,970 --> 00:03:12,239

collect and present the data and gave

69

00:03:16,190 --> 00:03:13,980

her his opinion on what she gathered

70

00:03:19,130 --> 00:03:16,200

they were careful to only discuss her

71

00:03:21,770 --> 00:03:19,140

research avoided extra socializing and

72

00:03:23,869 --> 00:03:21,780

he gave her no therapy according to Emma

73

00:03:26,509 --> 00:03:23,879

during the interview her therapist found

74

00:03:28,490 --> 00:03:26,519

a page on jacobs's website where Jacobs

75

00:03:30,530 --> 00:03:28,500

offered to give therapists advice on

76

00:03:32,990 --> 00:03:30,540

dealing with patients who had these

77

00:03:35,630 --> 00:03:33,000

sorts of experiences and her therapist

78

00:03:38,930 --> 00:03:35,640

emailed him Fannie describes jacobs's

79

00:03:40,670 --> 00:03:38,940

resume Jacob set a PhD in history was an

80

00:03:43,009 --> 00:03:40,680

associate history professor at Temple

81

00:03:44,449 --> 00:03:43,019

University and was the director of the

82

00:03:47,449 --> 00:03:44,459

International Center for abduction

83

00:03:50,869 --> 00:03:47,459

research according to vaney the icar

84

00:03:52,970 --> 00:03:50,879

website described Jacobs as one of the

85

00:03:55,369 --> 00:03:52,980

foremost UFO Abduction researchers

86

00:03:58,490 --> 00:03:55,379

worldwide and offered the reassurance

87

00:04:00,289 --> 00:03:58,500

that he was a strong advocate of strict

88

00:04:02,570 --> 00:04:00,299

scientific and ethical research

89

00:04:05,089 --> 00:04:02,580
methodology with her therapist's

90

00:04:07,970 --> 00:04:05,099
recommendation Woods called Jacobs in

91

00:04:10,190 --> 00:04:07,980
September 2002 and left him a voicemail

92

00:04:12,050 --> 00:04:10,200
message she asked him to send her

93

00:04:14,390 --> 00:04:12,060
therapist the copy of his therapy

94

00:04:16,909 --> 00:04:14,400
guidelines and recommend any researchers

95

00:04:19,430 --> 00:04:16,919
in England Jacobs emailed her therapist

96

00:04:21,469 --> 00:04:19,440
gave him his home phone number for Emma

97

00:04:23,749 --> 00:04:21,479
to call wrote that he would be happy to

98

00:04:26,170 --> 00:04:23,759
help and that he didn't know any capable

99

00:04:29,030 --> 00:04:26,180
vany's word therapists in England

100

00:04:31,189 --> 00:04:29,040
according to vaney woods and Jacobs

101

00:04:34,850 --> 00:04:31,199

developed the dialogue that went into

102

00:04:37,129 --> 00:04:34,860

late 2004 he promised her anonymity and

103

00:04:39,950 --> 00:04:37,139

she sent him parts of her research in

104

00:04:41,990 --> 00:04:39,960

2004 she sent him a videotape she'd made

105

00:04:43,969 --> 00:04:42,000

of herself Sleeping that showed her

106

00:04:46,129 --> 00:04:43,979

writing notes on three occasions which

107

00:04:48,650 --> 00:04:46,139

she didn't remember doing this seemed to

108

00:04:50,810 --> 00:04:48,660

be evidence of a sleep disorder and Vani

109

00:04:52,670 --> 00:04:50,820

describes Woods waking up while walking

110

00:04:54,650 --> 00:04:52,680

to the front door and that her

111

00:04:56,330 --> 00:04:54,660

ex-husband would tease her at night when

112

00:04:59,030 --> 00:04:56,340

she did things like that in her sleep

113

00:05:01,370 --> 00:04:59,040

according to vaney Jacobs made no

114

00:05:05,210 --> 00:05:01,380

comment about the tape or her possible

115

00:05:07,189 --> 00:05:05,220

disorder in December 2004 Jacobs offered

116

00:05:09,469 --> 00:05:07,199

to conduct hypnosis sessions over the

117

00:05:12,230 --> 00:05:09,479

phone Jacobs had her sign at Temple

118

00:05:14,510 --> 00:05:12,240

University Research consent form and a

119

00:05:17,030 --> 00:05:14,520

research agreement according to vaney

120

00:05:19,249 --> 00:05:17,040

the consent form stated that every

121

00:05:21,710 --> 00:05:19,259

effort would be made to guarantee her

122

00:05:23,629 --> 00:05:21,720

anonymity and the agreement had the

123

00:05:25,670 --> 00:05:23,639

stipulation that she would not play any

124

00:05:28,490 --> 00:05:25,680

tape recordings of the hypnosis sessions

125

00:05:30,890 --> 00:05:28,500

without jacobs's consent there was also

126

00:05:32,810 --> 00:05:30,900

a disclaimer Woods was to understand and

127

00:05:35,390 --> 00:05:32,820

that Jacobs was not a professional

128

00:05:37,909 --> 00:05:35,400

hypnotist or therapist that Jacobs has

129

00:05:40,550 --> 00:05:37,919

told her that in Vain's words serious

130

00:05:42,830 --> 00:05:40,560

psychological problems could arise as a

131

00:05:45,469 --> 00:05:42,840

result of memory collection and that she

132

00:05:47,510 --> 00:05:45,479

released him from all liability Fannie

133

00:05:50,570 --> 00:05:47,520

describes another subject of Jacobs

134

00:05:52,310 --> 00:05:50,580

referred to as Elizabeth Smith he

135

00:05:54,350 --> 00:05:52,320

describes her case which involved an

136

00:05:55,790 --> 00:05:54,360

affair she was married to a man who

137

00:05:58,070 --> 00:05:55,800

didn't like her leaving the house for

138

00:06:00,290 --> 00:05:58,080

extended periods of time with an alien

139

00:06:02,870 --> 00:06:00,300

human hybrid named Jay who lived up the

140

00:06:05,930 --> 00:06:02,880

block she believed it was her job to

141

00:06:08,150 --> 00:06:05,940

help him blend in according to vaney Jay

142

00:06:10,249 --> 00:06:08,160

became an ally of Jacobs during the

143

00:06:12,590 --> 00:06:10,259

breakdown of alien human relationships

144

00:06:15,650 --> 00:06:12,600

that coincided with the arrival of

145

00:06:18,350 --> 00:06:15,660

another woman Emma Woods Elizabeth was

146

00:06:21,350 --> 00:06:18,360

jacobs's webmaster wood says during her

147

00:06:23,210 --> 00:06:21,360

interview that in 2005 Jacobs told her

148

00:06:26,270 --> 00:06:23,220

that Elizabeth offered to communicate

149

00:06:28,189 --> 00:06:26,280

with Woods by email as a buddy Woods

150

00:06:29,749 --> 00:06:28,199

said she resisted not wanting to Tain

151

00:06:32,210 --> 00:06:29,759

her memories with those of another

152

00:06:34,550 --> 00:06:32,220

subject but Elizabeth and Jacobs

153

00:06:36,950 --> 00:06:34,560

pressured her and she eventually caved

154

00:06:38,870 --> 00:06:36,960

in she and Elizabeth started to share

155

00:06:40,969 --> 00:06:38,880

the stressful experiences they'd had

156

00:06:42,770 --> 00:06:40,979

during their past sessions with Jacobs

157

00:06:45,350 --> 00:06:42,780

and wood said she came to consider

158

00:06:47,450 --> 00:06:45,360

Elizabeth a friend according to vaney

159

00:06:49,430 --> 00:06:47,460

Elizabeth offered to transcribe the

160

00:06:51,170 --> 00:06:49,440

tapes from Woodson's hypnosis sessions

161

00:06:54,230 --> 00:06:51,180

and was given about half of them

162

00:06:56,809 --> 00:06:54,240

amounting to over 100 hours as far as

163

00:06:59,210 --> 00:06:56,819

Woods knew Elizabeth hadn't transcribed

164

00:07:01,189 --> 00:06:59,220

any of them fainey describes Woods's

165

00:07:03,890 --> 00:07:01,199

memories of her anomalous experiences

166

00:07:06,050 --> 00:07:03,900

transforming while under the tutelage of

167

00:07:08,689 --> 00:07:06,060

Jacobs into a narrative involving

168

00:07:10,850 --> 00:07:08,699

definite abductions by hybrid pod people

169

00:07:13,189 --> 00:07:10,860

who were infiltrating this planet as

170

00:07:15,469 --> 00:07:13,199

part of a subtle takeover this is a

171

00:07:17,990 --> 00:07:15,479

repeated theme throughout jacobs's books

172

00:07:19,790 --> 00:07:18,000

according to vaney Woods wasn't sure

173

00:07:22,070 --> 00:07:19,800

just when she crossed the line between

174

00:07:24,170 --> 00:07:22,080

fantasy and reality but believed that

175

00:07:26,210 --> 00:07:24,180

Jacobs talking about other subjects

176
00:07:28,670 --> 00:07:26,220
abduction stories while she was under

177
00:07:31,370 --> 00:07:28,680
hypnosis is the reason her trance

178
00:07:34,010 --> 00:07:31,380
testimony produced false memory of

179
00:07:36,290 --> 00:07:34,020
malevolent aliens abducting her raping

180
00:07:38,749 --> 00:07:36,300
her and threatening the killer a new

181
00:07:40,249 --> 00:07:38,759
twist was added when Jacobs told Woods

182
00:07:42,950 --> 00:07:40,259
that he was getting instant messages

183
00:07:44,689 --> 00:07:42,960
written on Elizabeth's computer by

184
00:07:47,629 --> 00:07:44,699
hybrids communicating through Elizabeth

185
00:07:49,129 --> 00:07:47,639
the gist of the messages was that the

186
00:07:51,230 --> 00:07:49,139
hybrids were going to shut him up

187
00:07:53,330 --> 00:07:51,240
because he knew too much about them and

188
00:07:55,309 --> 00:07:53,340

their plans according to vaney while

189

00:07:58,790 --> 00:07:55,319

Woods was regressed during her 11th

190

00:08:01,430 --> 00:07:58,800

session on October 2nd 2005 Jacobs told

191

00:08:03,830 --> 00:08:01,440

woods they put in Elizabeth's mind that

192

00:08:05,809 --> 00:08:03,840

I would be harmed and that I would be in

193

00:08:08,150 --> 00:08:05,819

fact killed and that they would just go

194

00:08:10,969 --> 00:08:08,160

ahead and kill me in some way or have me

195

00:08:13,189 --> 00:08:10,979

kill myself this resulted in Jacobs

196

00:08:14,870 --> 00:08:13,199

using what he called tactics which

197

00:08:16,909 --> 00:08:14,880

included lying to Woods in normal

198

00:08:19,070 --> 00:08:16,919

conversation and during hypnosis

199

00:08:21,830 --> 00:08:19,080

sessions to throw the aliens off the

200

00:08:24,409 --> 00:08:21,840

track an Infamous example caught on tape

201
00:08:26,330 --> 00:08:24,419
is Jacobs telling a hypnotized Woods

202
00:08:28,430 --> 00:08:26,340
that he had come to the conclusion that

203
00:08:30,710 --> 00:08:28,440
alien abduction claims were the result

204
00:08:32,690 --> 00:08:30,720
of multiple personality disorder and the

205
00:08:35,149 --> 00:08:32,700
that she suffered from it and should

206
00:08:37,490 --> 00:08:35,159
take medication he can be heard saying

207
00:08:40,610 --> 00:08:37,500
and my professional diagnosis therefore

208
00:08:42,769 --> 00:08:40,620
is multiple personality disorder I am

209
00:08:45,470 --> 00:08:42,779
studying it I am writing a book about it

210
00:08:47,930 --> 00:08:45,480
that is my next book I feel that the

211
00:08:50,449 --> 00:08:47,940
whole sort of alien business is all a

212
00:08:52,970 --> 00:08:50,459
matter of multiple personality disorder

213
00:08:55,130 --> 00:08:52,980

Woods came to the conclusion most people

214

00:08:57,650 --> 00:08:55,140

more than likely would have and that was

215

00:09:00,230 --> 00:08:57,660

that Elizabeth was writing the instant

216

00:09:02,150 --> 00:09:00,240

messages on her own Woods described them

217

00:09:05,150 --> 00:09:02,160

on tape with Jacobs and during the

218

00:09:07,130 --> 00:09:05,160

interview as hoaxes Jacobs took offense

219

00:09:09,350 --> 00:09:07,140

at this notion and their difference on

220

00:09:11,750 --> 00:09:09,360

this subject led to them parting ways

221

00:09:13,790 --> 00:09:11,760

Woods attempted to work out an agreement

222

00:09:15,410 --> 00:09:13,800

over the phone with Jacobs she let

223

00:09:17,269 --> 00:09:15,420

Jacobs know she was taping the

224

00:09:19,430 --> 00:09:17,279

conversation regarding what they would

225

00:09:21,710 --> 00:09:19,440

say on their respective websites about

226

00:09:23,389 --> 00:09:21,720

stopping their work together Woods

227

00:09:25,130 --> 00:09:23,399

didn't see how she could avoid giving

228

00:09:27,829 --> 00:09:25,140

her opinion that the instant messages

229

00:09:30,170 --> 00:09:27,839

were hoaxed and Jacobs can be heard on

230

00:09:32,990 --> 00:09:30,180

tape saying she'd be attacking his

231

00:09:35,329 --> 00:09:33,000

credibility his reputation and even

232

00:09:38,150 --> 00:09:35,339

threatening the welfare of his family is

233

00:09:39,650 --> 00:09:38,160

she made her opinion public Jacobs more

234

00:09:42,350 --> 00:09:39,660

than hinted that he would call her

235

00:09:44,509 --> 00:09:42,360

sanity in the question in response they

236

00:09:46,430 --> 00:09:44,519

failed to come to an agreement and woods

237

00:09:48,829 --> 00:09:46,440

made not only her opinion of the instant

238

00:09:51,530 --> 00:09:48,839

messages public but also a series of

239

00:09:53,449 --> 00:09:51,540

tapes capturing Jacobs in what might be

240

00:09:56,810 --> 00:09:53,459

considered less than professional

241

00:10:00,350 --> 00:09:56,820
