[Music]

3
00:00:22,910 --> 00:00:19,380
demand is our UAP UFO encounter clips

4
00:00:25,310 --> 00:00:22,920
and I was contacted actually you were in

5
00:00:28,670 --> 00:00:25,320
the last show in the chat room and I

6
00:00:32,150 --> 00:00:28,680
said email me right yep yep so uh

7
00:00:34,250 --> 00:00:32,160
Carolyn Carol Klein and uh if you would

8
00:00:35,450 --> 00:00:34,260
can you give us a little first of all a

9
00:00:36,830 --> 00:00:35,460
little bit of your background and go

10
00:00:38,330 --> 00:00:36,840
right into the encounter if you would

11
00:00:41,810 --> 00:00:38,340
sure

12
00:00:43,910 --> 00:00:41,820
um I am a Air Force brat my first 10

13
00:00:46,130 --> 00:00:43,920

years of life were spent being raised on

14

00:00:47,750 --> 00:00:46,140

military bases and I loved every minute

15

00:00:49,130 --> 00:00:47,760

of it by the way that that wasn't a

16

00:00:52,490 --> 00:00:49,140

complaint

17

00:00:54,650 --> 00:00:52,500

um my dad died before he retired from

18

00:00:56,750 --> 00:00:54,660

the Air Force we uh my mother and I

19

00:00:58,310 --> 00:00:56,760

traveled up here to Maryland to meet my

20

00:01:01,069 --> 00:00:58,320

brother who got a discharge from the

21

00:01:02,990 --> 00:01:01,079

Navy and we settled here

22

00:01:05,570 --> 00:01:03,000

um and I spent all of the rest of my

23

00:01:07,850 --> 00:01:05,580

life in the Baltimore area I live in a

24

00:01:11,690 --> 00:01:07,860

suburb of Baltimore

25

00:01:14,570 --> 00:01:11,700

um I am 64 now I've been in higher

26
00:01:17,630 --> 00:01:14,580
education for well over 30 years I spent

27
00:01:19,929 --> 00:01:17,640
the last almost 30 years at a urban

28
00:01:22,670 --> 00:01:19,939
community college in Baltimore city

29
00:01:25,310 --> 00:01:22,680
where I teach mostly developmental

30
00:01:27,109 --> 00:01:25,320
riding a first year college riding

31
00:01:30,770 --> 00:01:27,119
vocational writing you know skill

32
00:01:32,749 --> 00:01:30,780
classes to my students so

33
00:01:35,510 --> 00:01:32,759
um I don't have children because I

34
00:01:37,450 --> 00:01:35,520
always say that my students were more

35
00:01:40,190 --> 00:01:37,460
than enough for me too

36
00:01:43,609 --> 00:01:40,200
to deal with they were my children yeah

37
00:01:46,670 --> 00:01:43,619
no matter what their age is so yeah all

38
00:01:49,969 --> 00:01:46,680

right so uh yeah let's talk about this

39

00:01:53,870 --> 00:01:49,979

was just in December last year yeah very

40

00:01:55,490 --> 00:01:53,880

not so long ago very recent before we

41

00:01:59,030 --> 00:01:55,500

get into that

42

00:02:01,609 --> 00:01:59,040

um what was your idea about UFOs prior

43

00:02:03,710 --> 00:02:01,619

to this happening

44

00:02:05,810 --> 00:02:03,720

um I was a resist what I call a

45

00:02:08,449 --> 00:02:05,820

resistant believer

46

00:02:10,190 --> 00:02:08,459

um I didn't I I believe that these

47

00:02:12,710 --> 00:02:10,200

things existed

48

00:02:16,130 --> 00:02:12,720

um and I I have a strong suspicion that

49

00:02:19,190 --> 00:02:16,140

they aren't uh you know made here not

50

00:02:21,830 --> 00:02:19,200

made domestically shall we say

51
00:02:23,809 --> 00:02:21,840
but I didn't want to believe it uh you

52
00:02:25,850 --> 00:02:23,819
know I have real mixed emotions about

53
00:02:29,390 --> 00:02:25,860
this I know that there are people in the

54
00:02:31,369 --> 00:02:29,400
UFO Community who you know are are you

55
00:02:33,890 --> 00:02:31,379
know flagging wanting to flag these

56
00:02:35,809 --> 00:02:33,900
folks down or beings down and invite

57
00:02:37,970 --> 00:02:35,819
them in and so on and I'm not so sure

58
00:02:40,729 --> 00:02:37,980
that's a great idea you know given

59
00:02:43,430 --> 00:02:40,739
cattle mutilations and everything else I

60
00:02:47,150 --> 00:02:43,440
I'm not completely convinced that these

61
00:02:49,369 --> 00:02:47,160
are uh benevolent beings so that's mixed

62
00:02:53,050 --> 00:02:49,379
emotions I guess is how I would best

63
00:02:56,750 --> 00:02:53,060

describe it yeah okay so let's get into

64

00:02:59,630 --> 00:02:56,760

December of 2022. yeah

65

00:03:01,610 --> 00:02:59,640

um I explained to you in the uh email

66

00:03:04,250 --> 00:03:01,620

that I sent to you describing the

67

00:03:06,350 --> 00:03:04,260

incident that I have a habit of falling

68

00:03:08,809 --> 00:03:06,360

asleep way too early in the evening and

69

00:03:11,869 --> 00:03:08,819

then waking up you know like mid morning

70

00:03:14,990 --> 00:03:11,879

like around three or four before the the

71

00:03:16,670 --> 00:03:15,000

Sun is up and usually I'll you know

72

00:03:18,770 --> 00:03:16,680

answer some emails and stuff and when I

73

00:03:21,710 --> 00:03:18,780

get bored I grab some coffee grab the

74

00:03:25,190 --> 00:03:21,720

dog and we traveled just down the road

75

00:03:27,710 --> 00:03:25,200

about you know maybe a mile to a parking

76

00:03:29,449 --> 00:03:27,720

lot where there is a donut shop where

77

00:03:31,369 --> 00:03:29,459

lots of commuters are coming through or

78

00:03:34,190 --> 00:03:31,379

you know early morning traffic and stuff

79

00:03:36,890 --> 00:03:34,200

so I feel relatively safe there this one

80

00:03:39,050 --> 00:03:36,900

particular morning I forgot to let my

81

00:03:41,630 --> 00:03:39,060

little dog down in the grass to relieve

82

00:03:44,449 --> 00:03:41,640

itself and so I realized he was

83

00:03:46,250 --> 00:03:44,459

squirming a bit on the ride to the donut

84

00:03:49,190 --> 00:03:46,260

shop parking lot and I thought well I'll

85

00:03:52,070 --> 00:03:49,200

just stop at this business park that I

86

00:03:54,170 --> 00:03:52,080

frequent where lots of dog walkers use

87

00:03:55,970 --> 00:03:54,180

the paths and so on and so forth I

88

00:03:58,190 --> 00:03:55,980

thought it's always been safe so I'll

89

00:04:01,309 --> 00:03:58,200

stop there and let him out and so that's

90

00:04:04,250 --> 00:04:01,319

what I did he started pulling me down

91

00:04:06,470 --> 00:04:04,260

the the walk toward a really dark area

92

00:04:09,350 --> 00:04:06,480

and I didn't want to go that far down

93

00:04:11,330 --> 00:04:09,360

and into the dark so I picked him up and

94

00:04:14,089 --> 00:04:11,340

as I was turning around with him

95

00:04:17,030 --> 00:04:14,099

something caught my eye and that

96

00:04:19,909 --> 00:04:17,040

something was you've seen a Street Lamp

97

00:04:22,550 --> 00:04:19,919

before you know the tall Street lamps

98

00:04:26,210 --> 00:04:22,560

and you know how bright and white they

99

00:04:29,210 --> 00:04:26,220

are this was brighter and wider than

100

00:04:32,390 --> 00:04:29,220

anything I've seen before and I knew it

101
00:04:34,070 --> 00:04:32,400
wasn't the Street Lamp and so and I

102
00:04:36,670 --> 00:04:34,080
think deep down inside I knew what it

103
00:04:40,370 --> 00:04:36,680
was but I went through like this little

104
00:04:43,189 --> 00:04:40,380
index card box in my mind you know is it

105
00:04:45,170 --> 00:04:43,199
is it a drone is it a helicopter is it a

106
00:04:47,990 --> 00:04:45,180
you know is it an are you hallucinating

107
00:04:50,090 --> 00:04:48,000
and yeah it wasn't any of that it was

108
00:04:52,969 --> 00:04:50,100
something very different so I thought

109
00:04:54,110 --> 00:04:52,979
you know just in case this happens to be

110
00:04:55,969 --> 00:04:54,120
something oh I don't know

111
00:04:58,430 --> 00:04:55,979
extraterrestrial let me get into the

112
00:05:00,110 --> 00:04:58,440
parking garage so I went into the lower

113
00:05:02,450 --> 00:05:00,120

level of the parking garage it's one of

114

00:05:04,969 --> 00:05:02,460

those multi-tier things for businesses

115

00:05:07,490 --> 00:05:04,979

and I flattened myself up against the

116

00:05:10,310 --> 00:05:07,500

wall and watched it

117

00:05:12,710 --> 00:05:10,320

um and you know I forgot to say that I

118

00:05:15,409 --> 00:05:12,720

had unfortunately parked my car a little

119

00:05:18,469 --> 00:05:15,419

too far away to get to and to get out of

120

00:05:21,409 --> 00:05:18,479

there and when I did park my car I left

121

00:05:23,570 --> 00:05:21,419

my cell phone in there so I didn't have

122

00:05:26,629 --> 00:05:23,580

a you know any means of communication

123

00:05:30,050 --> 00:05:26,639

any way of telling time any camera

124

00:05:32,930 --> 00:05:30,060

and so um so I was left to just observe

125

00:05:34,790 --> 00:05:32,940

and to do a rough estimate of how long

126

00:05:37,909 --> 00:05:34,800

this all took

127

00:05:40,129 --> 00:05:37,919

um I would say was probably 20 minutes

128

00:05:43,129 --> 00:05:40,139

I'm not a great calculator here but I

129

00:05:46,070 --> 00:05:43,139

think around 20 minutes and I can tell

130

00:05:48,409 --> 00:05:46,080

you I'm I'm a practicing Catholic and I

131

00:05:50,990 --> 00:05:48,419

tend to pray a lot I do rosary and stuff

132

00:05:54,350 --> 00:05:51,000

I have never prayed as hard as I prayed

133

00:05:56,629 --> 00:05:54,360

in that parking garage oh wow I was

134

00:05:59,029 --> 00:05:56,639

begging God please make this thing go

135

00:05:59,990 --> 00:05:59,039

away please I gotta get out of here you

136

00:06:02,629 --> 00:06:00,000

know and

137

00:06:04,909 --> 00:06:02,639

um and it stayed and stayed uh now

138

00:06:07,129 --> 00:06:04,919

meanwhile uh were

139

00:06:09,710 --> 00:06:07,139

were people driving in and out of the

140

00:06:11,210 --> 00:06:09,720

garage did you notice that it was so

141

00:06:15,409 --> 00:06:11,220

early this was really before they

142

00:06:18,290 --> 00:06:15,419

started coming I did see the uh area

143

00:06:21,469 --> 00:06:18,300

um neighbors uh townhouse development

144

00:06:24,290 --> 00:06:21,479

and a apartment complex and so I did see

145

00:06:26,510 --> 00:06:24,300

one or two cars leave I guess there were

146

00:06:27,469 --> 00:06:26,520

commuters going going into Washington or

147

00:06:29,029 --> 00:06:27,479

something

148

00:06:31,850 --> 00:06:29,039

um and I thought it was so funny I

149

00:06:34,249 --> 00:06:31,860

watched one uh I think it was a guy I

150

00:06:36,710 --> 00:06:34,259

could kind of see the the profile

151
00:06:38,749 --> 00:06:36,720
um and he right underneath of it he went

152
00:06:40,490 --> 00:06:38,759
right under it and and I thought well

153
00:06:42,950 --> 00:06:40,500
you didn't get sucked up into the craft

154
00:06:45,590 --> 00:06:42,960
so you know maybe there's hope yet I

155
00:06:49,070 --> 00:06:45,600
don't know and how how did the dog react

156
00:06:51,409 --> 00:06:49,080
did he react at all you know he didn't

157
00:06:53,390 --> 00:06:51,419
and and that amazes me because I do hear

158
00:06:56,150 --> 00:06:53,400
that sometimes animals you know start to

159
00:06:58,550 --> 00:06:56,160
act up when something but not mine I

160
00:07:01,010 --> 00:06:58,560
mean we're talking about the most Placid

161
00:07:02,629 --> 00:07:01,020
poodle in the entire world I mean you

162
00:07:04,610 --> 00:07:02,639
know he just he just was looking around

163
00:07:07,010 --> 00:07:04,620

he didn't know what was going on

164

00:07:10,670 --> 00:07:07,020

okay and so why don't you describe what

165

00:07:13,969 --> 00:07:10,680

you were looking at well when I saw it

166

00:07:17,450 --> 00:07:13,979

it was interesting because it sort of

167

00:07:20,210 --> 00:07:17,460

glided into position no sound no

168

00:07:23,089 --> 00:07:20,220

emissions just that bright light as it

169

00:07:24,409 --> 00:07:23,099

was gliding into uh into position and I

170

00:07:27,110 --> 00:07:24,419

didn't mention this to you in your email

171

00:07:30,469 --> 00:07:27,120

I happen to remember late uh later

172

00:07:32,150 --> 00:07:30,479

um it went over one of the businesses uh

173

00:07:34,490 --> 00:07:32,160

the areas of the business park where

174

00:07:36,950 --> 00:07:34,500

there was some lighting and so you could

175

00:07:39,469 --> 00:07:36,960

see underneath of the of the UFO or

176

00:07:41,390 --> 00:07:39,479

whatever this was

177

00:07:43,730 --> 00:07:41,400

um and you could kind of see something

178

00:07:45,230 --> 00:07:43,740

under it like it that had something

179

00:07:47,990 --> 00:07:45,240

almost looked like a little bit of

180

00:07:50,510 --> 00:07:48,000

scaffolding or something there but I

181

00:07:53,870 --> 00:07:50,520

could tell that it was round

182

00:07:56,629 --> 00:07:53,880

um and as I said very white very bright

183

00:08:00,409 --> 00:07:56,639

it just kind of moved over into position

184

00:08:03,350 --> 00:08:00,419

and just stayed and and and and no no

185

00:08:06,110 --> 00:08:03,360

sound no anything

186

00:08:07,010 --> 00:08:06,120

um interesting interesting

187

00:08:11,270 --> 00:08:07,020

um

188

00:08:14,809 --> 00:08:11,280

so you were there about 20 minutes and

189

00:08:16,189 --> 00:08:14,819

um and then the thing what it you told

190

00:08:19,550 --> 00:08:16,199

me in the email so why don't you

191

00:08:22,070 --> 00:08:19,560

continue what you saw happen right um I

192

00:08:23,869 --> 00:08:22,080

remember thinking oh God please don't

193

00:08:26,029 --> 00:08:23,879

let that shaft of life that you see in

194

00:08:28,070 --> 00:08:26,039

the movies you know suddenly click and

195

00:08:30,770 --> 00:08:28,080

guess what happened the shaft of light

196

00:08:32,570 --> 00:08:30,780

clicked on it and I thought okay so this

197

00:08:34,790 --> 00:08:32,580

is the part in like you know one of

198

00:08:37,190 --> 00:08:34,800

those movies about UFOs where either

199

00:08:39,170 --> 00:08:37,200

aliens come down that Shaft or you get

200

00:08:41,149 --> 00:08:39,180

sucked up into this ship and I thought

201

00:08:42,829 --> 00:08:41,159

oh God I don't want to go on I don't

202

00:08:45,670 --> 00:08:42,839

want to go on any you know Intergalactic

203

00:08:48,170 --> 00:08:45,680

rides this morning please spare me

204

00:08:50,870 --> 00:08:48,180

so was it like a shaft of light that

205

00:08:53,030 --> 00:08:50,880

came down yeah it was uh it wasn't

206

00:08:56,990 --> 00:08:53,040

straight it kind of spread out you know

207

00:08:59,389 --> 00:08:57,000

it it was almost triangular in fact part

208

00:09:01,970 --> 00:08:59,399

of it was over the thing was sort of

209

00:09:04,490 --> 00:09:01,980

over the trees and also over a little

210

00:09:06,170 --> 00:09:04,500

lane that that you know there's there's

211

00:09:09,769 --> 00:09:06,180

a little area there

212

00:09:12,650 --> 00:09:09,779

um and so I know that I saw that shaft

213

00:09:15,290 --> 00:09:12,660

of light hit you know go all the way

214

00:09:18,470 --> 00:09:15,300

down to the pavement on the lane I saw

215

00:09:20,269 --> 00:09:18,480

it and and I and I know why I saw it

216

00:09:22,190 --> 00:09:20,279

because I I kept thinking please don't

217

00:09:23,630 --> 00:09:22,200

let anything come off of this craft you

218

00:09:25,630 --> 00:09:23,640

know I was looking to see if anything

219

00:09:28,190 --> 00:09:25,640

was going to be deposited

220

00:09:29,810 --> 00:09:28,200

and then I guess I would estimate that

221

00:09:32,030 --> 00:09:29,820

maybe that stayed on about five minutes

222

00:09:34,190 --> 00:09:32,040

because I remember calculating what do I

223

00:09:35,750 --> 00:09:34,200

do if I see something you know can I run

224

00:09:37,850 --> 00:09:35,760

fast enough because I hear these things

225

00:09:40,490 --> 00:09:37,860

are pretty fast you know

226

00:09:44,470 --> 00:09:40,500

um but anyway that as fast as it came on

227

00:09:46,910 --> 00:09:44,480

it clicked off the light the the UFO

228

00:09:48,410 --> 00:09:46,920

went dark

229

00:09:49,970 --> 00:09:48,420

um I stayed there for a few minutes

230

00:09:53,210 --> 00:09:49,980

thinking just because it's dark doesn't

231

00:09:55,970 --> 00:09:53,220

mean it's gone but I didn't I didn't

232

00:09:58,250 --> 00:09:55,980

sense anything was still there and so I

233

00:09:59,570 --> 00:09:58,260

made a run for it I went to my car and

234

00:10:04,730 --> 00:09:59,580

got out of there

235

00:10:07,550 --> 00:10:04,740

hmm and so you you let did you call the

236

00:10:09,530 --> 00:10:07,560

police right away I got to my original

237

00:10:13,550 --> 00:10:09,540

destination which was the donut shop

238

00:10:15,530 --> 00:10:13,560

parking lot and I parked and I you know

239

00:10:17,509 --> 00:10:15,540

isn't that a strange idea to call the

240

00:10:19,970 --> 00:10:17,519

police about a UFO I mean no because

241

00:10:23,090 --> 00:10:19,980

that's what I did I did the same thing

242

00:10:25,550 --> 00:10:23,100

good good I'm happy I'm happy to hear

243

00:10:29,329 --> 00:10:25,560

that so I didn't know what to do so yeah

244

00:10:32,090 --> 00:10:29,339

who do you call I mean you know so

245

00:10:34,430 --> 00:10:32,100

um I called and a very nice young man

246

00:10:36,650 --> 00:10:34,440

answered the phone at this Precinct and

247

00:10:37,610 --> 00:10:36,660

he didn't laugh at me and I said you

248

00:10:39,470 --> 00:10:37,620

know I know you're going to think I'm

249

00:10:41,210 --> 00:10:39,480

crazy but here's what I just saw I said

250

00:10:43,250 --> 00:10:41,220

has anybody else reported it he said no

251
00:10:44,810 --> 00:10:43,260
we had I think he said that there was a

252
00:10:46,430 --> 00:10:44,820
domestic disturbance or something that

253
00:10:48,050 --> 00:10:46,440
they had a call for something like that

254
00:10:49,670 --> 00:10:48,060
he said that's all we've had this

255
00:10:51,470 --> 00:10:49,680
morning he said would you like to talk

256
00:10:54,889 --> 00:10:51,480
to somebody at the non-emergency number

257
00:10:56,630 --> 00:10:54,899
I said sure you know and so a woman

258
00:10:58,370 --> 00:10:56,640
picked up the phone she was sort of like

259
00:11:00,110 --> 00:10:58,380
you know it was kind of like Dragnet she

260
00:11:02,690 --> 00:11:00,120
was just just the fax ma'am she was

261
00:11:04,610 --> 00:11:02,700
polite but that's all she wanted and so

262
00:11:05,990 --> 00:11:04,620
I told her what had happened and so she

263
00:11:07,850 --> 00:11:06,000

said okay thank you and I said well wait

264

00:11:09,590 --> 00:11:07,860

wait I said I have something else to say

265

00:11:12,170 --> 00:11:09,600

I said I want to thank you for you know

266

00:11:13,730 --> 00:11:12,180

ridiculing me because I know that you

267

00:11:15,530 --> 00:11:13,740

know sometimes that happens you think

268

00:11:17,810 --> 00:11:15,540

that there's a nut on the phone and she

269

00:11:19,490 --> 00:11:17,820

says oh she says uh everybody who's

270

00:11:22,610 --> 00:11:19,500

called in about this has said the same

271

00:11:24,470 --> 00:11:22,620

thing I said wait everybody she says

272

00:11:27,230 --> 00:11:24,480

yeah she says other people have seen it

273

00:11:29,569 --> 00:11:27,240

she said but just not in your area so it

274

00:11:31,970 --> 00:11:29,579

had been traveling through evidently

275

00:11:32,990 --> 00:11:31,980

so tell me about the exact data that was

276

00:11:35,210 --> 00:11:33,000

then

277

00:11:38,509 --> 00:11:35,220

what do you mean that's that the exact

278

00:11:41,690 --> 00:11:38,519

December what December 10th December

279

00:11:43,670 --> 00:11:41,700

10th 2022. I and I asked debate I saw it

280

00:11:44,930 --> 00:11:43,680

around 6 30 in the morning the sun had

281

00:11:47,630 --> 00:11:44,940

not come up yet

282

00:11:49,190 --> 00:11:47,640

the reason I'm saying asking that is to

283

00:11:51,650 --> 00:11:49,200

get an accurate date for anyone else

284

00:11:55,610 --> 00:11:51,660

that may watch this video and may have

285

00:11:58,970 --> 00:11:55,620

witnessed it or know someone so um now

286

00:12:01,850 --> 00:11:58,980

let's you go back to the where you you

287

00:12:08,269 --> 00:12:01,860

were when this happened and tell us what

288

00:12:14,389 --> 00:12:11,329

next day in the daylight I'm no fool I

289

00:12:16,610 --> 00:12:14,399

don't go back to the dark anymore but I

290

00:12:19,009 --> 00:12:16,620

stood where I was

291

00:12:22,670 --> 00:12:19,019

um in that parking garage and I

292

00:12:25,430 --> 00:12:22,680

reenacted what had happened and as much

293

00:12:27,050 --> 00:12:25,440

as I tried I could not figure out how I

294

00:12:28,910 --> 00:12:27,060

saw that shaft of light because the

295

00:12:32,990 --> 00:12:28,920

trees would have blocked it

296

00:12:34,910 --> 00:12:33,000

so the trees where it was but how would

297

00:12:37,130 --> 00:12:34,920

you judge how far away it was from you

298

00:12:39,650 --> 00:12:37,140

that would be very difficult I did a

299

00:12:42,829 --> 00:12:39,660

rough estimate and I figured it was

300

00:12:45,470 --> 00:12:42,839

about uh two tenths of a mile

301
00:12:47,329 --> 00:12:45,480
um around that around so if there was

302
00:12:49,129 --> 00:12:47,339
indeed that far away then it would

303
00:12:51,170 --> 00:12:49,139
almost seem impossible you'd see the

304
00:12:53,150 --> 00:12:51,180
light shaft go to the ground or the

305
00:12:55,250 --> 00:12:53,160
whole craft yeah

306
00:12:57,530 --> 00:12:55,260
yeah are you saying the whole crafter

307
00:12:59,930 --> 00:12:57,540
just the light going I thought what what

308
00:13:02,329 --> 00:12:59,940
I saw that morning was everything

309
00:13:04,009 --> 00:13:02,339
now I mean I saw the craft I Saw The

310
00:13:07,129 --> 00:13:04,019
Light et cetera et cetera I Saw The

311
00:13:09,470 --> 00:13:07,139
Light hit the pavement but when I went

312
00:13:12,110 --> 00:13:09,480
back I could see I could see how I could

313
00:13:13,850 --> 00:13:12,120

have seen the craft because obviously it

314

00:13:15,170 --> 00:13:13,860

was elevated but I don't see how I saw

315

00:13:17,030 --> 00:13:15,180

that light

316

00:13:19,250 --> 00:13:17,040

um I could see how I could see it coming

317

00:13:20,810 --> 00:13:19,260

out of the craft but I can't see how I

318

00:13:23,990 --> 00:13:20,820

saw it hit the ground

319

00:13:25,670 --> 00:13:24,000

yeah how about that so now what's your

320

00:13:28,550 --> 00:13:25,680

thoughts on um

321

00:13:30,769 --> 00:13:28,560

these encounters oh before I I forgot to

322

00:13:33,050 --> 00:13:30,779

mention something to you I I immediately

323

00:13:35,030 --> 00:13:33,060

when I got home started texting friends

324

00:13:37,490 --> 00:13:35,040

you won't believe what I you know and

325

00:13:38,810 --> 00:13:37,500

the first one I I texted called me later

326

00:13:40,310 --> 00:13:38,820

that day says you're not going to

327

00:13:41,870 --> 00:13:40,320

believe this I just talked to a

328

00:13:44,329 --> 00:13:41,880

colleague in Michigan I think it was

329

00:13:45,590 --> 00:13:44,339

Michigan and he had a siding this

330

00:13:48,050 --> 00:13:45,600

weekend too

331

00:13:50,329 --> 00:13:48,060

so I don't know if we were being visited

332

00:13:51,889 --> 00:13:50,339

by the folks on some planet or what but

333

00:13:52,850 --> 00:13:51,899

you know that that was an interesting

334

00:13:55,190 --> 00:13:52,860

thing

335

00:13:56,750 --> 00:13:55,200

um yeah so you asked what my thoughts

336

00:14:01,129 --> 00:13:56,760

are yeah

337

00:14:03,290 --> 00:14:01,139

well I can tell you I uh I have had

338

00:14:04,610 --> 00:14:03,300

friends suggest to me that you know

339

00:14:06,650 --> 00:14:04,620

since this whole Chinese weather

340

00:14:07,970 --> 00:14:06,660

balloons fly balloon whatever that is

341

00:14:09,889 --> 00:14:07,980

that they're

342

00:14:11,870 --> 00:14:09,899

um that perhaps that's what I saw no

343

00:14:15,350 --> 00:14:11,880

that's not what I saw

344

00:14:17,750 --> 00:14:15,360

um I know what I saw and I you it sort

345

00:14:22,550 --> 00:14:17,760

of you had to be there I know what I saw

346

00:14:24,889 --> 00:14:22,560

and I know that what I saw I'm 95 sure

347

00:14:27,889 --> 00:14:24,899

um is not from this planet it was

348

00:14:31,370 --> 00:14:27,899

something very unusual very different I

349

00:14:33,110 --> 00:14:31,380

still hold out hope that some GI was on

350

00:14:34,850 --> 00:14:33,120

that craft and he just had to pull over

351

00:14:36,350 --> 00:14:34,860

and read the owner's manual to see how

352

00:14:39,110 --> 00:14:36,360

to make the thing go I'm still holding

353

00:14:40,970 --> 00:14:39,120

out hope that it's human made but I I

354

00:14:42,829 --> 00:14:40,980

know it wasn't I know it wasn't and

355

00:14:45,829 --> 00:14:42,839

nobody will be able to dissuade me of

356

00:14:47,389 --> 00:14:45,839

that so yes well Carol thank you so much

357

00:14:49,550 --> 00:14:47,399

I really appreciate you telling your

358

00:14:54,290 --> 00:14:49,560

story okay thank you for letting me do
