**#549**

1  
00:00:01,199 --> 00:00:10,270  
foreign

2  
00:01:03,130 --> 00:00:25,910  
[Music]

3  
00:01:11,390 --> 00:01:05,509  
and welcome to the show I'm Martin

4  
00:01:16,310 --> 00:01:13,910  
I think last year for the first time in

5  
00:01:18,109 --> 00:01:16,320  
a couple of times and she's very

6  
00:01:20,929 --> 00:01:18,119  
interesting comes from an amazing family

7  
00:01:23,630 --> 00:01:20,939  
and a great music background and uh

8  
00:01:27,109 --> 00:01:23,640  
she's also been a host of a TV uh show

9  
00:01:28,670 --> 00:01:27,119  
CMT for I think since the early 2000s

10  
00:01:30,469 --> 00:01:28,680  
anyway

11  
00:01:33,469 --> 00:01:30,479  
um she's a lot of fun looking forward to

12  
00:01:35,210 --> 00:01:33,479  
talking to her no blog this week uh

13  
00:01:37,429 --> 00:01:35,220

Charles needed the week off so he's got

14

00:01:40,490 --> 00:01:37,439

the week off so I do want to say at the

15

00:01:43,370 --> 00:01:40,500

very end of the show 54 minutes or so as

16

00:01:44,270 --> 00:01:43,380

how long the show runs I'm gonna play a

17

00:01:46,310 --> 00:01:44,280

clip

18

00:01:48,230 --> 00:01:46,320

um now those of you who who watch things

19

00:01:49,910 --> 00:01:48,240

on my YouTube channel you've probably

20

00:01:53,030 --> 00:01:49,920

already seen it or you may have seen it

21

00:01:55,910 --> 00:01:53,040

it's a back to my series of The Listener

22

00:01:58,069 --> 00:01:55,920

encounters and she had a very she's a

23

00:02:00,649 --> 00:01:58,079

very credible person had an amazing

24

00:02:02,510 --> 00:02:00,659

sighting in Baltimore and so I'm going

25

00:02:04,249 --> 00:02:02,520

to be playing that right at the very end

26

00:02:07,190 --> 00:02:04,259

of this show after I say goodbye to

27

00:02:09,949 --> 00:02:07,200

Katie so without further Ado I shall

28

00:02:11,809 --> 00:02:09,959

bring Katie in welcome Katie hi Martin

29

00:02:14,809 --> 00:02:11,819

thank you so much for having me on fun

30

00:02:16,309 --> 00:02:14,819

thank you and uh everyone's gonna you

31

00:02:17,750 --> 00:02:16,319

know I know the first thing that's going

32

00:02:19,910 --> 00:02:17,760

to happen is everyone's going to say now

33

00:02:21,309 --> 00:02:19,920

what's that in her background is that

34

00:02:24,410 --> 00:02:21,319

Waldo

35

00:02:26,570 --> 00:02:24,420

that's little big Benny I've written

36

00:02:29,089 --> 00:02:26,580

three books about little boys oh that's

37

00:02:30,470 --> 00:02:29,099

who that is yeah if you put a hat on him

38

00:02:32,350 --> 00:02:30,480

he could almost pass for a while though

39

00:02:35,210 --> 00:02:32,360

but yeah I could see that

40

00:02:38,089 --> 00:02:35,220

and uh yes right I forgot about that

41

00:02:40,670 --> 00:02:38,099

that's who that is and uh so you've got

42

00:02:43,729 --> 00:02:40,680

a lot going on I you are one person that

43

00:02:46,729 --> 00:02:43,739

keeps yourself totally busy all the time

44

00:02:47,750 --> 00:02:46,739

I do I'm always like I'll sleep when I'm

45

00:02:49,729 --> 00:02:47,760

dead

46

00:02:52,729 --> 00:02:49,739

um I do you know what I do everything I

47

00:02:54,949 --> 00:02:52,739

enjoy and the universe has hooked me up

48

00:02:56,930 --> 00:02:54,959

with uh well allowing me to make a

49

00:02:59,570 --> 00:02:56,940

living at doing so many things I enjoy

50

00:03:01,790 --> 00:02:59,580

from the TB hosting work to writing

51  
00:03:04,970 --> 00:03:01,800  
books uh the children's Trilogy we can

52  
00:03:07,670 --> 00:03:04,980  
talk about that later uh to UFO stuff

53  
00:03:10,009 --> 00:03:07,680  
this has been a lifelong passion for me

54  
00:03:12,229 --> 00:03:10,019  
I became a realtor a couple years ago as

55  
00:03:14,509 --> 00:03:12,239  
you know show you a property recently

56  
00:03:16,550 --> 00:03:14,519  
which was such a thrill anytime I just

57  
00:03:18,170 --> 00:03:16,560  
hang out with a friend and I'm also

58  
00:03:19,130 --> 00:03:18,180  
working that's just like really fun for

59  
00:03:21,470 --> 00:03:19,140  
me

60  
00:03:23,149 --> 00:03:21,480  
um and I sing and I write and I I'm just

61  
00:03:24,229 --> 00:03:23,159  
doing all the things I want to do and

62  
00:03:26,990 --> 00:03:24,239  
somehow

63  
00:03:28,729 --> 00:03:27,000

you know the world provides and I just

64

00:03:30,770 --> 00:03:28,739

I'm going to keep going that way it may

65

00:03:33,110 --> 00:03:30,780

not be a recipe for success in a lot of

66

00:03:35,509 --> 00:03:33,120

people's eyes but I I do get bored

67

00:03:37,130 --> 00:03:35,519

easily so I'm always juggling a lot of

68

00:03:38,330 --> 00:03:37,140

stuff and that keeps me mentally

69

00:03:40,190 --> 00:03:38,340

stimulated

70

00:03:43,550 --> 00:03:40,200

now you also grew up with a famous

71

00:03:45,229 --> 00:03:43,560

father so yeah and what a beautiful song

72

00:03:46,970 --> 00:03:45,239

he put out in the world

73

00:03:50,390 --> 00:03:46,980

which one the I Like to Teach the World

74

00:03:52,670 --> 00:03:50,400

to Sing yes I love that one I was a

75

00:03:54,589 --> 00:03:52,680

little kid I know the Coca-Cola jingle

76

00:03:55,910 --> 00:03:54,599

it's such a blessing meeting people all

77

00:03:58,130 --> 00:03:55,920

over the world and they're like I sang

78

00:04:01,369 --> 00:03:58,140

that growing up you know I learned that

79

00:04:03,050 --> 00:04:01,379

in my school room that's that's so sweet

80

00:04:05,930 --> 00:04:03,060

I'm really proud of him his name's Roger

81

00:04:08,149 --> 00:04:05,940

cook he's actually not so famous uh

82

00:04:09,649 --> 00:04:08,159

because he's a songwriter you know um

83

00:04:11,270 --> 00:04:09,659

songwriters are usually behind the

84

00:04:13,070 --> 00:04:11,280

scenes he wasn't a band in the 70s

85

00:04:14,809 --> 00:04:13,080

called Blue Mink in England and he was

86

00:04:16,430 --> 00:04:14,819

really famous when I was really I

87

00:04:19,490 --> 00:04:16,440

thought I detected an English accent

88

00:04:21,530 --> 00:04:19,500

with my dad or with me with a little bit

89

00:04:23,450 --> 00:04:21,540

of a your dad with a little tiny bit of

90

00:04:24,830 --> 00:04:23,460

an accent yes yes very much I was gonna

91

00:04:26,629 --> 00:04:24,840

say I'm the one like really American

92

00:04:28,129 --> 00:04:26,639

sounding person in my whole family I'm

93

00:04:29,390 --> 00:04:28,139

kind of the black sheep

94

00:04:31,310 --> 00:04:29,400

um but he definitely still has his

95

00:04:33,950 --> 00:04:31,320

accent a little bit I'm really proud of

96

00:04:36,290 --> 00:04:33,960

him and I actually told my dad for the

97

00:04:38,870 --> 00:04:36,300

first time last summer about a lot of my

98

00:04:40,430 --> 00:04:38,880

paranormal and UFO experiences I don't

99

00:04:41,870 --> 00:04:40,440

know why I had never told him even

100

00:04:45,110 --> 00:04:41,880

though he's my dad

101

00:04:47,330 --> 00:04:45,120

um I finally you know bridged that

102

00:04:49,730 --> 00:04:47,340

subject with him and he could not have

103

00:04:53,030 --> 00:04:49,740

been more open-minded even had a couple

104

00:04:55,189 --> 00:04:53,040

interesting things to tell me so oh that

105

00:04:56,570 --> 00:04:55,199

was really cool yeah I'm very very proud

106

00:04:58,189 --> 00:04:56,580

of my dad I'm glad you brought him up

107

00:04:59,390 --> 00:04:58,199

he's he means a lot to me and I'm

108

00:05:01,129 --> 00:04:59,400

actually going to work on a documentary

109

00:05:03,050 --> 00:05:01,139

about him because he's had a really

110

00:05:04,610 --> 00:05:03,060

interesting life and I I'm like you know

111

00:05:06,530 --> 00:05:04,620

I've interviewed people for two decades

112

00:05:08,210 --> 00:05:06,540

and I've never interviewed my dad that's

113

00:05:10,490 --> 00:05:08,220

kind of weird so I'm gonna fix that

114

00:05:12,230 --> 00:05:10,500

you've interviewed everybody that you

115

00:05:16,030 --> 00:05:12,240

can almost think of I mean when it comes

116

00:05:18,530 --> 00:05:16,040

to Dolly Parton and and uh I mean was it

117

00:05:20,450 --> 00:05:18,540

she's not Shania who was someone you

118

00:05:22,490 --> 00:05:20,460

should not have a hard time with a name

119

00:05:24,590 --> 00:05:22,500

but you were you were doing that uh

120

00:05:26,330 --> 00:05:24,600

recently right yeah I just went to LA a

121

00:05:27,890 --> 00:05:26,340

couple weeks ago well actually it was

122

00:05:29,810 --> 00:05:27,900

mid-January God this year's already

123

00:05:31,310 --> 00:05:29,820

going by so fast uh yeah I got to talk

124

00:05:32,870 --> 00:05:31,320

to her in La a few weeks ago because she

125

00:05:35,629 --> 00:05:32,880

has a new album out that was really fun

126

00:05:37,430 --> 00:05:35,639

to talk to her I actually I hope I don't

127

00:05:39,350 --> 00:05:37,440

get in trouble for saying this but I

128

00:05:41,629 --> 00:05:39,360

actually asked her years ago if she had

129

00:05:43,070 --> 00:05:41,639

ever seen a UFO and uh I don't think her

130

00:05:45,110 --> 00:05:43,080

people were very pleased with me for

131

00:05:47,650 --> 00:05:45,120

asking that but she played along she was

132

00:05:50,330 --> 00:05:47,660

cool

133

00:05:53,330 --> 00:05:50,340

Willie Nelson too because I didn't ask

134

00:05:56,510 --> 00:05:53,340

Billy you can ask anything to Willie

135

00:06:00,050 --> 00:05:56,520

yeah yeah I bet yeah I played that clip

136

00:06:02,330 --> 00:06:00,060

it up Obama when you interviewed him

137

00:06:06,950 --> 00:06:02,340

I did not get to talk to Obama about

138

00:06:08,749 --> 00:06:06,960

UFOs yeah but great he was a great

139

00:06:12,170 --> 00:06:08,759

person to work with I really loved that

140

00:06:15,110 --> 00:06:12,180

day yeah yeah I bet I bet so let's hear

141

00:06:17,870 --> 00:06:15,120

how you got involved in the UFO topic

142

00:06:19,550 --> 00:06:17,880

what what what started it with you well

143

00:06:21,590 --> 00:06:19,560

I mean I don't even know when it started

144

00:06:23,330 --> 00:06:21,600

because it's been lifelong

145

00:06:25,670 --> 00:06:23,340

um I

146

00:06:27,409 --> 00:06:25,680

I always say I didn't pick paranormal it

147

00:06:29,390 --> 00:06:27,419

picked me and I tend to use paranormal

148

00:06:30,830 --> 00:06:29,400

as this catch-all term I've fit ufology

149

00:06:32,870 --> 00:06:30,840

under that too A lot of people go no

150

00:06:34,730 --> 00:06:32,880

it's two separate things but um it's

151  
00:06:37,490 --> 00:06:34,740  
ufology is not necessarily normal right

152  
00:06:41,029 --> 00:06:37,500  
so I throw it under that umbrella

153  
00:06:42,590 --> 00:06:41,039  
um I had a lot of obes as a kid out of

154  
00:06:45,230 --> 00:06:42,600  
body experiences I didn't know what they

155  
00:06:48,830 --> 00:06:45,240  
were I just thought I could fly and

156  
00:06:50,510 --> 00:06:48,840  
these were not dreams at all and I would

157  
00:06:52,850 --> 00:06:50,520  
try to tell everybody that would listen

158  
00:06:55,010 --> 00:06:52,860  
to me I'm talking three four years old

159  
00:06:57,350 --> 00:06:55,020  
wanting to talk to other people about

160  
00:07:00,050 --> 00:06:57,360  
their flying experiences and that was

161  
00:07:01,909 --> 00:07:00,060  
probably the first time I understood you

162  
00:07:03,770 --> 00:07:01,919  
can't just

163  
00:07:05,090 --> 00:07:03,780

talk openly about anything that happens

164

00:07:07,129 --> 00:07:05,100

to you you know it was like oh well

165

00:07:08,930 --> 00:07:07,139

that's cute I have interesting dreams

166

00:07:10,550 --> 00:07:08,940

too no these aren't dreams and I

167

00:07:13,189 --> 00:07:10,560

remember being angry

168

00:07:15,529 --> 00:07:13,199

I didn't understand why

169

00:07:17,450 --> 00:07:15,539

everybody else wasn't just you know

170

00:07:19,010 --> 00:07:17,460

going yeah I fly too how do you do it do

171

00:07:21,950 --> 00:07:19,020

you use your hands it's all in your head

172

00:07:24,350 --> 00:07:21,960

so I started just internalizing a lot of

173

00:07:25,129 --> 00:07:24,360

these odd experiences I was having as a

174

00:07:25,850 --> 00:07:25,139

kid

175

00:07:27,409 --> 00:07:25,860

um

176

00:07:29,150 --> 00:07:27,419

I don't know that I would call it

177

00:07:31,850 --> 00:07:29,160

sleepwalking but I always woke up in

178

00:07:33,770 --> 00:07:31,860

other parts of the house and just weird

179

00:07:36,529 --> 00:07:33,780

memories of how I got there a lot of

180

00:07:38,870 --> 00:07:36,539

stuff disjointed and so as I got older

181

00:07:40,670 --> 00:07:38,880

plus side note I'm a child of the 70s so

182

00:07:42,529 --> 00:07:40,680

I grew up on Star Wars and Star Trek and

183

00:07:45,469 --> 00:07:42,539

all of that and we whole family was kind

184

00:07:47,570 --> 00:07:45,479

of sci-fi nerdy that way so

185

00:07:49,309 --> 00:07:47,580

um as I got older and really got into

186

00:07:51,589 --> 00:07:49,319

reading books I just found myself always

187

00:07:53,870 --> 00:07:51,599

wanting to I wasn't really so into

188

00:07:55,249 --> 00:07:53,880

fiction at a really young age started

189

00:07:57,050 --> 00:07:55,259

going for anything I could find about

190

00:08:00,230 --> 00:07:57,060

UFOs

191

00:08:02,870 --> 00:08:00,240

um and just started you know it was way

192

00:08:04,370 --> 00:08:02,880

before the internet I'm 52 so you know

193

00:08:05,990 --> 00:08:04,380

it was just go to the library and see

194

00:08:07,969 --> 00:08:06,000

what you can check out or order stuff

195

00:08:09,589 --> 00:08:07,979

out of catalogs then when I was old

196

00:08:11,930 --> 00:08:09,599

enough to start driving I started going

197

00:08:14,510 --> 00:08:11,940

to UFO conferences and it was a pretty

198

00:08:16,010 --> 00:08:14,520

lonely experience to be honest with you

199

00:08:17,450 --> 00:08:16,020

I didn't really know who to talk to

200

00:08:19,969 --> 00:08:17,460

about it

201

00:08:22,189 --> 00:08:19,979

um I was very glad mufon existed you

202

00:08:25,189 --> 00:08:22,199

know yeah someone just has a comment

203

00:08:28,189 --> 00:08:25,199

here you can see Down Below on the mufon

204

00:08:30,770 --> 00:08:28,199

podcast oh I missed there maybe I can

205

00:08:32,329 --> 00:08:30,780

jump on as a guest sometime I got really

206

00:08:34,130 --> 00:08:32,339

busy trying to launch this real estate

207

00:08:35,870 --> 00:08:34,140

career and I'm trying to get my daughter

208

00:08:39,709 --> 00:08:35,880

into college right now it's like my life

209

00:08:41,449 --> 00:08:39,719

just went ah so yeah and so it was just

210

00:08:43,250 --> 00:08:41,459

really tough to do it all but I miss

211

00:08:44,269 --> 00:08:43,260

them and I love them and I'm so glad you

212

00:08:46,130 --> 00:08:44,279

guys are still watching that show

213

00:08:47,750 --> 00:08:46,140

because we need that show it's it's

214

00:08:50,210 --> 00:08:47,760

entertaining and of course they have

215

00:08:52,910 --> 00:08:50,220

amazing guests just like you do Martin

216

00:08:55,250 --> 00:08:52,920

um but yeah so I just I got obsessed

217

00:08:57,829 --> 00:08:55,260

with this topic and and it's never

218

00:08:59,269 --> 00:08:57,839

stopped and I've I slowly I guess

219

00:09:00,949 --> 00:08:59,279

through going to all these UFO

220

00:09:02,630 --> 00:09:00,959

conferences I think the first one I went

221

00:09:05,090 --> 00:09:02,640

to was like all the way out in Laramie

222

00:09:07,070 --> 00:09:05,100

remember Dr Leo sprinkle Leo sprinkle

223

00:09:08,449 --> 00:09:07,080

yeah yeah spent time out there with Leo

224

00:09:11,210 --> 00:09:08,459

and that's where I first met Dolores

225

00:09:13,130 --> 00:09:11,220

Cannon and these people changed my life

226

00:09:15,050 --> 00:09:13,140

reading Whitley strieber's communion

227

00:09:17,329 --> 00:09:15,060

changed my life you know all of a sudden

228

00:09:19,550 --> 00:09:17,339

I was like I'm not the only one that's

229

00:09:22,310 --> 00:09:19,560

seen and felt this weird stuff and I

230

00:09:23,630 --> 00:09:22,320

started just slowly finding my tribe I

231

00:09:25,310 --> 00:09:23,640

guess and that kind of brings us up to

232

00:09:27,470 --> 00:09:25,320

date doing some work with mufon and

233

00:09:29,210 --> 00:09:27,480

getting to co-host the podcast I have my

234

00:09:32,030 --> 00:09:29,220

own podcast for a little while wide open

235

00:09:34,310 --> 00:09:32,040

wonders but again it's a time thing oh

236

00:09:37,009 --> 00:09:34,320

yeah it's such a passion and I don't

237

00:09:39,829 --> 00:09:37,019

have enough hours in the day yeah yeah

238

00:09:42,350 --> 00:09:39,839

you really have a full plate so um I do

239

00:09:44,090 --> 00:09:42,360

it to myself someone is going to ask me

240

00:09:45,949 --> 00:09:44,100

if I don't and I like your cup too what

241

00:09:47,570 --> 00:09:45,959

is that an alien on your cup thank you

242

00:09:49,130 --> 00:09:47,580

yeah it looks kind of backwards I got

243

00:09:52,570 --> 00:09:49,140

this out in Vegas look you can spin the

244

00:09:58,130 --> 00:09:56,090

so have you yourself ever had what you

245

00:10:00,889 --> 00:09:58,140

would consider a UFO sighting

246

00:10:02,389 --> 00:10:00,899

I've never seen like a metallic craft in

247

00:10:04,310 --> 00:10:02,399

the sky I have had a couple weird things

248

00:10:06,290 --> 00:10:04,320

I've seen that I can't explain and now I

249

00:10:08,150 --> 00:10:06,300

see satellites all the time you know I

250

00:10:10,310 --> 00:10:08,160

the first couple ones I was like oh it's

251  
00:10:12,230 --> 00:10:10,320  
a thing and then I realized what I was

252  
00:10:15,050 --> 00:10:12,240  
seeing Angelia share helped a lot with

253  
00:10:16,370 --> 00:10:15,060  
that she was uh I think 2019 mufon

254  
00:10:17,630 --> 00:10:16,380  
investigator of the year she was my

255  
00:10:18,290 --> 00:10:17,640  
mentor

256  
00:10:20,509 --> 00:10:18,300  
um

257  
00:10:22,130 --> 00:10:20,519  
and she really helped me spot the

258  
00:10:25,870 --> 00:10:22,140  
satellites and know the difference I saw

259  
00:10:30,550 --> 00:10:28,790  
I think I thought I brought up another

260  
00:10:33,410 --> 00:10:30,560  
yeah you sent me another picture too

261  
00:10:36,290 --> 00:10:33,420  
she's so wonderful she helped me really

262  
00:10:38,090 --> 00:10:36,300  
start to identify things in the sky and

263  
00:10:40,610 --> 00:10:38,100

um I think the most unusual thing I've

264

00:10:41,630 --> 00:10:40,620

seen and I would love your listeners to

265

00:10:44,030 --> 00:10:41,640

tell me if they've ever seen anything

266

00:10:46,370 --> 00:10:44,040

like this because I I got nothing on

267

00:10:47,990 --> 00:10:46,380

this one I was on an investigation with

268

00:10:50,150 --> 00:10:48,000

Angelia that's out in the countryside

269

00:10:51,530 --> 00:10:50,160

about an hour out in Nashville this guy

270

00:10:53,990 --> 00:10:51,540

had a pool he had seen all kinds of

271

00:10:55,190 --> 00:10:54,000

weird stuff in the sky uh he was at

272

00:10:56,630 --> 00:10:55,200

another part of the property with

273

00:10:58,069 --> 00:10:56,640

somebody else

274

00:11:00,829 --> 00:10:58,079

um they were investigating over there

275

00:11:02,569 --> 00:11:00,839

Angelia and I were by the pool and we

276

00:11:04,310 --> 00:11:02,579

were lying back on those like

277

00:11:06,590 --> 00:11:04,320

anti-gravity chairs so I think she

278

00:11:07,970 --> 00:11:06,600

actually fell asleep next to me it was

279

00:11:09,530 --> 00:11:07,980

just funny I think I think I heard her

280

00:11:12,290 --> 00:11:09,540

snoring at one point it was late at

281

00:11:14,509 --> 00:11:12,300

night and I'm just looking up and I see

282

00:11:16,250 --> 00:11:14,519

right over my head I mean

283

00:11:18,050 --> 00:11:16,260

I'm not very good when I look at the sky

284

00:11:19,370 --> 00:11:18,060

estimate estimating how high something

285

00:11:21,350 --> 00:11:19,380

is I think that's really difficult if

286

00:11:24,110 --> 00:11:21,360

you don't have another object nearby but

287

00:11:25,430 --> 00:11:24,120

I would say kind of like firework height

288

00:11:27,050 --> 00:11:25,440

I mean it's nothing I could have thrown

289

00:11:31,730 --> 00:11:27,060

a ball at it was pretty high but it was

290

00:11:33,530 --> 00:11:31,740

not a planet not you know it looked like

291

00:11:35,329 --> 00:11:33,540

if you took a piece of chalk and broke

292

00:11:37,430 --> 00:11:35,339

it about an inch long and on a

293

00:11:39,470 --> 00:11:37,440

Blackboard use the side of it so not the

294

00:11:42,170 --> 00:11:39,480

sharp side to make a fine line but the

295

00:11:44,389 --> 00:11:42,180

soft side and you just made like this

296

00:11:46,670 --> 00:11:44,399

snaky

297

00:11:49,009 --> 00:11:46,680

um shape and I just watched it start

298

00:11:52,910 --> 00:11:49,019

from nothing and make this shape right

299

00:11:54,470 --> 00:11:52,920

over my head and then just it just faded

300

00:11:57,110 --> 00:11:54,480

out there's no sound there were no

301

00:11:58,670 --> 00:11:57,120

fireworks going on anywhere

302

00:12:01,610 --> 00:11:58,680

have you ever even heard of anything

303

00:12:03,050 --> 00:12:01,620

like that I I keep bringing that hurry

304

00:12:05,329 --> 00:12:03,060

up because I just I'm dying for someone

305

00:12:06,590 --> 00:12:05,339

to go I know exactly what that is it

306

00:12:08,210 --> 00:12:06,600

wouldn't have been any type of weather

307

00:12:10,850 --> 00:12:08,220

phenomenon or anything was that a

308

00:12:12,829 --> 00:12:10,860

perfectly clear sky perfectly clear I

309

00:12:14,630 --> 00:12:12,839

mean no Cloud it was it was an awesome

310

00:12:18,769 --> 00:12:14,640

night for investigating

311

00:12:20,090 --> 00:12:18,779

um I I mean it was just bizarre so um

312

00:12:21,829 --> 00:12:20,100

and I have seen I did see something

313

00:12:24,410 --> 00:12:21,839

actually right over my house that came

314

00:12:25,490 --> 00:12:24,420

over it it was a little bit like a

315

00:12:26,449 --> 00:12:25,500

satellite because you know they're real

316

00:12:28,130 --> 00:12:26,459

bright and then all of a sudden they

317

00:12:29,930 --> 00:12:28,140

seem to go away and that's I think them

318

00:12:33,350 --> 00:12:29,940

just turning and no longer reflecting

319

00:12:36,110 --> 00:12:33,360

the light but this was so low this was

320

00:12:37,730 --> 00:12:36,120

like airplane height planes fly over our

321

00:12:39,530 --> 00:12:37,740

house all the time

322

00:12:41,870 --> 00:12:39,540

um this was like silent and airplane

323

00:12:43,730 --> 00:12:41,880

height this I almost feel like I could

324

00:12:44,990 --> 00:12:43,740

have thrown something at it it was so

325

00:12:46,910 --> 00:12:45,000

look I couldn't have thrown something

326

00:12:49,069 --> 00:12:46,920

out that's an exaggeration but it was

327

00:12:52,129 --> 00:12:49,079

really low not a satellite

328

00:12:54,710 --> 00:12:52,139

um huh I don't know interesting yeah

329

00:12:56,569 --> 00:12:54,720

well and it's it's better not to you

330

00:12:59,090 --> 00:12:56,579

know jump to conclusions you know I mean

331

00:13:00,949 --> 00:12:59,100

yeah you're better off just saying

332

00:13:02,470 --> 00:13:00,959

just the way you are describing just the

333

00:13:05,210 --> 00:13:02,480

way you are

334

00:13:08,389 --> 00:13:05,220

very I've been very careful myself

335

00:13:10,910 --> 00:13:08,399

because I feel like I do this show and I

336

00:13:12,650 --> 00:13:10,920

have to be careful and like when I I

337

00:13:16,430 --> 00:13:12,660

thought I saw something and I sent it

338

00:13:18,650 --> 00:13:16,440

right to Mark d'antonio and uh he said

339

00:13:20,389 --> 00:13:18,660

well if you know the old saying it walks

340

00:13:22,610 --> 00:13:20,399

like a doctor that talks like a duck

341

00:13:26,030 --> 00:13:22,620

ball he said it walks like a you know a

342

00:13:27,769 --> 00:13:26,040

drone so most likely a drone but I

343

00:13:30,530 --> 00:13:27,779

couldn't you know I chased I chased it

344

00:13:32,750 --> 00:13:30,540

down where it it it appeared to have

345

00:13:34,370 --> 00:13:32,760

landed and there were you know it didn't

346

00:13:35,389 --> 00:13:34,380

look like there was anyone around but I

347

00:13:37,970 --> 00:13:35,399

don't know

348

00:13:40,310 --> 00:13:37,980

um but I'd rather say it was probably a

349

00:13:42,470 --> 00:13:40,320

drone and leave it at that because I

350

00:13:44,449 --> 00:13:42,480

feel like um you know because I do the

351  
00:13:47,090 --> 00:13:44,459  
show and I just happen to have something

352  
00:13:48,410 --> 00:13:47,100  
unusual happen I'm I'm not going I'm

353  
00:13:50,690 --> 00:13:48,420  
going to be real careful is what I'm

354  
00:13:52,430 --> 00:13:50,700  
saying yeah well when I was interviewing

355  
00:13:54,710 --> 00:13:52,440  
Jim peniston

356  
00:13:56,329 --> 00:13:54,720  
years ago you know I just said it's got

357  
00:13:59,030 --> 00:13:56,339  
to be tempting sometimes to want to fill

358  
00:14:01,670 --> 00:13:59,040  
in those gaps in your stories don't do

359  
00:14:04,009 --> 00:14:01,680  
it it's like stick to the facts and and

360  
00:14:06,590 --> 00:14:04,019  
I really believe in that so I don't know

361  
00:14:08,329 --> 00:14:06,600  
what I saw well you know that story now

362  
00:14:10,069 --> 00:14:08,339  
that you're bringing up randallshin boy

363  
00:14:12,050 --> 00:14:10,079

I'll tell you what that's that's such a

364

00:14:13,250 --> 00:14:12,060  
convoluted thing with all all the

365

00:14:16,370 --> 00:14:13,260  
different weird things that have

366

00:14:18,530 --> 00:14:16,380  
happened and the the intra fighting you

367

00:14:19,850 --> 00:14:18,540  
know between everyone not that they're

368

00:14:23,030 --> 00:14:19,860  
really finding that there has been a lot

369

00:14:25,610 --> 00:14:23,040  
of turmoil of Through The Years on the

370

00:14:27,769 --> 00:14:25,620  
with the witnesses and things well can I

371

00:14:29,870 --> 00:14:27,779  
oh sorry were you done yeah I'm done

372

00:14:30,889 --> 00:14:29,880  
yeah I get excited and I'm like oh can I

373

00:14:32,030 --> 00:14:30,899  
jump in

374

00:14:36,650 --> 00:14:32,040  
um

375

00:14:39,949 --> 00:14:36,660  
perception is everything so you can have

376

00:14:41,689 --> 00:14:39,959

the same three four people involved in

377

00:14:43,610 --> 00:14:41,699

an experience in a sighting and

378

00:14:45,050 --> 00:14:43,620

abduction even they're not going to come

379

00:14:46,850 --> 00:14:45,060

away with the same feelings and the

380

00:14:48,889 --> 00:14:46,860

exact same story it's great exactly

381

00:14:51,230 --> 00:14:48,899

perfectly corroborate each other but

382

00:14:52,670 --> 00:14:51,240

then things get weird that's just part

383

00:14:54,290 --> 00:14:52,680

of this phenomenon is one of the most

384

00:14:57,769 --> 00:14:54,300

frustrating parts of it because we all

385

00:15:00,290 --> 00:14:57,779

want hard data but people don't act

386

00:15:01,610 --> 00:15:00,300

normal in the middle of these weird

387

00:15:04,009 --> 00:15:01,620

encounters I mean how many times have

388

00:15:05,569 --> 00:15:04,019

you talked to you know an experiercer

389

00:15:08,210 --> 00:15:05,579

and they're like and then the weirdest

390

00:15:10,310 --> 00:15:08,220

thing happened I came in and my dog was

391

00:15:12,110 --> 00:15:10,320

like on stun it should have been barking

392

00:15:13,670 --> 00:15:12,120

then I went upstairs and my mother was

393

00:15:15,710 --> 00:15:13,680

just sitting there staring at the TV

394

00:15:17,750 --> 00:15:15,720

like hours had passed and she didn't

395

00:15:20,150 --> 00:15:17,760

know everybody acted weird then we all

396

00:15:21,710 --> 00:15:20,160

just fell asleep like and yet this

397

00:15:24,590 --> 00:15:21,720

totally bizarre thing just took place

398

00:15:26,930 --> 00:15:24,600

and everybody's acting weird so I

399

00:15:28,189 --> 00:15:26,940

I bring that up to say it's it's one of

400

00:15:29,449 --> 00:15:28,199

the frustrating things about this

401  
00:15:31,790 --> 00:15:29,459  
phenomenon is when people start

402  
00:15:34,189 --> 00:15:31,800  
attacking each other because

403  
00:15:37,009 --> 00:15:34,199  
um and I I even like to talk about like

404  
00:15:38,329 --> 00:15:37,019  
experience or shaming you know well that

405  
00:15:39,650 --> 00:15:38,339  
happened to you it was negative just

406  
00:15:41,870 --> 00:15:39,660  
because you have a negative attitude

407  
00:15:42,829 --> 00:15:41,880  
about aliens or you know that's just

408  
00:15:45,590 --> 00:15:42,839  
what you thought was going to happen

409  
00:15:47,210 --> 00:15:45,600  
that let's not shame each other I was

410  
00:15:49,490 --> 00:15:47,220  
not there when you had an experience you

411  
00:15:51,230 --> 00:15:49,500  
were not in my bedroom at 3am when that

412  
00:15:53,329 --> 00:15:51,240  
happened I've had good and bad

413  
00:15:53,990 --> 00:15:53,339

experiences we can talk about that you

414

00:15:58,250 --> 00:15:54,000

know

415

00:15:59,990 --> 00:15:58,260

so I just I think we need to not turn on

416

00:16:01,550 --> 00:16:00,000

each other just keep putting the data

417

00:16:03,350 --> 00:16:01,560

out there keep talking about the facts

418

00:16:05,810 --> 00:16:03,360

don't try to fill in the gaps too much

419

00:16:07,970 --> 00:16:05,820

as frustrating as that can be for even a

420

00:16:09,650 --> 00:16:07,980

listener on a show like this

421

00:16:10,850 --> 00:16:09,660

um I agree with you 100 just put the

422

00:16:12,710 --> 00:16:10,860

facts out there

423

00:16:14,750 --> 00:16:12,720

you know it's really something that what

424

00:16:17,389 --> 00:16:14,760

you just touched on right there is and

425

00:16:19,790 --> 00:16:17,399

I've heard it countless times is that

426

00:16:21,470 --> 00:16:19,800

two people are observing the same thing

427

00:16:24,110 --> 00:16:21,480

and

428

00:16:25,790 --> 00:16:24,120

um I've even had people say that

429

00:16:27,829 --> 00:16:25,800

there was someone like right beside them

430

00:16:29,509 --> 00:16:27,839

that didn't even see it and they were

431

00:16:31,670 --> 00:16:29,519

like staring at it it was like right

432

00:16:33,470 --> 00:16:31,680

there I mean that's when you go to the

433

00:16:35,210 --> 00:16:33,480

part where maybe they are manifesting it

434

00:16:37,370 --> 00:16:35,220

in their minds somewhere somewhat or

435

00:16:39,829 --> 00:16:37,380

whatever but but I mean they'll have

436

00:16:42,829 --> 00:16:39,839

different experiences or they'll both

437

00:16:44,569 --> 00:16:42,839

have this amazing encounter and then

438

00:16:47,050 --> 00:16:44,579

they said yeah but we didn't talk about

439

00:16:49,129 --> 00:16:47,060

it that we never talked about it again

440

00:16:52,430 --> 00:16:49,139

and it's like

441

00:16:54,829 --> 00:16:52,440

I mean it's just it does the things that

442

00:16:56,870 --> 00:16:54,839

don't make any sense almost you know I

443

00:16:58,670 --> 00:16:56,880

mean yes it seems to happen a lot

444

00:17:00,829 --> 00:16:58,680

there's so much that doesn't make sense

445

00:17:02,749 --> 00:17:00,839

and it's frustrating but

446

00:17:04,610 --> 00:17:02,759

that frustration can turn into everybody

447

00:17:06,049 --> 00:17:04,620

attacking each other and and that's what

448

00:17:07,730 --> 00:17:06,059

we shouldn't do I think everybody just

449

00:17:10,549 --> 00:17:07,740

needs to keep you know

450

00:17:12,350 --> 00:17:10,559

putting the facts out there don't attack

451

00:17:14,750 --> 00:17:12,360

yeah because it is weird there's no

452

00:17:17,870 --> 00:17:14,760

explanation sometimes for somebody's

453

00:17:20,210 --> 00:17:17,880

behavior and is that manipulation

454

00:17:22,730 --> 00:17:20,220

from whatever these beings are that

455

00:17:24,289 --> 00:17:22,740

we're you know interacting with are they

456

00:17:25,490 --> 00:17:24,299

doing that to us on purpose or is it

457

00:17:27,110 --> 00:17:25,500

something within ourselves we're

458

00:17:29,690 --> 00:17:27,120

protecting ourselves is there a level of

459

00:17:32,990 --> 00:17:29,700

shock that is just making us act weird

460

00:17:36,350 --> 00:17:33,000

all of the above yeah yeah

461

00:17:38,690 --> 00:17:36,360

yeah I know it's a I think as as I've

462

00:17:40,130 --> 00:17:38,700

gone along in this whole thing I it

463

00:17:41,330 --> 00:17:40,140

seems like there's just more and more

464

00:17:45,169 --> 00:17:41,340

questions

465

00:17:47,090 --> 00:17:45,179

you know and and less less answers and

466

00:17:48,650 --> 00:17:47,100

one of the things that comes up and I

467

00:17:50,270 --> 00:17:48,660

see you you know you send me into some

468

00:17:53,510 --> 00:17:50,280

notes of things that you have interest

469

00:17:57,049 --> 00:17:53,520

in and one of the things you you talk

470

00:17:58,970 --> 00:17:57,059

about is about time and there is a time

471

00:18:01,190 --> 00:17:58,980

element to this and that's come up

472

00:18:02,330 --> 00:18:01,200

lately on my show a couple of a couple

473

00:18:03,890 --> 00:18:02,340

of times

474

00:18:05,450 --> 00:18:03,900

um but

475

00:18:07,490 --> 00:18:05,460

um you know there's some type of uh

476

00:18:10,669 --> 00:18:07,500

there's a time thing in this whole thing

477

00:18:12,289 --> 00:18:10,679

and time dilation or time whatever it is

478

00:18:13,970 --> 00:18:12,299

um and maybe that has to do with the way

479

00:18:17,029 --> 00:18:13,980

they get here wherever they're coming

480

00:18:18,289 --> 00:18:17,039

from I don't know I think so yeah I

481

00:18:19,909 --> 00:18:18,299

think I want to say Whitley strieber

482

00:18:21,710 --> 00:18:19,919

might be the first person that put it

483

00:18:24,230 --> 00:18:21,720

into my head that time travel could be

484

00:18:26,090 --> 00:18:24,240

involved that they could even be us from

485

00:18:27,830 --> 00:18:26,100

the future coming back

486

00:18:29,930 --> 00:18:27,840

um and then I I've always thought about

487

00:18:31,010 --> 00:18:29,940

that but didn't really have anything to

488

00:18:34,669 --> 00:18:31,020

add to it and then reading Michael

489

00:18:37,490 --> 00:18:34,679

Masters books identified flying objects

490

00:18:39,289 --> 00:18:37,500

I think is the name of it I loved it you

491

00:18:41,690 --> 00:18:39,299

know just mixing all this science and

492

00:18:44,390 --> 00:18:41,700

anthropology and it makes a lot of sense

493

00:18:46,490 --> 00:18:44,400

uh but I don't think it's the only

494

00:18:48,409 --> 00:18:46,500

answer and I think that's another thing

495

00:18:50,330 --> 00:18:48,419

that we all have to keep in mind is just

496

00:18:52,549 --> 00:18:50,340

be patient and go even if we get the

497

00:18:54,409 --> 00:18:52,559

answer for one being that could be

498

00:18:55,789 --> 00:18:54,419

visiting us I still don't think visiting

499

00:18:57,289 --> 00:18:55,799

us I still don't think it's the whole

500

00:19:00,470 --> 00:18:57,299

picture I mean look how many different

501  
00:19:02,390 --> 00:19:00,480  
species of animals and how different all

502  
00:19:03,950 --> 00:19:02,400  
those humans are on earth I mean I just

503  
00:19:05,750 --> 00:19:03,960  
don't I look up at the sky and I'm like

504  
00:19:08,570 --> 00:19:05,760  
it's just not one thing visiting us and

505  
00:19:11,090 --> 00:19:08,580  
if if one kind of being has made it here

506  
00:19:12,529 --> 00:19:11,100  
why haven't many and the whole time

507  
00:19:15,049 --> 00:19:12,539  
travel thing

508  
00:19:16,970 --> 00:19:15,059  
I mean look at where we're headed I I

509  
00:19:19,130 --> 00:19:16,980  
always try to be positive but I mean I

510  
00:19:20,510 --> 00:19:19,140  
could see God I don't know 100 000 years

511  
00:19:22,970 --> 00:19:20,520  
in the future we might all be living

512  
00:19:25,730 --> 00:19:22,980  
underground everything might be I mean

513  
00:19:26,930 --> 00:19:25,740

the whole AI you know merging with AI I

514

00:19:29,630 --> 00:19:26,940

don't even know if that's too far away

515

00:19:31,310 --> 00:19:29,640

which there's some good aspects of that

516

00:19:34,010 --> 00:19:31,320

and a lot of terrifying aspects

517

00:19:36,409 --> 00:19:34,020

obviously yeah I'm more terrified by

518

00:19:39,830 --> 00:19:36,419

that and you know they're even saying

519

00:19:42,890 --> 00:19:39,840

that this new uh chat gbt whatever the

520

00:19:45,830 --> 00:19:42,900

heck it's called Uh May eliminate uh

521

00:19:47,150 --> 00:19:45,840

tens of thousands of jobs you know just

522

00:19:50,570 --> 00:19:47,160

instantly

523

00:19:52,789 --> 00:19:50,580

well yeah it's not a huge stretch to

524

00:19:54,529 --> 00:19:52,799

picture a reality you know

525

00:19:56,810 --> 00:19:54,539

um again hopefully in the far distant

526

00:19:58,190 --> 00:19:56,820

future where the outside elements are

527

00:20:00,409 --> 00:19:58,200

just too harsh we've either gone off

528

00:20:02,690 --> 00:20:00,419

planet or we figured out how to separate

529

00:20:04,789 --> 00:20:02,700

from our bodies or we are in some sort

530

00:20:07,250 --> 00:20:04,799

of Matrix kind of system that's our

531

00:20:08,990 --> 00:20:07,260

survival and I always say I always ask

532

00:20:11,630 --> 00:20:09,000

people do you think time travel will

533

00:20:13,490 --> 00:20:11,640

ever happen and most people go well yeah

534

00:20:16,370 --> 00:20:13,500

eventually and I'm like well then it's

535

00:20:18,350 --> 00:20:16,380

already here yeah that's right so I mean

536

00:20:20,510 --> 00:20:18,360

if you say something like that when I

537

00:20:22,010 --> 00:20:20,520

was a kid I used to say like the time

538

00:20:26,590 --> 00:20:22,020

travel will never happen because we

539

00:20:31,130 --> 00:20:26,600

don't see anyone but maybe we are yeah

540

00:20:33,110 --> 00:20:31,140

there you go yeah so I do think it'll

541

00:20:35,870 --> 00:20:33,120

happen eventually and if

542

00:20:37,430 --> 00:20:35,880

if it ever happens then it is happening

543

00:20:39,770 --> 00:20:37,440

and there's no reason why we might not

544

00:20:42,610 --> 00:20:39,780

go back into our own timeline for any

545

00:20:46,430 --> 00:20:42,620

number of things genetics samples

546

00:20:48,590 --> 00:20:46,440

whatever we need or just to observe who

547

00:20:50,570 --> 00:20:48,600

knows so I think it just makes sense on

548

00:20:52,970 --> 00:20:50,580

so many levels but I think it's only a

549

00:20:55,190 --> 00:20:52,980

small part of the story

550

00:20:56,990 --> 00:20:55,200

right right can I tell you something

551  
00:20:58,970 --> 00:20:57,000  
else interesting on time

552  
00:21:01,130 --> 00:20:58,980  
what's that I have another interesting

553  
00:21:03,289 --> 00:21:01,140  
time story if you're oh yes I'd love to

554  
00:21:05,150 --> 00:21:03,299  
hear it yeah it's really quick

555  
00:21:07,789 --> 00:21:05,160  
um well make it as quick as I can that's

556  
00:21:09,830 --> 00:21:07,799  
hard for me but uh Monroe Institute

557  
00:21:12,169 --> 00:21:09,840  
where I've been studying meditation for

558  
00:21:14,029 --> 00:21:12,179  
a few years highly recommend them

559  
00:21:15,830 --> 00:21:14,039  
for anyone that's interested in hardcore

560  
00:21:17,510 --> 00:21:15,840  
meditation it's great

561  
00:21:20,690 --> 00:21:17,520  
um I had a really interesting meditation

562  
00:21:23,390 --> 00:21:20,700  
there where I was told by one of my

563  
00:21:24,830 --> 00:21:23,400

guides we were in a it's called Focus 15

564

00:21:26,390 --> 00:21:24,840

where they say that's like the level of

565

00:21:28,310 --> 00:21:26,400

no time if you've been to Monroe you

566

00:21:29,210 --> 00:21:28,320

know exactly what I'm talking about this

567

00:21:30,710 --> 00:21:29,220

guide

568

00:21:32,270 --> 00:21:30,720

we were talking about time they say you

569

00:21:34,430 --> 00:21:32,280

can always come here and experience no

570

00:21:37,430 --> 00:21:34,440

time if you need to I said well I know

571

00:21:39,350 --> 00:21:37,440

time is just it's this human construct I

572

00:21:42,350 --> 00:21:39,360

know it's not real and they were like uh

573

00:21:43,669 --> 00:21:42,360

it is real I was like what because I

574

00:21:44,990 --> 00:21:43,679

thought I was so smart you know first of

575

00:21:46,310 --> 00:21:45,000

all I'm thinking is this really my

576

00:21:48,289 --> 00:21:46,320

meditation because I should be in

577

00:21:51,950 --> 00:21:48,299

control I have the thought that time is

578

00:21:53,570 --> 00:21:51,960

not real but I was quickly corrected and

579

00:21:55,549 --> 00:21:53,580

they said on Earth

580

00:21:58,190 --> 00:21:55,559

time is real because without it you

581

00:22:00,649 --> 00:21:58,200

humans will not get your work done

582

00:22:02,870 --> 00:22:00,659

but yes in a way time doesn't exist in

583

00:22:04,430 --> 00:22:02,880

these other areas but in your human form

584

00:22:06,169 --> 00:22:04,440

on Earth

585

00:22:08,210 --> 00:22:06,179

basically time is a real thing because

586

00:22:09,770 --> 00:22:08,220

you need it and I was like wow that's

587

00:22:11,690 --> 00:22:09,780

really interesting so

588

00:22:13,430 --> 00:22:11,700

I don't know if that makes sense but I

589

00:22:15,409 --> 00:22:13,440

always like to share that little story I

590

00:22:17,330 --> 00:22:15,419

came out of that like maybe this

591

00:22:19,250 --> 00:22:17,340

meditation thing is real because that is

592

00:22:21,230 --> 00:22:19,260

that was not my thought

593

00:22:25,490 --> 00:22:21,240

yeah

594

00:22:28,970 --> 00:22:25,500

time

595

00:22:32,149 --> 00:22:28,980

can't change that yeah yeah

596

00:22:33,710 --> 00:22:32,159

um so another thing you know uh you

597

00:22:36,169 --> 00:22:33,720

mentioned that you think that disclosure

598

00:22:37,789 --> 00:22:36,179

is already here I mean I you're not the

599

00:22:40,010 --> 00:22:37,799

only one to say that that's been on this

600

00:22:43,850 --> 00:22:40,020

show a lot of people say you know we've

601  
00:22:45,890 --> 00:22:43,860  
had this slow moving disclosure over the

602  
00:22:48,950 --> 00:22:45,900  
years and I really uh you know that that

603  
00:22:50,750 --> 00:22:48,960  
part of it where people uh think that it

604  
00:22:52,610 --> 00:22:50,760  
would be so hard to come to grips with I

605  
00:22:55,070 --> 00:22:52,620  
don't think that I don't think that's

606  
00:22:57,590 --> 00:22:55,080  
going to be the case these days because

607  
00:22:59,630 --> 00:22:57,600  
of whatever we've had

608  
00:23:01,250 --> 00:22:59,640  
um whatever it's been I think that we

609  
00:23:03,350 --> 00:23:01,260  
have been gradually

610  
00:23:07,250 --> 00:23:03,360  
you know um

611  
00:23:09,350 --> 00:23:07,260  
primed yeah that's the word to uh to

612  
00:23:11,210 --> 00:23:09,360  
accepting it and I don't think it's

613  
00:23:14,510 --> 00:23:11,220

going to change a lot if if we do find

614

00:23:17,390 --> 00:23:14,520

out unless unless there's problems

615

00:23:20,090 --> 00:23:17,400

like it depends what we find out I would

616

00:23:22,250 --> 00:23:20,100

say in general Humanity has just totally

617

00:23:23,390 --> 00:23:22,260

aced the test of okay there's things in

618

00:23:25,970 --> 00:23:23,400

our atmosphere we don't totally know

619

00:23:27,409 --> 00:23:25,980

what they are yeah we're also distracted

620

00:23:29,630 --> 00:23:27,419

by everything else

621

00:23:31,669 --> 00:23:29,640

um you know conspiracies aside you know

622

00:23:34,070 --> 00:23:31,679

what's planned what isn't you know plan

623

00:23:35,630 --> 00:23:34,080

distractions versus natural stuff

624

00:23:37,549 --> 00:23:35,640

um we are pretty distracted and we're

625

00:23:39,350 --> 00:23:37,559

all just on our phones and

626

00:23:40,610 --> 00:23:39,360

um it's we're finally at a point where

627

00:23:42,350 --> 00:23:40,620

it's not that big a deal to say you've

628

00:23:43,789 --> 00:23:42,360

seen something in the sky you know

629

00:23:45,350 --> 00:23:43,799

nobody's going to lock you up for that

630

00:23:46,850 --> 00:23:45,360

anymore it's gonna be like cool you got

631

00:23:49,010 --> 00:23:46,860

some video you know you can go to work

632

00:23:51,049 --> 00:23:49,020

and talk about that and you might only

633

00:23:53,510 --> 00:23:51,059

get a couple tinfoil joke hats at this

634

00:23:54,409 --> 00:23:53,520

point so we've come a long way in that

635

00:23:56,630 --> 00:23:54,419

area

636

00:23:58,190 --> 00:23:56,640

um now did you actually start talking

637

00:24:01,310 --> 00:23:58,200

about

638

00:24:04,190 --> 00:24:01,320

your interests in UFOs for several years

639

00:24:08,510 --> 00:24:04,200

or is that has it been lately since say

640

00:24:10,970 --> 00:24:08,520

2017 the New York Times article came out

641

00:24:14,870 --> 00:24:10,980

people seem more relaxed about it since

642

00:24:18,529 --> 00:24:14,880

that time no I I came pretty far out of

643

00:24:20,090 --> 00:24:18,539

my UFO closet many many years ago um but

644

00:24:22,010 --> 00:24:20,100

I didn't have a podcast or anything like

645

00:24:23,870 --> 00:24:22,020

that but I started talking about it at

646

00:24:27,049 --> 00:24:23,880

work I mean like I I was kind of known

647

00:24:28,789 --> 00:24:27,059

as the UFO girl jokingly you know

648

00:24:30,409 --> 00:24:28,799

the last couple decades with all my

649

00:24:32,029 --> 00:24:30,419

co-workers all my friends I mean people

650

00:24:33,049 --> 00:24:32,039

have known me my whole life are like oh

651  
00:24:35,510 --> 00:24:33,059  
God you were talking about that when

652  
00:24:37,430 --> 00:24:35,520  
you're a kid so I I I got I would say

653  
00:24:39,289 --> 00:24:37,440  
not a kid but like in my teenage years I

654  
00:24:40,970 --> 00:24:39,299  
started really opening up a lot more

655  
00:24:42,529 --> 00:24:40,980  
about that in my 20s by the time I got

656  
00:24:45,529 --> 00:24:42,539  
to my 20s I would talk to anyone about

657  
00:24:47,510 --> 00:24:45,539  
it I went on a date once it was a set up

658  
00:24:49,010 --> 00:24:47,520  
what do you call it a blind date

659  
00:24:50,750 --> 00:24:49,020  
a friend of mine wanted me to go out

660  
00:24:54,110 --> 00:24:50,760  
with this guy and we're all sitting

661  
00:24:56,750 --> 00:24:54,120  
around at dinner I was God uh maybe 20

662  
00:24:58,310 --> 00:24:56,760  
21 something like that and you started

663  
00:25:00,710 --> 00:24:58,320

talking about UFOs and he apparently

664

00:25:02,029 --> 00:25:00,720

quickly lost interest and told his

665

00:25:03,590 --> 00:25:02,039

friend afterwards like well I was kind

666

00:25:05,090 --> 00:25:03,600

of digging her until she started talking

667

00:25:06,710 --> 00:25:05,100

about UFOs my friend was trying to

668

00:25:09,710 --> 00:25:06,720

explain to me you can't just do that and

669

00:25:12,110 --> 00:25:09,720

I was like oh yes I can because that's a

670

00:25:13,669 --> 00:25:12,120

repellent for me if I can't immediately

671

00:25:15,409 --> 00:25:13,679

get into that topic and somebody hang

672

00:25:17,510 --> 00:25:15,419

with me I don't even need to go on a

673

00:25:19,430 --> 00:25:17,520

second date with him so so no I was

674

00:25:20,149 --> 00:25:19,440

always pretty open about that stuff

675

00:25:24,529 --> 00:25:20,159

um

676

00:25:26,269 --> 00:25:24,539

but I think I really think of you know

677

00:25:28,070 --> 00:25:26,279

we ever see a president in the White

678

00:25:30,169 --> 00:25:28,080

House saying like they're landing on the

679

00:25:31,730 --> 00:25:30,179

lawn you know people are probably going

680

00:25:33,230 --> 00:25:31,740

to completely flip out but basically

681

00:25:34,549 --> 00:25:33,240

we've known now for many years our

682

00:25:37,909 --> 00:25:34,559

government has admitted they never

683

00:25:41,029 --> 00:25:37,919

really stopped studying it and

684

00:25:42,710 --> 00:25:41,039

you know it's of great interest to them

685

00:25:44,450 --> 00:25:42,720

and they don't know everything that's

686

00:25:46,789 --> 00:25:44,460

flying around and US humans are handling

687

00:25:48,169 --> 00:25:46,799

it just fine so I feel like in a lot of

688

00:25:49,370 --> 00:25:48,179

ways we've had disclosure it's not

689

00:25:50,570 --> 00:25:49,380

exactly what I thought it would look

690

00:25:52,730 --> 00:25:50,580

like

691

00:25:54,710 --> 00:25:52,740

um but I'll bring this up too I'd love

692

00:25:56,510 --> 00:25:54,720

your thoughts on this or your viewers

693

00:25:58,570 --> 00:25:56,520

thoughts

694

00:26:01,190 --> 00:25:58,580

and that is just

695

00:26:02,810 --> 00:26:01,200

sorry I'm starting to lose my voice and

696

00:26:04,669 --> 00:26:02,820

I lost my train of thought

697

00:26:05,690 --> 00:26:04,679

um oh aren't you gonna be sane later

698

00:26:08,330 --> 00:26:05,700

tonight

699

00:26:09,470 --> 00:26:08,340

no no I don't have to where was I going

700

00:26:11,750 --> 00:26:09,480

with that thought oh I hate it when that

701  
00:26:12,590 --> 00:26:11,760  
happens I just squirreled on myself

702  
00:26:14,990 --> 00:26:12,600  
um

703  
00:26:16,370 --> 00:26:15,000  
I wanted your thoughts on oh it'll come

704  
00:26:19,390 --> 00:26:16,380  
back to me I hate it when that happens

705  
00:26:23,090 --> 00:26:19,400  
yeah let's go on I'll come back

706  
00:26:25,130 --> 00:26:23,100  
of doing a live show

707  
00:26:26,450 --> 00:26:25,140  
this is when these things happen

708  
00:26:29,390 --> 00:26:26,460  
um

709  
00:26:31,730 --> 00:26:29,400  
yeah so you're welcome to uh post the

710  
00:26:34,130 --> 00:26:31,740  
people in the chat room you can post uh

711  
00:26:37,250 --> 00:26:34,140  
you can post your me your questions if

712  
00:26:38,990 --> 00:26:37,260  
you would like to just put them in caps

713  
00:26:40,789 --> 00:26:39,000

um you know someone wanted to know this

714

00:26:42,710 --> 00:26:40,799

question here

715

00:26:44,810 --> 00:26:42,720

um do you still

716

00:26:46,250 --> 00:26:44,820

do you feel still feel as though you can

717

00:26:47,210 --> 00:26:46,260

do this

718

00:26:50,930 --> 00:26:47,220

um

719

00:26:52,789 --> 00:26:50,940

Obe and how far can I go no so that's a

720

00:26:54,169 --> 00:26:52,799

great topic to come back to I'm trying

721

00:26:57,230 --> 00:26:54,179

really hard

722

00:26:58,310 --> 00:26:57,240

um to get back to it so when I was nine

723

00:27:01,010 --> 00:26:58,320

years old

724

00:27:02,990 --> 00:27:01,020

I was alone in the house my mother had

725

00:27:04,789 --> 00:27:03,000

gone out I used to play like I was sick

726

00:27:06,890 --> 00:27:04,799

all the time because I hated going to

727

00:27:08,390 --> 00:27:06,900

school I hated going to school so I

728

00:27:09,830 --> 00:27:08,400

always wanted to be home and I remember

729

00:27:11,510 --> 00:27:09,840

one day in the middle of the afternoon I

730

00:27:12,710 --> 00:27:11,520

was laying in her bed because that's

731

00:27:14,450 --> 00:27:12,720

another weird thing I could never sleep

732

00:27:16,250 --> 00:27:14,460

in my own bed that was a whole other

733

00:27:16,970 --> 00:27:16,260

weird thing

734

00:27:21,130 --> 00:27:16,980

um

735

00:27:24,130 --> 00:27:21,140

and I remember looking at her curtains

736

00:27:26,390 --> 00:27:24,140

they started looking watery like

737

00:27:28,610 --> 00:27:26,400

shimmering like kind of like a mirage

738

00:27:29,930 --> 00:27:28,620

and the feeling came over me again that

739

00:27:31,490 --> 00:27:29,940

I was going to go out of body and it

740

00:27:34,130 --> 00:27:31,500

must have been a little while at that

741

00:27:36,409 --> 00:27:34,140

point since I remember doing it and I

742

00:27:38,090 --> 00:27:36,419

panicked and I remember just kind of

743

00:27:40,250 --> 00:27:38,100

throwing a fit and saying I'm not going

744

00:27:42,169 --> 00:27:40,260

I'm not doing this I'm not doing this

745

00:27:44,149 --> 00:27:42,179

anymore and I just was like no no no no

746

00:27:45,470 --> 00:27:44,159

no no and then it stopped and the

747

00:27:48,289 --> 00:27:45,480

curtains were still again and everything

748

00:27:50,570 --> 00:27:48,299

was really quiet and I was like

749

00:27:53,570 --> 00:27:50,580

I'm in control this is amazing I don't

750

00:27:55,909 --> 00:27:53,580

have to do this because at some point I

751  
00:27:57,470 --> 00:27:55,919  
think it became a scary experience for

752  
00:27:58,909 --> 00:27:57,480  
me it wasn't just flying through the

753  
00:28:01,010 --> 00:27:58,919  
house there's something attached to it

754  
00:28:02,330 --> 00:28:01,020  
that I don't know I'm not going to lie

755  
00:28:03,590 --> 00:28:02,340  
and even try to tell you that I've

756  
00:28:05,630 --> 00:28:03,600  
figured it out at some point I should

757  
00:28:07,909 --> 00:28:05,640  
probably do some regression and you know

758  
00:28:10,610 --> 00:28:07,919  
my guess is I have very broken memories

759  
00:28:14,269 --> 00:28:10,620  
and at some point it became a very scary

760  
00:28:15,830 --> 00:28:14,279  
thing for me so I shut it down and

761  
00:28:16,909 --> 00:28:15,840  
and there's been a few times over the

762  
00:28:18,529 --> 00:28:16,919  
years when I've started to get that

763  
00:28:21,529 --> 00:28:18,539

weird feeling again and I just shut it

764

00:28:24,769 --> 00:28:21,539

down when I was at Monroe and I did not

765

00:28:26,090 --> 00:28:24,779

go to Monroe Institute to practice Obe a

766

00:28:28,310 --> 00:28:26,100

lot of people go there trying to achieve

767

00:28:31,250 --> 00:28:28,320

that that's not what I was there for

768

00:28:32,990 --> 00:28:31,260

um but one night and I was just I think

769

00:28:35,810 --> 00:28:33,000

drifting off to sleep I may have even

770

00:28:37,669 --> 00:28:35,820

been asleep for just a minute and next

771

00:28:40,610 --> 00:28:37,679

thing I know I was I was

772

00:28:42,230 --> 00:28:40,620

I guess out of body I was looking down

773

00:28:44,210 --> 00:28:42,240

if you've ever been there's

774

00:28:45,830 --> 00:28:44,220

um kind of like a Lobby hang area and

775

00:28:47,870 --> 00:28:45,840

and there's like an open Landing you can

776

00:28:49,490 --> 00:28:47,880

look down on it and I was looking down

777

00:28:51,230 --> 00:28:49,500

at everybody around the table talking

778

00:28:52,549 --> 00:28:51,240

that hadn't gone to bed yet and all of a

779

00:28:54,110 --> 00:28:52,559

sudden the image went black and white

780

00:28:55,789 --> 00:28:54,120

and it was almost like I was a security

781

00:28:57,830 --> 00:28:55,799

camera looking down on this and I

782

00:29:00,590 --> 00:28:57,840

remember thinking this isn't a dream and

783

00:29:03,830 --> 00:29:00,600

I've I thought I felt kind of funny and

784

00:29:05,930 --> 00:29:03,840

then in real life I started shaking like

785

00:29:07,909 --> 00:29:05,940

like you know when you go to Like Home

786

00:29:09,289 --> 00:29:07,919

Depot and you get paint mix and they put

787

00:29:12,710 --> 00:29:09,299

them in those shakers and it's just like

788

00:29:14,870 --> 00:29:12,720

yeah crazy I've from head to toe I could

789

00:29:15,830 --> 00:29:14,880

not I'm not going to try to show you

790

00:29:17,870 --> 00:29:15,840

what it looked like because I'd look

791

00:29:20,149 --> 00:29:17,880

like a crazy person I couldn't repeat it

792

00:29:23,330 --> 00:29:20,159

if I tried my body was shaking in a way

793

00:29:24,769 --> 00:29:23,340

that made no sense and it scared me to

794

00:29:26,750 --> 00:29:24,779

death and I shot up out of the bed and I

795

00:29:29,690 --> 00:29:26,760

was like what's going on

796

00:29:32,630 --> 00:29:29,700

but since then I did have one other

797

00:29:34,850 --> 00:29:32,640

experience when I came back maybe about

798

00:29:36,710 --> 00:29:34,860

a year after that experience where I got

799

00:29:38,870 --> 00:29:36,720

it all the way up walked in but this is

800

00:29:41,389 --> 00:29:38,880

interesting I floated down through my

801  
00:29:44,450 --> 00:29:41,399  
mattress not up I always thought of Obe

802  
00:29:47,510 --> 00:29:44,460  
as kind of floating up and flying

803  
00:29:49,250 --> 00:29:47,520  
I very slowly went through my mattress

804  
00:29:51,110 --> 00:29:49,260  
which makes no sense but I'm just

805  
00:29:53,330 --> 00:29:51,120  
telling you what happened and I was like

806  
00:29:55,850 --> 00:29:53,340  
this is not a dream I'm 100 awake and I

807  
00:29:57,590 --> 00:29:55,860  
remember thinking Don't Panic this time

808  
00:29:58,789 --> 00:29:57,600  
one of the things I teach you at Monroe

809  
00:30:01,450 --> 00:29:58,799  
is instead of panicking because that

810  
00:30:04,250 --> 00:30:01,460  
pulls you out of your Obe is to just say

811  
00:30:05,810 --> 00:30:04,260  
this is interesting and to just kind of

812  
00:30:07,789 --> 00:30:05,820  
breathe into and see how long you can

813  
00:30:09,529 --> 00:30:07,799

stretch it out so I did that I just went

814

00:30:11,389 --> 00:30:09,539

this is interesting and I got all the

815

00:30:13,190 --> 00:30:11,399

way down to the ground and very

816

00:30:15,350 --> 00:30:13,200

carefully rolled over I could feel the

817

00:30:17,570 --> 00:30:15,360

carpet fibers under my fingers and I

818

00:30:20,450 --> 00:30:17,580

remember thinking get up slowly

819

00:30:22,909 --> 00:30:20,460

got up slowly walked to the bathroom

820

00:30:25,610 --> 00:30:22,919

and my husband walked in to use the

821

00:30:27,350 --> 00:30:25,620

bathroom I won't get gross here but I

822

00:30:30,470 --> 00:30:27,360

sat and talked to him while he's just

823

00:30:34,010 --> 00:30:30,480

peeing in the middle of the night and

824

00:30:36,889 --> 00:30:34,020

and I remember saying to him

825

00:30:39,289 --> 00:30:36,899

hey I want to remember this I I need

826

00:30:42,769 --> 00:30:39,299

some kind of uh validation or some

827

00:30:44,870 --> 00:30:42,779

evidence to you know take back with me

828

00:30:46,730 --> 00:30:44,880

from this experience and he did this

829

00:30:49,250 --> 00:30:46,740

funny little thing he held up his hand

830

00:30:51,710 --> 00:30:49,260

and then he was like how many fingers am

831

00:30:53,090 --> 00:30:51,720

I holding up but I couldn't see and I

832

00:30:55,490 --> 00:30:53,100

was like why why are you playing a game

833

00:30:57,409 --> 00:30:55,500

with me I need something solid for us to

834

00:30:59,450 --> 00:30:57,419

remember and he was just acting really

835

00:31:00,649 --> 00:30:59,460

weird kind of like he was half in a

836

00:31:02,630 --> 00:31:00,659

dream state

837

00:31:04,730 --> 00:31:02,640

he gets back up to walk towards the bed

838

00:31:05,930 --> 00:31:04,740

and I'm following him and then we get

839

00:31:07,370 --> 00:31:05,940

closer to the bend of course the lights

840

00:31:10,190 --> 00:31:07,380

are out but you can see just a little

841

00:31:12,230 --> 00:31:10,200

bit at night and all of a sudden I

842

00:31:14,510 --> 00:31:12,240

realize we're both in the bed and I

843

00:31:17,269 --> 00:31:14,520

start to think I'm not sure he was the

844

00:31:18,529 --> 00:31:17,279

one I was just talking to and then I was

845

00:31:20,810 --> 00:31:18,539

pretty sure there was something in the

846

00:31:22,130 --> 00:31:20,820

corner I can't tell you what it was but

847

00:31:23,330 --> 00:31:22,140

if there was kind of like a little bit

848

00:31:25,130 --> 00:31:23,340

of movement and there was something dark

849

00:31:27,769 --> 00:31:25,140

oh I'm getting the chills something dark

850

00:31:29,330 --> 00:31:27,779

in the corner and then I freaked out and

851  
00:31:31,070 --> 00:31:29,340  
I started screaming and then of course

852  
00:31:32,510 --> 00:31:31,080  
my husband woke up and said you're just

853  
00:31:34,549 --> 00:31:32,520  
having a bad dream I was like it wasn't

854  
00:31:36,950 --> 00:31:34,559  
a dream so

855  
00:31:38,510 --> 00:31:36,960  
that's pretty heavy duty yeah no it

856  
00:31:40,909 --> 00:31:38,520  
wasn't pleasant at all

857  
00:31:44,029 --> 00:31:40,919  
um was there anything there that was

858  
00:31:45,710 --> 00:31:44,039  
actually was I actually in any danger I

859  
00:31:47,210 --> 00:31:45,720  
don't know I talked to Angelia about it

860  
00:31:49,010 --> 00:31:47,220  
and she's like well trust your gut she's

861  
00:31:51,049 --> 00:31:49,020  
like when you go out of body you have to

862  
00:31:52,490 --> 00:31:51,059  
do a lot of protection first those

863  
00:31:53,930 --> 00:31:52,500

spontaneous out of bodies you haven't

864

00:31:55,730 --> 00:31:53,940

had time to protect yourself and

865

00:31:58,370 --> 00:31:55,740

anything can be floating around and it

866

00:32:01,250 --> 00:31:58,380

could be good or bad or neutral

867

00:32:03,769 --> 00:32:01,260

um so that one kind of scared me but I

868

00:32:05,210 --> 00:32:03,779

am trying really hard to get back into

869

00:32:07,430 --> 00:32:05,220

it and work on

870

00:32:09,049 --> 00:32:07,440

a method you know that I can trust and

871

00:32:10,610 --> 00:32:09,059

just do a lot of protection with it so

872

00:32:12,049 --> 00:32:10,620

that was a really long answer but all

873

00:32:14,269 --> 00:32:12,059

that to say yeah I've had kind of a

874

00:32:16,070 --> 00:32:14,279

couple spontaneous ones that haven't

875

00:32:18,110 --> 00:32:16,080

gone totally great

876

00:32:22,250 --> 00:32:18,120

but I really believe in it

877

00:32:24,590 --> 00:32:22,260

ah so this kind of re when this guy put

878

00:32:27,169 --> 00:32:24,600

this up earlier but it kind of reminded

879

00:32:29,269 --> 00:32:27,179

you said that whatever it was put the

880

00:32:30,889 --> 00:32:29,279

hands fingers behind the hand

881

00:32:33,049 --> 00:32:30,899

the remote viewing they're asking if

882

00:32:36,529 --> 00:32:33,059

you've ever tried that yes and that was

883

00:32:38,389 --> 00:32:36,539

Christopher De parno I love you Chris

884

00:32:40,130 --> 00:32:38,399

um I have tried a little bit of remote

885

00:32:42,049 --> 00:32:40,140

viewing I don't think I'm

886

00:32:44,029 --> 00:32:42,059

thinking yeah yeah

887

00:32:46,250 --> 00:32:44,039

um I was talking to Tracy garbett Dolan

888

00:32:49,130 --> 00:32:46,260

you know she's pretty good at it and um

889

00:32:50,870 --> 00:32:49,140

she was kind of explaining you know some

890

00:32:51,830 --> 00:32:50,880

of her methods and how she strengthened

891

00:32:53,389 --> 00:32:51,840

that muscle

892

00:32:55,250 --> 00:32:53,399

um I don't feel like I'm great at that

893

00:32:58,909 --> 00:32:55,260

I'd I'd like to try a little bit more

894

00:33:00,710 --> 00:32:58,919

but I'm I'm really focused right now in

895

00:33:02,630 --> 00:33:00,720

meditation trying to go to extremely

896

00:33:05,029 --> 00:33:02,640

deep levels I get to where I slow my

897

00:33:06,110 --> 00:33:05,039

breathing down so much or probably if I

898

00:33:08,149 --> 00:33:06,120

was hooked up to medical equipment

899

00:33:10,789 --> 00:33:08,159

they'd be like come back but I'm really

900

00:33:13,549 --> 00:33:10,799

trying to get to that point where I can

901  
00:33:14,389 --> 00:33:13,559  
kind of be without time and and see what

902  
00:33:16,610 --> 00:33:14,399  
I can

903  
00:33:18,769 --> 00:33:16,620  
find in those areas really obsessed with

904  
00:33:21,350 --> 00:33:18,779  
that and just trying to get information

905  
00:33:23,330 --> 00:33:21,360  
um so and remote viewing is great I just

906  
00:33:25,009 --> 00:33:23,340  
if I try something a few times and I

907  
00:33:26,330 --> 00:33:25,019  
don't take to it I figure there's so

908  
00:33:27,889 --> 00:33:26,340  
many other people that are great at that

909  
00:33:30,289 --> 00:33:27,899  
I'm going to focus more on this area

910  
00:33:33,889 --> 00:33:30,299  
sure another question that popped up

911  
00:33:36,769 --> 00:33:33,899  
here what's your favorite UAP slash UFO

912  
00:33:40,250 --> 00:33:36,779  
case do you have one well

913  
00:33:42,649 --> 00:33:40,260

um I am really drawn to abduction cases

914

00:33:44,389 --> 00:33:42,659

uh I'm I'm very passionate about

915

00:33:46,009 --> 00:33:44,399

experiencers and what they go through

916

00:33:47,690 --> 00:33:46,019

and how they process this information

917

00:33:49,789 --> 00:33:47,700

I'm a little bit less of a nuts and

918

00:33:51,409 --> 00:33:49,799

bolts girl I mean nuts and bolts I think

919

00:33:54,049 --> 00:33:51,419

we can all agree Phoenix Lights was a

920

00:33:56,990 --> 00:33:54,059

huge one I don't know exactly what it

921

00:33:58,549 --> 00:33:57,000

was I've had some thoughts that it could

922

00:33:59,990 --> 00:33:58,559

have been an experiment to see how

923

00:34:02,509 --> 00:34:00,000

thousands of people would react to

924

00:34:04,490 --> 00:34:02,519

seeing a huge craft you know overhead

925

00:34:07,789 --> 00:34:04,500

for such a long period of time was it

926

00:34:10,310 --> 00:34:07,799

truly otherworldly interdimensional or

927

00:34:11,690 --> 00:34:10,320

just something government related I

928

00:34:12,770 --> 00:34:11,700

don't know because I wasn't there and I

929

00:34:14,210 --> 00:34:12,780

didn't see it

930

00:34:16,490 --> 00:34:14,220

um that's certainly a you know

931

00:34:20,990 --> 00:34:16,500

historically Speaking In Our Lifetime a

932

00:34:23,030 --> 00:34:21,000

really interesting one right um but I um

933

00:34:24,829 --> 00:34:23,040

Deb Jordan Cobble is a really good

934

00:34:27,230 --> 00:34:24,839

friend of mine I absolutely love Deb

935

00:34:28,970 --> 00:34:27,240

Jordan and Bud Hopkins of course started

936

00:34:30,829 --> 00:34:28,980

working with her

937

00:34:34,430 --> 00:34:30,839

um in the was it in the 80s when he

938

00:34:37,369 --> 00:34:34,440

wrote Intruders about Deb and her family

939

00:34:40,129 --> 00:34:37,379

and her abduction experience and then I

940

00:34:42,169 --> 00:34:40,139

became friends with Deb later on I love

941

00:34:43,790 --> 00:34:42,179

her so much she's so oh she's so

942

00:34:44,930 --> 00:34:43,800

beautiful I haven't seen her in person

943

00:34:46,849 --> 00:34:44,940

in a while

944

00:34:49,550 --> 00:34:46,859

um but she wrote a book not that long

945

00:34:52,070 --> 00:34:49,560

ago I think I may have that let's see

946

00:34:54,829 --> 00:34:52,080

yes extraordinary contact

947

00:34:56,570 --> 00:34:54,839

she wrote this one a couple years ago I

948

00:34:58,310 --> 00:34:56,580

highly recommend everybody read that if

949

00:35:01,550 --> 00:34:58,320

you're not familiar with her story it's

950

00:35:03,589 --> 00:35:01,560

it's it's a wild one and the the reason

951

00:35:05,030 --> 00:35:03,599

I brought that one up is if you you've

952

00:35:06,829 --> 00:35:05,040

probably interviewed Deb right I'm sure

953

00:35:08,390 --> 00:35:06,839

you know I have not I think I might have

954

00:35:09,230 --> 00:35:08,400

reached out to her or maybe I had

955

00:35:14,329 --> 00:35:09,240

someone

956

00:35:16,970 --> 00:35:14,339

have her on as a guest but I have not

957

00:35:19,430 --> 00:35:16,980

had it wrong she is fantastic and the

958

00:35:21,470 --> 00:35:19,440

great thing about Deb's story is

959

00:35:22,970 --> 00:35:21,480

um it's just how it continued you know a

960

00:35:25,550 --> 00:35:22,980

lot of people have that one event that

961

00:35:27,770 --> 00:35:25,560

happened to him years ago but um she

962

00:35:31,490 --> 00:35:27,780

continues to have very unusual

963

00:35:33,410 --> 00:35:31,500

paranormal events and and she

964

00:35:35,750 --> 00:35:33,420

the other reason I'm bringing her up is

965

00:35:37,250 --> 00:35:35,760

her event you know her experience was

966

00:35:39,410 --> 00:35:37,260

frightening

967

00:35:42,349 --> 00:35:39,420

um but she has come to such great peace

968

00:35:43,910 --> 00:35:42,359

with that later on in life and that is

969

00:35:45,890 --> 00:35:43,920

what I need I need more stories like

970

00:35:48,349 --> 00:35:45,900

that Kathleen Martin as well she's

971

00:35:51,109 --> 00:35:48,359

another one you know of course she's the

972

00:35:54,829 --> 00:35:51,119

niece of Betty and Barney Hill and um

973

00:35:55,970 --> 00:35:54,839

she has really found her own way to take

974

00:35:59,990 --> 00:35:55,980

something that can be frightening

975

00:36:01,849 --> 00:36:00,000

abduction is frightening and uh we had

976  
00:36:03,589 --> 00:36:01,859  
her on the mufon what's up show not that

977  
00:36:05,510 --> 00:36:03,599  
long ago and she was talking about how

978  
00:36:08,510 --> 00:36:05,520  
in those moments she

979  
00:36:10,730 --> 00:36:08,520  
just out of I've got nothing to lose I'm

980  
00:36:12,410 --> 00:36:10,740  
gonna just project love at these beings

981  
00:36:14,930 --> 00:36:12,420  
you know like being sick of feeling

982  
00:36:17,089 --> 00:36:14,940  
afraid just projecting love and how the

983  
00:36:18,290 --> 00:36:17,099  
whole experience turned around for her

984  
00:36:21,589 --> 00:36:18,300  
it became a completely different

985  
00:36:25,130 --> 00:36:21,599  
experience and a very very positive one

986  
00:36:28,670 --> 00:36:25,140  
so those are stories and cases that I I

987  
00:36:30,829 --> 00:36:28,680  
really kind of get obsessed with but

988  
00:36:33,770 --> 00:36:30,839

um yeah I don't know the in terms of

989

00:36:35,030 --> 00:36:33,780

more the nuts and bolts sightings

990

00:36:37,970 --> 00:36:35,040

mm-hmm

991

00:36:39,109 --> 00:36:37,980

I mean obviously Roswell was huge but we

992

00:36:42,109 --> 00:36:39,119

still don't know really what the heck

993

00:36:44,150 --> 00:36:42,119

went on there right yeah that's a that's

994

00:36:45,170 --> 00:36:44,160

a pretty wild case uh what's his name in

995

00:36:46,849 --> 00:36:45,180

North Carolina

996

00:36:49,670 --> 00:36:46,859

um I'm fascinated by his story Chris

997

00:36:51,290 --> 00:36:49,680

Chris Bledsoe yes Chris Bledsoe um

998

00:36:53,630 --> 00:36:51,300

you've probably had him on a couple

999

00:36:54,950 --> 00:36:53,640

times right I've had him on one time

1000

00:36:56,510 --> 00:36:54,960

I've reached out to him a few other

1001  
00:36:58,010 --> 00:36:56,520  
times and

1002  
00:37:00,770 --> 00:36:58,020  
um you know he hasn't been able to come

1003  
00:37:03,470 --> 00:37:00,780  
on but I've had him on it and by the way

1004  
00:37:04,490 --> 00:37:03,480  
Calvin Parker uh I feel like he's been a

1005  
00:37:06,170 --> 00:37:04,500  
friend

1006  
00:37:08,329 --> 00:37:06,180  
um for several years he's not doing too

1007  
00:37:09,530 --> 00:37:08,339  
well so oh no that's right give some

1008  
00:37:12,770 --> 00:37:09,540  
good thoughts out

1009  
00:37:16,250 --> 00:37:12,780  
um for him yeah he's a real real fun and

1010  
00:37:18,589 --> 00:37:16,260  
nice guy he's a funny guy he's a riot

1011  
00:37:20,030 --> 00:37:18,599  
yeah yeah he's he's a lot of fun to talk

1012  
00:37:22,730 --> 00:37:20,040  
to I'm very sorry to hear he's not doing

1013  
00:37:25,730 --> 00:37:22,740

well I'm gonna send him just a lot of

1014

00:37:28,490 --> 00:37:25,740

love and power there yeah yeah but yeah

1015

00:37:30,109 --> 00:37:28,500

that's that Pascagoula is that's that is

1016

00:37:33,470 --> 00:37:30,119

another really

1017

00:37:35,990 --> 00:37:33,480

a great one I I would have if I if

1018

00:37:37,970 --> 00:37:36,000

people have asked me what my favorite

1019

00:37:40,130 --> 00:37:37,980

thing is I still I'm right there with

1020

00:37:41,870 --> 00:37:40,140

the Ariel school I really still think

1021

00:37:44,030 --> 00:37:41,880

that's one of the most important ones

1022

00:37:45,589 --> 00:37:44,040

yeah um but you know everyone can have

1023

00:37:47,470 --> 00:37:45,599

their favorites I know no one asked me

1024

00:37:50,210 --> 00:37:47,480

that question but

1025

00:37:52,670 --> 00:37:50,220

one is that just for how many witnesses

1026  
00:37:54,349 --> 00:37:52,680  
and yeah just well the whole thing about

1027  
00:37:55,730 --> 00:37:54,359  
the school

1028  
00:37:59,630 --> 00:37:55,740  
um you know I mean

1029  
00:38:01,370 --> 00:37:59,640  
and that you know it changed so many of

1030  
00:38:03,410 --> 00:38:01,380  
you know their lives it made such an

1031  
00:38:05,210 --> 00:38:03,420  
impact on them and how they were

1032  
00:38:07,130 --> 00:38:05,220  
interviewed by John Mack right away you

1033  
00:38:09,290 --> 00:38:07,140  
know within a few weeks and other people

1034  
00:38:11,329 --> 00:38:09,300  
interviewed him right away and how the

1035  
00:38:14,270 --> 00:38:11,339  
teachers had the foresight to have them

1036  
00:38:16,970 --> 00:38:14,280  
all do drawings and by the way uh Gunter

1037  
00:38:19,670 --> 00:38:16,980  
uh Huffer is Going to Be Our Guest next

1038  
00:38:21,829 --> 00:38:19,680

week and he was there right away uh

1039

00:38:24,290 --> 00:38:21,839

right right after that happened within

1040

00:38:26,750 --> 00:38:24,300

um within a week or so I do believe so

1041

00:38:28,310 --> 00:38:26,760

he'll Be Our Guest next week but yeah I

1042

00:38:30,170 --> 00:38:28,320

mean that's one of my that's one of my

1043

00:38:33,770 --> 00:38:30,180

favorite cases anyway but there are a

1044

00:38:36,530 --> 00:38:33,780

lot of really very interesting ones

1045

00:38:38,690 --> 00:38:36,540

um you know that and and there's so much

1046

00:38:41,210 --> 00:38:38,700

out there that you know it does

1047

00:38:43,130 --> 00:38:41,220

frustrate me when I see you know CGI and

1048

00:38:44,810 --> 00:38:43,140

you know people trying to hoax and

1049

00:38:47,210 --> 00:38:44,820

things like that when there's so many

1050

00:38:49,130 --> 00:38:47,220

really good ones out there and that's

1051  
00:38:51,770 --> 00:38:49,140  
the tough part for anyone that's new and

1052  
00:38:53,990 --> 00:38:51,780  
they're trying to understand so they

1053  
00:38:57,470 --> 00:38:54,000  
don't go down the wrong rabbit hole and

1054  
00:38:59,030 --> 00:38:57,480  
and you know start following some you

1055  
00:39:01,430 --> 00:38:59,040  
know someone that's scamming or whatever

1056  
00:39:03,950 --> 00:39:01,440  
you know I mean that's a that's a tough

1057  
00:39:06,109 --> 00:39:03,960  
one to figure out exactly which way to

1058  
00:39:08,870 --> 00:39:06,119  
go at the beginning I'm really glad you

1059  
00:39:10,550 --> 00:39:08,880  
brought that up because one thing that I

1060  
00:39:11,690 --> 00:39:10,560  
keep talking to people about right now

1061  
00:39:14,150 --> 00:39:11,700  
is like

1062  
00:39:16,430 --> 00:39:14,160  
I I think this is a time when we really

1063  
00:39:18,109 --> 00:39:16,440

need to go inward

1064

00:39:19,550 --> 00:39:18,119

um I mean yeah it's fun to look at

1065

00:39:22,790 --> 00:39:19,560

pictures and go is it real is it not but

1066

00:39:24,410 --> 00:39:22,800

I mean my God where what what's about to

1067

00:39:27,170 --> 00:39:24,420

happen with technology I mean it's

1068

00:39:29,150 --> 00:39:27,180

exponential we can't even wrap our heads

1069

00:39:32,030 --> 00:39:29,160

around what's about to go down I've been

1070

00:39:34,310 --> 00:39:32,040

messing around with some AI artwork

1071

00:39:36,790 --> 00:39:34,320

um just I had a project I had something

1072

00:39:39,230 --> 00:39:36,800

uh that artwork that you've done

1073

00:39:41,210 --> 00:39:39,240

that's old school that's just taken a

1074

00:39:42,950 --> 00:39:41,220

picture and painting over it and yeah if

1075

00:39:44,450 --> 00:39:42,960

you want to show those those yeah I'll

1076

00:39:46,430 --> 00:39:44,460

show that one I got this little alien

1077

00:39:47,770 --> 00:39:46,440

character that I like to put in kind of

1078

00:39:50,089 --> 00:39:47,780

funny

1079

00:39:52,970 --> 00:39:50,099

oh is it the video it might be loud

1080

00:39:55,190 --> 00:39:52,980

volume just I I toned it down believe it

1081

00:39:57,450 --> 00:39:55,200

okay

1082

00:40:01,430 --> 00:39:57,460

everybody

1083

00:40:25,990 --> 00:40:01,440

[Music]

1084

00:40:30,950 --> 00:40:28,569

that's right yeah

1085

00:40:33,050 --> 00:40:30,960

I have so much fun doing those guys I

1086

00:40:34,849 --> 00:40:33,060

like to I call it alienating and I take

1087

00:40:36,349 --> 00:40:34,859

like weird thrift store pictures and

1088

00:40:37,550 --> 00:40:36,359

stuff and paint aliens in it I have a

1089

00:40:39,050 --> 00:40:37,560

lot of fun with that but what I was

1090

00:40:41,089 --> 00:40:39,060

going to say is like you know these days

1091

00:40:43,490 --> 00:40:41,099

a real picture looks fake a fake picture

1092

00:40:45,589 --> 00:40:43,500

looks real there we can now do stuff

1093

00:40:47,030 --> 00:40:45,599

with our you know you can just speak a

1094

00:40:49,190 --> 00:40:47,040

few words well I think you talk for

1095

00:40:51,410 --> 00:40:49,200

about 30 minutes and then that app can

1096

00:40:53,930 --> 00:40:51,420

basically recreate you talking saying

1097

00:40:55,609 --> 00:40:53,940

anything gone are the days when you just

1098

00:40:57,170 --> 00:40:55,619

Photoshop somebody to make them look

1099

00:40:59,450 --> 00:40:57,180

like they did something they didn't do I

1100

00:41:01,069 --> 00:40:59,460

mean we're about to blast into territory

1101  
00:41:03,770 --> 00:41:01,079  
where I even wonder what it's going to

1102  
00:41:05,990 --> 00:41:03,780  
do for our like

1103  
00:41:07,910 --> 00:41:06,000  
oh gosh like

1104  
00:41:11,210 --> 00:41:07,920  
our criminal system like I like how

1105  
00:41:13,730 --> 00:41:11,220  
we're even going to prove or disprove

1106  
00:41:17,030 --> 00:41:13,740  
things like it's about to go into the

1107  
00:41:18,470 --> 00:41:17,040  
wild west with technology and so I know

1108  
00:41:21,770 --> 00:41:18,480  
that we're just talking about like the

1109  
00:41:24,170 --> 00:41:21,780  
Deep fakes that they can do yes I mean

1110  
00:41:26,030 --> 00:41:24,180  
it looks just like someone talking a war

1111  
00:41:28,790 --> 00:41:26,040  
could start over that that's what I'm

1112  
00:41:30,349 --> 00:41:28,800  
saying this is a time I mean maybe it's

1113  
00:41:32,089 --> 00:41:30,359

too late for us I hope not I don't ever

1114

00:41:33,950 --> 00:41:32,099

want to be that negative but this is a

1115

00:41:36,650 --> 00:41:33,960

time when we all need to go really deep

1116

00:41:39,050 --> 00:41:36,660

into our own personal experiences was it

1117

00:41:40,069 --> 00:41:39,060

real to me like I think gone are the

1118

00:41:41,510 --> 00:41:40,079

days where you just show someone a

1119

00:41:42,829 --> 00:41:41,520

picture and be like will you tell me if

1120

00:41:44,569 --> 00:41:42,839

this really happened to me or not it's

1121

00:41:46,490 --> 00:41:44,579

like we have to be so aware of our own

1122

00:41:48,290 --> 00:41:46,500

experiences and Trust our gut and

1123

00:41:50,210 --> 00:41:48,300

whether it's through meditation or

1124

00:41:53,390 --> 00:41:50,220

prayer or whatever's your thing but like

1125

00:41:54,710 --> 00:41:53,400

if this is happening you need to make a

1126

00:41:56,990 --> 00:41:54,720

really deep connection that doesn't

1127

00:41:59,390 --> 00:41:57,000

involve necessarily an expert anymore

1128

00:42:00,770 --> 00:41:59,400

telling you what happened because we're

1129

00:42:02,990 --> 00:42:00,780

at that point now I don't know how we're

1130

00:42:05,750 --> 00:42:03,000

gonna know you know and that's

1131

00:42:08,870 --> 00:42:05,760

that's really frightening actually yeah

1132

00:42:11,930 --> 00:42:08,880

and then when it comes to just the UFO

1133

00:42:14,630 --> 00:42:11,940

topic itself you know it's like now

1134

00:42:16,370 --> 00:42:14,640

there's a Skylink and there's you know

1135

00:42:19,310 --> 00:42:16,380

these all these different things that

1136

00:42:21,349 --> 00:42:19,320

you know people are it's not going to be

1137

00:42:23,750 --> 00:42:21,359

easier the drones drones are getting

1138

00:42:25,010 --> 00:42:23,760

more sophisticated and all that and then

1139

00:42:26,450 --> 00:42:25,020

whatever the government's going to be

1140

00:42:28,970 --> 00:42:26,460

doing it's going to be harder and harder

1141

00:42:30,950 --> 00:42:28,980

to tell what's coming from elsewhere and

1142

00:42:34,370 --> 00:42:30,960

what's coming you know what what's ours

1143

00:42:35,030 --> 00:42:34,380

but I do think

1144

00:42:36,530 --> 00:42:35,040

um

1145

00:42:39,349 --> 00:42:36,540

oh and this might be where I was going

1146

00:42:40,670 --> 00:42:39,359

earlier uh wanting to get your viewers

1147

00:42:42,589 --> 00:42:40,680

thoughts but

1148

00:42:43,790 --> 00:42:42,599

when you have an experience you know in

1149

00:42:46,250 --> 00:42:43,800

the middle of the night if there's a

1150

00:42:48,050 --> 00:42:46,260

creature there or something like that I

1151

00:42:49,609 --> 00:42:48,060

I don't know that I agree you know

1152

00:42:51,370 --> 00:42:49,619

there's some I don't want to name names

1153

00:42:53,030 --> 00:42:51,380

but there's some researchers

1154

00:42:54,829 --> 00:42:53,040

newfologists that are like oh that's

1155

00:42:56,210 --> 00:42:54,839

just government stuff you know my lab or

1156

00:42:57,710 --> 00:42:56,220

what do they call it

1157

00:42:59,150 --> 00:42:57,720

um I really don't think I'm that

1158

00:43:00,589 --> 00:42:59,160

important I really don't think anyone

1159

00:43:02,450 --> 00:43:00,599

from the government is concerned about

1160

00:43:04,309 --> 00:43:02,460

coming into my bedroom and scaring me in

1161

00:43:06,530 --> 00:43:04,319

the middle of the night I'm pretty sure

1162

00:43:07,670 --> 00:43:06,540

I'm just not that high on their radar

1163

00:43:09,050 --> 00:43:07,680

you know

1164

00:43:11,150 --> 00:43:09,060

um yeah

1165

00:43:13,550 --> 00:43:11,160

I do think I mean because there's a lot

1166

00:43:15,050 --> 00:43:13,560

of abductees that you know they remember

1167

00:43:17,569 --> 00:43:15,060

their encounter and they're like they're

1168

00:43:20,150 --> 00:43:17,579

humans dressed in military stuff that's

1169

00:43:22,130 --> 00:43:20,160

so strange to me I don't yeah you know

1170

00:43:24,170 --> 00:43:22,140

so is are some governments involved in

1171

00:43:25,970 --> 00:43:24,180

this kind of thing it probably I don't

1172

00:43:27,890 --> 00:43:25,980

know but um

1173

00:43:30,589 --> 00:43:27,900

I think we are at that point where it

1174

00:43:32,210 --> 00:43:30,599

would be so easy to fake you know

1175

00:43:32,990 --> 00:43:32,220

something in the sky that millions of

1176

00:43:35,030 --> 00:43:33,000

people

1177

00:43:37,069 --> 00:43:35,040

see over hours and hours and it could

1178

00:43:38,630 --> 00:43:37,079

literally just be something fake I think

1179

00:43:40,730 --> 00:43:38,640

we are at that point of Technology we've

1180

00:43:43,730 --> 00:43:40,740

probably been there for a long time and

1181

00:43:45,890 --> 00:43:43,740

um so what does that mean for us I think

1182

00:43:47,569 --> 00:43:45,900

one we've got to quit turning on each

1183

00:43:49,730 --> 00:43:47,579

other that you know we're so easily

1184

00:43:52,010 --> 00:43:49,740

controlled when we're afraid and we've

1185

00:43:54,470 --> 00:43:52,020

all got to do our own personal work you

1186

00:43:56,510 --> 00:43:54,480

know to find our piece with this topic

1187

00:43:57,589 --> 00:43:56,520

and if we're being contacted that I

1188

00:43:59,930 --> 00:43:57,599

think it just becomes a really personal

1189

00:44:03,710 --> 00:43:59,940

thing I guess is what I'm getting at

1190

00:44:05,870 --> 00:44:03,720

mm-hmm no without that all makes total

1191

00:44:08,150 --> 00:44:05,880

sense to me I like this question from

1192

00:44:10,790 --> 00:44:08,160

Christopher Miller what was your most

1193

00:44:12,770 --> 00:44:10,800

interesting interview and why was it the

1194

00:44:14,630 --> 00:44:12,780

most interesting interview

1195

00:44:17,390 --> 00:44:14,640

well I guess they're probably talking

1196

00:44:19,069 --> 00:44:17,400

about ufology oh no I think they're

1197

00:44:20,510 --> 00:44:19,079

they're talking about maybe the

1198

00:44:22,849 --> 00:44:20,520

different people you've interviewed over

1199

00:44:24,290 --> 00:44:22,859

the years I that's how I took it well

1200

00:44:26,750 --> 00:44:24,300

okay I'll go with a couple different

1201

00:44:30,470 --> 00:44:26,760

answers Dolly Parton all day long is

1202

00:44:34,730 --> 00:44:32,809

uh wasn't bad talking to George Clooney

1203

00:44:36,710 --> 00:44:34,740

that was kind of fun

1204

00:44:37,970 --> 00:44:36,720

um somebody who just popped into my head

1205

00:44:39,470 --> 00:44:37,980

I tried to go with like the first things

1206

00:44:41,569 --> 00:44:39,480

that come into my head

1207

00:44:46,190 --> 00:44:41,579

um on move on WhatsApp we talked to Mike

1208

00:44:49,970 --> 00:44:46,200

clelland and I he's coming up on this

1209

00:44:51,109 --> 00:44:49,980

show in a few weeks yeah I love what

1210

00:44:52,670 --> 00:44:51,119

he's doing

1211

00:44:54,950 --> 00:44:52,680

um he just

1212

00:44:56,809 --> 00:44:54,960

he just kind of walks in synchronicity

1213

00:44:58,790 --> 00:44:56,819

and that's a really big part of my life

1214

00:45:01,250 --> 00:44:58,800

too I know it is for you too Martin it's

1215

00:45:03,050 --> 00:45:01,260

like those are little place markers I

1216

00:45:04,910 --> 00:45:03,060

think you know when you have weird Deja

1217

00:45:07,370 --> 00:45:04,920

Vu bizarre synchronicities when you're

1218

00:45:09,829 --> 00:45:07,380

just in that flow and and he talks all

1219

00:45:12,050 --> 00:45:09,839

about that in his book Messengers and

1220

00:45:13,670 --> 00:45:12,060

um he's not just the owl guy uh the owl

1221

00:45:14,809 --> 00:45:13,680

thing comes up over and over and over

1222

00:45:16,550 --> 00:45:14,819

again with him but there's this

1223

00:45:18,050 --> 00:45:16,560

wonderful deeper message behind it and

1224

00:45:19,849 --> 00:45:18,060

it's all tied into ufology and

1225

00:45:22,849 --> 00:45:19,859

paranormal stuff in general and just

1226  
00:45:25,190 --> 00:45:22,859  
human connection I just really resonated

1227  
00:45:26,809 --> 00:45:25,200  
with I think I've read two of his books

1228  
00:45:29,510 --> 00:45:26,819  
but I feel like he's I think I've read

1229  
00:45:31,250 --> 00:45:29,520  
two of them uh really really enjoyed

1230  
00:45:32,990 --> 00:45:31,260  
talking to him so you're basically gonna

1231  
00:45:36,349 --> 00:45:33,000  
absolutely love that

1232  
00:45:38,089 --> 00:45:36,359  
yeah a funny thing is the first time I

1233  
00:45:39,950 --> 00:45:38,099  
met Mike and talked to him or whatever

1234  
00:45:41,630 --> 00:45:39,960  
and I watched him speak

1235  
00:45:45,050 --> 00:45:41,640  
um he was up in Maine at a conference

1236  
00:45:46,970 --> 00:45:45,060  
that I was going to and that morning

1237  
00:45:50,390 --> 00:45:46,980  
um it was early in the morning was still

1238  
00:45:53,030 --> 00:45:50,400

dark out right outside of my window and

1239

00:45:54,650 --> 00:45:53,040

the only time it ever happened was an

1240

00:45:57,109 --> 00:45:54,660

owl hooting

1241

00:45:59,089 --> 00:45:57,119

and I had no idea that I was going to

1242

00:46:02,210 --> 00:45:59,099

see this guy talk about owls the next

1243

00:46:04,190 --> 00:46:02,220

day yeah I mean what are the I mean it

1244

00:46:06,290 --> 00:46:04,200

was just a weird coincidence I feel like

1245

00:46:07,309 --> 00:46:06,300

he's I don't think he'd mind me saying

1246

00:46:09,890 --> 00:46:07,319

this I think it's actually a real

1247

00:46:11,329 --> 00:46:09,900

compliment I think he's somebody that is

1248

00:46:17,870 --> 00:46:11,339

uh

1249

00:46:20,630 --> 00:46:17,880

interesting way he he is a messenger on

1250

00:46:22,430 --> 00:46:20,640

this planet he's waking us up to you

1251

00:46:24,650 --> 00:46:22,440

know our own potential and he's so

1252

00:46:27,410 --> 00:46:24,660

humble you know I think he really just

1253

00:46:29,210 --> 00:46:27,420

feels like the messenger you know um and

1254

00:46:31,190 --> 00:46:29,220

he's very special I really I I've

1255

00:46:32,930 --> 00:46:31,200

enjoyed everyone I've talked to um yeah

1256

00:46:34,910 --> 00:46:32,940

I'd love to having you on the show I

1257

00:46:37,250 --> 00:46:34,920

mean you've interviewed everybody so

1258

00:46:39,770 --> 00:46:37,260

you're like this walking Encyclopedia of

1259

00:46:42,650 --> 00:46:39,780

all things ufology and that's oh well

1260

00:46:44,589 --> 00:46:42,660

that's a great thing well I'm just the

1261

00:46:47,510 --> 00:46:44,599

armchair guy

1262

00:46:49,069 --> 00:46:47,520

well I don't know you didn't have you

1263

00:46:51,530 --> 00:46:49,079

yeah you've talked on your show about

1264

00:46:53,630 --> 00:46:51,540

what you witnessed yeah I did have I

1265

00:46:55,490 --> 00:46:53,640

definitely had yes I definitely had a

1266

00:46:57,230 --> 00:46:55,500

sighting but I I say this all the time

1267

00:46:58,670 --> 00:46:57,240

because I think it's kind of funny is I

1268

00:47:01,069 --> 00:46:58,680

I had

1269

00:47:02,750 --> 00:47:01,079

that was not the most exciting thing

1270

00:47:04,790 --> 00:47:02,760

I've seen in the sky

1271

00:47:06,890 --> 00:47:04,800

I had a fireball that didn't even make

1272

00:47:10,010 --> 00:47:06,900

any sense that was that flew over me and

1273

00:47:13,190 --> 00:47:10,020

that was really you also and this thing

1274

00:47:15,170 --> 00:47:13,200

was uh was uh perfectly round it had

1275

00:47:18,530 --> 00:47:15,180

cracks on it Sparks coming out of the

1276

00:47:20,569 --> 00:47:18,540

cracks and rotating and made no noise as

1277

00:47:22,970 --> 00:47:20,579

it went right over my head you know that

1278

00:47:25,490 --> 00:47:22,980

was that was more bizarre than the uh

1279

00:47:28,370 --> 00:47:25,500

the UFO was just it was there and it

1280

00:47:31,849 --> 00:47:28,380

moved and it stopped and you know it and

1281

00:47:33,770 --> 00:47:31,859

it really was pretty amazing but that

1282

00:47:35,990 --> 00:47:33,780

was more dramatic the fireball was much

1283

00:47:37,550 --> 00:47:36,000

more dramatic and uh it's funny I talked

1284

00:47:40,730 --> 00:47:37,560

about that on the show and I said it was

1285

00:47:44,150 --> 00:47:40,740

somewhere around you know 1985 six maybe

1286

00:47:46,550 --> 00:47:44,160

eighty somewhere around there 87 and uh

1287

00:47:47,990 --> 00:47:46,560

someone called me from uh not called me

1288

00:47:50,329 --> 00:47:48,000

that wrote me from Canada and said

1289

00:47:53,210 --> 00:47:50,339

they're grandparents and described the

1290

00:47:56,329 --> 00:47:53,220

same thing in the 1980s okay well mine

1291

00:47:57,710 --> 00:47:56,339

was probably 87 I had it tattooed on my

1292

00:47:59,569 --> 00:47:57,720

stomach and if my stomach were still

1293

00:48:00,950 --> 00:47:59,579

nice and flat and I had some ABS I would

1294

00:48:03,230 --> 00:48:00,960

probably stand up and show it to you but

1295

00:48:05,569 --> 00:48:03,240

I'm not going to traumatize you

1296

00:48:07,609 --> 00:48:05,579

um but it was inspired by this Fireball

1297

00:48:09,290 --> 00:48:07,619

completely silent overhead my friend

1298

00:48:11,089 --> 00:48:09,300

Thomas was in the car with me it was

1299

00:48:13,309 --> 00:48:11,099

late it was probably two in the morning

1300

00:48:16,069 --> 00:48:13,319

we had been out having a good time but I

1301  
00:48:17,210 --> 00:48:16,079  
was driving so I was sober and it was

1302  
00:48:21,950 --> 00:48:17,220  
like

1303  
00:48:24,050 --> 00:48:21,960  
planet was gonna crash into the Earth it

1304  
00:48:25,970 --> 00:48:24,060  
was round and it had these Flames coming

1305  
00:48:27,470 --> 00:48:25,980  
out of it that was like it kind of

1306  
00:48:29,569 --> 00:48:27,480  
almost looked like rainbow colors like

1307  
00:48:31,130 --> 00:48:29,579  
purple and red and so maybe it's just

1308  
00:48:33,589 --> 00:48:31,140  
something burning up into the atmosphere

1309  
00:48:35,990 --> 00:48:33,599  
but it was silent and it seemed so low

1310  
00:48:37,370 --> 00:48:36,000  
we were on Belmont Boulevard in

1311  
00:48:39,890 --> 00:48:37,380  
Nashville the Belmont College was

1312  
00:48:40,970 --> 00:48:39,900  
straight ahead and I was like we drove

1313  
00:48:42,170 --> 00:48:40,980

down the end of the road because I

1314

00:48:44,630 --> 00:48:42,180

thought somehow it was going to crash

1315

00:48:48,970 --> 00:48:44,640

you know I did too this is weird what if

1316

00:48:54,050 --> 00:48:52,069

I'd say anywhere between 85 and 80. I

1317

00:48:56,870 --> 00:48:54,060

know the house I owned and where I lived

1318

00:48:59,210 --> 00:48:56,880

and and um yeah it was in it was in the

1319

00:49:01,130 --> 00:48:59,220

late 80s and of course what seemed

1320

00:49:02,630 --> 00:49:01,140

overhead to us again when you're in this

1321

00:49:04,809 --> 00:49:02,640

when you're looking in the sky it's like

1322

00:49:06,829 --> 00:49:04,819

it was right over my head obviously

1323

00:49:08,690 --> 00:49:06,839

it seemed like I could have almost

1324

00:49:10,190 --> 00:49:08,700

thrown a ball up to it or something yeah

1325

00:49:13,069 --> 00:49:10,200

that was crazy

1326

00:49:14,870 --> 00:49:13,079

but yeah it it is

1327

00:49:17,030 --> 00:49:14,880

um so here's another question here I

1328

00:49:19,130 --> 00:49:17,040

don't know if you've ever even thought

1329

00:49:21,230 --> 00:49:19,140

about this uh what do you think about

1330

00:49:23,390 --> 00:49:21,240

the religious Theory you know that there

1331

00:49:26,210 --> 00:49:23,400

are Fallen Angels there are people that

1332

00:49:27,710 --> 00:49:26,220

also say this could be demonic you know

1333

00:49:29,870 --> 00:49:27,720

there's the people they have of that

1334

00:49:30,890 --> 00:49:29,880

thoughts as well yeah

1335

00:49:34,730 --> 00:49:30,900

um

1336

00:49:36,109 --> 00:49:34,740

really big part of your life then

1337

00:49:38,870 --> 00:49:36,119

obviously everything can be painted

1338

00:49:40,309 --> 00:49:38,880

through that possibly I I tell you what

1339

00:49:42,230 --> 00:49:40,319

I don't believe anybody that tells me

1340

00:49:44,030 --> 00:49:42,240

100 what they think is going on because

1341

00:49:46,190 --> 00:49:44,040

I think it could be all of the above I

1342

00:49:48,050 --> 00:49:46,200

think it could be a moving Target I

1343

00:49:51,170 --> 00:49:48,060

think it could change

1344

00:49:52,490 --> 00:49:51,180

um I've had good and bad experiences

1345

00:49:54,650 --> 00:49:52,500

I've had

1346

00:49:56,390 --> 00:49:54,660

um and I I don't tell a lot of the

1347

00:49:58,069 --> 00:49:56,400

details of the negative ones because I I

1348

00:49:59,210 --> 00:49:58,079

still I've got three kids and two of

1349

00:50:00,470 --> 00:49:59,220

them are in high school and I'm not

1350

00:50:02,990 --> 00:50:00,480

going to do that to them I think it's

1351  
00:50:04,550 --> 00:50:03,000  
kind of weird them out a lot but um I've

1352  
00:50:08,210 --> 00:50:04,560  
had a couple experiences with entities

1353  
00:50:10,010 --> 00:50:08,220  
that I I felt in my gut were not good at

1354  
00:50:12,050 --> 00:50:10,020  
all and they were very very frightening

1355  
00:50:14,089 --> 00:50:12,060  
I wouldn't say necessarily demonic but

1356  
00:50:16,250 --> 00:50:14,099  
I'm not terribly religious so I don't

1357  
00:50:18,589 --> 00:50:16,260  
filter things that way but they were

1358  
00:50:21,170 --> 00:50:18,599  
very negative and and I've also had a

1359  
00:50:23,510 --> 00:50:21,180  
couple experiences that felt truly

1360  
00:50:25,069 --> 00:50:23,520  
Angelic and again I'm not religious but

1361  
00:50:27,230 --> 00:50:25,079  
I I would have walked away with these

1362  
00:50:29,690 --> 00:50:27,240  
beings and never come back it felt that

1363  
00:50:32,270 --> 00:50:29,700

positive and loving so I get the whole

1364

00:50:33,250 --> 00:50:32,280

kind of Good and Evil comparison

1365

00:50:35,390 --> 00:50:33,260

um

1366

00:50:36,589 --> 00:50:35,400

it could be us from the future they

1367

00:50:38,510 --> 00:50:36,599

could be coming from a million different

1368

00:50:41,270 --> 00:50:38,520

planets they could be interdimensional

1369

00:50:42,829 --> 00:50:41,280

they could be Angels and Demons could be

1370

00:50:45,109 --> 00:50:42,839

all of the above and I think what really

1371

00:50:46,790 --> 00:50:45,119

matters is what your experience is what

1372

00:50:48,410 --> 00:50:46,800

it means to you and how you process it

1373

00:50:51,650 --> 00:50:48,420

and how you handle it

1374

00:50:52,910 --> 00:50:51,660

because everybody's different and all of

1375

00:50:55,730 --> 00:50:52,920

our experiences are a little bit

1376

00:50:57,530 --> 00:50:55,740

different yeah now we've only got a few

1377

00:50:59,569 --> 00:50:57,540

minutes left believe it or not it sure

1378

00:51:01,609 --> 00:50:59,579

sure goes really fast

1379

00:51:03,829 --> 00:51:01,619

um you are you are writing a book are

1380

00:51:06,710 --> 00:51:03,839

you writing a book did you say that yeah

1381

00:51:10,450 --> 00:51:06,720

and it's a fiction right is that it is

1382

00:51:13,430 --> 00:51:10,460

it's uh it's based Loosely on some of my

1383

00:51:15,170 --> 00:51:13,440

encounters and some of my thoughts about

1384

00:51:18,650 --> 00:51:15,180

this uh but it's it's going to be around

1385

00:51:20,450 --> 00:51:18,660

the hybrid uh topic because I I

1386

00:51:22,190 --> 00:51:20,460

absolutely believe that's real I don't

1387

00:51:23,930 --> 00:51:22,200

think thousands of women all around the

1388

00:51:26,390 --> 00:51:23,940

world having the exact same experiences

1389

00:51:28,069 --> 00:51:26,400

just made up or some Mass delusion their

1390

00:51:30,230 --> 00:51:28,079

pregnancies that are there and then they

1391

00:51:32,510 --> 00:51:30,240

go away and then these abductions that

1392

00:51:34,730 --> 00:51:32,520

happen later where they see you know a

1393

00:51:38,890 --> 00:51:34,740

child on a craft I I believe these women

1394

00:51:42,230 --> 00:51:38,900

and so I'm writing a story based on that

1395

00:51:43,250 --> 00:51:42,240

and it's it's coming together pretty

1396

00:51:44,750 --> 00:51:43,260

well

1397

00:51:46,309 --> 00:51:44,760

um that's another thing I'm just trying

1398

00:51:48,049 --> 00:51:46,319

to find enough time to get it done but I

1399

00:51:50,990 --> 00:51:48,059

hope by the end of the year to

1400

00:51:53,450 --> 00:51:51,000

possibly have that ready to publish

1401  
00:51:55,490 --> 00:51:53,460  
okay and we have three minutes left I'm

1402  
00:51:58,190 --> 00:51:55,500  
wondering if you can fill us on real

1403  
00:52:00,290 --> 00:51:58,200  
quickly you had like you grew up in what

1404  
00:52:02,089 --> 00:52:00,300  
you thought was a haunted house oh gosh

1405  
00:52:07,490 --> 00:52:02,099  
it's right around the corner from here

1406  
00:52:09,049 --> 00:52:07,500  
really so yeah cold spots and even like

1407  
00:52:10,549 --> 00:52:09,059  
totally normal adults that didn't

1408  
00:52:12,710 --> 00:52:10,559  
believe in paranormal stuff at all would

1409  
00:52:14,710 --> 00:52:12,720  
come into this house and be like oh what

1410  
00:52:17,150 --> 00:52:14,720  
is up with this place it's it's really

1411  
00:52:19,250 --> 00:52:17,160  
spooky and um

1412  
00:52:21,049 --> 00:52:19,260  
yeah that I think maybe was when I

1413  
00:52:22,970 --> 00:52:21,059

started with my whole I can't sleep in

1414

00:52:24,650 --> 00:52:22,980

my bed alone and this is so mean I'll

1415

00:52:26,510 --> 00:52:24,660

make this quick but I'm one of three

1416

00:52:28,730 --> 00:52:26,520

kids I'm the youngest they used to send

1417

00:52:31,430 --> 00:52:28,740

us upstairs everybody's around the fire

1418

00:52:33,230 --> 00:52:31,440

watching Saturday Night Live or you know

1419

00:52:35,690 --> 00:52:33,240

happy days or whatever and they would

1420

00:52:38,630 --> 00:52:35,700

send us up by age so I'd have to go

1421

00:52:39,770 --> 00:52:38,640

upstairs in this spooky ass house all by

1422

00:52:41,569 --> 00:52:39,780

myself

1423

00:52:42,829 --> 00:52:41,579

and then my brother would come up he's

1424

00:52:44,089 --> 00:52:42,839

in a different room finally my sister

1425

00:52:45,650 --> 00:52:44,099

would come up like an hour later and

1426

00:52:45,950 --> 00:52:45,660

just be sitting there for an hour like

1427

00:52:47,990 --> 00:52:45,960

um

1428

00:52:49,790 --> 00:52:48,000

[Music]

1429

00:52:51,829 --> 00:52:49,800

um so yeah it was a really scary house

1430

00:52:53,569 --> 00:52:51,839

you know graveyard right in the yard

1431

00:52:55,309 --> 00:52:53,579

little Cemetery for the family that

1432

00:52:57,049 --> 00:52:55,319

built the place and it was spooky as

1433

00:52:58,910 --> 00:52:57,059

hell but that started my ghost hunting

1434

00:53:00,349 --> 00:52:58,920

that that was um we'll have to do

1435

00:53:02,630 --> 00:53:00,359

another talk about that sometime and

1436

00:53:04,549 --> 00:53:02,640

I'll get my EVPs and

1437

00:53:06,470 --> 00:53:04,559

yeah I'm really into that and I actually

1438

00:53:08,450 --> 00:53:06,480

think it's all kind of related

1439

00:53:10,190 --> 00:53:08,460

yeah you know you're not the first one

1440

00:53:11,990 --> 00:53:10,200

to say that either I've heard a lot of

1441

00:53:14,569 --> 00:53:12,000

people say that think they're connected

1442

00:53:15,890 --> 00:53:14,579

there's a guy named Paul Eno that has a

1443

00:53:17,510 --> 00:53:15,900

really good theory about that I don't

1444

00:53:20,569 --> 00:53:17,520

know if you know who he is I don't think

1445

00:53:23,089 --> 00:53:20,579

he's uh he does mostly I think he's

1446

00:53:25,010 --> 00:53:23,099

um he does mostly like a radio show but

1447

00:53:28,849 --> 00:53:25,020

he's out there but he thinks they're all

1448

00:53:30,290 --> 00:53:28,859

uh all connected well yeah Ann strieber

1449

00:53:31,970 --> 00:53:30,300

I know you got to go but you know Ann

1450

00:53:33,109 --> 00:53:31,980

strieber used to read all those letters

1451  
00:53:34,790 --> 00:53:33,119  
that went to Whitley and a lot of people

1452  
00:53:38,990 --> 00:53:34,800  
see their dead loved one

1453  
00:53:40,069 --> 00:53:39,000  
with the grays right right well Katie

1454  
00:53:42,349 --> 00:53:40,079  
thank you so much it's been a real

1455  
00:53:44,270 --> 00:53:42,359  
pleasure thank you so much and thank you

1456  
00:53:47,450 --> 00:53:44,280  
listeners for putting up with me being a

1457  
00:53:49,970 --> 00:53:47,460  
little add yeah no really enjoyed it

1458  
00:53:51,770 --> 00:53:49,980  
thank you take care all right

1459  
00:53:54,770 --> 00:53:51,780  
all right everyone goodbye over there at

1460  
00:53:56,270 --> 00:53:54,780  
kgra radio and for those of you that are

1461  
00:53:58,790 --> 00:53:56,280  
hanging out here in YouTube and you

1462  
00:54:02,030 --> 00:53:58,800  
haven't seen this encounter yet it's

1463  
00:54:09,230 --> 00:54:02,040

really interesting and it's by uh Carol

1464

00:54:09,240 --> 00:54:15,000

everything

1465

00:54:20,510 --> 00:54:16,329

[Music]

1466

00:54:25,370 --> 00:54:20,520

okay back by popular demand is our UAP

1467

00:54:27,589 --> 00:54:25,380

UFO encounter clips and I was contacted

1468

00:54:30,470 --> 00:54:27,599

actually you were in the last show in

1469

00:54:35,569 --> 00:54:30,480

the chat room and I said email me right

1470

00:54:37,069 --> 00:54:35,579

yep yep so uh Carolyn Carol Klein and uh

1471

00:54:38,750 --> 00:54:37,079

if you would can you give us a little

1472

00:54:39,950 --> 00:54:38,760

first of all a little bit of your

1473

00:54:42,290 --> 00:54:39,960

background and go right into the

1474

00:54:45,770 --> 00:54:42,300

encounter if you would sure

1475

00:54:47,930 --> 00:54:45,780

um I am a Air Force brat my first 10

1476  
00:54:50,089 --> 00:54:47,940  
years of life were spent being raised on

1477  
00:54:51,770 --> 00:54:50,099  
military bases and I loved every minute

1478  
00:54:53,089 --> 00:54:51,780  
of it by the way that that wasn't a

1479  
00:54:55,490 --> 00:54:53,099  
complaint

1480  
00:54:57,950 --> 00:54:55,500  
um my dad died before

1481  
00:54:59,750 --> 00:54:57,960  
um he retired from the Air Force we uh

1482  
00:55:01,490 --> 00:54:59,760  
my mother and I traveled up here to

1483  
00:55:03,950 --> 00:55:01,500  
Maryland to meet my brother who got a

1484  
00:55:05,089 --> 00:55:03,960  
discharge from the Navy and we settled

1485  
00:55:07,069 --> 00:55:05,099  
here

1486  
00:55:09,589 --> 00:55:07,079  
um and I spent all of the rest of my

1487  
00:55:11,930 --> 00:55:09,599  
life in the Baltimore area I live in a

1488  
00:55:15,829 --> 00:55:11,940

suburb of Baltimore

1489

00:55:18,710 --> 00:55:15,839

um I am 64 now I been in higher

1490

00:55:21,710 --> 00:55:18,720

education for well over 30 years I spent

1491

00:55:24,069 --> 00:55:21,720

the last almost 30 years at a urban

1492

00:55:26,750 --> 00:55:24,079

community college in Baltimore city

1493

00:55:29,329 --> 00:55:26,760

where I teach mostly developmental

1494

00:55:31,309 --> 00:55:29,339

riding uh first year college riding

1495

00:55:34,849 --> 00:55:31,319

vocational writing you know skill

1496

00:55:36,890 --> 00:55:34,859

classes to my students so

1497

00:55:39,650 --> 00:55:36,900

um I don't have children because I

1498

00:55:41,990 --> 00:55:39,660

always say that my students were more

1499

00:55:44,450 --> 00:55:42,000

than enough for me too

1500

00:55:47,809 --> 00:55:44,460

to deal with they were my children yeah

1501  
00:55:50,870 --> 00:55:47,819  
no matter what their age is so yeah all

1502  
00:55:54,109 --> 00:55:50,880  
right so uh yeah let's talk about this

1503  
00:55:57,710 --> 00:55:54,119  
was just in December last year yeah very

1504  
00:55:59,630 --> 00:55:57,720  
not not so long ago very recent before

1505  
00:56:03,230 --> 00:55:59,640  
we get into that

1506  
00:56:05,270 --> 00:56:03,240  
um what was your idea about UFOs prior

1507  
00:56:07,790 --> 00:56:05,280  
to this happening

1508  
00:56:09,950 --> 00:56:07,800  
um I was a resist what I call a

1509  
00:56:12,650 --> 00:56:09,960  
resistant believer

1510  
00:56:14,450 --> 00:56:12,660  
um I didn't I I believe that these

1511  
00:56:16,970 --> 00:56:14,460  
things existed

1512  
00:56:20,390 --> 00:56:16,980  
um and I I have a strong suspicion that

1513  
00:56:23,390 --> 00:56:20,400

they aren't uh you know made here not

1514

00:56:25,910 --> 00:56:23,400  
made domestically shall we say

1515

00:56:27,589 --> 00:56:25,920  
um but I didn't want to believe it uh

1516

00:56:29,630 --> 00:56:27,599  
you know I have real mixed emotions

1517

00:56:32,930 --> 00:56:29,640  
about this I know that there are people

1518

00:56:35,150 --> 00:56:32,940  
in the UFO Community who you know are

1519

00:56:37,730 --> 00:56:35,160  
are you know flagging wanting to flag

1520

00:56:39,770 --> 00:56:37,740  
these folks down or beings down and

1521

00:56:41,750 --> 00:56:39,780  
invite them in and so on and I I'm not

1522

00:56:44,390 --> 00:56:41,760  
so sure that's a great idea you know

1523

00:56:47,329 --> 00:56:44,400  
given cattle mutilations and everything

1524

00:56:50,690 --> 00:56:47,339  
else I I'm not completely convinced that

1525

00:56:53,390 --> 00:56:50,700  
these are uh benevolent beings so that's

1526  
00:56:56,990 --> 00:56:53,400  
mixed emotions I guess is how I would

1527  
00:57:01,309 --> 00:56:57,000  
best describe it yeah okay so let's get

1528  
00:57:02,390 --> 00:57:01,319  
into December of 2022. yeah

1529  
00:57:06,829 --> 00:57:02,400  
I

1530  
00:57:09,470 --> 00:57:06,839  
sent to you describing the incident that

1531  
00:57:11,390 --> 00:57:09,480  
I have a habit of falling asleep way too

1532  
00:57:13,609 --> 00:57:11,400  
early in the evening and then waking up

1533  
00:57:16,970 --> 00:57:13,619  
you know by mid morning like around

1534  
00:57:19,849 --> 00:57:16,980  
three or four before the the Sun is up

1535  
00:57:21,829 --> 00:57:19,859  
and usually I'll you know answer some

1536  
00:57:24,349 --> 00:57:21,839  
emails and stuff and when I get bored I

1537  
00:57:26,630 --> 00:57:24,359  
grab some coffee grab the dog and we

1538  
00:57:30,170 --> 00:57:26,640

traveled just down the road about you

1539

00:57:32,450 --> 00:57:30,180

know maybe a mile to a parking lot where

1540

00:57:34,130 --> 00:57:32,460

there is a donut shop where lots of

1541

00:57:36,109 --> 00:57:34,140

commuters are coming through or you know

1542

00:57:38,690 --> 00:57:36,119

early morning traffic and stuff so I

1543

00:57:41,329 --> 00:57:38,700

feel relatively safe there this one

1544

00:57:43,490 --> 00:57:41,339

particular morning I forgot to let my

1545

00:57:46,069 --> 00:57:43,500

little dog down in the grass to relieve

1546

00:57:48,890 --> 00:57:46,079

itself and so I realized he was

1547

00:57:50,750 --> 00:57:48,900

squirming a bit on the ride to the donut

1548

00:57:53,450 --> 00:57:50,760

shop parking lot and I thought well I'll

1549

00:57:56,270 --> 00:57:53,460

just stop at this uh Business Park that

1550

00:57:58,670 --> 00:57:56,280

I frequent where lots of dog walkers uh

1551  
00:58:00,470 --> 00:57:58,680  
use the paths and so on and so forth I

1552  
00:58:02,329 --> 00:58:00,480  
thought it's always been safe so I'll

1553  
00:58:05,390 --> 00:58:02,339  
stop there and let him out and so that

1554  
00:58:08,450 --> 00:58:05,400  
that's what I did he started pulling me

1555  
00:58:10,670 --> 00:58:08,460  
down the the walk toward a really dark

1556  
00:58:12,770 --> 00:58:10,680  
area and I didn't want to go that far

1557  
00:58:15,829 --> 00:58:12,780  
down and into the dark so I picked him

1558  
00:58:18,530 --> 00:58:15,839  
up and as I was turning around with him

1559  
00:58:21,530 --> 00:58:18,540  
something caught my eye and that

1560  
00:58:24,349 --> 00:58:21,540  
something was you've seen a Street Lamp

1561  
00:58:27,049 --> 00:58:24,359  
before you know the tall Street lamps

1562  
00:58:30,650 --> 00:58:27,059  
and you know how bright and white they

1563  
00:58:33,710 --> 00:58:30,660

are this was brighter and wider than

1564

00:58:36,950 --> 00:58:33,720

anything I've seen before and I knew it

1565

00:58:38,690 --> 00:58:36,960

wasn't the Street Lamp and so and I

1566

00:58:41,289 --> 00:58:38,700

think deep down inside I knew what it

1567

00:58:44,990 --> 00:58:41,299

was but I went through like this little

1568

00:58:47,750 --> 00:58:45,000

index card box in my mind you know is it

1569

00:58:50,510 --> 00:58:47,760

is it a drone is it a helicopter is it a

1570

00:58:52,849 --> 00:58:50,520

you know is it are you hallucinating and

1571

00:58:55,549 --> 00:58:52,859

it wasn't any of that it was something

1572

00:58:57,589 --> 00:58:55,559

very different so I thought you know

1573

00:58:58,789 --> 00:58:57,599

just in case this happens to be

1574

00:59:00,650 --> 00:58:58,799

something oh I don't know

1575

00:59:03,109 --> 00:59:00,660

extraterrestrial let me get into the

1576  
00:59:04,789 --> 00:59:03,119  
parking garage so I went into the lower

1577  
00:59:07,190 --> 00:59:04,799  
level of the parking garage it's one of

1578  
00:59:09,770 --> 00:59:07,200  
those multi-tier things for businesses

1579  
00:59:12,289 --> 00:59:09,780  
and I flattened myself up against the

1580  
00:59:15,109 --> 00:59:12,299  
wall and watched it

1581  
00:59:17,510 --> 00:59:15,119  
um and you know I forgot to say that I

1582  
00:59:20,270 --> 00:59:17,520  
had unfortunately parked my car a little

1583  
00:59:23,329 --> 00:59:20,280  
too far away to get to and to get out of

1584  
00:59:26,329 --> 00:59:23,339  
there and when I did park my car I left

1585  
00:59:28,490 --> 00:59:26,339  
my cell phone in there so I didn't have

1586  
00:59:31,609 --> 00:59:28,500  
a you know any means of communication

1587  
00:59:35,089 --> 00:59:31,619  
any way of telling time any camera

1588  
00:59:38,089 --> 00:59:35,099

and so um so I was left to just observe

1589

00:59:39,890 --> 00:59:38,099

and to do a rough estimate of how long

1590

00:59:43,010 --> 00:59:39,900

this all took

1591

00:59:45,230 --> 00:59:43,020

um I would say was probably 20 minutes

1592

00:59:48,230 --> 00:59:45,240

I'm not a great calculator here but I

1593

00:59:51,170 --> 00:59:48,240

think around 20 minutes and I can tell

1594

00:59:53,510 --> 00:59:51,180

you I'm I'm a practicing Catholic and I

1595

00:59:56,089 --> 00:59:53,520

tend to pray a lot I do rosary and stuff

1596

00:59:59,510 --> 00:59:56,099

I have never prayed as hard as I prayed

1597

01:00:01,730 --> 00:59:59,520

in that parking garage oh wow I was

1598

01:00:04,190 --> 01:00:01,740

begging God please make this thing go

1599

01:00:05,150 --> 01:00:04,200

away please I gotta get out of here you

1600

01:00:07,789 --> 01:00:05,160

know and

1601  
01:00:10,069 --> 01:00:07,799  
um and it stayed and stayed uh now

1602  
01:00:12,289 --> 01:00:10,079  
meanwhile uh were

1603  
01:00:14,930 --> 01:00:12,299  
were people driving in and out of the

1604  
01:00:16,430 --> 01:00:14,940  
garage did you notice that it was so

1605  
01:00:20,890 --> 01:00:16,440  
early this was really before they

1606  
01:00:24,289 --> 01:00:20,900  
started coming I did see the uh area uh

1607  
01:00:27,049 --> 01:00:24,299  
neighbors uh townhouse development and a

1608  
01:00:29,510 --> 01:00:27,059  
apartment complex and so I did see one

1609  
01:00:31,789 --> 01:00:29,520  
or two cars leave I guess there were

1610  
01:00:32,750 --> 01:00:31,799  
commuters going going into Washington or

1611  
01:00:34,309 --> 01:00:32,760  
something

1612  
01:00:37,069 --> 01:00:34,319  
um and I thought it was so funny I

1613  
01:00:39,530 --> 01:00:37,079

watched one at I think it was a guy I

1614

01:00:41,930 --> 01:00:39,540

could kind of see the the profile

1615

01:00:43,970 --> 01:00:41,940

um and he right underneath of it he went

1616

01:00:45,710 --> 01:00:43,980

right under it and and I thought well

1617

01:00:48,230 --> 01:00:45,720

you didn't get sucked up into the craft

1618

01:00:50,870 --> 01:00:48,240

so you know maybe there's hope yet I

1619

01:00:54,410 --> 01:00:50,880

don't know and how how did the dog react

1620

01:00:56,750 --> 01:00:54,420

did he react at all you know he didn't

1621

01:00:58,670 --> 01:00:56,760

and and that amazes me because I do hear

1622

01:01:01,430 --> 01:00:58,680

that sometimes animals you know start to

1623

01:01:03,890 --> 01:01:01,440

act up when something but not mine I

1624

01:01:06,289 --> 01:01:03,900

mean we're talking about the most Placid

1625

01:01:07,910 --> 01:01:06,299

poodle in the entire world I mean you

1626

01:01:09,950 --> 01:01:07,920

know he just he just was looking around

1627

01:01:12,289 --> 01:01:09,960

he didn't know what was going on

1628

01:01:13,549 --> 01:01:12,299

okay and so why don't you describe what

1629

01:01:17,270 --> 01:01:13,559

you were looking at

1630

01:01:20,829 --> 01:01:17,280

well where I saw it it was interesting

1631

01:01:24,289 --> 01:01:20,839

because it sort of glided into position

1632

01:01:27,589 --> 01:01:24,299

no sound no emissions just that bright

1633

01:01:29,210 --> 01:01:27,599

light as it was gliding into uh into

1634

01:01:30,530 --> 01:01:29,220

position and I didn't mention this to

1635

01:01:32,569 --> 01:01:30,540

you in your email I happen to remember

1636

01:01:35,870 --> 01:01:32,579

late uh later

1637

01:01:37,549 --> 01:01:35,880

um it went over one of the businesses uh

1638

01:01:39,890 --> 01:01:37,559

the areas of the business park where

1639

01:01:42,410 --> 01:01:39,900

there was some lighting and so you could

1640

01:01:45,049 --> 01:01:42,420

see underneath of the of the UFO or

1641

01:01:46,910 --> 01:01:45,059

whatever this was

1642

01:01:49,190 --> 01:01:46,920

um and you could kind of see something

1643

01:01:50,750 --> 01:01:49,200

under it like it that had something

1644

01:01:53,510 --> 01:01:50,760

almost looked like a little bit of

1645

01:01:55,970 --> 01:01:53,520

scaffolding or something there but I

1646

01:01:59,390 --> 01:01:55,980

could tell that it was round

1647

01:02:02,089 --> 01:01:59,400

um and as I said very white very bright

1648

01:02:05,870 --> 01:02:02,099

it just kind of moved over into position

1649

01:02:08,870 --> 01:02:05,880

and just stayed and and and and no no

1650

01:02:11,630 --> 01:02:08,880

sound no anything

1651  
01:02:12,530 --> 01:02:11,640  
um interesting interesting

1652  
01:02:16,789 --> 01:02:12,540  
um

1653  
01:02:18,770 --> 01:02:16,799  
so you were there about 20 minutes and

1654  
01:02:21,410 --> 01:02:18,780  
um and then the thing

1655  
01:02:22,849 --> 01:02:21,420  
what it you told me in the email so why

1656  
01:02:25,789 --> 01:02:22,859  
don't you continue what you saw happen

1657  
01:02:28,849 --> 01:02:25,799  
right um I remember

1658  
01:02:30,829 --> 01:02:28,859  
okay oh God please don't let that shaft

1659  
01:02:32,390 --> 01:02:30,839  
of life that you see in the movies you

1660  
01:02:34,609 --> 01:02:32,400  
know suddenly click and guess what

1661  
01:02:37,130 --> 01:02:34,619  
happened the shaft of light clicked on

1662  
01:02:38,809 --> 01:02:37,140  
and I thought okay so this is the part

1663  
01:02:41,569 --> 01:02:38,819

in like you know one of those movies

1664

01:02:43,609 --> 01:02:41,579

about UFOs where either aliens come down

1665

01:02:45,770 --> 01:02:43,619

that Shaft or you get sucked up into

1666

01:02:47,510 --> 01:02:45,780

this ship and I thought oh God I don't

1667

01:02:49,370 --> 01:02:47,520

want to go on I don't want to go on any

1668

01:02:51,490 --> 01:02:49,380

you know Intergalactic rides this

1669

01:02:53,990 --> 01:02:51,500

morning please spare me

1670

01:02:56,510 --> 01:02:54,000

so it was it like a shaft of light that

1671

01:02:58,910 --> 01:02:56,520

came down yeah it was uh it wasn't

1672

01:03:02,690 --> 01:02:58,920

straight it kind of spread out you know

1673

01:03:05,089 --> 01:03:02,700

it it was almost triangular in fact part

1674

01:03:07,730 --> 01:03:05,099

of it was over the thing was sort of

1675

01:03:10,190 --> 01:03:07,740

over the trees and also over a little

1676  
01:03:11,870 --> 01:03:10,200  
lane that that you know there's there's

1677  
01:03:15,770 --> 01:03:11,880  
a little area there

1678  
01:03:16,849 --> 01:03:15,780  
um and so I know that I saw that shaft

1679  
01:03:19,549 --> 01:03:16,859  
of light

1680  
01:03:23,030 --> 01:03:19,559  
hit you know go all the way down to the

1681  
01:03:25,130 --> 01:03:23,040  
pavement on the lane I saw it and and I

1682  
01:03:26,690 --> 01:03:25,140  
and I know why I saw it because I kept

1683  
01:03:28,490 --> 01:03:26,700  
thinking please don't let anything come

1684  
01:03:29,990 --> 01:03:28,500  
off of this craft you know I was looking

1685  
01:03:31,670 --> 01:03:30,000  
to see if anything was going to be

1686  
01:03:33,650 --> 01:03:31,680  
deposited

1687  
01:03:35,270 --> 01:03:33,660  
um and then I guess I would estimate

1688  
01:03:37,130 --> 01:03:35,280

that maybe that stayed on about five

1689

01:03:39,289 --> 01:03:37,140

minutes because I remember calculating

1690

01:03:41,089 --> 01:03:39,299

what do I do if I see something you know

1691

01:03:43,609 --> 01:03:41,099

can I run fast enough because I hear

1692

01:03:46,370 --> 01:03:43,619

these things are pretty fast you know

1693

01:03:50,349 --> 01:03:46,380

um but anyway that as fast as it came on

1694

01:03:52,789 --> 01:03:50,359

it clicked off the light the the UFO

1695

01:03:54,289 --> 01:03:52,799

went dark

1696

01:03:55,849 --> 01:03:54,299

um I stayed there for a few minutes

1697

01:03:57,589 --> 01:03:55,859

thinking just because it's dark doesn't

1698

01:03:59,930 --> 01:03:57,599

mean it's gone

1699

01:04:02,569 --> 01:03:59,940

um but I didn't I didn't sense anything

1700

01:04:05,450 --> 01:04:02,579

was still there and so I made a run for

1701

01:04:10,609 --> 01:04:05,460

it I went to my car and got out of there

1702

01:04:13,370 --> 01:04:10,619

hmm and so you you did you call the

1703

01:04:15,410 --> 01:04:13,380

police right away I got to my original

1704

01:04:19,430 --> 01:04:15,420

destination which was the donut shop

1705

01:04:21,470 --> 01:04:19,440

parking lot and I parked and I you know

1706

01:04:23,450 --> 01:04:21,480

isn't that a strange idea to call the

1707

01:04:25,910 --> 01:04:23,460

police about a UFO I mean no because

1708

01:04:29,089 --> 01:04:25,920

that's what I did I did the same thing

1709

01:04:31,549 --> 01:04:29,099

good good I'm happy I'm happy to hear

1710

01:04:35,510 --> 01:04:31,559

that so I didn't know what to do so yeah

1711

01:04:38,150 --> 01:04:35,520

who do you call I mean you know so

1712

01:04:40,490 --> 01:04:38,160

um I called and a very nice young man

1713

01:04:42,710 --> 01:04:40,500

answered the phone at this Precinct and

1714

01:04:43,670 --> 01:04:42,720

he didn't laugh at me and I said you

1715

01:04:45,530 --> 01:04:43,680

know I know you're going to think I'm

1716

01:04:47,270 --> 01:04:45,540

crazy but here's what I just saw I said

1717

01:04:49,370 --> 01:04:47,280

has anybody else reported it he said no

1718

01:04:50,930 --> 01:04:49,380

we had I think he said that there was a

1719

01:04:52,549 --> 01:04:50,940

domestic disturbance or something that

1720

01:04:54,170 --> 01:04:52,559

they had a call for something like that

1721

01:04:55,789 --> 01:04:54,180

he said that's all we've had this

1722

01:04:57,589 --> 01:04:55,799

morning he said would you like to talk

1723

01:05:01,010 --> 01:04:57,599

to somebody at the non-emergency number

1724

01:05:02,809 --> 01:05:01,020

I said sure you know and so a woman

1725

01:05:04,549 --> 01:05:02,819

picked up the phone she was sort of like

1726

01:05:06,289 --> 01:05:04,559

you know it was kind of like Dragnet she

1727

01:05:08,809 --> 01:05:06,299

was just just the facts ma'am she was

1728

01:05:10,730 --> 01:05:08,819

polite but that's all she wanted and so

1729

01:05:12,170 --> 01:05:10,740

I told her what had happened and so she

1730

01:05:14,089 --> 01:05:12,180

said okay thank you and I said well wait

1731

01:05:15,829 --> 01:05:14,099

wait I said I have something else to say

1732

01:05:18,349 --> 01:05:15,839

I said I want to thank you for you know

1733

01:05:19,970 --> 01:05:18,359

ridiculing me because I know that you

1734

01:05:21,890 --> 01:05:19,980

know sometimes that happens you think

1735

01:05:24,349 --> 01:05:21,900

that there's a nut on the phone and she

1736

01:05:26,210 --> 01:05:24,359

says oh she says everybody who's called

1737

01:05:29,270 --> 01:05:26,220

in about this has said the same thing I

1738

01:05:31,309 --> 01:05:29,280

said wait everybody she says yeah she

1739

01:05:33,829 --> 01:05:31,319

says other people have seen it she said

1740

01:05:36,650 --> 01:05:33,839

but just not in your area so it had been

1741

01:05:39,230 --> 01:05:36,660

traveling through evidently so tell me

1742

01:05:41,329 --> 01:05:39,240

what the exact data that was then

1743

01:05:44,690 --> 01:05:41,339

what do you mean that's that the exact

1744

01:05:47,809 --> 01:05:44,700

December what December 10th December

1745

01:05:49,849 --> 01:05:47,819

10th 2022. and I asked about I saw it

1746

01:05:51,230 --> 01:05:49,859

around 6 30 in the morning the sun had

1747

01:05:53,990 --> 01:05:51,240

not come up yet

1748

01:05:55,549 --> 01:05:54,000

the reason I'm saying asking that is to

1749

01:05:57,950 --> 01:05:55,559

get an accurate date for anyone else

1750

01:06:01,130 --> 01:05:57,960

that may watch this video and may have

1751

01:06:04,730 --> 01:06:01,140

witnessed it or know someone so um

1752

01:06:07,789 --> 01:06:04,740

now let's you go back to the where you

1753

01:06:11,329 --> 01:06:07,799

you were when this happened and tell us

1754

01:06:14,870 --> 01:06:11,339

what you saw that made the light strange

1755

01:06:19,390 --> 01:06:17,390

stay in the daylight I'm not I'm no fool

1756

01:06:22,970 --> 01:06:19,400

I I don't go back to the dark anymore

1757

01:06:25,370 --> 01:06:22,980

but I stood where I was

1758

01:06:29,029 --> 01:06:25,380

um in that parking garage and I

1759

01:06:31,789 --> 01:06:29,039

reenacted what had happened and as much

1760

01:06:33,410 --> 01:06:31,799

as I tried I could not figure out how I

1761

01:06:35,270 --> 01:06:33,420

saw that shaft of light because the

1762

01:06:39,349 --> 01:06:35,280

trees would have blocked it

1763

01:06:41,329 --> 01:06:39,359

so the trees where it was but how would

1764

01:06:43,549 --> 01:06:41,339

you judge how far away it was from you

1765

01:06:46,069 --> 01:06:43,559

that would be very difficult I did a

1766

01:06:50,289 --> 01:06:46,079

rough estimate and I figured it was

1767

01:06:55,309 --> 01:06:53,210

so if it was indeed that far away then

1768

01:06:57,589 --> 01:06:55,319

it would almost seem impossible you'd

1769

01:07:00,410 --> 01:06:57,599

see the light shaft go to the ground or

1770

01:07:02,510 --> 01:07:00,420

the whole craft yeah

1771

01:07:05,029 --> 01:07:02,520

are you saying the whole crafter just

1772

01:07:07,250 --> 01:07:05,039

the light going I thought what what I

1773

01:07:09,529 --> 01:07:07,260

saw that morning was everything

1774

01:07:11,569 --> 01:07:09,539

now I mean that's all the craft I Saw

1775

01:07:13,730 --> 01:07:11,579

The Light et cetera et cetera I Saw The

1776

01:07:16,190 --> 01:07:13,740

Light hit the pavement

1777

01:07:17,630 --> 01:07:16,200

um but when I went back I could see I

1778

01:07:20,210 --> 01:07:17,640

could see how I could have seen the

1779

01:07:23,029 --> 01:07:20,220

craft because obviously it was elevated

1780

01:07:24,829 --> 01:07:23,039

but I don't see how I saw that light

1781

01:07:27,170 --> 01:07:24,839

um I could see how I could see it coming

1782

01:07:28,789 --> 01:07:27,180

out of the craft but I can't see how I

1783

01:07:32,750 --> 01:07:28,799

saw it hit the ground

1784

01:07:34,609 --> 01:07:32,760

that's it thank you so much and if you

1785

01:07:36,289 --> 01:07:34,619

yourself have had an interesting

1786

01:07:38,510 --> 01:07:36,299

encounter I love to have these little

1787

01:07:41,329 --> 01:07:38,520

01:07:54,589 --> 01:07:52,500

for one of those clips as well

1793

01:07:57,650 --> 01:07:54,599

um thank you so much everyone and again

1794

01:07:59,870 --> 01:07:57,660
