7
00:01:15,289 --> 00:01:13,200
the years how I believe that Ariel the

8
00:01:17,270 --> 00:01:15,299
Ariel phenomena School phenomenon or

9
00:01:20,149 --> 00:01:17,280
incident whatever you want to say back

10
00:01:23,210 --> 00:01:20,159
in 1994 I believe it has the most

11
00:01:25,730 --> 00:01:23,220
incredible credible case with those

12
00:01:27,850 --> 00:01:25,740
school children and I have Gunter who

13
00:01:30,649 --> 00:01:27,860

arrived pretty early on in the scene

14

00:01:33,170 --> 00:01:30,659

of the show that if you've had

22

00:01:53,210 --> 00:01:51,479

uh really a pleasure to be on your show

37

00:02:32,270 --> 00:02:31,260

and greetings to all the people who are

38

00:02:35,510 --> 00:02:32,280

watching today

39

00:02:38,270 --> 00:02:35,520

yes thank you uh Gunter so Gunter you've

40

00:02:40,010 --> 00:02:38,280

had a very amazing career because as

41

00:02:42,830 --> 00:02:40,020

soon as you really got into the UFO

42

00:02:44,750 --> 00:02:42,840

topic you jumped right in and you were

43

00:02:46,850 --> 00:02:44,760

involved right away and I see is this

44

00:02:49,729 --> 00:02:46,860

your photography behind you that I'm

45

00:02:52,610 --> 00:02:49,739

looking at yes uh what are what's behind

46

00:02:54,309 --> 00:02:52,620

me is my astrophotography it's just a

47

00:02:58,550 --> 00:02:54,319

hobby of mine that I do it's beautiful

48

00:03:00,229 --> 00:02:58,560

wow yeah very very nice and uh so do you

49

00:03:02,690 --> 00:03:00,239

ever do you ever display that anywhere

50

00:03:05,509 --> 00:03:02,700

like on a website or anything like that

51
00:03:08,509 --> 00:03:05,519
yes I do I have a website called

52
00:03:11,390 --> 00:03:08,519
ghofer.com

53
00:03:13,009 --> 00:03:11,400
ah okay all right well I hope people

54
00:03:15,410 --> 00:03:13,019
visit it because of these are really

55
00:03:18,229 --> 00:03:15,420
incredible images so I want to ask you

56
00:03:21,770 --> 00:03:18,239
first of all what got you interested in

57
00:03:25,610 --> 00:03:21,780
the topic of UFOs to begin with

58
00:03:28,490 --> 00:03:25,620
it started out in my teen years when my

59
00:03:31,729 --> 00:03:28,500
father was reading uh Cynthia's book

60
00:03:33,790 --> 00:03:31,739
this one here yeah African encounters

61
00:03:35,869 --> 00:03:33,800
which people may know about

62
00:03:38,149 --> 00:03:35,879
and um

63
00:03:40,789 --> 00:03:38,159

I just saw it on the bookshelf and I

64

00:03:43,789 --> 00:03:40,799

picked it up and uh you know it caught

65

00:03:45,649 --> 00:03:43,799

my imagination and my interest because

66

00:03:47,330 --> 00:03:45,659

these were

67

00:03:50,649 --> 00:03:47,340

it wasn't like a science fiction book

68

00:03:52,910 --> 00:03:50,659

these were real events at Cynthia was

69

00:03:55,490 --> 00:03:52,920

investigating in southern Africa

70

00:03:57,530 --> 00:03:55,500

basically Zimbabwe South Africa that

71

00:03:58,130 --> 00:03:57,540

region and

72

00:04:00,710 --> 00:03:58,140

um

73

00:04:04,610 --> 00:04:00,720

obviously I started reading more into it

74

00:04:06,770 --> 00:04:04,620

and then one day I had a more personal

75

00:04:10,670 --> 00:04:06,780

event happen when

76

00:04:12,949 --> 00:04:10,680

I was really in a year for book and my

77

00:04:13,970 --> 00:04:12,959

grandmother spotted me reading you know

78

00:04:16,490 --> 00:04:13,980

I was just sitting out on the table

79

00:04:18,409 --> 00:04:16,500

reading and she said I saw one of those

80

00:04:20,330 --> 00:04:18,419

things and I said what you mean you saw

81

00:04:21,949 --> 00:04:20,340

one of these things and she said oh in

82

00:04:24,110 --> 00:04:21,959

1968

83

00:04:26,689 --> 00:04:24,120

she saw it

84

00:04:29,210 --> 00:04:26,699

um what looked like two soup plates

85

00:04:31,990 --> 00:04:29,220

inverted over each other which is a

86

00:04:35,150 --> 00:04:32,000

typical disc shaped object

87

00:04:37,090 --> 00:04:35,160

in a town called

88

00:04:40,430 --> 00:04:37,100

where was it

89

00:04:42,230 --> 00:04:40,440

Lilo in North that's the northwest of

90

00:04:44,090 --> 00:04:42,240

Zimbabwe she had a little shop there she

91

00:04:46,490 --> 00:04:44,100

said in 1968

92

00:04:49,189 --> 00:04:46,500

and at that time there was you know a

93

00:04:52,670 --> 00:04:49,199

bit of civil warnings involving

94

00:04:54,770 --> 00:04:52,680

um that time was called Rhodesia and uh

95

00:04:56,570 --> 00:04:54,780

they saw a light in the distance she was

96

00:04:58,370 --> 00:04:56,580

closing the shop up and the security

97

00:04:59,689 --> 00:04:58,380

guard with her

98

00:05:02,689 --> 00:04:59,699

saw the slight in the distance

99

00:05:04,490 --> 00:05:02,699

approaching for them

100

00:05:06,710 --> 00:05:04,500

and she thought oh maybe it was a

101
00:05:08,090 --> 00:05:06,720
helicopter or airplane because of the

102
00:05:10,670 --> 00:05:08,100
war going on

103
00:05:13,689 --> 00:05:10,680
and as he got closer she was a bit

104
00:05:16,490 --> 00:05:13,699
puzzled because there was no sound

105
00:05:18,650 --> 00:05:16,500
and when it got really close she thought

106
00:05:22,010 --> 00:05:18,660
it was a very unusual shape it was a

107
00:05:24,830 --> 00:05:22,020
black disk like object with a very

108
00:05:27,590 --> 00:05:24,840
intense bright light underneath it

109
00:05:30,770 --> 00:05:27,600
and it seemed to be coming

110
00:05:34,029 --> 00:05:30,780
like if to come down to land not far

111
00:05:37,810 --> 00:05:34,039
from them virtually at tree height

112
00:05:40,249 --> 00:05:37,820
probably 100 feet away or less

113
00:05:41,870 --> 00:05:40,259

and the people in the village where she

114

00:05:44,210 --> 00:05:41,880

was staying started getting excited

115

00:05:46,969 --> 00:05:44,220

because they had never seen an object

116

00:05:49,029 --> 00:05:46,979

like this so they started shouting and

117

00:05:52,430 --> 00:05:49,039

pointing and all that

118

00:05:55,790 --> 00:05:52,440

and suddenly the object just took off at

119

00:05:58,249 --> 00:05:55,800

I don't know 45 degrees and shot off

120

00:06:00,650 --> 00:05:58,259

at an extreme rate of speed and

121

00:06:04,310 --> 00:06:00,660

disappeared

122

00:06:08,570 --> 00:06:06,110

so that must have shocked you I mean

123

00:06:10,310 --> 00:06:08,580

yeah sure I mean all these years I had

124

00:06:13,310 --> 00:06:10,320

known that and she's never told me

125

00:06:16,430 --> 00:06:13,320

anything until she saw me reading the

126

00:06:19,249 --> 00:06:16,440

book you know I find that I find that uh

127

00:06:22,610 --> 00:06:19,259

if when I'm out there in the general

128

00:06:24,830 --> 00:06:22,620

public if you know the topic happens to

129

00:06:28,850 --> 00:06:24,840

come up and I say well I you know I do a

130

00:06:31,550 --> 00:06:28,860

show on UFOs or whatever and or somehow

131

00:06:34,189 --> 00:06:31,560

that I bring it up or or whatever it is

132

00:06:35,930 --> 00:06:34,199

and you'd be surprised at how many

133

00:06:37,790 --> 00:06:35,940

people have seen something

134

00:06:39,950 --> 00:06:37,800

it seems like there's a pretty high

135

00:06:41,689 --> 00:06:39,960

percentage of our society that says oh

136

00:06:42,950 --> 00:06:41,699

yeah I've saw something I couldn't

137

00:06:45,890 --> 00:06:42,960

explain

138

00:06:49,790 --> 00:06:45,900

yeah you know absolutely true I've you

139

00:06:51,710 --> 00:06:49,800

know just randomly had people talk to me

140

00:06:54,129 --> 00:06:51,720

um that they've seen these objects just

141

00:06:56,570 --> 00:06:54,139

because I've shown an interest you know

142

00:06:58,129 --> 00:06:56,580

but they would kind of dismiss it and

143

00:06:59,330 --> 00:06:58,139

say you know I saw this thing but you

144

00:07:01,790 --> 00:06:59,340

know I just couldn't

145

00:07:04,610 --> 00:07:01,800

accept it or they're just dismissed it

146

00:07:07,850 --> 00:07:04,620

as to some unusual light and that was

147

00:07:09,710 --> 00:07:07,860

that you know it's only when years later

148

00:07:11,090 --> 00:07:09,720

someone was talking about the subject

149

00:07:12,770 --> 00:07:11,100

and they said you know what I saw this

150

00:07:13,550 --> 00:07:12,780

thing and I couldn't figure out what it

151
00:07:18,290 --> 00:07:13,560
was

152
00:07:20,629 --> 00:07:18,300
still kind of like disturbs them because

153
00:07:22,249 --> 00:07:20,639
it just doesn't quite figure with

154
00:07:26,210 --> 00:07:22,259
anything they've seen

155
00:07:28,430 --> 00:07:26,220
yeah yeah so and you also got into doing

156
00:07:30,950 --> 00:07:28,440
some because I know right away when the

157
00:07:32,930 --> 00:07:30,960
aerial incident happened you were there

158
00:07:35,089 --> 00:07:32,940
with some type of homemade geiger

159
00:07:37,490 --> 00:07:35,099
counter type of thing right I mean you

160
00:07:40,969 --> 00:07:37,500
you got interested in that aspect of it

161
00:07:43,670 --> 00:07:40,979
yeah I mean obviously before going to

162
00:07:46,490 --> 00:07:43,680
Ariel I was helping Cynthia

163
00:07:48,710 --> 00:07:46,500

with some of her investigations and I

164

00:07:52,249 --> 00:07:48,720

how I got involved with Cynthia

165

00:07:54,830 --> 00:07:52,259

obviously I read her book and there was

166

00:07:58,610 --> 00:07:54,840

a postal address which you could write

167

00:08:01,189 --> 00:07:58,620

letters to her and you know if you had a

168

00:08:03,890 --> 00:08:01,199

case or wanted to know information

169

00:08:06,409 --> 00:08:03,900

Etc so I wrote to her saying I had this

170

00:08:08,270 --> 00:08:06,419

device that might help

171

00:08:10,330 --> 00:08:08,280

with maybe some of the investigations

172

00:08:13,430 --> 00:08:10,340

I'd made a device that was picked up

173

00:08:15,050 --> 00:08:13,440

electrostatic Fields so if there's a

174

00:08:17,390 --> 00:08:15,060

object with a lot of

175

00:08:20,089 --> 00:08:17,400

electrical field or magnetic field it

176

00:08:21,170 --> 00:08:20,099

could pick it up so I thought maybe that

177

00:08:23,930 --> 00:08:21,180

might work

178

00:08:25,010 --> 00:08:23,940

so she got interested and contacted me

179

00:08:28,070 --> 00:08:25,020

after that

180

00:08:30,529 --> 00:08:28,080

and I made some devices

181

00:08:32,209 --> 00:08:30,539

which we gave her which I gave her

182

00:08:34,850 --> 00:08:32,219

because there was a case she was

183

00:08:37,250 --> 00:08:34,860

investigating where someone was having

184

00:08:39,170 --> 00:08:37,260

like Encounters in their house

185

00:08:40,389 --> 00:08:39,180

like something was coming in their room

186

00:08:43,790 --> 00:08:40,399

at night

187

00:08:46,730 --> 00:08:43,800

and so he took this person took the

188

00:08:49,190 --> 00:08:46,740

device to his room to see if they had

189

00:08:51,110 --> 00:08:49,200

any reaction but I can't remember if

190

00:08:54,230 --> 00:08:51,120

there was a reaction or anything after

191

00:08:58,790 --> 00:08:54,240

that or if he had another encounter

192

00:09:00,829 --> 00:08:58,800

and um so I became so Cynthia kind of

193

00:09:02,810 --> 00:09:00,839

like asked me if I'd be interested in

194

00:09:05,389 --> 00:09:02,820

getting involved you know being part of

195

00:09:06,710 --> 00:09:05,399

her team and get involved in helping

196

00:09:07,610 --> 00:09:06,720

investigations

197

00:09:09,670 --> 00:09:07,620

Etc

198

00:09:12,949 --> 00:09:09,680

so I agreed

199

00:09:14,930 --> 00:09:12,959

and I used to Harbor like maybe take

200

00:09:17,990 --> 00:09:14,940

some photographs

201
00:09:20,870 --> 00:09:18,000
or bring some of the equipment along or

202
00:09:22,610 --> 00:09:20,880
just um you know just come along for the

203
00:09:24,530 --> 00:09:22,620
investigation and just take in

204
00:09:28,190 --> 00:09:24,540
information or listening to the

205
00:09:30,590 --> 00:09:28,200
witnesses that she used to interview

206
00:09:32,210 --> 00:09:30,600
and of course every year she had a l

207
00:09:35,509 --> 00:09:32,220
think every

208
00:09:38,030 --> 00:09:35,519
quarterly or six months depending on how

209
00:09:40,370 --> 00:09:38,040
much news because she was part of mufon

210
00:09:43,009 --> 00:09:40,380
investigator

211
00:09:44,930 --> 00:09:43,019
she used to get information

212
00:09:47,509 --> 00:09:44,940
and when she had enough information she

213
00:09:50,269 --> 00:09:47,519

would bring in to us and do a

214

00:09:53,509 --> 00:09:50,279

presentation to a few members

215

00:09:56,150 --> 00:09:53,519

of the public you know maybe like us

216

00:09:57,949 --> 00:09:56,160

half a dozen people were invited to a

217

00:10:01,970 --> 00:09:57,959

home and she would give her a little

218

00:10:05,329 --> 00:10:01,980

talk and presentation of what she heard

219

00:10:07,250 --> 00:10:05,339

and listened to and information she got

220

00:10:09,530 --> 00:10:07,260

from mufon from cases around the world

221

00:10:11,090 --> 00:10:09,540

so at that time you have to remember we

222

00:10:16,090 --> 00:10:11,100

didn't have the internet there was a

223

00:10:19,210 --> 00:10:16,100

just maybe telephone or yeah occasional

224

00:10:21,470 --> 00:10:19,220

books and letters from people

225

00:10:23,150 --> 00:10:21,480

correspondents that kind of thing so

226

00:10:24,829 --> 00:10:23,160

things were kind of slower moving so

227

00:10:25,850 --> 00:10:24,839

Cynthia kind of collected the

228

00:10:27,350 --> 00:10:25,860

information

229

00:10:31,009 --> 00:10:27,360

over the year and then did a

230

00:10:34,250 --> 00:10:31,019

presentation to a few people and if

231

00:10:37,030 --> 00:10:34,260

she had big cases she would go out and

232

00:10:40,730 --> 00:10:37,040

do presentations to the public

233

00:10:42,829 --> 00:10:40,740

maybe once every two years or so

234

00:10:45,470 --> 00:10:42,839

now when you

235

00:10:48,050 --> 00:10:45,480

when you would go out with her on these

236

00:10:49,850 --> 00:10:48,060

cases what was some of the earlier ones

237

00:10:52,190 --> 00:10:49,860

that you did did you do some prior to

238

00:10:55,670 --> 00:10:52,200

the Ariel incident

239

00:10:59,750 --> 00:10:55,680

there were some prior to the aerial I

240

00:11:04,389 --> 00:11:02,690

to a town to the I think it was bandura

241

00:11:07,130 --> 00:11:04,399

if I'm right

242

00:11:10,190 --> 00:11:07,140

and we had an interesting case there

243

00:11:12,650 --> 00:11:10,200

because we had a young boy who was

244

00:11:16,970 --> 00:11:12,660

studying at night time

245

00:11:18,769 --> 00:11:16,980

and he had this clicking sound every

246

00:11:20,870 --> 00:11:18,779

couple of minutes outside his window

247

00:11:23,690 --> 00:11:20,880

because he was doing studying late at

248

00:11:25,550 --> 00:11:23,700

night so

249

00:11:27,110 --> 00:11:25,560

he switched off the light because he has

250

00:11:29,210 --> 00:11:27,120

a bit puzzle about the sound that was

251
00:11:30,949 --> 00:11:29,220
coming outside because there's a road

252
00:11:34,670 --> 00:11:30,959
that went

253
00:11:37,550 --> 00:11:34,680
almost like a roundabout in his area

254
00:11:39,290 --> 00:11:37,560
and there's a school across the other

255
00:11:42,170 --> 00:11:39,300
side

256
00:11:44,269 --> 00:11:42,180
so he went out and he's there was a

257
00:11:46,310 --> 00:11:44,279
little Bush or Hedge

258
00:11:47,870 --> 00:11:46,320
and he was hiding me to look what was

259
00:11:49,190 --> 00:11:47,880
what was causing this clicking sound

260
00:11:52,250 --> 00:11:49,200
because he thought someone was coming

261
00:11:54,829 --> 00:11:52,260
along making funny noises

262
00:11:56,090 --> 00:11:54,839
and what what he encountered was

263
00:11:58,730 --> 00:11:56,100

absolutely

264

00:12:02,810 --> 00:11:58,740

well he has a kind of terrified because

265

00:12:05,750 --> 00:12:02,820

what he saw was a small Bean with some

266

00:12:08,329 --> 00:12:05,760

kind of rucksack some kind of suit

267

00:12:10,670 --> 00:12:08,339

and

268

00:12:13,550 --> 00:12:10,680

it had some kind of area coming out of

269

00:12:16,850 --> 00:12:13,560

the light and a some kind of beeping

270

00:12:18,590 --> 00:12:16,860

sound emanating from this device and

271

00:12:20,509 --> 00:12:18,600

around the whole creature there was a

272

00:12:24,290 --> 00:12:20,519

rainbow

273

00:12:26,750 --> 00:12:24,300

pearl of light kind of effect around it

274

00:12:29,810 --> 00:12:26,760

like almost some kind of

275

00:12:32,810 --> 00:12:29,820

field around this creature

276

00:12:35,030 --> 00:12:32,820

and across the road the security guard

277

00:12:36,230 --> 00:12:35,040

of the school witnessed the same thing

278

00:12:38,269 --> 00:12:36,240

and

279

00:12:39,949 --> 00:12:38,279

we tried to get the security guard but

280

00:12:43,370 --> 00:12:39,959

the security guard was terrified to come

281

00:12:47,690 --> 00:12:43,380

forward to tell us about it

282

00:12:49,610 --> 00:12:47,700

and the young boy described that it left

283

00:12:50,690 --> 00:12:49,620

kind of foot marks in the ground they

284

00:12:52,730 --> 00:12:50,700

were like

285

00:12:55,009 --> 00:12:52,740

a pattern of five

286

00:12:56,449 --> 00:12:55,019

you know because I was a Dutch Road it

287

00:12:59,449 --> 00:12:56,459

wasn't hard

288

00:13:01,850 --> 00:12:59,459

so you could see the actual impressions

289

00:13:03,650 --> 00:13:01,860

in the ground so he just drew an

290

00:13:08,110 --> 00:13:03,660

impression on the ground law five kind

291

00:13:13,129 --> 00:13:10,790

like in a pattern of five you're saying

292

00:13:15,050 --> 00:13:13,139

yeah you know like if it's some kind of

293

00:13:16,750 --> 00:13:15,060

boot I don't know

294

00:13:19,670 --> 00:13:16,760

whatever the

295

00:13:21,970 --> 00:13:19,680

Footwear or if it had kind of Footwear

296

00:13:25,269 --> 00:13:21,980

if it was at the feet I'm not sure

297

00:13:27,650 --> 00:13:25,279

created this five patterns

298

00:13:29,990 --> 00:13:27,660

on the ground yeah

299

00:13:32,449 --> 00:13:30,000

but we didn't actually see it because we

300

00:13:35,030 --> 00:13:32,459

only met the boy

301
00:13:39,110 --> 00:13:35,040
weeks afterwards you know because he

302
00:13:42,829 --> 00:13:39,120
wrote to Cynthia you know oh I see yeah

303
00:13:45,850 --> 00:13:42,839
yeah things go uh so slowly that way you

304
00:13:51,769 --> 00:13:48,769
some of the cases are rural so sometimes

305
00:13:54,410 --> 00:13:51,779
you get the information maybe weeks

306
00:13:56,509 --> 00:13:54,420
some of them are much older years even

307
00:13:59,389 --> 00:13:56,519
you know depending

308
00:14:01,629 --> 00:13:59,399
at the time how far away were you from

309
00:14:04,550 --> 00:14:01,639
where the Ariel school was

310
00:14:07,970 --> 00:14:04,560
cool is about uh

311
00:14:11,990 --> 00:14:07,980
22 kilometers from the capital of ararre

312
00:14:15,949 --> 00:14:12,000
where we were based which is about 14

313
00:14:19,970 --> 00:14:15,959

miles roughly away so it's not too far

314

00:14:21,949 --> 00:14:19,980

away right really cool and yeah so how

315

00:14:26,710 --> 00:14:21,959

Cynthia got to hear about it initially

316

00:14:30,829 --> 00:14:26,720

was Tim leech you may remember yes BBC

317

00:14:33,350 --> 00:14:30,839

photographer cameraman got a picture he

318

00:14:35,710 --> 00:14:33,360

was a war photographer yeah that's right

319

00:14:41,150 --> 00:14:35,720

yeah and um

320

00:14:44,329 --> 00:14:41,160

he found Cynthia he found her and

321

00:14:48,170 --> 00:14:44,339

he said did you do you know there was uh

322

00:14:51,350 --> 00:14:48,180

a landing at a school called Ariel just

323

00:14:52,790 --> 00:14:51,360

outside Harare and he had spoken to the

324

00:14:54,769 --> 00:14:52,800

Headmaster

325

00:15:01,750 --> 00:14:54,779

and

326

00:15:05,150 --> 00:15:01,760

that's how he got involved in that

327

00:15:06,610 --> 00:15:05,160

uh so this was in on the 16th of

328

00:15:10,370 --> 00:15:06,620

September

329

00:15:12,290 --> 00:15:10,380

1994 he called Cynthia on Friday late

330

00:15:14,990 --> 00:15:12,300

afternoon or early evening

331

00:15:18,650 --> 00:15:15,000

and then after that Cynthia

332

00:15:22,370 --> 00:15:18,660

found me to let you know because she

333

00:15:24,110 --> 00:15:22,380

arranged to go to the school uh you know

334

00:15:26,030 --> 00:15:24,120

because it was a Friday now all the

335

00:15:27,470 --> 00:15:26,040

school was closed for the weekend so we

336

00:15:30,650 --> 00:15:27,480

only could get to the school with the

337

00:15:33,470 --> 00:15:30,660

following week and we went on the

338

00:15:35,389 --> 00:15:33,480

Tuesday the 20th of September

339

00:15:38,750 --> 00:15:35,399

hmm

340

00:15:40,490 --> 00:15:38,760

um yeah so from there we um

341

00:15:41,030 --> 00:15:40,500

we proceeded to

342

00:15:44,810 --> 00:15:41,040

um

343

00:15:46,790 --> 00:15:44,820

we went to the BBC myself Cynthia

344

00:15:48,949 --> 00:15:46,800

and she had two colleagues and one of

345

00:15:52,490 --> 00:15:48,959

them was her son he helped up carrying

346

00:15:53,990 --> 00:15:52,500

some of the equipment that we had there

347

00:15:56,569 --> 00:15:54,000

yeah

348

00:15:59,030 --> 00:15:56,579

so what was it like walking let's let's

349

00:16:01,670 --> 00:15:59,040

just focus on that for a little while

350

00:16:05,629 --> 00:16:01,680

um so what was it like walking into the

351

00:16:08,150 --> 00:16:05,639

schoolyard and starting to hear some of

352

00:16:10,490 --> 00:16:08,160

I don't know if she did all her

353

00:16:12,650 --> 00:16:10,500

interviews right there in front of you

354

00:16:14,389 --> 00:16:12,660

or some of them or what was all that

355

00:16:16,850 --> 00:16:14,399

like for you

356

00:16:19,850 --> 00:16:16,860

the initial well for me I didn't know

357

00:16:20,769 --> 00:16:19,860

what to expect because I've I've heard

358

00:16:23,870 --> 00:16:20,779

of

359

00:16:26,870 --> 00:16:23,880

some encounters but nothing like this

360

00:16:29,810 --> 00:16:26,880

yeah so it was quite quite a new kind of

361

00:16:31,870 --> 00:16:29,820

experience for me for myself so I didn't

362

00:16:33,590 --> 00:16:31,880

know what to expect really

363

00:16:35,750 --> 00:16:33,600

and

364

00:16:38,749 --> 00:16:35,760

Cynthia was a little bit excited as well

365

00:16:40,850 --> 00:16:38,759

and you know fascinated

366

00:16:44,509 --> 00:16:40,860

because she never had something this big

367

00:16:49,730 --> 00:16:47,090

so we were there with the BBC so Tom was

368

00:16:52,370 --> 00:16:49,740

filming we went into the

369

00:16:56,870 --> 00:16:52,380

school and the Headmaster had already

370

00:16:59,629 --> 00:16:56,880

had a few kids in in the office

371

00:17:01,610 --> 00:16:59,639

and they're on the table there there was

372

00:17:03,350 --> 00:17:01,620

a few of the images that the children

373

00:17:07,549 --> 00:17:03,360

had

374

00:17:10,429 --> 00:17:07,559

drawn the previous day I believe

375

00:17:13,250 --> 00:17:10,439

so that they had it all fresh in memory

376

00:17:14,990 --> 00:17:13,260

so we wanted them Cynthia actually asked

377

00:17:17,870 --> 00:17:15,000

him to sort of the kids to sit

378

00:17:19,130 --> 00:17:17,880

individually and draw what they saw so

379

00:17:22,370 --> 00:17:19,140

when she came she could have a look

380

00:17:25,730 --> 00:17:22,380

through the images that they had um

381

00:17:27,350 --> 00:17:25,740

created obviously it was fascinating to

382

00:17:30,650 --> 00:17:27,360

see all the images

383

00:17:32,510 --> 00:17:30,660

a lot of them had to face similar

384

00:17:34,190 --> 00:17:32,520

drawings of

385

00:17:36,130 --> 00:17:34,200

The Craft

386

00:17:40,490 --> 00:17:36,140

between the trees

387

00:17:43,610 --> 00:17:40,500

and some of them showed three crafts you

388

00:17:47,570 --> 00:17:43,620

know in the sky flying and there's even

389

00:17:49,549 --> 00:17:47,580

uh I think I saw two that mentioned

390

00:17:52,430 --> 00:17:49,559

that even on Thursday the day before

391

00:17:53,690 --> 00:17:52,440

there was something visible so they

392

00:17:57,289 --> 00:17:53,700

showed a little

393

00:17:59,390 --> 00:17:57,299

drawing where they said Thursday we saw

394

00:18:02,029 --> 00:17:59,400

this object and then on Friday they had

395

00:18:03,830 --> 00:18:02,039

the main event so there's actually the

396

00:18:05,510 --> 00:18:03,840

event didn't actually only happen on the

397

00:18:08,210 --> 00:18:05,520

Friday the 16th

398

00:18:10,909 --> 00:18:08,220

but also on the Thursday the 15th there

399

00:18:15,950 --> 00:18:10,919

was a sighting with some of the kids saw

400

00:18:18,230 --> 00:18:15,960

a cigar-shaped object flying

401
00:18:20,930 --> 00:18:18,240
you know this is a part of the story

402
00:18:23,750 --> 00:18:20,940
that I have never heard hmm

403
00:18:27,250 --> 00:18:23,760
so that's that's really interesting and

404
00:18:31,190 --> 00:18:27,260
I uh and then you know the other thing

405
00:18:33,830 --> 00:18:31,200
that I find really fascinating is some

406
00:18:35,510 --> 00:18:33,840
of the kids have

407
00:18:37,789 --> 00:18:35,520
um and I believe I had I'm trying to

408
00:18:38,750 --> 00:18:37,799
think who I had one of the kids that I

409
00:18:41,810 --> 00:18:38,760
had on

410
00:18:45,409 --> 00:18:41,820
um in Madagascar what's his name um

411
00:18:48,470 --> 00:18:45,419
oh I think I know it's not Francis yes

412
00:18:51,289 --> 00:18:48,480
Francis Francis uh was saying that he

413
00:18:53,690 --> 00:18:51,299

saw these like little orbs or something

414

00:18:56,210 --> 00:18:53,700

spinning around the object which is

415

00:18:58,310 --> 00:18:56,220

quite fascinating I think a few other

416

00:18:59,870 --> 00:18:58,320

people saw something like that yes

417

00:19:01,789 --> 00:18:59,880

because what the kids were describing

418

00:19:04,130 --> 00:19:01,799

they saw like like I mentioned the main

419

00:19:06,110 --> 00:19:04,140

object and then they saw a few smaller

420

00:19:08,090 --> 00:19:06,120

objects

421

00:19:09,950 --> 00:19:08,100

um flying with that

422

00:19:12,490 --> 00:19:09,960

yeah and

423

00:19:15,049 --> 00:19:12,500

some of the kids were

424

00:19:17,690 --> 00:19:15,059

described in a very interesting way how

425

00:19:19,490 --> 00:19:17,700

this object moved and I can't

426
00:19:21,770 --> 00:19:19,500
that's what made it more fascinating for

427
00:19:24,230 --> 00:19:21,780
me when they saw the objects flying some

428
00:19:26,770 --> 00:19:24,240
of the kids they said the objects flew

429
00:19:29,570 --> 00:19:26,780
and then disappeared reappeared

430
00:19:32,150 --> 00:19:29,580
disappeared reappeared somewhere else

431
00:19:33,970 --> 00:19:32,160
so it wasn't like it was moving along it

432
00:19:36,650 --> 00:19:33,980
kind of like appeared disappeared

433
00:19:39,770 --> 00:19:36,660
reappeared over here disappeared and

434
00:19:42,409 --> 00:19:39,780
reappeared over here and then landed

435
00:19:44,450 --> 00:19:42,419
and some of the kids said they were the

436
00:19:46,909 --> 00:19:44,460
main Landing there and then it was

437
00:19:49,549 --> 00:19:46,919
another Landing a little bit further up

438
00:19:53,450 --> 00:19:49,559

so

439

00:19:57,110 --> 00:19:53,460

we went on the day when we went to talk

440

00:19:58,549 --> 00:19:57,120

to the kids and had the interviews

441

00:20:00,470 --> 00:19:58,559

two kids

442

00:20:03,230 --> 00:20:00,480

um

443

00:20:06,529 --> 00:20:03,240

myself and Tim went to them and they

444

00:20:08,150 --> 00:20:06,539

were showing us the um the area where

445

00:20:11,029 --> 00:20:08,160

they thought the main Landing was

446

00:20:12,710 --> 00:20:11,039

because a lot of the kids were on the

447

00:20:14,810 --> 00:20:12,720

edge of the field

448

00:20:17,870 --> 00:20:14,820

because there's a boundary they had put

449

00:20:21,049 --> 00:20:17,880

some logs between

450

00:20:23,810 --> 00:20:21,059

the rough Savannah kind of grass going

451
00:20:24,789 --> 00:20:23,820
into Bush you know be shrubs in the

452
00:20:28,130 --> 00:20:24,799
background

453
00:20:29,690 --> 00:20:28,140
and they said it landed somewhere just

454
00:20:31,549 --> 00:20:29,700
beyond the brush

455
00:20:34,490 --> 00:20:31,559
and the kids were all

456
00:20:37,130 --> 00:20:34,500
standing by the logs you know excited

457
00:20:38,470 --> 00:20:37,140
seamless object and seen

458
00:20:41,810 --> 00:20:38,480
two

459
00:20:44,690 --> 00:20:41,820
creatures beans appear from there

460
00:20:47,810 --> 00:20:44,700
some of the kids describe them

461
00:20:52,010 --> 00:20:47,820
large heads with tights for thin black

462
00:20:55,010 --> 00:20:52,020
suits large oval eyes

463
00:20:59,270 --> 00:20:55,020

and um and some of them even described

464

00:21:02,090 --> 00:20:59,280

the long hair so I did a a mock drawing

465

00:21:04,909 --> 00:21:02,100

at the time of of that and this is kind

466

00:21:07,850 --> 00:21:04,919

of what I had oh yeah wow how about that

467

00:21:10,730 --> 00:21:07,860

we did that at the time

468

00:21:12,470 --> 00:21:10,740

yeah at the time in fact uh John I gave

469

00:21:16,850 --> 00:21:12,480

this to John Mack

470

00:21:19,250 --> 00:21:16,860

yeah because he he put his notes Here

471

00:21:22,190 --> 00:21:19,260

um because he came in November and he

472

00:21:24,590 --> 00:21:22,200

puts November you know from good to hofa

473

00:21:26,210 --> 00:21:24,600

you know description yeah were you

474

00:21:31,390 --> 00:21:26,220

actually there when John Mack was there

475

00:21:36,169 --> 00:21:33,110

those kids

476
00:21:39,110 --> 00:21:36,179
yeah I remember when he came he had

477
00:21:40,730 --> 00:21:39,120
interviewed a couple of kids one of them

478
00:21:42,890 --> 00:21:40,740
was Liesel

479
00:21:45,289 --> 00:21:42,900
um as you may know yeah a little girl

480
00:21:48,230 --> 00:21:45,299
who talked about the

481
00:21:50,390 --> 00:21:48,240
effect on the environment Etc right when

482
00:21:51,890 --> 00:21:50,400
she was looking at the eyes of the

483
00:21:55,909 --> 00:21:51,900
creatures because

484
00:21:58,310 --> 00:21:55,919
somehow Mack was able to

485
00:22:01,610 --> 00:21:58,320
get them to convey their feelings you

486
00:22:02,990 --> 00:22:01,620
know right and I think in Anonymous

487
00:22:05,149 --> 00:22:03,000
listening to their feelings everyone was

488
00:22:07,789 --> 00:22:05,159

just interested in what did you see what

489

00:22:09,950 --> 00:22:07,799

did it look like the nuts and bolt kind

490

00:22:12,289 --> 00:22:09,960

of stuff you know right but not going

491

00:22:14,690 --> 00:22:12,299

into the emotions and the experience

492

00:22:15,830 --> 00:22:14,700

internal experiences the children were

493

00:22:18,770 --> 00:22:15,840

having

494

00:22:19,850 --> 00:22:18,780

at the time you know and what it made

495

00:22:21,409 --> 00:22:19,860

them feel

496

00:22:26,510 --> 00:22:21,419

so

497

00:22:29,630 --> 00:22:26,520

scoot right down to their level and oh

498

00:22:31,970 --> 00:22:29,640

yeah you feel comfortable and yeah he

499

00:22:34,970 --> 00:22:31,980

was really really good at that yeah he

500

00:22:36,830 --> 00:22:34,980

was very gentle yeah he didn't he didn't

501
00:22:39,409 --> 00:22:36,840
lead them he just kind of asked them

502
00:22:41,570 --> 00:22:39,419
what did you feel what yeah when they

503
00:22:44,210 --> 00:22:41,580
described the creature with the eyes

504
00:22:46,250 --> 00:22:44,220
looking at them why did it were you

505
00:22:48,230 --> 00:22:46,260
scared

506
00:22:50,270 --> 00:22:48,240
um you know kind of like someone

507
00:22:52,850 --> 00:22:50,280
subconsciously

508
00:22:54,890 --> 00:22:52,860
bringing out the information that they

509
00:22:56,870 --> 00:22:54,900
kind of felt it was very interesting why

510
00:22:59,470 --> 00:22:56,880
did they come out with this feeling of

511
00:23:02,330 --> 00:22:59,480
the environment issues of environment

512
00:23:05,570 --> 00:23:02,340
issues of Technology

513
00:23:06,230 --> 00:23:05,580

you know being harmful to people Etc you

514

00:23:11,750 --> 00:23:06,240

know

515

00:23:13,909 --> 00:23:11,760

pointed out to me that

516

00:23:15,169 --> 00:23:13,919

um after watching Randall Nicholson's

517

00:23:18,529 --> 00:23:15,179

movie

518

00:23:20,690 --> 00:23:18,539

um that you were involved in as well uh

519

00:23:21,649 --> 00:23:20,700

they were said that you know there was

520

00:23:24,649 --> 00:23:21,659

never

521

00:23:26,990 --> 00:23:24,659

a message of how to fix anything only

522

00:23:29,330 --> 00:23:27,000

that you know kind of like this is

523

00:23:31,730 --> 00:23:29,340

happening or this is to come type of

524

00:23:34,669 --> 00:23:31,740

thing and not not offering anything

525

00:23:37,010 --> 00:23:34,679

other than this is here you know this is

526

00:23:39,409 --> 00:23:37,020

this is this could happen or is going to

527

00:23:41,230 --> 00:23:39,419

happen one way or the other or something

528

00:23:44,210 --> 00:23:41,240

that's right

529

00:23:48,230 --> 00:23:44,220

you know it's hard to

530

00:23:49,730 --> 00:23:48,240

I mean even people always say uh we are

531

00:23:51,289 --> 00:23:49,740

the youth we are the aliens you know

532

00:23:54,110 --> 00:23:51,299

they haven't landed on the white hole

533

00:23:56,870 --> 00:23:54,120

House lawn you know they don't hobble

534

00:23:58,669 --> 00:23:56,880

the cities and announce themselves Etc

535

00:24:01,490 --> 00:23:58,679

you know

536

00:24:03,649 --> 00:24:01,500

um because obviously with this whole

537

00:24:05,390 --> 00:24:03,659

disclosure program people are looking

538

00:24:08,630 --> 00:24:05,400

for answers from

539

00:24:11,870 --> 00:24:08,640

government you know do you have craft

540

00:24:15,110 --> 00:24:11,880

hidden or you have video footage and all

541

00:24:17,270 --> 00:24:15,120

that kind of thing but in the end you

542

00:24:19,310 --> 00:24:17,280

know it doesn't matter how good the

543

00:24:22,490 --> 00:24:19,320

video is people will debunk them these

544

00:24:24,250 --> 00:24:22,500

days saying say uh CGI or it was

545

00:24:26,810 --> 00:24:24,260

manipulated or it was some government

546

00:24:29,570 --> 00:24:26,820

secret program

547

00:24:32,630 --> 00:24:29,580

and the only time people will believe it

548

00:24:34,490 --> 00:24:32,640

is you have the physical evidence here

549

00:24:37,850 --> 00:24:34,500

literally in front of them you know

550

00:24:40,490 --> 00:24:37,860

right here's a here's an interesting

551
00:24:43,669 --> 00:24:40,500
question and I and I agree with any type

552
00:24:45,490 --> 00:24:43,679
of question of asking this do you happen

553
00:24:49,250 --> 00:24:45,500
to know if any of the Charles children's

554
00:24:51,770 --> 00:24:49,260
reported any type of you know odor uh

555
00:24:54,529 --> 00:24:51,780
when they're being Superior

556
00:24:58,190 --> 00:24:54,539
not as far as I'm aware of the only

557
00:25:03,049 --> 00:24:58,200
thing I've heard of is people hearing a

558
00:25:05,510 --> 00:25:03,059
slight like uh whistling sound yes that

559
00:25:09,830 --> 00:25:05,520
they heard like a flute yeah like a

560
00:25:14,289 --> 00:25:09,840
flute sound yes that's right yeah yeah

561
00:25:17,450 --> 00:25:14,299
and because I the the

562
00:25:21,230 --> 00:25:17,460
Francis I don't know if he mentioned to

563
00:25:23,769 --> 00:25:21,240

you that when that he described also how

564

00:25:27,230 --> 00:25:23,779

the aliens moved was also

565

00:25:29,930 --> 00:25:27,240

blinked in and out yeah they almost like

566

00:25:32,029 --> 00:25:29,940

the crops how the craft came the aliens

567

00:25:34,130 --> 00:25:32,039

were moving not like how we moved they

568

00:25:36,769 --> 00:25:34,140

just kind of like appeared disappeared

569

00:25:39,049 --> 00:25:36,779

and then appeared over here you know

570

00:25:41,390 --> 00:25:39,059

it's almost like

571

00:25:42,649 --> 00:25:41,400

the emotion is different to how we move

572

00:25:45,409 --> 00:25:42,659

you know

573

00:25:49,909 --> 00:25:45,419

or the technology they're using to move

574

00:25:51,830 --> 00:25:49,919

is different yeah or or uh yeah I mean

575

00:25:55,190 --> 00:25:51,840

we may not be able to understand how

576
00:25:57,049 --> 00:25:55,200
they do anything and another thing is uh

577
00:25:58,730 --> 00:25:57,059
you know when when you talk about the

578
00:26:00,590 --> 00:25:58,740
blinking in and out I can't help but

579
00:26:03,409 --> 00:26:00,600
think of could this be an

580
00:26:05,169 --> 00:26:03,419
interdimensional type of situation you

581
00:26:07,730 --> 00:26:05,179
know I mean

582
00:26:10,010 --> 00:26:07,740
nothing's taken off the table when it

583
00:26:13,010 --> 00:26:10,020
comes to uh something I always I always

584
00:26:13,870 --> 00:26:13,020
hold my hands up and and I say I don't

585
00:26:21,890 --> 00:26:13,880
know

586
00:26:23,510 --> 00:26:21,900
it how it's done you can only imagine

587
00:26:25,549 --> 00:26:23,520
um

588
00:26:27,950 --> 00:26:25,559

you know someone from the Stone Age

589

00:26:31,070 --> 00:26:27,960

looking at us today driving in the car

590

00:26:34,610 --> 00:26:31,080

and that person trying to describe it to

591

00:26:36,710 --> 00:26:34,620

his people yeah language they would have

592

00:26:39,470 --> 00:26:36,720

in the Stone Age they wouldn't believe

593

00:26:41,990 --> 00:26:39,480

him you know it would be too fanciful

594

00:26:44,269 --> 00:26:42,000

you know or flying in a plane or jet or

595

00:26:46,370 --> 00:26:44,279

yeah yeah those were the gods flying up

596

00:26:48,590 --> 00:26:46,380

there you know so yeah thunder and

597

00:26:51,169 --> 00:26:48,600

lightning you know it was a jet flying

598

00:26:52,490 --> 00:26:51,179

past you know that kind of thing that's

599

00:26:54,409 --> 00:26:52,500

right

600

00:26:58,010 --> 00:26:54,419

so they'll use the language of the time

601
00:27:01,310 --> 00:26:58,020
and we are doing the same we can only

602
00:27:03,350 --> 00:27:01,320
describe it with the knowledge

603
00:27:06,110 --> 00:27:03,360
the physics and the science we

604
00:27:08,390 --> 00:27:06,120
understand currently you know obviously

605
00:27:09,590 --> 00:27:08,400
if there's new physics and new

606
00:27:11,570 --> 00:27:09,600
technologies

607
00:27:13,789 --> 00:27:11,580
that we don't know what's going to be in

608
00:27:15,590 --> 00:27:13,799
the next 100

609
00:27:17,930 --> 00:27:15,600
000 billion years you know if their

610
00:27:19,370 --> 00:27:17,940
civilization of billion years ahead of

611
00:27:21,830 --> 00:27:19,380
us

612
00:27:25,130 --> 00:27:21,840
their technology would be purely magic

613
00:27:28,490 --> 00:27:25,140

to us purely magic right and also the

614

00:27:31,669 --> 00:27:28,500

way of thinking we always try to you

615

00:27:34,070 --> 00:27:31,679

know use our terms of thought but we

616

00:27:37,730 --> 00:27:34,080

have absolutely no idea what type of

617

00:27:40,190 --> 00:27:37,740

thought you know whether uh we we'd only

618

00:27:41,390 --> 00:27:40,200

be guessing you know I mean and that

619

00:27:44,149 --> 00:27:41,400

would be

620

00:27:46,970 --> 00:27:44,159

like right now if you if we went and

621

00:27:48,830 --> 00:27:46,980

visited a life on another planet you

622

00:27:51,230 --> 00:27:48,840

know in another galaxy or a part of our

623

00:27:53,330 --> 00:27:51,240

galaxy but you know thousands of light

624

00:27:55,070 --> 00:27:53,340

years away or whatever and we landed on

625

00:27:56,810 --> 00:27:55,080

their planet we would have no idea how

626
00:27:58,430 --> 00:27:56,820
they think unless we you know we could

627
00:27:59,690 --> 00:27:58,440
observe them and try to figure it out

628
00:28:00,789 --> 00:27:59,700
but

629
00:28:05,750 --> 00:28:00,799
um you know I mean

630
00:28:07,250 --> 00:28:05,760
uh I I hope I hope this we're not you

631
00:28:10,010 --> 00:28:07,260
know all the living beings out there

632
00:28:13,610 --> 00:28:10,020
aren't warring and tribal yeah you know

633
00:28:16,010 --> 00:28:13,620
we pray I mean maybe um

634
00:28:18,470 --> 00:28:16,020
they so far ahead of us that they just

635
00:28:21,110 --> 00:28:18,480
look at us like ants you know like yeah

636
00:28:23,750 --> 00:28:21,120
we we just walk about we don't see the

637
00:28:25,970 --> 00:28:23,760
answer the threats whatsoever yeah until

638
00:28:28,130 --> 00:28:25,980

until there's so many of them and then

639

00:28:30,649 --> 00:28:28,140

we kind of stamp our legs and crush a

640

00:28:32,450 --> 00:28:30,659

few of them you know they get in the way

641

00:28:34,730 --> 00:28:32,460

you know and then there's a problem in

642

00:28:36,649 --> 00:28:34,740

you the ants or get any shape that you

643

00:28:40,330 --> 00:28:36,659

know that God's got angry and crushed us

644

00:28:46,190 --> 00:28:43,730

yeah I don't hope we don't uh agitate

645

00:28:47,570 --> 00:28:46,200

them maybe we are who knows

646

00:28:51,190 --> 00:28:47,580

um

647

00:28:53,870 --> 00:28:51,200

yeah yeah when it comes to nuclear

648

00:28:55,250 --> 00:28:53,880

warheads and things like that

649

00:28:56,990 --> 00:28:55,260

um

650

00:29:00,830 --> 00:28:57,000

yeah it seemed interesting they're going

651
00:29:04,010 --> 00:29:00,840
uh when I hear about the reports of um

652
00:29:05,269 --> 00:29:04,020
these UFO encounters near silos nuclear

653
00:29:06,830 --> 00:29:05,279
facilities

654
00:29:09,350 --> 00:29:06,840
Etc

655
00:29:11,690 --> 00:29:09,360
um like they deliberately keeping an eye

656
00:29:14,210 --> 00:29:11,700
on them like are these objects you know

657
00:29:16,730 --> 00:29:14,220
are these weapons safe they're not you

658
00:29:18,049 --> 00:29:16,740
know rusting and about to explode or

659
00:29:19,970 --> 00:29:18,059
something like they just deliberately

660
00:29:24,230 --> 00:29:19,980
take in

661
00:29:27,350 --> 00:29:24,240
um stock of what's going on because they

662
00:29:29,690 --> 00:29:27,360
can't have the experiment contaminated

663
00:29:32,330 --> 00:29:29,700

you know that kind of thing now when you

664

00:29:33,590 --> 00:29:32,340

were doing the research with uh Cynthia

665

00:29:35,510 --> 00:29:33,600

Hines

666

00:29:38,930 --> 00:29:35,520

um I'm gonna pop this question up from

667

00:29:41,090 --> 00:29:38,940

uh someone in chat Jim wants to know to

668

00:29:42,889 --> 00:29:41,100

do you know anything about the other

669

00:29:44,930 --> 00:29:42,899

Witnesses who saw the beings off the

670

00:29:47,870 --> 00:29:44,940

school grounds did she do any of that

671

00:29:52,190 --> 00:29:47,880

type of research as well

672

00:29:54,830 --> 00:29:52,200

well she she had conversations with some

673

00:29:56,149 --> 00:29:54,840

people who described

674

00:29:58,549 --> 00:29:56,159

scene

675

00:30:01,909 --> 00:29:58,559

I think in the evening

676

00:30:04,130 --> 00:30:01,919

of the on that Friday if I'm right

677

00:30:06,889 --> 00:30:04,140

someone was driving

678

00:30:09,289 --> 00:30:06,899

um on the road near Rua there by the

679

00:30:13,130 --> 00:30:09,299

school and they crashed because they saw

680

00:30:15,769 --> 00:30:13,140

what they described like um

681

00:30:16,430 --> 00:30:15,779

dead people walking towards him on the

682

00:30:18,710 --> 00:30:16,440

road

683

00:30:20,690 --> 00:30:18,720

which is you know the big head and the

684

00:30:22,669 --> 00:30:20,700

eyes you know so they just got like a

685

00:30:24,470 --> 00:30:22,679

look like a skull you know because of

686

00:30:26,029 --> 00:30:24,480

the big head and the eyes

687

00:30:31,610 --> 00:30:26,039

so

688

00:30:36,769 --> 00:30:31,620

how long

689

00:30:41,029 --> 00:30:36,779

and then they they um they went back

690

00:30:42,830 --> 00:30:41,039

so that was one of the reports I believe

691

00:30:46,850 --> 00:30:42,840

maybe one of the teachers said they saw

692

00:30:48,350 --> 00:30:46,860

a light you know as well over some of

693

00:30:50,930 --> 00:30:48,360

the areas because we never had any

694

00:30:52,610 --> 00:30:50,940

adults seen the craft at the school

695

00:30:55,430 --> 00:30:52,620

because

696

00:30:58,370 --> 00:30:55,440

at the time the staff were all in a

697

00:31:01,850 --> 00:30:58,380

meeting while the kids are playing

698

00:31:05,269 --> 00:31:01,860

and the only adult on the ground was the

699

00:31:06,950 --> 00:31:05,279

lady who was Manning the Tuck Shop which

700

00:31:09,409 --> 00:31:06,960

is a little shop where kids buy some

701

00:31:10,669 --> 00:31:09,419

sweets and biscuits and drinks and

702

00:31:13,370 --> 00:31:10,679

things like that

703

00:31:15,710 --> 00:31:13,380

and some of the older kids ran over to

704

00:31:17,389 --> 00:31:15,720

say miss miss you know this you know

705

00:31:19,010 --> 00:31:17,399

there's something going on down here you

706

00:31:21,470 --> 00:31:19,020

have to come and see and she just

707

00:31:23,810 --> 00:31:21,480

ignored them and said oh no you guys are

708

00:31:24,769 --> 00:31:23,820

just pulling my leg you know that kind

709

00:31:27,710 --> 00:31:24,779

of thing

710

00:31:29,450 --> 00:31:27,720

well supposedly one of the teachers came

711

00:31:32,029 --> 00:31:29,460

forward

712

00:31:33,230 --> 00:31:32,039

um a few years ago and said that she

713

00:31:35,870 --> 00:31:33,240

actually did

714

00:31:38,029 --> 00:31:35,880

did see it did you ever hear about this

715

00:31:40,970 --> 00:31:38,039

was this was a few years ago

716

00:31:43,730 --> 00:31:40,980

no I didn't well maybe because now I'm

717

00:31:47,450 --> 00:31:43,740

here I don't get the opportunity to to

718

00:31:49,549 --> 00:31:47,460

speak to them in England yeah that's

719

00:31:51,710 --> 00:31:49,559

true so I'm a kind of like a bit out of

720

00:31:53,930 --> 00:31:51,720

touch with the event

721

00:31:56,930 --> 00:31:53,940

since I left Zimbabwe in that respect

722

00:31:58,490 --> 00:31:56,940

you know yeah yeah

723

00:31:59,450 --> 00:31:58,500

um how long have you been away from

724

00:32:03,230 --> 00:31:59,460

there

725

00:32:05,330 --> 00:32:03,240

I've left Zimbabwe in 2001 that's when I

726

00:32:09,289 --> 00:32:05,340

left Zimbabwe so I've been here a while

727

00:32:11,450 --> 00:32:09,299

now 22 years now yeah and how many times

728

00:32:12,830 --> 00:32:11,460

did you go to this school after the

729

00:32:15,590 --> 00:32:12,840

incident

730

00:32:17,389 --> 00:32:15,600

I went there at least twice

731

00:32:19,630 --> 00:32:17,399

I went

732

00:32:22,669 --> 00:32:19,640

after the initial

733

00:32:25,250 --> 00:32:22,679

investigation with Cynthia and BBC were

734

00:32:27,889 --> 00:32:25,260

they I went out

735

00:32:31,370 --> 00:32:27,899

with a work colleague

736

00:32:32,690 --> 00:32:31,380

to do just a few I think it was maybe a

737

00:32:34,549 --> 00:32:32,700

few days after

738

00:32:37,130 --> 00:32:34,559

because I just there was just so much

739

00:32:39,049 --> 00:32:37,140

activity with distractions I never had

740

00:32:41,570 --> 00:32:39,059

the time to really scan the ground

741

00:32:43,850 --> 00:32:41,580

without the you know people

742

00:32:46,070 --> 00:32:43,860

calling me and doing this and we had

743

00:32:47,630 --> 00:32:46,080

such limited time off you know after

744

00:32:48,769 --> 00:32:47,640

interviewing the kids and seeing a

745

00:32:50,289 --> 00:32:48,779

little bit of

746

00:32:53,510 --> 00:32:50,299

the grounds

747

00:32:55,909 --> 00:32:53,520

that were allowed I managed to go there

748

00:32:58,730 --> 00:32:55,919

on a weekend on a Saturday

749

00:33:00,710 --> 00:32:58,740

statistics look over the places where

750

00:33:03,289 --> 00:33:00,720

the kids said they saw the other craft

751
00:33:05,810 --> 00:33:03,299
land because where the main craft landed

752
00:33:07,789 --> 00:33:05,820
between the near the trees the ground

753
00:33:10,070 --> 00:33:07,799
was very hard so I couldn't see any

754
00:33:12,649 --> 00:33:10,080
Impressions there but then the other

755
00:33:16,490 --> 00:33:12,659
kids that they saw something land

756
00:33:19,970 --> 00:33:16,500
more to the left in the grass so I went

757
00:33:21,529 --> 00:33:19,980
down that way and I did find too overall

758
00:33:25,450 --> 00:33:21,539
impressions

759
00:33:29,330 --> 00:33:25,460
one large one and one smaller one wow

760
00:33:33,230 --> 00:33:29,340
which I I made a crude meth at the time

761
00:33:35,690 --> 00:33:33,240
to help me so here's the school up here

762
00:33:38,870 --> 00:33:35,700
and then down hang on just a minute let

763
00:33:40,490 --> 00:33:38,880

me uh do this there you go so this is

764

00:33:41,750 --> 00:33:40,500

the school up here where the kids were

765

00:33:45,049 --> 00:33:41,760

observing

766

00:33:46,549 --> 00:33:45,059

the main craft over here in red we are

767

00:33:49,730 --> 00:33:46,559

marked in red here

768

00:33:51,230 --> 00:33:49,740

and then I went to walk down to find out

769

00:33:53,750 --> 00:33:51,240

where the other kids said they saw some

770

00:33:56,690 --> 00:33:53,760

other craft and I found these oval

771

00:33:58,850 --> 00:33:56,700

two oval Impressions one low large oval

772

00:34:01,909 --> 00:33:58,860

which crossed the path

773

00:34:02,990 --> 00:34:01,919

and a smaller one next to it and the

774

00:34:09,909 --> 00:34:03,000

grass

775

00:34:13,250 --> 00:34:11,570

you know

776

00:34:16,730 --> 00:34:13,260

like there was some type of rotation

777

00:34:18,290 --> 00:34:16,740

possibly yeah some it seemed like there

778

00:34:20,389 --> 00:34:18,300

could have been some kind of rotation or

779

00:34:23,869 --> 00:34:20,399

whatever caused it to rotate in that

780

00:34:26,690 --> 00:34:23,879

manner you know yeah and I did find

781

00:34:29,750 --> 00:34:26,700

some Impressions there in the ground I

782

00:34:32,089 --> 00:34:29,760

found a witch a wedge shape

783

00:34:36,770 --> 00:34:32,099

triangular shaped impression in the

784

00:34:41,270 --> 00:34:39,589

15 centimeters long roughly

785

00:34:44,089 --> 00:34:41,280

I would say so it could have been

786

00:34:46,750 --> 00:34:44,099

landing gear possibly possibly

787

00:34:50,629 --> 00:34:46,760

yeah possibly

788

00:34:53,270 --> 00:34:50,639

and uh here's the uh oh yes did you take

789

00:34:57,290 --> 00:34:53,280

any readings from those impressions

790

00:35:00,290 --> 00:34:57,300

I did take some readings I had a a

791

00:35:02,329 --> 00:35:00,300

homemade geiger counter because at the

792

00:35:05,329 --> 00:35:02,339

time in Zimbabwe getting access to guy

793

00:35:08,510 --> 00:35:05,339

accounts as was really difficult

794

00:35:10,310 --> 00:35:08,520

I went to the university to find out if

795

00:35:12,710 --> 00:35:10,320

they had a guide to counter which they

796

00:35:15,050 --> 00:35:12,720

did but it was non-functional it wasn't

797

00:35:18,230 --> 00:35:15,060

working so

798

00:35:20,270 --> 00:35:18,240

um I had built a

799

00:35:23,270 --> 00:35:20,280

my own Geiger counters

800

00:35:28,130 --> 00:35:23,280

you know from I think there was a Radio

801
00:35:30,230 --> 00:35:28,140
Shack diagram in a magazine of homemade

802
00:35:31,810 --> 00:35:30,240
geiger counter you could build which I

803
00:35:35,990 --> 00:35:31,820
did build

804
00:35:37,910 --> 00:35:36,000
and I took it to the school but I don't

805
00:35:39,950 --> 00:35:37,920
think my Gaga account was sensitive

806
00:35:41,750 --> 00:35:39,960
enough if there was something

807
00:35:44,990 --> 00:35:41,760
slightly above

808
00:35:47,230 --> 00:35:45,000
average reading in the environment so I

809
00:35:50,450 --> 00:35:47,240
didn't actually read anything

810
00:35:52,430 --> 00:35:50,460
abnormal I also brought along a metal

811
00:35:59,390 --> 00:35:52,440
detector

812
00:36:07,430 --> 00:36:03,109
um well we did take I did take soil

813
00:36:10,370 --> 00:36:07,440

samples from the ovals that I discovered

814

00:36:13,550 --> 00:36:10,380

but and gave them to Cynthia to have

815

00:36:15,950 --> 00:36:13,560

them analyzed uh there wasn't anything

816

00:36:18,230 --> 00:36:15,960

unusual about the soil samples from what

817

00:36:21,349 --> 00:36:18,240

I gathered

818

00:36:24,410 --> 00:36:21,359

so how far away

819

00:36:26,210 --> 00:36:24,420

um would you say the ovals were from

820

00:36:28,609 --> 00:36:26,220

where the kids actually had their

821

00:36:30,589 --> 00:36:28,619

encounter with the beans I know Selma

822

00:36:33,050 --> 00:36:30,599

citic for one was only four feet or so

823

00:36:35,390 --> 00:36:33,060

away from one of the beams yes I

824

00:36:37,190 --> 00:36:35,400

remember describing it literally in

825

00:36:38,750 --> 00:36:37,200

front of a

826

00:36:42,530 --> 00:36:38,760

um

827

00:36:45,410 --> 00:36:42,540

the the craft that I or the landing

828

00:36:47,870 --> 00:36:45,420

marks I just discovered later when I had

829

00:36:49,069 --> 00:36:47,880

the time to you know explain explore the

830

00:36:51,470 --> 00:36:49,079

field area

831

00:36:53,150 --> 00:36:51,480

were probably

832

00:36:56,270 --> 00:36:53,160

200 meters

833

00:36:58,790 --> 00:36:56,280

further away to the to the left

834

00:37:00,370 --> 00:36:58,800

from the main experience which was more

835

00:37:03,410 --> 00:37:00,380

to the right

836

00:37:05,030 --> 00:37:03,420

now uh just this just occurred to me are

837

00:37:05,810 --> 00:37:05,040

you going to be involved in any of the

838

00:37:08,510 --> 00:37:05,820

uh

839

00:37:10,730 --> 00:37:08,520

the screenings that are happening in

840

00:37:12,950 --> 00:37:10,740

this one in DC coming up and one in New

841

00:37:14,270 --> 00:37:12,960

York of the aerial School phenomenon

842

00:37:15,109 --> 00:37:14,280

film are you going to be involved in any

843

00:37:19,010 --> 00:37:15,119

of those

844

00:37:21,170 --> 00:37:19,020

yes I'll be going to uh the one in DC

845

00:37:24,349 --> 00:37:21,180

and what's the date on that

846

00:37:27,770 --> 00:37:24,359

I believe it's the if I'm right the

847

00:37:29,690 --> 00:37:27,780

third of May May yeah yeah that's what I

848

00:37:31,910 --> 00:37:29,700

I remembered something like that yeah so

849

00:37:33,950 --> 00:37:31,920

yeah yeah that that should be

850

00:37:36,410 --> 00:37:33,960

interesting there's a few of those going

851

00:37:38,510 --> 00:37:36,420

on yeah yeah that's the third of May

852

00:37:40,609 --> 00:37:38,520

that's correct and I should say before

853

00:37:42,770 --> 00:37:40,619

we move on from that

854

00:37:44,569 --> 00:37:42,780

um did you think the movie was as

855

00:37:46,010 --> 00:37:44,579

beautiful as I thought it was

856

00:37:48,770 --> 00:37:46,020

yeah

857

00:37:50,630 --> 00:37:48,780

it was it was very emotional you know

858

00:37:54,109 --> 00:37:50,640

because yeah it just brought back a lot

859

00:37:55,190 --> 00:37:54,119

of memories I bet of of what happened

860

00:37:57,109 --> 00:37:55,200

and

861

00:37:59,030 --> 00:37:57,119

the people involved you know sadly

862

00:38:01,010 --> 00:37:59,040

Cynthia and Timber not around anymore

863

00:38:03,829 --> 00:38:01,020

you know

864

00:38:06,170 --> 00:38:03,839

um yeah I know yeah I heard that yeah

865

00:38:08,510 --> 00:38:06,180

yeah yeah

866

00:38:10,849 --> 00:38:08,520

yeah I mean I mean I can tell you some

867

00:38:14,630 --> 00:38:10,859

interesting things that Tim

868

00:38:16,329 --> 00:38:14,640

while Tim was involved in it initially

869

00:38:19,370 --> 00:38:16,339

um

870

00:38:21,829 --> 00:38:19,380

he he was obviously doing the you know

871

00:38:23,990 --> 00:38:21,839

filming it to send back to the BBC in

872

00:38:26,089 --> 00:38:24,000

London at the time yeah and in those

873

00:38:27,170 --> 00:38:26,099

days everything was kind of

874

00:38:30,410 --> 00:38:27,180

type

875

00:38:32,210 --> 00:38:30,420

couriered to the UK you know yeah and

876

00:38:34,250 --> 00:38:32,220

usually when I think it went via

877

00:38:37,190 --> 00:38:34,260

Johannesburg

878

00:38:39,050 --> 00:38:37,200

and I phoned him up once to find out

879

00:38:45,410 --> 00:38:39,060

about

880

00:38:47,750 --> 00:38:45,420

and she said oh yes it's the type and he

881

00:38:50,450 --> 00:38:47,760

talked about

882

00:38:51,589 --> 00:38:50,460

he had some encounters

883

00:38:55,010 --> 00:38:51,599

wow

884

00:39:01,849 --> 00:38:57,790

agencies with three letters shall I say

885

00:39:04,550 --> 00:39:01,859

that interfering with the tape

886

00:39:10,510 --> 00:39:07,010

did did the tape make it

887

00:39:13,130 --> 00:39:10,520

yes I did make it to the BBC but he see

888

00:39:15,290 --> 00:39:13,140

because I'll tell you what

889

00:39:17,690 --> 00:39:15,300

Tim and I and

890

00:39:18,950 --> 00:39:17,700

the two kids that were showing us this

891

00:39:23,270 --> 00:39:18,960

is um

892

00:39:24,650 --> 00:39:23,280

guy and farai here they were taking us

893

00:39:27,650 --> 00:39:24,660

around

894

00:39:29,470 --> 00:39:27,660

and while we were talking to them and

895

00:39:32,710 --> 00:39:29,480

they were pointing out we saw

896

00:39:35,690 --> 00:39:32,720

interestingly a very bright light

897

00:39:38,930 --> 00:39:35,700

a heel at the back

898

00:39:40,609 --> 00:39:38,940

and it was it initially we just thought

899

00:39:42,730 --> 00:39:40,619

maybe it's just

900

00:39:46,310 --> 00:39:42,740

a reflection of

901
00:39:49,010 --> 00:39:46,320
the zinc roofing you know the metal

902
00:39:51,109 --> 00:39:49,020
roofing at some of the little

903
00:39:53,770 --> 00:39:51,119
houses that some of the people local

904
00:39:57,710 --> 00:39:53,780
people build their homes with you know

905
00:40:00,410 --> 00:39:57,720
in Zimbabwe and it was just we thought

906
00:40:02,690 --> 00:40:00,420
it was this reflection of the sunlight

907
00:40:05,390 --> 00:40:02,700
and

908
00:40:07,730 --> 00:40:05,400
when I went back

909
00:40:10,069 --> 00:40:07,740
to look at the grounds more carefully

910
00:40:11,630 --> 00:40:10,079
there was actually nothing there you

911
00:40:13,790 --> 00:40:11,640
know there was absolutely nothing there

912
00:40:15,650 --> 00:40:13,800
to indicate that there was something

913
00:40:18,470 --> 00:40:15,660

that would cause that light to be

914

00:40:20,750 --> 00:40:18,480

shining us that day we were there ah so

915

00:40:22,970 --> 00:40:20,760

Cynthia and I used to make a joke that

916

00:40:25,790 --> 00:40:22,980

oh you know they were watching us or

917

00:40:27,770 --> 00:40:25,800

something like that yeah but anyway I I

918

00:40:31,310 --> 00:40:27,780

asked him about it did he catch it on

919

00:40:32,450 --> 00:40:31,320

tape and he said to me he got it on tape

920

00:40:34,730 --> 00:40:32,460

but

921

00:40:38,150 --> 00:40:34,740

that part of the tape disappeared you

922

00:40:38,750 --> 00:40:38,160

know showing that that light so

923

00:40:43,069 --> 00:40:38,760

um

924

00:40:44,930 --> 00:40:43,079

so yeah so I asked I was asking a favor

925

00:40:47,990 --> 00:40:44,940

from a journalist locally if he could

926
00:40:49,370 --> 00:40:48,000
track the original type that was sent to

927
00:40:51,829 --> 00:40:49,380
the BBC

928
00:40:54,490 --> 00:40:51,839
hoping that maybe we could

929
00:40:56,810 --> 00:40:54,500
find something out you know

930
00:41:00,109 --> 00:40:56,820
but yeah there are some interesting

931
00:41:02,870 --> 00:41:00,119
things happening with Tim and he got

932
00:41:05,630 --> 00:41:02,880
very intrigued about the whole incident

933
00:41:07,670 --> 00:41:05,640
you know he's just he was a bit like he

934
00:41:10,010 --> 00:41:07,680
just said to me just be careful

935
00:41:14,870 --> 00:41:10,020
didn't he basically say that it was a

936
00:41:20,630 --> 00:41:17,870
I not he didn't say that to me maybe

937
00:41:24,109 --> 00:41:20,640
you're saying it to other people but uh

938
00:41:26,329 --> 00:41:24,119

I know generally at the time

939

00:41:28,069 --> 00:41:26,339

you know just with Cynthia and her

940

00:41:30,410 --> 00:41:28,079

investigations a lot of people would

941

00:41:32,569 --> 00:41:30,420

only come to her privately like let's

942

00:41:34,069 --> 00:41:32,579

say Pilots they would always be

943

00:41:38,270 --> 00:41:34,079

anonymous they would never want to be

944

00:41:40,670 --> 00:41:38,280

named in her reports you know mm-hmm

945

00:41:43,250 --> 00:41:40,680

because of the stigma

946

00:41:44,690 --> 00:41:43,260

now I know there was uh you know there

947

00:41:46,430 --> 00:41:44,700

was

948

00:41:47,990 --> 00:41:46,440

um I don't know if you want to call it

949

00:41:48,890 --> 00:41:48,000

the bunkers or but they were talking

950

00:41:50,150 --> 00:41:48,900

about

951
00:41:52,310 --> 00:41:50,160
um you know something that entered the

952
00:41:54,170 --> 00:41:52,320
atmosphere and you know it had to be

953
00:41:58,550 --> 00:41:54,180
this had to be that but there was a lot

954
00:42:03,410 --> 00:41:58,560
of things going on within several days

955
00:42:04,130 --> 00:42:03,420
that's right well if I can just rehash

956
00:42:06,589 --> 00:42:04,140
um

957
00:42:09,170 --> 00:42:06,599
on some of the events like on Wednesday

958
00:42:10,670 --> 00:42:09,180
the 14th of September

959
00:42:13,550 --> 00:42:10,680
there was

960
00:42:16,130 --> 00:42:13,560
what he described as a pirate Technic

961
00:42:18,670 --> 00:42:16,140
display in the sky of Zimbabwe it was

962
00:42:22,670 --> 00:42:18,680
actually going over

963
00:42:24,109 --> 00:42:22,680

Zambia Zimbabwe maybe all the way down

964

00:42:27,050 --> 00:42:24,119

to

965

00:42:30,290 --> 00:42:27,060

Botswana it was going all the way from

966

00:42:34,550 --> 00:42:30,300

the north to the South and the light

967

00:42:40,069 --> 00:42:36,770

like a very large object in front and

968

00:42:43,130 --> 00:42:40,079

lots of smaller objects behind it and

969

00:42:46,550 --> 00:42:43,140

there's a long flame you know flame-like

970

00:42:47,510 --> 00:42:46,560

trail behind the sparkling trail behind

971

00:42:52,370 --> 00:42:47,520

us

972

00:42:54,530 --> 00:42:52,380

well people assumed it was maybe uh

973

00:42:57,010 --> 00:42:54,540

there were reports of oh it's a plane

974

00:43:01,130 --> 00:42:57,020

falling down you know on fire

975

00:43:05,210 --> 00:43:03,470

a meteorite shower you know meteorite

976
00:43:08,930 --> 00:43:05,220
shower of some sort you know maybe a

977
00:43:11,270 --> 00:43:08,940
piece of nature came in broke up and the

978
00:43:14,270 --> 00:43:11,280
main body and pieces of the meteor were

979
00:43:17,089 --> 00:43:14,280
flying and then we had um

980
00:43:20,150 --> 00:43:17,099
Cynthia believed it might have been a

981
00:43:22,430 --> 00:43:20,160
Soviet rocket launch and the nose cone

982
00:43:24,849 --> 00:43:22,440
had been ejected and came through the

983
00:43:28,370 --> 00:43:24,859
atmosphere a few days later apparently

984
00:43:30,950 --> 00:43:28,380
causing causing this event but

985
00:43:33,290 --> 00:43:30,960
that's all I know about that

986
00:43:36,890 --> 00:43:33,300
and then of course

987
00:43:41,230 --> 00:43:36,900
after that it was widely reported in the

988
00:43:44,750 --> 00:43:41,240

newspaper and the TV at the time

989

00:43:47,530 --> 00:43:44,760

and uh then I said like I mentioned on

990

00:43:50,809 --> 00:43:47,540

the Thursday the kids then saw the

991

00:43:53,390 --> 00:43:50,819

cigar-shaped object line

992

00:43:55,790 --> 00:43:53,400

by the school you know with a blinking

993

00:43:58,790 --> 00:43:55,800

red light of some sort

994

00:44:01,069 --> 00:43:58,800

and then Friday was the main event where

995

00:44:03,410 --> 00:44:01,079

when all the kids were out they saw the

996

00:44:05,390 --> 00:44:03,420

object coming down to land

997

00:44:07,730 --> 00:44:05,400

yeah

998

00:44:10,069 --> 00:44:07,740

um here's a question that I don't know

999

00:44:14,089 --> 00:44:10,079

the answer to did anyone actually see

1000

00:44:16,190 --> 00:44:14,099

the craft or crafts plural land leave

1001
00:44:18,290 --> 00:44:16,200
I remember

1002
00:44:20,450 --> 00:44:18,300
Tom leech was interviewing some of the

1003
00:44:22,849 --> 00:44:20,460
kids and

1004
00:44:25,609 --> 00:44:22,859
he asked them where did it go how did it

1005
00:44:28,250 --> 00:44:25,619
go you know and the kids said it just

1006
00:44:31,190 --> 00:44:28,260
lifted off excuse me lifted off the

1007
00:44:33,770 --> 00:44:31,200
ground a little bit and just went

1008
00:44:36,050 --> 00:44:33,780
and he said went where you know did it

1009
00:44:38,450 --> 00:44:36,060
just go over there or whatever

1010
00:44:41,569 --> 00:44:38,460
and they were kind of like find it

1011
00:44:44,329 --> 00:44:41,579
difficult to describe how it went

1012
00:44:48,170 --> 00:44:44,339
and

1013
00:44:50,290 --> 00:44:48,180

even Tim I didn't think caught on to the

1014

00:44:53,270 --> 00:44:50,300

subtleties of that when I watched that

1015

00:44:55,730 --> 00:44:53,280

and it's almost like they were saying it

1016

00:44:57,710 --> 00:44:55,740

just disappeared just you know they just

1017

00:45:00,589 --> 00:44:57,720

said it just went and I didn't they

1018

00:45:03,290 --> 00:45:00,599

didn't say it flew off over there or

1019

00:45:05,870 --> 00:45:03,300

over that way it just went in other

1020

00:45:09,710 --> 00:45:05,880

words it disappeared just lift it up and

1021

00:45:12,530 --> 00:45:09,720

disappeared isn't that that's crazy

1022

00:45:15,349 --> 00:45:12,540

um let's see this is uh I usually ask

1023

00:45:17,390 --> 00:45:15,359

people to put their questions in caps

1024

00:45:19,370 --> 00:45:17,400

but I happen to catch this one has

1025

00:45:21,589 --> 00:45:19,380

anyone traveled through rural Africa

1026

00:45:23,150 --> 00:45:21,599

looking for similar sightings that may

1027

00:45:25,550 --> 00:45:23,160

not have been talked about outside of

1028

00:45:27,170 --> 00:45:25,560

the local areas

1029

00:45:29,270 --> 00:45:27,180

Cynthia do that because she was so

1030

00:45:33,410 --> 00:45:29,280

involved in writing that book

1031

00:45:34,670 --> 00:45:33,420

if um she had obviously she wrote This

1032

00:45:37,550 --> 00:45:34,680

Book

1033

00:45:39,890 --> 00:45:37,560

the one this one here she was actually

1034

00:45:43,370 --> 00:45:39,900

finishing this book the second book

1035

00:45:47,790 --> 00:45:43,380

UFOs of Africa and just when she was

1036

00:45:47,870 --> 00:45:47,800

finishing it the aerial event happened

1037

00:45:48,950 --> 00:45:47,880

[Music]

1038

00:45:50,690 --> 00:45:48,960

um

1039

00:45:54,290 --> 00:45:50,700

I mean

1040

00:45:57,109 --> 00:45:54,300

there's a case called uh if I remember

1041

00:45:59,870 --> 00:45:57,119

right it's La Rochelle

1042

00:46:01,430 --> 00:45:59,880

a town in the Eastern Highlands of

1043

00:46:04,030 --> 00:46:01,440

Zimbabwe

1044

00:46:07,490 --> 00:46:04,040

and there's like a missionary

1045

00:46:10,010 --> 00:46:07,500

Retreat area there very beautiful

1046

00:46:12,050 --> 00:46:10,020

and

1047

00:46:13,250 --> 00:46:12,060

some of the local people who worked

1048

00:46:17,510 --> 00:46:13,260

around the mystery

1049

00:46:19,130 --> 00:46:17,520

saw this ball of fire rolling across the

1050

00:46:22,790 --> 00:46:19,140

lawn of this place

1051
00:46:24,109 --> 00:46:22,800
a large bowl and this boar rolled up the

1052
00:46:27,050 --> 00:46:24,119
tower

1053
00:46:29,410 --> 00:46:27,060
went into the room up at the top of the

1054
00:46:33,170 --> 00:46:29,420
tower burst into flames

1055
00:46:37,430 --> 00:46:33,180
reconstituted rolled down

1056
00:46:41,750 --> 00:46:37,440
and then it opened up and there was

1057
00:46:45,109 --> 00:46:41,760
uh if I remember being standing there

1058
00:46:47,390 --> 00:46:45,119
and one of the people ran up to say oh

1059
00:46:49,309 --> 00:46:47,400
you know what's going on you know it's

1060
00:46:53,150 --> 00:46:49,319
confused and when the bean turned around

1061
00:46:57,349 --> 00:46:55,069
the managers

1062
00:46:59,030 --> 00:46:57,359
standing there but it wasn't the manager

1063
00:47:00,530 --> 00:46:59,040

because when this person turned around

1064

00:47:02,390 --> 00:47:00,540

to face him

1065

00:47:04,250 --> 00:47:02,400

there's this bright light coming from

1066

00:47:06,170 --> 00:47:04,260

his head like a torch you know extremely

1067

00:47:08,510 --> 00:47:06,180

bright it was so bright that he fell to

1068

00:47:10,370 --> 00:47:08,520

the ground and looked down

1069

00:47:11,870 --> 00:47:10,380

and when he looked up again this beam

1070

00:47:13,190 --> 00:47:11,880

was gone

1071

00:47:15,349 --> 00:47:13,200

she's

1072

00:47:18,589 --> 00:47:15,359

that's a crazy one I love crazy ones

1073

00:47:21,770 --> 00:47:18,599

like that that was a bizarre activity

1074

00:47:24,349 --> 00:47:21,780

you know this ball of light rolling

1075

00:47:26,809 --> 00:47:24,359

up the building wall but it didn't

1076

00:47:28,550 --> 00:47:26,819

actually squat or burn anything you know

1077

00:47:30,170 --> 00:47:28,560

hmm

1078

00:47:33,230 --> 00:47:30,180

um

1079

00:47:35,329 --> 00:47:33,240

and then we had what other cases

1080

00:47:39,370 --> 00:47:35,339

there's an interesting case in one of

1081

00:47:42,290 --> 00:47:39,380

Cynthia's older ones which is the

1082

00:47:46,370 --> 00:47:42,300

Peter and Francis uh

1083

00:47:48,170 --> 00:47:46,380

trip to South Africa that was installed

1084

00:47:51,290 --> 00:47:48,180

in the 70s

1085

00:47:53,210 --> 00:47:51,300

they were driving from Harare all the

1086

00:47:55,849 --> 00:47:53,220

way to South Africa

1087

00:48:00,710 --> 00:47:55,859

and on their trip

1088

00:48:06,530 --> 00:48:00,720

they encountered the UFO they saw UFO

1089

00:48:10,309 --> 00:48:08,329

you know they saw it several times

1090

00:48:12,530 --> 00:48:10,319

actually when they passed they put fuel

1091

00:48:14,329 --> 00:48:12,540

in the car and as they left this town

1092

00:48:15,829 --> 00:48:14,339

the UFO came back

1093

00:48:18,770 --> 00:48:15,839

and they were always looking out the

1094

00:48:21,410 --> 00:48:18,780

window in fear what was going on

1095

00:48:22,910 --> 00:48:21,420

and they felt they had this feeling that

1096

00:48:24,470 --> 00:48:22,920

something happened to them so they

1097

00:48:25,849 --> 00:48:24,480

couldn't explain like they had some kind

1098

00:48:28,309 --> 00:48:25,859

of machine time

1099

00:48:30,710 --> 00:48:28,319

oh so um

1100

00:48:31,790 --> 00:48:30,720

and when they got to the border to South

1101

00:48:34,970 --> 00:48:31,800

Africa

1102

00:48:36,410 --> 00:48:34,980

and they decided to put some Petrol in

1103

00:48:41,150 --> 00:48:36,420

the car

1104

00:48:43,730 --> 00:48:41,160

filled in hundreds of kilometers was

1105

00:48:46,370 --> 00:48:43,740

still in there so they had like hardly

1106

00:48:50,390 --> 00:48:46,380

moved so they couldn't understand why

1107

00:48:52,309 --> 00:48:50,400

why that happened yes so in South Africa

1108

00:48:53,690 --> 00:48:52,319

where they were staying synthia got them

1109

00:48:55,550 --> 00:48:53,700

to

1110

00:48:58,190 --> 00:48:55,560

she asked for if they could have a

1111

00:48:59,870 --> 00:48:58,200

hypnotist regress them to find out what

1112

00:49:01,670 --> 00:48:59,880

happened

1113

00:49:03,530 --> 00:49:01,680

and

1114

00:49:05,030 --> 00:49:03,540

now the hypnotists who are the total

1115

00:49:07,309 --> 00:49:05,040

skeptic

1116

00:49:09,170 --> 00:49:07,319

they didn't you know it wasn't like a

1117

00:49:11,510 --> 00:49:09,180

year for investigate the hypnotist or

1118

00:49:13,849 --> 00:49:11,520

Internet it was just a normal hypnotist

1119

00:49:15,710 --> 00:49:13,859

and um

1120

00:49:19,670 --> 00:49:15,720

when they took them back to the event

1121

00:49:22,370 --> 00:49:19,680

they described their car being taken up

1122

00:49:25,730 --> 00:49:22,380

into the craft

1123

00:49:28,250 --> 00:49:25,740

and somehow they were putting some kind

1124

00:49:29,930 --> 00:49:28,260

of simulator to simulate the environment

1125

00:49:33,290 --> 00:49:29,940

around them

1126
00:49:35,109 --> 00:49:33,300
so but the environment looked a bit too

1127
00:49:39,349 --> 00:49:35,119
Lush like almost

1128
00:49:41,990 --> 00:49:39,359
jungle wet looked a bit strange to what

1129
00:49:42,000 --> 00:49:45,650
so they were kind of like

1130
00:49:48,650 --> 00:49:46,910
I don't know

1131
00:49:51,650 --> 00:49:48,660
um they were like test subjects before

1132
00:49:53,329 --> 00:49:51,660
me put it that way but

1133
00:49:55,250 --> 00:49:53,339
so they asked them what do they want

1134
00:49:56,930 --> 00:49:55,260
from you why do they do this they said

1135
00:50:02,510 --> 00:49:56,940
they were

1136
00:50:05,150 --> 00:50:02,520
wanting to find out about a UFO case

1137
00:50:08,329 --> 00:50:05,160
he encountered years ago

1138
00:50:09,770 --> 00:50:08,339

so this person who was telling Cynthia

1139

00:50:12,530 --> 00:50:09,780

about this case

1140

00:50:15,050 --> 00:50:12,540

the UFO was actually trying to find out

1141

00:50:15,950 --> 00:50:15,060

about a case they were involved in years

1142

00:50:20,089 --> 00:50:15,960

ago

1143

00:50:22,069 --> 00:50:20,099

hmm of a and so they asked did you see a

1144

00:50:24,589 --> 00:50:22,079

UFO at that time and he said yes when

1145

00:50:26,809 --> 00:50:24,599

you're younger you're driving around the

1146

00:50:29,329 --> 00:50:26,819

corner and there's a year for hovering

1147

00:50:31,490 --> 00:50:29,339

above the road and if

1148

00:50:34,730 --> 00:50:31,500

and he put on the brakes and in the UFO

1149

00:50:37,550 --> 00:50:34,740

shot off but it embedded some kind of

1150

00:50:40,130 --> 00:50:37,560

material in his car when it shut off you

1151
00:50:41,870 --> 00:50:40,140
know like wow his car

1152
00:50:43,849 --> 00:50:41,880
so somehow these

1153
00:50:47,450 --> 00:50:43,859
wherever these creatures are were kind

1154
00:50:49,849 --> 00:50:47,460
of interested in this other UFO they he

1155
00:50:52,490 --> 00:50:49,859
encountered

1156
00:50:54,770 --> 00:50:52,500
so the invest the hypnotist asked how

1157
00:50:55,730 --> 00:50:54,780
did they travel things like that and

1158
00:50:58,609 --> 00:50:55,740
they said

1159
00:51:00,829 --> 00:50:58,619
um they don't travel like linearly

1160
00:51:02,650 --> 00:51:00,839
they're traveling time

1161
00:51:06,829 --> 00:51:02,660
you know

1162
00:51:09,290 --> 00:51:06,839
there's some type of time thing it's

1163
00:51:11,930 --> 00:51:09,300

almost like time for them is a

1164

00:51:14,630 --> 00:51:11,940

destination to get to they say they like

1165

00:51:17,329 --> 00:51:14,640

go back in time then forwarding time

1166

00:51:20,450 --> 00:51:17,339

so they use time like to get to

1167

00:51:23,510 --> 00:51:20,460

something closer they go back in time

1168

00:51:25,430 --> 00:51:23,520

it seems it seems uh it seems like I'm

1169

00:51:28,370 --> 00:51:25,440

hearing more and more of things

1170

00:51:30,829 --> 00:51:28,380

like that for uh you know and and

1171

00:51:32,690 --> 00:51:30,839

different people I talk to a couple of

1172

00:51:34,730 --> 00:51:32,700

things I I can't believe where I know

1173

00:51:36,410 --> 00:51:34,740

you're it's very early in the morning

1174

00:51:38,270 --> 00:51:36,420

for you there so we're not going to be

1175

00:51:40,010 --> 00:51:38,280

going longer than just a few more

1176

00:51:40,970 --> 00:51:40,020

minutes here but

1177

00:51:42,829 --> 00:51:40,980

um

1178

00:51:44,990 --> 00:51:42,839

someone wanted to know if any of

1179

00:51:47,030 --> 00:51:45,000

Cynthia's books are available in North

1180

00:51:49,250 --> 00:51:47,040

America would you know that I know you

1181

00:51:53,510 --> 00:51:49,260

live in England

1182

00:51:55,430 --> 00:51:53,520

I have seen some of her UFOs of Africa

1183

00:51:59,150 --> 00:51:55,440

out in

1184

00:52:02,569 --> 00:51:59,160

on Amazon I believe oh okay but

1185

00:52:05,390 --> 00:52:02,579

this book is extremely rare

1186

00:52:08,329 --> 00:52:05,400

yeah so um I do have a couple of them

1187

00:52:11,569 --> 00:52:08,339

but um it's I just keep them as like

1188

00:52:13,849 --> 00:52:11,579

gold basically sure yeah yeah

1189

00:52:15,230 --> 00:52:13,859

um and then uh I like this question here

1190

00:52:17,329 --> 00:52:15,240

because I've I don't think I've ever

1191

00:52:19,490 --> 00:52:17,339

asked this if anyone I've interviewed of

1192

00:52:21,950 --> 00:52:19,500

any of the kids but have any of them

1193

00:52:24,650 --> 00:52:21,960

ever reported uh further encounters

1194

00:52:27,589 --> 00:52:24,660

later on in life that you're aware of

1195

00:52:31,089 --> 00:52:27,599

no I haven't heard of any of the kids

1196

00:52:34,490 --> 00:52:31,099

telling me that I mean at least I know

1197

00:52:38,930 --> 00:52:34,500

one of the children who lives in the UK

1198

00:52:41,569 --> 00:52:38,940

Lisa Liesel uh she's in the UK so but I

1199

00:52:43,010 --> 00:52:41,579

haven't managed to speak to her directly

1200

00:52:45,290 --> 00:52:43,020

yet

1201

00:52:46,309 --> 00:52:45,300

I know sometimes I like to keep them in

1202

00:52:48,650 --> 00:52:46,319

their personal environment because

1203

00:52:50,930 --> 00:52:48,660

sometimes they get hounded by people if

1204

00:52:53,930 --> 00:52:50,940

they get to know them so I don't want to

1205

00:52:55,730 --> 00:52:53,940

into Fiat but I'll probably once I get

1206

00:52:57,829 --> 00:52:55,740

asked

1207

00:52:59,510 --> 00:52:57,839

comfortable with me I might be able to

1208

00:53:01,849 --> 00:52:59,520

speak to them because I remember

1209

00:53:03,530 --> 00:53:01,859

speaking to Francis he agreed to speak

1210

00:53:05,809 --> 00:53:03,540

to me and he wanted

1211

00:53:08,390 --> 00:53:05,819

to I asked him if he would be willing to

1212

00:53:10,190 --> 00:53:08,400

speak on a program which he said yes at

1213

00:53:12,890 --> 00:53:10,200

first but then he

1214

00:53:15,790 --> 00:53:12,900

he didn't didn't want to be involved

1215

00:53:19,010 --> 00:53:15,800

later on he just found it

1216

00:53:23,569 --> 00:53:19,020

overwhelming you know yes yeah I've had

1217

00:53:25,490 --> 00:53:23,579

uh I had Francis on once and then tried

1218

00:53:27,349 --> 00:53:25,500

again and back again and yeah he does go

1219

00:53:30,049 --> 00:53:27,359

through those phases where it is

1220

00:53:31,910 --> 00:53:30,059

overwhelming for him so we're at the end

1221

00:53:34,910 --> 00:53:31,920

already I can't believe how quickly that

1222

00:53:37,250 --> 00:53:34,920

went with you I invite you to come back

1223

00:53:38,809 --> 00:53:37,260

again in another time if you would no

1224

00:53:41,990 --> 00:53:38,819

that would be a pleasure Martin

1225

00:53:46,849 --> 00:53:42,000

definitely yes thanks so much

1226

00:53:48,950 --> 00:53:46,859

no problem okay take care thank you bye

1227

00:53:51,470 --> 00:53:48,960

all right everyone so we'll be back next

1228

00:53:53,809 --> 00:53:51,480

week with Mike clelland that should be a

1229

00:53:57,410 --> 00:53:53,819

fun uh funner interview with him he's

1230

00:53:59,030 --> 00:53:57,420

been on before and uh I guess that's

1231

00:54:01,280 --> 00:53:59,040

about it we'll see you next week and

1232

00:54:12,530 --> 00:54:01,290

remember to keep your eyes to the sky
