

CARLO PETRICK

#552

1
00:00:04,080 --> 00:00:10,970
foreign

2
00:01:02,770 --> 00:00:26,620
[Music]

3
00:01:07,429 --> 00:01:05,210
hello everyone welcome to the show I'm

4
00:01:10,370 --> 00:01:07,439
Martin Wiltshire host and tonight we

5
00:01:12,350 --> 00:01:10,380
have our guest is Carlo pedrick

6
00:01:15,469 --> 00:01:12,360
um Carlo Patrick is one of these people

7
00:01:18,950 --> 00:01:15,479
I've worked with out in Phoenix at the

8
00:01:21,050 --> 00:01:18,960
UFO Congress uh for many years I helped

9
00:01:23,770 --> 00:01:21,060
behind the scenes with all the computer

10
00:01:26,570 --> 00:01:23,780
equipment and everything melts down

11
00:01:28,670 --> 00:01:26,580
Carlos a guy is very calm and says this

12
00:01:30,710 --> 00:01:28,680
is what we do and he knows always knows

13
00:01:34,249 --> 00:01:30,720

how to fix things he had an interest in

14

00:01:38,090 --> 00:01:34,259

UFOs for a long time but one thing Carlo

15

00:01:40,810 --> 00:01:38,100

Patrick did not get right is that the

16

00:01:44,090 --> 00:01:40,820

show is not central time it's EST

17

00:01:45,950 --> 00:01:44,100

eastern time so he's running about 15

18

00:01:49,130 --> 00:01:45,960

minutes late I just called him he's in

19

00:01:52,270 --> 00:01:49,140

traffic and uh uh but anyway he'll be

20

00:01:55,670 --> 00:01:52,280

joining us shortly so our blog this week

21

00:01:58,550 --> 00:01:55,680

is a UFO landing at Edwards Air Force

22

00:02:00,590 --> 00:01:58,560

Base by Charles Lear uh he's putting out

23

00:02:02,749 --> 00:02:00,600

some great blogs uh check that out over

24

00:02:05,209 --> 00:02:02,759

at podcast ufo.com

25

00:02:07,010 --> 00:02:05,219

and anyone can support the show all you

26

00:02:11,150 --> 00:02:07,020

have to do again go to that website

27

00:02:13,970 --> 00:02:11,160

podcast ufo.com in our patreon link is

28

00:02:15,530 --> 00:02:13,980

under support the show and for as little

29

00:02:17,650 --> 00:02:15,540

as two dollars a month

30

00:02:20,030 --> 00:02:17,660

or higher if

31

00:02:21,710 --> 00:02:20,040

you can help us bring these shows to you

32

00:02:23,150 --> 00:02:21,720

without commercials every week now I

33

00:02:25,190 --> 00:02:23,160

know there's commercials on Youtube I

34

00:02:26,930 --> 00:02:25,200

can't stop that I mean that is a whole

35

00:02:30,410 --> 00:02:26,940

different thing but I'm talking about

36

00:02:31,369 --> 00:02:30,420

for the audio podcast this uh podcast is

37

00:02:32,809 --> 00:02:31,379

on

38

00:02:34,610 --> 00:02:32,819

um well every feed that I could figure

39

00:02:37,430 --> 00:02:34,620

out how to find I should put it that way

40

00:02:39,229 --> 00:02:37,440

so you're able to download uh or run the

41

00:02:41,630 --> 00:02:39,239

podcast on the media player about

42

00:02:44,210 --> 00:02:41,640

anywhere if you listen to any podcaster

43

00:02:47,509 --> 00:02:44,220

or a lot of music places like Amazon

44

00:02:48,830 --> 00:02:47,519

music Google uh Spotify all that it

45

00:02:52,070 --> 00:02:48,840

should be everywhere you should be able

46

00:02:53,809 --> 00:02:52,080

to find it under podcast ufo.com I think

47

00:02:57,290 --> 00:02:53,819

what I'm going to do

48

00:02:58,309 --> 00:02:57,300

while I'm waiting for our guests to show

49

00:02:59,750 --> 00:02:58,319

up

50

00:03:01,550 --> 00:02:59,760

um I'll see them down below in a little

51
00:03:02,930 --> 00:03:01,560
window here

52
00:03:05,990 --> 00:03:02,940
um but I think I'm going to bring in

53
00:03:07,790 --> 00:03:06,000
Bill Bill what's happening Martin what's

54
00:03:10,610 --> 00:03:07,800
up to everybody in that chat room I see

55
00:03:13,430 --> 00:03:10,620
a few of those regulars in there calling

56
00:03:17,089 --> 00:03:13,440
Meads and Cali kid Clara everybody

57
00:03:18,550 --> 00:03:17,099
that's in that chat room oh yes Bo don't

58
00:03:21,710 --> 00:03:18,560
forget bow

59
00:03:23,089 --> 00:03:21,720
Paul's been around forever yeah yeah so

60
00:03:25,610 --> 00:03:23,099
how's everything with you

61
00:03:27,530 --> 00:03:25,620
uh doing great yeah thanks for uh saying

62
00:03:29,210 --> 00:03:27,540
we'll have a little chat ahead of time

63
00:03:32,930 --> 00:03:29,220

last minute without

64

00:03:35,570 --> 00:03:32,940

planning anything uh here here we are

65

00:03:38,030 --> 00:03:35,580

well that's kind of the nature of live

66

00:03:40,130 --> 00:03:38,040

radio you just never know what's what's

67

00:03:42,170 --> 00:03:40,140

going to happen but I like it I believe

68

00:03:45,350 --> 00:03:42,180

you're going to be going to contact in

69

00:03:48,350 --> 00:03:45,360

the desert right I believe so it looks

70

00:03:50,149 --> 00:03:48,360

like it's heading that that way as as

71

00:03:53,630 --> 00:03:50,159

things are get a lot of things going on

72

00:03:56,930 --> 00:03:53,640

uh between here in South Carolina and

73

00:03:59,030 --> 00:03:56,940

back in Maine and all over the place so

74

00:04:01,970 --> 00:03:59,040

we'll see how that all works out but I

75

00:04:03,350 --> 00:04:01,980

I'm pretty sure that

76

00:04:06,470 --> 00:04:03,360

um I don't have it you know I don't have

77

00:04:07,789 --> 00:04:06,480

my airline tickets yet but I have uh uh

78

00:04:10,970 --> 00:04:07,799

I'm ready to go as far as everything

79

00:04:14,210 --> 00:04:10,980

else goes when I went to Roswell three

80

00:04:16,370 --> 00:04:14,220

weeks ago for the UFO Expo

81

00:04:19,490 --> 00:04:16,380

let me tell you taking three flights to

82

00:04:21,730 --> 00:04:19,500

get to Roswell was quite the journey

83

00:04:24,770 --> 00:04:21,740

I'll just say that

84

00:04:26,810 --> 00:04:24,780

they had the flights leaving from Sky

85

00:04:29,330 --> 00:04:26,820

Harbor Phoenix and it would fly into

86

00:04:31,430 --> 00:04:29,340

Roswell now here's the true story

87

00:04:34,010 --> 00:04:31,440

I got on the plane I thought you're

88

00:04:36,230 --> 00:04:34,020

gonna say a saucer crashed no no it was

89

00:04:38,030 --> 00:04:36,240

long this was bizarre and nobody

90

00:04:40,249 --> 00:04:38,040

believed there's Travis Walton Ben

91

00:04:42,469 --> 00:04:40,259

Hansen nobody believed the story because

92

00:04:45,530 --> 00:04:42,479

they have taken the flight the following

93

00:04:47,990 --> 00:04:45,540

evening into Roswell the same flight but

94

00:04:50,330 --> 00:04:48,000

I get on the plane and Daryl Sims the

95

00:04:52,730 --> 00:04:50,340

alien Hunt is on the plane oh yes yep

96

00:04:55,310 --> 00:04:52,740

and does he wear a cowboy hat like yeah

97

00:04:58,790 --> 00:04:55,320

they have six guns yeah great guy great

98

00:05:01,550 --> 00:04:58,800

guy yeah yeah he is yeah the plane had

99

00:05:05,030 --> 00:05:01,560

no lights at all during the whole flight

100

00:05:06,830 --> 00:05:05,040

we were flying in the complete darkness

101
00:05:09,350 --> 00:05:06,840
are you saying there was no marking

102
00:05:11,450 --> 00:05:09,360
lights no inside the plane there was no

103
00:05:14,270 --> 00:05:11,460
lights there there was no lights in the

104
00:05:16,010 --> 00:05:14,280
cabin it was completely dark and we were

105
00:05:17,629 --> 00:05:16,020
like wow this is appropriate we're

106
00:05:19,670 --> 00:05:17,639
flying into Roswell in that dog like

107
00:05:22,010 --> 00:05:19,680
this the moon full moon is coming in

108
00:05:23,870 --> 00:05:22,020
through the windows I'm like oh my God

109
00:05:28,249 --> 00:05:23,880
you can't make this up but it's pretty

110
00:05:30,050 --> 00:05:28,259
Airy huh it was now Roswell for folks

111
00:05:33,110 --> 00:05:30,060
uh the overheads worked you know the

112
00:05:35,810 --> 00:05:33,120
overhead lights in on your feet work

113
00:05:37,550 --> 00:05:35,820

now I will say this if it was my first

114

00:05:39,710 --> 00:05:37,560

time going to Roswell and the museum

115

00:05:41,210 --> 00:05:39,720

there the UFO Museum

116

00:05:43,790 --> 00:05:41,220

wow

117

00:05:45,950 --> 00:05:43,800

really really impressive I mean Don

118

00:05:47,450 --> 00:05:45,960

Schmidt happened to be there he's not

119

00:05:50,390 --> 00:05:47,460

there often maybe it's half a dozen

120

00:05:52,490 --> 00:05:50,400

times a year but for those that are

121

00:05:54,770 --> 00:05:52,500

viewing this and watching

122

00:05:56,510 --> 00:05:54,780

if you ever get the chance and you you

123

00:05:58,909 --> 00:05:56,520

go to Roswell check out the museum and

124

00:06:01,730 --> 00:05:58,919

check out the library

125

00:06:03,650 --> 00:06:01,740

um an unbelievable the amount of

126

00:06:07,129 --> 00:06:03,660

documents that are in that library and

127

00:06:08,930 --> 00:06:07,139

you can go to any box pull out the code

128

00:06:09,710 --> 00:06:08,940

you know pull out the documents and read

129

00:06:12,590 --> 00:06:09,720

them

130

00:06:14,510 --> 00:06:12,600

on it would take months months to go

131

00:06:15,529 --> 00:06:14,520

through those documents it was

132

00:06:17,870 --> 00:06:15,539

incredible

133

00:06:18,650 --> 00:06:17,880

now is there anything like uh kind of

134

00:06:23,990 --> 00:06:18,660

like

135

00:06:26,510 --> 00:06:24,000

thing I ever saw about that museum is

136

00:06:28,309 --> 00:06:26,520

there's like a alien on a table like the

137

00:06:31,490 --> 00:06:28,319

alien yeah they got that in the corner

138

00:06:32,930 --> 00:06:31,500

on display that that's there but the

139

00:06:34,969 --> 00:06:32,940

libraries where it's at that's where

140

00:06:38,390 --> 00:06:34,979

they have all the documents

141

00:06:40,070 --> 00:06:38,400

um it was absolutely amazing so you're

142

00:06:43,010 --> 00:06:40,080

going to contact

143

00:06:44,930 --> 00:06:43,020

I've got the Pine Bush UFO uh Fair going

144

00:06:46,850 --> 00:06:44,940

on here at the same time contact is

145

00:06:48,770 --> 00:06:46,860

going oh that's right same weekend right

146

00:06:50,270 --> 00:06:48,780

yeah and that kind of stinks because you

147

00:06:53,450 --> 00:06:50,280

usually come to Pine Bush and we all

148

00:06:55,969 --> 00:06:53,460

hang out oh that's right yeah so because

149

00:06:58,670 --> 00:06:55,979

everybody seems to be going to contact

150

00:07:02,809 --> 00:06:58,680

so those that are viewing and listening

151

00:07:04,430 --> 00:07:02,819

the Pine Bush Fair has three speakers

152

00:07:06,950 --> 00:07:04,440

because we keep it small you know that

153

00:07:08,570 --> 00:07:06,960

yeah Travis Walton

154

00:07:11,330 --> 00:07:08,580

Kathleen Martin

155

00:07:13,309 --> 00:07:11,340

and Tom Reed will be speaking on Bush

156

00:07:15,350 --> 00:07:13,319

June 3rd

157

00:07:17,809 --> 00:07:15,360

then we gotta go back to Roswell for the

158

00:07:19,850 --> 00:07:17,819

main event that's June 30th

159

00:07:21,409 --> 00:07:19,860

July 1st and 2nd

160

00:07:23,570 --> 00:07:21,419

and that that's going to be focused on

161

00:07:25,969 --> 00:07:23,580

the Roswell incident that's the that's

162

00:07:27,950 --> 00:07:25,979

going to be pretty much

163

00:07:30,650 --> 00:07:27,960

um what's going on there that's that's

164

00:07:33,050 --> 00:07:30,660

that's actually the title of the event

165

00:07:35,390 --> 00:07:33,060

the Roswell incident

166

00:07:36,469 --> 00:07:35,400

so we're going to be we're going to be

167

00:07:39,350 --> 00:07:36,479

busy

168

00:07:42,650 --> 00:07:39,360

I guess huh now is that when you say we

169

00:07:45,189 --> 00:07:42,660

you mean like kgra yeah yeah I see yeah

170

00:07:48,770 --> 00:07:45,199

well that'll be a lot of fun yeah I mean

171

00:07:51,110 --> 00:07:48,780

do you get people sit down I mean

172

00:07:52,610 --> 00:07:51,120

sit down with you and and talk and

173

00:07:54,529 --> 00:07:52,620

record

174

00:07:56,749 --> 00:07:54,539

yeah we did quite a bit when we were in

175

00:07:58,390 --> 00:07:56,759

Roswell actually two experiences sat

176

00:08:01,270 --> 00:07:58,400

down with us as well

177

00:08:03,770 --> 00:08:01,280

so the clips are available in the in the

178

00:08:04,909 --> 00:08:03,780

kjoadb.com members area you'll see UFO

179

00:08:08,029 --> 00:08:04,919

Expo

180

00:08:09,890 --> 00:08:08,039

and um do they ever get out do they ever

181

00:08:12,350 --> 00:08:09,900

get out on YouTube or anything like that

182

00:08:14,689 --> 00:08:12,360

or is it just behind it from the members

183

00:08:15,770 --> 00:08:14,699

yeah it's the special content for the

184

00:08:19,550 --> 00:08:15,780

members area

185

00:08:21,170 --> 00:08:19,560

I see I mean I do have all the clips

186

00:08:22,369 --> 00:08:21,180

um hopefully your guest is going to come

187

00:08:24,469 --> 00:08:22,379

on

188

00:08:27,469 --> 00:08:24,479

oh yeah we have a guest oh yeah that's

189

00:08:31,129 --> 00:08:27,479

right but I do have

190

00:08:33,110 --> 00:08:31,139

some of those clips so for some reason

191

00:08:34,730 --> 00:08:33,120

we can play the Adan Schmidt interview

192

00:08:36,110 --> 00:08:34,740

they're they're quite they're about 15

193

00:08:38,149 --> 00:08:36,120

minutes long though

194

00:08:45,949 --> 00:08:38,159

yeah I don't know

195

00:08:49,850 --> 00:08:47,630

what do you think you want to just throw

196

00:08:51,710 --> 00:08:49,860

it up there and then Carlo can wait

197

00:08:53,509 --> 00:08:51,720

all right let me set this up because I I

198

00:08:56,030 --> 00:08:53,519

know exactly where they are is all right

199

00:08:57,350 --> 00:08:56,040

there's a few interviews and I'll let

200

00:09:03,230 --> 00:08:57,360

you

201
00:09:05,150 --> 00:09:03,240
viewing uh audience because this wow

202
00:09:07,070 --> 00:09:05,160
we're so privileged aren't we well

203
00:09:10,130 --> 00:09:07,080
audience for those that don't know

204
00:09:12,230 --> 00:09:10,140
Martin is a great person

205
00:09:13,910 --> 00:09:12,240
um he's a great guy yeah do you ever

206
00:09:15,490 --> 00:09:13,920
meet him in person you'll you'll know

207
00:09:18,050 --> 00:09:15,500
exactly

208
00:09:19,329 --> 00:09:18,060
but definitely catch him when he's

209
00:09:21,730 --> 00:09:19,339
dancing

210
00:09:24,530 --> 00:09:21,740
don't don't go there

211
00:09:26,389 --> 00:09:24,540
oh I know how to cut the rug that's all

212
00:09:27,230 --> 00:09:26,399
there is to it you did great

213
00:09:31,690 --> 00:09:27,240

um

214

00:09:36,470 --> 00:09:33,829

what'd you say I get to choose something

215

00:09:39,050 --> 00:09:36,480

choose well let me see first of all

216

00:09:41,570 --> 00:09:39,060

yeah um bill has to find on his crazy

217

00:09:45,470 --> 00:09:43,430

um where these clips are or I could just

218

00:09:47,630 --> 00:09:45,480

share the screen off the website

219

00:09:48,530 --> 00:09:47,640

that just might be easier for me to find

220

00:09:51,670 --> 00:09:48,540

out

221

00:09:57,530 --> 00:09:51,680

it'll take me a second but Stephen

222

00:10:02,269 --> 00:10:00,650

uh yes and uh this question here yes I

223

00:10:05,150 --> 00:10:02,279

am doing Shaq Harbor I'm really looking

224

00:10:07,430 --> 00:10:05,160

forward to it uh last year

225

00:10:09,350 --> 00:10:07,440

um when I was right the same exact time

226

00:10:11,810 --> 00:10:09,360

that I was supposed to be speaking I was

227

00:10:13,190 --> 00:10:11,820

having open heart surgery at the exact

228

00:10:16,490 --> 00:10:13,200

time

229

00:10:18,170 --> 00:10:16,500

so this year I will be here uh it's

230

00:10:21,949 --> 00:10:18,180

already lined up I'm excited to go

231

00:10:23,810 --> 00:10:21,959

that's I believe October 3rd I or I

232

00:10:27,290 --> 00:10:23,820

can't remember October 2nd or 3rd up in

233

00:10:29,030 --> 00:10:27,300

shag Harbor Nova Scotia speaking I am

234

00:10:31,850 --> 00:10:29,040

ready we're gonna go nice you have a

235

00:10:33,050 --> 00:10:31,860

choice of so Katie page host of mufon

236

00:10:35,930 --> 00:10:33,060

what's up

237

00:10:38,870 --> 00:10:35,940

did the interviews so we have you could

238

00:10:41,630 --> 00:10:38,880

choose Melissa tittle she did that film

239

00:10:44,509 --> 00:10:41,640

code 12 I believe the name of it is oh

240

00:10:47,150 --> 00:10:44,519

wait I I would like uh Travis I wish we

241

00:10:49,130 --> 00:10:47,160

could do as a survey we just don't by

242

00:10:52,190 --> 00:10:49,140

the time we get done the survey oh we

243

00:10:53,569 --> 00:10:52,200

don't know be here so I mean okay all

244

00:10:55,730 --> 00:10:53,579

right so we got

245

00:10:57,769 --> 00:10:55,740

let's let's do Travis I haven't heard I

246

00:10:59,090 --> 00:10:57,779

haven't talked to Travis in a while how

247

00:11:02,090 --> 00:10:59,100

long is that one

248

00:11:05,449 --> 00:11:02,100

12 minutes 12 minutes perfect let's go

249

00:11:08,150 --> 00:11:05,459

with it okay hold on let me set it up

250

00:11:08,990 --> 00:11:08,160

so traffic okay that means full screen

251

00:11:11,870 --> 00:11:09,000

it

252

00:11:13,730 --> 00:11:11,880

and share screen so this is Travis

253

00:11:15,590 --> 00:11:13,740

Walton being interviewed during the UFO

254

00:11:20,990 --> 00:11:15,600

Expo a few weeks ago in Roswell New

255

00:11:28,550 --> 00:11:23,990

and here we go

256

00:11:33,590 --> 00:11:31,610

Chris I hear that perhaps you have uh

257

00:11:36,530 --> 00:11:33,600

something new in the works

258

00:11:38,389 --> 00:11:36,540

yeah we're working on a remake but this

259

00:11:41,810 --> 00:11:38,399

is really early to even be talking about

260

00:11:45,050 --> 00:11:41,820

it it's just uh it's a long process

261

00:11:47,090 --> 00:11:45,060

right and uh but hey we could do a

262

00:11:49,790 --> 00:11:47,100

little teaser right oh it starts it

263

00:11:53,269 --> 00:11:49,800

starts with a rewrite of the script so

264

00:11:55,490 --> 00:11:53,279

your abduction 1975. yeah favorite

265

00:11:57,290 --> 00:11:55,500

decade for me for personal reasons as

266

00:11:59,509 --> 00:11:57,300

well I had my experiences in the mid

267

00:12:01,730 --> 00:11:59,519

late 70s as well so I love just

268

00:12:05,030 --> 00:12:01,740

researching that decade do you think

269

00:12:07,310 --> 00:12:05,040

after all this time there are still new

270

00:12:10,550 --> 00:12:07,320

um evidence to be found things to still

271

00:12:14,150 --> 00:12:10,560

learn and discover well

272

00:12:16,670 --> 00:12:14,160

um I think the position of uh the media

273

00:12:19,069 --> 00:12:16,680

and the government is a little bit more

274

00:12:22,430 --> 00:12:19,079

lenient towards let's let's move away

275

00:12:25,550 --> 00:12:22,440

from ridicule and and uh make some

276

00:12:27,290 --> 00:12:25,560

serious comments here right I mean you

277

00:12:28,970 --> 00:12:27,300

you know I want to thank you personally

278

00:12:32,090 --> 00:12:28,980

and for all our listeners out there too

279

00:12:34,069 --> 00:12:32,100

you really had to forge sometimes very

280

00:12:37,009 --> 00:12:34,079

painfully

281

00:12:39,590 --> 00:12:37,019

um challenges throughout the years to

282

00:12:42,290 --> 00:12:39,600

stand up I mean you know to the

283

00:12:45,829 --> 00:12:42,300

naysayers or the debunkers or you know

284

00:12:47,509 --> 00:12:45,839

the fill classes in the world right

285

00:12:50,750 --> 00:12:47,519

but I I think

286

00:12:52,970 --> 00:12:50,760

um the evidence in the end uh really

287

00:12:56,690 --> 00:12:52,980

just totally vanquished filled class I

288

00:12:59,389 --> 00:12:56,700

mean he was a fraud and uh once he

289

00:13:02,329 --> 00:12:59,399

started modifying the evidence and it

290

00:13:05,210 --> 00:13:02,339

could be documented that he had changed

291

00:13:07,430 --> 00:13:05,220

things to uh support his position and

292

00:13:09,170 --> 00:13:07,440

you know his credibility was gone at

293

00:13:12,590 --> 00:13:09,180

that point do you think there's people

294

00:13:14,329 --> 00:13:12,600

that are inserted into to

295

00:13:15,590 --> 00:13:14,339

um you know the filled classes of the

296

00:13:18,230 --> 00:13:15,600

world do you think you're intentionally

297

00:13:20,150 --> 00:13:18,240

put there to to debunk and shoot holes

298

00:13:23,030 --> 00:13:20,160

well maybe in the past but I think the

299

00:13:26,509 --> 00:13:23,040

official position now is uh you know

300

00:13:28,490 --> 00:13:26,519

trying to debunk this is uh uh just it's

301

00:13:30,710 --> 00:13:28,500

not working to destroy the credibility

302

00:13:33,530 --> 00:13:30,720

of the issue anymore it's it's damaging

303

00:13:36,949 --> 00:13:33,540

our credibility so we you know people

304

00:13:40,310 --> 00:13:36,959

just won't believe me us anymore trying

305

00:13:41,870 --> 00:13:40,320

to uh continue to say uh it didn't

306

00:13:43,730 --> 00:13:41,880

happen there's just too many people who

307

00:13:46,310 --> 00:13:43,740

are no different that's right and and

308

00:13:48,290 --> 00:13:46,320

speaking of that I mean the abduction

309

00:13:52,009 --> 00:13:48,300

phenomenon itself

310

00:13:53,389 --> 00:13:52,019

this seems to and I'm just speaking for

311

00:13:55,550 --> 00:13:53,399

myself here you know you go into the

312

00:13:59,210 --> 00:13:55,560

ancient alien theories you know perhaps

313

00:14:02,810 --> 00:13:59,220

they've been taking people for hundreds

314

00:14:05,449 --> 00:14:02,820

of years even possibly do you think that

315

00:14:07,790 --> 00:14:05,459

the the phenomenon has increased stayed

316

00:14:09,829 --> 00:14:07,800

the same is going down I I couldn't

317

00:14:13,190 --> 00:14:09,839

really comment on that I'm not really a

318

00:14:16,490 --> 00:14:13,200

researcher okay I'm I'm sort of an

319

00:14:18,650 --> 00:14:16,500

expert on my own experience but uh I'm

320

00:14:21,410 --> 00:14:18,660

not an authority on anyone else's and

321

00:14:24,170 --> 00:14:21,420

and right not even on the uh phenomena

322

00:14:27,470 --> 00:14:24,180

as a whole but um

323

00:14:31,069 --> 00:14:27,480

I I will comment that

324

00:14:34,550 --> 00:14:31,079

um even my experience was termed

325

00:14:36,829 --> 00:14:34,560

abduction when it may have been more of

326

00:14:40,970 --> 00:14:36,839

an ambulance call than an abduction so

327

00:14:44,030 --> 00:14:40,980

uh an accident occurred that uh was

328

00:14:46,730 --> 00:14:44,040

really unplanned and unexpected right

329

00:14:49,790 --> 00:14:46,740

and and so can you tell our listeners

330

00:14:52,189 --> 00:14:49,800

about that so you were struck right by

331

00:14:55,250 --> 00:14:52,199

the beam it was a blue beam if I recall

332

00:14:58,310 --> 00:14:55,260

yeah I got too close in this this energy

333

00:15:02,990 --> 00:14:58,320

uh came from the craft which may have

334

00:15:06,050 --> 00:15:03,000

not been an intentional uh weapon at all

335

00:15:09,230 --> 00:15:06,060

I told you to get close to the craft it

336

00:15:11,870 --> 00:15:09,240

was a foolish uh impulse and uh so you

337

00:15:15,230 --> 00:15:11,880

almost felt drawn to do it curious yeah

338

00:15:22,670 --> 00:15:15,240

curiosity curiosity and everybody was

339

00:15:29,090 --> 00:15:25,670

it looks like Carlo is here that went

340

00:15:31,090 --> 00:15:29,100

fast Martin is coming back Carlo is here

341

00:15:33,530 --> 00:15:31,100

I'm I apologize

342

00:15:35,750 --> 00:15:33,540

hey what let me before I bring him in

343

00:15:40,389 --> 00:15:35,760

what was going on background were there

344

00:15:45,050 --> 00:15:42,769

conference that was the Roswell

345

00:15:47,269 --> 00:15:45,060

convention center and there was all

346

00:15:48,590 --> 00:15:47,279

kinds of things going on uh we had our

347

00:15:51,470 --> 00:15:48,600

own little section where we had our

348

00:15:54,230 --> 00:15:51,480

things set up but I promise

349

00:15:56,990 --> 00:15:54,240

that in the future we will play that

350

00:15:58,610 --> 00:15:57,000

clip maybe we'll do a show based on some

351

00:16:01,189 --> 00:15:58,620

of the stuff that went on with these

352

00:16:03,590 --> 00:16:01,199

interviews so did you cut that did you

353

00:16:05,030 --> 00:16:03,600

cut that interview short just now yeah I

354

00:16:07,250 --> 00:16:05,040

did because your guest is here standing

355

00:16:08,870 --> 00:16:07,260

by ah yeah I should have uh yeah all

356

00:16:12,590 --> 00:16:08,880

right

357

00:16:15,250 --> 00:16:12,600

I appreciate it you're welcome have a

358

00:16:22,850 --> 00:16:18,829

all right bye

359

00:16:25,370 --> 00:16:22,860

whoops we both pushed the same thing hey

360

00:16:28,250 --> 00:16:25,380

Carlo how you doing I'm doing great how

361

00:16:29,629 --> 00:16:28,260

are you good I was uh you missed it in

362

00:16:32,449 --> 00:16:29,639

the beginning but I said here's a guy

363

00:16:34,490 --> 00:16:32,459

that holds together everything and yet

364

00:16:37,249 --> 00:16:34,500

he came on at the wrong time but you're

365

00:16:39,889 --> 00:16:37,259

here that's all that matters I got my

366

00:16:41,569 --> 00:16:39,899

time zones confused yeah yeah well I'm

367

00:16:43,790 --> 00:16:41,579

glad you're here for some reason were

368

00:16:46,189 --> 00:16:43,800

you ever in in Florida at one point in

369

00:16:49,310 --> 00:16:46,199

my confusion no that that's where I live

370

00:16:52,310 --> 00:16:49,320

but I'm in uh in Wisconsin visiting my

371

00:16:54,470 --> 00:16:52,320

son right now and I I just yeah screwed

372

00:16:56,030 --> 00:16:54,480

up screwed up the hour conversion oh

373

00:16:58,730 --> 00:16:56,040

yeah yeah that's no problem you're here

374

00:17:00,889 --> 00:16:58,740

anyway so thank you for that good to see

375

00:17:03,110 --> 00:17:00,899

you Martin yeah good to see you always I

376

00:17:05,689 --> 00:17:03,120

always really like uh working with you

377

00:17:08,270 --> 00:17:05,699

because even when I'm having a meltdown

378

00:17:11,090 --> 00:17:08,280

behind the scenes and the computers that

379

00:17:14,630 --> 00:17:11,100

what is that program called that

380

00:17:16,549 --> 00:17:14,640

that the U.S we use a tricast the

381

00:17:18,710 --> 00:17:16,559

tricast when the tricast when I'm

382

00:17:20,990 --> 00:17:18,720

screwing up on the tricast you're

383

00:17:22,210 --> 00:17:21,000

always very calm just don't do that

384

00:17:25,669 --> 00:17:22,220

again

385

00:17:28,069 --> 00:17:25,679

and we always seem to pull it off well

386

00:17:30,590 --> 00:17:28,079

The Show Must Show Must Go On that's

387

00:17:32,450 --> 00:17:30,600

right that's right and uh setting it up

388

00:17:33,890 --> 00:17:32,460

and breaking it down oh man people have

389

00:17:35,330 --> 00:17:33,900

no idea what it's like to put on a

390

00:17:36,470 --> 00:17:35,340

conference and what there is behind the

391

00:17:38,630 --> 00:17:36,480

scenes

392

00:17:41,330 --> 00:17:38,640

it is a huge Endeavor to put one of

393

00:17:44,450 --> 00:17:41,340

those on yeah the Monumental like day's

394

00:17:46,789 --> 00:17:44,460

work with many many people days plural

395

00:17:48,590 --> 00:17:46,799

I'm saying to put a lot together a lot

396

00:17:50,690 --> 00:17:48,600

of planning going into it in advance as

397

00:17:52,850 --> 00:17:50,700

well yeah yeah but always fun and that

398

00:17:54,529 --> 00:17:52,860

it always it's amazing when it when you

399

00:17:56,810 --> 00:17:54,539

get done like ah

400

00:17:58,610 --> 00:17:56,820

we did it you know that type of thing

401
00:18:01,070 --> 00:17:58,620
it's a lot of fun but anyway you've

402
00:18:02,750 --> 00:18:01,080
you've had an interest you know some of

403
00:18:04,730 --> 00:18:02,760
the things I read through uh what you

404
00:18:06,169 --> 00:18:04,740
sent me and some of the things you

405
00:18:08,510 --> 00:18:06,179
have sent me the things that I've

406
00:18:11,510 --> 00:18:08,520
pondered a lot and uh so you and I have

407
00:18:14,750 --> 00:18:11,520
pondered a lot of the same uh things

408
00:18:17,870 --> 00:18:14,760
over the years and uh so I titled it

409
00:18:19,669 --> 00:18:17,880
basically you know verse versus you know

410
00:18:22,909 --> 00:18:19,679
belief versus science that type of thing

411
00:18:25,190 --> 00:18:22,919
as far as our discussion and because I

412
00:18:27,350 --> 00:18:25,200
know it's it is really hard

413
00:18:29,930 --> 00:18:27,360

it's such a hard thing to get evidence

414

00:18:32,090 --> 00:18:29,940

real evidence on you know I mean we have

415

00:18:36,230 --> 00:18:32,100

I think we have enough evidence but we

416

00:18:38,710 --> 00:18:36,240

don't have like a craft you know we have

417

00:18:41,810 --> 00:18:38,720

uh radar photos

418

00:18:44,570 --> 00:18:41,820

eyewitnesses you know blah blah blah and

419

00:18:46,549 --> 00:18:44,580

uh but we don't have your you know there

420

00:18:47,990 --> 00:18:46,559

are some people that say and even people

421

00:18:51,169 --> 00:18:48,000

higher up

422

00:18:53,390 --> 00:18:51,179

said that there's perhaps crash you know

423

00:18:55,669 --> 00:18:53,400

debris somewhere I'm not I'm not so sure

424

00:18:58,549 --> 00:18:55,679

I had a guess on a little while ago that

425

00:19:01,250 --> 00:18:58,559

found things in a snow bank after uh

426

00:19:03,850 --> 00:19:01,260

craft was hovering uh by the way a

427

00:19:07,010 --> 00:19:03,860

follow-up on that and uh

428

00:19:09,610 --> 00:19:07,020

Julie Olson I believe it was

429

00:19:14,390 --> 00:19:09,620

um uh that was about a month or so ago

430

00:19:17,210 --> 00:19:14,400

uh so uh class fun and

431

00:19:19,370 --> 00:19:17,220

um in Sweden reached out and they have a

432

00:19:21,350 --> 00:19:19,380

team that is going to be analyzing those

433

00:19:23,210 --> 00:19:21,360

those medals and that's on their way to

434

00:19:25,909 --> 00:19:23,220

it's on its way to Sweden right right

435

00:19:27,950 --> 00:19:25,919

now if it's not there already and uh so

436

00:19:29,870 --> 00:19:27,960

there will be a follow-up on that um if

437

00:19:32,450 --> 00:19:29,880

it ends up being anything

438

00:19:34,789 --> 00:19:32,460

you know unusual a lot of people wrote

439

00:19:36,409 --> 00:19:34,799

in on that particular show and said hey

440

00:19:38,750 --> 00:19:36,419

look it looks like this it looks like

441

00:19:40,310 --> 00:19:38,760

that you know it does it does look it's

442

00:19:41,750 --> 00:19:40,320

very uniform looks like it could be a

443

00:19:43,730 --> 00:19:41,760

piece of an exhaust pipe or something

444

00:19:46,070 --> 00:19:43,740

you know that type of thing but we'll

445

00:19:48,350 --> 00:19:46,080

see when it's analyzed and you know it's

446

00:19:49,430 --> 00:19:48,360

very well could be you know an earth

447

00:19:52,909 --> 00:19:49,440

made

448

00:19:54,350 --> 00:19:52,919

object somehow but uh the way it showed

449

00:19:57,230 --> 00:19:54,360

up and everything is pretty curious it's

450

00:20:03,169 --> 00:20:01,610

so uh so Carlo more or less what when

451
00:20:04,490 --> 00:20:03,179
you've thought about this you have a

452
00:20:06,770 --> 00:20:04,500
book do you have a book coming out did

453
00:20:08,810 --> 00:20:06,780
you say not not coming out I'm in the

454
00:20:11,570 --> 00:20:08,820
process of putting together the outline

455
00:20:13,730 --> 00:20:11,580
for it and hopefully getting a chance to

456
00:20:16,310 --> 00:20:13,740
write it in the next six months to a

457
00:20:19,070 --> 00:20:16,320
year and and let's kind of go into what

458
00:20:20,570 --> 00:20:19,080
that's going to be about

459
00:20:22,789 --> 00:20:20,580
well it's

460
00:20:25,010 --> 00:20:22,799
the the tentative title is

461
00:20:26,990 --> 00:20:25,020
uh UFOs

462
00:20:30,169 --> 00:20:27,000
and a matter of faith

463
00:20:32,990 --> 00:20:30,179

which in examines

464

00:20:34,669 --> 00:20:33,000

the whole phenomena based on a belief

465

00:20:38,510 --> 00:20:34,679

system

466

00:20:40,730 --> 00:20:38,520

why do people believe in UFOs and I

467

00:20:42,650 --> 00:20:40,740

think that's the wrong question it's not

468

00:20:45,770 --> 00:20:42,660

a matter of belief it's not a matter of

469

00:20:47,210 --> 00:20:45,780

Faith which implies that you you believe

470

00:20:48,770 --> 00:20:47,220

in something

471

00:20:54,590 --> 00:20:48,780

without a

472

00:21:00,830 --> 00:20:58,730

belief in a UFO is is almost an

473

00:21:04,490 --> 00:21:00,840

existential thing

474

00:21:05,570 --> 00:21:04,500

what I'm trying to get to is why do

475

00:21:07,850 --> 00:21:05,580

people believe

476
00:21:10,370 --> 00:21:07,860
without having the evidence to support

477
00:21:12,169 --> 00:21:10,380
their belief system I hear so many

478
00:21:14,690 --> 00:21:12,179
people say

479
00:21:17,390 --> 00:21:14,700
it's a given that there are UFOs that

480
00:21:21,289 --> 00:21:17,400
there are extraterrestrials that

481
00:21:24,710 --> 00:21:21,299
we have crashed discs somewhere in in

482
00:21:26,210 --> 00:21:24,720
Ohio or or at Area 51

483
00:21:28,610 --> 00:21:26,220
but

484
00:21:31,070 --> 00:21:28,620
where's the evidence

485
00:21:32,990 --> 00:21:31,080
people believe because they want to

486
00:21:34,970 --> 00:21:33,000
believe people are interested in this

487
00:21:37,430 --> 00:21:34,980
field because they're interested in UFOs

488
00:21:40,130 --> 00:21:37,440

and they have a belief system many of

489

00:21:41,750 --> 00:21:40,140

them anyway about UFOs

490

00:21:45,890 --> 00:21:41,760

and

491

00:21:47,870 --> 00:21:45,900

if if you look at what they believe it

492

00:21:50,510 --> 00:21:47,880

doesn't necessarily match what is

493

00:21:53,210 --> 00:21:50,520

actually happening in science or in the

494

00:21:54,470 --> 00:21:53,220

world of physical reality

495

00:21:55,970 --> 00:21:54,480

hmm

496

00:21:57,230 --> 00:21:55,980

and so

497

00:21:59,149 --> 00:21:57,240

um

498

00:22:02,289 --> 00:21:59,159

one of the questions you you you

499

00:22:07,010 --> 00:22:02,299

pondered in this uh thing you sent me

500

00:22:09,649 --> 00:22:07,020

and is uh that

501
00:22:11,149 --> 00:22:09,659
something along the lines were why are

502
00:22:14,090 --> 00:22:11,159
we getting

503
00:22:15,890 --> 00:22:14,100
so many UFO why would they be here so

504
00:22:17,930 --> 00:22:15,900
often as they are and that's something

505
00:22:20,029 --> 00:22:17,940
that's a question that I've asked and

506
00:22:23,630 --> 00:22:20,039
I've not only have I asked that question

507
00:22:27,770 --> 00:22:23,640
but I asked an astrophysicist that was

508
00:22:30,049 --> 00:22:27,780
interested in this topic and he said I

509
00:22:32,570 --> 00:22:30,059
said why would we be so special what is

510
00:22:36,169 --> 00:22:32,580
so special about us isn't if there is

511
00:22:38,510 --> 00:22:36,179
life all over you know the universe

512
00:22:41,210 --> 00:22:38,520
why would we be visited what would make

513
00:22:43,490 --> 00:22:41,220

us special and he said oh we are special

514

00:22:44,870 --> 00:22:43,500

he said he thinks you know he was

515

00:22:48,049 --> 00:22:44,880

thinking that we are special because

516

00:22:50,630 --> 00:22:48,059

we're absolutely teeming with life and

517

00:22:53,090 --> 00:22:50,640

you know perhaps not all

518

00:22:55,610 --> 00:22:53,100

planets are teeming with life the way we

519

00:22:57,289 --> 00:22:55,620

are in every inch of the planet just

520

00:23:00,529 --> 00:22:57,299

about as teeming with some type of life

521

00:23:02,690 --> 00:23:00,539

you know I believe that was uh along the

522

00:23:06,169 --> 00:23:02,700

lines of what he came back with and

523

00:23:07,510 --> 00:23:06,179

perhaps that's not so common

524

00:23:11,029 --> 00:23:07,520

so

525

00:23:12,890 --> 00:23:11,039

perhaps that's true there are people who

526

00:23:15,049 --> 00:23:12,900

say that the universe is teeming with

527

00:23:18,890 --> 00:23:15,059

life and then there are other people who

528

00:23:21,890 --> 00:23:18,900

say life is very rare and that defined

529

00:23:25,490 --> 00:23:21,900

life is something that's very unique

530

00:23:28,610 --> 00:23:25,500

uh the whole question I have is what

531

00:23:31,610 --> 00:23:28,620

makes the Earth so important that if you

532

00:23:35,210 --> 00:23:31,620

believe what people are telling us that

533

00:23:36,770 --> 00:23:35,220

we are being visited by multiple

534

00:23:40,250 --> 00:23:36,780

entities

535

00:23:42,950 --> 00:23:40,260

different uh extraterrestrials from

536

00:23:45,230 --> 00:23:42,960

different parts of the Galaxy repeatedly

537

00:23:48,710 --> 00:23:45,240

on a daily basis that's been going on

538

00:23:51,710 --> 00:23:48,720

for hundreds if not thousands of years

539

00:23:53,690 --> 00:23:51,720

what what kind of

540

00:23:55,850 --> 00:23:53,700

things are here on Earth that would

541

00:24:00,890 --> 00:23:55,860

require such intense

542

00:24:05,810 --> 00:24:03,350

okay here's a here's a question right

543

00:24:07,990 --> 00:24:05,820

off right off the bat here why should I

544

00:24:11,690 --> 00:24:08,000

disbelieve my personal observation

545

00:24:14,090 --> 00:24:11,700

experience please don't go right to it's

546

00:24:16,850 --> 00:24:14,100

all in my mind and you know I personally

547

00:24:20,510 --> 00:24:16,860

have had a UFO sighting that I couldn't

548

00:24:24,529 --> 00:24:20,520

explain and uh you know I mean right

549

00:24:27,049 --> 00:24:24,539

over right over my head and uh I I don't

550

00:24:29,870 --> 00:24:27,059

know what it was I can't say for sure it

551
00:24:32,750 --> 00:24:29,880
was extraterrestrial but it sure acted

552
00:24:35,270 --> 00:24:32,760
like nothing that I imagined that we had

553
00:24:37,970 --> 00:24:35,280
you know was a perfectly shaped disc and

554
00:24:40,730 --> 00:24:37,980
was right over my head so anyway uh how

555
00:24:44,149 --> 00:24:40,740
would you answer Christopher

556
00:24:46,130 --> 00:24:44,159
well I'd answer by saying

557
00:24:47,390 --> 00:24:46,140
believe your personal observation and

558
00:24:49,310 --> 00:24:47,400
experience

559
00:24:51,710 --> 00:24:49,320
but don't

560
00:24:54,890 --> 00:24:51,720
jump to conclusions about what it is

561
00:24:58,070 --> 00:24:54,900
like you said I've had experiences I

562
00:25:01,909 --> 00:24:58,080
I've stood outside

563
00:25:05,510 --> 00:25:01,919

um the Aquarius hotel in in Laughlin

564

00:25:07,730 --> 00:25:05,520

Nevada at multiple UFO conferences I've

565

00:25:10,310 --> 00:25:07,740

looked up into the sky I've seen things

566

00:25:13,610 --> 00:25:10,320

that I can't explain

567

00:25:14,750 --> 00:25:13,620

but just because I can't explain what

568

00:25:16,130 --> 00:25:14,760

they are doesn't mean they're

569

00:25:18,590 --> 00:25:16,140

extraterrestrial doesn't mean that

570

00:25:19,730 --> 00:25:18,600

they're UFOs it just means they're

571

00:25:20,630 --> 00:25:19,740

unexplained we don't have enough

572

00:25:23,270 --> 00:25:20,640

evidence

573

00:25:24,590 --> 00:25:23,280

to tell us what they are

574

00:25:26,149 --> 00:25:24,600

now

575

00:25:28,669 --> 00:25:26,159

when you start seeing something you

576

00:25:32,149 --> 00:25:28,679

can't explain and it acts in a in a way

577

00:25:34,430 --> 00:25:32,159

that is unexplainable then you start

578

00:25:38,510 --> 00:25:34,440

having to figure out what it is that's

579

00:25:40,130 --> 00:25:38,520

going on but to immediately jump to the

580

00:25:44,210 --> 00:25:40,140

conclusion that that's an

581

00:25:46,669 --> 00:25:44,220

extraterrestrial craft or UFO or some

582

00:25:48,769 --> 00:25:46,679

secret military project is just

583

00:25:51,169 --> 00:25:48,779

disregarding

584

00:25:53,810 --> 00:25:51,179

most of what you see

585

00:25:55,789 --> 00:25:53,820

and that is a light in the sky something

586

00:26:00,289 --> 00:25:55,799

that's anomalous something that's active

587

00:26:02,390 --> 00:26:00,850

um

588

00:26:05,330 --> 00:26:02,400

so

589

00:26:07,250 --> 00:26:05,340

you yourself you've had experiences

590

00:26:09,590 --> 00:26:07,260

yourself that you've actually seen

591

00:26:12,769 --> 00:26:09,600

something yes

592

00:26:13,610 --> 00:26:12,779

basically and uh how many occasions

593

00:26:17,870 --> 00:26:13,620

would

594

00:26:20,269 --> 00:26:17,880

about uh two or three occasions

595

00:26:23,049 --> 00:26:20,279

um and and I've I've talked to people

596

00:26:25,029 --> 00:26:23,059

and I've I've described what I've seen

597

00:26:28,490 --> 00:26:25,039

uh I'm

598

00:26:30,289 --> 00:26:28,500

uh friends with Mark d'antonio who works

599

00:26:32,330 --> 00:26:30,299

with mufon and does a lot of phono

600

00:26:35,990 --> 00:26:32,340

analysis things like that and I I told

601
00:26:38,810 --> 00:26:36,000
him I saw this object that

602
00:26:40,370 --> 00:26:38,820
just started getting closer and closer

603
00:26:42,950 --> 00:26:40,380
to me and growing brighter and brighter

604
00:26:45,350 --> 00:26:42,960
and then all of a sudden it blinked out

605
00:26:46,490 --> 00:26:45,360
and he said you you probably saw a

606
00:26:48,529 --> 00:26:46,500
satellite

607
00:26:50,570 --> 00:26:48,539
that was just reflecting the Sun at the

608
00:26:52,789 --> 00:26:50,580
right angle and when it got out of the

609
00:26:53,930 --> 00:26:52,799
angle of the sun that's when it blinked

610
00:26:56,210 --> 00:26:53,940
out

611
00:26:59,090 --> 00:26:56,220
well I I could agree with that I've seen

612
00:27:02,029 --> 00:26:59,100
a lot of satellites um uh from sitting

613
00:27:03,169 --> 00:27:02,039

in the hot tub for hours on end uh but

614

00:27:05,450 --> 00:27:03,179

you know

615

00:27:08,210 --> 00:27:05,460

and he's right about the sun you see it

616

00:27:10,909 --> 00:27:08,220

the as soon as it gets the Earth gets in

617

00:27:12,529 --> 00:27:10,919

the way of the shadow of the Earth right

618

00:27:14,390 --> 00:27:12,539

um you know it goes away but I've never

619

00:27:16,130 --> 00:27:14,400

seen one that I thought was coming at me

620

00:27:18,289 --> 00:27:16,140

like you're saying

621

00:27:20,630 --> 00:27:18,299

so I don't know if that would be you

622

00:27:22,430 --> 00:27:20,640

know the explanation for that particular

623

00:27:24,710 --> 00:27:22,440

situation

624

00:27:25,430 --> 00:27:24,720

it was an explanation that made sense to

625

00:27:28,730 --> 00:27:25,440

me

626

00:27:31,730 --> 00:27:28,740

uh and explained what I saw now I had

627

00:27:34,490 --> 00:27:31,740

another a sighting where I was in in

628

00:27:38,029 --> 00:27:34,500

northern Wisconsin and I saw a light in

629

00:27:40,850 --> 00:27:38,039

the sky that was moving in a uh

630

00:27:42,110 --> 00:27:40,860

a straight line across the sky all of a

631

00:27:44,450 --> 00:27:42,120

sudden it stopped

632

00:27:48,649 --> 00:27:44,460

and started going backwards

633

00:27:50,750 --> 00:27:48,659

that I can't explain yeah yeah yeah so

634

00:27:53,450 --> 00:27:50,760

that that is that is interesting but I

635

00:27:56,210 --> 00:27:53,460

do get where you're uh I'm I'm careful

636

00:27:58,789 --> 00:27:56,220

to say that you know I don't know I've

637

00:28:00,830 --> 00:27:58,799

never said I know what these

638

00:28:03,769 --> 00:28:00,840

I've always been careful since I started

639

00:28:04,970 --> 00:28:03,779

the show 11 years ago that I never say

640

00:28:09,409 --> 00:28:04,980

that I know

641

00:28:11,029 --> 00:28:09,419

what these things are but I say the

642

00:28:12,649 --> 00:28:11,039

possibilities you know I will go into

643

00:28:17,029 --> 00:28:12,659

the possibilities and that's what makes

644

00:28:20,029 --> 00:28:17,039

this topic really fascinating to me

645

00:28:22,730 --> 00:28:20,039

um there are so many cases that can't be

646

00:28:25,430 --> 00:28:22,740

denied but it doesn't mean that we have

647

00:28:27,710 --> 00:28:25,440

our hands on anything for sure you know

648

00:28:29,750 --> 00:28:27,720

like uh you have been there and listened

649

00:28:32,450 --> 00:28:29,760

to all these different people speak for

650

00:28:34,789 --> 00:28:32,460

just one example of this you've heard

651
00:28:37,490 --> 00:28:34,799
people from the Ariel School incident

652
00:28:40,850 --> 00:28:37,500
you've heard people from all these

653
00:28:43,370 --> 00:28:40,860
amazing cases at Alejandra Rojas and

654
00:28:44,810 --> 00:28:43,380
Karen has put together over the years

655
00:28:46,669 --> 00:28:44,820
um so you've heard all these people well

656
00:28:49,310 --> 00:28:46,679
you going way back weren't you going

657
00:28:52,250 --> 00:28:49,320
back with the uh International UFO

658
00:28:54,649 --> 00:28:52,260
Congress a long time right that's right

659
00:28:56,870 --> 00:28:54,659
back back to the mid 90s

660
00:28:59,269 --> 00:28:56,880
so you've heard about everyone there is

661
00:29:02,269 --> 00:28:59,279
on the on the circuit and then and then

662
00:29:04,310 --> 00:29:02,279
some more I'll probably have I I haven't

663
00:29:05,990 --> 00:29:04,320

counted but I'm I'm guessing it's well

664

00:29:09,710 --> 00:29:06,000

over a thousand presentations that I've

665

00:29:11,510 --> 00:29:09,720

seen over the years yeah yeah and uh I I

666

00:29:13,549 --> 00:29:11,520

guess I have to ask you this of all the

667

00:29:15,830 --> 00:29:13,559

ones that you've listened to and heard

668

00:29:18,590 --> 00:29:15,840

where do you find the most compelling of

669

00:29:23,389 --> 00:29:21,350

uh

670

00:29:25,730 --> 00:29:23,399

that's a very difficult question for me

671

00:29:26,930 --> 00:29:25,740

to answer and I I've tried to answer

672

00:29:27,889 --> 00:29:26,940

that

673

00:29:31,490 --> 00:29:27,899

but

674

00:29:33,049 --> 00:29:31,500

I I can't I can't say who or what the

675

00:29:36,289 --> 00:29:33,059

most compelling presentation is I've

676

00:29:38,389 --> 00:29:36,299

ever seen I'll tell you uh the the guest

677

00:29:40,430 --> 00:29:38,399

that was being interviewed prior to me

678

00:29:42,350 --> 00:29:40,440

coming on Travis Walton

679

00:29:43,430 --> 00:29:42,360

um I've known Travis for over 20 years

680

00:29:50,750 --> 00:29:43,440

and

681

00:29:54,169 --> 00:29:50,760

he tells it every every time I see him

682

00:29:56,870 --> 00:29:54,179

at a convention or at a conference he

683

00:29:59,750 --> 00:29:56,880

tells the same story he has consistency

684

00:30:02,029 --> 00:29:59,760

he doesn't make up more interesting

685

00:30:04,669 --> 00:30:02,039

things he doesn't get abducted again and

686

00:30:06,889 --> 00:30:04,679

again so there's there's something about

687

00:30:08,210 --> 00:30:06,899

Travis's story that is very compelling

688

00:30:10,909 --> 00:30:08,220

to me

689

00:30:12,769 --> 00:30:10,919

crazy and I agree with you you know yeah

690

00:30:14,990 --> 00:30:12,779

is he telling the truth

691

00:30:17,210 --> 00:30:15,000

he believes he is

692

00:30:20,630 --> 00:30:17,220

uh you know there's there's no physical

693

00:30:23,750 --> 00:30:20,640

evidence to support his claims it's do I

694

00:30:27,590 --> 00:30:23,760

believe Travis Walton and

695

00:30:31,730 --> 00:30:29,930

um I do too I've sat across from him and

696

00:30:35,750 --> 00:30:31,740

had many conversations over the years

697

00:30:37,970 --> 00:30:35,760

and I don't I don't doubt him at all you

698

00:30:40,850 --> 00:30:37,980

know and there are there has been some

699

00:30:43,370 --> 00:30:40,860

detractors and a lot of times he's he's

700

00:30:45,470 --> 00:30:43,380

like gone away from this whole topic

701
00:30:47,750 --> 00:30:45,480
because he's had it he's got the burnout

702
00:30:49,430 --> 00:30:47,760
and he's he's tired of people harassing

703
00:30:51,409 --> 00:30:49,440
him and saying there was nothing going

704
00:30:54,169 --> 00:30:51,419
on and I heard him mention in that

705
00:30:56,330 --> 00:30:54,179
interview Phil class and uh that was an

706
00:30:57,889 --> 00:30:56,340
another guy that

707
00:30:59,690 --> 00:30:57,899
um you know I don't know if it's really

708
00:31:01,850 --> 00:30:59,700
I don't know if there's really evidence

709
00:31:04,789 --> 00:31:01,860
out there but but supposedly he had

710
00:31:06,049 --> 00:31:04,799
offered ten thousand dollars for uh was

711
00:31:08,389 --> 00:31:06,059
it Steve

712
00:31:10,789 --> 00:31:08,399
I can't remember who it was uh to say

713
00:31:12,409 --> 00:31:10,799

that it was a hoax you know I mean that

714

00:31:15,230 --> 00:31:12,419

that's incred if that story is true

715

00:31:16,610 --> 00:31:15,240

that's incredible really and where would

716

00:31:19,310 --> 00:31:16,620

that money come from and why would that

717

00:31:21,649 --> 00:31:19,320

money be spent you know it doesn't

718

00:31:23,450 --> 00:31:21,659

it doesn't make any sense that's one of

719

00:31:26,409 --> 00:31:23,460

the things that bothers me about this

720

00:31:29,389 --> 00:31:26,419

phenomena is there's so much

721

00:31:31,810 --> 00:31:29,399

backfighting and and backstabbing and

722

00:31:35,029 --> 00:31:31,820

and people

723

00:31:37,730 --> 00:31:35,039

telling stories about other people and

724

00:31:40,130 --> 00:31:37,740

you just you don't know what to believe

725

00:31:43,310 --> 00:31:40,140

or who you believe in a lot of cases

726

00:31:44,810 --> 00:31:43,320

yeah yeah there is a there is can be a

727

00:31:47,690 --> 00:31:44,820

lot of that I try to stay out of that

728

00:31:49,549 --> 00:31:47,700

type of thing like uh I don't get

729

00:31:51,230 --> 00:31:49,559

involved in between there was a couple

730

00:31:54,230 --> 00:31:51,240

of things that I accidentally got

731

00:31:56,029 --> 00:31:54,240

involved involved in between uh but I

732

00:31:59,810 --> 00:31:56,039

I'd rather stay out of that whole

733

00:32:01,669 --> 00:31:59,820

infighting part of this uh and it is too

734

00:32:04,130 --> 00:32:01,679

bad we should all try to get along and

735

00:32:07,010 --> 00:32:04,140

and everything seems to be divided

736

00:32:08,810 --> 00:32:07,020

whether it's politics or UFOs or you

737

00:32:10,610 --> 00:32:08,820

name it it seems like there's a division

738

00:32:13,310 --> 00:32:10,620

like you're right and I'm wrong and

739

00:32:15,950 --> 00:32:13,320

there's absolutely and there's wide

740

00:32:17,870 --> 00:32:15,960

brush Strokes that everyone is in this

741

00:32:21,230 --> 00:32:17,880

basket and everyone's in that basket and

742

00:32:23,690 --> 00:32:21,240

yeah yeah so uh it would be nice if if

743

00:32:25,970 --> 00:32:23,700

less of that was happening

744

00:32:28,490 --> 00:32:25,980

and uh someone

745

00:32:29,990 --> 00:32:28,500

is asking a question did I get in

746

00:32:33,169 --> 00:32:30,000

trouble with

747

00:32:35,450 --> 00:32:33,179

every time I answer that so I'll let you

748

00:32:37,310 --> 00:32:35,460

what do you think about Bal Bazaar

749

00:32:52,190 --> 00:32:37,320

uh

750

00:32:56,269 --> 00:32:52,200

know George Knapp has done a great job

751
00:32:57,889 --> 00:32:56,279
of of researching uh Bob's background uh

752
00:33:01,610 --> 00:32:57,899
Stanton Friedman on the other hand

753
00:33:03,950 --> 00:33:01,620
doesn't think much of him uh I

754
00:33:05,930 --> 00:33:03,960
I reserve my judgment on Bob Lazar

755
00:33:08,450 --> 00:33:05,940
there's there's a lot of backstory that

756
00:33:10,010 --> 00:33:08,460
doesn't quite add up he doesn't have the

757
00:33:12,889 --> 00:33:10,020
paperwork he doesn't have the the

758
00:33:14,710 --> 00:33:12,899
necessary proof but

759
00:33:17,750 --> 00:33:14,720
you know

760
00:33:20,090 --> 00:33:17,760
Bob Lazar is one of those people

761
00:33:22,450 --> 00:33:20,100
who came to the UFO Congress several

762
00:33:24,970 --> 00:33:22,460
years ago he had been

763
00:33:29,930 --> 00:33:24,980

absent from the field for quite a while

764

00:33:30,590 --> 00:33:29,940

and actually it took a large

765

00:33:32,810 --> 00:33:30,600

um

766

00:33:35,389 --> 00:33:32,820

stipend for him to come to make his

767

00:33:40,850 --> 00:33:35,399

presentation and to do his uh interview

768

00:33:44,450 --> 00:33:40,860

with the with George and to do the the

769

00:33:46,370 --> 00:33:44,460

the presentation at the Congress but you

770

00:33:49,610 --> 00:33:46,380

know he he came across as very very

771

00:33:53,210 --> 00:33:49,620

sincere and a very nice guy

772

00:33:54,769 --> 00:33:53,220

well you know I I I'm gonna differ with

773

00:33:56,269 --> 00:33:54,779

you there here I'm going to be the

774

00:33:57,529 --> 00:33:56,279

skeptic when it comes to Bob Lazar

775

00:34:01,009 --> 00:33:57,539

because

776

00:34:03,230 --> 00:34:01,019

um it you doesn't add up it does not add

777

00:34:04,970 --> 00:34:03,240

up there's I did a Blog on it I caught a

778

00:34:07,310 --> 00:34:04,980

lot of heck for the blog

779

00:34:10,609 --> 00:34:07,320

um I confronted I was trying to see if I

780

00:34:12,290 --> 00:34:10,619

could see this I confronted George Knapp

781

00:34:15,169 --> 00:34:12,300

um now I like George Knapp I think he's

782

00:34:18,349 --> 00:34:15,179

one heck of a journalist yes and uh but

783

00:34:20,450 --> 00:34:18,359

I think this is where and I don't care

784

00:34:22,909 --> 00:34:20,460

if he hears that I say this this is

785

00:34:27,470 --> 00:34:22,919

where George Knapp has gone wrong I

786

00:34:30,950 --> 00:34:27,480

really think he is I I think he is too

787

00:34:33,649 --> 00:34:30,960

uh he's too involved in this okay this

788

00:34:35,089 --> 00:34:33,659

is what I wrote George George I've done

789

00:34:37,669 --> 00:34:35,099

a lot of Deep dive

790

00:34:40,010 --> 00:34:37,679

into researching Bob Lazar over the

791

00:34:42,290 --> 00:34:40,020

years my close friend's daughter works

792

00:34:44,690 --> 00:34:42,300

in the records department at MIT can do

793

00:34:46,669 --> 00:34:44,700

the deepest search in research and there

794

00:34:49,010 --> 00:34:46,679

is no way any government or anyone else

795

00:34:51,649 --> 00:34:49,020

could wipe out all the records with all

796

00:34:54,230 --> 00:34:51,659

the redundancy I respect you as a

797

00:34:56,930 --> 00:34:54,240

journalist you have done so much to help

798

00:35:00,290 --> 00:34:56,940

the needle move the needle forward in

799

00:35:01,490 --> 00:35:00,300

regards to UFOs yet you must know Bob is

800

00:35:03,829 --> 00:35:01,500

a fraud

801
00:35:06,349 --> 00:35:03,839
but maybe you are in too deep to admit

802
00:35:09,050 --> 00:35:06,359
it I watched and read all of what you

803
00:35:10,970 --> 00:35:09,060
have done from the beginning when you

804
00:35:13,370 --> 00:35:10,980
look at all the records documents and

805
00:35:16,069 --> 00:35:13,380
his claims there's way too much against

806
00:35:19,130 --> 00:35:16,079
the possibility of what he asserts do

807
00:35:20,990 --> 00:35:19,140
you just blow all that stuff off as

808
00:35:23,510 --> 00:35:21,000
flagrant debunking

809
00:35:26,510 --> 00:35:23,520
I as well as anyone else

810
00:35:28,849 --> 00:35:26,520
want wanted the story to be true but I

811
00:35:30,770 --> 00:35:28,859
have to follow the facts there is no

812
00:35:33,770 --> 00:35:30,780
hate here as you claim a lot of people

813
00:35:37,010 --> 00:35:33,780

do against him I just have the desire to

814

00:35:39,410 --> 00:35:37,020

know the truth Martin so he wrote me

815

00:35:41,650 --> 00:35:39,420

back he said uh people are welcome to

816

00:35:44,270 --> 00:35:41,660

form their own opinions about him I've

817

00:35:46,910 --> 00:35:44,280

in the great detail how I formed mine

818

00:35:48,109 --> 00:35:46,920

something you would expect to hear from

819

00:35:49,790 --> 00:35:48,119

George Knapp but I just thought I'd

820

00:35:53,030 --> 00:35:49,800

throw that out there and every time I

821

00:35:55,370 --> 00:35:53,040

bring up the Bob Lazar topic and that I

822

00:35:57,770 --> 00:35:55,380

do believe he's a fraud a hundred

823

00:35:59,750 --> 00:35:57,780

percent I am a hundred percent

824

00:36:02,210 --> 00:35:59,760

sure I'm more

825

00:36:04,790 --> 00:36:02,220

sure about Bob Lazar being a fraud than

826

00:36:06,589 --> 00:36:04,800

I am that there's UFOs flying around in

827

00:36:09,710 --> 00:36:06,599

the sky so

828

00:36:11,930 --> 00:36:09,720

um anyway that's my opinion and and and

829

00:36:14,329 --> 00:36:11,940

when I do that I get hate meal I have

830

00:36:18,589 --> 00:36:14,339

people you know cancel their patreon

831

00:36:21,710 --> 00:36:18,599

things and uh uh so but I don't care I

832

00:36:24,829 --> 00:36:21,720

just feel like the facts all lead to the

833

00:36:27,890 --> 00:36:24,839

fact that he is a fraud and I I don't

834

00:36:28,849 --> 00:36:27,900

care sue me Bob Lazar I think you're a

835

00:36:31,190 --> 00:36:28,859

fraud

836

00:36:33,770 --> 00:36:31,200

so I I I think that goes to the original

837

00:36:36,589 --> 00:36:33,780

point that we were talking about that

838

00:36:38,930 --> 00:36:36,599

that people believe the Bob Lazar

839

00:36:41,930 --> 00:36:38,940

whether the evidence is there or not

840

00:36:43,910 --> 00:36:41,940

it's it's a yes it's a matter of Faith

841

00:36:45,470 --> 00:36:43,920

they will not look at they will not read

842

00:36:47,630 --> 00:36:45,480

my blog I've asked the number of people

843

00:36:49,910 --> 00:36:47,640

I said please read my blog I have it all

844

00:36:51,589 --> 00:36:49,920

laid out I have PDFs I have all kinds of

845

00:36:53,630 --> 00:36:51,599

things laid out you can go through it

846

00:36:54,890 --> 00:36:53,640

and make up your own mind and they will

847

00:36:57,710 --> 00:36:54,900

not read it they've already made up

848

00:36:59,750 --> 00:36:57,720

their minds that he is 100 real and

849

00:37:02,510 --> 00:36:59,760

right you know he was working on the

850

00:37:05,510 --> 00:37:02,520

sports model and you know all that uh at

851

00:37:07,670 --> 00:37:05,520

Area 51 and you know he had uh the

852

00:37:09,410 --> 00:37:07,680

highest clearance possible within two

853

00:37:12,170 --> 00:37:09,420

weeks and you know all that all that

854

00:37:15,230 --> 00:37:12,180

type of stuff but right right and

855

00:37:19,130 --> 00:37:15,240

there's no way to check it

856

00:37:23,270 --> 00:37:19,140

right I mean how could you right yes and

857

00:37:25,490 --> 00:37:23,280

um yeah but anyway that blog I can I'll

858

00:37:28,190 --> 00:37:25,500

I'll put that blog Link in the show

859

00:37:31,609 --> 00:37:28,200

notes if anyone cares to read it but you

860

00:37:35,930 --> 00:37:33,650

but anyway that's how I feel about Bob

861

00:37:38,290 --> 00:37:35,940

and uh Cali kid thanks for uh starting

862

00:37:41,870 --> 00:37:38,300

this whole thing

863

00:37:44,750 --> 00:37:41,880

but uh and I I'd like to add that you

864

00:37:47,170 --> 00:37:44,760

know like I've said I I've seen over a

865

00:37:51,589 --> 00:37:47,180

thousand of these presentations and I

866

00:37:52,970 --> 00:37:51,599

the more I see the less convinced I am

867

00:37:56,990 --> 00:37:52,980

of

868

00:38:00,770 --> 00:37:57,000

are saying because so many contradict

869

00:38:03,069 --> 00:38:00,780

each other so many are based on on just

870

00:38:05,089 --> 00:38:03,079

having a belief or faith in something

871

00:38:07,250 --> 00:38:05,099

there's no physical evidence somebody

872

00:38:09,170 --> 00:38:07,260

just to search something and we're

873

00:38:10,310 --> 00:38:09,180

supposed to believe it

874

00:38:13,490 --> 00:38:10,320

hmm

875

00:38:15,470 --> 00:38:13,500

yeah you know it's uh my son's down uh

876

00:38:17,150 --> 00:38:15,480

visiting me down here in South Carolina

877

00:38:20,930 --> 00:38:17,160

we went for a walk today and we were

878

00:38:22,370 --> 00:38:20,940

talking about uh beliefs you know uh he

879

00:38:24,170 --> 00:38:22,380

said kind of what what is your show

880

00:38:25,609 --> 00:38:24,180

about and I I told him and I said you

881

00:38:27,170 --> 00:38:25,619

know it's a lot about beliefs and you

882

00:38:28,250 --> 00:38:27,180

know he says yeah people just want to

883

00:38:30,109 --> 00:38:28,260

believe and

884

00:38:33,530 --> 00:38:30,119

you know they want to believe in

885

00:38:35,450 --> 00:38:33,540

something and they they don't they don't

886

00:38:37,490 --> 00:38:35,460

want any of the facts to change their

887

00:38:38,630 --> 00:38:37,500

mind so they want to just want to

888

00:38:41,810 --> 00:38:38,640

believe in it

889

00:38:44,690 --> 00:38:41,820

so what what is the poster on on

890

00:38:45,950 --> 00:38:44,700

The X-Files on yeah I want to believe I

891

00:38:50,569 --> 00:38:45,960

want to believe

892

00:38:53,569 --> 00:38:50,579

have something that they can believe it

893

00:38:55,849 --> 00:38:53,579

whether it's it's true or not whether

894

00:38:58,910 --> 00:38:55,859

there's scientific evidence I'm about

895

00:39:01,130 --> 00:38:58,920

the science I'm about searching for the

896

00:39:04,250 --> 00:39:01,140

things that will prove

897

00:39:06,230 --> 00:39:04,260

the existence of of extraterrestrials of

898

00:39:08,089 --> 00:39:06,240

Intergalactic flight there are just so

899

00:39:11,450 --> 00:39:08,099

many things that disprove them right now

900

00:39:13,790 --> 00:39:11,460

that it makes it difficult to to accept

901
00:39:15,589 --> 00:39:13,800
them and to believe them

902
00:39:18,710 --> 00:39:15,599
so what do you what do you think about

903
00:39:21,170 --> 00:39:18,720
the people that are jumping in like Avi

904
00:39:23,930 --> 00:39:21,180
lobe and people like that around that

905
00:39:27,230 --> 00:39:23,940
are interested in doing Kevin knuth

906
00:39:29,450 --> 00:39:27,240
there's many people out there that are

907
00:39:31,550 --> 00:39:29,460
looking to do science

908
00:39:33,770 --> 00:39:31,560
and I think it's a great thing that

909
00:39:36,829 --> 00:39:33,780
myself right

910
00:39:38,810 --> 00:39:36,839
up up until this point I think that this

911
00:39:41,510 --> 00:39:38,820
this field has been dominated by

912
00:39:44,329 --> 00:39:41,520
amateurs people who have no credentials

913
00:39:45,589 --> 00:39:44,339

who are interested in the subject and

914

00:39:48,109 --> 00:39:45,599

because they're interested in the

915

00:39:50,230 --> 00:39:48,119

subject they have a predisposition to

916

00:39:53,210 --> 00:39:50,240

believe

917

00:39:56,150 --> 00:39:53,220

and they find evidence that supports

918

00:39:58,130 --> 00:39:56,160

their belief and in many cases may

919

00:40:00,829 --> 00:39:58,140

disregard or downplay evidence that

920

00:40:01,910 --> 00:40:00,839

doesn't support their beliefs

921

00:40:05,510 --> 00:40:01,920

hmm

922

00:40:09,490 --> 00:40:05,520

so what what do you think is I guess

923

00:40:11,569 --> 00:40:09,500

and people are welcome to uh my question

924

00:40:13,730 --> 00:40:11,579

and you're welcome to post the question

925

00:40:17,270 --> 00:40:13,740

if you would please put them in caps so

926
00:40:19,609 --> 00:40:17,280
I catch them but uh so what do you think

927
00:40:22,010 --> 00:40:19,619
of all the sightings that people are

928
00:40:24,530 --> 00:40:22,020
seeing what do you think about

929
00:40:27,770 --> 00:40:24,540
say let's just take one case in

930
00:40:29,210 --> 00:40:27,780
particular the Tic Tac UFO the sighting

931
00:40:37,609 --> 00:40:29,220
off of

932
00:40:39,410 --> 00:40:37,619
coast right in 2004.

933
00:40:41,810 --> 00:40:39,420
that's a very interesting case in that

934
00:40:45,410 --> 00:40:41,820
there is evidence

935
00:40:49,430 --> 00:40:45,420
both Visual and anecdotal from the

936
00:40:50,930 --> 00:40:49,440
people who are uh witnessing it uh what

937
00:40:53,510 --> 00:40:50,940
it is I don't know

938
00:40:57,050 --> 00:40:53,520

uh you know I've talked to to Kevin Day

939

00:40:59,089 --> 00:40:57,060

and he can he can tell me that he

940

00:41:01,010 --> 00:40:59,099

doesn't know what it is he has some

941

00:41:03,349 --> 00:41:01,020

thoughts as to what it might be

942

00:41:05,930 --> 00:41:03,359

but to jump to the conclusion again that

943

00:41:07,550 --> 00:41:05,940

it is an extraterrestrial craft it's

944

00:41:09,530 --> 00:41:07,560

just premature we don't have enough

945

00:41:12,050 --> 00:41:09,540

enough evidence

946

00:41:14,030 --> 00:41:12,060

and would you and do you feel the same

947

00:41:17,930 --> 00:41:14,040

way about

948

00:41:20,349 --> 00:41:17,940

say

949

00:41:23,210 --> 00:41:20,359

not just the alien but there's other

950

00:41:26,089 --> 00:41:23,220

alternatives to that which would be

951
00:41:29,870 --> 00:41:26,099
possibly interdimensional or time travel

952
00:41:32,569 --> 00:41:29,880
or there are other theories out there

953
00:41:34,310 --> 00:41:32,579
um I mean do let me I guess I'll put it

954
00:41:37,130 --> 00:41:34,320
this way do you feel any stronger about

955
00:41:40,010 --> 00:41:37,140
the possibility of any of those one over

956
00:41:45,710 --> 00:41:42,710
all of them are problematic in the sense

957
00:41:49,310 --> 00:41:45,720
of of not following the laws of physics

958
00:41:51,650 --> 00:41:49,320
you know we we have to figure out how to

959
00:41:53,329 --> 00:41:51,660
time travel in order for there to be a

960
00:41:56,930 --> 00:41:53,339
time travel

961
00:41:58,490 --> 00:41:56,940
you know UFO uh I there's there's a lot

962
00:41:59,930 --> 00:41:58,500
of speculation a lot of books written

963
00:42:01,609 --> 00:41:59,940

about it and I think it's a very

964

00:42:03,470 --> 00:42:01,619

compelling argument

965

00:42:05,870 --> 00:42:03,480

but until we have the the science and

966

00:42:07,730 --> 00:42:05,880

the physics that makes it possible I

967

00:42:10,010 --> 00:42:07,740

think we have to kind of downplay that

968

00:42:13,130 --> 00:42:10,020

idea I think it's much more likely that

969

00:42:17,089 --> 00:42:13,140

it is more of a terrestrial nature of

970

00:42:19,609 --> 00:42:17,099

some secret military project or uh

971

00:42:22,849 --> 00:42:19,619

something that is being worked on

972

00:42:26,210 --> 00:42:22,859

by the the Russians or Chinese or

973

00:42:29,810 --> 00:42:26,220

somebody else but until there's enough

974

00:42:32,450 --> 00:42:29,820

evidence to support any other hypothesis

975

00:42:34,250 --> 00:42:32,460

I I think none of those things work but

976
00:42:37,069 --> 00:42:34,260
but you can blow so many holes through

977
00:42:39,650 --> 00:42:37,079
what you just said okay you know I mean

978
00:42:42,290 --> 00:42:39,660
you think about that

979
00:42:45,349 --> 00:42:42,300
um there have been people seeing these

980
00:42:48,790 --> 00:42:45,359
things and witnessing on radar you know

981
00:42:52,730 --> 00:42:48,800
20 000 miles an hour back in you know

982
00:42:55,130 --> 00:42:52,740
1960s right and some of these uh

983
00:42:59,089 --> 00:42:55,140
triangles people are talking about you

984
00:43:01,370 --> 00:42:59,099
know in the 70s if they were military we

985
00:43:03,890 --> 00:43:01,380
would have to know by now

986
00:43:05,109 --> 00:43:03,900
if they were fat all the way back in the

987
00:43:08,210 --> 00:43:05,119
70s or

988
00:43:12,349 --> 00:43:08,220

and doing the unusual things that they

989

00:43:20,089 --> 00:43:15,670

Perhaps Perhaps not

990

00:43:22,130 --> 00:43:20,099

a lot of a lot of military research

991

00:43:24,410 --> 00:43:22,140

goes until it reaches a dead end and

992

00:43:26,870 --> 00:43:24,420

then it's it's crapped and put into

993

00:43:29,390 --> 00:43:26,880

another project so

994

00:43:31,430 --> 00:43:29,400

who knows what about the Phoenix Lights

995

00:43:35,630 --> 00:43:31,440

that's that's an example I mean would

996

00:43:38,930 --> 00:43:35,640

you think that military back in 1997

997

00:43:40,910 --> 00:43:38,940

and the size of it that's the thing you

998

00:43:43,190 --> 00:43:40,920

know I mean that one in particular

999

00:43:45,530 --> 00:43:43,200

everyone mentioned that it could be a

1000

00:43:48,410 --> 00:43:45,540

mile wide you know Peak to peak in the

1001

00:43:50,089 --> 00:43:48,420

mountains that type of thing

1002

00:43:53,290 --> 00:43:50,099

I I think there were several things

1003

00:43:55,550 --> 00:43:53,300

going on uh during the Phoenix Lights

1004

00:43:57,770 --> 00:43:55,560

a lot of people

1005

00:43:59,150 --> 00:43:57,780

reported the lights that disappeared

1006

00:44:00,770 --> 00:43:59,160

over the mountains or behind the

1007

00:44:03,050 --> 00:44:00,780

mountains

1008

00:44:07,010 --> 00:44:03,060

um I think there's a compelling case

1009

00:44:09,230 --> 00:44:07,020

that that was some kind of a flare but

1010

00:44:11,569 --> 00:44:09,240

there were flares there was no doubt

1011

00:44:14,809 --> 00:44:11,579

that there were flares but the the the

1012

00:44:19,089 --> 00:44:14,819

the giant triangular craft that people

1013

00:44:21,770 --> 00:44:19,099

observed for miles and for hours

1014

00:44:25,309 --> 00:44:21,780

that that's something that I don't know

1015

00:44:26,089 --> 00:44:25,319

what it is I can't explain it

1016

00:44:28,970 --> 00:44:26,099

um

1017

00:44:30,670 --> 00:44:28,980

to say if it's it's extraterrestrial who

1018

00:44:33,470 --> 00:44:30,680

knows

1019

00:44:35,930 --> 00:44:33,480

someone asked a question earlier just

1020

00:44:39,650 --> 00:44:35,940

because it seems to come up uh not

1021

00:44:42,470 --> 00:44:39,660

earlier uh let's see where was it

1022

00:44:45,410 --> 00:44:42,480

uh nope uh because it comes up all the

1023

00:44:46,849 --> 00:44:45,420

time is this one right here this seems

1024

00:44:50,569 --> 00:44:46,859

like the most common thing coming up

1025

00:44:53,770 --> 00:44:50,579

when it comes to UFOs uh conscious how

1026

00:44:55,970 --> 00:44:53,780

does Consciousness relate to the uigp

1027

00:44:57,589 --> 00:44:55,980

and do you understand the question it's

1028

00:44:59,510 --> 00:44:57,599

a tough question because I've had

1029

00:45:00,950 --> 00:44:59,520

different people try to explain it to me

1030

00:45:02,569 --> 00:45:00,960

and I still don't know if I really know

1031

00:45:05,930 --> 00:45:02,579

what it means

1032

00:45:06,710 --> 00:45:05,940

either

1033

00:45:09,349 --> 00:45:06,720

um

1034

00:45:11,809 --> 00:45:09,359

it seems to me

1035

00:45:13,250 --> 00:45:11,819

maybe maybe it's trying to get it to

1036

00:45:16,730 --> 00:45:13,260

people with a higher level of

1037

00:45:21,109 --> 00:45:16,740

Consciousness uh have more res are more

1038

00:45:24,770 --> 00:45:21,119

receptive to seeing UFOs or UAP

1039

00:45:27,349 --> 00:45:24,780

um or it could be does your is there

1040

00:45:28,849 --> 00:45:27,359

something that's manifested in your mind

1041

00:45:32,210 --> 00:45:28,859

type of thing right

1042

00:45:35,210 --> 00:45:32,220

I mean I I don't know I don't know uh

1043

00:45:36,589 --> 00:45:35,220

exactly I I wish I could get that

1044

00:45:39,829 --> 00:45:36,599

exactly get that down and understand

1045

00:45:41,510 --> 00:45:39,839

exactly what what that means to the

1046

00:45:43,550 --> 00:45:41,520

relation I've had you know I've had

1047

00:45:45,710 --> 00:45:43,560

people talking on that subject and I

1048

00:45:47,750 --> 00:45:45,720

still got done with the show and still

1049

00:45:48,829 --> 00:45:47,760

like I don't really I'm just quite

1050

00:45:50,690 --> 00:45:48,839

understand

1051
00:45:54,050 --> 00:45:50,700
because there are a lot of people who

1052
00:45:56,089 --> 00:45:54,060
believe that uh people have different

1053
00:45:58,150 --> 00:45:56,099
levels of consciousness that they're

1054
00:46:00,050 --> 00:45:58,160
they're receptive to different things

1055
00:46:02,569 --> 00:46:00,060
based on the level of their

1056
00:46:04,430 --> 00:46:02,579
Consciousness and people with more open

1057
00:46:06,710 --> 00:46:04,440
minds with higher levels of

1058
00:46:10,010 --> 00:46:06,720
consciousness are more likely to see

1059
00:46:11,390 --> 00:46:10,020
things that other people disregard or

1060
00:46:13,670 --> 00:46:11,400
don't see

1061
00:46:17,990 --> 00:46:13,680
so I think there there's something to

1062
00:46:21,109 --> 00:46:18,000
that but it it has perhaps more to do

1063
00:46:24,050 --> 00:46:21,119

with just people being more observant

1064

00:46:26,390 --> 00:46:24,060

and understanding what they're seeing

1065

00:46:29,270 --> 00:46:26,400

versus somebody who just glances up in

1066

00:46:31,010 --> 00:46:29,280

the sky sees a light moving and makes an

1067

00:46:31,670 --> 00:46:31,020

assumption about something

1068

00:46:33,710 --> 00:46:31,680

um

1069

00:46:35,450 --> 00:46:33,720

now this the subject has come up that

1070

00:46:37,010 --> 00:46:35,460

because it's happened in a number of

1071

00:46:40,730 --> 00:46:37,020

cases that I've talked to people about

1072

00:46:42,410 --> 00:46:40,740

and that is that one person will

1073

00:46:43,250 --> 00:46:42,420

two people would be standing side by

1074

00:46:45,349 --> 00:46:43,260

side

1075

00:46:46,970 --> 00:46:45,359

and one person will see one thing and

1076
00:46:49,849 --> 00:46:46,980
another person will see another I think

1077
00:46:52,130 --> 00:46:49,859
that's pretty fascinating myself

1078
00:46:54,530 --> 00:46:52,140
and it's not uncommon

1079
00:46:56,809 --> 00:46:54,540
no not at all and

1080
00:46:59,569 --> 00:46:56,819
let me give you an example

1081
00:47:02,630 --> 00:46:59,579
uh quite a few years ago I was at Area

1082
00:47:05,870 --> 00:47:02,640
51 with a group of people or you were at

1083
00:47:07,569 --> 00:47:05,880
Area 51 at the blackmail box outside of

1084
00:47:09,410 --> 00:47:07,579
here okay

1085
00:47:12,170 --> 00:47:09,420
wow it's going to have another

1086
00:47:14,750 --> 00:47:12,180
conversation with you yeah

1087
00:47:16,010 --> 00:47:14,760
and and it's a sky watch and people are

1088
00:47:18,470 --> 00:47:16,020

looking up in the sky and somebody

1089

00:47:20,870 --> 00:47:18,480

points up and said look at that that

1090

00:47:23,750 --> 00:47:20,880

that object is moving back and forth and

1091

00:47:26,210 --> 00:47:23,760

and it's it's blinking and I I look up

1092

00:47:28,609 --> 00:47:26,220

in the sky and I said what objects are

1093

00:47:29,170 --> 00:47:28,619

you looking at and you know I

1094

00:47:31,010 --> 00:47:29,180

I

1095

00:47:33,470 --> 00:47:31,020

have it

1096

00:47:36,109 --> 00:47:33,480

amateur interest in astronomy and I I'm

1097

00:47:38,569 --> 00:47:36,119

able to kind of identify planets and

1098

00:47:41,030 --> 00:47:38,579

things like that and then you know I you

1099

00:47:44,089 --> 00:47:41,040

mean that star up there

1100

00:47:48,589 --> 00:47:46,550

and they they say yeah that that and

1101
00:47:51,470 --> 00:47:48,599
it's changing colors it's it's moving

1102
00:47:53,930 --> 00:47:51,480
and I I'm looking at it and it's it's

1103
00:47:55,250 --> 00:47:53,940
twinkling like a star it's changing

1104
00:47:57,829 --> 00:47:55,260
color a little bit because of

1105
00:47:59,510 --> 00:47:57,839
atmospheric aberration and it's moving

1106
00:48:02,150 --> 00:47:59,520
because the

1107
00:48:04,010 --> 00:48:02,160
you know the atmosphere is unsteady but

1108
00:48:06,890 --> 00:48:04,020
there's there's nothing unusual about it

1109
00:48:09,410 --> 00:48:06,900
yeah yeah I mean your eyes can play

1110
00:48:11,750 --> 00:48:09,420
tricks on you when you're staring up at

1111
00:48:14,150 --> 00:48:11,760
you know like Venus for instance for

1112
00:48:15,710 --> 00:48:14,160
instance you know the the times many

1113
00:48:18,410 --> 00:48:15,720

times people say oh that was just Venus

1114

00:48:20,930 --> 00:48:18,420

well a lot of times me can be so bright

1115

00:48:23,390 --> 00:48:20,940

in the sky right that it makes you take

1116

00:48:26,870 --> 00:48:23,400

a second look at it you know it's yeah

1117

00:48:28,550 --> 00:48:26,880

but uh but not to say that these things

1118

00:48:31,430 --> 00:48:28,560

are not seen different things aren't

1119

00:48:34,309 --> 00:48:31,440

seen all over because they they are and

1120

00:48:37,309 --> 00:48:34,319

who knows right and I I wonder a lot of

1121

00:48:41,210 --> 00:48:37,319

times how much of this that people see

1122

00:48:43,609 --> 00:48:41,220

is because they want to see it

1123

00:48:46,190 --> 00:48:43,619

we're at the Black Mailbox you know

1124

00:48:49,069 --> 00:48:46,200

something's got to happen here oh oh I

1125

00:48:50,870 --> 00:48:49,079

think I think you if you were if you

1126

00:48:53,329 --> 00:48:50,880

psych yourself up like you're going to

1127

00:48:55,309 --> 00:48:53,339

see something right then you're much

1128

00:48:58,430 --> 00:48:55,319

more susceptible to see something that's

1129

00:49:00,890 --> 00:48:58,440

you know if you'd happen like me just

1130

00:49:02,089 --> 00:49:00,900

had no thought or like many people had

1131

00:49:03,470 --> 00:49:02,099

no thought in their mind about anything

1132

00:49:06,109 --> 00:49:03,480

and all of a sudden something goes over

1133

00:49:07,849 --> 00:49:06,119

you a whole different thing but if you

1134

00:49:11,690 --> 00:49:07,859

know if you're out there I mean there's

1135

00:49:14,450 --> 00:49:11,700

a funny story about a uh ce5

1136

00:49:16,309 --> 00:49:14,460

um watch when everybody was thinking

1137

00:49:17,390 --> 00:49:16,319

they they're they just thought they were

1138

00:49:19,790 --> 00:49:17,400

seeing

1139

00:49:21,970 --> 00:49:19,800

things and that weren't there you know

1140

00:49:24,589 --> 00:49:21,980

right right so

1141

00:49:26,630 --> 00:49:24,599

that that's one of the things that we

1142

00:49:29,150 --> 00:49:26,640

see a lot at the uh at the UFO

1143

00:49:30,950 --> 00:49:29,160

conferences these pictures where nobody

1144

00:49:33,530 --> 00:49:30,960

saw anything when the picture was taken

1145

00:49:39,109 --> 00:49:33,540

but all of a sudden there's a an object

1146

00:49:44,569 --> 00:49:42,710

in most cases it's it's just like a bird

1147

00:49:46,970 --> 00:49:44,579

or something that it just happens to be

1148

00:49:49,010 --> 00:49:46,980

flying across frame and the shutter

1149

00:49:52,069 --> 00:49:49,020

opens at exactly the right time and and

1150

00:49:54,170 --> 00:49:52,079

freezes that image in the background

1151

00:49:56,210 --> 00:49:54,180

but a lot of people look and say oh look

1152

00:49:58,609 --> 00:49:56,220

I didn't see that it's an apparition

1153

00:50:01,130 --> 00:49:58,619

it's it's an orb it's something that

1154

00:50:03,349 --> 00:50:01,140

wasn't there that nobody can see but

1155

00:50:05,569 --> 00:50:03,359

we captured it on film so there yeah

1156

00:50:07,370 --> 00:50:05,579

that happens all the time it can even be

1157

00:50:09,650 --> 00:50:07,380

an insect you know yes

1158

00:50:11,930 --> 00:50:09,660

um so I I gotta tell you a funny story I

1159

00:50:14,829 --> 00:50:11,940

was on my way to to I drew one year I

1160

00:50:17,870 --> 00:50:14,839

drove all the way from Maine to Phoenix

1161

00:50:19,849 --> 00:50:17,880

for and I'll never do that again I

1162

00:50:21,950 --> 00:50:19,859

caught the flu at the conference and had

1163

00:50:23,870 --> 00:50:21,960

to come back while I had the flu that

1164

00:50:26,510 --> 00:50:23,880

was terrible but anyway I'm on the way

1165

00:50:28,670 --> 00:50:26,520

there and I'm going by this Mesa

1166

00:50:29,930 --> 00:50:28,680

something really cool and I snapped you

1167

00:50:32,210 --> 00:50:29,940

know a picture with my phone and all

1168

00:50:36,109 --> 00:50:32,220

that and so then later on I'm looking at

1169

00:50:39,230 --> 00:50:36,119

the pictures and and I go oh my God I

1170

00:50:41,089 --> 00:50:39,240

caught a disc I caught a UFO I can't

1171

00:50:43,849 --> 00:50:41,099

believe I didn't even see it when I took

1172

00:50:46,790 --> 00:50:43,859

the picture so I marked the internal you

1173

00:50:49,670 --> 00:50:46,800

happen to be in the room when I was uh

1174

00:50:51,589 --> 00:50:49,680

when I saw this picture I said hey Mark

1175

00:50:54,109 --> 00:50:51,599

hey Mark come here come come look at

1176

00:50:56,210 --> 00:50:54,119

this and he's looking and he goes hmm

1177

00:50:58,430 --> 00:50:56,220

that looks like you might have you know

1178

00:51:01,130 --> 00:50:58,440

how Marcus that looks like we might have

1179

00:51:03,349 --> 00:51:01,140

something on your window in your car

1180

00:51:04,730 --> 00:51:03,359

window so I went out to my car and sure

1181

00:51:06,770 --> 00:51:04,740

enough there was a piece of grass a

1182

00:51:08,510 --> 00:51:06,780

little piece of grass right that was

1183

00:51:11,390 --> 00:51:08,520

stuck to the window at the right angle

1184

00:51:13,190 --> 00:51:11,400

and it just looked like a perfect disc

1185

00:51:15,650 --> 00:51:13,200

when you're looking out the window it's

1186

00:51:18,650 --> 00:51:15,660

arrested so that's some of the famous

1187

00:51:19,730 --> 00:51:18,660

UFO pictures from the 50s and 60s are

1188

00:51:22,430 --> 00:51:19,740

reflections

1189

00:51:25,490 --> 00:51:22,440

yes there's one that the New York Times

1190

00:51:27,530 --> 00:51:25,500

used and I contacted them I contacted

1191

00:51:30,589 --> 00:51:27,540

and left the cane and said Leslie that

1192

00:51:31,549 --> 00:51:30,599

is lights in a diner reflecting on the

1193

00:51:34,250 --> 00:51:31,559

window

1194

00:51:36,290 --> 00:51:34,260

that famous picture of the Depot in

1195

00:51:39,770 --> 00:51:36,300

Massachusetts yep

1196

00:51:41,270 --> 00:51:39,780

I said that is a reflection you want to

1197

00:51:43,190 --> 00:51:41,280

tell the New York Times to remove that

1198

00:51:45,950 --> 00:51:43,200

picture right away so I don't know if

1199

00:51:48,710 --> 00:51:45,960

they ever if they ever did but yes so I

1200

00:51:51,049 --> 00:51:48,720

I I like there are so many that my

1201
00:51:54,290 --> 00:51:51,059
attitude about UFOs

1202
00:51:57,410 --> 00:51:54,300
is there are so many really interesting

1203
00:51:59,630 --> 00:51:57,420
sightings we don't need the extras right

1204
00:52:02,030 --> 00:51:59,640
you know they're to know what these

1205
00:52:03,109 --> 00:52:02,040
things are and you know you talk about

1206
00:52:05,150 --> 00:52:03,119
science

1207
00:52:06,730 --> 00:52:05,160
it's such a hard thing to study with

1208
00:52:09,109 --> 00:52:06,740
science really it's not a repeatable

1209
00:52:12,170 --> 00:52:09,119
it's something

1210
00:52:13,990 --> 00:52:12,180
um and many times before 2017 when I

1211
00:52:17,089 --> 00:52:14,000
used to talk to people in science about

1212
00:52:21,230 --> 00:52:17,099
why aren't you studying UFOs why aren't

1213
00:52:24,349 --> 00:52:21,240

UFOs in the mainstream in any way and

1214

00:52:26,690 --> 00:52:24,359

it's all about uh funding and it's all

1215

00:52:29,809 --> 00:52:26,700

about a goal there's no end goal when it

1216

00:52:32,390 --> 00:52:29,819

comes to UFOs really you know you're not

1217

00:52:36,230 --> 00:52:32,400

going to solve something easily

1218

00:52:42,290 --> 00:52:38,930

that's that's true most of the UFO

1219

00:52:44,390 --> 00:52:42,300

evidence that we see is anecdotal it's

1220

00:52:47,270 --> 00:52:44,400

one person seeing something

1221

00:52:48,650 --> 00:52:47,280

without any any physical proof or

1222

00:52:50,150 --> 00:52:48,660

evidence of it

1223

00:52:52,730 --> 00:52:50,160

and

1224

00:52:54,770 --> 00:52:52,740

you know we we have to believe what this

1225

00:52:58,490 --> 00:52:54,780

people this person is telling us based

1226

00:53:02,510 --> 00:52:58,500

on is this a reliable person is the

1227

00:53:03,290 --> 00:53:02,520

observation explainable any other way

1228

00:53:06,530 --> 00:53:03,300

um

1229

00:53:08,329 --> 00:53:06,540

Carlo I I just realized we are we're

1230

00:53:10,190 --> 00:53:08,339

already at the end of the show so I made

1231

00:53:12,530 --> 00:53:10,200

a real short show for you but thank you

1232

00:53:13,790 --> 00:53:12,540

so much that's all right uh that's all

1233

00:53:14,930 --> 00:53:13,800

right it was a real pleasure and let me

1234

00:53:16,970 --> 00:53:14,940

know when your book comes out I'll have

1235

00:53:18,710 --> 00:53:16,980

you back all right so that's great all

1236

00:53:21,109 --> 00:53:18,720

right you take care bud take care all

1237

00:53:25,670 --> 00:53:21,119

right thank you bye next week we have

1238

00:53:28,130 --> 00:53:25,680

Brandon fugel and then we have Graham uh

1239

00:53:30,589 --> 00:53:28,140

Rendell coming on it's a two-hour show

1240

00:53:33,230 --> 00:53:30,599

next week starting early at six o'clock

1241

00:53:34,790 --> 00:53:33,240

Eastern so we'll see you next week and

1242

00:53:36,070 --> 00:53:34,800

thank you everyone remember to keep your

1243

00:53:47,110 --> 00:53:36,080

eyes to the sky
