

DAN HARARY

#554

1
00:01:04,030 --> 00:00:11,150

[Music]

2
00:01:09,050 --> 00:01:06,289

the reason you see that screen up there

3
00:01:12,230 --> 00:01:09,060

is I wanted to share something with you

4
00:01:15,410 --> 00:01:12,240

last a couple of days I think it was

5
00:01:18,590 --> 00:01:15,420

over the weekend possibly uh Chris Leto

6
00:01:22,370 --> 00:01:18,600

and I did a part one in part two of the

7
00:01:25,310 --> 00:01:22,380

UFO hearings breakdown and part part one

8
00:01:27,469 --> 00:01:25,320

is on his his uh

9
00:01:29,810 --> 00:01:27,479

YouTube channel which is called the Lido

10
00:01:33,310 --> 00:01:29,820

files and part two is on mine and check

11
00:01:36,170 --> 00:01:33,320

those videos out if it's on the YouTube

12
00:01:38,450 --> 00:01:36,180

channel only on his YouTube channel it's

13
00:01:39,950 --> 00:01:38,460

not as a podcast but anyway we have a

14

00:01:42,289 --> 00:01:39,960

lot of fun Chris is always a great guy

15

00:01:45,170 --> 00:01:42,299

to talk to especially about these type

16

00:01:48,590 --> 00:01:45,180

of things so so uh check that out when

17

00:01:52,730 --> 00:01:48,600

you get a chance the guest for the for

18

00:01:55,130 --> 00:01:52,740

the evening is Dan Ferrari and uh he had

19

00:01:57,530 --> 00:01:55,140

a UFO sighting when he was young got him

20

00:01:59,569 --> 00:01:57,540

interested in the topic and his father

21

00:02:01,370 --> 00:01:59,579

remained rather his father who was in

22

00:02:04,429 --> 00:02:01,380

the military remained rather mysterious

23

00:02:06,530 --> 00:02:04,439

about uh what his thoughts were and

24

00:02:08,690 --> 00:02:06,540

possibly there was some type of inside

25

00:02:10,190 --> 00:02:08,700

connection that he may have had in the

26

00:02:11,990 --> 00:02:10,200

military we're going to talk a little

27

00:02:15,290 --> 00:02:12,000

bit about that and he also has a Sci-Fi

28

00:02:17,930 --> 00:02:15,300

book out uh after they came I believe

29

00:02:21,229 --> 00:02:17,940

it's along the title along that lines

30

00:02:23,449 --> 00:02:21,239

and um it's basically based on a person

31

00:02:25,010 --> 00:02:23,459

down on his luck deciding to end it all

32

00:02:29,449 --> 00:02:25,020

being

33

00:02:33,290 --> 00:02:29,459

um abducted more or less and then um you

34

00:02:34,790 --> 00:02:33,300

know uh they uh is changing mankind it's

35

00:02:36,470 --> 00:02:34,800

something like that I didn't get a

36

00:02:38,809 --> 00:02:36,480

chance to even Breeze through the books

37

00:02:40,670 --> 00:02:38,819

so I'm not really sure but um I do want

38

00:02:42,050 --> 00:02:40,680

to talk to him mostly about his UFO

39

00:02:46,390 --> 00:02:42,060

sightings and then we'll get into the

40

00:02:50,390 --> 00:02:46,400

book later on so our blog uh this week

41

00:02:52,910 --> 00:02:50,400

is uh it's actually part two from last

42

00:02:56,089 --> 00:02:52,920

week letters from the island principles

43

00:03:00,170 --> 00:02:56,099

and the mercy set UFO bulletin part two

44

00:03:02,150 --> 00:03:00,180

another one by the great uh Charles Lear

45

00:03:04,670 --> 00:03:02,160

those are made I'm a little bit backed

46

00:03:06,710 --> 00:03:04,680

up in the audiobooks but we put those up

47

00:03:08,809 --> 00:03:06,720

in audio blogs so I want to thank you

48

00:03:10,910 --> 00:03:08,819

all for participating watching tonight

49

00:03:13,449 --> 00:03:10,920

we do have chat if you have a question

50

00:03:16,309 --> 00:03:13,459

for our guests please put it in all caps

51
00:03:18,949 --> 00:03:16,319
and I am ready to bring them in Dan

52
00:03:20,750 --> 00:03:18,959
welcome to the show Dan thank you Martin

53
00:03:23,330 --> 00:03:20,760
very nice to be here thank you for

54
00:03:26,930 --> 00:03:23,340
having me on I appreciate it yes and you

55
00:03:29,570 --> 00:03:26,940
showed up at the very last second wow I

56
00:03:31,309 --> 00:03:29,580
mean literally 15 seconds I'm very

57
00:03:33,710 --> 00:03:31,319
punctual I actually got that from my

58
00:03:35,830 --> 00:03:33,720
father may he rest in peace

59
00:03:38,869 --> 00:03:35,840
to show up right at the last second

60
00:03:40,729 --> 00:03:38,879
something about it my dad did it show up

61
00:03:42,830 --> 00:03:40,739
on any door anywhere on the planet Earth

62
00:03:44,390 --> 00:03:42,840
within 10 seconds of what time he said

63
00:03:45,789 --> 00:03:44,400

he was going to be there he just had an

64

00:03:48,470 --> 00:03:45,799

accident

65

00:03:50,390 --> 00:03:48,480

well that was that was close but thank

66

00:03:53,030 --> 00:03:50,400

you so much for joining us and uh that's

67

00:03:55,190 --> 00:03:53,040

quite a background you have um seeing I

68

00:03:56,809 --> 00:03:55,200

see those electric drums and all kinds

69

00:03:59,449 --> 00:03:56,819

of things going on you were a publicist

70

00:04:00,710 --> 00:03:59,459

for many years you were into the music

71

00:04:02,869 --> 00:04:00,720

scene right

72

00:04:03,949 --> 00:04:02,879

sure I can give you a little background

73

00:04:07,250 --> 00:04:03,959

if you'd like

74

00:04:09,350 --> 00:04:07,260

so uh my name is Dan Harari I've been a

75

00:04:12,229 --> 00:04:09,360

Hollywood publicist Martin for 40 years

76

00:04:14,270 --> 00:04:12,239

Believe It or Not wow 14 years and

77

00:04:16,670 --> 00:04:14,280

January it'll be 40 years the pictures

78

00:04:19,069 --> 00:04:16,680

you see on my walls behind me

79

00:04:22,370 --> 00:04:19,079

are pictures of me with very famous

80

00:04:24,890 --> 00:04:22,380

people from the last 40 years and all of

81

00:04:26,749 --> 00:04:24,900

them appear in my first book my first

82

00:04:29,210 --> 00:04:26,759

book actually came out last year I

83

00:04:32,150 --> 00:04:29,220

became an author last year my first book

84

00:04:34,310 --> 00:04:32,160

is called flirting with Fame a Hollywood

85

00:04:37,730 --> 00:04:34,320

publish history clowns 50 years of

86

00:04:41,330 --> 00:04:37,740

celebrity Close Encounters and uh the

87

00:04:42,950 --> 00:04:41,340

reason I put 50 years is so I've been in

88

00:04:45,290 --> 00:04:42,960

Hollywood for 40 years

89

00:04:48,050 --> 00:04:45,300

but when I was in high school in the

90

00:04:49,790 --> 00:04:48,060

early 70s and I had very long hair and I

91

00:04:52,129 --> 00:04:49,800

was a drummer you can see my electronic

92

00:04:54,230 --> 00:04:52,139

drugs behind me here

93

00:04:56,930 --> 00:04:54,240

um I worked for a concert hall and I

94

00:04:58,909 --> 00:04:56,940

grew up in Asbury Park New Jersey and

95

00:05:01,490 --> 00:04:58,919

who's from Asbury Park it's famous now

96

00:05:04,430 --> 00:05:01,500

Bruce Springsteen so believe it or not

97

00:05:06,830 --> 00:05:04,440

in 1973 when I was 16 I worked with

98

00:05:10,129 --> 00:05:06,840

Bruce Springsteen and right when he was

99

00:05:12,290 --> 00:05:10,139

forming the E Street Band and he my best

100

00:05:14,150 --> 00:05:12,300

friend and I did his stage crew and his

101
00:05:14,990 --> 00:05:14,160
lighting for a couple of shows in Asbury

102
00:05:16,969 --> 00:05:15,000
Park

103
00:05:18,770 --> 00:05:16,979
and so I knew Bruce Springsteen you know

104
00:05:20,390 --> 00:05:18,780
two years before Born to Run so two

105
00:05:21,170 --> 00:05:20,400
years before anyone else ever heard of

106
00:05:23,450 --> 00:05:21,180
him

107
00:05:26,270 --> 00:05:23,460
so that's the pictures on the wall to me

108
00:05:29,330 --> 00:05:26,280
with Spielberg Jerry Seinfeld Mel Brooks

109
00:05:31,070 --> 00:05:29,340
Steve Allen said Caesar the lone Tom

110
00:05:33,129 --> 00:05:31,080
Hanks lots of famous people I've met

111
00:05:35,330 --> 00:05:33,139
over the years

112
00:05:36,950 --> 00:05:35,340
I saw the one was

113
00:05:39,830 --> 00:05:36,960

yeah

114

00:05:42,770 --> 00:05:39,840

you had it with um Spielberg which is

115

00:05:44,150 --> 00:05:42,780

pretty pretty interesting uh you never

116

00:05:47,450 --> 00:05:44,160

got to play the drums here's a picture

117

00:05:49,490 --> 00:05:47,460

of you on the drum set years ago

118

00:05:52,070 --> 00:05:49,500

you never played drums with with Bruce

119

00:05:53,990 --> 00:05:52,080

did you well I'll tell you an

120

00:05:56,990 --> 00:05:54,000

unbelievable story you won't believe it

121

00:05:59,810 --> 00:05:57,000

but this is a true story Okay so

122

00:06:01,010 --> 00:05:59,820

I worked with Bruce in 73 when I was a

123

00:06:04,670 --> 00:06:01,020

junior

124

00:06:08,090 --> 00:06:04,680

a year later in 74 my senior year of

125

00:06:10,610 --> 00:06:08,100

high school I'm all I'm 17. a very good

126

00:06:12,529 --> 00:06:10,620

friend of mine was in gym class with me

127

00:06:14,810 --> 00:06:12,539

we were in gym class together playing

128

00:06:17,150 --> 00:06:14,820

the handball I remember and he goes hey

129

00:06:20,870 --> 00:06:17,160

Danny Bruce Springsteen is auditioning

130

00:06:22,249 --> 00:06:20,880

drummers for his fan because this friend

131

00:06:24,050 --> 00:06:22,259

of mine was friends with Bruce

132

00:06:26,809 --> 00:06:24,060

Springsteen like actual friends who Cruz

133

00:06:29,150 --> 00:06:26,819

and he goes he's auditioning drummers

134

00:06:31,550 --> 00:06:29,160

what do you think about trying out and

135

00:06:34,850 --> 00:06:31,560

Martin I said you know man I'm into Led

136

00:06:36,950 --> 00:06:34,860

Zeppelin and and cream and the who I'm

137

00:06:40,370 --> 00:06:36,960

not into Bruce's music so I'm gonna pass

138

00:06:42,969 --> 00:06:40,380

I'm gonna pass I can't even accept it

139

00:06:46,189 --> 00:06:42,979

didn't even occur to me to audition

140

00:06:48,110 --> 00:06:46,199

that says it all man that's that's like

141

00:06:50,930 --> 00:06:48,120

the people that rejected the Beatles you

142

00:06:54,290 --> 00:06:50,940

know Deco records rejected the Beatles

143

00:06:56,330 --> 00:06:54,300

yeah yeah pretty funny pretty funny well

144

00:06:59,390 --> 00:06:56,340

okay I would like to hear about you had

145

00:07:01,490 --> 00:06:59,400

you had a few sightings and uh I love to

146

00:07:05,570 --> 00:07:01,500

tell uh I'd love people to tell their

147

00:07:08,570 --> 00:07:05,580

stories about sightings and uh uh you

148

00:07:09,770 --> 00:07:08,580

were with your dad with uh one in

149

00:07:12,170 --> 00:07:09,780

particular

150

00:07:15,110 --> 00:07:12,180

um and I want to also talk about

151
00:07:17,330 --> 00:07:15,120
what your thoughts were about your dad

152
00:07:18,950 --> 00:07:17,340
and what he may or may not have known

153
00:07:20,990 --> 00:07:18,960
behind the scenes

154
00:07:23,330 --> 00:07:21,000
absolutely great and I really appreciate

155
00:07:25,430 --> 00:07:23,340
the question so again I grew up just

156
00:07:27,050 --> 00:07:25,440
near Asbury Park New Jersey to Jersey

157
00:07:30,469 --> 00:07:27,060
Shore

158
00:07:33,110 --> 00:07:30,479
um my dad and my mom were both from

159
00:07:34,969 --> 00:07:33,120
Brooklyn and they got married in 1952

160
00:07:37,430 --> 00:07:34,979
they moved to Asbury Park

161
00:07:39,710 --> 00:07:37,440
and uh and then a few years later they

162
00:07:41,629 --> 00:07:39,720
moved to what's called West deal which

163
00:07:43,309 --> 00:07:41,639

is adjacent to Asbury Park

164

00:07:47,029 --> 00:07:43,319

but my dad

165

00:07:49,670 --> 00:07:47,039

was an electronics engineer for the U.S

166

00:07:51,350 --> 00:07:49,680

army he worked at Fort Monmouth which

167

00:07:55,550 --> 00:07:51,360

was an Army base

168

00:07:58,309 --> 00:07:55,560

and he worked there from 1951 until 1996

169

00:08:01,850 --> 00:07:58,319

for 45 years till he retired

170

00:08:06,110 --> 00:08:01,860

and my dad designed and helped invent

171

00:08:09,830 --> 00:08:06,120

different missile systems and drones and

172

00:08:13,670 --> 00:08:09,840

radar systems he once told me that he

173

00:08:14,890 --> 00:08:13,680

was in on the very earliest days of the

174

00:08:17,930 --> 00:08:14,900

U.S military

175

00:08:20,990 --> 00:08:17,940

designing drones okay so let's keep that

176

00:08:26,629 --> 00:08:21,000

part in mind okay so now here we go

177

00:08:28,969 --> 00:08:26,639

March 1970 the Jersey Shore I'm uh done

178

00:08:30,770 --> 00:08:28,979

with school I think it was Hebrew school

179

00:08:32,389 --> 00:08:30,780

I believe it or not I think I'm pretty

180

00:08:34,610 --> 00:08:32,399

sure it was Hebrew school my dad picked

181

00:08:36,769 --> 00:08:34,620

me up for me for school it's about four

182

00:08:40,730 --> 00:08:36,779

o'clock on us I think it was a Sunday

183

00:08:43,550 --> 00:08:40,740

afternoon and it was Daylight out still

184

00:08:46,070 --> 00:08:43,560

so I'm in my dad's car 1970 I'm 14

185

00:08:47,570 --> 00:08:46,080

driving home on the Suburban Street in

186

00:08:49,790 --> 00:08:47,580

New Jersey

187

00:08:52,490 --> 00:08:49,800

and I saw through the windshield in my

188

00:08:56,329 --> 00:08:52,500

father's car right above my father's car

189

00:08:58,070 --> 00:08:56,339

an enormous silver letter v like Victor

190

00:09:00,410 --> 00:08:58,080

craft

191

00:09:03,410 --> 00:09:00,420

just hovering just right over my

192

00:09:05,509 --> 00:09:03,420

father's car going incredibly slowly

193

00:09:09,170 --> 00:09:05,519

maybe two three hundred feet in the air

194

00:09:12,290 --> 00:09:09,180

no noise no sound of any kind no exhaust

195

00:09:14,150 --> 00:09:12,300

no propellers nothing just a v just a

196

00:09:17,329 --> 00:09:14,160

letter V like this

197

00:09:20,210 --> 00:09:17,339

hmm so I I saw it through the windshield

198

00:09:22,310 --> 00:09:20,220

so I'm I go Dad look there's a UFO a UFO

199

00:09:25,490 --> 00:09:22,320

dad stop the car UFO stop the car stop

200

00:09:27,110 --> 00:09:25,500

the car so my dad stopped the car he and

201
00:09:28,910 --> 00:09:27,120
I got out we walked around to the front

202
00:09:31,250 --> 00:09:28,920
of the car we both looked straight up

203
00:09:33,650 --> 00:09:31,260
Martin literally above our head and I

204
00:09:35,210 --> 00:09:33,660
always come check out look Dad look it's

205
00:09:36,530 --> 00:09:35,220
just so cool this is so cool I'm gonna

206
00:09:38,329 --> 00:09:36,540
tell all my friends

207
00:09:40,190 --> 00:09:38,339
it's great it's in this great dad isn't

208
00:09:42,110 --> 00:09:40,200
this great and Martin he looked at her

209
00:09:44,750 --> 00:09:42,120
like he was looking at a head of lettuce

210
00:09:46,790 --> 00:09:44,760
in the supermarket no expression on his

211
00:09:50,449 --> 00:09:46,800
face whatsoever

212
00:09:54,410 --> 00:09:50,459
nothing whatsoever no interest no fear

213
00:09:57,110 --> 00:09:54,420

no joy excitement no things wrong no

214

00:10:00,650 --> 00:09:57,120

things on his face at all

215

00:10:04,370 --> 00:10:00,660

so um yeah he just looked at it like

216

00:10:06,290 --> 00:10:04,380

like and then he looked down at me he

217

00:10:07,670 --> 00:10:06,300

winked at me that that was very cool

218

00:10:09,230 --> 00:10:07,680

that he winked at me and said come on

219

00:10:11,150 --> 00:10:09,240

kid let's go

220

00:10:13,130 --> 00:10:11,160

we went home I called the local

221

00:10:15,350 --> 00:10:13,140

newspaper I remember the phone call it

222

00:10:17,170 --> 00:10:15,360

was on a rotary phone this is 1970. oh

223

00:10:20,210 --> 00:10:17,180

yeah

224

00:10:21,710 --> 00:10:20,220

and the lady said young uh she goes

225

00:10:23,030 --> 00:10:21,720

young man I can't talk to you now I'm

226

00:10:24,889 --> 00:10:23,040

getting hundreds of phone calls about

227

00:10:27,350 --> 00:10:24,899

the siding I can't talk to you right now

228

00:10:30,050 --> 00:10:27,360

uh keep your eyes out open in the paper

229

00:10:32,509 --> 00:10:30,060

right so every day that week Mark and I

230

00:10:34,850 --> 00:10:32,519

checked the paper Asbury Park Press

231

00:10:35,990 --> 00:10:34,860

nothing no story nothing nothing nothing

232

00:10:38,870 --> 00:10:36,000

nothing

233

00:10:40,610 --> 00:10:38,880

now the big picture about that sighting

234

00:10:43,610 --> 00:10:40,620

is the following

235

00:10:45,290 --> 00:10:43,620

I completely and totally forgot that

236

00:10:48,290 --> 00:10:45,300

that event happened

237

00:10:51,350 --> 00:10:48,300

for 47 years

238

00:10:55,370 --> 00:10:51,360

until my dad passed away

239

00:10:58,030 --> 00:10:55,380

my dad passed away in April 2017.

240

00:11:01,310 --> 00:10:58,040

uh in Florida

241

00:11:03,910 --> 00:11:01,320

I was a couple of days after his death I

242

00:11:06,470 --> 00:11:03,920

went to a deli in West there's my dad

243

00:11:07,730 --> 00:11:06,480

that's a one-year-old in that picture I

244

00:11:10,490 --> 00:11:07,740

love that's why probably my favorite

245

00:11:12,769 --> 00:11:10,500

picture that's 1957. you see that my dad

246

00:11:15,710 --> 00:11:12,779

with his pens and his pencils oh yeah

247

00:11:17,889 --> 00:11:15,720

yeah I never in my life saw him without

248

00:11:21,410 --> 00:11:17,899

pens and pencils in his pocket

249

00:11:24,470 --> 00:11:21,420

even on weekends technology my dad was

250

00:11:26,630 --> 00:11:24,480

the prototypical science nerd he always

251
00:11:30,050 --> 00:11:26,640
had pens and pencils always

252
00:11:32,090 --> 00:11:30,060
so anyway 2017 my dad passed I'm very

253
00:11:33,410 --> 00:11:32,100
sad I went to get a pastrami sandwich at

254
00:11:35,210 --> 00:11:33,420
a deli

255
00:11:37,610 --> 00:11:35,220
I ordered the sandwich I'm sitting there

256
00:11:38,810 --> 00:11:37,620
waiting at the table and I swear to you

257
00:11:41,990 --> 00:11:38,820
this is true I'm just sitting there

258
00:11:44,810 --> 00:11:42,000
thinking about my dad and something from

259
00:11:46,550 --> 00:11:44,820
heaven or God or my dad is an angel or

260
00:11:48,410 --> 00:11:46,560
something from the universe just came

261
00:11:49,970 --> 00:11:48,420
through the window of the deli into my

262
00:11:52,250 --> 00:11:49,980
brain

263
00:11:55,250 --> 00:11:52,260

like like sort of like a little beam of

264

00:11:56,210 --> 00:11:55,260

light and and I played for me in my

265

00:11:59,210 --> 00:11:56,220

brain

266

00:12:00,530 --> 00:11:59,220

the 1970 sighting I had with my father I

267

00:12:06,190 --> 00:12:00,540

saw it as a movie

268

00:12:09,350 --> 00:12:06,200

I forgot about it for 47 years

269

00:12:12,110 --> 00:12:09,360

I've heard of people saying that not not

270

00:12:15,769 --> 00:12:12,120

not getting it back like you but I've

271

00:12:18,470 --> 00:12:15,779

heard of people saying that they totally

272

00:12:20,750 --> 00:12:18,480

forgot about a UFO sighting until

273

00:12:23,269 --> 00:12:20,760

something

274

00:12:26,269 --> 00:12:23,279

and then I remembered all the details it

275

00:12:28,490 --> 00:12:26,279

said that exactly right and I I kind of

276

00:12:31,490 --> 00:12:28,500

think maybe because I believe my dad's

277

00:12:34,130 --> 00:12:31,500

in heaven that maybe my dad sent me this

278

00:12:35,750 --> 00:12:34,140

memory I'm telling you the truth you

279

00:12:37,190 --> 00:12:35,760

know honestly people some people don't

280

00:12:39,829 --> 00:12:37,200

believe me but it's absolutely true

281

00:12:42,230 --> 00:12:39,839

because I forgot about it and I saw like

282

00:12:44,150 --> 00:12:42,240

a movie that we pulled over the car we

283

00:12:46,370 --> 00:12:44,160

got out I'm jumping up and down I saw

284

00:12:48,650 --> 00:12:46,380

the crap I saw my dad's face and then I

285

00:12:52,370 --> 00:12:48,660

remembered my dad winked at me

286

00:12:55,190 --> 00:12:52,380

now this is 2017. and as I'm waiting for

287

00:12:58,310 --> 00:12:55,200

my pastrami sandwich Martin I'm like wow

288

00:13:02,269 --> 00:12:58,320

my dad must have known what that was

289

00:13:04,310 --> 00:13:02,279

right my dad worked for the Army at a

290

00:13:07,610 --> 00:13:04,320

military base he had taught he was a

291

00:13:09,829 --> 00:13:07,620

gs-13 which is a very high level for a

292

00:13:11,810 --> 00:13:09,839

civilian he was he was not in military

293

00:13:13,610 --> 00:13:11,820

he was a civilian engineer but very high

294

00:13:16,009 --> 00:13:13,620

level I know he had top secret clearance

295

00:13:17,150 --> 00:13:16,019

because he used to tell me and my mother

296

00:13:18,829 --> 00:13:17,160

you know I can never tell you guys

297

00:13:20,210 --> 00:13:18,839

anything about my job you know that

298

00:13:24,170 --> 00:13:20,220

right

299

00:13:27,350 --> 00:13:24,180

he looked at it with no like no surprise

300

00:13:30,590 --> 00:13:27,360

no surprise at all and he winked at me

301
00:13:32,150 --> 00:13:30,600
so as I'm waiting for the sandwich I

302
00:13:34,610 --> 00:13:32,160
realized for the first time in my life

303
00:13:36,050 --> 00:13:34,620
that my dad must have done with that

304
00:13:39,290 --> 00:13:36,060
craft was

305
00:13:41,870 --> 00:13:39,300
I truly believe that now now we come to

306
00:13:43,430 --> 00:13:41,880
the part about my mother my mother is 88

307
00:13:46,730 --> 00:13:43,440
she's still alive

308
00:13:48,829 --> 00:13:46,740
so after I had the memory come back I

309
00:13:50,810 --> 00:13:48,839
called my mother I said Mom did Dad ever

310
00:13:53,449 --> 00:13:50,820
talk about UFOs

311
00:13:56,030 --> 00:13:53,459
she said no but when he started at this

312
00:13:57,769 --> 00:13:56,040
job at Fort Monmouth they took him deep

313
00:14:01,190 --> 00:13:57,779

into the vaults there

314

00:14:03,590 --> 00:14:01,200

they showed him something top secret she

315

00:14:04,910 --> 00:14:03,600

said he came home that night white pale

316

00:14:07,430 --> 00:14:04,920

and shaky

317

00:14:10,430 --> 00:14:07,440

and she said to him honey what's wrong

318

00:14:11,990 --> 00:14:10,440

and he said I saw something today it's

319

00:14:13,310 --> 00:14:12,000

top secret and I could never tell you

320

00:14:14,870 --> 00:14:13,320

about it ever

321

00:14:17,410 --> 00:14:14,880

and he never did

322

00:14:19,970 --> 00:14:17,420

my mother thinks he saw something

323

00:14:21,110 --> 00:14:19,980

futuristic she doesn't think she saw an

324

00:14:23,690 --> 00:14:21,120

alien

325

00:14:27,290 --> 00:14:23,700

I think he may have seen some recovered

326

00:14:29,389 --> 00:14:27,300

alien technology this is my theory and

327

00:14:31,670 --> 00:14:29,399

when I told my mother about the Silver v

328

00:14:33,290 --> 00:14:31,680

just just the other day I was describing

329

00:14:36,410 --> 00:14:33,300

it to her she goes she goes you know

330

00:14:38,750 --> 00:14:36,420

your father invented drones that were

331

00:14:39,710 --> 00:14:38,760

very futuristic looking and spied on our

332

00:14:42,350 --> 00:14:39,720

enemies

333

00:14:45,050 --> 00:14:42,360

so Martin I think the V that I saw with

334

00:14:46,970 --> 00:14:45,060

my father I'm not saying he designed or

335

00:14:49,069 --> 00:14:46,980

built that particular one

336

00:14:52,850 --> 00:14:49,079

but I believe because it was so close to

337

00:14:55,490 --> 00:14:52,860

the military base I think it was a drone

338

00:14:58,370 --> 00:14:55,500

that my dad was involved with in some

339

00:15:01,189 --> 00:14:58,380

way he looked at it as though he were

340

00:15:02,569 --> 00:15:01,199

familiar with it and I think perhaps he

341

00:15:04,970 --> 00:15:02,579

had something to do with the technology

342

00:15:07,850 --> 00:15:04,980

of that crap so I believe that that UFO

343

00:15:09,110 --> 00:15:07,860

in 70 was a man-made military craft

344

00:15:11,329 --> 00:15:09,120

huh

345

00:15:14,269 --> 00:15:11,339

how about that

346

00:15:16,250 --> 00:15:14,279

um you know you said

347

00:15:18,230 --> 00:15:16,260

you you said from what you could recall

348

00:15:20,509 --> 00:15:18,240

of course this is after so many years

349

00:15:22,009 --> 00:15:20,519

that it didn't make any noise you

350

00:15:24,230 --> 00:15:22,019

remember it didn't make any noise it was

351

00:15:27,829 --> 00:15:24,240

moving very slowly you didn't see any

352

00:15:32,389 --> 00:15:27,839

propulsion uh visible propulsion how

353

00:15:35,090 --> 00:15:32,399

would you think that this thing would be

354

00:15:36,889 --> 00:15:35,100

at all or anything I mean I know you

355

00:15:38,569 --> 00:15:36,899

can't I mean they don't have any drones

356

00:15:41,389 --> 00:15:38,579

like that now that I'm aware of maybe

357

00:15:44,110 --> 00:15:41,399

they do but uh you know it seems like if

358

00:15:46,250 --> 00:15:44,120

that was a drone developed back then

359

00:15:48,889 --> 00:15:46,260

that could

360

00:15:52,250 --> 00:15:48,899

uh float or hover or whatever it seems

361

00:15:57,050 --> 00:15:55,129

well it well could be it well could be I

362

00:15:59,449 --> 00:15:57,060

mean the bigger question Martin I guess

363

00:16:02,030 --> 00:15:59,459

is you know there are so many UFO and

364

00:16:04,310 --> 00:16:02,040

UAP sightings around the world you know

365

00:16:06,590 --> 00:16:04,320

there's better than me every year every

366

00:16:09,530 --> 00:16:06,600

country around the world not everything

367

00:16:11,810 --> 00:16:09,540

is from uh not everything we see up

368

00:16:14,689 --> 00:16:11,820

there is alien I believe at least the

369

00:16:17,509 --> 00:16:14,699

third is but you know

370

00:16:19,129 --> 00:16:17,519

this craft based on my dad's area I'm

371

00:16:21,410 --> 00:16:19,139

just going based on my Dad's reaction

372

00:16:24,769 --> 00:16:21,420

what my dad did his whole life for work

373

00:16:27,829 --> 00:16:24,779

the fact that I know because I saw the

374

00:16:30,170 --> 00:16:27,839

movie in my head and like as clear as

375

00:16:32,750 --> 00:16:30,180

I'm looking at you right now it plays in

376

00:16:35,030 --> 00:16:32,760

my head exactly the colors the the day

377

00:16:36,949 --> 00:16:35,040

the sunlight the clouds everything it

378

00:16:39,230 --> 00:16:36,959

was just hovering it just was floating

379

00:16:41,749 --> 00:16:39,240

it was just it wasn't Zoom you know it

380

00:16:43,490 --> 00:16:41,759

was just yeah very leisurely and then it

381

00:16:46,009 --> 00:16:43,500

just went over my whole neighborhood

382

00:16:47,150 --> 00:16:46,019

yeah now this is interesting a few weeks

383

00:16:49,310 --> 00:16:47,160

ago

384

00:16:52,310 --> 00:16:49,320

there was an article about me and

385

00:16:55,610 --> 00:16:52,320

deciding in the Daily Mail newspaper in

386

00:16:57,889 --> 00:16:55,620

England which is online and I got I got

387

00:16:59,810 --> 00:16:57,899

an email from someone from New Jersey

388

00:17:02,090 --> 00:16:59,820

this is a couple weeks ago and he said

389

00:17:05,510 --> 00:17:02,100

Dan I read about you and your father's

390

00:17:09,289 --> 00:17:05,520

citing in 1970. he said my three older

391

00:17:12,350 --> 00:17:09,299

siblings saw the exact same craft in

392

00:17:14,150 --> 00:17:12,360

March 1970 we were one or two towns over

393

00:17:15,350 --> 00:17:14,160

from where you lived with your father

394

00:17:17,449 --> 00:17:15,360

there it is

395

00:17:19,250 --> 00:17:17,459

he said we were my siblings were a

396

00:17:20,569 --> 00:17:19,260

couple of towns over they saw the same

397

00:17:22,010 --> 00:17:20,579

exact thing and their whole lives

398

00:17:23,929 --> 00:17:22,020

they've been waiting for verification

399

00:17:25,250 --> 00:17:23,939

they said thanks for that article

400

00:17:26,289 --> 00:17:25,260

because now they know that they weren't

401
00:17:29,390 --> 00:17:26,299

crazy

402
00:17:32,210 --> 00:17:29,400

I was not the only person that saw that

403
00:17:34,669 --> 00:17:32,220

other people in the world saw that

404
00:17:36,230 --> 00:17:34,679

yeah that's uh validation for yourself

405
00:17:38,930 --> 00:17:36,240

as well

406
00:17:40,789 --> 00:17:38,940

so so yeah do I know I know that

407
00:17:42,169 --> 00:17:40,799

happened because I remember it very very

408
00:17:44,930 --> 00:17:42,179

vividly

409
00:17:47,750 --> 00:17:44,940

um and again after my dad passed away

410
00:17:50,210 --> 00:17:47,760

for the first time ever

411
00:17:52,549 --> 00:17:50,220

the whole this none of the scene came to

412
00:17:55,789 --> 00:17:52,559

me his reaction came to me

413
00:17:57,470 --> 00:17:55,799

and I put two and two together based on

414

00:17:59,830 --> 00:17:57,480

my dad's career

415

00:18:03,409 --> 00:17:59,840

and I know he was very heavily into into

416

00:18:06,110 --> 00:18:03,419

the development of drugs from from the

417

00:18:07,190 --> 00:18:06,120

50s on he was early part of developing

418

00:18:09,470 --> 00:18:07,200

drugs

419

00:18:11,330 --> 00:18:09,480

so perhaps you know look I don't think

420

00:18:12,289 --> 00:18:11,340

that was an alien craft

421

00:18:13,490 --> 00:18:12,299

I I

422

00:18:15,470 --> 00:18:13,500

it could have been

423

00:18:17,450 --> 00:18:15,480

I think if it was alien I think my dad

424

00:18:18,909 --> 00:18:17,460

would have shown like some sort of

425

00:18:21,110 --> 00:18:18,919

surprise or something

426

00:18:22,549 --> 00:18:21,120

but I'm telling you man he looked at it

427

00:18:26,169 --> 00:18:22,559

like he was looking at his car getting

428

00:18:30,770 --> 00:18:28,970

could that have been tested that nearby

429

00:18:34,370 --> 00:18:30,780

you I mean is that

430

00:18:36,890 --> 00:18:34,380

did he work in a military base yeah yeah

431

00:18:39,289 --> 00:18:36,900

he worked at Fort Monmouth military base

432

00:18:42,710 --> 00:18:39,299

oh yes you said that I'm sorry yes and

433

00:18:47,570 --> 00:18:42,720

in fact in fact my neighborhood

434

00:18:53,270 --> 00:18:51,289

um a huge huge open field and I remember

435

00:18:55,850 --> 00:18:53,280

they I think they called the field the

436

00:18:58,909 --> 00:18:55,860

the something testing testing grounds or

437

00:19:01,130 --> 00:18:58,919

it was just a huge open field many many

438

00:19:02,870 --> 00:19:01,140

acres of land they never did anything

439

00:19:05,750 --> 00:19:02,880

with it when I was a child back there

440

00:19:07,730 --> 00:19:05,760

and they called it the testing grounds I

441

00:19:10,310 --> 00:19:07,740

don't know maybe they launched it from

442

00:19:12,350 --> 00:19:10,320

that wherever it came from I truly

443

00:19:13,970 --> 00:19:12,360

believe it came from very close nearby

444

00:19:16,490 --> 00:19:13,980

my my house

445

00:19:18,409 --> 00:19:16,500

now you say like the letter V did it

446

00:19:20,330 --> 00:19:18,419

have uh

447

00:19:22,909 --> 00:19:20,340

like a structure

448

00:19:26,390 --> 00:19:22,919

as the like just say did it looked just

449

00:19:29,270 --> 00:19:26,400

like a bold leather letter v

450

00:19:31,430 --> 00:19:29,280

in the sky you know or was it connected

451
00:19:34,250 --> 00:19:31,440
it wasn't like a triangle it would have

452
00:19:35,630 --> 00:19:34,260
like a V and then it goes off into two

453
00:19:39,549 --> 00:19:35,640
arms

454
00:19:44,570 --> 00:19:39,559
right exactly literally giant silver

455
00:19:47,330 --> 00:19:44,580
letter v no it was not a close triangle

456
00:19:49,669 --> 00:19:47,340
I do remember there was a light on each

457
00:19:52,669 --> 00:19:49,679
of the three points that's what I was

458
00:19:54,950 --> 00:19:52,679
going to ask you because um there's a

459
00:19:58,010 --> 00:19:54,960
lot of the sightings they say there's a

460
00:20:02,810 --> 00:19:58,020
a light on each point and I'm just gonna

461
00:20:07,070 --> 00:20:05,630
a craft a lot of people said like the

462
00:20:09,230 --> 00:20:07,080
Phoenix Lights I don't know if you've

463
00:20:10,850 --> 00:20:09,240

looked into other you know sightings but

464

00:20:12,890 --> 00:20:10,860

like the Phoenix light oh yes of course

465

00:20:14,930 --> 00:20:12,900

because you were involved in mufon and

466

00:20:16,789 --> 00:20:14,940

all kinds of things so

467

00:20:20,870 --> 00:20:16,799

um I forgot about all that you have a

468

00:20:25,190 --> 00:20:20,880

background in in uh basically looking

469

00:20:28,630 --> 00:20:25,200

into the UFO world since yeah since 2007

470

00:20:31,909 --> 00:20:28,640

is when I became a I'd say a UFO

471

00:20:34,010 --> 00:20:31,919

Enthusiast was 2007.

472

00:20:37,730 --> 00:20:34,020

um the Phoenix Lights I believe that

473

00:20:40,130 --> 00:20:37,740

craft if it was one crap I believe it

474

00:20:41,590 --> 00:20:40,140

was many many many times larger than the

475

00:20:44,330 --> 00:20:41,600

one I saw

476
00:20:46,610 --> 00:20:44,340
something like here's a picture is this

477
00:20:48,289 --> 00:20:46,620
was it something along the lines except

478
00:20:50,750 --> 00:20:48,299
you know with the lights at all

479
00:20:54,950 --> 00:20:50,760
extremities instead of the center ones

480
00:20:57,950 --> 00:20:54,960
too okay so the same shape yes the one I

481
00:21:01,789 --> 00:20:57,960
saw again was silver shiny silver shiny

482
00:21:04,370 --> 00:21:01,799
shiny silver one light on the tip and

483
00:21:05,690 --> 00:21:04,380
the end tip and the end tip

484
00:21:08,390 --> 00:21:05,700
um now the one you're showing me here

485
00:21:10,310 --> 00:21:08,400
looks like it's pointing up toward to go

486
00:21:12,669 --> 00:21:10,320
straight up the one I saw Martin was

487
00:21:15,770 --> 00:21:12,679
flat it was it was flying horizontally

488
00:21:18,110 --> 00:21:15,780

completely completely horizontally yeah

489

00:21:19,669 --> 00:21:18,120

that's so the same shape the same exact

490

00:21:21,710 --> 00:21:19,679

yes the same shape you're showing me

491

00:21:23,450 --> 00:21:21,720

that's what I said yeah and this was a

492

00:21:27,230 --> 00:21:23,460

daylight sighting but you saw the lights

493

00:21:29,330 --> 00:21:27,240

were on yeah yeah yeah

494

00:21:31,669 --> 00:21:29,340

that's absolutely true well that's

495

00:21:33,110 --> 00:21:31,679

interesting and you had two more

496

00:21:36,710 --> 00:21:33,120

sightings I would like to talk about

497

00:21:40,730 --> 00:21:36,720

sure sure and again and then we'll get

498

00:21:43,789 --> 00:21:40,740

to the book because when I got that beam

499

00:21:45,710 --> 00:21:43,799

from my angel father let's say and saw

500

00:21:48,770 --> 00:21:45,720

the movie in my head

501
00:21:50,149 --> 00:21:48,780
I got the whole premise of to write my

502
00:21:51,649 --> 00:21:50,159
book and we'll get we'll get to that

503
00:21:54,409 --> 00:21:51,659
after I tell you about the other thing

504
00:21:56,090 --> 00:21:54,419
but my book was born while I was waiting

505
00:21:58,730 --> 00:21:56,100
for that pastrami sandwich because right

506
00:22:00,289 --> 00:21:58,740
after I saw the movie I got a pen and I

507
00:22:04,250 --> 00:22:00,299
started jotting down notes on the

508
00:22:06,289 --> 00:22:04,260
placemat at the deli about writing this

509
00:22:09,890 --> 00:22:06,299
particular book so this book was given

510
00:22:12,049 --> 00:22:09,900
birth unto me like like it was a spirit

511
00:22:15,169 --> 00:22:12,059
something you know Paul McCartney once

512
00:22:17,390 --> 00:22:15,179
said um he dreamed the song yesterday he

513
00:22:18,890 --> 00:22:17,400

he dreamed the song yesterday he woke up

514

00:22:20,990 --> 00:22:18,900

and he played it on the piano because it

515

00:22:22,669 --> 00:22:21,000

got it from a dream and he's always said

516

00:22:24,590 --> 00:22:22,679

that he dreamed that song

517

00:22:27,409 --> 00:22:24,600

I was given

518

00:22:29,870 --> 00:22:27,419

this memory as a gift I'm telling you it

519

00:22:30,529 --> 00:22:29,880

was a gift to relive this memory with my

520

00:22:32,930 --> 00:22:30,539

dad

521

00:22:34,430 --> 00:22:32,940

it was a gift from above and then it

522

00:22:37,250 --> 00:22:34,440

triggered the birth of my book okay

523

00:22:39,289 --> 00:22:37,260

anyway so that was 1970 the first

524

00:22:41,830 --> 00:22:39,299

society and again I completely and

525

00:22:44,750 --> 00:22:41,840

totally forgot about it I was a drummer

526

00:22:47,630 --> 00:22:44,760

then in eighth grade

527

00:22:50,750 --> 00:22:47,640

um I was in rock bands my bands played

528

00:22:53,270 --> 00:22:50,760

at parties and dances and and bar

529

00:22:54,770 --> 00:22:53,280

mitzvahs and all those things and my

530

00:22:58,250 --> 00:22:54,780

friends and I were chasing little girls

531

00:22:59,810 --> 00:22:58,260

around so when I'm 14 and on you know I

532

00:23:01,730 --> 00:22:59,820

wasn't really thinking about aliens and

533

00:23:03,710 --> 00:23:01,740

UFOs I was thinking about rock and roll

534

00:23:06,110 --> 00:23:03,720

and girls in in mini skirts I mean

535

00:23:08,450 --> 00:23:06,120

that's what I was doing it so that's why

536

00:23:10,430 --> 00:23:08,460

the memory just didn't stick because my

537

00:23:12,950 --> 00:23:10,440

dad never talked about it nothing ran in

538

00:23:15,430 --> 00:23:12,960

the newspaper and I was playing uh

539

00:23:18,230 --> 00:23:15,440

Beatles songs in eighth grade dances so

540

00:23:22,430 --> 00:23:18,240

that's part of why I forgot that all

541

00:23:25,430 --> 00:23:22,440

right now we jump to 1998 uh no 1996 I

542

00:23:27,890 --> 00:23:25,440

always do that 1996.

543

00:23:31,669 --> 00:23:27,900

I moved out to LA from the east coast in

544

00:23:34,430 --> 00:23:31,679

1980 when I was 24 and I got into the

545

00:23:37,310 --> 00:23:34,440

entertainment industry I got married I

546

00:23:39,470 --> 00:23:37,320

had two kids I got divorced and then my

547

00:23:40,370 --> 00:23:39,480

ex-wife and my two kids when they were

548

00:23:43,630 --> 00:23:40,380

small

549

00:23:46,789 --> 00:23:43,640

moved from La proper to Lancaster

550

00:23:49,190 --> 00:23:46,799

California Lancaster is the high desert

551
00:23:52,010 --> 00:23:49,200
and it's actually my ex-wife lived not

552
00:23:55,909 --> 00:23:52,020
far from Edwards Air Force Base

553
00:23:57,590 --> 00:23:55,919
so in 1996 my son was eight I used to

554
00:23:59,570 --> 00:23:57,600
visit my children every single weekend

555
00:24:02,510 --> 00:23:59,580
after my divorce when they were small

556
00:24:03,649 --> 00:24:02,520
that's great I bought him a telescope

557
00:24:06,049 --> 00:24:03,659
for his birthday

558
00:24:07,789 --> 00:24:06,059
I brought it out to Lancaster that night

559
00:24:09,789 --> 00:24:07,799
of his birthday we're looking up in the

560
00:24:12,230 --> 00:24:09,799
sky through the telescope and we saw

561
00:24:13,549 --> 00:24:12,240
Saturn and Mars and the moon and all

562
00:24:14,810 --> 00:24:13,559
these wonderful things

563
00:24:17,149 --> 00:24:14,820

and then

564

00:24:19,549 --> 00:24:17,159

as I was going to put him to bed

565

00:24:23,390 --> 00:24:19,559

I noticed in the far right corner of the

566

00:24:25,430 --> 00:24:23,400

sky an egg-shaped object that was very

567

00:24:28,850 --> 00:24:25,440

bright egg-shaped object very bright

568

00:24:31,190 --> 00:24:28,860

sort of off yellow off-white color

569

00:24:33,649 --> 00:24:31,200

and it was in the far right of the sky

570

00:24:35,990 --> 00:24:33,659

and it went in a straight line all the

571

00:24:39,470 --> 00:24:36,000

way across the entirety of the sky as

572

00:24:41,930 --> 00:24:39,480

far as I could see in a straight line

573

00:24:44,149 --> 00:24:41,940

straight line all the way across okay

574

00:24:46,130 --> 00:24:44,159

then it stopped in place

575

00:24:48,590 --> 00:24:46,140

which hand is this

576

00:24:49,549 --> 00:24:48,600

stop it stopped in place for about 20 30

577

00:24:52,730 --> 00:24:49,559

seconds

578

00:24:55,190 --> 00:24:52,740

and then it went all the way back the

579

00:24:57,049 --> 00:24:55,200

same the same route that it came from I

580

00:24:59,750 --> 00:24:57,059

can't do that with my hands

581

00:25:02,690 --> 00:24:59,760

but um so it appeared went all the way

582

00:25:03,950 --> 00:25:02,700

across this guy stop for 30 seconds and

583

00:25:06,110 --> 00:25:03,960

then went all the way back the same way

584

00:25:08,090 --> 00:25:06,120

it came from and I told my son when the

585

00:25:09,890 --> 00:25:08,100

first path I said Jordan there's a

586

00:25:10,789 --> 00:25:09,900

satellite we're seeing the satellite had

587

00:25:13,669 --> 00:25:10,799

to be

588

00:25:17,149 --> 00:25:13,679

but after it stopped and reversed course

589

00:25:18,890 --> 00:25:17,159

then I thought wow um this kid it's in

590

00:25:21,289 --> 00:25:18,900

the satellite or an asteroid or a meteor

591

00:25:22,970 --> 00:25:21,299

this must be something remarkable I

592

00:25:24,649 --> 00:25:22,980

don't think it's man-made and I don't

593

00:25:26,870 --> 00:25:24,659

think it's from nature I think this was

594

00:25:31,310 --> 00:25:26,880

an alien craft

595

00:25:34,669 --> 00:25:31,320

hmm yep yeah I mean it it sure it sure

596

00:25:36,890 --> 00:25:34,679

narrows it down that it can't be

597

00:25:39,890 --> 00:25:36,900

you know something of ours that we know

598

00:25:41,570 --> 00:25:39,900

of you know when it does yeah especially

599

00:25:44,269 --> 00:25:41,580

it sounds like this is very high

600

00:25:46,310 --> 00:25:44,279

altitude right it was very high it was

601
00:25:49,430 --> 00:25:46,320
very high now recently uh you know who

602
00:25:51,169 --> 00:25:49,440
Jimmy church is I'm sure yeah I did an

603
00:25:53,870 --> 00:25:51,179
interview with Jimmy church about a

604
00:25:55,669 --> 00:25:53,880
month ago told him that story and he

605
00:25:58,130 --> 00:25:55,679
said Dan he goes you know Edwards Air

606
00:26:00,230 --> 00:25:58,140
Force Base is right there and they test

607
00:26:02,690 --> 00:26:00,240
military crafts all the time

608
00:26:05,450 --> 00:26:02,700
and I said well you know I think you're

609
00:26:07,130 --> 00:26:05,460
right I think it was from Edwards it

610
00:26:09,049 --> 00:26:07,140
would look like Martin the way it flew

611
00:26:11,390 --> 00:26:09,059
because it flew stopped in the reverse

612
00:26:14,269 --> 00:26:11,400
it looked like it was being tested

613
00:26:16,970 --> 00:26:14,279

it could have been man-made craft with

614

00:26:18,769 --> 00:26:16,980

extraterrestrial technology

615

00:26:20,690 --> 00:26:18,779

that's what I think I think it was a

616

00:26:23,330 --> 00:26:20,700

man-made craft using extraterrestrial

617

00:26:25,610 --> 00:26:23,340

technology because the way it flew very

618

00:26:28,730 --> 00:26:25,620

quickly stopped in Reverse course I

619

00:26:30,950 --> 00:26:28,740

couldn't imagine any other object plane

620

00:26:32,390 --> 00:26:30,960

or helicopter or missile nothing else I

621

00:26:34,130 --> 00:26:32,400

could think of that could possibly do

622

00:26:36,950 --> 00:26:34,140

that hmm

623

00:26:37,730 --> 00:26:36,960

yep that's that's pretty interesting I

624

00:26:42,590 --> 00:26:37,740

had

625

00:26:46,070 --> 00:26:42,600

my one sighting and then I'm very

626
00:26:48,169 --> 00:26:46,080
careful about everything to even talk

627
00:26:50,149 --> 00:26:48,179
about but I have had a couple things

628
00:26:52,909 --> 00:26:50,159
that were mysterious and it's kind of

629
00:26:55,730 --> 00:26:52,919
funny I I end up I end every show with

630
00:26:58,130 --> 00:26:55,740
Keep Your Eyes to the Sky well I I

631
00:27:00,830 --> 00:26:58,140
practice what I preach you know I'm

632
00:27:02,810 --> 00:27:00,840
always looking up in the sky no matter

633
00:27:05,090 --> 00:27:02,820
if I'm driving you know like of course

634
00:27:08,090 --> 00:27:05,100
not while I'm driving but I mean I have

635
00:27:11,570 --> 00:27:08,100
uh what is it called a panoramic roof in

636
00:27:15,830 --> 00:27:11,580
my car and uh you know but I'm always

637
00:27:18,769 --> 00:27:15,840
uh watching for for things and uh before

638
00:27:20,630 --> 00:27:18,779

I had my UFO sighting I I would you know

639

00:27:23,570 --> 00:27:20,640

glance or whatever but I wasn't always

640

00:27:26,750 --> 00:27:23,580

looking to the sky so uh when you are

641

00:27:28,610 --> 00:27:26,760

paying attention you see a lot more and

642

00:27:30,529 --> 00:27:28,620

but I've seen some things and I'm

643

00:27:32,810 --> 00:27:30,539

thinking everything that I've seen is

644

00:27:34,490 --> 00:27:32,820

most likely explainable but I don't I

645

00:27:37,730 --> 00:27:34,500

don't know uh one of them was pretty

646

00:27:39,830 --> 00:27:37,740

interesting but I I still am hesitant to

647

00:27:42,950 --> 00:27:39,840

say you know hey everybody I saw another

648

00:27:45,409 --> 00:27:42,960

UFO you know and uh it maybe it wasn't

649

00:27:47,930 --> 00:27:45,419

identified me but it probably was

650

00:27:50,450 --> 00:27:47,940

something explainable that's how I feel

651

00:27:52,549 --> 00:27:50,460

okay I guess I understand you know I

652

00:27:54,529 --> 00:27:52,559

think the younger generation today

653

00:27:57,190 --> 00:27:54,539

they're looking down why because they're

654

00:27:59,630 --> 00:27:57,200

looking at their phone their phones yeah

655

00:28:02,090 --> 00:27:59,640

you and I I'm I think I'm older than you

656

00:28:04,549 --> 00:28:02,100

but I think our era we were more

657

00:28:06,350 --> 00:28:04,559

outdoorsy and we played Outdoors when we

658

00:28:07,970 --> 00:28:06,360

were kids

659

00:28:10,250 --> 00:28:07,980

um you know we take a hike and you look

660

00:28:12,110 --> 00:28:10,260

at the sky you know my daughter's 33 God

661

00:28:14,269 --> 00:28:12,120

bless her she lives on her phone

662

00:28:16,490 --> 00:28:14,279

yeah I say you know you should look

663

00:28:19,190 --> 00:28:16,500

maybe look up every once in a while you

664

00:28:22,850 --> 00:28:19,200

know maybe lift up a little bit yeah I

665

00:28:24,950 --> 00:28:22,860

was a I was a uh a doctor's waiting room

666

00:28:27,409 --> 00:28:24,960

uh recently oh and I don't know a few

667

00:28:31,130 --> 00:28:27,419

weeks ago and I was looking it was all

668

00:28:33,289 --> 00:28:31,140

people my age and older and every single

669

00:28:35,810 --> 00:28:33,299

one of them was staring at their phones

670

00:28:38,210 --> 00:28:35,820

so it's not it's not just young people

671

00:28:39,649 --> 00:28:38,220

it's like anyone that has oh they're

672

00:28:41,510 --> 00:28:39,659

they are like you get all the

673

00:28:43,909 --> 00:28:41,520

information in the world that's right

674

00:28:45,049 --> 00:28:43,919

here in your hand and it's it's hard to

675

00:28:47,510 --> 00:28:45,059

break away there's probably people

676
00:28:49,250 --> 00:28:47,520
watching YouTube right now watching us

677
00:28:52,370 --> 00:28:49,260
on their phone you know I mean it's it's

678
00:28:55,730 --> 00:28:52,380
uh yeah it's like crack yeah phones are

679
00:28:58,430 --> 00:28:55,740
like crack they are yeah I'll be honest

680
00:29:00,950 --> 00:28:58,440
if I misplaced my phone I I panic I'll

681
00:29:03,289 --> 00:29:00,960
panic I know I know we're it's our

682
00:29:04,669 --> 00:29:03,299
connection our leash to the world yeah

683
00:29:08,630 --> 00:29:04,679
yeah yeah yeah

684
00:29:12,590 --> 00:29:08,640
um all right so I did the 70 I did 96.

685
00:29:15,769 --> 00:29:12,600
now we come to the year 2007.

686
00:29:16,610 --> 00:29:15,779
um I was in a uh I was in a bookstore in

687
00:29:17,930 --> 00:29:16,620
L.A

688
00:29:19,549 --> 00:29:17,940

in the books they're waiting for a

689

00:29:21,230 --> 00:29:19,559

friend to go see a movie

690

00:29:23,210 --> 00:29:21,240

and I just was walking around this

691

00:29:25,310 --> 00:29:23,220

bookstore to kill time and I saw the

692

00:29:28,130 --> 00:29:25,320

paranormal books aisle

693

00:29:30,649 --> 00:29:28,140

and for whatever reason my entire life

694

00:29:33,830 --> 00:29:30,659

up until that point I never saw a

695

00:29:37,250 --> 00:29:33,840

paranormal book style before and there

696

00:29:38,350 --> 00:29:37,260

was hundreds of books UFOs aliens outer

697

00:29:41,810 --> 00:29:38,360

space

698

00:29:44,750 --> 00:29:41,820

Bigfoot ghost Poltergeist Spirits

699

00:29:46,669 --> 00:29:44,760

witches you know all these you know all

700

00:29:49,430 --> 00:29:46,679

off the wall things but they're they're

701
00:29:51,409 --> 00:29:49,440
all fascinating topics

702
00:29:52,850 --> 00:29:51,419
and I just had never seen them before so

703
00:29:55,130 --> 00:29:52,860
I just was like well I'm gonna get this

704
00:29:57,529 --> 00:29:55,140
and this the history of Bigfoot the

705
00:30:00,710 --> 00:29:57,539
history of ufology Richard Dolan's book

706
00:30:02,990 --> 00:30:00,720
about disclosure all these I just I

707
00:30:05,269 --> 00:30:03,000
bought a huge pile of books I bought 12

708
00:30:07,250 --> 00:30:05,279
books that day went home I read them all

709
00:30:10,070 --> 00:30:07,260
and I'm like okay

710
00:30:12,710 --> 00:30:10,080
I'm a fairly intelligent person

711
00:30:15,529 --> 00:30:12,720
I'm pretty you know I I'm well educated

712
00:30:18,110 --> 00:30:15,539
I know nothing about any of this

713
00:30:20,149 --> 00:30:18,120

paranormal I know no thanks zero

714

00:30:23,750 --> 00:30:20,159

information and there's a whole world

715

00:30:27,769 --> 00:30:23,760

here in front of me between 07 I joined

716

00:30:29,450 --> 00:30:27,779

mufon La same year 07. my very for they

717

00:30:31,669 --> 00:30:29,460

have meetings every month

718

00:30:34,310 --> 00:30:31,679

and Martin the very first meeting I went

719

00:30:37,669 --> 00:30:34,320

to I was I was blessed because you know

720

00:30:39,529 --> 00:30:37,679

Giorgio sucralose from yeah everyone

721

00:30:43,370 --> 00:30:39,539

knows Georgia with the crazy black hair

722

00:30:46,389 --> 00:30:43,380

oh yeah yeah he he gave a lecture at my

723

00:30:48,830 --> 00:30:46,399

very first uh mufon meeting about

724

00:30:51,950 --> 00:30:48,840

ancient alien Theory

725

00:30:56,029 --> 00:30:51,960

that he is a proponent of that Eric Von

726
00:30:58,789 --> 00:30:56,039
daniken essentially crafted in 1968 and

727
00:31:01,070 --> 00:30:58,799
Chariots of the Gods and he gave an hour

728
00:31:04,909 --> 00:31:01,080
and a half lecture with slides and

729
00:31:07,909 --> 00:31:04,919
videos and and and still pictures of of

730
00:31:10,970 --> 00:31:07,919
cave drawings you know aliens and UFOs

731
00:31:14,529 --> 00:31:10,980
and cave drawings and and petroglyphs

732
00:31:18,889 --> 00:31:14,539
carved in stone by American Indians and

733
00:31:21,350 --> 00:31:18,899
UFOs in Renaissance paintings

734
00:31:23,630 --> 00:31:21,360
um and then of course the pyramids in

735
00:31:26,930 --> 00:31:23,640
Egypt the structures in Central and

736
00:31:27,590 --> 00:31:26,940
South America Stonehenge

737
00:31:30,409 --> 00:31:27,600
um

738
00:31:31,789 --> 00:31:30,419

Roswell it just it just in an hour and a

739

00:31:35,750 --> 00:31:31,799

half it was essentially the history of

740

00:31:37,490 --> 00:31:35,760

oh biblical biblical references Ezekiel

741

00:31:38,630 --> 00:31:37,500

or the wheel within the wheel when he

742

00:31:42,230 --> 00:31:38,640

was sleeping

743

00:31:44,149 --> 00:31:42,240

and he just he did like UFO UF ufology's

744

00:31:45,710 --> 00:31:44,159

greatest hits in 90 minutes and I'm

745

00:31:48,110 --> 00:31:45,720

telling you Martin I was at the edge of

746

00:31:50,210 --> 00:31:48,120

my seat and I was crying I was like I

747

00:31:52,130 --> 00:31:50,220

tears I'm like oh my God this is the

748

00:31:54,889 --> 00:31:52,140

greatest information I've ever heard in

749

00:31:56,750 --> 00:31:54,899

my life this was like going to a Master

750

00:31:59,269 --> 00:31:56,760

Class of life

751
00:32:01,250 --> 00:31:59,279
all at once so at the end of the lecture

752
00:32:03,590 --> 00:32:01,260
I went up to Giorgio I shook his hand I

753
00:32:05,810 --> 00:32:03,600
hugged him I said Giorgio I said you

754
00:32:08,930 --> 00:32:05,820
just changed my outlook on my entire

755
00:32:10,909 --> 00:32:08,940
life and it just it really did

756
00:32:12,710 --> 00:32:10,919
since then I've been studying and

757
00:32:14,750 --> 00:32:12,720
reading and going to meetings and

758
00:32:16,970 --> 00:32:14,760
meeting people I've read hundreds of

759
00:32:19,250 --> 00:32:16,980
books I've seen dozens of documentaries

760
00:32:21,590 --> 00:32:19,260
I've been a member of mofon ever since

761
00:32:24,110 --> 00:32:21,600
then and um

762
00:32:26,930 --> 00:32:24,120
just it just opened my eyes

763
00:32:29,450 --> 00:32:26,940

that brings us to my third sighting so a

764

00:32:32,570 --> 00:32:29,460

year later 2008

765

00:32:35,330 --> 00:32:32,580

at a UFO at a move on meeting

766

00:32:38,090 --> 00:32:35,340

was James Gilliland do you know who

767

00:32:42,889 --> 00:32:38,100

James is I've heard the name he does see

768

00:32:45,769 --> 00:32:42,899

uh yeah the sea City thing yeah okay so

769

00:32:50,330 --> 00:32:45,779

James Gilliland did a lecture move fund

770

00:32:52,010 --> 00:32:50,340

La 2008. he owns eseti Ranch in

771

00:32:54,590 --> 00:32:52,020

Washington State

772

00:32:57,289 --> 00:32:54,600

at the base of Mount Adams and it's a

773

00:32:59,690 --> 00:32:57,299

world famous UFO hot spot for sighting

774

00:33:02,210 --> 00:32:59,700

it's been a hot spot for sightings

775

00:33:04,190 --> 00:33:02,220

apparently for hundreds of years the

776

00:33:07,190 --> 00:33:04,200

American Indians who used to live there

777

00:33:08,990 --> 00:33:07,200

called Mount Adams the the mountain of

778

00:33:12,310 --> 00:33:09,000

Shining Light because they used to see

779

00:33:15,830 --> 00:33:12,320

lights coming and going from Mount Adams

780

00:33:17,330 --> 00:33:15,840

so he gave a lecture about his Ranch and

781

00:33:20,049 --> 00:33:17,340

he said you know this Fourth of July

782

00:33:23,330 --> 00:33:20,059

weekend I'm doing a three-day open house

783

00:33:25,789 --> 00:33:23,340

UFO seminars during the day and we're

784

00:33:27,769 --> 00:33:25,799

going to look at the sky tonight

785

00:33:29,450 --> 00:33:27,779

so I was with a girlfriend at the time

786

00:33:31,250 --> 00:33:29,460

named Barbara and I said Barbara can we

787

00:33:33,590 --> 00:33:31,260

please go do this together and she goes

788

00:33:35,330 --> 00:33:33,600

oh okay you and your UFOs okay

789

00:33:39,590 --> 00:33:35,340

so we spent three days at James

790

00:33:41,570 --> 00:33:39,600

gillilance Ranch Fourth of July 2008.

791

00:33:44,690 --> 00:33:41,580

and during the days it was people like

792

00:33:48,110 --> 00:33:44,700

William Henry and and Nick Pope and and

793

00:33:50,389 --> 00:33:48,120

uh documentary films and slide shows and

794

00:33:52,789 --> 00:33:50,399

biblical references and the pyramids and

795

00:33:55,909 --> 00:33:52,799

orbs and all these wonderful things

796

00:33:57,950 --> 00:33:55,919

and at night they would build a bonfire

797

00:34:00,590 --> 00:33:57,960

and people would dance around the

798

00:34:02,389 --> 00:34:00,600

bonfire play guitars and and tambourine

799

00:34:05,450 --> 00:34:02,399

and chant and sing and it was very

800

00:34:08,270 --> 00:34:05,460

lovely Outdoors at night and huge Open

801
00:34:10,070 --> 00:34:08,280
Sky crystal clear you can see every Star

802
00:34:11,990 --> 00:34:10,080
purple

803
00:34:13,970 --> 00:34:12,000
so the first night I think was a Friday

804
00:34:15,710 --> 00:34:13,980
night and we're all out there for hours

805
00:34:17,450 --> 00:34:15,720
and hours and when you're looking out

806
00:34:19,730 --> 00:34:17,460
for hours your neck kind of gets a

807
00:34:21,109 --> 00:34:19,740
little bit tired Martin after a while so

808
00:34:22,970 --> 00:34:21,119
the first night Friday night we're

809
00:34:25,250 --> 00:34:22,980
looking looking nothing

810
00:34:26,750 --> 00:34:25,260
the next day Saturday more lectures more

811
00:34:28,369 --> 00:34:26,760
films we're looking up Saturday night

812
00:34:30,649 --> 00:34:28,379
looking at the sky hours and hours

813
00:34:33,710 --> 00:34:30,659

absolutely nothing

814

00:34:35,270 --> 00:34:33,720

it's a third day Sunday lectures films

815

00:34:37,550 --> 00:34:35,280

Sunday night we're looking up again

816

00:34:38,690 --> 00:34:37,560

nothing and I said to my girlfriend I

817

00:34:40,970 --> 00:34:38,700

said you know what why don't we leave

818

00:34:43,129 --> 00:34:40,980

early we could beat the traffic there

819

00:34:45,530 --> 00:34:43,139

were probably 300 people

820

00:34:48,889 --> 00:34:45,540

um no sooner did I say that Martin that

821

00:34:51,589 --> 00:34:48,899

out of absolutely nowhere a fairly

822

00:34:53,450 --> 00:34:51,599

medium-sized

823

00:34:56,270 --> 00:34:53,460

uh object

824

00:34:58,670 --> 00:34:56,280

it looked like a black teardrop it

825

00:35:01,430 --> 00:34:58,680

appeared it just appeared

826

00:35:03,530 --> 00:35:01,440

directly above our heads so let's say

827

00:35:07,490 --> 00:35:03,540

200 300 people and a couple hundred feet

828

00:35:09,890 --> 00:35:07,500

black teardrop directly over our heads I

829

00:35:12,890 --> 00:35:09,900

remember it cut off the moonlight so so

830

00:35:15,170 --> 00:35:12,900

it was fairly large and then under the

831

00:35:20,150 --> 00:35:15,180

underneath part of The Craft

832

00:35:23,329 --> 00:35:20,160

was a brilliant emerald green light that

833

00:35:26,870 --> 00:35:23,339

turned on and off like this above us

834

00:35:29,690 --> 00:35:26,880

several times in our life like hello how

835

00:35:31,490 --> 00:35:29,700

are you we're here we know you've been

836

00:35:33,410 --> 00:35:31,500

waiting for us we hope you have a nice

837

00:35:35,750 --> 00:35:33,420

evening we love you you know

838

00:35:36,829 --> 00:35:35,760

everything's cool we just thought you

839

00:35:38,690 --> 00:35:36,839

know we're in the neighborhood we

840

00:35:41,089 --> 00:35:38,700

thought we'd say hello right so flashing

841

00:35:43,010 --> 00:35:41,099

on enough brilliant emerald green like

842

00:35:45,170 --> 00:35:43,020

the Green from the Emerald City and The

843

00:35:46,970 --> 00:35:45,180

Wizard of Oz

844

00:35:50,630 --> 00:35:46,980

and then it turned out the light turned

845

00:35:55,310 --> 00:35:50,640

off and the crap just it's Shadow I just

846

00:35:58,490 --> 00:35:55,320

vanished wow it didn't slowly it took up

847

00:36:00,710 --> 00:35:58,500

and and I cried I cried people were

848

00:36:03,170 --> 00:36:00,720

crying people were hugging and kissing

849

00:36:04,609 --> 00:36:03,180

and I'm telling you man that that was

850

00:36:06,410 --> 00:36:04,619

not man-made

851

00:36:09,890 --> 00:36:06,420

how many people would you say that

852

00:36:15,349 --> 00:36:12,710

at least at least 200 250 people at

853

00:36:17,750 --> 00:36:15,359

least wow and it was a group there was a

854

00:36:20,450 --> 00:36:17,760

group sighting and like I said seriously

855

00:36:22,609 --> 00:36:20,460

people were crying people I cried I was

856

00:36:25,250 --> 00:36:22,619

touched I could still feel it in my I

857

00:36:29,630 --> 00:36:25,260

can still feel it right here in my heart

858

00:36:34,069 --> 00:36:29,640

it was a warm profound

859

00:36:37,069 --> 00:36:34,079

mess message you know um communication

860

00:36:39,410 --> 00:36:37,079

interaction and I'm telling you man that

861

00:36:42,589 --> 00:36:39,420

thing was not invented by my father or

862

00:36:46,250 --> 00:36:42,599

the military this was something warm and

863

00:36:49,190 --> 00:36:46,260

wonderful and and life and living this

864

00:36:51,230 --> 00:36:49,200

was not a military craft I know it in my

865

00:36:54,410 --> 00:36:51,240

heart this was this was them

866

00:36:57,230 --> 00:36:54,420

so I so my third UFO I can honestly tell

867

00:36:58,609 --> 00:36:57,240

you with with from the bottom of my

868

00:37:00,710 --> 00:36:58,619

heart I believe that was

869

00:37:03,050 --> 00:37:00,720

extraterrestrial crap

870

00:37:06,109 --> 00:37:03,060

you know it's always curious that I had

871

00:37:08,690 --> 00:37:06,119

uh Brandon fogle on last week from the

872

00:37:11,690 --> 00:37:08,700

Skinwalker Ranch it's always curious why

873

00:37:14,510 --> 00:37:11,700

they're hot spots you know uh and the

874

00:37:16,130 --> 00:37:14,520

different theories of why that is so uh

875

00:37:17,950 --> 00:37:16,140

so this is right at the base of Mount

876

00:37:19,910 --> 00:37:17,960

Adams I'm wondering

877

00:37:22,849 --> 00:37:19,920

geologically if there's anything

878

00:37:24,410 --> 00:37:22,859

interesting about that area or the

879

00:37:27,410 --> 00:37:24,420

mountain itself

880

00:37:31,310 --> 00:37:27,420

uh yeah well Kenneth Arnold's citing

881

00:37:33,890 --> 00:37:31,320

Kenneth Arnold June 47 was I I think it

882

00:37:37,130 --> 00:37:33,900

was at Mount Shasta I think it was it

883

00:37:39,589 --> 00:37:37,140

was in the uh in the uh not the Cascades

884

00:37:41,450 --> 00:37:39,599

in the uh or wait wait a minute where

885

00:37:43,370 --> 00:37:41,460

was that no that was a mount shaft so

886

00:37:45,770 --> 00:37:43,380

that was up in Washington wasn't it yeah

887

00:37:47,990 --> 00:37:45,780

yeah all right so Kenneth Arnold's

888

00:37:50,089 --> 00:37:48,000

sighting was it a mountain and mount

889

00:37:52,370 --> 00:37:50,099

Adams is part of the same range it's

890

00:37:53,930 --> 00:37:52,380

part of the things yeah

891

00:37:56,690 --> 00:37:53,940

so so

892

00:37:58,970 --> 00:37:56,700

there you have two you know I saw

893

00:38:00,829 --> 00:37:58,980

something the Indians called it this the

894

00:38:02,390 --> 00:38:00,839

mountain of Shining Light Kenneth Arnold

895

00:38:04,370 --> 00:38:02,400

saw something I forget which mountain

896

00:38:08,510 --> 00:38:04,380

but it's the same range in Washington

897

00:38:11,030 --> 00:38:08,520

state yeah so I look if you want to

898

00:38:13,670 --> 00:38:11,040

believe there's a there's a base there

899

00:38:15,410 --> 00:38:13,680

inside one of the one or more of the

900

00:38:17,030 --> 00:38:15,420

mountains if there's a base there I

901
00:38:25,670 --> 00:38:17,040
would believe that I would absolutely

902
00:38:30,170 --> 00:38:27,410
you know I spent a lot of time around

903
00:38:32,930 --> 00:38:30,180
Mount Shasta and that that whole area

904
00:38:35,930 --> 00:38:32,940
that has this it's like a mysterious

905
00:38:38,089 --> 00:38:35,940
area I don't know how to describe it I

906
00:38:40,430 --> 00:38:38,099
felt that way in two different places in

907
00:38:43,370 --> 00:38:40,440
the country that I visited and at that

908
00:38:45,349 --> 00:38:43,380
time I was not really into the UFO topic

909
00:38:47,810 --> 00:38:45,359
or anything when I was there and I'd go

910
00:38:50,870 --> 00:38:47,820
there a number of times a year

911
00:38:53,750 --> 00:38:50,880
um and then I was at Four Corners and

912
00:38:56,750 --> 00:38:53,760
that area felt really this like a weird

913
00:38:58,910 --> 00:38:56,760

feeling in both areas and somewhere in

914

00:39:01,550 --> 00:38:58,920

New Mexico was another time in this late

915

00:39:04,609 --> 00:39:01,560

70s and I do think you and I are about

916

00:39:07,790 --> 00:39:04,619

the same age so I was uh out there and I

917

00:39:10,430 --> 00:39:07,800

but there are those places that you do

918

00:39:12,829 --> 00:39:10,440

like I mean at least I do I get like

919

00:39:14,510 --> 00:39:12,839

this weird feeling Shasta was one of

920

00:39:17,150 --> 00:39:14,520

those places and I understand there's a

921

00:39:18,890 --> 00:39:17,160

lot of some type of activity going on

922

00:39:22,370 --> 00:39:18,900

there there's a lot of people reporting

923

00:39:24,349 --> 00:39:22,380

you know seeing things in that area

924

00:39:26,510 --> 00:39:24,359

I think there was an episode of Ancient

925

00:39:29,089 --> 00:39:26,520

Aliens I believe that they did a look at

926

00:39:31,490 --> 00:39:29,099

Mount Shasta I think I think you're

927

00:39:33,349 --> 00:39:31,500

right you should go to either Ranch

928

00:39:35,390 --> 00:39:33,359

Garden you should you know go for a

929

00:39:37,370 --> 00:39:35,400

weekend you'll see you'll see I'm pretty

930

00:39:39,170 --> 00:39:37,380

sure you'll see something man

931

00:39:41,329 --> 00:39:39,180

well that would be fascinating by the

932

00:39:43,010 --> 00:39:41,339

way speaking of going somewhere I do

933

00:39:45,530 --> 00:39:43,020

believe at this point that I will be

934

00:39:47,990 --> 00:39:45,540

going to contact in the desert that's

935

00:39:51,770 --> 00:39:48,000

coming up on the very first uh weekend I

936

00:39:54,650 --> 00:39:51,780

believe in uh June so if anyone plans on

937

00:39:58,250 --> 00:39:54,660

going there uh look me up you can always

938

00:40:00,109 --> 00:39:58,260

email me at Martin podcast UFO and you

939

00:40:02,690 --> 00:40:00,119

know maybe we'll do some type of uh

940

00:40:04,130 --> 00:40:02,700

audience and uh interview some people

941

00:40:06,890 --> 00:40:04,140

and have a little live audience or

942

00:40:10,010 --> 00:40:06,900

something somewhere so anyway I'll stay

943

00:40:13,190 --> 00:40:10,020

in touch on that and but anyway so this

944

00:40:16,069 --> 00:40:13,200

brings us to the point with uh of your

945

00:40:18,829 --> 00:40:16,079

book and right and how long did it take

946

00:40:21,349 --> 00:40:18,839

you to write it and and what basically

947

00:40:24,230 --> 00:40:21,359

you said kind of the Genesis of the book

948

00:40:26,030 --> 00:40:24,240

was in that cafe that you spoke about

949

00:40:27,710 --> 00:40:26,040

um how did all that how did all that

950

00:40:29,050 --> 00:40:27,720

fall together all of a sudden like that

951
00:40:33,349 --> 00:40:29,060
it

952
00:40:36,230 --> 00:40:33,359
was a gift my book was a gift and here

953
00:40:38,329 --> 00:40:36,240
it is actually Nick by the way Nick

954
00:40:40,790 --> 00:40:38,339
if you can see this Nick Pope signed

955
00:40:42,470 --> 00:40:40,800
this copy of it for me oh yeah he gave

956
00:40:44,990 --> 00:40:42,480
me this quote it's on the cover it says

957
00:40:47,390 --> 00:40:45,000
a delightful tale of Wonder and hope

958
00:40:49,310 --> 00:40:47,400
Nick Pope so Nick Pope is my new friend

959
00:40:51,589 --> 00:40:49,320
I met him recently

960
00:40:53,210 --> 00:40:51,599
yeah nice guy

961
00:40:56,690 --> 00:40:53,220
so um

962
00:41:00,770 --> 00:40:56,700
okay so my dad passed 2017. I had the

963
00:41:02,089 --> 00:41:00,780

memory the division of the of the V

964

00:41:05,270 --> 00:41:02,099

craft

965

00:41:07,130 --> 00:41:05,280

and I got a pen at this at this Deli and

966

00:41:08,630 --> 00:41:07,140

I wrote down on the paper I wrote down

967

00:41:11,750 --> 00:41:08,640

write a book

968

00:41:15,170 --> 00:41:11,760

I put um lead character

969

00:41:17,990 --> 00:41:15,180

discovers his late father worked on UFOs

970

00:41:20,930 --> 00:41:18,000

I wrote that sentence down and then I

971

00:41:22,670 --> 00:41:20,940

wrote Capital a capital T capital c

972

00:41:24,890 --> 00:41:22,680

those letters and I didn't know what

973

00:41:27,950 --> 00:41:24,900

they were Martin how much like ATC I'm

974

00:41:29,810 --> 00:41:27,960

like okay God what is that what does

975

00:41:31,970 --> 00:41:29,820

that mean and I looked at it for a few

976

00:41:34,490 --> 00:41:31,980

minutes and I'm like they came like I

977

00:41:36,650 --> 00:41:34,500

had aliens they came they came after

978

00:41:38,750 --> 00:41:36,660

they came okay after they came and that

979

00:41:41,089 --> 00:41:38,760

was it that was my title of my book

980

00:41:43,670 --> 00:41:41,099

so I got my pastrami sandwich I ate it

981

00:41:46,910 --> 00:41:43,680

really inhaled it I came home in the

982

00:41:49,190 --> 00:41:46,920

next eight months 12 15 hours a day for

983

00:41:50,450 --> 00:41:49,200

the next eight months I wrote the hell

984

00:41:51,650 --> 00:41:50,460

out of this book

985

00:41:54,349 --> 00:41:51,660

and

986

00:41:57,530 --> 00:41:54,359

that's how the book was born it was

987

00:42:00,050 --> 00:41:57,540

inspired unto me the storyline of the

988

00:42:03,589 --> 00:42:00,060

book is the following

989

00:42:06,770 --> 00:42:03,599

I imagined the lead character who was

990

00:42:08,690 --> 00:42:06,780

down on his luck hated his life his

991

00:42:11,150 --> 00:42:08,700

company went bankrupt his children don't

992

00:42:13,910 --> 00:42:11,160

speak to him he's divorced he's unlucky

993

00:42:16,190 --> 00:42:13,920

in love he just hates his life and on

994

00:42:17,990 --> 00:42:16,200

his 70th birthday he decides to commit

995

00:42:19,670 --> 00:42:18,000

suicide because he just wants to be dead

996

00:42:22,190 --> 00:42:19,680

he hates his wife

997

00:42:25,130 --> 00:42:22,200

so the first scene in the whole book is

998

00:42:27,349 --> 00:42:25,140

this guy he drives out to Malibu he

999

00:42:29,150 --> 00:42:27,359

takes a big bottle of vodka a big bottle

1000

00:42:31,010 --> 00:42:29,160

of sleeping pills he drinks all the

1001
00:42:32,210 --> 00:42:31,020
Vodka takes all the sleep because takes

1002
00:42:35,329 --> 00:42:32,220
off his clothes

1003
00:42:37,310 --> 00:42:35,339
goes out into the Pacific ocean swims

1004
00:42:40,069 --> 00:42:37,320
out to sea and all he wants to do is

1005
00:42:43,310 --> 00:42:40,079
drown all he wants to do is dress

1006
00:42:46,130 --> 00:42:43,320
as he's drowning an enormous UFO craft

1007
00:42:48,349 --> 00:42:46,140
comes up from from the Pacific Ocean

1008
00:42:51,770 --> 00:42:48,359
comes out of the Pacific Ocean directly

1009
00:42:52,730 --> 00:42:51,780
above him being to him on board so saves

1010
00:42:55,849 --> 00:42:52,740
his life

1011
00:42:59,030 --> 00:42:55,859
and then a huge this is a huge huge

1012
00:43:00,530 --> 00:42:59,040
diamond shape brilliant multi-colored

1013
00:43:04,069 --> 00:43:00,540

craft enormous

1014

00:43:06,170 --> 00:43:04,079

and it slowly hovers from Malibu all the

1015

00:43:08,930 --> 00:43:06,180

way across Los Angeles

1016

00:43:10,849 --> 00:43:08,940

ending up at Dodger Stadium

1017

00:43:12,770 --> 00:43:10,859

and it goes to Dodger Stadium where it

1018

00:43:15,410 --> 00:43:12,780

hovers for a while

1019

00:43:18,670 --> 00:43:15,420

while it's hovering there the police the

1020

00:43:23,329 --> 00:43:18,680

fire engines ambulances media military

1021

00:43:25,190 --> 00:43:23,339

vehicles cameras microphones all these

1022

00:43:27,829 --> 00:43:25,200

people and Technologies they're all

1023

00:43:31,849 --> 00:43:27,839

coming to the Dodger Stadium to record

1024

00:43:33,829 --> 00:43:31,859

and witness this event clearly aliens

1025

00:43:35,569 --> 00:43:33,839

have arrived on Earth and they're

1026
00:43:37,250 --> 00:43:35,579
they're here now there's no mistake

1027
00:43:38,630 --> 00:43:37,260
because this is not a man-made craft

1028
00:43:41,750 --> 00:43:38,640
obviously

1029
00:43:45,609 --> 00:43:41,760
so all these uh people show up at Dodger

1030
00:43:49,569 --> 00:43:45,619
Stadium the craft opens up two beautiful

1031
00:43:53,290 --> 00:43:49,579
tall white Nordic alien seven feet tall

1032
00:43:56,569 --> 00:43:53,300
long white hair pale skin blue eyes

1033
00:44:00,950 --> 00:43:56,579
shimmering silvery robes she slowly

1034
00:44:02,329 --> 00:44:00,960
descends onto the infield and they say

1035
00:44:05,089 --> 00:44:02,339
people of Earth

1036
00:44:08,030 --> 00:44:05,099
don't be alarmed don't be afraid we're

1037
00:44:10,069 --> 00:44:08,040
here to help you we love mankind we've

1038
00:44:13,670 --> 00:44:10,079

been here for tens of thousands of years

1039

00:44:15,710 --> 00:44:13,680

we helped create your civilization we

1040

00:44:17,750 --> 00:44:15,720

love you and

1041

00:44:20,270 --> 00:44:17,760

um we felt now would be a good time for

1042

00:44:23,390 --> 00:44:20,280

us to reveal ourselves so we can help

1043

00:44:25,250 --> 00:44:23,400

you solve the problems that you have on

1044

00:44:26,390 --> 00:44:25,260

Earth that you've been unable to solve

1045

00:44:28,670 --> 00:44:26,400

all this time

1046

00:44:30,950 --> 00:44:28,680

then they beam down this guy that they

1047

00:44:33,170 --> 00:44:30,960

just saved this naked guy he's flopping

1048

00:44:35,510 --> 00:44:33,180

around like a fish in the scheme of life

1049

00:44:39,530 --> 00:44:35,520

and they say we have a relationship with

1050

00:44:42,349 --> 00:44:39,540

this man be kind to him respect him if

1051
00:44:44,630 --> 00:44:42,359
you have problems bring them to him he

1052
00:44:46,910 --> 00:44:44,640
will be our conduit to Mankind we will

1053
00:44:48,650 --> 00:44:46,920
only work through him this man is

1054
00:44:51,589 --> 00:44:48,660
special to us

1055
00:44:53,690 --> 00:44:51,599
they lower the guy on to second base the

1056
00:44:56,030 --> 00:44:53,700
aliens get on the craft the craft takes

1057
00:44:59,150 --> 00:44:56,040
off and now this guy this naked guy 70

1058
00:45:01,609 --> 00:44:59,160
years old on his birthday is naked on

1059
00:45:04,250 --> 00:45:01,619
second basis Dodger Stadium and all the

1060
00:45:05,050 --> 00:45:04,260
military and police and media they're

1061
00:45:08,510 --> 00:45:05,060
all

1062
00:45:11,089 --> 00:45:08,520
hovering over him and he looks up and he

1063
00:45:12,290 --> 00:45:11,099

has no idea what's happening is it his

1064

00:45:15,050 --> 00:45:12,300

slightest clue

1065

00:45:16,609 --> 00:45:15,060

that's the first few scenes of of of the

1066

00:45:18,589 --> 00:45:16,619

of the story

1067

00:45:21,530 --> 00:45:18,599

from there they take him to the White

1068

00:45:24,609 --> 00:45:21,540

House he meets the president and in my

1069

00:45:27,290 --> 00:45:24,619

book I base the president on a

1070

00:45:29,410 --> 00:45:27,300

African-American woman in her 70s and I

1071

00:45:32,089 --> 00:45:29,420

based her Martin on Oprah Winfrey

1072

00:45:33,770 --> 00:45:32,099

because when I first wrote this draft of

1073

00:45:35,270 --> 00:45:33,780

the book there was a rumor that Oprah

1074

00:45:38,329 --> 00:45:35,280

was going to think about running for

1075

00:45:40,250 --> 00:45:38,339

president I remember that yeah so this

1076

00:45:42,170 --> 00:45:40,260

guy his name is Jonathan Tuckerman so

1077

00:45:44,329 --> 00:45:42,180

Jonathan Tuckerman they bring him to the

1078

00:45:47,089 --> 00:45:44,339

president who's sort of Oprah Winfrey

1079

00:45:49,010 --> 00:45:47,099

and she goes Mr Tuckerman who the hell

1080

00:45:52,010 --> 00:45:49,020

are you you know you were just

1081

00:45:54,710 --> 00:45:52,020

you were just presented to the world a

1082

00:45:57,650 --> 00:45:54,720

live Global live TV by these beautiful

1083

00:46:00,050 --> 00:45:57,660

incredible aliens in a spaceship who are

1084

00:46:01,790 --> 00:46:00,060

you and he goes Madam president I don't

1085

00:46:04,069 --> 00:46:01,800

have the slightest idea what's happening

1086

00:46:06,349 --> 00:46:04,079

he goes I do all I do try to kill myself

1087

00:46:08,750 --> 00:46:06,359

all I wanted to be was dead right now

1088

00:46:10,250 --> 00:46:08,760

and instead I'm here with you and it

1089

00:46:11,870 --> 00:46:10,260

just was saved by alien things I have

1090

00:46:13,970 --> 00:46:11,880

the slightest idea what's happening and

1091

00:46:16,970 --> 00:46:13,980

that's the slightest clue

1092

00:46:19,790 --> 00:46:16,980

so anyway the president sets this guy up

1093

00:46:22,089 --> 00:46:19,800

in at the U.N she gives him an office at

1094

00:46:24,470 --> 00:46:22,099

the U.N he becomes the world's first

1095

00:46:25,790 --> 00:46:24,480

Interstellar ambassador

1096

00:46:28,849 --> 00:46:25,800

and

1097

00:46:31,309 --> 00:46:28,859

he he's reunited with his children he

1098

00:46:34,970 --> 00:46:31,319

develops this team of of people at the

1099

00:46:37,130 --> 00:46:34,980

UN and the aliens visit this guy once a

1100

00:46:38,630 --> 00:46:37,140

month they hover over the U.N once a

1101

00:46:41,030 --> 00:46:38,640

month for the next year

1102

00:46:44,390 --> 00:46:41,040

and each of the months of the next year

1103

00:46:46,130 --> 00:46:44,400

they say to him Mr Tuckerman what what

1104

00:46:47,630 --> 00:46:46,140

do your people on Earth what would they

1105

00:46:49,910 --> 00:46:47,640

like us to do

1106

00:46:52,970 --> 00:46:49,920

well the first time he meets with them

1107

00:46:55,069 --> 00:46:52,980

he he said you know let's can you guys

1108

00:46:57,829 --> 00:46:55,079

get rid of nuclear weapons he goes that

1109

00:46:59,870 --> 00:46:57,839

would be a good one let's do that uh

1110

00:47:01,670 --> 00:46:59,880

it's a good start let's get rid of every

1111

00:47:04,250 --> 00:47:01,680

nuclear weapon and every biological

1112

00:47:06,230 --> 00:47:04,260

weapon on the earth if I have a wish and

1113

00:47:08,450 --> 00:47:06,240

they say okay we can do that that's no

1114

00:47:11,089 --> 00:47:08,460

problem and over the course of the next

1115

00:47:13,849 --> 00:47:11,099

week the alien craft goes all over the

1116

00:47:15,950 --> 00:47:13,859

world and it melts essentially melts all

1117

00:47:17,829 --> 00:47:15,960

these weapons all every country America

1118

00:47:20,329 --> 00:47:17,839

Russia China

1119

00:47:21,710 --> 00:47:20,339

Israel it's just all countries are

1120

00:47:24,530 --> 00:47:21,720

equally neutral

1121

00:47:26,450 --> 00:47:24,540

and at the end of that time the New York

1122

00:47:28,309 --> 00:47:26,460

Times has a huge Banner that says no

1123

00:47:32,950 --> 00:47:28,319

nukes the biggest Banner in the history

1124

00:47:38,089 --> 00:47:35,930

all you guys could do sure you and I are

1125

00:47:39,650 --> 00:47:38,099

the same age right yeah so that's the

1126

00:47:41,630 --> 00:47:39,660

first month so after the first month

1127

00:47:43,430 --> 00:47:41,640

people are coming to this guy Mr

1128

00:47:44,990 --> 00:47:43,440

Tuckerman yeah thank you you got rid of

1129

00:47:47,690 --> 00:47:45,000

nuclear this is incredible the

1130

00:47:50,470 --> 00:47:47,700

president's happy uh the military of the

1131

00:47:52,849 --> 00:47:50,480

US is not happy yeah

1132

00:47:55,309 --> 00:47:52,859

regular people are happy then the next

1133

00:47:59,809 --> 00:47:58,309

um he says you know what we're there are

1134

00:48:02,450 --> 00:47:59,819

still people around the world that are

1135

00:48:04,670 --> 00:48:02,460

starving there are people in Africa and

1136

00:48:06,950 --> 00:48:04,680

and parts of the Middle East and parts

1137

00:48:08,690 --> 00:48:06,960

of Asia that are starving there's no

1138

00:48:10,390 --> 00:48:08,700

reason for anyone in Mexico there are

1139

00:48:13,069 --> 00:48:10,400

people that are starving on this planet

1140

00:48:14,990 --> 00:48:13,079

they go don't worry about it they go

1141

00:48:17,930 --> 00:48:15,000

have you ever heard of Manna From Heaven

1142

00:48:19,309 --> 00:48:17,940

yeah a manner from heaven he's in the

1143

00:48:22,670 --> 00:48:19,319

Jewish Bible

1144

00:48:25,430 --> 00:48:22,680

during the story of Moses and the Exodus

1145

00:48:28,670 --> 00:48:25,440

and so the character says to the aliens

1146

00:48:30,710 --> 00:48:28,680

you guys did Manna From Heaven and they

1147

00:48:32,809 --> 00:48:30,720

go yeah and then they go who do you

1148

00:48:35,150 --> 00:48:32,819

think parted the Red Sea you think Moses

1149

00:48:37,370 --> 00:48:35,160

part of the Red Sea no it was our people

1150

00:48:39,950 --> 00:48:37,380

he goes you pretty part of the Red Sea

1151
00:48:41,450 --> 00:48:39,960
for Moses so then they provide Manna

1152
00:48:43,190 --> 00:48:41,460
From Heaven for people around the world

1153
00:48:45,589 --> 00:48:43,200
who are starving

1154
00:48:47,990 --> 00:48:45,599
and every month something major they

1155
00:48:51,050 --> 00:48:48,000
provide clean water around the world

1156
00:48:53,630 --> 00:48:51,060
they provide a device that that offers

1157
00:48:56,450 --> 00:48:53,640
free energy so we don't need gas or oil

1158
00:48:59,150 --> 00:48:56,460
or nuclear power anymore

1159
00:49:02,750 --> 00:48:59,160
um they eliminate the emotion of Anger

1160
00:49:05,690 --> 00:49:02,760
from human human beings and in so doing

1161
00:49:08,329 --> 00:49:05,700
have human beings turn in their guns

1162
00:49:10,490 --> 00:49:08,339
people human beings no longer are angry

1163
00:49:13,069 --> 00:49:10,500

or have a hatred so they turn in their

1164

00:49:15,589 --> 00:49:13,079

guns and they all over the world they

1165

00:49:17,390 --> 00:49:15,599

bury mountains of guns so guns are

1166

00:49:18,050 --> 00:49:17,400

eliminated

1167

00:49:20,270 --> 00:49:18,060

um

1168

00:49:22,130 --> 00:49:20,280

the reverse climate change they go

1169

00:49:25,190 --> 00:49:22,140

around the planet and they fix the ozone

1170

00:49:28,550 --> 00:49:25,200

layer and they stop the melting of the

1171

00:49:31,790 --> 00:49:28,560

polar ice caps so every month for a year

1172

00:49:33,829 --> 00:49:31,800

this guy suggests to the aliens a major

1173

00:49:35,690 --> 00:49:33,839

problem on Earth and and essentially

1174

00:49:38,390 --> 00:49:35,700

it's like the show I Dream of Genie with

1175

00:49:40,430 --> 00:49:38,400

Larry Hagman and Barbara oh yeah they're

1176
00:49:44,510 --> 00:49:40,440
like genies and they go okay your wish

1177
00:49:47,809 --> 00:49:44,520
is my yeah and so a year later so this

1178
00:49:50,750 --> 00:49:47,819
guy on day one he's drowning day one

1179
00:49:52,790 --> 00:49:50,760
he's driving one year later exactly he

1180
00:49:54,890 --> 00:49:52,800
wins the Nobel Peace Prize

1181
00:49:57,589 --> 00:49:54,900
he's the most famous man in the world

1182
00:50:00,230 --> 00:49:57,599
he's friends with alien they call him

1183
00:50:02,210 --> 00:50:00,240
the hero of her and his best friend is

1184
00:50:03,650 --> 00:50:02,220
the president of the United States he

1185
00:50:07,670 --> 00:50:03,660
falls in love with this woman beautiful

1186
00:50:10,130 --> 00:50:07,680
woman who is his doctor who who um he

1187
00:50:12,530 --> 00:50:10,140
met the night he was abductive and he

1188
00:50:14,870 --> 00:50:12,540

fell in love with her so a year later

1189

00:50:17,329 --> 00:50:14,880

his life is completely the opposite of

1190

00:50:19,690 --> 00:50:17,339

what it was on page one that's the first

1191

00:50:23,089 --> 00:50:19,700

third of the book

1192

00:50:24,770 --> 00:50:23,099

the tribute part to my dad is in the

1193

00:50:27,650 --> 00:50:24,780

second part of the book

1194

00:50:29,270 --> 00:50:27,660

and for the first year people kept

1195

00:50:31,309 --> 00:50:29,280

saying Mr Tuckerman what you're doing

1196

00:50:33,170 --> 00:50:31,319

with the aliens this is great this is

1197

00:50:36,290 --> 00:50:33,180

fantastically it's the greatest it's a

1198

00:50:37,309 --> 00:50:36,300

new age for mankind but why did they

1199

00:50:39,230 --> 00:50:37,319

pick you

1200

00:50:40,970 --> 00:50:39,240

there's eight billion people in the

1201
00:50:42,470 --> 00:50:40,980
world why did they pick you and he goes

1202
00:50:44,390 --> 00:50:42,480
I don't have the slightest idea

1203
00:50:47,089 --> 00:50:44,400
so they keep asking him don't you think

1204
00:50:49,430 --> 00:50:47,099
it's time you ask them why you

1205
00:50:51,890 --> 00:50:49,440
so in the second third of the book he

1206
00:50:53,390 --> 00:50:51,900
goes to them he goes excuse me thanks

1207
00:50:55,130 --> 00:50:53,400
for everything you've done for me you've

1208
00:50:58,250 --> 00:50:55,140
changed my life in every positive thing

1209
00:51:00,410 --> 00:50:58,260
why did you pick Boeing let me and it

1210
00:51:02,630 --> 00:51:00,420
turns out that the aliens were friends

1211
00:51:05,349 --> 00:51:02,640
with his parents

1212
00:51:08,809 --> 00:51:05,359
70 years earlier

1213
00:51:12,049 --> 00:51:08,819

and it turns out that his father his

1214

00:51:14,569 --> 00:51:12,059

late father was the UFO researcher and a

1215

00:51:17,390 --> 00:51:14,579

scientist working for the military

1216

00:51:19,790 --> 00:51:17,400

and his father had an interaction with a

1217

00:51:23,390 --> 00:51:19,800

little baby alien and saved a little

1218

00:51:25,490 --> 00:51:23,400

baby alien's life 70 years earlier

1219

00:51:27,829 --> 00:51:25,500

something that the lead character didn't

1220

00:51:30,829 --> 00:51:27,839

know never knew never knew

1221

00:51:34,790 --> 00:51:30,839

so these aliens are paying back to this

1222

00:51:37,970 --> 00:51:34,800

guy a gift that his parents did for them

1223

00:51:39,890 --> 00:51:37,980

70 years earlier and then I bring my dad

1224

00:51:41,630 --> 00:51:39,900

and I have my dad as though he were part

1225

00:51:43,790 --> 00:51:41,640

of Project Blue Book

1226
00:51:47,109 --> 00:51:43,800
and I explained what Project Blue Book

1227
00:51:49,730 --> 00:51:47,119
was and I talk about uh

1228
00:51:51,950 --> 00:51:49,740
the dad character in this book is

1229
00:51:53,809 --> 00:51:51,960
essentially my my father so that's a

1230
00:51:55,849 --> 00:51:53,819
tribute to my father

1231
00:51:59,270 --> 00:51:55,859
well I hate to say this but we only have

1232
00:52:02,210 --> 00:51:59,280
a minute to wrap it up okay so complete

1233
00:52:05,210 --> 00:52:02,220
yeah here's my book it's it's been very

1234
00:52:08,630 --> 00:52:05,220
well received it's on Amazon Kindle and

1235
00:52:12,010 --> 00:52:08,640
Prince after they came Dan Harari and if

1236
00:52:15,549 --> 00:52:12,020
you want to reach me I am Dan Harari

1237
00:52:19,069 --> 00:52:15,559
author.com it's my website Dan Harari

1238
00:52:22,130 --> 00:52:19,079

author.com love to talk to anybody I'm

1239

00:52:23,630 --> 00:52:22,140

fascinated by all things aliens and UFOs

1240

00:52:25,849 --> 00:52:23,640

and I love

1241

00:52:28,430 --> 00:52:25,859

people like Martin who have given me a

1242

00:52:30,290 --> 00:52:28,440

platform to talk about this and love to

1243

00:52:33,230 --> 00:52:30,300

hear from anybody who has any thoughts

1244

00:52:36,230 --> 00:52:33,240

you know uh well you know it's uh the

1245

00:52:38,390 --> 00:52:36,240

the thought of you behind your book is

1246

00:52:40,670 --> 00:52:38,400

is really interesting and would be

1247

00:52:44,030 --> 00:52:40,680

wonderful if it could happen you know

1248

00:52:45,410 --> 00:52:44,040

and I think I think we we a lot of times

1249

00:52:48,770 --> 00:52:45,420

people

1250

00:52:51,589 --> 00:52:48,780

kind of wish okay save us please save us

1251

00:52:53,809 --> 00:52:51,599

you know I think that that's the way a

1252

00:52:56,450 --> 00:52:53,819

lot of people have they at that attitude

1253

00:52:59,089 --> 00:52:56,460

that uh we have to try how to save

1254

00:53:01,069 --> 00:52:59,099

ourselves you know but anyway thank you

1255

00:53:02,510 --> 00:53:01,079

so much it's been a real pleasure Dan oh

1256

00:53:04,190 --> 00:53:02,520

it's great it was so much fun thank you

1257

00:53:06,770 --> 00:53:04,200

Martin I really appreciate it man thank

1258

00:53:09,049 --> 00:53:06,780

you you bet take care

1259

00:53:12,950 --> 00:53:09,059

all right everyone so we'll be back next

1260

00:53:14,569 --> 00:53:12,960

week with Heidi Gad and uh I think

1261

00:53:15,710 --> 00:53:14,579

that's about it I can't think there was

1262

00:53:18,109 --> 00:53:15,720

something I was going to announce don't

1263

00:53:20,270 --> 00:53:18,119

forget to check out the uh YouTube

1264

00:53:22,790 --> 00:53:20,280

videos on the channel here with uh Chris

1265

00:53:25,080 --> 00:53:22,800

Leto and myself and thank you everyone

1266

00:53:35,570 --> 00:53:25,090

and keep your eyes to the sky
