

1
00:00:02,340 --> 00:00:05,749

[Music]

2
00:00:05,759 --> 00:00:11,640

foreign

3
00:00:30,009 --> 00:00:18,400

[Music]

4
00:00:35,810 --> 00:00:33,470
well hello Leo welcome to the show thank

5
00:00:37,850 --> 00:00:35,820

you very much yes

6
00:00:40,970 --> 00:00:37,860
um I had we had just a couple minutes to

7
00:00:42,709 --> 00:00:40,980
talk ahead of the show and I okay I

8
00:00:45,110 --> 00:00:42,719
think I mentioned

9
00:00:47,389 --> 00:00:45,120
to could you get a little bit closer to

10
00:00:48,529 --> 00:00:47,399
the phone the show producer is saying

11
00:00:50,690 --> 00:00:48,539
you just need to be a little bit closer

12
00:00:52,549 --> 00:00:50,700
if you would how is this is that better

13
00:00:55,069 --> 00:00:52,559

oh I can tell yes that's that's real

14

00:00:57,709 --> 00:00:55,079

good thank you okay

15

00:01:00,229 --> 00:00:57,719

I have heard your name since I started

16

00:01:02,330 --> 00:01:00,239

looking at this topic your name comes up

17

00:01:03,770 --> 00:01:02,340

all the time okay you've been around a

18

00:01:05,630 --> 00:01:03,780

long time yeah

19

00:01:07,370 --> 00:01:05,640

um can you go into your background if

20

00:01:10,070 --> 00:01:07,380

you would how you got interested in the

21

00:01:11,630 --> 00:01:10,080

topic and basically I'd really be

22

00:01:12,950 --> 00:01:11,640

interested in

23

00:01:15,170 --> 00:01:12,960

um you know first of all how you get

24

00:01:17,570 --> 00:01:15,180

interested but what what was the first

25

00:01:19,429 --> 00:01:17,580

um you know case or whatever that you

26

00:01:21,890 --> 00:01:19,439

looked into

27

00:01:23,230 --> 00:01:21,900

you know I got interested because of my

28

00:01:27,050 --> 00:01:23,240

own experiences

29

00:01:28,969 --> 00:01:27,060

when I was a child I had experiences I

30

00:01:31,609 --> 00:01:28,979

couldn't understand explain you know

31

00:01:33,770 --> 00:01:31,619

nightmares and later as I got older I

32

00:01:36,289 --> 00:01:33,780

was able to understand more about

33

00:01:42,530 --> 00:01:36,299

what had happened but consciously the

34

00:01:43,609 --> 00:01:42,540

first uh event was in 1949 when a buddy

35

00:01:45,770 --> 00:01:43,619

and I

36

00:01:48,230 --> 00:01:45,780

at the University of Colorado we were

37

00:01:50,810 --> 00:01:48,240

students there we had a sighting we were

38

00:01:52,130 --> 00:01:50,820

walking along the campus near the Arts

39

00:01:53,690 --> 00:01:52,140
and Science

40

00:01:55,609 --> 00:01:53,700
building

41

00:01:57,350 --> 00:01:55,619
and we were playing this little game

42

00:01:59,690 --> 00:01:57,360
because we had heard a speaker talk

43

00:02:03,109 --> 00:01:59,700
about science and reality and what's

44

00:02:04,550 --> 00:02:03,119
true and what's not true and so we were

45

00:02:06,170 --> 00:02:04,560
playing this little game what do you see

46

00:02:08,029 --> 00:02:06,180
over there well I call it the treat well

47

00:02:10,010 --> 00:02:08,039
how do you describe it well it's got the

48

00:02:11,809 --> 00:02:10,020
trunk and it's got branches and it's got

49

00:02:14,210 --> 00:02:11,819
leaves

50

00:02:15,589 --> 00:02:14,220
I think it has roots but I can't see

51
00:02:18,050 --> 00:02:15,599
them because they're under the ground

52
00:02:20,270 --> 00:02:18,060
and then my friend looked at me what do

53
00:02:21,589 --> 00:02:20,280
you see over there and what was it well

54
00:02:23,449 --> 00:02:21,599
I looked at it

55
00:02:26,350 --> 00:02:23,459
it wasn't an airplane it wasn't a

56
00:02:28,729 --> 00:02:26,360
balloon it looked elliptical like a lens

57
00:02:31,130 --> 00:02:28,739
and there was a light

58
00:02:32,809 --> 00:02:31,140
gleaming on the edge and if the sunlight

59
00:02:34,970 --> 00:02:32,819
was reflecting on

60
00:02:36,890 --> 00:02:34,980
so we talked about it but we didn't want

61
00:02:39,949 --> 00:02:36,900
to tell anybody else because flying

62
00:02:42,670 --> 00:02:39,959
sausages in 1949 worked and readily

63
00:02:45,830 --> 00:02:42,680

accepted by the public

64

00:02:47,630 --> 00:02:45,840

then my wife and I had a sighting after

65

00:02:50,809 --> 00:02:47,640

I came back from Germany

66

00:02:56,570 --> 00:02:50,819

I'd been when I graduated I went into

67

00:02:58,670 --> 00:02:56,580

U.S army overseas and came back and

68

00:03:00,110 --> 00:02:58,680

in graduate school the University of

69

00:03:02,449 --> 00:03:00,120

Colorado Boulder

70

00:03:04,130 --> 00:03:02,459

and we were coming back from Denver one

71

00:03:05,990 --> 00:03:04,140

evening we were on top of the hill

72

00:03:08,990 --> 00:03:06,000

looking over the valley

73

00:03:10,490 --> 00:03:09,000

and we saw this strange light and he

74

00:03:12,589 --> 00:03:10,500

would hover and it would move it would

75

00:03:13,630 --> 00:03:12,599

hover and move well it wasn't an

76

00:03:16,149 --> 00:03:13,640

airplane

77

00:03:19,610 --> 00:03:16,159

we didn't know what it was

78

00:03:22,610 --> 00:03:19,620

we saw several car lights down below I

79

00:03:25,490 --> 00:03:22,620

assumed other people were stopping like

80

00:03:28,009 --> 00:03:25,500

we did and getting out and looking at it

81

00:03:30,589 --> 00:03:28,019

I've been after a while it went to North

82

00:03:33,530 --> 00:03:30,599

and disappeared from View

83

00:03:37,550 --> 00:03:33,540

but the feeling I had inside was okay

84

00:03:39,649 --> 00:03:37,560

twice now I've been given an opportunity

85

00:03:42,949 --> 00:03:39,659

to see something anomalous

86

00:03:45,350 --> 00:03:42,959

so I knew that I had to study the

87

00:03:49,670 --> 00:03:45,360

phenomena I also knew that it'd be

88

00:03:51,830 --> 00:03:49,680

lonely and perceived as weird oh really

89

00:03:53,990 --> 00:03:51,840

yeah so I said okay let's get a

90

00:03:56,089 --> 00:03:54,000

doctorate and

91

00:03:59,809 --> 00:03:56,099

so that way instead of being crazy

92

00:04:03,910 --> 00:03:59,819

you're just merely eccentric and so so I

93

00:04:07,550 --> 00:04:03,920

went to the University of Missouri and

94

00:04:10,130 --> 00:04:07,560

graduated with a PhD doctor in

95

00:04:11,449 --> 00:04:10,140

philosophy and especially in counseling

96

00:04:14,570 --> 00:04:11,459

psychology

97

00:04:15,710 --> 00:04:14,580

in 1961 went to the University of North

98

00:04:19,250 --> 00:04:15,720

Dakota

99

00:04:21,530 --> 00:04:19,260

and after I had the results of the

100

00:04:24,710 --> 00:04:21,540

dissertation published I I studied the

101
00:04:25,610 --> 00:04:24,720
permanence of vocational interests and

102
00:04:29,150 --> 00:04:25,620
then

103
00:04:31,070 --> 00:04:29,160
based upon measured vocational interests

104
00:04:34,070 --> 00:04:31,080
after I had that publisher then I

105
00:04:35,210 --> 00:04:34,080
started doing UFO studies I wrote to

106
00:04:36,650 --> 00:04:35,220
various people

107
00:04:38,689 --> 00:04:36,660
can you pardon me can you tell me

108
00:04:44,770 --> 00:04:38,699
approximately what year that that was

109
00:04:47,830 --> 00:04:44,780
right after yeah yeah uh 1962 I went to

110
00:04:50,689 --> 00:04:47,840
1961 when I graduated

111
00:04:53,749 --> 00:04:50,699
from the University of Missouri

112
00:04:55,370 --> 00:04:53,759
then went to North Dakota and so it was

113
00:04:57,550 --> 00:04:55,380

62.

114

00:05:01,610 --> 00:04:57,560

63 I became

115

00:05:03,670 --> 00:05:01,620

invested in UFO research I

116

00:05:07,010 --> 00:05:03,680

I developed a little

117

00:05:09,650 --> 00:05:07,020

survey asking people their background

118

00:05:10,670 --> 00:05:09,660

educational vocational background and

119

00:05:13,370 --> 00:05:10,680

then

120

00:05:15,850 --> 00:05:13,380

what they saw what they observed how

121

00:05:21,830 --> 00:05:15,860

they responded to it

122

00:05:24,710 --> 00:05:21,840

so I got a several sets of surveys

123

00:05:26,810 --> 00:05:24,720

including Betty and Barney Hill because

124

00:05:32,810 --> 00:05:26,820

their case came out about that time

125

00:05:38,390 --> 00:05:32,820

right yep and uh then uh in

126
00:05:40,730 --> 00:05:38,400
uh 64 and 60 you know 62 63 for uh I not

127
00:05:43,310 --> 00:05:40,740
only started surveying people but I

128
00:05:46,730 --> 00:05:43,320
joined organizations I joined what was

129
00:05:48,830 --> 00:05:46,740
called April aerial phenomena research

130
00:05:52,610 --> 00:05:48,840
organization out of Arizona

131
00:05:55,010 --> 00:05:52,620
Jim and Corolla engine and uh Nike cap

132
00:05:57,650 --> 00:05:55,020
the national investigations committee on

133
00:06:00,909 --> 00:05:57,660
aerial phenomena those two organizations

134
00:06:03,710 --> 00:06:00,919
are later folded and so I

135
00:06:06,950 --> 00:06:03,720
consulted the people in mufon mutual UFO

136
00:06:10,969 --> 00:06:06,960
Network plus other groups so it's been

137
00:06:12,290 --> 00:06:10,979
an interesting history wow wow yeah I

138
00:06:14,210 --> 00:06:12,300

have I have a lot of questions but I

139

00:06:16,189 --> 00:06:14,220

just want to say to people who are

140

00:06:17,890 --> 00:06:16,199

listening live a couple things um you

141

00:06:21,590 --> 00:06:17,900

can jump over to podcast

142

00:06:25,129 --> 00:06:21,600

ufo.com and on the Left Right sidebar

143

00:06:27,469 --> 00:06:25,139

you can jump in our chat room and ask Dr

144

00:06:29,749 --> 00:06:27,479

Leo sprinkle some questions also you can

145

00:06:31,969 --> 00:06:29,759

call into the show if you'd like and

146

00:06:33,950 --> 00:06:31,979

that's 603

147

00:06:36,170 --> 00:06:33,960

nine six seven

148

00:06:40,249 --> 00:06:36,180

four oh three oh

149

00:06:43,189 --> 00:06:40,259

and I also forgot to uh mention that we

150

00:06:45,409 --> 00:06:43,199

are going to be talking an hour two

151
00:06:47,390 --> 00:06:45,419
more about um we're going to go off the

152
00:06:50,870 --> 00:06:47,400
UFO topic a little bit now or two and

153
00:06:53,570 --> 00:06:50,880
talk about some other things that um uh

154
00:06:57,650 --> 00:06:53,580
Dr sprinkle has been interested in

155
00:07:00,830 --> 00:06:57,660
um free energy ideas uh nickolo uh uh

156
00:07:04,370 --> 00:07:00,840
Nicola tester a Tesla and some other

157
00:07:06,710 --> 00:07:04,380
things as well so

158
00:07:10,490 --> 00:07:06,720
um now going back to Betty and Barney

159
00:07:11,870 --> 00:07:10,500
Hill did you actually invest investigate

160
00:07:13,909 --> 00:07:11,880
that case

161
00:07:15,830 --> 00:07:13,919
yes they were willing to fill out the

162
00:07:18,790 --> 00:07:15,840
information about their experience and

163
00:07:23,150 --> 00:07:18,800

then later I had the opportunity

164

00:07:27,110 --> 00:07:23,160
to talk with them on a New York

165

00:07:30,770 --> 00:07:27,120
TV program in 1966. interesting thing

166

00:07:34,010 --> 00:07:30,780
happened uh Dr Carl Sagan and others

167

00:07:37,309 --> 00:07:34,020
were there when we were interviewing

168

00:07:42,589 --> 00:07:37,319
uh Betty and Barney Hill and uh

169

00:07:43,309 --> 00:07:42,599
at one point uh Dr Carl Sagan uh turned

170

00:07:45,710 --> 00:07:43,319
to

171

00:07:48,050 --> 00:07:45,720
Betty Hill he said now Mrs Hill he said

172

00:07:50,570 --> 00:07:48,060
you say that your memory

173

00:07:54,230 --> 00:07:50,580
based upon the hypnosis session with Dr

174

00:07:56,930 --> 00:07:54,240
Benjamin Simon he was a psychiatrist

175

00:07:59,570 --> 00:07:56,940
that they went to to help him understand

176
00:08:02,450 --> 00:07:59,580
more about their experience he said you

177
00:08:04,070 --> 00:08:02,460
say you remember being on an examining

178
00:08:07,210 --> 00:08:04,080
table and uh

179
00:08:11,089 --> 00:08:07,220
the Extraterrestrial was examining you

180
00:08:12,350 --> 00:08:11,099
with a probe in their navel and she said

181
00:08:15,230 --> 00:08:12,360
yes

182
00:08:16,670 --> 00:08:15,240
any kind of smile in his Charming way

183
00:08:19,309 --> 00:08:16,680
and he said no we're all amateur

184
00:08:20,930 --> 00:08:19,319
psychologists here and then he glances

185
00:08:23,150 --> 00:08:20,940
at me and he said oh I'm sorry about

186
00:08:24,529 --> 00:08:23,160
that you know I said that's how my

187
00:08:28,010 --> 00:08:24,539
friends think of me as an amateur

188
00:08:31,309 --> 00:08:28,020

psychologist he was about to tell her

189

00:08:32,870 --> 00:08:31,319

and the viewing audience

190

00:08:35,149 --> 00:08:32,880

that there was a psychological

191

00:08:37,029 --> 00:08:35,159

explanation for her experience I thought

192

00:08:39,469 --> 00:08:37,039

that was arrogant

193

00:08:41,930 --> 00:08:39,479

so even though he was Charming when he

194

00:08:45,050 --> 00:08:41,940

did it uh I still feel like it was an

195

00:08:46,870 --> 00:08:45,060

indication of how he was rejecting what

196

00:08:49,910 --> 00:08:46,880

she claimed was a

197

00:08:52,210 --> 00:08:49,920

physical onboard experience

198

00:08:55,850 --> 00:08:52,220

so that taught me something along with

199

00:09:01,150 --> 00:08:55,860

that same year I was at a New York TV

200

00:09:08,650 --> 00:09:03,350

we're with

201
00:09:15,949 --> 00:09:12,230
it was intriguing because the

202
00:09:18,590 --> 00:09:15,959
the name of the TV program was flying

203
00:09:20,750 --> 00:09:18,600
saucers a fact or fiction

204
00:09:22,610 --> 00:09:20,760
in those days the game was played

205
00:09:25,370 --> 00:09:22,620
between two groups of people one were

206
00:09:28,250 --> 00:09:25,380
the one group was labeled Skeptics and

207
00:09:30,769 --> 00:09:28,260
one group was labeled Believers and the

208
00:09:32,210 --> 00:09:30,779
Believers we were kind of muddled headed

209
00:09:33,730 --> 00:09:32,220
and we didn't really know what we were

210
00:09:37,030 --> 00:09:33,740
talking about we didn't know

211
00:09:39,889 --> 00:09:37,040
astronomical phenomena Etc

212
00:09:42,710 --> 00:09:39,899
whereas the Skeptics were portrayed as

213
00:09:46,370 --> 00:09:42,720

not only intelligent and educated but

214

00:09:47,389 --> 00:09:46,380

also as much more in tune with what was

215

00:09:50,389 --> 00:09:47,399

going on

216

00:09:53,449 --> 00:09:50,399

all over the years the game changed from

217

00:09:55,910 --> 00:09:53,459

Skeptics versus Believers to Skeptics

218

00:09:58,970 --> 00:09:55,920

and debunkers we found out that some

219

00:10:01,910 --> 00:09:58,980

people were paid to make light of this

220

00:10:04,490 --> 00:10:01,920

and to make people afraid to talk about

221

00:10:06,889 --> 00:10:04,500

their experiences or as some of the

222

00:10:09,650 --> 00:10:06,899

Believers were also knowers some of us

223

00:10:14,389 --> 00:10:09,660

had been on board craft and talked with

224

00:10:16,790 --> 00:10:14,399

ETS and so the game changed and then of

225

00:10:20,810 --> 00:10:16,800

course it was much more difficult to

226

00:10:23,630 --> 00:10:20,820

talk about that publicly because the

227

00:10:26,350 --> 00:10:23,640

the Air Force representatives and others

228

00:10:29,509 --> 00:10:26,360

really held this way

229

00:10:32,389 --> 00:10:29,519

it wasn't until just more recently that

230

00:10:37,490 --> 00:10:32,399

people are becoming beginning to not

231

00:10:41,570 --> 00:10:37,500

only be observers but Witnesses they not

232

00:10:44,150 --> 00:10:41,580

only see flying saucers and they they

233

00:10:47,269 --> 00:10:44,160

see extraterrestrials but they also

234

00:10:49,730 --> 00:10:47,279

testify to their experience and then

235

00:10:52,009 --> 00:10:49,740

some of the Witnesses are also reporters

236

00:10:53,650 --> 00:10:52,019

that are writing their stories

237

00:10:57,170 --> 00:10:53,660

and

238

00:10:59,449 --> 00:10:57,180

giving people information about what

239

00:11:02,990 --> 00:10:59,459

they have experienced so that's a very

240

00:11:07,130 --> 00:11:03,000

exciting Trend going on now

241

00:11:09,350 --> 00:11:07,140

wow we have a couple of questions up on

242

00:11:12,250 --> 00:11:09,360

the message board and again people are

243

00:11:13,930 --> 00:11:12,260

welcome to call in if they want

244

00:11:15,949 --> 00:11:13,940

603-967-4030

245

00:11:16,670 --> 00:11:15,959

they want to know

246

00:11:21,050 --> 00:11:16,680

um

247

00:11:23,990 --> 00:11:21,060

were you the first psychologist to use

248

00:11:27,889 --> 00:11:24,000

hypnosis with abductees

249

00:11:32,329 --> 00:11:27,899

as far as I know there may have been

250

00:11:37,150 --> 00:11:32,339

a psychologist in the U.S Air Force who

251
00:11:40,009 --> 00:11:37,160
were using hypnosis but unknown publicly

252
00:11:43,490 --> 00:11:40,019
that's a possibility so I don't know

253
00:11:46,269 --> 00:11:43,500
whether on the first but of course Dr

254
00:11:50,750 --> 00:11:46,279
Benjamin Simon he was a psychiatrist

255
00:11:54,710 --> 00:11:50,760
but in Barney Hill 61 and I didn't start

256
00:11:57,889 --> 00:11:54,720
hypnosis until in the middle 60s after I

257
00:12:01,430 --> 00:11:57,899
had to gathered information from

258
00:12:04,490 --> 00:12:01,440
many people than I realized and talking

259
00:12:06,470 --> 00:12:04,500
with Betty and Bonnie Hill at that TV

260
00:12:08,690 --> 00:12:06,480
program in 66

261
00:12:10,910 --> 00:12:08,700
that Dr Simon had helped him with

262
00:12:13,250 --> 00:12:10,920
hypnosis at all well I know hypnosis so

263
00:12:17,630 --> 00:12:13,260

I'll help people and so I started

264

00:12:19,970 --> 00:12:17,640

working with a a guy in Boulder Colorado

265

00:12:23,210 --> 00:12:19,980

about his experience

266

00:12:24,970 --> 00:12:23,220

and then when herb Sherman I don't know

267

00:12:30,530 --> 00:12:24,980

if you've heard that name but he was a

268

00:12:33,889 --> 00:12:30,540

patrolman for the Nebraska State Highway

269

00:12:35,449 --> 00:12:33,899

and he went to the University of

270

00:12:37,670 --> 00:12:35,459

Colorado

271

00:12:40,730 --> 00:12:37,680

during the con and committee and I think

272

00:12:42,470 --> 00:12:40,740

that was in 68. I had an opportunity to

273

00:12:44,629 --> 00:12:42,480

interview him

274

00:12:47,750 --> 00:12:44,639

and see if hypnosis would be helpful he

275

00:12:49,490 --> 00:12:47,760

was nervous because it was on you know

276

00:12:52,490 --> 00:12:49,500

televised and

277

00:12:54,230 --> 00:12:52,500

I and so we got some information and

278

00:12:56,090 --> 00:12:54,240

later he worked with another hypnotist

279

00:12:58,790 --> 00:12:56,100

and got more information

280

00:13:02,210 --> 00:12:58,800

so that was probably one of the earlier

281

00:13:04,069 --> 00:13:02,220

uh hypnosis sessions uh public publicly

282

00:13:06,290 --> 00:13:04,079

known yeah

283

00:13:07,610 --> 00:13:06,300

um the show producer is asking you if

284

00:13:09,250 --> 00:13:07,620

you could move a little bit closer to

285

00:13:11,870 --> 00:13:09,260

the mic again

286

00:13:14,690 --> 00:13:11,880

all right I know it's always hard to

287

00:13:19,009 --> 00:13:14,700

stay in the habit um but um

288

00:13:22,430 --> 00:13:19,019

did you did you ever speak to Dr Simon

289

00:13:25,250 --> 00:13:22,440

about uh the Betty and Barney Hill no I

290

00:13:28,730 --> 00:13:25,260

didn't have that opportunity uh just

291

00:13:31,850 --> 00:13:28,740

talked with them on the TV program

292

00:13:33,590 --> 00:13:31,860

I see okay and

293

00:13:36,170 --> 00:13:33,600

um do you remember the

294

00:13:39,230 --> 00:13:36,180

um excuse me you said it's a possibility

295

00:13:42,769 --> 00:13:39,240

that in the Air Force someone may have

296

00:13:45,710 --> 00:13:42,779

been using hypnotism would that possibly

297

00:13:49,190 --> 00:13:45,720

be in either like a project sign or blue

298

00:13:51,410 --> 00:13:49,200

book or anything like that or a

299

00:13:54,590 --> 00:13:51,420

different part the possibilities there

300

00:13:58,509 --> 00:13:54,600

have been people who are called insiders

301
00:14:01,009 --> 00:13:58,519
who have talked about their experience

302
00:14:02,829 --> 00:14:01,019
and some people have said that there

303
00:14:06,590 --> 00:14:02,839
were not only

304
00:14:07,970 --> 00:14:06,600
dead bodies on the Roswell crash but

305
00:14:09,650 --> 00:14:07,980
also

306
00:14:13,430 --> 00:14:09,660
they're uh

307
00:14:16,610 --> 00:14:13,440
were some entities were alive and so it

308
00:14:19,030 --> 00:14:16,620
may be that there were psychologists or

309
00:14:24,230 --> 00:14:19,040
other trained professionals who

310
00:14:26,269 --> 00:14:24,240
interviewed the E.T in that regard more

311
00:14:27,650 --> 00:14:26,279
recently there's some interesting people

312
00:14:30,230 --> 00:14:27,660
who have

313
00:14:32,449 --> 00:14:30,240

combined their experiences there's a

314

00:14:34,990 --> 00:14:32,459

woman named Jacqueline Smith out of Ohio

315

00:14:37,790 --> 00:14:35,000

she she's written a couple of books on

316

00:14:41,030 --> 00:14:37,800

animal communication there's a woman

317

00:14:43,490 --> 00:14:41,040

named Judy Carroll from Australia

318

00:14:46,610 --> 00:14:43,500

and a woman that I interviewed many

319

00:14:47,930 --> 00:14:46,620

years ago Sunny Sato she lives in

320

00:14:51,410 --> 00:14:47,940

Colorado

321

00:14:54,129 --> 00:14:51,420

and Ulrich editor of

322

00:14:56,150 --> 00:14:54,139

a little Journal called Star Beacon

323

00:14:59,210 --> 00:14:56,160

introduced me to her

324

00:15:02,689 --> 00:14:59,220

she had described her memory of a

325

00:15:04,370 --> 00:15:02,699

previous lifetime when she was an

326

00:15:06,949 --> 00:15:04,380

extraterrestrial

327

00:15:10,490 --> 00:15:06,959

and she's written a couple of books on

328

00:15:12,310 --> 00:15:10,500

her Memories One called Stranded on

329

00:15:15,230 --> 00:15:12,320

Earth

330

00:15:17,750 --> 00:15:15,240

where she felt that she was an

331

00:15:22,430 --> 00:15:17,760

extraterrestrial a gray what some people

332

00:15:25,009 --> 00:15:22,440

call it Zeta a little gray humanoid uh

333

00:15:28,790 --> 00:15:25,019

piloting craft

334

00:15:32,050 --> 00:15:28,800

that Christ in Roswell New Mexico well

335

00:15:34,370 --> 00:15:32,060

now on Jacqueline Smith and Judy Carroll

336

00:15:37,550 --> 00:15:34,380

have kind of teamed up they're both

337

00:15:40,189 --> 00:15:37,560

bright people I haven't met Judy Carroll

338

00:15:41,329 --> 00:15:40,199

but she's hoping to come to the U.S from

339

00:15:44,829 --> 00:15:41,339

Australia

340

00:15:46,990 --> 00:15:44,839

either this year or next year and

341

00:15:50,930 --> 00:15:47,000

they are

342

00:15:53,810 --> 00:15:50,940

recalling what they feel were past lives

343

00:15:55,189 --> 00:15:53,820

as crew members on Craft that crashed in

344

00:15:58,490 --> 00:15:55,199

Roswell

345

00:16:01,910 --> 00:15:58,500

it's intriguing to me because they seem

346

00:16:04,610 --> 00:16:01,920

to have not only similar memories but

347

00:16:07,610 --> 00:16:04,620

they also seem to have similar intent

348

00:16:09,769 --> 00:16:07,620

and that is like so many people who are

349

00:16:13,550 --> 00:16:09,779

so-called

350

00:16:17,930 --> 00:16:13,560

ET experiences or starseed or contactees

351
00:16:20,329 --> 00:16:17,940
or whatever one calls themselves they

352
00:16:22,430 --> 00:16:20,339
seem to have the intent that they are

353
00:16:26,389 --> 00:16:22,440
here to assist Humanity

354
00:16:29,750 --> 00:16:26,399
to not only recognize its past from the

355
00:16:33,230 --> 00:16:29,760
stars but that now we're ready to start

356
00:16:35,750 --> 00:16:33,240
moving back into the Stars and so they

357
00:16:38,210 --> 00:16:35,760
want to be on the side of those who are

358
00:16:40,790 --> 00:16:38,220
peaceful rather than those who are

359
00:16:44,329 --> 00:16:40,800
exploiting what

360
00:16:47,290 --> 00:16:44,339
seems to be the resources of the planet

361
00:16:52,069 --> 00:16:47,300
and what seemed to be the

362
00:16:52,810 --> 00:16:52,079
main human interest some people talk

363
00:16:56,210 --> 00:16:52,820

about

364

00:16:59,150 --> 00:16:56,220

what's called the Anunnaki the ancient

365

00:17:06,890 --> 00:17:02,110

et's who came down from the sky

366

00:17:12,770 --> 00:17:10,250

ETS were both good and bad and from the

367

00:17:17,110 --> 00:17:12,780

standpoint of humanity both

368

00:17:20,090 --> 00:17:17,120

uh the Martians who supposedly

369

00:17:21,669 --> 00:17:20,100

set up shop in Atlantis

370

00:17:23,870 --> 00:17:21,679

Northern

371

00:17:26,270 --> 00:17:23,880

Hemisphere and then the

372

00:17:29,870 --> 00:17:26,280

the Notions who supposedly

373

00:17:31,190 --> 00:17:29,880

had a civilization Memorial in South

374

00:17:34,490 --> 00:17:31,200

Pacific

375

00:17:37,210 --> 00:17:34,500

two different groups and according to

376

00:17:40,850 --> 00:17:37,220

Zachariah sitchin who

377

00:17:43,430 --> 00:17:40,860

was born in Russia grew up in England

378

00:17:45,830 --> 00:17:43,440

and for a while I was living in the U.S

379

00:17:50,330 --> 00:17:45,840

he he was one among the few who could

380

00:17:53,750 --> 00:17:50,340

read the ancient script or the symbols

381

00:17:55,730 --> 00:17:53,760

of those ancient Scrolls and according

382

00:17:57,909 --> 00:17:55,740

to his interpretation

383

00:18:02,029 --> 00:17:57,919

the

384

00:18:04,010 --> 00:18:02,039

venetians settled open now when limuri

385

00:18:07,010 --> 00:18:04,020

went down they settled in uh

386

00:18:11,230 --> 00:18:07,020

on the southern Egypt and high up in the

387

00:18:14,810 --> 00:18:11,240

mountains and the Martians uh settled in

388

00:18:17,870 --> 00:18:14,820

Northern Egypt down in the valley next

389

00:18:21,169 --> 00:18:17,880

to the Mediterranean Sea so according to

390

00:18:23,710 --> 00:18:21,179

that theory or that history

391

00:18:27,470 --> 00:18:23,720

there were both

392

00:18:30,970 --> 00:18:27,480

remnants of the of Atlantis Marsh and

393

00:18:36,590 --> 00:18:30,980

Mars and remnants of

394

00:18:40,330 --> 00:18:36,600

Venus and Memoria in Egypt

395

00:18:44,750 --> 00:18:40,340

well then Along Comes

396

00:18:48,310 --> 00:18:44,760

one of the Kings Kings Tata who claims

397

00:18:51,049 --> 00:18:48,320

that there is only one God

398

00:18:55,870 --> 00:18:51,059

and the Jews

399

00:18:58,909 --> 00:18:55,880

uh following Moses had the same view

400

00:19:01,190 --> 00:18:58,919

as you know from the Commandments Thou

401
00:19:05,450 --> 00:19:01,200
shalt have no other gods before me I

402
00:19:08,750 --> 00:19:05,460
mean meaning that on Earth the big God

403
00:19:12,110 --> 00:19:08,760
was Jehovah the ET who had the most

404
00:19:13,930 --> 00:19:12,120
strength and most Authority compared to

405
00:19:16,970 --> 00:19:13,940
the other gods

406
00:19:19,850 --> 00:19:16,980
it's an interesting question and that

407
00:19:22,610 --> 00:19:19,860
maybe someday we can sit down with

408
00:19:23,870 --> 00:19:22,620
deities and asked them if that's the way

409
00:19:26,029 --> 00:19:23,880
it happened

410
00:19:29,750 --> 00:19:26,039
yeah this is all speculation there's

411
00:19:31,789 --> 00:19:29,760
some there's some interesting uh ideas

412
00:19:33,289 --> 00:19:31,799
out there for sure

413
00:19:34,310 --> 00:19:33,299

um let's see we have another message up

414

00:19:38,570 --> 00:19:34,320

on the

415

00:19:41,510 --> 00:19:38,580

that I actually know someone I'm I'm

416

00:19:44,930 --> 00:19:41,520

kind of close to someone that

417

00:19:47,270 --> 00:19:44,940

um told me that when she was a ever

418

00:19:49,669 --> 00:19:47,280

since she was a little girl and still

419

00:19:52,909 --> 00:19:49,679

continuing to this day she feels like

420

00:19:55,490 --> 00:19:52,919

she is from another planet and I thought

421

00:19:58,610 --> 00:19:55,500

and in every other aspect about this

422

00:20:02,090 --> 00:19:58,620

person she's perfectly normal that I've

423

00:20:04,130 --> 00:20:02,100

always seen it it's really um

424

00:20:06,710 --> 00:20:04,140

um and she never said anything to me

425

00:20:10,010 --> 00:20:06,720

about this until I started you know

426

00:20:12,710 --> 00:20:10,020

exploring this topic and going into it

427

00:20:15,350 --> 00:20:12,720

but uh she she says I just want to go

428

00:20:17,810 --> 00:20:15,360

home she actually says yeah she actually

429

00:20:19,310 --> 00:20:17,820

feels that way you know many people feel

430

00:20:21,890 --> 00:20:19,320

that they want to go home and some

431

00:20:25,430 --> 00:20:21,900

people will describe their encounter

432

00:20:27,710 --> 00:20:25,440

with an E.T as scary frightening feel

433

00:20:31,990 --> 00:20:27,720

like they've been examined other people

434

00:20:35,810 --> 00:20:32,000

feel like they are being visited by

435

00:20:38,930 --> 00:20:35,820

the Home Folks and that they are here

436

00:20:42,590 --> 00:20:38,940

and kind of pioneers or kind of settlers

437

00:20:45,770 --> 00:20:42,600

to help Humanity Orient itself and

438

00:20:48,610 --> 00:20:45,780

return to the stars and so some of those

439

00:20:51,110 --> 00:20:48,620

people will say once they

440

00:20:52,850 --> 00:20:51,120

recall about what happened during the

441

00:20:55,750 --> 00:20:52,860

encounter there's a feeling ahead is

442

00:20:59,570 --> 00:20:55,760

that they want to go back with the

443

00:21:00,789 --> 00:20:59,580

80s I had a young man a football player

444

00:21:03,409 --> 00:21:00,799

in college

445

00:21:07,549 --> 00:21:03,419

who had a strange experience while he

446

00:21:10,130 --> 00:21:07,559

was the teenager and he wanted to

447

00:21:12,350 --> 00:21:10,140

remember more about it I remember he was

448

00:21:15,830 --> 00:21:12,360

sitting in my chair and the chair was

449

00:21:18,650 --> 00:21:15,840

being rocked back and forth and I was

450

00:21:21,770 --> 00:21:18,660

afraid the chair was going to break

451
00:21:25,310 --> 00:21:21,780
because he took a 200 pound plus guy

452
00:21:29,090 --> 00:21:25,320
with his football body and a bright nice

453
00:21:31,930 --> 00:21:29,100
guy but his memory was not of fear

454
00:21:34,850 --> 00:21:31,940
uh his memory was of

455
00:21:36,890 --> 00:21:34,860
coming down from the stairs of his

456
00:21:39,590 --> 00:21:36,900
friend's house going outside seeing a

457
00:21:42,529 --> 00:21:39,600
flying saucer and

458
00:21:45,070 --> 00:21:42,539
and seeing his family and so

459
00:21:48,049 --> 00:21:45,080
his feelings were

460
00:21:51,710 --> 00:21:48,059
sadness when they went away

461
00:21:53,450 --> 00:21:51,720
wow um let's see the message up on the

462
00:21:56,630 --> 00:21:53,460
board here is

463
00:21:59,390 --> 00:21:56,640

you mentioned early experiences um by

464

00:22:02,029 --> 00:21:59,400

you know seeing sightings did you ever

465

00:22:03,590 --> 00:22:02,039

have any feelings of being abducted

466

00:22:05,390 --> 00:22:03,600

yourself

467

00:22:08,750 --> 00:22:05,400

I don't call it an abduction because

468

00:22:12,110 --> 00:22:08,760

abduction has various connotations

469

00:22:14,810 --> 00:22:12,120

that's why Jay Dr jail and heineck this

470

00:22:17,390 --> 00:22:14,820

this he started calling encounters now

471

00:22:19,789 --> 00:22:17,400

when I was growing after I'd worked with

472

00:22:22,549 --> 00:22:19,799

many people I went through hypnosis with

473

00:22:24,350 --> 00:22:22,559

another psychologist went back to a

474

00:22:25,850 --> 00:22:24,360

five-year-old experience what I felt

475

00:22:29,870 --> 00:22:25,860

like I was on board

476

00:22:34,190 --> 00:22:29,880

talking to extraterrestrial and tall guy

477

00:22:36,649 --> 00:22:34,200

and uh kind of a spacesuit is a hand on

478

00:22:38,870 --> 00:22:36,659

my right shoulder and he was saying to

479

00:22:40,370 --> 00:22:38,880

me Leo learn to read and write well

480

00:22:43,130 --> 00:22:40,380

when you grow up you can help other

481

00:22:46,549 --> 00:22:43,140

people learn more about their purpose so

482

00:22:48,710 --> 00:22:46,559

I feel like I've been trained or guided

483

00:22:54,289 --> 00:22:48,720

or taught whatever you want to call it

484

00:22:58,010 --> 00:22:54,299

as part of my history now your you you

485

00:23:00,470 --> 00:22:58,020

have a um a schooling background you

486

00:23:03,470 --> 00:23:00,480

were involved and the investigation were

487

00:23:05,750 --> 00:23:03,480

you at that throughout all this did you

488

00:23:07,789 --> 00:23:05,760

also have a career going on in teaching

489

00:23:09,710 --> 00:23:07,799

or whatever it is uh you know I have no

490

00:23:10,730 --> 00:23:09,720

philosophy is kind of a narrow field as

491

00:23:12,529 --> 00:23:10,740

far as

492

00:23:17,990 --> 00:23:12,539

um what you do in the world but did you

493

00:23:20,930 --> 00:23:18,000

ever stay in that uh field study I was

494

00:23:23,210 --> 00:23:20,940

trained as a psychologist oh okay to the

495

00:23:25,850 --> 00:23:23,220

University of North Dakota

496

00:23:29,750 --> 00:23:25,860

for both teaching classes and the

497

00:23:32,630 --> 00:23:29,760

counseling experiences and then I uh in

498

00:23:36,890 --> 00:23:32,640

64. I was in 61 when I was in North

499

00:23:38,409 --> 00:23:36,900

Dakota in 64. I came to the University

500

00:23:41,750 --> 00:23:38,419

of Wyoming

501
00:23:44,029 --> 00:23:41,760
I was primarily teaching that time what

502
00:23:48,470 --> 00:23:44,039
they call the guidance Institute

503
00:23:51,549 --> 00:23:48,480
then after that first year

504
00:23:53,990 --> 00:23:51,559
I was in both the psychology department

505
00:23:54,909 --> 00:23:54,000
and the

506
00:23:57,110 --> 00:23:54,919
um

507
00:23:58,190 --> 00:23:57,120
what they call the accounting and

508
00:24:01,490 --> 00:23:58,200
guidance

509
00:24:03,049 --> 00:24:01,500
in 65 and then I started in the

510
00:24:06,350 --> 00:24:03,059
Counseling Center

511
00:24:07,730 --> 00:24:06,360
for 13 years I was a director of the

512
00:24:10,909 --> 00:24:07,740
Counseling Center

513
00:24:14,390 --> 00:24:10,919

with both administrative duties as well

514

00:24:17,450 --> 00:24:14,400

as teaching and and their counseling uh

515

00:24:21,230 --> 00:24:17,460

most of the courses that I taught were

516

00:24:23,049 --> 00:24:21,240

graduate students from the first well

517

00:24:26,750 --> 00:24:23,059

although I did have some undergraduate

518

00:24:29,529 --> 00:24:26,760

large classes that I taught from time to

519

00:24:31,789 --> 00:24:29,539

time so

520

00:24:33,409 --> 00:24:31,799

at the later years

521

00:24:37,730 --> 00:24:33,419

uh

522

00:24:39,710 --> 00:24:37,740

the the director of student life the

523

00:24:43,669 --> 00:24:39,720

dean of students

524

00:24:47,810 --> 00:24:43,679

a good Christian man very bright and man

525

00:24:50,090 --> 00:24:47,820

but he was upset by my UFO research I

526

00:24:52,789 --> 00:24:50,100

mean when I tried to go from assistant

527

00:24:55,490 --> 00:24:52,799

to associate professor of psychology

528

00:24:57,649 --> 00:24:55,500

that was given tried to go from

529

00:25:00,289 --> 00:24:57,659

associate professor to a full Professor

530

00:25:04,070 --> 00:25:00,299

when I was in front of all of the

531

00:25:08,750 --> 00:25:04,080

Department of psychology faculty

532

00:25:13,130 --> 00:25:08,760

dozen or so guys and my application was

533

00:25:16,310 --> 00:25:13,140

rejected one fellow tried to

534

00:25:18,529 --> 00:25:16,320

help me he said allele if you'll do this

535

00:25:20,690 --> 00:25:18,539

kind of a study and that kind of a study

536

00:25:23,330 --> 00:25:20,700

then you can get those research results

537

00:25:26,570 --> 00:25:23,340

published and then you can be professor

538

00:25:29,090 --> 00:25:26,580

I said well I have my own uh interest he

539

00:25:31,490 --> 00:25:29,100

looked at me kind of puzzled he said

540

00:25:36,529 --> 00:25:31,500

this UFO

541

00:25:38,750 --> 00:25:36,539

um is is this like a hobby and I laughed

542

00:25:41,990 --> 00:25:38,760

and I said no it's more of a compulsion

543

00:25:44,330 --> 00:25:42,000

and he he said oh you're serious I said

544

00:25:45,529 --> 00:25:44,340

oh yeah I I joke but I'm serious this is

545

00:25:49,610 --> 00:25:45,539

what I do

546

00:25:50,990 --> 00:25:49,620

and uh it was it got to the point where

547

00:25:52,730 --> 00:25:51,000

the dean

548

00:25:55,269 --> 00:25:52,740

kind of brought me in in front of

549

00:25:57,890 --> 00:25:55,279

somebody else and and in

550

00:25:58,870 --> 00:25:57,900

writing her and in person he told me

551
00:26:03,169 --> 00:25:58,880
that

552
00:26:05,990 --> 00:26:03,179
I should no longer engage in

553
00:26:07,970 --> 00:26:06,000
UFO research or reincarnation research

554
00:26:10,310 --> 00:26:07,980
during office hours

555
00:26:13,010 --> 00:26:10,320
because I was a professor which meant I

556
00:26:15,649 --> 00:26:13,020
could uh you know do any kind of

557
00:26:18,110 --> 00:26:15,659
research I wanted to do but I was also a

558
00:26:21,049 --> 00:26:18,120
staff member of the Counseling Center I

559
00:26:23,210 --> 00:26:21,059
had resigned as a

560
00:26:25,130 --> 00:26:23,220
director and an is just a staff

561
00:26:28,010 --> 00:26:25,140
psychologist there

562
00:26:29,810 --> 00:26:28,020
and uh so I said oh okay I know how to

563
00:26:31,970 --> 00:26:29,820

play this game I'll wait until five

564

00:26:34,430 --> 00:26:31,980

o'clock before I do my UFO or

565

00:26:35,930 --> 00:26:34,440

reincarnation research for example I was

566

00:26:37,130 --> 00:26:35,940

working with a young man who was a

567

00:26:39,890 --> 00:26:37,140

cutter

568

00:26:43,250 --> 00:26:39,900

he would take a razor blade and you'd

569

00:26:46,010 --> 00:26:43,260

slice the his arm or his shoulder

570

00:26:49,070 --> 00:26:46,020

and uh

571

00:26:52,190 --> 00:26:49,080

when the residence hall counter

572

00:26:54,950 --> 00:26:52,200

and I saw him bleeding one time he

573

00:26:57,789 --> 00:26:54,960

referred the young man to me this young

574

00:27:01,250 --> 00:26:57,799

man was so bright his scores

575

00:27:03,049 --> 00:27:01,260

academic aptitude test scores were much

576

00:27:04,970 --> 00:27:03,059

higher than the

577

00:27:06,890 --> 00:27:04,980

average student they're much higher than

578

00:27:08,330 --> 00:27:06,900

the average Professor he was much

579

00:27:11,890 --> 00:27:08,340

brighter than I am

580

00:27:15,350 --> 00:27:11,900

and so we sat down and I looked at his

581

00:27:16,549 --> 00:27:15,360

case history he'd been to a psychiatrist

582

00:27:17,930 --> 00:27:16,559

he'd been to a couple of other

583

00:27:19,490 --> 00:27:17,940

psychologists

584

00:27:21,230 --> 00:27:19,500

so I knew that I was gonna have to do

585

00:27:23,750 --> 00:27:21,240

something different I said well let's uh

586

00:27:25,250 --> 00:27:23,760

learn self-hypnosis

587

00:27:27,350 --> 00:27:25,260

he looked at me and he said why should

588

00:27:28,850 --> 00:27:27,360

we learn self-hypnosis

589

00:27:30,470 --> 00:27:28,860

I said well we know you're going to cut

590

00:27:33,110 --> 00:27:30,480

yourself so we want you to be able to

591

00:27:34,549 --> 00:27:33,120

focus and really do a good job well he

592

00:27:35,810 --> 00:27:34,559

had a good sense of humor and so he

593

00:27:39,409 --> 00:27:35,820

laughed he said okay

594

00:27:40,909 --> 00:27:39,419

so the more we got into self-hypnosis I

595

00:27:42,110 --> 00:27:40,919

don't know the more we got into past

596

00:27:45,890 --> 00:27:42,120

lives

597

00:27:48,409 --> 00:27:45,900

where he was a swordsman and an

598

00:27:50,450 --> 00:27:48,419

excellent swordsman he would cut others

599

00:27:54,409 --> 00:27:50,460

down others who try to cut him

600

00:27:58,430 --> 00:27:54,419

and so he had this propensity

601

00:27:59,930 --> 00:27:58,440

uh to be on the defensive or on the

602

00:28:03,710 --> 00:27:59,940

offensive depending on how you look at

603

00:28:06,830 --> 00:28:03,720

it regarding other people he was so

604

00:28:09,529 --> 00:28:06,840

bright he had three years he got an

605

00:28:11,630 --> 00:28:09,539

undergraduate degree he was working on a

606

00:28:12,850 --> 00:28:11,640

law degree he's going to become an

607

00:28:18,049 --> 00:28:12,860

international

608

00:28:23,110 --> 00:28:18,059

Banker or a business person and

609

00:28:26,149 --> 00:28:23,120

um so uh when he found out

610

00:28:27,769 --> 00:28:26,159

what was going on he recognized what was

611

00:28:30,470 --> 00:28:27,779

happening within him

612

00:28:32,810 --> 00:28:30,480

he was not only bright he was psychic he

613

00:28:33,950 --> 00:28:32,820

could sense other people and their

614

00:28:36,769 --> 00:28:33,960

attitude

615

00:28:38,690 --> 00:28:36,779

and he would make comments

616

00:28:40,510 --> 00:28:38,700

showing that he knew what was going on

617

00:28:42,830 --> 00:28:40,520

and sometimes if people were

618

00:28:45,169 --> 00:28:42,840

antagonistic well he would

619

00:28:47,330 --> 00:28:45,179

say sharp things and they would say

620

00:28:49,850 --> 00:28:47,340

sharp things and then he would go back

621

00:28:51,049 --> 00:28:49,860

home to his residence hall room and he

622

00:28:55,070 --> 00:28:51,059

would cut himself

623

00:28:58,130 --> 00:28:55,080

and so we realized that in the Nexus the

624

00:28:59,269 --> 00:28:58,140

the topic the uh what was going on was

625

00:29:00,649 --> 00:28:59,279

that he

626

00:29:03,169 --> 00:29:00,659

thought it would be better to cut

627

00:29:06,890 --> 00:29:03,179

himself than to cut somebody else

628

00:29:10,970 --> 00:29:06,900

which is very moral but it's also a

629

00:29:14,210 --> 00:29:10,980

waste of razor blades and blood so

630

00:29:16,909 --> 00:29:14,220

so he I encourage him to use his sharp

631

00:29:21,529 --> 00:29:16,919

tongue to cut other people's argument

632

00:29:24,169 --> 00:29:21,539

rather than to cut himself with uh

633

00:29:26,149 --> 00:29:24,179

a knife or a razor blade

634

00:29:30,190 --> 00:29:26,159

never did find out what happened to him

635

00:29:34,850 --> 00:29:30,200

but maybe someday he'll recognize that

636

00:29:37,909 --> 00:29:34,860

he's he's using his tongue and rather

637

00:29:40,430 --> 00:29:37,919

than using a blade for his weapon

638

00:29:43,310 --> 00:29:40,440

right yeah it really is it was really a

639

00:29:48,110 --> 00:29:43,320

sad thing when when that happens

640

00:29:52,310 --> 00:29:50,690

boy I had um I had a message and I I

641

00:29:54,769 --> 00:29:52,320

just can't find it someone had a

642

00:29:57,669 --> 00:29:54,779

question uh Matthew hang on just a

643

00:30:00,529 --> 00:29:57,679

second oh yes have you had any other

644

00:30:02,570 --> 00:30:00,539

encounters more recent than those two or

645

00:30:06,049 --> 00:30:02,580

is that it

646

00:30:07,010 --> 00:30:06,059

or people are calling me all the time a

647

00:30:10,549 --> 00:30:07,020

young man

648

00:30:14,389 --> 00:30:10,559

from Michigan has written a book about

649

00:30:18,710 --> 00:30:14,399

his experiences in a uh

650

00:30:22,669 --> 00:30:18,720

and then being a Zeta uh uh I'm getting

651
00:30:24,529 --> 00:30:22,679
calls now there were the one that was

652
00:30:26,690 --> 00:30:24,539
probably more interesting from a

653
00:30:29,510 --> 00:30:26,700
historical standpoint was Travis Walton

654
00:30:31,490 --> 00:30:29,520
and then the Apple people Jim and coral

655
00:30:34,010 --> 00:30:31,500
revenge and sent me to talk with him

656
00:30:36,070 --> 00:30:34,020
shortly after his experience now this

657
00:30:38,810 --> 00:30:36,080
next

658
00:30:40,370 --> 00:30:38,820
November or December camera when it is

659
00:30:43,269 --> 00:30:40,380
there's going to be a conference 40

660
00:30:50,930 --> 00:30:46,389
where people will be talking about

661
00:30:53,149 --> 00:30:50,940
his book in the movie Fire in the Sky so

662
00:30:57,350 --> 00:30:53,159
there I've talked with thousands of

663
00:30:58,549 --> 00:30:57,360

people and what's exciting to me is that

664

00:31:01,070 --> 00:30:58,559

more and more people are not only

665

00:31:02,870 --> 00:31:01,080

willing to talk confidentially

666

00:31:04,970 --> 00:31:02,880

but more and more people are willing to

667

00:31:09,289 --> 00:31:04,980

talk openly or publicly

668

00:31:11,889 --> 00:31:09,299

right now uh Travis just had a new uh

669

00:31:15,049 --> 00:31:11,899

documentary or film that just came out

670

00:31:18,590 --> 00:31:15,059

just very recently I believe it's being

671

00:31:20,029 --> 00:31:18,600

shown at a film festival and from what I

672

00:31:23,330 --> 00:31:20,039

understand it's

673

00:31:26,029 --> 00:31:23,340

um he hadn't seen I spoke with him a a

674

00:31:27,230 --> 00:31:26,039

maybe a month and a half ago he hadn't

675

00:31:29,330 --> 00:31:27,240

seen it yet

676

00:31:31,669 --> 00:31:29,340

um but he said before it went on the

677

00:31:33,470 --> 00:31:31,679

cutting floor before it was edited he

678

00:31:35,810 --> 00:31:33,480

said they were doing a really accurate

679

00:31:37,909 --> 00:31:35,820

and good job so I'll be very interested

680

00:31:40,130 --> 00:31:37,919

in seeing that yeah he was concerned

681

00:31:41,389 --> 00:31:40,140

about the other movie because he felt

682

00:31:44,630 --> 00:31:41,399

like there were some things that were

683

00:31:47,090 --> 00:31:44,640

not accurate yes he's mentioned that um

684

00:31:51,110 --> 00:31:47,100

to me also but thought it was better

685

00:31:55,970 --> 00:31:51,120

being done than not um you know

686

00:31:58,430 --> 00:31:55,980

take some Grace with that so those are

687

00:32:00,889 --> 00:31:58,440

those are kind of iconic cases both of

688

00:32:04,730 --> 00:32:00,899

the ones you have talked about did you

689

00:32:06,710 --> 00:32:04,740

ever speak to the Allagash people Jim uh

690

00:32:09,710 --> 00:32:06,720

Jim and Jack Weiner and

691

00:32:12,289 --> 00:32:09,720

uh uh Chuck uh faults or any of those

692

00:32:14,990 --> 00:32:12,299

people no I haven't talked to them yeah

693

00:32:18,049 --> 00:32:15,000

what are some other cases that you can

694

00:32:21,889 --> 00:32:18,059

mention that um you looked into between

695

00:32:25,010 --> 00:32:21,899

1980 and 2000 uh

696

00:32:26,870 --> 00:32:25,020

and we held uh what we call the Rocky

697

00:32:29,630 --> 00:32:26,880

Mountain UFO conference

698

00:32:32,810 --> 00:32:29,640

at the University of Wyoming here in

699

00:32:34,850 --> 00:32:32,820

Laramie Wyoming I left the university in

700

00:32:37,029 --> 00:32:34,860

89 I couldn't handle the pressure

701
00:32:39,769 --> 00:32:37,039
anymore but

702
00:32:41,450 --> 00:32:39,779
some people are willing to continue with

703
00:32:45,769 --> 00:32:41,460
the program

704
00:32:49,430 --> 00:32:45,779
Dr June Parnell she did her dissertation

705
00:32:51,529 --> 00:32:49,440
with cases that I had worked with

706
00:32:54,529 --> 00:32:51,539
and I worked with people who not only

707
00:32:57,470 --> 00:32:54,539
were willing to talk about their

708
00:32:59,090 --> 00:32:57,480
background and their encounters but they

709
00:33:00,230 --> 00:32:59,100
were also willing to take personality

710
00:33:02,389 --> 00:33:00,240
inventories

711
00:33:05,870 --> 00:33:02,399
so that we could compare their

712
00:33:09,289 --> 00:33:05,880
personality profile

713
00:33:13,909 --> 00:33:09,299

with the general public or the general

714

00:33:15,649 --> 00:33:13,919

who examined individuals with what she

715

00:33:18,950 --> 00:33:15,659

found was that these people are quote

716

00:33:20,930 --> 00:33:18,960

normal unquote in a psychological sense

717

00:33:23,630 --> 00:33:20,940

in fact in some ways they're kind of

718

00:33:29,690 --> 00:33:26,649

there were some

719

00:33:31,730 --> 00:33:29,700

profiles that showed their kind of a

720

00:33:33,049 --> 00:33:31,740

suspicious nature kind of a heightened

721

00:33:35,210 --> 00:33:33,059

awareness

722

00:33:38,210 --> 00:33:35,220

but uh

723

00:33:40,610 --> 00:33:38,220

in terms of intelligence and education

724

00:33:42,470 --> 00:33:40,620

more women than men were willing to

725

00:33:44,049 --> 00:33:42,480

complete the

726

00:33:47,210 --> 00:33:44,059

surveys

727

00:33:49,669 --> 00:33:47,220

but in general these people would be

728

00:33:53,630 --> 00:33:49,679

perceived as

729

00:33:54,830 --> 00:33:53,640

a good good person you know Masters I

730

00:33:58,730 --> 00:33:54,840

mean uh

731

00:34:01,370 --> 00:33:58,740

college graduate level some with uh

732

00:34:04,310 --> 00:34:01,380

with graduate courses study so

733

00:34:08,030 --> 00:34:04,320

so not only bright and educated but also

734

00:34:10,609 --> 00:34:08,040

uh with strengths of various kind along

735

00:34:16,129 --> 00:34:10,619

with the suspicious

736

00:34:19,669 --> 00:34:16,139

on our skeptical nature so uh what we

737

00:34:22,490 --> 00:34:19,679

found in that series of conferences

738

00:34:25,310 --> 00:34:22,500

between 1980 and 2000

739

00:34:28,010 --> 00:34:25,320

every year start off with 100 150 people

740

00:34:31,510 --> 00:34:28,020

and it could be two 300 people

741

00:34:34,669 --> 00:34:31,520

most of them were not only willing to

742

00:34:38,089 --> 00:34:34,679

share their experiences with one another

743

00:34:39,770 --> 00:34:38,099

they're willing to stand up and uh and

744

00:34:40,490 --> 00:34:39,780

talk in front of everybody I'm number

745

00:34:47,149 --> 00:34:40,500

one

746

00:34:52,010 --> 00:34:47,159

shaking he said I belong to a club that

747

00:34:53,810 --> 00:34:52,020

uh and it talks publicly you know and

748

00:34:56,329 --> 00:34:53,820

yet talking about his own personal

749

00:34:58,010 --> 00:34:56,339

experience was a little different and I

750

00:34:59,270 --> 00:34:58,020

remember a couple of women who were

751
00:35:02,329 --> 00:34:59,280

interesting

752
00:35:04,370 --> 00:35:02,339

a mother and a daughter her mother was a

753
00:35:07,370 --> 00:35:04,380

teacher in New Mexico the daughter was a

754
00:35:09,530 --> 00:35:07,380

psychiatric social worker in California

755
00:35:11,329 --> 00:35:09,540

and they came back the following year

756
00:35:13,910 --> 00:35:11,339

that they were there and they said

757
00:35:16,490 --> 00:35:13,920

they'd each talk with each other

758
00:35:19,250 --> 00:35:16,500

about their hybrid children they had not

759
00:35:20,569 --> 00:35:19,260

been able to be courageous enough to

760
00:35:22,810 --> 00:35:20,579

tell each other what they had

761
00:35:25,970 --> 00:35:22,820

experienced

762
00:35:28,150 --> 00:35:25,980

as many women have said they felt like

763
00:35:30,109 --> 00:35:28,160

they became pregnant

764

00:35:33,530 --> 00:35:30,119

but not

765

00:35:35,270 --> 00:35:33,540

at the human level the

766

00:35:38,390 --> 00:35:35,280

the

767

00:35:41,089 --> 00:35:38,400

gestation period was cut short

768

00:35:43,550 --> 00:35:41,099

fetus seem to be taken away

769

00:35:45,170 --> 00:35:43,560

and they talked about it and then later

770

00:35:47,329 --> 00:35:45,180

they came back the next year they had

771

00:35:49,790 --> 00:35:47,339

written a book called healing shattered

772

00:35:51,470 --> 00:35:49,800

reality in which they discussed their

773

00:35:55,849 --> 00:35:51,480

experience

774

00:35:58,190 --> 00:35:55,859

and so there are many courageous men and

775

00:36:01,190 --> 00:35:58,200

women who are

776

00:36:03,650 --> 00:36:01,200

not only willing to share their

777

00:36:04,370 --> 00:36:03,660

experience but also they feel that they

778

00:36:07,430 --> 00:36:04,380

are

779

00:36:11,329 --> 00:36:07,440

helping Humanity to get ready for the

780

00:36:13,670 --> 00:36:11,339

next leap in our Evolution that we will

781

00:36:15,530 --> 00:36:13,680

recognize not only have we come from the

782

00:36:17,990 --> 00:36:15,540

stars but we're getting ready to go back

783

00:36:19,609 --> 00:36:18,000

to the Stars we have a question I'm

784

00:36:22,069 --> 00:36:19,619

going to get to in just a second on the

785

00:36:24,589 --> 00:36:22,079

message board okay well actually why

786

00:36:26,930 --> 00:36:24,599

don't I just ask it right now and okay

787

00:36:28,670 --> 00:36:26,940

and that is up can you elaborate um when

788

00:36:31,130 --> 00:36:28,680

you were talking earlier earlier on

789

00:36:35,750 --> 00:36:31,140

heightened awareness

790

00:36:36,650 --> 00:36:35,760

yeah uh according to my guides and I

791

00:36:41,150 --> 00:36:36,660

don't know if they know what they're

792

00:36:42,530 --> 00:36:41,160

talking about but uh I'm told in my

793

00:36:45,530 --> 00:36:42,540

meditation

794

00:36:47,210 --> 00:36:45,540

that there is uh some people called a

795

00:36:48,950 --> 00:36:47,220

change points some people call it

796

00:36:51,349 --> 00:36:48,960

transformation

797

00:36:52,670 --> 00:36:51,359

uh some people call it the day of

798

00:36:57,589 --> 00:36:52,680

Declaration

799

00:37:02,390 --> 00:36:57,599

uh this supposedly not only involves the

800

00:37:05,810 --> 00:37:02,400

public political announcement that uh

801
00:37:07,550 --> 00:37:05,820
ETS are here and that they have special

802
00:37:09,530 --> 00:37:07,560
Energies

803
00:37:11,690 --> 00:37:09,540
in fact some experts think that that's

804
00:37:13,790 --> 00:37:11,700
the real cover-up the cover-up is not of

805
00:37:16,609 --> 00:37:13,800
the EET presidency the cover-up is of

806
00:37:17,329 --> 00:37:16,619
the Energy Technologies that the et's

807
00:37:21,410 --> 00:37:17,339
use

808
00:37:26,690 --> 00:37:21,420
technology what some people talk about

809
00:37:28,670 --> 00:37:26,700
is Tesla Nikola Tesla back in the 30s

810
00:37:30,109 --> 00:37:28,680
he and his colleague were driving an

811
00:37:31,790 --> 00:37:30,119
electric car

812
00:37:34,430 --> 00:37:31,800
in New York

813
00:37:37,750 --> 00:37:34,440

uh he claimed to get energy from space

814

00:37:42,069 --> 00:37:37,760

and then turn it into electricity

815

00:37:45,109 --> 00:37:42,079

there's a couple of people who have

816

00:37:47,810 --> 00:37:45,119

developed little generators that do this

817

00:37:50,810 --> 00:37:47,820

it's been patented but this information

818

00:37:53,390 --> 00:37:50,820

is generally suppressed because if we

819

00:37:56,890 --> 00:37:53,400

had the so-called free energy we

820

00:38:00,230 --> 00:37:56,900

wouldn't need to burn the fossil fuels

821

00:38:01,690 --> 00:38:00,240

in order to create electricity

822

00:38:04,550 --> 00:38:01,700

so

823

00:38:07,910 --> 00:38:04,560

what everyone calls it the day of

824

00:38:12,170 --> 00:38:07,920

Declaration or the transformation

825

00:38:14,690 --> 00:38:12,180

or the change point it seems that

826

00:38:16,730 --> 00:38:14,700

some people claim that we are headed

827

00:38:19,730 --> 00:38:16,740

toward this point where

828

00:38:22,010 --> 00:38:19,740

everybody's awareness room will be

829

00:38:25,130 --> 00:38:22,020

increased

830

00:38:28,609 --> 00:38:25,140

I'm not sure exactly what that means but

831

00:38:31,130 --> 00:38:28,619

it is described by various people as

832

00:38:34,870 --> 00:38:31,140

they shift in energy or

833

00:38:38,109 --> 00:38:34,880

or a increased in frequency

834

00:38:41,750 --> 00:38:38,119

uh so that um

835

00:38:43,910 --> 00:38:41,760

just like if if you use the analogy of

836

00:38:45,349 --> 00:38:43,920

light if we're walking around it's kind

837

00:38:48,470 --> 00:38:45,359

of dim and all of a sudden the lights

838

00:38:50,690 --> 00:38:48,480

are turned on or or turned up higher

839

00:38:54,170 --> 00:38:50,700

then we can see what's happening well

840

00:38:56,750 --> 00:38:54,180

the same ways if we all raise our

841

00:38:59,990 --> 00:38:56,760

Consciousness and recognize that we are

842

00:39:03,770 --> 00:39:00,000

not only human but we're also Souls and

843

00:39:06,230 --> 00:39:03,780

that we're part of not only the planet

844

00:39:08,810 --> 00:39:06,240

of not only the solar system not only

845

00:39:12,050 --> 00:39:08,820

the Galaxy but the whole Cosmos

846

00:39:14,569 --> 00:39:12,060

if the if the whole galaxy were to

847

00:39:17,569 --> 00:39:14,579

increase in awareness and maybe what we

848

00:39:20,930 --> 00:39:17,579

call the good guy bad guy scenario

849

00:39:22,370 --> 00:39:20,940

will no longer be

850

00:39:29,089 --> 00:39:22,380

the game

851

00:39:32,050 --> 00:39:29,099

bad cop that is that the

852

00:39:35,690 --> 00:39:32,060

ETS are presenting themselves

853

00:39:39,710 --> 00:39:35,700

both as quote good unquote and as quote

854

00:39:42,230 --> 00:39:39,720

bad unquote uh just like if we thought

855

00:39:43,490 --> 00:39:42,240

of ourselves as a we're the Patriarchs

856

00:39:45,109 --> 00:39:43,500

on the planet we're the ones who are

857

00:39:46,730 --> 00:39:45,119

suppressing women and children we're the

858

00:39:49,670 --> 00:39:46,740

ones who are polluting the planet

859

00:39:51,290 --> 00:39:49,680

and so the bad cops come and say hey are

860

00:39:53,270 --> 00:39:51,300

you going to join us

861

00:39:56,270 --> 00:39:53,280

and we will

862

00:39:58,730 --> 00:39:56,280

give you energy well you don't have to

863

00:40:01,790 --> 00:39:58,740

tell the public about it and so some

864

00:40:04,250 --> 00:40:01,800

people say that there is a secret cabal

865

00:40:05,510 --> 00:40:04,260

that has developed flying saucers here

866

00:40:09,250 --> 00:40:05,520

on the planet

867

00:40:12,170 --> 00:40:09,260

and uh that they are in cahoots with the

868

00:40:15,470 --> 00:40:12,180

Grays or the

869

00:40:17,569 --> 00:40:15,480

um the lizards or different people say

870

00:40:21,650 --> 00:40:17,579

different groups of

871

00:40:23,210 --> 00:40:21,660

ETS and then later find out that all the

872

00:40:25,730 --> 00:40:23,220

ETS are working together

873

00:40:27,290 --> 00:40:25,740

to help Humanity grow up

874

00:40:30,410 --> 00:40:27,300

wow

875

00:40:32,089 --> 00:40:30,420

um so that that's it say say goodbye if

876

00:40:34,430 --> 00:40:32,099

you went to the first hour we're going

877

00:40:35,870 --> 00:40:34,440

into the second hour

878

00:40:39,109 --> 00:40:35,880

um but uh

879

00:40:40,490 --> 00:40:39,119

uh yeah thank you and in the second hour

880

00:40:45,230 --> 00:40:40,500

we're going to be talking more about

881

00:40:47,930 --> 00:40:45,240

this idea of possible free energy and I

882

00:40:50,150 --> 00:40:47,940

also want to find out um I have a couple

883

00:40:52,670 --> 00:40:50,160

of questions about abductions and

884

00:40:54,950 --> 00:40:52,680

abductees so that's coming up in hour

885

00:40:58,609 --> 00:40:54,960

two hang in there just one second we

886

00:41:02,220 --> 00:40:58,619

have a quick music break

887

00:41:09,510 --> 00:41:02,230

everybody is

888

00:41:31,070 --> 00:41:28,970

[Music]

889

00:41:45,370 --> 00:41:31,080

foreign

890

00:41:49,910 --> 00:41:47,870

yeah that's actually I'm sure that's

891

00:41:53,150 --> 00:41:49,920

part of a movie from Carrie Lloyd

892

00:41:55,490 --> 00:41:53,160

Whitehouse out of Scotland so

893

00:41:58,310 --> 00:41:55,500

um the question I was wanted to ask you

894

00:42:00,710 --> 00:41:58,320

before we got more into

895

00:42:03,349 --> 00:42:00,720

um the energy questions is

896

00:42:06,410 --> 00:42:03,359

since you've been at this so long what

897

00:42:09,470 --> 00:42:06,420

is your feeling about the increase in

898

00:42:11,750 --> 00:42:09,480

activity in the abductions or if that's

899

00:42:13,550 --> 00:42:11,760

even happening or just people are more

900

00:42:15,829 --> 00:42:13,560

free to talk about it what what's your

901
00:42:18,710 --> 00:42:15,839
opinion on that you know as far as I

902
00:42:22,550 --> 00:42:18,720
know it's not an increase

903
00:42:24,410 --> 00:42:22,560
uh it's more of a in terms of numbers of

904
00:42:26,270 --> 00:42:24,420
encounters between the Extraterrestrial

905
00:42:30,470 --> 00:42:26,280
craft and

906
00:42:31,970 --> 00:42:30,480
and a planetary persons kind of as far

907
00:42:33,710 --> 00:42:31,980
as I can tell it seems like it's an

908
00:42:36,109 --> 00:42:33,720
increase in the number of people who are

909
00:42:38,510 --> 00:42:36,119
willing to report their experience

910
00:42:41,270 --> 00:42:38,520
I've talked to a lot of people who

911
00:42:43,250 --> 00:42:41,280
know some of whom have said they've had

912
00:42:45,650 --> 00:42:43,260
support from their families or their

913
00:42:47,870 --> 00:42:45,660

spouse or whatever and other people who

914

00:42:50,829 --> 00:42:47,880

have not had support and so they've been

915

00:42:55,490 --> 00:42:50,839

kind of hiding their story

916

00:42:59,569 --> 00:42:55,500

uh partly uh embarrassed or frightened

917

00:43:04,569 --> 00:42:59,579

but also partly not wanting to cause

918

00:43:09,109 --> 00:43:04,579

difficulty for friends and family now

919

00:43:10,550 --> 00:43:09,119

some people will go ahead even if it is

920

00:43:13,370 --> 00:43:10,560

not approved

921

00:43:16,630 --> 00:43:13,380

by their

922

00:43:18,170 --> 00:43:16,640

fellows or their

923

00:43:20,390 --> 00:43:18,180

girlfriends

924

00:43:22,130 --> 00:43:20,400

uh it seemed like more and more people

925

00:43:23,510 --> 00:43:22,140

willing to talk about their experience

926

00:43:25,970 --> 00:43:23,520

openly

927

00:43:29,329 --> 00:43:25,980

right and there are more groups in

928

00:43:32,170 --> 00:43:29,339

support than ever but um I want to

929

00:43:35,089 --> 00:43:32,180

mention I want to mention in one group

930

00:43:37,370 --> 00:43:35,099

along with mufon and the UFO Congress

931

00:43:39,890 --> 00:43:37,380

and other people who've been doing work

932

00:43:42,670 --> 00:43:39,900

over the years there's another group

933

00:43:45,410 --> 00:43:42,680

recently formed called free

934

00:43:46,970 --> 00:43:45,420

f-r-e-e right yep that stands for

935

00:43:49,809 --> 00:43:46,980

foundation for Research into

936

00:43:52,670 --> 00:43:49,819

extraterrestrial encounters and uh

937

00:43:55,010 --> 00:43:52,680

extraterrestrial experiences and if

938

00:43:57,309 --> 00:43:55,020

people are interested and know how to go

939

00:44:05,089 --> 00:43:57,319

online they can go to

940

00:44:11,750 --> 00:44:09,170

and they formed a science committee and

941

00:44:14,809 --> 00:44:11,760

they formed a survey committee they

942

00:44:17,930 --> 00:44:14,819

formed a support committee and so uh

943

00:44:21,050 --> 00:44:17,940

they're trying to not only use the

944

00:44:24,290 --> 00:44:21,060

scientific and intellectual

945

00:44:27,230 --> 00:44:24,300

um support for these people but also I'm

946

00:44:29,329 --> 00:44:27,240

trying to provide emotional and social

947

00:44:31,730 --> 00:44:29,339

support for people who are willing to

948

00:44:35,270 --> 00:44:31,740

talk about their experience right

949

00:44:37,730 --> 00:44:35,280

um I think it's Ray Hernandez yeah yeah

950

00:44:40,609 --> 00:44:37,740

I I uh we missed each other we were in

951
00:44:43,370 --> 00:44:40,619
uh Phoenix I wanted to say hi to him and

952
00:44:45,530 --> 00:44:43,380
and missed him out there and uh I

953
00:44:48,530 --> 00:44:45,540
actually had Christina

954
00:44:49,609 --> 00:44:48,540
um on the show and yes and a few other

955
00:44:50,990 --> 00:44:49,619
people

956
00:44:52,309 --> 00:44:51,000
um talking about that it sounds like

957
00:44:54,950 --> 00:44:52,319
they're they're trying to do a really

958
00:44:56,750 --> 00:44:54,960
good job with this thing yes I think so

959
00:44:58,910 --> 00:44:56,760
yeah and the question I have about that

960
00:45:00,290 --> 00:44:58,920
I do have another message but I'll get

961
00:45:02,270 --> 00:45:00,300
to that later

962
00:45:05,990 --> 00:45:02,280
um the the question I have about that is

963
00:45:09,470 --> 00:45:06,000

how did these people handle this when

964

00:45:12,470 --> 00:45:09,480

what were their lives like when they had

965

00:45:13,730 --> 00:45:12,480

nowhere to go no one to share the trauma

966

00:45:16,309 --> 00:45:13,740

with

967

00:45:18,829 --> 00:45:16,319

it's very difficult for some people I've

968

00:45:23,210 --> 00:45:18,839

talked to people who've been hiding you

969

00:45:24,950 --> 00:45:23,220

know for 13 years some people

970

00:45:27,470 --> 00:45:24,960

um have

971

00:45:28,970 --> 00:45:27,480

felt like they lived dual lives double

972

00:45:29,930 --> 00:45:28,980

lives

973

00:45:32,930 --> 00:45:29,940

um

974

00:45:34,809 --> 00:45:32,940

but I think that that's also part of the

975

00:45:37,670 --> 00:45:34,819

uh

976

00:45:39,530 --> 00:45:37,680

initiation if you will I don't know if

977

00:45:40,670 --> 00:45:39,540

you heard the name David Campbell but

978

00:45:44,690 --> 00:45:40,680

he's a

979

00:45:49,849 --> 00:45:48,470

um experiences and he has a model from

980

00:45:52,309 --> 00:45:49,859

the model

981

00:45:55,910 --> 00:45:52,319

is called a Heroes Journey the hero is

982

00:45:58,609 --> 00:45:55,920

the man or woman who feels uh pulled out

983

00:46:00,230 --> 00:45:58,619

of society and then pushed into

984

00:46:02,710 --> 00:46:00,240

challenges

985

00:46:06,109 --> 00:46:02,720

personal crises

986

00:46:07,609 --> 00:46:06,119

kind of tests or examinations to see how

987

00:46:08,870 --> 00:46:07,619

they'll do and then they come back into

988

00:46:11,270 --> 00:46:08,880

society

989

00:46:14,930 --> 00:46:11,280

with new knowledge and with new courage

990

00:46:16,190 --> 00:46:14,940

the example that many people use is the

991

00:46:20,630 --> 00:46:16,200

story

992

00:46:23,390 --> 00:46:20,640

of Dorothy in The Wizard of Oz and

993

00:46:25,809 --> 00:46:23,400

the story is that here's this woman who

994

00:46:31,010 --> 00:46:25,819

has her companions a tin man and the

995

00:46:32,690 --> 00:46:31,020

straw man they're looking for a success

996

00:46:35,150 --> 00:46:32,700

or if they're looking for assistance

997

00:46:36,589 --> 00:46:35,160

they think that the Wizard of Oz is

998

00:46:38,710 --> 00:46:36,599

going to help the mother find out the

999

00:46:41,930 --> 00:46:38,720

wizard of the laws just that

1000

00:46:43,790 --> 00:46:41,940

daughtering old guy and he just hands

1001
00:46:45,530 --> 00:46:43,800
out the certificates it's kind of like

1002
00:46:47,270 --> 00:46:45,540
those of us who are professors the

1003
00:46:50,150 --> 00:46:47,280
students the ones who go through the

1004
00:46:53,750 --> 00:46:50,160
hard times and then the and then the

1005
00:46:55,190 --> 00:46:53,760
president or the dean or whoever hands

1006
00:46:57,470 --> 00:46:55,200
out the uh

1007
00:46:59,089 --> 00:46:57,480
a certificate when the person has

1008
00:47:04,130 --> 00:46:59,099
completed the program

1009
00:47:07,450 --> 00:47:04,140
so if we look at it that way then I I

1010
00:47:10,670 --> 00:47:07,460
often encourage people to consider

1011
00:47:13,370 --> 00:47:10,680
shortening the process by saying I'm

1012
00:47:15,410 --> 00:47:13,380
ready I'm ready next I'm like SpongeBob

1013
00:47:19,490 --> 00:47:15,420

SquarePants I'm ready I'm ready I'm

1014

00:47:21,950 --> 00:47:19,500

ready and say okay if I need to be

1015

00:47:24,170 --> 00:47:21,960

tested some more well then test me then

1016

00:47:26,630 --> 00:47:24,180

some people will get more tests but

1017

00:47:28,430 --> 00:47:26,640

other people it'll be a shift for

1018

00:47:31,190 --> 00:47:28,440

example a woman told me

1019

00:47:32,870 --> 00:47:31,200

years ago that she was remembering

1020

00:47:35,030 --> 00:47:32,880

during her

1021

00:47:39,770 --> 00:47:35,040

hypnosis session with me that she was on

1022

00:47:42,890 --> 00:47:39,780

board a craft and the little gray ETS

1023

00:47:45,829 --> 00:47:42,900

had examined her and it was painful and

1024

00:47:48,950 --> 00:47:45,839

she was groaning and moaning and

1025

00:47:51,589 --> 00:47:48,960

and at one point she said her memory was

1026
00:47:53,630 --> 00:47:51,599
that she snapped looked at that little

1027
00:47:57,109 --> 00:47:53,640
Grace's stop it

1028
00:47:59,809 --> 00:47:57,119
I don't like this is it take me to your

1029
00:48:02,690 --> 00:47:59,819
leader or you know take me to your

1030
00:48:05,809 --> 00:48:02,700
supervisor and the little gray looks

1031
00:48:07,370 --> 00:48:05,819
startled and according to her memory

1032
00:48:09,349 --> 00:48:07,380
walked out of the room and then came

1033
00:48:12,650 --> 00:48:09,359
back with a tall gray

1034
00:48:15,550 --> 00:48:12,660
who was feminine and much more

1035
00:48:19,970 --> 00:48:15,560
compassionate so it was like

1036
00:48:21,170 --> 00:48:19,980
the the idea is that as soon as we wake

1037
00:48:23,809 --> 00:48:21,180
up

1038
00:48:24,770 --> 00:48:23,819

and enhance our Consciousness saying

1039

00:48:27,410 --> 00:48:24,780

okay

1040

00:48:29,569 --> 00:48:27,420

you know we're earthlings but we're also

1041

00:48:32,030 --> 00:48:29,579

et's we've been ETS now we're going to

1042

00:48:35,630 --> 00:48:32,040

go back and be extraterrestrial again in

1043

00:48:38,349 --> 00:48:35,640

our travels when we are ready for the

1044

00:48:41,329 --> 00:48:38,359

journey then then

1045

00:48:43,750 --> 00:48:41,339

the Consciousness shifts

1046

00:48:46,730 --> 00:48:43,760

and we become

1047

00:48:48,349 --> 00:48:46,740

more able not only to tolerate the

1048

00:48:50,990 --> 00:48:48,359

challenges but we know that we have

1049

00:48:53,870 --> 00:48:51,000

handled them and we are initiated it's

1050

00:48:57,230 --> 00:48:53,880

like a sorority or a fraternity member

1051
00:48:59,569 --> 00:48:57,240
or you know in the Army we went through

1052
00:49:03,050 --> 00:48:59,579
basic training I remember when I was in

1053
00:49:05,290 --> 00:49:03,060
the Army uh one guy looked at me and he

1054
00:49:08,690 --> 00:49:05,300
saw I was handling the

1055
00:49:11,750 --> 00:49:08,700
stress pretty will need a Sprinkle

1056
00:49:13,609 --> 00:49:11,760
he said you like the Army I said no not

1057
00:49:15,050 --> 00:49:13,619
enough food not enough sleep he said

1058
00:49:17,510 --> 00:49:15,060
well you don't seem to be bothered by it

1059
00:49:19,210 --> 00:49:17,520
I said this is the easiest time in my

1060
00:49:21,970 --> 00:49:19,220
life he said easy

1061
00:49:25,609 --> 00:49:21,980
he was pissed at me

1062
00:49:27,230 --> 00:49:25,619
well I grew up in a farm family and you

1063
00:49:28,370 --> 00:49:27,240

had chores you get up early you do your

1064

00:49:29,510 --> 00:49:28,380

chores and then you go to school and

1065

00:49:30,550 --> 00:49:29,520

then you come back and you do your

1066

00:49:33,829 --> 00:49:30,560

chores

1067

00:49:35,809 --> 00:49:33,839

I was lucky I was in athletics and so my

1068

00:49:38,390 --> 00:49:35,819

older brother got to do the chores in

1069

00:49:41,690 --> 00:49:38,400

the afternoon while I was in football or

1070

00:49:46,309 --> 00:49:41,700

basketball or track so

1071

00:49:48,349 --> 00:49:46,319

the task seems to be to grow up and

1072

00:49:49,430 --> 00:49:48,359

different people have different meanings

1073

00:49:53,329 --> 00:49:49,440

by that

1074

00:49:56,930 --> 00:49:53,339

but from my standpoint is not only to

1075

00:49:58,670 --> 00:49:56,940

accept our reincarnation past lives it's

1076

00:50:01,069 --> 00:49:58,680

also to get ready

1077

00:50:03,530 --> 00:50:01,079

for being

1078

00:50:05,470 --> 00:50:03,540

a cosmic citizen in fact one of the

1079

00:50:09,890 --> 00:50:05,480

papers I think I sent a copy to you know

1080

00:50:12,170 --> 00:50:09,900

ret experiences planetary persons or are

1081

00:50:13,730 --> 00:50:12,180

they becoming Cosmic citizens and so

1082

00:50:17,210 --> 00:50:13,740

when we're ready

1083

00:50:20,290 --> 00:50:17,220

I think the uh the announcement

1084

00:50:25,849 --> 00:50:20,300

of the

1085

00:50:27,230 --> 00:50:25,859

presence will occur and also I think the

1086

00:50:29,390 --> 00:50:27,240

announcement about the Energy

1087

00:50:31,430 --> 00:50:29,400

Technologies will occur

1088

00:50:32,870 --> 00:50:31,440

yeah I want to talk to you

1089

00:50:35,210 --> 00:50:32,880

um more about that but I also wanted to

1090

00:50:39,010 --> 00:50:35,220

tell you that I am truly impressed that

1091

00:50:43,370 --> 00:50:39,020

you know about SpongeBob oh

1092

00:50:48,730 --> 00:50:43,380

well my wife and I have three sons and a

1093

00:50:53,150 --> 00:50:48,740

daughter and uh and we have seven

1094

00:50:55,560 --> 00:50:53,160

grandchildren and so we uh we get to

1095

00:50:57,829 --> 00:50:55,570

introduced to several cartoon characters

1096

00:51:00,530 --> 00:50:57,839

[Laughter]

1097

00:51:02,630 --> 00:51:00,540

now um now we're going I want to talk

1098

00:51:05,030 --> 00:51:02,640

more about the you know the

1099

00:51:07,490 --> 00:51:05,040

possibilities of free energy because I

1100

00:51:09,170 --> 00:51:07,500

you know this is going off the UFO topic

1101
00:51:11,210 --> 00:51:09,180
and you know forgive me for the Die Hard

1102
00:51:13,670 --> 00:51:11,220
UFO people but you know this is

1103
00:51:15,650 --> 00:51:13,680
fascinating to me you know first of all

1104
00:51:17,990 --> 00:51:15,660
we can talk about

1105
00:51:19,609 --> 00:51:18,000
um Tesla and how

1106
00:51:20,930 --> 00:51:19,619
um you know some people said he was

1107
00:51:22,970 --> 00:51:20,940
crazy

1108
00:51:26,809 --> 00:51:22,980
um some people said

1109
00:51:29,150 --> 00:51:26,819
um you know he had the death ray

1110
00:51:32,030 --> 00:51:29,160
um and you know they stole his papers

1111
00:51:34,670 --> 00:51:32,040
the government is pretty well known the

1112
00:51:35,829 --> 00:51:34,680
government took us all his papers

1113
00:51:38,690 --> 00:51:35,839

um

1114

00:51:43,430 --> 00:51:38,700

there's a book that gives a good account

1115

00:51:45,770 --> 00:51:43,440

of his uh history call man out of time

1116

00:51:47,569 --> 00:51:45,780

um a female writer I'm having trouble

1117

00:51:51,109 --> 00:51:47,579

remembering her name right now but uh

1118

00:51:53,930 --> 00:51:51,119

it's a it's an excellent description

1119

00:51:55,970 --> 00:51:53,940

however what Tesla went through right

1120

00:51:58,609 --> 00:51:55,980

and you know everything we look around

1121

00:52:00,170 --> 00:51:58,619

us today and you know sure eventually

1122

00:52:02,450 --> 00:52:00,180

things may have been invented but

1123

00:52:05,150 --> 00:52:02,460

everything we see around us the the

1124

00:52:07,430 --> 00:52:05,160

light switch the alternating current you

1125

00:52:09,349 --> 00:52:07,440

know that was his uh he was I believe

1126

00:52:10,910 --> 00:52:09,359

he's like walking along and all of a

1127

00:52:14,390 --> 00:52:10,920

sudden had like an epiphany and

1128

00:52:16,970 --> 00:52:14,400

scratched out on um the idea out on a

1129

00:52:20,390 --> 00:52:16,980

sand with a stick or something

1130

00:52:23,990 --> 00:52:20,400

um you know this is um you know all this

1131

00:52:25,490 --> 00:52:24,000

you know he and Edison were kind of uh

1132

00:52:27,530 --> 00:52:25,500

struggling over you know where they're

1133

00:52:29,030 --> 00:52:27,540

all directors or direct current is

1134

00:52:31,970 --> 00:52:29,040

better and of course alternating current

1135

00:52:34,370 --> 00:52:31,980

had more advantages oh yeah and uh you

1136

00:52:36,710 --> 00:52:34,380

know there was a terrible uh rivalry

1137

00:52:38,690 --> 00:52:36,720

between them but you you think of this

1138

00:52:40,430 --> 00:52:38,700

and the the poor man

1139

00:52:42,829 --> 00:52:40,440

um could have had all this money from

1140

00:52:44,210 --> 00:52:42,839

Westinghouse he let this thing go about

1141

00:52:45,829 --> 00:52:44,220

the horsepower I remember something

1142

00:52:47,329 --> 00:52:45,839

about that but

1143

00:52:49,309 --> 00:52:47,339

um he could have been a millionaire

1144

00:52:51,950 --> 00:52:49,319

Westinghouse was hurting at the time and

1145

00:52:54,109 --> 00:52:51,960

and let the whole contract go all I'm

1146

00:52:56,870 --> 00:52:54,119

getting at is This brilliant brilliant

1147

00:52:59,030 --> 00:52:56,880

brilliant man was hardly recognized in

1148

00:53:01,069 --> 00:52:59,040

his lifetime and died mostly penniless

1149

00:53:04,309 --> 00:53:01,079

which is such a shame

1150

00:53:07,490 --> 00:53:04,319

uh the same way with the Royal Rife he

1151

00:53:11,589 --> 00:53:07,500

developed the cancer cure technology and

1152

00:53:15,410 --> 00:53:11,599

uh several Physicians the MDS were

1153

00:53:18,470 --> 00:53:15,420

helpful doing but then later on

1154

00:53:21,290 --> 00:53:18,480

According to some people the

1155

00:53:22,970 --> 00:53:21,300

the powers that be took over that

1156

00:53:25,849 --> 00:53:22,980

information and now

1157

00:53:28,309 --> 00:53:25,859

uh Royal Rife technology is not

1158

00:53:32,030 --> 00:53:28,319

available medically

1159

00:53:34,730 --> 00:53:32,040

I I sent some you know along with that

1160

00:53:38,770 --> 00:53:34,740

material I sent to you I've sent that

1161

00:53:42,790 --> 00:53:38,780

out to a dozen various editors

1162

00:53:46,609 --> 00:53:42,800

in very you know newspapers journals

1163

00:53:47,630 --> 00:53:46,619

magazines societies and it's fascinating

1164

00:53:50,750 --> 00:53:47,640

to me

1165

00:53:53,290 --> 00:53:50,760

and no one has acknowledged receiving

1166

00:53:56,990 --> 00:53:53,300

the materials and uh

1167

00:54:01,010 --> 00:53:57,000

I that's okay if but I hope that

1168

00:54:03,130 --> 00:54:01,020

somebody will inform the powers that be

1169

00:54:06,230 --> 00:54:03,140

that more and more people

1170

00:54:08,210 --> 00:54:06,240

recognize there is free energy there are

1171

00:54:11,390 --> 00:54:08,220

more and more people around the planet

1172

00:54:14,089 --> 00:54:11,400

who know about this whereas here in the

1173

00:54:17,510 --> 00:54:14,099

US we we seem to

1174

00:54:20,270 --> 00:54:17,520

feel numbed by what we are told about

1175

00:54:21,130 --> 00:54:20,280

free energy yeah

1176

00:54:23,450 --> 00:54:21,140

um

1177

00:54:25,069 --> 00:54:23,460

there's someone that wanted that wanted

1178

00:54:27,109 --> 00:54:25,079

to know will you have you ever been

1179

00:54:28,190 --> 00:54:27,119

threatened by any of your research into

1180

00:54:31,010 --> 00:54:28,200

this

1181

00:54:33,890 --> 00:54:31,020

no uh

1182

00:54:36,589 --> 00:54:33,900

probably no need to threaten me I'm not

1183

00:54:43,069 --> 00:54:41,450

but the professors uh kind of muzzled

1184

00:54:45,170 --> 00:54:43,079

their own you know look professors

1185

00:54:46,630 --> 00:54:45,180

aren't supposed to be outspoken who are

1186

00:54:50,930 --> 00:54:46,640

supposed to be quiet

1187

00:54:54,470 --> 00:54:50,940

and uh gentle and so and so I'm assuming

1188

00:54:55,450 --> 00:54:54,480

that anybody who uh is in a position to

1189

00:55:00,170 --> 00:54:55,460

know

1190

00:55:01,430 --> 00:55:00,180

recognizes that I don't have much

1191

00:55:03,230 --> 00:55:01,440

influence

1192

00:55:05,930 --> 00:55:03,240

yeah well

1193

00:55:08,030 --> 00:55:05,940

um I'm going to tell a story that I

1194

00:55:10,430 --> 00:55:08,040

believe I have never told on this but

1195

00:55:11,630 --> 00:55:10,440

it's it's an interesting one now my

1196

00:55:14,750 --> 00:55:11,640

father was

1197

00:55:16,549 --> 00:55:14,760

um never known to FIB

1198

00:55:18,589 --> 00:55:16,559

um he had a sense of humor but you know

1199

00:55:22,250 --> 00:55:18,599

he was serious about this

1200

00:55:25,730 --> 00:55:22,260

um back in like 1974 you know right

1201
00:55:28,309 --> 00:55:25,740
after the uh quote-unquote gas shortage

1202
00:55:31,490 --> 00:55:28,319
uh crisis and all that

1203
00:55:33,650 --> 00:55:31,500
um he had a friend that bought a brand

1204
00:55:36,410 --> 00:55:33,660
new Buick and

1205
00:55:38,329 --> 00:55:36,420
um it was a you know V8 and all that and

1206
00:55:41,450 --> 00:55:38,339
he drove it for a couple hundred miles

1207
00:55:43,329 --> 00:55:41,460
and noticed the gas uh the gas gauge was

1208
00:55:46,849 --> 00:55:43,339
broken so he pulled into a gas station

1209
00:55:49,730 --> 00:55:46,859
and it took just about two gallons so

1210
00:55:53,150 --> 00:55:49,740
he's thinking what's going on here

1211
00:55:55,910 --> 00:55:53,160
he lifted the hood and he saw it there

1212
00:55:57,970 --> 00:55:55,920
was uh this bright orange thing test

1213
00:56:02,109 --> 00:55:57,980

equipment so

1214

00:56:05,870 --> 00:56:02,119

he he drove it back to the dealership

1215

00:56:08,690 --> 00:56:05,880

and they wouldn't let him take the car

1216

00:56:11,450 --> 00:56:08,700

off the lot and he finally settled for

1217

00:56:13,609 --> 00:56:11,460

two free Vehicles one for himself and

1218

00:56:17,210 --> 00:56:13,619

one for his wife and he actually settled

1219

00:56:18,349 --> 00:56:17,220

for them you know this is uh oh now I

1220

00:56:21,230 --> 00:56:18,359

can tell you one thing my father

1221

00:56:24,470 --> 00:56:21,240

believed that that story and believed to

1222

00:56:26,450 --> 00:56:24,480

his friend and um I I don't know I can't

1223

00:56:29,630 --> 00:56:26,460

verify anything I don't even remember

1224

00:56:33,349 --> 00:56:29,640

who it is because it was so long ago but

1225

00:56:36,710 --> 00:56:33,359

the story always stuck with me because

1226

00:56:38,809 --> 00:56:36,720

um it has always baffled me and still

1227

00:56:40,609 --> 00:56:38,819

baffles me to this day where the best

1228

00:56:44,030 --> 00:56:40,619

you can get as a Prius that gets 50

1229

00:56:47,210 --> 00:56:44,040

miles to the gallon and I just don't

1230

00:56:49,970 --> 00:56:47,220

believe it with all the technology that

1231

00:56:52,930 --> 00:56:49,980

we have that we can't do better than

1232

00:56:56,930 --> 00:56:52,940

that some people say that the

1233

00:57:00,829 --> 00:56:56,940

automakers have a lot of generators

1234

00:57:03,710 --> 00:57:00,839

and gradually are releasing

1235

00:57:05,650 --> 00:57:03,720

you know bit by bit so that as a

1236

00:57:08,569 --> 00:57:05,660

gasoline

1237

00:57:11,930 --> 00:57:08,579

supplies go down within the

1238

00:57:14,210 --> 00:57:11,940

the number of miles goes up but sooner

1239

00:57:15,770 --> 00:57:14,220

or later we'll get to the pre-energy

1240

00:57:20,030 --> 00:57:15,780

that Tesla and then we can have electric

1241

00:57:21,950 --> 00:57:20,040

cars without burning uh fossil fuels to

1242

00:57:23,569 --> 00:57:21,960

create the electricity

1243

00:57:26,210 --> 00:57:23,579

if you

1244

00:57:27,410 --> 00:57:26,220

um there's a couple of theories um out

1245

00:57:29,329 --> 00:57:27,420

there

1246

00:57:31,849 --> 00:57:29,339

kicking around and one of them is that

1247

00:57:35,690 --> 00:57:31,859

if all of a sudden free energy was

1248

00:57:37,730 --> 00:57:35,700

discovered and implemented that the

1249

00:57:40,970 --> 00:57:37,740

world of common economy would would

1250

00:57:42,109 --> 00:57:40,980

crush and fall and and what do you what

1251
00:57:44,030 --> 00:57:42,119
are your thoughts on that and then and

1252
00:57:46,549 --> 00:57:44,040
then of course there's the one where the

1253
00:57:49,490 --> 00:57:46,559
you know the the energy companies would

1254
00:57:52,250 --> 00:57:49,500
do uh would you know wage war against

1255
00:57:53,809 --> 00:57:52,260
anyone that would get close to something

1256
00:57:56,450 --> 00:57:53,819
like that

1257
00:58:00,049 --> 00:57:56,460
you know I I'm not trained as an

1258
00:58:00,950 --> 00:58:00,059
economist and I don't know what uh would

1259
00:58:05,210 --> 00:58:00,960
happen

1260
00:58:10,150 --> 00:58:05,220
in the short run it might be disastrous

1261
00:58:13,910 --> 00:58:10,160
but uh I I grew up in a world of

1262
00:58:16,069 --> 00:58:13,920
economic depression and World War II

1263
00:58:18,890 --> 00:58:16,079

comes along my older brother who's been

1264

00:58:22,490 --> 00:58:18,900

in the Air Force I went in uh during the

1265

00:58:25,609 --> 00:58:22,500

Korean time a lot of changes happened in

1266

00:58:28,549 --> 00:58:25,619

our lives and we adapted to them my

1267

00:58:31,250 --> 00:58:28,559

feeling about humanity is that if free

1268

00:58:34,970 --> 00:58:31,260

energy were introduced it'd take a while

1269

00:58:39,130 --> 00:58:34,980

to take a few years for us to convert

1270

00:58:43,010 --> 00:58:39,140

from coal and oil and gasoline to

1271

00:58:47,589 --> 00:58:43,020

these devices just like it takes a while

1272

00:58:50,270 --> 00:58:47,599

for a city to create a new power station

1273

00:58:54,950 --> 00:58:50,280

and a new power grid

1274

00:58:56,569 --> 00:58:54,960

and so my uneducated economic philosophy

1275

00:58:58,569 --> 00:58:56,579

is that

1276

00:59:02,809 --> 00:58:58,579

the economics

1277

00:59:05,349 --> 00:59:02,819

is not as difficult as the emotional

1278

00:59:08,870 --> 00:59:05,359

reaction of those who are going down

1279

00:59:10,490 --> 00:59:08,880

uh and my general belief and I feel

1280

00:59:12,470 --> 00:59:10,500

quite strong about this

1281

00:59:14,569 --> 00:59:12,480

is that all over the planet the

1282

00:59:17,390 --> 00:59:14,579

patriarchy is coming down

1283

00:59:19,490 --> 00:59:17,400

uh I mentioned one I'll mention one book

1284

00:59:21,770 --> 00:59:19,500

that helps people if they want to read

1285

00:59:25,670 --> 00:59:21,780

it it's called The End Of Man and the

1286

00:59:26,990 --> 00:59:25,680

rise of women by Hannah Rosen or rosin

1287

00:59:30,589 --> 00:59:27,000

rosin

1288

00:59:32,329 --> 00:59:30,599

chapter after chapter she shows that

1289

00:59:37,849 --> 00:59:32,339

there are more

1290

00:59:38,809 --> 00:59:37,859

women leaders in military law academic

1291

00:59:41,329 --> 00:59:38,819

world

1292

00:59:42,130 --> 00:59:41,339

the business World

1293

00:59:44,690 --> 00:59:42,140

um

1294

00:59:48,470 --> 00:59:44,700

these and these women

1295

00:59:50,109 --> 00:59:48,480

are just as competent as men but they

1296

00:59:53,990 --> 00:59:50,119

are more

1297

01:00:02,030 --> 00:59:54,000

to

1298

01:00:04,309 --> 01:00:02,040

competitive and

1299

01:00:07,069 --> 01:00:04,319

uh these women leaders are more

1300

01:00:09,710 --> 01:00:07,079

Cooperative now they she says that the

1301

01:00:13,970 --> 01:00:09,720

one the two areas is not yet true that

1302

01:00:16,309 --> 01:00:13,980

women are the primary leaders in the U.S

1303

01:00:18,470 --> 01:00:16,319

one example is the Congress they're more

1304

01:00:20,210 --> 01:00:18,480

males than females in the Congress and

1305

01:00:23,329 --> 01:00:20,220

they're more males

1306

01:00:25,130 --> 01:00:23,339

and females in mega corporations because

1307

01:00:30,829 --> 01:00:25,140

some people argue that we don't have a

1308

01:00:35,809 --> 01:00:34,490

system built on the corporation we have

1309

01:00:39,829 --> 01:00:35,819

a corporate seat

1310

01:00:42,170 --> 01:00:39,839

uh that's the and that really determines

1311

01:00:44,770 --> 01:00:42,180

whether we are good battery and

1312

01:00:49,210 --> 01:00:44,780

different for example there's recent uh

1313

01:00:52,490 --> 01:00:49,220

uh dust up about religious freedom

1314

01:00:55,670 --> 01:00:52,500

religious liberty in Indiana and it was

1315

01:00:57,470 --> 01:00:55,680

so intriguing to me to see that Walmart

1316

01:00:58,789 --> 01:00:57,480

and some of the other corporations came

1317

01:01:00,770 --> 01:00:58,799

in and said hey

1318

01:01:03,710 --> 01:01:00,780

uh we don't want to have people

1319

01:01:07,250 --> 01:01:03,720

discriminating against gays we've got

1320

01:01:10,250 --> 01:01:07,260

this kind of a business operation going

1321

01:01:13,130 --> 01:01:10,260

and some people said that the Indiana

1322

01:01:16,910 --> 01:01:13,140

lawmakers are listening as much to the

1323

01:01:20,710 --> 01:01:16,920

corporations as they are to the people

1324

01:01:26,030 --> 01:01:20,720

so so it's an interesting question as uh

1325

01:01:28,069 --> 01:01:26,040

uh are the corporations uh pro-democracy

1326

01:01:28,910 --> 01:01:28,079

or are they pro-business are they Pro

1327

01:01:31,010 --> 01:01:28,920

well

1328

01:01:33,950 --> 01:01:31,020

it's interesting because more and more

1329

01:01:36,770 --> 01:01:33,960

people no matter whether we are U.S

1330

01:01:40,789 --> 01:01:36,780

citizens or whether we are from Nairobi

1331

01:01:42,530 --> 01:01:40,799

or Australia more and more people

1332

01:01:45,530 --> 01:01:42,540

sorry

1333

01:01:47,450 --> 01:01:45,540

our our lesson less violent even though

1334

01:01:51,049 --> 01:01:47,460

there are Wars going on and people are

1335

01:01:54,410 --> 01:01:51,059

losing their lives being shot and bombed

1336

01:01:56,809 --> 01:01:54,420

in general uh the level of violence is

1337

01:01:58,670 --> 01:01:56,819

coming down and in general

1338

01:02:02,510 --> 01:01:58,680

there are more and more people who are

1339

01:02:04,490 --> 01:02:02,520

gathering in groups in a peaceful way to

1340

01:02:10,809 --> 01:02:04,500

demonstrate for their particular view

1341

01:02:15,309 --> 01:02:10,819

whether it's anti-racial or anti uh

1342

01:02:18,410 --> 01:02:15,319

ageism or whatever it is that

1343

01:02:21,650 --> 01:02:18,420

and I find it exciting because we have

1344

01:02:27,109 --> 01:02:21,660

been basing our philosophy on fight

1345

01:02:30,289 --> 01:02:27,119

fight cancer fight discrimination

1346

01:02:32,450 --> 01:02:30,299

War on Drugs yeah and whereas people who

1347

01:02:36,109 --> 01:02:32,460

are Christians say Jesus said love thy

1348

01:02:37,970 --> 01:02:36,119

neighbor as thyself which is fascinating

1349

01:02:40,730 --> 01:02:37,980

because that means we've got to love

1350

01:02:43,910 --> 01:02:40,740

ourselves first than our neighbor and

1351
01:02:46,250 --> 01:02:43,920
then our God whereas the Patriarchs they

1352
01:02:49,430 --> 01:02:46,260
turn it around they said no no you gotta

1353
01:02:52,130 --> 01:02:49,440
love it well you've got a fear not love

1354
01:02:55,730 --> 01:02:52,140
you gotta fear God and then fear your

1355
01:02:58,250 --> 01:02:55,740
neighbor and inferior yourself so the uh

1356
01:03:00,950 --> 01:02:58,260
the patriarchal view that men not only

1357
01:03:03,710 --> 01:03:00,960
protect women and children but possess

1358
01:03:06,170 --> 01:03:03,720
women and children and possess Mother

1359
01:03:09,230 --> 01:03:06,180
Earth and can rape her for oil and gas

1360
01:03:12,589 --> 01:03:09,240
and so that that philosophy is shifting

1361
01:03:16,010 --> 01:03:12,599
and it would suggest to me that not only

1362
01:03:17,390 --> 01:03:16,020
are we going to have more female leaders

1363
01:03:20,870 --> 01:03:17,400

but we're also going to have a more

1364

01:03:23,329 --> 01:03:20,880

peaceful world on Wow getting back

1365

01:03:27,710 --> 01:03:23,339

um to you know stepping back to the

1366

01:03:29,329 --> 01:03:27,720

energy situation you know I I really

1367

01:03:31,910 --> 01:03:29,339

really hope that

1368

01:03:34,670 --> 01:03:31,920

I mean that would be the answer to so

1369

01:03:37,309 --> 01:03:34,680

many things but also just the fact that

1370

01:03:40,190 --> 01:03:37,319

we are actually heading toward Doom the

1371

01:03:43,970 --> 01:03:40,200

way you know for instance every single

1372

01:03:47,450 --> 01:03:43,980

week every single week China is opening

1373

01:03:49,670 --> 01:03:47,460

a new coal plant power plant and you

1374

01:03:52,190 --> 01:03:49,680

know the coal burning we're doing is is

1375

01:03:54,049 --> 01:03:52,200

out of control and there's you know

1376

01:03:56,990 --> 01:03:54,059

there's mercury in the water because of

1377

01:03:59,270 --> 01:03:57,000

it there's um there's going to be a uh

1378

01:04:01,490 --> 01:03:59,280

you know in I I have a a person that's

1379

01:04:05,150 --> 01:04:01,500

been on the show he's a friend

1380

01:04:07,370 --> 01:04:05,160

um he's in Beijing and he can't go out

1381

01:04:11,030 --> 01:04:07,380

of the house without wearing a mask

1382

01:04:13,910 --> 01:04:11,040

that's how you know that's how they live

1383

01:04:18,109 --> 01:04:13,920

um it's it's getting nasty and then um

1384

01:04:20,150 --> 01:04:18,119

the air currents will bring the acid

1385

01:04:23,089 --> 01:04:20,160

rain and coal Fallout over to the United

1386

01:04:24,349 --> 01:04:23,099

States and the East Coast mostly so you

1387

01:04:26,390 --> 01:04:24,359

know I mean there's there's something

1388

01:04:28,910 --> 01:04:26,400

that has to be addressed with this yeah

1389

01:04:32,150 --> 01:04:28,920

and then on the other side of it the

1390

01:04:35,630 --> 01:04:32,160

increase in nuclear weapons is also a

1391

01:04:38,990 --> 01:04:35,640

threat going to peace on the planet uh

1392

01:04:42,410 --> 01:04:39,000

there are efforts both to uh

1393

01:04:46,789 --> 01:04:42,420

decrease the number of bombs and to

1394

01:04:50,930 --> 01:04:46,799

negotiate Arms Treaty versus the other

1395

01:04:52,490 --> 01:04:50,940

side of where people want to destroy the

1396

01:04:54,190 --> 01:04:52,500

neighbor you know whether Iran and

1397

01:04:57,289 --> 01:04:54,200

Israel can

1398

01:05:00,289 --> 01:04:57,299

actually learn to cooperate even though

1399

01:05:04,569 --> 01:05:00,299

they have quote different gods unquote

1400

01:05:07,430 --> 01:05:04,579

different et's and their backgrounds so

1401
01:05:11,270 --> 01:05:07,440
it seems to me that one can either take

1402
01:05:13,190 --> 01:05:11,280
the negative point of view that says we

1403
01:05:15,230 --> 01:05:13,200
are killing ourselves we are destroying

1404
01:05:19,150 --> 01:05:15,240
the planet which is true

1405
01:05:23,210 --> 01:05:19,160
or take the point of view if we

1406
01:05:25,010 --> 01:05:23,220
want to stop that then we have to

1407
01:05:27,829 --> 01:05:25,020
embrace

1408
01:05:30,530 --> 01:05:27,839
you know I don't know if you ever see

1409
01:05:33,349 --> 01:05:30,540
this cartoon called

1410
01:05:36,589 --> 01:05:33,359
um what is it called

1411
01:05:39,410 --> 01:05:36,599
um anyway it says the character of swine

1412
01:05:41,930 --> 01:05:39,420
who's kind of a naive and a rat that's

1413
01:05:44,569 --> 01:05:41,940

kind of a Sly and Shifty

1414

01:05:48,349 --> 01:05:44,579

and other other animal characters and

1415

01:05:50,569 --> 01:05:48,359

the piglet is trying to be nice and he

1416

01:05:53,890 --> 01:05:50,579

says love thy neighbor and the rat look

1417

01:05:57,890 --> 01:05:53,900

then said have you seen my neighbor

1418

01:05:58,970 --> 01:05:57,900

same way with Israelis and the Iranians

1419

01:06:01,190 --> 01:05:58,980

they're going to have to learn to live

1420

01:06:04,190 --> 01:06:01,200

together on this planet otherwise the

1421

01:06:06,589 --> 01:06:04,200

nuclear war and we destroy

1422

01:06:10,309 --> 01:06:06,599

the entire planet or at least partial

1423

01:06:13,010 --> 01:06:10,319

and make it rough so to me I take the

1424

01:06:15,770 --> 01:06:13,020

point of view that it's a initiation

1425

01:06:18,530 --> 01:06:15,780

it's a crisis and I'm hoping that we

1426
01:06:20,870 --> 01:06:18,540
pass it successfully although one of my

1427
01:06:22,549 --> 01:06:20,880
friends who is kind of a skeptic he said

1428
01:06:24,650 --> 01:06:22,559
hey Leo you're always talking about

1429
01:06:27,589 --> 01:06:24,660
peace and non-violence and so he said

1430
01:06:29,930 --> 01:06:27,599
what if what if we blow ourselves up

1431
01:06:31,609 --> 01:06:29,940
and I said well we'll pick up our souls

1432
01:06:36,130 --> 01:06:31,619
and we'll go to another planet start all

1433
01:06:38,690 --> 01:06:36,140
over oh he looked at me he said oh

1434
01:06:41,930 --> 01:06:38,700
he couldn't couldn't handle the idea

1435
01:06:43,609 --> 01:06:41,940
that we could start all over again

1436
01:06:45,230 --> 01:06:43,619
well well

1437
01:06:49,190 --> 01:06:45,240
um so

1438
01:06:50,569 --> 01:06:49,200

uh getting back um well no I actually

1439

01:06:53,630 --> 01:06:50,579

want to talk a little more about this

1440

01:06:55,789 --> 01:06:53,640

because you've been around this for for

1441

01:06:57,349 --> 01:06:55,799

such a long time and what do you think

1442

01:06:59,750 --> 01:06:57,359

about

1443

01:07:02,690 --> 01:06:59,760

um the work that like Robert Hastings

1444

01:07:05,990 --> 01:07:02,700

has done on you know nuclear warheads

1445

01:07:07,370 --> 01:07:06,000

when it comes to the UFO yeah

1446

01:07:09,049 --> 01:07:07,380

um interruptions and things like that

1447

01:07:11,890 --> 01:07:09,059

have you ever looked into that topic at

1448

01:07:16,970 --> 01:07:11,900

all yeah he wrote a book

1449

01:07:19,970 --> 01:07:16,980

about nukes and UFOs right talking to uh

1450

01:07:23,329 --> 01:07:19,980

military ex-military people not people

1451

01:07:26,390 --> 01:07:23,339

who are active about their encounters

1452

01:07:28,250 --> 01:07:26,400

and what's intriguing to me is that

1453

01:07:31,010 --> 01:07:28,260

over and over there have been bases

1454

01:07:33,890 --> 01:07:31,020

where the power has turned off and the

1455

01:07:35,450 --> 01:07:33,900

nuclear warheads sit in the Silo and

1456

01:07:40,970 --> 01:07:35,460

they aren't uh

1457

01:07:43,329 --> 01:07:40,980

on a senate so it would suggest to me as

1458

01:07:46,370 --> 01:07:43,339

a reader and I'm not familiar with

1459

01:07:48,470 --> 01:07:46,380

nuclear warheads or with uh

1460

01:07:51,710 --> 01:07:48,480

you know what it takes to run a military

1461

01:07:54,589 --> 01:07:51,720

base um I I do know over in Cheyenne

1462

01:07:55,370 --> 01:07:54,599

there are silos and missiles at the

1463

01:07:57,589 --> 01:07:55,380

ready

1464

01:08:00,109 --> 01:07:57,599

but it would suggest to me that the ETS

1465

01:08:02,510 --> 01:08:00,119

know how to turn it off and so they are

1466

01:08:05,390 --> 01:08:02,520

demonstrating it and they're saying you

1467

01:08:07,390 --> 01:08:05,400

guys got to learn some other way

1468

01:08:10,430 --> 01:08:07,400

to deal with one another

1469

01:08:13,789 --> 01:08:10,440

and then learn to deal with us and we'll

1470

01:08:16,370 --> 01:08:13,799

come and help you when you're ready so

1471

01:08:18,789 --> 01:08:16,380

that's my philosophy and that's what I

1472

01:08:22,070 --> 01:08:18,799

hope to instill

1473

01:08:24,769 --> 01:08:22,080

in the hearts and minds and Souls of

1474

01:08:26,150 --> 01:08:24,779

those around me wow

1475

01:08:28,309 --> 01:08:26,160

um

1476

01:08:29,749 --> 01:08:28,319

yeah but you know that whole that whole

1477

01:08:33,709 --> 01:08:29,759

thing I've had you know I've had Robert

1478

01:08:37,550 --> 01:08:33,719

on I've had Bob Salas and and you know

1479

01:08:39,709 --> 01:08:37,560

when they some of that has a first hand

1480

01:08:41,870 --> 01:08:39,719

um experiences just you just can't

1481

01:08:45,410 --> 01:08:41,880

explain that stuff away

1482

01:08:47,630 --> 01:08:45,420

this just just too it's too baffling it

1483

01:08:50,349 --> 01:08:47,640

doesn't you know a skeptic can't can't

1484

01:08:53,450 --> 01:08:50,359

really deal with that

1485

01:08:56,769 --> 01:08:53,460

yeah you know the best thing for a

1486

01:09:01,130 --> 01:08:56,779

skeptic is to have the experience yeah

1487

01:09:03,470 --> 01:09:01,140

no longer skeptical exactly and um you

1488

01:09:06,229 --> 01:09:03,480

know that that does that does happen I

1489

01:09:09,729 --> 01:09:06,239

mean you know I've heard for instance um

1490

01:09:12,829 --> 01:09:09,739

an astronomer talk about that I was on

1491

01:09:16,309 --> 01:09:12,839

Bill and Nancy Burns show the other

1492

01:09:19,130 --> 01:09:16,319

night and Bill mentioned that um

1493

01:09:21,769 --> 01:09:19,140

um some astronomers that were doing

1494

01:09:24,050 --> 01:09:21,779

detail work I forget exactly what he

1495

01:09:24,950 --> 01:09:24,060

said but they see UFOs and they get mad

1496

01:09:27,050 --> 01:09:24,960

because

1497

01:09:28,789 --> 01:09:27,060

um they're taking a picture and it gets

1498

01:09:30,470 --> 01:09:28,799

in the picture and it frustrates them

1499

01:09:33,110 --> 01:09:30,480

they have to take it over again for like

1500

01:09:34,910 --> 01:09:33,120

a constellation or something

1501

01:09:36,890 --> 01:09:34,920

I don't know how uh

1502

01:09:40,249 --> 01:09:36,900

I don't know how how accurate that is

1503

01:09:42,769 --> 01:09:40,259

but it it's sure it sure sounds great

1504

01:09:44,209 --> 01:09:42,779

um when you have gone through all this

1505

01:09:46,970 --> 01:09:44,219

time

1506

01:09:48,829 --> 01:09:46,980

um have your interests changed in

1507

01:09:52,309 --> 01:09:48,839

different directions or you're pretty

1508

01:09:55,550 --> 01:09:52,319

much open to the the whole topic

1509

01:09:58,250 --> 01:09:55,560

I've been open to the whole topic

1510

01:10:01,310 --> 01:09:58,260

although my training

1511

01:10:04,189 --> 01:10:01,320

is not Technical and so

1512

01:10:07,330 --> 01:10:04,199

for example many of my friends move on

1513

01:10:12,130 --> 01:10:07,340

Mutual UFO Network

1514

01:10:15,890 --> 01:10:12,140
and I get a copy of the journal

1515

01:10:18,650 --> 01:10:15,900
but I found myself of the years becoming

1516

01:10:20,990 --> 01:10:18,660
less and less interested in a detailed

1517

01:10:24,950 --> 01:10:21,000
report of the sighting which began at 6

1518

01:10:27,970 --> 01:10:24,960
43 and ended at 10 52 and

1519

01:10:30,649 --> 01:10:27,980
and this light and that light

1520

01:10:31,550 --> 01:10:30,659
I find myself much more interested in

1521

01:10:34,550 --> 01:10:31,560
the people

1522

01:10:35,350 --> 01:10:34,560
for example with Betty and Barney Hill

1523

01:10:38,270 --> 01:10:35,360
um

1524

01:10:42,590 --> 01:10:38,280
it was such a relief to talk with them

1525

01:10:44,689 --> 01:10:42,600
compared to the other 1966 TV program

1526

01:10:46,790 --> 01:10:44,699

who we were talking about flying saucers

1527

01:10:49,550 --> 01:10:46,800

is it true or is it false

1528

01:10:52,750 --> 01:10:49,560

and it seems to me that a lot of time

1529

01:10:55,729 --> 01:10:52,760

was used to

1530

01:10:59,050 --> 01:10:55,739

debate something that should be a

1531

01:11:01,490 --> 01:10:59,060

non-issue so to me

1532

01:11:03,610 --> 01:11:01,500

the secret keepers

1533

01:11:08,090 --> 01:11:03,620

have

1534

01:11:10,430 --> 01:11:08,100

kept up not only with lies but they're

1535

01:11:12,229 --> 01:11:10,440

much more skilled than just telling lies

1536

01:11:13,010 --> 01:11:12,239

like say no you're a stupid you

1537

01:11:16,250 --> 01:11:13,020

don't know what you're talking about

1538

01:11:18,669 --> 01:11:16,260

they say oh are you do you know about

1539

01:11:22,390 --> 01:11:18,679

clouds do you know about cumulus versus

1540

01:11:26,090 --> 01:11:22,400

this kind of cloud I'm going so this

1541

01:11:27,610 --> 01:11:26,100

question question question and doubt

1542

01:11:31,310 --> 01:11:27,620

doubt doubt

1543

01:11:32,510 --> 01:11:31,320

allows one of the secret Keepers to keep

1544

01:11:35,750 --> 01:11:32,520

the secret

1545

01:11:37,970 --> 01:11:35,760

while the rest of us should go about

1546

01:11:39,470 --> 01:11:37,980

well I don't know everything and so

1547

01:11:42,229 --> 01:11:39,480

maybe they know what they're talking

1548

01:11:44,209 --> 01:11:42,239

about and maybe I didn't really see a

1549

01:11:46,630 --> 01:11:44,219

flying saucer maybe I didn't really talk

1550

01:11:51,410 --> 01:11:46,640

to an ET no

1551
01:11:56,510 --> 01:11:51,420
that's part of the master plan is to

1552
01:11:59,630 --> 01:11:56,520
cloud or disguise or to disrupt

1553
01:12:03,709 --> 01:11:59,640
on public awareness that the ETS are

1554
01:12:06,169 --> 01:12:03,719
here the ETS have Energy Technologies as

1555
01:12:08,570 --> 01:12:06,179
soon as we grow up and play nice you

1556
01:12:10,850 --> 01:12:08,580
know we can use the interviews to

1557
01:12:12,290 --> 01:12:10,860
develop a better planet and a better

1558
01:12:16,310 --> 01:12:12,300
Humanity

1559
01:12:20,990 --> 01:12:16,320
when you when you look into the topic of

1560
01:12:22,790 --> 01:12:21,000
the UFO technology what are what are

1561
01:12:25,370 --> 01:12:22,800
your ideas or what have you heard over

1562
01:12:27,590 --> 01:12:25,380
the years that makes more sense to you

1563
01:12:30,169 --> 01:12:27,600

like the anti-gravity or whatever it is

1564

01:12:32,510 --> 01:12:30,179

how they can do the 90 degree turn and

1565

01:12:34,310 --> 01:12:32,520

all that I've read different things I

1566

01:12:36,709 --> 01:12:34,320

don't have enough technical knowledge to

1567

01:12:38,149 --> 01:12:36,719

be able to evaluate it but I know that

1568

01:12:40,689 --> 01:12:38,159

some

1569

01:12:43,729 --> 01:12:40,699

uh Engineers have

1570

01:12:45,470 --> 01:12:43,739

been a guy named Rich for example was

1571

01:12:47,689 --> 01:12:45,480

quoted in one of the camera with his

1572

01:12:51,530 --> 01:12:47,699

Robert Hastings book or another

1573

01:12:54,110 --> 01:12:51,540

of the UFOs and nukes recorded in one of

1574

01:12:57,830 --> 01:12:54,120

the books is saying uh when asked about

1575

01:13:01,510 --> 01:12:57,840

uh energy technology he said

1576

01:13:04,430 --> 01:13:01,520

uh he said that uh

1577

01:13:08,030 --> 01:13:04,440

it's not like a chemical propulsion you

1578

01:13:10,490 --> 01:13:08,040

know we use chemical Rockets to move to

1579

01:13:12,530 --> 01:13:10,500

the moon or whatever it's more like the

1580

01:13:14,649 --> 01:13:12,540

speed of thought

1581

01:13:18,770 --> 01:13:14,659

and I don't know how the electrical

1582

01:13:21,530 --> 01:13:18,780

propulsion systems uh what's involved

1583

01:13:24,290 --> 01:13:21,540

from a physical standpoint but I know

1584

01:13:26,870 --> 01:13:24,300

that physicists now talk differently

1585

01:13:30,590 --> 01:13:26,880

than they did 20 or 30 years ago

1586

01:13:32,450 --> 01:13:30,600

the physicists in the old age are the

1587

01:13:35,990 --> 01:13:32,460

old science

1588

01:13:41,149 --> 01:13:36,000

the scientist was objective and he he he

1589

01:13:43,189 --> 01:13:41,159

he was The Observer now the quantum

1590

01:13:47,570 --> 01:13:43,199

physicists talk about

1591

01:13:50,390 --> 01:13:47,580

everything is connected ions atoms

1592

01:13:53,930 --> 01:13:50,400

molecules everything is connected

1593

01:13:56,030 --> 01:13:53,940

and the scientist is a participant much

1594

01:13:57,410 --> 01:13:56,040

different attitude about science and

1595

01:13:58,550 --> 01:13:57,420

there's a much different attitude about

1596

01:14:03,110 --> 01:13:58,560

physics

1597

01:14:05,870 --> 01:14:03,120

So that obviously some extraterrestrials

1598

01:14:08,930 --> 01:14:05,880

have found energy sources that allow

1599

01:14:11,149 --> 01:14:08,940

them to move vehicles

1600

01:14:13,430 --> 01:14:11,159

in different ways than through chemical

1601

01:14:15,890 --> 01:14:13,440

propulsion yeah

1602

01:14:19,550 --> 01:14:15,900

yeah it's the only thing that that makes

1603

01:14:22,390 --> 01:14:19,560

any sense and and we have so much to

1604

01:14:25,189 --> 01:14:22,400

explore and quantum mechanics quantum

1605

01:14:29,330 --> 01:14:25,199

physics and I don't know if you heard

1606

01:14:30,709 --> 01:14:29,340

that CERN is actually they're they're

1607

01:14:32,530 --> 01:14:30,719

actually think they may have some type

1608

01:14:35,870 --> 01:14:32,540

of breakthrough into another dimension

1609

01:14:36,890 --> 01:14:35,880

that they may prove in short time I

1610

01:14:39,649 --> 01:14:36,900

don't know if you heard anything about

1611

01:14:42,649 --> 01:14:39,659

that but it's no I haven't I years ago I

1612

01:14:44,290 --> 01:14:42,659

talked briefly with Edgar Mitchell on Dr

1613

01:14:48,290 --> 01:14:44,300

Mitchell of course

1614

01:14:50,110 --> 01:14:48,300

uh has helped to The noetic Sciences and

1615

01:14:54,649 --> 01:14:50,120

done much to uh

1616

01:14:58,070 --> 01:14:54,659

illuminate the connection between energy

1617

01:15:00,410 --> 01:14:58,080

sources and uh

1618

01:15:03,470 --> 01:15:00,420

ET observation so

1619

01:15:05,090 --> 01:15:03,480

right right yep um I was trying I've

1620

01:15:08,870 --> 01:15:05,100

been trying to get Dr Mitchell on the

1621

01:15:10,610 --> 01:15:08,880

show he doesn't do a lot of interviews

1622

01:15:12,169 --> 01:15:10,620

but uh

1623

01:15:14,209 --> 01:15:12,179

um I would love to have him on he's

1624

01:15:18,290 --> 01:15:14,219

another person you might be interested

1625

01:15:22,250 --> 01:15:18,300

in is a Dr Jones and Dr C.B Scott Jones

1626

01:15:24,050 --> 01:15:22,260

he's a former Navy commander and he's

1627

01:15:27,490 --> 01:15:24,060

been on the inside

1628

01:15:32,649 --> 01:15:27,500

uh knowing something about the military

1629

01:15:36,410 --> 01:15:32,659

attitudes but also hoping to

1630

01:15:38,209 --> 01:15:36,420

move the public along to public disco

1631

01:15:40,189 --> 01:15:38,219

disclosure

1632

01:15:42,890 --> 01:15:40,199

yeah no I'm not I'm not actually

1633

01:15:44,030 --> 01:15:42,900

familiar with him I'll look into it

1634

01:15:44,870 --> 01:15:44,040

though

1635

01:15:49,070 --> 01:15:44,880

um

1636

01:15:52,010 --> 01:15:49,080

let's see moving along back uh let's

1637

01:15:54,350 --> 01:15:52,020

talk a little bit more about

1638

01:15:56,870 --> 01:15:54,360

um abductees

1639

01:16:00,649 --> 01:15:56,880

um have you actually done regression

1640

01:16:05,330 --> 01:16:00,659

with many of them hypnosis regression

1641

01:16:10,370 --> 01:16:05,340

yes I have yeah and have you seen a

1642

01:16:16,910 --> 01:16:12,830

in the sense of

1643

01:16:20,590 --> 01:16:16,920

the reports each person feels individual

1644

01:16:24,590 --> 01:16:20,600

you know my experience is my experience

1645

01:16:28,130 --> 01:16:24,600

but the pattern that I see

1646

01:16:33,010 --> 01:16:28,140

is that the people who are courageous

1647

01:16:35,930 --> 01:16:33,020

and who explore and try to understand

1648

01:16:38,390 --> 01:16:35,940

they do better than the people who are

1649

01:16:42,050 --> 01:16:38,400

frightened and huddle over in the corner

1650

01:16:42,890 --> 01:16:42,060

so I encourage people uh when they're

1651
01:16:46,550 --> 01:16:42,900
ready

1652
01:16:49,729 --> 01:16:46,560
not only to explore through hypnosis

1653
01:16:53,450 --> 01:16:49,739
their encounter but also to find out was

1654
01:16:57,350 --> 01:16:53,460
it an abduction were they taken or were

1655
01:17:02,330 --> 01:16:57,360
they invited or did they invite the the

1656
01:17:05,209 --> 01:17:02,340
person uh the ETS to come just like

1657
01:17:07,669 --> 01:17:05,219
is kind of a silly story but I now what

1658
01:17:10,550 --> 01:17:07,679
if a high school student said I was

1659
01:17:13,209 --> 01:17:10,560
abducted these guys came and they took

1660
01:17:15,770 --> 01:17:13,219
me to college campus

1661
01:17:17,870 --> 01:17:15,780
and there are a whole bunch of students

1662
01:17:20,990 --> 01:17:17,880
and there are a whole bunch of teachers

1663
01:17:23,090 --> 01:17:21,000

and instructors and professors oh well

1664

01:17:26,169 --> 01:17:23,100

was that an abduction or was that

1665

01:17:28,910 --> 01:17:26,179

initiation hmm

1666

01:17:29,990 --> 01:17:28,920

I encourage people to consider the

1667

01:17:33,709 --> 01:17:30,000

possibility

1668

01:17:37,910 --> 01:17:33,719

that what they feel was being taken

1669

01:17:41,149 --> 01:17:37,920

away from the earth was actually being

1670

01:17:44,630 --> 01:17:41,159

taken toward the Stars

1671

01:17:46,610 --> 01:17:44,640

yeah um we had a a message up on the

1672

01:17:48,169 --> 01:17:46,620

board here but I think you've more or

1673

01:17:51,530 --> 01:17:48,179

less addressed it

1674

01:17:55,490 --> 01:17:51,540

um wanting to know what you your opinion

1675

01:17:57,950 --> 01:17:55,500

is opinion is of the whole phenomena

1676

01:18:00,610 --> 01:17:57,960

um what what would ET or whatever it is

1677

01:18:03,169 --> 01:18:00,620

happening here be up to

1678

01:18:05,450 --> 01:18:03,179

yeah some people said that there's two

1679

01:18:09,229 --> 01:18:05,460

jobs

1680

01:18:11,930 --> 01:18:09,239

one is to educate

1681

01:18:12,590 --> 01:18:11,940

and the other is to monitor

1682

01:18:15,590 --> 01:18:12,600

um

1683

01:18:18,410 --> 01:18:15,600

the monitoring is what most people think

1684

01:18:21,470 --> 01:18:18,420

about and I'll call it the moof on face

1685

01:18:24,050 --> 01:18:21,480

you know we are being monitored and here

1686

01:18:26,830 --> 01:18:24,060

was a craft that showed up or here was a

1687

01:18:29,830 --> 01:18:26,840

object and so forth

1688

01:18:33,770 --> 01:18:29,840

and so if we think in terms of

1689

01:18:35,810 --> 01:18:33,780

the usual human response is that we are

1690

01:18:39,169 --> 01:18:35,820

being surveyed we are being surveilled

1691

01:18:42,950 --> 01:18:39,179

we are being checked on

1692

01:18:45,050 --> 01:18:42,960

and that of course uh frightens some

1693

01:18:47,390 --> 01:18:45,060

people just like uh some people are

1694

01:18:49,330 --> 01:18:47,400

frightened because of police are

1695

01:18:55,130 --> 01:18:49,340

checking on them

1696

01:18:57,830 --> 01:18:55,140

uh

1697

01:19:00,530 --> 01:18:57,840

to harm them well in some cases some

1698

01:19:02,450 --> 01:19:00,540

racial minorities feel yes that's

1699

01:19:05,149 --> 01:19:02,460

happened uh

1700

01:19:08,750 --> 01:19:05,159

and so we have a

1701

01:19:11,330 --> 01:19:08,760

the feeling that if we're being surveyed

1702

01:19:13,010 --> 01:19:11,340

if we're being monitored that that's the

1703

01:19:14,870 --> 01:19:13,020

negative thing but other people say hey

1704

01:19:16,189 --> 01:19:14,880

I'm glad that the police are checking on

1705

01:19:17,990 --> 01:19:16,199

our neighborhood because we've got some

1706

01:19:19,850 --> 01:19:18,000

strains going on here

1707

01:19:25,970 --> 01:19:19,860

so

1708

01:19:30,649 --> 01:19:25,980

yeah I've been interested in the

1709

01:19:32,810 --> 01:19:30,659

monitoring and I I used to read all the

1710

01:19:34,250 --> 01:19:32,820

reports I could get but then I became

1711

01:19:38,149 --> 01:19:34,260

more and more interested in the people

1712

01:19:40,729 --> 01:19:38,159

and less and less interested in what

1713

01:19:43,330 --> 01:19:40,739

they saw or what they experienced

1714

01:19:46,310 --> 01:19:43,340

I wanted them to tell me what they

1715

01:19:49,430 --> 01:19:46,320

learned from the experience it's like

1716

01:19:52,490 --> 01:19:49,440

you know exit polls and you find out

1717

01:19:55,490 --> 01:19:52,500

what people did in the voting to me

1718

01:19:58,070 --> 01:19:55,500

that's more fun than it is in a pre-poll

1719

01:20:00,550 --> 01:19:58,080

in the same way to find out from people

1720

01:20:03,290 --> 01:20:00,560

after their encounter

1721

01:20:05,750 --> 01:20:03,300

rather than to talk to people about the

1722

01:20:08,689 --> 01:20:05,760

possibility of an encounter

1723

01:20:11,810 --> 01:20:08,699

I I have to say that uh

1724

01:20:14,870 --> 01:20:11,820

the thing that I I think makes most

1725

01:20:17,270 --> 01:20:14,880

sense is more along exactly what you

1726

01:20:18,290 --> 01:20:17,280

just said and that is

1727

01:20:20,510 --> 01:20:18,300

um

1728

01:20:23,990 --> 01:20:20,520

you know I I think it's very possible

1729

01:20:26,510 --> 01:20:24,000

that we are being uh watched

1730

01:20:28,430 --> 01:20:26,520

um you know maybe that's someone as a

1731

01:20:31,010 --> 01:20:28,440

thinking I might be going out there a

1732

01:20:33,830 --> 01:20:31,020

little bit uh on a limb

1733

01:20:36,590 --> 01:20:33,840

um by saying that but it does kind of

1734

01:20:39,410 --> 01:20:36,600

make you wonder if we're being uh

1735

01:20:41,270 --> 01:20:39,420

observed and and watched with all the

1736

01:20:44,750 --> 01:20:41,280

you know all the sightings that go on

1737

01:20:47,030 --> 01:20:44,760

and and the uh supposed a ton of

1738

01:20:50,149 --> 01:20:47,040

abductions that happen and all that it

1739

01:20:53,330 --> 01:20:50,159

just kind of makes you wonder what else

1740

01:20:56,090 --> 01:20:53,340

it could be really sure and many people

1741

01:20:57,709 --> 01:20:56,100

say that they're UFO sighting fits in

1742

01:21:00,169 --> 01:20:57,719

terms of the message

1743

01:21:03,430 --> 01:21:00,179

just like some people said are there

1744

01:21:05,990 --> 01:21:03,440

connections between the Extraterrestrial

1745

01:21:08,689 --> 01:21:06,000

experiences and the uh

1746

01:21:13,189 --> 01:21:08,699

um crop circles

1747

01:21:15,169 --> 01:21:13,199

and some UFO researchers don't want to

1748

01:21:17,330 --> 01:21:15,179

mix up those things they don't want they

1749

01:21:18,950 --> 01:21:17,340

don't want me to mix up ESP and

1750

01:21:22,130 --> 01:21:18,960

reincarnation

1751

01:21:24,410 --> 01:21:22,140

and messages along with the sightings

1752

01:21:27,410 --> 01:21:24,420

they you know that's just day one with

1753

01:21:31,130 --> 01:21:27,420

one thing uh the trouble is it's like

1754

01:21:33,050 --> 01:21:31,140

saying uh we want to stay with one Topic

1755

01:21:34,729 --> 01:21:33,060

in a college now what would that topic

1756

01:21:37,370 --> 01:21:34,739

be would that be science would that be

1757

01:21:38,530 --> 01:21:37,380

history would that be art would that be

1758

01:21:41,689 --> 01:21:38,540

music

1759

01:21:43,310 --> 01:21:41,699

no if you're going to study the college

1760

01:21:47,330 --> 01:21:43,320

or university you're gonna have to find

1761

01:21:49,250 --> 01:21:47,340

that uh there are many many many topics

1762

01:21:51,770 --> 01:21:49,260

and

1763

01:21:54,050 --> 01:21:51,780

someone wants to know now I've

1764

01:21:56,689 --> 01:21:54,060

I think I've only heard someone say an

1765

01:21:58,610 --> 01:21:56,699

account of this one time before but

1766

01:22:00,590 --> 01:21:58,620

someone wants to know have you ever

1767

01:22:04,610 --> 01:22:00,600

heard about

1768

01:22:06,229 --> 01:22:04,620

ET where they were dropping cars

1769

01:22:08,450 --> 01:22:06,239

I think I heard something about that in

1770

01:22:10,850 --> 01:22:08,460

a cornfield one time

1771

01:22:12,070 --> 01:22:10,860

dropping cars you mean like automobiles

1772

01:22:14,570 --> 01:22:12,080

right

1773

01:22:17,570 --> 01:22:14,580

I think there was a story about that in

1774

01:22:19,970 --> 01:22:17,580

some cornfield and some Farm where this

1775

01:22:22,669 --> 01:22:19,980

came over and a car was dropped from it

1776

01:22:25,669 --> 01:22:22,679

evidently picked up from somewhere else

1777

01:22:29,630 --> 01:22:25,679

oh interesting I'm not familiar with

1778

01:22:30,890 --> 01:22:29,640

that case but if I were to read it one

1779

01:22:35,810 --> 01:22:30,900

of the questions that would come to my

1780

01:22:39,110 --> 01:22:35,820

mind is uh was anybody in it right then

1781

01:22:40,790 --> 01:22:39,120

where was it picked up and and then you

1782

01:22:42,410 --> 01:22:40,800

know is there a connection is there a

1783

01:22:44,270 --> 01:22:42,420

message that's that's always the

1784

01:22:45,050 --> 01:22:44,280

question that comes to mind is there a

1785

01:22:47,870 --> 01:22:45,060

message

1786

01:22:49,850 --> 01:22:47,880

in the experience um

1787

01:22:52,729 --> 01:22:49,860

yeah right

1788

01:22:55,610 --> 01:22:52,739

um all the cases that you've researched

1789

01:22:58,550 --> 01:22:55,620

over the years is there anyone that

1790

01:23:02,030 --> 01:22:58,560

stands out to you where you you think of

1791

01:23:04,550 --> 01:23:02,040

it often like that was really something

1792

01:23:05,810 --> 01:23:04,560

well there have been so many I I don't

1793

01:23:09,649 --> 01:23:05,820

know you know like

1794

01:23:12,169 --> 01:23:09,659

like a woman who's from Canada cars she

1795

01:23:15,189 --> 01:23:12,179

wrote about her experiences so many

1796

01:23:19,130 --> 01:23:15,199

people are about their experiences uh

1797

01:23:21,110 --> 01:23:19,140

what stands out to me is not so much

1798

01:23:25,010 --> 01:23:21,120

the experience but how the person will

1799

01:23:26,990 --> 01:23:25,020

handle it just like in counseling when I

1800

01:23:28,850 --> 01:23:27,000

would work with a college student

1801

01:23:31,610 --> 01:23:28,860

there are some students who came in with

1802

01:23:35,229 --> 01:23:31,620

stories of poverty some discrimination

1803

01:23:39,890 --> 01:23:35,239

some people with sexual abuse with

1804

01:23:43,370 --> 01:23:39,900

verbal abuse or neglect there are all

1805

01:23:44,689 --> 01:23:43,380

kinds of stories of people who are

1806

01:23:48,310 --> 01:23:44,699

suffering

1807

01:23:54,050 --> 01:23:48,320

what intrigues me is when the person

1808

01:23:56,270 --> 01:23:54,060

uses the suffering not only to deal with

1809

01:23:59,870 --> 01:23:56,280

his or her situation but also to help

1810

01:24:02,990 --> 01:23:59,880

others and we find this over and over

1811

01:24:04,610 --> 01:24:03,000

and over that the people who in my

1812

01:24:07,729 --> 01:24:04,620

opinion are heroic

1813

01:24:11,390 --> 01:24:07,739

are the women or the men or the boys or

1814

01:24:14,630 --> 01:24:11,400

the girls who not only learn to help

1815

01:24:16,310 --> 01:24:14,640

themselves but learn to help others uh

1816

01:24:19,850 --> 01:24:16,320

on the tonight's

1817

01:24:21,830 --> 01:24:19,860

um on the news we see some of the

1818

01:24:25,729 --> 01:24:21,840

stories of people

1819

01:24:26,709 --> 01:24:25,739

who suffered injuries or loss of limb at

1820

01:24:30,050 --> 01:24:26,719

the Boston

1821

01:24:31,510 --> 01:24:30,060

Marathon when the bombs exploded

1822

01:24:34,250 --> 01:24:31,520

and

1823

01:24:38,450 --> 01:24:34,260

some of the families of some of the

1824

01:24:41,090 --> 01:24:38,460

people may feel hate toward the bombers

1825

01:24:44,689 --> 01:24:41,100

but many of people didn't Focus so much

1826
01:24:45,890 --> 01:24:44,699
on the bombers as they focused on how

1827
01:24:48,890 --> 01:24:45,900
they learned

1828
01:24:51,770 --> 01:24:48,900
how to get an artificial egg how to walk

1829
01:24:54,169 --> 01:24:51,780
and then how to help other people who

1830
01:24:56,990 --> 01:24:54,179
are learning how to walk and so those

1831
01:24:58,910 --> 01:24:57,000
are the stories that intrigue me not

1832
01:25:01,850 --> 01:24:58,920
only overcoming suffering but helping

1833
01:25:03,890 --> 01:25:01,860
others to deal with their suffering

1834
01:25:05,750 --> 01:25:03,900
right yeah

1835
01:25:08,450 --> 01:25:05,760
and I think

1836
01:25:12,890 --> 01:25:08,460
I think that is um you know part of our

1837
01:25:15,470 --> 01:25:12,900
culture and also part of how things work

1838
01:25:17,750 --> 01:25:15,480

is um for instance you know you were

1839

01:25:21,050 --> 01:25:17,760

talking earlier about free and other

1840

01:25:23,630 --> 01:25:21,060

associations like that where people can

1841

01:25:25,070 --> 01:25:23,640

share you know and and the gentleman you

1842

01:25:27,470 --> 01:25:25,080

were speaking to his legs were shaking

1843

01:25:29,689 --> 01:25:27,480

he was so nervous talking about it

1844

01:25:31,490 --> 01:25:29,699

um but those people are the people I

1845

01:25:34,130 --> 01:25:31,500

have talked to seem to get a real sense

1846

01:25:36,770 --> 01:25:34,140

of relief and if this was truly

1847

01:25:39,410 --> 01:25:36,780

happening to me I don't know

1848

01:25:43,430 --> 01:25:39,420

I don't know how I could you know live a

1849

01:25:47,090 --> 01:25:45,410

okay there's a

1850

01:25:48,770 --> 01:25:47,100

someone wants to know did you

1851
01:25:51,410 --> 01:25:48,780
investigate

1852
01:25:53,450 --> 01:25:51,420
um reproduction cases

1853
01:25:56,410 --> 01:25:53,460
yeah I've worked with the some people

1854
01:25:59,270 --> 01:25:56,420
who say that they have a hybrid child

1855
01:26:05,450 --> 01:25:59,280
some people report being

1856
01:26:08,229 --> 01:26:05,460
on Craft and seeing the hybrid children

1857
01:26:10,030 --> 01:26:08,239
um some people feel like they have had

1858
01:26:14,510 --> 01:26:10,040
sexual

1859
01:26:17,390 --> 01:26:14,520
encounters with ETS some feel that they

1860
01:26:19,970 --> 01:26:17,400
have served more as um I don't know what

1861
01:26:22,790 --> 01:26:19,980
you'd call it the implants that they

1862
01:26:24,229 --> 01:26:22,800
have become pregnant without sexual

1863
01:26:27,830 --> 01:26:24,239

activity

1864

01:26:30,950 --> 01:26:27,840

and then later the fetus was taken and

1865

01:26:32,350 --> 01:26:30,960

they were told by ETS that that their

1866

01:26:34,610 --> 01:26:32,360

child was

1867

01:26:37,250 --> 01:26:34,620

on board

1868

01:26:40,189 --> 01:26:37,260

and circling the planet

1869

01:26:41,570 --> 01:26:40,199

uh what some people have assumed I don't

1870

01:26:44,330 --> 01:26:41,580

know I don't know if this is true but

1871

01:26:47,030 --> 01:26:44,340

what some people have felt was that

1872

01:26:49,910 --> 01:26:47,040

this is a secondary program

1873

01:26:52,330 --> 01:26:49,920

the primary program is to help the

1874

01:26:54,770 --> 01:26:52,340

humans grow up and get ready for

1875

01:26:57,709 --> 01:26:54,780

returning to the Stars

1876

01:26:59,629 --> 01:26:57,719

the secondary program is if we don't if

1877

01:27:01,129 --> 01:26:59,639

we kill ourselves off when we destroy

1878

01:27:03,830 --> 01:27:01,139

the planet

1879

01:27:07,010 --> 01:27:03,840

or at least destroy Humanity then the

1880

01:27:08,350 --> 01:27:07,020

hybrid children would take over and they

1881

01:27:11,209 --> 01:27:08,360

would be able to

1882

01:27:13,370 --> 01:27:11,219

replenish the planet

1883

01:27:16,669 --> 01:27:13,380

I don't know if that's true or not but

1884

01:27:18,590 --> 01:27:16,679

it's an interesting view that it's not a

1885

01:27:20,750 --> 01:27:18,600

primary program but a secondary program

1886

01:27:22,189 --> 01:27:20,760

well they'd have to live with radiation

1887

01:27:26,930 --> 01:27:22,199

because that's probably the way it would

1888

01:27:28,550 --> 01:27:26,940

go out yeah probably so yeah and um you

1889

01:27:31,070 --> 01:27:28,560

know we were talking about that earlier

1890

01:27:32,870 --> 01:27:31,080

and that's uh

1891

01:27:35,750 --> 01:27:32,880

um I think there was a

1892

01:27:38,330 --> 01:27:35,760

some documentary I was watching about

1893

01:27:40,910 --> 01:27:38,340

the nukes and you know we have certainly

1894

01:27:43,189 --> 01:27:40,920

we have cut them down but

1895

01:27:45,290 --> 01:27:43,199

um I think it's just like 20 times we

1896

01:27:49,250 --> 01:27:45,300

can blow ourselves up it's it's scary

1897

01:27:53,030 --> 01:27:49,260

and and all it's going to take is some

1898

01:27:55,790 --> 01:27:53,040

misread situation or a third world

1899

01:27:57,530 --> 01:27:55,800

country or whatever it is you know

1900

01:28:00,830 --> 01:27:57,540

engaging

1901

01:28:03,250 --> 01:28:00,840

uh it is a it is scary times and you

1902

01:28:06,530 --> 01:28:03,260

know there's nothing we can do to

1903

01:28:08,270 --> 01:28:06,540

unring the bell and oh yes oh yes there

1904

01:28:09,490 --> 01:28:08,280

are things we can do are you familiar

1905

01:28:13,189 --> 01:28:09,500

with

1906

01:28:16,669 --> 01:28:13,199

no let's hear about that there's a book

1907

01:28:18,410 --> 01:28:16,679

called zero limits zero limits by a guy

1908

01:28:22,390 --> 01:28:18,420

named Joe vital

1909

01:28:25,850 --> 01:28:22,400

in Italy it'd be Vitale and Joe vitel

1910

01:28:29,770 --> 01:28:25,860

tells the story of Dr Hugh Lynn

1911

01:28:32,870 --> 01:28:29,780

a PHD psychologist uh Japanese American

1912

01:28:39,530 --> 01:28:32,880

who was living in Hawaii

1913

01:28:41,629 --> 01:28:39,540

and Dr Lynn uh borrowed uh a process

1914

01:28:46,610 --> 01:28:41,639

from a woman

1915

01:28:49,669 --> 01:28:46,620

a wine when she used ho opponopono in

1916

01:28:53,390 --> 01:28:49,679

dealing with contentious family issues

1917

01:28:56,330 --> 01:28:53,400

people who were quarreling with their

1918

01:28:58,669 --> 01:28:56,340

family members and

1919

01:29:01,030 --> 01:28:58,679

so he developed kind of an

1920

01:29:06,590 --> 01:29:01,040

individualized approach

1921

01:29:08,689 --> 01:29:06,600

to use it the story goes that he would

1922

01:29:09,950 --> 01:29:08,699

sit in his office and he'd look at the

1923

01:29:12,709 --> 01:29:09,960

chart

1924

01:29:13,910 --> 01:29:12,719

of an inmate he was in a criminally

1925

01:29:17,149 --> 01:29:13,920

insane

1926

01:29:18,410 --> 01:29:17,159

award in hospital so there'd be rapists

1927

01:29:22,729 --> 01:29:18,420

or killers

1928

01:29:25,430 --> 01:29:22,739

who were housed in the ward in the

1929

01:29:28,490 --> 01:29:25,440

prison and he would look at the chart of

1930

01:29:31,310 --> 01:29:28,500

a killer or a rapist or whoever and he

1931

01:29:34,490 --> 01:29:31,320

would send a message

1932

01:29:37,970 --> 01:29:34,500

to the universe and to the

1933

01:29:40,689 --> 01:29:37,980

individual soul of the person

1934

01:29:43,790 --> 01:29:40,699

primarily for himself

1935

01:29:45,830 --> 01:29:43,800

he would he would look at the photo he'd

1936

01:29:49,430 --> 01:29:45,840

say I love you

1937

01:29:51,950 --> 01:29:49,440

I'm so sorry for my perception of you

1938

01:29:53,930 --> 01:29:51,960

please forgive me thank you in other

1939

01:29:55,790 --> 01:29:53,940

words he was saying I perceive you as a

1940

01:29:57,169 --> 01:29:55,800

criminal I perceive you as a killer or

1941

01:29:59,750 --> 01:29:57,179

rapist or whatever

1942

01:30:02,149 --> 01:29:59,760

but I'm sorry for my perception his

1943

01:30:06,110 --> 01:30:02,159

thesis is that um

1944

01:30:09,229 --> 01:30:06,120

he is responsible for his perceptions as

1945

01:30:12,590 --> 01:30:09,239

well as his actions now in our society

1946

01:30:15,590 --> 01:30:12,600

we uh we think we are good because we

1947

01:30:17,890 --> 01:30:15,600

are responsible for our actions if I

1948

01:30:20,330 --> 01:30:17,900

step on your toe and I break it well

1949

01:30:22,910 --> 01:30:20,340

your friends would say hey Leo come on

1950

01:30:24,649 --> 01:30:22,920

pay the medical bill for uh Martin

1951

01:30:25,490 --> 01:30:24,659

because you stepped on his toe and you

1952

01:30:30,229 --> 01:30:25,500

broke it

1953

01:30:34,310 --> 01:30:30,239

well if I have a perception of you that

1954

01:30:38,629 --> 01:30:34,320

is bothersome to me then I can use Polo

1955

01:30:41,450 --> 01:30:38,639

to deal with my perception so uh

1956

01:30:43,430 --> 01:30:41,460

what happened was intriguing

1957

01:30:46,550 --> 01:30:43,440

not only did he feel better about

1958

01:30:49,790 --> 01:30:46,560

himself working with these guys

1959

01:30:50,870 --> 01:30:49,800

but also according to observers after a

1960

01:30:52,970 --> 01:30:50,880

few weeks

1961

01:30:56,209 --> 01:30:52,980

and after a few months the shackles came

1962

01:30:57,950 --> 01:30:56,219

off the medications went down

1963

01:30:59,390 --> 01:30:57,960

the staff would come to work they were

1964

01:31:01,250 --> 01:30:59,400

no longer threatened or attacked and

1965

01:31:03,830 --> 01:31:01,260

then after four or five years the award

1966

01:31:06,890 --> 01:31:03,840

was closed there are still some common

1967

01:31:09,470 --> 01:31:06,900

criminals who were sent to other prisons

1968

01:31:12,169 --> 01:31:09,480

but they were no longer insane

1969

01:31:16,729 --> 01:31:12,179

so here's a beautiful

1970

01:31:18,370 --> 01:31:16,739

process and to me it not only fits in

1971

01:31:21,530 --> 01:31:18,380

mystical

1972

01:31:25,610 --> 01:31:21,540

religious spiritual views but it also

1973

01:31:27,649 --> 01:31:25,620

fits the modern quantum physics world of

1974

01:31:31,810 --> 01:31:27,659

uh the physically say that everything is

1975

01:31:34,490 --> 01:31:31,820

connected if a person feels that the

1976

01:31:37,550 --> 01:31:34,500

people who are holding on to the secrets

1977

01:31:41,350 --> 01:31:37,560

of the ETS and the from the people who

1978

01:31:44,750 --> 01:31:41,360

are holding on to their fear of

1979

01:31:45,830 --> 01:31:44,760

encroachment by ETS or by their

1980

01:31:47,450 --> 01:31:45,840

neighboring

1981

01:31:49,070 --> 01:31:47,460

uh

1982

01:31:50,470 --> 01:31:49,080

Nations

1983

01:31:53,629 --> 01:31:50,480

they can use

1984

01:31:55,550 --> 01:31:53,639

I love you I'm so sorry for my

1985

01:31:59,510 --> 01:31:55,560

perception of you you you

1986

01:32:02,890 --> 01:31:59,520

jerkhead please forgive me thank you

1987

01:32:06,110 --> 01:32:02,900

so the process

1988

01:32:07,850 --> 01:32:06,120

is meant to assist the person who's

1989

01:32:10,910 --> 01:32:07,860

going through it

1990

01:32:12,890 --> 01:32:10,920

but it seems as if the process helps the

1991

01:32:14,450 --> 01:32:12,900

rest of us too

1992

01:32:17,209 --> 01:32:14,460

um

1993

01:32:21,290 --> 01:32:17,219

have you through your long career in

1994

01:32:23,570 --> 01:32:21,300

this or or study or interest have you

1995

01:32:26,990 --> 01:32:23,580

ever been frustrated the way things are

1996

01:32:28,490 --> 01:32:27,000

going or you sort of got out of it for a

1997

01:32:30,770 --> 01:32:28,500

while or if you've been steady at it

1998

01:32:34,669 --> 01:32:30,780

ever since

1999

01:32:39,169 --> 01:32:34,679

I'll continue with it uh the

2000

01:32:41,810 --> 01:32:39,179

the frustration uh that I would feel as

2001
01:32:43,729 --> 01:32:41,820
a human is there just like when I was

2002
01:32:45,470 --> 01:32:43,739
told that I couldn't be professor of

2003
01:32:48,290 --> 01:32:45,480
psychology so I became professor of

2004
01:32:50,510 --> 01:32:48,300
counseling services and just like I was

2005
01:32:52,729 --> 01:32:50,520
told don't do

2006
01:32:54,169 --> 01:32:52,739
reincarnation research or UFO research

2007
01:32:57,110 --> 01:32:54,179
during the office hours so I'll do it

2008
01:32:58,729 --> 01:32:57,120
after hours then when I left I was told

2009
01:33:01,330 --> 01:32:58,739
you know I left the university I said

2010
01:33:05,390 --> 01:33:01,340
okay I can't continue

2011
01:33:08,050 --> 01:33:05,400
because the pressure was not only

2012
01:33:13,729 --> 01:33:08,060
to not do my research

2013
01:33:18,590 --> 01:33:13,739

the pressure was on me as a person and

2014

01:33:21,530 --> 01:33:18,600

so I would say to people and I left the

2015

01:33:26,530 --> 01:33:21,540

university and went into a private

2016

01:33:29,450 --> 01:33:26,540

practice so uh it and

2017

01:33:32,450 --> 01:33:29,460

it's better from my standpoint for me

2018

01:33:35,870 --> 01:33:32,460

not to dwell too much on hate and fear

2019

01:33:37,750 --> 01:33:35,880

for me I was taught as a Christian boy

2020

01:33:40,910 --> 01:33:37,760

that you should

2021

01:33:42,530 --> 01:33:40,920

dwell on love and compassion

2022

01:33:44,390 --> 01:33:42,540

right right

2023

01:33:48,290 --> 01:33:44,400

um on the message board someone wanted

2024

01:33:50,510 --> 01:33:48,300

to know that um they heard that someone

2025

01:33:53,570 --> 01:33:50,520

talked to heineck

2026

01:33:56,390 --> 01:33:53,580

um someone from the dead I'm trying to

2027

01:33:58,910 --> 01:33:56,400

understand that exactly stating that ETS

2028

01:34:02,149 --> 01:33:58,920

were not what we think

2029

01:34:03,350 --> 01:34:02,159

and uh what the heck are they then type

2030

01:34:05,090 --> 01:34:03,360

of thing

2031

01:34:09,169 --> 01:34:05,100

that's interesting and that may be true

2032

01:34:12,110 --> 01:34:09,179

but I myself uh when I talked with Alan

2033

01:34:15,169 --> 01:34:12,120

Heineken and I was on a board we'd meet

2034

01:34:17,390 --> 01:34:15,179

each year to discuss cases I don't

2035

01:34:20,330 --> 01:34:17,400

remember him saying anything to the rest

2036

01:34:22,970 --> 01:34:20,340

of us along that line but it may be true

2037

01:34:25,250 --> 01:34:22,980

so what was he like um to work he was

2038

01:34:28,070 --> 01:34:25,260

interesting oh he was very bright and

2039

01:34:30,410 --> 01:34:28,080

very Charming a gentleman

2040

01:34:34,189 --> 01:34:30,420

a quiet sense of humor

2041

01:34:38,149 --> 01:34:34,199

um and I enjoyed the work when he left

2042

01:34:42,169 --> 01:34:38,159

the group well it was no longer the same

2043

01:34:43,729 --> 01:34:42,179

um he died in 85 and it was intriguing

2044

01:34:47,830 --> 01:34:43,739

because he and

2045

01:34:50,990 --> 01:34:47,840

his Jacques valet also another PhD

2046

01:34:53,149 --> 01:34:51,000

astronomer they

2047

01:34:56,110 --> 01:34:53,159

they talked about the UFO experience

2048

01:35:01,250 --> 01:34:56,120

they

2049

01:35:02,930 --> 01:35:01,260

covered more things than just quote

2050

01:35:05,209 --> 01:35:02,940

abductions unquote you know people

2051
01:35:06,830 --> 01:35:05,219
feeling like they were taken away they

2052
01:35:09,950 --> 01:35:06,840
they worked with a lot of different

2053
01:35:11,830 --> 01:35:09,960
kinds of people and felt like there were

2054
01:35:13,669 --> 01:35:11,840
more messages

2055
01:35:16,189 --> 01:35:13,679
that were

2056
01:35:18,470 --> 01:35:16,199
available and valet of course had a more

2057
01:35:22,850 --> 01:35:18,480
historical point of view

2058
01:35:26,030 --> 01:35:22,860
and many UFO researchers and so he he

2059
01:35:30,590 --> 01:35:26,040
saw some of these kinds of stories

2060
01:35:33,290 --> 01:35:30,600
in cultural moresian cultural themes

2061
01:35:35,510 --> 01:35:33,300
much more open than the average

2062
01:35:38,510 --> 01:35:35,520
researcher

2063
01:35:40,790 --> 01:35:38,520

oh I see um you know we only have uh we

2064

01:35:43,669 --> 01:35:40,800

only have a minute left so real real

2065

01:35:46,430 --> 01:35:43,679

quickly that was supposedly that someone

2066

01:35:47,450 --> 01:35:46,440

had channeled high neck after he died I

2067

01:35:49,430 --> 01:35:47,460

don't know if you ever heard anything

2068

01:35:50,990 --> 01:35:49,440

did you ever hear anything about that no

2069

01:35:52,490 --> 01:35:51,000

I haven't but I'd be glad to hear about

2070

01:35:54,530 --> 01:35:52,500

it you know yeah no I don't have any

2071

01:35:58,189 --> 01:35:54,540

information on it's just that this was

2072

01:35:58,850 --> 01:35:58,199

up on the message board this has been

2073

01:36:01,370 --> 01:35:58,860

um

2074

01:36:02,390 --> 01:36:01,380

a real pleasure I consider you you know

2075

01:36:04,910 --> 01:36:02,400

an icon

2076

01:36:06,890 --> 01:36:04,920

um you know like I said your name has

2077

01:36:08,990 --> 01:36:06,900

been in print everywhere and I've heard

2078

01:36:10,669 --> 01:36:09,000

your name over and over countless times

2079

01:36:12,530 --> 01:36:10,679

and

2080

01:36:13,970 --> 01:36:12,540

um so it's been a real pleasure talking

2081

01:36:15,590 --> 01:36:13,980

to you tonight well it's a pleasure

2082

01:36:17,450 --> 01:36:15,600

talking with you you allowed me to speak

2083

01:36:20,810 --> 01:36:17,460

freely and I appreciate that thank you

2084

01:36:22,790 --> 01:36:20,820

well it's um it's always nice speaking

2085

01:36:25,129 --> 01:36:22,800

to people that are intelligent and have

2086

01:36:27,649 --> 01:36:25,139

an open mind I think

2087

01:36:31,430 --> 01:36:27,659

um I think it's um you know and we still

2088

01:36:33,470 --> 01:36:31,440

have no real answer but it's um it

2089

01:36:35,149 --> 01:36:33,480

really is uh interesting to hear the

2090

01:36:38,689 --> 01:36:35,159

different points of view

2091

01:36:40,010 --> 01:36:38,699

yes indeed all right well I want to

2092

01:36:42,070 --> 01:36:40,020

thank everyone for helping out with the

2093

01:36:44,930 --> 01:36:42,080

show tonight this is Martin Willis

2094

01:36:49,170 --> 01:36:44,940

reminding you to keep your eyes to the
