

# Truckers Report Attack by Bird-like Creatures From a UFO

May 7, 2023 admin

by Charles Lear, author of "The Flying Saucer Investigators."

1984 was a serious year in UFOlogy. Researchers were taking advantage of a more efficient and accessible process for putting in FOIA requests and finding documents showing that agencies such as the FBI and CIA did have some involvement with UFOs despite statements to the contrary. The Hudson Valley wave was in full swing, and the British UFO Research Association got ahold of the tape recording made by Col. Charles Halt on one of the nights when UFOs were seen in Rendlesham Forest. With so much evidence that there was something to the mystery and official interest in it coming to light, the reporting on the UFO subject took a turn away from ridicule, and the press started being serious about

UFOs as well. In the midst of this, there was a case that many researchers might find worthy of ridicule, and it's probable that researchers of the day did as well because it came and went and remains obscure, but the reporting on it was straight forward and restrained. [Read more →](#)

1984 was a serious year in ufology

researchers were taking advantage of a

00:01:10,490 --> 00:01:08,580

seen in Rendlesham forest with so much

18

00:01:12,530 --> 00:01:10,500

evidence that there was something to the

19

00:01:14,810 --> 00:01:12,540

mystery an official interest in it

20

00:01:17,270 --> 00:01:14,820

coming to light the reporting on the UFO

21

00:01:19,010 --> 00:01:17,280

subject took a turn away from ridicule

22

00:01:21,890 --> 00:01:19,020

and the Press started being serious

23

00:01:24,170 --> 00:01:21,900

about UFOs as well in the midst of this

24

00:01:26,450 --> 00:01:24,180

there was a case that many researchers

25

00:01:28,550 --> 00:01:26,460

might find worthy of ridicule and it's

26

00:01:30,530 --> 00:01:28,560

probable that researchers of the day did

27

00:01:32,870 --> 00:01:30,540

as well because it came and went and

28

00:01:35,090 --> 00:01:32,880

remains obscure but the reporting on it

29

00:01:36,950 --> 00:01:35,100

was straightforward and restrained there

30

00:01:39,890 --> 00:01:36,960

was an incident in Sauk Center Minnesota

31

00:01:42,530 --> 00:01:39,900

reported in at least two papers the

32

00:01:45,890 --> 00:01:42,540

headlined UFO alien Birds attack truck

39

00:02:02,030 --> 00:02:00,000

lamper's article is the more

40

00:02:03,950 --> 00:02:02,040

comprehensive of the two the two

41

00:02:07,789 --> 00:02:03,960

principles of the case are Robert Blair

42

00:02:09,650 --> 00:02:07,799

45 and his wife Jackie 21 who teamed up

43

00:02:11,690 --> 00:02:09,660

as professional truck drivers for the

44

00:02:14,449 --> 00:02:11,700

Davis Transport company in Yakima

45

00:02:16,610 --> 00:02:14,459

Washington according to lanfir Dorothy

46

00:02:19,430 --> 00:02:16,620

Sills the office manager at truckers Inn

47

00:02:22,250 --> 00:02:19,440

in Salk Center said the Blairs came into

48

00:02:23,809 --> 00:02:22,260

the station all upset and excited and

49

00:02:26,030 --> 00:02:23,819

said they weren't going any further

50

00:02:28,490 --> 00:02:26,040

because the UFO was shooting at them

51  
00:02:30,170 --> 00:02:28,500  
this was after they'd parked the tanker

52  
00:02:32,089 --> 00:02:30,180  
truck full of vegetable fat they were

53  
00:02:34,430 --> 00:02:32,099  
driving according to them they were

54  
00:02:37,130 --> 00:02:34,440  
attacked near Billings Montana by in

55  
00:02:39,650 --> 00:02:37,140  
lamper's words bird-like creatures from

56  
00:02:41,990 --> 00:02:39,660  
a spaceship they said the creatures were

57  
00:02:44,270 --> 00:02:42,000  
about eight inches tall with human legs

58  
00:02:46,250 --> 00:02:44,280  
and v-shaped heads and that they had

59  
00:02:48,830 --> 00:02:46,260  
followed them and were now surrounding

60  
00:02:52,009 --> 00:02:48,840  
their truck the Blairs asked to use the

61  
00:02:53,809 --> 00:02:52,019  
telephone sill said it was strange we

62  
00:02:56,570 --> 00:02:53,819  
couldn't see what they were seeing let's

63  
00:02:59,030 --> 00:02:56,580

put it that way Sauk Center Police Chief

64

00:03:00,770 --> 00:02:59,040

George tree Waller said he got a call

65

00:03:03,710 --> 00:03:00,780

from the general manager of Davis

66

00:03:06,110 --> 00:03:03,720

Transport Inc Tim Ketchum the company

67

00:03:08,030 --> 00:03:06,120

was based in Yakima Washington and

68

00:03:09,650 --> 00:03:08,040

according to Ketchum the players had

69

00:03:11,990 --> 00:03:09,660

been driving for the company for a

70

00:03:14,149 --> 00:03:12,000

couple of months Trio wheeler said that

71

00:03:16,070 --> 00:03:14,159

Ketchum asked him to check on a pair of

72

00:03:17,589 --> 00:03:16,080

drivers at the Getty station but

73

00:03:20,210 --> 00:03:17,599

wouldn't say why over the phone

74

00:03:22,430 --> 00:03:20,220

according to Trier Weller the Blairs

75

00:03:24,530 --> 00:03:22,440

told him that a bubble-shaped spaceship

76  
00:03:26,869 --> 00:03:24,540  
crashed down on the road next to them

77  
00:03:29,390 --> 00:03:26,879  
and a peanut-shaped cylinder came out

78  
00:03:31,610 --> 00:03:29,400  
the creatures came out of the cylinder

79  
00:03:33,949 --> 00:03:31,620  
and followed them from Billings to Salk

80  
00:03:35,750 --> 00:03:33,959  
Center as metal filings were shot at the

81  
00:03:37,850 --> 00:03:35,760  
truck they said there were filings

82  
00:03:40,190 --> 00:03:37,860  
embedded in the windshield but true

83  
00:03:42,170 --> 00:03:40,200  
Willard didn't see any when he checked

84  
00:03:43,729 --> 00:03:42,180  
though he did see some inside the truck

85  
00:03:45,710 --> 00:03:43,739  
he thought there might have been some

86  
00:03:48,110 --> 00:03:45,720  
work done on the truck according to

87  
00:03:50,509 --> 00:03:48,120  
lamper trierwiller returned with State

88  
00:03:52,850 --> 00:03:50,519

Patrol Sergeant Fred court and had him

89

00:03:54,470 --> 00:03:52,860

inspect the truck as well the Blairs

90

00:03:56,690 --> 00:03:54,480

said there were creatures on top of the

91

00:03:59,030 --> 00:03:56,700

telephone Pole's standing guard but the

92

00:04:00,830 --> 00:03:59,040

officers couldn't see them trierwiller

93

00:04:02,930 --> 00:04:00,840

said I know there are certain things

94

00:04:05,210 --> 00:04:02,940

that you can't see that you're supposed

95

00:04:06,830 --> 00:04:05,220

to believe like the Lord but when

96

00:04:09,170 --> 00:04:06,840

someone starts telling me there are bird

97

00:04:12,110 --> 00:04:09,180

creatures on top of the lampposts at the

98

00:04:14,869 --> 00:04:12,120

Getty station and I can't see them in my

99

00:04:17,270 --> 00:04:14,879

mind it's not there according to Sills

100

00:04:19,849 --> 00:04:17,280

the Blairs were quiet clean and dressed

101  
00:04:22,009 --> 00:04:19,859  
neatly she said that at one point Robert

102  
00:04:24,830 --> 00:04:22,019  
Blair pointed at a telephone pole and

103  
00:04:27,590 --> 00:04:24,840  
shouted here comes another one now and

104  
00:04:29,510 --> 00:04:27,600  
docked Sills said they seemed to believe

105  
00:04:32,090 --> 00:04:29,520  
what they were saying according to

106  
00:04:34,249 --> 00:04:32,100  
lamper the Blair stayed overnight at a

107  
00:04:36,170 --> 00:04:34,259  
motel and told a reporter there that

108  
00:04:37,790 --> 00:04:36,180  
writing had appeared on Jackie Blair's

109  
00:04:40,249 --> 00:04:37,800  
leg and that there were metal shape

110  
00:04:42,290 --> 00:04:40,259  
Savings in the room Robert cribble

111  
00:04:44,810 --> 00:04:42,300  
founder of the National UFO Reporting

112  
00:04:47,150 --> 00:04:44,820  
Center said the blares had filed a

113  
00:04:49,010 --> 00:04:47,160

report with his organization he said

114

00:04:51,770 --> 00:04:49,020

there was a report of a large bright

115

00:04:53,930 --> 00:04:51,780

object in the sky over South Dakota but

116

00:04:56,930 --> 00:04:53,940

no reports of peanut-shaped cylinders

117

00:04:59,510 --> 00:04:56,940

according to lamper the driver was flown

118

00:05:01,490 --> 00:04:59,520

in from Yakima by Davis transport and

119

00:05:04,129 --> 00:05:01,500

the Blairs left with him in the truck

120

00:05:06,710 --> 00:05:04,139

according to Cotter in the examiner the

121

00:05:09,290 --> 00:05:06,720

driver was sent in to take control of

122

00:05:11,870 --> 00:05:09,300

the truck and the Blairs flew back to

123

00:05:14,090 --> 00:05:11,880

Washington Ketchum is quoted by Lampard

124

00:05:16,730 --> 00:05:14,100

describing the Blairs as plain old

125

00:05:18,050 --> 00:05:16,740

everyday folks he added they're not

126

00:05:20,870 --> 00:05:18,060

crazies
