[Music]

3
00:01:06,350 --> 00:01:04,250
hello and welcome to the show on Martin

4
00:01:08,630 --> 00:01:06,360
Willis your host and we have a great

5
00:01:10,570 --> 00:01:08,640
show for you tonight I love this guest

6
00:01:15,410 --> 00:01:10,580
Kevin Randall he's been on many times

7
00:01:17,030 --> 00:01:15,420
and I often go to Kevin's blogs

8
00:01:19,370 --> 00:01:17,040
um when I want to you know look things

9
00:01:21,289 --> 00:01:19,380
over and like something's new to me or

10
00:01:23,990 --> 00:01:21,299
whatever and I want to check it out and

11
00:01:27,910 --> 00:01:24,000
I often uh go there and a different

12
00:01:30,890 --> 00:01:27,920
perspective and it's uh Kevin

13
00:01:32,450 --> 00:01:30,900

randall.blogspot.com and so we're going

14

00:01:36,649 --> 00:01:32,460

to be talking about a couple different

15

00:01:38,270 --> 00:01:36,659

things and what I did tell Uh Kevin this

16

00:01:39,649 --> 00:01:38,280

is uh what I did tell Kevin is that I

17

00:01:42,289 --> 00:01:39,659

didn't want to talk about

18

00:01:44,390 --> 00:01:42,299

ahead of time his opinion on the late

19

00:01:46,850 --> 00:01:44,400

breaking news I wanted to talk about it

20

00:01:49,429 --> 00:01:46,860

fresh uh as soon as he's on the show so

21

00:01:52,249 --> 00:01:49,439

we're going to do that our

22

00:01:54,830 --> 00:01:52,259

our blog this week by Kevin Lear is part

23

00:01:58,730 --> 00:01:54,840

two of did Einstein inspected crashed

24

00:02:00,590 --> 00:01:58,740

UFO and aliens at Roswell part two and

25

00:02:02,810 --> 00:02:00,600

next week

26

00:02:05,030 --> 00:02:02,820

um he's going to have the final uh

27

00:02:08,870 --> 00:02:05,040

version of that the final segment and

28

00:02:10,969 --> 00:02:08,880

that is going to be about a tape uh that

29

00:02:13,490 --> 00:02:10,979

is very interesting and I'm not saying

30

00:02:16,190 --> 00:02:13,500

that I'm not saying that he's thinking

31

00:02:18,949 --> 00:02:16,200

or that any one of us are thinking that

32

00:02:20,630 --> 00:02:18,959

that really happened it's just a rumor

33

00:02:22,850 --> 00:02:20,640

that's been going around

34

00:02:25,309 --> 00:02:22,860

some of the people that I've had out

35

00:02:27,350 --> 00:02:25,319

there and had other rumors started or

36

00:02:28,910 --> 00:02:27,360

things that weren't so accurate may have

37

00:02:31,309 --> 00:02:28,920

been involved in starting that so I

38

00:02:33,530 --> 00:02:31,319

don't know what's going on and uh so the

39

00:02:36,650 --> 00:02:33,540

final uh segment of that will be next

40

00:02:38,330 --> 00:02:36,660

week uh Kevin Randall has I can't

41

00:02:40,070 --> 00:02:38,340

remember how many I think it's a hundred

42

00:02:43,970 --> 00:02:40,080

books or more he's written it something

43

00:02:47,750 --> 00:02:43,980

like that uh very prolific author and he

44

00:02:50,509 --> 00:02:47,760

has a uh an updated version of his 2000

45

00:02:53,270 --> 00:02:50,519

uh book and it's about UFOs over

46

00:02:56,930 --> 00:02:53,280

Washington DC that happened back in 1952

47

00:02:58,790 --> 00:02:56,940

and we'll be discussing that as well and

48

00:03:01,070 --> 00:02:58,800

thank you all the people that support

49

00:03:03,130 --> 00:03:01,080

the show anyone can do that the

50

00:03:07,009 --> 00:03:03,140

information's on our website podcast

51
00:03:09,949 --> 00:03:07,019
ufo.com and here we go with Kevin

52
00:03:12,229 --> 00:03:09,959
welcome Kevin well thank you I'm glad to

53
00:03:14,750 --> 00:03:12,239
be here once again that's right I think

54
00:03:16,850 --> 00:03:14,760
the last time you were on wasn't it my

55
00:03:18,890 --> 00:03:16,860
10th anniversary so it's been a little

56
00:03:22,449 --> 00:03:18,900
while it's been a while but there's been

57
00:03:28,910 --> 00:03:25,309
periodically yes that's right that's

58
00:03:31,630 --> 00:03:28,920
right yeah but welcome back and uh so as

59
00:03:34,610 --> 00:03:31,640
I mentioned in the beginning of the show

60
00:03:38,089 --> 00:03:34,620
uh that you and I have not discussed

61
00:03:40,250 --> 00:03:38,099
your thoughts on The Whistleblower and I

62
00:03:42,410 --> 00:03:40,260
have no idea what you think I do tell

63
00:03:46,250 --> 00:03:42,420

people a lot of times that you know you

64

00:03:49,250 --> 00:03:46,260

really take a uh perspective of uh

65

00:03:51,890 --> 00:03:49,260

Clarity and also you're very cautious

66

00:03:55,009 --> 00:03:51,900

when you look at a lot of things and

67

00:03:57,470 --> 00:03:55,019

someone wrote me the other day like um

68

00:04:00,229 --> 00:03:57,480

kind of in I don't want to say kind of

69

00:04:03,110 --> 00:04:00,239

they were a little upset at something I

70

00:04:04,610 --> 00:04:03,120

said during the show perhaps

71

00:04:06,649 --> 00:04:04,620

um and they said well you should get

72

00:04:08,570 --> 00:04:06,659

Kevin Randall on to talk about Roswell

73

00:04:10,550 --> 00:04:08,580

and they said well you don't really know

74

00:04:12,350 --> 00:04:10,560

what Kevin's latest view on Roswell is

75

00:04:13,850 --> 00:04:12,360

so maybe we'll ask I'll ask you that

76

00:04:16,310 --> 00:04:13,860

question

77

00:04:18,770 --> 00:04:16,320

well I've pretty well uh

78

00:04:19,969 --> 00:04:18,780

explained my views on Roswell in the

79

00:04:22,550 --> 00:04:19,979

last few months they did a book called

80

00:04:25,850 --> 00:04:22,560

of course Roswell in the 21st century

81

00:04:27,050 --> 00:04:25,860

which looked at it with lots and lots of

82

00:04:28,670 --> 00:04:27,060

footnotes and where all the information

83

00:04:31,550 --> 00:04:28,680

came from and then I did another book

84

00:04:33,710 --> 00:04:31,560

called understanding Roswell which kind

85

00:04:37,010 --> 00:04:33,720

of modified the the first book and I

86

00:04:41,210 --> 00:04:39,469

I I guess my unhappiness with the

87

00:04:42,950 --> 00:04:41,220

weather Roswell case had gone when I

88

00:04:44,749 --> 00:04:42,960

wrote uh

89

00:04:47,030 --> 00:04:44,759

Roswell in the 21st century people

90

00:04:48,590 --> 00:04:47,040

thought I was repudiating the Roswell

91

00:04:50,450 --> 00:04:48,600

case and it really wasn't that I was

92

00:04:52,249 --> 00:04:50,460

really saying that the

93

00:04:54,530 --> 00:04:52,259

data that we have the information that

94

00:04:56,570 --> 00:04:54,540

we had the witnesses the the

95

00:04:59,150 --> 00:04:56,580

documentation was not as robust as it

96

00:05:00,890 --> 00:04:59,160

had been 10 or 15 years earlier because

97

00:05:03,409 --> 00:05:00,900

we'd learned some of the Witnesses were

98

00:05:04,790 --> 00:05:03,419

less than candid with us and there were

99

00:05:07,370 --> 00:05:04,800

other people interjecting themselves

100

00:05:09,590 --> 00:05:07,380

into the case that made it um

101
00:05:11,629 --> 00:05:09,600
or took us in directions we didn't need

102
00:05:14,030 --> 00:05:11,639
to go but what I was really saying we

103
00:05:15,830 --> 00:05:14,040
just did where I once was absolutely

104
00:05:17,150 --> 00:05:15,840
convinced it was extraterrestrial I had

105
00:05:18,469 --> 00:05:17,160
taken a step back from that and said

106
00:05:20,749 --> 00:05:18,479
well

107
00:05:22,909 --> 00:05:20,759
the the evidence

108
00:05:26,029 --> 00:05:22,919
doesn't prove the Extraterrestrial I

109
00:05:28,550 --> 00:05:26,039
tilt in that direction because when you

110
00:05:31,189 --> 00:05:28,560
look for the explanation of what Phelan

111
00:05:32,450 --> 00:05:31,199
Roswell there's nothing terrestrial that

112
00:05:33,590 --> 00:05:32,460
you can find everything's been

113
00:05:36,170 --> 00:05:33,600

eliminated

114

00:05:38,210 --> 00:05:36,180

and then do you automatically go to the

115

00:05:40,249 --> 00:05:38,220

Extraterrestrial and is that the proper

116

00:05:41,390 --> 00:05:40,259

way way to do this and and I was saying

117

00:05:44,090 --> 00:05:41,400

now I want something a little more

118

00:05:46,010 --> 00:05:44,100

concrete than just this leap of logic we

119

00:05:48,469 --> 00:05:46,020

cannot find an explanation here on Earth

120

00:05:50,270 --> 00:05:48,479

therefore it must be and I'm I'm

121

00:05:51,409 --> 00:05:50,280

thinking there may be something and I

122

00:05:53,390 --> 00:05:51,419

don't know what it would be and I don't

123

00:05:55,330 --> 00:05:53,400

know why it's to be classified some 75

124

00:05:57,950 --> 00:05:55,340

years later but

125

00:05:59,570 --> 00:05:57,960

there may be something that was going on

126

00:06:01,430 --> 00:05:59,580

in Roswell that we didn't know about

127

00:06:03,290 --> 00:06:01,440

that would explain it completely and

128

00:06:05,150 --> 00:06:03,300

totally unlike the nonsensical project

129

00:06:07,370 --> 00:06:05,160

Mogul explanation they came up with

130

00:06:08,570 --> 00:06:07,380

right but I don't know what that would

131

00:06:10,070 --> 00:06:08,580

be and I don't know why it would still

132

00:06:11,450 --> 00:06:10,080

be classified and I don't know why the

133

00:06:13,370 --> 00:06:11,460

Air Force wouldn't have trotted that out

134

00:06:16,730 --> 00:06:13,380

in 1995 so we all could have said well

135

00:06:18,110 --> 00:06:16,740

yeah there you go we're done so I look

136

00:06:19,430 --> 00:06:18,120

at all of that stuff I look at the

137

00:06:21,590 --> 00:06:19,440

people who were involved in it the

138

00:06:23,809 --> 00:06:21,600

people we can put there in Roswell at

139

00:06:26,390 --> 00:06:23,819

the time what their backgrounds were

140

00:06:28,670 --> 00:06:26,400

what we know about them

141

00:06:30,350 --> 00:06:28,680

what they were able to tell us and I

142

00:06:32,390 --> 00:06:30,360

look at that and I say well I do not

143

00:06:35,510 --> 00:06:32,400

have an explanation for what Phil we all

144

00:06:37,370 --> 00:06:35,520

agree something fell I now I lean toward

145

00:06:38,629 --> 00:06:37,380

the Extraterrestrial on it but it's not

146

00:06:43,129 --> 00:06:38,639

quite as

147

00:06:46,010 --> 00:06:43,139

adamant as it was 25 years ago based on

148

00:06:48,409 --> 00:06:46,020

the continued research yeah you know

149

00:06:51,890 --> 00:06:48,419

it's uh when something continues on as

150

00:06:54,830 --> 00:06:51,900

long as this it's so hard to separate

151
00:06:57,230 --> 00:06:54,840
the myths that have been repeated over

152
00:06:59,510 --> 00:06:57,240
and over again and printed over and over

153
00:07:01,189 --> 00:06:59,520
again or blogged over and over again or

154
00:07:04,730 --> 00:07:01,199
talked about on TV over and over again

155
00:07:07,909 --> 00:07:04,740
from what really actually happened back

156
00:07:10,550 --> 00:07:07,919
at that time because it takes on a life

157
00:07:13,610 --> 00:07:10,560
of its own you know uh that's coming up

158
00:07:14,930 --> 00:07:13,620
the big yearly event is coming up and

159
00:07:16,909 --> 00:07:14,940
this was one time I was actually

160
00:07:18,590 --> 00:07:16,919
thinking of going and then something

161
00:07:20,629 --> 00:07:18,600
happened to come up and I can't make it

162
00:07:23,510 --> 00:07:20,639
uh have you ever actually been to that

163
00:07:25,430 --> 00:07:23,520

event well many times of course you

164

00:07:28,070 --> 00:07:25,440

would be because you wrote the book in

165

00:07:32,210 --> 00:07:28,080

fact I was invited to be there this year

166

00:07:35,930 --> 00:07:32,220

but given my circumstances I

167

00:07:36,589 --> 00:07:35,940

couldn't commit sure the proper time

168

00:07:38,150 --> 00:07:36,599

um

169

00:07:39,589 --> 00:07:38,160

I could have gone it turned out I could

170

00:07:42,050 --> 00:07:39,599

have gone but I couldn't commit at that

171

00:07:43,850 --> 00:07:42,060

time to it and I didn't think that was

172

00:07:45,469 --> 00:07:43,860

right to commit to something and say and

173

00:07:48,050 --> 00:07:45,479

at the last minute say oh I can't be

174

00:07:52,249 --> 00:07:48,060

there yes but I have been there a number

175

00:07:54,230 --> 00:07:52,259

of times including the big one in 1997.

176

00:07:55,909 --> 00:07:54,240

um and uh I've been back there several

177

00:07:58,309 --> 00:07:55,919

times since then so yeah I've been to

178

00:07:59,930 --> 00:07:58,319

the event the problem I have with the

179

00:08:01,370 --> 00:07:59,940

event and it's nothing against people of

180

00:08:02,749 --> 00:08:01,380

Roswell because I mean they turned it

181

00:08:04,969 --> 00:08:02,759

into more of a

182

00:08:06,710 --> 00:08:04,979

Festival yeah Symposium I guess you'd

183

00:08:07,850 --> 00:08:06,720

say yeah and there's nothing wrong with

184

00:08:09,830 --> 00:08:07,860

that I mean here's something that

185

00:08:12,230 --> 00:08:09,840

happened in their area and they're kind

186

00:08:14,029 --> 00:08:12,240

of celebrating it and of course they're

187

00:08:17,270 --> 00:08:14,039

going to exploit it as much as they can

188

00:08:19,670 --> 00:08:17,280

just as uh other places exploit what

189

00:08:21,950 --> 00:08:19,680

happened around their cities or their

190

00:08:23,390 --> 00:08:21,960

towns in the past so I don't I don't

191

00:08:25,969 --> 00:08:23,400

mind that it's just

192

00:08:28,550 --> 00:08:25,979

um I think the seriousness sometimes get

193

00:08:30,230 --> 00:08:28,560

lost in the festival aspect of it they

194

00:08:31,550 --> 00:08:30,240

put on a lot of programs they bring in a

195

00:08:32,870 --> 00:08:31,560

lot of speakers

196

00:08:33,889 --> 00:08:32,880

um I know Don's going to be there Don

197

00:08:35,930 --> 00:08:33,899

Schmidt's going to be there I think

198

00:08:38,089 --> 00:08:35,940

Travis is going to be there again

199

00:08:40,250 --> 00:08:38,099

and and that sort of thing and you know

200

00:08:42,350 --> 00:08:40,260

what does Travis Walton have to do with

201
00:08:43,550 --> 00:08:42,360
the Roswell UFO crash well really

202
00:08:47,509 --> 00:08:43,560
nothing at all

203
00:08:49,310 --> 00:08:47,519
other than his UFO sighting yes but

204
00:08:51,829 --> 00:08:49,320
they're they're wanting to bring in

205
00:08:53,329 --> 00:08:51,839
people who have some experiences with

206
00:08:55,610 --> 00:08:53,339
UFOs and that sort of thing and I don't

207
00:08:57,170 --> 00:08:55,620
have a problem with that I just look at

208
00:08:59,030 --> 00:08:57,180
we have to look at it from that point of

209
00:09:00,590 --> 00:08:59,040
view and there's a lot of things that go

210
00:09:02,389 --> 00:09:00,600
on

211
00:09:03,889 --> 00:09:02,399
um they're people misunderstand stuff

212
00:09:07,550 --> 00:09:03,899
that's said

213
00:09:11,210 --> 00:09:07,560

and carry on with that and that blows up

214

00:09:12,550 --> 00:09:11,220

into a new part of the myth that really

215

00:09:15,350 --> 00:09:12,560

shouldn't be there it should have been

216

00:09:17,930 --> 00:09:15,360

eliminated a long time ago but we have

217

00:09:20,690 --> 00:09:17,940

to deal with it I just saw a documentary

218

00:09:23,690 --> 00:09:20,700

that was I guess it was made in 2019 I

219

00:09:26,030 --> 00:09:23,700

was do I was doing uh channel surfing

220

00:09:28,970 --> 00:09:26,040

and uh what I call a video lap by the

221

00:09:30,410 --> 00:09:28,980

way and I came across a program where

222

00:09:31,850 --> 00:09:30,420

they were doing the Roswell thing and

223

00:09:34,670 --> 00:09:31,860

talking about this and they were

224

00:09:36,470 --> 00:09:34,680

bringing in the mj-12 documents and yeah

225

00:09:38,750 --> 00:09:36,480

writing them as if they were legitimate

226

00:09:41,210 --> 00:09:38,760

yeah and I think that's certainly not

227

00:09:43,850 --> 00:09:41,220

helpful I think the majority of the UFO

228

00:09:45,230 --> 00:09:43,860

researchers the vast majority of the UFO

229

00:09:46,670 --> 00:09:45,240

researchers understand the md-12

230

00:09:48,650 --> 00:09:46,680

documents are fake

231

00:09:50,509 --> 00:09:48,660

and yet this documentary is presenting

232

00:09:53,150 --> 00:09:50,519

well the document said this we don't

233

00:09:55,190 --> 00:09:53,160

care if somebody made it up

234

00:09:57,470 --> 00:09:55,200

but that that stuff

235

00:09:59,870 --> 00:09:57,480

leads us in a wrong direction and I

236

00:10:02,930 --> 00:09:59,880

don't know how much how many resources

237

00:10:05,269 --> 00:10:02,940

were expended in the attempt to validate

238

00:10:06,650 --> 00:10:05,279

the mj-12 documents and which we had to

239

00:10:08,210 --> 00:10:06,660

do when the documents were presented we

240

00:10:09,949 --> 00:10:08,220

had to validate them we had to vet the

241

00:10:13,250 --> 00:10:09,959

documents are they authentic and if they

242

00:10:15,610 --> 00:10:13,260

are authentic that's great but in the

243

00:10:18,949 --> 00:10:15,620

end of the investigations

244

00:10:20,509 --> 00:10:18,959

we found the poison pills and we know

245

00:10:23,150 --> 00:10:20,519

how it was done

246

00:10:25,370 --> 00:10:23,160

um there was a movie

247

00:10:28,090 --> 00:10:25,380

a number of years ago called Truth and

248

00:10:31,250 --> 00:10:28,100

it was about Dan Rather and the George

249

00:10:32,930 --> 00:10:31,260

W bush National Guard stuff and they had

250

00:10:34,610 --> 00:10:32,940

the documents and all of that stuff and

251
00:10:36,829 --> 00:10:34,620
they're talking about the documents and

252
00:10:41,329 --> 00:10:36,839
at the end of the movie the reporter

253
00:10:43,190 --> 00:10:41,339
who's Mary Mapes was saying to them the

254
00:10:44,690 --> 00:10:43,200
person who if these were fake the person

255
00:10:46,250 --> 00:10:44,700
who faked them had to have an intimate

256
00:10:48,769 --> 00:10:46,260
knowledge of the workings of the Texas

257
00:10:50,750 --> 00:10:48,779
Air National Guard back in that time

258
00:10:53,150 --> 00:10:50,760
frame would have had to study all of

259
00:10:55,250 --> 00:10:53,160
this stuff and I'm thinking no all they

260
00:10:59,210 --> 00:10:55,260
needed was some copies of documents that

261
00:11:02,449 --> 00:10:59,220
that they could retype or add lines to

262
00:11:05,030 --> 00:11:02,459
or do things about that they um

263
00:11:06,829 --> 00:11:05,040

they wanted to move us in that direction

264

00:11:08,030 --> 00:11:06,839

that's what happened with mj-12 it

265

00:11:09,710 --> 00:11:08,040

wasn't somebody had an intimate

266

00:11:12,530 --> 00:11:09,720

knowledge of some of these things it was

267

00:11:15,710 --> 00:11:12,540

somebody who could copy documents and

268

00:11:17,930 --> 00:11:15,720

add a line about mj12 here or a message

269

00:11:19,670 --> 00:11:17,940

about mj-12 there and the documents are

270

00:11:21,170 --> 00:11:19,680

authentic up to the point where you get

271

00:11:22,730 --> 00:11:21,180

that into somebody's retyping it when

272

00:11:24,530 --> 00:11:22,740

you get to the original document The

273

00:11:28,790 --> 00:11:24,540

Source documents you see something's

274

00:11:31,130 --> 00:11:28,800

been added so that does not help UFO

275

00:11:36,410 --> 00:11:31,140

research whatsoever but my point simply

276

00:11:39,590 --> 00:11:36,420

is in today's world 2023

277

00:11:42,410 --> 00:11:39,600

um to me the Roswell case is not as

278

00:11:44,690 --> 00:11:42,420

robust as it had been because of some of

279

00:11:47,810 --> 00:11:44,700

these paths we've gone down but as I say

280

00:11:51,290 --> 00:11:47,820

I still tilt toward the Extraterrestrial

281

00:11:53,530 --> 00:11:51,300

yes getting back to the mj-12 I remember

282

00:11:57,590 --> 00:11:53,540

having discussions with Stanton Friedman

283

00:12:00,410 --> 00:11:57,600

basically giving him my opinion of when

284

00:12:03,769 --> 00:12:00,420

as an appraiser of antiques and art and

285

00:12:06,949 --> 00:12:03,779

documents when I appraised a collection

286

00:12:08,930 --> 00:12:06,959

and I find something that's fake in the

287

00:12:11,630 --> 00:12:08,940

mix all of a sudden I want to look at

288

00:12:13,910 --> 00:12:11,640

everything carefully and most likely

289

00:12:16,790 --> 00:12:13,920

discount the entire collection a lot of

290

00:12:18,829 --> 00:12:16,800

times but Stanton would say and he's and

291

00:12:20,690 --> 00:12:18,839

I kind of said that to him

292

00:12:23,630 --> 00:12:20,700

he didn't really get where I was going

293

00:12:26,210 --> 00:12:23,640

uh because he he would say that some of

294

00:12:28,250 --> 00:12:26,220

them were authentic and I know he did a

295

00:12:30,829 --> 00:12:28,260

ton of research but I mean

296

00:12:34,069 --> 00:12:30,839

my point is why would some of them be

297

00:12:37,069 --> 00:12:34,079

authentic and others not you know it's

298

00:12:39,050 --> 00:12:37,079

either the whole thing or one way or the

299

00:12:41,990 --> 00:12:39,060

other it has to be well in the world of

300

00:12:43,790 --> 00:12:42,000

intelligence if you find out something

301
00:12:48,350 --> 00:12:43,800
has been compromised

302
00:12:50,269 --> 00:12:48,360
by by enemy spies uh what you do is

303
00:12:52,250 --> 00:12:50,279
create a bunch of other documents and

304
00:12:54,230 --> 00:12:52,260
shove it into the pipeline so that you

305
00:12:57,590 --> 00:12:54,240
can just credit the first but batch of

306
00:12:59,629 --> 00:12:57,600
documents I see yeah so but but the

307
00:13:02,269 --> 00:12:59,639
problem with I think the the problem

308
00:13:04,069 --> 00:13:02,279
with the MGA 12 documents the best of

309
00:13:05,569 --> 00:13:04,079
the documents is the Eisenhower briefing

310
00:13:07,610 --> 00:13:05,579
document there's a poison there's a

311
00:13:09,290 --> 00:13:07,620
number of poison pills in there but it's

312
00:13:13,269 --> 00:13:09,300
clear to me that that document was

313
00:13:18,290 --> 00:13:16,069

1952 is is claim for a briefing to

314

00:13:19,550 --> 00:13:18,300

president-elect Eisenhower and one of

315

00:13:20,690 --> 00:13:19,560

the things I couldn't get stand to

316

00:13:22,670 --> 00:13:20,700

understand

317

00:13:24,650 --> 00:13:22,680

is if I'm if I'm

318

00:13:26,210 --> 00:13:24,660

creating a document to bring the

319

00:13:28,910 --> 00:13:26,220

president of the president-elect I'm

320

00:13:31,970 --> 00:13:28,920

going to include all the information and

321

00:13:34,790 --> 00:13:31,980

the mj-12 document eliminates the plane

322

00:13:37,190 --> 00:13:34,800

to San Augustine crash

323

00:13:39,590 --> 00:13:37,200

and I don't understand why that wouldn't

324

00:13:41,389 --> 00:13:39,600

have been there and in fact in the

325

00:13:43,730 --> 00:13:41,399

beginning that was the place you needed

326

00:13:45,350 --> 00:13:43,740

to go because that was where

327

00:13:47,930 --> 00:13:45,360

um the original story talked about

328

00:13:49,970 --> 00:13:47,940

bodies at Roswell there was an original

329

00:13:51,949 --> 00:13:49,980

story talking about bodies we got to

330

00:13:53,569 --> 00:13:51,959

that point later but there was Plains of

331

00:13:56,509 --> 00:13:53,579

San Agustin so that would be the more

332

00:13:58,490 --> 00:13:56,519

important crash and Stan told me that he

333

00:14:00,410 --> 00:13:58,500

thought that because there were bodies

334

00:14:01,970 --> 00:14:00,420

there that information was withheld from

335

00:14:05,810 --> 00:14:01,980

the president I said that makes no sense

336

00:14:07,730 --> 00:14:05,820

to me and and I I and I hesitate to say

337

00:14:09,829 --> 00:14:07,740

I worked with Carl flock

338

00:14:12,050 --> 00:14:09,839

um on an investigation of the Barney

339

00:14:13,430 --> 00:14:12,060

Barnett tale and the planes of San

340

00:14:14,990 --> 00:14:13,440

Agustin really boils down to a single

341

00:14:16,550 --> 00:14:15,000

witness Marty Barnett

342

00:14:19,310 --> 00:14:16,560

and there's really nothing to connect it

343

00:14:21,829 --> 00:14:19,320

to the Roswell crash in 1947 other than

344

00:14:24,350 --> 00:14:21,839

what his boss I think it was in the time

345

00:14:26,030 --> 00:14:24,360

of 1947 but his boss's memory wasn't

346

00:14:27,350 --> 00:14:26,040

very good at that point

347

00:14:29,030 --> 00:14:27,360

but

348

00:14:30,170 --> 00:14:29,040

um I you know I was talking to Stan I

349

00:14:32,150 --> 00:14:30,180

said there was no crash on the places

350

00:14:34,250 --> 00:14:32,160

well prove it to me so I sent him a copy

351
00:14:36,110 --> 00:14:34,260
of the mj-12 document John that was a

352
00:14:36,970 --> 00:14:36,120
great joke because it's not mentioned

353
00:14:42,889 --> 00:14:36,980
there

354
00:14:44,689 --> 00:14:42,899
go but I think you know that's that's

355
00:14:47,269 --> 00:14:44,699
one of the problems we run into is with

356
00:14:49,670 --> 00:14:47,279
mj12 I think that the original documents

357
00:14:51,829 --> 00:14:49,680
from an anonymous source

358
00:14:54,170 --> 00:14:51,839
well you can't vet them that way they we

359
00:14:56,689 --> 00:14:54,180
got we got photographs of them not the

360
00:14:58,670 --> 00:14:56,699
original documents Rusty ink you can't

361
00:15:00,769 --> 00:14:58,680
test the paper you can't do this you

362
00:15:02,629 --> 00:15:00,779
can't do that all you can do is look at

363
00:15:04,370 --> 00:15:02,639

what's in the documents and and some of

364

00:15:06,769 --> 00:15:04,380

the information in the documents is

365

00:15:07,790 --> 00:15:06,779

anachronistic

366

00:15:10,250 --> 00:15:07,800

um

367

00:15:15,009 --> 00:15:10,260

there was talking about

368

00:15:17,750 --> 00:15:15,019

um the well the the uh El Indio Guerrero

369

00:15:19,730 --> 00:15:17,760

which is really the Del Rio crash which

370

00:15:22,310 --> 00:15:19,740

was originally

371

00:15:23,689 --> 00:15:22,320

talked about I think in 1968 by Robert

372

00:15:25,670 --> 00:15:23,699

Willingham

373

00:15:27,470 --> 00:15:25,680

and he was talking about how it was uh

374

00:15:29,210 --> 00:15:27,480

it happened in 1948 and then he said

375

00:15:30,650 --> 00:15:29,220

well it happened in 1950 and when I

376

00:15:32,990 --> 00:15:30,660

talked to Willingham he said well it was

377

00:15:34,550 --> 00:15:33,000

the mid-1950s well it was the mid-1950s

378

00:15:36,350 --> 00:15:34,560

it couldn't be in the Eisenhower

379

00:15:37,490 --> 00:15:36,360

briefing document because it hadn't

380

00:15:39,050 --> 00:15:37,500

happened yet

381

00:15:40,550 --> 00:15:39,060

but of course the Willingham story

382

00:15:43,310 --> 00:15:40,560

turned out to be a complete and total

383

00:15:45,290 --> 00:15:43,320

hoax in in yet

384

00:15:47,210 --> 00:15:45,300

um there's mention of it in the

385

00:15:49,790 --> 00:15:47,220

Eisenhower briefing document because at

386

00:15:52,970 --> 00:15:49,800

the time the documents were created

387

00:15:56,569 --> 00:15:52,980

there was a belief among the creators

388

00:15:58,730 --> 00:15:56,579

that the Del Rio the El Indio Guerrero

389

00:16:01,129 --> 00:15:58,740

crash was legitimate

390

00:16:03,769 --> 00:16:01,139

they that was what we all believed in

391

00:16:05,150 --> 00:16:03,779

the 19 1985 we had an affidavit from an

392

00:16:06,949 --> 00:16:05,160

Air Force Colonel for crying out loud

393

00:16:08,509 --> 00:16:06,959

turned out the guy was an Air Force

394

00:16:11,810 --> 00:16:08,519

Colonel so the affidavit was virtually

395

00:16:13,790 --> 00:16:11,820

worthless but at the time we all

396

00:16:16,069 --> 00:16:13,800

believed and I did a book in the

397

00:16:18,069 --> 00:16:16,079

mid-1990s called the history of UFO

398

00:16:20,990 --> 00:16:18,079

crash is what I talked about

399

00:16:23,629 --> 00:16:21,000

that craft and Robert willingham's

400

00:16:26,210 --> 00:16:23,639

affidavit and that sort of thing when I

401
00:16:27,530 --> 00:16:26,220
updated that to crash when UFOs fall

402
00:16:29,150 --> 00:16:27,540
from the sky

403
00:16:30,710 --> 00:16:29,160
because now we have access to the

404
00:16:33,350 --> 00:16:30,720
internet you can do all this stuff from

405
00:16:35,269 --> 00:16:33,360
your home I thought I'd see what was new

406
00:16:36,949 --> 00:16:35,279
about it and I learned that Willingham

407
00:16:39,290 --> 00:16:36,959
was out with a new tail

408
00:16:41,810 --> 00:16:39,300
what he said in 1960 I actually found

409
00:16:44,269 --> 00:16:41,820
the 1968 reference to it in skylook

410
00:16:46,249 --> 00:16:44,279
magazine which was the mufon journal

411
00:16:47,749 --> 00:16:46,259
before it was a move on Journal I found

412
00:16:50,749 --> 00:16:47,759
his original story

413
00:16:56,389 --> 00:16:50,759

and it does not match at all what he

414

00:16:58,370 --> 00:16:56,399

said in uh later in 1950 later to Todd

415

00:17:00,650 --> 00:16:58,380

zekela in the 1970s and what he later

416

00:17:02,930 --> 00:17:00,660

said at the center for UFO studies and

417

00:17:05,870 --> 00:17:02,940

signed his affidavit but he was talking

418

00:17:07,510 --> 00:17:05,880

about in 1948 how he was flying in f-94

419

00:17:11,569 --> 00:17:07,520

fighter

420

00:17:14,030 --> 00:17:11,579

but in 1948 the f-94 didn't exist he was

421

00:17:17,449 --> 00:17:14,040

talking how the radar the new line had

422

00:17:19,429 --> 00:17:17,459

keyed them to this Intruder of course

423

00:17:20,870 --> 00:17:19,439

the Dew line didn't exist in 1948 and

424

00:17:22,750 --> 00:17:20,880

once he found all this stuff out then he

425

00:17:26,449 --> 00:17:22,760

shifted the dates

426

00:17:28,669 --> 00:17:26,459

so but but the point simply is in in the

427

00:17:31,310 --> 00:17:28,679

mid 1980s when the Eisenhower briefing

428

00:17:33,830 --> 00:17:31,320

document was created there was a great

429

00:17:36,049 --> 00:17:33,840

deal of belief in the UFO community that

430

00:17:37,490 --> 00:17:36,059

the Dale Real Crash was legitimate

431

00:17:39,710 --> 00:17:37,500

and they just switched the dates they

432

00:17:41,150 --> 00:17:39,720

switched some things around and tried to

433

00:17:42,650 --> 00:17:41,160

make it more consistent with what we

434

00:17:46,130 --> 00:17:42,660

could learn through history

435

00:17:48,890 --> 00:17:46,140

hmm wow interesting all right well let's

436

00:17:51,250 --> 00:17:48,900

go to it what do you think about the

437

00:17:54,169 --> 00:17:51,260

whole David grush

438

00:17:56,570 --> 00:17:54,179

whistleblower situation

439

00:17:57,950 --> 00:17:56,580

I'm I'm very worried about it

440

00:18:00,289 --> 00:17:57,960

um I actually talked to Jerry Clark

441

00:18:02,690 --> 00:18:00,299

about that talked to him I emailed we

442

00:18:04,430 --> 00:18:02,700

emailed back and forth about it he said

443

00:18:05,750 --> 00:18:04,440

we need to be cautious because we don't

444

00:18:07,690 --> 00:18:05,760

have all the information and we

445

00:18:10,310 --> 00:18:07,700

shouldn't be really

446

00:18:12,590 --> 00:18:10,320

drawing solid conclusions prior before

447

00:18:14,150 --> 00:18:12,600

prior to getting all the information but

448

00:18:18,830 --> 00:18:14,160

there are some red flags that we need to

449

00:18:20,210 --> 00:18:18,840

be aware of gresh said that um he won't

450

00:18:22,250 --> 00:18:20,220

reveal his sources

451

00:18:24,470 --> 00:18:22,260

who told him this stuff

452

00:18:26,029 --> 00:18:24,480

he says he has documentation but they're

453

00:18:27,710 --> 00:18:26,039

still classified and he can't let them

454

00:18:29,210 --> 00:18:27,720

out excuse me you've already blown the

455

00:18:30,830 --> 00:18:29,220

whistle on this you know letting out the

456

00:18:32,870 --> 00:18:30,840

documents is not going to harm you any

457

00:18:35,450 --> 00:18:32,880

more than it's you're already harmed no

458

00:18:37,490 --> 00:18:35,460

is that so so he can take classified

459

00:18:39,650 --> 00:18:37,500

documents now and release him and he

460

00:18:41,630 --> 00:18:39,660

can't get he supposedly has classified

461

00:18:44,270 --> 00:18:41,640

documents I don't know why he would have

462

00:18:46,190 --> 00:18:44,280

them if they and if they were once

463

00:18:48,350 --> 00:18:46,200

classified and been Declassified well

464

00:18:50,810 --> 00:18:48,360

then there's really no problem right but

465

00:18:53,570 --> 00:18:50,820

if they're still classified and he has

466

00:18:56,750 --> 00:18:53,580

possession of them then then he's in

467

00:18:58,370 --> 00:18:56,760

violation of any number of regulations

468

00:18:59,750 --> 00:18:58,380

um but that's that's my understanding

469

00:19:01,190 --> 00:18:59,760

and that's what he said well they have

470

00:19:03,169 --> 00:19:01,200

these documents I haven't been given

471

00:19:05,330 --> 00:19:03,179

permission to release them

472

00:19:06,470 --> 00:19:05,340

oh I didn't hear him actually say that

473

00:19:07,970 --> 00:19:06,480

phrase

474

00:19:11,950 --> 00:19:07,980

he said that during the long interview

475

00:19:15,049 --> 00:19:11,960

uh he has made that comment elsewhere

476
00:19:16,549 --> 00:19:15,059
he's talked about how he is trying he

477
00:19:19,850 --> 00:19:16,559
needs the permission to release the

478
00:19:21,710 --> 00:19:19,860
documents but we don't but but the point

479
00:19:24,650 --> 00:19:21,720
simply is he hasn't released them

480
00:19:26,870 --> 00:19:24,660
well here's here's something here a

481
00:19:30,169 --> 00:19:26,880
little by Beau here he testified to

482
00:19:31,070 --> 00:19:30,179
Congress and just to make the point if

483
00:19:37,730 --> 00:19:31,080
he

484
00:19:39,890 --> 00:19:37,740
his butt would be in big trouble

485
00:19:41,210 --> 00:19:39,900
if he truly believed what he said and it

486
00:19:46,789 --> 00:19:41,220
was untrue

487
00:19:49,070 --> 00:19:46,799
that he's not lying he's really

488
00:19:51,650 --> 00:19:49,080

caring misinformation to its source I

489

00:19:53,870 --> 00:19:51,660

mean there's a fine line you walk there

490

00:19:56,289 --> 00:19:53,880

between lying and repeating information

491

00:19:59,210 --> 00:19:56,299

you believe to be the truth

492

00:20:00,650 --> 00:19:59,220

so if he truly believes this stuff and I

493

00:20:02,150 --> 00:20:00,660

get the impression he truly believes

494

00:20:04,130 --> 00:20:02,160

what he's saying there

495

00:20:05,630 --> 00:20:04,140

I'm just worried about the sources of

496

00:20:08,270 --> 00:20:05,640

that information

497

00:20:09,289 --> 00:20:08,280

and and and it would have to be

498

00:20:11,270 --> 00:20:09,299

um

499

00:20:12,529 --> 00:20:11,280

I'm just thinking and and I'm I'm

500

00:20:13,730 --> 00:20:12,539

understanding what you're saying it was

501
00:20:15,830 --> 00:20:13,740
one of the questions I asked Ralph

502
00:20:18,590 --> 00:20:15,840
Blumenthal when I had him on

503
00:20:21,529 --> 00:20:18,600
um and it just seems like it would be

504
00:20:22,730 --> 00:20:21,539
have to be so involved with so many

505
00:20:26,210 --> 00:20:22,740
people

506
00:20:27,650 --> 00:20:26,220
apparently not that I know for sure but

507
00:20:29,810 --> 00:20:27,660
it would just seem like it would be such

508
00:20:31,549 --> 00:20:29,820
an elaborate thing and why would they

509
00:20:35,450 --> 00:20:31,559
why would they do that

510
00:20:38,150 --> 00:20:35,460
in your opinion why would who do what

511
00:20:40,190 --> 00:20:38,160
why would why would they be feeding him

512
00:20:42,049 --> 00:20:40,200
disinformation I don't think no I don't

513
00:20:43,190 --> 00:20:42,059

think it's disinformation what I

514

00:20:46,909 --> 00:20:43,200

understand

515

00:20:48,830 --> 00:20:46,919

I've I I haven't been really called out

516

00:20:51,049 --> 00:20:48,840

on any of this yet

517

00:20:52,669 --> 00:20:51,059

um he would be talking to friends and

518

00:20:54,890 --> 00:20:52,679

they would tell him stuff about these

519

00:20:56,690 --> 00:20:54,900

sorts of things the problem I have with

520

00:20:58,549 --> 00:20:56,700

this if you are involved with classified

521

00:20:59,810 --> 00:20:58,559

materials especially highly classified

522

00:21:03,169 --> 00:20:59,820

top secret

523

00:21:05,450 --> 00:21:03,179

materials you do not discuss it with

524

00:21:07,370 --> 00:21:05,460

those who are not cleared to hear it and

525

00:21:08,990 --> 00:21:07,380

you must assume that everybody around

526

00:21:11,150 --> 00:21:09,000

you

527

00:21:13,490 --> 00:21:11,160

um who's not involved in this particular

528

00:21:14,630 --> 00:21:13,500

project is not clear to hear it so I

529

00:21:17,510 --> 00:21:14,640

don't know why they're bringing him

530

00:21:18,950 --> 00:21:17,520

these Tales unless it's unclassified

531

00:21:20,990 --> 00:21:18,960

material that it was unclassified

532

00:21:22,430 --> 00:21:21,000

material then it's not that important

533

00:21:24,049 --> 00:21:22,440

because we have an awful lot of

534

00:21:26,870 --> 00:21:24,059

unclassified material out there floating

535

00:21:28,789 --> 00:21:26,880

around about UFO crashes and mj-12 and

536

00:21:29,810 --> 00:21:28,799

documentation and all kinds of other

537

00:21:32,149 --> 00:21:29,820

things

538

00:21:35,029 --> 00:21:32,159

so I worry about I worry about that I

539

00:21:37,190 --> 00:21:35,039

worry about the claim that

540

00:21:39,830 --> 00:21:37,200

um they would bring him or he would see

541

00:21:42,289 --> 00:21:39,840

these things that are highly classified

542

00:21:44,510 --> 00:21:42,299

yeah people make mistakes and people

543

00:21:45,950 --> 00:21:44,520

reveal classified material by mistake

544

00:21:49,610 --> 00:21:45,960

all the time

545

00:21:52,789 --> 00:21:49,620

periodically I know was it um

546

00:21:55,190 --> 00:21:52,799

McGeorge Bundy who was a high-ranking

547

00:21:55,990 --> 00:21:55,200

member of the Johnson Administration I

548

00:22:00,169 --> 00:21:56,000

believe

549

00:22:01,909 --> 00:22:00,179

inadvertently revealed a code word to

550

00:22:04,250 --> 00:22:01,919

reporters he had a document in his hand

551
00:22:06,010 --> 00:22:04,260
with the code word on it you know say

552
00:22:08,750 --> 00:22:06,020
top secret they would give the code word

553
00:22:10,010 --> 00:22:08,760
and they got photographs of that so they

554
00:22:12,470 --> 00:22:10,020
realized what the code word was so

555
00:22:14,510 --> 00:22:12,480
inadvertently released the code word

556
00:22:16,370 --> 00:22:14,520
which was classified in in and of itself

557
00:22:20,450 --> 00:22:16,380
so that these sorts of mistakes are made

558
00:22:22,549 --> 00:22:20,460
but you don't generally get into gossip

559
00:22:24,230 --> 00:22:22,559
with people who are not cleared to hear

560
00:22:26,690 --> 00:22:24,240
the information so I don't understand

561
00:22:28,310 --> 00:22:26,700
this at all but he did say a couple of

562
00:22:30,830 --> 00:22:28,320
things in the long-form interview that

563
00:22:33,710 --> 00:22:30,840

was interesting he talked about this 19

564

00:22:35,570 --> 00:22:33,720

33 crash in Italy which I'd never heard

565

00:22:38,450 --> 00:22:35,580

of and I've been researching UFO crashes

566

00:22:40,310 --> 00:22:38,460

yeah literally decades magenta I believe

567

00:22:42,250 --> 00:22:40,320

or something like that

568

00:22:44,870 --> 00:22:42,260

um but but

569

00:22:47,750 --> 00:22:44,880

that case was debunked by Italian

570

00:22:50,029 --> 00:22:47,760

researchers two decades ago

571

00:22:54,230 --> 00:22:50,039

and yet he's talking about this case

572

00:22:57,230 --> 00:22:54,240

from Italy in 1933 where the fascist

573

00:23:00,350 --> 00:22:57,240

Mussolini recovered parts of the Flying

574

00:23:03,289 --> 00:23:00,360

Saucer or mostly intact saucer and he

575

00:23:08,330 --> 00:23:03,299

moved it to an Airfield brought the pope

576
00:23:12,409 --> 00:23:08,340
into it Pope Pius this oh Bush 12th Pope

577
00:23:14,090 --> 00:23:12,419
Pius some number into it and the pope

578
00:23:15,649 --> 00:23:14,100
was worried about the fascists having

579
00:23:17,330 --> 00:23:15,659
this information and leaked it to the

580
00:23:19,730 --> 00:23:17,340
Americans

581
00:23:22,370 --> 00:23:19,740
and once the war was over we recovered

582
00:23:24,710 --> 00:23:22,380
the the debris and there were documents

583
00:23:27,770 --> 00:23:24,720
supposedly released in relation to this

584
00:23:30,950 --> 00:23:29,390
stuff

585
00:23:31,909 --> 00:23:30,960
and and

586
00:23:33,590 --> 00:23:31,919
um

587
00:23:35,870 --> 00:23:33,600
what happened is they did an

588
00:23:36,950 --> 00:23:35,880

investigation into the documentation and

589

00:23:39,230 --> 00:23:36,960

it's the same thing we had with the

590

00:23:41,930 --> 00:23:39,240

mj-12 they cannot vet any of the sources

591

00:23:44,210 --> 00:23:41,940

they don't know what the sources are the

592

00:23:45,289 --> 00:23:44,220

the claim sources an archive that

593

00:23:48,470 --> 00:23:45,299

supposedly released some of the

594

00:23:50,029 --> 00:23:48,480

documents doesn't exist and we just got

595

00:23:53,090 --> 00:23:50,039

all this I just got all this information

596

00:23:54,950 --> 00:23:53,100

in the last week and I'm completing a uh

597

00:23:56,270 --> 00:23:54,960

posting for my blog that outlines this

598

00:23:58,310 --> 00:23:56,280

but when we look at that sort of

599

00:24:01,549 --> 00:23:58,320

information so

600

00:24:03,770 --> 00:24:01,559

I would assume I would believe that the

601
00:24:05,510 --> 00:24:03,780
people who are talking about this 1933

602
00:24:11,930 --> 00:24:05,520
crash

603
00:24:14,810 --> 00:24:11,940
would have known

604
00:24:17,029 --> 00:24:14,820
all aspects of it I think Timothy good

605
00:24:17,810 --> 00:24:17,039
talked about it in one of his books

606
00:24:23,810 --> 00:24:17,820
um

607
00:24:25,190 --> 00:24:23,820
published 20 years ago and I have access

608
00:24:27,110 --> 00:24:25,200
to the Articles they were published in

609
00:24:29,029 --> 00:24:27,120
Italian and just

610
00:24:33,230 --> 00:24:29,039
Friday

611
00:24:35,149 --> 00:24:33,240
no no Sunday just Sunday I got copies of

612
00:24:38,270 --> 00:24:35,159
the Articles translated into into

613
00:24:39,950 --> 00:24:38,280

English from from our uh our colleagues

614

00:24:43,070 --> 00:24:39,960

in Italy

615

00:24:45,470 --> 00:24:43,080

um uh Eduardo Russo I think provided

616

00:24:47,330 --> 00:24:45,480

provided them to us and so I put

617

00:24:48,649 --> 00:24:47,340

together a long form about this crash

618

00:24:50,930 --> 00:24:48,659

but if

619

00:24:52,549 --> 00:24:50,940

Crush believes this crash really took

620

00:24:55,250 --> 00:24:52,559

place and he related this to Congress

621

00:24:57,230 --> 00:24:55,260

well he's not lying he believes it to be

622

00:24:59,169 --> 00:24:57,240

a real thing and he's not fully aware of

623

00:25:02,990 --> 00:24:59,179

all the other things if you look up the

624

00:25:04,669 --> 00:25:03,000

1933 crash Italian crash on the internet

625

00:25:05,930 --> 00:25:04,679

you don't get much in the way of

626

00:25:07,190 --> 00:25:05,940

information there's not a lot of

627

00:25:10,310 --> 00:25:07,200

information out there in the American

628

00:25:12,110 --> 00:25:10,320

environment but

629

00:25:15,409 --> 00:25:12,120

um a number of the

630

00:25:17,930 --> 00:25:15,419

groups I belong to And subscribe to

631

00:25:20,270 --> 00:25:17,940

have access to people all around the

632

00:25:21,590 --> 00:25:20,280

world and they just said this thing was

633

00:25:25,130 --> 00:25:21,600

this thing was

634

00:25:26,750 --> 00:25:25,140

um exposed more than two decades ago so

635

00:25:29,090 --> 00:25:26,760

it makes you wonder about the

636

00:25:32,269 --> 00:25:29,100

credibility of his of his information

637

00:25:34,070 --> 00:25:32,279

and then the other thing I heard and I

638

00:25:35,390 --> 00:25:34,080

have not been able to verify this yet so

639

00:25:36,950 --> 00:25:35,400

I don't know if it's true or not that he

640

00:25:38,450 --> 00:25:36,960

was involved in some fashion at

641

00:25:40,250 --> 00:25:38,460

Skinwalker Ranch

642

00:25:42,169 --> 00:25:40,260

and Jerry cautions well don't don't

643

00:25:43,730 --> 00:25:42,179

smear him with this idea he was involved

644

00:25:45,289 --> 00:25:43,740

in the skin walker Ranch and I'm saying

645

00:25:46,430 --> 00:25:45,299

that the point is not that he was there

646

00:25:48,710 --> 00:25:46,440

and he may have been there for a couple

647

00:25:50,930 --> 00:25:48,720

of days it's the people who were there

648

00:25:53,029 --> 00:25:50,940

that he would have come in contact to

649

00:25:55,669 --> 00:25:53,039

with who may have fed him some of this

650

00:25:59,169 --> 00:25:55,679

other information people who

651
00:26:01,730 --> 00:25:59,179
allegedly have high government positions

652
00:26:03,470 --> 00:26:01,740
talking about things one of them would

653
00:26:06,049 --> 00:26:03,480
have been Eric Davis

654
00:26:07,730 --> 00:26:06,059
who is on the record and I heard him uh

655
00:26:09,890 --> 00:26:07,740
I don't know if it was on Coast to Coast

656
00:26:13,130 --> 00:26:09,900
or one of the other shows talking about

657
00:26:15,470 --> 00:26:13,140
how the Del Rio crash was real

658
00:26:20,750 --> 00:26:15,480
and I'm thinking no it's not and I've

659
00:26:22,450 --> 00:26:20,760
known that for literally 15 years based

660
00:26:24,830 --> 00:26:22,460
on my research and the

661
00:26:27,529 --> 00:26:24,840
disintegration of the um

662
00:26:29,570 --> 00:26:27,539
Tales told by Robert Willingham

663
00:26:32,810 --> 00:26:29,580

who claimed who claimed he was an Air

664

00:26:35,690 --> 00:26:32,820

Force fighter pilot that he had risen to

665

00:26:38,149 --> 00:26:35,700

a colonel in the Air Force I got his

666

00:26:39,470 --> 00:26:38,159

military records he had risen to the

667

00:26:42,110 --> 00:26:39,480

rank of E4

668

00:26:45,110 --> 00:26:42,120

rather low ranking enlisted man he is

669

00:26:46,490 --> 00:26:45,120

technically was a technically a veteran

670

00:26:48,769 --> 00:26:46,500

of World War II we entered the service

671

00:26:50,990 --> 00:26:48,779

in December of 1945.

672

00:26:53,990 --> 00:26:51,000

the war was not declared over officially

673

00:26:56,690 --> 00:26:54,000

until the middle of 1946 the shooting

674

00:27:01,190 --> 00:26:56,700

had ended obviously in September of 45.

675

00:27:04,010 --> 00:27:01,200

so Willingham is was technically a

676

00:27:08,110 --> 00:27:04,020

veteran of World War II he was on duty

677

00:27:13,070 --> 00:27:08,120

from December of 1945 through January of

678

00:27:14,450 --> 00:27:13,080

1947 13 months was an E4 claimed he went

679

00:27:15,950 --> 00:27:14,460

to flight school claimed he was a

680

00:27:19,190 --> 00:27:15,960

fighter pilot claimed he was promoted to

681

00:27:21,289 --> 00:27:19,200

full Colonel by Lyndon Johnson which the

682

00:27:24,230 --> 00:27:21,299

way he tells it was a story right out of

683

00:27:26,149 --> 00:27:24,240

Webb Griffin's um

684

00:27:28,970 --> 00:27:26,159

I don't know I I think it was the

685

00:27:30,890 --> 00:27:28,980

Brotherhood of War Stories books that he

686

00:27:33,409 --> 00:27:30,900

wrote where a guy got promoted by

687

00:27:35,269 --> 00:27:33,419

Presidential Directive and and so he

688

00:27:37,850 --> 00:27:35,279

Willingham was claiming that that Lyndon

689

00:27:39,590 --> 00:27:37,860

Johnson had done that in 1976 of course

690

00:27:41,090 --> 00:27:39,600

Johnson wasn't the president he died in

691

00:27:42,470 --> 00:27:41,100

January so it's very unlikely that

692

00:27:43,490 --> 00:27:42,480

happened

693

00:27:46,370 --> 00:27:43,500

um

694

00:27:48,169 --> 00:27:46,380

claimed he was badly wounded in Korea so

695

00:27:51,110 --> 00:27:48,179

they took him out of Fighters

696

00:27:53,149 --> 00:27:51,120

you couldn't play fighters in the um

697

00:27:54,710 --> 00:27:53,159

the active forces anymore but he went

698

00:27:56,149 --> 00:27:54,720

into the Air Force Reserve and flew

699

00:27:57,769 --> 00:27:56,159

Fighters and I have a lot of friends in

700

00:28:00,950 --> 00:27:57,779

the air guard and I asked him about that

701
00:28:02,510 --> 00:28:00,960
and he said no the problem with

702
00:28:04,789 --> 00:28:02,520
um if you're disqualified from flying

703
00:28:07,570 --> 00:28:04,799
Fighters it's because one of the reasons

704
00:28:10,430 --> 00:28:07,580
might be that you cannot withstand the

705
00:28:12,110 --> 00:28:10,440
forces of the Egyptian if something goes

706
00:28:13,730 --> 00:28:12,120
wrong and you have to reject and from

707
00:28:16,190 --> 00:28:13,740
what Willingham was talking about those

708
00:28:17,870 --> 00:28:16,200
forces would have come into play so he

709
00:28:19,490 --> 00:28:17,880
had he had left the active force and

710
00:28:20,750 --> 00:28:19,500
joined the reserves they can continue to

711
00:28:23,690 --> 00:28:20,760
fly Fighters

712
00:28:27,409 --> 00:28:23,700
untrue the one thing that I point out

713
00:28:29,690 --> 00:28:27,419

which my experience helps with is I know

714

00:28:32,630 --> 00:28:29,700

of no military pilot who's ever gotten

715

00:28:35,149 --> 00:28:32,640

an FAA Pilot's license

716

00:28:37,970 --> 00:28:35,159

who did not get a commercial license

717

00:28:40,010 --> 00:28:37,980

and I say that because according to the

718

00:28:42,529 --> 00:28:40,020

FAA regulations and I I use this

719

00:28:44,570 --> 00:28:42,539

regulation of my my benefit if you went

720

00:28:46,549 --> 00:28:44,580

to a military Flight School

721

00:28:48,649 --> 00:28:46,559

and graduated from that military flight

722

00:28:50,510 --> 00:28:48,659

school and you had more than 200 hours

723

00:28:53,810 --> 00:28:50,520

of flight time and when I graduated from

724

00:28:56,630 --> 00:28:53,820

flight school we had 210 hours

725

00:28:58,250 --> 00:28:56,640

um you could go to the FAA and take a 50

726

00:29:00,350 --> 00:28:58,260

question test and you'd be issued a

727

00:29:03,070 --> 00:29:00,360

commercial pilot's license Willingham

728

00:29:05,630 --> 00:29:03,080

had a private pilot's license not as

729

00:29:07,010 --> 00:29:05,640

important as a commercial license I

730

00:29:09,049 --> 00:29:07,020

didn't get mine until I got back from

731

00:29:12,049 --> 00:29:09,059

Vietnam and I had like 1200 hours of

732

00:29:13,850 --> 00:29:12,059

flight time or more than that uh 1100 in

733

00:29:17,630 --> 00:29:13,860

combat flight time

734

00:29:19,970 --> 00:29:17,640

so wow you know I got back I I took the

735

00:29:22,610 --> 00:29:19,980

test I didn't pass with a really high

736

00:29:24,169 --> 00:29:22,620

grade but who cares because I passed you

737

00:29:25,490 --> 00:29:24,179

know I'm not going to kick it again to

738

00:29:27,830 --> 00:29:25,500

raise the grade I got my commercial

739

00:29:30,470 --> 00:29:27,840

pilot's license but I know of no

740

00:29:32,690 --> 00:29:30,480

military pilot

741

00:29:34,610 --> 00:29:32,700

who didn't who took the test and took

742

00:29:36,169 --> 00:29:34,620

the time to do that got a private

743

00:29:37,850 --> 00:29:36,179

pilot's license but that was all that

744

00:29:39,529 --> 00:29:37,860

Willingham had was a private pilot's

745

00:29:42,769 --> 00:29:39,539

license that argues against what he said

746

00:29:46,010 --> 00:29:42,779

this is a long involved way of looking

747

00:29:47,870 --> 00:29:46,020

at the vetting process and and I guess

748

00:29:49,430 --> 00:29:47,880

we can get back to Eric Davis who may

749

00:29:52,789 --> 00:29:49,440

have been at the skin rocker Ranch and

750

00:29:54,889 --> 00:29:52,799

it may be Davis who who talked to crush

751

00:29:56,990 --> 00:29:54,899

about the Del Rio crash if he in fact

752

00:30:00,169 --> 00:29:57,000

talked about the Del Rio crash he won't

753

00:30:03,529 --> 00:30:00,179

tell us what crashes he knows about

754

00:30:06,470 --> 00:30:03,539

other than Roswell and this 1933 crash

755

00:30:07,750 --> 00:30:06,480

in Italy and I have speculated based on

756

00:30:12,110 --> 00:30:07,760

this

757

00:30:14,510 --> 00:30:12,120

rumor the suggestion that that Crash had

758

00:30:16,310 --> 00:30:14,520

been the Skinwalker Ranch and I know who

759

00:30:17,690 --> 00:30:16,320

was there and it it could put him in

760

00:30:19,549 --> 00:30:17,700

touch with some of the people whose

761

00:30:21,350 --> 00:30:19,559

Stories We have had a chance to vet and

762

00:30:23,269 --> 00:30:21,360

they're not all that great

763

00:30:24,950 --> 00:30:23,279

so I worry about that and that raises

764

00:30:26,630 --> 00:30:24,960

red flags with me does that mean that

765

00:30:28,010 --> 00:30:26,640

Christ is not telling the truth no it

766

00:30:31,850 --> 00:30:28,020

means that there are some problems here

767

00:30:34,490 --> 00:30:31,860

which we could we could remedy easily if

768

00:30:35,810 --> 00:30:34,500

he would provide us with some of the

769

00:30:38,750 --> 00:30:35,820

sources

770

00:30:41,090 --> 00:30:38,760

who told you this stuff do you have any

771

00:30:43,010 --> 00:30:41,100

of the documentation that goes with it

772

00:30:44,810 --> 00:30:43,020

well supposedly

773

00:30:48,769 --> 00:30:44,820

supposedly

774

00:30:51,470 --> 00:30:48,779

there is someone that's going to also

775

00:30:53,870 --> 00:30:51,480

join I don't know as a witness or a

776

00:30:56,389 --> 00:30:53,880

whistleblower that was more involved now

777

00:30:59,029 --> 00:30:56,399

I don't know if that's just a rumor I've

778

00:31:01,730 --> 00:30:59,039

heard I don't know for sure

779

00:31:03,769 --> 00:31:01,740

but that would be key to to cracking

780

00:31:05,450 --> 00:31:03,779

this whole thing open if that would be

781

00:31:07,070 --> 00:31:05,460

very important but at this point that

782

00:31:08,690 --> 00:31:07,080

hasn't happened so we can't say well

783

00:31:10,970 --> 00:31:08,700

there's going to be there's more more

784

00:31:13,970 --> 00:31:10,980

whistleblowers coming but we've been

785

00:31:15,649 --> 00:31:13,980

through this many many times we we went

786

00:31:17,090 --> 00:31:15,659

through this with the MJ 12 documents

787

00:31:19,250 --> 00:31:17,100

for crying out loud

788

00:31:21,590 --> 00:31:19,260

here here's these documents we got them

789

00:31:23,750 --> 00:31:21,600

from the government and and the news

790

00:31:25,610 --> 00:31:23,760

media spent time investigating those and

791

00:31:26,990 --> 00:31:25,620

talking to the people who have them and

792

00:31:31,430 --> 00:31:27,000

all of this sort of thing and it all

793

00:31:35,350 --> 00:31:31,440

blew up the alien autopsy oh yes we had

794

00:31:38,870 --> 00:31:35,360

a big press conference in in London

795

00:31:40,130 --> 00:31:38,880

announcing these films and showing a

796

00:31:41,510 --> 00:31:40,140

little bit of the footage and we were

797

00:31:43,250 --> 00:31:41,520

talking about how there were two and a

798

00:31:46,010 --> 00:31:43,260

half hours of footage and Truman scene

799

00:31:47,510 --> 00:31:46,020

Walk in the crash site with cranes in

800

00:31:49,610 --> 00:31:47,520

the background and all of this stuff and

801
00:31:50,810 --> 00:31:49,620
when we get down to it that's

802
00:31:53,450 --> 00:31:50,820
crap

803
00:31:54,889 --> 00:31:53,460
uh we had the Roswell slides what went

804
00:31:56,870 --> 00:31:54,899
on for months

805
00:31:59,450 --> 00:31:56,880
now here's the picture and we know we

806
00:32:01,370 --> 00:31:59,460
with this blurred picture we we've got

807
00:32:03,049 --> 00:32:01,380
and we finally got a decent copy of the

808
00:32:06,010 --> 00:32:03,059
picture we were able to identify exactly

809
00:32:09,289 --> 00:32:06,020
where it was and what it was in 48 hours

810
00:32:11,450 --> 00:32:09,299
I remember that I was there right at the

811
00:32:12,470 --> 00:32:11,460
the the whole I was involved in that

812
00:32:14,750 --> 00:32:12,480
whole thing

813
00:32:17,210 --> 00:32:14,760

and right while that was happening and I

814

00:32:19,430 --> 00:32:17,220

remember I was so disappointed when I

815

00:32:21,710 --> 00:32:19,440

saw when that image popped up I I just

816

00:32:24,169 --> 00:32:21,720

couldn't believe it not that I knew

817

00:32:26,210 --> 00:32:24,179

exactly that it was for sure anything

818

00:32:27,830 --> 00:32:26,220

but it certainly wasn't

819

00:32:30,649 --> 00:32:27,840

you know it certainly looked like a

820

00:32:33,350 --> 00:32:30,659

mummy to me whatever like I'm a

821

00:32:35,930 --> 00:32:33,360

specialist or anything but you know I

822

00:32:37,370 --> 00:32:35,940

mean after it came out and Tom Kerry was

823

00:32:40,070 --> 00:32:37,380

talking about photographs you know Tom

824

00:32:42,950 --> 00:32:40,080

Kerry kind of released this and so I'm

825

00:32:44,810 --> 00:32:42,960

thinking well if it's not a real alien

826

00:32:46,370 --> 00:32:44,820

where would they get the picture what

827

00:32:48,470 --> 00:32:46,380

would be the picture of the picture was

828

00:32:50,870 --> 00:32:48,480

clearly taken in 1948 the picture was

829

00:32:53,149 --> 00:32:50,880

clearly taken yeah that's that's a

830

00:32:56,389 --> 00:32:53,159

picture it's small but there it is

831

00:32:57,950 --> 00:32:56,399

um picture was the film The Slide film

832

00:32:59,690 --> 00:32:57,960

was clearly from the right time frame

833

00:33:01,370 --> 00:32:59,700

the the mounting was clear the right

834

00:33:03,950 --> 00:33:01,380

time frame

835

00:33:05,810 --> 00:33:03,960

um the the testing suggests it was 1948

836

00:33:07,190 --> 00:33:05,820

so where would somebody in 1948 get

837

00:33:08,990 --> 00:33:07,200

something like this and I thought it was

838

00:33:10,970 --> 00:33:09,000

science fiction movies

839

00:33:13,850 --> 00:33:10,980

but I've got a couple of nice

840

00:33:16,250 --> 00:33:13,860

resources on science fiction films and

841

00:33:18,230 --> 00:33:16,260

in the 1940s when they had aliens they

842

00:33:19,970 --> 00:33:18,240

were always humans in bizarre costumes I

843

00:33:21,350 --> 00:33:19,980

mean dressed experientially but they

844

00:33:22,430 --> 00:33:21,360

were clearly human there was nothing

845

00:33:25,669 --> 00:33:22,440

like that

846

00:33:28,250 --> 00:33:25,679

and so I said to Tom uh before the big

847

00:33:30,889 --> 00:33:28,260

big reveal I said could it be a mummy

848

00:33:33,350 --> 00:33:30,899

and he said no we've looked for no

849

00:33:34,549 --> 00:33:33,360

mummies and we we couldn't find one that

850

00:33:36,409 --> 00:33:34,559

matches

851

00:33:40,130 --> 00:33:36,419

and um

852

00:33:42,350 --> 00:33:40,140

but but uh within hours of getting a

853

00:33:44,570 --> 00:33:42,360

good quality copy of oh the placard

854

00:33:46,430 --> 00:33:44,580

there was a placard on it in front of

855

00:33:48,169 --> 00:33:46,440

the the case there was a little placard

856

00:33:50,330 --> 00:33:48,179

that couldn't be read because it was

857

00:33:51,649 --> 00:33:50,340

blurred and right I I think what

858

00:33:55,310 --> 00:33:51,659

happened was

859

00:33:58,009 --> 00:33:55,320

um the people who own the um slide when

860

00:34:00,169 --> 00:33:58,019

they when they put out the

861

00:34:01,909 --> 00:34:00,179

original story they kind of blurred that

862

00:34:04,070 --> 00:34:01,919

out so you couldn't read it but the

863

00:34:05,509 --> 00:34:04,080

moment the moment well not the moment

864

00:34:09,230 --> 00:34:05,519

but the minute they got a better better

865

00:34:10,730 --> 00:34:09,240

image of the um placard it became clear

866

00:34:14,690 --> 00:34:10,740

what it was

867

00:34:17,030 --> 00:34:14,700

yeah within a few hours I think 48 hours

868

00:34:18,530 --> 00:34:17,040

I think it took them to get that far 48

869

00:34:19,609 --> 00:34:18,540

hours to get a d blurred to the point

870

00:34:21,050 --> 00:34:19,619

where they could read the whole thing

871

00:34:23,030 --> 00:34:21,060

and realize what was going on and then

872

00:34:26,030 --> 00:34:23,040

they found the archaeological evidence

873

00:34:28,369 --> 00:34:26,040

from the late 19th century where the

874

00:34:30,589 --> 00:34:28,379

where the poor unfortunate child had

875

00:34:31,909 --> 00:34:30,599

been discovered the body of the crowd

876

00:34:32,869 --> 00:34:31,919

had been discovered and that sort of

877

00:34:37,490 --> 00:34:32,879

thing

878

00:34:38,570 --> 00:34:37,500

it's clearly a museum setting it's not

879

00:34:40,190 --> 00:34:38,580

what you would ever there you go

880

00:34:42,530 --> 00:34:40,200

mummified body of a two-year-old boy

881

00:34:44,629 --> 00:34:42,540

there you go right there yeah and that

882

00:34:48,050 --> 00:34:44,639

gave the whole thing away

883

00:34:49,790 --> 00:34:48,060

um yeah but but at that point we had we

884

00:34:51,290 --> 00:34:49,800

had the experts coming out saying well

885

00:34:54,349 --> 00:34:51,300

this that and the other thing of

886

00:34:56,089 --> 00:34:54,359

anthropologists uh saying yeah it says

887

00:34:59,270 --> 00:34:56,099

what they had was it doesn't look like

888

00:35:01,010 --> 00:34:59,280

it's human and if the arms are not quite

889

00:35:04,670 --> 00:35:01,020

right or the hands are wrong or there's

890

00:35:07,190 --> 00:35:04,680

something wrong with that uh the whole

891

00:35:08,570 --> 00:35:07,200

thing but the point is we have that kind

892

00:35:11,690 --> 00:35:08,580

of information and that kind of

893

00:35:13,430 --> 00:35:11,700

speculation going on prior to the

894

00:35:16,370 --> 00:35:13,440

discovery of the placard or the reading

895

00:35:18,349 --> 00:35:16,380

of the placard and once that was out it

896

00:35:20,450 --> 00:35:18,359

collapsed I mean

897

00:35:23,390 --> 00:35:20,460

I think Tom

898

00:35:26,390 --> 00:35:23,400

held on to the idea it might not be a

899

00:35:29,690 --> 00:35:26,400

mummy for quite a while uh after yes he

900

00:35:32,390 --> 00:35:29,700

did yes because I I tried to talk to him

901
00:35:35,030 --> 00:35:32,400
oh I don't know several months maybe

902
00:35:37,130 --> 00:35:35,040
even six months afterwards and it said

903
00:35:39,890 --> 00:35:37,140
something about have you changed your

904
00:35:42,710 --> 00:35:39,900
thoughts and he was standing standing

905
00:35:46,130 --> 00:35:42,720
with it still but but Don Don pretty

906
00:35:47,990 --> 00:35:46,140
much well Don called and apologized Don

907
00:35:48,890 --> 00:35:48,000
called me right away and said what do I

908
00:35:51,589 --> 00:35:48,900
do

909
00:35:54,530 --> 00:35:51,599
hmm and I said it met the truth you're

910
00:35:59,030 --> 00:35:54,540
duped apologize for your role in this

911
00:36:01,790 --> 00:35:59,040
thing but Tom Tom wanted to

912
00:36:03,890 --> 00:36:01,800
Tom just really believed in it I I had

913
00:36:06,050 --> 00:36:03,900

time on on my uh

914

00:36:07,910 --> 00:36:06,060

my radio show

915

00:36:10,430 --> 00:36:07,920

a year or two later

916

00:36:11,930 --> 00:36:10,440

yeah and and I I told him you know we'll

917

00:36:12,710 --> 00:36:11,940

just we'll talk about UFOs and what

918

00:36:14,450 --> 00:36:12,720

you're doing and he said well

919

00:36:16,849 --> 00:36:14,460

everything's up to up for grabs and so

920

00:36:20,510 --> 00:36:16,859

we talked a little bit about the um

921

00:36:22,250 --> 00:36:20,520

about the Roswell slides and uh he'd

922

00:36:24,530 --> 00:36:22,260

pretty much come around to the idea that

923

00:36:26,030 --> 00:36:24,540

well you know it's really not an alien

924

00:36:28,370 --> 00:36:26,040

creature

925

00:36:30,349 --> 00:36:28,380

so but but the point simply is we've

926
00:36:33,290 --> 00:36:30,359
gone through this before so now we're at

927
00:36:35,270 --> 00:36:33,300
the beginning of of this process and we

928
00:36:37,550 --> 00:36:35,280
have a guy telling stories but he's not

929
00:36:40,790 --> 00:36:37,560
provided us with much of anything

930
00:36:43,310 --> 00:36:40,800
other than a reference to a crash in

931
00:36:44,930 --> 00:36:43,320
Italy that apparently is a hoax

932
00:36:46,069 --> 00:36:44,940
and and

933
00:36:49,130 --> 00:36:46,079
um

934
00:36:51,890 --> 00:36:49,140
you know my speculations on if he was a

935
00:36:53,450 --> 00:36:51,900
Skinwalker Ranch he would have come into

936
00:36:54,530 --> 00:36:53,460
contact with these people this is some

937
00:36:56,510 --> 00:36:54,540
of the names that have been associated

938
00:36:59,270 --> 00:36:56,520

with this or Christopher melon I think

939

00:37:02,870 --> 00:36:59,280

has been involved in some fashion in

940

00:37:04,490 --> 00:37:02,880

this and things like that but these

941

00:37:07,069 --> 00:37:04,500

would be the people he's talking talking

942

00:37:09,290 --> 00:37:07,079

to and unless we get somebody

943

00:37:11,990 --> 00:37:09,300

who can

944

00:37:14,810 --> 00:37:12,000

who's disassociated with some of the

945

00:37:16,430 --> 00:37:14,820

other aspects of this and talk about it

946

00:37:19,550 --> 00:37:16,440

in the um

947

00:37:21,470 --> 00:37:19,560

sort of in a pristine way I I just feel

948

00:37:23,990 --> 00:37:21,480

it's not going to go very well you know

949

00:37:27,890 --> 00:37:24,000

and I I'm with Jerry Clark on this we

950

00:37:31,970 --> 00:37:29,810

but it's being

951
00:37:33,650 --> 00:37:31,980
kind of dribbled out the way it was with

952
00:37:35,870 --> 00:37:33,660
the Roswell slides the way it was with

953
00:37:38,390 --> 00:37:35,880
the alien autopsy the way it was with

954
00:37:41,210 --> 00:37:38,400
the mj-12 documents I mean as just three

955
00:37:42,589 --> 00:37:41,220
examples of of this or we or we could go

956
00:37:44,030 --> 00:37:42,599
the other way and say oh the way it was

957
00:37:45,589 --> 00:37:44,040
dribbled out with the project mobile

958
00:37:48,770 --> 00:37:45,599
nonsense you know if you want another

959
00:37:51,290 --> 00:37:48,780
right logical hoax from the other side

960
00:37:54,490 --> 00:37:51,300
of the side of the spectrum and we had

961
00:37:58,310 --> 00:37:54,500
we had Charles Moore from Project Mobile

962
00:37:59,690 --> 00:37:58,320
basically lying and we can document that

963
00:38:02,569 --> 00:37:59,700

now

964

00:38:04,190 --> 00:38:02,579

um when the mobile answer

965

00:38:04,910 --> 00:38:04,200

came about

966

00:38:08,050 --> 00:38:04,920

um

967

00:38:13,210 --> 00:38:08,060

I had gotten hold of the

968

00:38:17,690 --> 00:38:17,089

1947. and I supplied charts to

969

00:38:19,250 --> 00:38:17,700

um

970

00:38:21,650 --> 00:38:19,260

Charles Moore

971

00:38:23,089 --> 00:38:21,660

and in the original document he did he

972

00:38:25,190 --> 00:38:23,099

thanked me for giving him the charts and

973

00:38:27,290 --> 00:38:25,200

I got a letter from him asking me for

974

00:38:30,589 --> 00:38:27,300

additional charts to create the wins

975

00:38:32,630 --> 00:38:30,599

Aloft data and at which he he I figured

976

00:38:34,730 --> 00:38:32,640

he was better at it than I would be but

977

00:38:37,550 --> 00:38:34,740

the problem that it turned out to be was

978

00:38:39,410 --> 00:38:37,560

he modified the data we've got a

979

00:38:40,730 --> 00:38:39,420

document

980

00:38:42,349 --> 00:38:40,740

you know when we got a hold of the

981

00:38:44,450 --> 00:38:42,359

document we thank the Air Force for this

982

00:38:46,910 --> 00:38:44,460

they got a hold of Dr Albert crary's

983

00:38:48,950 --> 00:38:46,920

Diaries and he filth notes and he was

984

00:38:50,569 --> 00:38:48,960

the leader of the project in New Mexico

985

00:38:51,589 --> 00:38:50,579

where they were launching these balloon

986

00:38:53,569 --> 00:38:51,599

arrays

987

00:38:56,270 --> 00:38:53,579

and he says the flight that they

988

00:38:58,670 --> 00:38:56,280

settlement for for proving it was a

989

00:39:00,530 --> 00:38:58,680

mogul blue a slight number four but the

990

00:39:02,870 --> 00:39:00,540

documentation says the flight never flew

991

00:39:05,990 --> 00:39:02,880

it was canceled

992

00:39:08,089 --> 00:39:06,000

and yet we that kind of information was

993

00:39:10,250 --> 00:39:08,099

dribbling out and and Charles Moore

994

00:39:12,530 --> 00:39:10,260

insisted well no we didn't really cancel

995

00:39:14,870 --> 00:39:12,540

the flight it was launched earlier than

996

00:39:16,970 --> 00:39:14,880

the time we canceled it there was all

997

00:39:19,069 --> 00:39:16,980

this nonsense going on and so you know

998

00:39:20,569 --> 00:39:19,079

we can look at it from both sides of the

999

00:39:23,089 --> 00:39:20,579

fence you know with the

1000

00:39:25,490 --> 00:39:23,099

the information dribbling out so when

1001

00:39:28,190 --> 00:39:25,500

Jerry says to me or writes to me

1002

00:39:31,849 --> 00:39:28,200

communicates to me that we need to kind

1003

00:39:33,890 --> 00:39:31,859

of wait to get all the information well

1004

00:39:35,390 --> 00:39:33,900

he's absolutely correct on that but we

1005

00:39:39,710 --> 00:39:35,400

can take a look at some of the stuff we

1006

00:39:41,870 --> 00:39:39,720

do have and say does this hold up to

1007

00:39:44,589 --> 00:39:41,880

um I I was going to say disinterested

1008

00:39:49,849 --> 00:39:44,599

scrutiny but I I think it's really

1009

00:39:52,550 --> 00:39:49,859

not just it's not really disinformation

1010

00:39:54,170 --> 00:39:52,560

it's not really disinterested scrutiny

1011

00:39:55,550 --> 00:39:54,180

because I have a rooting interest in

1012

00:39:58,970 --> 00:39:55,560

this sort of thing so I'm a little bit

1013

00:40:02,089 --> 00:39:58,980

biased on that but look at the um

1014

00:40:04,790 --> 00:40:02,099

look at the case uh in a dispassionate

1015

00:40:06,349 --> 00:40:04,800

way I'll drop another name here uh when

1016

00:40:08,930 --> 00:40:06,359

I was talking to James Van Allen yeah

1017

00:40:09,890 --> 00:40:08,940

the radiation belt guy yeah

1018

00:40:12,770 --> 00:40:09,900

um

1019

00:40:14,870 --> 00:40:12,780

we were talking about UFOs and he said

1020

00:40:16,370 --> 00:40:14,880

you have to make your investigation

1021

00:40:18,170 --> 00:40:16,380

dispassionate

1022

00:40:20,089 --> 00:40:18,180

you have to look at the evidence you

1023

00:40:21,890 --> 00:40:20,099

don't want you know we all have our

1024

00:40:23,450 --> 00:40:21,900

biases when we come to an investigation

1025

00:40:25,790 --> 00:40:23,460

but you have to look at it in a

1026

00:40:27,349 --> 00:40:25,800

dispassionate way and I'll go on an

1027

00:40:30,230 --> 00:40:27,359

anecdote here which is kind of funny

1028

00:40:32,270 --> 00:40:30,240

because I asked him about UFO you know

1029

00:40:33,650 --> 00:40:32,280

believing in UFOs and he says well when

1030

00:40:35,210 --> 00:40:33,660

you're in the middle of Wyoming and you

1031

00:40:38,150 --> 00:40:35,220

hear the thunder of who's

1032

00:40:40,130 --> 00:40:38,160

you don't expect zebra which means you

1033

00:40:41,810 --> 00:40:40,140

have to eliminate the mundane before you

1034

00:40:43,310 --> 00:40:41,820

move to the Exotic

1035

00:40:44,990 --> 00:40:43,320

twenty years later

1036

00:40:48,710 --> 00:40:45,000

I saw a story

1037

00:40:51,710 --> 00:40:48,720

on the news about some zebra who'd

1038

00:40:54,050 --> 00:40:51,720

escaped from a zoo in Wyoming

1039

00:40:55,609 --> 00:40:54,060

so you could be in Wyoming and hear the

1040

00:40:57,650 --> 00:40:55,619

thunder of hoof beats and it could in

1041

00:41:00,770 --> 00:40:57,660

fact be zebra I thought it was just kind

1042

00:41:05,329 --> 00:41:00,780

of coincidental but the analogy he had

1043

00:41:08,329 --> 00:41:05,339

provided me to come to truth in in in

1044

00:41:12,230 --> 00:41:08,339

Wyoming sometime later well uh thanks

1045

00:41:15,650 --> 00:41:12,240

for the uh for the uh donation boat uh

1046

00:41:19,030 --> 00:41:15,660

he said Rush testified for 11 hours

1047

00:41:22,130 --> 00:41:19,040

to Congress what do you think about that

1048

00:41:24,589 --> 00:41:22,140

they've had a lot of people testifying

1049

00:41:26,630 --> 00:41:24,599

too yes and while while that is being

1050

00:41:28,670 --> 00:41:26,640

said just to let you know I have a let

1051

00:41:31,490 --> 00:41:28,680

the audience know I have Mario Woods on

1052

00:41:34,190 --> 00:41:31,500

who testified for four hours and 19

1053

00:41:37,010 --> 00:41:34,200

minutes he's going to be on next week as

1054

00:41:38,569 --> 00:41:37,020

a special guest coming back on but we

1055

00:41:40,069 --> 00:41:38,579

don't know what he testified to we don't

1056

00:41:41,569 --> 00:41:40,079

know what he said to Congress we don't

1057

00:41:43,069 --> 00:41:41,579

know any of that sort of thing we don't

1058

00:41:45,650 --> 00:41:43,079

know what information he provided to

1059

00:41:47,690 --> 00:41:45,660

them if he testified to Congress and he

1060

00:41:51,589 --> 00:41:47,700

was talking about the Italian UFO crash

1061

00:41:52,970 --> 00:41:51,599

well then his testimony uh becomes less

1062

00:41:54,890 --> 00:41:52,980

critical

1063

00:41:56,990 --> 00:41:54,900

you know if he's talking about stuff

1064

00:41:59,990 --> 00:41:57,000

there's documents about this this

1065

00:42:01,730 --> 00:42:00,000

Italian UFO crash out there but they

1066

00:42:04,849 --> 00:42:01,740

have been they haven't been properly

1067

00:42:07,250 --> 00:42:04,859

vetted it's mj-12 all over again

1068

00:42:09,170 --> 00:42:07,260

the mj-12 kind of thing all over again

1069

00:42:10,790 --> 00:42:09,180

so we don't know what he said we don't

1070

00:42:15,069 --> 00:42:10,800

we've we've seen

1071

00:42:18,410 --> 00:42:15,079

I I sat through the last um

1072

00:42:21,530 --> 00:42:18,420

meeting with uh Kirkpatrick

1073

00:42:25,609 --> 00:42:21,540

to the Senate on this I watched this

1074

00:42:27,589 --> 00:42:25,619

entire presentation and I of course

1075

00:42:29,089 --> 00:42:27,599

analyzed it on the blog but nobody was

1076

00:42:31,670 --> 00:42:29,099

really talking about

1077

00:42:34,550 --> 00:42:31,680

UFOs they were talking about the

1078

00:42:37,130 --> 00:42:34,560

logistics of studying UFOs they were

1079

00:42:38,810 --> 00:42:37,140

talking about a lot of stuff but we

1080

00:42:41,270 --> 00:42:38,820

didn't get any meat and then I watched

1081

00:42:44,030 --> 00:42:41,280

the stupid NASA briefing that went on

1082

00:42:47,450 --> 00:42:44,040

forever in a week yeah I just went on

1083

00:42:49,550 --> 00:42:47,460

endlessly and we got nothing there so

1084

00:42:51,290 --> 00:42:49,560

you're looking at that so he's testified

1085

00:42:53,030 --> 00:42:51,300

to Congress for 11 hours but we don't

1086

00:42:54,410 --> 00:42:53,040

know what he said we need the

1087

00:42:55,690 --> 00:42:54,420

transcripts we need to know what he said

1088

00:42:58,370 --> 00:42:55,700

so we can take a look at the information

1089

00:43:00,589 --> 00:42:58,380

when they had the first briefing the the

1090

00:43:02,510 --> 00:43:00,599

two guys from the Department of Navy

1091

00:43:04,609 --> 00:43:02,520

whose names escaped me because they were

1092

00:43:06,829 --> 00:43:04,619

so inconsequential I just refuse to

1093

00:43:08,870 --> 00:43:06,839

remember them but they were talking

1094

00:43:10,849 --> 00:43:08,880

about how they had they'd seen nothing

1095

00:43:13,490 --> 00:43:10,859

it was the first first briefing that

1096

00:43:16,490 --> 00:43:13,500

they were given they'd seen nothing they

1097

00:43:18,109 --> 00:43:16,500

presented a couple of useless videos and

1098

00:43:20,150 --> 00:43:18,119

uh talked around this whole thing one of

1099

00:43:22,069 --> 00:43:20,160

the senators or one of the congressmen

1100

00:43:23,690 --> 00:43:22,079

asked him about Mouse from Air Force

1101

00:43:27,170 --> 00:43:23,700

Base where the missiles were shut down

1102

00:43:28,550 --> 00:43:27,180

in 1960. and the guy actually said well

1103

00:43:31,010 --> 00:43:28,560

we don't know anything about that and

1104

00:43:32,750 --> 00:43:31,020

later on he admitted that he did know

1105

00:43:34,970 --> 00:43:32,760

something about that so

1106

00:43:36,650 --> 00:43:34,980

you know was was there a lie being told

1107

00:43:39,770 --> 00:43:36,660

there was there some misrepresentation

1108

00:43:42,589 --> 00:43:39,780

going there but what struck me was at

1109

00:43:44,210 --> 00:43:42,599

least one of the people questioning the

1110

00:43:47,870 --> 00:43:44,220

witnesses knew a little bit about the

1111

00:43:49,670 --> 00:43:47,880

topic and they kind of mealy Mount their

1112

00:43:52,250 --> 00:43:49,680

way around that but I think the

1113

00:43:56,510 --> 00:43:52,260

Maelstrom thing is important

1114

00:43:58,190 --> 00:43:56,520

because of um the connection to UFOs

1115

00:44:00,109 --> 00:43:58,200

because when the missiles were shut down

1116

00:44:01,790 --> 00:44:00,119

at malstrom Air Force Base it was also

1117

00:44:04,250 --> 00:44:01,800

UFO sightings going on in the Belt

1118

00:44:06,650 --> 00:44:04,260

Montana area in maelstrom's in in that

1119

00:44:09,410 --> 00:44:06,660

area their their missile fields are what

1120

00:44:12,770 --> 00:44:09,420

over 100 square miles I mean scattered

1121

00:44:16,730 --> 00:44:12,780

all over the Montana Countryside

1122

00:44:18,530 --> 00:44:16,740

and and when the Condon committee

1123

00:44:20,510 --> 00:44:18,540

um investigator went to Maelstrom to

1124

00:44:23,270 --> 00:44:20,520

talk about this and asked about the

1125

00:44:24,410 --> 00:44:23,280

missile shutdown the um UFO officers I

1126

00:44:26,870 --> 00:44:24,420

can't tell you about that it's National

1127

00:44:28,490 --> 00:44:26,880

Security which if you've got an outside

1128

00:44:30,349 --> 00:44:28,500

force capable of shutting down the

1129

00:44:32,349 --> 00:44:30,359

missiles yeah that's National Security

1130

00:44:34,790 --> 00:44:32,359

I'll agree with that point yeah I guess

1131

00:44:37,550 --> 00:44:34,800

but we don't know what he said during

1132

00:44:39,770 --> 00:44:37,560

those 11 hours and we we saw the

1133

00:44:42,770 --> 00:44:39,780

interview on

1134

00:44:44,450 --> 00:44:42,780

is it news Nation yes news Nation

1135

00:44:46,569 --> 00:44:44,460

because there's another new one called

1136

00:44:53,690 --> 00:44:46,579

Newsmax

1137

00:44:56,750 --> 00:44:53,700

um but but the point is we got no real

1138

00:44:59,210 --> 00:44:56,760

details there other than him talking

1139

00:45:02,690 --> 00:44:59,220

about this 19

1140

00:45:04,490 --> 00:45:02,700

of 33 UFO crash but we got no real

1141

00:45:05,990 --> 00:45:04,500

details we got nothing there we don't

1142

00:45:08,510 --> 00:45:06,000

know who he's talking to we don't know

1143

00:45:10,130 --> 00:45:08,520

what crashes he's talking about you know

1144

00:45:12,589 --> 00:45:10,140

I speculated you may have been talking

1145

00:45:14,450 --> 00:45:12,599

about Aztec there's documentation FBI

1146

00:45:17,450 --> 00:45:14,460

documents

1147

00:45:19,550 --> 00:45:17,460

talking about the the Aztec UFO crash

1148

00:45:22,010 --> 00:45:19,560

for crying out loud

1149

00:45:24,950 --> 00:45:22,020

there's that FBI memo that Hoover wrote

1150

00:45:28,130 --> 00:45:24,960

in his handwriting um talking about the

1151
00:45:30,589 --> 00:45:28,140
it's probably the Shreveport Louisiana

1152
00:45:33,170 --> 00:45:30,599
crash of

1153
00:45:37,010 --> 00:45:33,180
late or June of night June or July of

1154
00:45:40,010 --> 00:45:37,020
1947 and and Hoover writes uh by which

1155
00:45:41,870 --> 00:45:40,020
the the military is asking the FBI for

1156
00:45:45,530 --> 00:45:41,880
help in vetting the witnesses

1157
00:45:47,329 --> 00:45:45,540
and Clyde Tolson put on the memo yeah we

1158
00:45:49,130 --> 00:45:47,339
should do this we should do that and

1159
00:45:51,890 --> 00:45:49,140
Hoover was agreeing with this job but

1160
00:45:54,530 --> 00:45:51,900
the Army has to um agree to let us act

1161
00:45:58,190 --> 00:45:54,540
give us access to disrecovered in the in

1162
00:46:00,290 --> 00:45:58,200
its SW I think SW case I think it's the

1163
00:46:02,870 --> 00:46:00,300

LA case his writing is so bad you could

1164

00:46:04,970 --> 00:46:02,880

interpret it like 14 different ways but

1165

00:46:06,770 --> 00:46:04,980

he was referring to Shreveport so we've

1166

00:46:08,809 --> 00:46:06,780

got a document talking about a crash

1167

00:46:11,630 --> 00:46:08,819

that you could interpret that says SW

1168

00:46:13,130 --> 00:46:11,640

for Southwest meaning the Roswell case

1169

00:46:14,690 --> 00:46:13,140

but it really doesn't mean that but

1170

00:46:16,670 --> 00:46:14,700

we've got all those kinds of problems

1171

00:46:18,890 --> 00:46:16,680

and we have to see the documents we have

1172

00:46:20,990 --> 00:46:18,900

to see the evidence we have to know who

1173

00:46:22,609 --> 00:46:21,000

he was talking until we have to know we

1174

00:46:24,890 --> 00:46:22,619

have to cite the sources and if you

1175

00:46:27,109 --> 00:46:24,900

can't do that then you're doing us no

1176

00:46:30,069 --> 00:46:27,119

good

1177

00:46:32,690 --> 00:46:30,079

right right let me uh let's move on to

1178

00:46:35,990 --> 00:46:32,700

this right here I would like to talk

1179

00:46:37,430 --> 00:46:36,000

about because this is uh interesting and

1180

00:46:40,490 --> 00:46:37,440

I wanted to know what you thought about

1181

00:46:41,809 --> 00:46:40,500

it it's the uh let me let me get over to

1182

00:46:43,069 --> 00:46:41,819

the right page

1183

00:46:46,670 --> 00:46:43,079

here

1184

00:46:47,750 --> 00:46:46,680

go

1185

00:46:50,690 --> 00:46:47,760

um nope

1186

00:46:53,210 --> 00:46:50,700

I'm trying to scroll up on this thing

1187

00:46:55,069 --> 00:46:53,220

here we go all right this was released

1188

00:46:57,349 --> 00:46:55,079

by George Knapp

1189

00:47:00,290 --> 00:46:57,359

and uh this

1190

00:47:02,089 --> 00:47:00,300

George Knapp and Jeremy Corbell this is

1191

00:47:03,410 --> 00:47:02,099

a Canadian document

1192

00:47:06,170 --> 00:47:03,420

and

1193

00:47:07,010 --> 00:47:06,180

have you have read this over what do you

1194

00:47:10,930 --> 00:47:07,020

think

1195

00:47:15,589 --> 00:47:13,069

it's the same kind of thing we've seen

1196

00:47:18,950 --> 00:47:15,599

time and time again he refers to this

1197

00:47:21,589 --> 00:47:18,960

evidence from 1950. is this the Wilbur

1198

00:47:23,510 --> 00:47:21,599

Smith stuff that uh Robert sawbacher was

1199

00:47:25,370 --> 00:47:23,520

talking about two decades ago a quarter

1200

00:47:27,950 --> 00:47:25,380

of a century ago is that what he's

1201

00:47:30,530 --> 00:47:27,960

referring to there's nothing in there

1202

00:47:33,109 --> 00:47:30,540

that really gets gives us any meat is

1203

00:47:35,630 --> 00:47:33,119

some guy worried about the

1204

00:47:38,530 --> 00:47:35,640

um ramifications if the Canadian

1205

00:47:42,349 --> 00:47:38,540

government is involved in the reverse

1206

00:47:44,930 --> 00:47:42,359

engineering of these craft uh with with

1207

00:47:48,650 --> 00:47:44,940

the Australians the new zealands the

1208

00:47:50,690 --> 00:47:48,660

Canadians the British and the Americans

1209

00:47:52,370 --> 00:47:50,700

and so we've got this sort of thing you

1210

00:47:54,950 --> 00:47:52,380

read the document but there's really no

1211

00:47:57,170 --> 00:47:54,960

me to it it talks about this 1950 stuff

1212

00:47:59,030 --> 00:47:57,180

and I'm wondering and if we have to

1213

00:48:02,569 --> 00:47:59,040

remember Wilbur Smith was a Canadian

1214

00:48:04,849 --> 00:48:02,579

scientist yes supposedly was involved it

1215

00:48:07,550 --> 00:48:04,859

said something to Robert sawbacher and

1216

00:48:09,950 --> 00:48:07,560

sawbucker talked about that but Smith

1217

00:48:11,750 --> 00:48:09,960

was long gone before we got that

1218

00:48:13,190 --> 00:48:11,760

information for sawbucker and it turns

1219

00:48:14,690 --> 00:48:13,200

out sawbucker didn't see or hear

1220

00:48:17,930 --> 00:48:14,700

anything himself

1221

00:48:20,089 --> 00:48:17,940

and so it's secondhand information it

1222

00:48:22,069 --> 00:48:20,099

doesn't do us any good in reading that

1223

00:48:23,690 --> 00:48:22,079

letter he really doesn't give us any

1224

00:48:26,030 --> 00:48:23,700

specifics and it's not a classified

1225

00:48:27,349 --> 00:48:26,040

letter anyway right if there were

1226

00:48:28,670 --> 00:48:27,359

specifics in it that may have been

1227

00:48:31,069 --> 00:48:28,680

classified at that

1228

00:48:34,250 --> 00:48:31,079

you're saying well we need the he's

1229

00:48:37,670 --> 00:48:34,260

urging the um with the defense minister

1230

00:48:38,630 --> 00:48:37,680

to um take a look at this stuff just in

1231

00:48:40,790 --> 00:48:38,640

case

1232

00:48:43,390 --> 00:48:40,800

because he doesn't want the Canadian

1233

00:48:46,550 --> 00:48:43,400

government to offend

1234

00:48:49,250 --> 00:48:46,560

their their Partners in the um in the

1235

00:48:50,450 --> 00:48:49,260

world we of course being Americans one

1236

00:48:53,089 --> 00:48:50,460

of those partners

1237

00:48:54,230 --> 00:48:53,099

I would mod I would want to offend the

1238

00:48:56,329 --> 00:48:54,240

Australians because they have all those

1239

00:48:58,150 --> 00:48:56,339

nasty creatures that just can kill you

1240

00:49:01,609 --> 00:48:58,160

in an instant but

1241

00:49:04,309 --> 00:49:01,619

but now here's the question I have

1242

00:49:06,170 --> 00:49:04,319

though is why would this person what

1243

00:49:06,890 --> 00:49:06,180

would be the purpose to write this if it

1244

00:49:11,150 --> 00:49:06,900

wasn't

1245

00:49:12,710 --> 00:49:11,160

something of a concern yes obviously

1246

00:49:15,109 --> 00:49:12,720

it's something of concern but we don't

1247

00:49:17,510 --> 00:49:15,119

know what information he has to cause

1248

00:49:19,190 --> 00:49:17,520

that concern other than what we all have

1249

00:49:21,410 --> 00:49:19,200

at the moment and that part of it was

1250

00:49:24,410 --> 00:49:21,420

The Whistleblower coming forward and

1251

00:49:26,690 --> 00:49:24,420

getting this this uh having multiple

1252

00:49:28,609 --> 00:49:26,700

platforms to talk about this without

1253

00:49:30,109 --> 00:49:28,619

information that we can get to and he

1254

00:49:31,790 --> 00:49:30,119

talks about this night that was caught

1255

00:49:33,349 --> 00:49:31,800

my attention with his reference to the

1256

00:49:35,450 --> 00:49:33,359

1950s stuff

1257

00:49:38,329 --> 00:49:35,460

and I began to think you know what was

1258

00:49:39,829 --> 00:49:38,339

going on in 1950 and that was the Wilbur

1259

00:49:51,790 --> 00:49:39,839

Smith

1260

00:49:55,609 --> 00:49:51,800

yeah I mean well who cares yeah

1261

00:49:58,250 --> 00:49:55,619

the guy's dead and we don't know yeah

1262

00:50:00,290 --> 00:49:58,260

um no it's it

1263

00:50:02,030 --> 00:50:00,300

my God I haven't written down on my Note

1264

00:50:04,190 --> 00:50:02,040

Wilbur Smith

1265

00:50:07,370 --> 00:50:04,200

hahaha because I didn't want to forget

1266

00:50:10,130 --> 00:50:07,380

his name and I've got it written down

1267

00:50:12,109 --> 00:50:10,140

but but we got the information from

1268

00:50:13,490 --> 00:50:12,119

sabacher sawbacher didn't know anything

1269

00:50:14,930 --> 00:50:13,500

himself so how about she's talking about

1270

00:50:16,250 --> 00:50:14,940

how the government was involved in this

1271

00:50:17,630 --> 00:50:16,260

investigation and doing reverse

1272

00:50:19,130 --> 00:50:17,640

engineering and all this stuff and when

1273

00:50:21,410 --> 00:50:19,140

you pin cellbacher down I think Jerry

1274

00:50:24,290 --> 00:50:21,420

Clark pinned him down I think uh Stan

1275

00:50:26,089 --> 00:50:24,300

Friedman tried to pin him down I think

1276

00:50:28,849 --> 00:50:26,099

um what William Steinman got the

1277

00:50:31,550 --> 00:50:28,859

original uh information from him tried

1278

00:50:32,870 --> 00:50:31,560

to pin him down and and and so he was

1279

00:50:35,210 --> 00:50:32,880

telling well he'd heard this stuff he'd

1280

00:50:36,829 --> 00:50:35,220

heard this stuff but it turns out that's

1281

00:50:39,349 --> 00:50:36,839

all he didn't attend the meetings where

1282

00:50:41,329 --> 00:50:39,359

the stuff was discussed he wasn't in the

1283

00:50:44,450 --> 00:50:41,339

meetings he heard it from other people

1284

00:50:47,870 --> 00:50:44,460

so so in essence you know it's

1285

00:50:50,630 --> 00:50:47,880

second-handed best maybe third hand

1286

00:50:52,490 --> 00:50:50,640

um and and a number of us investigators

1287

00:50:54,829 --> 00:50:52,500

are in the same boat I mean we've talked

1288

00:50:56,750 --> 00:50:54,839

to people who were there in the Roswell

1289

00:50:58,609 --> 00:50:56,760

case I any number of people who were

1290

00:51:00,170 --> 00:50:58,619

involved in the Roswell recovery we've

1291

00:51:01,910 --> 00:51:00,180

talked to so we're now secondhand

1292

00:51:03,710 --> 00:51:01,920

witnesses to that stuff

1293

00:51:05,690 --> 00:51:03,720

which is not a way to add to my

1294

00:51:09,230 --> 00:51:05,700

credibility but the merely merely point

1295

00:51:12,770 --> 00:51:09,240

out that that we have been able to

1296

00:51:15,829 --> 00:51:12,780

talk to people who were involved on a

1297

00:51:18,349 --> 00:51:15,839

you know one-to-one basis uh as an

1298

00:51:20,390 --> 00:51:18,359

example we've we've got the sheriff

1299

00:51:22,549 --> 00:51:20,400

Wilcox in Roswell well we never talked

1300

00:51:25,250 --> 00:51:22,559

to him we talked to his daughter so when

1301

00:51:27,049 --> 00:51:25,260

we talked to the daughter that becomes

1302

00:51:29,990 --> 00:51:27,059

um she was secondhand we're third hand

1303

00:51:31,849 --> 00:51:30,000

but the daughter

1304

00:51:33,950 --> 00:51:31,859

um

1305

00:51:35,390 --> 00:51:33,960

Oh I wanna it's not Elizabeth talk it's

1306

00:51:37,190 --> 00:51:35,400

the other one

1307

00:51:38,930 --> 00:51:37,200

whose name I cannot remember at the

1308

00:51:41,569 --> 00:51:38,940

moment geez it's what happens when you

1309

00:51:44,630 --> 00:51:41,579

get old your brain melts yeah

1310

00:51:46,490 --> 00:51:44,640

um McGuire McGuire

1311

00:51:47,930 --> 00:51:46,500

um she was in the office when Brazil

1312

00:51:49,849 --> 00:51:47,940

showed up

1313

00:51:51,890 --> 00:51:49,859

so she could talk about what she had

1314

00:51:53,809 --> 00:51:51,900

seen in the office yeah and then other

1315

00:51:55,430 --> 00:51:53,819

stuff she heard later but she would then

1316

00:51:57,049 --> 00:51:55,440

she became second hand and she became

1317

00:51:59,930 --> 00:51:57,059

firsthand and we talking to her that we

1318

00:52:03,829 --> 00:51:59,940

became secondhand Witnesses right

1319

00:52:05,450 --> 00:52:03,839

um but but with sabacher he's at best a

1320

00:52:08,809 --> 00:52:05,460

second-hand Witnesses maybe a third-hand

1321

00:52:12,890 --> 00:52:08,819

witness and it's and it's Wilbur Smith I

1322

00:52:15,109 --> 00:52:13,549

um

1323

00:52:17,329 --> 00:52:15,119

so

1324

00:52:19,010 --> 00:52:17,339

I I worry that that's the reference and

1325

00:52:21,589 --> 00:52:19,020

he's gotten hold of some of that old

1326
00:52:22,609 --> 00:52:21,599
information that's come up and we have

1327
00:52:24,170 --> 00:52:22,619
to

1328
00:52:26,089 --> 00:52:24,180
um

1329
00:52:27,290 --> 00:52:26,099
we have to we have to remember that sort

1330
00:52:29,750 --> 00:52:27,300
of thing but there's nothing in the

1331
00:52:31,730 --> 00:52:29,760
letter that is a classified and really

1332
00:52:34,430 --> 00:52:31,740
corroborates anything other than he's

1333
00:52:36,410 --> 00:52:34,440
concerned that there might be reverse

1334
00:52:38,630 --> 00:52:36,420
engineering going on nothing about

1335
00:52:41,150 --> 00:52:38,640
really weaponization but reverse

1336
00:52:42,490 --> 00:52:41,160
engineering going on and he's concerned

1337
00:52:46,250 --> 00:52:42,500
that

1338
00:52:48,530 --> 00:52:46,260

it will affect their relations with the

1339

00:52:50,150 --> 00:52:48,540

other partners in this want to say

1340

00:52:51,589 --> 00:52:50,160

triumvert but it's really more than that

1341

00:52:53,450 --> 00:52:51,599

but it's the Australians the new

1342

00:52:56,870 --> 00:52:53,460

zealands the Canadians the British and

1343

00:52:59,990 --> 00:52:56,880

the United States all involved in this

1344

00:53:02,569 --> 00:53:00,000

um this ongoing Research into other

1345

00:53:05,390 --> 00:53:02,579

other things not just UFOs so I think

1346

00:53:10,849 --> 00:53:08,510

purpose for the letter was to warn to

1347

00:53:12,890 --> 00:53:10,859

make sure that the

1348

00:53:15,710 --> 00:53:12,900

proper government officials in Canada

1349

00:53:19,069 --> 00:53:15,720

are aware of this possibility

1350

00:53:23,089 --> 00:53:19,079

yeah well um I just want to say uh

1351

00:53:24,589 --> 00:53:23,099

chulaloo to everyone over at kgra Radio

1352

00:53:26,089 --> 00:53:24,599

um we're going to continue on a little

1353

00:53:29,030 --> 00:53:26,099

bit because we have not talked about

1354

00:53:31,730 --> 00:53:29,040

your book and that's the main reason you

1355

00:53:34,130 --> 00:53:31,740

actually were here so thank you over at

1356

00:53:37,130 --> 00:53:34,140

kgra radio and we'll see you next week

1357

00:53:41,390 --> 00:53:37,140

uh with Mario woods so

1358

00:53:45,650 --> 00:53:41,400

um this situation here in your opinion

1359

00:53:46,250 --> 00:53:45,660

this is your opinion do you think that

1360

00:53:49,010 --> 00:53:46,260

um

1361

00:53:50,990 --> 00:53:49,020

yeah I personally think that some people

1362

00:53:52,430 --> 00:53:51,000

are going to start more people are going

1363

00:53:55,370 --> 00:53:52,440

to come forward

1364

00:53:57,710 --> 00:53:55,380

I know they have to have integrity I've

1365

00:53:59,750 --> 00:53:57,720

actually spoken to someone

1366

00:54:02,390 --> 00:53:59,760

hopefully is going to be on my show that

1367

00:54:04,670 --> 00:54:02,400

has uh was in the military and had a

1368

00:54:07,069 --> 00:54:04,680

situation happen that's related to this

1369

00:54:10,069 --> 00:54:07,079

and I'm really excited I'm going to meet

1370

00:54:11,450 --> 00:54:10,079

him face to face next week and

1371

00:54:14,390 --> 00:54:11,460

um but

1372

00:54:16,250 --> 00:54:14,400

I am hopeful that well first of all I

1373

00:54:18,950 --> 00:54:16,260

always I always had personally I always

1374

00:54:20,630 --> 00:54:18,960

thought it was very uh when I first

1375

00:54:23,150 --> 00:54:20,640

started hearing about Crash vehicles I

1376
00:54:25,549 --> 00:54:23,160
thought wow that's you know bizarre and

1377
00:54:27,890 --> 00:54:25,559
I I was saying kind of things that I

1378
00:54:30,170 --> 00:54:27,900
heard other people say

1379
00:54:34,309 --> 00:54:30,180
um like they how did they get here and

1380
00:54:37,370 --> 00:54:34,319
then how could they crash but if you had

1381
00:54:39,770 --> 00:54:37,380
I'm asking you to speculate here do you

1382
00:54:41,450 --> 00:54:39,780
believe that it's possible that there

1383
00:54:44,569 --> 00:54:41,460
are crashed vehicles and that we

1384
00:54:46,790 --> 00:54:44,579
actually do like Russia's story could be

1385
00:54:49,069 --> 00:54:46,800
an actual truth

1386
00:54:51,230 --> 00:54:49,079
there are elements that that I believe

1387
00:54:54,890 --> 00:54:51,240
are true and it was talking about the

1388
00:54:56,270 --> 00:54:54,900

Roswell case well yeah as I said earlier

1389

00:54:58,069 --> 00:54:56,280

you know I leaned toward the

1390

00:55:00,170 --> 00:54:58,079

Extraterrestrial in the Roswell kick

1391

00:55:02,089 --> 00:55:00,180

case you know people say to me well why

1392

00:55:03,770 --> 00:55:02,099

would it crash and I'm thinking well you

1393

00:55:06,049 --> 00:55:03,780

know maybe somebody pushed the wrong

1394

00:55:08,329 --> 00:55:06,059

button

1395

00:55:09,650 --> 00:55:08,339

um you know maybe something failed

1396

00:55:13,130 --> 00:55:09,660

you know

1397

00:55:14,410 --> 00:55:13,140

um I mean we have moved to a point in

1398

00:55:18,650 --> 00:55:14,420

our technology

1399

00:55:21,710 --> 00:55:18,660

where things things can be built that

1400

00:55:24,890 --> 00:55:21,720

are almost all right

1401

00:55:27,349 --> 00:55:24,900

uh indestructible and yet

1402

00:55:29,990 --> 00:55:27,359

things still go wrong

1403

00:55:32,030 --> 00:55:30,000

so they could crashed I had I'd said at

1404

00:55:34,309 --> 00:55:32,040

one point my favorite theory was that

1405

00:55:36,589 --> 00:55:34,319

they did it on purpose because it's a

1406

00:55:39,170 --> 00:55:36,599

very non-threatening way to introduce

1407

00:55:40,670 --> 00:55:39,180

themselves to the people of Earth it's

1408

00:55:42,650 --> 00:55:40,680

you know it's Crash craft in the dead

1409

00:55:45,829 --> 00:55:42,660

bodies well there's speculation of

1410

00:55:49,670 --> 00:55:45,839

Roswell being a lightning strike

1411

00:55:51,470 --> 00:55:49,680

now you you can get through Interstellar

1412

00:55:54,290 --> 00:55:51,480

space in a lightning bolt is going to

1413

00:55:55,430 --> 00:55:54,300

bring you down I mean there's a lot of

1414

00:55:57,470 --> 00:55:55,440

stuff you got to get through an

1415

00:55:59,690 --> 00:55:57,480

Interstellar space to get here and

1416

00:56:02,690 --> 00:55:59,700

lightning isn't going to be a problem

1417

00:56:04,970 --> 00:56:02,700

but as I said they did it on purpose and

1418

00:56:07,549 --> 00:56:04,980

somebody thought I was serious

1419

00:56:08,750 --> 00:56:07,559

I know I just like it as a team Theory

1420

00:56:12,349 --> 00:56:08,760

it's

1421

00:56:14,990 --> 00:56:12,359

liked

1422

00:56:18,230 --> 00:56:15,000

um but but

1423

00:56:19,670 --> 00:56:18,240

I can't see them raining out of the sky

1424

00:56:22,190 --> 00:56:19,680

they're talking about the United States

1425

00:56:24,470 --> 00:56:22,200

being in possession of 12.

1426
00:56:27,170 --> 00:56:24,480
or more yeah something like that yeah

1427
00:56:29,450 --> 00:56:27,180
and and if we've got 12

1428
00:56:31,549 --> 00:56:29,460
do the Canadians have 12

1429
00:56:33,650 --> 00:56:31,559
how about the Russians in the China as

1430
00:56:35,990 --> 00:56:33,660
far as land mass goes we're small land

1431
00:56:37,730 --> 00:56:36,000
mass compared to Russia and China and

1432
00:56:39,530 --> 00:56:37,740
that you know and there's interesting

1433
00:56:41,390 --> 00:56:39,540
stuff going on in the United States with

1434
00:56:42,950 --> 00:56:41,400
our with our rocketry and our Atomic

1435
00:56:44,630 --> 00:56:42,960
Testing and all of that that would kind

1436
00:56:46,549 --> 00:56:44,640
of draw their attention but then again

1437
00:56:47,569 --> 00:56:46,559
you can say if the same things about the

1438
00:56:50,210 --> 00:56:47,579

Russians

1439

00:56:51,829 --> 00:56:50,220

and the Chinese and other places on

1440

00:56:53,630 --> 00:56:51,839

Earth

1441

00:56:54,770 --> 00:56:53,640

you know so you've got to take a look at

1442

00:56:56,270 --> 00:56:54,780

all of that but

1443

00:56:59,329 --> 00:56:56,280

I just can't believe they're raining out

1444

00:57:02,390 --> 00:56:59,339

of the sky in in that fashion

1445

00:57:04,849 --> 00:57:02,400

um I know that a lot of the cases

1446

00:57:05,870 --> 00:57:04,859

um that I've looked at and I was at one

1447

00:57:08,089 --> 00:57:05,880

point

1448

00:57:09,530 --> 00:57:08,099

I I was thinking there was like 12 not

1449

00:57:11,270 --> 00:57:09,540

12. I was thinking there's a handful of

1450

00:57:13,730 --> 00:57:11,280

cases just and I mean like five or six

1451

00:57:16,549 --> 00:57:13,740

cases that were good evidence of some

1452

00:57:18,470 --> 00:57:16,559

kind of Crash Roswell being one of them

1453

00:57:19,910 --> 00:57:18,480

Las Vegas being one of them Kecksburg

1454

00:57:21,710 --> 00:57:19,920

being one of them there was shag Harbor

1455

00:57:23,930 --> 00:57:21,720

which I think more of is an emergency

1456

00:57:25,670 --> 00:57:23,940

landing than a than a crash and we never

1457

00:57:29,089 --> 00:57:25,680

really recovered anything better

1458

00:57:31,849 --> 00:57:29,099

but you look at some of these cases and

1459

00:57:33,829 --> 00:57:31,859

and you think okay these make sense but

1460

00:57:35,710 --> 00:57:33,839

then we begin to get into it and some of

1461

00:57:37,750 --> 00:57:35,720

them just don't hold up under under

1462

00:57:40,490 --> 00:57:37,760

proper scientific

1463

00:57:42,890 --> 00:57:40,500

investigation I think I think the Las

1464

00:57:44,990 --> 00:57:42,900

Vegas crash is probably not a crash but

1465

00:57:46,370 --> 00:57:45,000

it was a meteor that exploded in the sky

1466

00:57:48,710 --> 00:57:46,380

over Las Vegas

1467

00:57:50,510 --> 00:57:48,720

talking to the people in Las Vegas and

1468

00:57:52,069 --> 00:57:50,520

talking to that and they said well they

1469

00:57:53,930 --> 00:57:52,079

tracked it on radar well they really

1470

00:57:56,230 --> 00:57:53,940

didn't they tracked the ion Trail which

1471

00:58:00,049 --> 00:57:56,240

is a different different kind of fish

1472

00:58:01,549 --> 00:58:00,059

that sort of thing but oh you have to

1473

00:58:04,069 --> 00:58:01,559

take a look at all of that sort of thing

1474

00:58:06,170 --> 00:58:04,079

so I just look at the

1475

00:58:08,870 --> 00:58:06,180

of that sort of thing so I don't know

1476

00:58:10,490 --> 00:58:08,880

why they would crash uh if something

1477

00:58:13,430 --> 00:58:10,500

broke somebody pushed the wrong button

1478

00:58:14,870 --> 00:58:13,440

somebody miscalculated somebody made a

1479

00:58:16,970 --> 00:58:14,880

mistake and

1480

00:58:19,309 --> 00:58:16,980

brought the thing down

1481

00:58:22,130 --> 00:58:19,319

um yeah I know Stan was a was a fan of

1482

00:58:24,530 --> 00:58:22,140

the two collided and one well San

1483

00:58:26,150 --> 00:58:24,540

Agustin one fell in the Roswell area and

1484

00:58:27,650 --> 00:58:26,160

I'm thinking yeah I've crossed

1485

00:58:29,510 --> 00:58:27,660

Interstellar space and I fly into

1486

00:58:32,030 --> 00:58:29,520

another Flying Saucer yeah that's that

1487

00:58:37,010 --> 00:58:32,040

that makes sense

1488

00:58:41,750 --> 00:58:38,870

but this is Barney Barnett

1489

00:58:44,329 --> 00:58:41,760

that's it and you say well with the uh

1490

00:58:47,150 --> 00:58:44,339

the rumors about that geological team

1491

00:58:49,789 --> 00:58:47,160

from college stumbling across it was

1492

00:58:52,490 --> 00:58:49,799

that was that proven a hoax we never

1493

00:58:55,490 --> 00:58:52,500

found them hmm we never found them

1494

00:58:56,329 --> 00:58:55,500

Gerald Anderson said well they were from

1495

00:58:58,549 --> 00:58:56,339

um

1496

00:59:00,410 --> 00:58:58,559

he identified the leader of the team as

1497

00:59:03,069 --> 00:59:00,420

Adrian Busker turned out it was high

1498

00:59:05,990 --> 00:59:03,079

school anthropology teacher

1499

00:59:07,549 --> 00:59:06,000

which he thought was dead but we managed

1500

00:59:09,130 --> 00:59:07,559

to find him alive and chatted with you I

1501

00:59:11,569 --> 00:59:09,140

chatted with him a number of times

1502

00:59:13,670 --> 00:59:11,579

and proved that Anderson was in his

1503

00:59:15,530 --> 00:59:13,680

class and Stan denied it until the very

1504

00:59:17,210 --> 00:59:15,540

end that Anderson wasn't in the

1505

00:59:19,069 --> 00:59:17,220

anthropology class but Stan knew the

1506

00:59:19,789 --> 00:59:19,079

truth because I got the letter showing

1507

00:59:22,430 --> 00:59:19,799

this

1508

00:59:24,170 --> 00:59:22,440

hmm But but

1509

00:59:26,450 --> 00:59:24,180

um it really boiled down to Barney

1510

00:59:27,650 --> 00:59:26,460

Barnett and it was people he told this

1511

00:59:30,890 --> 00:59:27,660

story to

1512

00:59:32,510 --> 00:59:30,900

and when Moore was doing his Biltmore

1513

00:59:33,770 --> 00:59:32,520

was doing his original investigation in

1514

00:59:36,289 --> 00:59:33,780

the Roswell case he talked to a guy

1515

00:59:40,490 --> 00:59:36,299

named Fleck Danley who was

1516

00:59:42,049 --> 00:59:40,500

um Barnett's boss in 1947 and got him to

1517

00:59:44,089 --> 00:59:42,059

say that it well I think it was the

1518

00:59:46,430 --> 00:59:44,099

summer of 1947 when I talked to Fleck

1519

00:59:48,770 --> 00:59:46,440

family he really didn't have any idea

1520

00:59:50,809 --> 00:59:48,780

what it was you know he he said to me it

1521

00:59:52,190 --> 00:59:50,819

was the summer of 1947 and talking to

1522

00:59:54,710 --> 00:59:52,200

him I figured I could have convinced him

1523

00:59:55,490 --> 00:59:54,720

it was just last week

1524

00:59:57,710 --> 00:59:55,500

um

1525

01:00:00,049 --> 00:59:57,720

so we have to take a look at all of that

1526

01:00:02,390 --> 01:00:00,059

sort of stuff but Roswell Roswell I

1527

01:00:05,390 --> 01:00:02,400

think is the best example we have

1528

01:00:08,630 --> 01:00:05,400

of a UFO crash and it explains an awful

1529

01:00:11,470 --> 01:00:08,640

lot of the way the government reacted in

1530

01:00:12,890 --> 01:00:11,480

later years and the reason they were

1531

01:00:16,250 --> 01:00:12,900

[Music]

1532

01:00:19,309 --> 01:00:16,260

so Panic was just the idea

1533

01:00:20,930 --> 01:00:19,319

that the um

1534

01:00:22,789 --> 01:00:20,940

uh

1535

01:00:24,170 --> 01:00:22,799

they didn't know what the UFOs were they

1536

01:00:26,390 --> 01:00:24,180

know what the flying saucers were and

1537

01:00:29,510 --> 01:00:26,400

where they Soviet were they somebody

1538

01:00:31,190 --> 01:00:29,520

else's what exactly were they and if

1539

01:00:32,270 --> 01:00:31,200

they did and if they found the remnants

1540

01:00:34,250 --> 01:00:32,280

of one

1541

01:00:37,190 --> 01:00:34,260

they would have reacted with the the

1542

01:00:39,230 --> 01:00:37,200

secrecy they did simply because we are

1543

01:00:41,150 --> 01:00:39,240

now have in our possession of technology

1544

01:00:42,530 --> 01:00:41,160

to far superior to anything we have and

1545

01:00:44,690 --> 01:00:42,540

if we can figure it out we're going to

1546

01:00:45,470 --> 01:00:44,700

move way ahead of our competitors in the

1547

01:00:48,230 --> 01:00:45,480

world

1548

01:00:50,990 --> 01:00:48,240

and you know as I said um I I saw the

1549

01:00:53,089 --> 01:00:51,000

question flash up there yeah and that

1550

01:00:54,710 --> 01:00:53,099

was that was the idea with I said

1551
01:00:58,309 --> 01:00:54,720
earlier that they had done it on purpose

1552
01:00:59,870 --> 01:00:58,319
you sort of did yes this question here I

1553
01:01:01,370 --> 01:00:59,880
don't I don't think I don't think that I

1554
01:01:03,230 --> 01:01:01,380
think it was a Mist I think it was a

1555
01:01:04,490 --> 01:01:03,240
legitimate accident as opposed to

1556
01:01:05,690 --> 01:01:04,500
something they had done on purpose

1557
01:01:07,670 --> 01:01:05,700
because if they had done it on purpose

1558
01:01:08,870 --> 01:01:07,680
they wouldn't have picked Roswell they

1559
01:01:12,530 --> 01:01:08,880
wouldn't they wouldn't have picked a

1560
01:01:14,270 --> 01:01:12,540
ranch 75 miles or 65 miles Northwest of

1561
01:01:16,250 --> 01:01:14,280
Roswell in the barren desert where

1562
01:01:18,910 --> 01:01:16,260
somebody may not find it for literally

1563
01:01:21,109 --> 01:01:18,920

years they would have picked some place

1564

01:01:22,910 --> 01:01:21,119

where it could have gotten the public

1565

01:01:25,010 --> 01:01:22,920

play that they wanted

1566

01:01:27,230 --> 01:01:25,020

if that was the purpose behind it you

1567

01:01:29,630 --> 01:01:27,240

know why are we gonna why wouldn't

1568

01:01:31,549 --> 01:01:29,640

crash this thing to announce our

1569

01:01:33,650 --> 01:01:31,559

presence here in a non-threatening

1570

01:01:34,569 --> 01:01:33,660

benevolent way

1571

01:01:38,510 --> 01:01:34,579

um

1572

01:01:39,710 --> 01:01:38,520

they picked a place Why Not Crash I was

1573

01:01:40,609 --> 01:01:39,720

going to say crash at White Sands but

1574

01:01:41,870 --> 01:01:40,619

that wouldn't have done him any good

1575

01:01:43,789 --> 01:01:41,880

because the military would have had it

1576

01:01:46,670 --> 01:01:43,799

and pushed the whole thing up but some

1577

01:01:48,230 --> 01:01:46,680

place where uh the media could have

1578

01:01:50,210 --> 01:01:48,240

gotten to it the scientists could have

1579

01:01:51,530 --> 01:01:50,220

gotten to it that they wouldn't have

1580

01:01:53,270 --> 01:01:51,540

been able to contain it as well as they

1581

01:01:55,490 --> 01:01:53,280

didn't yeah but you're thinking of

1582

01:01:57,589 --> 01:01:55,500

you're thinking in human intelligence

1583

01:02:01,069 --> 01:01:57,599

that's something we always

1584

01:02:04,250 --> 01:02:01,079

tend to do and we don't know the way

1585

01:02:06,470 --> 01:02:04,260

whatever it is thinks

1586

01:02:09,049 --> 01:02:06,480

and we can speculate to a point by

1587

01:02:11,630 --> 01:02:09,059

saying well they're all sent the

1588

01:02:13,670 --> 01:02:11,640

SE are certain logical things that would

1589

01:02:16,069 --> 01:02:13,680

come about you know we can say well they

1590

01:02:18,970 --> 01:02:16,079

wouldn't be using base 10. for the

1591

01:02:23,450 --> 01:02:22,010

if we go by if we go by the alien

1592

01:02:25,490 --> 01:02:23,460

autopsy film they would have done what

1593

01:02:28,010 --> 01:02:25,500

base eight

1594

01:02:29,089 --> 01:02:28,020

yeah so do you know about Gerald

1595

01:02:32,690 --> 01:02:29,099

Anderson

1596

01:02:34,309 --> 01:02:32,700

right

1597

01:02:36,530 --> 01:02:34,319

what do you want to know about Gerald

1598

01:02:39,890 --> 01:02:36,540

Anderson uh yeah what about Gerald

1599

01:02:43,130 --> 01:02:39,900

Anderson Gordon Shumway my butt

1600

01:02:43,140 --> 01:02:46,849

Gordon Shumway was Al

1601
01:02:50,870 --> 01:02:49,789
TV oh Al's name real name was Gordon

1602
01:02:52,670 --> 01:02:50,880
Shumway

1603
01:02:54,170 --> 01:02:52,680
proving I pay attention to the science

1604
01:02:56,750 --> 01:02:54,180
fiction too

1605
01:02:58,430 --> 01:02:56,760
Gerald Anderson interjected himself into

1606
01:03:03,710 --> 01:02:58,440
the Roswell crash

1607
01:03:06,109 --> 01:03:03,720
and talked about how he had he and his

1608
01:03:08,390 --> 01:03:06,119
father and his uncle and brother or

1609
01:03:10,609 --> 01:03:08,400
something we're out looking for

1610
01:03:12,589 --> 01:03:10,619
originally out from Moss Agate on the

1611
01:03:13,910 --> 01:03:12,599
plains of San Agustin when they found

1612
01:03:16,430 --> 01:03:13,920
the crash

1613
01:03:17,750 --> 01:03:16,440

uh we actually talked I actually talked

1614

01:03:20,569 --> 01:03:17,760

to a geologist and learn more about

1615

01:03:23,930 --> 01:03:20,579

where you could find various agates

1616

01:03:25,670 --> 01:03:23,940

uh in New Mexico and Moss Agate wasn't

1617

01:03:27,230 --> 01:03:25,680

found on the plains of San Agustin but

1618

01:03:28,549 --> 01:03:27,240

you could find banded agates so his

1619

01:03:30,410 --> 01:03:28,559

story then became while they work in

1620

01:03:32,930 --> 01:03:30,420

Vermont getting banned today again

1621

01:03:35,030 --> 01:03:32,940

which is a real red flag meaning you're

1622

01:03:36,230 --> 01:03:35,040

changing your story to incorporate the

1623

01:03:38,510 --> 01:03:36,240

new information

1624

01:03:40,370 --> 01:03:38,520

Anderson talked about how it was a guy

1625

01:03:42,589 --> 01:03:40,380

named Adrian Buskirk

1626

01:03:45,650 --> 01:03:42,599

Tom Kerry did some research and found a

1627

01:03:47,809 --> 01:03:45,660

Buskirk who's an anthropologist

1628

01:03:48,890 --> 01:03:47,819

and discovered that it was Winfred bus

1629

01:03:51,710 --> 01:03:48,900

Kirk

1630

01:03:54,109 --> 01:03:51,720

and he was we learned that he was he had

1631

01:03:55,430 --> 01:03:54,119

taught at the Albuquerque High School

1632

01:03:57,410 --> 01:03:55,440

and I was trying to figure out a

1633

01:03:59,150 --> 01:03:57,420

connection between

1634

01:04:02,390 --> 01:03:59,160

[Music]

1635

01:04:02,990 --> 01:04:02,400

Winford Buskirk and Anderson

1636

01:04:05,569 --> 01:04:03,000

um

1637

01:04:07,670 --> 01:04:05,579

then they were both in New Mexico and

1638

01:04:10,130 --> 01:04:07,680

then realized that Anderson had been at

1639

01:04:13,130 --> 01:04:10,140

the Albuquerque

1640

01:04:15,170 --> 01:04:13,140

um High School Buskirk had friends there

1641

01:04:18,230 --> 01:04:15,180

look up his records

1642

01:04:20,990 --> 01:04:18,240

and told us

1643

01:04:23,390 --> 01:04:21,000

and they told me I talked to him as well

1644

01:04:25,130 --> 01:04:23,400

that Anderson had taken the anthropology

1645

01:04:26,750 --> 01:04:25,140

course from Buskirk

1646

01:04:28,069 --> 01:04:26,760

and they knew it was buskirk's

1647

01:04:29,530 --> 01:04:28,079

anthropology course because he was the

1648

01:04:31,549 --> 01:04:29,540

only one that taught anthropology

1649

01:04:32,809 --> 01:04:31,559

courses at the Albuquerque High School

1650

01:04:34,789 --> 01:04:32,819

the time frame and if you took

1651

01:04:37,609 --> 01:04:34,799

anthropology he didn't uh he had to

1652

01:04:40,010 --> 01:04:37,619

think of a busker so he knew Buskirk

1653

01:04:41,329 --> 01:04:40,020

from that time so he just he just put

1654

01:04:43,370 --> 01:04:41,339

his anthropology High School

1655

01:04:46,250 --> 01:04:43,380

anthropology teacher into this crash

1656

01:04:48,890 --> 01:04:46,260

retrieval well Buskirk told me that in

1657

01:04:52,190 --> 01:04:48,900

July of 1947

1658

01:04:54,589 --> 01:04:52,200

he was in Arizona doing his PhD working

1659

01:04:56,030 --> 01:04:54,599

on his PhD dissertation with the Western

1660

01:05:00,650 --> 01:04:56,040

Apache

1661

01:05:02,089 --> 01:05:00,660

Anderson produced A identicate Sketch

1662

01:05:04,370 --> 01:05:02,099

of

1663

01:05:06,530 --> 01:05:04,380

this guy remember Anderson's five years

1664

01:05:08,030 --> 01:05:06,540

old at the time and now he's giving us

1665

01:05:11,089 --> 01:05:08,040

you know

1666

01:05:13,430 --> 01:05:11,099

30 40 50 years later he's giving us

1667

01:05:15,770 --> 01:05:13,440

an identical sketch of what this guy

1668

01:05:17,510 --> 01:05:15,780

looked like and these were circulated in

1669

01:05:18,950 --> 01:05:17,520

New Mexico one of the people found them

1670

01:05:20,690 --> 01:05:18,960

found one and said oh look it's wind

1671

01:05:23,470 --> 01:05:20,700

Buskirk I mean recognized it from The

1672

01:05:27,589 --> 01:05:23,480

Identical sketch we um

1673

01:05:29,569 --> 01:05:27,599

learned that in 1947 Buskirk didn't look

1674

01:05:32,870 --> 01:05:29,579

like that he was much thinner

1675

01:05:36,650 --> 01:05:32,880

and so what uh the the the

1676

01:05:38,990 --> 01:05:36,660

um identical sketch was Buskirk in 1957.

1677

01:05:42,109 --> 01:05:39,000

and you can match the pictures from the

1678

01:05:44,630 --> 01:05:42,119

yearbooks we got the uh I should say Don

1679

01:05:46,250 --> 01:05:44,640

Kerry got pictures of bus Kirk and we

1680

01:05:48,650 --> 01:05:46,260

put all of that together so we knew

1681

01:05:50,809 --> 01:05:48,660

Buskirk couldn't be the guy Anderson

1682

01:05:53,150 --> 01:05:50,819

said that um there was this big

1683

01:05:56,390 --> 01:05:53,160

battalion-sized operation going on over

1684

01:05:59,150 --> 01:05:56,400

at horse Springs The Landing aircraft on

1685

01:06:00,829 --> 01:05:59,160

the on the roads and all of this stuff

1686

01:06:03,230 --> 01:06:00,839

but a guy named

1687

01:06:05,450 --> 01:06:03,240

um Wesley hurt Dr Wesley hurt from

1688

01:06:08,150 --> 01:06:05,460

Harvard or Harvard

1689

01:06:09,829 --> 01:06:08,160

uh yeah on the plains of San Agustin in

1690

01:06:11,870 --> 01:06:09,839

July we didn't know exactly when I think

1691

01:06:14,630 --> 01:06:11,880

it was Art Campbell found a letter

1692

01:06:18,170 --> 01:06:14,640

in the Harford archives

1693

01:06:20,870 --> 01:06:18,180

dated July for uh uh dated in July says

1694

01:06:24,349 --> 01:06:20,880

and and Hertz says we arrived on July

1695

01:06:25,670 --> 01:06:24,359

1st so we knew when he got there so he

1696

01:06:28,549 --> 01:06:25,680

would have been there at the time of the

1697

01:06:30,049 --> 01:06:28,559

crash I told us that Stan Friedman's Dan

1698

01:06:31,789 --> 01:06:30,059

says they were working in a place called

1699

01:06:34,309 --> 01:06:31,799

Bat Cave which I'm always hesitant to

1700

01:06:37,130 --> 01:06:34,319

say because bat cave was a cave full of

1701

01:06:39,770 --> 01:06:37,140

bats obviously yeah in the in the

1702

01:06:41,510 --> 01:06:39,780

mountains on the Eastern Bank of what

1703

01:06:43,910 --> 01:06:41,520

was the plains of San Agustin Plains of

1704

01:06:46,069 --> 01:06:43,920

Santa Augustine is dried up Lake Bend

1705

01:06:48,049 --> 01:06:46,079

and I mentioned that the stances well we

1706

01:06:49,370 --> 01:06:48,059

don't know uh how far they were in the

1707

01:06:51,109 --> 01:06:49,380

cave we don't know which way the cave

1708

01:06:52,730 --> 01:06:51,119

faced anything like that and I said I do

1709

01:06:53,990 --> 01:06:52,740

stand they were looking for human

1710

01:06:55,970 --> 01:06:54,000

habitation so they wouldn't have been

1711

01:06:57,950 --> 01:06:55,980

very deep in the cave because without

1712

01:07:00,109 --> 01:06:57,960

flashlights or torches you couldn't go

1713

01:07:01,490 --> 01:07:00,119

very deep into the cave

1714

01:07:04,309 --> 01:07:01,500

because it would get really really dark

1715

01:07:06,470 --> 01:07:04,319

and the case cave was oriented so the

1716

01:07:07,970 --> 01:07:06,480

mouth of the cave faced to the West so

1717

01:07:11,390 --> 01:07:07,980

we could have seen there and the only

1718

01:07:13,010 --> 01:07:11,400

camping site was a play a flat flat

1719

01:07:15,230 --> 01:07:13,020

place about a hundred yards from this

1720

01:07:17,770 --> 01:07:15,240

from the opening of The Cave so they

1721

01:07:20,210 --> 01:07:17,780

were there at the time from July 1st

1722

01:07:22,730 --> 01:07:20,220

through when the crash supposedly took

1723

01:07:25,250 --> 01:07:22,740

place when all this operation went on

1724

01:07:27,529 --> 01:07:25,260

and then they left I talked to Wesley

1725

01:07:29,950 --> 01:07:27,539

hurt and he said we didn't see anything

1726

01:07:32,150 --> 01:07:29,960

like that and art said in a letter to me

1727

01:07:35,089 --> 01:07:32,160

that he was not a fan of the government

1728

01:07:36,770 --> 01:07:35,099

and if he knew anything he'd tell me

1729

01:07:38,390 --> 01:07:36,780

um Tom found

1730

01:07:41,529 --> 01:07:38,400

um

1731

01:07:44,329 --> 01:07:41,539

a guy named dancing Ted Danson's father

1732

01:07:46,130 --> 01:07:44,339

was a anthropologist or an archaeologist

1733

01:07:47,510 --> 01:07:46,140

he was with him

1734

01:07:49,430 --> 01:07:47,520

um and there was a guy named Herbert

1735

01:07:51,650 --> 01:07:49,440

dick

1736

01:07:53,390 --> 01:07:51,660

and I always when I was writing out

1737

01:07:55,010 --> 01:07:53,400

these places I would always when I

1738

01:07:58,250 --> 01:07:55,020

listed the names it would always be I'd

1739

01:08:01,789 --> 01:07:58,260

always say hurt dick dancing

1740

01:08:02,990 --> 01:08:01,799

uh just for the pure Insanity of having

1741

01:08:05,990 --> 01:08:03,000

some fun

1742

01:08:09,349 --> 01:08:06,000

but we were able to demonstrate that

1743

01:08:12,650 --> 01:08:09,359

that Anderson's story was untrue

1744

01:08:13,730 --> 01:08:12,660

and um there was other things there's a

1745

01:08:17,329 --> 01:08:13,740

lot of other things going on honey

1746

01:08:20,689 --> 01:08:17,339

produced a diary supposedly kept by his

1747

01:08:22,309 --> 01:08:20,699

aunt but the ink was from 1974 so it

1748

01:08:23,809 --> 01:08:22,319

couldn't have been her that had done it

1749

01:08:25,309 --> 01:08:23,819

because she had been killed or as an

1750

01:08:28,309 --> 01:08:25,319

uncle had done it and he'd been killed

1751
01:08:30,709 --> 01:08:28,319
he uh to make me look bad produced a

1752
01:08:33,470 --> 01:08:30,719
phone bill showing that he'd only talked

1753
01:08:35,390 --> 01:08:33,480
to me for 26 minutes on the phone call I

1754
01:08:37,430 --> 01:08:35,400
got a hold of the regular bill

1755
01:08:39,110 --> 01:08:37,440
because it had my phone number on it so

1756
01:08:41,570 --> 01:08:39,120
Southwestern Bell actually sent me a

1757
01:08:44,749 --> 01:08:41,580
copy and I so I had a legitimate copy

1758
01:08:46,789 --> 01:08:44,759
signed by the people at of Southwestern

1759
01:08:48,950 --> 01:08:46,799
Bell showing that my phone call was for

1760
01:08:50,809 --> 01:08:48,960
54 minutes I have a tape of the

1761
01:08:53,169 --> 01:08:50,819
conversation

1762
01:08:55,669 --> 01:08:53,179
um when we asked about the um

1763
01:08:57,410 --> 01:08:55,679

as we got in the conversation I started

1764

01:09:00,289 --> 01:08:57,420

feeding lines because I knew this guy

1765

01:09:06,110 --> 01:09:02,570

um blueberry muffins I take that from

1766

01:09:10,249 --> 01:09:08,809

um the thing from another world movie if

1767

01:09:12,769 --> 01:09:10,259

your stuff completely full of blueberry

1768

01:09:15,470 --> 01:09:12,779

muffins anyway

1769

01:09:18,110 --> 01:09:15,480

you know uh

1770

01:09:20,630 --> 01:09:18,120

uh I had I had asked him questions about

1771

01:09:24,890 --> 01:09:20,640

this and he said at one point that the

1772

01:09:26,209 --> 01:09:24,900

alien eyes were were a Milky blue a very

1773

01:09:28,669 --> 01:09:26,219

light blue

1774

01:09:30,470 --> 01:09:28,679

and I was in the coincidentally it was

1775

01:09:33,590 --> 01:09:30,480

in the bookstore in Roswell New Mexico

1776

01:09:35,570 --> 01:09:33,600

and they had um one of Whitley's

1777

01:09:38,209 --> 01:09:35,580

Bieber's books on

1778

01:09:40,430 --> 01:09:38,219

uh remain on the remainder plow the

1779

01:09:42,709 --> 01:09:40,440

hardback books and a picture of the

1780

01:09:44,590 --> 01:09:42,719

alien with milky blue eyes so I knew

1781

01:09:47,329 --> 01:09:44,600

where Anderson got the Milky blue eyes

1782

01:09:49,610 --> 01:09:47,339

when we called him on that

1783

01:09:51,289 --> 01:09:49,620

others called him on

1784

01:09:53,090 --> 01:09:51,299

that they were murky blue what he said

1785

01:09:55,430 --> 01:09:53,100

was murky blue no he said milky balloon

1786

01:09:57,110 --> 01:09:55,440

I got John Tate pal well I got you on

1787

01:09:58,729 --> 01:09:57,120

tape for 54 minutes

1788

01:09:59,930 --> 01:09:58,739

um and that sort of thing but the whole

1789

01:10:01,610 --> 01:09:59,940

point of this there was so much wrong

1790

01:10:03,350 --> 01:10:01,620

with the Anderson story we were able to

1791

01:10:06,169 --> 01:10:03,360

eliminate it completely and totally we

1792

01:10:08,030 --> 01:10:06,179

we found his anthropology teacher who he

1793

01:10:10,430 --> 01:10:08,040

identified as being on the plains of San

1794

01:10:12,229 --> 01:10:10,440

Agustin when he was not we uh learned

1795

01:10:14,630 --> 01:10:12,239

the the excuse for being there was not

1796

01:10:17,750 --> 01:10:14,640

right we learned that he changed his

1797

01:10:19,310 --> 01:10:17,760

story when uh you look at it it went

1798

01:10:22,850 --> 01:10:19,320

from I think there were two dead aliens

1799

01:10:24,770 --> 01:10:22,860

one was injured and one was okay to

1800

01:10:26,870 --> 01:10:24,780

three dead aliens and all kinds of other

1801

01:10:28,070 --> 01:10:26,880

stuff going on so I mean it just he

1802

01:10:30,110 --> 01:10:28,080

changed the story he couldn't remember

1803

01:10:32,030 --> 01:10:30,120

what he told us from one one story to

1804

01:10:33,770 --> 01:10:32,040

another finally admitted that he forged

1805

01:10:35,750 --> 01:10:33,780

the phone bill to make me look bad and

1806

01:10:38,149 --> 01:10:35,760

I'm thinking well that's a pretty good

1807

01:10:40,669 --> 01:10:38,159

uh indication that he can't be trusted

1808

01:10:42,350 --> 01:10:40,679

so I actually uh went on the radio as

1809

01:10:45,830 --> 01:10:42,360

this whole thing was developing in the

1810

01:10:48,290 --> 01:10:45,840

mid 1990s calling Anderson a um a liar

1811

01:10:50,270 --> 01:10:48,300

hoping he would sue me

1812

01:10:52,490 --> 01:10:50,280

because then I could

1813

01:10:53,209 --> 01:10:52,500

subpoena the records from the high

1814

01:10:55,490 --> 01:10:53,219

school

1815

01:10:56,750 --> 01:10:55,500

to prove that he had taken the

1816

01:11:00,229 --> 01:10:56,760

anthropology of course when he had

1817

01:11:01,790 --> 01:11:00,239

denied it he showed up a um supposedly a

1818

01:11:04,970 --> 01:11:01,800

transcript that showed he didn't take

1819

01:11:07,250 --> 01:11:04,980

the anthropology course but um

1820

01:11:09,070 --> 01:11:07,260

it was clearly it had been it had been

1821

01:11:12,649 --> 01:11:09,080

modified so

1822

01:11:15,290 --> 01:11:12,659

wow that's something so we have to move

1823

01:11:18,050 --> 01:11:15,300

on to your because we we uh we went over

1824

01:11:20,930 --> 01:11:18,060

time which is good I'm enjoying the

1825

01:11:24,290 --> 01:11:20,940

conversation but uh here is your latest

1826

01:11:26,930 --> 01:11:24,300

book and this is a uh updated version

1827

01:11:28,669 --> 01:11:26,940

with all kinds of extras something that

1828

01:11:32,270 --> 01:11:28,679

you wrote originally back in

1829

01:11:36,910 --> 01:11:32,280

2000 was it yes yes well well first of

1830

01:11:42,410 --> 01:11:39,530

it's the one that Philip mantle

1831

01:11:44,229 --> 01:11:42,420

contacted me about uh so let's talk

1832

01:11:46,310 --> 01:11:44,239

about your latest book

1833

01:11:48,470 --> 01:11:46,320

understanding Roswell came out after

1834

01:11:50,750 --> 01:11:48,480

that and the latest one is called 1973

1835

01:11:52,790 --> 01:11:50,760

and it deals with the the UFO sightings

1836

01:11:53,870 --> 01:11:52,800

in 1973 and I always think of it as a

1837

01:11:56,450 --> 01:11:53,880

companion book to some of the things

1838

01:11:58,510 --> 01:11:56,460

Philip is doing with um

1839

01:12:01,669 --> 01:11:58,520

um

1840

01:12:03,530 --> 01:12:01,679

not Hixson Parker Calvin Parker who's a

1841

01:12:05,390 --> 01:12:03,540

very nice guy and I you know chatted

1842

01:12:08,030 --> 01:12:05,400

with him a number of times

1843

01:12:10,430 --> 01:12:08,040

um but yes the the Washington National

1844

01:12:12,709 --> 01:12:10,440

book was updated with new information it

1845

01:12:13,910 --> 01:12:12,719

talks about the um basically the summer

1846

01:12:18,350 --> 01:12:13,920

of 19

1847

01:12:19,250 --> 01:12:18,360

52 the UFO sightings over Washington D.C

1848

01:12:21,169 --> 01:12:19,260

um

1849

01:12:24,110 --> 01:12:21,179

well now I'm looking for your latest

1850

01:12:26,330 --> 01:12:24,120

books that was the book that uh that

1851

01:12:28,090 --> 01:12:26,340

Philip uh told me to

1852

01:12:31,490 --> 01:12:28,100

to push

1853

01:12:34,010 --> 01:12:31,500

so what's the name of your latest book I

1854

01:12:36,229 --> 01:12:34,020

think the latest one from from um Philip

1855

01:12:38,149 --> 01:12:36,239

is understanding Roswell

1856

01:12:40,910 --> 01:12:38,159

okay

1857

01:12:42,590 --> 01:12:40,920

um the the 1973 book about the the

1858

01:12:44,450 --> 01:12:42,600

sightings from 1973 will be coming out

1859

01:12:46,910 --> 01:12:44,460

in the fall

1860

01:12:48,890 --> 01:12:46,920

um here it is here well that's you can

1861

01:12:51,169 --> 01:12:48,900

get it in audio books and you can get it

1862

01:12:52,910 --> 01:12:51,179

on Kindle you can get a nice hardback

1863

01:12:55,010 --> 01:12:52,920

copy which are really really expensive

1864

01:12:57,470 --> 01:12:55,020

and I actually paid to get one because I

1865

01:12:59,870 --> 01:12:57,480

thought it was cool well yeah and you

1866

01:13:01,149 --> 01:12:59,880

have to sign it too sign your own book

1867

01:13:04,610 --> 01:13:01,159

yeah

1868

01:13:07,669 --> 01:13:04,620

but but like I said it deals it deals

1869

01:13:09,290 --> 01:13:07,679

with the Roswell book deals with um

1870

01:13:11,630 --> 01:13:09,300

a lot of the stuff that's kind of

1871

01:13:13,610 --> 01:13:11,640

overlooked in the Roswell investigation

1872

01:13:17,270 --> 01:13:13,620

and kind of weeds out some of the things

1873

01:13:18,770 --> 01:13:17,280

that got awry in the investigations

1874

01:13:20,390 --> 01:13:18,780

um I've always said every member of

1875

01:13:21,590 --> 01:13:20,400

Colonel Blanchard staff we were able to

1876

01:13:24,050 --> 01:13:21,600

talk to

1877

01:13:27,470 --> 01:13:24,060

about this with one exception said it

1878

01:13:29,930 --> 01:13:27,480

was extra frustrial and that one one

1879

01:13:31,669 --> 01:13:29,940

exception is a guy named Barrel claw and

1880

01:13:33,410 --> 01:13:31,679

he was I don't remember whether he was

1881

01:13:35,570 --> 01:13:33,420

the executive officer or the deputy

1882

01:13:37,490 --> 01:13:35,580

Commander it was one of the he was he

1883

01:13:39,470 --> 01:13:37,500

was either the number two or the number

1884

01:13:41,270 --> 01:13:39,480

three guy at Roswell and he said no it

1885

01:13:43,729 --> 01:13:41,280

wasn't true but everybody else we talked

1886

01:13:44,450 --> 01:13:43,739

to said yeah it happened

1887

01:13:47,030 --> 01:13:44,460

um

1888

01:13:48,830 --> 01:13:47,040

yeah and it was extraterrestrial Edwin

1889

01:13:50,090 --> 01:13:48,840

Easley who was a Provost Marshal and for

1890

01:13:53,030 --> 01:13:50,100

those of you don't understand promos

1891

01:13:55,790 --> 01:13:53,040

marginally it's like the chief of police

1892

01:13:57,290 --> 01:13:55,800

Marshall is the military guy and talking

1893

01:13:59,570 --> 01:13:57,300

to him he would have been responsible

1894

01:14:01,790 --> 01:13:59,580

for security and knew what was going on

1895

01:14:03,530 --> 01:14:01,800

and I asked him at one point are we

1896

01:14:04,850 --> 01:14:03,540

following the right path and he said

1897

01:14:06,350 --> 01:14:04,860

well

1898

01:14:07,610 --> 01:14:06,360

let me put it this way it's not the

1899

01:14:09,290 --> 01:14:07,620

wrong path meaning of course it's

1900

01:14:10,790 --> 01:14:09,300

extraterrestrial so I mean here's the

1901

01:14:12,890 --> 01:14:10,800

here's the guy who's responsible for

1902

01:14:14,689 --> 01:14:12,900

security

1903

01:14:16,250 --> 01:14:14,699

um but we looked I looked at all of that

1904

01:14:17,870 --> 01:14:16,260

stuff in the Roswell case I looked at

1905

01:14:19,070 --> 01:14:17,880

the histories of some of the guys that I

1906

01:14:22,450 --> 01:14:19,080

could find

1907

01:14:25,310 --> 01:14:22,460

one of the guys I think it was Payne

1908

01:14:27,890 --> 01:14:25,320

he uh he was killed in the Korean War

1909

01:14:29,149 --> 01:14:27,900

they were testing some kind of big hairy

1910

01:14:34,010 --> 01:14:29,159

ass bomb

1911

01:14:36,470 --> 01:14:34,020

uh and it detonated prematurely and blew

1912

01:14:39,110 --> 01:14:36,480

up the aircraft wow and he was killed in

1913

01:14:40,850 --> 01:14:39,120

that one of the guys the story was one

1914

01:14:42,350 --> 01:14:40,860

of them had disappeared into the Bermuda

1915

01:14:43,970 --> 01:14:42,360

Triangle that turns out that's not quite

1916

01:14:45,470 --> 01:14:43,980

right

1917

01:14:48,890 --> 01:14:45,480

um they were transferring a bunch of

1918

01:14:51,169 --> 01:14:48,900

guys I think I think it was

1919

01:14:52,790 --> 01:14:51,179

I don't remember which guy it is now but

1920

01:14:55,669 --> 01:14:52,800

they're printing a bunch of guys from

1921

01:14:57,890 --> 01:14:55,679

Roswell to a base in England and the

1922

01:15:00,410 --> 01:14:57,900

plane went down in the Atlantic Ocean

1923

01:15:02,030 --> 01:15:00,420

and a lot of the people survived the

1924

01:15:03,530 --> 01:15:02,040

crash and there was a plane circling

1925

01:15:07,610 --> 01:15:03,540

overhead for a while and he had to leave

1926

01:15:09,530 --> 01:15:07,620

and by the time the rescue ships got

1927

01:15:11,870 --> 01:15:09,540

there everything was gone I couldn't

1928

01:15:13,910 --> 01:15:11,880

find anybody couldn't find anything but

1929

01:15:15,290 --> 01:15:13,920

it was a good six or seven hundred miles

1930

01:15:16,550 --> 01:15:15,300

from the three minute triangles had

1931

01:15:19,250 --> 01:15:16,560

nothing to do with the Bermuda Triangle

1932

01:15:21,410 --> 01:15:19,260

it was just an aircraft accident

1933

01:15:23,990 --> 01:15:21,420

um so you know it looks at that sort of

1934

01:15:25,970 --> 01:15:24,000

thing it looks at depth again I think it

1935

01:15:28,189 --> 01:15:25,980

talks about the project Mogul nonsense

1936

01:15:32,090 --> 01:15:28,199

it talked about some of the witnesses

1937

01:15:35,990 --> 01:15:32,100

who have come forward that we believe

1938

01:15:38,149 --> 01:15:36,000

um are credible and give you a a sort of

1939

01:15:41,390 --> 01:15:38,159

a different perspective into the Roswell

1940

01:15:43,729 --> 01:15:41,400

case and if you and if you

1941

01:15:46,390 --> 01:15:43,739

put it together with uh Roswell in the

1942

01:15:49,310 --> 01:15:46,400

21st century you get a a

1943

01:15:53,090 --> 01:15:49,320

much larger picture of the in-depth the

1944

01:15:55,010 --> 01:15:53,100

research that's gone on I I mean

1945

01:15:58,430 --> 01:15:55,020

the the

1946

01:15:59,990 --> 01:15:58,440

Philip Philip doesn't like footnotes so

1947

01:16:01,910 --> 01:16:00,000

um in understanding Roswell I had to put

1948

01:16:03,830 --> 01:16:01,920

the sources kind of in the text but in

1949

01:16:06,290 --> 01:16:03,840

in Roswell in the 21st century I think

1950

01:16:08,390 --> 01:16:06,300

there's like a thousand footnotes

1951

01:16:09,830 --> 01:16:08,400

so you know you get the sources you

1952

01:16:12,290 --> 01:16:09,840

understand where the information came

1953

01:16:14,870 --> 01:16:12,300

from you understand how we collected it

1954

01:16:16,610 --> 01:16:14,880

we understand why we believed it one of

1955

01:16:17,330 --> 01:16:16,620

the examples is

1956

01:16:20,270 --> 01:16:17,340

um

1957

01:16:23,510 --> 01:16:20,280

Frank Joyce who was a radio station guy

1958

01:16:25,130 --> 01:16:23,520

in Roswell kgfl in 1947 talked about his

1959

01:16:26,750 --> 01:16:25,140

meeting with Brazzle

1960

01:16:29,689 --> 01:16:26,760

in the station

1961

01:16:32,630 --> 01:16:29,699

on the Wednesday after the story came

1962

01:16:33,590 --> 01:16:32,640

out that the uh it was um a weather

1963

01:16:35,990 --> 01:16:33,600

balloon

1964

01:16:36,610 --> 01:16:36,000

and

1965

01:16:39,290 --> 01:16:36,620

um

1966

01:16:42,050 --> 01:16:39,300

Brazil's talking to Joyce in the radio

1967

01:16:44,090 --> 01:16:42,060

station and they he wrestles getting the

1968

01:16:45,890 --> 01:16:44,100

new weather balloon story and he's as

1969

01:16:47,810 --> 01:16:45,900

he's leaving

1970

01:16:48,770 --> 01:16:47,820

brows will supposedly turned to Joyce

1971

01:16:50,270 --> 01:16:48,780

and said well you know how they talk

1972

01:16:51,110 --> 01:16:50,280

about little green man well they weren't

1973

01:16:53,090 --> 01:16:51,120

green

1974

01:16:54,890 --> 01:16:53,100

and then he leaves so the question

1975

01:16:57,950 --> 01:16:54,900

becomes when did the idea of Little

1976

01:17:00,350 --> 01:16:57,960

Green Men enter the Lexicon

1977

01:17:03,709 --> 01:17:00,360

you know what Brazil have said something

1978

01:17:05,870 --> 01:17:03,719

like that in 1947. and so there's a long

1979

01:17:07,790 --> 01:17:05,880

footnote that explains

1980

01:17:09,370 --> 01:17:07,800

the evolution of the idea of the little

1981

01:17:11,689 --> 01:17:09,380

green men

1982

01:17:13,910 --> 01:17:11,699

so I mean that gives you an idea of the

1983

01:17:16,370 --> 01:17:13,920

kind of research we engaged in trying to

1984

01:17:17,870 --> 01:17:16,380

learn exactly what what was going on and

1985

01:17:20,030 --> 01:17:17,880

we discovered that the idea of Little

1986

01:17:21,790 --> 01:17:20,040

Green Men goes back into actually

1987

01:17:24,830 --> 01:17:21,800

mythology

1988

01:17:26,810 --> 01:17:24,840

the green men were the forest dwellers

1989

01:17:29,810 --> 01:17:26,820

in England I think it was and then it

1990

01:17:33,290 --> 01:17:29,820

evolved into the aliens uh John Carter

1991

01:17:35,149 --> 01:17:33,300

on Mars the Edgar Weiss Burroughs

1992

01:17:38,870 --> 01:17:35,159

series it began with Princess and Mars

1993

01:17:41,209 --> 01:17:38,880

in 1913 had a race of green men on Mars

1994

01:17:44,570 --> 01:17:41,219

for example there was a Popeye cartoon

1995

01:17:47,149 --> 01:17:44,580

in 1938 where the alien creatures are

1996

01:17:49,669 --> 01:17:47,159

green so it was something that had been

1997

01:17:50,750 --> 01:17:49,679

in the electicon for a

1998

01:17:54,050 --> 01:17:50,760

um

1999

01:17:56,470 --> 01:17:54,060

long long time uh did I include the EI

2000

01:17:59,689 --> 01:17:56,480

chap description of the UFO

2001

01:18:01,189 --> 01:17:59,699

I thought that is pardon me I don't

2002

01:18:04,250 --> 01:18:01,199

understand that what that means do you

2003

01:18:07,970 --> 01:18:04,260

know what that is the Pentagon spokesman

2004

01:18:09,890 --> 01:18:07,980

for UFOs in the in 1952 I see and I

2005

01:18:11,030 --> 01:18:09,900

talked to out shop and here's an

2006

01:18:12,470 --> 01:18:11,040

interesting thing out I was talking

2007

01:18:14,270 --> 01:18:12,480

about chop and we were talking about the

2008

01:18:16,010 --> 01:18:14,280

movie UFO because El Chapo's in the

2009

01:18:18,050 --> 01:18:16,020

movie I mean not him personally but he's

2010

01:18:20,330 --> 01:18:18,060

represented as a character in the movie

2011

01:18:21,590 --> 01:18:20,340

UFO and I was talking to him and he said

2012

01:18:23,270 --> 01:18:21,600

well you know he hasn't seen the movie

2013

01:18:26,390 --> 01:18:23,280

in a long time and he said would you

2014

01:18:28,189 --> 01:18:26,400

like a copy of it excited in videotape

2015

01:18:30,950 --> 01:18:28,199

and he said yeah I sent him a copy of

2016

01:18:33,890 --> 01:18:30,960

UFO but I talked to I talked to him chop

2017

01:18:35,810 --> 01:18:33,900

never really described UFOs to me he

2018

01:18:36,890 --> 01:18:35,820

talked about what went on in the radar

2019

01:18:39,350 --> 01:18:36,900

room

2020

01:18:40,850 --> 01:18:39,360

at the Pentagon on the second second

2021

01:18:42,770 --> 01:18:40,860

Saturday night

2022

01:18:44,330 --> 01:18:42,780

he and both Dewey fornay were in the

2023

01:18:46,669 --> 01:18:44,340

radio or the radar room I'm sorry the

2024

01:18:47,689 --> 01:18:46,679

radar room when the the intercepts took

2025

01:18:50,030 --> 01:18:47,699

place

2026

01:18:51,890 --> 01:18:50,040

and so they were describing what they

2027

01:18:54,229 --> 01:18:51,900

were seeing on the radar scope said how

2028

01:18:56,390 --> 01:18:54,239

that related to the attempted intercepts

2029

01:18:58,490 --> 01:18:56,400

and what other people were saying seeing

2030

01:18:59,870 --> 01:18:58,500

on the ground they had called them they

2031

01:19:02,270 --> 01:18:59,880

were talking airline pilots trying to

2032

01:19:03,530 --> 01:19:02,280

get them to can you see a light there

2033

01:19:06,890 --> 01:19:03,540

should be a light out at this location

2034

01:19:08,750 --> 01:19:06,900

and at one point in The Intercept uh the

2035

01:19:10,070 --> 01:19:08,760

the UFO sort of surrounded the fighter

2036

01:19:12,110 --> 01:19:10,080

plane

2037

01:19:14,450 --> 01:19:12,120

um and that sort of thing both chopping

2038

01:19:17,030 --> 01:19:14,460

chop and I don't remember which one it

2039

01:19:18,649 --> 01:19:17,040

was one of them was mentioned something

2040

01:19:20,090 --> 01:19:18,659

you know got really hairy what happened

2041

01:19:21,890 --> 01:19:20,100

and he said I think he used the word

2042

01:19:23,570 --> 01:19:21,900

gruesome and he said well I can't tell

2043

01:19:25,010 --> 01:19:23,580

you that and I was talking to the other

2044

01:19:27,229 --> 01:19:25,020

one and I don't remember which was which

2045

01:19:28,790 --> 01:19:27,239

and I said you know I'll Chopper do it

2046

01:19:30,530 --> 01:19:28,800

for me is tell me about the one one got

2047

01:19:32,750 --> 01:19:30,540

really gruesome oh yeah fighter plane

2048

01:19:34,850 --> 01:19:32,760

got surrounded by the UFO so

2049

01:19:38,450 --> 01:19:34,860

he figured I already knew about it so he

2050

01:19:41,090 --> 01:19:38,460

told me about it but but uh you know

2051

01:19:43,790 --> 01:19:41,100

chop I do I did talk to chop about this

2052

01:19:46,430 --> 01:19:43,800

I talked to Dewey fournet about this

2053

01:19:49,490 --> 01:19:46,440

um I I you know I had access to the Air

2054

01:19:51,470 --> 01:19:49,500

Force records I had access to interview

2055

01:19:54,530 --> 01:19:51,480

with one of the fighter pilots that was

2056

01:19:55,970 --> 01:19:54,540

uh involved in the intercepts and talked

2057

01:19:57,290 --> 01:19:55,980

to an awful lot of people about that

2058

01:19:59,030 --> 01:19:57,300

talk to people out in the Northwest

2059

01:20:01,729 --> 01:19:59,040

about the settings that took place on

2060

01:20:04,130 --> 01:20:01,739

over the July 4th weekend nineteen oh

2061

01:20:05,930 --> 01:20:04,140

that was 1947. keep getting my dates

2062

01:20:08,090 --> 01:20:05,940

mixed up didn't talk to them talk to

2063

01:20:11,030 --> 01:20:08,100

other people people all over the place

2064

01:20:13,189 --> 01:20:11,040

ah it's it's uh

2065

01:20:14,990 --> 01:20:13,199

a very very interesting story I think

2066

01:20:16,490 --> 01:20:15,000

the Washington Nationals are a very

2067

01:20:18,709 --> 01:20:16,500

important case

2068

01:20:21,050 --> 01:20:18,719

uh because of the radar confirmation the

2069

01:20:24,229 --> 01:20:21,060

number of witnesses involved talk to I

2070

01:20:25,910 --> 01:20:24,239

talked to some people who were uh

2071

01:20:28,270 --> 01:20:25,920

um in

2072

01:20:31,010 --> 01:20:28,280

sort of forced to change their stories

2073

01:20:32,570 --> 01:20:31,020

after it came out military people who

2074

01:20:33,709 --> 01:20:32,580

were involved and saw things and then

2075

01:20:35,030 --> 01:20:33,719

changed their story you know the

2076

01:20:36,709 --> 01:20:35,040

original story was this and then they

2077

01:20:39,310 --> 01:20:36,719

changed the story later

2078

01:20:41,930 --> 01:20:39,320

Under Pressure I think so how about that

2079

01:20:44,649 --> 01:20:41,940

but we we can look at any number of

2080

01:20:47,570 --> 01:20:44,659

sightings cases where that has happened

2081

01:20:49,189 --> 01:20:47,580

so it's nothing that uh that

2082

01:20:49,970 --> 01:20:49,199

extraordinary

2083

01:20:53,689 --> 01:20:49,980

um

2084

01:20:55,130 --> 01:20:53,699

I just had one in my mind that was just

2085

01:20:58,430 --> 01:20:55,140

really really

2086

01:21:02,149 --> 01:20:58,440

uh a good example of that

2087

01:21:04,209 --> 01:21:02,159

oh yeah um uh the sheriff sheriff at

2088

01:21:07,130 --> 01:21:04,219

level land

2089

01:21:09,110 --> 01:21:07,140

always hated that name

2090

01:21:10,910 --> 01:21:09,120

um prior to the Air Force investigating

2091

01:21:12,830 --> 01:21:10,920

arrived Clem was talking about how he

2092

01:21:15,470 --> 01:21:12,840

had seen the object close fairly close

2093

01:21:17,330 --> 01:21:15,480

it was oval shaped and bright red after

2094

01:21:19,729 --> 01:21:17,340

the Air Force investigator got there

2095

01:21:21,890 --> 01:21:19,739

well I just saw a streak of light

2096

01:21:23,270 --> 01:21:21,900

um you know 900 yards away it didn't

2097

01:21:25,250 --> 01:21:23,280

really see much of thing it was in sight

2098

01:21:26,930 --> 01:21:25,260

for two seconds later he told Don

2099

01:21:28,669 --> 01:21:26,940

Berliner and got back to the well this

2100

01:21:30,649 --> 01:21:28,679

is what I really saw type thing so we

2101
01:21:32,689 --> 01:21:30,659
but we have him talking about what he'd

2102
01:21:34,790 --> 01:21:32,699
seen prior to the Air Force getting

2103
01:21:37,390 --> 01:21:34,800
there once the Air Force left he had

2104
01:21:40,189 --> 01:21:37,400
changed his story to something that was

2105
01:21:42,410 --> 01:21:40,199
different I I outlined all that in a

2106
01:21:44,090 --> 01:21:42,420
book called um encounter in the desert

2107
01:21:49,930 --> 01:21:44,100
which is no I'm sorry I'm not called

2108
01:21:55,370 --> 01:21:53,510
yeah yeah well Kevin thank you so much

2109
01:21:59,030 --> 01:21:55,380
it's been a it's been a good night we

2110
01:22:00,229 --> 01:21:59,040

2114

01:22:09,290 --> 01:22:06,900

links to both books in there okay or

2115
