

ROGUE PLANET

UFO NEWS BRIEF

09.11.15

1  
00:00:09,290 --> 00:00:07,639  
UK media outlet the daily mirror

2  
00:00:10,790 --> 00:00:09,300  
published a story on Monday September

3  
00:00:12,499 --> 00:00:10,800  
7th about a UFO video that shows a

4  
00:00:14,509 --> 00:00:12,509  
bright UFO in the sky that seemingly

5  
00:00:16,730 --> 00:00:14,519  
breaks apart into approximately seven

6  
00:00:19,250 --> 00:00:16,740  
UFOs the person who filmed the video is

7  
00:00:20,630 --> 00:00:19,260  
unknown as is the date and location of

8  
00:00:22,759 --> 00:00:20,640  
the event but several witnesses are

9  
00:00:25,310 --> 00:00:22,769  
heard in a video got in the UFO and so

10  
00:00:27,259 --> 00:00:25,320  
we're even screaming hysterically simple

11  
00:00:29,330 --> 00:00:27,269  
shady YouTube channels every post of the

12  
00:00:31,999 --> 00:00:29,340  
video adding sensational titles like

13  
00:00:33,860 --> 00:00:32,009

warning multiple UFO seen coming to

14

00:00:35,660 --> 00:00:33,870

Earth the UFOs in the video are pretty

15

00:00:37,069 --> 00:00:35,670

cool but they're probably not aliens

16

00:00:38,780 --> 00:00:37,079

coming to Earth the behavior and

17

00:00:41,000 --> 00:00:38,790

appearance the lights is consistent with

18

00:00:42,830 --> 00:00:41,010

nighttime sky divers who use flares and

19

00:00:44,869 --> 00:00:42,840

other illumination to put on really cool

20

00:00:46,610 --> 00:00:44,879

aerial performances again without

21

00:00:48,709 --> 00:00:46,620

important information like when and

22

00:00:50,110 --> 00:00:48,719

where the video is shot it's impossible

23

00:00:52,520 --> 00:00:50,120

to make a definitive identification

24

00:00:54,439 --> 00:00:52,530

acrobatics skydivers are the most likely

25

00:00:56,150 --> 00:00:54,449

explanation in this case but if you want

26  
00:00:57,799 --> 00:00:56,160  
to opt for an alien invasion caught on

27  
00:00:59,029 --> 00:00:57,809  
tape I'm freaked out and get silly like

28  
00:01:02,599 --> 00:00:59,039  
some of the people heard on this video

29  
00:01:04,520 --> 00:01:02,609  
go right ahead China is really pushing

30  
00:01:06,620 --> 00:01:04,530  
its plans to explore the moon's far side

31  
00:01:08,990 --> 00:01:06,630  
in a recent interview with Chinese media

32  
00:01:10,340 --> 00:01:09,000  
outlets CCTV is a long way out an

33  
00:01:12,170 --> 00:01:10,350  
engineer from the chinese academy of

34  
00:01:13,760 --> 00:01:12,180  
sciences moon exploration Department

35  
00:01:15,530 --> 00:01:13,770  
stated that the country plans to attempt

36  
00:01:16,940 --> 00:01:15,540  
the first-ever lunar rover landing on

37  
00:01:18,380 --> 00:01:16,950  
the far side of the Moon and they plan

38  
00:01:19,880 --> 00:01:18,390

to do it before the year twenty twenty

39

00:01:21,530 --> 00:01:19,890

the purpose of the mission would be to

40

00:01:22,999 --> 00:01:21,540

study geological conditions in

41

00:01:25,100 --> 00:01:23,009

preparation for the installation of a

42

00:01:26,899 --> 00:01:25,110

radio telescope as dayley galaxy

43

00:01:28,580 --> 00:01:26,909

explains radio transmissions from Earth

44

00:01:30,830 --> 00:01:28,590

are unable to reach the moon's far side

45

00:01:32,780 --> 00:01:30,840

making it an excellent location /

46

00:01:34,219 --> 00:01:32,790

sensitive instruments China has been

47

00:01:37,039 --> 00:01:34,229

eyeing the dark side of the moon for a

48

00:01:38,569 --> 00:01:37,049

while now in April 2015 China and Russia

49

00:01:40,609 --> 00:01:38,579

announced plans to establish a joint

50

00:01:42,380 --> 00:01:40,619

base on the moon time will tell up that

51

00:01:44,240 --> 00:01:42,390

alliance last earlier this year

52

00:01:45,800 --> 00:01:44,250

professor Johann Dietrich Werner became

53

00:01:47,899 --> 00:01:45,810

the new director-general of the European

54

00:01:49,700 --> 00:01:47,909

Space Agency and he told the BBC that he

55

00:01:50,960 --> 00:01:49,710

wants to build a moon village on the far

56

00:01:52,310 --> 00:01:50,970

side of the Moon there are lots of

57

00:01:53,810 --> 00:01:52,320

different moon projects and development

58

00:01:55,130 --> 00:01:53,820

from lots of different players it's only

59

00:01:57,109 --> 00:01:55,140

a matter of time before one of these

60

00:01:59,870 --> 00:01:57,119

countries stumbles on a Cybertronian

61

00:02:02,060 --> 00:01:59,880

spacecraft a secret Nazi base or an

62

00:02:03,530 --> 00:02:02,070

extraterrestrial civilization musician

63

00:02:04,850 --> 00:02:03,540

nick jonas formerly the jonas brothers

64

00:02:06,740 --> 00:02:04,860  
appeared on Late Night with Seth Meyers

65

00:02:08,330 --> 00:02:06,750  
on Tuesday September eight Myers ask

66

00:02:10,190 --> 00:02:08,340  
Jonas if he believes in aliens Jones

67

00:02:12,229 --> 00:02:10,200  
responded that he absolutely believes in

68

00:02:13,700 --> 00:02:12,239  
aliens and extraterrestrial life and he

69

00:02:15,350 --> 00:02:13,710  
even recounted his own UF

70

00:02:16,520 --> 00:02:15,360  
Oh citing when I was 14 I was in my

71

00:02:18,350 --> 00:02:16,530  
backyard playing basketball with some

72

00:02:19,940 --> 00:02:18,360  
friends and I looked up into the sky and

73

00:02:21,560 --> 00:02:19,950  
there were three flying saucers he

74

00:02:22,640 --> 00:02:21,570  
stated he explained how his friends

75

00:02:24,560 --> 00:02:22,650  
wrote it off as something to do with a

76

00:02:26,060 --> 00:02:24,570

movie production it was Hollywood after

77

00:02:27,620 --> 00:02:26,070

all but Jonas said that he went online

78

00:02:29,240 --> 00:02:27,630

looking for answers and discovered that

79

00:02:30,950 --> 00:02:29,250

there were three identical sightings in

80

00:02:32,270 --> 00:02:30,960

other states the experience made nick

81

00:02:34,100 --> 00:02:32,280

jonas a firm believer in

82

00:02:35,570 --> 00:02:34,110

extraterrestrial life this is just a

83

00:02:37,010 --> 00:02:35,580

very small sampling of UFO and

84

00:02:38,780 --> 00:02:37,020

extraterrestrial related stories that
