

UFO DATA

ROGUE PLANET

UFO NEWS BRIEF

10.15.15

1
00:00:09,950 --> 00:00:02,060
a new organization has been assembled to

2
00:00:12,230 --> 00:00:09,960
scientifically study UFOs US government

3
00:00:14,450 --> 00:00:12,240
studied UFOs for decades and although

4
00:00:16,460 --> 00:00:14,460
some of these studies concluded that

5
00:00:18,439 --> 00:00:16,470
perhaps a small number of UFOs could be

6
00:00:20,599 --> 00:00:18,449
extraterrestrial in origin and merited

7
00:00:22,700 --> 00:00:20,609
further scientific study the official

8
00:00:24,170 --> 00:00:22,710
investigations were terminated in 1970

9
00:00:25,970 --> 00:00:24,180
some involved with these government

10
00:00:28,130 --> 00:00:25,980
studies were frustrated by the overt

11
00:00:29,330 --> 00:00:28,140
bias and lack of scientific inquiry by

12
00:00:31,279 --> 00:00:29,340
some of the members assigned to these

13
00:00:33,590 --> 00:00:31,289

projects contrary to popular belief

14

00:00:35,690 --> 00:00:33,600

there are many scientists mainstream

15

00:00:36,950 --> 00:00:35,700

scientists who acknowledged that the UFO

16

00:00:38,930 --> 00:00:36,960

phenomenon needs to be studied

17

00:00:41,000 --> 00:00:38,940

scientifically more credible peer

18

00:00:43,280 --> 00:00:41,010

reviewable data regarding UFOs is needed

19

00:00:44,869 --> 00:00:43,290

so a new group comprised of scientists

20

00:00:47,479 --> 00:00:44,879

and engineers is planning to do just

21

00:00:50,479 --> 00:00:47,489

that UFO detection and tracking or UFO

22

00:00:52,970 --> 00:00:50,489

data is a 501c3 nonprofit organization

23

00:00:55,100 --> 00:00:52,980

seeking to create a systematic rigorous

24

00:00:56,389 --> 00:00:55,110

science of UFO phenomena the group

25

00:00:58,189 --> 00:00:56,399

thinks there's a need for this science

26
00:01:00,080 --> 00:00:58,199
because of misplaced certainties on both

27
00:01:01,279 --> 00:01:00,090
sides of the UFO debate believers

28
00:01:03,860 --> 00:01:01,289
convinced that UFOs are

29
00:01:05,840 --> 00:01:03,870
extraterrestrials and skeptics equally

30
00:01:07,670 --> 00:01:05,850
convinced that UFOs do not even exist

31
00:01:09,950 --> 00:01:07,680
UFO data has worked for more than two

32
00:01:11,600 --> 00:01:09,960
years on a plan to build a large network

33
00:01:13,460 --> 00:01:11,610
of automated surveillance stations with

34
00:01:16,340 --> 00:01:13,470
sophisticated sensors that will monitor

35
00:01:18,469 --> 00:01:16,350
to the skies 24-7 looking for aerial

36
00:01:20,390 --> 00:01:18,479
anomalies having tested technology and

37
00:01:22,100 --> 00:01:20,400
establishes plan of attack the group is

38
00:01:23,749 --> 00:01:22,110

now working on his proof of concept a

39

00:01:25,940 --> 00:01:23,759

working prototype of a surveillance

40

00:01:27,350 --> 00:01:25,950

station group describes this station

41

00:01:28,850 --> 00:01:27,360

will have a core optical unit with

42

00:01:30,830 --> 00:01:28,860

cameras capable of detecting and

43

00:01:33,109 --> 00:01:30,840

recording both an image and spectra a

44

00:01:35,060 --> 00:01:33,119

magnetic sensing unit instrumentation to

45

00:01:36,920 --> 00:01:35,070

detect microwave and other radiation and

46

00:01:38,899 --> 00:01:36,930

other sensors to record atmospheric and

47

00:01:41,120 --> 00:01:38,909

local environmental data this sounds

48

00:01:42,980 --> 00:01:41,130

fantastic but also expensive each

49

00:01:45,230 --> 00:01:42,990

monitoring station is estimated to cost

50

00:01:46,819 --> 00:01:45,240

around ten to twenty thousand dollars so

51
00:01:49,010 --> 00:01:46,829
how does UFO data plan to fund its

52
00:01:50,840 --> 00:01:49,020
research scientific studies usually rely

53
00:01:52,999 --> 00:01:50,850
on grants for funding but UFO data

54
00:01:55,520 --> 00:01:53,009
understands the securing funding for a

55
00:01:57,139 --> 00:01:55,530
stigmatized topic like UFOs is pretty

56
00:01:59,630 --> 00:01:57,149
unlikely so the organization is

57
00:02:01,550 --> 00:01:59,640
appealing to the public for support the

58
00:02:03,530 --> 00:02:01,560
website describes our strategy will be

59
00:02:05,480 --> 00:02:03,540
to rely on crowdfunding small donations

60
00:02:08,059 --> 00:02:05,490
from the thousands even millions of you

61
00:02:09,830 --> 00:02:08,069
out there who like us think that UFOs

62
00:02:12,229 --> 00:02:09,840
deserves serious scientific scrutiny

63
00:02:13,790 --> 00:02:12,239

Leslie Kane journalist and author of The

64

00:02:15,530 --> 00:02:13,800

New York Times bestseller you

65

00:02:17,510 --> 00:02:15,540

phos generals pilots and government

66

00:02:19,280 --> 00:02:17,520

officials go on the record is on the

67

00:02:21,230 --> 00:02:19,290

organization's board of directors she

68

00:02:22,460 --> 00:02:21,240

explains UFO data has no interest in

69

00:02:24,440 --> 00:02:22,470

alleged government conspiracies or

70

00:02:26,210 --> 00:02:24,450

adding more witness reports or FOIA

71

00:02:28,850 --> 00:02:26,220

documents to the thousands already on

72

00:02:30,770 --> 00:02:28,860

file she continues the idea here is that

73

00:02:32,660 --> 00:02:30,780

only a complete change of methodology

74

00:02:34,670 --> 00:02:32,670

toward a purely scientific approach to

75

00:02:37,070 --> 00:02:34,680

the UFO issue will enable us to move

76

00:02:39,860 --> 00:02:37,080

forward a scientific unbiased approach

77

00:02:42,290 --> 00:02:39,870

to UFOs is an issue about which Cain is

78

00:02:43,970 --> 00:02:42,300

passionate this is a unique moment for

79

00:02:45,830 --> 00:02:43,980

something radically different with the

80

00:02:47,840 --> 00:02:45,840

potential to unite all of us in a

81

00:02:49,460 --> 00:02:47,850

pivotal larger goal she says in an

82

00:02:51,410 --> 00:02:49,470

october fourteenth huffington post blog

83

00:02:53,030 --> 00:02:51,420

post she continues we now have the

84

00:02:55,250 --> 00:02:53,040

opportunity to elevate UFO

85

00:02:56,990 --> 00:02:55,260

investigations so that they become part

86

00:02:58,550 --> 00:02:57,000

of the larger scientific search for

87

00:03:00,470 --> 00:02:58,560

extraterrestrial life and will

88

00:03:02,330 --> 00:03:00,480

eventually be recognized as such by the

89

00:03:05,000 --> 00:03:02,340

world community in addition to funding

90

00:03:06,530 --> 00:03:05,010

UFO data needs volunteers if you're

91

00:03:08,840 --> 00:03:06,540

interested in helping out this ambitious

92

00:03:11,330 --> 00:03:08,850

UFO project either by donating your time

93

00:03:12,830 --> 00:03:11,340

or making a tax-deductible contribution

94

00:03:15,200 --> 00:03:12,840

you can find all of the information
