

REDACTUS

THE
ALIEN
COLLABORATOR

1
00:00:35,650 --> 00:00:12,270
[Music]

2
00:00:43,280 --> 00:00:38,930
the alien collaborator by Jason

3
00:00:45,619 --> 00:00:43,290
McClellan I don't put a lot of stock in

4
00:00:49,639 --> 00:00:45,629
most stories of alien abduction or alien

5
00:00:51,350 --> 00:00:49,649
contact I say most because there are

6
00:00:53,060 --> 00:00:51,360
those occasional stories with an

7
00:00:55,880 --> 00:00:53,070
exceptional combination of details

8
00:00:58,299 --> 00:00:55,890
witnesses and believable participants

9
00:01:00,860 --> 00:00:58,309
that have forced me as an objective

10
00:01:04,369 --> 00:01:00,870
open-minded reporter to entertain the

11
00:01:06,160 --> 00:01:04,379
possibility still I think the large

12
00:01:08,990 --> 00:01:06,170
majority of abduction stories are

13
00:01:11,300 --> 00:01:09,000

absolutely bogus despite having been

14

00:01:15,050 --> 00:01:11,310

given the news that I'm a serial

15

00:01:17,899 --> 00:01:15,060

abductor that's right I was informed by

16

00:01:21,920 --> 00:01:17,909

a complete stranger a few years ago that

17

00:01:23,980 --> 00:01:21,930

I am an alien abductee I guess contact

18

00:01:27,050 --> 00:01:23,990

be is the more appropriate term here

19

00:01:30,570 --> 00:01:27,060

then again I never consented to being

20

00:01:34,050 --> 00:01:30,580

taken so FFT fits

21

00:01:37,230 --> 00:01:34,060

but according to I guess I should just

22

00:01:38,970 --> 00:01:37,240

tell the story my colleagues and I were

23

00:01:41,790 --> 00:01:38,980

representing redactors at a UFO

24

00:01:45,150 --> 00:01:41,800

conference in Las Vegas in July of 2013

25

00:01:46,890 --> 00:01:45,160

I was engaged in a polite conversation

26

00:01:48,690 --> 00:01:46,900

with a potential customer who is

27

00:01:51,000 --> 00:01:48,700

browsing the merchandise we had for sale

28

00:01:53,070 --> 00:01:51,010

at our vendor table when I noticed out

29

00:01:54,780 --> 00:01:53,080

of the corner of my eye a woman

30

00:01:58,650 --> 00:01:54,790

approaching our table at a hurried pace

31

00:02:00,570 --> 00:01:58,660

I glanced in her direction and I was

32

00:02:04,590 --> 00:02:00,580

slightly caught off guard by her intense

33

00:02:07,050 --> 00:02:04,600

gaze that was fixed directly on me she

34

00:02:09,690 --> 00:02:07,060

had that look like she was an old friend

35

00:02:12,050 --> 00:02:09,700

who was anxious to say hello to me after

36

00:02:15,000 --> 00:02:12,060

not seeing me for several years I'm

37

00:02:17,580 --> 00:02:15,010

terrible with names but I'm pretty good

38

00:02:19,470 --> 00:02:17,590

when it comes to remembering faces and I

39

00:02:23,040 --> 00:02:19,480

was confident that I had never seen this

40

00:02:24,420 --> 00:02:23,050

woman who had me in her sights I hadn't

41

00:02:26,040 --> 00:02:24,430

yet finished my conversation with the

42

00:02:28,350 --> 00:02:26,050

interested conference attendee when the

43

00:02:31,800 --> 00:02:28,360

unknown woman who are referred to as

44

00:02:34,110 --> 00:02:31,810

Bethany reached the table she just stood

45

00:02:37,890 --> 00:02:34,120

there staring at me while I held my

46

00:02:39,899 --> 00:02:37,900

conversation it was pretty awkward

47

00:02:41,970 --> 00:02:39,909

I think my customer was weirded out too

48

00:02:44,369 --> 00:02:41,980

because he abruptly finished his story

49

00:02:46,380 --> 00:02:44,379

thanked me for my time and departed

50

00:02:49,020 --> 00:02:46,390

after casting an annoyed look at the

51
00:02:51,449 --> 00:02:49,030
interrupter I turned to look at Bethany

52
00:02:54,149 --> 00:02:51,459
who was still just staring directly at

53
00:02:58,050 --> 00:02:54,159
me with somewhat of a mischievous smile

54
00:03:02,460 --> 00:02:58,060
on her face after my acknowledgment she

55
00:03:04,559 --> 00:03:02,470
erupted with I saw you last night I'm in

56
00:03:08,099 --> 00:03:04,569
Las Vegas lots of people saw me last

57
00:03:10,740 --> 00:03:08,109
night I thought to myself I didn't

58
00:03:14,490 --> 00:03:10,750
really know how to respond so i just

59
00:03:17,039 --> 00:03:14,500
said oh cool yeah the casino here's not

60
00:03:22,289 --> 00:03:17,049
too bad she quickly shook her head then

61
00:03:26,819 --> 00:03:22,299
blurted out no not here up there on one

62
00:03:29,339 --> 00:03:26,829
of their ships she pointed to the sky it

63
00:03:31,920 --> 00:03:29,349

was now clear that she was one of those

64

00:03:33,690 --> 00:03:31,930

people once you come up to me

65

00:03:36,330 --> 00:03:33,700

periodically at events like this and

66

00:03:38,250 --> 00:03:36,340

tell me that somehow they know that

67

00:03:41,429 --> 00:03:38,260

aliens have taken me aboard spaceships

68

00:03:43,170 --> 00:03:41,439

on multiple occasions I don't discount

69

00:03:45,479 --> 00:03:43,180

the possibility that extraterrestrials

70

00:03:48,300 --> 00:03:45,489

could be visiting earth although I think

71

00:03:50,400 --> 00:03:48,310

that's very unlikely but I find it

72

00:03:52,800 --> 00:03:50,410

incredibly hard to believe that if

73

00:03:54,780 --> 00:03:52,810

aliens were beating me onto their ship I

74

00:03:59,000 --> 00:03:54,790

wouldn't remember such an incredible

75

00:04:01,050 --> 00:03:59,010

occurrence still multiple people

76

00:04:03,750 --> 00:04:01,060

including this woman standing at our

77

00:04:06,089 --> 00:04:03,760

vendor table are absolutely convinced

78

00:04:09,539 --> 00:04:06,099

that they've seen me aboard alien

79

00:04:12,719 --> 00:04:09,549

spacecraft perhaps not a boredom I

80

00:04:15,599 --> 00:04:12,729

decided to play along I asked Bethenny

81

00:04:17,960 --> 00:04:15,609

to fill me in on my space voyage because

82

00:04:20,750 --> 00:04:17,970

I had no memory of any such event

83

00:04:23,030 --> 00:04:20,760

I think she was mildly offended by my

84

00:04:24,380 --> 00:04:23,040

apparent absent-mindedness failing to

85

00:04:28,310 --> 00:04:24,390

recall my very important space

86

00:04:32,030 --> 00:04:28,320

adventures because you see I am a

87

00:04:34,580 --> 00:04:32,040

commander aboard and alien vessel that's

88

00:04:36,430 --> 00:04:34,590

what Bethenny told me she observed me

89

00:04:38,960 --> 00:04:36,440

aboard an extraterrestrial spacecraft

90

00:04:41,540 --> 00:04:38,970

working with extraterrestrials in some

91

00:04:43,730 --> 00:04:41,550

sort of command capacity I wanted to

92

00:04:45,290 --> 00:04:43,740

hear more this was very different from

93

00:04:48,050 --> 00:04:45,300

the typical stories I hear from people

94

00:04:49,610 --> 00:04:48,060

who claim to have seen me on UFOs these

95

00:04:52,010 --> 00:04:49,620

types of tales are usually void of

96

00:04:54,470 --> 00:04:52,020

details consisting of no more than a

97

00:04:58,430 --> 00:04:54,480

claim that I was seen on the ship among

98

00:05:01,490 --> 00:04:58,440

a group of abductees maybe the commander

99

00:05:04,430 --> 00:05:01,500

things stroked my ego just right but I

100

00:05:05,690 --> 00:05:04,440

wanted to know more I wasn't going to

101
00:05:08,300 --> 00:05:05,700
get anything more from Bethenny

102
00:05:10,070 --> 00:05:08,310
unfortunately she kept looking around

103
00:05:12,620 --> 00:05:10,080
the room nervously before abruptly

104
00:05:15,409 --> 00:05:12,630
turning and walking away from the table

105
00:05:17,390 --> 00:05:15,419
I put Bethenny and her crazy story out

106
00:05:19,430 --> 00:05:17,400
of my mind and continued promoting

107
00:05:21,050 --> 00:05:19,440
redactors to the few curious conference

108
00:05:23,000 --> 00:05:21,060
attendees who were bored enough to stop

109
00:05:24,740 --> 00:05:23,010
at our table when you spend a day behind

110
00:05:28,659 --> 00:05:24,750
a table in a vendor room and a

111
00:05:30,920 --> 00:05:28,669
conference that day moves very slowly

112
00:05:32,510 --> 00:05:30,930
when the conference organizer finally

113
00:05:34,010 --> 00:05:32,520

made the announcement that it was time

114

00:05:36,950 --> 00:05:34,020

for the vendor room to close for the day

115

00:05:39,350 --> 00:05:36,960

I was more than ready to pack up and

116

00:05:41,510 --> 00:05:39,360

head to my hotel Razak this is a

117

00:05:44,260 --> 00:05:41,520

profitable company and that's something

118

00:05:46,969 --> 00:05:44,270

I'm proud of but it's not at profitable

119

00:05:49,610 --> 00:05:46,979

when we attend conferences we almost

120

00:05:51,500 --> 00:05:49,620

always stay at off site hotels that have

121

00:05:54,170 --> 00:05:51,510

cheaper rates than the events host hotel

122

00:05:57,290 --> 00:05:54,180

and that was certainly the case at this

123

00:05:59,570 --> 00:05:57,300

particular event in Las Vegas despite

124

00:06:01,520 --> 00:05:59,580

being achy and tired from the long day I

125

00:06:03,920 --> 00:06:01,530

spent some time sitting at the bar in

126

00:06:06,050 --> 00:06:03,930

the casino of my hotel to have a couple

127

00:06:07,790 --> 00:06:06,060

drinks and play some video poker before

128

00:06:09,770 --> 00:06:07,800

calling it a night

129

00:06:12,439 --> 00:06:09,780

I remember thinking back on the day's

130

00:06:13,909 --> 00:06:12,449

events as I SAT there and I remember

131

00:06:16,909 --> 00:06:13,919

when I recalled the strange story

132

00:06:19,939 --> 00:06:16,919

Bethany told me I left i literally

133

00:06:22,580 --> 00:06:19,949

laughed out loud i immediately felt like

134

00:06:24,649 --> 00:06:22,590

a weirdo the stairs from those next to

135

00:06:28,580 --> 00:06:24,659

me at the bar where my cue to cash out

136

00:06:30,379 --> 00:06:28,590

pay up and head to bed my room was on

137

00:06:32,059 --> 00:06:30,389

the sixth floor and what seemed like the

138

00:06:35,450 --> 00:06:32,069

farthest corner of the building from the

139

00:06:37,809 --> 00:06:35,460

elevator I was already mentally and

140

00:06:41,629 --> 00:06:37,819

physically exhausted from the long day

141

00:06:44,180 --> 00:06:41,639

had a few drinks and that long walk down

142

00:06:46,939 --> 00:06:44,190

the hallway and by the time I reached my

143

00:06:50,209 --> 00:06:46,949

door I was more than ready to fall into

144

00:06:52,640 --> 00:06:50,219

my bed the mechanical whirring of the

145

00:06:55,339 --> 00:06:52,650

disengaging lock concluded and I opened

146

00:06:56,930 --> 00:06:55,349

the door at that very moment an intense

147

00:07:00,499 --> 00:06:56,940

light flashed from within the room

148

00:07:03,740 --> 00:07:00,509

temporarily blinding me I immediately

149

00:07:06,770 --> 00:07:03,750

flipped on the lights and as soon as my

150

00:07:07,790 --> 00:07:06,780

vision return I scanned the room but

151
00:07:10,040 --> 00:07:07,800
didn't see anything out of the ordinary

152
00:07:12,379 --> 00:07:10,050
I went to the large floor-to-ceiling

153
00:07:14,540 --> 00:07:12,389
windows to see if maybe there was

154
00:07:15,969 --> 00:07:14,550
someone or something outside that might

155
00:07:17,659 --> 00:07:15,979
have been the source of the flash I

156
00:07:19,700 --> 00:07:17,669
initially thought that maybe a

157
00:07:21,890 --> 00:07:19,710
helicopter or some aircraft had been

158
00:07:23,870 --> 00:07:21,900
turning or shining a spotlight in the

159
00:07:26,149 --> 00:07:23,880
direction of my room at the precise

160
00:07:27,499 --> 00:07:26,159
moment I entered the room but I didn't

161
00:07:30,860 --> 00:07:27,509
see anything in the sky either I

162
00:07:33,260 --> 00:07:30,870
convinced myself that thanks to alcohol

163
00:07:35,439 --> 00:07:33,270

and exhaustion my mind was playing

164

00:07:38,390 --> 00:07:35,449

tricks on me so it shrugged my shoulders

165

00:07:41,269 --> 00:07:38,400

brushed my teeth and crawled into bed

166

00:07:42,439 --> 00:07:41,279

where I drifted off to sleep unusually

167

00:07:44,899 --> 00:07:42,449

quickly

168

00:07:47,059 --> 00:07:44,909

I was jolted awake is something that

169

00:07:49,640 --> 00:07:47,069

felt like a strong earthquake tossed me

170

00:07:51,769 --> 00:07:49,650

to the floor I immediately grabbed from

171

00:07:55,100 --> 00:07:51,779

my left knee which was stinging with a

172

00:07:57,829 --> 00:07:55,110

sharp pain caused by the fall I felt

173

00:07:59,929 --> 00:07:57,839

blood coming from a small gash I rubbed

174

00:08:02,600 --> 00:07:59,939

my eyes trying to wake up to determine

175

00:08:04,760 --> 00:08:02,610

what happened my eyes shot wide open

176

00:08:07,459 --> 00:08:04,770

when I realized I wasn't on the floor of

177

00:08:09,829 --> 00:08:07,469

my hotel room I was on the floor of a

178

00:08:12,589 --> 00:08:09,839

corridor as my mind tried to make sense

179

00:08:16,760 --> 00:08:12,599

of things feeling of shame came over me

180

00:08:19,339 --> 00:08:16,770

because naturally I assumed I must have

181

00:08:21,350 --> 00:08:19,349

had more to drink than I realized and at

182

00:08:24,260 --> 00:08:21,360

some point during the night stumbled out

183

00:08:26,809 --> 00:08:24,270

of my room but as the fog of sleep

184

00:08:28,820 --> 00:08:26,819

dissipated it became very apparent that

185

00:08:31,189 --> 00:08:28,830

it wasn't in the hallway of my hotel I

186

00:08:33,110 --> 00:08:31,199

saw that I wasn't on the ugly dark

187

00:08:36,139 --> 00:08:33,120

pattern carpet designed to disguise

188

00:08:37,899 --> 00:08:36,149

vomits spilled booze bodily fluids and

189

00:08:41,209 --> 00:08:37,909

other stains from disgusting guests

190

00:08:42,920 --> 00:08:41,219

these floors were bare cold metal the

191

00:08:47,180 --> 00:08:42,930

walls weren't covered with tacky dated

192

00:08:49,939 --> 00:08:47,190

wallpaper again just bare cold metal and

193

00:08:52,340 --> 00:08:49,949

the doors didn't have room numbers it

194

00:08:54,019 --> 00:08:52,350

didn't even have door handles I quickly

195

00:08:57,110 --> 00:08:54,029

rose to my feet and looked around for

196

00:08:59,360 --> 00:08:57,120

any sign or any person who might help

197

00:09:00,980 --> 00:08:59,370

point me back to my floor the only thing

198

00:09:02,569 --> 00:09:00,990

that made sense was that I must have

199

00:09:04,250 --> 00:09:02,579

drunkenly taken an elevator to the

200

00:09:07,610 --> 00:09:04,260

basement of my hotel or some other

201
00:09:09,350 --> 00:09:07,620
employees only utility floor I saw a

202
00:09:12,199 --> 00:09:09,360
woman emerged from a hallway about 50

203
00:09:13,970 --> 00:09:12,209
feet from where I was standing I smiled

204
00:09:15,410 --> 00:09:13,980
and started toward her to see if she

205
00:09:17,420 --> 00:09:15,420
could point me to the nearest elevator

206
00:09:20,720 --> 00:09:17,430
but I stopped in my tracks when I saw

207
00:09:22,560 --> 00:09:20,730
someone something emerged from that same

208
00:09:25,290 --> 00:09:22,570
hallway behind a woman

209
00:09:27,750 --> 00:09:25,300
for lack of a better description what

210
00:09:29,850 --> 00:09:27,760
appeared to be an alien was apparently

211
00:09:33,240 --> 00:09:29,860
guiding this woman against your will to

212
00:09:35,640 --> 00:09:33,250
an unknown location they walked right

213
00:09:38,730 --> 00:09:35,650

past me the woman didn't even

214

00:09:42,870 --> 00:09:38,740

acknowledge my presence the alien simply

215

00:09:46,530 --> 00:09:42,880

nodded but continued on his way before I

216

00:09:49,530 --> 00:09:46,540

could react I saw a bright flash and the

217

00:09:54,050 --> 00:09:49,540

next thing I remember I was in my bed in

218

00:09:57,180 --> 00:09:54,060

my hotel room a dream it was all a dream

219

00:09:59,100 --> 00:09:57,190

it must have been I jumped in the shower

220

00:10:00,720 --> 00:09:59,110

to clear my head and to get ready for

221

00:10:02,850 --> 00:10:00,730

another day as sitting at a vendor table

222

00:10:04,890 --> 00:10:02,860

at a UFO conference I was caught off

223

00:10:08,100 --> 00:10:04,900

guard when I saw fresh gash on my left

224

00:10:12,420 --> 00:10:08,110

knee it looked exactly like it did in my

225

00:10:14,790 --> 00:10:12,430

dream that freaked me out a little but i

226

00:10:16,200 --> 00:10:14,800

chalk it up to coincidence something I

227

00:10:18,750 --> 00:10:16,210

must have done in my sleep and

228

00:10:20,940 --> 00:10:18,760

incorporated it into my dream back at

229

00:10:24,540 --> 00:10:20,950

the UFO conference sitting at my vendor

230

00:10:26,990 --> 00:10:24,550

table I said quietly running my alien

231

00:10:30,350 --> 00:10:27,000

dream back and forth in my mind

232

00:10:34,760 --> 00:10:30,360

I could remember it vividly every last

233

00:10:36,110 --> 00:10:34,770

detail I never remember my dreams so the

234

00:10:39,290 --> 00:10:36,120

fact that I could remember this one

235

00:10:41,270 --> 00:10:39,300

really stood out to me I was just about

236

00:10:43,220 --> 00:10:41,280

to stand up from my seat to go find a

237

00:10:45,140 --> 00:10:43,230

cup of coffee when I noticed a woman

238

00:10:47,870 --> 00:10:45,150

slowly making her way through the vendor

239

00:10:51,920 --> 00:10:47,880

room seeing her completely paralyzed me

240

00:10:54,440 --> 00:10:51,930

I couldn't move it was the woman I had

241

00:10:59,060 --> 00:10:54,450

seen in my dream being escorted by the

242

00:11:01,340 --> 00:10:59,070

aliens now it's possible that I had seen

243

00:11:03,650 --> 00:11:01,350

her the previous day and somehow

244

00:11:05,960 --> 00:11:03,660

unknowingly incorporated her into my

245

00:11:08,240 --> 00:11:05,970

dream but I had no memory of ever seeing

246

00:11:10,340 --> 00:11:08,250

her before I thought about going to talk

247

00:11:12,950 --> 00:11:10,350

to her but as I started to step out from

248

00:11:17,870 --> 00:11:12,960

behind a redutive table Bethenny passed

249

00:11:21,570 --> 00:11:17,880

by stared directly at me nodded and melt

250

00:11:24,310 --> 00:11:21,580

I taught you so and proceeded on her way

251

00:11:26,390 --> 00:11:24,320

[Music]

252

00:11:28,550 --> 00:11:26,400

thank you for listening to redacted
