2  
00:00:45,260 --> 00:00:42,530

vandenberg interview in February of 2016

3  
00:00:47,810 --> 00:00:45,270

a man claiming he worked for some secret

4  
00:00:49,670 --> 00:00:47,820

government agency contacted me this

5  
00:00:52,580 --> 00:00:49,680

agency allegedly monitors and

6  
00:00:54,439 --> 00:00:52,590

investigates paranormal activity because

7  
00:00:56,689 --> 00:00:54,449

I'm contacted someone regularly by

8  
00:00:58,450 --> 00:00:56,699

people with similar claims I wasn't

9  
00:01:00,650 --> 00:00:58,460

putting too much talk of the man's story

10  
00:01:02,209 --> 00:01:00,660

but I finally agreed to meet with him

11  
00:01:04,570 --> 00:01:02,219

when he informed me that he was dying

12  
00:01:07,990 --> 00:01:04,580

and he wanted to give his deathbed

13  
00:01:11,240 --> 00:01:08,000

testimony as we put it before he died I

14

00:01:13,760 --> 00:01:11,250

refer to this man is Walter it's not his

15

00:01:15,830 --> 00:01:13,770

real name of course he asked me to meet

16

00:01:18,109 --> 00:01:15,840

him at a budget motel just outside of

17

00:01:19,940 --> 00:01:18,119

Phoenix he was staying there for a few

18

00:01:21,830 --> 00:01:19,950

days because he was in town to attend a

19

00:01:25,130 --> 00:01:21,840

UFO conference that was taking place

20

00:01:27,800 --> 00:01:25,140

nearby I had considered checking out the

21

00:01:29,370 --> 00:01:27,810

UFO calm anyway so I agreed to meet

22

00:01:31,740 --> 00:01:29,380

Walter

23

00:01:33,149 --> 00:01:31,750

it took me a good 45 minutes to reach

24

00:01:35,760 --> 00:01:33,159

the motel from my office in downtown

25

00:01:38,789 --> 00:01:35,770

Phoenix when I pulled into the parking

26

00:01:43,039 --> 00:01:38,799

lot I regretted my decision to meet with

27

00:01:46,770 --> 00:01:43,049

this guy this cheap dump was yours

28

00:01:50,309 --> 00:01:46,780

stereotypical rundown bargain motel the

29

00:01:54,480 --> 00:01:50,319

sign was faded and I thing to recall was

30

00:01:56,429 --> 00:01:54,490

missing a letter maybe 20 weeds were

31

00:01:58,319 --> 00:01:56,439

growing out of the cracks in the parking

32

00:02:01,109 --> 00:01:58,329

lot and the concrete path leading to the

33

00:02:03,749 --> 00:02:01,119

office bars covered the office windows

34

00:02:06,300 --> 00:02:03,759

and I could see what I assume was a

35

00:02:09,270 --> 00:02:06,310

homeless man enjoying a refreshing bath

36

00:02:11,100 --> 00:02:09,280

in the pool I pulled out my phone and

37

00:02:14,309 --> 00:02:11,110

tending to call Walter to cancel our

38

00:02:16,949 --> 00:02:14,319

meeting but as I watched the homeless

39

00:02:19,920 --> 00:02:16,959

man bathing in the dingy motel pool I

40

00:02:22,380 --> 00:02:19,930

laugh to myself and put my phone back in

41

00:02:24,839 --> 00:02:22,390

my pocket I had already made the trip

42

00:02:27,569 --> 00:02:24,849

and the setting alone was already great

43

00:02:30,509 --> 00:02:27,579

material for a story I remember standing

44

00:02:33,630 --> 00:02:30,519

outside room number nine questioning my

45

00:02:36,509 --> 00:02:33,640

judgment and wondering why I always put

46

00:02:39,900 --> 00:02:36,519

myself in situations like that meeting

47

00:02:42,259 --> 00:02:39,910

random weirdos by myself I think a full

48

00:02:46,500 --> 00:02:42,269

minute passed before I finally knocked

49

00:02:49,410 --> 00:02:46,510

the door open slowly before I even saw

50

00:02:52,979 --> 00:02:49,420

Walter I was greeted by the unpleasant

51  
00:02:55,800 --> 00:02:52,989  
smell of the stale aged room saturated

52  
00:02:59,099 --> 00:02:55,810  
by decades of cigarettes sex and

53  
00:03:02,759 --> 00:02:59,109  
unsanitary guests preserved by subpar

54  
00:03:05,190 --> 00:03:02,769  
housekeeping as the door fully open my

55  
00:03:06,800 --> 00:03:05,200  
gaze shifted down to see a sad frail man

56  
00:03:09,470 --> 00:03:06,810  
in a wheelchair

57  
00:03:12,770 --> 00:03:09,480  
I introduced myself and Walter invited

58  
00:03:17,210 --> 00:03:12,780  
me in Walter wasn't what I was expecting

59  
00:03:20,510 --> 00:03:17,220  
I'm not sure what I was expecting he was

60  
00:03:24,350 --> 00:03:20,520  
in his 60s well-dressed soft-spoken and

61  
00:03:27,110 --> 00:03:24,360  
he had a kind face he invited me to make

62  
00:03:29,890 --> 00:03:27,120  
myself comfortable that was a tall order

63  
00:03:33,770 --> 00:03:29,900

given that awful smell and the

64

00:03:36,620 --> 00:03:33,780

unsanitary conditions the room was small

65

00:03:38,930 --> 00:03:36,630

and void of any sitting options but he

66

00:03:41,360 --> 00:03:38,940

motioned to the bed so I SAT awkwardly

67

00:03:43,309 --> 00:03:41,370

on the corner of the unmade bed and

68

00:03:46,430 --> 00:03:43,319

pulled out my phone to record the

69

00:03:49,220 --> 00:03:46,440

interview you're okay with me recording

70

00:03:51,860 --> 00:03:49,230

this right that's why I contacted you

71

00:03:53,479 --> 00:03:51,870

and that's why you're here okay

72

00:03:56,360 --> 00:03:53,489

absolutely I just wanted to make sure

73

00:04:00,080 --> 00:03:56,370

well I guess go ahead and start then

74

00:04:02,660 --> 00:04:00,090

we're recording what I'm about to tell

75

00:04:06,420 --> 00:04:02,670

you has never been heard by anyone

76

00:04:09,649 --> 00:04:06,430

outside select government agencies

77

00:04:14,750 --> 00:04:09,659

can't be secrets for nearly 40 years

78

00:04:18,360 --> 00:04:14,760

locked away from friends family everyone

79

00:04:22,260 --> 00:04:18,370

most of my life has been a deep dark

80

00:04:26,159 --> 00:04:22,270

secret that I swore under penalty of

81

00:04:28,439 --> 00:04:26,169

death that I would take to my grave so

82

00:04:29,850 --> 00:04:28,449

why do it I mean you would tell this

83

00:04:32,420 --> 00:04:29,860

information from everybody in your life

84

00:04:34,439 --> 00:04:32,430

for this long why come forward now

85

00:04:39,650 --> 00:04:34,449

especially knowing that you're putting

86

00:04:46,620 --> 00:04:43,950

haven't had friends for a long time the

87

00:04:50,760 --> 00:04:46,630

last of my family recently passed on and

88

00:04:53,939 --> 00:04:50,770

I'm on my way to the grave my secret

89

00:04:58,150 --> 00:04:53,949

life living with the burden of what i

90

00:05:02,880 --> 00:04:58,160

know it cost me everything

91

00:05:05,170 --> 00:05:02,890

the things I know the things I've seen

92

00:05:06,679 --> 00:05:05,180

you probably won't believe me when I

93

00:05:11,959 --> 00:05:06,689

tell you

94

00:05:15,049 --> 00:05:11,969

the public should know these things that

95

00:05:18,589 --> 00:05:15,059

I know I've lived with his burden too

96

00:05:22,699 --> 00:05:18,599

long you said you're on your way to the

97

00:05:24,259 --> 00:05:22,709

grave you're dying the doctor tells me

98

00:05:26,899 --> 00:05:24,269

I'll be dead and gone in a matter of

99

00:05:29,569 --> 00:05:26,909

months so I'm no longer restricted by

100

00:05:32,739 --> 00:05:29,579

the fear of what they will do to me for

101  
00:05:34,999 --> 00:05:32,749  
disclosing that time we held sequence I

102  
00:05:39,379 --> 00:05:35,009  
don't know if you want to talk about it

103  
00:05:42,799 --> 00:05:39,389  
but why why doctors they make us go to

104  
00:05:45,529 --> 00:05:42,809  
tell me it's cancer who knows it might

105  
00:05:48,319 --> 00:05:45,539  
be cancer but they're always vague on

106  
00:05:50,269 --> 00:05:48,329  
specifics and I've been trained to know

107  
00:05:54,290 --> 00:05:50,279  
better than to question what they say or

108  
00:05:56,239 --> 00:05:54,300  
probe for any detail we might talk about

109  
00:05:58,999 --> 00:05:56,249  
that some more later but we should

110  
00:06:02,839 --> 00:05:59,009  
probably start so I guess go ahead and

111  
00:06:04,850 --> 00:06:02,849  
get into it tell me about Vandenberg the

112  
00:06:08,299 --> 00:06:04,860  
Truman administration established an

113  
00:06:11,529 --> 00:06:08,309

initiative in 1952 to deal with issues

114

00:06:14,329 --> 00:06:11,539

related to paranormal phenomena a

115

00:06:17,119 --> 00:06:14,339

special index was activated as part of

116

00:06:20,139 --> 00:06:17,129

this initiative to catalog relevant

117

00:06:23,059 --> 00:06:20,149

communication and in some situations

118

00:06:25,810 --> 00:06:23,069

conduct field investigations to acquire

119

00:06:28,510 --> 00:06:25,820

additional information

120

00:06:33,270 --> 00:06:28,520

this index is known as the Vandenberg

121

00:06:35,980 --> 00:06:33,280

index and it's still active today a

122

00:06:39,360 --> 00:06:35,990

clandestine government agency manages

123

00:06:41,860 --> 00:06:39,370

the index if agents perform surveillance

124

00:06:44,470 --> 00:06:41,870

monitoring everything from letters and

125

00:06:48,730 --> 00:06:44,480

email messages to phone conversations

126  
00:06:52,600 --> 00:06:48,740  
and text messages communications fitting

127  
00:06:56,550 --> 00:06:52,610  
agency criteria is tagged and entered

128  
00:06:59,530 --> 00:06:56,560  
into the index system and as I mentioned

129  
00:07:03,490 --> 00:06:59,540  
agents also participate in field

130  
00:07:06,400 --> 00:07:03,500  
investigation if a case narrative all

131  
00:07:07,780 --> 00:07:06,410  
right I'm sure you know that there are

132  
00:07:10,360 --> 00:07:07,790  
always people making extraordinary

133  
00:07:11,950 --> 00:07:10,370  
claims of conspiracies and secret

134  
00:07:14,590 --> 00:07:11,960  
government dealings with paranormal

135  
00:07:17,440 --> 00:07:14,600  
activity I'm not saying that i don't

136  
00:07:20,290 --> 00:07:17,450  
believe you but do you have anything to

137  
00:07:23,100 --> 00:07:20,300  
substantiate what you're claiming you

138  
00:07:25,720 --> 00:07:23,110

can read this would you like what is it

139

00:07:28,630 --> 00:07:25,730

it's a letter from the last case I

140

00:07:32,770 --> 00:07:28,640

worked on before I was forced to retire

141

00:07:34,950 --> 00:07:32,780

from the agency go on for you all right

142

00:07:38,589 --> 00:07:34,960

let's see

143

00:07:41,980 --> 00:07:38,599

looks like an email address to a UFO

144

00:07:44,469 --> 00:07:41,990

organization I've been experiencing

145

00:07:47,260 --> 00:07:44,479

alien influences for the past three

146

00:07:49,770 --> 00:07:47,270

years these entities control my thoughts

147

00:07:52,089 --> 00:07:49,780

and they talk to me telepathic later

148

00:07:54,790 --> 00:07:52,099

they've used at least three different

149

00:07:56,830 --> 00:07:54,800

voices when they talk to me but most of

150

00:08:00,010 --> 00:07:56,840

the time they talk to me with my own

151  
00:08:02,140 --> 00:08:00,020  
voice I know it sounds crazy but I'm not

152  
00:08:05,499 --> 00:08:02,150  
crazy I'm an intelligent

153  
00:08:07,570 --> 00:08:05,509  
college-educated ordinary guy I married

154  
00:08:09,850 --> 00:08:07,580  
and have three children but they don't

155  
00:08:12,820 --> 00:08:09,860  
believe me they look at me like I've

156  
00:08:16,089 --> 00:08:12,830  
lost my mind believe me I thought about

157  
00:08:17,379 --> 00:08:16,099  
that but I know I'm not crazy I know the

158  
00:08:20,230 --> 00:08:17,389  
difference between fantasy and reality

159  
00:08:22,390 --> 00:08:20,240  
and I know that the voice and the

160  
00:08:25,330 --> 00:08:22,400  
thoughts in my head aren't mine and I

161  
00:08:27,969 --> 00:08:25,340  
know who is putting them there I've seen

162  
00:08:29,469 --> 00:08:27,979  
UFO since I was 6 years old I remember

163  
00:08:31,839 --> 00:08:29,479

waking up at night looking out my window

164

00:08:34,300 --> 00:08:31,849

and seeing UFOs parked over our house I

165

00:08:36,519 --> 00:08:34,310

don't know what they were doing but they

166

00:08:38,819 --> 00:08:36,529

just SAT there like they were watching

167

00:08:41,350 --> 00:08:38,829

our house or waiting for something I

168

00:08:43,930 --> 00:08:41,360

still see UFOs over my house at night

169

00:08:46,750 --> 00:08:43,940

but I started seeing flashes of light

170

00:08:49,420 --> 00:08:46,760

outside the windows I think they started

171

00:08:51,730 --> 00:08:49,430

watching me from the ground to three

172

00:08:54,040 --> 00:08:51,740

years ago I was in an elevator at work

173

00:08:56,860 --> 00:08:54,050

two of my co-workers got on the elevator

174

00:08:59,620 --> 00:08:56,870

with me I worked with these two for many

175

00:09:02,560 --> 00:08:59,630

years but that day on the elevator they

176  
00:09:04,480 --> 00:09:02,570  
both looked at me and they had strange

177  
00:09:06,910 --> 00:09:04,490  
looks on their faces it's like they

178  
00:09:08,350 --> 00:09:06,920  
weren't themselves and they heard both

179  
00:09:11,139 --> 00:09:08,360  
of their voices in my head at the same

180  
00:09:13,150 --> 00:09:11,149  
time they were laughing at me and

181  
00:09:15,930 --> 00:09:13,160  
telling me how everyone at work hated me

182  
00:09:18,819 --> 00:09:15,940  
and that I should jump out the window

183  
00:09:21,040 --> 00:09:18,829  
they torment me inside my head saying

184  
00:09:23,650 --> 00:09:21,050  
all sorts of terrible things and filling

185  
00:09:25,660 --> 00:09:23,660  
my mind with the darkest thoughts all my

186  
00:09:28,269 --> 00:09:25,670  
friends have abandoned me and I'm sure

187  
00:09:29,390 --> 00:09:28,279  
my family will soon too they think I'm

188  
00:09:31,550 --> 00:09:29,400

not

189

00:09:33,650 --> 00:09:31,560

I didn't know what to do so I contacted

190

00:09:36,680 --> 00:09:33,660

a local paranormal investigation group

191

00:09:39,380 --> 00:09:36,690

the group met me at my house in January

192

00:09:40,700 --> 00:09:39,390

to help me understand that the people

193

00:09:44,000 --> 00:09:40,710

who are controlling my thoughts are

194

00:09:46,940 --> 00:09:44,010

really bad shape-shifting aliens who can

195

00:09:49,820 --> 00:09:46,950

take on any form they want they scanned

196

00:09:51,920 --> 00:09:49,830

me and told me they detected an implant

197

00:09:53,720 --> 00:09:51,930

in me because their instruments shows

198

00:09:56,210 --> 00:09:53,730

that there's something inside me giving

199

00:09:57,980 --> 00:09:56,220

off signals they explained that this is

200

00:10:00,710 --> 00:09:57,990

how the aliens are able to control my

201  
00:10:03,350 --> 00:10:00,720  
thoughts the paranormal group suggested

202  
00:10:05,360 --> 00:10:03,360  
that I submit a report to you and they

203  
00:10:07,160 --> 00:10:05,370  
said you would probably be able to tell

204  
00:10:09,530 --> 00:10:07,170  
me who I can contact to get the implant

205  
00:10:11,870 --> 00:10:09,540  
removed please help me my life is a

206  
00:10:13,250 --> 00:10:11,880  
living hell I can't take the mental and

207  
00:10:19,190 --> 00:10:13,260  
physical exhaustion from these mind

208  
00:10:22,880 --> 00:10:19,200  
attacks much longer ok this is mildly

209  
00:10:26,270 --> 00:10:22,890  
interesting but you know this guy sounds

210  
00:10:28,490 --> 00:10:26,280  
completely crazy right the subject was

211  
00:10:30,830 --> 00:10:28,500  
added to the agency's surveillance list

212  
00:10:34,610 --> 00:10:30,840  
shortly after the interception of this

213  
00:10:38,480 --> 00:10:34,620

email yes cautious mental health is in

214

00:10:41,270 --> 00:10:38,490

question but we did confirm UFO activity

215

00:10:44,180 --> 00:10:41,280

over his residence and the agency

216

00:10:45,689 --> 00:10:44,190

continues to monitor him as a subject of

217

00:10:48,659 --> 00:10:45,699

interest

218

00:10:52,049 --> 00:10:48,669

this is just one example of the type of

219

00:10:55,859 --> 00:10:52,059

content be collected and investigated on

220

00:10:58,019 --> 00:10:55,869

a daily basis do you have any other

221

00:11:01,590 --> 00:10:58,029

files that might have anything more I

222

00:11:02,939 --> 00:11:01,600

don't know or interesting or anything to

223

00:11:06,780 --> 00:11:02,949

really back up your claim that

224

00:11:13,259 --> 00:11:06,790

Vandenberg even exist for those who

225

00:11:16,349 --> 00:11:13,269

recorded okay sure Walter being the

226

00:11:17,759 --> 00:11:16,359

gentle soft-spoken man he was kindly

227

00:11:20,819 --> 00:11:17,769

suggested that I just forget about

228

00:11:23,900 --> 00:11:20,829

publishing his testimony because he felt

229

00:11:26,759 --> 00:11:23,910

that my questions hinted at disbelief

230

00:11:29,309 --> 00:11:26,769

although his assumption was correct if

231

00:11:32,309 --> 00:11:29,319

he had truly been a secret government

232

00:11:33,900 --> 00:11:32,319

investigator he more than most should

233

00:11:36,419 --> 00:11:33,910

have understood the need for evidence to

234

00:11:39,569 --> 00:11:36,429

support a claim especially a hard to

235

00:11:41,729 --> 00:11:39,579

believe claim I think the first time and

236

00:11:44,369 --> 00:11:41,739

told him to contact me if he changed his

237

00:11:47,099 --> 00:11:44,379

mind because I really did want to probe

238

00:11:49,559 --> 00:11:47,109

his claims more if he had something more

239

00:11:51,840 --> 00:11:49,569

than another run-of-the-mill story about

240

00:11:54,109 --> 00:11:51,850

a paranoid guy claiming alien spoke to

241

00:11:56,609 --> 00:11:54,119

him you damn right I would publish that

242

00:11:59,249 --> 00:11:56,619

but I never did hear from Walter after

243

00:12:02,129 --> 00:11:59,259

our meeting I have no idea if anything

244

00:12:05,249 --> 00:12:02,139

he told me was true the likelihood of it

245

00:12:07,229 --> 00:12:05,259

we some of it being true improved when a

246

00:12:08,939 --> 00:12:07,239

couple weeks later I received an

247

00:12:12,689 --> 00:12:08,949

envelope in the mail with no return

248

00:12:15,250 --> 00:12:12,699

address inside was Walters obituary cut

249

00:12:17,050 --> 00:12:15,260

out from the Tulsa World newspaper

250

00:12:19,960 --> 00:12:17,060

apparently Walter was originally from

251  
00:12:21,610 --> 00:12:19,970  
Tulsa and according to the obituary he

252  
00:12:24,430 --> 00:12:21,620  
just died a few days prior to my

253  
00:12:27,000 --> 00:12:24,440  
receiving the mysterious mail it listed

254  
00:12:29,920 --> 00:12:27,010  
his cause of death as natural causes

255  
00:12:32,620 --> 00:12:29,930  
needless to say receiving this freaked

256  
00:12:34,600 --> 00:12:32,630  
me out a little nobody knew about my

257  
00:12:37,330 --> 00:12:34,610  
meeting with Walter except for my two

258  
00:12:39,270 --> 00:12:37,340  
colleagues at reductive I still don't

259  
00:12:41,350 --> 00:12:39,280  
know what to make of Walter's claim I

260  
00:12:43,930 --> 00:12:41,360  
really wish he would have provided me

261  
00:12:45,760 --> 00:12:43,940  
with something more concrete but the

262  
00:12:48,190 --> 00:12:45,770  
Vandenberg index is definitely something

263  
00:12:50,560 --> 00:12:48,200

that's on my radar now but I'm pretty

264

00:12:52,700 --> 00:12:50,570

doubtful that will find anything or hear

265

00:12:59,910 --> 00:12:52,710

anything more about it
