00:00:27,579 --> 00:00:11,320

[Music]

2
00:00:30,069 --> 00:00:27,589

greetings everyone and welcome to

3
00:00:32,799 --> 00:00:30,079

spacing out I'm Jason McClellan and I'm

4
00:00:36,160 --> 00:00:32,809

Maureen Elsberry and we're back welcome

5
00:00:39,100 --> 00:00:36,170

to the 100th and eleventh episode of

6
00:00:41,500 --> 00:00:39,110

spacing out pretty exciting

7
00:00:44,110 --> 00:00:41,510

and this is the first episode we've done

8
00:00:46,630 --> 00:00:44,120

under rub planet if you haven't watched

9
00:00:49,119 --> 00:00:46,640

basting out before spacing out the show

10
00:00:51,479 --> 00:00:49,129

that Maureen and I created oh when was

11
00:00:55,479 --> 00:00:51,489

it probably twenty twelve I want to say

12
00:00:58,090 --> 00:00:55,489

maybe twenty twelve the show we did and

13
00:01:00,009 --> 00:00:58,100

we created while we were both at a UFO

14

00:01:02,289 --> 00:01:00,019

media company that we both helped start

15

00:01:04,570 --> 00:01:02,299

called open minds neither of us are with

16

00:01:07,570 --> 00:01:04,580

open minds anymore and after some

17

00:01:09,580 --> 00:01:07,580

finagling and discussions we managed to

18

00:01:11,560 --> 00:01:09,590

get spacing out back so that's why we're

19

00:01:12,550 --> 00:01:11,570

bringing it back well that's part of the

20

00:01:14,859 --> 00:01:12,560

reason we're bringing it back that's why

21

00:01:15,580 --> 00:01:14,869

we're able to bring it back but we love

22

00:01:22,090 --> 00:01:15,590

this show

23

00:01:24,670 --> 00:01:22,100

we're excited to bring spacing out to

24

00:01:27,069 --> 00:01:24,680

you again and while our formats a little

25

00:01:29,380 --> 00:01:27,079

different now Jason and I are currently

26

00:01:31,899 --> 00:01:29,390

in different countries normally we'll

27

00:01:33,880 --> 00:01:31,909

just be in different states so we're not

28

00:01:36,669 --> 00:01:33,890

able to be in the same studio together

29

00:01:40,450 --> 00:01:36,679

so we promise you we will in the future

30

00:01:43,599 --> 00:01:40,460

and will be filled with investigations

31

00:01:46,599 --> 00:01:43,609

and all sorts of fun cool content but

32

00:01:48,789 --> 00:01:46,609

for now at least I can say that we're

33

00:01:50,919 --> 00:01:48,799

here to get you caught up on the news so

34

00:02:01,120 --> 00:01:50,929

here are some of the space UFO and

35

00:02:07,219 --> 00:02:04,760

well.all news good or bad is better with

36

00:02:09,260 --> 00:02:07,229

a drink in hand at least as far as we're

37

00:02:12,520 --> 00:02:09,270

concerned so morning what are you

38

00:02:14,690 --> 00:02:12,530

drinking today I am drinking a random

39

00:02:17,840 --> 00:02:14,700

Verdejo

40

00:02:21,170 --> 00:02:17,850

it's white wine here from locally from

41

00:02:24,440 --> 00:02:21,180

Spain this particular one is not very

42

00:02:27,080 --> 00:02:24,450

good but I had trouble getting anything

43

00:02:30,229 --> 00:02:27,090

because it was a surprise holiday that I

44

00:02:33,080 --> 00:02:30,239

didn't know about today so all the

45

00:02:35,900 --> 00:02:33,090

stores were closed well I am drinking

46

00:02:37,160 --> 00:02:35,910

something I just happened to see in the

47

00:02:43,190 --> 00:02:37,170

store and it called to me

48

00:02:45,680 --> 00:02:43,200

it's a UI Mars whiskey and obviously

49

00:02:47,270 --> 00:02:45,690

because it's Mars whiskey that is reason

50

00:02:49,009 --> 00:02:47,280

enough for me to drink it but it's

51
00:02:51,320 --> 00:02:49,019
actually quite smooth quite delicious

52
00:02:53,300 --> 00:02:51,330
it's a blended whiskey they call it a

53
00:02:55,640 --> 00:02:53,310
bourbon inspired whiskey and the

54
00:02:59,030 --> 00:02:55,650
distiller is Mars whiskey so I naturally

55
00:03:02,000 --> 00:02:59,040
love it but it is fantastic man you had

56
00:03:06,500 --> 00:03:02,010
a way fancier booze introduction that

57
00:03:08,539 --> 00:03:06,510
then I did but shares the private space

58
00:03:10,670 --> 00:03:08,549
industry continues to make advances at

59
00:03:14,000 --> 00:03:10,680
an incredible rate you might remember

60
00:03:16,400 --> 00:03:14,010
that back in April of 2016 an expandable

61
00:03:17,750 --> 00:03:16,410
module from Bigelow Aerospace was

62
00:03:20,120 --> 00:03:17,760
attached to the International Space

63
00:03:23,690 --> 00:03:20,130

Station the Bigelow expandable Activity

64

00:03:26,180 --> 00:03:23,700

module or a beam for short is a habitat

65

00:03:30,289 --> 00:03:26,190

that expands when it's installed at its

66

00:03:33,140 --> 00:03:30,299

destination and it provides 565 square

67

00:03:35,479 --> 00:03:33,150

cubic feet of space for astronauts to

68

00:03:37,729 --> 00:03:35,489

live and work the original plan was the

69

00:03:40,910 --> 00:03:37,739

jettison beam from the ISS after a

70

00:03:43,250 --> 00:03:40,920

two-year testing period but after nearly

71

00:03:45,650 --> 00:03:43,260

a year and a half it looks like beam

72

00:03:47,840 --> 00:03:45,660

might be sticking around NASA is

73

00:03:50,150 --> 00:03:47,850

currently exploring options with Bigelow

74

00:03:52,789 --> 00:03:50,160

Aerospace to keep beam attached to the

75

00:03:56,090 --> 00:03:52,799

ISS to use as a storage room of sorts

76
00:03:57,890 --> 00:03:56,100
while also allowing Bigelow Aerospace to

77
00:04:00,319 --> 00:03:57,900
use the module for testing new

78
00:04:01,699 --> 00:04:00,329
technology Bigelow Aerospace is a

79
00:04:04,400 --> 00:04:01,709
leading company in the private space

80
00:04:05,599 --> 00:04:04,410
race news magazine shows 60 minutes

81
00:04:07,910 --> 00:04:05,609
aired an interview with Bigelow

82
00:04:11,270 --> 00:04:07,920
Aerospace founder Robert Bigelow on may

83
00:04:13,070 --> 00:04:11,280
28th this year 60 minutes reporter Lara

84
00:04:15,290 --> 00:04:13,080
Logan spoke with Bigelow about big

85
00:04:17,990 --> 00:04:15,300
aerospace it's partnerships with NASA

86
00:04:20,570 --> 00:04:18,000
and the companies incredible inflatable

87
00:04:22,790 --> 00:04:20,580
habitats and she also broached the

88
00:04:25,490 --> 00:04:22,800

subject of UFOs and extraterrestrials a

89

00:04:28,550 --> 00:04:25,500

subject with which Bigelow is extremely

90

00:04:30,800 --> 00:04:28,560

familiar and passionate Logan asked

91

00:04:33,170 --> 00:04:30,810

Bigelow if he believes in aliens and his

92

00:04:35,690 --> 00:04:33,180

response was I am absolutely convinced

93

00:04:38,150 --> 00:04:35,700

that's all there is to it digging deeper

94

00:04:39,530 --> 00:04:38,160

she asked Bigelow if he believes UFOs

95

00:04:41,600 --> 00:04:39,540

have come to earth

96

00:04:43,910 --> 00:04:41,610

there has been an is an existing

97

00:04:45,470 --> 00:04:43,920

presence of an eating presence being

98

00:04:48,290 --> 00:04:45,480

such a prominent figure in the private

99

00:04:48,950 --> 00:04:48,300

space industry and one who has contacts

100

00:04:52,160 --> 00:04:48,960

with NASA

101
00:04:54,080 --> 00:04:52,170
Logan asked is it risky for you to say

102
00:04:55,880 --> 00:04:54,090
you know in public that you believe

103
00:04:58,130 --> 00:04:55,890
Michael didn't you oppose an alien I

104
00:04:59,750 --> 00:04:58,140
don't care you don't worry that some

105
00:05:02,000 --> 00:04:59,760
people will say did you hear that guy

106
00:05:03,920 --> 00:05:02,010
sounds like he's crazy I don't care

107
00:05:06,560 --> 00:05:03,930
why not it's not gonna make a difference

108
00:05:09,020 --> 00:05:06,570
it's not gonna change reality of what I

109
00:05:11,090 --> 00:05:09,030
know Bigelow then brought up the fact

110
00:05:13,310 --> 00:05:11,100
that he has personally spent millions of

111
00:05:16,070 --> 00:05:13,320
dollars investigating UFOs and other

112
00:05:18,409 --> 00:05:16,080
paranormal subjects Logan then shifted

113
00:05:21,920 --> 00:05:18,419

her extraterrestrial themed questions to

114

00:05:24,560 --> 00:05:21,930

contact do you imagine that in our space

115

00:05:26,690 --> 00:05:24,570

travels we will encounter other forms of

116

00:05:29,350 --> 00:05:26,700

intelligent life you don't have to go

117

00:05:31,940 --> 00:05:29,360

anywhere you can find it here yeah

118

00:05:34,340 --> 00:05:31,950

without blinking an eye Bigelow

119

00:05:38,540 --> 00:05:34,350

explained it's just like right under

120

00:05:40,310 --> 00:05:38,550

people's noses oh my gosh Wow a new

121

00:05:43,909 --> 00:05:40,320

telescope could help scientists detect

122

00:05:45,950 --> 00:05:43,919

alien life on a nearby exoplanet the EXO

123

00:05:47,659 --> 00:05:45,960

life finder or elf telescope will

124

00:05:50,420 --> 00:05:47,669

reportedly be the world's first

125

00:05:53,600 --> 00:05:50,430

telescope designed to create surface

126
00:05:55,490 --> 00:05:53,610
maps of nearby exoplanets it's designed

127
00:05:58,700 --> 00:05:55,500
to see exoplanets up to a hundred and

128
00:06:01,850 --> 00:05:58,710
twenty trillion miles away or 24

129
00:06:03,350 --> 00:06:01,860
light-years away from Earth the

130
00:06:05,630 --> 00:06:03,360
telescope will be able to detect energy

131
00:06:07,790 --> 00:06:05,640
signatures of life or life's likely

132
00:06:10,760 --> 00:06:07,800
chemical fingerprints in the atmosphere

133
00:06:13,540 --> 00:06:10,770
things like water oxygen methane and

134
00:06:15,590 --> 00:06:13,550
ozone elf will also be able to detect

135
00:06:16,750 --> 00:06:15,600
photosynthetic bio pigments on a

136
00:06:20,950 --> 00:06:16,760
planet's surface

137
00:06:23,270 --> 00:06:20,960
elf sounds cool but it doesn't exist yet

138
00:06:26,000 --> 00:06:23,280

the group behind the ambitious project

139

00:06:27,340 --> 00:06:26,010

the planets foundation is working to

140

00:06:30,740 --> 00:06:27,350

make it happen though

141

00:06:33,950 --> 00:06:30,750

this group is a nonprofit organization

142

00:06:36,530 --> 00:06:33,960

of professors astrophysicists engineers

143

00:06:38,870 --> 00:06:36,540

entrepreneurs and scientists from around

144

00:06:41,210 --> 00:06:38,880

the world the planets foundation has

145

00:06:43,160 --> 00:06:41,220

turned to crowdfunding to raise money to

146

00:06:45,500 --> 00:06:43,170

construct a Rome prototype the

147

00:06:48,170 --> 00:06:45,510

kickstarter campaign page features more

148

00:06:50,990 --> 00:06:48,180

details about the plans for elf quote

149

00:06:53,330 --> 00:06:51,000

the first target will be Proxima B and

150

00:06:55,070 --> 00:06:53,340

only a few months after elf is completed

151
00:06:57,410 --> 00:06:55,080
we will know if there is life on this

152
00:06:59,270 --> 00:06:57,420
nearest exoplanet we will also learn

153
00:07:01,850 --> 00:06:59,280
whether there are earth-like planets

154
00:07:04,400 --> 00:07:01,860
around Alpha Centauri a and B and all

155
00:07:06,680 --> 00:07:04,410
other nearby stars within a few dozen

156
00:07:08,830 --> 00:07:06,690
light-years away from the Sun we will

157
00:07:10,940 --> 00:07:08,840
learn if we have neighbors big or small

158
00:07:13,130 --> 00:07:10,950
if and when the project comes to

159
00:07:15,980 --> 00:07:13,140
fruition the plan is to build the off

160
00:07:17,630 --> 00:07:15,990
telescope in Chile's Atacama Desert for

161
00:07:21,490 --> 00:07:17,640
more information about the project check

162
00:07:24,920 --> 00:07:21,500
out the planets foundations website at

163
00:07:27,670 --> 00:07:24,930

WWF well Jason I don't know about you

164

00:07:30,560 --> 00:07:27,680

but it's too bad that this is not

165

00:07:34,550 --> 00:07:30,570

extraterrestrial boos if you want to

166

00:07:37,580 --> 00:07:34,560

know why I'll tell you yeah a drunk man

167

00:07:41,780 --> 00:07:37,590

was picked up for public intoxication in

168

00:07:45,530 --> 00:07:41,790

Casper Wyoming and he told officers that

169

00:07:48,950 --> 00:07:45,540

he was from the Year 2048 and was sent

170

00:07:53,630 --> 00:07:48,960

back in time to warn the citizens of an

171

00:07:56,510 --> 00:07:53,640

impending alien invasion he has to speak

172

00:08:01,370 --> 00:07:56,520

to the president of the town of course

173

00:08:04,580 --> 00:08:01,380

they did not arrange that meeting and he

174

00:08:07,810 --> 00:08:04,590

claims that the reason he was able to

175

00:08:09,890 --> 00:08:07,820

time travel was because the

176

00:08:12,650 --> 00:08:09,900

extraterrestrials filled him up with

177

00:08:15,080 --> 00:08:12,660

alcohol this is the greatest excuse I've

178

00:08:16,610 --> 00:08:15,090

ever heard for being drunk in public I

179

00:08:20,600 --> 00:08:16,620

should have used it myself

180

00:08:23,390 --> 00:08:20,610

in years past but very creative but

181

00:08:25,040 --> 00:08:23,400

there was a small glitch so he claims

182

00:08:29,770 --> 00:08:25,050

that he was supposed to come back to the

183

00:08:32,719 --> 00:08:29,780

year 2018 and he showed up in 2017 so

184

00:08:37,700 --> 00:08:32,729

this could be the key to interstellar

185

00:08:41,210 --> 00:08:37,710

travel or time travel on its own

186

00:08:45,530 --> 00:08:41,220

um or he's just full of and I think

187

00:08:48,320 --> 00:08:45,540

we know what the real answer is it's

188

00:08:49,940 --> 00:08:48,330

really cool yeah it's cool that you can

189

00:08:53,180 --> 00:08:49,950

time-travel of aliens fill your body

190

00:08:55,550 --> 00:08:53,190

with alcohol but if they send you to the

191

00:08:59,390 --> 00:08:55,560

wrong year maybe the aliens should not

192

00:09:03,080 --> 00:08:59,400

consume said alcohol while working on

193

00:09:04,820 --> 00:09:03,090

this time-travel procedure yep yep you

194

00:09:07,430 --> 00:09:04,830

know when I were seeing more of these

195

00:09:10,520 --> 00:09:07,440

stories you know somewhat related

196

00:09:13,570 --> 00:09:10,530

stories like this people claiming

197

00:09:16,070 --> 00:09:13,580

outlandish stories about an

198

00:09:17,540 --> 00:09:16,080

extraterrestrial war or hostile

199

00:09:21,260 --> 00:09:17,550

extraterrestrials and here to warn

200

00:09:22,550 --> 00:09:21,270

people or whatever um remember back we

201

00:09:26,780 --> 00:09:22,560

talked about this story in one of our

202

00:09:29,390 --> 00:09:26,790

mini podcasts but Kyle Odom I think it

203

00:09:31,670 --> 00:09:29,400

was back in March of 2016 this is a guy

204

00:09:34,490 --> 00:09:31,680

who was arrested in Idaho after he shot

205

00:09:36,680 --> 00:09:34,500

a pastor six times but claimed that he

206

00:09:39,350 --> 00:09:36,690

killed several other people too because

207

00:09:41,180 --> 00:09:39,360

they were evil aliens and they were

208

00:09:45,260 --> 00:09:41,190

controlling his mind called them

209

00:09:47,390 --> 00:09:45,270

amphibious humanoids and fibia CEO noids

210

00:09:50,000 --> 00:09:47,400

from Mars or something like that but

211

00:09:52,430 --> 00:09:50,010

they were they were speaking with him

212

00:09:53,900 --> 00:09:52,440

telepathically and and you know trying

213

00:09:56,330 --> 00:09:53,910

to convince him to become a sex slave

214

00:09:58,790 --> 00:09:56,340

and all these other crazy things and so

215

00:10:00,920 --> 00:09:58,800

he went to Washington and threw some

216

00:10:03,170 --> 00:10:00,930

stuff over the the White House fence to

217

00:10:06,020 --> 00:10:03,180

try to get a like a flash drive of

218

00:10:07,850 --> 00:10:06,030

information to the president but then he

219

00:10:09,860 --> 00:10:07,860

also said that the president was under

220

00:10:11,510 --> 00:10:09,870

extraterrestrial control and all this

221

00:10:13,220 --> 00:10:11,520

stuff but you know these are stories

222

00:10:16,010 --> 00:10:13,230

that aren't original we've heard them

223

00:10:18,380 --> 00:10:16,020

before but you know thanks to 24-hour

224

00:10:20,780 --> 00:10:18,390

news and and social media we're hearing

225

00:10:22,070 --> 00:10:20,790

more about these crazy things but you

226

00:10:23,870 --> 00:10:22,080

and I have talked about this before I'm

227

00:10:26,120 --> 00:10:23,880

worrying like what if something like

228

00:10:29,330 --> 00:10:26,130

this were true what if one of these

229

00:10:31,370 --> 00:10:29,340

cases or any of these cases were genuine

230

00:10:32,540 --> 00:10:31,380

these people were trying to say hey look

231

00:10:35,150 --> 00:10:32,550

I'm here to warn you about an alien

232

00:10:36,740 --> 00:10:35,160

invasion or aliens are controlling me

233

00:10:40,520 --> 00:10:36,750

and I'm trying to warn you that they're

234

00:10:42,680 --> 00:10:40,530

controlling our government how could you

235

00:10:45,680 --> 00:10:42,690

ever know that it's true how could

236

00:10:47,870 --> 00:10:45,690

anybody convince anybody of something so

237

00:10:50,180 --> 00:10:47,880

absurd like that like it would be a

238

00:10:51,350 --> 00:10:50,190

futile attempt I think because obviously

239

00:10:53,960 --> 00:10:51,360

here's something like that you're

240

00:10:56,090 --> 00:10:53,970

whoo that's crazy that guy's been

241

00:10:58,579 --> 00:10:56,100

drinking the extra-terrestrial alcohol I

242

00:11:01,790 --> 00:10:58,589

think it's the whole stigma of the boy

243

00:11:04,699 --> 00:11:01,800

who cried wolf you know if this ever was

244

00:11:10,210 --> 00:11:04,709

to be something that somebody actually

245

00:11:14,060 --> 00:11:10,220

got some real information in such a very

246

00:11:16,430 --> 00:11:14,070

far out there fashion nobody would

247

00:11:19,880 --> 00:11:16,440

believe them because we've heard all

248

00:11:25,180 --> 00:11:19,890

these stories from people who are

249

00:11:28,430 --> 00:11:25,190

mentally ill or drunk or on drugs or

250

00:11:32,060 --> 00:11:28,440

some people that just believe it to be

251
00:11:37,180 --> 00:11:32,070
true and it might not be I'm not to

252
00:11:41,350 --> 00:11:37,190
judge whether or not reptilians are

253
00:11:44,720 --> 00:11:41,360
jumping over fences to control the

254
00:11:46,850 --> 00:11:44,730
president I mean to be honest they're

255
00:11:50,329 --> 00:11:46,860
scarier stuff going on on our planet

256
00:11:52,310 --> 00:11:50,339
right now so I don't think people would

257
00:11:53,660 --> 00:11:52,320
put as much weight into it because we've

258
00:11:55,910 --> 00:11:53,670
got bigger fish to fry

259
00:11:57,800 --> 00:11:55,920
I mean seriously bring in the

260
00:12:02,210 --> 00:11:57,810
extra-terrestrial invasion for all I

261
00:12:05,210 --> 00:12:02,220
care take me away yeah I think a lot of

262
00:12:08,120 --> 00:12:05,220
people are saying that now please take

263
00:12:11,060 --> 00:12:08,130

me all right I want to talk to you

264

00:12:12,860 --> 00:12:11,070

briefly about this new telescope you

265

00:12:15,380 --> 00:12:12,870

know where over the years we've talked

266

00:12:18,199 --> 00:12:15,390

about several new telescopes that you

267

00:12:19,550 --> 00:12:18,209

know sound incredibly awesome you know

268

00:12:21,710 --> 00:12:19,560

being the space geeks we are they're

269

00:12:23,569 --> 00:12:21,720

incredibly exciting and from an

270

00:12:25,610 --> 00:12:23,579

astrobiology standpoint it's incredibly

271

00:12:29,150 --> 00:12:25,620

excited when you have these really

272

00:12:32,750 --> 00:12:29,160

intelligent and you know high tech tools

273

00:12:34,069 --> 00:12:32,760

that are being implemented to for the

274

00:12:36,860 --> 00:12:34,079

specific purpose of looking for

275

00:12:39,949 --> 00:12:36,870

extraterrestrial life it's really

276

00:12:44,600 --> 00:12:39,959

exciting I'm glad to see more you know

277

00:12:46,639 --> 00:12:44,610

in the works but we know that plenty of

278

00:12:48,889 --> 00:12:46,649

people who will watch this show are

279

00:12:49,550 --> 00:12:48,899

going to be vocal and tell us like they

280

00:12:53,630 --> 00:12:49,560

always do

281

00:12:57,410 --> 00:12:53,640

thanks guys that who cares they're

282

00:12:58,880 --> 00:12:57,420

already here why are we looking well why

283

00:13:02,000 --> 00:12:58,890

are we looking worrying why does it

284

00:13:03,140 --> 00:13:02,010

matter well it absolutely matters and no

285

00:13:06,290 --> 00:13:03,150

matter if you think

286

00:13:10,040 --> 00:13:06,300

that aliens have been visiting earth for

287

00:13:14,090 --> 00:13:10,050

millions of years or you think you've

288

00:13:15,710 --> 00:13:14,100

been abducted and you know you want to

289

00:13:18,470 --> 00:13:15,720

share this information with the world

290

00:13:20,440 --> 00:13:18,480

and you think you have the absolute

291

00:13:24,620 --> 00:13:20,450

truth for everyone that's not gonna be

292

00:13:26,680 --> 00:13:24,630

concrete evidence enough for most people

293

00:13:29,930 --> 00:13:26,690

out there you know we need some

294

00:13:33,320 --> 00:13:29,940

scientifically backed information for it

295

00:13:36,830 --> 00:13:33,330

to be easily digestible for the general

296

00:13:39,460 --> 00:13:36,840

public so this disclosure or

297

00:13:41,990 --> 00:13:39,470

confirmation of life even if you know

298

00:13:44,720 --> 00:13:42,000

that life is out there and has been

299

00:13:45,350 --> 00:13:44,730

visiting earth is not good enough I'm

300

00:13:51,260 --> 00:13:45,360

sorry

301
00:13:53,920 --> 00:13:51,270
we need more generalized information and

302
00:13:56,690 --> 00:13:53,930
so that's why these telescopes and

303
00:13:59,090 --> 00:13:56,700
scientific studies are so important

304
00:14:02,630 --> 00:13:59,100
because we're getting closer to being

305
00:14:05,050 --> 00:14:02,640
able to find more microbial life for

306
00:14:08,060 --> 00:14:05,060
maybe intelligent life out there and

307
00:14:11,030 --> 00:14:08,070
when that happens we're gonna have these

308
00:14:13,600 --> 00:14:11,040
privatized space companies and NASA and

309
00:14:17,680 --> 00:14:13,610
other aeronautical government

310
00:14:20,090 --> 00:14:17,690
organizations investing more money in

311
00:14:22,490 --> 00:14:20,100
searching these other planets and in

312
00:14:24,170 --> 00:14:22,500
finding out more information about just

313
00:14:26,300 --> 00:14:24,180

what is out there

314

00:14:28,460 --> 00:14:26,310

do we have intelligent neighbors are

315

00:14:31,130 --> 00:14:28,470

they like us are they different during

316

00:14:34,550 --> 00:14:31,140

the octopus's are they you know what

317

00:14:37,670 --> 00:14:34,560

what are these life-forms or where are

318

00:14:41,300 --> 00:14:37,680

they who are they so it's a really

319

00:14:43,700 --> 00:14:41,310

exciting time and and that's why we

320

00:14:46,580 --> 00:14:43,710

already know they're here just isn't

321

00:14:49,280 --> 00:14:46,590

going to cut it yeah I think all efforts

322

00:14:51,760 --> 00:14:49,290

you know in the search for

323

00:14:54,530 --> 00:14:51,770

extraterrestrial life are worthwhile

324

00:14:55,580 --> 00:14:54,540

whether you're you know you can look at

325

00:14:57,100 --> 00:14:55,590

it from so many different angles but

326

00:15:01,300 --> 00:14:57,110

we're talking about you know from a

327

00:15:03,530 --> 00:15:01,310

believer or you know Pro UFO /

328

00:15:06,380 --> 00:15:03,540

extraterrestrial or you know the UFO

329

00:15:08,840 --> 00:15:06,390

audience perspective looking at

330

00:15:11,870 --> 00:15:08,850

disclosure and getting the world to know

331

00:15:14,210 --> 00:15:11,880

that extraterrestrials visit here and

332

00:15:15,550 --> 00:15:14,220

are here and whatever that belief might

333

00:15:18,220 --> 00:15:15,560

be

334

00:15:21,430 --> 00:15:18,230

you can't just come at the general

335

00:15:24,790 --> 00:15:21,440

public and say I've been abducted by an

336

00:15:26,620 --> 00:15:24,800

alien or my neighbors an alien or our

337

00:15:30,360 --> 00:15:26,630

government is controlled by aliens or

338

00:15:33,100 --> 00:15:30,370

I'm a hybrid alien like that maybe true

339

00:15:35,829 --> 00:15:33,110

but people aren't going to believe it

340

00:15:39,070 --> 00:15:35,839

and it's a lot for people to take in all

341

00:15:40,720 --> 00:15:39,080

at once so when you have mainstream

342

00:15:43,269 --> 00:15:40,730

beliefs that are backed by mainstream

343

00:15:45,820 --> 00:15:43,279

science and something conflicts with

344

00:15:48,490 --> 00:15:45,830

that or challenges it you've got to take

345

00:15:52,360 --> 00:15:48,500

things in baby steps you know little

346

00:15:55,840 --> 00:15:52,370

baby steps are what is going to allow

347

00:15:58,570 --> 00:15:55,850

people to open up their minds consider

348

00:16:01,060 --> 00:15:58,580

new possibilities and explore those

349

00:16:03,400 --> 00:16:01,070

things for themselves so you have to

350

00:16:05,890 --> 00:16:03,410

give information like this to people in

351
00:16:08,019 --> 00:16:05,900
bite-size pieces and obviously the thing

352
00:16:09,880 --> 00:16:08,029
that's easy to swallow for most

353
00:16:12,190 --> 00:16:09,890
mainstream public is information

354
00:16:13,870 --> 00:16:12,200
provided by mainstream science so

355
00:16:17,050 --> 00:16:13,880
whatever that information might be

356
00:16:18,790 --> 00:16:17,060
that's a route to go that will open the

357
00:16:21,550 --> 00:16:18,800
minds of a lot of people to explore the

358
00:16:23,110 --> 00:16:21,560
possibilities but from a completely

359
00:16:26,170 --> 00:16:23,120
different angle just look at this as

360
00:16:29,350 --> 00:16:26,180
anything else in life that we research

361
00:16:31,390 --> 00:16:29,360
you know just because we discovered a

362
00:16:33,850 --> 00:16:31,400
lizard a long time ago we don't stop

363
00:16:35,920 --> 00:16:33,860

looking for lizards you know just I

364

00:16:38,440 --> 00:16:35,930

think it was in the last couple weeks

365

00:16:42,190 --> 00:16:38,450

maybe in the last week depending on when

366

00:16:44,320 --> 00:16:42,200

this show airs that twelve new species

367

00:16:45,370 --> 00:16:44,330

of gecko were discovered we're

368

00:16:48,430 --> 00:16:45,380

discovering new things all the time

369

00:16:50,320 --> 00:16:48,440

right here on our planet and you don't

370

00:16:52,510 --> 00:16:50,330

need to see scientists going well a

371

00:16:54,280 --> 00:16:52,520

lizard we already found a lizard a long

372

00:16:57,040 --> 00:16:54,290

time ago who cares we done looking

373

00:16:58,690 --> 00:16:57,050

lizards we don't do that we continue

374

00:16:58,960 --> 00:16:58,700

looking and learning new things all the

375

00:17:02,500 --> 00:16:58,970

time

376

00:17:04,600 --> 00:17:02,510

so even if there is an extraterrestrial

377

00:17:08,050 --> 00:17:04,610

living next to you even if you are a

378

00:17:09,880 --> 00:17:08,060

hybrid extraterrestrial that's cool but

379

00:17:12,490 --> 00:17:09,890

we don't just then hang up everything

380

00:17:15,520 --> 00:17:12,500

and go done with aliens who cares old

381

00:17:17,140 --> 00:17:15,530

news at least in my opinion I mean I

382

00:17:19,179 --> 00:17:17,150

think the exploration continues and

383

00:17:19,840 --> 00:17:19,189

we're always looking for what else is

384

00:17:22,059 --> 00:17:19,850

out there

385

00:17:23,829 --> 00:17:22,069

just because you discover an

386

00:17:26,199 --> 00:17:23,839

extraterrestrial doesn't mean you know

387

00:17:28,550 --> 00:17:26,209

everything about every extraterrestrial

388

00:17:31,610 --> 00:17:28,560

that's everywhere in the universe

389

00:17:35,000 --> 00:17:31,620

universe is pretty big yeah and

390

00:17:38,210 --> 00:17:35,010

unfortunately people do I get emails and

391

00:17:40,610 --> 00:17:38,220

comments all the time about people

392

00:17:43,130 --> 00:17:40,620

thinking they know everything they're

393

00:17:46,030 --> 00:17:43,140

saying hey look this researcher guy is

394

00:17:48,800 --> 00:17:46,040

gonna reveal the truth about everything

395

00:17:52,220 --> 00:17:48,810

and if you think you know everything

396

00:17:55,970 --> 00:17:52,230

about every extraterrestrial species out

397

00:17:58,340 --> 00:17:55,980

there if you know who they are what

398

00:18:00,830 --> 00:17:58,350

their motives are and you're gonna be

399

00:18:02,510 --> 00:18:00,840

able to tell the whole world so everyone

400

00:18:05,630 --> 00:18:02,520

should think of you as a prophet that

401
00:18:09,530 --> 00:18:05,640
person is full of and you should

402
00:18:10,730 --> 00:18:09,540
not trust them you know people if a lot

403
00:18:14,570 --> 00:18:10,740
of these people actually believe that

404
00:18:16,900 --> 00:18:14,580
they do know all of this information and

405
00:18:21,440 --> 00:18:16,910
that's fine they're allowed to believe

406
00:18:23,180 --> 00:18:21,450
what they want to but you should not

407
00:18:24,890 --> 00:18:23,190
believe them you know I try to be

408
00:18:27,590 --> 00:18:24,900
respectful and say you're entitled to

409
00:18:32,240 --> 00:18:27,600
your opinion and but I highly recommend

410
00:18:35,240 --> 00:18:32,250
that people actually do research and

411
00:18:37,910 --> 00:18:35,250
look into various viewpoints don't trust

412
00:18:41,690 --> 00:18:37,920
just one person you know próxima B I

413
00:18:43,910 --> 00:18:41,700

went to a presentation by one of the

414

00:18:47,450 --> 00:18:43,920

scientists greatly involved in this and

415

00:18:50,330 --> 00:18:47,460

they called it the pale red dot for so

416

00:18:53,180 --> 00:18:50,340

long and so it's exciting that that elf

417

00:18:56,930 --> 00:18:53,190

if this is developed may be able to find

418

00:19:00,500 --> 00:18:56,940

like that close to us so well he did say

419

00:19:03,140 --> 00:19:00,510

that it's it's probably unlikely this

420

00:19:06,260 --> 00:19:03,150

planet is located in the habitable zone

421

00:19:09,410 --> 00:19:06,270

so the potential for maybe some

422

00:19:12,770 --> 00:19:09,420

surprises there is it's exciting this is

423

00:19:18,460 --> 00:19:12,780

a really exciting time in science and in

424

00:19:20,540 --> 00:19:18,470

space exploration what about Bigelow

425

00:19:22,520 --> 00:19:20,550

always love when big loads in the news

426
00:19:25,010 --> 00:19:22,530
and you know we've talked about Robert

427
00:19:26,830 --> 00:19:25,020
Bigelow for years and he's a polarizing

428
00:19:29,210 --> 00:19:26,840
figure certainly in the UFO community

429
00:19:31,310 --> 00:19:29,220
you know there are plenty of people who

430
00:19:34,160 --> 00:19:31,320
have written him off and think he's some

431
00:19:36,830 --> 00:19:34,170
nefarious character who's hoarding

432
00:19:38,600 --> 00:19:36,840
information for himself and you know in

433
00:19:40,190 --> 00:19:38,610
cahoots with aliens or in possession of

434
00:19:41,779 --> 00:19:40,200
alien technology and won't share it with

435
00:19:46,139 --> 00:19:41,789
people

436
00:19:50,009 --> 00:19:46,149
as with everything yeah that's possible

437
00:19:52,950 --> 00:19:50,019
but you know I don't know that but what

438
00:19:56,539 --> 00:19:52,960

I do know is that here's a rich guy who

439

00:19:59,460 --> 00:19:56,549

spent a lot of his personal fortune

440

00:20:03,149 --> 00:19:59,470

investing in a topic that you know we

441

00:20:06,659 --> 00:20:03,159

certainly are very interested in and he

442

00:20:08,519 --> 00:20:06,669

is clearly very passionate about you

443

00:20:10,320 --> 00:20:08,529

know if every rich guy spent his money

444

00:20:11,700 --> 00:20:10,330

investigating paranormal stuff that'd be

445

00:20:15,330 --> 00:20:11,710

pretty rad we'd probably have a lot more

446

00:20:17,190 --> 00:20:15,340

answers you know certainly money much

447

00:20:18,899 --> 00:20:17,200

better spent than buying a yacht or

448

00:20:20,759 --> 00:20:18,909

something at least my in my opinion I

449

00:20:21,480 --> 00:20:20,769

mean yachts are cool but but anyway

450

00:20:23,820 --> 00:20:21,490

Robert Bigelow

451

00:20:24,960 --> 00:20:23,830

I admire the heck out of the guy I've

452

00:20:28,289 --> 00:20:24,970

said it for years and I'll continue

453

00:20:30,990 --> 00:20:28,299

saying it I would love to sit down with

454

00:20:33,480 --> 00:20:31,000

Robert and you know have a drink and and

455

00:20:36,619 --> 00:20:33,490

talk some aliens and other strange stuff

456

00:20:40,049 --> 00:20:36,629

but he's doing incredible stuff in

457

00:20:43,919 --> 00:20:40,059

private space he's gonna make a moon

458

00:20:45,899 --> 00:20:43,929

base happen which is pretty rad and his

459

00:20:48,360 --> 00:20:45,909

own private space station and stuff of

460

00:20:51,690 --> 00:20:48,370

course people also think that he's doing

461

00:20:54,299 --> 00:20:51,700

it for secret evil reasons to take

462

00:20:57,720 --> 00:20:54,309

select people offworld when the earth is

463

00:21:01,320 --> 00:20:57,730

destroyed these elite can live in their

464

00:21:04,409 --> 00:21:01,330

secret space hotel but I'm still trying

465

00:21:06,840 --> 00:21:04,419

to get to be one of those elite chosen

466

00:21:11,399 --> 00:21:06,850

people please take me to the moon hotel

467

00:21:13,889 --> 00:21:11,409

again maybe but probably not but the guy

468

00:21:17,029 --> 00:21:13,899

is doing some awesome stuff he is a

469

00:21:19,529 --> 00:21:17,039

pioneer in the modern-day space race and

470

00:21:21,149 --> 00:21:19,539

I am always excited when Bigelow

471

00:21:24,720 --> 00:21:21,159

Aerospace is doing new things I think

472

00:21:26,369 --> 00:21:24,730

they partnering with other leaders like

473

00:21:29,610 --> 00:21:26,379

SpaceX are going to accomplish

474

00:21:30,749 --> 00:21:29,620

incredible things and we've again

475

00:21:33,810 --> 00:21:30,759

whirring you and I have talked about

476

00:21:36,389 --> 00:21:33,820

this before but I do think that the

477

00:21:38,669 --> 00:21:36,399

discovery of extraterrestrial life is

478

00:21:41,519 --> 00:21:38,679

really going to come first from somebody

479

00:21:42,830 --> 00:21:41,529

like an Elon Musk from SpaceX or Robert

480

00:21:47,009 --> 00:21:42,840

Bigelow from Bigelow Aerospace

481

00:21:47,630 --> 00:21:47,019

absolutely I have have to admit a kind

482

00:21:51,710 --> 00:21:47,640

of

483

00:21:56,090 --> 00:21:51,720

um space crush I would say on a long

484

00:22:00,700 --> 00:21:56,100

Musk not a romantic crush crush on

485

00:22:03,800 --> 00:22:00,710

the technology he's developing and I

486

00:22:07,450 --> 00:22:03,810

think inventing well in the people

487

00:22:10,490 --> 00:22:07,460

behind the face of the lawn musk also

488

00:22:11,810 --> 00:22:10,500

the technology that's going to these

489

00:22:13,910 --> 00:22:11,820

shuttles that are going to be able to

490

00:22:17,300 --> 00:22:13,920

get us from place to place so quickly

491

00:22:18,890 --> 00:22:17,310

that will actually be able to get real

492

00:22:20,420 --> 00:22:18,900

things done yeah there's so much

493

00:22:22,850 --> 00:22:20,430

exciting stuff happening in space right

494

00:22:24,320 --> 00:22:22,860

now and a lot of it is I mean I don't

495

00:22:26,300 --> 00:22:24,330

want to diminish what NASA's doing a lot

496

00:22:28,160 --> 00:22:26,310

of great people at NASA and exciting

497

00:22:29,930 --> 00:22:28,170

things going on there especially when

498

00:22:32,530 --> 00:22:29,940

you're talking about some of my favorite

499

00:22:36,950 --> 00:22:32,540

worlds in our solar system

500

00:22:40,010 --> 00:22:36,960

you know like Titan and Enceladus some

501
00:22:40,880 --> 00:22:40,020
awesome programs going on there but NASA

502
00:22:44,270 --> 00:22:40,890
aside

503
00:22:45,830 --> 00:22:44,280
yeah SpaceX is just and big lower our

504
00:22:47,630 --> 00:22:45,840
space too and other private space

505
00:22:50,180 --> 00:22:47,640
companies are just making this such an

506
00:22:52,760 --> 00:22:50,190
incredible time right now so in the past

507
00:22:55,910 --> 00:22:52,770
spacing out has primarily been focused

508
00:22:58,900 --> 00:22:55,920
on UFOs space exploration the search for

509
00:23:01,280 --> 00:22:58,910
extraterrestrial life but now that we've

510
00:23:04,130 --> 00:23:01,290
relaunched the show under rogue planet

511
00:23:06,770 --> 00:23:04,140
we're going to be exploring also a bunch

512
00:23:11,030 --> 00:23:06,780
of other paranormal subjects so we'll

513
00:23:14,510 --> 00:23:11,040

talk about Bigfoot ghosts cryptozoology

514

00:23:16,970 --> 00:23:14,520

cryptids the whole gamut and really he

515

00:23:21,020 --> 00:23:16,980

got to kind of get a jump start on this

516

00:23:24,230 --> 00:23:21,030

in July we were asked to speak at Denver

517

00:23:27,260 --> 00:23:24,240

Comic Con once again it's my third year

518

00:23:29,660 --> 00:23:27,270

Jason I think you're second and we spoke

519

00:23:32,240 --> 00:23:29,670

on a bunch of panels but one was

520

00:23:35,360 --> 00:23:32,250

specifically rogue planet sponsored and

521

00:23:37,900 --> 00:23:35,370

that was called real-life x-files where

522

00:23:41,450 --> 00:23:37,910

Jason and I discussed real-life

523

00:23:45,400 --> 00:23:41,460

investigations horror stories sort of

524

00:23:48,830 --> 00:23:45,410

the paranormal conspiracy a little bit

525

00:23:52,100 --> 00:23:48,840

all sorts of fun topics frighten some

526

00:23:55,550 --> 00:23:52,110

children but the panel overall we felt

527

00:23:57,970 --> 00:23:55,560

was an incredible it wasn't credible I

528

00:24:01,370 --> 00:23:57,980

couldn't believe the turnout

529

00:24:03,890 --> 00:24:01,380

where people turned away sadly from the

530

00:24:06,200 --> 00:24:03,900

panel because the room was max capacity

531

00:24:08,660 --> 00:24:06,210

they had this spillover waiting room for

532

00:24:11,360 --> 00:24:08,670

people who were queued up waiting to get

533

00:24:13,040 --> 00:24:11,370

in and then when they got in the room

534

00:24:14,480 --> 00:24:13,050

was filled and standing-room-only and

535

00:24:16,550 --> 00:24:14,490

people were turned away that's how

536

00:24:20,330 --> 00:24:16,560

excited people were for this panel and

537

00:24:23,060 --> 00:24:20,340

obviously we assumed that these poor

538

00:24:24,110 --> 00:24:23,070

mislead people were assuming that David

539

00:24:25,520 --> 00:24:24,120

Duchovny and Gillian Anderson

540

00:24:28,190 --> 00:24:25,530

Gillian Anderson were going to be there

541

00:24:29,780 --> 00:24:28,200

but we were pleasantly surprised that

542

00:24:31,640 --> 00:24:29,790

that was not the case these people were

543

00:24:34,760 --> 00:24:31,650

there to listen to stories we had to

544

00:24:37,310 --> 00:24:34,770

tell and a very engaged audience so it

545

00:24:38,600 --> 00:24:37,320

was it was a really rad time but we

546

00:24:41,420 --> 00:24:38,610

thought we would share with you some of

547

00:24:45,230 --> 00:24:41,430

the highlights from our real x-files

548

00:24:48,470 --> 00:24:45,240

panel so Jason and I are both obviously

549

00:24:51,230 --> 00:24:48,480

huge x-files fans as well and there are

550

00:24:51,980 --> 00:24:51,240

a few differences from Mulder and Scully

551
00:24:54,200 --> 00:24:51,990
on us again

552
00:24:56,000 --> 00:24:54,210
Erik said we have been referred to as

553
00:24:58,160 --> 00:24:56,010
Scully and Scully sometimes in a

554
00:25:02,150 --> 00:24:58,170
negative way because people are unhappy

555
00:25:03,860 --> 00:25:02,160
we're debunking stories however the

556
00:25:06,740 --> 00:25:03,870
differences are we've never worked for

557
00:25:08,750 --> 00:25:06,750
the FBI or the government to our

558
00:25:13,510 --> 00:25:08,760
knowledge some people have accused us of

559
00:25:16,100 --> 00:25:13,520
so and there is no love triangle here

560
00:25:18,290 --> 00:25:16,110
Jason is happily married and I am

561
00:25:22,720 --> 00:25:18,300
happily not married to Jason no offense

562
00:25:24,710 --> 00:25:22,730
a lot of people have this common

563
00:25:27,340 --> 00:25:24,720

misperception that governments don't

564

00:25:29,990 --> 00:25:27,350

actually investigate UFOs and it's

565

00:25:32,110 --> 00:25:30,000

completely false outside of the u.s.

566

00:25:34,550 --> 00:25:32,120

there are tons of actually global

567

00:25:37,250 --> 00:25:34,560

investigation units that are official

568

00:25:39,280 --> 00:25:37,260

government organizations correct Jason

569

00:25:42,140 --> 00:25:39,290

yeah I mean the government has a huge

570

00:25:45,660 --> 00:25:42,150

very long history of being involved in

571

00:25:49,350 --> 00:25:45,670

UFOs and frankly a lot of what we know

572

00:25:51,630 --> 00:25:49,360

UFOs and the UFO lore was started by the

573

00:25:53,190 --> 00:25:51,640

government I mean it's kind of perfect

574

00:25:56,640 --> 00:25:53,200

and we're talking about this today

575

00:25:59,040 --> 00:25:56,650

because this very weekend right now

576

00:26:01,980 --> 00:25:59,050

they're celebrating the 70th anniversary

577

00:26:03,480 --> 00:26:01,990

of the Roswell UFO incident in Roswell

578

00:26:07,380 --> 00:26:03,490

New Mexico that's taking place right now

579

00:26:09,090 --> 00:26:07,390

so speaking about Roswell you know and

580

00:26:12,780 --> 00:26:09,100

we just celebrated the Kenneth Arnold

581

00:26:15,990 --> 00:26:12,790

mm-hm anniversary to the first UFO

582

00:26:18,000 --> 00:26:16,000

sighting in the modern UFO era but

583

00:26:20,280 --> 00:26:18,010

Roswell we can talk about Roswell that

584

00:26:23,130 --> 00:26:20,290

really started I guess the whole

585

00:26:24,690 --> 00:26:23,140

government conspiracy thing where you

586

00:26:26,370 --> 00:26:24,700

have OHS related and the whole thing

587

00:26:28,140 --> 00:26:26,380

where governments are painted as the bad

588

00:26:30,510 --> 00:26:28,150

guys they're hiding things from us the

589

00:26:32,280 --> 00:26:30,520

big cover-up when it comes to UFOs the

590

00:26:35,370 --> 00:26:32,290

Air Force did that themselves because

591

00:26:37,350 --> 00:26:35,380

with Roswell they're the ones who put

592

00:26:40,470 --> 00:26:37,360

out the press release that said we

593

00:26:42,870 --> 00:26:40,480

recovered a crash saucer they did that

594

00:26:46,020 --> 00:26:42,880

wasn't UFO weirdos coming out and saying

595

00:26:49,650 --> 00:26:46,030

oh the government found the UFO the Air

596

00:26:52,050 --> 00:26:49,660

Force said that so they took that and

597

00:26:53,970 --> 00:26:52,060

then started covering it up and changed

598

00:26:56,790 --> 00:26:53,980

that story up until just a few years ago

599

00:26:59,100 --> 00:26:56,800

story after story after story new

600

00:27:01,440 --> 00:26:59,110

explanations for what happened in

601
00:27:04,830 --> 00:27:01,450
Roswell and we still don't actually know

602
00:27:07,950 --> 00:27:04,840
but as far as UFO investigation goes

603
00:27:10,080 --> 00:27:07,960
that see a year really spawned the

604
00:27:14,760 --> 00:27:10,090
government's official investigations

605
00:27:17,310 --> 00:27:14,770
into UFOs starting with you know project

606
00:27:18,900 --> 00:27:17,320
sign yeah they did sign and sign he was

607
00:27:21,360 --> 00:27:18,910
interesting that was their first really

608
00:27:24,500 --> 00:27:21,370
official investigation into UFOs this is

609
00:27:30,110 --> 00:27:24,510
done by the US Air Force and

610
00:27:32,690 --> 00:27:30,120
surprisingly they concluded sort of that

611
00:27:35,940 --> 00:27:32,700
some of the UFOs they couldn't identify

612
00:27:37,730 --> 00:27:35,950
the most likely explanation was

613
00:27:40,740 --> 00:27:37,740

something of extraterrestrial origin

614

00:27:42,300 --> 00:27:40,750

that's that's what the government came

615

00:27:45,020 --> 00:27:42,310

up came up with that was their

616

00:27:46,950 --> 00:27:45,030

conclusion that we probably had

617

00:27:47,710 --> 00:27:46,960

extraterrestrial spacecraft flying in

618

00:27:49,630 --> 00:27:47,720

our airspace

619

00:27:51,159 --> 00:27:49,640

well that didn't go over so well with

620

00:27:55,029 --> 00:27:51,169

some people in Washington

621

00:27:57,100 --> 00:27:55,039

so some higher-ups decided to then start

622

00:27:59,110 --> 00:27:57,110

another project called Project grudge

623

00:28:01,690 --> 00:27:59,120

and the name is very telling because

624

00:28:04,630 --> 00:28:01,700

they had a strict mandate right away

625

00:28:07,690 --> 00:28:04,640

that they were supposed to take all UFO

626
00:28:10,870 --> 00:28:07,700
reports that they got spin them and make

627
00:28:13,200 --> 00:28:10,880
UFOs seem absolutely ridiculous ridicule

628
00:28:15,400 --> 00:28:13,210
the people who were reporting them and

629
00:28:17,799 --> 00:28:15,410
put the story out to the media

630
00:28:20,080 --> 00:28:17,809
that this is just ridiculous goofy stuff

631
00:28:21,880 --> 00:28:20,090
don't take it seriously that was their

632
00:28:26,529 --> 00:28:21,890
official mandate and that's what project

633
00:28:28,149 --> 00:28:26,539
grudge did well people from the Pentagon

634
00:28:30,130 --> 00:28:28,159
took offense to that and they said guys

635
00:28:32,049 --> 00:28:30,140
we really need to figure out what's

636
00:28:34,000 --> 00:28:32,059
going on here if we've got snow flying

637
00:28:36,010 --> 00:28:34,010
around in our airspace that's kind of

638
00:28:38,140 --> 00:28:36,020

freaky we need to figure it out so

639

00:28:40,060 --> 00:28:38,150

that's where Project Blue Book started

640

00:28:42,070 --> 00:28:40,070

and that's probably the most well known

641

00:28:46,120 --> 00:28:42,080

official government investigation into

642

00:28:48,580 --> 00:28:46,130

UFOs and you know they didn't really do

643

00:28:50,680 --> 00:28:48,590

a thorough investigation there was

644

00:28:52,390 --> 00:28:50,690

already some extreme bias going into

645

00:28:54,190 --> 00:28:52,400

that a lot of the people involved with

646

00:28:57,039 --> 00:28:54,200

project grudge were also involved with

647

00:28:59,890 --> 00:28:57,049

Blue Book and a lot of people leading

648

00:29:02,140 --> 00:28:59,900

leading Project Blue Book got frustrated

649

00:29:04,120 --> 00:29:02,150

with the whole exercise because it was a

650

00:29:05,980 --> 00:29:04,130

futile exercise they figured they felt

651
00:29:08,770 --> 00:29:05,990
that the decision higher up had already

652
00:29:10,659 --> 00:29:08,780
been made that let's that's kind of

653
00:29:12,669 --> 00:29:10,669
brush UFOs under the table nothing to

654
00:29:14,649 --> 00:29:12,679
see here move along while speaking

655
00:29:17,529 --> 00:29:14,659
specifically about files the government

656
00:29:20,980 --> 00:29:17,539
has related to UFOs and another strange

657
00:29:23,500 --> 00:29:20,990
things but specifically the UFOs it's

658
00:29:27,580 --> 00:29:23,510
interesting because in the past Oh

659
00:29:33,100 --> 00:29:27,590
five six seven years we've seen a flood

660
00:29:36,250 --> 00:29:33,110
of releases of UFO FILES from really all

661
00:29:38,669 --> 00:29:36,260
of our our departments from the CIA the

662
00:29:40,990 --> 00:29:38,679
FBI the Air Force

663
00:29:43,690 --> 00:29:41,000

these guys have all independently

664

00:29:46,370 --> 00:29:43,700

investigated UFOs and these files are

665

00:29:49,010 --> 00:29:46,380

available to the public

666

00:29:50,930 --> 00:29:49,020

and the CIA especially with the revival

667

00:29:54,080 --> 00:29:50,940

of the x-files tried to capitalize on it

668

00:29:56,000 --> 00:29:54,090

last year when they published you know

669

00:29:57,680 --> 00:29:56,010

some of their their x-files and said see

670

00:30:00,560 --> 00:29:57,690

what's in our real x-files if you want

671

00:30:02,300 --> 00:30:00,570

to read 80,000 pages of really boring

672

00:30:05,300 --> 00:30:02,310

text it's pretty be my guest

673

00:30:07,040 --> 00:30:05,310

yeah and the FBI has a digital reading

674

00:30:09,470 --> 00:30:07,050

room they call it the vault I think

675

00:30:12,110 --> 00:30:09,480

where you can go and and type in UFO and

676

00:30:14,330 --> 00:30:12,120

find their files too of course you know

677

00:30:16,850 --> 00:30:14,340

with no idea if they've actually

678

00:30:18,740 --> 00:30:16,860

released all the UFO files probably not

679

00:30:21,470 --> 00:30:18,750

certainly not good stuff but how many of

680

00:30:25,690 --> 00:30:21,480

you saw just the last week about the the

681

00:30:30,040 --> 00:30:25,700

UK UK Ministry of Defense's UFO files

682

00:30:33,500 --> 00:30:30,050

okay so the mo D the Ministry of Defence

683

00:30:35,210 --> 00:30:33,510

actively investigated UFOs for a long

684

00:30:37,040 --> 00:30:35,220

period of time and they had something

685

00:30:40,010 --> 00:30:37,050

they called the flying saucer working

686

00:30:42,830 --> 00:30:40,020

party and through that they developed

687

00:30:45,470 --> 00:30:42,840

the UFO desk they had something a post

688

00:30:49,280 --> 00:30:45,480

called the UFO desk where they had a

689

00:30:51,560 --> 00:30:49,290

team assigned to actively receive UFO

690

00:30:54,440 --> 00:30:51,570

reports and investigate those reports

691

00:30:56,900 --> 00:30:54,450

and over the past several years they've

692

00:30:58,130 --> 00:30:56,910

gone through a process through because

693

00:31:01,130 --> 00:30:58,140

of a spawned by a Freedom of Information

694

00:31:04,610 --> 00:31:01,140

request they've released in batches

695

00:31:06,860 --> 00:31:04,620

their UFO files and they've claimed

696

00:31:09,050 --> 00:31:06,870

several times that this is all we've got

697

00:31:12,050 --> 00:31:09,060

it's all out there there you go stop

698

00:31:14,090 --> 00:31:12,060

bugging us but then a year goes by and

699

00:31:16,370 --> 00:31:14,100

they're all oh by the way we found more

700

00:31:22,370 --> 00:31:16,380

files we'll be linking those to you very

701
00:31:24,500 --> 00:31:22,380
soon and that's been a slow and ongoing

702
00:31:27,620 --> 00:31:24,510
process but they've gotten a lot of

703
00:31:31,430 --> 00:31:27,630
flack for it too because of various

704
00:31:33,740 --> 00:31:31,440
things of certain specific time periods

705
00:31:36,740 --> 00:31:33,750
conveniently missing from those files

706
00:31:40,290 --> 00:31:36,750
and one case in particular that was

707
00:31:42,510 --> 00:31:40,300
investigated heavily by the government

708
00:31:44,780 --> 00:31:42,520
was something they call that what is it

709
00:31:47,150 --> 00:31:44,790
the Britain's Roswell Friends Roswell

710
00:31:52,680 --> 00:31:47,160
Rendlesham forest incident which

711
00:31:53,970 --> 00:31:52,690
involved a lot of US Air Force and they

712
00:31:55,800 --> 00:31:53,980
were stationed over there kind of on

713
00:31:59,280 --> 00:31:55,810

loan in the base and it was late

714

00:32:02,100 --> 00:31:59,290

December and they saw yeah in 1980 they

715

00:32:03,420 --> 00:32:02,110

saw a bright light in the sky went out

716

00:32:06,870 --> 00:32:03,430

there to investigate though it was a

717

00:32:09,930 --> 00:32:06,880

multi-day event so basically I'll make

718

00:32:11,850 --> 00:32:09,940

this story short the airmen kind of got

719

00:32:13,800 --> 00:32:11,860

close to this object and they said there

720

00:32:17,940 --> 00:32:13,810

was all this strange like hieroglyphic

721

00:32:20,280 --> 00:32:17,950

markings around it and one of the men

722

00:32:22,620 --> 00:32:20,290

there there's tape recorder evidence too

723

00:32:25,860 --> 00:32:22,630

from a colonel one of the men got close

724

00:32:28,830 --> 00:32:25,870

and he apparently suffered all this

725

00:32:31,110 --> 00:32:28,840

health health problems now like a heart

726

00:32:32,940 --> 00:32:31,120

defect and his doctor says it was

727

00:32:37,530 --> 00:32:32,950

because he was exposed to a high level

728

00:32:40,200 --> 00:32:37,540

of radiation and so he thinks it's from

729

00:32:42,210 --> 00:32:40,210

this UFO that he encountered and he went

730

00:32:43,740 --> 00:32:42,220

through all this red tape so the

731

00:32:45,600 --> 00:32:43,750

government was refusing to give him his

732

00:32:49,560 --> 00:32:45,610

medical files like we're not gonna give

733

00:32:52,410 --> 00:32:49,570

you coverage to say like oh you you were

734

00:32:57,120 --> 00:32:52,420

sick because you saw a UFO and it was a

735

00:33:00,420 --> 00:32:57,130

huge mess and he eventually did get John

736

00:33:04,170 --> 00:33:00,430

McCain from Arizona to get his status

737

00:33:07,170 --> 00:33:04,180

enlisted showing that he was active they

738

00:33:08,790 --> 00:33:07,180

eventually said ok yeah we we think this

739

00:33:10,350 --> 00:33:08,800

was from something you experienced on

740

00:33:12,660 --> 00:33:10,360

the base so we're gonna give you full

741

00:33:14,940 --> 00:33:12,670

medical coverage so he said that's the

742

00:33:16,890 --> 00:33:14,950

government it admitting that UFOs are

743

00:33:19,280 --> 00:33:16,900

real or extraterrestrial in nature I

744

00:33:21,300 --> 00:33:19,290

should say the military did find

745

00:33:23,280 --> 00:33:21,310

elevated levels of radiation in that

746

00:33:24,840 --> 00:33:23,290

area and it got even weirder because

747

00:33:27,000 --> 00:33:24,850

there were multiple teams that went out

748

00:33:29,730 --> 00:33:27,010

to investigate and things were seeing

749

00:33:32,100 --> 00:33:29,740

unmultiplied this was an ongoing thing

750

00:33:33,840 --> 00:33:32,110

and there was you know weird lights in

751

00:33:36,570 --> 00:33:33,850

the sky that were dripping like molten

752

00:33:39,900 --> 00:33:36,580

substance from the sky and even shooting

753

00:33:41,760 --> 00:33:39,910

lasers at people that's freaky like

754

00:33:43,230 --> 00:33:41,770

hostile UFOs

755

00:33:45,570 --> 00:33:43,240

are really fascinating to be in really

756

00:33:47,670 --> 00:33:45,580

scary because we have many documented

757

00:33:50,430 --> 00:33:47,680

cases that were investigated by various

758

00:33:52,500 --> 00:33:50,440

government bodies of hostile UFOs these

759

00:33:54,390 --> 00:33:52,510

lights in the sky it's like zoom around

760

00:33:56,970 --> 00:33:54,400

and then shoot lasers and burn people

761

00:33:58,710 --> 00:33:56,980

and that happened in the Rendlesham case

762

00:34:02,460 --> 00:33:58,720

but there was another case that happened

763

00:34:07,110 --> 00:34:02,470

in 1977 in a small Brazilian island

764

00:34:11,580 --> 00:34:07,120

called colores and this was a case where

765

00:34:14,510 --> 00:34:11,590

thousands of people in Flores witnessed

766

00:34:17,010 --> 00:34:14,520

UFOs they called them chupa-chupa

767

00:34:18,720 --> 00:34:17,020

because they thought that these these

768

00:34:21,389 --> 00:34:18,730

balls of light and shooting these lasers

769

00:34:23,639 --> 00:34:21,399

they were sucking their blood but

770

00:34:26,010 --> 00:34:23,649

thousands of people saw mayors from one

771

00:34:28,020 --> 00:34:26,020

around the the entire region we're

772

00:34:31,200 --> 00:34:28,030

pleading with the military to come and

773

00:34:33,840 --> 00:34:31,210

figure out what these UFOs were that

774

00:34:36,510 --> 00:34:33,850

were hurting people so there was a

775

00:34:38,310 --> 00:34:36,520

military investigation that happened

776

00:34:42,300 --> 00:34:38,320

Karrie crew assigned to it witnessed

777

00:34:44,580 --> 00:34:42,310

these things for themselves and took

778

00:34:46,889 --> 00:34:44,590

hundreds they claim hundreds of

779

00:34:51,899 --> 00:34:46,899

thousands of photos and video from film

780

00:34:53,639 --> 00:34:51,909

video film and it was all turned over to

781

00:34:56,100 --> 00:34:53,649

the government and it was all locked

782

00:34:58,080 --> 00:34:56,110

away some of those files have since been

783

00:35:00,030 --> 00:34:58,090

released I believe they started being

784

00:35:03,270 --> 00:35:00,040

released about five to ten years ago

785

00:35:03,990 --> 00:35:03,280

there's a very active UFO researcher in

786

00:35:07,650 --> 00:35:04,000

Brazil

787

00:35:09,750 --> 00:35:07,660

his name is AJ Debbie are and he used to

788

00:35:12,120 --> 00:35:09,760

run a UFO magazine down there too you

789

00:35:15,000 --> 00:35:12,130

might maybe still does but it's very

790

00:35:16,680 --> 00:35:15,010

very active in research and education

791

00:35:17,820 --> 00:35:16,690

and meeting with the government and

792

00:35:19,950 --> 00:35:17,830

trying to get those biology leaves

793

00:35:22,320 --> 00:35:19,960

because it's an extremely fascinating

794

00:35:24,150 --> 00:35:22,330

case you have a doctor testimony from

795

00:35:26,970 --> 00:35:24,160

from patients who came in with burn

796

00:35:31,410 --> 00:35:26,980

marks on their skin people who were just

797

00:35:33,510 --> 00:35:31,420

absolutely mentally messed up from just

798

00:35:35,010 --> 00:35:33,520

the terror that these lights in the sky

799

00:35:37,590 --> 00:35:35,020

were causing and chasing people around

800

00:35:40,610 --> 00:35:37,600

and shooting lasers who's the stranger

801
00:35:43,020 --> 00:35:40,620
thanks man so everyone yeah pretty much

802
00:35:45,690 --> 00:35:43,030
so I'm sure some of you have heard about

803
00:35:47,640 --> 00:35:45,700
the Montauk Project which is what

804
00:35:52,440 --> 00:35:47,650
stranger things was based off of and

805
00:35:54,480 --> 00:35:52,450
this is a whole level of crazy I can't

806
00:35:56,910 --> 00:35:54,490
get into all the details because it's

807
00:35:59,220 --> 00:35:56,920
very insane but I will I will say this

808
00:36:01,260 --> 00:35:59,230
so Montauk New York there is a base

809
00:36:04,770 --> 00:36:01,270
there and it's now called camp hero

810
00:36:06,780 --> 00:36:04,780
State Park there is still a radar tower

811
00:36:10,440 --> 00:36:06,790
there and then there's all these weird

812
00:36:11,790 --> 00:36:10,450
sealed-off entrances like manholes that

813
00:36:15,840 --> 00:36:11,800

have been filled in with cement or

814

00:36:17,580 --> 00:36:15,850

they're flooded and a friend of mine

815

00:36:19,910 --> 00:36:17,590

Christopher Garrett hanno has been

816

00:36:22,920 --> 00:36:19,920

researching the Montauk

817

00:36:25,320 --> 00:36:22,930

you know conspiracy for the good part of

818

00:36:28,230 --> 00:36:25,330

15 years and needed a documentary called

819

00:36:29,520 --> 00:36:28,240

Montauk chronicles he interviews Preston

820

00:36:32,700 --> 00:36:29,530

Nichols who's the guy that kind of

821

00:36:34,770 --> 00:36:32,710

brought this conspiracy to light he came

822

00:36:37,710 --> 00:36:34,780

forward and I think it was 1982 and

823

00:36:40,430 --> 00:36:37,720

wrote a book that said hey I found out I

824

00:36:43,530 --> 00:36:40,440

used to be a project manager for this

825

00:36:46,560 --> 00:36:43,540

Montauk Project where they used to steal

826

00:36:48,600 --> 00:36:46,570

boys off the street and take them to

827

00:36:49,390 --> 00:36:48,610

this base underground secret underground

828

00:36:52,300 --> 00:36:49,400

base

829

00:36:54,760 --> 00:36:52,310

and torture them basically trying to

830

00:36:58,030 --> 00:36:54,770

break their mind so they could mold

831

00:36:59,350 --> 00:36:58,040

their minds into being secret spies he

832

00:37:02,380 --> 00:36:59,360

claimed a lot of them had psychic

833

00:37:05,140 --> 00:37:02,390

abilities so they were taking them all

834

00:37:07,690 --> 00:37:05,150

and a lot of these were riffraff kids

835

00:37:09,160 --> 00:37:07,700

that they thought no one would miss they

836

00:37:11,200 --> 00:37:09,170

would do really awful things that I

837

00:37:15,850 --> 00:37:11,210

won't repeat since there are some young

838

00:37:18,670 --> 00:37:15,860

people in the audience and but they

839

00:37:21,060 --> 00:37:18,680

basically were experienced and all of

840

00:37:23,200 --> 00:37:21,070

this is allegedly by the way

841

00:37:27,430 --> 00:37:23,210

experimenting with teleport yeah

842

00:37:30,550 --> 00:37:27,440

teleportation stargates they claim that

843

00:37:33,400 --> 00:37:30,560

all of this stuff they were getting was

844

00:37:34,870 --> 00:37:33,410

a lot from alien technology and alien

845

00:37:37,510 --> 00:37:34,880

influence like the aliens were teaching

846

00:37:38,980 --> 00:37:37,520

our government how to manipulate these

847

00:37:42,550 --> 00:37:38,990

people's minds so they could be these

848

00:37:47,220 --> 00:37:42,560

super soldiers and they claim somewhere

849

00:37:50,260 --> 00:37:47,230

between 10 200 to 300 thousand of these

850

00:37:53,320 --> 00:37:50,270

kids were taken and a lot of them died

851

00:37:54,820 --> 00:37:53,330

and they disposed of the bodies but

852

00:37:56,890 --> 00:37:54,830

there are some who claim to have been

853

00:37:58,390 --> 00:37:56,900

Montauk boys that have escaped this

854

00:38:00,340 --> 00:37:58,400

thing there's a lot of parallels to

855

00:38:03,360 --> 00:38:00,350

stranger things so first off the idea

856

00:38:06,580 --> 00:38:03,370

that they're doing this telekinesis mine

857

00:38:08,640 --> 00:38:06,590

experiments on 11 was came from there

858

00:38:11,200 --> 00:38:08,650

and then you have the demo Gordon and

859

00:38:14,430 --> 00:38:11,210

that actually came from this thing

860

00:38:16,660 --> 00:38:14,440

called the Montauk chair which was this

861

00:38:19,690 --> 00:38:16,670

chair that they would put these psychic

862

00:38:22,060 --> 00:38:19,700

boys into that allegedly would with

863

00:38:25,420 --> 00:38:22,070

electromagnetic manifests what they were

864

00:38:27,130 --> 00:38:25,430

thinking and when they were trying to

865

00:38:29,950 --> 00:38:27,140

end this program they tricked this one

866

00:38:33,250 --> 00:38:29,960

guy Duncan Cameron into sitting in the

867

00:38:36,370 --> 00:38:33,260

chair and he manifested this hairy crazy

868

00:38:40,120 --> 00:38:36,380

beast which physically appeared and

869

00:38:41,620 --> 00:38:40,130

wrecked the whole base and that is is

870

00:38:44,430 --> 00:38:41,630

where the inspiration for that came from

871

00:38:48,490 --> 00:38:44,440

there's a lot of other parallels and

872

00:38:49,810 --> 00:38:48,500

again this seems so far-fetched that you

873

00:38:52,480 --> 00:38:49,820

really have to take about grain of salt

874

00:38:55,030 --> 00:38:52,490

obviously we can't prove this all the

875

00:38:58,600 --> 00:38:55,040

stuff that have the camp hero is really

876

00:38:59,990 --> 00:38:58,610

freaky really weird and a lot of you

877

00:39:01,970 --> 00:39:00,000

know just can

878

00:39:03,830 --> 00:39:01,980

hearsay is what we have to go on but

879

00:39:05,450 --> 00:39:03,840

there is some documentation out there

880

00:39:07,660 --> 00:39:05,460

about Camp Ariel and the things that

881

00:39:10,100 --> 00:39:07,670

went on there really weird

882

00:39:14,480 --> 00:39:10,110

experimentation and testing stuff in the

883

00:39:16,550 --> 00:39:14,490

nearby region you know remember what

884

00:39:19,850 --> 00:39:16,560

year it was was uh several years ago now

885

00:39:21,110 --> 00:39:19,860

but it was a weird and floating around

886

00:39:23,060 --> 00:39:21,120

the internet and the fighting pictures

887

00:39:25,940 --> 00:39:23,070

oh he probably recognized it but they

888

00:39:27,860 --> 00:39:25,950

dubbed it the Montauk Monster this weird

889

00:39:30,170 --> 00:39:27,870

thing that washed up on a beach and

890

00:39:32,540 --> 00:39:30,180

looked really weird or kind of like a

891

00:39:34,880 --> 00:39:32,550

half dog half bird have something else

892

00:39:36,710 --> 00:39:34,890

he was really weird-looking a mutant

893

00:39:39,920 --> 00:39:36,720

people couldn't couldn't figure out what

894

00:39:43,280 --> 00:39:39,930

his crazy creature was and you know it

895

00:39:46,130 --> 00:39:43,290

was really ascribed to Plum Island

896

00:39:49,430 --> 00:39:46,140

there's a Animal Disease Research Center

897

00:39:53,600 --> 00:39:49,440

that is in that area and they do all

898

00:39:57,410 --> 00:39:53,610

sorts of crazy biological just awful

899

00:39:59,180 --> 00:39:57,420

testing and you know mutating animals

900

00:40:01,880 --> 00:39:59,190

and doing all sorts of things I think it

901
00:40:04,070 --> 00:40:01,890
was a eventually shut down but the weird

902
00:40:06,530 --> 00:40:04,080
thing about that research facility was

903
00:40:10,340 --> 00:40:06,540
he was initially owned by I think the

904
00:40:14,000 --> 00:40:10,350
department energy or something like that

905
00:40:15,650 --> 00:40:14,010
but the 2012 Homeland Security took it

906
00:40:17,540 --> 00:40:15,660
over and nobody knows what they're doing

907
00:40:19,700 --> 00:40:17,550
now but there's a facility there that

908
00:40:21,860 --> 00:40:19,710
Homeland Security took over and then we

909
00:40:23,870 --> 00:40:21,870
get this weird freaky looking monster

910
00:40:27,260 --> 00:40:23,880
that washes up people think it's a

911
00:40:30,860 --> 00:40:27,270
raccoon now that's what the like sort of

912
00:40:32,990 --> 00:40:30,870
skeptical hypothesis is is that its nose

913
00:40:34,460 --> 00:40:33,000

had been eaten away so it looks like it

914

00:40:36,140 --> 00:40:34,470

has a beak but it's really just it's

915

00:40:37,670 --> 00:40:36,150

cool but you can check out that picture

916

00:40:39,020 --> 00:40:37,680

it's really pretty piece but they call

917

00:40:41,900 --> 00:40:39,030

it the Montauk Monster you can find it

918

00:40:43,760 --> 00:40:41,910

pretty easily but on the topic of mind

919

00:40:45,290 --> 00:40:43,770

control and psychological warfare and

920

00:40:46,940 --> 00:40:45,300

all that stuff there's plenty of

921

00:40:49,880 --> 00:40:46,950

government documentation that you can

922

00:40:51,530 --> 00:40:49,890

read to fire or easily access to find

923

00:40:53,180 --> 00:40:51,540

out the government's role in all of this

924

00:40:55,940 --> 00:40:53,190

you know the movie men who stare at

925

00:41:00,410 --> 00:40:55,950

goats that's 100 but not 100% but it's

926
00:41:02,990 --> 00:41:00,420
remotely based on reality CIA was very

927
00:41:05,030 --> 00:41:03,000
active in mind control research and in

928
00:41:08,240 --> 00:41:05,040
fact there are Supreme Court cases that

929
00:41:10,070 --> 00:41:08,250
you can read all about that because they

930
00:41:13,500 --> 00:41:10,080
were doing things that were extremely

931
00:41:16,230 --> 00:41:13,510
illegal along the lines of

932
00:41:17,700 --> 00:41:16,240
you know the the montage stuff with you

933
00:41:19,140 --> 00:41:17,710
know taking homeless people and

934
00:41:21,630 --> 00:41:19,150
conducting all sorts of terrible

935
00:41:23,490 --> 00:41:21,640
experiments on them feeding them LSD and

936
00:41:25,470 --> 00:41:23,500
other things that was MKULTRA if you

937
00:41:28,710 --> 00:41:25,480
ever want to look it up but yes there is

938
00:41:32,820 --> 00:41:28,720

testimony and skinwalker ranch anyone

939

00:41:35,250 --> 00:41:32,830

heard of skinwalker ranch few people you

940

00:41:38,220 --> 00:41:35,260

want to start on that one I mean just a

941

00:41:39,750 --> 00:41:38,230

few weeks ago you know Robert Bigelow me

942

00:41:41,970 --> 00:41:39,760

in the news I don't know how many watch

943

00:41:44,150 --> 00:41:41,980

60 minutes but 60 minutes data interview

944

00:41:48,270 --> 00:41:44,160

with Robert Bigelow Robert Bigelow is a

945

00:41:50,700 --> 00:41:48,280

private space industry pioneer and he

946

00:41:52,710 --> 00:41:50,710

runs Bigelow Aerospace doing fantastic

947

00:41:55,859 --> 00:41:52,720

things in the private space world but

948

00:41:59,730 --> 00:41:55,869

Robert Bigelow is also very much into

949

00:42:01,700 --> 00:41:59,740

UFOs and all things strange and he made

950

00:42:05,190 --> 00:42:01,710

it very loud and clear on 60 minutes

951
00:42:07,200 --> 00:42:05,200
where he proudly claimed that he knows

952
00:42:10,050 --> 00:42:07,210
that extraterrestrials are here on earth

953
00:42:12,210 --> 00:42:10,060
right now walking among us now Robert

954
00:42:13,980 --> 00:42:12,220
Bigelow is it the first time he's made

955
00:42:16,080 --> 00:42:13,990
that claim he's always been very proud

956
00:42:18,060 --> 00:42:16,090
and open about his belief about you know

957
00:42:20,130 --> 00:42:18,070
UFOs and extraterrestrials but he's

958
00:42:24,440 --> 00:42:20,140
poured millions of his own dollars into

959
00:42:28,770 --> 00:42:24,450
actively researching UFOs Bigfoot

960
00:42:31,530 --> 00:42:28,780
consciousness all sorts of everything he

961
00:42:34,050 --> 00:42:31,540
founded a scientific organization called

962
00:42:35,370 --> 00:42:34,060
nits and it doesn't exist anymore but

963
00:42:37,230 --> 00:42:35,380

the National Institute of Discovery

964

00:42:41,250 --> 00:42:37,240

Sciences where he assembled a team of

965

00:42:44,609 --> 00:42:41,260

scientists and ex-fbi people to actively

966

00:42:48,780 --> 00:42:44,619

investigate cases of the paranormal and

967

00:42:50,310 --> 00:42:48,790

he purchased a ranch in Utah a location

968

00:42:52,740 --> 00:42:50,320

of high strangeness everything you could

969

00:42:54,960 --> 00:42:52,750

possibly imagine and it had knit to come

970

00:42:56,670 --> 00:42:54,970

on the ranch and really blocked

971

00:42:57,990 --> 00:42:56,680

everybody off and they'll allow anybody

972

00:43:00,120 --> 00:42:58,000

else on the property and they did a

973

00:43:03,420 --> 00:43:00,130

scientific investigation there and they

974

00:43:06,120 --> 00:43:03,430

found a lot of weird stuff they had

975

00:43:08,280 --> 00:43:06,130

their cameras torn apart they allegedly

976
00:43:10,589 --> 00:43:08,290
found portals to I mean these are this

977
00:43:12,960 --> 00:43:10,599
is like a really credible scientist and

978
00:43:15,660 --> 00:43:12,970
a really respected journalist wrote this

979
00:43:17,370 --> 00:43:15,670
book called the hunt for skinwalker the

980
00:43:18,599 --> 00:43:17,380
family that was living on the ranch sold

981
00:43:21,329 --> 00:43:18,609
it to Bigelow because they were

982
00:43:22,710 --> 00:43:21,339
experiencing so much paranormal activity

983
00:43:25,290 --> 00:43:22,720
in their home like their cupboards

984
00:43:26,609 --> 00:43:25,300
flying open their dish our groceries

985
00:43:29,539 --> 00:43:26,619
flying everywhere in

986
00:43:32,130 --> 00:43:29,549
giant wolves attacking their livestock

987
00:43:35,220 --> 00:43:32,140
and a bunch of other things so this

988
00:43:39,420 --> 00:43:35,230

ranch is on the Ute reservation in Utah

989

00:43:42,690 --> 00:43:39,430

and it is allegedly the whole area is

990

00:43:45,269 --> 00:43:42,700

just ripe with UFO sightings and other

991

00:43:46,859 --> 00:43:45,279

monsters and animal mutilations like

992

00:43:49,349 --> 00:43:46,869

everything in the paranormal world

993

00:43:52,200 --> 00:43:49,359

happens there it's not just confined to

994

00:43:54,029 --> 00:43:52,210

that ranch is that whole region but yeah

995

00:43:56,849 --> 00:43:54,039

so there are lots of different

996

00:43:59,849 --> 00:43:56,859

investigations with with crazy monster

997

00:44:02,519 --> 00:43:59,859

like stuff including one of my favorites

998

00:44:05,640 --> 00:44:02,529

is the the car matching lizard of

999

00:44:08,910 --> 00:44:05,650

skateboard swamp where this kid claims

1000

00:44:11,880 --> 00:44:08,920

that he was attacked by a lizard man

1001
00:44:14,460 --> 00:44:11,890
with glowing red eyes and scaly fingers

1002
00:44:16,529 --> 00:44:14,470
three fingers that chased him in this

1003
00:44:18,450 --> 00:44:16,539
old swamp while he was coming home from

1004
00:44:21,390 --> 00:44:18,460
working at a fast food restaurant and

1005
00:44:24,180 --> 00:44:21,400
attacked his car he managed to escape

1006
00:44:26,549 --> 00:44:24,190
from him but he had all these scrape

1007
00:44:29,940 --> 00:44:26,559
marks down his car and he showed up his

1008
00:44:31,319 --> 00:44:29,950
parents's he's crying he was very

1009
00:44:32,999 --> 00:44:31,329
distracted they called the cops so the

1010
00:44:34,739 --> 00:44:33,009
cops are investigating this area and all

1011
00:44:38,339 --> 00:44:34,749
of a sudden all these other reports one

1012
00:44:42,299 --> 00:44:38,349
from an Air Force guy start popping up

1013
00:44:44,849 --> 00:44:42,309

and there was a case where this old

1014

00:44:47,789 --> 00:44:44,859

couple said that their entire their car

1015

00:44:50,009 --> 00:44:47,799

was attacked by something and literally

1016

00:44:52,620 --> 00:44:50,019

parts of the car were torn off and like

1017

00:44:55,170 --> 00:44:52,630

in teeth marks kind of and they had the

1018

00:44:57,089 --> 00:44:55,180

the police and Animal Control come out

1019

00:44:59,670 --> 00:44:57,099

and they could not identify the bite so

1020

00:45:02,160 --> 00:44:59,680

they assumed it's this this lizard is is

1021

00:45:04,829 --> 00:45:02,170

eating it on on this one I'm gonna go

1022

00:45:07,200 --> 00:45:04,839

ahead and say I believe this is probably

1023

00:45:09,239 --> 00:45:07,210

more of a tourism hoax like because now

1024

00:45:11,400 --> 00:45:09,249

they're kind of giving the Roswell thing

1025

00:45:14,400 --> 00:45:11,410

where everyone comes to see the lizard

1026
00:45:15,509 --> 00:45:14,410
from scape ore swamp and they've a lot

1027
00:45:18,299 --> 00:45:15,519
of people have been caught hoaxing

1028
00:45:20,519 --> 00:45:18,309
footprints but there's a lot of stuff

1029
00:45:23,009 --> 00:45:20,529
that like you look at it and the police

1030
00:45:25,259 --> 00:45:23,019
and other official agencies are actually

1031
00:45:26,700 --> 00:45:25,269
taking it somewhat seriously and at

1032
00:45:29,970 --> 00:45:26,710
least coming out to investigate the

1033
00:45:32,549 --> 00:45:29,980
claims one of my favorite investigations

1034
00:45:36,930 --> 00:45:32,559
that Jason and I have done together is

1035
00:45:39,779 --> 00:45:36,940
on the ghost side at the old Idaho

1036
00:45:40,350 --> 00:45:39,789
Penitentiary and we happen to do this on

1037
00:45:44,460 --> 00:45:40,360
a Friday

1038
00:45:48,240 --> 00:45:44,470

13th which makes it extra special

1039

00:45:50,760 --> 00:45:48,250

but this penitentiary had a lot of

1040

00:45:52,140 --> 00:45:50,770

history of riots and in other things and

1041

00:45:55,890 --> 00:45:52,150

it was one of the first places where

1042

00:45:58,530 --> 00:45:55,900

they were hanging people in Idaho and

1043

00:46:00,720 --> 00:45:58,540

there was this man a knight I always

1044

00:46:03,480 --> 00:46:00,730

want to say his name was Edward Snowden

1045

00:46:05,970 --> 00:46:03,490

but it's Raymond Snowden not to be

1046

00:46:10,200 --> 00:46:05,980

confused with a hacker he was a real

1047

00:46:14,250 --> 00:46:10,210

jerk and killed a woman a mother when he

1048

00:46:17,910 --> 00:46:14,260

was out at a bar and he was sentenced to

1049

00:46:20,190 --> 00:46:17,920

death by hanging and he was the last

1050

00:46:23,460 --> 00:46:20,200

first and last person they hung in this

1051

00:46:26,400 --> 00:46:23,470

one cell Bach it was about 12:20 a.m. I

1052

00:46:30,390 --> 00:46:26,410

think and his neck did break on the way

1053

00:46:34,290 --> 00:46:30,400

down so he was suffering for about 15

1054

00:46:36,450 --> 00:46:34,300

minutes so we were in a different cell

1055

00:46:39,360 --> 00:46:36,460

block that overlooked that one that one

1056

00:46:41,340 --> 00:46:39,370

was down the hill and we were all

1057

00:46:44,040 --> 00:46:41,350

talking and looking around and all of a

1058

00:46:47,550 --> 00:46:44,050

sudden we heard this rattle shaking mmm

1059

00:46:50,490 --> 00:46:47,560

that really echoed in the mic and what

1060

00:46:52,890 --> 00:46:50,500

happened was the the door from cellblock

1061

00:46:56,130 --> 00:46:52,900

5 which was the maximum security prison

1062

00:46:59,010 --> 00:46:56,140

where he was honey swung shut and it was

1063

00:47:01,440 --> 00:46:59,020

this big heavy metal door so we make

1064

00:47:04,170 --> 00:47:01,450

sure nobody is actually down there

1065

00:47:05,760 --> 00:47:04,180

investigating Jason did you catch that

1066

00:47:08,970 --> 00:47:05,770

on camera I don't remember if you did or

1067

00:47:11,040 --> 00:47:08,980

not okay so two people in our group went

1068

00:47:14,970 --> 00:47:11,050

down to make sure there was nobody in

1069

00:47:16,380 --> 00:47:14,980

there and they found it was clear but

1070

00:47:18,810 --> 00:47:16,390

then they heard footsteps and they're

1071

00:47:21,060 --> 00:47:18,820

like running but they couldn't see

1072

00:47:22,950 --> 00:47:21,070

anybody so they came back out to report

1073

00:47:24,540 --> 00:47:22,960

back and as they were walking up we're

1074

00:47:27,240 --> 00:47:24,550

all looking down the hill at this other

1075

00:47:30,930 --> 00:47:27,250

building and right behind them the huge

1076
00:47:32,970 --> 00:47:30,940
door goes boom again like crazy it was

1077
00:47:36,120 --> 00:47:32,980
not wind I don't know if you're gonna

1078
00:47:38,130 --> 00:47:36,130
explain that yes no wind really heavy

1079
00:47:40,160 --> 00:47:38,140
metal door and like we played with it

1080
00:47:42,120 --> 00:47:40,170
see like how absolutely it would move

1081
00:47:44,100 --> 00:47:42,130
nothing was moving that door but

1082
00:47:46,110 --> 00:47:44,110
apparently something didn't so we were

1083
00:47:50,010 --> 00:47:46,120
lucky enough then this is the other

1084
00:47:51,990 --> 00:47:50,020
little gem from it to be in max like

1085
00:47:53,640 --> 00:47:52,000
right during the time where his hanging

1086
00:47:57,180 --> 00:47:53,650
happened so we were

1087
00:48:00,180 --> 00:47:57,190
in the gallows we had been upstairs the

1088
00:48:02,489 --> 00:48:00,190

upstairs where there's the drop door

1089

00:48:07,289 --> 00:48:02,499

drop and then you go downstairs and it's

1090

00:48:10,620 --> 00:48:07,299

the bottom very an appealing looking

1091

00:48:12,809 --> 00:48:10,630

place and we were the only people in the

1092

00:48:15,390 --> 00:48:12,819

building and we're all quiet and we're

1093

00:48:17,789 --> 00:48:15,400

waiting to look at the time is this guy

1094

00:48:22,099 --> 00:48:17,799

gonna materialize or something magical

1095

00:48:24,509 --> 00:48:22,109

gonna happen and myself and Jason's wife

1096

00:48:27,089 --> 00:48:24,519

Jessica were the only two people that

1097

00:48:30,450 --> 00:48:27,099

heard this somehow distinct right above

1098

00:48:34,799 --> 00:48:30,460

us a ton of footsteps and we went up

1099

00:48:38,309 --> 00:48:34,809

there and nobody was there so you know I

1100

00:48:41,190 --> 00:48:38,319

I never like I said we're skeptical and

1101

00:48:43,920 --> 00:48:41,200

try to be objective I can't explain what

1102

00:48:45,809 --> 00:48:43,930

I saw or what I heard but I'm not gonna

1103

00:48:47,970 --> 00:48:45,819

say for sure that it was something that

1104

00:48:50,759 --> 00:48:47,980

was paranormal place how many years saw

1105

00:48:53,160 --> 00:48:50,769

the Phoenix lights anybody oh there we

1106

00:48:54,900 --> 00:48:53,170

go there you go so for those of you who

1107

00:48:56,640 --> 00:48:54,910

aren't familiar with the Phoenix lights

1108

00:49:01,069 --> 00:48:56,650

the Phoenix lights happened in March of

1109

00:49:04,499 --> 00:49:01,079

1997 in Phoenix in Arizona as a whole

1110

00:49:09,150 --> 00:49:04,509

but it really is the largest matchup o

1111

00:49:11,220 --> 00:49:09,160

sighting in recent history for sure but

1112

00:49:14,819 --> 00:49:11,230

thousands of people all across Arizona

1113

00:49:18,960 --> 00:49:14,829

saw multiple events that night but some

1114

00:49:21,239 --> 00:49:18,970

reports seeing a gigantic craft the size

1115

00:49:24,870 --> 00:49:21,249

of multiple football fields basically

1116

00:49:28,680 --> 00:49:24,880

traversed the entire state you know low

1117

00:49:30,930 --> 00:49:28,690

flying slow flying craft and that was in

1118

00:49:33,749 --> 00:49:30,940

the news recently - because / Brussels

1119

00:49:35,789 --> 00:49:33,759

apparently witnessed it he's a pilot and

1120

00:49:37,890 --> 00:49:35,799

there was for many years we knew that

1121

00:49:39,359 --> 00:49:37,900

some private pilot had radioed it into

1122

00:49:42,299 --> 00:49:39,369

the tower at Sky Harbor Airport in

1123

00:49:44,009 --> 00:49:42,309

Phoenix we now know that according to

1124

00:49:46,109 --> 00:49:44,019

him anyway it was the pilot who reported

1125

00:49:49,069 --> 00:49:46,119

that but this is something that was

1126

00:49:52,259 --> 00:49:49,079

witnessed by thousands of people I

1127

00:49:54,269 --> 00:49:52,269

certainly saw it I was a 17 year old boy

1128

00:49:56,099 --> 00:49:54,279

and living in the middle of the desert

1129

00:49:58,289 --> 00:49:56,109

and got a wonderful view of it I looked

1130

00:50:01,259 --> 00:49:58,299

up pretty much right outside my house

1131

00:50:03,420 --> 00:50:01,269

and saw a series of because many years

1132

00:50:06,190 --> 00:50:03,430

ago I don't pretend to remember details

1133

00:50:09,670 --> 00:50:06,200

exactly but I like to say 5 - 7 y

1134

00:50:11,530 --> 00:50:09,680

just hovering motionless in the sky not

1135

00:50:14,260 --> 00:50:11,540

doing anything not moving not making

1136

00:50:17,819 --> 00:50:14,270

sound just remain there for I would

1137

00:50:20,920 --> 00:50:17,829

estimate 30 to 45 minutes It's Made

1138

00:50:24,790 --> 00:50:20,930

nationwide and then worldwide news the

1139

00:50:27,339 --> 00:50:24,800

governor at the time Fife Symington made

1140

00:50:29,200 --> 00:50:27,349

light of the situation and tried to play

1141

00:50:30,220 --> 00:50:29,210

it off in the media as a joke and he

1142

00:50:33,190 --> 00:50:30,230

said you people are taking this way too

1143

00:50:34,720 --> 00:50:33,200

seriously he need to move on don't worry

1144

00:50:37,599 --> 00:50:34,730

about it it's not freaking out the

1145

00:50:40,510 --> 00:50:37,609

aliens on here but years later he

1146

00:50:44,170 --> 00:50:40,520

admitted that he too witnessed this

1147

00:50:46,660 --> 00:50:44,180

craft or UFOs whatever they were and he

1148

00:50:49,089 --> 00:50:46,670

was an Air Force pilot in his history

1149

00:50:50,829 --> 00:50:49,099

and he said I'm very familiar with

1150

00:50:53,290 --> 00:50:50,839

aircraft I'm very familiar with things

1151
00:50:55,420 --> 00:50:53,300
in the sky what I saw that night was not

1152
00:50:59,470 --> 00:50:55,430
of this earth that was the Governor of

1153
00:51:01,870 --> 00:50:59,480
Arizona and he faced lots of roadblocks

1154
00:51:03,310 --> 00:51:01,880
when he tried actively tried as governor

1155
00:51:03,819 --> 00:51:03,320
to get answers to what happened that

1156
00:51:06,490 --> 00:51:03,829
night

1157
00:51:07,900 --> 00:51:06,500
because they thought and city council

1158
00:51:10,660 --> 00:51:07,910
members also getting City Council

1159
00:51:13,660 --> 00:51:10,670
members fought to get answers from the

1160
00:51:16,089 --> 00:51:13,670
nearby air force base and they were just

1161
00:51:18,970 --> 00:51:16,099
shut down at everywhere they went and

1162
00:51:21,130 --> 00:51:18,980
then years later they were given some

1163
00:51:23,440 --> 00:51:21,140

phony-baloney response oh oh yeah by the

1164

00:51:24,609 --> 00:51:23,450

way after telling you many times that we

1165

00:51:26,290 --> 00:51:24,619

didn't have any planes dropping flares

1166

00:51:29,470 --> 00:51:26,300

that might guess what they were just

1167

00:51:31,510 --> 00:51:29,480

military flares haha but the time they

1168

00:51:34,059 --> 00:51:31,520

provided for that didn't align with the

1169

00:51:35,370 --> 00:51:34,069

time of the sighting and it took them

1170

00:51:39,040 --> 00:51:35,380

years to come up with this explanation

1171

00:51:40,240 --> 00:51:39,050

so a lot of things still don't make

1172

00:51:42,790 --> 00:51:40,250

sense with the Phoenix lights there

1173

00:51:46,329 --> 00:51:42,800

still isn't a definitive answer I think

1174

00:51:49,180 --> 00:51:46,339

it's a fantastic case and it was pretty

1175

00:51:51,099 --> 00:51:49,190

much a case of government officials

1176

00:51:53,109 --> 00:51:51,109

trying to get answers from other

1177

00:51:54,670 --> 00:51:53,119

government officials and not being able

1178

00:51:56,800 --> 00:51:54,680

to because they did have the need to

1179

00:51:59,079 --> 00:51:56,810

know or or whatever the situation was

1180

00:52:01,300 --> 00:51:59,089

with the Phoenix lights fantastic mass

1181

00:52:03,460 --> 00:52:01,310

UFO sighting what would you suggest

1182

00:52:05,319 --> 00:52:03,470

Jason in your opinion is your favorite

1183

00:52:07,510 --> 00:52:05,329

piece of equipment you feel people

1184

00:52:09,849 --> 00:52:07,520

should invest in no I don't think people

1185

00:52:11,100 --> 00:52:09,859

should investigate the paranormal it's

1186

00:52:13,180 --> 00:52:11,110

frustrating

1187

00:52:15,400 --> 00:52:13,190

doesn't matter what equipment you have

1188

00:52:17,740 --> 00:52:15,410

you know you're still not going to have

1189

00:52:19,900 --> 00:52:17,750

something that's as conclusive as you

1190

00:52:22,990 --> 00:52:19,910

want or you know something that is as

1191

00:52:25,090 --> 00:52:23,000

definitive proof that you will be able

1192

00:52:26,470 --> 00:52:25,100

to you know convince everybody that's

1193

00:52:28,990 --> 00:52:26,480

not going to happen it's frustrating it

1194

00:52:31,450 --> 00:52:29,000

doesn't matter how creative camera you

1195

00:52:33,250 --> 00:52:31,460

have or anything and you you know I

1196

00:52:36,220 --> 00:52:33,260

could go outside right now and there

1197

00:52:37,600 --> 00:52:36,230

could be an amazing spacecraft there and

1198

00:52:38,050 --> 00:52:37,610

I could film it with the best camera in

1199

00:52:39,670 --> 00:52:38,060

the world

1200

00:52:42,400 --> 00:52:39,680

tanking camera working it's too quick

1201
00:52:44,290 --> 00:52:42,410
but you know I show it to people I show

1202
00:52:45,820 --> 00:52:44,300
it to the news who ever and then people

1203
00:52:49,330 --> 00:52:45,830
will say oh that's Photoshop you

1204
00:52:52,300 --> 00:52:49,340
digitally created that I mean there are

1205
00:52:54,700 --> 00:52:52,310
the roadblocks that exist but nothing

1206
00:52:57,280 --> 00:52:54,710
you said I'll still say good camera yeah

1207
00:53:00,820 --> 00:52:57,290
because and in video is preferred

1208
00:53:03,340 --> 00:53:00,830
because things happen so fast no matter

1209
00:53:06,520 --> 00:53:03,350
which of these phenomena you're talking

1210
00:53:09,520 --> 00:53:06,530
about but a good camera beats everything

1211
00:53:12,430 --> 00:53:09,530
in my opinion okay I agree and but I

1212
00:53:14,830 --> 00:53:12,440
will say investing in a really good

1213
00:53:16,270 --> 00:53:14,840

audio recorder because then not only can

1214

00:53:18,670 --> 00:53:16,280

you capture witness interviews which are

1215

00:53:20,910 --> 00:53:18,680

a huge portion of the investigation you

1216

00:53:23,170 --> 00:53:20,920

can have fun trying to catch EVPs

1217

00:53:25,720 --> 00:53:23,180

electric voice phenomenon if you're

1218

00:53:28,780 --> 00:53:25,730

doing it go Suns that is all for this

1219

00:53:31,510 --> 00:53:28,790

episode of spacing out again ask for

1220

00:53:34,060 --> 00:53:31,520

your patience during our new learning

1221

00:53:36,460 --> 00:53:34,070

process dealing with doing a show not in

1222

00:53:38,170 --> 00:53:36,470

a studio doing it normally in different

1223

00:53:41,080 --> 00:53:38,180

states but right now in different

1224

00:53:42,640 --> 00:53:41,090

countries and different continents so

1225

00:53:45,100 --> 00:53:42,650

it'll be fun for a while

1226
00:53:47,830 --> 00:53:45,110
