[Music]

2
00:00:30,130 --> 00:00:27,970

hello friends and welcome to unknown I'm

3
00:00:30,609 --> 00:00:30,140

Jason McClellan thanks for hanging out

4
00:00:37,750 --> 00:00:30,619

with me

5
00:00:43,080 --> 00:00:37,760

welcome to 2018 feels great to be out of

6
00:00:49,660 --> 00:00:45,910

the affirmation from the Pentagon that

7
00:00:53,139 --> 00:00:49,670

operated a UFO program from 2007 to 2012

8
00:00:55,750 --> 00:00:53,149

capped off 2017 with an unexpected surge

9
00:00:58,450 --> 00:00:55,760

of interest in the topic of unidentified

10
00:01:00,010 --> 00:00:58,460

aerial phenomena we've seen all the

11
00:01:02,830 --> 00:01:00,020

major media outlets around the world

12
00:01:06,520 --> 00:01:02,840

reporting on this story and adding

13
00:01:08,380 --> 00:01:06,530

individual spins we've also seen UFO

14

00:01:10,779 --> 00:01:08,390

researchers and others within the UFO

15

00:01:13,290 --> 00:01:10,789

community chiming in with personal

16

00:01:16,300 --> 00:01:13,300

thoughts and opinions about this story

17

00:01:19,180 --> 00:01:16,310

it's been a little surprising though not

18

00:01:21,669 --> 00:01:19,190

completely unexpected to see the lack of

19

00:01:23,440 --> 00:01:21,679

basic UFO history knowledge by

20

00:01:26,320 --> 00:01:23,450

journalists reporting on the Pentagon

21

00:01:29,020 --> 00:01:26,330

UFO program story it's also been a

22

00:01:31,540 --> 00:01:29,030

little frustrating though again not too

23

00:01:33,820 --> 00:01:31,550

surprising to see journalists making

24

00:01:36,309 --> 00:01:33,830

assumptions focusing on the wrong

25

00:01:38,919 --> 00:01:36,319

elements of this story or missing the

26

00:01:41,050 --> 00:01:38,929

significance altogether it's clear that

27

00:01:43,980 --> 00:01:41,060

some basic public education regarding

28

00:01:46,120 --> 00:01:43,990

the UFO topic is severely lacking and

29

00:01:49,089 --> 00:01:46,130

looking inward at the UFO research

30

00:01:51,910 --> 00:01:49,099

community it's easy to understand why

31

00:01:54,370 --> 00:01:51,920

the general public especially those with

32

00:01:57,040 --> 00:01:54,380

a genuine interest in the topic of UFOs

33

00:01:59,139 --> 00:01:57,050

who search for more information can so

34

00:02:02,589 --> 00:01:59,149

easily find themselves confused and

35

00:02:05,830 --> 00:02:02,599

overwhelmed or just plain turned off to

36

00:02:07,540 --> 00:02:05,840

the whole topic we still have a long way

37

00:02:09,940 --> 00:02:07,550

to go where public education is

38

00:02:12,370 --> 00:02:09,950

concerned while some researchers are

39

00:02:14,589 --> 00:02:12,380

fixated on formulating conspiracy driven

40

00:02:16,570 --> 00:02:14,599

speculation about motives of government

41

00:02:19,290 --> 00:02:16,580

officials who publicly share information

42

00:02:21,220 --> 00:02:19,300

about UFOs arguing that UFOs are

43

00:02:23,500 --> 00:02:21,230

interdimensional living beings and

44

00:02:25,960 --> 00:02:23,510

getting hyper philosophical just to fill

45

00:02:27,850 --> 00:02:25,970

pages in books there's a huge chunk of

46

00:02:30,880 --> 00:02:27,860

the population that still doesn't want

47

00:02:34,600 --> 00:02:30,890

to accept the fact that our skies are

48

00:02:37,330 --> 00:02:34,610

filled with unidentifiable objects think

49

00:02:38,920 --> 00:02:37,340

about that for a second while some UFO

50

00:02:40,660 --> 00:02:38,930

researchers are getting frustrated by

51
00:02:42,820 --> 00:02:40,670
the media's lack of knowledge on the

52
00:02:44,800 --> 00:02:42,830
subject or the lingering presence of the

53
00:02:47,770 --> 00:02:44,810
ridicule factor surrounding the topic of

54
00:02:51,070 --> 00:02:47,780
UFOs many in the general public are

55
00:02:53,170 --> 00:02:51,080
still stuck at that initial step of even

56
00:02:55,540 --> 00:02:53,180
understanding that mysterious aerial

57
00:02:57,880 --> 00:02:55,550
phenomena appears around the world every

58
00:03:00,100 --> 00:02:57,890
day has been studied by governments

59
00:03:02,500 --> 00:03:00,110
around the world and is a complete

60
00:03:04,510 --> 00:03:02,510
mystery but for those curious

61
00:03:06,850 --> 00:03:04,520
individuals who take that leap and

62
00:03:09,550 --> 00:03:06,860
attempt to look deeper into the UFO

63
00:03:12,640 --> 00:03:09,560

subject they quickly find a wild

64

00:03:15,340 --> 00:03:12,650

confusing world it's a world where

65

00:03:18,640 --> 00:03:15,350

researchers agree on little many profess

66

00:03:23,410 --> 00:03:18,650

insider knowledge and some proudly claim

67

00:03:25,720 --> 00:03:23,420

to know all the answers to some UFOs our

68

00:03:28,630 --> 00:03:25,730

interstellar craft piloted by visiting

69

00:03:31,509 --> 00:03:28,640

extraterrestrials others believe UFOs

70

00:03:33,610 --> 00:03:31,519

are biological entities yet others

71

00:03:34,229 --> 00:03:33,620

believe UFOs are visitors from another

72

00:03:37,150 --> 00:03:34,239

dimension

73

00:03:38,890 --> 00:03:37,160

some believe that evil extraterrestrials

74

00:03:41,020 --> 00:03:38,900

control everything that happens on our

75

00:03:42,640 --> 00:03:41,030

planet some believe that

76
00:03:45,910 --> 00:03:42,650
extraterrestrials have come to earth to

77
00:03:47,890 --> 00:03:45,920
save humanity and some believe that

78
00:03:51,069 --> 00:03:47,900
extraterrestrials have yet to make

79
00:03:53,470 --> 00:03:51,079
contact rest assured there's no shortage

80
00:03:57,310 --> 00:03:53,480
of burying quote unquote answers out

81
00:03:59,740 --> 00:03:57,320
there humans get bored easily we have

82
00:04:02,199 --> 00:03:59,750
short attention spans and we actively

83
00:04:05,470 --> 00:04:02,209
seek new things to entertain us and to

84
00:04:07,690 --> 00:04:05,480
feed our hunger for answers aside from

85
00:04:10,780 --> 00:04:07,700
the occasional reptilian infiltrators

86
00:04:13,600 --> 00:04:10,790
like myself here only to spread

87
00:04:17,289 --> 00:04:13,610
disinformation the UFO community is

88
00:04:19,029 --> 00:04:17,299

comprised of humans so it's somewhat

89

00:04:20,920 --> 00:04:19,039

understandable to see the constant

90

00:04:23,500 --> 00:04:20,930

desire for new information in UFO

91

00:04:25,690 --> 00:04:23,510

research there are plenty of people out

92

00:04:28,230 --> 00:04:25,700

there who get frustrated and dismissive

93

00:04:30,909 --> 00:04:28,240

at the very mention of the word Roswell

94

00:04:32,260 --> 00:04:30,919

that's old news I already know

95

00:04:36,070 --> 00:04:32,270

everything there is to know about

96

00:04:38,380 --> 00:04:36,080

Roswell stop wasting my time it's been

97

00:04:40,570 --> 00:04:38,390

fascinating observing the UFO field over

98

00:04:42,339 --> 00:04:40,580

the years several researchers have

99

00:04:43,980 --> 00:04:42,349

catered to appetites of those looking

100

00:04:45,870 --> 00:04:43,990

for new information

101

00:04:48,360 --> 00:04:45,880

or different ways of thinking when it

102

00:04:50,370 --> 00:04:48,370

comes to the UFO topic some have

103

00:04:52,800 --> 00:04:50,380

gradually moved away from topics like

104

00:04:55,640 --> 00:04:52,810

documented historical cases and mass UFO

105

00:04:59,070 --> 00:04:55,650

sightings to topics like absurd

106

00:05:02,010 --> 00:04:59,080

unverifiable grand conspiracies and more

107

00:05:05,100 --> 00:05:02,020

philosophical sociological areas like

108

00:05:07,200 --> 00:05:05,110

disclosure and consciousness don't get

109

00:05:09,750 --> 00:05:07,210

me wrong I'm glad there are people out

110

00:05:11,820 --> 00:05:09,760

there covering all the angles but I

111

00:05:14,310 --> 00:05:11,830

definitely feel it's a misstep to leave

112

00:05:17,370 --> 00:05:14,320

the basics the fundamentals of UFO

113

00:05:20,040 --> 00:05:17,380

research behind in the dust the UFO

114

00:05:23,670 --> 00:05:20,050

topic has been built up and severely

115

00:05:27,120 --> 00:05:23,680

over complicated yes this is an

116

00:05:30,330 --> 00:05:27,130

incredibly complex subject but on its

117

00:05:33,570 --> 00:05:30,340

surface the UFO subject is much simpler

118

00:05:35,880 --> 00:05:33,580

than many make it out to be to better

119

00:05:38,430 --> 00:05:35,890

explain what I mean here are my six

120

00:05:41,630 --> 00:05:38,440

suggestions for how to avoid over

121

00:05:50,840 --> 00:05:41,640

complicating the complicated UFO topic

122

00:05:58,530 --> 00:05:55,710

number one don't overthink UFOs keep it

123

00:06:00,410 --> 00:05:58,540

simple stupid UFOs are a mystery and

124

00:06:03,390 --> 00:06:00,420

there's certainly not all the same

125

00:06:06,240 --> 00:06:03,400

you're not gonna be able to put all UFOs

126

00:06:09,480 --> 00:06:06,250

in one box some might be military

127

00:06:11,340 --> 00:06:09,490

aircraft some might be space debris some

128

00:06:13,730 --> 00:06:11,350

might be undiscovered atmospheric

129

00:06:17,460 --> 00:06:13,740

life-forms and some might be

130

00:06:21,650 --> 00:06:17,470

extraterrestrial visitors number two it

131

00:06:24,060 --> 00:06:21,660

doesn't have to be a or B it can be both

132

00:06:25,740 --> 00:06:24,070

people routinely debate the nature of

133

00:06:28,440 --> 00:06:25,750

UFOs or the intention of

134

00:06:29,670 --> 00:06:28,450

extraterrestrial visitors people argue

135

00:06:31,890 --> 00:06:29,680

with each other about mysterious

136

00:06:34,650 --> 00:06:31,900

visitors being extraterrestrials versus

137

00:06:36,450 --> 00:06:34,660

interdimensional z' people passionately

138

00:06:38,880 --> 00:06:36,460

debate about alleged experiences with

139

00:06:41,940 --> 00:06:38,890

extraterrestrials some say they have had

140

00:06:44,370 --> 00:06:41,950

extremely negative experiences abducted

141

00:06:45,510 --> 00:06:44,380

against their will while others say they

142

00:06:47,250 --> 00:06:45,520

were willingly taken aboard

143

00:06:50,610 --> 00:06:47,260

extraterrestrial spacecraft and had

144

00:06:51,960 --> 00:06:50,620

wonderful experiences and of course we

145

00:06:53,910 --> 00:06:51,970

have people saying if and when

146

00:06:55,800 --> 00:06:53,920

extraterrestrials come to earth they

147

00:06:58,320 --> 00:06:55,810

will kill us and take all of our

148

00:06:59,880 --> 00:06:58,330

resources yep others say

149

00:07:02,100 --> 00:06:59,890

extraterrestrials are loving and

150

00:07:04,370 --> 00:07:02,110

peaceful and will just hang out with us

151
00:07:08,730 --> 00:07:04,380
and show us the path to a happy future

152
00:07:11,130 --> 00:07:08,740
so what's the right answer all of the

153
00:07:13,650 --> 00:07:11,140
above most likely there's presumably

154
00:07:16,290 --> 00:07:13,660
lots of everything out there in our big

155
00:07:19,470 --> 00:07:16,300
weird universe it's pretty silly to

156
00:07:21,810 --> 00:07:19,480
assume that all UFOs are the same or all

157
00:07:24,090 --> 00:07:21,820
mysterious life-forms are the same or

158
00:07:26,580 --> 00:07:24,100
all visiting extraterrestrials come from

159
00:07:30,810 --> 00:07:26,590
one destination and all share the same

160
00:07:33,930 --> 00:07:30,820
motives so don't number three don't get

161
00:07:36,290 --> 00:07:33,940
hung up on trends or buzzwords this is a

162
00:07:38,420 --> 00:07:36,300
big area where I feel the UFO field

163
00:07:42,210 --> 00:07:38,430

unnecessarily over complicates things

164

00:07:44,190 --> 00:07:42,220

terms like paradigm shift and shift in

165

00:07:47,310 --> 00:07:44,200

consciousness are regularly thrown

166

00:07:49,320 --> 00:07:47,320

around a paradigm shift or a shift in

167

00:07:50,820 --> 00:07:49,330

consciousness is simply what happens

168

00:07:53,400 --> 00:07:50,830

when you learn something you didn't know

169

00:07:55,860 --> 00:07:53,410

before I believe it was Peter lavinda

170

00:07:57,870 --> 00:07:55,870

who said on this show that people have a

171

00:07:59,940 --> 00:07:57,880

paradigm shift every time McDonald's

172

00:08:01,709 --> 00:07:59,950

releases a new burger there's a paradigm

173

00:08:03,959 --> 00:08:01,719

shift every time we learn of a new

174

00:08:06,979 --> 00:08:03,969

on Game of Thrones we find out who won

175

00:08:10,049 --> 00:08:06,989

the latest Super Bowl and Disclosure

176

00:08:12,539 --> 00:08:10,059

sure a grand formal announcement from a

177

00:08:14,369 --> 00:08:12,549

government saying attention world we are

178

00:08:15,989 --> 00:08:14,379

announcing that we recovered a crash

179

00:08:18,569 --> 00:08:15,999

spacecraft along with its

180

00:08:22,079 --> 00:08:18,579

extraterrestrial pilot would be pretty

181

00:08:24,869 --> 00:08:22,089

cool but as is illustrated time and time

182

00:08:26,999 --> 00:08:24,879

again people especially within the UFO

183

00:08:28,529 --> 00:08:27,009

community aren't going to fully believe

184

00:08:31,769 --> 00:08:28,539

information that comes from government

185

00:08:34,579 --> 00:08:31,779

sources and just because the government

186

00:08:36,959 --> 00:08:34,589

announces something about UFOs and/or

187

00:08:39,119 --> 00:08:36,969

extraterrestrials that certainly

188

00:08:41,189 --> 00:08:39,129

wouldn't be the end all the answer to

189

00:08:46,110 --> 00:08:41,199

all the questions and mysteries of all

190

00:08:47,910 --> 00:08:46,120

UFOs number four remain objective it

191

00:08:50,449 --> 00:08:47,920

could be extremely easy to let yourself

192

00:08:53,460 --> 00:08:50,459

be swayed by quote-unquote experts

193

00:08:56,610 --> 00:08:53,470

authors lecturers and people you see on

194

00:08:59,519 --> 00:08:56,620

TV especially if those people are saying

195

00:09:01,559 --> 00:08:59,529

the things you want to hear we naturally

196

00:09:04,199 --> 00:09:01,569

gravitate toward individuals with whom

197

00:09:06,900 --> 00:09:04,209

we share common interests and ideals so

198

00:09:09,329 --> 00:09:06,910

it makes sense that we do that within

199

00:09:11,759 --> 00:09:09,339

the UFO community as well although it's

200

00:09:12,689 --> 00:09:11,769

no easy task it's really important to

201
00:09:15,509 --> 00:09:12,699
remain objective

202
00:09:17,429 --> 00:09:15,519
taking in information from all sides in

203
00:09:20,220 --> 00:09:17,439
order to make properly informed

204
00:09:22,470 --> 00:09:20,230
decisions there are no quote-unquote

205
00:09:25,530 --> 00:09:22,480
experts when it comes to a complicated

206
00:09:27,960 --> 00:09:25,540
topic like UFOs don't blindly believe or

207
00:09:29,579 --> 00:09:27,970
accept everything that someone says just

208
00:09:32,220 --> 00:09:29,589
because they've written 20 books about

209
00:09:35,549 --> 00:09:32,230
UFOs or because you always see them on

210
00:09:37,290 --> 00:09:35,559
TV talking about UFOs yeah there are

211
00:09:39,269 --> 00:09:37,300
lots of people out there who have done

212
00:09:42,210 --> 00:09:39,279
lots of great research over the years

213
00:09:44,670 --> 00:09:42,220

and it's good information to consider in

214

00:09:47,759 --> 00:09:44,680

your own exploration of the UFO topic

215

00:09:49,860 --> 00:09:47,769

but remaining objective is key if you

216

00:09:52,499 --> 00:09:49,870

really hope to gain any insight into

217

00:09:54,629 --> 00:09:52,509

this bizarre subject if you're just

218

00:09:57,480 --> 00:09:54,639

looking for people to tell you what you

219

00:09:59,429 --> 00:09:57,490

want to hear though unfortunately there

220

00:10:00,950 --> 00:09:59,439

are plenty of people who are happy to do

221

00:10:04,990 --> 00:10:00,960

just that

222

00:10:08,600 --> 00:10:05,000

number five understand that UFOs are

223

00:10:10,960 --> 00:10:08,610

frustrating I see lots of people young

224

00:10:13,269 --> 00:10:10,970

and old who begin their bright-eyed

225

00:10:16,010 --> 00:10:13,279

optimistic dive into the UFO subject

226

00:10:16,550 --> 00:10:16,020

they're eager for all their questions to

227

00:10:20,269 --> 00:10:16,560

be answered

228

00:10:23,420 --> 00:10:20,279

and when those answers don't come they

229

00:10:25,490 --> 00:10:23,430

quickly become frustrated again that's

230

00:10:29,470 --> 00:10:25,500

the nature of this strange mysterious

231

00:10:31,340 --> 00:10:29,480

subject in most cases there are dancers

232

00:10:35,060 --> 00:10:31,350

certainly not easy or straightforward

233

00:10:36,680 --> 00:10:35,070

answers unfortunately this frustration

234

00:10:39,199 --> 00:10:36,690

is what makes those who claim to have

235

00:10:43,610 --> 00:10:39,209

all the answers so appealing to people

236

00:10:46,070 --> 00:10:43,620

hungry for answers in number six you

237

00:10:47,600 --> 00:10:46,080

don't need to defend ufology it's

238

00:10:49,310 --> 00:10:47,610

somewhat common to see people posting

239

00:10:51,260 --> 00:10:49,320

their disgust on Facebook at how

240

00:10:53,630 --> 00:10:51,270

reporters on a local newscast delivered

241

00:10:55,730 --> 00:10:53,640

a story about a UFO sighting these

242

00:10:57,769 --> 00:10:55,740

people complain about how the story was

243

00:11:00,019 --> 00:10:57,779

introduced with the x-files theme song

244

00:11:02,990 --> 00:11:00,029

and how the reporters laughed and joked

245

00:11:05,030 --> 00:11:03,000

about anal probes in addition to the

246

00:11:07,250 --> 00:11:05,040

frustration these people feel for having

247

00:11:09,740 --> 00:11:07,260

a serious topic like UFOs treated as a

248

00:11:11,780 --> 00:11:09,750

joke they also voiced their concern that

249

00:11:13,670 --> 00:11:11,790

this type of public mockery will

250

00:11:16,430 --> 00:11:13,680

negatively affect the field of ethology

251
00:11:18,470 --> 00:11:16,440
as a whole others have the same fear

252
00:11:20,600 --> 00:11:18,480
anytime anything ufo-related is

253
00:11:22,910 --> 00:11:20,610
presented in a negative light or when

254
00:11:24,800 --> 00:11:22,920
known UFO hoaxers or scammers receive

255
00:11:27,079 --> 00:11:24,810
any kind of mainstream media attention

256
00:11:29,420 --> 00:11:27,089
those in the UFO field who feel

257
00:11:31,850 --> 00:11:29,430
threatened or bullied by ridicule or

258
00:11:34,699 --> 00:11:31,860
negative reporting by the media need to

259
00:11:38,240 --> 00:11:34,709
keep in mind that humans aren't always

260
00:11:41,360 --> 00:11:38,250
going to be supportive receptive or even

261
00:11:43,370 --> 00:11:41,370
civil ridicule is an unavoidable human

262
00:11:45,560 --> 00:11:43,380
response to ideas that challenge or

263
00:11:48,440 --> 00:11:45,570

conflict with the tightly held beliefs

264

00:11:50,470 --> 00:11:48,450
of others sure negative and/or

265

00:11:52,970 --> 00:11:50,480
inaccurate reports by media outlets

266

00:11:56,120 --> 00:11:52,980
contribute to negative stereotypes and

267

00:11:58,370 --> 00:11:56,130
spread misinformation and although all

268

00:12:00,310 --> 00:11:58,380
scientific fields deal with ridicule and

269

00:12:02,660 --> 00:12:00,320
inaccurate reporting of data

270

00:12:06,050 --> 00:12:02,670
ufology probably gets more than its fair

271

00:12:07,699 --> 00:12:06,060
share but rather than sitting in the

272

00:12:11,120 --> 00:12:07,709
corner grumbling about how mainstream

273

00:12:13,819 --> 00:12:11,130
media is hurting ufology it really

274

00:12:14,540 --> 00:12:13,829
benefits UFO researchers to move beyond

275

00:12:17,269 --> 00:12:14,550
this mind

276

00:12:19,310 --> 00:12:17,279

of a dejected teenager and accept the

277

00:12:21,500 --> 00:12:19,320

challenges rejections and ridicule that

278

00:12:24,920 --> 00:12:21,510

come with studying such an enigmatic and

279

00:12:27,170 --> 00:12:24,930

controversial subject as UFOs if the

280

00:12:30,440 --> 00:12:27,180

existing evidence supporting UFOs as a

281

00:12:32,870 --> 00:12:30,450

subject worthy of scientific study is as

282

00:12:36,019 --> 00:12:32,880

strong as UFO researchers myself

283

00:12:38,329 --> 00:12:36,029

included believe that it is then bad

284

00:12:41,840 --> 00:12:38,339

media reports aren't worth losing any

285

00:12:51,380 --> 00:12:41,850

sleep over ufology is going to be just

286

00:12:53,240 --> 00:12:51,390

fine well there you go

287

00:12:55,069 --> 00:12:53,250

those are my quick six suggestions for

288

00:12:59,300 --> 00:12:55,079

how to avoid over complicating the

289

00:13:01,040 --> 00:12:59,310

complicated UFO topic but ultimately you

290

00:13:04,910 --> 00:13:01,050

have to figure out what works best for

291

00:13:07,730 --> 00:13:04,920

you it's a wild and crazy world this

292

00:13:09,769 --> 00:13:07,740

world of UFO research I think one of the

293

00:13:12,470 --> 00:13:09,779

most important things to keep in mind is

294

00:13:15,560 --> 00:13:12,480

that it's okay that every researcher in

295

00:13:18,079 --> 00:13:15,570

the UFO field doesn't agree it would be

296

00:13:20,269 --> 00:13:18,089

pretty weird if they did again although

297

00:13:23,900 --> 00:13:20,279

this subject relies primarily on

298

00:13:26,120 --> 00:13:23,910

personal belief it's not a religion we

299

00:13:28,699 --> 00:13:26,130

aren't all obligated to believe the same

300

00:13:31,100 --> 00:13:28,709

things and we shouldn't believe the same

301
00:13:32,690 --> 00:13:31,110
things it's important to always keep in

302
00:13:34,819 --> 00:13:32,700
mind that this is an extremely

303
00:13:38,030 --> 00:13:34,829
mysterious topic and we're all searching

304
00:13:41,210 --> 00:13:38,040
for answers and there isn't one magical

305
00:13:42,980 --> 00:13:41,220
answer if you are a UFO researcher I

306
00:13:45,769 --> 00:13:42,990
encourage you to always keep an open

307
00:13:48,610 --> 00:13:45,779
mind consider other viewpoints and at

308
00:13:50,540 --> 00:13:48,620
the very least be respectful of others

309
00:13:52,519 --> 00:13:50,550
considering other viewpoints and

310
00:13:55,069 --> 00:13:52,529
treating other researchers as colleagues

311
00:13:57,220 --> 00:13:55,079
instead of enemies doesn't mean you

312
00:13:59,630 --> 00:13:57,230
concede or agree with them

313
00:14:10,879 --> 00:13:59,640

it just means you aren't an

314

00:14:15,150 --> 00:14:13,319

that is going to do it for this episode

315

00:14:16,829 --> 00:14:15,160
