

HOW TO  
REPORT A

1  
00:00:04,580 --> 00:00:00,630  
there

2  
00:00:08,840 --> 00:00:08,630  
[Applause]

3  
00:00:21,970 --> 00:00:08,850  
[Music]

4  
00:00:32,830 --> 00:00:30,760  
hello friends and welcome to unknown I'm

5  
00:00:35,800 --> 00:00:32,840  
Jason McClellan thanks for hanging out

6  
00:00:37,780 --> 00:00:35,810  
with me I don't know about you but I

7  
00:00:41,200 --> 00:00:37,790  
love hearing people recount personal

8  
00:00:44,229 --> 00:00:41,210  
tales of UFO sightings now as an

9  
00:00:46,720 --> 00:00:44,239  
objective UFO researcher I'm fully aware

10  
00:00:50,170 --> 00:00:46,730  
of how unreliable eyewitness testimony

11  
00:00:51,700 --> 00:00:50,180  
can be some UFO researchers love to

12  
00:00:54,430 --> 00:00:51,710  
proclaim how reliable eyewitness

13  
00:00:57,250 --> 00:00:54,440

testimony is asserting that courts of

14

00:00:59,710 --> 00:00:57,260

law trusted so greatly that it can

15

00:01:02,670 --> 00:00:59,720

singularly decided defendants guilt or

16

00:01:04,930 --> 00:01:02,680

innocence yeah not so much

17

00:01:06,790 --> 00:01:04,940

lots of people think the eyewitness

18

00:01:08,800 --> 00:01:06,800

testimony is some sort of Holy Grail

19

00:01:10,990 --> 00:01:08,810

that can prove guilt or innocence that's

20

00:01:12,700 --> 00:01:11,000

Jessica Burch a legal scholar and

21

00:01:14,440 --> 00:01:12,710

professor at the Sandra Day O'Connor

22

00:01:17,290 --> 00:01:14,450

College of Law at Arizona State

23

00:01:19,240 --> 00:01:17,300

University who teaches evidence simple

24

00:01:21,430 --> 00:01:19,250

procedure and constitutional Criminal

25

00:01:22,719 --> 00:01:21,440

Procedure we've all seen TV shows and

26  
00:01:24,280 --> 00:01:22,729  
movies where a witness takes the stand

27  
00:01:26,410 --> 00:01:24,290  
during a trial and points at the

28  
00:01:28,450 --> 00:01:26,420  
defendant identifying him or her as the

29  
00:01:30,910 --> 00:01:28,460  
guilty party thereby single-handedly

30  
00:01:33,190 --> 00:01:30,920  
stealing the defendants fate everybody

31  
00:01:34,899 --> 00:01:33,200  
believes this eyewitness after all in

32  
00:01:36,910 --> 00:01:34,909  
some instances the victim was one-on-one

33  
00:01:39,940 --> 00:01:36,920  
with the defendant for prolonged periods

34  
00:01:41,380 --> 00:01:39,950  
of time in reality legal professionals

35  
00:01:43,510 --> 00:01:41,390  
know that eyewitness testimony is

36  
00:01:45,730 --> 00:01:43,520  
problematic and not the end-all be-all

37  
00:01:47,410 --> 00:01:45,740  
as it sometimes depicted by Hollywood

38  
00:01:49,120 --> 00:01:47,420

countless scholars have published

39

00:01:51,100 --> 00:01:49,130

findings from studies in which they

40

00:01:53,440 --> 00:01:51,110

highlight memory fallibility and

41

00:01:56,830 --> 00:01:53,450

highlight just how susceptible our minds

42

00:01:58,870 --> 00:01:56,840

are to false memories one often cited

43

00:02:00,940 --> 00:01:58,880

early psychological study exploring

44

00:02:04,480 --> 00:02:00,950

witness and false memories was conducted

45

00:02:06,340 --> 00:02:04,490

in 1978 for this study subjects first

46

00:02:08,199 --> 00:02:06,350

watched a slideshow depicting a small

47

00:02:11,170 --> 00:02:08,209

red car driving than hitting a

48

00:02:13,539 --> 00:02:11,180

pedestrian the study's participants were

49

00:02:16,180 --> 00:02:13,549

then asked leading questions about what

50

00:02:17,920 --> 00:02:16,190

was shown in the slides such as how fast

51  
00:02:19,190 --> 00:02:17,930  
was the car traveling when it passed the

52  
00:02:21,559 --> 00:02:19,200  
yield sign

53  
00:02:24,020 --> 00:02:21,569  
this question was intentionally

54  
00:02:26,119 --> 00:02:24,030  
misleading because the signs shown in

55  
00:02:29,540 --> 00:02:26,129  
the slides was a stop sign

56  
00:02:32,570 --> 00:02:29,550  
not a yield sign later participants were

57  
00:02:35,630 --> 00:02:32,580  
shown two slides one was the original

58  
00:02:38,030 --> 00:02:35,640  
sign showing a stop sign the second was

59  
00:02:40,790 --> 00:02:38,040  
a slide with a yield sign in place of

60  
00:02:43,089 --> 00:02:40,800  
the stop sign they were asked which of

61  
00:02:45,680 --> 00:02:43,099  
the two slides they had originally seen

62  
00:02:47,839 --> 00:02:45,690  
those participants who were asked the

63  
00:02:50,420 --> 00:02:47,849

leading question about the yield sign

64

00:02:53,180 --> 00:02:50,430

were more likely to select the slide

65

00:02:55,250 --> 00:02:53,190

containing the yield sign demonstrating

66

00:02:58,300 --> 00:02:55,260

that the misinformation presented in the

67

00:03:01,039 --> 00:02:58,310

leading question produced a false memory

68

00:03:03,400 --> 00:03:01,049

eyewitness testimony is a real issue of

69

00:03:06,080 --> 00:03:03,410

concern and jury trials because

70

00:03:08,530 --> 00:03:06,090

impressionable jurors place considerable

71

00:03:11,210 --> 00:03:08,540

weight on the statements of witnesses

72

00:03:13,220 --> 00:03:11,220

this impressive ility is why it's a

73

00:03:16,880 --> 00:03:13,230

crime to lie while presenting testimony

74

00:03:20,690 --> 00:03:16,890

in court perjured testimony can sizably

75

00:03:23,120 --> 00:03:20,700

impact a trials integrity but perjury

76

00:03:27,370 --> 00:03:23,130

only applies when a witness knowingly

77

00:03:30,500 --> 00:03:27,380

lies it's not a crime to misremember

78

00:03:33,550 --> 00:03:30,510

obviously the fal ability of memory can

79

00:03:35,870 --> 00:03:33,560

be detrimental to the judicial process

80

00:03:38,569 --> 00:03:35,880

selecting a suspect from a police lineup

81

00:03:40,280 --> 00:03:38,579

being questioned by the police or

82

00:03:42,410 --> 00:03:40,290

answering an attorney's questions on the

83

00:03:44,629 --> 00:03:42,420

stand are all opportunities for the

84

00:03:47,449 --> 00:03:44,639

introduction of false memories and or

85

00:03:49,729 --> 00:03:47,459

inaccurate memory recall and these

86

00:03:52,430 --> 00:03:49,739

inaccurate memories can and do

87

00:03:55,009 --> 00:03:52,440

negatively affect trials resulting in

88

00:03:56,090 --> 00:03:55,019

wrongful convictions several studies

89

00:03:58,039 --> 00:03:56,100

showed that people have been convicted

90

00:03:59,390 --> 00:03:58,049

of crimes they didn't commit and they

91

00:04:01,940 --> 00:03:59,400

were later exonerated through DNA

92

00:04:04,670 --> 00:04:01,950

testing all because of mistaken I

93

00:04:06,349 --> 00:04:04,680

witness identifications these studies

94

00:04:07,789 --> 00:04:06,359

show that mistaken identifications

95

00:04:09,710 --> 00:04:07,799

account for more of these wrongful

96

00:04:12,620 --> 00:04:09,720

convictions than all other factors

97

00:04:14,059 --> 00:04:12,630

combined the Innocence Project is an

98

00:04:15,740 --> 00:04:14,069

organization that works to exonerate

99

00:04:17,839 --> 00:04:15,750

those who are wrongfully convicted of

100

00:04:20,180 --> 00:04:17,849

crimes the Innocence Project has

101  
00:04:24,020 --> 00:04:20,190  
reported that from the 1990s when DNA

102  
00:04:26,270 --> 00:04:24,030  
testing was first introduced to 2010 239

103  
00:04:29,240 --> 00:04:26,280  
convictions were overturned through DNA

104  
00:04:32,690 --> 00:04:29,250  
73% of those convictions were based on

105  
00:04:35,420 --> 00:04:32,700  
eyewitness testimony now having said

106  
00:04:38,360 --> 00:04:35,430  
that being conscious of the problems

107  
00:04:39,770 --> 00:04:38,370  
with eyewitness testimony it's still

108  
00:04:42,170 --> 00:04:39,780  
supporting evidence that can be

109  
00:04:45,920 --> 00:04:42,180  
incredibly valuable when looking at a

110  
00:04:47,150 --> 00:04:45,930  
UFO case even if the case includes photo

111  
00:04:49,790 --> 00:04:47,160  
or video evidence

112  
00:04:53,660 --> 00:04:49,800  
it's a witness's statement that provides

113  
00:04:57,230 --> 00:04:53,670

the context the details of the event so

114

00:04:59,770 --> 00:04:57,240

say you just saw a UFO and you want to

115

00:05:02,050 --> 00:04:59,780

report your sighting how do you do that

116

00:05:04,460 --> 00:05:02,060

where do you go

117

00:05:08,120 --> 00:05:04,470

today we'll walk through that process

118

00:05:11,510 --> 00:05:08,130

together first let's look at the best

119

00:05:13,730 --> 00:05:11,520

options for reporting a UFO you'd think

120

00:05:14,480 --> 00:05:13,740

that because we're talking about aerial

121

00:05:17,060 --> 00:05:14,490

objects

122

00:05:22,490 --> 00:05:17,070

the FAA might be a good place to report

123

00:05:25,520 --> 00:05:22,500

a UFO but alarmingly the FAA really has

124

00:05:28,760 --> 00:05:25,530

no interest in fielding UFO reports even

125

00:05:31,640 --> 00:05:28,770

from pilots in its air traffic

126

00:05:34,400 --> 00:05:31,650

organization policy the FAA

127

00:05:36,980 --> 00:05:34,410

instructs quote persons wanting to

128

00:05:39,890 --> 00:05:36,990

report UFO / unexplained phenomena

129

00:05:41,930 --> 00:05:39,900

activity should contact a UFO /

130

00:05:44,420 --> 00:05:41,940

unexplained phenomena reporting data

131

00:05:47,480 --> 00:05:44,430

collection center such as the national

132

00:05:50,840 --> 00:05:47,490

UFO Reporting Center etc end quote

133

00:05:52,940 --> 00:05:50,850

it also states quote if concern is

134

00:05:55,310 --> 00:05:52,950

expressed that life or property might be

135

00:05:57,230 --> 00:05:55,320

endangered report the activity to the

136

00:05:58,120 --> 00:05:57,240

local law enforcement department end

137

00:06:01,370 --> 00:05:58,130

quote

138

00:06:04,010 --> 00:06:01,380

some of you may remember that this air

139

00:06:06,050 --> 00:06:04,020

traffic organization policy included

140

00:06:09,530 --> 00:06:06,060

Bigelow Aerospace advanced Space Studies

141

00:06:11,900 --> 00:06:09,540

or bass as a suggested UFO reporting

142

00:06:13,969 --> 00:06:11,910

option that was back during the time

143

00:06:17,960 --> 00:06:13,979

when the US government was contracting

144

00:06:20,450 --> 00:06:17,970

with vast for its Pentagon UFO study but

145

00:06:25,280 --> 00:06:20,460

bass was removed from the FAA s list in

146

00:06:26,659 --> 00:06:25,290

2010 as recommended by the FAA let's

147

00:06:30,260 --> 00:06:26,669

first look at the national UFO Reporting

148

00:06:34,190 --> 00:06:30,270

Center the national UFO Reporting Center

149

00:06:36,620 --> 00:06:34,200

website is new for org it stands for

150

00:06:40,410 --> 00:06:36,630

national UFO Reporting Center so n UF o

151  
00:06:43,010 --> 00:06:40,420  
RC dot o-r-g that's the web site go

152  
00:06:45,660 --> 00:06:43,020  
the website and right at the top

153  
00:06:50,280 --> 00:06:45,670  
left-hand side you will see something

154  
00:06:51,330 --> 00:06:50,290  
that says online UFO report form the

155  
00:06:53,850 --> 00:06:51,340  
first thing you see on the left hand

156  
00:06:58,260 --> 00:06:53,860  
side report a UFO click on the link for

157  
00:06:59,760 --> 00:06:58,270

instructions it says before submitting a

160  
00:07:07,920 --> 00:07:04,510  
report please read the following

161  
00:07:10,230 --> 00:07:07,930  
important guidelines it's a lot to ask

162  
00:07:12,630 --> 00:07:10,240  
for people excited who just saw a UFO

163  
00:07:15,150 --> 00:07:12,640

wanting to report their UFO to be

164

00:07:18,780 --> 00:07:15,160

patient and read through instructions

165

00:07:20,850 --> 00:07:18,790

but if you really want your report to

166

00:07:23,220 --> 00:07:20,860

matter at all it's probably a good idea

167

00:07:27,090 --> 00:07:23,230

to read the instructions or directions

168

00:07:29,490 --> 00:07:27,100

before filling out the form first on the

169

00:07:31,430 --> 00:07:29,500

guideline says do not include contact

170

00:07:34,140 --> 00:07:31,440

info in the body of the report

171

00:07:36,630 --> 00:07:34,150

do not include names addresses telephone

172

00:07:38,270 --> 00:07:36,640

numbers email addresses or any other

173

00:07:40,320 --> 00:07:38,280

information that can be used to identify

174

00:07:42,780 --> 00:07:40,330

individuals in the top section of the

175

00:07:46,170 --> 00:07:42,790

form in order for us to fulfill our

176

00:07:47,220 --> 00:07:46,180

guarantee the people's identity will no

177

00:07:49,950 --> 00:07:47,230

be revealed

178

00:07:52,140 --> 00:07:49,960

it does say no be reveal that's a typo

179

00:07:54,330 --> 00:07:52,150

on the form I hope somebody points that

180

00:07:56,400 --> 00:07:54,340

out to them at some point sorry the

181

00:07:58,560 --> 00:07:56,410

editor and me can't can't overlook that

182

00:08:00,510 --> 00:07:58,570

what it says that the identities will

183

00:08:02,250 --> 00:08:00,520

not be revealed personal information

184

00:08:05,790 --> 00:08:02,260

must be removed manually a very

185

00:08:09,270 --> 00:08:05,800

time-consuming task and you know it's

186

00:08:12,060 --> 00:08:09,280

it's really not a lot to ask for you to

187

00:08:14,070 --> 00:08:12,070

follow the directions and and help the

188

00:08:16,440 --> 00:08:14,080

people out who sift through these

189

00:08:20,220 --> 00:08:16,450

sightings because most of the people who

190

00:08:21,870 --> 00:08:20,230

deal with UFO sighting reports are doing

191

00:08:25,110 --> 00:08:21,880

it on a volunteer basis they're not

192

00:08:27,600 --> 00:08:25,120

getting paid for this so you know how

193

00:08:30,600 --> 00:08:27,610

help help these people out and you know

194

00:08:32,760 --> 00:08:30,610

try to try to make your sighting as

195

00:08:35,310 --> 00:08:32,770

simple as possible for these people to

196

00:08:38,610 --> 00:08:35,320

process number two use a word processor

197

00:08:40,560 --> 00:08:38,620

to compose your report please use a

198

00:08:43,560 --> 00:08:40,570

program such as Microsoft Word to type

199

00:08:45,300 --> 00:08:43,570

format and spellcheck your report break

200

00:08:47,430 --> 00:08:45,310

the text up into logical paragraphs

201  
00:08:50,760 --> 00:08:47,440  
rather than clumping your report into

202  
00:08:53,250 --> 00:08:50,770  
one massive blob of text once you have

203  
00:08:53,780 --> 00:08:53,260  
proof read your report you can copy and

204  
00:08:56,930 --> 00:08:53,790  
paste the

205  
00:09:00,530 --> 00:08:56,940  
into our report form do not compose your

206  
00:09:03,920 --> 00:09:00,540  
report directly in the form this does

207  
00:09:05,890 --> 00:09:03,930  
sound a little unnecessarily tedious but

208  
00:09:08,780 --> 00:09:05,900  
again follow the directions

209  
00:09:10,940 --> 00:09:08,790  
number three hoax tin joke reports are

210  
00:09:13,160 --> 00:09:10,950  
ignored if you are thinking of

211  
00:09:15,410 --> 00:09:13,170  
submitting a hoax or a joke report save

212  
00:09:18,680 --> 00:09:15,420  
yourself the time in trouble it will be

213  
00:09:21,020 --> 00:09:18,690

ignored and immediately discarded well I

214

00:09:22,760 --> 00:09:21,030

don't know about immediately sure some

215

00:09:25,610 --> 00:09:22,770

reports probably jump out is obvious

216

00:09:28,550 --> 00:09:25,620

fakes but but identifying those awful

217

00:09:31,940 --> 00:09:28,560

hoaxes and joke sighting reports which

218

00:09:34,400 --> 00:09:31,950

there are plenty of unfortunately aren't

219

00:09:36,260 --> 00:09:34,410

always so easy to identify so I think

220

00:09:37,940 --> 00:09:36,270

that's a little overly optimistic aliy

221

00:09:40,340 --> 00:09:37,950

stated by the national UFO Reporting

222

00:09:43,160 --> 00:09:40,350

Center but hopefully it serves as a

223

00:09:45,080 --> 00:09:43,170

deterrent once you've read the important

224

00:09:48,200 --> 00:09:45,090

guidelines you can click on the link

225

00:09:49,880 --> 00:09:48,210

that says proceed to report form once

226

00:09:51,980 --> 00:09:49,890

you reach the report form you'll see

227

00:09:55,670 --> 00:09:51,990

that it's broken into two parts part one

228

00:09:58,480 --> 00:09:55,680

being UFO event description and part two

229

00:10:00,590 --> 00:09:58,490

being witness contact information

230

00:10:04,520 --> 00:10:00,600

naturally we'll start at part one the

231

00:10:07,790 --> 00:10:04,530

UFO event description again this report

232

00:10:10,250 --> 00:10:07,800

form cautions you important do not enter

233

00:10:12,350 --> 00:10:10,260

any names email addresses etc into this

234

00:10:14,960 --> 00:10:12,360

area hopefully you've gotten that

235

00:10:18,020 --> 00:10:14,970

message by now for the event description

236

00:10:21,410 --> 00:10:18,030

the form asks for the event date the

237

00:10:24,680 --> 00:10:21,420

event time the event duration city state

238

00:10:27,680 --> 00:10:24,690

the shape of craft that you can select

242

00:10:42,590 --> 00:10:38,850

245

00:10:56,390 --> 00:10:52,050

246

00:10:58,550 --> 00:10:56,400

triangle other or unknown next on the

247

00:11:00,489 --> 00:10:58,560

form is the area for providing the full

248

00:11:02,319 --> 00:11:00,499

sighting description

249

00:11:05,559 --> 00:11:02,329

and again you're instructed to use a

250

00:11:08,199 --> 00:11:05,569

word processor to compose and spellcheck

251  
00:11:12,039 --> 00:11:08,209  
your report then copy it and paste it

252  
00:11:14,169 --> 00:11:12,049  
into this field again warning do not

253  
00:11:17,229 --> 00:11:14,179  
enter any name or contact info in this

254  
00:11:19,209 --> 00:11:17,239  
box then the form asks for a summary

255  
00:11:21,219 --> 00:11:19,219  
description where you're supposed to

256  
00:11:23,469 --> 00:11:21,229

257  
00:11:26,949 --> 00:11:23,479  
critical details of your report one

258  
00:11:29,909 --> 00:11:26,959  
sentence only the form then asks about

259  
00:11:32,739 --> 00:11:29,919  
the characteristics of the object and

260  
00:11:35,429 --> 00:11:32,749  
here are the options there were lights

261  
00:11:38,649 --> 00:11:35,439  
on the object the object left the trail

262  
00:11:42,519 --> 00:11:38,659  
it was an aura or haze around the object

263  
00:11:45,909 --> 00:11:42,529

the object emitted other objects the

264

00:11:49,779 --> 00:11:45,919

object emitted beams the object changed

265

00:11:50,549 --> 00:11:49,789

color the object landed the object made

266

00:11:53,199 --> 00:11:50,559

a sound

267

00:11:56,379 --> 00:11:53,209

they were aircraft in the vicinity or

268

00:11:59,229 --> 00:11:56,389

aircraft chasing the object and there

269

00:12:01,199 --> 00:11:59,239

were electrical or magnetic effects such

270

00:12:03,249 --> 00:12:01,209

as a car engine stopping and

271

00:12:06,189 --> 00:12:03,259

appropriately it gives you the option to

272

00:12:12,089 --> 00:12:06,199

check all that apply and lastly there's

273

00:12:20,049 --> 00:12:16,659

and lastly the section includes a close

274

00:12:22,269 --> 00:12:20,059

encounter component if it so applies to

275

00:12:24,899 --> 00:12:22,279

your sighting and the options are this

276  
00:12:28,059 --> 00:12:24,909  
is a possible UFO abduction case

277

afterward or animals responded to the

280  
00:12:36,539 --> 00:12:35,959  
event and again we can check all that

281  
00:12:39,039 --> 00:12:36,549  
apply

282  
00:12:41,710 --> 00:12:39,049  
down a part to the witness contact

283  
00:12:43,479 --> 00:12:41,720

284  
00:12:44,769 --> 00:12:43,489

walked through that let's see how the

311  
00:13:51,620 --> 00:13:48,750  
national UFO Reporting Center is process

312  
00:13:52,750 --> 00:13:51,630  
compares to that of MUFON the mutual UFO

313  
00:13:56,329 --> 00:13:52,760

314

00:13:59,150 --> 00:13:56,339

MUFON website is MUFON comm that's M UFO

315

00:14:01,130 --> 00:13:59,160

n calm and right on the home page you

316

00:14:03,530 --> 00:14:01,140

see a couple places where you can

317

00:14:05,240 --> 00:14:03,540

immediately click to report a UFO one

318

00:14:08,150 --> 00:14:05,250

322

00:14:18,019 --> 00:14:16,170

click on the report button and we're not

323

00:14:20,900 --> 00:14:18,029

to the forum yet we're presented with

324

00:14:23,540 --> 00:14:20,910

all sorts of information about reporting

325

00:14:25,370 --> 00:14:23,550

a UFO the greeting says welcome to the

326

00:14:28,940 --> 00:14:25,380

world's largest and most detailed

327

00:14:30,530 --> 00:14:28,950

database of reported UFO sightings thank

328

00:14:33,710 --> 00:14:30,540

you for your interest in submitting your

329

00:14:36,170 --> 00:14:33,720

UFO sighting to MUFON and without even

330

00:14:39,139 --> 00:14:36,180

having to hunt for them you're presented

331

00:14:40,610 --> 00:14:39,149

with several FAQ is basically a lot of

332

00:14:42,740 --> 00:14:40,620

things that you would wonder if you are

333

00:14:44,350 --> 00:14:42,750

submitting a UFO sighting report like

334

00:14:47,240 --> 00:14:44,360

who sees my personal contact information

335

00:14:50,060 --> 00:14:47,250

what if I wish to remain anonymous what

336

00:14:51,530 --> 00:14:50,070

happens when I submit my report etc so

337

00:14:53,240 --> 00:14:51,540

you can read all of that they provide

338

00:14:55,100 --> 00:14:53,250

that information to you right up front

339

00:14:56,810 --> 00:14:55,110

but then when you're ready there's a

340

00:14:59,689 --> 00:14:56,820

button that says I'm ready to file my

341

00:15:01,970 --> 00:14:59,699

UFO report clicking on that finally

342

00:15:03,860 --> 00:15:01,980

brings you to the forum where you can

343

00:15:06,290 --> 00:15:03,870

fill in all the information about your

344

00:15:08,240 --> 00:15:06,300

sighting the top part of the forum is

345

00:15:10,519 --> 00:15:08,250

for personal contact information and

346

00:15:12,769 --> 00:15:10,529

that's also the area where you can

347

00:15:13,670 --> 00:15:12,779

designate whether you want to remain

348

00:15:15,870 --> 00:15:13,680

anonymous

349

00:15:18,540 --> 00:15:15,880

then you come to the meet of the forum

350

00:15:20,940 --> 00:15:18,550

where you input all the data about the

351

00:15:23,220 --> 00:15:20,950

sighting and this is a pretty Hardy

352

00:15:25,260 --> 00:15:23,230

section there's a lot of information to

353

00:15:27,540 --> 00:15:25,270

select here I probably want to give

354

00:15:29,430 --> 00:15:27,550

yourself quite a bit of time to properly

355

00:15:31,560 --> 00:15:29,440

fill out this form because there's a lot

356

00:15:32,910 --> 00:15:31,570

of information that requests first

357

00:15:35,040 --> 00:15:32,920

you're asked where and when the event

358

00:15:37,200 --> 00:15:35,050

took place then when you get to the

359

00:15:39,180 --> 00:15:37,210

section asking about the details of the

360

00:15:41,700 --> 00:15:39,190

event this is where we get really

361

00:15:43,740 --> 00:15:41,710

detailed the first field says observe

362

00:15:46,040 --> 00:15:43,750

the following check all that apply and

363

00:15:51,060 --> 00:15:46,050

the options presents it our lights

364

00:15:54,060 --> 00:15:51,070

after the UFO sighting again very

439

00:20:12,669 --> 00:20:10,400

specific and very useful next the form

440

00:20:15,460 --> 00:20:12,679

gets into positioning asking about the

441

00:20:18,610 --> 00:20:15,470

was traveling was first observed the

445

00:20:26,440 --> 00:20:24,260

direction traveling when it was last

446

00:20:29,080 --> 00:20:26,450

observed its flight path

447

00:20:31,539 --> 00:20:29,090

if the object landed and if it did was

448

00:20:33,730 --> 00:20:31,549

the landing site affected there's also a

449

00:20:36,610 --> 00:20:33,740

section asking about entity type if

450

00:20:38,799 --> 00:20:36,620

there was an entity observed along with

451  
00:20:43,240 --> 00:20:38,809  
the UFO sighting and the options are

452  
00:20:47,529 --> 00:20:43,250  
human-like ape-like reptile like insect

453  
00:20:50,440 --> 00:20:47,539  
like robotic apparition unknown not

454  
00:20:52,960 --> 00:20:50,450  
applicable or other after going through

455  
00:20:55,120 --> 00:20:52,970  
all of these options you're finally able

456  
00:20:58,029 --> 00:20:55,130  
to provide a short description of the

457  
00:21:00,039 --> 00:20:58,039  
UFO event in 25 words or less and then

458  
00:21:02,500 --> 00:21:00,049  
the detailed description of the UFO

459  
00:21:05,409 --> 00:21:02,510  
event and unlike the national UFO

460  
00:21:07,930 --> 00:21:05,419  
Reporting Center z' form you can type

461  
00:21:10,299 --> 00:21:07,940  
your sighting directly into this form on

462  
00:21:12,000 --> 00:21:10,309  
the website but like the national UFO

463  
00:21:15,460 --> 00:21:12,010

Reporting Center form

464

00:21:18,310 --> 00:21:15,470

MUFON also cautions do not put personal

465

00:21:20,799 --> 00:21:18,320

information into this form because it's

466

00:21:24,010 --> 00:21:20,809

viewable by the public a nice thing

467

00:21:25,930 --> 00:21:24,020

provided on this form is suggested

468

00:21:29,289 --> 00:21:25,940

things to include in your sighting

469

00:21:31,480 --> 00:21:29,299

report like where were you and what were

470

00:21:34,419 --> 00:21:31,490

you doing at the time what made you

471

00:21:35,950 --> 00:21:34,429

first notice the object what did you

472

00:21:38,770 --> 00:21:35,960

think the object was when you first

473

00:21:41,590 --> 00:21:38,780

noticed it describe the object in its

474

00:21:43,899 --> 00:21:41,600

actions and motions in detail describe

475

00:21:46,290 --> 00:21:43,909

your feelings reactions and actions

476

00:21:48,260 --> 00:21:46,300

during and after the sighting

477

00:21:50,430 --> 00:21:48,270

how did you lose sight of the object

478

00:21:51,720 --> 00:21:50,440

really great questions and it's nice to

479

00:21:53,190 --> 00:21:51,730

have a little guidance when you're

480

00:21:55,190 --> 00:21:53,200

filling out this form especially if

481

00:21:57,390 --> 00:21:55,200

you're excited after staying at UFO

482

00:21:59,490 --> 00:21:57,400

after you provided the description of

483

00:22:01,320 --> 00:21:59,500

the event you're asked to report the

484

00:22:03,300 --> 00:22:01,330

number of witnesses including yourself

485

00:22:04,830 --> 00:22:03,310

and then you're asked if you have any

486

00:22:07,530 --> 00:22:04,840

additional evidence you would like to

487

00:22:11,910 --> 00:22:07,540

submit with your report like photos

488

00:22:14,700 --> 00:22:11,920

video audio sketches or drawings or maps

489

00:22:17,490 --> 00:22:14,710

and unlike the national UFO Reporting

490

00:22:19,680 --> 00:22:17,500

Center x' forum you can include your

491

00:22:21,840 --> 00:22:19,690

attachments directly on the website

492

00:22:24,180 --> 00:22:21,850

right on the forum as you're submitting

493

00:22:26,760 --> 00:22:24,190

it it's once you've included your

494

00:22:35,040 --> 00:22:26,770

attachments you can submit the form and

495

00:22:36,690 --> 00:22:35,050

you're done there you go if you ever

496

00:22:39,060 --> 00:22:36,700

find yourself wanting to report a UFO

497

00:22:41,100 --> 00:22:39,070

sighting I recommend filing a report

498

00:22:45,150 --> 00:22:41,110

with the national UFO Reporting Center

499

00:22:47,100 --> 00:22:45,160

MUFON or both some researchers dismiss

500

00:22:49,470 --> 00:22:47,110

UFO sighting reports failing to see any

501  
00:22:52,370 --> 00:22:49,480  
usefulness from reports of boring lights

502  
00:22:55,680 --> 00:22:52,380  
in the sky but when it comes to UFOs

503  
00:22:57,420 --> 00:22:55,690  
actual data is limited information

504  
00:23:00,180 --> 00:22:57,430  
collected from UFO sighting reports

505  
00:23:02,520 --> 00:23:00,190  
provides insight into trends Rises and

506  
00:23:05,880 --> 00:23:02,530  
declines in UFO activity physical

507  
00:23:07,620 --> 00:23:05,890  
appearances and actions observed yeah it

508  
00:23:09,810 --> 00:23:07,630  
might not sound exciting

509  
00:23:11,550 --> 00:23:09,820  
but it is valuable information when it

510  
00:23:14,220 --> 00:23:11,560  
comes to tracking and studying the

511  
00:23:16,050 --> 00:23:14,230  
strange objects in our skies and I'm

512  
00:23:18,390 --> 00:23:16,060  
thankful that there are people and

513  
00:23:21,060 --> 00:23:18,400

organizations out there cataloging this

514

00:23:23,130 --> 00:23:21,070

stuff so we don't have to I strongly

515

00:23:26,340 --> 00:23:23,140

recommend checking out Cheryl Costa and

516

00:23:27,030 --> 00:23:26,350

Linda Miller Acosta's UFO sightings Desk

517

00:23:29,220 --> 00:23:27,040

Reference

518

00:23:31,800 --> 00:23:29,230

that presents data and analysis for more

519

00:23:35,190 --> 00:23:31,810

than 100,000 sightings of unidentified

520

00:23:39,570 --> 00:23:35,200

flying objects reported by individuals

521

00:23:41,730 --> 00:23:39,580

from 2001 through 2015 and I will say

522

00:23:44,610 --> 00:23:41,740

that although I'm ambivalent when it

523

00:23:46,830 --> 00:23:44,620

comes to which UFO sighting Reporting

524

00:23:48,990 --> 00:23:46,840

Center to use whether it be MUFON or

525

00:23:50,610 --> 00:23:49,000

national UFO Reporting Center it does

526

00:23:52,980 --> 00:23:50,620

seem that MUFON x' reporting form is a

527

00:23:55,200 --> 00:23:52,990

little more robust and certainly more

528

00:23:57,390 --> 00:23:55,210

user friendly but i really do think the

529

00:23:59,650 --> 00:23:57,400

national UFO Reporting Center and move

530

00:24:03,070 --> 00:23:59,660

on both do a fantastic job at collecting

531

00:24:05,080 --> 00:24:03,080

UFO sighting reports that's going to do

532

00:24:06,340 --> 00:24:05,090

it for this episode of unknown if you're
