1
00:00:09,150 --> 00:00:06,389
my name is Jeremy Korbel I seek to

2
00:00:11,810 --> 00:00:09,160
weaponize your curiosity and if you're

3
00:00:14,999 --> 00:00:11,820
ready to suspend your own prejudice

4
00:00:25,200 --> 00:00:15,009
welcome to the world of extraordinary

5
00:00:27,660 --> 00:00:25,210
beliefs material that has been pulled

6
00:00:30,480 --> 00:00:27,670
out of a man's leg that should not exist

7
00:00:33,299 --> 00:00:30,490
this sample could not have been made on

8
00:00:36,150 --> 00:00:33,309
earth because the isotopic ratios I know

9
00:00:40,259 --> 00:00:36,160
there are alien crap here from another

10
00:00:42,720 --> 00:00:40,269
planet but I was inside one who are we

11
00:00:45,360 --> 00:00:42,730
and where are we actually sitting within

12
00:00:48,299 --> 00:00:45,370
the architecture of our universe are we

13
00:00:53,970 --> 00:00:48,309

alone or is the answer simply stranger

14

00:00:56,759 --> 00:00:53,980

than we can think and think well hello

15

00:00:59,099 --> 00:00:56,769

there all you wonderful people and

16

00:01:01,919 --> 00:00:59,109

welcome to this special rogue planet

17

00:01:04,830 --> 00:01:01,929

event we are excited to be doing this

18

00:01:07,170 --> 00:01:04,840

tonight I'm Jason McClellan I'm joined

19

00:01:09,510 --> 00:01:07,180

by my broke planet colleague and friend

20

00:01:14,150 --> 00:01:09,520

Maureen Elsberry and we have with us

21

00:01:17,640 --> 00:01:14,160

tonight mr. Jeremy Korb welcome guys

22

00:01:21,870 --> 00:01:17,650

hey Hanover gun how's it going you hear

23

00:01:22,740 --> 00:01:21,880

us all people are coming in yeah we all

24

00:01:24,630 --> 00:01:22,750

sound good

25

00:01:26,940 --> 00:01:24,640

I see all three all three of us so

26

00:01:28,440 --> 00:01:26,950

that's a good sign so we're really

27

00:01:30,390 --> 00:01:28,450

excited to be doing this tonight we're

28

00:01:31,740 --> 00:01:30,400

happy to have Jeremy joining us this is

29

00:01:33,930 --> 00:01:31,750

something we've wanted to do for a while

30

00:01:35,910 --> 00:01:33,940

I know a lot of you are itching to ask

31

00:01:39,420 --> 00:01:35,920

questions about bob lazar but before we

32

00:01:41,730 --> 00:01:39,430

get into that Jeremy why don't you just

33

00:01:45,020 --> 00:01:41,740

take a minute to basically introduce

34

00:01:48,210 --> 00:01:45,030

your bob lazar project and then we can

35

00:01:52,470 --> 00:01:48,220

share some of your Bob Lazar audio with

36

00:01:55,530 --> 00:01:52,480

the audience sure so I'm really lucky

37

00:01:58,560 --> 00:01:55,540

I'm able to make a film now an

38

00:01:59,580 --> 00:01:58,570

authorized documentary on Bob Lazar many

39

00:02:03,000 --> 00:01:59,590

years in the making

40

00:02:05,550 --> 00:02:03,010

probably like everybody else it was his

41

00:02:09,089 --> 00:02:05,560

story that really pulled me into this

42

00:02:13,679 --> 00:02:09,099

idea of advanced craft possibly from

43

00:02:16,860 --> 00:02:13,689

unknown or faraway origin visiting earth

44

00:02:19,920 --> 00:02:16,870

and so this was really something I've

45

00:02:22,890 --> 00:02:19,930

wanted to look at in depth myself since

46

00:02:25,289 --> 00:02:22,900

I was a kid I was able to do that from

47

00:02:29,069 --> 00:02:25,299

the outside but now I'm able to do that

48

00:02:30,690 --> 00:02:29,079

more also from the inside so you know

49

00:02:33,629 --> 00:02:30,700

really that's what this is about this is

50

00:02:35,940 --> 00:02:33,639

about getting to understand the story

51
00:02:38,220 --> 00:02:35,950
and the truth and the facts behind that

52
00:02:40,289 --> 00:02:38,230
story a lot of which george knapp laid

53
00:02:44,489 --> 00:02:40,299
the groundwork for all these years and

54
00:02:47,640 --> 00:02:44,499
continues to lay the groundwork for this

55
00:02:50,160 --> 00:02:47,650
film will be coming out in 2018 and part

56
00:02:52,500 --> 00:02:50,170
of doing this kind of live a may is to

57
00:02:54,420 --> 00:02:52,510
find out what the temperature is with

58
00:02:56,699 --> 00:02:54,430
the audience right now find out what

59
00:02:59,399 --> 00:02:56,709
people want to know and hopefully answer

60
00:03:01,920 --> 00:02:59,409
some of those questions and more in this

61
00:03:05,399 --> 00:03:01,930
film so the audio clip you're about to

62
00:03:09,720 --> 00:03:05,409
hear was one of the filming's that I did

63
00:03:12,269 --> 00:03:09,730

with Bob yeah you know out where he

64

00:03:14,970 --> 00:03:12,279

lives and this audio I thought was

65

00:03:16,410 --> 00:03:14,980

really indicative of why he's even going

66

00:03:18,479 --> 00:03:16,420

on camera with me right now cuz he's

67

00:03:20,039 --> 00:03:18,489

notorious for not in 30 years we

68

00:03:22,190 --> 00:03:20,049

probably have three minutes of sorry

69

00:03:26,300 --> 00:03:22,200

three hours of footage of Bob in total

70

00:03:30,030 --> 00:03:26,310

so this audio clip even kind of shows

71

00:03:32,759 --> 00:03:30,040

why why what why is he even talking to

72

00:03:39,809 --> 00:03:32,769

me right now so hopefully you'll enjoy

73

00:03:42,449 --> 00:03:39,819

this the biggest roadblock to

74

00:03:44,280 --> 00:03:42,459

understanding is the ability to dismiss

75

00:03:48,449 --> 00:03:44,290

someone because you don't see them as

76

00:03:51,479 --> 00:03:48,459

human as a person so what pisses you off

77

00:03:54,390 --> 00:03:51,489

I mean disinformation and lies and

78

00:03:56,309 --> 00:03:54,400

attacks that have no basis in reality I

79

00:03:58,289 --> 00:03:56,319

mean you can disagree with me and say

80

00:03:59,699 --> 00:03:58,299

hey I don't believe that that's fine I

81

00:04:01,649 --> 00:03:59,709

haven't presented you with enough

82

00:04:04,530 --> 00:04:01,659

information I I understand that I

83

00:04:07,170 --> 00:04:04,540

probably be in your position but don't

84

00:04:09,690 --> 00:04:07,180

fabricate stuff there's some important

85

00:04:13,170 --> 00:04:09,700

information that needs to be released

86

00:04:14,099 --> 00:04:13,180

and everybody needs to understand the

87

00:04:16,830 --> 00:04:14,109

truth to it

88

00:04:18,809 --> 00:04:16,840

and not distorted versions of it you

89

00:04:21,029 --> 00:04:18,819

really need to pay attention to what I'm

90

00:04:22,129 --> 00:04:21,039

saying because I have better things to

91

00:04:24,320 --> 00:04:22,139

do than come up

92

00:04:25,879 --> 00:04:24,330

this I'm not interested in doing this I

93

00:04:28,159 --> 00:04:25,889

don't like being in the public eye

94

00:04:30,260 --> 00:04:28,169

I don't know money for doing this and

95

00:04:34,640 --> 00:04:30,270

quite frankly I could make up a better

96

00:04:37,159 --> 00:04:34,650

lie but I have no motivation to lie this

97

00:04:39,140 --> 00:04:37,169

hasn't this hasn't helped me out it's

98

00:04:41,540 --> 00:04:39,150

sent something that it's information

99

00:04:43,820 --> 00:04:41,550

that I'm releasing and that's it

100

00:04:47,659 --> 00:04:43,830

it's not an ordinary like that's one

101
00:04:48,860 --> 00:04:47,669
thing I would like I don't like living

102
00:04:51,769 --> 00:04:48,870
in a James Bond movie

103
00:04:53,450 --> 00:04:51,779
I like watching James Bond movies people

104
00:04:55,309 --> 00:04:53,460
who try to minimize who you are people

105
00:04:56,839 --> 00:04:55,319
have been trying to trivialize who you

106
00:04:59,959 --> 00:04:56,849
are people have been trying to twist

107
00:05:02,390 --> 00:04:59,969
your story based on absolutely absurd

108
00:05:04,129 --> 00:05:02,400
things that's gotta wear on people to a

109
00:05:06,679 --> 00:05:04,139
point you gotta set certain things

110
00:05:09,170 --> 00:05:06,689
straight it's time to pull things out by

111
00:05:11,420 --> 00:05:09,180
the roots just to get things reset and

112
00:05:13,879 --> 00:05:11,430
get people familiar with the story and

113
00:05:17,290 --> 00:05:13,889

Who I am and this is what's true the

114

00:05:20,300 --> 00:05:17,300

divergence has increased just over time

115

00:05:23,260 --> 00:05:20,310

I'm trying to tell you exactly the way

116

00:05:25,489 --> 00:05:23,270

things work I mean what I was exposed to

117

00:05:27,950 --> 00:05:25,499

do you think there's something more

118

00:05:30,679 --> 00:05:27,960

secret than that that the flying saucers

119

00:05:32,899 --> 00:05:30,689

are a government for some of this stuff

120

00:05:35,719 --> 00:05:32,909

just sounds crazy to me and I I

121

00:05:38,420 --> 00:05:35,729

understand I'm biased because I'm behind

122

00:05:48,409 --> 00:05:38,430

my eyes and see everything but this is

123

00:05:53,809 --> 00:05:48,419

this is crazy [h__\h] crazy [h__\h] yeah crazy

124

00:05:56,689 --> 00:05:53,819

[h__\h] no so Bob's pissed off but you know

125

00:05:57,889 --> 00:05:56,699

there are plenty of plenty of reasons

126

00:06:00,110 --> 00:05:57,899

you know why he's pissed off and I

127

00:06:01,850 --> 00:06:00,120

understand though the story's been a

128

00:06:03,499 --> 00:06:01,860

long time in the making and a lot of

129

00:06:06,409 --> 00:06:03,509

people are familiar with bits and pieces

130

00:06:08,619 --> 00:06:06,419

here and there as we're all aware

131

00:06:10,939 --> 00:06:08,629

there's lots of information

132

00:06:12,350 --> 00:06:10,949

misinformation a lot of

133

00:06:14,209 --> 00:06:12,360

misunderstandings when it comes to the

134

00:06:17,240 --> 00:06:14,219

whole story - that's there are with many

135

00:06:18,499 --> 00:06:17,250

stories in the UFO field but you know

136

00:06:20,119 --> 00:06:18,509

that's that's what you're you're getting

137

00:06:22,219 --> 00:06:20,129

the bottom of and you do a great job

138

00:06:23,689 --> 00:06:22,229

with your investigative work and working

139

00:06:25,730 --> 00:06:23,699

directly with Bob you know straight from

140

00:06:26,899 --> 00:06:25,740

the horse's mouth so that's awesome

141

00:06:28,399 --> 00:06:26,909

and I'm really looking forward to diving

142

00:06:30,139 --> 00:06:28,409

in so if you guys have questions for

143

00:06:33,769 --> 00:06:30,149

Jeremy go ahead and post them now we'll

144

00:06:36,489 --> 00:06:33,779

get to those yeah looking forward to

145

00:06:39,649 --> 00:06:36,499

hearing what everybody has

146

00:06:42,889 --> 00:06:39,659

jeromy's the guy with the answers well

147

00:06:46,189 --> 00:06:42,899

are you one of the most polarizing cases

148

00:06:49,339 --> 00:06:46,199

in history so of the UFO phenomenon not

149

00:06:52,969 --> 00:06:49,349

in general history so yeah and you know

150

00:06:55,629 --> 00:06:52,979

Ill don't know that Bob is pissed off I

151
00:06:59,809 --> 00:06:55,639
think that you know like any human being

152
00:07:02,929 --> 00:06:59,819
when you say something as directly and

153
00:07:07,100 --> 00:07:02,939
as clearly as possible when people start

154
00:07:11,449 --> 00:07:07,110
making [h__h] up and inserting their own

155
00:07:12,980 --> 00:07:11,459
false ideas that this is the the I think

156
00:07:15,379 --> 00:07:12,990
this is the thing that that would bother

157
00:07:18,559 --> 00:07:15,389
him at this moment he just wants his

158
00:07:20,540 --> 00:07:18,569
story to be understood factually and the

159
00:07:23,689 --> 00:07:20,550
way he told it whether you believe it or

160
00:07:26,949 --> 00:07:23,699
not he does not care and again in fact

161
00:07:29,540 --> 00:07:26,959
it is true when he says I don't care and

162
00:07:32,119 --> 00:07:29,550
if you don't believe it pass it on it

163
00:07:34,759 --> 00:07:32,129

makes my life easier that that is that

164

00:07:38,480 --> 00:07:34,769

that is indeed true that is his

165

00:07:42,730 --> 00:07:38,490

perspective but I think that the

166

00:07:47,829 --> 00:07:42,740

inserting of false ideas is needs to be

167

00:07:50,719 --> 00:07:49,129

all right

168

00:07:55,069 --> 00:07:50,729

we are you ready to jump into questions

169

00:07:58,459 --> 00:07:55,079

Jeremy oh absolutely yeah all right

170

00:08:04,989 --> 00:07:58,469

let's go ahead and like Chris has a

171

00:08:09,169 --> 00:08:04,999

question so pop that up what's up Chris

172

00:08:12,529 --> 00:08:09,179

how's it going man Loreen could you read

173

00:08:14,449 --> 00:08:12,539

that for me yeah so Chris wants to know

174

00:08:16,069 --> 00:08:14,459

is if there's any way that the scientist

175

00:08:18,980 --> 00:08:16,079

you recorded for your podcast talking

176

00:08:20,449 --> 00:08:18,990

about Lazar at last Los Alamos is

177

00:08:23,600 --> 00:08:20,459

willing to go on film for the

178

00:08:25,309 --> 00:08:23,610

documentary man great question so we're

179

00:08:27,649 --> 00:08:25,319

talking about dr. Crandall here and I

180

00:08:29,329 --> 00:08:27,659

spoke with him last week I called him up

181

00:08:31,639 --> 00:08:29,339

and I said hey dr. Krank oh and you know

182

00:08:35,089 --> 00:08:31,649

I'm gonna be coming to New talk with a

183

00:08:38,179 --> 00:08:35,099

couple physicists about element 115 is

184

00:08:40,579 --> 00:08:38,189

there a way that we could talk a little

185

00:08:43,159 --> 00:08:40,589

bit further and he goes Jeremy yeah

186

00:08:45,860 --> 00:08:43,169

son-of-a-bitch ever since I did that

187

00:08:49,110 --> 00:08:45,870

damn recording with you two years ago I

188

00:08:50,640 --> 00:08:49,120

get called by all these UFO crazy

189

00:08:52,170 --> 00:08:50,650

people wanted to know what I think about

190

00:08:55,110 --> 00:08:52,180

you it was because I don't know anything

191

00:08:57,510 --> 00:08:55,120

about UFOs I just which is not entirely

192

00:09:00,120 --> 00:08:57,520

true but he said I you know I was just

193

00:09:01,590 --> 00:09:00,130

you know telling you that I know Bob

194

00:09:04,200 --> 00:09:01,600

from security briefings at Los Alamos

195

00:09:06,269 --> 00:09:04,210

that simple but all these people calling

196

00:09:09,360 --> 00:09:06,279

me and and just you know so he was

197

00:09:11,910 --> 00:09:09,370

really kind of upset about it but you

198

00:09:15,140 --> 00:09:11,920

know slowly we talked about it and yeah

199

00:09:19,620 --> 00:09:15,150

he has agreed to talk with me on camera

200

00:09:21,510 --> 00:09:19,630

just to nail that point home nice that

201
00:09:23,940 --> 00:09:21,520
kind of almost goes into this question

202
00:09:25,320 --> 00:09:23,950
too from Luke who wants to know if your

203
00:09:30,030 --> 00:09:25,330
documentary is going to show any more

204
00:09:34,050 --> 00:09:30,040
proof about his credentials which sounds

205
00:09:36,570 --> 00:09:34,060
a little bit like that's almost evidence

206
00:09:44,550 --> 00:09:36,580
at least of being there not of physical

207
00:09:48,240 --> 00:09:44,560
paperwork so absolutely yeah I mean look

208
00:09:52,200 --> 00:09:48,250
I have footage that I think will nail

209
00:09:54,840 --> 00:09:52,210
home some of you know Bob's claims now I

210
00:09:56,519 --> 00:09:54,850
don't know by the time the movie comes

211
00:09:59,070 --> 00:09:56,529
out if I'm going to be able to prove

212
00:10:00,930 --> 00:09:59,080
definitively in everybody's eyes every

213
00:10:03,870 --> 00:10:00,940

point of what Bob said you know that

214

00:10:06,350 --> 00:10:03,880

would be wild but there will be footage

215

00:10:09,530 --> 00:10:06,360

in there that is quite compelling

216

00:10:14,030 --> 00:10:09,540

dealing with a number of Bob's claims

217

00:10:22,980 --> 00:10:20,640

yes okay see here okay we're gonna get

218

00:10:26,040 --> 00:10:22,990

do you ever think we'll get any sort of

219

00:10:28,650 --> 00:10:26,050

picture of what it might actually be out

220

00:10:30,780 --> 00:10:28,660

in papas Lake area region of actual

221

00:10:32,610 --> 00:10:30,790

evidence and somebody else had asked if

222

00:10:36,840 --> 00:10:32,620

you ever thought that we'd get a picture

223

00:10:41,420 --> 00:10:36,850

of the door of s4 yeah how many pictures

224

00:10:44,699 --> 00:10:41,430

of the cafeteria do we have very 51

225

00:10:46,290 --> 00:10:44,709

right so here's here's the thing so Pat

226

00:10:50,240 --> 00:10:46,300

thank you for the question I see that

227

00:10:53,990 --> 00:10:50,250

question look it would be amazing to get

228

00:10:57,000 --> 00:10:54,000

photographs and imagery of that facility

229

00:10:59,730 --> 00:10:57,010

indeed I am confident beyond a

230

00:11:02,400 --> 00:10:59,740

reasonable doubt that it exists exactly

231

00:11:05,369 --> 00:11:02,410

like Bob has described I

232

00:11:07,499 --> 00:11:05,379

that confirmed to me through two

233

00:11:09,990 --> 00:11:07,509

independent sources who were in a

234

00:11:14,280 --> 00:11:10,000

position to know whether or not that

235

00:11:16,110 --> 00:11:14,290

facility existed in 1989 so I am

236

00:11:20,249 --> 00:11:16,120

personally convinced that it that it

237

00:11:23,460 --> 00:11:20,259

does or did sure it still does are we

238

00:11:25,199 --> 00:11:23,470

gonna see images of that you know I we

239

00:11:26,189 --> 00:11:25,209

haven't even seen an image inside of

240

00:11:27,629 --> 00:11:26,199

area 51

241

00:11:30,629 --> 00:11:27,639

the best image ever of that was John

242

00:11:34,439 --> 00:11:30,639

Lear in 1977 where the you know security

243

00:11:37,800 --> 00:11:34,449

was a single chain link so that is

244

00:11:39,929 --> 00:11:37,810

something that I would love if we were

245

00:11:42,509 --> 00:11:39,939

able to see that but it is highly

246

00:11:45,840 --> 00:11:42,519

doubtful look according to Bob story

247

00:11:48,350 --> 00:11:45,850

there were 22 people on this earth who

248

00:11:51,269 --> 00:11:48,360

were aware of any extraterrestrial

249

00:11:54,480 --> 00:11:51,279

projects programs or development

250

00:11:56,220 --> 00:11:54,490

programs at that time in 1989 he was

251
00:12:00,869 --> 00:11:56,230
told that if that's true or not I don't

252
00:12:04,889 --> 00:12:00,879
know that it was only 22 people but edge

253
00:12:06,840 --> 00:12:04,899
of s4 is a tall order but you know you

254
00:12:12,629 --> 00:12:06,850
never know I just I doubt it

255
00:12:15,240 --> 00:12:12,639
is the answer yeah I mean I think most

256
00:12:16,920 --> 00:12:15,250
people are a little afraid might happen

257
00:12:19,040 --> 00:12:16,930
if they even tried to go about doing

258
00:12:21,389 --> 00:12:19,050
that and we won't see the white but

259
00:12:23,400 --> 00:12:21,399
right there was um you know one

260
00:12:25,769 --> 00:12:23,410
individual who did you know kind of

261
00:12:28,920 --> 00:12:25,779
belly-crawl all across Papoose and all

262
00:12:32,519 --> 00:12:28,930
that and you did take some photos but

263
00:12:35,460 --> 00:12:32,529

where Bob is describing this facility it

264

00:12:40,759 --> 00:12:35,470

you would need to literally beat on the

265

00:12:43,710 --> 00:12:40,769

area I mean it's pretty incredible sure

266

00:12:48,150 --> 00:12:43,720

so I know a question that you've gotten

267

00:12:49,949 --> 00:12:48,160

a lot when dealing with Bob Lazar you

268

00:12:51,809 --> 00:12:49,959

know this is one of the the most basic

269

00:12:53,999 --> 00:12:51,819

questions when it comes to Bob and and

270

00:12:56,340 --> 00:12:54,009

his credibility or or proving his story

271

00:12:58,410 --> 00:12:56,350

and something that our good buddy Stan

272

00:13:01,860 --> 00:12:58,420

Freedman you know likes to talk about is

273

00:13:03,960 --> 00:13:01,870

you know proving that he worked where he

274

00:13:08,699 --> 00:13:03,970

said he worked how do we know he worked

275

00:13:11,309 --> 00:13:08,709

there Jeremy right so Tim have evidence

276

00:13:16,140 --> 00:13:11,319

that has occurred over 30 years that

277

00:13:18,150 --> 00:13:16,150

shows undeniable proof that Bob had ox

278

00:13:19,860 --> 00:13:18,160

to certain information and that

279

00:13:22,650 --> 00:13:19,870

information is not something that

280

00:13:24,810 --> 00:13:22,660

anybody from the outside could possibly

281

00:13:27,240 --> 00:13:24,820

know I've been able to track down a

282

00:13:29,820 --> 00:13:27,250

couple people after 30 years I will

283

00:13:33,270 --> 00:13:29,830

reserve that for the film I'm not gonna

284

00:13:37,500 --> 00:13:33,280

say that here but there will be

285

00:13:40,740 --> 00:13:37,510

undeniable proof in some ways that Bob

286

00:13:42,980 --> 00:13:40,750

had positions for example at Los Alamos

287

00:13:48,840 --> 00:13:42,990

there will be new information coming out

288

00:13:50,760 --> 00:13:48,850

so a lot of Bob story cannot be proven

289

00:13:52,980 --> 00:13:50,770

that's just the way it is he said that

290

00:13:54,990 --> 00:13:52,990

from the beginning George Knapp said

291

00:13:59,720 --> 00:13:55,000

that from the beginning but at the same

292

00:14:03,090 --> 00:13:59,730

time you get to see all of these kind of

293

00:14:05,070 --> 00:14:03,100

indicators that are more in favor that

294

00:14:07,290 --> 00:14:05,080

Bob is telling you exactly the way it

295

00:14:09,510 --> 00:14:07,300

went down but that's that's up to every

296

00:14:12,480 --> 00:14:09,520

individual to decide my film is not as

297

00:14:15,570 --> 00:14:12,490

Stan would like to pretend like a pro

298

00:14:18,600 --> 00:14:15,580

Lazar film this is a curious individual

299

00:14:22,110 --> 00:14:18,610

trying to find out anything that I can

300

00:14:24,750 --> 00:14:22,120

to either confirm or go against what

301

00:14:27,180 --> 00:14:24,760

another individual is claiming on just

302

00:14:28,890 --> 00:14:27,190

an investigative point of view that's

303

00:14:31,380 --> 00:14:28,900

what this film is so I'm going to offer

304

00:14:33,840 --> 00:14:31,390

all the information and everybody should

305

00:14:36,690 --> 00:14:33,850

use their brains to determine for

306

00:14:38,850 --> 00:14:36,700

themselves what they believe and Bob

307

00:14:45,990 --> 00:14:38,860

wants that too he's looking a lot of

308

00:14:48,350 --> 00:14:46,000

people Jeremy brain and somebody asked

309

00:14:51,600 --> 00:14:48,360

will that convince Stanton Friedman

310

00:14:54,210 --> 00:14:51,610

nobody cares what Stanton freamon

311

00:14:55,680 --> 00:14:54,220

believes nobody that I know cares when

312

00:14:59,940 --> 00:14:55,690

it comes to Lazar story because he is

313

00:15:04,290 --> 00:14:59,950

proven unfortunately to deny direct

314

00:15:07,850 --> 00:15:04,300

evidence and to deny facts and to twist

315

00:15:11,400 --> 00:15:07,860

his knowledge of physics in order to

316

00:15:15,450 --> 00:15:11,410

persuade the public of his original

317

00:15:18,720 --> 00:15:15,460

assertion and that's sad to see and it

318

00:15:22,710 --> 00:15:18,730

is a human character flaw and I don't

319

00:15:24,990 --> 00:15:22,720

think his opinion has any validity in

320

00:15:27,690 --> 00:15:25,000

the film that I'm making unfortunately I

321

00:15:29,400 --> 00:15:27,700

mean you know I wish him well but I also

322

00:15:33,690 --> 00:15:29,410

wish that he would

323

00:15:37,620 --> 00:15:33,700

look at this like any intelligent human

324

00:15:40,770 --> 00:15:37,630

physicist UFO lecture or not just

325

00:15:43,140 --> 00:15:40,780

somebody who is looking at it without a

326

00:15:45,000 --> 00:15:43,150

bias and unfortunately I don't see that

327

00:15:49,260 --> 00:15:45,010

with him but not his opinion really

328

00:15:52,770 --> 00:15:49,270

doesn't matter yeah and we have we have

329

00:15:55,580 --> 00:15:52,780

a couple like three questions Eric and

330

00:16:00,060 --> 00:15:55,590

Greg and they're all kind of related

331

00:16:01,800 --> 00:16:00,070

Eric asked does Bob regret sharing his

332

00:16:04,800 --> 00:16:01,810

story with everything that's happened to

333

00:16:06,390 --> 00:16:04,810

him and then also Greg and I'm sorry I

334

00:16:10,320 --> 00:16:06,400

can't see the name of who else asked

335

00:16:12,150 --> 00:16:10,330

this wanted to know why he's coming out

336

00:16:15,660 --> 00:16:12,160

again because it's kind of a change in

337

00:16:18,690 --> 00:16:15,670

his tone why he's kind of going on this

338

00:16:20,160 --> 00:16:18,700

all I'll speak out publicly also okay so

339

00:16:22,050 --> 00:16:20,170

what was the first part of the question

340

00:16:24,840 --> 00:16:22,060

so the first part of question was does

341

00:16:25,710 --> 00:16:24,850

he regret talking about it and now why

342

00:16:28,230 --> 00:16:25,720

is he talking about

343

00:16:31,470 --> 00:16:28,240

okay so you know does he regret talking

344

00:16:35,160 --> 00:16:31,480

about it there is a part of him I

345

00:16:38,340 --> 00:16:35,170

believe that of course regrets not being

346

00:16:39,870 --> 00:16:38,350

able to continue working in the capacity

347

00:16:42,960 --> 00:16:39,880

he was because it's just the most

348

00:16:45,540 --> 00:16:42,970

fearsome technology on the planet it how

349

00:16:49,050 --> 00:16:45,550

incredible is this ability to study this

350

00:16:51,090 --> 00:16:49,060

so coming out talking you know of course

351
00:16:52,350 --> 00:16:51,100
the regret is not continuing to be able

352
00:16:54,300 --> 00:16:52,360
to work on the program which I think for

353
00:16:58,260 --> 00:16:54,310
a long time he thought he might get

354
00:17:01,380 --> 00:16:58,270
called back but in reality if you

355
00:17:03,720 --> 00:17:01,390
understand his story he had to take the

356
00:17:05,760 --> 00:17:03,730
precautions he did his life was

357
00:17:08,280 --> 00:17:05,770
threatened his wife's life was

358
00:17:10,770 --> 00:17:08,290
threatened it was such a weird time

359
00:17:13,470 --> 00:17:10,780
talking and interviewing everybody who

360
00:17:15,540 --> 00:17:13,480
was there during that time I don't think

361
00:17:18,689 --> 00:17:15,550
he had another option I don't think he

362
00:17:21,900 --> 00:17:18,699
had another choice Bob's not some the

363
00:17:24,030 --> 00:17:21,910

kind of person to regret much so no I I

364

00:17:29,400 --> 00:17:24,040

think he would do it the same way over

365

00:17:31,740 --> 00:17:29,410

again it was so uncomfortable at the

366

00:17:34,310 --> 00:17:31,750

time now why is he coming for it again

367

00:17:37,470 --> 00:17:34,320

was the second part of that question and

368

00:17:40,110 --> 00:17:37,480

you know that that's a difficult one to

369

00:17:42,390 --> 00:17:40,120

nail down I think maybe it was that I

370

00:17:44,730 --> 00:17:42,400

said hey look I'm here too

371

00:17:46,290 --> 00:17:44,740

look into this and I would love to

372

00:17:48,030 --> 00:17:46,300

obviously everybody would love to

373

00:17:50,850 --> 00:17:48,040

everybody's offer GU things all these

374

00:17:53,460 --> 00:17:50,860

years he doesn't want anything he

375

00:17:55,680 --> 00:17:53,470

doesn't want anything from this nor does

376

00:17:58,350 --> 00:17:55,690

he want to control him anyway giving me

377

00:18:01,560 --> 00:17:58,360

complete access anybody I want to talk

378

00:18:03,930 --> 00:18:01,570

to his family his friends anybody the

379

00:18:07,140 --> 00:18:03,940

the one thing the one restriction you

380

00:18:09,270 --> 00:18:07,150

put on me is don't make anything up

381

00:18:10,950 --> 00:18:09,280

because that's what's burned him over

382

00:18:13,470 --> 00:18:10,960

all the years and years so why is he

383

00:18:15,090 --> 00:18:13,480

doing it now I think he stated that in

384

00:18:17,250 --> 00:18:15,100

the audio clips we played for you at the

385

00:18:20,040 --> 00:18:17,260

beginning of this you know he is sick

386

00:18:22,350 --> 00:18:20,050

and tired of people making stuff up so

387

00:18:25,710 --> 00:18:22,360

his legacy is gonna be filled in with a

388

00:18:28,650 --> 00:18:25,720

bunch of other people's ideas of total

389

00:18:30,330 --> 00:18:28,660

fantasy that's got to annoy anybody so

390

00:18:32,940 --> 00:18:30,340

that's I think why he's willing at this

391

00:18:35,580 --> 00:18:32,950

time you know one and done

392

00:18:39,710 --> 00:18:35,590

the definitive film he says anything you

393

00:18:43,740 --> 00:18:39,720

see after this is BS this is the one

394

00:18:45,540 --> 00:18:43,750

yeah we had a question on has Bob said

395

00:18:47,550 --> 00:18:45,550

anything about what he thinks has

396

00:18:51,030 --> 00:18:47,560

happened to the projects he's worked on

397

00:18:53,550 --> 00:18:51,040

after he left he has no idea I mean he's

398

00:18:56,340 --> 00:18:53,560

very blunt when he has no idea you know

399

00:18:59,430 --> 00:18:56,350

all he knows is what he saw in 1989 he

400

00:19:01,350 --> 00:18:59,440

has gotten no feedback and at that time

401
00:19:03,000 --> 00:19:01,360
they had been working on it a while and

402
00:19:05,430 --> 00:19:03,010
they had gotten to a standstill

403
00:19:08,580 --> 00:19:05,440
and other information that I have now

404
00:19:10,770 --> 00:19:08,590
tells me that we're still at a

405
00:19:13,110 --> 00:19:10,780
standstill and it you know that's not

406
00:19:16,170 --> 00:19:13,120
really baffling to me because these

407
00:19:19,220 --> 00:19:16,180
technologies are so far advanced the

408
00:19:21,390 --> 00:19:19,230
material science is so far advanced from

409
00:19:24,060 --> 00:19:21,400
anything that we can conceive of right

410
00:19:25,950 --> 00:19:24,070
now I think it would be really hard to

411
00:19:27,480 --> 00:19:25,960
even move forward to these projects I

412
00:19:31,980 --> 00:19:27,490
think that's why they brought Bob on in

413
00:19:34,130 --> 00:19:31,990

the first place so this is similar to

414

00:19:37,050 --> 00:19:34,140

his credentials but Luke wants to know

415

00:19:39,720 --> 00:19:37,060

whether you have any like you'll show

416

00:19:42,170 --> 00:19:39,730

any new evidence of his degrees that he

417

00:19:45,960 --> 00:19:42,180

claims he's has from MIT and Caltech

418

00:19:48,810 --> 00:19:45,970

evidence of the degrees I know I'm not

419

00:19:51,000 --> 00:19:48,820

even focusing on that you can at

420

00:19:53,520 --> 00:19:51,010

worst-case scenario believe he's lying

421

00:19:56,130 --> 00:19:53,530

that you know if he had a degree at MIT

422

00:19:58,080 --> 00:19:56,140

it doesn't mean that UFOs are real

423

00:20:00,659 --> 00:19:58,090

it would mean he lied about a degree and

424

00:20:03,930 --> 00:20:00,669

as you know a lot of CEOs of you know

425

00:20:07,440 --> 00:20:03,940

major companies live for degrees so I do

426
00:20:10,320 --> 00:20:07,450
address that in the film but and there

427
00:20:13,440 --> 00:20:10,330
is a possibility that I will be breaking

428
00:20:16,049 --> 00:20:13,450
information on that but at this time I

429
00:20:19,019 --> 00:20:16,059
would say it's more important to me

430
00:20:20,639 --> 00:20:19,029
whether or not he worked at Los Alamos

431
00:20:22,680 --> 00:20:20,649
in scientific capacity at the maison

432
00:20:24,750 --> 00:20:22,690
facility particle accelerator because

433
00:20:26,899 --> 00:20:24,760
everything started from there from the

434
00:20:29,430 --> 00:20:26,909
115 all the way up through his

435
00:20:31,169 --> 00:20:29,440
employment so I will address those

436
00:20:34,110 --> 00:20:31,179
questions based upon the information

437
00:20:35,909 --> 00:20:34,120
that I have at the time of release and

438
00:20:37,710 --> 00:20:35,919

though that's changing everyday I'm

439

00:20:40,620 --> 00:20:37,720

getting in touch of people who have been

440

00:20:47,730 --> 00:20:40,630

looked for for over 35 years sometimes I

441

00:20:50,700 --> 00:20:47,740

mean 30 years in general Jeremy is your

442

00:20:53,009 --> 00:20:50,710

film being funded by some secret black

443

00:20:54,419 --> 00:20:53,019

government no he just Dave wants to know

444

00:20:56,909 --> 00:20:54,429

who's funding your film whether you're

445

00:20:59,100 --> 00:20:56,919

doing it all yourself or if you have a

446

00:21:01,649 --> 00:20:59,110

crew hey Dave

447

00:21:03,360 --> 00:21:01,659

you know I wish I had somebody funding

448

00:21:06,000 --> 00:21:03,370

my work but the problem with letting

449

00:21:08,039 --> 00:21:06,010

other people fund your work is that they

450

00:21:10,610 --> 00:21:08,049

then have a say on the final cut of your

451
00:21:14,879 --> 00:21:10,620
work so I have always worked absolutely

452
00:21:18,090 --> 00:21:14,889
100% independently zero out sword

453
00:21:20,490 --> 00:21:18,100
funding outside funding and I continue

454
00:21:23,220 --> 00:21:20,500
to do that in fact my film patient 17

455
00:21:25,169 --> 00:21:23,230
which is on Netflix that was the one

456
00:21:27,419 --> 00:21:25,179
prerequisite with my distributor was I

457
00:21:30,450 --> 00:21:27,429
get final cut you can't touch it and I

458
00:21:32,700 --> 00:21:30,460
had had that stand point for many years

459
00:21:34,710 --> 00:21:32,710
and people don't like that stand point

460
00:21:37,500 --> 00:21:34,720
but I didn't give a [h__h] and so now

461
00:21:39,990 --> 00:21:37,510
we're at a point where I have that

462
00:21:41,759 --> 00:21:40,000
agreement I can distribute this nobody

463
00:21:44,639 --> 00:21:41,769

else has a finger in the funding and

464

00:21:46,740 --> 00:21:44,649

it's my final cut so anything you see in

465

00:21:48,769 --> 00:21:46,750

it praise or blame it all lands on me

466

00:21:51,750 --> 00:21:48,779

because nobody else is involved and

467

00:21:53,960 --> 00:21:51,760

nobody controls my work I control my

468

00:21:58,350 --> 00:21:53,970

work I take full responsibility for it

469

00:22:01,200 --> 00:21:58,360

so now I do it all myself so bring the

470

00:22:03,570 --> 00:22:01,210

pitchforks directly to your door you're

471

00:22:05,399 --> 00:22:03,580

unhappy with the film I get it like you

472

00:22:07,470 --> 00:22:05,409

know with patient 17 I mean it's like

473

00:22:09,539 --> 00:22:07,480

hey Mara love Mel really it's just

474

00:22:11,909 --> 00:22:09,549

delete delete delete must there's

475

00:22:14,970 --> 00:22:11,919

than valuable to say that will move the

476

00:22:16,739 --> 00:22:14,980

needle forward it's just the way it is

477

00:22:19,019 --> 00:22:16,749

when you put things out publicly but

478

00:22:21,539 --> 00:22:19,029

know this film and all my films are

479

00:22:24,090 --> 00:22:21,549

independently funded meaning I found

480

00:22:26,249 --> 00:22:24,100

them and you know I'm not making a

481

00:22:29,489 --> 00:22:26,259

fortune off the the movie business here

482

00:22:31,710 --> 00:22:29,499

this is my passion and you know what I'm

483

00:22:33,810 --> 00:22:31,720

able to do in my life is focus on this

484

00:22:36,779 --> 00:22:33,820

as long as I keep roof over my head and

485

00:22:40,460 --> 00:22:36,789

it's it's amazing it's really fun so

486

00:22:43,080 --> 00:22:40,470

thanks for watching the films yeah okay

487

00:22:45,180 --> 00:22:43,090

now somebody wants to know whether this

488

00:22:47,220 --> 00:22:45,190

is the same was our documentary that

489

00:22:51,629 --> 00:22:47,230

DeLong has mentioned he is making Tom

490

00:22:55,590 --> 00:22:51,639

DeLonge taking those Tom's not making a

491

00:22:57,930 --> 00:22:55,600

Bob Lazar documentary he got Bob to

492

00:22:59,759 --> 00:22:57,940

write down the the basics of his story

493

00:23:02,729 --> 00:22:59,769

so it's like what you've heard before

494

00:23:04,710 --> 00:23:02,739

but you know first person and I hope

495

00:23:06,599 --> 00:23:04,720

that book comes out because it'll lay

496

00:23:09,419 --> 00:23:06,609

the foundation for what everybody has

497

00:23:10,499 --> 00:23:09,429

known up till now and then we go forward

498

00:23:12,749 --> 00:23:10,509

from there

499

00:23:14,940 --> 00:23:12,759

bob has not authorized anybody to make a

500

00:23:18,720 --> 00:23:14,950

documentary on him but me so I feel

501
00:23:20,399 --> 00:23:18,730
fortunate yeah and and so I mean I know

502
00:23:21,720 --> 00:23:20,409
the answer to this you're they want to

503
00:23:24,419 --> 00:23:21,730
know your involvement with to the Stars

504
00:23:28,019 --> 00:23:24,429
and I have zero involvement with to the

505
00:23:31,279 --> 00:23:28,029
Stars other than I am impressed and I am

506
00:23:34,710 --> 00:23:31,289
rooting for them and their endeavors

507
00:23:37,049 --> 00:23:34,720
specifically with the you know

508
00:23:38,580 --> 00:23:37,059
information that they were able to get

509
00:23:41,310 --> 00:23:38,590
out through the New York Times via the

510
00:23:42,899 --> 00:23:41,320
Pentagon that is very important now as

511
00:23:46,139 --> 00:23:42,909
people may or may not know I broke the

512
00:23:49,229 --> 00:23:46,149
tic-tacs story of months before the New

513
00:23:49,950 --> 00:23:49,239

York Times did but that's something you

514

00:23:52,830 --> 00:23:49,960

should look into

515

00:23:54,299 --> 00:23:52,840

I also named the I named other

516

00:23:55,830 --> 00:23:54,309

information before it came out and

517

00:23:58,049 --> 00:23:55,840

that's because I had been working on

518

00:24:00,599 --> 00:23:58,059

this a long time but you know just

519

00:24:03,149 --> 00:24:00,609

basically back to the point I think that

520

00:24:04,499 --> 00:24:03,159

we should all be optimistic about what

521

00:24:07,889 --> 00:24:04,509

tom is doing I think he's done everybody

522

00:24:11,039 --> 00:24:07,899

a great favor by you know creating this

523

00:24:12,869 --> 00:24:11,049

agenda nothing to do with the company

524

00:24:15,119 --> 00:24:12,879

that he has created or the you know the

525

00:24:15,810 --> 00:24:15,129

the endeavor of that but just what has

526
00:24:17,279 --> 00:24:15,820
he done

527
00:24:18,599 --> 00:24:17,289
what is he already done and I think it's

528
00:24:20,519 --> 00:24:18,609
really great but I have no involvement

529
00:24:25,130 --> 00:24:20,529
with it other than Tom's a friend I like

530
00:24:31,890 --> 00:24:26,280
perfect

531
00:24:34,590 --> 00:24:31,900
um let's see okay have you come across

532
00:24:36,960 --> 00:24:34,600
any information his is asking this that

533
00:24:40,290 --> 00:24:36,970
Coretta corroborates anything Bob is

534
00:24:42,540 --> 00:24:40,300
sent without Bob being the subject what

535
00:24:45,240 --> 00:24:42,550
does he mean without Bob being I I'm

536
00:24:47,580 --> 00:24:45,250
going to assume he means anything he

537
00:24:50,130 --> 00:24:47,590
said on from an outside source that then

538
00:24:53,670 --> 00:24:50,140

you've been able to say okay yeah that's

539

00:24:55,940 --> 00:24:53,680

Oh legit god yeah it's incredible

540

00:24:57,750 --> 00:24:55,950

actually you know the amount of

541

00:25:01,860 --> 00:24:57,760

confirmation that I've been able to get

542

00:25:03,450 --> 00:25:01,870

outside of Bob's own words I mean I have

543

00:25:07,050 --> 00:25:03,460

in this film I don't want to give too

544

00:25:09,720 --> 00:25:07,060

much away but everybody from family

545

00:25:12,090 --> 00:25:09,730

members to close friends to associates

546

00:25:14,790 --> 00:25:12,100

people that have worked with him that

547

00:25:17,040 --> 00:25:14,800

you know yeah you're gonna see a hole

548

00:25:19,410 --> 00:25:17,050

you're gonna have a lot more data to

549

00:25:21,900 --> 00:25:19,420

judge this story then you have had

550

00:25:24,330 --> 00:25:21,910

before and if I can just do that alone

551

00:25:26,100 --> 00:25:24,340

then I've done at least you know the

552

00:25:34,050 --> 00:25:26,110

first part of my service to this story

553

00:25:37,530 --> 00:25:34,060

right yeah so did you do oh I'm so sorry

554

00:25:40,080 --> 00:25:37,540

this is this is great and this isn't

555

00:25:42,390 --> 00:25:40,090

actually a question but Dave brings up

556

00:25:45,300 --> 00:25:42,400

the point that still seems super amazing

557

00:25:47,400 --> 00:25:45,310

that that Bob had mentioned this element

558

00:25:50,310 --> 00:25:47,410

115 before it was actually introduced

559

00:25:51,840 --> 00:25:50,320

the periodic table which I'm seen with

560

00:25:53,520 --> 00:25:51,850

me I think that's really kind of an

561

00:25:55,320 --> 00:25:53,530

interesting fascinating thing all right

562

00:25:58,170 --> 00:25:55,330

well let's let's get real specific about

563

00:26:01,860 --> 00:25:58,180

this so even Bob is not really that

564

00:26:03,450 --> 00:26:01,870

impressed that you know 115 was twice

565

00:26:05,160 --> 00:26:03,460

you know fabricated and a particle

566

00:26:07,590 --> 00:26:05,170

accelerator or a couple of atoms were

567

00:26:10,470 --> 00:26:07,600

made up this was a theorized element for

568

00:26:13,980 --> 00:26:10,480

a long time that I mean we knew we could

569

00:26:16,590 --> 00:26:13,990

make this element in a way so the fact

570

00:26:18,270 --> 00:26:16,600

it got officially named Muscovy m and it

571

00:26:20,790 --> 00:26:18,280

came on to the periodic chart from

572

00:26:24,330 --> 00:26:20,800

unimpaired it was called before it was

573

00:26:27,690 --> 00:26:24,340

fabricated i mean bob has no he's not

574

00:26:29,580 --> 00:26:27,700

like yes that's awesome it was a small

575

00:26:33,690 --> 00:26:29,590

little thing showing this really

576

00:26:36,240 --> 00:26:33,700

fleeting isotopic combination for

577

00:26:37,100 --> 00:26:36,250

element 115 and minutes half-life was so

578

00:26:39,650 --> 00:26:37,110

quick it was like a

579

00:26:42,830 --> 00:26:39,660

a second and again I don't want to give

580

00:26:45,020 --> 00:26:42,840

away too much about the movie but when

581

00:26:48,470 --> 00:26:45,030

people say Bob talks about pseudoscience

582

00:26:50,690 --> 00:26:48,480

this is what some like lectures like to

583

00:26:53,660 --> 00:26:50,700

say okay so what do you mean what why is

584

00:26:56,120 --> 00:26:53,670

a stabilized form of 1/15 pseudoscience

585

00:26:57,650 --> 00:26:56,130

oh it only lasts a few milliseconds now

586

00:27:02,690 --> 00:26:57,660

hold the [h__h] up

587

00:27:04,250 --> 00:27:02,700

Bob's kidding that there was a isotopic

588

00:27:06,890 --> 00:27:04,260

combination in the island of stability

589

00:27:08,720 --> 00:27:06,900

which is a theorized island of stability

590

00:27:10,820 --> 00:27:08,730

that we're pretty sure would work you

591

00:27:13,460 --> 00:27:10,830

have the right number of isotopes and

592

00:27:15,530 --> 00:27:13,470

then you can get a stable element and in

593

00:27:18,350 --> 00:27:15,540

fact I'm talking with a couple heads of

594

00:27:21,710 --> 00:27:18,360

physics at a number of universities for

595

00:27:24,710 --> 00:27:21,720

this film who absolutely agree you

596

00:27:27,950 --> 00:27:24,720

cannot rule out stable element 115 in

597

00:27:29,480 --> 00:27:27,960

fact it's probably there's a nice topic

598

00:27:30,110 --> 00:27:29,490

structure that you know there will find

599

00:27:34,190 --> 00:27:30,120

to do it

600

00:27:37,880 --> 00:27:34,200

Bob's just saying I saw it I used it so

601
00:27:40,280 --> 00:27:37,890
in fact it is not pseudoscience the the

602
00:27:42,830 --> 00:27:40,290
115 and and it's not a validation to his

603
00:27:45,169 --> 00:27:42,840
claims either but it is something that

604
00:27:46,430 --> 00:27:45,179
was theorized a long time ago and it'll

605
00:27:47,870 --> 00:27:46,440
be interesting to see how this develops

606
00:27:51,430 --> 00:27:47,880
for the film if that answers your

607
00:27:58,940 --> 00:27:53,960
okay there's been a couple questions on

608
00:28:04,220 --> 00:27:58,950
skinwalker to do a little side side the

609
00:28:05,990 --> 00:28:04,230
jump here and watch a little bit all

610
00:28:07,430 --> 00:28:06,000
right it's an interesting subject and

611
00:28:09,530 --> 00:28:07,440
obviously this is what I'm working on

612
00:28:14,570 --> 00:28:09,540
right now it will be coming out prior to

613
00:28:18,830 --> 00:28:14,580

the Lazar story it will be coming out if

614

00:28:23,030 --> 00:28:18,840

I do my job right summer this summer so

615

00:28:25,130 --> 00:28:23,040

maybe June in mid June and it's a huge

616

00:28:28,880 --> 00:28:25,140

task because again this is story the

617

00:28:30,919 --> 00:28:28,890

spans you know 30 years really and now

618

00:28:32,990 --> 00:28:30,929

it's really relevant because we know

619

00:28:34,430 --> 00:28:33,000

that well people don't know yet actually

620

00:28:37,700 --> 00:28:34,440

what I'm going to reveal in this film

621

00:28:40,370 --> 00:28:37,710

but there is a very important connection

622

00:28:43,580 --> 00:28:40,380

to skinwalker ranch and the 22 million

623

00:28:47,450 --> 00:28:43,590

that was you know kind of spearheaded by

624

00:28:50,600 --> 00:28:47,460

Harry Reid for that you know black

625

00:28:52,940 --> 00:28:50,610

project so that film

626

00:28:55,760 --> 00:28:52,950

we'll be interesting I'm just insane

627

00:28:57,200 --> 00:28:55,770

working on it right now so but but

628

00:29:04,780 --> 00:28:57,210

that's the deadline I mean I'm gonna get

629

00:29:15,110 --> 00:29:11,299

yeah and somebody else had asked earlier

630

00:29:18,799 --> 00:29:15,120

since we're on the subject um how'd you

631

00:29:23,980 --> 00:29:18,809

how you got the permits permits to go to

632

00:29:30,260 --> 00:29:26,360

think you can pretty much assume by like

633

00:29:32,450 --> 00:29:30,270

looking at my facebook you know if I bit

634

00:29:35,030 --> 00:29:32,460

yeah I mean I I've talked about it so

635

00:29:36,830 --> 00:29:35,040

yeah I not only have I been there a

636

00:29:38,390 --> 00:29:36,840

number of times but you know I wasn't

637

00:29:40,880 --> 00:29:38,400

this is something I wasn't talking about

638

00:29:45,350 --> 00:29:40,890

before because I was and I am still

639

00:29:50,510 --> 00:29:45,360

working on an active investigation but

640

00:29:52,730 --> 00:29:50,520

not only did we people I was with but we

641

00:29:55,850 --> 00:29:52,740

actually broke new ground for the first

642

00:29:58,580 --> 00:29:55,860

time in history we had the permits to

643

00:30:02,930 --> 00:29:58,590

film on tribal land and take that film

644

00:30:06,260 --> 00:30:02,940

off the land so because of the the yuta

645

00:30:09,650 --> 00:30:06,270

nation and the tribal elders and I'm so

646

00:30:11,750 --> 00:30:09,660

grateful for that openness we were able

647

00:30:14,870 --> 00:30:11,760

to do what nobody's been allowed to do

648

00:30:17,150 --> 00:30:14,880

yet before and the ranch itself as well

649

00:30:20,330 --> 00:30:17,160

I actually you know camped out at bottl

650

00:30:23,480 --> 00:30:20,340

Hollow which is a high activity site and

651

00:30:26,590 --> 00:30:23,490

it was pretty interesting I had some

652

00:30:29,180 --> 00:30:26,600

tribal police with me and whatnot and it

653

00:30:30,080 --> 00:30:29,190

pretty pretty wild so yeah you'll I

654

00:30:31,370 --> 00:30:30,090

don't know what you're gonna see the

655

00:30:35,120 --> 00:30:31,380

documentary yet because I'm still making

656

00:30:37,520 --> 00:30:35,130

it but uh yes I had all the permits and

657

00:30:38,960 --> 00:30:37,530

I think that's due to George Knapp and

658

00:30:41,000 --> 00:30:38,970

the fact he wrote the book with dr.

659

00:30:43,370 --> 00:30:41,010

Colin Kelleher a head of a scientific

660

00:30:46,760 --> 00:30:43,380

team for knids and that book took the

661

00:30:50,600 --> 00:30:46,770

subject seriously and dealt with the the

662

00:30:52,400 --> 00:30:50,610

science and the the experiences people

663

00:30:55,070 --> 00:30:52,410

were having there's some very dramatic I

664

00:30:57,830 --> 00:30:55,080

mean in this film you will see how the

665

00:31:00,770 --> 00:30:57,840

phenomenon has influenced and impacted

666

00:31:04,010 --> 00:31:00,780

people's lives on a daily basis and it

667

00:31:07,250 --> 00:31:04,020

is not all roses

668

00:31:09,590 --> 00:31:07,260

okay so I want to sorry I'm gonna jump

669

00:31:13,340 --> 00:31:09,600

around a little bit because I'm the

670

00:31:15,200 --> 00:31:13,350

comments are going quickly here is this

671

00:31:16,700 --> 00:31:15,210

gonna be Bob's definitive story like

672

00:31:20,690 --> 00:31:16,710

after this without giving too much away

673

00:31:23,930 --> 00:31:20,700

is this the final this is what happened

674

00:31:25,730 --> 00:31:23,940

and yeah that's what that's what that's

675

00:31:27,710 --> 00:31:25,740

what bob says I mean he says nothing

676
00:31:28,310 --> 00:31:27,720
after this is worth [h__h] you know this

677
00:31:33,590 --> 00:31:28,320
is it

678
00:31:35,330 --> 00:31:33,600
here's the story prove it anything else

679
00:31:36,530 --> 00:31:35,340
you can he's not interested in proving

680
00:31:39,350 --> 00:31:36,540
his story anymore he's interested in

681
00:31:41,660 --> 00:31:39,360
just you not [h__h] up his story making

682
00:31:43,640 --> 00:31:41,670
sure that you you you know you're

683
00:31:45,020 --> 00:31:43,650
articulated right that you don't insert

684
00:31:49,669 --> 00:31:45,030
your own things so from his perspective

685
00:31:53,000 --> 00:31:49,679
this is it it's hard to pack all of that

686
00:31:55,760 --> 00:31:53,010
into a maybe a two hour movie so we'll

687
00:31:59,960 --> 00:31:55,770
see you know how best to handle it but

688
00:32:03,049 --> 00:31:59,970

yeah this is the definitive story this

689

00:32:05,090 --> 00:32:03,059

is the definitive movie he's not looking

690

00:32:06,980 --> 00:32:05,100

to do a bunch of these cuz he's just

691

00:32:12,260 --> 00:32:06,990

doing it I'm just begging him to do it

692

00:32:14,180 --> 00:32:12,270

he's doing it yeah you're gonna hate me

693

00:32:16,690 --> 00:32:14,190

for this I am sorry to be all over the

694

00:32:21,500 --> 00:32:16,700

board but I'm going with the flow here

695

00:32:23,870 --> 00:32:21,510

back to skinwalker did you capture any

696

00:32:27,400 --> 00:32:23,880

unusual activity or is that going to be

697

00:32:34,870 --> 00:32:27,410

a secret until we see the film you know

698

00:32:37,190 --> 00:32:34,880

that's I tend to be a barrier because

699

00:32:41,900 --> 00:32:37,200

everybody's expecting to see something

700

00:32:46,910 --> 00:32:41,910

out of the ordinary I can say that the

701
00:32:50,720 --> 00:32:46,920
the information that access to I have

702
00:32:52,160 --> 00:32:50,730
seen some incredible evidence absolutely

703
00:32:54,620 --> 00:32:52,170
and I and I think the skinwalker film

704
00:32:56,650 --> 00:32:54,630
will be focused on evidence you know

705
00:32:59,060 --> 00:32:56,660
whatever that means to an individual I

706
00:33:01,130 --> 00:32:59,070
don't know that I'm gonna include like

707
00:33:02,930 --> 00:33:01,140
these money shots of like unknowns

708
00:33:05,270 --> 00:33:02,940
because that's not what my films are

709
00:33:07,669 --> 00:33:05,280
about my films are more about the

710
00:33:10,419 --> 00:33:07,679
emotional impact the human the human

711
00:33:13,730 --> 00:33:10,429
side the humanity of it the stories

712
00:33:15,680 --> 00:33:13,740
they're kind of more impactful then you

713
00:33:16,760 --> 00:33:15,690

know some of the video that you see but

714

00:33:17,400 --> 00:33:16,770

yeah I mean I've seen some really

715

00:33:19,650 --> 00:33:17,410

spectacular

716

00:33:23,370 --> 00:33:19,660

their video and I've had access to a

717

00:33:24,630 --> 00:33:23,380

really special archive of information in

718

00:33:26,400 --> 00:33:24,640

the film itself

719

00:33:28,980 --> 00:33:26,410

we'll have to see what's included but

720

00:33:31,790 --> 00:33:28,990

really my point is to educate people and

721

00:33:36,030 --> 00:33:31,800

to show the human side of all of this

722

00:33:38,690 --> 00:33:36,040

anybody can debate a video this way or

723

00:33:40,590 --> 00:33:38,700

that way so that's not really my focus

724

00:33:42,540 --> 00:33:40,600

but you never know

725

00:33:44,240 --> 00:33:42,550

so we'll see what what goes in there but

726

00:33:47,540 --> 00:33:44,250

I'm gonna make sure you leave that film

727

00:33:51,180 --> 00:33:47,550

knowing something that you didn't before

728

00:33:54,060 --> 00:33:51,190

it's awesome and this is kind of so rich

729

00:33:55,560 --> 00:33:54,070

has said portals are a reality will you

730

00:33:56,850 --> 00:33:55,570

be allowed to get into the science

731

00:33:58,620 --> 00:33:56,860

behind it and I think that's a good

732

00:34:05,490 --> 00:33:58,630

thing like are you going to rely on

733

00:34:07,680 --> 00:34:05,500

science in this I mean yeah as much as I

734

00:34:10,050 --> 00:34:07,690

can it's much easier to apply science to

735

00:34:13,290 --> 00:34:10,060

the story of lazar because he was very

736

00:34:14,760 --> 00:34:13,300

specific about element 115 grab the a

737

00:34:16,620 --> 00:34:14,770

way it's kind of like the strong nuclear

738

00:34:17,850 --> 00:34:16,630

force and then you know the propagation

739

00:34:19,919 --> 00:34:17,860

of those waves to grab do with

740

00:34:21,630 --> 00:34:19,929

amplifiers you know that's easier to go

741

00:34:23,370 --> 00:34:21,640

into the science of when you're talking

742

00:34:26,419 --> 00:34:23,380

about skinwalker I mean there was a

743

00:34:31,919 --> 00:34:26,429

scientific team on they're both

744

00:34:34,409 --> 00:34:31,929

non-governmental extend point the

745

00:34:36,650 --> 00:34:34,419

phenomenon was quite elusive you know

746

00:34:39,150 --> 00:34:36,660

from being able to replicate certain

747

00:34:41,280 --> 00:34:39,160

experiments their experiments people

748

00:34:43,590 --> 00:34:41,290

have never heard of wild stuff from from

749

00:34:46,409 --> 00:34:43,600

growing plants to try to communicate

750

00:34:48,630 --> 00:34:46,419

with the phenomenon through like jacks

751
00:34:53,400 --> 00:34:48,640
and all these different techniques that

752
00:34:55,530 --> 00:34:53,410
they had but ultimately how can we apply

753
00:34:59,400 --> 00:34:55,540
the scientific method to something that

754
00:35:01,830 --> 00:34:59,410
never repeats itself so what is the

755
00:35:05,520 --> 00:35:01,840
science of an alleged portal I have no

756
00:35:07,290 --> 00:35:05,530
idea we have theory so so maybe you know

757
00:35:09,060 --> 00:35:07,300
maybe I'll try to go down that route but

758
00:35:12,170 --> 00:35:09,070
maybe there will be a number of

759
00:35:16,290 --> 00:35:12,180
installations - the skinwalker film

760
00:35:18,630 --> 00:35:16,300
can't cover it in a single one yeah and

761
00:35:21,950 --> 00:35:18,640
this is actually patty hi patty

762
00:35:25,140 --> 00:35:21,960
is there proof that it is a military

763
00:35:27,750 --> 00:35:25,150

experiment I'm just asking that question

764

00:35:29,940 --> 00:35:27,760

because I have looked deep into this and

765

00:35:30,600 --> 00:35:29,950

there are some indications that there's

766

00:35:34,200 --> 00:35:30,610

has

767

00:35:37,080 --> 00:35:34,210

been military experiments there I do

768

00:35:40,470 --> 00:35:37,090

have some information on that but you

769

00:35:45,480 --> 00:35:40,480

know that is a central question of this

770

00:35:46,860 --> 00:35:45,490

film there are people involved in this

771

00:35:48,570 --> 00:35:46,870

the whole unit to base and remember

772

00:35:51,180 --> 00:35:48,580

skinwalker ranch is that is the most

773

00:35:53,610 --> 00:35:51,190

scientifically studied paranormal for a

774

00:35:56,670 --> 00:35:53,620

lack of a better word hotspot in in

775

00:35:59,330 --> 00:35:56,680

history by both independent scientific

776

00:36:02,790 --> 00:35:59,340

group and then also by our US military

777

00:36:05,160 --> 00:36:02,800

most like the DIA the the intelligence

778

00:36:06,900 --> 00:36:05,170

branch of the Department of Defense most

779

00:36:12,960 --> 00:36:06,910

likely the most scientifically studied

780

00:36:16,350 --> 00:36:12,970

for them but you know really that the

781

00:36:18,990 --> 00:36:16,360

whole Uintah Basin is a hotbed for all

782

00:36:21,780 --> 00:36:19,000

of this so to see individuals and how

783

00:36:25,320 --> 00:36:21,790

they've experienced these things and how

784

00:36:29,790 --> 00:36:25,330

it's impacted their lives that question

785

00:36:31,740 --> 00:36:29,800

comes up if you had a loved one that got

786

00:36:34,260 --> 00:36:31,750

beamed by what looked like a mothership

787

00:36:37,710 --> 00:36:34,270

got a radiation burn and their face was

788

00:36:40,590 --> 00:36:37,720

essentially you know to the bone burn

789

00:36:44,280 --> 00:36:40,600

and then they died of a cancer you had

790

00:36:46,500 --> 00:36:44,290

asked a question is this paranormal or

791

00:36:48,450 --> 00:36:46,510

is this military because if you ask if

792

00:36:50,700 --> 00:36:48,460

it's military then you have the ability

793

00:36:52,230 --> 00:36:50,710

you know to reconcile you have an

794

00:36:56,640 --> 00:36:52,240

ability to get justice you have an

795

00:36:59,610 --> 00:36:56,650

ability to get answers sadly more

796

00:37:02,280 --> 00:36:59,620

indications show that our military

797

00:37:07,730 --> 00:37:02,290

involvement is trying to understand this

798

00:37:11,880 --> 00:37:07,740

than it is being the perpetrator of this

799

00:37:15,810 --> 00:37:11,890

so well I say this one last thing on

800

00:37:18,060 --> 00:37:15,820

skinwalker Pat I lost your comment I

801
00:37:19,980 --> 00:37:18,070
can't scroll down for some reason so if

802
00:37:21,300 --> 00:37:19,990
you want to ask that again in a second

803
00:37:23,550 --> 00:37:21,310
mark wants to know if there's any

804
00:37:30,240 --> 00:37:23,560
connection to Project Paperclip what's

805
00:37:32,850 --> 00:37:30,250
good Walker Project Paperclip was you

806
00:37:36,060 --> 00:37:32,860
know bringing these Nazis over to

807
00:37:38,430 --> 00:37:36,070
essentially you know create a rocket

808
00:37:39,870 --> 00:37:38,440
program so I'll don't see any direct

809
00:37:41,400 --> 00:37:39,880
involvement no I've never heard that

810
00:37:42,420 --> 00:37:41,410
that's never been mentioned I think

811
00:37:46,770 --> 00:37:42,430
that's a

812
00:37:48,390 --> 00:37:46,780
out there theory unless there's some

813
00:37:52,710 --> 00:37:48,400

evidence I don't know but I'm pretty

814

00:37:55,380 --> 00:37:52,720

sure it has nothing to do with that okay

815

00:38:00,329 --> 00:37:55,390

this is funny because this is a question

816

00:38:03,720 --> 00:38:00,339

that actually I I don't think you can

817

00:38:08,339 --> 00:38:03,730

answer this one somebody had asked if

818

00:38:11,970 --> 00:38:08,349

the film covered any raids or any

819

00:38:22,740 --> 00:38:11,980

government interaction on in your film

820

00:38:26,460 --> 00:38:22,750

on United nuclear I did yeah I declined

821

00:38:28,589 --> 00:38:26,470

to answer that I think that you have to

822

00:38:36,720 --> 00:38:28,599

just wait and watch them on that one

823

00:38:39,630 --> 00:38:36,730

yeah I lost past question and she yeah

824

00:38:42,299 --> 00:38:39,640

the question Pat asked was after 25 plus

825

00:38:45,780 --> 00:38:42,309

years is Bob still as convincing as he

826

00:38:48,120 --> 00:38:45,790

was in the original video well you will

827

00:38:50,609 --> 00:38:48,130

have to make that determination that

828

00:38:52,079 --> 00:38:50,619

that's not for me to you know to make

829

00:38:54,329 --> 00:38:52,089

the viewer will have to make that

830

00:38:57,030 --> 00:38:54,339

determination I think that there is a

831

00:38:58,980 --> 00:38:57,040

power in hearing somebody tell a story

832

00:39:01,319 --> 00:38:58,990

if you just brought their face right

833

00:39:04,370 --> 00:39:01,329

next to you know thirty years ago and

834

00:39:07,319 --> 00:39:04,380

now I I think that that's compelling

835

00:39:11,880 --> 00:39:07,329

what I what I will say is that I have

836

00:39:17,160 --> 00:39:11,890

noticed the closer you get to the inner

837

00:39:20,609 --> 00:39:17,170

circle of Bob's life the more convincing

838

00:39:24,000 --> 00:39:20,619

his story is because his mom believes

839

00:39:26,430 --> 00:39:24,010

him his wife believes him his friends

840

00:39:27,990 --> 00:39:26,440

believe him one of his friends said to

841

00:39:30,000 --> 00:39:28,000

me look if you want to know the truth

842

00:39:32,880 --> 00:39:30,010

about UFOs you have to know the truth

843

00:39:35,160 --> 00:39:32,890

about Bob is Bob inherently a liar is he

844

00:39:37,710 --> 00:39:35,170

an honest person that's how you know

845

00:39:39,390 --> 00:39:37,720

this the the truth about UFOs so that

846

00:39:43,400 --> 00:39:39,400

that is one perspective and one way to

847

00:39:46,200 --> 00:39:43,410

look at it but uh I think that the

848

00:39:49,620 --> 00:39:46,210

what's interesting to me is the closer

849

00:39:51,960 --> 00:39:49,630

you get to those that surround Bobby in

850

00:39:55,859 --> 00:39:51,970

his kind of small inner circle of family

851

00:39:59,039 --> 00:39:55,869

and friends the the the the last you

852

00:40:02,779 --> 00:39:59,049

entertain this idea that he's pulling

853

00:40:10,579 --> 00:40:02,789

some charade over on the general public

854

00:40:14,849 --> 00:40:13,109

hady are you trying to go knocking on

855

00:40:21,960 --> 00:40:14,859

his door Patti wants to know if Bob is

856

00:40:24,329 --> 00:40:21,970

still in Michigan I'm Kenny wait what's

857

00:40:27,569 --> 00:40:24,339

the question she wanted to know if he

858

00:40:29,819 --> 00:40:27,579

was still in Michigan bob has a business

859

00:40:32,309 --> 00:40:29,829

that's in Michigan called United nuclear

860

00:40:37,769 --> 00:40:32,319

and anybody can like go online and check

861

00:40:41,730 --> 00:40:37,779

that out it's a cool business I mean you

862

00:40:43,890 --> 00:40:41,740

can get you know tritium this is a piece

863

00:40:46,769 --> 00:40:43,900

of tritium I love this it's radioactive

864

00:40:48,870 --> 00:40:46,779

from the Trinitite you know nuclear test

865

00:40:50,640 --> 00:40:48,880

the first test there's only you know a

866

00:40:52,859 --> 00:40:50,650

tiny little bit of this in the world

867

00:40:54,420 --> 00:40:52,869

because it turned you know through

868

00:40:56,849 --> 00:40:54,430

fusion or something turned it to glass

869

00:40:57,930 --> 00:40:56,859

and it's really beautiful you can get

870

00:41:00,210 --> 00:40:57,940

that I don't know yeah he's got a

871

00:41:01,890 --> 00:41:00,220

beautiful business it's very cool you

872

00:41:04,380 --> 00:41:01,900

know he's trying to bring science to the

873

00:41:05,220 --> 00:41:04,390

everyday person and it has been

874

00:41:06,569 --> 00:41:05,230

successful

875

00:41:08,670 --> 00:41:06,579

he's pretty incredible yeah I mean he

876

00:41:10,950 --> 00:41:08,680

also does contracts math sort of thing

877

00:41:16,049 --> 00:41:10,960

but he's got a shop yeah very cool

878

00:41:17,729 --> 00:41:16,059

United nuclear yeah Jason are you are

879

00:41:19,769 --> 00:41:17,739

you seeing more Bob questions I don't

880

00:41:22,890 --> 00:41:19,779

want to jump back to skinwalker right

881

00:41:24,059 --> 00:41:22,900

yeah yeah let's focus on um lazar stuff

882

00:41:28,829 --> 00:41:24,069

we can do another one for skinwalker

883

00:41:31,200 --> 00:41:28,839

right more questions about Bob Lazar

884

00:41:32,880 --> 00:41:31,210

let's get more Bob Lazar questions that

885

00:41:34,950 --> 00:41:32,890

is what we're trying to focus on here

886

00:41:38,190 --> 00:41:34,960

today I know it's hard to limit yourself

887

00:41:42,979 --> 00:41:38,200

when you have Jeremy okay all right we

888

00:41:45,059 --> 00:41:42,989

got we got so many projects mark has

889

00:41:50,519 --> 00:41:45,069

asked with the recent release by our

890

00:41:53,819 --> 00:41:50,529

government real oh I don't know that

891

00:41:55,140 --> 00:41:53,829

okay do you think Bob might be coming

892

00:42:02,329 --> 00:41:55,150

forward again to share the truth about

893

00:42:06,029 --> 00:42:02,339

aliens bob is totally unimpressed by the

894

00:42:08,849 --> 00:42:06,039

Pentagon's release of the two videos

895

00:42:11,849 --> 00:42:08,859

that they put out

896

00:42:13,890 --> 00:42:11,859

this has nothing to do with that this

897

00:42:17,219 --> 00:42:13,900

Bob coming for it has nothing to do with

898

00:42:20,579 --> 00:42:17,229

whatever the Pentagon is doing however

899

00:42:25,469 --> 00:42:20,589

let's not miss the headline we

900

00:42:28,319 --> 00:42:25,479

absolutely have you know an individual

901

00:42:30,599 --> 00:42:28,329

Lou Elizondo who worked

902

00:42:33,209 --> 00:42:30,609

I mean look Project Blue Book ended our

903

00:42:36,539 --> 00:42:33,219

study of UFOs from the American

904

00:42:38,609 --> 00:42:36,549

government allegedly ended in 1969 with

905

00:42:42,589 --> 00:42:38,619

Project Blue Book we now know that to

906

00:42:44,400 --> 00:42:42,599

not be true definitively that aat IP

907

00:42:47,160 --> 00:42:44,410

advanced the aerospace threat

908

00:42:48,630 --> 00:42:47,170

identification program has been active

909

00:42:52,019 --> 00:42:48,640

now you're not being told the whole

910

00:42:55,410 --> 00:42:52,029

truth that that program existed before

911

00:42:58,469 --> 00:42:55,420

it existed after the 22 million dollars

912

00:43:01,709 --> 00:42:58,479

so that will be revealed a little bit

913

00:43:05,009 --> 00:43:01,719

more in my films but you know big

914

00:43:08,430 --> 00:43:05,019

headline here our government takes this

915

00:43:12,559 --> 00:43:08,440

very seriously there are unknown aerial

916

00:43:14,640 --> 00:43:12,569

threats as they call them that are

917

00:43:17,819 --> 00:43:14,650

moving through our airspace with

918

00:43:19,680 --> 00:43:17,829

impunity they have no classic propulsion

919

00:43:22,049 --> 00:43:19,690

they are for all intents and purpose

920

00:43:24,959 --> 00:43:22,059

they are UFOs they are unidentified in

921

00:43:27,509 --> 00:43:24,969

fact they are craft and craft have

922

00:43:29,759 --> 00:43:27,519

pilots and we do not know who the pilots

923

00:43:32,130 --> 00:43:29,769

are we do not know how the craft propel

924

00:43:35,299 --> 00:43:32,140

themselves and that is a real

925

00:43:38,430 --> 00:43:35,309

announcement from a former government

926
00:43:41,309 --> 00:43:38,440
employee but in charge of a government

927
00:43:43,229 --> 00:43:41,319
program and these two released Pentagon

928
00:43:44,579 --> 00:43:43,239
videos were released exactly for the

929
00:43:49,920 --> 00:43:44,589
reasons they were asked to be released

930
00:43:59,279 --> 00:43:49,930
to show the public that UFOs are indeed

931
00:44:03,089 --> 00:43:59,289
real you know unidentifieds I that's one

932
00:44:04,739 --> 00:44:03,099
thing that Jason and I always say is of

933
00:44:06,959 --> 00:44:04,749
course UFOs are real it's just something

934
00:44:08,999 --> 00:44:06,969
that's unidentified they've always been

935
00:44:11,189 --> 00:44:09,009
real it's whether some UFOs are

936
00:44:13,380 --> 00:44:11,199
extraterrestrial in nature it was the

937
00:44:17,039 --> 00:44:13,390
real question yeah I mean advanced

938
00:44:18,569 --> 00:44:17,049

aerial craft of high technology far

939

00:44:21,260 --> 00:44:18,579

beyond anything that we know with our

940

00:44:25,160 --> 00:44:21,270

physics or human beings have built

941

00:44:28,490 --> 00:44:25,170

or real there are craft hard physical

942

00:44:31,370 --> 00:44:28,500

craft we have alloys that are being

943

00:44:34,220 --> 00:44:31,380

storehouse time at one time they were

944

00:44:37,460 --> 00:44:34,230

being storehouse at Bigelow Aerospace

945

00:44:39,170 --> 00:44:37,470

they actually built facilities to store

946

00:44:42,950 --> 00:44:39,180

house them this is all public

947

00:44:45,500 --> 00:44:42,960

information and in fact it is true so we

948

00:44:47,930 --> 00:44:45,510

are talking about craft of unknown

949

00:44:50,390 --> 00:44:47,940

origin that are far more advanced than

950

00:44:52,730 --> 00:44:50,400

our own craft and they operate from a

951
00:44:55,730 --> 00:44:52,740
level of understanding of physics and

952
00:45:00,190 --> 00:44:55,740
propulsion that we do not have so let's

953
00:45:03,740 --> 00:45:00,200
not mince words these UFOs are in fact

954
00:45:04,790 --> 00:45:03,750
advanced craft of unknown origin now

955
00:45:07,640 --> 00:45:04,800
where they come from

956
00:45:10,340 --> 00:45:07,650
that's up to you who's flying them or

957
00:45:11,990 --> 00:45:10,350
piloting them remotely that's up to you

958
00:45:14,270 --> 00:45:12,000
but they are considered a national

959
00:45:17,560 --> 00:45:14,280
security threat of the highest order and

960
00:45:23,510 --> 00:45:17,570
magnitude and so this is why AAT IP

961
00:45:25,250 --> 00:45:23,520
existed exist now and uh yeah so I don't

962
00:45:28,640 --> 00:45:25,260
know what else to say that's the fact

963
00:45:31,310 --> 00:45:28,650

deal with it I mean this is interesting

964

00:45:33,860 --> 00:45:31,320

um Dave wants to know if Bob ever

965

00:45:35,330 --> 00:45:33,870

appropriated any materials from s4 for

966

00:45:39,890 --> 00:45:35,340

any corporate projects with other

967

00:45:43,130 --> 00:45:39,900

partners meaning did he take any

968

00:45:44,090 --> 00:45:43,140

materials from s4 and utilize them in

969

00:45:47,300 --> 00:45:44,100

private industry

970

00:45:50,120 --> 00:45:47,310

I guess so and that seems very difficult

971

00:45:52,220 --> 00:45:50,130

to do get anything off the base but well

972

00:45:58,640 --> 00:45:52,230

absolutely absolutely not

973

00:46:00,740 --> 00:45:58,650

is the answer for that however if you go

974

00:46:02,180 --> 00:46:00,750

back to the beginning of Bob's story

975

00:46:04,130 --> 00:46:02,190

something he stopped saying probably

976

00:46:06,560 --> 00:46:04,140

five years after he came out was kind of

977

00:46:12,290 --> 00:46:06,570

his trump card you know that that he was

978

00:46:13,460 --> 00:46:12,300

able to get some 115 I'm gonna explain

979

00:46:15,590 --> 00:46:13,470

this in my movie so I'm not gonna

980

00:46:17,060 --> 00:46:15,600

explain it now but he you know he did

981

00:46:19,310 --> 00:46:17,070

claim I mean this is I'm not saying

982

00:46:21,110 --> 00:46:19,320

anything out of school here he did claim

983

00:46:25,430 --> 00:46:21,120

that he was able to procure some of the

984

00:46:28,220 --> 00:46:25,440

115 solid 115 but that's a complex part

985

00:46:32,780 --> 00:46:28,230

of the story the most sensitive part of

986

00:46:38,920 --> 00:46:32,790

his story however I will also stay

987

00:46:46,190 --> 00:46:41,960

that's something he said back then it

988

00:46:48,710 --> 00:46:46,200

has no relevance today none so the other

989

00:46:50,450 --> 00:46:48,720

part of Dave's question and and it

990

00:46:52,790 --> 00:46:50,460

involves John Lear and I know you're

991

00:46:54,860 --> 00:46:52,800

familiar with John Lear yeah it says

992

00:46:57,410 --> 00:46:54,870

there's a public record of a company

993

00:47:02,690 --> 00:46:57,420

formed in Nevada in the early 1990s

994

00:47:07,460 --> 00:47:02,700

found by groom Lake desert desert rat

995

00:47:09,950 --> 00:47:07,470

Glen Campbell I think with John Lear do

996

00:47:11,510 --> 00:47:09,960

you know anything about that all I know

997

00:47:15,320 --> 00:47:11,520

is you should be careful you could sort

998

00:47:16,910 --> 00:47:15,330

with I mean look I'm you know John's an

999

00:47:19,510 --> 00:47:16,920

incredible dude right you know I really

1000

00:47:22,400 --> 00:47:19,520

admire John Lear he's a friend of mine

1001
00:47:26,150 --> 00:47:22,410
when he when he's not pissed at me he's

1002
00:47:28,460 --> 00:47:26,160
a friend of mine and he has done some

1003
00:47:31,400 --> 00:47:28,470
wild things in his life and I did film

1004
00:47:33,890 --> 00:47:31,410
with him for a number of years and there

1005
00:47:36,440 --> 00:47:33,900
will be a movie coming out all about

1006
00:47:38,540 --> 00:47:36,450
John Lear it's not quite time for that

1007
00:47:40,430 --> 00:47:38,550
movie but John has had an extraordinary

1008
00:47:43,310 --> 00:47:40,440
life the youngest guy ever to climb the

1009
00:47:44,990 --> 00:47:43,320
Matterhorn at the time he climbed it one

1010
00:47:46,250 --> 00:47:45,000
of only two people ever to fly under the

1011
00:47:47,780 --> 00:47:46,260
Golden Gate Bridge is because he had a

1012
00:47:50,090 --> 00:47:47,790
blown-out edge and he was gonna crash

1013
00:47:52,640 --> 00:47:50,100

and went right to the bar pretty amazing

1014

00:47:55,850 --> 00:47:52,650

guy and he was at the center and the

1015

00:47:57,530 --> 00:47:55,860

nexus of all UFO stories but even prior

1016

00:48:01,250 --> 00:47:57,540

to 1989

1017

00:48:03,200 --> 00:48:01,260

so Lear is an incredible human being an

1018

00:48:05,120 --> 00:48:03,210

incredible person I do not agree with

1019

00:48:08,420 --> 00:48:05,130

everything that John says he does not

1020

00:48:11,290 --> 00:48:08,430

agree with everything that I say but he

1021

00:48:14,300 --> 00:48:11,300

is a really interesting guy as far as

1022

00:48:15,320 --> 00:48:14,310

the businesses that have been set up or

1023

00:48:19,190 --> 00:48:15,330

not set up I don't even really

1024

00:48:22,240 --> 00:48:19,200

understand that question other than he's

1025

00:48:33,440 --> 00:48:30,470

absolutely um so I guess here rich wants

1026

00:48:36,170 --> 00:48:33,450

to the tic-tac video that was leaked

1027

00:48:39,160 --> 00:48:36,180

Tristan Germany was was real to break

1028

00:48:43,280 --> 00:48:39,170

the story first right

1029

00:48:45,230 --> 00:48:43,290

question well there are two things that

1030

00:48:47,510 --> 00:48:45,240

I said that I think were before the

1031

00:48:50,420 --> 00:48:47,520

curve of it so how did I know before the

1032

00:48:52,880 --> 00:48:50,430

Pentagon release about the UFO tic-tac

1033

00:48:55,790 --> 00:48:52,890

UFO incident I guess that I have

1034

00:48:58,160 --> 00:48:55,800

developed a number of sources within

1035

00:49:01,130 --> 00:48:58,170

this field where people feel comfortable

1036

00:49:03,530 --> 00:49:01,140

if they're in government employment to

1037

00:49:06,410 --> 00:49:03,540

talk with me you know I got tipped off

1038

00:49:07,790 --> 00:49:06,420

and I followed that lead and for a

1039

00:49:10,400 --> 00:49:07,800

couple years developed that lead

1040

00:49:11,960 --> 00:49:10,410

silently and quietly because that's how

1041

00:49:15,770 --> 00:49:11,970

I do it until I have something to say

1042

00:49:19,370 --> 00:49:15,780

and then I saw the impending release of

1043

00:49:21,440 --> 00:49:19,380

this I thought well I might as well talk

1044

00:49:23,870 --> 00:49:21,450

a little bit about that then and put

1045

00:49:26,030 --> 00:49:23,880

that forward it's a very complex issue

1046

00:49:28,670 --> 00:49:26,040

because when you talk with sources and

1047

00:49:31,880 --> 00:49:28,680

they tell you things you can't shield

1048

00:49:33,200 --> 00:49:31,890

them from the the type of hellfire that

1049

00:49:35,770 --> 00:49:33,210

would come down from them telling you

1050

00:49:39,950 --> 00:49:35,780

those things so part of telling secrets

1051
00:49:43,160 --> 00:49:39,960
is keeping secrets and how I knew about

1052
00:49:45,410 --> 00:49:43,170
that was just because I'm an individual

1053
00:49:48,530 --> 00:49:45,420
who has never broken this word as far as

1054
00:49:50,150 --> 00:49:48,540
the integrity of if you tell me

1055
00:49:51,800 --> 00:49:50,160
something about to ask me not to tell

1056
00:49:54,650 --> 00:49:51,810
anybody else then then I won't do it and

1057
00:49:56,900 --> 00:49:54,660
so that has been something that has led

1058
00:49:59,420 --> 00:49:56,910
my career through all of this and people

1059
00:50:01,490 --> 00:49:59,430
trust that now so that's how I knew

1060
00:50:04,370 --> 00:50:01,500
about it was just because I developed

1061
00:50:07,820 --> 00:50:04,380
sources pilots fighter pilots radar

1062
00:50:11,300 --> 00:50:07,830
operators personnel within the military

1063
00:50:14,030 --> 00:50:11,310

that gave me a heads-up that there was a

1064

00:50:16,430 --> 00:50:14,040

major event however I did not know that

1065

00:50:18,440 --> 00:50:16,440

it was going to be the central focus and

1066

00:50:19,790 --> 00:50:18,450

the tip of the spear for what's been

1067

00:50:22,730 --> 00:50:19,800

going on with the Pentagon releases

1068

00:50:24,710 --> 00:50:22,740

although I was informed that they'd like

1069

00:50:27,860 --> 00:50:24,720

that people like to know more about that

1070

00:50:32,330 --> 00:50:27,870

so I encouraged that that's what I can

1071

00:50:35,630 --> 00:50:32,340

say on that yeah okay so Patrick had a

1072

00:50:39,350 --> 00:50:35,640

couple questions he asked first off what

1073

00:50:45,340 --> 00:50:39,360

we were all drinking Patrick who is this

1074

00:50:51,980 --> 00:50:47,690

what are you drinking I don't know I'm

1075

00:50:54,290 --> 00:50:51,990

drinking a lovely Cabernet Sauvignon

1076
00:50:56,390 --> 00:50:54,300
I don't know what I'm drinking because I

1077
00:50:59,630 --> 00:50:56,400
poured my beer in a glass like I'm

1078
00:51:02,900 --> 00:50:59,640
supposed to so it's it's some some some

1079
00:51:06,050 --> 00:51:02,910
type of Sam Adams I know that from a

1080
00:51:07,670 --> 00:51:06,060
12-pack of specialty lagers so some sort

1081
00:51:11,270 --> 00:51:07,680
of Sam Adams but thanks for asking

1082
00:51:13,460 --> 00:51:11,280
Cheers I'm drinking a Grinch hunting

1083
00:51:15,410 --> 00:51:13,470
juice because I hunt grinchies on my

1084
00:51:18,650 --> 00:51:15,420
spare time in the mountains a pioneer

1085
00:51:21,200 --> 00:51:18,660
town so yeah the second part of his

1086
00:51:22,640 --> 00:51:21,210
question back to lazar was are we gonna

1087
00:51:35,600 --> 00:51:22,650
see the 115

1088
00:51:38,900 --> 00:51:35,610

element 115 in your film here I'm having

1089

00:51:43,520 --> 00:51:38,910

a little bit of a delay Jeremy froze and

1090

00:51:45,680 --> 00:51:43,530

I loved it yeah you're taking a big swig

1091

00:51:47,480 --> 00:51:45,690

of the Grinch juice mm-hmm all right cuz

1092

00:51:52,820 --> 00:51:47,490

although that is a cool shot to get

1093

00:51:57,590 --> 00:51:52,830

stuck on yeah podcast or whatever all

1094

00:52:00,650 --> 00:51:57,600

right yeah so did you hear my answer

1095

00:52:03,320 --> 00:52:00,660

though you said you don't know yeah I

1096

00:52:06,320 --> 00:52:03,330

don't know I don't know I mean look that

1097

00:52:08,300 --> 00:52:06,330

would be so cool you know the answer to

1098

00:52:10,100 --> 00:52:08,310

that is probably gonna be you know no

1099

00:52:12,170 --> 00:52:10,110

you know who would have stabilized

1100

00:52:14,930 --> 00:52:12,180

element 115 you know 30 years later

1101
00:52:17,090 --> 00:52:14,940
that's ridiculous but there are some

1102
00:52:19,190 --> 00:52:17,100
there are some things historically that

1103
00:52:21,920 --> 00:52:19,200
I'll try to bring to light so the answer

1104
00:52:23,560 --> 00:52:21,930
is no because who would have that after

1105
00:52:26,090 --> 00:52:23,570
30 years and then the other thing is

1106
00:52:30,020 --> 00:52:26,100
there might be some historic footage of

1107
00:52:32,410 --> 00:52:30,030
cool stuff okay this this came up before

1108
00:52:35,510 --> 00:52:32,420
and I think I missed asking it but

1109
00:52:37,730 --> 00:52:35,520
Mike and whoever else asked before have

1110
00:52:39,680 --> 00:52:37,740
want to know about Dennis has been there

1111
00:52:45,080 --> 00:52:39,690
been a search for him and Dennis was

1112
00:52:48,580 --> 00:52:45,090
Bob's before oh man no that's it that's

1113
00:52:52,760 --> 00:52:48,590

actually a really incredible question I

1114

00:52:54,590 --> 00:52:52,770

am very good at finding people

1115

00:52:56,750 --> 00:52:54,600

to the to the point where it's creepy

1116

00:52:59,750 --> 00:52:56,760

okay so I can usually find just about

1117

00:53:02,090 --> 00:52:59,760

anybody and I have this little game with

1118

00:53:05,000 --> 00:53:02,100

Bob that I play probably every you know

1119

00:53:06,620 --> 00:53:05,010

a few months I show my photo is this the

1120

00:53:12,110 --> 00:53:06,630

miss Mariani you know it's like it's

1121

00:53:16,960 --> 00:53:12,120

ridiculous and I have not found the

1122

00:53:21,530 --> 00:53:16,970

Dennis Mariani at this point today as of

1123

00:53:25,520 --> 00:53:21,540

7:54 p.m. but that would be incredible

1124

00:53:28,670 --> 00:53:25,530

and I have certain things I'm doing to

1125

00:53:31,310 --> 00:53:28,680

try to go further with that though yeah

1126
00:53:36,650 --> 00:53:31,320
but I but I have found people that you

1127
00:53:39,200 --> 00:53:36,660
would not expect dun dun dun okay rich

1128
00:53:44,960 --> 00:53:39,210
really wants to know if you've met Bob

1129
00:53:48,260 --> 00:53:44,970
Nichol oh no that'd be great rich now I

1130
00:53:51,260 --> 00:53:48,270
can't say I've ever met Bob Bigelow but

1131
00:53:54,110 --> 00:53:51,270
you know I admire Bob Bigelow you know

1132
00:53:57,470 --> 00:53:54,120
he's done a lot of things behind the

1133
00:54:01,010 --> 00:53:57,480
scenes for the UFO topic and he's done

1134
00:54:04,700 --> 00:54:01,020
it without asking for anything in return

1135
00:54:06,500 --> 00:54:04,710
other than just trying to help fund the

1136
00:54:09,020 --> 00:54:06,510
research there are a lot of people I

1137
00:54:12,440 --> 00:54:09,030
know have worked completely under the

1138
00:54:16,180 --> 00:54:12,450

radar with him to do that I so I admire

1139

00:54:19,790 --> 00:54:16,190

what he's done and I think that people

1140

00:54:23,150 --> 00:54:19,800

you know like to vilify him or say that

1141

00:54:25,550 --> 00:54:23,160

he is withholding information and and

1142

00:54:28,630 --> 00:54:25,560

that couldn't be farther from the truth

1143

00:54:32,270 --> 00:54:28,640

you know he's a really interesting

1144

00:54:34,460 --> 00:54:32,280

individual but uh no I try to spend my

1145

00:54:39,700 --> 00:54:34,470

time with my family and my wife and not

1146

00:54:44,210 --> 00:54:42,080

I could be wrong but I'm pretty sure

1147

00:54:47,570 --> 00:54:44,220

Jason weren't we at an event where bob

1148

00:54:50,750 --> 00:54:47,580

was at but we didn't know at the time so

1149

00:54:53,180 --> 00:54:50,760

we just were oblivious to it one of our

1150

00:54:54,860 --> 00:54:53,190

first of congress's I think yeah what

1151
00:54:59,900 --> 00:54:54,870
would you do I mean the guy you know

1152
00:55:02,570 --> 00:54:59,910
he's you know you he's done so much in

1153
00:55:04,370 --> 00:55:02,580
this realm to try to help uplift it

1154
00:55:07,190 --> 00:55:04,380
without asking for anything in return

1155
00:55:09,380 --> 00:55:07,200
and you know it's just like what would

1156
00:55:12,080 --> 00:55:09,390
he really have to say I mean I'm sure

1157
00:55:13,250 --> 00:55:12,090
people try to get to him all the time

1158
00:55:15,050 --> 00:55:13,260
you know because he's a billionaire

1159
00:55:17,450 --> 00:55:15,060
because they think they can get

1160
00:55:18,060 --> 00:55:17,460
something from him and it just disgusts

1161
00:55:19,410 --> 00:55:18,070
me

1162
00:55:22,110 --> 00:55:19,420
and you know people try to do that

1163
00:55:25,410 --> 00:55:22,120

through everybody so no I have no

1164

00:55:27,660 --> 00:55:25,420

connection to him and in fact you know

1165

00:55:30,270 --> 00:55:27,670

George Knapp has always just reported on

1166

00:55:33,030 --> 00:55:30,280

what Bob was doing he has no connection

1167

00:55:35,810 --> 00:55:33,040

you know the you know to Bob other than

1168

00:55:38,400 --> 00:55:35,820

he's a friend to to George I'm sure and

1169

00:55:39,510 --> 00:55:38,410

you know George is just reported because

1170

00:55:41,900 --> 00:55:39,520

he's kind of one of the most interesting

1171

00:55:45,510 --> 00:55:41,910

men in the world

1172

00:55:47,580 --> 00:55:45,520

absolutely um we only have time for like

1173

00:55:50,790 --> 00:55:47,590

one or two more questions so if you have

1174

00:55:53,390 --> 00:55:50,800

any pressing ones ask away but I should

1175

00:55:56,760 --> 00:55:53,400

also mention we have a full interview

1176

00:55:59,820 --> 00:55:56,770

coming up with Jeremy in the next

1177

00:56:02,730 --> 00:55:59,830

episode of spacing out which will

1178

00:56:06,570 --> 00:56:02,740

probably be I can't give you an exact

1179

00:56:08,940 --> 00:56:06,580

date maybe next week Jason yeah okay um

1180

00:56:11,520 --> 00:56:08,950

so anyways like said last pressing

1181

00:56:13,710 --> 00:56:11,530

questions get them in quick because you

1182

00:56:17,820 --> 00:56:13,720

got four minutes and try to have them

1183

00:56:18,510 --> 00:56:17,830

bob lazar related please yeah sorry mark

1184

00:56:20,100 --> 00:56:18,520

not this time

1185

00:56:25,890 --> 00:56:20,110

well we'll bring Jeremy back for another

1186

00:56:28,200 --> 00:56:25,900

one I use for sure I mean go ahead

1187

00:56:30,390 --> 00:56:28,210

oh just I see one you know has Bob

1188

00:56:32,970 --> 00:56:30,400

commented on the Nimitz gimbal videos

1189

00:56:37,290 --> 00:56:32,980

you know the last time that we were

1190

00:56:38,940 --> 00:56:37,300

filming Bob was out at my ranch and we

1191

00:56:41,490 --> 00:56:38,950

ain't know George that happened to go on

1192

00:56:43,890 --> 00:56:41,500

air and he had how put off an hour Davis

1193

00:56:46,070 --> 00:56:43,900

from skinwalker and they were talking

1194

00:56:49,250 --> 00:56:46,080

about the the newer stuff and I think

1195

00:56:51,960 --> 00:56:49,260

from Bob's perspective I think he's very

1196

00:56:54,140 --> 00:56:51,970

full of the government because of what

1197

00:56:58,380 --> 00:56:54,150

they've you know done to his life and

1198

00:57:00,510 --> 00:56:58,390

what he experienced so I think you know

1199

00:57:02,670 --> 00:57:00,520

possibly he's interested on why they're

1200

00:57:04,530 --> 00:57:02,680

releasing these FLIR videos clearly we

1201
00:57:07,200 --> 00:57:04,540
have much better footage I mean if you

1202
00:57:09,450 --> 00:57:07,210
know it is obvious that we could put out

1203
00:57:11,670 --> 00:57:09,460
definitive proof as a government and say

1204
00:57:13,470 --> 00:57:11,680
here here you go so what is the game

1205
00:57:17,580 --> 00:57:13,480
being played here but no I don't think

1206
00:57:19,050 --> 00:57:17,590
he follows UFO news in any way in fact I

1207
00:57:21,960 --> 00:57:19,060
think he's kind of in Bob world like he

1208
00:57:25,020 --> 00:57:21,970
focuses on his own scientific research

1209
00:57:27,420 --> 00:57:25,030
his own company what what he's doing his

1210
00:57:29,190 --> 00:57:27,430
wife his loved ones you know that's his

1211
00:57:31,859 --> 00:57:29,200
small circle because you know the the

1212
00:57:33,660 --> 00:57:31,869
world at large has really attacked him

1213
00:57:35,999 --> 00:57:33,670

or embraced him without any evidence

1214

00:57:40,529 --> 00:57:36,009

either way it's it's it's uncomfortable

1215

00:57:44,099 --> 00:57:40,539

so yeah I think the answer to that is I

1216

00:57:45,690 --> 00:57:44,109

other than calling [h__h] on a few

1217

00:57:51,989 --> 00:57:45,700

things I don't think that he really

1218

00:57:54,390 --> 00:57:51,999

cares and that's always been his

1219

00:57:57,930 --> 00:57:54,400

attitude he said that his attitude with

1220

00:57:59,039 --> 00:57:57,940

all the haters like he doesn't care no I

1221

00:58:01,039 --> 00:57:59,049

don't think he has time to care that's

1222

00:58:04,380 --> 00:58:01,049

right he's living his life

1223

00:58:11,009 --> 00:58:04,390

good for him I think that's admirable

1224

00:58:12,809 --> 00:58:11,019

yeah yeah okay um so what made him

1225

00:58:17,370 --> 00:58:12,819

choose you is what some people want to

1226

00:58:19,109 --> 00:58:17,380

know to tell his story to uh I mean I'd

1227

00:58:21,239 --> 00:58:19,119

like to say that he thought that I was

1228

00:58:24,269 --> 00:58:21,249

very fair about the way that I make

1229

00:58:26,759 --> 00:58:24,279

films and that I was articulate with the

1230

00:58:30,749 --> 00:58:26,769

films and that my filmmaking is really

1231

00:58:33,930 --> 00:58:30,759

good I mean I'd like to think that maybe

1232

00:58:36,210 --> 00:58:33,940

I'm just the guy that's there that's

1233

00:58:39,509 --> 00:58:36,220

willing to do it without a particular

1234

00:58:42,180 --> 00:58:39,519

bias or agenda and you know I'd like to

1235

00:58:43,890 --> 00:58:42,190

think he respects my filmmaking maybe I

1236

00:58:45,420 --> 00:58:43,900

was just the guy that was there i mean

1237

00:58:47,519 --> 00:58:45,430

bob has become a friend over the years

1238

00:58:50,450 --> 00:58:47,529

so I was able to see a story from that

1239

00:58:52,769 --> 00:58:50,460

perspective I don't know I don't know

1240

00:58:56,160 --> 00:58:52,779

maybe I pushed him a little bit maybe I

1241

00:58:58,190 --> 00:58:56,170

egged them on or I don't know you know

1242

00:59:00,900 --> 00:58:58,200

hopefully he just respects my film work

1243

00:59:03,960 --> 00:59:00,910

well I think we're all excited to see

1244

00:59:06,390 --> 00:59:03,970

the film and one more time let's tease

1245

00:59:09,150 --> 00:59:06,400

it when can we expect to see the film

1246

00:59:12,690 --> 00:59:09,160

and where can people go to learn more

1247

00:59:14,220 --> 00:59:12,700

about the film ok so to learn more about

1248

00:59:15,749 --> 00:59:14,230

the film I'm gonna be putting everything

1249

00:59:17,910 --> 00:59:15,759

out through my website so go to

1250

00:59:19,589 --> 00:59:17,920

extraordinary beliefs calm and I'll be

1251

00:59:21,509 --> 00:59:19,599

tripping little bits here or there

1252

00:59:23,609 --> 00:59:21,519

there'll be a big press announcement

1253

00:59:25,890 --> 00:59:23,619

coming next week in the major trade

1254

00:59:28,440 --> 00:59:25,900

magazines that will then hopefully be

1255

00:59:31,039 --> 00:59:28,450

picked up by popular news and that will

1256

00:59:33,539 --> 00:59:31,049

be announcing this to picture deal

1257

00:59:37,710 --> 00:59:33,549

dealing with these two huge topics each

1258

00:59:39,479 --> 00:59:37,720

of them are very huge so to answer your

1259

00:59:41,700 --> 00:59:39,489

question that's where you go look for

1260

00:59:45,840 --> 00:59:41,710

that stuff now when can you expect it

1261

00:59:48,120 --> 00:59:45,850

again just 2018 I mean this is a I mean

1262

00:59:52,350 --> 00:59:48,130

contract you know I'm gonna produce both

1263

00:59:55,020 --> 00:59:52,360

of these films in 2018 both of them soon

1264

00:59:59,370 --> 00:59:55,030

die I would say for the Bob Lazar film I

1265

01:00:01,800 --> 00:59:59,380

want to do a really damn good job you

1266

01:00:04,650 --> 01:00:01,810

know this is a chance to do this right

1267

01:00:06,570 --> 01:00:04,660

artistically and from the information

1268

01:00:07,740 --> 01:00:06,580

and investigation standpoint things are

1269

01:00:11,790 --> 01:00:07,750

breaking every day

1270

01:00:15,510 --> 01:00:11,800

as I get deeper into this so before 2019

1271

01:00:18,510 --> 01:00:15,520

you know right say right before so you

1272

01:00:19,650 --> 01:00:18,520

know Christmas well that's a that's a

1273

01:00:21,990 --> 01:00:19,660

good tease gives us something to look

1274

01:00:24,330 --> 01:00:22,000

forward to we certainly want to thank

1275

01:00:26,010 --> 01:00:24,340

all of you who participated tonight

1276

01:00:27,660 --> 01:00:26,020

thank you for for submitting your

1277

01:00:29,250 --> 01:00:27,670

questions sorry if we didn't get a

1278

01:00:31,170 --> 01:00:29,260

chance to get to all the questions but

1279

01:00:34,200 --> 01:00:31,180

we got some really good ones Thank You

1280

01:00:36,420 --> 01:00:34,210

Jeremy for taking the time to do this to

1281

01:00:38,760 --> 01:00:36,430

answer people's questions I know we

1282

01:00:40,800 --> 01:00:38,770

certainly appreciate it and you know

1283

01:00:43,440 --> 01:00:40,810

it's just a fantastic opportunity to be

1284

01:00:45,030 --> 01:00:43,450

able to have this interaction this live

1285

01:00:48,150 --> 01:00:45,040

interaction with you so thank you so

1286

01:00:50,100 --> 01:00:48,160

much thank you this is new to me I never

1287

01:00:52,350 --> 01:00:50,110

do these kinds of like live you know

1288

01:00:54,390 --> 01:00:52,360

things like on Facebook but I think it

1289

01:00:56,670 --> 01:00:54,400

could be powerful to engage the

1290

01:00:59,730 --> 01:00:56,680

questions that people have because this

1291

01:01:03,330 --> 01:00:59,740

is an opportunity right now if you have

1292

01:01:05,820 --> 01:01:03,340

questions or ideas about the Lazar story

1293

01:01:08,370 --> 01:01:05,830

even the skinwalker story if you tell me

1294

01:01:09,900 --> 01:01:08,380

now they may become part of the film I

1295

01:01:12,060 --> 01:01:09,910

might decide to answer those questions

1296

01:01:13,590 --> 01:01:12,070

or seek answers to those questions so

1297

01:01:15,750 --> 01:01:13,600

it's kind of like a really cool format

1298

01:01:18,450 --> 01:01:15,760

right now for people to submit those

1299

01:01:19,980 --> 01:01:18,460

questions propagates out after this live

1300

01:01:23,240 --> 01:01:19,990

event and you put it to video and all

1301
01:01:26,420 --> 01:01:23,250
this yeah I am asking bring me your best

1302
01:01:30,570 --> 01:01:26,430
questions your your your your greatest

1303
01:01:32,160 --> 01:01:30,580
kind of poignant questions about the

1304
01:01:34,110 --> 01:01:32,170
Lazar case and us also the skinwalker

1305
01:01:36,240 --> 01:01:34,120
case and then I will investigate this

1306
01:01:39,330 --> 01:01:36,250
this is what I'm doing besides editing

1307
01:01:41,760 --> 01:01:39,340
for these films so bring it on so I can

1308
01:01:45,150 --> 01:01:41,770
try to you know satiate public desire

1309
01:01:47,550 --> 01:01:45,160
about learning more about this awesome

1310
01:01:49,320 --> 01:01:47,560
and like Maureen said we have a longer

1311
01:01:51,630 --> 01:01:49,330
interview with Jeremy coming up you can

1312
01:01:53,580 --> 01:01:51,640
find that at our website rogue planet TV

1313
01:01:56,640 --> 01:01:53,590

thank you again so much for joining us

1314

01:01:58,350 --> 01:01:56,650

and we will do this again soon because

1315

01:01:59,560 --> 01:01:58,360

Jeremy of course has many projects he's

1316

01:02:01,420 --> 01:01:59,570

working on

1317

01:02:02,830 --> 01:02:01,430

okay focus some questions on some

1318

01:02:04,810 --> 01:02:02,840

skinwalker and some other things later

1319

01:02:07,230 --> 01:02:04,820

but we really appreciate you guys
