

**ALIEN CONCOON  
BALTIMORE**  
LIVE RECORDING

1  
00:00:20,810 --> 00:00:00,640  
there

2  
00:00:27,769 --> 00:00:25,320  
reading citizens and welcome to unknown

3  
00:00:30,660 --> 00:00:27,779  
[Music]

4  
00:00:33,030 --> 00:00:30,670  
I'm Jason McClellan thanks for hanging

5  
00:00:35,640 --> 00:00:33,040  
out with me November has been a

6  
00:00:37,170 --> 00:00:35,650  
whirlwind of a month for me I just had

7  
00:00:40,080 --> 00:00:37,180  
the pleasure of speaking at Sedona

8  
00:00:42,240 --> 00:00:40,090  
MoveOn in Sedona Arizona on Saturday

9  
00:00:44,250 --> 00:00:42,250  
November 17th I gave a presentation

10  
00:00:45,900 --> 00:00:44,260  
where I shared some highlights from my

11  
00:00:48,390 --> 00:00:45,910  
career as a UFO researcher and

12  
00:00:50,790 --> 00:00:48,400  
journalist but the presentation mainly

13  
00:00:53,160 --> 00:00:50,800

centered around the theme of my book

14

00:00:54,950 --> 00:00:53,170

pointing out the reality that UFOs are

15

00:00:58,320 --> 00:00:54,960

seen by people from all walks of life

16

00:01:00,660 --> 00:00:58,330

not just crazy people as is the commonly

17

00:01:03,299 --> 00:01:00,670

held public perception there was a

18

00:01:03,930 --> 00:01:03,309

really fun lecture and Sedona is always

19

00:01:06,300 --> 00:01:03,940

beautiful

20

00:01:09,810 --> 00:01:06,310

big thanks to Sedona MUFON for inviting

21

00:01:11,850 --> 00:01:09,820

me my friend and rogue planet colleague

22

00:01:13,890 --> 00:01:11,860

Shane hurt and I both attended a special

23

00:01:16,020 --> 00:01:13,900

screening of the first episode of

24

00:01:19,590 --> 00:01:16,030

histories of coming dramatic series

25

00:01:20,100 --> 00:01:19,600

Project Blue Book and this is just my

26

00:01:22,770 --> 00:01:20,110

opinion

27

00:01:25,260 --> 00:01:22,780

but I think this TV show is going to be

28

00:01:28,710 --> 00:01:25,270

amazing history did such an incredible

29

00:01:32,430 --> 00:01:28,720

job with this show it looks rad first of

30

00:01:34,370 --> 00:01:32,440

all but second for UFO fans this show is

31

00:01:37,380 --> 00:01:34,380

something we can really geek out over

32

00:01:40,470 --> 00:01:37,390

it's based on Project Blue Book and the

33

00:01:42,390 --> 00:01:40,480

main character is dr. J Allen Hynek who

34

00:01:44,040 --> 00:01:42,400

is a civilian scientist contracted by

35

00:01:46,470 --> 00:01:44,050

the Air Force to assist with Project

36

00:01:48,300 --> 00:01:46,480

Blue Book specifically in the way of

37

00:01:49,920 --> 00:01:48,310

debunking UFO sightings and providing

38

00:01:51,950 --> 00:01:49,930

prosaic explanations for what people

39

00:01:55,320 --> 00:01:51,960

were reporting from what I've seen

40

00:01:58,380 --> 00:01:55,330

Project Blue Book the TV show does a

41

00:02:01,200 --> 00:01:58,390

great job showing the internal struggle

42

00:02:04,170 --> 00:02:01,210

and frustration Hynek had with that

43

00:02:06,390 --> 00:02:04,180

silly exercise Project Blue Book

44

00:02:10,469 --> 00:02:06,400

premieres on History Channel On January

45

00:02:12,390 --> 00:02:10,479

8th I'm excited for them and of course I

46

00:02:15,660 --> 00:02:12,400

went to Baltimore the weekend of

47

00:02:16,140 --> 00:02:15,670

November 9th for alien Con and that was

48

00:02:18,449 --> 00:02:16,150

awesome

49

00:02:21,149 --> 00:02:18,459

the folks who produced that event did

50

00:02:24,119 --> 00:02:21,159

such an unbelievably amazing job at

51  
00:02:28,500 --> 00:02:24,129  
creating a wonderful hybrid of Comic Con

52  
00:02:30,930 --> 00:02:28,510  
and a UFO conference I met so many rad

53  
00:02:33,090 --> 00:02:30,940  
people there and I truly had so much fun

54  
00:02:34,980 --> 00:02:33,100  
as I mentioned on the last episode of

55  
00:02:37,950 --> 00:02:34,990  
one of the things rogue planet did at

56  
00:02:40,080 --> 00:02:37,960  
alien con was a live onstage podcast

57  
00:02:42,300 --> 00:02:40,090  
recording Ryan Sprague and I did an

58  
00:02:44,850 --> 00:02:42,310  
unknown somewhere in the skies crossover

59  
00:02:48,210 --> 00:02:44,860  
episode for the terrific audience at

60  
00:02:50,220 --> 00:02:48,220  
alien con and so citizens I'm happy to

61  
00:02:53,370 --> 00:02:50,230  
share with you today the somewhere in

62  
00:02:56,940 --> 00:02:53,380  
the skies unknown crossover episode from

63  
00:02:58,860 --> 00:02:56,950

alien contemn or greeting citizens and

64

00:03:02,280 --> 00:02:58,870

welcome to this somewhere in the skies

65

00:03:04,230 --> 00:03:02,290

unknown crossover episode I'm Jason

66

00:03:06,930 --> 00:03:04,240

McClellan and Ryan and I are excited to

67

00:03:09,570 --> 00:03:06,940

be recording this episode live from

68

00:03:11,940 --> 00:03:09,580

alien Con Baltimore and we had the

69

00:03:14,790 --> 00:03:11,950

privilege of being joined today by this

70

00:03:22,590 --> 00:03:14,800

awesome audience at alien Con how are

71

00:03:24,630 --> 00:03:22,600

you guys today we were so worried about

72

00:03:26,130 --> 00:03:24,640

that being so early in the morning so

73

00:03:28,140 --> 00:03:26,140

thank you this is one of the first

74

00:03:30,270 --> 00:03:28,150

sessions that alien cons so yeah we know

75

00:03:32,370 --> 00:03:30,280

it's it's great for you to be here great

76

00:03:34,230 --> 00:03:32,380

that you have some energy to join us

77

00:03:35,400 --> 00:03:34,240

well what about you Ryan are you having

78

00:03:38,040 --> 00:03:35,410

fun at alien Con this isn't your first

79

00:03:41,010 --> 00:03:38,050

car no I did the last event in Pasadena

80

00:03:43,650 --> 00:03:41,020

this past summer which was amazing I had

81

00:03:45,840 --> 00:03:43,660

no idea what to expect as a UFO

82

00:03:48,510 --> 00:03:45,850

researcher you know I watch ancient

83

00:03:50,280 --> 00:03:48,520

aliens I I'm I'm up with the times with

84

00:03:51,690 --> 00:03:50,290

all that but I had no idea what to

85

00:03:53,550 --> 00:03:51,700

expect and when I got there I was blown

86

00:03:55,260 --> 00:03:53,560

away and that's kind of how I feel today

87

00:03:57,180 --> 00:03:55,270

here on the East Coast where I'm

88

00:03:59,100 --> 00:03:57,190

originally from so it's it's good to be

89

00:04:02,310 --> 00:03:59,110

home it's good to see a lot of familiar

90

00:04:03,990 --> 00:04:02,320

faces new faces and I'm pumped man yeah

91

00:04:07,220 --> 00:04:04,000

I love events like this this is my first

92

00:04:10,740 --> 00:04:07,230

alien con but we do a lot of UFO

93

00:04:13,710 --> 00:04:10,750

specific events and a lot of the UFO

94

00:04:15,530 --> 00:04:13,720

conferences are largely academic you

95

00:04:18,180 --> 00:04:15,540

know where they're they're focused on

96

00:04:20,220 --> 00:04:18,190

the large speaker component with

97

00:04:23,550 --> 00:04:20,230

lectures and and talks about various

98

00:04:25,200 --> 00:04:23,560

topics related to UFOs and what I think

99

00:04:27,420 --> 00:04:25,210

England con has done really well with is

100

00:04:28,890 --> 00:04:27,430

blend the two types of conferences that

101

00:04:30,900 --> 00:04:28,900

I go to a lot because I do a lot of

102

00:04:32,910 --> 00:04:30,910

Comic Cons and things like that too and

103

00:04:35,760 --> 00:04:32,920

taking the two kind of blending the best

104

00:04:36,900 --> 00:04:35,770

of both worlds in a topic that's

105

00:04:39,450 --> 00:04:36,910

centered around a topic that we love

106

00:04:41,280 --> 00:04:39,460

yeah absolutely and bringing a lot of

107

00:04:43,920 --> 00:04:41,290

people together that might normally not

108

00:04:45,679 --> 00:04:43,930

we all have this one sort of interest

109

00:04:47,600 --> 00:04:45,689

and passion in common in

110

00:04:49,399 --> 00:04:47,610

you know the question of aliens right

111

00:04:51,049 --> 00:04:49,409

right and you know we're gonna be

112

00:04:52,789 --> 00:04:51,059

talking a lot more about UFOs today

113

00:04:54,469 --> 00:04:52,799

absolutely how they're connected how

114

00:04:56,359 --> 00:04:54,479

they may not be connected stuff like

115

00:04:58,339 --> 00:04:56,369

that yeah so let's get into it so the

116

00:05:01,309 --> 00:04:58,349

focus of our episode today is going to

117

00:05:03,409 --> 00:05:01,319

be specifically on UFO sightings on UFO

118

00:05:07,100 --> 00:05:03,419

experiences extraterrestrial experiences

119

00:05:10,279 --> 00:05:07,110

and we're going to hear some of our

120

00:05:12,079 --> 00:05:10,289

experiences and also some of the

121

00:05:14,689 --> 00:05:12,089

experiences of our attendees here today

122

00:05:16,279 --> 00:05:14,699

so I'm excited for that let's get

123

00:05:18,439 --> 00:05:16,289

started with ours Ryan why don't you

124

00:05:21,229 --> 00:05:18,449

share whatever you would like to share

125

00:05:23,629 --> 00:05:21,239

yeah absolutely I mean so I feel like a

126

00:05:26,600 --> 00:05:23,639

lot of UFO researchers have that origin

127

00:05:29,509 --> 00:05:26,610

story of how they got involved why they

128

00:05:31,790 --> 00:05:29,519

do this with every free moment they have

129

00:05:34,489 --> 00:05:31,800

which is what we do you know we research

130

00:05:36,739 --> 00:05:34,499

study investigate UFOs every waking

131

00:05:40,790 --> 00:05:36,749

moment when we're not you know paying

132

00:05:43,789 --> 00:05:40,800

the bills and everything so for me I had

133

00:05:49,549 --> 00:05:43,799

a UFO event when I was 12 years old

134

00:05:51,409 --> 00:05:49,559

this happened in 1995 and it was off the

135

00:05:54,979 --> 00:05:51,419

st. Lawrence River if anyone's familiar

136

00:05:57,919 --> 00:05:54,989

this was the border between upstate New

137

00:06:01,040 --> 00:05:57,929

York and Canada and the the river

138

00:06:03,619 --> 00:06:01,050

literally connected the two and I was on

139

00:06:05,329 --> 00:06:03,629

a weekend getaway with my parents to go

140

00:06:08,959 --> 00:06:05,339

fishing and we were staying at a motel

141

00:06:11,809 --> 00:06:08,969

right right on the water and it was late

142

00:06:14,179 --> 00:06:11,819

at night and I was listening to Green

143

00:06:17,540 --> 00:06:14,189

Day on my discman that brings it back to

144

00:06:19,639 --> 00:06:17,550

the 90s and I was just you know casting

145

00:06:21,169 --> 00:06:19,649

my reel out bringing it in Kasana

146

00:06:25,459 --> 00:06:21,179

bringing it in and listening to music

147

00:06:27,589 --> 00:06:25,469

and I noticed three lights in the water

148

00:06:29,659 --> 00:06:27,599

and I thought there was something under

149

00:06:33,139 --> 00:06:29,669

the water so I start like peering over

150

00:06:35,419 --> 00:06:33,149

the edge and I noticed that it was not

151

00:06:38,959 --> 00:06:35,429

in the water it was a reflection so

152

00:06:41,479 --> 00:06:38,969

naturally I look up and above me I

153

00:06:44,299 --> 00:06:41,489

couldn't tell you how high up how close

154

00:06:48,319 --> 00:06:44,309

it was but it was three white lights and

155

00:06:51,019 --> 00:06:48,329

a like a reddish orange basketball

156

00:06:53,779 --> 00:06:51,029

shaped thing in the middle it was in a

157

00:06:55,879 --> 00:06:53,789

triangular formation I did not see a

158

00:06:57,469 --> 00:06:55,889

structure to this thing I didn't see

159

00:06:59,399 --> 00:06:57,479

metal I didn't see anything connecting

160

00:07:02,010 --> 00:06:59,409

it but the lights were stationed

161

00:07:03,929 --> 00:07:02,020

they were floating above me and I could

162

00:07:06,149 --> 00:07:03,939

not see the stars or anything behind it

163

00:07:08,429 --> 00:07:06,159

so I am guessing this was a solid object

164

00:07:10,260 --> 00:07:08,439

but I can't say for sure and it was

165

00:07:12,570 --> 00:07:10,270

silent I didn't hear a thing all I could

166

00:07:15,300 --> 00:07:12,580

hear was the water hitting the dock for

167

00:07:17,420 --> 00:07:15,310

us fishing I flung my headphones off

168

00:07:21,420 --> 00:07:17,430

waiting to hear for some sort of

169

00:07:23,489 --> 00:07:21,430

propulsion nothing I was really scared

170

00:07:26,790 --> 00:07:23,499

this thing was floating silently above

171

00:07:29,610 --> 00:07:26,800

me so I tried to yell for my father who

172

00:07:32,100 --> 00:07:29,620

was inside our motel watching a Yankees

173

00:07:35,760 --> 00:07:32,110

game so I couldn't get him away from the

174

00:07:39,629 --> 00:07:35,770

Hat but I was frozen I could feel like a

175

00:07:42,510 --> 00:07:39,639

vibration from the back of my neck going

176

00:07:44,219 --> 00:07:42,520

down into my chest during all this I

177

00:07:46,279 --> 00:07:44,229

don't know what that was maybe I was

178

00:07:48,659 --> 00:07:46,289

just scared maybe whatever this was was

179

00:07:51,119 --> 00:07:48,669

doing something I don't know but I was

180

00:07:52,740 --> 00:07:51,129

frozen I couldn't talk nothing I finally

181

00:07:56,820 --> 00:07:52,750

was able to get a little squeal out and

182

00:07:58,890 --> 00:07:56,830

my dad runs out and as he's coming out

183

00:08:01,739 --> 00:07:58,900

the thing starts going over the water

184

00:08:04,920 --> 00:08:01,749

towards Canada and disappears out of

185

00:08:06,719 --> 00:08:04,930

sight I don't know if it just went over

186

00:08:08,459 --> 00:08:06,729

the horizon or if it actually went into

187

00:08:10,529 --> 00:08:08,469

the water I couldn't tell you but my

188

00:08:13,559 --> 00:08:10,539

father did see the tail end of this

189

00:08:16,079 --> 00:08:13,569

thing so I knew I wasn't just seeing

190

00:08:17,990 --> 00:08:16,089

things he told me it was a plane just a

191

00:08:20,790 --> 00:08:18,000

plane you know doing his fatherly job

192

00:08:25,110 --> 00:08:20,800

but I knew different I saw it right

193

00:08:28,260 --> 00:08:25,120

above me silent massive and the next

194

00:08:29,879 --> 00:08:28,270

morning we went to the motel person and

195

00:08:31,860 --> 00:08:29,889

said did anyone report anything weird he

196

00:08:33,779 --> 00:08:31,870

said no but we get stuff like that all

197

00:08:35,909 --> 00:08:33,789

the time so that scared me even more

198

00:08:38,189 --> 00:08:35,919

this was not the first time a UFO had

199

00:08:42,000 --> 00:08:38,199

been seen in this area again I was 12

200

00:08:44,280 --> 00:08:42,010

years old I it was fear it was just fear

201  
00:08:45,990 --> 00:08:44,290  
I didn't know what it was and that kind

202  
00:08:48,930 --> 00:08:46,000  
of led to an obsession I started taking

203  
00:08:51,720 --> 00:08:48,940  
out books at the library on UFOs and

204  
00:08:54,120 --> 00:08:51,730  
cryptids and all that good stuff and I

205  
00:08:57,509 --> 00:08:54,130  
would have nightmares about what I saw

206  
00:09:00,030 --> 00:08:57,519  
and it just really stuck with me but I

207  
00:09:02,370 --> 00:09:00,040  
wanted to educate myself and I started

208  
00:09:05,040 --> 00:09:02,380  
getting all the books and that's kind of

209  
00:09:07,559 --> 00:09:05,050  
my origin story as it were and that's

210  
00:09:09,360 --> 00:09:07,569  
how I became a UFO researcher we'll see

211  
00:09:11,759 --> 00:09:09,370  
and that's that's a cool thing about

212  
00:09:12,540 --> 00:09:11,769  
your origin story is that it actually is

213  
00:09:16,019 --> 00:09:12,550

tied to us

214

00:09:20,639 --> 00:09:16,029

yeah so you get to tell both of yours in

215

00:09:23,190 --> 00:09:20,649

the same time always fun though I think

216

00:09:25,110 --> 00:09:23,200

I'm gonna start just briefly by

217

00:09:26,280 --> 00:09:25,120

mentioning my sighting of the Phoenix

218

00:09:29,310 --> 00:09:26,290

lights you're probably familiar with the

219

00:09:32,850 --> 00:09:29,320

Phoenix lights it's a large mass UFO

220

00:09:36,630 --> 00:09:32,860

sighting in Arizona and it was in March

221

00:09:40,410 --> 00:09:36,640

of 1997 I was a seventeen year old boy

222

00:09:43,340 --> 00:09:40,420

back then and I grew up in the remote

223

00:09:48,420 --> 00:09:43,350

desert on the outskirts of Phoenix and

224

00:09:50,970 --> 00:09:48,430

on that night I was out forget our

225

00:09:53,009 --> 00:09:50,980

property had like I think our house was

226

00:09:55,079 --> 00:09:53,019

on like an acre or something of nothing

227

00:09:58,550 --> 00:09:55,089

but desert and we had very few neighbors

228

00:10:01,350 --> 00:09:58,560

was very very remote very very lonely

229

00:10:02,480 --> 00:10:01,360

but that night walking walking around

230

00:10:06,569 --> 00:10:02,490

the property

231

00:10:07,920 --> 00:10:06,579

the lights were very hard to miss we saw

232

00:10:12,480 --> 00:10:07,930

a lot of weird things in the sky all the

233

00:10:14,730 --> 00:10:12,490

time and just for fun sometimes we would

234

00:10:17,040 --> 00:10:14,740

go out and watch the military dropping

235

00:10:19,110 --> 00:10:17,050

flares because from where our house was

236

00:10:21,720 --> 00:10:19,120

we had a clear line of sight to the

237

00:10:23,790 --> 00:10:21,730

Barry Goldwater range where the a-10s

238

00:10:26,160 --> 00:10:23,800

frequently dropped the test flares that

239

00:10:29,610 --> 00:10:26,170

were later attributed to the Phoenix

240

00:10:31,319 --> 00:10:29,620

lights but I knew right from the moment

241

00:10:33,180 --> 00:10:31,329

I saw those lights that they were not

242

00:10:35,280 --> 00:10:33,190

military flares I knew that this was

243

00:10:37,550 --> 00:10:35,290

something out of the ordinary something

244

00:10:39,210 --> 00:10:37,560

that I had never seen before and

245

00:10:42,600 --> 00:10:39,220

something that I should probably pay

246

00:10:44,880 --> 00:10:42,610

attention to so I stared at these lights

247

00:10:48,990 --> 00:10:44,890

that were seemingly directly over my

248

00:10:51,900 --> 00:10:49,000

head a series of seven lights and they

249

00:10:54,600 --> 00:10:51,910

were completely motionless completely

250

00:10:57,030 --> 00:10:54,610

silent and did not change in their

251

00:11:00,300 --> 00:10:57,040

formation or their appearance at all

252

00:11:03,360 --> 00:11:00,310

they didn't flicker or change color they

253

00:11:06,540 --> 00:11:03,370

were just a constant steady series of

254

00:11:09,329 --> 00:11:06,550

lights hovering in the sky now this

255

00:11:13,079 --> 00:11:09,339

frustrates me to no end because of my

256

00:11:16,840 --> 00:11:13,089

career now but as a seventeen year old

257

00:11:21,400 --> 00:11:16,850

kid my attention span was very limited

258

00:11:26,050 --> 00:11:21,410

and after 15 minutes or so I kind of

259

00:11:28,499 --> 00:11:26,060

lost interest and went back inside did

260

00:11:30,699 --> 00:11:28,509

something else but I came back later

261

00:11:31,449 --> 00:11:30,709

probably 10 minutes later the lights

262

00:11:35,769 --> 00:11:31,459

were still there

263

00:11:39,240 --> 00:11:35,779

and it gets worse I grabbed our

264

00:11:42,759 --> 00:11:39,250

camcorder and I recorded these lights

265

00:11:44,559 --> 00:11:42,769

for probably 10 minutes I'm pretty sure

266

00:11:48,280 --> 00:11:44,569

that video was recorded over by one of

267

00:11:51,879 --> 00:11:48,290

my brother's soccer games so that that's

268

00:11:54,430 --> 00:11:51,889

haunted me for a while but the Phoenix

269

00:11:56,650 --> 00:11:54,440

lights was was an incredible thing and I

270

00:11:58,509 --> 00:11:56,660

will say that those lights remained out

271

00:12:00,999 --> 00:11:58,519

there and I didn't see them disappear I

272

00:12:04,120 --> 00:12:01,009

don't know how they left but I was aware

273

00:12:07,360 --> 00:12:04,130

that they were there for probably a span

274

00:12:09,819 --> 00:12:07,370

of 45 minutes and I will say recounting

275

00:12:12,069 --> 00:12:09,829

any of my UFO sighting experiences I've

276

00:12:15,639 --> 00:12:12,079

learned over the years and having dealt

277

00:12:17,139 --> 00:12:15,649

with so many experiences from witnesses

278

00:12:17,920 --> 00:12:17,149

and knowing what I know about witness

279

00:12:22,689 --> 00:12:17,930

testimony

280

00:12:25,269 --> 00:12:22,699

valuable valuable I value that probably

281

00:12:28,809 --> 00:12:25,279

over much evidence that there is with

282

00:12:30,730 --> 00:12:28,819

UFO sightings however I do know the

283

00:12:32,740 --> 00:12:30,740

problems with eyewitness testimony

284

00:12:34,960 --> 00:12:32,750

especially with my own I have a terrible

285

00:12:36,850 --> 00:12:34,970

brain and I know thinking back to

286

00:12:40,269 --> 00:12:36,860

something that happened so long ago

287

00:12:42,400 --> 00:12:40,279

I would like to firmly say that

288

00:12:44,079 --> 00:12:42,410

oh I remember there were clearly seven

289

00:12:45,759 --> 00:12:44,089

lights and they clearly did this and I

290

00:12:48,850 --> 00:12:45,769

looked at my watch and it was this time

291

00:12:50,110 --> 00:12:48,860

to the second I have no clue I don't

292

00:12:52,120 --> 00:12:50,120

remember what I had for dinner last week

293

00:12:55,960 --> 00:12:52,130

let alone you know what happened to the

294

00:12:57,790 --> 00:12:55,970

second on a night so long ago so I do

295

00:13:00,370 --> 00:12:57,800

try to preface my stories with that

296

00:13:01,900 --> 00:13:00,380

saying this is what I seem to recall is

297

00:13:05,199 --> 00:13:01,910

what I think happened to the best of my

298

00:13:08,199 --> 00:13:05,209

recollection but not 100% certain so I

299

00:13:10,120 --> 00:13:08,209

try to avoid very firm details with

300

00:13:12,460 --> 00:13:10,130

these stories Phoenix lights however as

301  
00:13:14,050 --> 00:13:12,470  
incredible as it was and it became such

302  
00:13:16,720 --> 00:13:14,060  
a monumental case you know the largest

303  
00:13:18,490 --> 00:13:16,730  
mass sighting in modern history wasn't

304  
00:13:20,860 --> 00:13:18,500  
the one that had the most effect on me

305  
00:13:23,230 --> 00:13:20,870  
and I hate saying this because it makes

306  
00:13:25,600 --> 00:13:23,240  
me sound like a jerk but to this point I

307  
00:13:28,600 --> 00:13:25,610  
mean I I've lost count of how many UFO

308  
00:13:30,180 --> 00:13:28,610  
sightings I've had and when I say UFO

309  
00:13:33,190 --> 00:13:30,190  
sightings again this has come

310  
00:13:34,930 --> 00:13:33,200  
from their perspective of somebody who

311  
00:13:36,430 --> 00:13:34,940  
is a UFO researcher and journalist

312  
00:13:39,190 --> 00:13:36,440  
somebody who's done this professionally

313  
00:13:41,320 --> 00:13:39,200

I was paid a salary full-time 50 hours a

314

00:13:45,420 --> 00:13:41,330

week for a period of seven years to do

315

00:13:48,720 --> 00:13:45,430

nothing but UFO research so I have

316

00:13:52,210 --> 00:13:48,730

reviewed and analyzed literally

317

00:13:54,820 --> 00:13:52,220

thousands of UFO photos and videos and

318

00:13:57,010 --> 00:13:54,830

being a responsible journalist and

319

00:13:59,590 --> 00:13:57,020

researcher I got pretty darn good at

320

00:14:01,780 --> 00:13:59,600

being able to identify mundane things

321

00:14:04,180 --> 00:14:01,790

that they pop up in a lot of UFO photos

322

00:14:06,910 --> 00:14:04,190

and videos to weed those out and focus

323

00:14:09,580 --> 00:14:06,920

on the more interesting cases so when I

324

00:14:11,620 --> 00:14:09,590

talk about my personal UFO sightings

325

00:14:13,180 --> 00:14:11,630

sure I've seen plenty of chunk in the

326

00:14:15,280 --> 00:14:13,190

sky because the sky is littered with

327

00:14:17,350 --> 00:14:15,290

with all sorts of things that we that

328

00:14:20,160 --> 00:14:17,360

looks weird to us but the things based

329

00:14:22,600 --> 00:14:20,170

on my experience that defy explanation

330

00:14:26,350 --> 00:14:22,610

that I haven't been able to put an

331

00:14:29,110 --> 00:14:26,360

answer to it's I've lost count but I'd

332

00:14:32,170 --> 00:14:29,120

say typically it's about a dozen to this

333

00:14:33,820 --> 00:14:32,180

point and again the Phoenix lights isn't

334

00:14:36,040 --> 00:14:33,830

the most exciting one to me although

335

00:14:37,990 --> 00:14:36,050

it's the most well-known and became this

336

00:14:39,370 --> 00:14:38,000

this giant thing as it should because

337

00:14:42,340 --> 00:14:39,380

it's incredibly important and

338

00:14:44,590 --> 00:14:42,350

fascinating I think my first sighting as

339

00:14:47,920 --> 00:14:44,600

a researcher happened with the aid of

340

00:14:49,870 --> 00:14:47,930

night vision and if you've ever had the

341

00:14:53,140 --> 00:14:49,880

ability to use night vision and go sky

342

00:14:55,480 --> 00:14:53,150

watching it is incredible you see all

343

00:14:57,970 --> 00:14:55,490

sorts of stuff that you have no idea is

344

00:15:00,820 --> 00:14:57,980

there and again a lot of this stuff is

345

00:15:03,580 --> 00:15:00,830

normal stuff that should be there but

346

00:15:06,160 --> 00:15:03,590

then there are the things that make you

347

00:15:08,290 --> 00:15:06,170

scratch your head and maybe sometimes

348

00:15:12,430 --> 00:15:08,300

pee-your-pants but once they scratch

349

00:15:14,020 --> 00:15:12,440

your head for yourself and yeah one of

350

00:15:16,420 --> 00:15:14,030

the one of the first first times I I

351

00:15:21,010 --> 00:15:16,430

went a did an outing with with night

352

00:15:23,440 --> 00:15:21,020

vision I did see the objects that you

353

00:15:25,210 --> 00:15:23,450

hear reference so often of things moving

354

00:15:27,580 --> 00:15:25,220

through the sky seemingly like

355

00:15:29,500 --> 00:15:27,590

satellites with a similar behavior and

356

00:15:33,760 --> 00:15:29,510

appearance of a satellite moving through

357

00:15:36,760 --> 00:15:33,770

the sky but then stopping remaining in

358

00:15:38,620 --> 00:15:36,770

that same point and then shooting off in

359

00:15:39,340 --> 00:15:38,630

another direction and disappearing from

360

00:15:43,910 --> 00:15:39,350

sight

361

00:15:46,280 --> 00:15:43,920

those situations just take your breath

362

00:15:49,579 --> 00:15:46,290

away you're all that that can't happen

363

00:15:53,530 --> 00:15:49,589

but it just did so those are some of the

364

00:15:57,019 --> 00:15:53,540

better ones that leave me very excited

365

00:15:59,479 --> 00:15:57,029

and have happened multiple times but

366

00:16:02,179 --> 00:15:59,489

there's been a lot of weird sightings

367

00:16:03,679 --> 00:16:02,189

too I mean they're all weird but you

368

00:16:05,809 --> 00:16:03,689

know Ryan mentioned a triangular shape

369

00:16:09,739 --> 00:16:05,819

that's a probably the most commonly

370

00:16:11,900 --> 00:16:09,749

cited shape today but they run the gamut

371

00:16:13,729 --> 00:16:11,910

they really do and I love the names they

372

00:16:15,530 --> 00:16:13,739

come up with especially in the UK they

373

00:16:17,210 --> 00:16:15,540

have like hamburger shaped UFOs and

374

00:16:19,460 --> 00:16:17,220

things are great I've never seen a

375

00:16:22,579 --> 00:16:19,470

hamburger shaped UFO but I have seen a

376

00:16:24,799 --> 00:16:22,589

rectangle UFO and that one was was

377

00:16:26,749 --> 00:16:24,809

hovering above the freeway I was driving

378

00:16:28,189 --> 00:16:26,759

down the freeway and saw this object and

379

00:16:31,220 --> 00:16:28,199

it was it was dark so you couldn't

380

00:16:33,619 --> 00:16:31,230

really see or make out a shape of an

381

00:16:34,729 --> 00:16:33,629

object until I was directly under it and

382

00:16:37,009 --> 00:16:34,739

I could see that this object was

383

00:16:41,210 --> 00:16:37,019

motionless over the freeway and it was

384

00:16:43,489 --> 00:16:41,220

probably again Who am i but to make this

385

00:16:45,499 --> 00:16:43,499

assessment but I'm guessing it was about

386

00:16:47,659 --> 00:16:45,509

a hundred feet off the ground but

387

00:16:52,189 --> 00:16:47,669

looking up at it as we drove under it

388

00:16:55,850 --> 00:16:52,199

I could see edges and it had lights it

389

00:16:58,369 --> 00:16:55,860

had round big round lights on each edge

390

00:17:02,239 --> 00:16:58,379

of it so it was just a big big rectangle

391

00:17:05,960 --> 00:17:02,249

with two circular lights gigantic craft

392

00:17:07,429 --> 00:17:05,970

just hovering over the freeway and I've

393

00:17:10,129 --> 00:17:07,439

seen those actually a couple of times

394

00:17:12,559 --> 00:17:10,139

you know I've spoken to many witnesses

395

00:17:14,569 --> 00:17:12,569

who've seen very similar craft as well

396

00:17:17,480 --> 00:17:14,579

yeah it really does run the gamut the

397

00:17:20,480 --> 00:17:17,490

days of flying saucers have come and

398

00:17:22,909 --> 00:17:20,490

gone I mean that was a product of its

399

00:17:25,519 --> 00:17:22,919

time but we know now like people are

400

00:17:28,340 --> 00:17:25,529

seeing the weirdest things you can

401  
00:17:31,879 --> 00:17:28,350  
possibly think of some even seem organic

402  
00:17:35,480 --> 00:17:31,889  
I've come across cases where people see

403  
00:17:37,700 --> 00:17:35,490  
things like almost breathing or thriving

404  
00:17:41,210 --> 00:17:37,710  
in the sky like some sort of biological

405  
00:17:43,940 --> 00:17:41,220  
entity almost it's very interesting just

406  
00:17:45,950 --> 00:17:43,950  
you know trying to we we spent so much

407  
00:17:48,919 --> 00:17:45,960  
time trying to put things in a box but

408  
00:17:50,960 --> 00:17:48,929  
we can we can't I don't think anyone

409  
00:17:51,350 --> 00:17:50,970  
really can when it comes to having the

410  
00:17:53,500 --> 00:17:51,360  
UFO

411  
00:17:56,030 --> 00:17:53,510  
setting because it is something you've

412  
00:17:59,150 --> 00:17:56,040  
sort of you've never experienced before

413  
00:18:00,340 --> 00:17:59,160

you there's no box to put it in and

414

00:18:04,580 --> 00:18:00,350

again I always try to keep an open mind

415

00:18:06,830 --> 00:18:04,590

even if I think I know an explanation

416

00:18:09,560 --> 00:18:06,840

the the most likely explanation for

417

00:18:11,810 --> 00:18:09,570

something that I've seen I know that

418

00:18:14,600 --> 00:18:11,820

that's just one explanation there could

419

00:18:16,370 --> 00:18:14,610

be other possibilities and one of those

420

00:18:19,039 --> 00:18:16,380

you know speaking about the biologic UFO

421

00:18:21,440 --> 00:18:19,049

that's another example of one of the

422

00:18:25,760 --> 00:18:21,450

weird ones that I've seen with a super

423

00:18:28,610 --> 00:18:25,770

crazy high-powered lens in Mexico City I

424

00:18:31,880 --> 00:18:28,620

watched this object seemingly swim

425

00:18:34,310 --> 00:18:31,890

through the sky and looking back at it

426

00:18:37,159 --> 00:18:34,320

now you know I was fully convinced this

427

00:18:39,020 --> 00:18:37,169

wasn't the case then now I as time

428

00:18:42,950 --> 00:18:39,030

passes I consider the possibility more

429

00:18:44,600 --> 00:18:42,960

and more that yeah it was most likely a

430

00:18:47,000 --> 00:18:44,610

research balloon a weather balloon

431

00:18:49,100 --> 00:18:47,010

because they do have this appearance

432

00:18:51,710 --> 00:18:49,110

that had a long tail where the payload

433

00:18:53,600 --> 00:18:51,720

you know is typically suspended from but

434

00:18:56,990 --> 00:18:53,610

when I was there when I was watching

435

00:19:00,530 --> 00:18:57,000

this thing move on the cameras LCD I

436

00:19:03,610 --> 00:19:00,540

could see these motions I could see what

437

00:19:08,330 --> 00:19:03,620

seemed to be intelligent color shifting

438

00:19:10,549 --> 00:19:08,340

it was wild and so I although I do think

439

00:19:13,760 --> 00:19:10,559

it probably was was a weather balloon

440

00:19:16,220 --> 00:19:13,770

and just a result of seeing with it

441

00:19:18,470 --> 00:19:16,230

being so high in the altitude I had high

442

00:19:20,570 --> 00:19:18,480

altitude and the Sun was reflecting off

443

00:19:23,960 --> 00:19:20,580

at quite a bit causing these seeming

444

00:19:26,270 --> 00:19:23,970

color changes I still come back to that

445

00:19:28,280 --> 00:19:26,280

possibility based on based on what I saw

446

00:19:30,740 --> 00:19:28,290

I'm open to the possibility of the

447

00:19:32,030 --> 00:19:30,750

biologic UFO yeah yeah well Roswell was

448

00:19:35,390 --> 00:19:32,040

a weather balloon too Jason

449

00:19:37,820 --> 00:19:35,400

yeah right well I think we should

450

00:19:40,400 --> 00:19:37,830

probably open it up to hear some of our

451  
00:19:44,030 --> 00:19:40,410  
audience's stories here so if you would

452  
00:19:46,669 --> 00:19:44,040  
like to share a sighting or an encounter

453  
00:19:49,220 --> 00:19:46,679  
that you may have had please come up to

454  
00:19:51,409 --> 00:19:49,230  
the microphone and again we'll try to

455  
00:19:53,510 --> 00:19:51,419  
keep these as brief as possible so we

456  
00:19:54,890 --> 00:19:53,520  
can allow as many people as possible to

457  
00:19:57,169 --> 00:19:54,900  
share stories and again you don't have

458  
00:19:58,640 --> 00:19:57,179  
to share stories you don't have to use

459  
00:20:01,090 --> 00:19:58,650  
your name you don't have to use your

460  
00:20:03,470 --> 00:20:01,100  
name again it's not video it's audio and

461  
00:20:03,960 --> 00:20:03,480  
certainly we'll be around all weekend so

462  
00:20:05,310 --> 00:20:03,970  
if you

463  
00:20:07,290 --> 00:20:05,320

to share your stories with us and not be

464

00:20:07,920 --> 00:20:07,300

recorded that's also a possibility for

465

00:20:10,710 --> 00:20:07,930

you later

466

00:20:13,490 --> 00:20:10,720

so we'll keep talking feel free to come

467

00:20:16,020 --> 00:20:13,500

up to the mic and we'll jump to you as

468

00:20:18,360 --> 00:20:16,030

it seems appropriate

469

00:20:20,280 --> 00:20:18,370

I want point out I'll bring up another

470

00:20:24,060 --> 00:20:20,290

sighting I had in San Diego actually I

471

00:20:26,310 --> 00:20:24,070

was on my way to San Diego and this is

472

00:20:29,280 --> 00:20:26,320

how I get so frustrated at myself with

473

00:20:31,950 --> 00:20:29,290

how lazy and complacent I become with

474

00:20:33,510 --> 00:20:31,960

with UFO sightings because I just I

475

00:20:35,790 --> 00:20:33,520

don't know they don't affect me like

476

00:20:37,170 --> 00:20:35,800

they used to and when I've had a couple

477

00:20:39,930 --> 00:20:37,180

of these sightings where I'm driving and

478

00:20:41,760 --> 00:20:39,940

I see something remarkable and I should

479

00:20:43,770 --> 00:20:41,770

pull over and look at this thing and I

480

00:20:45,900 --> 00:20:43,780

even sometimes have camera equipment in

481

00:20:48,000 --> 00:20:45,910

my car and I don't you know take photos

482

00:20:48,750 --> 00:20:48,010

or video I just keep driving them all oh

483

00:20:51,540 --> 00:20:48,760

that's cool

484

00:20:54,060 --> 00:20:51,550

well that's the biggest issue we run

485

00:20:56,160 --> 00:20:54,070

into with skeptics is why didn't you

486

00:20:57,300 --> 00:20:56,170

record it why don't these people pull

487

00:20:59,760 --> 00:20:57,310

out their cell phone we have the

488

00:21:01,560 --> 00:20:59,770

technology now it's in our pocket every

489

00:21:04,200 --> 00:21:01,570

second why aren't we taking photos and

490

00:21:08,100 --> 00:21:04,210

videos of these things at least from

491

00:21:10,470 --> 00:21:08,110

personal experience I the last thing on

492

00:21:14,760 --> 00:21:10,480

my mind was taking a photo of what I was

493

00:21:17,610 --> 00:21:14,770

seeing I it's a very personal powerful

494

00:21:18,960 --> 00:21:17,620

moment even if it's a prosaic thing

495

00:21:21,060 --> 00:21:18,970

you're looking at that you later

496

00:21:24,180 --> 00:21:21,070

discover was you know something you

497

00:21:26,430 --> 00:21:24,190

misidentified that moment of seeing

498

00:21:29,130 --> 00:21:26,440

something you've never seen before your

499

00:21:31,110 --> 00:21:29,140

total your reality or perception being a

500

00:21:32,790 --> 00:21:31,120

skewed last thing you're thinking of is

501  
00:21:35,550 --> 00:21:32,800  
oh I want to I want to post this on

502  
00:21:37,050 --> 00:21:35,560  
YouTube Instagram it's just I don't

503  
00:21:39,030 --> 00:21:37,060  
think that's really um

504  
00:21:41,520 --> 00:21:39,040  
that's you're in that immediate moment

505  
00:21:43,830 --> 00:21:41,530  
like enjoy it for what it's worth that's

506  
00:21:45,420 --> 00:21:43,840  
that's what I say does it suck because

507  
00:21:47,640 --> 00:21:45,430  
we don't have photographic evidence of

508  
00:21:50,330 --> 00:21:47,650  
what you saw yeah it does but I think

509  
00:21:53,400 --> 00:21:50,340  
UFO sightings are deeply personal and

510  
00:21:55,200 --> 00:21:53,410  
they impact you in your own ways however

511  
00:21:57,720 --> 00:21:55,210  
your beliefs were before that might be

512  
00:21:59,280 --> 00:21:57,730  
shifted they might not who knows but I

513  
00:22:00,570 --> 00:21:59,290

know so many people who are like oh that

514

00:22:02,490 --> 00:22:00,580

was interesting and they went on with

515

00:22:04,620 --> 00:22:02,500

their day yeah well some people it

516

00:22:06,120 --> 00:22:04,630

changed their entire lives yeah so the

517

00:22:08,130 --> 00:22:06,130

last one is San Diego they should have

518

00:22:11,280 --> 00:22:08,140

pulled over for I was actually going out

519

00:22:14,130 --> 00:22:11,290

too to San Diego to see Tom DeLonge a to

520

00:22:16,150 --> 00:22:14,140

the stars and I was driving it was it

521

00:22:18,970 --> 00:22:16,160

was very early in the morning I mean

522

00:22:20,980 --> 00:22:18,980

very like probably an hour or two before

523

00:22:22,510 --> 00:22:20,990

the Sun came up so I was still dark

524

00:22:25,140 --> 00:22:22,520

driving on the road only vehicle on the

525

00:22:27,940 --> 00:22:25,150

road and I saw this light ahead it was

526

00:22:29,980 --> 00:22:27,950

in the sky but I couldn't tell how far

527

00:22:33,280 --> 00:22:29,990

off the road it was I assumed that it

528

00:22:34,870 --> 00:22:33,290

was an airplane but as I kept driving it

529

00:22:37,120 --> 00:22:34,880

seemed to just stay in the same place

530

00:22:39,670 --> 00:22:37,130

and it was there for quite a while and I

531

00:22:41,950 --> 00:22:39,680

had a clear view for a very long stretch

532

00:22:44,220 --> 00:22:41,960

of nothingness Road and so I just

533

00:22:47,350 --> 00:22:44,230

assumed well this must be a planet then

534

00:22:49,450 --> 00:22:47,360

because clearly up my angle I'm out I

535

00:22:51,010 --> 00:22:49,460

can't tell perspective but it's a planet

536

00:22:52,660 --> 00:22:51,020

it hasn't moved it hasn't changed an

537

00:22:55,750 --> 00:22:52,670

appearance and it's it's pretty

538

00:22:57,670 --> 00:22:55,760

prominent so I think it's a planet as I

539

00:22:59,800 --> 00:22:57,680

kept approaching it was still there

540

00:23:01,930 --> 00:22:59,810

that's all that can't be a planet it's

541

00:23:03,100 --> 00:23:01,940

too low in the sky I kept getting closer

542

00:23:05,650 --> 00:23:03,110

and closer and it stayed in that same

543

00:23:07,390 --> 00:23:05,660

spot it's all wait a second I need to

544

00:23:08,860 --> 00:23:07,400

start paying attention to this so as I

545

00:23:11,770 --> 00:23:08,870

got closer and closer I could tell I was

546

00:23:13,450 --> 00:23:11,780

gonna pass directly under it and if I

547

00:23:16,180 --> 00:23:13,460

did I looked up and there was just a

548

00:23:19,000 --> 00:23:16,190

solid light there in the sky pretty far

549

00:23:21,970 --> 00:23:19,010

up but still quite seemingly large and

550

00:23:24,580 --> 00:23:21,980

bright as I passed it I saw a sign for a

551

00:23:26,950 --> 00:23:24,590

rest area so I took the exit got off at

552

00:23:29,530 --> 00:23:26,960

the rest area got out of my car turned

553

00:23:29,890 --> 00:23:29,540

around I was gone his covers nothing

554

00:23:32,080 --> 00:23:29,900

there

555

00:23:35,350 --> 00:23:32,090

yeah welcome to our lives yeah it's

556

00:23:37,450 --> 00:23:35,360

gonna pull over faster yeah yeah hi hi

557

00:23:39,970 --> 00:23:37,460

there I just want to share my story also

558

00:23:43,000 --> 00:23:39,980

I wish I had a closer experience like

559

00:23:45,820 --> 00:23:43,010

you but my friends and I this was back

560

00:23:47,680 --> 00:23:45,830

in the early 90s we were at the

561

00:23:49,960 --> 00:23:47,690

Wachusett reservoir and we were watching

562

00:23:52,810 --> 00:23:49,970

you know the Perseid meteor showers that

563

00:23:55,000 --> 00:23:52,820

night and we were looking up in the sky

564

00:23:56,590 --> 00:23:55,010

and you know fire up everything just

565

00:23:59,290 --> 00:23:56,600

looks like a white dot right those are

566

00:24:02,560 --> 00:23:59,300

the stars and all of a sudden one of

567

00:24:05,980 --> 00:24:02,570

those dots from north to south started

568

00:24:08,080 --> 00:24:05,990

jumping down in a straight line so it

569

00:24:11,170 --> 00:24:08,090

wasn't blinking it was like jumping and

570

00:24:16,030 --> 00:24:11,180

then it stopped in made a perfect

571

00:24:19,090 --> 00:24:16,040

90-degree change to you know to the east

572

00:24:21,700 --> 00:24:19,100

and did the same thing and then blinked

573

00:24:24,040 --> 00:24:21,710

off and I said to my friends did you see

574

00:24:26,440 --> 00:24:24,050

that and they laughed at me I said what

575

00:24:28,690 --> 00:24:26,450

could that possibly be but it was so far

576

00:24:29,420 --> 00:24:28,700

up you could be you know I start that

577

00:24:31,790 --> 00:24:29,430

sort of look like

578

00:24:34,010 --> 00:24:31,800

but it couldn't have been a star because

579

00:24:35,300 --> 00:24:34,020

stars don't move like that yeah so we

580

00:24:36,770 --> 00:24:35,310

really couldn't figure out what it was

581

00:24:39,380 --> 00:24:36,780

but it was exciting

582

00:24:42,140 --> 00:24:39,390

that's terrific yeah I mean the the

583

00:24:45,680 --> 00:24:42,150

whole stopping and making a 90-degree

584

00:24:48,260 --> 00:24:45,690

turn right to me I mean no conventional

585

00:24:50,630 --> 00:24:48,270

aircraft with a pilot could survive

586

00:24:52,730 --> 00:24:50,640

something like that and it was so high

587

00:24:55,000 --> 00:24:52,740

not like you know a Space Station

588

00:24:58,160 --> 00:24:55,010

doesn't do that or anything like that

589

00:25:01,580 --> 00:24:58,170

yeah so you do have to wonder for sure

590

00:25:03,590 --> 00:25:01,590

yeah I mean of course like you want to

591

00:25:06,350 --> 00:25:03,600

jump - it was aliens but we don't know

592

00:25:08,510 --> 00:25:06,360

all right no but at the same time you

593

00:25:10,700 --> 00:25:08,520

have to wonder if it was fun to say I

594

00:25:12,410 --> 00:25:10,710

can my father also had an experience

595

00:25:14,840 --> 00:25:12,420

that he told me about that was a little

596

00:25:17,840 --> 00:25:14,850

closer he was driving down the street

597

00:25:20,840 --> 00:25:17,850

with his wife and off into the woods he

598

00:25:23,420 --> 00:25:20,850

saw these rotating different colored

599

00:25:26,450 --> 00:25:23,430

lights and they both looked and they saw

600

00:25:29,180 --> 00:25:26,460

that it was some kind of typical round

601  
00:25:30,920 --> 00:25:29,190  
craft that was just going through the

602  
00:25:34,430 --> 00:25:30,930  
woods following the road that they were

603  
00:25:36,140 --> 00:25:34,440  
on and eventually you know got to

604  
00:25:38,210 --> 00:25:36,150  
forested and he couldn't see it anymore

605  
00:25:39,770 --> 00:25:38,220  
but I wish I had been there for that one

606  
00:25:42,110 --> 00:25:39,780  
cuz that was a little bit closer of an

607  
00:25:43,850 --> 00:25:42,120  
encounter and I didn't you know but yeah

608  
00:25:45,800 --> 00:25:43,860  
I find it fascinating it's really

609  
00:25:48,170 --> 00:25:45,810  
fascinating yeah yeah a lot of people

610  
00:25:50,870 --> 00:25:48,180  
always say like you know I want to see a

611  
00:25:54,980 --> 00:25:50,880  
UFO I want to see you understand that

612  
00:25:57,530 --> 00:25:54,990  
impulse for sure I'm happy I saw what I

613  
00:26:00,290 --> 00:25:57,540

saw I guess it led me on this path I am

614

00:26:03,230 --> 00:26:00,300

today into this room right now even but

615

00:26:05,120 --> 00:26:03,240

at the same time it was really scary

616

00:26:08,090 --> 00:26:05,130

yeah really scary when you're young like

617

00:26:11,000 --> 00:26:08,100

that yeah it's such a young age yeah it

618

00:26:14,600 --> 00:26:11,010

really I wouldn't say traumatize me but

619

00:26:16,370 --> 00:26:14,610

it definitely changed my perception of

620

00:26:20,360 --> 00:26:16,380

the world but you didn't have missing

621

00:26:23,960 --> 00:26:20,370

time correct that's a tough one I had

622

00:26:26,470 --> 00:26:23,970

what many have coined the odds factor

623

00:26:28,970 --> 00:26:26,480

occur when I had my sighting this

624

00:26:31,610 --> 00:26:28,980

feeling of everything slowing down

625

00:26:33,140 --> 00:26:31,620

around you and your senses are just

626  
00:26:35,420 --> 00:26:33,150  
going all over the place like I said I

627  
00:26:35,960 --> 00:26:35,430  
had this weird vibration going through

628  
00:26:39,740 --> 00:26:35,970  
my body

629  
00:26:41,680 --> 00:26:39,750  
and just everything seemed to be blurry

630  
00:26:44,110 --> 00:26:41,690  
and going in slow motion

631  
00:26:45,999 --> 00:26:44,120  
you know I when I finally did yell for

632  
00:26:48,399 --> 00:26:46,009  
my dad to come out like it felt like

633  
00:26:50,529 --> 00:26:48,409  
forever when in reality it was probably

634  
00:26:52,419 --> 00:26:50,539  
just like that I don't know I don't know

635  
00:26:54,279 --> 00:26:52,429  
how long the event lasted to be

636  
00:26:57,129 --> 00:26:54,289  
completely honest memory is fallible at

637  
00:26:59,139 --> 00:26:57,139  
times what I remember most is how I felt

638  
00:27:01,330 --> 00:26:59,149

and I think that's the same for a lot of

639

00:27:02,830 --> 00:27:01,340

people like they they grab onto that one

640

00:27:05,619 --> 00:27:02,840

thing they know best and that's how they

641

00:27:07,930 --> 00:27:05,629

feel during something not how high up

642

00:27:09,669 --> 00:27:07,940

was it how big was it yeah those things

643

00:27:11,980 --> 00:27:09,679

are great and we would love those as

644

00:27:13,600 --> 00:27:11,990

investigators if we can narrow in we can

645

00:27:15,249 --> 00:27:13,610

try to figure out what it was but at the

646

00:27:17,529 --> 00:27:15,259

same time whatever you saw that night

647

00:27:20,049 --> 00:27:17,539

and whatever your father saw like that's

648

00:27:22,269 --> 00:27:20,059

for you right it's for you thank you

649

00:27:24,759 --> 00:27:22,279

yeah thank you for sharing yeah I will

650

00:27:27,519 --> 00:27:24,769

say that you touched on it a lot of

651  
00:27:29,799 --> 00:27:27,529  
people ask us how do I see a UFO where

652  
00:27:32,009 --> 00:27:29,809  
do I goes go to see a UFO it's something

653  
00:27:34,749 --> 00:27:32,019  
that a lot of people ask and I mean

654  
00:27:36,820 --> 00:27:34,759  
sadly or maybe not so sadly that there

655  
00:27:40,269 --> 00:27:36,830  
is no magic formula to seeing UFO but

656  
00:27:43,389 --> 00:27:40,279  
what I always tell people is just look

657  
00:27:45,340 --> 00:27:43,399  
up if you invest the time you'll

658  
00:27:47,289 --> 00:27:45,350  
probably see something because there's a

659  
00:27:51,009 --> 00:27:47,299  
lot of stuff up there all the time day

660  
00:27:52,960 --> 00:27:51,019  
or night so this guy watching isn't for

661  
00:27:55,149 --> 00:27:52,970  
everybody it can be incredibly boring

662  
00:27:58,240 --> 00:27:55,159  
because it's a lot of time where a lot

663  
00:28:00,789 --> 00:27:58,250

of nothing is happening but the times

664

00:28:03,460 --> 00:28:00,799

I've gone and really spent full nights

665

00:28:05,950 --> 00:28:03,470

staring at the sky you see some of the

666

00:28:08,200 --> 00:28:05,960

greatest stuff even if it's not alien

667

00:28:10,330 --> 00:28:08,210

the things the natural things going on

668

00:28:12,549 --> 00:28:10,340

in our world are just as exciting that

669

00:28:16,749 --> 00:28:12,559

are up there it's it's astounding hi

670

00:28:19,240 --> 00:28:16,759

hello um this was in the 90s I was

671

00:28:20,499 --> 00:28:19,250

visiting a friend in Pagosa Springs

672

00:28:24,249 --> 00:28:20,509

Colorado

673

00:28:26,919 --> 00:28:24,259

right in here dulce mexico so there's a

674

00:28:29,710 --> 00:28:26,929

lot of activity I hear around there so I

675

00:28:32,740 --> 00:28:29,720

was had been interested in UFOs and I

676  
00:28:34,720 --> 00:28:32,750  
was visiting her going and we got there

677  
00:28:38,529 --> 00:28:34,730  
a little late it was dark at that time

678  
00:28:41,769 --> 00:28:38,539  
and we went out on her deck had a great

679  
00:28:44,649 --> 00:28:41,779  
view so I I sort of I saw some planes

680  
00:28:50,649 --> 00:28:44,659  
coming in from the left very long view

681  
00:28:52,450 --> 00:28:50,659  
and so I I said hi hey just joking Wow

682  
00:28:54,430 --> 00:28:52,460  
two planes turned into about eight them

683  
00:28:59,049 --> 00:28:54,440  
being Bing Bing Bing Bing Bing Bing Bing

684  
00:29:02,619 --> 00:28:59,059  
as if they answered me here's a hi Wow

685  
00:29:04,560 --> 00:29:02,629  
Wow very interesting

686  
00:29:07,659 --> 00:29:04,570  
have you tried have you tried that again

687  
00:29:09,820 --> 00:29:07,669  
to go back to well to go back to him

688  
00:29:13,779 --> 00:29:09,830

there must be some familiarity with me

689

00:29:17,080 --> 00:29:13,789

of me because this wasn't a sighting but

690

00:29:20,399 --> 00:29:17,090

this had to do with totally inexplicable

691

00:29:25,450 --> 00:29:20,409

and yes peccable when I was I'm a twin

692

00:29:28,629 --> 00:29:25,460

they liked it study twins I gather and I

693

00:29:32,649 --> 00:29:28,639

must admit about six five six years old

694

00:29:38,070 --> 00:29:32,659

in Indiana used to like to watch for

695

00:29:43,090 --> 00:29:38,080

whatever reason the stars at night and

696

00:29:45,850 --> 00:29:43,100

the Venus Venus I was just fascinated I

697

00:29:47,200 --> 00:29:45,860

was watching every night well and it

698

00:29:48,879 --> 00:29:47,210

must be earlier than that because they

699

00:29:51,279 --> 00:29:48,889

were still in diapers I guess must be

700

00:29:53,680 --> 00:29:51,289

earlier but maybe that's why later

701  
00:29:56,409 --> 00:29:53,690  
I was watching Venus having forgotten

702  
00:29:58,869 --> 00:29:56,419  
about this very small me and my twin

703  
00:30:03,240 --> 00:29:58,879  
brother in Indiana were found outside

704  
00:30:06,759 --> 00:30:03,250  
all the windows closed in the morning

705  
00:30:10,600 --> 00:30:06,769  
wandering around in our diapers doors

706  
00:30:12,730 --> 00:30:10,610  
closed windows closed that was

707  
00:30:16,840 --> 00:30:12,740  
interesting mom told us about it I don't

708  
00:30:20,230 --> 00:30:16,850  
remember specifically and then very

709  
00:30:23,409 --> 00:30:20,240  
shortly after that during the summer we

710  
00:30:28,869 --> 00:30:23,419  
would have simultaneous bleeding noses

711  
00:30:30,100 --> 00:30:28,879  
well duh something's happening there we

712  
00:30:33,539 --> 00:30:30,110  
didn't think anything of it all Glenn

713  
00:30:37,450 --> 00:30:33,549

has a has a bleeding nose oh you do too

714

00:30:40,539 --> 00:30:37,460

we're in separate bedrooms yeah so that

715

00:30:42,669 --> 00:30:40,549

may have been some early connection but

716

00:30:45,070 --> 00:30:42,679

it wasn't visual other than I was

717

00:30:46,869 --> 00:30:45,080

looking at the Stars and and then in

718

00:30:49,330 --> 00:30:46,879

another interesting thing that when you

719

00:30:51,909 --> 00:30:49,340

think about it I had this big fear of

720

00:30:54,070 --> 00:30:51,919

being I didn't have the word abducted

721

00:30:57,039 --> 00:30:54,080

did not have that or kidnapped or

722

00:31:01,299 --> 00:30:57,049

anything but I just knew that I didn't

723

00:31:03,850 --> 00:31:01,309

want to be taken away and I and that

724

00:31:06,549 --> 00:31:03,860

would you that the thing under the

725

00:31:09,100 --> 00:31:06,559

the bad bad guy under the bed kind of

726

00:31:13,120 --> 00:31:09,110

thing or a closet no I was apparently

727

00:31:16,600 --> 00:31:13,130

very rather courageous because I got up

728

00:31:19,990 --> 00:31:16,610

and looked in that closet just to prove

729

00:31:22,570 --> 00:31:20,000

my brother wrong and I'm you see it's a

730

00:31:24,789 --> 00:31:22,580

lot it's a lot these things are very

731

00:31:27,039 --> 00:31:24,799

rarely chronological they're messy

732

00:31:30,780 --> 00:31:27,049

they're again there's snippets of things

733

00:31:33,789 --> 00:31:30,790

that we sometimes try to push down or

734

00:31:37,450 --> 00:31:33,799

don't want to remember but yeah that's

735

00:31:39,220 --> 00:31:37,460

all very interesting yeah he knows what

736

00:31:41,919 --> 00:31:39,230

he knows things we come across that a

737

00:31:44,049 --> 00:31:41,929

lot in researching the quote unquote

738

00:31:51,159 --> 00:31:44,059

abduction phenomenon thanks for filling

739

00:31:52,539 --> 00:31:51,169

in yeah I saw a cartoon because I was

740

00:31:57,100 --> 00:31:52,549

really worried about being taken away

741

00:32:01,750 --> 00:31:57,110

no no why I saw this cartoon of a teddy

742

00:32:04,360 --> 00:32:01,760

bear that that was a paper cartoon teddy

743

00:32:05,860 --> 00:32:04,370

bear and then the teddy bear some bad

744

00:32:07,780 --> 00:32:05,870

people were gonna take these people the

745

00:32:11,799 --> 00:32:07,790

teddy bear became a big bear and

746

00:32:13,930 --> 00:32:11,809

protected her I that was very that was

747

00:32:15,549 --> 00:32:13,940

helped I thought I thought of a teddy

748

00:32:17,380 --> 00:32:15,559

bear every time that would grow into a

749

00:32:19,419 --> 00:32:17,390

grizzly bear and those children were not

750

00:32:21,430 --> 00:32:19,429

being taken away see they were

751  
00:32:22,480 --> 00:32:21,440  
kidnappers I had a word for it then

752  
00:32:24,340 --> 00:32:22,490  
sorry

753  
00:32:26,830 --> 00:32:24,350  
there you go that's those are some

754  
00:32:28,090 --> 00:32:26,840  
experiences of mind wanders thank you

755  
00:32:32,500 --> 00:32:28,100  
thank you so much for sheree much

756  
00:32:33,039 --> 00:32:32,510  
welcome appreciate that hey I'll make

757  
00:32:35,470 --> 00:32:33,049  
this quick

758  
00:32:39,039 --> 00:32:35,480  
I live New Jersey by Fort Dix for

759  
00:32:40,750 --> 00:32:39,049  
McGuire for Lakehurst Naval Station are

760  
00:32:42,370 --> 00:32:40,760  
all together right I'm sure you heard

761  
00:32:45,940 --> 00:32:42,380  
about the finale and getting killed in

762  
00:32:48,010 --> 00:32:45,950  
Fort Dix way back and stuff this was

763  
00:32:50,020 --> 00:32:48,020

back in August this year this would led

764

00:32:52,000 --> 00:32:50,030

me here as my first UFO conference ever

765

00:32:54,370 --> 00:32:52,010

I went outside of my mother's house

766

00:32:57,130 --> 00:32:54,380

right talking on the phone is little

767

00:32:59,140 --> 00:32:57,140

woods a service road and in this big

768

00:33:01,299 --> 00:32:59,150

garden parking lot power lines in front

769

00:33:03,340 --> 00:33:01,309

of me I walk out there talking to my

770

00:33:04,990 --> 00:33:03,350

cousin looking up I think at 8:10 a

771

00:33:07,030 --> 00:33:05,000

movie was coming on so at 8 o'clock I

772

00:33:08,860 --> 00:33:07,040

had like 10 minutes and I look up and

773

00:33:10,210 --> 00:33:08,870

you see a plane flying in the air and I

774

00:33:12,669 --> 00:33:10,220

look over to the left and a lane

775

00:33:13,990 --> 00:33:12,679

approaching and I remember whatever she

776

00:33:15,700 --> 00:33:14,000

was saying I'm like wow I said this

777

00:33:17,710 --> 00:33:15,710

thing's like really bright you know and

778

00:33:19,570 --> 00:33:17,720

she's like maybe it's a UFO

779

00:33:22,120 --> 00:33:19,580

laughs and when I took a step back I

780

00:33:24,340 --> 00:33:22,130

remember the power lines - plane moves

781

00:33:26,950 --> 00:33:24,350

under it because my head moves well this

782

00:33:29,350 --> 00:33:26,960

light like almost followed my head and

783

00:33:30,820 --> 00:33:29,360

I'm laugh-in I'm joking and this thing

784

00:33:32,980 --> 00:33:30,830

started getting closer and closer now am

785

00:33:34,960 --> 00:33:32,990

i my heart started pounding and I'm

786

00:33:36,730 --> 00:33:34,970

saying this can't be happening so

787

00:33:37,900 --> 00:33:36,740

instead of running like I was I stopped

788

00:33:39,370 --> 00:33:37,910

they said let's see if it's really

789

00:33:41,740 --> 00:33:39,380

coming after me and this thing was

790

00:33:43,390 --> 00:33:41,750

coming straight over me so now I ran

791

00:33:45,670 --> 00:33:43,400

when I got to the beginning of the trail

792

00:33:47,800 --> 00:33:45,680

I looked up and it was gone I don't know

793

00:33:50,560 --> 00:33:47,810

what made me look up but about 200 feet

794

00:33:52,480 --> 00:33:50,570

over my head was a ball of light and you

795

00:33:54,940 --> 00:33:52,490

can see something moving in it I entered

796

00:33:57,750 --> 00:33:54,950

a completely different level of fear and

797

00:34:00,340 --> 00:33:57,760

I took off what you said before

798

00:34:02,140 --> 00:34:00,350

brought probably after two steps I felt

799

00:34:04,930 --> 00:34:02,150

like somebody poured cement on me and I

800

00:34:07,180 --> 00:34:04,940

could barely get to the garage I was

801  
00:34:09,220 --> 00:34:07,190  
dragging my feet across the sidewalk as

802  
00:34:11,290 --> 00:34:09,230  
I was trying to like run in and when I

803  
00:34:13,510 --> 00:34:11,300  
got into the garage about a 2 or 3 feet

804  
00:34:16,480 --> 00:34:13,520  
it I felt like I got everything back hmm

805  
00:34:18,630 --> 00:34:16,490  
fell on the ground got up ran in the

806  
00:34:21,970 --> 00:34:18,640  
house my mother sees me all in a panic I

807  
00:34:23,530 --> 00:34:21,980  
don't know what to see you know I'm

808  
00:34:26,410 --> 00:34:23,540  
looking out the windows and everything

809  
00:34:27,390 --> 00:34:26,420  
and then she's like I thought you'd be

810  
00:34:29,440 --> 00:34:27,400  
back earlier

811  
00:34:30,970 --> 00:34:29,450  
what do you mean now I hear the phone

812  
00:34:32,470 --> 00:34:30,980  
ring and it's my phone I don't have an

813  
00:34:34,930 --> 00:34:32,480

arm you know it's in the garage I go

814

00:34:36,790 --> 00:34:34,940

it's under my mother's truck I pick it

815

00:34:38,080 --> 00:34:36,800

up and she's like what's all the

816

00:34:40,060 --> 00:34:38,090

commotion out there and everything

817

00:34:41,560 --> 00:34:40,070

there's helicopters flying in back

818

00:34:44,980 --> 00:34:41,570

around everything and then it dawned on

819

00:34:46,780 --> 00:34:44,990

me it was pitch black out 50 47 minutes

820

00:34:49,630 --> 00:34:46,790

of my life was gone

821

00:34:51,010 --> 00:34:49,640

ran off the clock the question I have

822

00:34:53,320 --> 00:34:51,020

for you is people told me you should go

823

00:34:54,490 --> 00:34:53,330

to hip no therapy or something but other

824

00:34:55,840 --> 00:34:54,500

people tell me not it's like I don't

825

00:34:57,700 --> 00:34:55,850

know whether I want to know what

826

00:35:00,160 --> 00:34:57,710

happened because it blows me away that I

827

00:35:04,300 --> 00:35:00,170

can remember every second from when I

828

00:35:06,760 --> 00:35:04,310

seen it to the garage but 47 minutes ran

829

00:35:08,710 --> 00:35:06,770

off the clock oh yeah incredible but if

830

00:35:10,060 --> 00:35:08,720

you recommend it I don't know still like

831

00:35:12,010 --> 00:35:10,070

up in the air if I even want to know

832

00:35:14,260 --> 00:35:12,020

what happened I never say UFO before I

833

00:35:15,760 --> 00:35:14,270

don't even know what this thing was but

834

00:35:17,020 --> 00:35:15,770

wow that's my story

835

00:35:19,750 --> 00:35:17,030

nothing credible thank you for sharing

836

00:35:24,340 --> 00:35:19,760

in I will just add in terms of

837

00:35:27,120 --> 00:35:24,350

hypnotherapy it's tough it's I think

838

00:35:29,680 --> 00:35:27,130

again it's up to the individual I don't

839

00:35:30,800 --> 00:35:29,690

promote it I also don't condemn it by

840

00:35:32,180 --> 00:35:30,810

any means if

841

00:35:34,970 --> 00:35:32,190

you wanted if you if that's something

842

00:35:38,030 --> 00:35:34,980

you want to do to try to get some stuff

843

00:35:41,690 --> 00:35:38,040

out I say go for it but at the same time

844

00:35:43,880 --> 00:35:41,700

it's hard it's hard because you have to

845

00:35:45,500 --> 00:35:43,890

trust the person you're going to you

846

00:35:48,020 --> 00:35:45,510

have to make sure that there's no sort

847

00:35:50,660 --> 00:35:48,030

of contamination or leading questions

848

00:35:53,510 --> 00:35:50,670

when it comes to all that and it also if

849

00:35:56,480 --> 00:35:53,520

you want to remember what happened is

850

00:35:58,010 --> 00:35:56,490

another big one if your cook if you're

851

00:36:00,800 --> 00:35:58,020

good with what you remember

852

00:36:04,250 --> 00:36:00,810

I say that's enough for me that that

853

00:36:07,130 --> 00:36:04,260

event clearly had an impact on you and I

854

00:36:10,280 --> 00:36:07,140

say run with that not to make light of

855

00:36:14,720 --> 00:36:10,290

any any situation like that but you know

856

00:36:18,140 --> 00:36:14,730

I've certainly been told by many many

857

00:36:23,510 --> 00:36:18,150

many people over the years at UFO

858

00:36:27,410 --> 00:36:23,520

conferences that they can fill in blanks

859

00:36:29,960 --> 00:36:27,420

for me and they have they're happy to

860

00:36:32,030 --> 00:36:29,970

and and have informed me that I'm a

861

00:36:33,890 --> 00:36:32,040

collaborator collaborator with

862

00:36:35,510 --> 00:36:33,900

extraterrestrials and they've been

863

00:36:37,370 --> 00:36:35,520

aboard the same ships I have and I've

864

00:36:39,920 --> 00:36:37,380

been been a commander aboard a ship and

865

00:36:41,750 --> 00:36:39,930

and they were taken the the same night I

866

00:36:44,300 --> 00:36:41,760

was there and they saw me working with

867

00:36:47,840 --> 00:36:44,310

the extraterrestrials so I've heard that

868

00:36:49,790 --> 00:36:47,850

story multiple times so I hear it

869

00:36:53,570 --> 00:36:49,800

without going to hypnotherapist I know a

870

00:36:54,890 --> 00:36:53,580

lot of hypnotherapist Yvonne Smith is a

871

00:36:57,980 --> 00:36:54,900

good one I would recommend if you're

872

00:36:59,750 --> 00:36:57,990

looking for something like that but I

873

00:37:00,200 --> 00:36:59,760

don't know I would take it with a grain

874

00:37:04,190 --> 00:37:00,210

of salt

875

00:37:06,350 --> 00:37:04,200

yeah go to an actual therapist too if

876

00:37:08,360 --> 00:37:06,360

you know good work yeah

877

00:37:10,940 --> 00:37:08,370

yeah if someone who's completely

878

00:37:13,520 --> 00:37:10,950

disconnected from the UFO topic might be

879

00:37:15,710 --> 00:37:13,530

a good choice or again yeah deal with it

880

00:37:20,059 --> 00:37:15,720

on your own terms I guess yeah that's

881

00:37:23,329 --> 00:37:20,069

right yeah it's good advice hello

882

00:37:27,839 --> 00:37:23,339

this this happened about three years ago

883

00:37:31,289 --> 00:37:27,849

and in Ashburn Virginia it's not too far

884

00:37:33,809 --> 00:37:31,299

from Dulles Airport and this was at

885

00:37:36,089 --> 00:37:33,819

nighttime about 8:30 or so I was picking

886

00:37:38,220 --> 00:37:36,099

my daughter up from work and I just

887

00:37:39,750 --> 00:37:38,230

always have a habit of just looking up

888

00:37:45,599 --> 00:37:39,760

at night I don't know why I just always

889

00:37:48,510 --> 00:37:45,609

do and I noticed 12 objects in the sky

890

00:37:51,809 --> 00:37:48,520

and I was like okay this is kind of

891

00:37:53,730 --> 00:37:51,819

strange because there were 12 let's say

892

00:37:55,530 --> 00:37:53,740

flying saucers but like 12 disc-like

893

00:37:57,990 --> 00:37:55,540

objects and they were all kind of

894

00:38:00,900 --> 00:37:58,000

bunched together and they had like it

895

00:38:03,420 --> 00:38:00,910

was like red white and green lights and

896

00:38:05,940 --> 00:38:03,430

they were traveling as a bunch and I

897

00:38:08,220 --> 00:38:05,950

told my kids I had my kids in the car

898

00:38:11,099 --> 00:38:08,230

I was like look you know look what is

899

00:38:12,690 --> 00:38:11,109

that and they're like oh no and so we

900

00:38:14,789 --> 00:38:12,700

watched him for a minute

901  
00:38:17,370 --> 00:38:14,799  
and as I was driving I kept looking I'm

902  
00:38:18,930 --> 00:38:17,380  
like what's going on and then all of a

903  
00:38:22,799 --> 00:38:18,940  
sudden it was like there was a sudden

904  
00:38:25,170 --> 00:38:22,809  
drop and then they darted off in

905  
00:38:27,120 --> 00:38:25,180  
different directions quickly and I've

906  
00:38:29,130 --> 00:38:27,130  
never seen anything like that I'm like

907  
00:38:31,559 --> 00:38:29,140  
planes don't travel like that and planes

908  
00:38:34,260 --> 00:38:31,569  
wouldn't you know do what what I saw

909  
00:38:37,049 --> 00:38:34,270  
like what in the world is that and we

910  
00:38:38,819 --> 00:38:37,059  
were as I was driving I was like oh my

911  
00:38:40,589 --> 00:38:38,829  
goodness I'm so scared I just want to

912  
00:38:41,940 --> 00:38:40,599  
hurry up and get in my house because I

913  
00:38:43,200 --> 00:38:41,950

didn't know what was going on I called

914

00:38:44,609 --> 00:38:43,210

my husband at work he thought I was

915

00:38:46,079 --> 00:38:44,619

crazy I'm like there's something going

916

00:38:47,549 --> 00:38:46,089

on in the sky I don't know if you don't

917

00:38:50,030 --> 00:38:47,559

hear from me again this is what's going

918

00:38:53,099 --> 00:38:50,040

on and

919

00:38:54,750 --> 00:38:53,109

and I told some of my co-workers and

920

00:38:56,190 --> 00:38:54,760

stuff the next day what I saw and

921

00:38:58,109 --> 00:38:56,200

everybody's like oh you're crazy you're

922

00:39:00,210 --> 00:38:58,119

crazy is nothing and you know and we're

923

00:39:02,730 --> 00:39:00,220

so close to Dulles it was planes I'm

924

00:39:04,559 --> 00:39:02,740

like no it's not planes and I have a

925

00:39:05,880 --> 00:39:04,569

cousin who's a pilot and I was telling

926

00:39:08,039 --> 00:39:05,890

him about it he's like no planes don't

927

00:39:10,920 --> 00:39:08,049

act like that so I don't know what it

928

00:39:13,880 --> 00:39:10,930

was but it really scared me yeah it's

929

00:39:16,920 --> 00:39:13,890

it's I feel like it's in our nature to

930

00:39:18,329 --> 00:39:16,930

have that defense first you know we see

931

00:39:20,059 --> 00:39:18,339

something we don't know what it is we

932

00:39:22,740 --> 00:39:20,069

can't explain it's gonna be a threat

933

00:39:24,660 --> 00:39:22,750

possibly a threat you know whereas some

934

00:39:27,150 --> 00:39:24,670

people you know like someone like Travis

935

00:39:28,680 --> 00:39:27,160

Walton saw a UFO nose like I'm gonna go

936

00:39:29,930 --> 00:39:28,690

I'm gonna go out and I want to see

937

00:39:32,510 --> 00:39:29,940

what's going on with this

938

00:39:34,400 --> 00:39:32,520

so those are rare occasions I would say

939

00:39:37,190 --> 00:39:34,410

well not that wonder awe and excitement

940

00:39:39,200 --> 00:39:37,200

takes over it was just it was scary and

941

00:39:41,300 --> 00:39:39,210

I guess what really scare me is the fact

942

00:39:43,579 --> 00:39:41,310

there were so many of them because I I

943

00:39:45,410 --> 00:39:43,589

stopped counting at 12 there may have

944

00:39:46,940 --> 00:39:45,420

been more than that but the fact that

945

00:39:48,589 --> 00:39:46,950

they were just you know they were all

946

00:39:50,390 --> 00:39:48,599

kind of traveling together for a minute

947

00:39:52,670 --> 00:39:50,400

and they just darted I mean like a

948

00:39:54,410 --> 00:39:52,680

sudden drop almost and then this one

949

00:39:57,020 --> 00:39:54,420

went here and this one I mean this in

950

00:40:01,450 --> 00:39:57,030

different directions quickly interesting

951  
00:40:04,220 --> 00:40:01,460  
well thank you thank you it was how

952  
00:40:07,460 --> 00:40:04,230  
common UFOs are I mean they're seen

953  
00:40:09,740 --> 00:40:07,470  
every day by people all over the world

954  
00:40:12,859 --> 00:40:09,750  
you know it's fascinating and and sad

955  
00:40:15,020 --> 00:40:12,869  
that we still have to deal with the

956  
00:40:17,420 --> 00:40:15,030  
ridicule factor it's still so strong I

957  
00:40:19,370 --> 00:40:17,430  
mean you know I'm sure many of us have

958  
00:40:20,930 --> 00:40:19,380  
had that reaction and were telling

959  
00:40:23,210 --> 00:40:20,940  
telling people a story or something that

960  
00:40:25,010 --> 00:40:23,220  
happened to us and getting that getting

961  
00:40:27,079 --> 00:40:25,020  
that laugh getting the ridicule I have

962  
00:40:30,260 --> 00:40:27,089  
lost so many second dates bringing up

963  
00:40:32,300 --> 00:40:30,270

this topic it's a good way to weed out a

964

00:40:34,550 --> 00:40:32,310

date though it is it's true it really is

965

00:40:38,870 --> 00:40:34,560

a good filtering mechanism I guess for

966

00:40:40,010 --> 00:40:38,880

sure mine is more of an experience that

967

00:40:41,120 --> 00:40:40,020

I can't explain

968

00:40:42,920 --> 00:40:41,130

[Music]

969

00:40:45,559 --> 00:40:42,930

I'm a few decades older than you guys

970

00:40:48,079 --> 00:40:45,569

but this first part of this that

971

00:40:50,359 --> 00:40:48,089

happened in the 50s and unlike most

972

00:40:52,490 --> 00:40:50,369

people I can remember my childhood very

973

00:40:55,040 --> 00:40:52,500

vividly and I was very precocious and

974

00:40:56,480 --> 00:40:55,050

active walked at seven months started

975

00:40:58,550 --> 00:40:56,490

knocking things off the top of the

976

00:41:01,880 --> 00:40:58,560

refrigerator by climbing up right after

977

00:41:04,730 --> 00:41:01,890

that so I was about two and we were

978

00:41:06,890 --> 00:41:04,740

traveling through Missouri and I heard

979

00:41:09,290 --> 00:41:06,900

Mike was in the back seat and I heard my

980

00:41:11,960 --> 00:41:09,300

father say look at that look at that and

981

00:41:14,390 --> 00:41:11,970

he says what is that and he and my

982

00:41:16,579 --> 00:41:14,400

mother got out they stopped the car and

983

00:41:17,990 --> 00:41:16,589

got out to look at whatever it was and I

984

00:41:19,490 --> 00:41:18,000

thought oh I want to see it - you know

985

00:41:21,740 --> 00:41:19,500

I'm mr. Ram bumptious I got to be in

986

00:41:23,630 --> 00:41:21,750

everything but the whole time I felt

987

00:41:26,300 --> 00:41:23,640

like something was pressing me down on

988

00:41:28,790 --> 00:41:26,310

the back seat and I couldn't get up and

989

00:41:31,400 --> 00:41:28,800

then I went to sleep now

990

00:41:33,559 --> 00:41:31,410

jump for it a couple of years I lived in

991

00:41:37,069 --> 00:41:33,569

very isolated areas we didn't have a

992

00:41:38,420 --> 00:41:37,079

television I had no exposure to anything

993

00:41:39,740 --> 00:41:38,430

that would be considered

994

00:41:42,200 --> 00:41:39,750

science fiction or anything else

995

00:41:44,750 --> 00:41:42,210

although I think my father had taken

996

00:41:48,170 --> 00:41:44,760

some astronomy at PhD so that was one of

997

00:41:51,109 --> 00:41:48,180

the courses he took but when I was five

998

00:41:54,319 --> 00:41:51,119

I had this really vivid dream I can

999

00:41:56,809 --> 00:41:54,329

still visualize it and it was something

1000

00:41:58,970 --> 00:41:56,819

I couldn't understand and I didn't have

1001  
00:42:00,410 --> 00:41:58,980  
the vocabulary to explain it which you

1002  
00:42:02,799 --> 00:42:00,420  
know makes me feel a little bit

1003  
00:42:05,450 --> 00:42:02,809  
sympathetic towards the stories of

1004  
00:42:07,160 --> 00:42:05,460  
encounters from the Bible and whatnot

1005  
00:42:09,680 --> 00:42:07,170  
because they didn't have a technical

1006  
00:42:11,870 --> 00:42:09,690  
language either but I tried to tell my

1007  
00:42:14,290 --> 00:42:11,880  
father about it after I woke up and I'm

1008  
00:42:17,059 --> 00:42:14,300  
giving him these detailed and you know

1009  
00:42:20,589 --> 00:42:17,069  
descriptions and he kind of teared up he

1010  
00:42:24,349 --> 00:42:20,599  
says what you just described was a

1011  
00:42:26,299 --> 00:42:24,359  
spaceship going around Mars and the two

1012  
00:42:29,299 --> 00:42:26,309  
smaller items were Phobos and Deimos

1013  
00:42:31,540 --> 00:42:29,309

which are the moons I had never heard of

1014

00:42:35,710 --> 00:42:31,550

anything like that but it was just

1015

00:42:38,210 --> 00:42:35,720

really vivid so I don't know if some

1016

00:42:40,460 --> 00:42:38,220

information was implanted or how that

1017

00:42:41,079 --> 00:42:40,470

would have come about but that's my

1018

00:42:43,730 --> 00:42:41,089

story

1019

00:42:46,339 --> 00:42:43,740

fantastic thank you for saying thank you

1020

00:42:49,880 --> 00:42:46,349

yeah there's always a interesting

1021

00:42:51,339 --> 00:42:49,890

physiological effect to I think a lot of

1022

00:42:54,799 --> 00:42:51,349

these times or even parapsychological

1023

00:42:56,630 --> 00:42:54,809

I've come across cases where people have

1024

00:42:59,089 --> 00:42:56,640

said that I

1025

00:43:02,059 --> 00:42:59,099

I just something told me I should look

1026  
00:43:03,710 --> 00:43:02,069  
up in the sky at this moment or I should

1027  
00:43:06,020 --> 00:43:03,720  
go outside or I should look out my

1028  
00:43:08,390 --> 00:43:06,030  
window right now and almost like it's

1029  
00:43:10,069 --> 00:43:08,400  
drawing them to see it we're on the

1030  
00:43:12,200 --> 00:43:10,079  
other hand we have so many cases where

1031  
00:43:14,660 --> 00:43:12,210  
the UFO just fell into their lap

1032  
00:43:16,130 --> 00:43:14,670  
complete happenstance so I don't know

1033  
00:43:18,890 --> 00:43:16,140  
what to make of that the motives of

1034  
00:43:21,470 --> 00:43:18,900  
these craft aren't these intelligence

1035  
00:43:24,410 --> 00:43:21,480  
but it's it really is a wide spectrum

1036  
00:43:27,020 --> 00:43:24,420  
for sure and I just thought of something

1037  
00:43:29,240 --> 00:43:27,030  
another thing I like to point people to

1038  
00:43:30,650 --> 00:43:29,250

when they ask that question about how do

1039

00:43:33,920 --> 00:43:30,660

I see a UFO or where do I go to see a

1040

00:43:36,799 --> 00:43:33,930

UFO more times than not when you read

1041

00:43:39,049 --> 00:43:36,809

and again UFOs are in mainstream media

1042

00:43:40,910 --> 00:43:39,059

every day more times than not the

1043

00:43:44,240 --> 00:43:40,920

stories that are reported people having

1044

00:43:47,240 --> 00:43:44,250

UFO sightings involve people walking

1045

00:43:50,090 --> 00:43:47,250

their dogs so walk your dogs more people

1046

00:43:52,490 --> 00:43:50,100

I thought that's a good way to do it and

1047

00:43:55,550 --> 00:43:52,500

also want to say again with the the UFOs

1048

00:43:58,010 --> 00:43:55,560

being in the mainstream media there has

1049

00:44:01,370 --> 00:43:58,020

been a lot of a lot of the coverage

1050

00:44:03,500 --> 00:44:01,380

lately has has been pointing out how the

1051

00:44:06,470 --> 00:44:03,510

numbers of UFO sightings are down

1052

00:44:08,990 --> 00:44:06,480

there's there's been a decline and I

1053

00:44:11,300 --> 00:44:09,000

would caution you to read that properly

1054

00:44:14,510 --> 00:44:11,310

so what they're looking at is the number

1055

00:44:17,630 --> 00:44:14,520

of reported sightings and I will say

1056

00:44:20,810 --> 00:44:17,640

this having mentioned that I've had my

1057

00:44:25,760 --> 00:44:20,820

12 plus sightings you know how many I've

1058

00:44:28,550 --> 00:44:25,770

reported most people who see UFOs don't

1059

00:44:31,070 --> 00:44:28,560

report them so that number is misleading

1060

00:44:33,650 --> 00:44:31,080

I didn't know what MUFON was when I was

1061

00:44:37,310 --> 00:44:33,660

12 years old you know a lot of people

1062

00:44:39,770 --> 00:44:37,320

don't you need the famous UFO lecturer

1063

00:44:42,230 --> 00:44:39,780

Stanton Friedman nuclear physicist when

1064

00:44:43,820 --> 00:44:42,240

he speaks at events he will ask the

1065

00:44:47,000 --> 00:44:43,830

audience like how many people have seen

1066

00:44:49,250 --> 00:44:47,010

a UFO 95% of the people raised their

1067

00:44:53,150 --> 00:44:49,260

hands and then he says how many of you

1068

00:44:55,670 --> 00:44:53,160

reported it maybe one person so it's

1069

00:44:57,920 --> 00:44:55,680

hard it's hard in there's so many

1070

00:44:58,820 --> 00:44:57,930

reasons for not reporting it I get it I

1071

00:45:00,470 --> 00:44:58,830

totally get it

1072

00:45:03,890 --> 00:45:00,480

you know you're afraid of what people

1073

00:45:06,050 --> 00:45:03,900

might think or maybe you came up with an

1074

00:45:08,120 --> 00:45:06,060

explanation for it before you reported

1075

00:45:09,620 --> 00:45:08,130

it or maybe you just don't want to know

1076

00:45:11,810 --> 00:45:09,630

but at the end of the day I think yeah

1077

00:45:13,250 --> 00:45:11,820

if you want if you see something say

1078

00:45:15,050 --> 00:45:13,260

something that's what they tell us in

1079

00:45:16,670 --> 00:45:15,060

New York and I encourage people to

1080

00:45:18,800 --> 00:45:16,680

report their sightings absolutely and

1081

00:45:21,260 --> 00:45:18,810

that data is valuable and I think MUFON

1082

00:45:24,050 --> 00:45:21,270

and the national UFO Reporting Center do

1083

00:45:25,490 --> 00:45:24,060

a fantastic job they do a great job of

1084

00:45:27,770 --> 00:45:25,500

tracking this stuff at stuff that should

1085

00:45:29,240 --> 00:45:27,780

be tracked is that exciting when people

1086

00:45:30,950 --> 00:45:29,250

say I saw lighting this guy no it's not

1087

00:45:32,640 --> 00:45:30,960

but it's still data that somebody should

1088

00:45:33,730 --> 00:45:32,650

be tracking and I'm glad that they do it

1089

00:45:36,410 --> 00:45:33,740

[Music]

1090

00:45:38,480 --> 00:45:36,420

that being said when you take a look at

1091

00:45:40,520 --> 00:45:38,490

these reporting forms some of them are

1092

00:45:45,200 --> 00:45:40,530

very of lengthy there and that's

1093

00:45:47,060 --> 00:45:45,210

probably why I haven't reported mine and

1094

00:45:48,980 --> 00:45:47,070

they should be I mean there's more to

1095

00:45:51,080 --> 00:45:48,990

UFO sighting then I saw light in the sky

1096

00:45:53,140 --> 00:45:51,090

at this at this time in this day so yeah

1097

00:45:56,750 --> 00:45:53,150

at the end of the day I think two

1098

00:45:59,180 --> 00:45:56,760

reporting it normalizes this topic more

1099

00:45:59,930 --> 00:45:59,190

and more when we see everyday people I

1100

00:46:03,350 --> 00:45:59,940

have spoke

1101  
00:46:06,890 --> 00:46:03,360  
into so many police officers military

1102  
00:46:09,020 --> 00:46:06,900  
people doctors teachers psychologists

1103  
00:46:11,180 --> 00:46:09,030  
everyone everyone has a story to tell of

1104  
00:46:13,400 --> 00:46:11,190  
seeing something weird so I think you

1105  
00:46:15,650 --> 00:46:13,410  
know reporting it even if it's like to

1106  
00:46:17,870 --> 00:46:15,660  
your local newspaper or whatnot it

1107  
00:46:20,270 --> 00:46:17,880  
normalizes this topic it strips the

1108  
00:46:22,670 --> 00:46:20,280  
ridicule funk from it and I think we can

1109  
00:46:25,010 --> 00:46:22,680  
start having better conversations with

1110  
00:46:26,630 --> 00:46:25,020  
more people about this I mean just look

1111  
00:46:28,610 --> 00:46:26,640  
at this room right now these are so many

1112  
00:46:30,080 --> 00:46:28,620  
people that you could talk to about

1113  
00:46:32,150 --> 00:46:30,090

having seen something no matter what it

1114

00:46:34,370 --> 00:46:32,160

was maybe they could help you find an

1115

00:46:36,110 --> 00:46:34,380

explanation for it but conferences are a

1116

00:46:38,620 --> 00:46:36,120

great great place to do that they're

1117

00:46:41,090 --> 00:46:38,630

like a safe space where Oh

1118

00:46:43,280 --> 00:46:41,100

similarly minded people are in a room

1119

00:46:45,560 --> 00:46:43,290

and the ridicule factor is not going to

1120

00:46:48,470 --> 00:46:45,570

exist here but I will say the stigma is

1121

00:46:50,180 --> 00:46:48,480

is going away it might not feel like at

1122

00:46:53,030 --> 00:46:50,190

at times but it is dramatically

1123

00:46:55,130 --> 00:46:53,040

improving and look I mean again alien

1124

00:46:58,400 --> 00:46:55,140

con is a perfect illustration of that

1125

00:47:00,920 --> 00:46:58,410

UFOs and extraterrestrial topics have

1126  
00:47:03,260 --> 00:47:00,930  
moved into pop culture you know so it's

1127  
00:47:05,930 --> 00:47:03,270  
accepted now poll after poll indicates

1128  
00:47:08,200 --> 00:47:05,940  
that you know majority of the people on

1129  
00:47:11,510 --> 00:47:08,210  
this planet believe that

1130  
00:47:15,370 --> 00:47:11,520  
extraterrestrials exist and most likely

1131  
00:47:18,530 --> 00:47:15,380  
have been here and may be here now so

1132  
00:47:19,850 --> 00:47:18,540  
you know that initial reaction with

1133  
00:47:22,400 --> 00:47:19,860  
people is going to stick around for a

1134  
00:47:24,290 --> 00:47:22,410  
while the the the giggle factor the

1135  
00:47:27,050 --> 00:47:24,300  
ridicule factor can tell you how many

1136  
00:47:29,000 --> 00:47:27,060  
people hear us when they hear that we

1137  
00:47:31,580 --> 00:47:29,010  
are taking UFOs seriously they breathe a

1138  
00:47:33,260 --> 00:47:31,590

big sigh of relief and then open up but

1139

00:47:35,150 --> 00:47:33,270

their initial reaction is to laugh

1140

00:47:37,700 --> 00:47:35,160

because they think we're kidding yeah

1141

00:47:39,800 --> 00:47:37,710

let me say that you know we take UFO

1142

00:47:41,420 --> 00:47:39,810

seriously and when they find out that

1143

00:47:43,520 --> 00:47:41,430

we're serious then they can let their

1144

00:47:45,620 --> 00:47:43,530

guard down and go all right they're not

1145

00:47:47,900 --> 00:47:45,630

gonna make fun of me so it's a nice

1146

00:47:50,900 --> 00:47:47,910

feeling it really is yeah I remember my

1147

00:47:54,010 --> 00:47:50,910

parents came to see me talk at a UFO

1148

00:47:57,380 --> 00:47:54,020

conference for the first time ever and

1149

00:47:59,030 --> 00:47:57,390

skeptics again they they grew up knowing

1150

00:48:01,070 --> 00:47:59,040

I was interested in the topic I don't

1151  
00:48:04,730 --> 00:48:01,080  
think they knew how serious I actually

1152  
00:48:07,160 --> 00:48:04,740  
was about it but they came to see me

1153  
00:48:10,040 --> 00:48:07,170  
speak in New York last year I think it

1154  
00:48:11,600 --> 00:48:10,050  
was and afterwards my mother came up to

1155  
00:48:12,620 --> 00:48:11,610  
me and I've never seen her so brutally

1156  
00:48:14,660 --> 00:48:12,630  
honest in

1157  
00:48:18,440 --> 00:48:14,670  
she looked at me and said this is real

1158  
00:48:21,290 --> 00:48:18,450  
like that this like this stuff is real

1159  
00:48:23,600 --> 00:48:21,300  
and I was like yeah I mean according to

1160  
00:48:24,980 --> 00:48:23,610  
the data and the evidence and what I've

1161  
00:48:26,900 --> 00:48:24,990  
looked at and the people I've spoken to

1162  
00:48:28,640 --> 00:48:26,910  
I legitimately believe this is a real

1163  
00:48:30,980 --> 00:48:28,650

phenomenon people are having these

1164

00:48:32,720 --> 00:48:30,990

experiences I don't know what it is but

1165

00:48:34,760 --> 00:48:32,730

it's happening and it's happening all

1166

00:48:37,280 --> 00:48:34,770

over the world and this isn't just a

1167

00:48:39,380 --> 00:48:37,290

Western phenomenon other countries

1168

00:48:41,360 --> 00:48:39,390

embrace this topic that ridicule factor

1169

00:48:43,670 --> 00:48:41,370

is nowhere to be found so I think if we

1170

00:48:45,740 --> 00:48:43,680

do that here we're we're in good shape

1171

00:48:48,470 --> 00:48:45,750

and you know people like my mom who was

1172

00:48:50,210 --> 00:48:48,480

a staunch skeptic it's starting to come

1173

00:48:52,970 --> 00:48:50,220

around to be like wow I should look more

1174

00:48:55,040 --> 00:48:52,980

into this and yeah yeah that was a that

1175

00:48:57,050 --> 00:48:55,050

was a pivotal moment for me first yeah

1176

00:48:58,760 --> 00:48:57,060

for something like that and that's when

1177

00:49:01,760 --> 00:48:58,770

I knew that the ridicule factor was

1178

00:49:04,310 --> 00:49:01,770

leaving for sure I'm optimistic yeah me

1179

00:49:05,990 --> 00:49:04,320

too well we want to thank the awesome
