

1  
00:00:08,520 --> 00:00:02,960  
reading citizens and welcome to unknown

2  
00:00:26,900 --> 00:00:24,920  
[Music]

3  
00:00:28,610 --> 00:00:26,910  
I'm Jason McClellan I'm here with

4  
00:00:30,440 --> 00:00:28,620  
Maureen Elsberry and Shane herd and we

5  
00:00:34,220 --> 00:00:30,450  
are grateful to you for hanging out with

6  
00:00:38,030 --> 00:00:34,230  
us today guys we've reached 2019 it's a

7  
00:00:39,979 --> 00:00:38,040  
new year and Maureen you and I have now

8  
00:00:42,350 --> 00:00:39,989  
officially been researching and

9  
00:00:45,640 --> 00:00:42,360  
reporting on UFOs and other paranormal

10  
00:00:47,720 --> 00:00:45,650  
topics together for more than a decade

11  
00:00:52,250 --> 00:00:47,730  
congratulations partner that's a pretty

12  
00:00:55,070 --> 00:00:52,260  
big milestone Wow that that feels crazy

13  
00:00:56,270 --> 00:00:55,080

we haven't gotten a lot done have we

14

00:00:59,270 --> 00:00:56,280

well

15

00:01:01,790 --> 00:00:59,280

kidding I guess yeah when you put it all

16

00:01:03,500 --> 00:01:01,800

on paper it's kind of impressive but you

17

00:01:05,510 --> 00:01:03,510

know I think we're just getting started

18

00:01:07,880 --> 00:01:05,520

so that's the exciting part for sure and

19

00:01:11,660 --> 00:01:07,890

some good stuff coming up yeah yeah I

20

00:01:14,150 --> 00:01:11,670

say more spacing out yo yes a fan well

21

00:01:16,580 --> 00:01:14,160

we appreciate that for sure and and

22

00:01:18,440 --> 00:01:16,590

we're fans of spacing out too so we'll

23

00:01:20,480 --> 00:01:18,450

see what we can do about that in 2019

24

00:01:23,150 --> 00:01:20,490

and Shane you and I have been doing lots

25

00:01:24,859 --> 00:01:23,160

of brainstorming together and 2019 is

26

00:01:27,200 --> 00:01:24,869

shaping up to have some pretty fun

27

00:01:30,260 --> 00:01:27,210

projects we'll be working on are you as

28

00:01:33,050 --> 00:01:30,270

excited for 2019 as I am oh yeah let's

29

00:01:36,289 --> 00:01:33,060

get it gone I now make just to just

30

00:01:38,570 --> 00:01:36,299

leave 2018 in the dust frankly so ask in

31

00:01:41,270 --> 00:01:38,580

let's look forward yeah good riddance

32

00:01:43,010 --> 00:01:41,280

for sure well today we're gonna run

33

00:01:44,990 --> 00:01:43,020

through some of the UFO related things

34

00:01:46,910 --> 00:01:45,000

coming up this year that we're looking

35

00:01:48,890 --> 00:01:46,920

forward to and we'll start with

36

00:01:50,750 --> 00:01:48,900

entertainment because there's a lot of

37

00:01:53,090 --> 00:01:50,760

entertainment coming up in the world of

38

00:01:55,969 --> 00:01:53,100

UFOs and first up is a television

39

00:01:58,039 --> 00:01:55,979

special titled Roswell mysteries decoded

40

00:02:00,800 --> 00:01:58,049

this is a show that features our fellow

41

00:02:02,660 --> 00:02:00,810

rogue planet Eire Ryan Sprague it also

42

00:02:04,969 --> 00:02:02,670

features our friend and colleague Frank

43

00:02:06,499 --> 00:02:04,979

Kim blurr and this trailer for this

44

00:02:09,740 --> 00:02:06,509

special doesn't really provide much

45

00:02:11,720 --> 00:02:09,750

detail about the premise of the show but

46

00:02:13,850 --> 00:02:11,730

Ryan's been explaining that they quote

47

00:02:16,310 --> 00:02:13,860

explore the Roswell incident from a

48

00:02:19,039 --> 00:02:16,320

brand new perspective well Ryan on the

49

00:02:21,350 --> 00:02:19,049

show soon to talk more about it but this

50

00:02:23,090 --> 00:02:21,360

special airs on January 10th so it's

51  
00:02:26,210 --> 00:02:23,100  
coming up really soon and it's gonna be

52  
00:02:28,729 --> 00:02:26,220  
on the CW network it airs at 9 p.m.

53  
00:02:31,699 --> 00:02:28,739  
Eastern and it'll be available on the

54  
00:02:33,500 --> 00:02:31,709  
CW's digital network CW seed the

55  
00:02:36,949 --> 00:02:33,510  
following day

56  
00:02:39,080 --> 00:02:36,959  
this special is essentially serving as a

57  
00:02:40,699 --> 00:02:39,090  
pilot episode for a television series

58  
00:02:42,199 --> 00:02:40,709  
that's their hope so the network is

59  
00:02:44,899 --> 00:02:42,209  
using this special to gauge public

60  
00:02:46,640 --> 00:02:44,909  
interest so I encourage everyone to tune

61  
00:02:49,309 --> 00:02:46,650  
in for this show so it has a better

62  
00:02:50,539 --> 00:02:49,319  
chance of becoming a series have you

63  
00:02:54,110 --> 00:02:50,549

both seen the trailer for Roswell

64  
00:02:56,960 --> 00:02:54,120  
mysteries decoded yes a very shadow Ryan

65  
00:02:59,839 --> 00:02:56,970  
shadowy Ryan in the background or half a

66  
00:03:01,670 --> 00:02:59,849  
second yes yeah I've seen it as well

67  
00:03:03,619 --> 00:03:01,680  
good stuff and it's funny because

68  
00:03:06,140 --> 00:03:03,629  
multiple people have commented to me

69  
00:03:07,970 --> 00:03:06,150  
that you know congratulating me for

70  
00:03:10,160 --> 00:03:07,980  
being part of it and you know saying we

71  
00:03:11,750 --> 00:03:10,170  
heard Jason's voice so no no that's

72  
00:03:13,940 --> 00:03:11,760  
that's not my voice I promise I promise

73  
00:03:16,670 --> 00:03:13,950  
guys I'm not in this show you know I

74  
00:03:18,860 --> 00:03:16,680  
would listen to it after after I saw

75  
00:03:20,990 --> 00:03:18,870  
that comment and I was like okay well I

76  
00:03:22,789 --> 00:03:21,000  
I could sort of see how somebody would

77  
00:03:26,629 --> 00:03:22,799  
shake that possibly this was Jason

78  
00:03:29,210 --> 00:03:26,639  
butter no tell me something

79  
00:03:31,160 --> 00:03:29,220  
no no I I would happily tell you guys

80  
00:03:33,770 --> 00:03:31,170  
but I can promise everyone right now no

81  
00:03:35,990 --> 00:03:33,780  
I I'm not in that show yeah this will be

82  
00:03:37,909 --> 00:03:36,000  
interesting because as Ryan's been

83  
00:03:39,199 --> 00:03:37,919  
saying he's trying to you know they're

84  
00:03:41,270 --> 00:03:39,209  
coming at it from a brand new

85  
00:03:43,189 --> 00:03:41,280  
perspective and you think that is it

86  
00:03:45,619 --> 00:03:43,199  
possible to have a brand new perspective

87  
00:03:47,330 --> 00:03:45,629  
on the Roswell case presents good

88  
00:03:49,699 --> 00:03:47,340

question presenting it was researching

89

00:03:54,589 --> 00:03:49,709

so I'm interested to see what they do I

90

00:03:56,330 --> 00:03:54,599

think this is gonna be more geared well

91

00:03:58,159 --> 00:03:56,340

I think the benefit of this will be more

92

00:04:01,159 --> 00:03:58,169

geared towards younger generations

93

00:04:05,509 --> 00:04:01,169

because this is in tandem with the

94

00:04:08,809 --> 00:04:05,519

Roswell TV show reboot which is you know

95

00:04:11,089 --> 00:04:08,819

a teenybopper show if you ever saw the

96

00:04:14,470 --> 00:04:11,099

one in the Dan was that it was in the

97

00:04:17,990 --> 00:04:14,480

90s I think yeah yeah which I watched

98

00:04:20,330 --> 00:04:18,000

just for the hell of it kind of but it's

99

00:04:22,240 --> 00:04:20,340

not great by any means we'll see we'll

100

00:04:25,490 --> 00:04:22,250

see what how they do with the reboot

101  
00:04:27,920 --> 00:04:25,500  
yeah I saw that thing when I had surgery

102  
00:04:29,659 --> 00:04:27,930  
and was off for three weeks and I needed

103  
00:04:32,270 --> 00:04:29,669  
to binge on something so I watched the

104  
00:04:34,640 --> 00:04:32,280  
whole thing I was like three seasons

105  
00:04:37,520 --> 00:04:34,650  
wasn't bad and I mean again at least

106  
00:04:38,899 --> 00:04:37,530  
it's you know UFO content so it'll be

107  
00:04:41,890 --> 00:04:38,909  
interesting to see what they do with the

108  
00:04:44,839 --> 00:04:41,900  
reboot I think that's the one that got

109  
00:04:47,050 --> 00:04:44,849  
Katherine Heigl her start and Giada

110  
00:04:49,150 --> 00:04:47,060  
sness yeah that's right

111  
00:04:52,300 --> 00:04:49,160  
played a teen a lien you know I think

112  
00:04:54,310 --> 00:04:52,310  
plenty of people will be Downers about

113  
00:04:56,800 --> 00:04:54,320

this show this special and in grumble

114

00:04:58,270 --> 00:04:56,810

and say Oh Roswell why are we doing more

115

00:05:00,820 --> 00:04:58,280

about Roswell enough with Roswell

116

00:05:02,680 --> 00:05:00,830

already but as we talked about so much

117

00:05:05,860 --> 00:05:02,690

on the show you know I I certainly

118

00:05:07,960 --> 00:05:05,870

personally feel that Roswell has value

119

00:05:10,920 --> 00:05:07,970

and certainly will always have value as

120

00:05:13,270 --> 00:05:10,930

an important case in UFO history and

121

00:05:16,030 --> 00:05:13,280

like you pointed out morning this is for

122

00:05:18,160 --> 00:05:16,040

a mainstream audience for a younger

123

00:05:19,750 --> 00:05:18,170

audience and I think that that

124

00:05:22,150 --> 00:05:19,760

introduction and and certainly

125

00:05:23,650 --> 00:05:22,160

revisiting cases is something that

126  
00:05:26,830 --> 00:05:23,660  
should always be done and we'll always

127  
00:05:30,550 --> 00:05:26,840  
have value yeah geared towards UFO

128  
00:05:32,440 --> 00:05:30,560  
researchers right yeah and we kind of

129  
00:05:34,270 --> 00:05:32,450  
sometimes you don't think about that is

130  
00:05:36,730 --> 00:05:34,280  
that you know we're familiar with that

131  
00:05:38,230 --> 00:05:36,740  
case like crazy but you know there are a

132  
00:05:40,930 --> 00:05:38,240  
lot of people that aren't never even

133  
00:05:42,610 --> 00:05:40,940  
heard of it or barely heard about it so

134  
00:05:44,350 --> 00:05:42,620  
yeah I don't think you can dismiss a

135  
00:05:46,780 --> 00:05:44,360  
case just because it's old and historic

136  
00:05:49,300 --> 00:05:46,790  
I mean there's a value to it no matter

137  
00:05:53,190 --> 00:05:49,310  
what and I do think this the show will

138  
00:05:56,620 --> 00:05:53,200

will appeal to veteran UFO researchers

139

00:06:00,640 --> 00:05:56,630

because it again is about a topic that

140

00:06:03,880 --> 00:06:00,650

we all love but it also features from

141

00:06:06,340 --> 00:06:03,890

the looks of it it features some actual

142

00:06:09,150 --> 00:06:06,350

investigation and as we pointed out

143

00:06:11,920 --> 00:06:09,160

before I think Frank Imbler has some

144

00:06:14,110 --> 00:06:11,930

material some evidence worth looking

145

00:06:16,390 --> 00:06:14,120

into more than has been done and

146

00:06:18,880 --> 00:06:16,400

hopefully they do that with this show so

147

00:06:20,290 --> 00:06:18,890

I'm curious to see what happens I'm

148

00:06:22,510 --> 00:06:20,300

gonna have to wait till the 11th because

149

00:06:26,710 --> 00:06:22,520

I do not have television so I can't

150

00:06:27,970 --> 00:06:26,720

watch The CW live yeah I think a lot of

151  
00:06:30,250 --> 00:06:27,980  
people are gonna watch it after the fact

152  
00:06:32,380 --> 00:06:30,260  
and that's that's great so we'll

153  
00:06:33,970 --> 00:06:32,390  
certainly have to do a debrief after it

154  
00:06:37,600 --> 00:06:33,980  
airs and well we'll get Ryan on to you

155  
00:06:41,440 --> 00:06:37,610  
to discuss it and to to ridicule Ryan

156  
00:06:42,460 --> 00:06:41,450  
for his feelings let's grill them well

157  
00:06:45,070 --> 00:06:42,470  
it's cool for Ryan

158  
00:06:47,350 --> 00:06:45,080  
vini I think it's great and again a

159  
00:06:50,230 --> 00:06:47,360  
major Network like the CW doing an

160  
00:06:52,510 --> 00:06:50,240  
investigative show on the UFO topic

161  
00:06:56,230 --> 00:06:52,520  
that's progress my friends that's

162  
00:06:59,500 --> 00:06:56,240  
progress yes yes it is let's jump in to

163  
00:07:00,839 --> 00:06:59,510

something that I can't stop talking

164

00:07:02,480 --> 00:07:00,849

about because I am

165

00:07:05,010 --> 00:07:02,490

excited for this show and that is

166

00:07:07,049 --> 00:07:05,020

history's project Bluebook

167

00:07:09,929 --> 00:07:07,059

i know we've discussed it last year on

168

00:07:13,139 --> 00:07:09,939

this show but guys Project Blue Book is

169

00:07:14,429 --> 00:07:13,149

coming up this is a brand-new series it

170

00:07:18,869 --> 00:07:14,439

premieres on the History Channel on

171

00:07:22,589 --> 00:07:18,879

January 8th this thing is so exciting to

172

00:07:26,969 --> 00:07:22,599

me because it's based on something real

173

00:07:29,969 --> 00:07:26,979

from UFO history and it is so well

174

00:07:32,219 --> 00:07:29,979

produced and history has thrown so much

175

00:07:35,129 --> 00:07:32,229

money at this show I can't believe it

176  
00:07:38,969 --> 00:07:35,139  
they're putting so much money into a UFO

177  
00:07:41,369 --> 00:07:38,979  
series yeah again I don't have cable so

178  
00:07:44,129 --> 00:07:41,379  
I'm gonna have to buy the series on

179  
00:07:45,839 --> 00:07:44,139  
Amazon which is kind of a bummer but I'm

180  
00:07:47,459 --> 00:07:45,849  
sure like you said you've watched the

181  
00:07:49,529 --> 00:07:47,469  
first episode and said it was great so

182  
00:07:49,919 --> 00:07:49,539  
I'm sure it's something then I won't

183  
00:07:53,939 --> 00:07:49,929  
feel bad

184  
00:07:57,629 --> 00:07:53,949  
owning hopefully hopefully that it'll be

185  
00:08:00,239 --> 00:07:57,639  
as impressive as it already looks yes

186  
00:08:02,820 --> 00:08:00,249  
sir the production guys is really high

187  
00:08:04,529 --> 00:08:02,830  
so I mean if you just go up into the

188  
00:08:07,170 --> 00:08:04,539

right frame of mind that this is not a

189

00:08:09,509 --> 00:08:07,180

documentary you know it should be very

190

00:08:12,119 --> 00:08:09,519

appealing I think and that I really hope

191

00:08:14,369 --> 00:08:12,129

they do get you know good response cuz

192

00:08:17,339 --> 00:08:14,379

be great to see that thing continue on

193

00:08:19,799 --> 00:08:17,349

I think obviously there's you know even

194

00:08:21,779 --> 00:08:19,809

701 cases that haven't been solved by

195

00:08:25,469 --> 00:08:21,789

Project Blue Book and that's a lot of

196

00:08:29,639 --> 00:08:25,479

material for a fiction TV show I think

197

00:08:31,579 --> 00:08:29,649

to cover even yeah for sure now i-i've

198

00:08:34,290 --> 00:08:31,589

been describing this this show to people

199

00:08:36,059 --> 00:08:34,300

you know saying that if you like the

200

00:08:39,600 --> 00:08:36,069

x-files you'll certainly like this

201  
00:08:42,059 --> 00:08:39,610  
because it is a fictional show it's just

202  
00:08:45,090 --> 00:08:42,069  
a drama it's not a documentary but it's

203  
00:08:46,860 --> 00:08:45,100  
based on something real and so if you

204  
00:08:48,809 --> 00:08:46,870  
like the x-files you'll like this show

205  
00:08:52,530 --> 00:08:48,819  
because it's again about the UFO topic

206  
00:08:54,900 --> 00:08:52,540  
and I describe it to people as a sort of

207  
00:08:56,879 --> 00:08:54,910  
x-files period piece I've also heard the

208  
00:08:58,740 --> 00:08:56,889  
people behind the show describe it as

209  
00:09:00,269 --> 00:08:58,750  
sort of a hybrid of Mad Men and the

210  
00:09:03,960 --> 00:09:00,279  
x-files and that's a really good way to

211  
00:09:07,350 --> 00:09:03,970  
describe it too they've done a really

212  
00:09:09,240 --> 00:09:07,360  
good job with the visuals on this show

213  
00:09:11,970 --> 00:09:09,250

with the production with the writing and

214

00:09:14,440 --> 00:09:11,980

the people behind the show are giant UFO

215

00:09:16,720 --> 00:09:14,450

geeks as well and I think that

216

00:09:19,870 --> 00:09:16,730

they've got hynek's kids as consultants

217

00:09:21,340 --> 00:09:19,880

on the show and again you history is

218

00:09:25,720 --> 00:09:21,350

putting so much money into this not just

219

00:09:27,700 --> 00:09:25,730

into the show but also into UFO sort of

220

00:09:29,380 --> 00:09:27,710

public education if you look on their

221

00:09:31,690 --> 00:09:29,390

website you follow their social media

222

00:09:33,630 --> 00:09:31,700

channels they are just churning stuff

223

00:09:36,130 --> 00:09:33,640

out left and right

224

00:09:37,540 --> 00:09:36,140

you know related to the show and not

225

00:09:40,000 --> 00:09:37,550

related to the show just things about

226  
00:09:42,280 --> 00:09:40,010  
UFOs in general with UFO sightings and

227  
00:09:45,130 --> 00:09:42,290  
things like that and I think that's

228  
00:09:47,160 --> 00:09:45,140  
really cool to see and certainly in the

229  
00:09:49,990 --> 00:09:47,170  
past few weeks because of all the press

230  
00:09:52,450 --> 00:09:50,000  
the Blitz they've been doing hyping up

231  
00:09:56,170 --> 00:09:52,460  
this show there's been a lot of

232  
00:09:57,400 --> 00:09:56,180  
attention on J Allen Hynek the person

233  
00:10:01,200 --> 00:09:57,410  
who the lead character in the show is

234  
00:10:03,250 --> 00:10:01,210  
based on so you're getting this public

235  
00:10:05,380 --> 00:10:03,260  
introduction if you will the mainstream

236  
00:10:07,210 --> 00:10:05,390  
public is being introduced to J Allen

237  
00:10:11,650 --> 00:10:07,220  
Hynek this key figure in the history of

238  
00:10:13,720 --> 00:10:11,660

UFO research and that is just so unreal

239

00:10:16,480 --> 00:10:13,730

to see I think it's fantastic absolutely

240

00:10:18,160 --> 00:10:16,490

and I actually just ordered the series

241

00:10:21,040 --> 00:10:18,170

right now while we were talking all

242

00:10:24,190 --> 00:10:21,050

right way to go hey if you don't like it

243

00:10:25,810 --> 00:10:24,200

yell at me but knowing you I think

244

00:10:28,240 --> 00:10:25,820

you're gonna love it I'm gonna love it

245

00:10:31,270 --> 00:10:28,250

again I mean it's just a fun show if you

246

00:10:32,950 --> 00:10:31,280

like UFOs and if you like dramatic TV

247

00:10:34,690 --> 00:10:32,960

series I mean how could you not like

248

00:10:36,850 --> 00:10:34,700

that it's it's taking your interest it's

249

00:10:38,470 --> 00:10:36,860

and putting it on the screen you're

250

00:10:40,240 --> 00:10:38,480

watching TV anyway you watch shows that

251  
00:10:42,130 --> 00:10:40,250  
that aren't about UFOs so you can watch

252  
00:10:44,230 --> 00:10:42,140  
a show about UFOs it's it's pretty

253  
00:10:45,700 --> 00:10:44,240  
awesome and again it's not 100 percent

254  
00:10:48,880 --> 00:10:45,710  
accurate it's not going to be it's a TV

255  
00:10:50,860 --> 00:10:48,890  
show but again it's a TV show it's about

256  
00:10:54,190 --> 00:10:50,870  
the topic that we all love and that's a

257  
00:10:55,960 --> 00:10:54,200  
win in my book yeah me too yeah yeah

258  
00:10:58,780 --> 00:10:55,970  
what do you guys think is going on with

259  
00:11:01,570 --> 00:10:58,790  
that that that so much UFO programming

260  
00:11:03,820 --> 00:11:01,580  
is coming out now on just recently and

261  
00:11:05,830 --> 00:11:03,830  
then slated for the next year I mean I'm

262  
00:11:07,780 --> 00:11:05,840  
totally stoked about it's exciting

263  
00:11:09,910 --> 00:11:07,790

because like you said it's mainstreaming

264

00:11:12,700 --> 00:11:09,920

of a topic that we all love but I wonder

265

00:11:15,550 --> 00:11:12,710

why why this all this stuff is happening

266

00:11:18,940 --> 00:11:15,560

right now well I think obviously it has

267

00:11:21,640 --> 00:11:18,950

a lot to do with there being a spotlight

268

00:11:23,830 --> 00:11:21,650

on government programs and things like

269

00:11:26,260 --> 00:11:23,840

that at the moment but you know there

270

00:11:27,170 --> 00:11:26,270

always has been these big UFO shows that

271

00:11:32,210 --> 00:11:27,180

were

272

00:11:34,250 --> 00:11:32,220

Jason do you remember the name of that

273

00:11:36,500 --> 00:11:34,260

one we were really excited about it was

274

00:11:38,540 --> 00:11:36,510

remember they were gonna make a area51

275

00:11:40,040 --> 00:11:38,550

show writers for some party was gonna do

276

00:11:41,060 --> 00:11:40,050

that with Annie Jacobson yeah that was

277

00:11:42,430 --> 00:11:41,070

in production and I don't know what

278

00:11:45,110 --> 00:11:42,440

happened to that I haven't heard yeah I

279

00:11:47,900 --> 00:11:45,120

remember that as well yeah what happened

280

00:11:50,150 --> 00:11:47,910

to that yeah they were talking about it

281

00:11:52,100 --> 00:11:50,160

for a while and disappeared a clearly

282

00:11:54,020 --> 00:11:52,110

didn't make the cut so but yeah you know

283

00:11:57,230 --> 00:11:54,030

they're I think there's always been a

284

00:12:00,170 --> 00:11:57,240

surge of UFO shows and you know Jason

285

00:12:01,880 --> 00:12:00,180

and I both have had this happen over the

286

00:12:04,250 --> 00:12:01,890

years where we'll get a lot of

287

00:12:06,860 --> 00:12:04,260

production companies contacting us like

288

00:12:09,650 --> 00:12:06,870

in a rush and all of a sudden like five

289

00:12:13,190 --> 00:12:09,660

shows are trying to be developed and

290

00:12:15,170 --> 00:12:13,200

then it'll go silent for eight months to

291

00:12:17,660 --> 00:12:15,180

a year and then all of a sudden TV

292

00:12:20,060 --> 00:12:17,670

networks are interested again so I think

293

00:12:23,510 --> 00:12:20,070

the paranormal topic has its herbs and

294

00:12:26,120 --> 00:12:23,520

flows so to speak and when they see that

295

00:12:29,720 --> 00:12:26,130

there's a need for it right now

296

00:12:32,030 --> 00:12:29,730

the subjects coming up a lot that they

297

00:12:35,390 --> 00:12:32,040

realize that there's money to be made in

298

00:12:38,540 --> 00:12:35,400

that programming and for it so well

299

00:12:41,030 --> 00:12:38,550

here's my take on it the Hollywood has

300

00:12:43,280 --> 00:12:41,040

always had a love affair with the UFO

301  
00:12:45,950 --> 00:12:43,290  
topic UFOs and extraterrestrials have

302  
00:12:47,510 --> 00:12:45,960  
always been there and some of the top

303  
00:12:49,640 --> 00:12:47,520  
grossing movies of all time are

304  
00:12:52,280 --> 00:12:49,650  
extraterrestrial related films if you

305  
00:12:54,650 --> 00:12:52,290  
look back year after year and if you

306  
00:12:56,450 --> 00:12:54,660  
were to put it on paper and look at you

307  
00:12:58,760 --> 00:12:56,460  
know some of the biggest movies from

308  
00:13:00,770 --> 00:12:58,770  
that year or just look at the

309  
00:13:02,180 --> 00:13:00,780  
programming that's come out on TV in

310  
00:13:03,890 --> 00:13:02,190  
theaters whatever

311  
00:13:05,870 --> 00:13:03,900  
there's always an extraterrestrial

312  
00:13:07,580 --> 00:13:05,880  
presence and when you look at it on

313  
00:13:10,250 --> 00:13:07,590

paper it's a lot more than you realize

314

00:13:11,960 --> 00:13:10,260

especially when you start looking at you

315

00:13:14,480 --> 00:13:11,970

know cartoons and programs aimed at

316

00:13:18,770 --> 00:13:14,490

children like aliens and UFOs are a

317

00:13:20,480 --> 00:13:18,780

constant in those programs so I think

318

00:13:24,080 --> 00:13:20,490

it's always there I don't necessarily

319

00:13:26,090 --> 00:13:24,090

know that we're seeing more now I do

320

00:13:28,400 --> 00:13:26,100

know when you're involved in this topic

321

00:13:29,870 --> 00:13:28,410

on a professional level you certainly

322

00:13:32,840 --> 00:13:29,880

pay attention to it more so it might

323

00:13:33,680 --> 00:13:32,850

seem like there's more but it's always

324

00:13:35,690 --> 00:13:33,690

been there man

325

00:13:38,060 --> 00:13:35,700

and and year after year we always see it

326

00:13:39,870 --> 00:13:38,070

and you know even years ago I think it

327

00:13:42,390 --> 00:13:39,880

was even more prevalent

328

00:13:44,790 --> 00:13:42,400

because you would see it in a large

329

00:13:46,500 --> 00:13:44,800

number of commercials that were on TV he

330

00:13:50,130 --> 00:13:46,510

looked at Super Bowl ads you know the

331

00:13:53,940 --> 00:13:50,140

most expensive highest-profile

332

00:13:55,920 --> 00:13:53,950

commercials of the year and a handful of

333

00:13:57,600 --> 00:13:55,930

them featured an extraterrestrial theme

334

00:13:59,910 --> 00:13:57,610

and this was several years ago I mean

335

00:14:03,930 --> 00:13:59,920

things were really pop and then so I

336

00:14:06,810 --> 00:14:03,940

don't necessarily know or agree that

337

00:14:08,820 --> 00:14:06,820

we're seeing more of it now but you know

338

00:14:11,280 --> 00:14:08,830

the History Channel has certainly veered

339

00:14:12,990 --> 00:14:11,290

more to the extra-terrestrial topic in

340

00:14:15,480 --> 00:14:13,000

recent years and that's largely due to

341

00:14:17,430 --> 00:14:15,490

the success of ancient aliens they they

342

00:14:19,350 --> 00:14:17,440

see that the demand is there and they

343

00:14:21,990 --> 00:14:19,360

need to make money so they're embracing

344

00:14:24,420 --> 00:14:22,000

it 100% and that's great

345

00:14:26,430 --> 00:14:24,430

I love it you know I'll take whatever we

346

00:14:28,650 --> 00:14:26,440

can get yeah absolutely

347

00:14:31,080 --> 00:14:28,660

well I'm sure we're going to see a lot

348

00:14:33,570 --> 00:14:31,090

of UFO and extraterrestrial related

349

00:14:37,050 --> 00:14:33,580

shows on TV and in the theaters this

350

00:14:39,900 --> 00:14:37,060

year we all know several people who have

351  
00:14:41,640 --> 00:14:39,910  
been in the production phases of various

352  
00:14:44,340 --> 00:14:41,650  
TV shows and like morning pointed out

353  
00:14:46,530 --> 00:14:44,350  
that you know happens all the time so

354  
00:14:47,730 --> 00:14:46,540  
we'll see how many of these see the

355  
00:14:50,670 --> 00:14:47,740  
light of day we'll keep our fingers

356  
00:14:54,780 --> 00:14:50,680  
crossed and I just realized we're not

357  
00:14:58,350 --> 00:14:54,790  
talking about Dana and Greg new Kirk's

358  
00:15:01,260 --> 00:14:58,360  
new documentary 5 piece that's gonna be

359  
00:15:02,520 --> 00:15:01,270  
released this week yes trying to

360  
00:15:05,340 --> 00:15:02,530  
remember the it's a five-year

361  
00:15:08,850 --> 00:15:05,350  
investigation based in this cave in

362  
00:15:13,080 --> 00:15:08,860  
Kentucky and it relates to the Kelly

363  
00:15:14,970 --> 00:15:13,090

Hopkinson Hopkinsville case that you

364

00:15:17,040 --> 00:15:14,980

know was an inspiration for ET and other

365

00:15:19,020 --> 00:15:17,050

things but that's how it got started

366

00:15:21,930 --> 00:15:19,030

they got contacted by this guy that said

367

00:15:24,570 --> 00:15:21,940

there were weird he thought there are

368

00:15:26,280 --> 00:15:24,580

weird creatures living in the cave and

369

00:15:30,750 --> 00:15:26,290

so that comes out this week and it's

370

00:15:33,270 --> 00:15:30,760

free to watch online now now I'm like

371

00:15:35,910 --> 00:15:33,280

rushing to try to find out where yes

372

00:15:38,090 --> 00:15:35,920

fine I believe it's Helier calm right

373

00:15:40,950 --> 00:15:38,100

hell you're calm yes I think that's it

374

00:15:43,230 --> 00:15:40,960

but you can watch it there but you can

375

00:15:45,750 --> 00:15:43,240

also watch it on various video on-demand

376

00:15:48,540 --> 00:15:45,760

sites I forget them all but it seems

377

00:15:49,620 --> 00:15:48,550

like it's easily accessible for anybody

378

00:15:51,600 --> 00:15:49,630

to watch and they're putting it all out

379

00:15:53,030 --> 00:15:51,610

at the same time production value on

380

00:15:55,490 --> 00:15:53,040

that looks really cool if

381

00:15:58,640 --> 00:15:55,500

a fan of paranormal investigations fan

382

00:16:00,500 --> 00:15:58,650

of Kelly Hopkinsville goblin UFO case

383

00:16:03,050 --> 00:16:00,510

this is going to be something you want

384

00:16:05,870 --> 00:16:03,060

to check out absolutely all episodes On

385

00:16:09,290 --> 00:16:05,880

January 18th it looks cool okay now you

386

00:16:10,760 --> 00:16:09,300

can continue all right well again

387

00:16:14,210 --> 00:16:10,770

there'll be plenty of shows coming out

388

00:16:16,880 --> 00:16:14,220

and we'll certainly discuss those as we

389

00:16:19,880 --> 00:16:16,890

hear about them excited to see what

390

00:16:21,820 --> 00:16:19,890

happens with Ryan's show on a CW and

391

00:16:25,070 --> 00:16:21,830

Project Blue Book that's just gonna be a

392

00:16:28,940 --> 00:16:25,080

sort of a storm that continues all year

393

00:16:31,430 --> 00:16:28,950

long I'm excited to see what that does

394

00:16:34,880 --> 00:16:31,440

in terms of other programming public

395

00:16:37,120 --> 00:16:34,890

interest in UFOs etc so that sort of

396

00:16:40,190 --> 00:16:37,130

lets me roll into talking about

397

00:16:43,340 --> 00:16:40,200

conferences and events coming up in 2019

398

00:16:46,370 --> 00:16:43,350

that we're excited about and think that

399

00:16:49,100 --> 00:16:46,380

should get some special attention and I

400

00:16:50,660 --> 00:16:49,110

guess I'll mention alien con first

401  
00:16:55,190 --> 00:16:50,670  
because we just talked about project

402  
00:16:56,660 --> 00:16:55,200  
Bluebook alien con is rolling into its I

403  
00:17:00,940 --> 00:16:56,670  
think fourth year I don't remember

404  
00:17:04,250 --> 00:17:00,950  
exactly but alien con is essentially a

405  
00:17:06,530 --> 00:17:04,260  
large ancient aliens fan fest it's put

406  
00:17:10,090 --> 00:17:06,540  
on by the people the creators of ancient

407  
00:17:12,740 --> 00:17:10,100  
aliens and it is just a ginormous

408  
00:17:17,210 --> 00:17:12,750  
convention that takes over an entire

409  
00:17:20,780 --> 00:17:17,220  
convention center it's huge I spoke at

410  
00:17:22,460 --> 00:17:20,790  
it when it was in Baltimore recently and

411  
00:17:24,980 --> 00:17:22,470  
the next one is going to be in Los

412  
00:17:29,240 --> 00:17:24,990  
Angeles that takes place on June 21st

413  
00:17:31,280 --> 00:17:29,250

through the 23rd and in Baltimore

414

00:17:33,020 --> 00:17:31,290

project Bluebook had a huge presence

415

00:17:34,970 --> 00:17:33,030

again because this is History Channel

416

00:17:37,040 --> 00:17:34,980

Annie they were putting tons of money

417

00:17:39,350 --> 00:17:37,050

into it the people behind the show were

418

00:17:41,810 --> 00:17:39,360

there doing panels talking about the

419

00:17:44,810 --> 00:17:41,820

show Paul Hynek was there talking about

420

00:17:49,190 --> 00:17:44,820

life growing up with his dad Jalen hi

421

00:17:51,620 --> 00:17:49,200

Nick this UFO scientists so I can only

422

00:17:53,720 --> 00:17:51,630

guess that after the show has been

423

00:17:56,300 --> 00:17:53,730

launched it's going to still have and

424

00:17:59,120 --> 00:17:56,310

perhaps have a larger presence at alien

425

00:18:02,810 --> 00:17:59,130

Con in Los Angeles I'll be there again

426  
00:18:04,880 --> 00:18:02,820  
this year I would venture to say several

427  
00:18:05,670 --> 00:18:04,890  
of the rogue planet ears will be there

428  
00:18:08,310 --> 00:18:05,680  
as well

429  
00:18:12,270 --> 00:18:08,320  
so all the information for a lien con is

430  
00:18:14,130 --> 00:18:12,280  
that the alien con-com I need to drag

431  
00:18:17,010 --> 00:18:14,140  
you both to alien con this year guys

432  
00:18:20,670 --> 00:18:17,020  
yeah I'm I have it on my calendar I'm

433  
00:18:22,620 --> 00:18:20,680  
planning to attend hopefully so penciled

434  
00:18:25,320 --> 00:18:22,630  
in for me too I didn't know what to

435  
00:18:28,340 --> 00:18:25,330  
expect from it right because again this

436  
00:18:31,680 --> 00:18:28,350  
is completely different from a typical

437  
00:18:33,570 --> 00:18:31,690  
UFO conference UFO conferences are

438  
00:18:35,490 --> 00:18:33,580

largely academic you go and listen to

439

00:18:37,200 --> 00:18:35,500

lecture after lecture after lecture and

440

00:18:38,670 --> 00:18:37,210

that's what it is and it there might be

441

00:18:42,410 --> 00:18:38,680

a vendor room where people are selling

442

00:18:45,420 --> 00:18:42,420

books and things like that but alien con

443

00:18:48,840 --> 00:18:45,430

its premise is focused on one single

444

00:18:51,210 --> 00:18:48,850

show I couldn't believe how many people

445

00:18:54,240 --> 00:18:51,220

turnout for this thing and you realize

446

00:18:56,940 --> 00:18:54,250

what a large impact ancient aliens as a

447

00:19:00,210 --> 00:18:56,950

show has on popular culture and the

448

00:19:03,090 --> 00:19:00,220

mainstream public just tens of thousands

449

00:19:04,740 --> 00:19:03,100

of people they're passionate about this

450

00:19:06,720 --> 00:19:04,750

show this is their introduction to the

451  
00:19:10,650 --> 00:19:06,730  
UFO topic and these are people who

452  
00:19:13,560 --> 00:19:10,660  
aren't necessarily in the UFO community

453  
00:19:16,380 --> 00:19:13,570  
in any capacity they're their viewers of

454  
00:19:19,560 --> 00:19:16,390  
the show they're very passionate about

455  
00:19:21,630 --> 00:19:19,570  
the subject but they don't go out to

456  
00:19:24,870 --> 00:19:21,640  
conferences they don't necessarily do

457  
00:19:27,120 --> 00:19:24,880  
any research but they like the topic and

458  
00:19:29,730 --> 00:19:27,130  
in many cases they've had personal

459  
00:19:32,760 --> 00:19:29,740  
experiences and they want to explore

460  
00:19:35,220 --> 00:19:32,770  
this topic further so this audience was

461  
00:19:37,380 --> 00:19:35,230  
was really exciting to be around because

462  
00:19:39,930 --> 00:19:37,390  
they were excited to be there in a place

463  
00:19:42,720 --> 00:19:39,940

where they could discuss the topic of

464

00:19:45,300 --> 00:19:42,730

UFOs in sort of a safe space right

465

00:19:48,120 --> 00:19:45,310

because we still have the the stigma

466

00:19:50,280 --> 00:19:48,130

associated with UFOs to deal with and

467

00:19:51,840 --> 00:19:50,290

these people especially feel it because

468

00:19:54,990 --> 00:19:51,850

it's new to them they haven't talked

469

00:19:57,000 --> 00:19:55,000

about UFOs to anybody in their personal

470

00:20:00,120 --> 00:19:57,010

lives so being able to come to alien con

471

00:20:02,280 --> 00:20:00,130

was like their introduction to realizing

472

00:20:04,350 --> 00:20:02,290

this is a topic that yes you can talk to

473

00:20:06,000 --> 00:20:04,360

people about it's okay but they felt it

474

00:20:09,150 --> 00:20:06,010

was their safe space so it was like this

475

00:20:12,060 --> 00:20:09,160

this party weekend party where they

476

00:20:13,950 --> 00:20:12,070

could just celebrate their their UFO

477

00:20:15,720 --> 00:20:13,960

nerdiness and it was really fun to see

478

00:20:19,260 --> 00:20:15,730

you I think that's that's kind of the

479

00:20:20,760 --> 00:20:19,270

feeling we get when we speak at calm

480

00:20:23,820 --> 00:20:20,770

conventions and people don't really

481

00:20:25,890 --> 00:20:23,830

understand like why we're doing that

482

00:20:27,780 --> 00:20:25,900

sometimes we've we've had questions and

483

00:20:30,030 --> 00:20:27,790

you know what the panels at the

484

00:20:31,980 --> 00:20:30,040

comic-con that people are generally or

485

00:20:33,570 --> 00:20:31,990

you know like actually interested in the

486

00:20:35,610 --> 00:20:33,580

subject and they're not the people you

487

00:20:37,830 --> 00:20:35,620

normally see coming to UFO conferences

488

00:20:39,990 --> 00:20:37,840

but they're super excited to learn and

489

00:20:42,840 --> 00:20:40,000

they're excited to share their

490

00:20:45,870 --> 00:20:42,850

experiences and I I have more fun

491

00:20:48,510 --> 00:20:45,880

talking at those events than at events

492

00:20:51,930 --> 00:20:48,520

where people know everything allegedly

493

00:20:53,100 --> 00:20:51,940

already and you know aren't aren't

494

00:20:54,810 --> 00:20:53,110

intrigued and they already have their

495

00:20:56,640 --> 00:20:54,820

mind set and they want to be like no

496

00:21:01,920 --> 00:20:56,650

you're you're incorrect I want to throw

497

00:21:05,310 --> 00:21:01,930

my opinion on this and we saw that at

498

00:21:07,560 --> 00:21:05,320

the UFO Congress many times people will

499

00:21:10,190 --> 00:21:07,570

get upset if it's not the the view they

500

00:21:12,720 --> 00:21:10,200

want projected by a certain speaker when

501  
00:21:15,090 --> 00:21:12,730  
other places they're they're eager to

502  
00:21:18,060 --> 00:21:15,100  
hear what you have to say and go study

503  
00:21:20,220 --> 00:21:18,070  
more about it yeah yeah yeah it's

504  
00:21:22,830 --> 00:21:20,230  
awesome I didn't I didn't know what to

505  
00:21:25,140 --> 00:21:22,840  
expect with it I haven't attended it yet

506  
00:21:26,400 --> 00:21:25,150  
I definitely plan on doing so but it

507  
00:21:28,640 --> 00:21:26,410  
kind of reminds me a little bit of the

508  
00:21:33,900 --> 00:21:28,650  
difference too like when we went to the

509  
00:21:37,410 --> 00:21:33,910  
Roswell fest last July and it was a

510  
00:21:39,450 --> 00:21:37,420  
whole different dynamic inside - you

511  
00:21:41,280 --> 00:21:39,460  
know ufology that you know I wasn't

512  
00:21:43,440 --> 00:21:41,290  
exposed to because I've just attended

513  
00:21:45,600 --> 00:21:43,450

the conferences and guys really

514

00:21:47,820 --> 00:21:45,610

described well what the look and feel of

515

00:21:49,650 --> 00:21:47,830

that is but when you go to something

516

00:21:53,370 --> 00:21:49,660

that's more of a festival which I think

517

00:21:58,580 --> 00:21:53,380

alien con is is more like it's just a

518

00:22:00,810 --> 00:21:58,590

whole bunch of fun freer you know

519

00:22:03,270 --> 00:22:00,820

experiences that that are so different

520

00:22:05,010 --> 00:22:03,280

that you know really place to the fun

521

00:22:07,320 --> 00:22:05,020

side of the topic because the topic is

522

00:22:09,870 --> 00:22:07,330

fun but sometimes in the conference's

523

00:22:11,840 --> 00:22:09,880

it's a little more you know serious and

524

00:22:15,360 --> 00:22:11,850

for all the reasons you mentioned I'm

525

00:22:16,800 --> 00:22:15,370

marine so I I don't know I I'm really

526

00:22:19,560 --> 00:22:16,810

looking forward to it just that whole

527

00:22:22,650 --> 00:22:19,570

different feeling vibe and I'm sure it's

528

00:22:26,490 --> 00:22:22,660

gonna be a fun experience yeah I I do

529

00:22:30,090 --> 00:22:26,500

encourage it or endorse it for anybody

530

00:22:31,859 --> 00:22:30,100

who is interested in UFOs and you know

531

00:22:35,609 --> 00:22:31,869

either looking for just

532

00:22:39,060 --> 00:22:35,619

easy event to go to that's not you know

533

00:22:40,589 --> 00:22:39,070

heavy on research or you know stuffy or

534

00:22:43,529 --> 00:22:40,599

anyplace here you feel like you're gonna

535

00:22:46,080 --> 00:22:43,539

be judged for not being a level twelve

536

00:22:47,940 --> 00:22:46,090

ufologist or anything like that so what

537

00:22:49,799 --> 00:22:47,950

is a level twelve ufologist I don't

538

00:22:54,029 --> 00:22:49,809

think anybody wants to know yeah I

539

00:22:55,320 --> 00:22:54,039

certainly don't want to know that's cool

540

00:22:59,549 --> 00:22:55,330

but also sounds like it might be kind of

541

00:23:00,989 --> 00:22:59,559

a douche bag so yeah so I'll think it's

542

00:23:02,399 --> 00:23:00,999

great and they're doing it's such a

543

00:23:05,039 --> 00:23:02,409

great job with bringing in more people

544

00:23:07,619 --> 00:23:05,049

more speakers really bumping up their

545

00:23:10,139 --> 00:23:07,629

programming their programming is just so

546

00:23:11,579 --> 00:23:10,149

it's it's incredible how much there is

547

00:23:13,079 --> 00:23:11,589

they have room after room after room

548

00:23:15,839 --> 00:23:13,089

filled with programming running at the

549

00:23:17,639 --> 00:23:15,849

same time the problem there is you

550

00:23:19,289 --> 00:23:17,649

really have to map out your day because

551  
00:23:21,269 --> 00:23:19,299  
you're going to have to miss something

552  
00:23:23,639 --> 00:23:21,279  
that you really want to see because all

553  
00:23:26,159 --> 00:23:23,649  
this stuff is running concurrently so

554  
00:23:29,279 --> 00:23:26,169  
you know somebody's speaking in one room

555  
00:23:31,139 --> 00:23:29,289  
and there are five other rooms going on

556  
00:23:33,419 --> 00:23:31,149  
at the same time so you really have to

557  
00:23:35,820 --> 00:23:33,429  
map out your favorite talks that you

558  
00:23:39,299 --> 00:23:35,830  
want to see and go to those but I was

559  
00:23:41,190 --> 00:23:39,309  
really surprised at a mainstream you

560  
00:23:45,599 --> 00:23:41,200  
know pop culture event like alien Cohn

561  
00:23:48,389 --> 00:23:45,609  
to see how popular the experiencer

562  
00:23:50,639 --> 00:23:48,399  
sessions were so Ryan Sprague actually

563  
00:23:51,959 --> 00:23:50,649

led an experimenter session and for those

564

00:23:54,359 --> 00:23:51,969

of you who don't know this is something

565

00:23:59,969 --> 00:23:54,369

that we did a lot at the UFO Congress

566

00:24:01,950 --> 00:23:59,979

and you know it's it's where people have

567

00:24:03,869 --> 00:24:01,960

an opportunity to come in a room

568

00:24:06,180 --> 00:24:03,879

together and share their personal

569

00:24:08,969 --> 00:24:06,190

experiences or just listen if they feel

570

00:24:10,979 --> 00:24:08,979

that you know they've had a UFO sighting

571

00:24:12,209 --> 00:24:10,989

or they believe that they've had contact

572

00:24:13,769 --> 00:24:12,219

with extraterrestrials or things like

573

00:24:15,060 --> 00:24:13,779

that so they come and basically share

574

00:24:16,799 --> 00:24:15,070

their story and everybody sits around

575

00:24:20,549 --> 00:24:16,809

and listens to it sort of like a support

576

00:24:23,159 --> 00:24:20,559

group basically this was you know in a

577

00:24:25,349 --> 00:24:23,169

medium sized room there at alien con but

578

00:24:27,180 --> 00:24:25,359

it filled up man it was it was packed I

579

00:24:29,639 --> 00:24:27,190

didn't didn't expect you know this crowd

580

00:24:31,469 --> 00:24:29,649

to come and be interested in that type

581

00:24:34,139 --> 00:24:31,479

of thing but they really were and Ryan

582

00:24:35,940 --> 00:24:34,149

did a great job leading that and and

583

00:24:37,889 --> 00:24:35,950

encouraging people to share stories and

584

00:24:40,049 --> 00:24:37,899

it was really cool to see and I heard

585

00:24:42,089 --> 00:24:40,059

disappointment from people that there

586

00:24:43,810 --> 00:24:42,099

weren't more of those sessions running

587

00:24:46,240 --> 00:24:43,820

throughout the weekend

588

00:24:49,330 --> 00:24:46,250

that totally blew me away because that's

589

00:24:52,900 --> 00:24:49,340

not what I was expecting from the you

590

00:24:55,260 --> 00:24:52,910

know entertainment convention crowd sure

591

00:24:58,990 --> 00:24:55,270

looks like for anybody that's interested

592

00:25:00,880 --> 00:24:59,000

the regular 3-day pass is now a hundred

593

00:25:01,840 --> 00:25:00,890

and twenty four dollars so for three

594

00:25:04,020 --> 00:25:01,850

days

595

00:25:07,570 --> 00:25:04,030

of a lot of programming that's not

596

00:25:09,100 --> 00:25:07,580

unexpected or overly high that's

597

00:25:11,560 --> 00:25:09,110

actually a pretty fair ticket price I

598

00:25:14,020 --> 00:25:11,570

think absolutely and again these things

599

00:25:16,800 --> 00:25:14,030

you know there's gonna be tons of fun

600

00:25:19,540 --> 00:25:16,810

stuff to see it's just a fun atmosphere

601  
00:25:21,640 --> 00:25:19,550  
there's a big big vendor hall lots of

602  
00:25:23,200 --> 00:25:21,650  
stuff to see there will be celebrities

603  
00:25:26,470 --> 00:25:23,210  
there they do have celebrities on the

604  
00:25:28,990 --> 00:25:26,480  
programming and being in LA in our

605  
00:25:33,420 --> 00:25:29,000  
experience UFO related events that

606  
00:25:36,760 --> 00:25:33,430  
happen in or around LA draw celebrity

607  
00:25:38,590 --> 00:25:36,770  
METEC because there are so many people

608  
00:25:40,720 --> 00:25:38,600  
including celebrities interested in this

609  
00:25:42,700 --> 00:25:40,730  
topic so the fact that it's gonna be in

610  
00:25:45,400 --> 00:25:42,710  
LA I suspect there will be lots of

611  
00:25:47,620 --> 00:25:45,410  
celebrity types just in attendance as

612  
00:25:49,900 --> 00:25:47,630  
well so you can do some some Star

613  
00:25:51,790 --> 00:25:49,910

sighting if you're interested in that

614

00:25:52,990 --> 00:25:51,800

but they have photo ops and stuff you

615

00:25:54,850 --> 00:25:53,000

can take pictures of people get

616

00:25:58,000 --> 00:25:54,860

autographs that type of thing so that's

617

00:26:00,010 --> 00:25:58,010

cool but yeah there's again these things

618

00:26:01,870 --> 00:26:00,020

are social the thing is hanging out with

619

00:26:04,480 --> 00:26:01,880

people like-minded people talking about

620

00:26:05,560 --> 00:26:04,490

this topic and going across the street

621

00:26:07,240 --> 00:26:05,570

wherever that may be

622

00:26:09,610 --> 00:26:07,250

if the Convention Center doesn't have

623

00:26:12,490 --> 00:26:09,620

its own bar and coming and hanging out

624

00:26:18,150 --> 00:26:12,500

with your fellow rogue planet ears here

625

00:26:22,360 --> 00:26:20,380

no that's that's where the good

626  
00:26:23,620 --> 00:26:22,370  
conversation happens yeah that's

627  
00:26:24,790 --> 00:26:23,630  
certainly what Ryan and I were doing in

628  
00:26:27,310 --> 00:26:24,800  
Baltimore so we had some great

629  
00:26:30,160 --> 00:26:27,320  
conversations there so well

630  
00:26:34,690 --> 00:26:30,170  
Maureen you brought up Comic Cons I know

631  
00:26:36,760 --> 00:26:34,700  
so that's coming up so Jason and I the

632  
00:26:38,200 --> 00:26:36,770  
first year ever you know we've we've

633  
00:26:40,510 --> 00:26:38,210  
spoke at Denver for the last four years

634  
00:26:42,610 --> 00:26:40,520  
we are going to be speaking at Emerald

635  
00:26:44,590 --> 00:26:42,620  
City Comic Con in my home city of

636  
00:26:47,260 --> 00:26:44,600  
Seattle so super excited about that

637  
00:26:49,800 --> 00:26:47,270  
we're doing the panel on real-life

638  
00:26:52,300 --> 00:26:49,810

x-files of strange stories from

639

00:26:55,440 --> 00:26:52,310

government paranormal investigations and

640

00:26:57,080 --> 00:26:55,450

stories of our own investigations so

641

00:26:58,880 --> 00:26:57,090

super psyched

642

00:27:03,080 --> 00:26:58,890

that I've never spoken in Seattle before

643

00:27:05,720 --> 00:27:03,090

so excited to see what sort of crowd

644

00:27:07,970 --> 00:27:05,730

comes to the hive no idea it could be

645

00:27:10,040 --> 00:27:07,980

small it could be large but yeah we're

646

00:27:14,510 --> 00:27:10,050

speaking on Friday

647

00:27:16,610 --> 00:27:14,520

I think it's March 17th at 6:30 p.m. so

648

00:27:19,070 --> 00:27:16,620

anybody in the area I think it's the

649

00:27:20,990 --> 00:27:19,080

15th is it ok never mind I think it's

650

00:27:23,030 --> 00:27:21,000

the 15th I think the event runs the 14th

651  
00:27:25,520 --> 00:27:23,040  
through the 17th and 15th is a Friday

652  
00:27:28,220 --> 00:27:25,530  
but whatever that Friday is that's when

653  
00:27:35,180 --> 00:27:28,230  
we're speaking yeah and and Jason's wife

654  
00:27:37,220 --> 00:27:35,190  
is is going to be the moderator but all

655  
00:27:40,220 --> 00:27:37,230  
the information for Emerald City Comicon

656  
00:27:42,710 --> 00:27:40,230  
is at Emerald City Comicon calm and

657  
00:27:44,840 --> 00:27:42,720  
we'll have more more details as we get

658  
00:27:46,250 --> 00:27:44,850  
closer to the event excited for that

659  
00:27:47,810 --> 00:27:46,260  
morning that's gonna be fun I'm so glad

660  
00:27:49,460 --> 00:27:47,820  
this is your first time speaking in

661  
00:27:52,370 --> 00:27:49,470  
Seattle that's gonna be a fun experience

662  
00:27:54,290 --> 00:27:52,380  
to have with you yeah we'll see we'll

663  
00:27:56,860 --> 00:27:54,300

see how it goes and I'm like I know a

664

00:27:59,750 --> 00:27:56,870

few people that are already attending

665

00:28:01,910 --> 00:27:59,760

comic-con that I've told them to show up

666

00:28:04,820 --> 00:28:01,920

to the panel but speaking in front of

667

00:28:06,410 --> 00:28:04,830

people you know - it's a little it sure

668

00:28:08,300 --> 00:28:06,420

is I mean I just had to speak in front

669

00:28:12,920 --> 00:28:08,310

of Shane and that was really

670

00:28:16,430 --> 00:28:12,930

uncomfortable I could feel your judging

671

00:28:18,560 --> 00:28:16,440

eyes just like steering shake in the

672

00:28:21,200 --> 00:28:18,570

back row Marina I was jumping up and

673

00:28:24,710 --> 00:28:21,210

down and bleeding cheers and there Jason

674

00:28:27,020 --> 00:28:24,720

go Jason Jason I did all that are you

675

00:28:35,300 --> 00:28:27,030

wearing it like a Jason shirt or a no no

676

00:28:37,130 --> 00:28:35,310

podcaster it's just painted feel free to

677

00:28:39,710 --> 00:28:37,140

fly to Seattle and do similar

678

00:28:43,190 --> 00:28:39,720

cheerleading at our comic-con panel

679

00:28:45,110 --> 00:28:43,200

okay I'll pencil that in - Dan you were

680

00:28:45,650 --> 00:28:45,120

a great cheerleader I appreciate your

681

00:28:47,840 --> 00:28:45,660

support

682

00:28:50,000 --> 00:28:47,850

well another event that I have to

683

00:28:52,070 --> 00:28:50,010

mention because Shane and I are both in

684

00:28:55,640 --> 00:28:52,080

Phoenix and that's the International UFO

685

00:28:57,530 --> 00:28:55,650

Congress now it's gonna be I don't know

686

00:29:00,170 --> 00:28:57,540

about you guys but I am very very

687

00:29:02,270 --> 00:29:00,180

curious to see the Congress this year

688

00:29:05,190 --> 00:29:02,280

because it's going to be like a brand

689

00:29:08,280 --> 00:29:05,200

new conference in my opinion because

690

00:29:10,350 --> 00:29:08,290

the conference is moving not only in the

691

00:29:12,660 --> 00:29:10,360

time of year as taking place but also

692

00:29:15,390 --> 00:29:12,670

physical locations it's always happened

693

00:29:18,000 --> 00:29:15,400

in February and this year it's happening

694

00:29:19,650 --> 00:29:18,010

in September all the way in September

695

00:29:22,890 --> 00:29:19,660

it runs from September 4th through the

696

00:29:25,890 --> 00:29:22,900

8th in Phoenix in downtown Phoenix

697

00:29:27,540 --> 00:29:25,900

Conference has moved from way far

698

00:29:28,230 --> 00:29:27,550

removed from Phoenix out in the middle

699

00:29:30,840 --> 00:29:28,240

of nowhere

700

00:29:33,660 --> 00:29:30,850

to downtown Phoenix it's gonna be at the

701  
00:29:36,870 --> 00:29:33,670  
Sheraton downtown that's just gonna be

702  
00:29:39,600 --> 00:29:36,880  
an interesting vibe I think I don't know

703  
00:29:41,220 --> 00:29:39,610  
Shane what do you think yeah it's I

704  
00:29:43,410 --> 00:29:41,230  
think it's gonna be very different I

705  
00:29:45,960 --> 00:29:43,420  
mean where it was held before it's you

706  
00:29:48,450 --> 00:29:45,970  
know come out in the desert and it's you

707  
00:29:51,060 --> 00:29:48,460  
know got the the Native American vibe

708  
00:29:53,520 --> 00:29:51,070  
and it's cool and relaxed and all that

709  
00:29:55,770 --> 00:29:53,530  
and now it's gonna be in the heart of

710  
00:29:57,900 --> 00:29:55,780  
downtown and that that hotel is a

711  
00:30:00,420 --> 00:29:57,910  
beautiful hotel it's very you know

712  
00:30:02,610 --> 00:30:00,430  
trendy and yeah the whole vibes gonna

713  
00:30:04,440 --> 00:30:02,620

change I think but I'm really looking

714

00:30:05,700 --> 00:30:04,450

forward to it too I you know it'll be

715

00:30:09,060 --> 00:30:05,710

bigger they'll be able to accomplish

716

00:30:11,370 --> 00:30:09,070

more I think and that's good for the eye

717

00:30:12,900 --> 00:30:11,380

ufoc certainly and I'll be just

718

00:30:15,900 --> 00:30:12,910

interesting to see what it does to the

719

00:30:18,000 --> 00:30:15,910

to the crowd and who comes and you know

720

00:30:21,540 --> 00:30:18,010

just how how it flows you know because

721

00:30:23,850 --> 00:30:21,550

it's where where it was was you know the

722

00:30:26,700 --> 00:30:23,860

the environment really had a big affect

723

00:30:29,570 --> 00:30:26,710

on it so we'll see how it goes here yeah

724

00:30:32,130 --> 00:30:29,580

I'm wondering if they're going to do a

725

00:30:33,720 --> 00:30:32,140

separate night walk sky watch where they

726

00:30:37,170 --> 00:30:33,730

go because they're not gonna see

727

00:30:40,080 --> 00:30:37,180

anything in downtown Phoenix so they

728

00:30:41,610 --> 00:30:40,090

maybe they have scheduled a little

729

00:30:44,490 --> 00:30:41,620

excursion or something and who knows

730

00:30:46,680 --> 00:30:44,500

it'll be interesting yes because I mean

731

00:30:48,870 --> 00:30:46,690

in the past most people know Jason and I

732

00:30:52,020 --> 00:30:48,880

were two of the main organizers of the

733

00:30:54,600 --> 00:30:52,030

conference for upwards of what eight

734

00:30:57,870 --> 00:30:54,610

years or so Jason I don't know anyways

735

00:30:59,670 --> 00:30:57,880

something like oh yeah and every year

736

00:31:02,090 --> 00:30:59,680

people would come up to me and again

737

00:31:04,910 --> 00:31:02,100

they're trying to grow so this is not

738

00:31:08,130 --> 00:31:04,920

necessarily something that they should

739

00:31:09,600 --> 00:31:08,140

you know but they're plans around but a

740

00:31:10,740 --> 00:31:09,610

lot of people we're like please don't

741

00:31:12,030 --> 00:31:10,750

move the conference please don't move

742

00:31:15,120 --> 00:31:12,040

the conference please don't move the

743

00:31:16,770 --> 00:31:15,130

conference because we for a while we

744

00:31:19,080 --> 00:31:16,780

were pushing to move it to Vegas right

745

00:31:21,690 --> 00:31:19,090

but yeah a lot of people you

746

00:31:24,060 --> 00:31:21,700

as their vacation every year and come

747

00:31:26,790 --> 00:31:24,070

out to the desert so now it'll be

748

00:31:29,910 --> 00:31:26,800

interesting to see how that develops and

749

00:31:33,240 --> 00:31:29,920

maybe they'll be able to diversify the

750

00:31:34,890 --> 00:31:33,250

crowd a lot from just not only the the

751  
00:31:37,980 --> 00:31:34,900  
diehard people that have been coming for

752  
00:31:41,970 --> 00:31:37,990  
1516 years but the or 20 years however

753  
00:31:44,130 --> 00:31:41,980  
long but but newer generations and

754  
00:31:46,080 --> 00:31:44,140  
people they just want to pop in from

755  
00:31:48,390 --> 00:31:46,090  
downtown Phoenix absolutely it makes it

756  
00:31:50,370 --> 00:31:48,400  
so much more accessible it's easier to

757  
00:31:52,950 --> 00:31:50,380  
get to you I mean and even for me like

758  
00:31:54,690 --> 00:31:52,960  
being in Phoenix it was a pain in the

759  
00:31:56,460 --> 00:31:54,700  
ass tried not to fill in Hills to go to

760  
00:31:59,070 --> 00:31:56,470  
the conference you know whereas this is

761  
00:32:00,630 --> 00:31:59,080  
right in downtown Phoenix there's so

762  
00:32:03,180 --> 00:32:00,640  
much stuff around tons of great

763  
00:32:04,380 --> 00:32:03,190

restaurants great bars again pop across

764

00:32:06,660 --> 00:32:04,390

the street and you'll find me and Shane

765

00:32:10,140 --> 00:32:06,670

it that in any number of bars come talk

766

00:32:12,330 --> 00:32:10,150

UFOs with us but yeah I mean that's huge

767

00:32:14,940 --> 00:32:12,340

it's really easy to get to and from the

768

00:32:18,360 --> 00:32:14,950

airport so I think it's it's huge for

769

00:32:20,190 --> 00:32:18,370

all of those reasons but yeah you bring

770

00:32:22,410 --> 00:32:20,200

up a good point with a Sky Watch I'm

771

00:32:24,540 --> 00:32:22,420

sure no shuttle people out for that I

772

00:32:27,600 --> 00:32:24,550

guess that's easier doing group shuttle

773

00:32:29,250 --> 00:32:27,610

away instead of you know having every

774

00:32:33,510 --> 00:32:29,260

single attendee shuttle from the airport

775

00:32:36,540 --> 00:32:33,520

to even get to the event itself yeah but

776

00:32:40,020 --> 00:32:36,550

you know you mentioned the the fear

777

00:32:42,870 --> 00:32:40,030

certainly of moving the conference from

778

00:32:46,140 --> 00:32:42,880

its established location but you and I

779

00:32:49,050 --> 00:32:46,150

morning heard that so much when we first

780

00:32:51,150 --> 00:32:49,060

moved at the conference when open minds

781

00:32:53,520 --> 00:32:51,160

acquired it and we moved it from its

782

00:32:57,600 --> 00:32:53,530

home in Laughlin Nevada to Phoenix

783

00:33:00,600 --> 00:32:57,610

Arizona and there was so many people

784

00:33:02,060 --> 00:33:00,610

pleading with us to not move it because

785

00:33:06,210 --> 00:33:02,070

they were used to it being in Laughlin

786

00:33:07,590 --> 00:33:06,220

however one year after moving it we more

787

00:33:11,310 --> 00:33:07,600

than doubled the attendance of the

788

00:33:13,170 --> 00:33:11,320

conference and shortly after that you

789

00:33:15,540 --> 00:33:13,180

know that's when we got the attention of

790

00:33:17,970 --> 00:33:15,550

Guinness World Records as establishing

791

00:33:21,150 --> 00:33:17,980

the largest annual UFO conference in the

792

00:33:23,250 --> 00:33:21,160

world so you know you look at it from a

793

00:33:25,500 --> 00:33:23,260

comfort standpoint from a familiarity

794

00:33:26,820 --> 00:33:25,510

standpoint of people like oh you know

795

00:33:27,830 --> 00:33:26,830

I'm used to it being here I like it

796

00:33:30,409 --> 00:33:27,840

being here

797

00:33:34,940 --> 00:33:30,419

but at the same time you're trying to

798

00:33:36,950 --> 00:33:34,950

balance that with introducing new people

799

00:33:38,930 --> 00:33:36,960

to the event making the event more

800

00:33:40,549 --> 00:33:38,940

accessible to a larger number of people

801  
00:33:43,340 --> 00:33:40,559  
and I think that's that's the priority

802  
00:33:46,789 --> 00:33:43,350  
you have to take that being said you

803  
00:33:49,700 --> 00:33:46,799  
know the the essentially the the old

804  
00:33:51,799 --> 00:33:49,710  
version of the UFO Congress is back this

805  
00:33:56,470 --> 00:33:51,809  
year there's an event called what is it

806  
00:33:57,769 --> 00:33:56,480  
called the mega UFO con or something

807  
00:34:00,080 --> 00:33:57,779  
first

808  
00:34:02,180 --> 00:34:00,090  
what's that is that really what they're

809  
00:34:04,190 --> 00:34:02,190  
calling it absolutely and it's it's run

810  
00:34:07,639 --> 00:34:04,200  
by Bob Brown the former owner of the UFO

811  
00:34:10,310 --> 00:34:07,649  
Congress so it's essentially the old

812  
00:34:11,839 --> 00:34:10,320  
crowd of people who used to be doing the

813  
00:34:14,839 --> 00:34:11,849

the International UFO Congress before

814

00:34:16,940 --> 00:34:14,849

open minds acquired it so that vibe is

815

00:34:18,800 --> 00:34:16,950

back it's back in Laughlin so people who

816

00:34:21,680 --> 00:34:18,810

remember the old days of the of the UFO

817

00:34:24,050 --> 00:34:21,690

Congress will be able to enjoy that in

818

00:34:26,480 --> 00:34:24,060

Laughlin back in you know back at the

819

00:34:28,820 --> 00:34:26,490

aquarium back of the Aquarius yeah so

820

00:34:31,250 --> 00:34:28,830

it'll feel feel very similar to anybody

821

00:34:32,780 --> 00:34:31,260

who was there in the old days of the

822

00:34:35,690 --> 00:34:32,790

Congress Maureen and I remember that

823

00:34:40,159 --> 00:34:35,700

well oh yeah we and that was when it was

824

00:34:43,129 --> 00:34:40,169

like nine days nine days long early and

825

00:34:45,500 --> 00:34:43,139

late so yeah Jase and I both as as

826

00:34:47,030 --> 00:34:45,510

vegetarians at the time Jason's Noah

827

00:34:49,040 --> 00:34:47,040

yeah holy cow they have a lot of the old

828

00:34:55,030 --> 00:34:49,050

speakers yeah a lot of the old speakers

829

00:34:58,579 --> 00:34:55,040

I was like is this roster from 2009 no

830

00:35:00,410 --> 00:34:58,589

there's not a lot of options for for

831

00:35:04,550 --> 00:35:00,420

eating for us so we both felt really

832

00:35:06,470 --> 00:35:04,560

awful after nine days but hopefully

833

00:35:09,050 --> 00:35:06,480

they've improved their restaurants yeah

834

00:35:11,720 --> 00:35:09,060

right it's funny looking at you know

835

00:35:13,370 --> 00:35:11,730

that event and they really are you know

836

00:35:15,920 --> 00:35:13,380

it's it's nostalgic they're going back

837

00:35:19,640 --> 00:35:15,930

and recapturing essentially exactly what

838

00:35:22,250 --> 00:35:19,650

the Congress was in Laughlin so the name

839

00:35:26,599 --> 00:35:22,260

is is is perfectly descriptive I think

840

00:35:29,480 --> 00:35:26,609

the it is a UFO mega conference but UFO

841

00:35:30,530 --> 00:35:29,490

Megacon to me my initial reaction to

842

00:35:32,510 --> 00:35:30,540

that makes me think that that's

843

00:35:38,940 --> 00:35:32,520

something that Steven Greer would do you

844

00:35:43,020 --> 00:35:38,950

know oh yeah zing Megacon

845

00:35:43,650 --> 00:35:43,030

I'm running at Megacon here megha sir

846

00:35:45,390 --> 00:35:43,660

yeah

847

00:35:46,740 --> 00:35:45,400

nine days would be hard to take of

848

00:35:48,930 --> 00:35:46,750

anything when you think about it

849

00:35:51,150 --> 00:35:48,940

nowadays right our attention spans not

850

00:35:53,220 --> 00:35:51,160

that long I'd have trouble paying

851

00:35:55,859 --> 00:35:53,230

attention for nine days it's probably

852

00:35:57,870 --> 00:35:55,869

wise to trim that back physical it

853

00:36:00,810 --> 00:35:57,880

becomes an issue just your physical

854

00:36:02,990 --> 00:36:00,820

ability to do anything not long when

855

00:36:05,640 --> 00:36:03,000

you're essentially living at a hotel

856

00:36:08,310 --> 00:36:05,650

living in a casino unless in a casino

857

00:36:10,609 --> 00:36:08,320

and a Convention Center I mean number

858

00:36:14,960 --> 00:36:10,619

one hotels already there air is very dry

859

00:36:17,880 --> 00:36:14,970

but you're in Laughlin in a casino and

860

00:36:21,270 --> 00:36:17,890

it was just you know those those casinos

861

00:36:23,099 --> 00:36:21,280

aren't as modern as the casinos in Vegas

862

00:36:26,700 --> 00:36:23,109

they don't have the air purification

863

00:36:28,680 --> 00:36:26,710

system where is efficient as the ones in

864

00:36:31,200 --> 00:36:28,690

Vegas so it's just a cloud of smoke all

865

00:36:33,720 --> 00:36:31,210

the time so you're just like living in a

866

00:36:36,960 --> 00:36:33,730

thick cloud of smoke for nine days in

867

00:36:39,030 --> 00:36:36,970

dry air it just I don't know it took me

868

00:36:41,520 --> 00:36:39,040

probably a month or two to get all that

869

00:36:43,410 --> 00:36:41,530

crap out of my lungs no no the function

870

00:36:45,990 --> 00:36:43,420

again and not to mention we were smoking

871

00:36:47,760 --> 00:36:46,000

cigars and drinking Bloody Mary's

872

00:36:49,859 --> 00:36:47,770

non-stop at the hotel bar

873

00:36:51,690 --> 00:36:49,869

oh yeah the hotel and a casino to boot

874

00:36:55,220 --> 00:36:51,700

so you're getting free drinks and yeah

875

00:36:57,960 --> 00:36:55,230

no that's that's not good for nine days

876

00:37:04,020 --> 00:36:57,970

when I go to Vegas I go for two days and

877

00:37:07,079 --> 00:37:04,030

I'm done so so another event that's

878

00:37:10,589 --> 00:37:07,089

coming up not too crazy far away is the

879

00:37:13,290 --> 00:37:10,599

close to me they McMinnville yes so fast

880

00:37:14,670 --> 00:37:13,300

I'm so glad you brought that up I want

881

00:37:17,040 --> 00:37:14,680

to try to attend this year last year I

882

00:37:19,950 --> 00:37:17,050

couldn't in Jeremy Korb and George

883

00:37:21,780 --> 00:37:19,960

Knapp are both speaking so they haven't

884

00:37:25,079 --> 00:37:21,790

announced who's speaking yet but it's I

885

00:37:26,760 --> 00:37:25,089

think it's mid May and May 14th maybe I

886

00:37:28,559 --> 00:37:26,770

don't know let me look I believe that

887

00:37:30,420 --> 00:37:28,569

Iraq yeah you look it up but I I would

888

00:37:33,270 --> 00:37:30,430

encourage people to check out this year

889

00:37:35,430 --> 00:37:33,280

because I wouldn't be surprised if you

890

00:37:38,609 --> 00:37:35,440

might happen to see Jeremy and/or George

891

00:37:40,740 --> 00:37:38,619

again this year yeah just say yeah it's

892

00:37:43,589 --> 00:37:40,750

it's May 16th through the 18th so I

893

00:37:45,780 --> 00:37:43,599

think you know it's it's not a crazy

894

00:37:47,760 --> 00:37:45,790

Drive for me so I might I might go down

895

00:37:49,740 --> 00:37:47,770

this year and to your point Shane I mean

896

00:37:51,870 --> 00:37:49,750

this this is a lot like Roswell you know

897

00:37:53,880 --> 00:37:51,880

so for anybody who likes that kind of AD

898

00:37:56,700 --> 00:37:53,890

fear this is this is a festival right

899

00:37:57,720 --> 00:37:56,710

it's not this serious academic thing

900

00:37:58,799 --> 00:37:57,730

where you're sitting down and listening

901  
00:38:02,460 --> 00:37:58,809  
to lectures I mean they do have

902  
00:38:05,309 --> 00:38:02,470  
presentations but it is a celebration a

903  
00:38:07,920 --> 00:38:05,319  
town festival so it really has that fun

904  
00:38:09,809 --> 00:38:07,930  
atmosphere yeah it's only three and a

905  
00:38:10,289 --> 00:38:09,819  
half hours I think I just have to do

906  
00:38:15,450 --> 00:38:10,299  
that

907  
00:38:18,329 --> 00:38:15,460  
this one is bass is it um

908  
00:38:21,089 --> 00:38:18,339  
was it the Paul Trent photos so ever

909  
00:38:23,370 --> 00:38:21,099  
incorrect nearby and this stems from

910  
00:38:27,870 --> 00:38:23,380  
that okay yeah that'd be an interesting

911  
00:38:30,089 --> 00:38:27,880  
one to go to absolutely the Trent photos

912  
00:38:33,690 --> 00:38:30,099  
are obviously a very highly

913  
00:38:35,130 --> 00:38:33,700

controversial case as well people

914

00:38:37,829 --> 00:38:35,140

haven't heard about it definitely look

915

00:38:39,690 --> 00:38:37,839

it up basically trying to figure out

916

00:38:42,630 --> 00:38:39,700

whether this guy hoax these photos or

917

00:38:44,609 --> 00:38:42,640

not and they are you can probably find

918

00:38:47,490 --> 00:38:44,619

them pretty easily online just Google

919

00:38:55,140 --> 00:38:47,500

Trent photos and look into it and

920

00:38:58,799 --> 00:38:55,150

there's been I believe didn't Bruce

921

00:39:00,630 --> 00:38:58,809

Maccabee your own analysis on yeah so so

922

00:39:03,839 --> 00:39:00,640

go check them out and you can look at

923

00:39:06,210 --> 00:39:03,849

all the analysis that he did and decide

924

00:39:10,740 --> 00:39:06,220

on what you think personally or my own

925

00:39:12,539 --> 00:39:10,750

opinion yeah say what I think well there

926

00:39:14,940 --> 00:39:12,549

at least I'd have to say pretty iconic

927

00:39:17,849 --> 00:39:14,950

photos right when you look at you know

928

00:39:19,650 --> 00:39:17,859

you you have ufology you know those are

929

00:39:21,720 --> 00:39:19,660

some of the ones that pop up right away

930

00:39:24,660 --> 00:39:21,730

aren't they considered like some of the

931

00:39:27,839 --> 00:39:24,670

first UFO photos let me meet you first

932

00:39:30,749 --> 00:39:27,849

UFO photo yeah and this was this was

933

00:39:33,660 --> 00:39:30,759

there from the 1950 1950 I think so yeah

934

00:39:36,509 --> 00:39:33,670

was 1950 yeah yeah you can go to brew

935

00:39:38,819 --> 00:39:36,519

mac.com Bruce Maccabee site and he's got

936

00:39:39,980 --> 00:39:38,829

just you know tons of excellent data on

937

00:39:42,420 --> 00:39:39,990

it right

938

00:39:44,460 --> 00:39:42,430

alright let's talk about books guys

939

00:39:47,999 --> 00:39:44,470

because there are always UFO books

940

00:39:50,279 --> 00:39:48,009

coming out and this one I want to say

941

00:39:54,150 --> 00:39:50,289

caught me off guard but at the same time

942

00:39:55,890 --> 00:39:54,160

didn't because I've been looking forward

943

00:39:57,900 --> 00:39:55,900

to a book from this guy for a long time

944

00:40:00,380 --> 00:39:57,910

and that's John Greenwald John Greenwald

945

00:40:05,269 --> 00:40:00,390

has been

946

00:40:08,990 --> 00:40:05,279

ankles deep in ufo-related research for

947

00:40:11,329 --> 00:40:09,000

a very long time and file specifically

948

00:40:14,450 --> 00:40:11,339

military files obtained through the

949

00:40:16,759 --> 00:40:14,460

Freedom of Information Act and John

950

00:40:18,349 --> 00:40:16,769

finally announced not too long ago that

951

00:40:20,299 --> 00:40:18,359

he's got a book coming out it's called

952

00:40:23,420 --> 00:40:20,309

inside the black vault the government's

953

00:40:26,150 --> 00:40:23,430

UFO Secrets Revealed and the reason I'm

954

00:40:29,450 --> 00:40:26,160

so excited about this is because again

955

00:40:31,609 --> 00:40:29,460

I'm a primarily an evidence guy I like

956

00:40:34,279 --> 00:40:31,619

being able to and a journalist so I like

957

00:40:37,190 --> 00:40:34,289

being able to cite two sources and see

958

00:40:39,400 --> 00:40:37,200

where claims are being made and what

959

00:40:43,940 --> 00:40:39,410

John does through Freedom of Information

960

00:40:46,519 --> 00:40:43,950

requests is get actual documentation now

961

00:40:48,980 --> 00:40:46,529

we can debate whether or not the

962

00:40:51,829 --> 00:40:48,990

information in that documentation is

963

00:40:55,220 --> 00:40:51,839

valid if it's true if it's a hoax if

964

00:40:57,440 --> 00:40:55,230

it's been planted or the interpretation

965

00:40:59,870 --> 00:40:57,450

of what that data is telling us however

966

00:41:02,630 --> 00:40:59,880

it's still a physical thing you can

967

00:41:03,950 --> 00:41:02,640

point to and I love that so John's got

968

00:41:05,630 --> 00:41:03,960

his book inside the black vault the

969

00:41:07,160 --> 00:41:05,640

government's UFO Secrets Revealed I

970

00:41:08,660 --> 00:41:07,170

can't wait to dive into it it's

971

00:41:12,109 --> 00:41:08,670

available for pre-order right now at

972

00:41:14,539 --> 00:41:12,119

inside the black vault comm went on on

973

00:41:17,569 --> 00:41:14,549

pre-order just like a couple hours ago

974

00:41:19,579 --> 00:41:17,579

in fact I believe that is correct so

975

00:41:21,410 --> 00:41:19,589

congrats to John I know he's been

976

00:41:23,690 --> 00:41:21,420

working hard on this and you know it's

977

00:41:26,240 --> 00:41:23,700

been has become his life's work dealing

978

00:41:29,120 --> 00:41:26,250

with all of this these these documents

979

00:41:30,710 --> 00:41:29,130

these government files so congrats on

980

00:41:32,690 --> 00:41:30,720

the book John we'll get John on the show

981

00:41:35,450 --> 00:41:32,700

sometime in the near future to talk

982

00:41:36,710 --> 00:41:35,460

about it but I know that's a huge

983

00:41:38,200 --> 00:41:36,720

accomplishment and I'm sure he's

984

00:41:41,990 --> 00:41:38,210

breathing a sigh of relief having that

985

00:41:43,730 --> 00:41:42,000

almost out to him yeah and it can't be

986

00:41:46,999 --> 00:41:43,740

easy writing books with two small

987

00:41:48,380 --> 00:41:47,009

children running around here yeah yeah I

988

00:41:51,109 --> 00:41:48,390

look forward to it - I love

989

00:41:53,210 --> 00:41:51,119

documentation and you know there's a few

990

00:41:55,220 --> 00:41:53,220

publications or books out there they're

991

00:41:57,380 --> 00:41:55,230

kind of great reference documents and

992

00:42:00,529 --> 00:41:57,390

who knows maybe this one will be one of

993

00:42:02,900 --> 00:42:00,539

those where researchers will always go

994

00:42:04,549 --> 00:42:02,910

back to that book because of the

995

00:42:06,589 --> 00:42:04,559

documentation that he's got in there

996

00:42:08,870 --> 00:42:06,599

should be pretty outstanding I'm I'm

997

00:42:10,940 --> 00:42:08,880

excited for it as well all right guys

998

00:42:12,710 --> 00:42:10,950

anything else we need to talk about that

999

00:42:13,640 --> 00:42:12,720

we're looking forward to in 2019 I know

1000

00:42:15,049 --> 00:42:13,650

there's so much

1001  
00:42:17,690 --> 00:42:15,059  
stuff and there's gonna be so much that

1002  
00:42:20,630 --> 00:42:17,700  
rolls out here as the year gets going

1003  
00:42:23,870 --> 00:42:20,640  
but anything else we've missed nothing

1004  
00:42:26,180 --> 00:42:23,880  
that has enough public information to

1005  
00:42:28,930 --> 00:42:26,190  
talk about yet so it's very responsible

1006  
00:42:32,470 --> 00:42:28,940  
of you Maureen thank you thank you I

1007  
00:42:35,930 --> 00:42:32,480  
have to talk a little offline here

1008  
00:42:37,549 --> 00:42:35,940  
well what events book shows or other UFO

1009  
00:42:39,980 --> 00:42:37,559
