and Maureen - we'll certainly be talking

37
00:01:59,270 --> 00:01:56,069
much more about alien Con as it gets

38
00:02:01,219 --> 00:01:59,280

39

00:02:04,279 --> 00:02:01,229

Facebook page also has all the info for

50

00:02:30,260 --> 00:02:28,500

that event

51
00:02:33,080 --> 00:02:30,270
those are the announcements we have for

52
00:02:34,520 --> 00:02:33,090
today so with those out of the way let's

53
00:02:39,200 --> 00:02:34,530
get into this week's project Bluebook

54
00:02:40,510 --> 00:02:39,210
discussion if you haven't seen it yet or

55
00:02:43,040 --> 00:02:40,520
if you're not familiar with this show

56
00:02:45,620 --> 00:02:43,050
Project Blue Book is a dramatic series

57
00:02:47,960 --> 00:02:45,630
on the History Channel it's a fictional

58
00:02:50,420 --> 00:02:47,970
series based on the United States Air

59
00:02:54,500 --> 00:02:50,430
Force's real-life official UFO study

60
00:02:57,620 --> 00:02:54,510
that ran from 1952 through 1969 although

61
00:02:59,840 --> 00:02:57,630
the show is fictional it draws on real

62
00:03:02,449 --> 00:02:59,850
Project Blue Book cases and other

63
00:03:05,330 --> 00:03:02,459

elements from UFO history and UFO lore

64

00:03:07,760 --> 00:03:05,340

using those for inspiration we're

65

00:03:11,420 --> 00:03:07,770

talking about episode 8 today an episode

66

00:03:13,340 --> 00:03:11,430

titled wargames and as we'd like to do

67

00:03:15,020 --> 00:03:13,350

on this show before talking about the

68

00:03:16,820 --> 00:03:15,030

episode itself will be a quick

69

00:03:19,220 --> 00:03:16,830

run-through of the real inspiration

70

00:03:24,540 --> 00:03:19,230

behind the latest episode of Project

71

00:03:29,350 --> 00:03:27,730

so the incident project Bluebook used

72

00:03:31,360 --> 00:03:29,360

for inspiration for the storyline in

73

00:03:35,040 --> 00:03:31,370

Episode eight it's something that took

74

00:03:37,540 --> 00:03:35,050

place in 1951 during the Korean War a

75

00:03:38,860 --> 00:03:37,550

regiment of the US Army soldiers were

76

00:03:41,199 --> 00:03:38,870

preparing to attack a village

77

00:03:45,580 --> 00:03:41,209

approximately 60 miles north of Seoul

78

00:03:47,410 --> 00:03:45,590

when a UFO appeared Francis P wall a

79

00:03:49,800 --> 00:03:47,420

private first class who was involved

80

00:03:53,500 --> 00:03:49,810

with this incident was interviewed in

81

00:03:55,350 --> 00:03:53,510

1987 by John Timmerman and associated

82

00:03:58,960 --> 00:03:55,360

the J Allen Hynek Center for UFO studies

83

00:04:00,640 --> 00:03:58,970

here's some of what he said quote we

84

00:04:02,520 --> 00:04:00,650

suddenly noticed on our right-hand side

85

00:04:05,500 --> 00:04:02,530

were appeared to be a jack-o'-lantern

86

00:04:08,800 --> 00:04:05,510

coming wafting down across the mountain

87

00:04:11,710 --> 00:04:08,810

and at first no one thought anything

88

00:04:13,750 --> 00:04:11,720

about it so we noticed that this thing

89

00:04:16,449 --> 00:04:13,760

continued on down to the village to

90

00:04:19,449 --> 00:04:16,459

where indeed the artillery air bursts

91

00:04:22,659 --> 00:04:19,459

were exploding end quote he described

92

00:04:25,150 --> 00:04:22,669

the object having an orange glow and the

93

00:04:27,400 --> 00:04:25,160

ability to maneuver quickly saying that

94

00:04:29,950 --> 00:04:27,410

it quote could get into the center of an

95

00:04:33,250 --> 00:04:29,960

air burst of artillery and yet remain

96

00:04:34,390 --> 00:04:33,260

unharmd unquote after a span of 45

97

00:04:36,940 --> 00:04:34,400

minutes to an hour

98

00:04:40,540 --> 00:04:36,950

he says the UFO approached his regiment

99

00:04:43,480 --> 00:04:40,550

and as it did it changed color from that

100

00:04:46,810 --> 00:04:43,490

glowing orange to a brilliant blue green

101
00:04:49,600 --> 00:04:46,820
and the light was now pulsing all

102
00:04:51,460 --> 00:04:49,610
explained quote I asked for and received

103
00:04:53,680 --> 00:04:51,470
permission from lieutenant Evans our

104
00:04:56,590 --> 00:04:53,690
company commander at the time to fire

105
00:04:59,650 --> 00:04:56,600
upon this object which I did with an m1

106
00:05:02,440 --> 00:04:59,660
rifle with armor-piercing bullets and I

107
00:05:04,090 --> 00:05:02,450
did hit it it must have been metallic

108
00:05:05,830 --> 00:05:04,100
because you could hear when the

109
00:05:09,310 --> 00:05:05,840
projectile slammed into it

110
00:05:09,880 --> 00:05:09,320
unquote sounds like a pretty wimpy UFO

111
00:05:12,700 --> 00:05:09,890
right

112
00:05:15,940 --> 00:05:12,710
that's what wall thoughts you you stated

113
00:05:16,960 --> 00:05:15,950

quote now why would that bullet damage

114

00:05:19,270 --> 00:05:16,970

this craft

115

00:05:21,250 --> 00:05:19,280

if the artillery rounds didn't I don't

116

00:05:24,070 --> 00:05:21,260

know unless they had dropped their

117

00:05:28,090 --> 00:05:24,080

protective field around them or whatever

118

00:05:30,790 --> 00:05:28,100

but the object went wild and the light

119

00:05:33,279 --> 00:05:30,800

was going on and off it went off

120

00:05:35,290 --> 00:05:33,289

completely once briefly

121

00:05:37,359 --> 00:05:35,300

it was moving a radically from side to

122

00:05:41,829 --> 00:05:37,369

side as though it might crash to the

123

00:05:44,559 --> 00:05:41,839

ground then a sound we'd heard no sound

124

00:05:47,829 --> 00:05:44,569

previous to this the sound of like

125

00:05:50,409 --> 00:05:47,839

diesel locomotives revving up that's the

126

00:05:52,600 --> 00:05:50,419

way this thing sounded in quote at this

127

00:05:55,839 --> 00:05:52,610

point walk claimed he and the soldiers

128

00:05:58,659 --> 00:05:55,849

were attacked by the UFO he described

129

00:06:02,290 --> 00:05:58,669

quote we were swept by some form of a

130

00:06:05,170 --> 00:06:02,300

ray that was emitted in pulses in waves

131

00:06:07,809 --> 00:06:05,180

that you could visually see only when it

132

00:06:10,719 --> 00:06:07,819

was aiming directly at you that is to

133

00:06:13,480 --> 00:06:10,729

say like a searchlight sweeps around and

134

00:06:16,209 --> 00:06:13,490

you could see it coming at you now you

135

00:06:18,730 --> 00:06:16,219

would feel a burning tingling sensation

136

00:06:22,600 --> 00:06:18,740

all over your body as though something

137

00:06:24,100 --> 00:06:22,610

were penetrating you in quote also that

138

00:06:27,429 --> 00:06:24,110

the company commander ordered everyone

139

00:06:28,989 --> 00:06:27,439

into the bunkers from there he said that

140

00:06:31,510 --> 00:06:28,999

he watched the UFO through the bunkers

141

00:06:33,609 --> 00:06:31,520

peepholes he could see the object

142

00:06:36,070 --> 00:06:33,619

hovering over the area for a while

143

00:06:38,679 --> 00:06:36,080

before it illuminated the whole area

144

00:06:41,459 --> 00:06:38,689

with its lights and it shot off at a

145

00:06:44,199 --> 00:06:41,469

45-degree angle at incredible speed

146

00:06:45,790 --> 00:06:44,209

disappearing completely from sight Wahl

147

00:06:48,009 --> 00:06:45,800

claimed that the entire company had to

148

00:06:50,799 --> 00:06:48,019

be evacuated by ambulance three days

149

00:06:54,219 --> 00:06:50,809

later because everybody was too weak to

150

00:06:57,249 --> 00:06:54,229

walk and suffering from dysentery with

151

00:06:59,199 --> 00:06:57,259

his case we have walls testimony but

152

00:07:01,839 --> 00:06:59,209

that's pretty much it there aren't any

153

00:07:04,959 --> 00:07:01,849

other corroborating accounts from other

154

00:07:08,049 --> 00:07:04,969

fellow soldiers that we know of and this

155

00:07:10,029 --> 00:07:08,059

case predates Project Blue Book so it

156

00:07:12,549 --> 00:07:10,039

didn't investigate this case but that

157

00:07:14,230 --> 00:07:12,559

doesn't mean it wasn't investigated it's

158

00:07:16,059 --> 00:07:14,240

also not surprising that other soldiers

159

00:07:19,540 --> 00:07:16,069

didn't report this incident that we know

160

00:07:22,480 --> 00:07:19,550

of well explained quote now in the

161

00:07:25,299 --> 00:07:22,490

military especially the army each day

162

00:07:28,389 --> 00:07:25,309

you file a company report we had a

163

00:07:32,369 --> 00:07:28,399

confab about that do we file it in the

164

00:07:35,439 --> 00:07:32,379

report or not and the consensus was no

165

00:07:39,040 --> 00:07:35,449

because it lock every one of us up and

166

00:07:40,989 --> 00:07:39,050

think that we were crazy at that time no

167

00:07:41,730 --> 00:07:40,999

such thing as a UFO had ever been heard

168

00:07:44,990 --> 00:07:41,740

of

169

00:07:47,040 --> 00:07:45,000

and we didn't know what it was unquote

170

00:07:49,800 --> 00:07:47,050

now let's shift to the shows

171

00:07:52,890 --> 00:07:49,810

representation of this case I'll be

172

00:07:55,860 --> 00:07:52,900

honest I'm surprised to see that for two

173

00:07:58,500 --> 00:07:55,870

weeks in a row we see the show giving us

174

00:08:00,720 --> 00:07:58,510

a secret military project mistaken for a

175

00:08:04,140 --> 00:08:00,730

UFO event I didn't expect to see that

176

00:08:05,220 --> 00:08:04,150

the episode has this UFO event taking

177

00:08:08,100 --> 00:08:05,230

place in Missouri

178

00:08:09,450 --> 00:08:08,110

rather than Korea and that makes it a

179

00:08:11,790 --> 00:08:09,460

little easier for the show's characters

180

00:08:14,610 --> 00:08:11,800

Quinn and Hynek to investigate the

181

00:08:16,350 --> 00:08:14,620

incident but we see the soldiers

182

00:08:18,570 --> 00:08:16,360

suffering psychological effects

183

00:08:22,950 --> 00:08:18,580

seemingly resulting from contact with

184

00:08:26,130 --> 00:08:22,960

the UFOs hallucinations paranoia fear

185

00:08:28,020 --> 00:08:26,140

and we ultimately learn that these UFOs

186

00:08:30,780 --> 00:08:28,030

the soldiers encountered were part of a

187

00:08:32,180 --> 00:08:30,790

military experiment to test this gas on

188

00:08:34,080 --> 00:08:32,190

its own soldiers

189

00:08:36,390 --> 00:08:34,090

that's one suspected possible

190

00:08:39,210 --> 00:08:36,400

explanation for the 1951 incident in

191

00:08:42,360 --> 00:08:39,220

Korea and that's certainly something the

192

00:08:43,920 --> 00:08:42,370

military has done in real life with the

193

00:08:45,630 --> 00:08:43,930

project Bluebook episode certainly

194

00:08:49,350 --> 00:08:45,640

emphasized the hallucinations in

195

00:08:51,450 --> 00:08:49,360

paranoia and added a stunning visual of

196

00:08:54,120 --> 00:08:51,460

thousands of birds dropping dead out of

197

00:08:56,280 --> 00:08:54,130

the sky these weren't associated with

198

00:08:58,340 --> 00:08:56,290

the Korea incident but they worked well

199

00:09:01,200 --> 00:08:58,350

in the fictional story for the show

200

00:09:02,670 --> 00:09:01,210
