00:00:36,930 --> 00:00:35,050
discussing yet another episode of

9
00:00:39,290 --> 00:00:36,940
history's project Bluebook today but

10
00:00:44,700 --> 00:00:39,300
first it's time for announcements

11
00:00:49,390 --> 00:00:47,319
Maureen Elsberry and I are presenting a

12
00:00:52,630 --> 00:00:49,400
panel at Emerald City Comicon in Seattle

13
00:00:54,760 --> 00:00:52,640

Washington on Friday March 15th titled

14

00:00:57,490 --> 00:00:54,770
real-life x-files strange stories of

15

00:00:59,200 --> 00:00:57,500
real paranormal investigations and that

16

00:01:01,299 --> 00:00:59,210
event runs from March 14th through the

17

00:01:03,400 --> 00:01:01,309
17th at the Washington State Convention

18

00:01:05,620 --> 00:01:03,410
Center all the information for that

19

00:01:08,109 --> 00:01:05,630
event is at Emerald City Comicon comm

20

00:01:10,510 --> 00:01:08,119
that event is like right here Maureen

21

00:01:11,980 --> 00:01:10,520
I'm super stoked for it I know I can't

22

00:01:15,100 --> 00:01:11,990
believe it's coming up in just a few

23

00:01:17,170 --> 00:01:15,110
days yep and like we said before I mean

24

00:01:19,210 --> 00:01:17,180
neither of us have spoken in Seattle so

25

00:01:21,190 --> 00:01:19,220
this is going to be super exciting I'm

26

00:01:23,170 --> 00:01:21,200

looking forward to it yeah I was

27

00:01:28,300 --> 00:01:23,180

actually just sitting next to some girls

28

00:01:31,150 --> 00:01:28,310

having lunch at a bar and they were

29

00:01:32,950 --> 00:01:31,160

talking about comic-con non-stop and she

30

00:01:36,240 --> 00:01:32,960

was wearing a NASA sweatshirt and I was

31

00:01:38,950 --> 00:01:36,250

so tempted to be like excuse me I

32

00:01:40,540 --> 00:01:38,960

couldn't help it over here yeah you

33

00:01:43,270 --> 00:01:40,550

should come to our panel Friday night

34

00:01:45,190 --> 00:01:43,280

damn I hope that that's all right

35

00:01:47,410 --> 00:01:45,200

yeah yeah it's it's right around the

36

00:01:49,240 --> 00:01:47,420

corner we're still putting the final

37

00:01:51,669 --> 00:01:49,250

touches on it but it is going to be fun

38

00:01:53,770 --> 00:01:51,679

we've done a similar panel before so

39

00:01:55,300 --> 00:01:53,780

much fun to talk about this topic and

40

00:01:57,249 --> 00:01:55,310

certainly to the comic-con crowd so

41

00:02:00,339 --> 00:01:57,259

looking forward to it hope to see some

42

00:02:01,960 --> 00:02:00,349

00:02:33,960 --> 00:02:31,160
super long event with tons of speakers

56
00:02:37,420 --> 00:02:33,970

66

00:02:58,679 --> 00:02:57,010

might be some special rogue planet

67

00:03:01,619 --> 00:02:58,689

shenanigans happening there with Shane

68

00:03:03,509 --> 00:03:01,629

and Maureen too and that event is

69

00:03:05,160 --> 00:03:03,519

creeping up faster than I would like it

00:03:06,869 --> 00:03:05,170

to you but I'm super excited about it so

71

00:03:09,420 --> 00:03:06,879

79
00:03:31,800 --> 00:03:29,170
look there for details also look on

80
00:03:33,720 --> 00:03:31,810

the most up-to-date information on that

82
00:03:37,619 --> 00:03:35,920
event so those are the announcement we

83
00:03:39,509 --> 00:03:37,629
have for today so with those out of the

84
00:03:42,300 --> 00:03:39,519
way let's get into this week's project

85
00:03:43,949 --> 00:03:42,310
Bluebook discussion if you haven't seen

86
00:03:45,960 --> 00:03:43,959
it yet or if you're not familiar with

87
00:03:47,729 --> 00:03:45,970
this show Project Blue Book is a

88
00:03:50,640 --> 00:03:47,739

dramatic series on the History Channel

89

00:03:52,349 --> 00:03:50,650

it's a fictional series and it's based

90

00:03:55,589 --> 00:03:52,359

on the United States Air Force's

91

00:03:58,650 --> 00:03:55,599

real-life UFO study the air official UFO

92

00:04:01,170 --> 00:03:58,660

study that ran from 1952 through 1969

93

00:04:03,210 --> 00:04:01,180

now although the show is fictional it

94

00:04:05,520 --> 00:04:03,220

draws on real Project Blue Book cases

95

00:04:08,689 --> 00:04:05,530

and other elements from UFO history and

96

00:04:11,640 --> 00:04:08,699

UFO lore using those for inspiration

97

00:04:15,420 --> 00:04:11,650

we're talking about episode 9 today an

98

00:04:17,490 --> 00:04:15,430

episode titled abduction and as we like

99

00:04:19,469 --> 00:04:17,500

to do on this show before talking about

100

00:04:21,089 --> 00:04:19,479

the episode itself we'll do a quick

101
00:04:23,580 --> 00:04:21,099
run-through of the real inspiration

102
00:04:26,219 --> 00:04:23,590
behind the latest episode of Project

103
00:04:29,060 --> 00:04:26,229
Blue Book and the inspiration used for

104
00:04:32,310 --> 00:04:29,070
the plot of episode aid was as

105
00:04:35,159 --> 00:04:32,320
surprising as it might be the Betty and

106
00:04:37,110 --> 00:04:35,169
Barney Hill abduction case of 1961 so

107
00:04:38,370 --> 00:04:37,120
Maureen is going to give us a quick

108
00:04:40,439 --> 00:04:38,380
overview of that case

109
00:04:43,320 --> 00:04:40,449
Maureen yeah let's call this the

110
00:04:45,270 --> 00:04:43,330
cliffnotes of this case obviously this

111
00:04:49,680 --> 00:04:45,280
is one of the most famous alleged

112
00:04:52,589 --> 00:04:49,690
abductions in all of history what

113
00:04:55,760 --> 00:04:52,599

happened was in 1961 I want to mention

114

00:04:58,290 --> 00:04:55,770

this solely because this was a huge

115

00:05:00,000 --> 00:04:58,300

portion of why this received a lot of

116

00:05:01,080 --> 00:05:00,010

attention not only was it one of the

117

00:05:04,020 --> 00:05:01,090

first

118

00:05:06,090 --> 00:05:04,030

widely reported alleged abductions but

119

00:05:10,650 --> 00:05:06,100

it was also from an interracial couple

120

00:05:15,020 --> 00:05:10,660

in the 1960s so that's big news at that

121

00:05:18,570 --> 00:05:15,030

time these were both very strong civil

122

00:05:20,940 --> 00:05:18,580

advocates and I don't know this is a

123

00:05:23,550 --> 00:05:20,950

complicated case there's a lot of

124

00:05:26,190 --> 00:05:23,560

details and I know a lot of people that

125

00:05:29,430 --> 00:05:26,200

we know are very versed on this so

126
00:05:32,610 --> 00:05:29,440
forgive me for just covering the basics

127
00:05:35,360 --> 00:05:32,620
to start this off with basically this

128
00:05:38,010 --> 00:05:35,370
couple had gotten married they were on

129
00:05:40,890 --> 00:05:38,020
delayed honeymoon it had been about a

130
00:05:43,230 --> 00:05:40,900
year and a half maybe they lived in New

131
00:05:46,409 --> 00:05:43,240
Hampshire and they decided to take this

132
00:05:49,890 --> 00:05:46,419
quick little late honeymoon to Niagara

133
00:05:51,930 --> 00:05:49,900
Falls and then to Montreal on their way

134
00:05:53,969 --> 00:05:51,940
back they were supposed to say their

135
00:05:55,640 --> 00:05:53,979
last night in Montreal but they couldn't

136
00:05:59,070 --> 00:05:55,650
find a hotel that would take their dog

137
00:06:01,800 --> 00:05:59,080
so and they were having trouble finding

138
00:06:03,629 --> 00:06:01,810

their way because they were having

139

00:06:07,080 --> 00:06:03,639

trouble reading the French language

140

00:06:09,480 --> 00:06:07,090

signs so they decided head home

141

00:06:10,920 --> 00:06:09,490

there was a tropical storm coming they

142

00:06:14,100 --> 00:06:10,930

were like we have to drive all night

143

00:06:17,159 --> 00:06:14,110

because we need to beat the storm Barney

144

00:06:20,520 --> 00:06:17,169

oh so I should say Betty and Barney Hill

145

00:06:23,820 --> 00:06:20,530

Barney was a he worked for the post

146

00:06:26,520 --> 00:06:23,830

office and Betty was working I think as

147

00:06:29,040 --> 00:06:26,530

a was she a social worker something

148

00:06:31,320 --> 00:06:29,050

similar and anyways Barney worked the

149

00:06:33,150 --> 00:06:31,330

night shift so he was very versed on

150

00:06:36,840 --> 00:06:33,160

driving late he felt confident he could

151
00:06:39,090 --> 00:06:36,850
do it they headed back and Betty spotted

152
00:06:41,250 --> 00:06:39,100
this what she thought was a falling star

153
00:06:43,140 --> 00:06:41,260
I believe at first and then it started

154
00:06:46,170 --> 00:06:43,150
moving erratically and it seemed to be

155
00:06:49,830 --> 00:06:46,180
kind of following them they stopped a

156
00:06:52,379 --> 00:06:49,840
few times and finally the last time they

157
00:06:55,260 --> 00:06:52,389
remember really stopping they saw it

158
00:06:57,390 --> 00:06:55,270
descended like to a hundred feet within

159
00:06:59,969 --> 00:06:57,400
the range of the ground and where they

160
00:07:01,379 --> 00:06:59,979
were at and they jumped out Barney went

161
00:07:05,700 --> 00:07:01,389
over to the field to look at this object

162
00:07:08,760 --> 00:07:05,710
with binoculars it was a silver saucer

163
00:07:13,380 --> 00:07:08,770

shape that had a huge panel of windows

164

00:07:14,850 --> 00:07:13,390

and he says supposedly saw figures in it

165

00:07:18,089 --> 00:07:14,860

that he thought were

166

00:07:20,010 --> 00:07:18,099

of non-terrestrial nature he gets scared

167

00:07:23,490 --> 00:07:20,020

he has the immense feeling that they're

168

00:07:25,499 --> 00:07:23,500

going to be captured so he runs back

169

00:07:30,450 --> 00:07:25,509

says Betty get back in the car let's go

170

00:07:34,589 --> 00:07:30,460

and then they find themselves about 35

171

00:07:36,420 --> 00:07:34,599

miles down the road they don't remember

172

00:07:38,010 --> 00:07:36,430

really what was happening they're not

173

00:07:39,959 --> 00:07:38,020

where they should be

174

00:07:42,510 --> 00:07:39,969

they were remember encountering a

175

00:07:44,429 --> 00:07:42,520

roadblock they finally they just keep

176

00:07:47,490 --> 00:07:44,439

driving home and they get there a couple

177

00:07:49,409 --> 00:07:47,500

hours later than they should have so

178

00:07:51,929 --> 00:07:49,419

they have about tourism missing time

179

00:07:55,369 --> 00:07:51,939

they know something weird happened they

180

00:07:57,540 --> 00:07:55,379

remember seeing something they remember

181

00:08:00,570 --> 00:07:57,550

driving down the road and having the

182

00:08:04,559 --> 00:08:00,580

trunk of the car like hearing a buzzing

183

00:08:08,070 --> 00:08:04,569

noise and feeling pulsating no idea what

184

00:08:10,709 --> 00:08:08,080

it was this happened twice they felt

185

00:08:11,550 --> 00:08:10,719

very strongly that something happened to

186

00:08:15,240 --> 00:08:11,560

where they were

187

00:08:17,100 --> 00:08:15,250

maybe exposed to extreme radiation so

188

00:08:20,249 --> 00:08:17,110

they took their clothes off outside I

189

00:08:23,969 --> 00:08:20,259

think they took showers they called

190

00:08:28,140 --> 00:08:23,979

Betty's younger sister who actually is

191

00:08:31,740 --> 00:08:28,150

the mother of a colleague we all know

192

00:08:36,980 --> 00:08:31,750

Kathleen Martin who is very prominent in

193

00:08:40,439 --> 00:08:36,990

the UFO field and is Petty's niece so

194

00:08:42,240 --> 00:08:40,449

they were saying all this happened I

195

00:08:46,199 --> 00:08:42,250

think they got the advice of a neighbor

196

00:08:50,569 --> 00:08:46,209

to go take a compass outside and test to

197

00:08:53,430 --> 00:08:50,579

see whether there is some weird

198

00:08:55,680 --> 00:08:53,440

electromagnetic effects happening on the

199

00:08:58,560 --> 00:08:55,690

trunk of the car and indeed they found

200

00:09:01,040 --> 00:08:58,570

this counter rotating magnetic fields

201
00:09:04,079 --> 00:09:01,050
right where the buzzing was going on

202
00:09:06,120 --> 00:09:04,089
Betty's dress was all torn up and they

203
00:09:10,230 --> 00:09:06,130
couldn't figure out why this had

204
00:09:14,819 --> 00:09:10,240
happened there was a bunch of other

205
00:09:17,100 --> 00:09:14,829
stuff going on and Barney's binocular

206
00:09:20,639 --> 00:09:17,110
strap was broken their watches had

207
00:09:23,490 --> 00:09:20,649
stopped weren't running they had no idea

208
00:09:27,000 --> 00:09:23,500
what was going on so what they did was

209
00:09:28,620 --> 00:09:27,010
they reported this to Project Blue Book

210
00:09:31,800 --> 00:09:28,630
but in that case

211
00:09:36,540 --> 00:09:31,810
I left out the fact that what they had

212
00:09:39,180 --> 00:09:36,550
seen was beans of a extraterrestrial

213
00:09:41,460 --> 00:09:39,190

possible nature he was afraid of

214

00:09:44,160 --> 00:09:41,470

ridicule so they also reported it to

215

00:09:45,540 --> 00:09:44,170

nightcap though and which is the

216

00:09:48,809 --> 00:09:45,550

National investigations committee on

217

00:09:51,329 --> 00:09:48,819

aerial phenomena he told them of course

218

00:09:53,460 --> 00:09:51,339

about the non terrestrial figures

219

00:09:56,220 --> 00:09:53,470

because that's less of a taboo thing to

220

00:09:58,290 --> 00:09:56,230

do so anyways this is all kind of

221

00:10:01,499 --> 00:09:58,300

hush-hush it's been reported the family

222

00:10:05,699 --> 00:10:01,509

knows about it Betty's torn up dress is

223

00:10:08,519 --> 00:10:05,709

hanging in their closet for years until

224

00:10:11,970 --> 00:10:08,529

they decide to go through Betty's having

225

00:10:15,569 --> 00:10:11,980

all these terrible nightmares about a

226

00:10:19,769 --> 00:10:15,579

similar situation so they end up going

227

00:10:22,309 --> 00:10:19,779

to see this renowned psychiatrist who

228

00:10:28,470 --> 00:10:22,319

had been dealing with World War two

229

00:10:32,069 --> 00:10:28,480

veterans and he does hypnosis on them

230

00:10:35,179 --> 00:10:32,079

his name was dr. Benjamin Simon and he

231

00:10:38,670 --> 00:10:35,189

thought their trauma was as bad as

232

00:10:40,650 --> 00:10:38,680

shell-shocked veterans so something

233

00:10:42,749 --> 00:10:40,660

major happened to them but they can't

234

00:10:45,210 --> 00:10:42,759

really recall this so he worked with

235

00:10:47,160 --> 00:10:45,220

both of them for six months and at the

236

00:10:48,660 --> 00:10:47,170

end of each session and this was

237

00:10:52,110 --> 00:10:48,670

separately like he would he would

238

00:10:54,269 --> 00:10:52,120

interview them separately and not tell

239

00:10:57,900 --> 00:10:54,279

them what was going on and then at the

240

00:11:00,629 --> 00:10:57,910

end of each session he allegedly induced

241

00:11:04,379 --> 00:11:00,639

amnesia so they wouldn't be able to talk

242

00:11:08,189 --> 00:11:04,389

about it so lots of weird stuff going on

243

00:11:11,340 --> 00:11:08,199

there's a chemical analysis finally

244

00:11:16,110 --> 00:11:11,350

happens on Betty and Barney's dresses

245

00:11:19,290 --> 00:11:16,120

and okay I just noticed that I said

246

00:11:20,670 --> 00:11:19,300

Betty and Barney stresses only Betty was

247

00:11:25,230 --> 00:11:20,680

wearing a dress I will tell you that

248

00:11:28,319 --> 00:11:25,240

right now I'm talking too fast is my

249

00:11:31,860 --> 00:11:28,329

problem so anyways we have a case where

250

00:11:35,910 --> 00:11:31,870

we have these credible people they've

251
00:11:39,379 --> 00:11:35,920
had missing time there's some scientific

252
00:11:43,890 --> 00:11:39,389
evidence to suggest that something weird

253
00:11:46,950 --> 00:11:43,900
happened to them they feared for their

254
00:11:50,250 --> 00:11:46,960
basically the results of what happened

255
00:11:53,760 --> 00:11:50,260
under hypnosis was that they saw figures

256
00:11:57,210 --> 00:11:53,770
in the road they were somehow turned

257
00:12:00,330 --> 00:11:57,220
down this dirt road they got out their

258
00:12:02,310 --> 00:12:00,340
toes were dragging across the ground

259
00:12:06,000 --> 00:12:02,320
which is kind of funny because if

260
00:12:09,630 --> 00:12:06,010
anybody's been watching the new Roswell

261
00:12:15,410 --> 00:12:09,640
New Mexico show I have just because of

262
00:12:19,440 --> 00:12:15,420
Ryan basically in the teeny bopper drama

263
00:12:22,290 --> 00:12:19,450

reboot there is a lot of scenes of

264

00:12:25,230 --> 00:12:22,300

people across a desert with their toes

265

00:12:27,810 --> 00:12:25,240

just dragons are being pulled so it's

266

00:12:30,000 --> 00:12:27,820

kind of interesting they went up a ramp

267

00:12:31,020 --> 00:12:30,010

into this examination room they were

268

00:12:33,960 --> 00:12:31,030

separated

269

00:12:36,630 --> 00:12:33,970

there were short what we would call the

270

00:12:40,890 --> 00:12:36,640

usual Grey's you know large head big

271

00:12:43,590 --> 00:12:40,900

eyes skinny bodies short beans that were

272

00:12:47,460 --> 00:12:43,600

doing tests on them and they felt like

273

00:12:51,090 --> 00:12:47,470

they were trying to determine how they

274

00:12:54,020 --> 00:12:51,100

were different from us basically so very

275

00:12:59,280 --> 00:12:54,030

interested in the skin and joints

276

00:13:00,600 --> 00:12:59,290

skeletal system the whole works so one

277

00:13:02,910 --> 00:13:00,610

of the interesting things a lot of

278

00:13:05,820 --> 00:13:02,920

people will tell you about is that they

279

00:13:09,260 --> 00:13:05,830

seem to be doing tests that we were not

280

00:13:12,360 --> 00:13:09,270

aware of at the time like tests on Betty

281

00:13:13,980 --> 00:13:12,370

using a needle through her navel trying

282

00:13:17,640 --> 00:13:13,990

to figure out whether she was pregnant

283

00:13:21,750 --> 00:13:17,650

etc they remember all this weird stuff

284

00:13:26,520 --> 00:13:21,760

they were being spoken to telepathically

285

00:13:29,490 --> 00:13:26,530

in English then it comes out that Betty

286

00:13:32,340 --> 00:13:29,500

has received some sort of like when

287

00:13:36,840 --> 00:13:32,350

asking where are you from has received

288

00:13:39,300 --> 00:13:36,850

some idea of a star map so after she

289

00:13:44,820 --> 00:13:39,310

draws this do you guys remember Marjorie

290

00:13:48,150 --> 00:13:44,830

who did this 3d star Maps fish yes okay

291

00:13:51,420 --> 00:13:48,160

a fish yeah Marjorie fish that took

292

00:13:55,260 --> 00:13:51,430

these drawings basically that Betty did

293

00:13:56,009 --> 00:13:55,270

and tried to create a 3d system

294

00:13:57,299 --> 00:13:56,019

example of it

295

00:14:00,660 --> 00:13:57,309

could be and try to figure out the star

296

00:14:03,359 --> 00:14:00,670

system and at the time it took a long

297

00:14:06,419 --> 00:14:03,369

time but they come up saying oh yeah

298

00:14:08,790 --> 00:14:06,429

this is Zetas reticula star system in

299

00:14:11,669 --> 00:14:08,800

the southern hemisphere these sun-like

300

00:14:14,340 --> 00:14:11,679

stars Betty was also shown all these

301
00:14:17,069 --> 00:14:14,350
symbols on it what they described as

302
00:14:21,509 --> 00:14:17,079
like a tablet so like an iPad basically

303
00:14:24,929 --> 00:14:21,519
but in the 60s now one important thing

304
00:14:27,590 --> 00:14:24,939
to note is that all this stuff happened

305
00:14:31,499 --> 00:14:27,600
a couple years after the actual event

306
00:14:33,269 --> 00:14:31,509
and it wasn't until like four or five

307
00:14:35,369 --> 00:14:33,279
years later when the story went public

308
00:14:38,819 --> 00:14:35,379
and this is because there was some

309
00:14:40,879 --> 00:14:38,829
breaching confidentiality and this is

310
00:14:44,429 --> 00:14:40,889
important obviously to recall because

311
00:14:48,359 --> 00:14:44,439
they had yes reported this officially to

312
00:14:51,119 --> 00:14:48,369
Project Blue Book and to nightcap but

313
00:14:54,119 --> 00:14:51,129

they didn't want this to be public

314

00:15:00,329 --> 00:14:54,129

because they felt they had too much to

315

00:15:02,400 --> 00:15:00,339

lose so they had no it wasn't like they

316

00:15:06,359 --> 00:15:02,410

were searching for fame or something to

317

00:15:10,590 --> 00:15:06,369

be the most famous couple ever

318

00:15:13,019 --> 00:15:10,600

but once the news did leak out they kind

319

00:15:15,239 --> 00:15:13,029

of decided okay well we're gonna just go

320

00:15:17,809 --> 00:15:15,249

public and and talk about it we'll let

321

00:15:20,340 --> 00:15:17,819

them write the book we'll do this I

322

00:15:22,499 --> 00:15:20,350

don't know how much more to get into

323

00:15:24,030 --> 00:15:22,509

there's a lot of weird stuff with like a

324

00:15:26,069 --> 00:15:24,040

couple years later when they dragged

325

00:15:28,410 --> 00:15:26,079

Betty's dress out there was weird pink

326

00:15:32,189 --> 00:15:28,420

powder that blew away that you know

327

00:15:35,600 --> 00:15:32,199

skeptics will tell you likely was maybe

328

00:15:39,539 --> 00:15:35,610

just laundry detergent or something

329

00:15:41,429 --> 00:15:39,549

it's very very very confusing there's a

330

00:15:43,590 --> 00:15:41,439

lot of weird details I won't even get

331

00:15:47,460 --> 00:15:43,600

into the weird Stan Romanek [h__h]

332

00:15:49,679 --> 00:15:47,470

that's not true that you remember that

333

00:15:52,850 --> 00:15:49,689

Jason yeah and I think we have certainly

334

00:15:55,579 --> 00:15:52,860

more than enough you know for the the

335

00:15:58,559 --> 00:15:55,589

discussion going into Project Blue Book

336

00:16:00,929 --> 00:15:58,569

because we've really really heard you

337

00:16:04,650 --> 00:16:00,939

know everything that sort of would have

338

00:16:05,730 --> 00:16:04,660

been covered in what we saw so guys were

339

00:16:07,590 --> 00:16:05,740

killed my cliff notes

340

00:16:09,090 --> 00:16:07,600

no no that's wonderful and like you said

341

00:16:09,660 --> 00:16:09,100

it's a very complex case there's a lot

342

00:16:11,750 --> 00:16:09,670

to it

343

00:16:13,980 --> 00:16:11,760

certainly a lot to talk about and will

344

00:16:17,700 --> 00:16:13,990

guaranteed be talking about it again on

345

00:16:20,100 --> 00:16:17,710

this show but let's shift now into

346

00:16:24,240 --> 00:16:20,110

talking about the episode of Project

347

00:16:27,900 --> 00:16:24,250

Blue Book and Shane what did you think

348

00:16:30,450 --> 00:16:27,910

of this episode called abduction and

349

00:16:33,960 --> 00:16:30,460

knowing that they used this case as

350

00:16:37,920 --> 00:16:33,970

inspiration what did you think of the

351
00:16:41,420 --> 00:16:37,930
episode again from the perspective that

352
00:16:45,270 --> 00:16:41,430
this is a fictional representation of

353
00:16:47,370 --> 00:16:45,280
some real-life events I thought it was

354
00:16:49,590 --> 00:16:47,380
you know well done and interesting and

355
00:16:52,140 --> 00:16:49,600
compelling and all those things I mean

356
00:16:55,280 --> 00:16:52,150
there were there were definitely facets

357
00:16:57,900 --> 00:16:55,290
of the the hill case incorporated

358
00:17:01,350 --> 00:16:57,910
incorporated in it you know happened in

359
00:17:03,870 --> 00:17:01,360
New Hampshire they were hypnotized there

360
00:17:06,360 --> 00:17:03,880
was the star chart and of course it just

361
00:17:09,270 --> 00:17:06,370
being an abduction and those things you

362
00:17:12,270 --> 00:17:09,280
know could were pretty vague really and

363
00:17:15,780 --> 00:17:12,280

weren't really directly related I think

364

00:17:17,490 --> 00:17:15,790

to the hill case very much however you

365

00:17:22,500 --> 00:17:17,500

know the show it's moving the show wrong

366

00:17:24,090 --> 00:17:22,510

I really liked the well I kind of don't

367

00:17:26,340 --> 00:17:24,100

like what's happening with Mimi and

368

00:17:28,980 --> 00:17:26,350

Susie and that whole thing has it

369

00:17:30,930 --> 00:17:28,990

bothering me a little bit but you know

370

00:17:34,260 --> 00:17:30,940

not too much of a spoiler here but she

371

00:17:37,140 --> 00:17:34,270

Susie took care of her handler which i

372

00:17:39,690 --> 00:17:37,150

think is a good thing and she seems to

373

00:17:42,360 --> 00:17:39,700

have a heart towards towards Hynek so

374

00:17:43,950 --> 00:17:42,370

that's a good thing um one thing I

375

00:17:46,320 --> 00:17:43,960

thought was kind of cool that they did

376

00:17:48,360 --> 00:17:46,330

in the show that you know normally when

377

00:17:52,550 --> 00:17:48,370

people talk about the close encounter

378

00:17:55,560 --> 00:17:52,560

scale you know see he 1 2 3

379

00:18:00,480 --> 00:17:55,570

they really don't focus on the fact that

380

00:18:03,270 --> 00:18:00,490

a ce-1 is a sighting within 500 feet and

381

00:18:05,580 --> 00:18:03,280

that's of and the point behind that on

382

00:18:08,130 --> 00:18:05,590

hynix part was if you've seen something

383

00:18:10,230 --> 00:18:08,140

within 500 feet you should see enough

384

00:18:12,120 --> 00:18:10,240

detail to discern you know what it is

385

00:18:15,480 --> 00:18:12,130

and what it is not and then when you

386

00:18:18,870 --> 00:18:15,490

graduate to a 2 it's also a sighting

387

00:18:21,390 --> 00:18:18,880

within 500 feet but this this includes

388

00:18:22,799 --> 00:18:21,400

some kind of physical effect and then

389

00:18:25,529 --> 00:18:22,809

ultimately he

390

00:18:28,169 --> 00:18:25,539

he had the ce3 which was again something

391

00:18:31,560 --> 00:18:28,179

within 500 feet you've seen the craft

392

00:18:33,629 --> 00:18:31,570

but you've also seen beings and so then

393

00:18:34,560 --> 00:18:33,639

later I think see four and five and

394

00:18:36,480 --> 00:18:34,570

those things were added by other

395

00:18:38,009 --> 00:18:36,490

individuals but I thought it's kind of

396

00:18:40,169 --> 00:18:38,019

cool that they touched on that because

397

00:18:41,970 --> 00:18:40,179

even you know in our communion stuff you

398

00:18:44,639 --> 00:18:41,980

don't hear a lot of people you know

399

00:18:47,430 --> 00:18:44,649

acknowledge that it's really based on

400

00:18:49,970 --> 00:18:47,440

the footage so that he could you know

401
00:18:53,519 --> 00:18:49,980
you could have a you know a more

402
00:18:54,749 --> 00:18:53,529
verifiable account or sighting yeah so I

403
00:18:56,220 --> 00:18:54,759
thought that was cool that they did that

404
00:18:59,100 --> 00:18:56,230
what about you Maureen what did you

405
00:19:02,940 --> 00:18:59,110
think of the episode well this one was a

406
00:19:04,519 --> 00:19:02,950
bit of a stretch but you know as we know

407
00:19:08,909 --> 00:19:04,529
this is fiction

408
00:19:11,700 --> 00:19:08,919
it is certainly causing a lot of uproar

409
00:19:14,580 --> 00:19:11,710
within people closely related to the

410
00:19:19,379 --> 00:19:14,590
Betty and Barney Hill case Cathleen

411
00:19:21,869 --> 00:19:19,389
Martin was talking about oh god I wish I

412
00:19:23,460 --> 00:19:21,879
remembered the words she used on

413
00:19:28,230 --> 00:19:23,470

Facebook something about like utter

414

00:19:30,509 --> 00:19:28,240

malarkey or something and you know

415

00:19:35,570 --> 00:19:30,519

obviously Bryce sable as well who

416

00:19:38,609 --> 00:19:35,580

actually owns now the TV rights for

417

00:19:40,289 --> 00:19:38,619

captured look by Stanton Friedman and

418

00:19:43,440 --> 00:19:40,299

Kathleen Martin on the Betty and Barney

419

00:19:45,690 --> 00:19:43,450

Hill abduction so it's it's interesting

420

00:19:49,919 --> 00:19:45,700

to see everyone's backlash again this is

421

00:19:53,789 --> 00:19:49,929

a fiction show so very loosely based we

422

00:19:56,999 --> 00:19:53,799

have some of the most important parts of

423

00:19:59,549 --> 00:19:57,009

the real case that they didn't sort of

424

00:20:04,560 --> 00:19:59,559

touch on or they changed into something

425

00:20:06,419 --> 00:20:04,570

like a crazed lunatic taking people

426

00:20:09,330 --> 00:20:06,429

hostage because he's not getting help

427

00:20:14,310 --> 00:20:09,340

and that's very much not what the case

428

00:20:19,680 --> 00:20:14,320

was I think in terms of the whole like

429

00:20:22,499 --> 00:20:19,690

the Mimi situation it was basically like

430

00:20:26,730 --> 00:20:22,509

this weird date rape seduction thing

431

00:20:29,940 --> 00:20:26,740

that it's kind of awkward and disturbing

432

00:20:32,749 --> 00:20:29,950

a little bit but I know right I know

433

00:20:36,080 --> 00:20:32,759

Ryan was also up in arms about that so

434

00:20:38,779 --> 00:20:36,090

yeah you know it's it's

435

00:20:42,049 --> 00:20:38,789

it's hard to be like well they could

436

00:20:44,990 --> 00:20:42,059

have pulled a lot of stuff that happened

437

00:20:46,850 --> 00:20:45,000

within this case to make it more

438

00:20:50,600 --> 00:20:46,860

essential to the storyline and more

439

00:20:52,820 --> 00:20:50,610

based on this actual case for sure that

440

00:20:54,890 --> 00:20:52,830

I think that the wiggle room was there

441

00:21:01,600 --> 00:20:54,900

that they could have done it and I'm not

442

00:21:10,039 --> 00:21:04,340

I'm gonna say it wasn't my favorite

443

00:21:13,130 --> 00:21:10,049

episode and also we you I guess maybe

444

00:21:15,649 --> 00:21:13,140

the one thing that I did enjoy was that

445

00:21:19,370 --> 00:21:15,659

they brought this the classification in

446

00:21:21,049 --> 00:21:19,380

you know the this is this you know close

447

00:21:23,720 --> 00:21:21,059

encounter of the third kind and and

448

00:21:26,960 --> 00:21:23,730

things like that so now we have Hynix

449

00:21:28,940 --> 00:21:26,970

going on as scale by other than that I

450

00:21:33,799 --> 00:21:28,950

don't know I just kind of like alright

451
00:21:36,200 --> 00:21:33,809
well that happened yeah well you know

452
00:21:40,039 --> 00:21:36,210
it's interesting that you know in

453
00:21:43,460 --> 00:21:40,049
choosing to use the Hill abduction case

454
00:21:46,220 --> 00:21:43,470
as the inspiration for this episode very

455
00:21:50,180 --> 00:21:46,230
little from that case was actually used

456
00:21:51,409 --> 00:21:50,190
in the plot so for me I mean I think it

457
00:21:54,139 --> 00:21:51,419
would have made more sense for them to

458
00:21:56,950 --> 00:21:54,149
just you know kind of generally do

459
00:21:59,470 --> 00:21:56,960
abductions and you know do some other

460
00:22:04,149 --> 00:21:59,480
non-identifiable things as the hill case

461
00:22:06,799 --> 00:22:04,159
and in their post episode educational

462
00:22:08,360 --> 00:22:06,809
videos and stuff that they put out you

463
00:22:10,720 --> 00:22:08,370

know kind of show a lot of different

464

00:22:13,070 --> 00:22:10,730

abduction stories not just the hill

465

00:22:15,230 --> 00:22:13,080

abduction stories saying this was you

466

00:22:18,019 --> 00:22:15,240

know what inspired this episode because

467

00:22:19,909 --> 00:22:18,029

the story portrayed deviates so far from

468

00:22:22,730 --> 00:22:19,919

it down to the the very basics of the

469

00:22:27,110 --> 00:22:22,740

interracial couple the both of them

470

00:22:28,549 --> 00:22:27,120

having experienced the situation you

471

00:22:30,139 --> 00:22:28,559

know they did their little cute twists

472

00:22:32,810 --> 00:22:30,149

and turns that they do trying to bring

473

00:22:35,180 --> 00:22:32,820

in other UFO lore like instead of it

474

00:22:37,310 --> 00:22:35,190

being Zeta Reticuli it was the platies

475

00:22:39,680 --> 00:22:37,320

or whatever they did you know there were

476

00:22:42,289 --> 00:22:39,690

some interesting things like that but it

477

00:22:43,610 --> 00:22:42,299

was so far removed from from the hill

478

00:22:45,710 --> 00:22:43,620

case that you know

479

00:22:47,480 --> 00:22:45,720

I thought it was silly to even even go

480

00:22:48,860 --> 00:22:47,490

there but as we've mentioned with

481

00:22:50,900 --> 00:22:48,870

previous episodes and you brought it up

482

00:22:52,760 --> 00:22:50,910

Maureen I mean I think it comes down and

483

00:22:56,090 --> 00:22:52,770

a lot of these cases to just rights

484

00:22:59,540 --> 00:22:56,100

issues there are several people who have

485

00:23:01,610 --> 00:22:59,550

interests in the Hills story you know

486

00:23:03,710 --> 00:23:01,620

the rights to that story and as you said

487

00:23:07,130 --> 00:23:03,720

we know that Bryce sable has has certain

488

00:23:09,530 --> 00:23:07,140

rights to certainly captured so I think

489

00:23:11,870 --> 00:23:09,540

this is their way of you know skirting

490

00:23:14,720 --> 00:23:11,880

those issues and avoiding any potential

491

00:23:19,850 --> 00:23:14,730

legal ramifications for getting too

492

00:23:22,280 --> 00:23:19,860

close to the real story but overall it

493

00:23:25,370 --> 00:23:22,290

with the the episode itself I mean I

494

00:23:27,070 --> 00:23:25,380

enjoyed it like I have with all of these

495

00:23:30,410 --> 00:23:27,080

they all have their issues and certainly

496

00:23:33,530 --> 00:23:30,420

deviate pretty darn far from from the

497

00:23:35,210 --> 00:23:33,540

actual cases but you know I'm fine with

498

00:23:37,820 --> 00:23:35,220

that yeah

499

00:23:42,500 --> 00:23:37,830

one thing that was right though to that

500

00:23:48,460 --> 00:23:42,510

that Barney actually had been in the

501
00:23:51,080 --> 00:23:48,470
military he was had all these honorable

502
00:23:54,500 --> 00:23:51,090
mentions and everything else you know he

503
00:23:56,810 --> 00:23:54,510
was actually a part of this sort of

504
00:23:59,780 --> 00:23:56,820
section that they portrayed him however

505
00:24:01,850 --> 00:23:59,790
he was not an unhinged lunatic that

506
00:24:07,280 --> 00:24:01,860
needed to attack everyone with with a

507
00:24:10,700 --> 00:24:07,290
gun yeah I thought too that that case is

508
00:24:13,220 --> 00:24:10,710
so prominent you know and so well known

509
00:24:15,890 --> 00:24:13,230
that it would it would be risky to

510
00:24:17,510 --> 00:24:15,900
really even do anything with it because

511
00:24:19,250 --> 00:24:17,520
of the fact that there certainly just

512
00:24:21,169 --> 00:24:19,260
wouldn't be time to do it justice for

513
00:24:23,030 --> 00:24:21,179

one thing but I didn't even think of the

514

00:24:25,070 --> 00:24:23,040

standpoint that you mentioned Jason that

515

00:24:26,690 --> 00:24:25,080

yeah there certainly could be copyright

516

00:24:29,570 --> 00:24:26,700

issues and other legalities have

517

00:24:33,049 --> 00:24:29,580

prevented them from doing it too closely

518

00:24:33,380 --> 00:24:33,059

so that that is an interesting side to

519

00:24:35,210 --> 00:24:33,390

it

520

00:24:37,280 --> 00:24:35,220

yeah for sure and I think we've seen

521

00:24:40,010 --> 00:24:37,290

that you know a couple times with this

522

00:24:41,450 --> 00:24:40,020

this series so the angriest people like

523

00:24:44,030 --> 00:24:41,460

to get you know I think there are things

524

00:24:47,750 --> 00:24:44,040

working behind the scenes that you know

525

00:24:49,850 --> 00:24:47,760

we're not aware of but as they

526
00:24:52,610 --> 00:24:49,860
demonstrate the the writers and creators

527
00:24:58,310 --> 00:24:52,620
of this show are well aware

528
00:25:00,530 --> 00:24:58,320
of the cases and they know they know the

529
00:25:03,049 --> 00:25:00,540
details and in many of these cases they

530
00:25:05,030 --> 00:25:03,059
know a lot of the people involved or

531
00:25:06,710 --> 00:25:05,040
associated with these cases and they've

532
00:25:08,660 --> 00:25:06,720
done their homework and they've met with

533
00:25:10,790 --> 00:25:08,670
these people and have done a really good

534
00:25:14,360 --> 00:25:10,800
job of demonstrating that they know the

535
00:25:17,480 --> 00:25:14,370
material but for TV reasons you know a

536
00:25:20,120 --> 00:25:17,490
lot of it gets changed and again lots of

537
00:25:21,830 --> 00:25:20,130
reasons for that but they can do it it's

538
00:25:23,180 --> 00:25:21,840

their show and it's great entertainment

539

00:25:25,669 --> 00:25:23,190

hey hey

540

00:25:27,320 --> 00:25:25,679

as a UFO geek I'm loving it absolutely

541

00:25:29,090 --> 00:25:27,330

and and you know if people are

542

00:25:33,260 --> 00:25:29,100

interested in actually learning about

543

00:25:36,710 --> 00:25:33,270

this case Reid captured it's a very

544

00:25:41,450 --> 00:25:36,720

detailed description of the book watch

545

00:25:44,510 --> 00:25:41,460

okay what is the fiction dramatized

546

00:25:49,520 --> 00:25:44,520

movie that starring James Earl Jones

547

00:25:51,790 --> 00:25:49,530

yeah yeah journey thank you I kept

548

00:25:54,680 --> 00:25:51,800

thinking for some reason intercepted but

549

00:25:58,190 --> 00:25:54,690

yeah interrupted journey that's a that's

550

00:26:01,430 --> 00:25:58,200

an old coverage of the case in a

551
00:26:03,500 --> 00:26:01,440
dramatized version obviously don't rely

552
00:26:05,810 --> 00:26:03,510
on all your facts watching that either

553
00:26:08,530 --> 00:26:05,820
but there there's plenty of information

554
00:26:11,870 --> 00:26:08,540
on this case that you can get accurate

555
00:26:16,430 --> 00:26:11,880
portrayals Carl Sagan was not a fan of

556
00:26:21,169 --> 00:26:16,440
this case we'll just say that so you'll

557
00:26:23,750 --> 00:26:21,179
find a lot about sort of credible things

558
00:26:27,169 --> 00:26:23,760
about the case and a lot of debunking as

559
00:26:29,450 --> 00:26:27,179
well so yeah I mean again well we'll

560
00:26:30,890 --> 00:26:29,460
cover this case much more on a future

561
00:26:32,870 --> 00:26:30,900
episode and we'll get we'll get Bryce's

562
00:26:34,880 --> 00:26:32,880
able on pretty soon to discuss it

563
00:26:37,430 --> 00:26:34,890

because I know he's he's raring to get

564

00:26:38,810 --> 00:26:37,440

get in and you know set the set the

565

00:26:41,780 --> 00:26:38,820

record straight on this case and he's

566

00:26:44,540 --> 00:26:41,790

got a lot to say about it so all right

567

00:26:47,299 --> 00:26:44,550

well friends we've just about reached

568

00:26:49,549 --> 00:26:47,309

569

00:26:53,600 --> 00:26:49,559
