

**UFOS OVER
WASHINGTON, DC**

episode 11.19

1
00:00:08,280 --> 00:00:05,540
reading citizens and welcome to unknown

2
00:00:08,760 --> 00:00:08,290
[Music]

3
00:00:27,500 --> 00:00:08,770
[Applause]

4
00:00:32,630 --> 00:00:29,750
I'm Jason McClellan and I'm here in

5
00:00:34,220 --> 00:00:32,640
person with Maureen Elsberry thanks for

6
00:00:35,810 --> 00:00:34,230
hanging out with us today we'll be

7
00:00:37,729 --> 00:00:35,820
discussing the season finale of

8
00:00:39,770 --> 00:00:37,739
history's project Bluebook today but

9
00:00:41,630 --> 00:00:39,780
first the reason Maureen and I are in

10
00:00:44,299 --> 00:00:41,640
the same room today is because we just

11
00:00:47,210 --> 00:00:44,309
spoke at Emerald City Comicon here in

12
00:00:50,630 --> 00:00:47,220
Seattle and whirring how was your first

13
00:00:53,060 --> 00:00:50,640

time speaking in your home of Seattle it

14

00:00:55,009 --> 00:00:53,070

was great I was really not sure what the

15

00:00:57,020 --> 00:00:55,019

turnout would be like and we were a

16

00:01:00,920 --> 00:00:57,030

panel leader in the day but we sold out

17

00:01:02,630 --> 00:01:00,930

and had a great crowd and glad to know

18

00:01:05,329 --> 00:01:02,640

that so many people in my hometown are

19

00:01:08,109 --> 00:01:05,339

interested in the anomalous yeah it was

20

00:01:11,150 --> 00:01:08,119

an awesome audience they were really

21

00:01:13,609 --> 00:01:11,160

engaged I thought it's always fun when

22

00:01:15,590 --> 00:01:13,619

you're speaking to a sold-out room and

23

00:01:17,510 --> 00:01:15,600

and standing room only seeing people

24

00:01:18,980 --> 00:01:17,520

that interested in what you're talking

25

00:01:20,510 --> 00:01:18,990

about and they're just like standing

26

00:01:22,190 --> 00:01:20,520

standing in the back of the room willing

27

00:01:24,200 --> 00:01:22,200

to stand there for an hour while you

28

00:01:25,760 --> 00:01:24,210

talk about weird stuff yeah and we

29

00:01:28,999 --> 00:01:25,770

talked about a lot of weird stuff so we

30

00:01:31,969 --> 00:01:29,009

covered you know cryptids we did UFOs we

31

00:01:35,570 --> 00:01:31,979

did ghos we the whole gambit so yeah a

32

00:01:37,100 --> 00:01:35,580

lot of government projects and and even

33

00:01:39,160 --> 00:01:37,110

got a little bit into conspiracy

34

00:01:42,169 --> 00:01:39,170

theories a bit but mostly focused on

35

00:01:44,029 --> 00:01:42,179

actual confirmed government projects

36

00:01:45,199 --> 00:01:44,039

looking into the paranormal absolutely I

37

00:01:47,120 --> 00:01:45,209

think people really like hearing about

38

00:01:49,190 --> 00:01:47,130

though it's a fun topic we love talking

39

00:01:51,919 --> 00:01:49,200

about it I could go on all day about it

40

00:01:53,960 --> 00:01:51,929

that's right well on that topic let's

41

00:01:56,210 --> 00:01:53,970

get into this week's project Bluebook

42

00:01:57,109 --> 00:01:56,220

discussion if you haven't seen it yet or

43

00:01:58,880 --> 00:01:57,119

you're not familiar with this show

44

00:02:00,949 --> 00:01:58,890

Project Blue Book is a dramatic series

45

00:02:03,080 --> 00:02:00,959

on the History Channel it's a fictional

46

00:02:05,120 --> 00:02:03,090

series but it's based on the US air

47

00:02:08,630 --> 00:02:05,130

force's real-life official study that

48

00:02:10,850 --> 00:02:08,640

ran from 1952 through 1969 and although

49

00:02:13,220 --> 00:02:10,860

the show is fictional it draws on real

50

00:02:15,110 --> 00:02:13,230

Project Blue Book cases and from other

51
00:02:17,780 --> 00:02:15,120
elements from UFO history and UFO lore

52
00:02:20,570 --> 00:02:17,790
using these for inspiration we're

53
00:02:23,510 --> 00:02:20,580
talking about episode 10 today the final

54
00:02:25,790 --> 00:02:23,520
episode in season 1 the episode is

55
00:02:28,520 --> 00:02:25,800
titled the Washington merry-go-round and

56
00:02:30,350 --> 00:02:28,530
as we like to do before talking about

57
00:02:32,300 --> 00:02:30,360
the episode itself we'll do a quick

58
00:02:34,010 --> 00:02:32,310
run-through of the real inspiration

59
00:02:36,679 --> 00:02:34,020
behind the latest episode of Project

60
00:02:38,160 --> 00:02:36,689
Blue Book and the inspiration used for

61
00:02:41,580 --> 00:02:38,170
the plot of

62
00:02:45,449 --> 00:02:41,590
so 10 was Maureen

63
00:02:48,420 --> 00:02:45,459

it was the 1952 Washington UFO flap or

64
00:02:50,880 --> 00:02:48,430
sometimes known as the Washington DC UFO

65
00:02:54,240 --> 00:02:50,890
incident now this is an interesting case

66
00:02:57,809 --> 00:02:54,250
because we have multiple witnesses and

67
00:03:00,240 --> 00:02:57,819
it happened over two full weekends so

68
00:03:03,930 --> 00:03:00,250
basically what happened is on July 12th

69
00:03:05,670 --> 00:03:03,940
and 19th again in 1952 there was an air

70
00:03:07,979 --> 00:03:05,680
traffic controller at the Washington

71
00:03:10,860 --> 00:03:07,989
National Airport called named Edward

72
00:03:13,470 --> 00:03:10,870
Nugent he all of a sudden spotted seven

73
00:03:15,059 --> 00:03:13,480
objects and on his radar and the

74
00:03:17,370 --> 00:03:15,069
movement was kind of erratic and they

75
00:03:19,559 --> 00:03:17,380
weren't sure what it is and he knew that

76

00:03:22,130 --> 00:03:19,569

it compared to normal air traffic this

77

00:03:24,900 --> 00:03:22,140

was something out of the ordinary and

78

00:03:28,199 --> 00:03:24,910

Nugent's superior also watched the

79

00:03:28,740 --> 00:03:28,209

objects on his radar scope so something

80

00:03:30,930 --> 00:03:28,750

was weird

81

00:03:33,120 --> 00:03:30,940

they both collaborated together they

82

00:03:35,940 --> 00:03:33,130

called the control tower who also

83

00:03:38,850 --> 00:03:35,950

spotted the unidentified blips and they

84

00:03:41,580 --> 00:03:38,860

also spied it excuse me spotted a bright

85

00:03:44,759 --> 00:03:41,590

light in the sky that was Suman off at a

86

00:03:46,890 --> 00:03:44,769

fast rate of speed so other objects

87

00:03:49,229 --> 00:03:46,900

appeared they went over the White House

88

00:03:51,900 --> 00:03:49,239

and the Capitol and you can imagine

89

00:03:54,990 --> 00:03:51,910

during this time seeing unknown objects

90

00:04:00,060 --> 00:03:55,000

over the Capitol tends to spread a

91

00:04:02,520 --> 00:04:00,070

little bit of concern for anybody but so

92

00:04:05,460 --> 00:04:02,530

this is all spotted the US Air Force

93

00:04:07,890 --> 00:04:05,470

sends out some f-94 starfire jet

94

00:04:10,289 --> 00:04:07,900

fighters from Delaware good old Delaware

95

00:04:12,170 --> 00:04:10,299

and they arrived in the objects vanished

96

00:04:15,300 --> 00:04:12,180

and they couldn't find them

97

00:04:18,240 --> 00:04:15,310

disappeared from the radar and then once

98

00:04:21,630 --> 00:04:18,250

the Jets decided to leave they appeared

99

00:04:23,159 --> 00:04:21,640

back so what happened in an interesting

100

00:04:25,159 --> 00:04:23,169

thing and you're gonna we'll talk about

101

00:04:27,630 --> 00:04:25,169

this too that appeared in the show is

102

00:04:30,360 --> 00:04:27,640

Captain rappel from the project Bluebook

103

00:04:32,550 --> 00:04:30,370

was in Washington DC at the time he did

104

00:04:34,440 --> 00:04:32,560

not see the objects and he didn't

105

00:04:36,570 --> 00:04:34,450

actually find out about this but I find

106

00:04:38,640 --> 00:04:36,580

this very curious he did not find out

107

00:04:40,620 --> 00:04:38,650

about this until he read a newspaper

108

00:04:42,930 --> 00:04:40,630

headline on Monday that said saucers

109

00:04:46,010 --> 00:04:42,940

swarm the Capitol and if you're running

110

00:04:48,540 --> 00:04:46,020

a government investigation program about

111

00:04:49,860 --> 00:04:48,550

UFOs and they're swarming the Capitol

112

00:04:51,780 --> 00:04:49,870

and you do not know

113

00:04:55,500 --> 00:04:51,790

you're not informed about this that's

114

00:04:57,060 --> 00:04:55,510

pretty crazy so of course he's still in

115

00:04:59,190 --> 00:04:57,070

Washington DC's like I want to

116

00:05:01,350 --> 00:04:59,200

investigate this can I please have a

117

00:05:03,420 --> 00:05:01,360

government car and they basically said

118

00:05:06,690 --> 00:05:03,430

no they said if you want to use your

119

00:05:09,960 --> 00:05:06,700

personal money go for it but we're not

120

00:05:13,080 --> 00:05:09,970

giving you a car and he was pissed off

121

00:05:17,640 --> 00:05:13,090

rightly so I think so he's pissed off he

122

00:05:20,640 --> 00:05:17,650

goes back to his base and decides like

123

00:05:22,770 --> 00:05:20,650

screw everyone a radar specialist also

124

00:05:26,100 --> 00:05:22,780

at wright-patterson Air Force Base then

125

00:05:27,840 --> 00:05:26,110

suggested that these were indeed just a

126

00:05:30,240 --> 00:05:27,850

phenomenon dealing with weather

127

00:05:34,200 --> 00:05:30,250

inclement weather basically there was

128

00:05:37,620 --> 00:05:34,210

temperature inversion to blame so people

129

00:05:38,480 --> 00:05:37,630

are like alright whatever then a week

130

00:05:42,210 --> 00:05:38,490

later

131

00:05:44,250 --> 00:05:42,220

dun-dun-dun a pilot and flight attendant

132

00:05:46,740 --> 00:05:44,260

over the weekend of July 26 through the

133

00:05:50,280 --> 00:05:46,750

27th observed strange lights above the

134

00:05:52,830 --> 00:05:50,290

plane radar centers at both the National

135

00:05:54,330 --> 00:05:52,840

Airport and Andrews Air Force Base also

136

00:05:56,460 --> 00:05:54,340

tracked these unknown objects so

137

00:05:59,220 --> 00:05:56,470

basically they returned and they were

138

00:06:01,230 --> 00:05:59,230

all over the place they were moving in

139

00:06:03,890 --> 00:06:01,240

various methods sometimes at speeds up

140

00:06:07,140 --> 00:06:03,900

to 7,000 miles per hour

141

00:06:10,050 --> 00:06:07,150

obviously not normal aircraft so again

142

00:06:12,810 --> 00:06:10,060

they send out these f94 fighter jets and

143

00:06:15,690 --> 00:06:12,820

they chased what they could you know

144

00:06:18,350 --> 00:06:15,700

bogeys below a thousand feet and they

145

00:06:20,940 --> 00:06:18,360

said there was white glowing objects and

146

00:06:22,950 --> 00:06:20,950

two more jets were scrambled out and

147

00:06:26,460 --> 00:06:22,960

they couldn't figure out what this stuff

148

00:06:28,530 --> 00:06:26,470

was so then the president's like alright

149

00:06:30,390 --> 00:06:28,540

this is two weekends what's going on so

150

00:06:33,050 --> 00:06:30,400

President Harry Truman is like somebody

151
00:06:36,750 --> 00:06:33,060
please explain to me what these are and

152
00:06:39,870 --> 00:06:36,760
basically Project Blue Book came out

153
00:06:43,410 --> 00:06:39,880
with that these were the result of

154
00:06:47,040 --> 00:06:43,420
temperature inversion plus misidentified

155
00:06:49,320 --> 00:06:47,050
meteors stars and city lights so clearly

156
00:06:51,420 --> 00:06:49,330
they kind of toss this all up and it

157
00:06:53,990 --> 00:06:51,430
blows my mind also that that this is a

158
00:06:56,220 --> 00:06:54,000
case that had such a national

159
00:06:59,340 --> 00:06:56,230
recognition and it was super important

160
00:07:01,590 --> 00:06:59,350
over the Capitol and then they're just

161
00:07:02,650 --> 00:07:01,600
like oh yeah just if the temperature was

162
00:07:04,480 --> 00:07:02,660
weird yeah

163
00:07:07,030 --> 00:07:04,490

you know they showed that really well in

164

00:07:08,650 --> 00:07:07,040

the episode and in fact I don't know

165

00:07:11,290 --> 00:07:08,660

what do you think I think of all of the

166

00:07:15,360 --> 00:07:11,300

episodes all 10 episodes this one

167

00:07:18,180 --> 00:07:15,370

probably stayed true the most and had

168

00:07:20,950 --> 00:07:18,190

more elements of the actual inspiration

169

00:07:23,530 --> 00:07:20,960

than other episodes I would completely

170

00:07:24,580 --> 00:07:23,540

agree with you we see that the

171

00:07:26,980 --> 00:07:24,590

government won't let him investigate

172

00:07:29,770 --> 00:07:26,990

this the president comes out and and

173

00:07:31,090 --> 00:07:29,780

again they they say yeah this was

174

00:07:33,550 --> 00:07:31,100

something to do with temperature but

175

00:07:36,190 --> 00:07:33,560

then they of course have to tie in this

176

00:07:39,700 --> 00:07:36,200

mystery men and black element where he's

177

00:07:41,410 --> 00:07:39,710

been sent Hey Hynix been sent there

178

00:07:44,200 --> 00:07:41,420

because they are coming and he's

179

00:07:46,390 --> 00:07:44,210

supposed to find that out and again we

180

00:07:51,340 --> 00:07:46,400

have these just weird glowing lights

181

00:07:53,920 --> 00:07:51,350

that fly over the monument and what have

182

00:07:56,470 --> 00:07:53,930

you there was one thing that I kind of

183

00:07:58,780 --> 00:07:56,480

like and I may be stretching this a bit

184

00:08:01,330 --> 00:07:58,790

but I'm really hoping that this is why

185

00:08:04,570 --> 00:08:01,340

they put that in you know how we've seen

186

00:08:09,850 --> 00:08:04,580

elements throughout each case that ties

187

00:08:12,040 --> 00:08:09,860

into little bits of you of UFO lore and

188

00:08:15,130 --> 00:08:12,050

there is a scene while they're waiting

189

00:08:17,710 --> 00:08:15,140

for the objects to appear that a kid

190

00:08:22,510 --> 00:08:17,720

throws a frisbee up in the air and I was

191

00:08:25,150 --> 00:08:22,520

like that has to be in there on purpose

192

00:08:27,400 --> 00:08:25,160

because that obviously UFOs have been

193

00:08:29,740 --> 00:08:27,410

accused of being frisbees as well so

194

00:08:31,930 --> 00:08:29,750

yeah yeah a lot of the the UFO

195

00:08:34,839 --> 00:08:31,940

photographs the old UFO photographs and

196

00:08:36,700 --> 00:08:34,849

I think they've done that a lot in this

197

00:08:39,370 --> 00:08:36,710

show and it's fun I mean like we've said

198

00:08:41,380 --> 00:08:39,380

that before it's fun for you know UFO

199

00:08:43,029 --> 00:08:41,390

geeks like us those little Easter eggs

200

00:08:45,150 --> 00:08:43,039

that are thrown in here and there I

201

00:08:47,410 --> 00:08:45,160

think they're done intentionally for us

202

00:08:48,940 --> 00:08:47,420

because the people doing the show are

203

00:08:50,710 --> 00:08:48,950

you up O'Keefe's they love this stuff

204

00:08:52,240 --> 00:08:50,720

and they put a lot of that little fun

205

00:08:54,810 --> 00:08:52,250

stuff in there I like it I'm sure

206

00:08:56,830 --> 00:08:54,820

denoise other people yeah of course but

207

00:08:58,750 --> 00:08:56,840

it's fun and I'm glad you brought that

208

00:09:00,550 --> 00:08:58,760

frisbee up cuz I when I saw that I was

209

00:09:01,900 --> 00:09:00,560

like yeah that's fun that was my money

210

00:09:03,550 --> 00:09:01,910

yeah that was my favorite part of the

211

00:09:05,830 --> 00:09:03,560

episode I was like oh frisbee yeah but I

212

00:09:07,710 --> 00:09:05,840

hope that's what it yeah intentional but

213

00:09:10,480 --> 00:09:07,720

yeah there were there were so many

214

00:09:13,810 --> 00:09:10,490

elements of this of the real inspiration

215

00:09:15,519 --> 00:09:13,820

in this episode it was almost almost all

216

00:09:18,939 --> 00:09:15,529

of it I mean they covered it well

217

00:09:22,150 --> 00:09:18,949

I thought so I mean we didn't see that

218

00:09:25,809 --> 00:09:22,160

through you know a lot of the the season

219

00:09:27,579 --> 00:09:25,819

but like we've said I think they rushed

220

00:09:29,139 --> 00:09:27,589

a lot with this season because they had

221

00:09:30,879 --> 00:09:29,149

no idea what to expect from the show

222

00:09:33,009 --> 00:09:30,889

they didn't know if they'd get cancelled

223

00:09:34,660 --> 00:09:33,019

they did though if they'd be brought

224

00:09:38,139 --> 00:09:34,670

back and we now know that they will be

225

00:09:41,069 --> 00:09:38,149

coming back with another season what do

226

00:09:46,269 --> 00:09:41,079

you think of the the sort of cliffhanger

227

00:09:48,040 --> 00:09:46,279

ending with the yeah kind of uh I don't

228

00:09:49,840 --> 00:09:48,050

know I don't know how I feel about the

229

00:09:51,400 --> 00:09:49,850

ending I hope they're not going

230

00:09:53,170 --> 00:09:51,410

somewhere I think they're going but I

231

00:09:55,299 --> 00:09:53,180

know I think they're going there too I

232

00:09:59,379 --> 00:09:55,309

think and I just I almost don't want to

233

00:10:01,059 --> 00:09:59,389

talk about it because I you know I when

234

00:10:03,579 --> 00:10:01,069

that came on all of a sudden it was like

235

00:10:05,410 --> 00:10:03,589

switching gears to the and like what's

236

00:10:07,379 --> 00:10:05,420

gonna happen next season and we're gonna

237

00:10:11,650 --> 00:10:07,389

start off on a really crazy now yeah

238

00:10:14,829 --> 00:10:11,660

well I did see that the creators have

239

00:10:17,769 --> 00:10:14,839

commented on that ending scene saying

240

00:10:19,869 --> 00:10:17,779

that trying to explain it a little bit

241

00:10:22,269 --> 00:10:19,879

and saying what it's not because it

242

00:10:25,480 --> 00:10:22,279

clearly they set it up and it looks like

243

00:10:27,100 --> 00:10:25,490

you know they sort of activated this

244

00:10:29,559 --> 00:10:27,110

beacon and they're calling the

245

00:10:33,189 --> 00:10:29,569

extraterrestrials they said that's not

246

00:10:35,049 --> 00:10:33,199

what happened that it's not a beacon

247

00:10:36,970 --> 00:10:35,059

that was activated it's not sending a

248

00:10:40,329 --> 00:10:36,980

message in calling the extraterrestrials

249

00:10:43,059 --> 00:10:40,339

so well you kind of essentially said

250

00:10:44,199 --> 00:10:43,069

that's what it was in the show but now

251

00:10:46,179 --> 00:10:44,209

you're saying that's not what's

252

00:10:47,559 --> 00:10:46,189

happening so who knows what they're

253

00:10:49,720 --> 00:10:47,569

doing they'll probably change their

254

00:10:52,720 --> 00:10:49,730

minds too but I will say this that alien

255

00:10:56,499 --> 00:10:52,730

Con in Baltimore they sort of and this

256

00:10:59,860 --> 00:10:56,509

is before the show it even started they

257

00:11:01,600 --> 00:10:59,870

were somebody asked about you know where

258

00:11:02,980 --> 00:11:01,610

they wanted to take the show or you know

259

00:11:05,559 --> 00:11:02,990

if they happen to get another season

260

00:11:07,660 --> 00:11:05,569

what they would do and I didn't like the

261

00:11:10,509 --> 00:11:07,670

answers I got back then because they

262

00:11:12,009 --> 00:11:10,519

were just you know going crazy it's been

263

00:11:14,860 --> 00:11:12,019

balling ideas and stuff but they even

264

00:11:17,879 --> 00:11:14,870

brought up the topic of like time travel

265

00:11:22,239 --> 00:11:17,889

and stuff no no please don't do that

266

00:11:23,889 --> 00:11:22,249

yeah that's a little I mean but the

267

00:11:26,169 --> 00:11:23,899

thing is is we have seen in these

268

00:11:28,879 --> 00:11:26,179

documents recently that were released in

269

00:11:32,329 --> 00:11:28,889

January that some of the things like

270

00:11:35,090 --> 00:11:32,339

it was investigating but that was a part

271

00:11:37,460 --> 00:11:35,100

of a tip was time-travel work drive so

272

00:11:39,949 --> 00:11:37,470

that was also something that was going

273

00:11:43,669 --> 00:11:39,959

on in the 50s as well so is a very good

274

00:11:46,369 --> 00:11:43,679

point it's not very good yeah but I get

275

00:11:48,590 --> 00:11:46,379

it I get that element set because we

276

00:11:49,329 --> 00:11:48,600

don't have done meet some people believe

277

00:11:55,699 --> 00:11:49,339

we do

278

00:11:58,669 --> 00:11:55,709

can actually even get close to

279

00:12:00,109 --> 00:11:58,679

time-traveling you know of course

280

00:12:02,059 --> 00:12:00,119

there's always those people that there's

281

00:12:03,739 --> 00:12:02,069

the photograph said that how was that

282

00:12:05,629 --> 00:12:03,749

cellphone in that picture he looks like

283

00:12:09,319 --> 00:12:05,639

he's talking on a phone and it was 1910

284

00:12:11,659 --> 00:12:09,329

you know but we don't really have any

285

00:12:13,759 --> 00:12:11,669

hard proof unless somebody from the

286

00:12:16,189 --> 00:12:13,769

government wants to delete a file or -

287

00:12:17,569 --> 00:12:16,199

yeah we take that but also I mean the

288

00:12:19,609 --> 00:12:17,579

thing to keep in mind that I know it's

289

00:12:21,919 --> 00:12:19,619

difficult for the show and we have to

290

00:12:23,359 --> 00:12:21,929

sort of suspend belief - but the show is

291

00:12:25,309 --> 00:12:23,369

called Project Blue Book it's supposed

292

00:12:26,479 --> 00:12:25,319

to be about Project Blue Book right and

293

00:12:28,489 --> 00:12:26,489

the people who were involved with

294

00:12:30,650 --> 00:12:28,499

Project Blue Book so when you start

295

00:12:32,119 --> 00:12:30,660

bringing these other elements into it

296

00:12:34,220 --> 00:12:32,129

that really Project Blue Book had

297

00:12:38,359 --> 00:12:34,230

nothing to do with you start stretching

298

00:12:39,829 --> 00:12:38,369

quite quite a bit and they can do that

299

00:12:41,809 --> 00:12:39,839

and they've had fun certainly what the

300

00:12:43,669 --> 00:12:41,819

episodes they've done but if they're

301

00:12:46,489 --> 00:12:43,679

getting into these other alleged

302

00:12:49,100 --> 00:12:46,499

government programs seems to be

303

00:12:51,799 --> 00:12:49,110

deviating a bit from the core of the

304

00:12:53,449 --> 00:12:51,809

show we'll see what they do I mean I'm

305

00:12:55,639 --> 00:12:53,459

excited I'll certainly watch the next

306

00:12:57,919 --> 00:12:55,649

season I mean again it's a dramatic show

307

00:13:01,909 --> 00:12:57,929

they've got a gonna add these elements I

308

00:13:04,639 --> 00:13:01,919

get it having some like consistent theme

309

00:13:07,400 --> 00:13:04,649

aside from just these guys are military

310

00:13:10,429 --> 00:13:07,410

project investigating UFO cases I have a

311

00:13:11,809 --> 00:13:10,439

question for you oh yeah so you know

312

00:13:14,749 --> 00:13:11,819

obviously coming up we're gonna see a

313

00:13:16,429 --> 00:13:14,759

lot more cases and things is there a

314

00:13:19,369 --> 00:13:16,439

particular case that project Bluebook

315

00:13:22,479 --> 00:13:19,379

has investigated that you would like to

316

00:13:24,499 --> 00:13:22,489

see them cover in the upcoming season

317

00:13:26,900 --> 00:13:24,509

that's a good question and I was

318

00:13:30,470 --> 00:13:26,910

thinking about that as the season was

319

00:13:36,919 --> 00:13:30,480

was progressing and I think my real

320

00:13:38,989 --> 00:13:36,929

answer is no but I would like them to I

321

00:13:40,870 --> 00:13:38,999

guess the answer is I'd like to see them

322

00:13:43,750 --> 00:13:40,880

better depicting

323

00:13:45,850 --> 00:13:43,760

a true unknown and not making it so like

324

00:13:47,710 --> 00:13:45,860

over-the-top extraterrestrial mm-hmm

325

00:13:50,830 --> 00:13:47,720

right because that's a lot of what they

326

00:13:54,400 --> 00:13:50,840

did investigate they've done a and maybe

327

00:13:56,470 --> 00:13:54,410

even showing a little better of knowns

328

00:13:58,930 --> 00:13:56,480

to because even the ones they've been

329

00:14:02,050 --> 00:13:58,940

able to identify have been super crazy

330

00:14:04,180 --> 00:14:02,060

and kind of hard to believe but they

331

00:14:06,930 --> 00:14:04,190

come up with the the easy explanations

332

00:14:09,280 --> 00:14:06,940

but a lot of Project Blue Book was

333

00:14:10,690 --> 00:14:09,290

investigating things that turned out to

334

00:14:12,820 --> 00:14:10,700

be a whole lot of nothing and just

335

00:14:16,930 --> 00:14:12,830

everyday things so I like that being

336

00:14:18,370 --> 00:14:16,940

shown but the true unknowns also and I

337

00:14:20,080 --> 00:14:18,380

don't know how they would do that I mean

338

00:14:23,200 --> 00:14:20,090

I guess I'm asking the impossible but

339

00:14:25,900 --> 00:14:23,210

I'd like to show them so one of the true

340

00:14:28,600 --> 00:14:25,910

owned owns but not have it be so like

341

00:14:31,090 --> 00:14:28,610

sci-fi II and yeah terrestrial I mean I

342

00:14:32,880 --> 00:14:31,100

don't think showing in like something

343

00:14:35,710 --> 00:14:32,890

that they solve right away that we're

344

00:14:37,390 --> 00:14:35,720

positive is you know you're right every

345

00:14:39,340 --> 00:14:37,400

case has been like oh if they give an

346

00:14:42,820 --> 00:14:39,350

explanation but then there's still

347

00:14:45,670 --> 00:14:42,830

clearly they're saying it's not right so

348

00:14:47,500 --> 00:14:45,680

yeah I think that if they covered maybe

349

00:14:49,270 --> 00:14:47,510

a few cases at the beginning that had

350

00:14:52,030 --> 00:14:49,280

explanations and they could actually

351
00:14:52,990 --> 00:14:52,040
that was tangible and get those out of

352
00:14:56,110 --> 00:14:53,000
the way and then they get to an

353
00:14:56,770 --> 00:14:56,120
anomalous unknown that that would be

354
00:14:59,410 --> 00:14:56,780
nice

355
00:15:00,970 --> 00:14:59,420
it'd also be cool if they you know

356
00:15:04,540 --> 00:15:00,980
showed more the scope of project

357
00:15:06,280 --> 00:15:04,550
Bluebook and and you know how it was

358
00:15:08,380 --> 00:15:06,290
more than just two people right yeah

359
00:15:11,140 --> 00:15:08,390
yeah yeah that's a very good point there

360
00:15:13,540 --> 00:15:11,150
was basically a project Bluebook person

361
00:15:16,840 --> 00:15:13,550
at every single Air Force Base across

362
00:15:19,240 --> 00:15:16,850
the country and I mean I think a lot of

363
00:15:20,860 --> 00:15:19,250

people don't realize like what why is it

364

00:15:23,200 --> 00:15:20,870

named Project Blue Book well it was

365

00:15:25,810 --> 00:15:23,210

based off of the little notebooks that

366

00:15:29,380 --> 00:15:25,820

people would write the notes on and then

367

00:15:31,270 --> 00:15:29,390

send to the to the leaders of project

368

00:15:32,770 --> 00:15:31,280

Bluebook yeah it was a huge program it

369

00:15:35,110 --> 00:15:32,780

was a huge program so many people

370

00:15:36,880 --> 00:15:35,120

involved in it and the personnel changed

371

00:15:39,760 --> 00:15:36,890

over the years too I mean it was a

372

00:15:41,260 --> 00:15:39,770

long-running program and yeah it's kind

373

00:15:43,360 --> 00:15:41,270

of a revolving door at times too but

374

00:15:45,700 --> 00:15:43,370

yeah it would be nice to show that but

375

00:15:47,080 --> 00:15:45,710

again up to people that do research if

376

00:15:49,510 --> 00:15:47,090

they want to find out more about Project

377

00:15:52,480 --> 00:15:49,520

Blue Book for sure I'm kind of hoping

378

00:15:53,180 --> 00:15:52,490

that we get a see our buddy Lonnie Z in

379

00:15:55,970 --> 00:15:53,190

his

380

00:15:58,189 --> 00:15:55,980

police sightings that would be cool yeah

381

00:16:00,439 --> 00:15:58,199

I could do some interesting things with

382

00:16:03,439 --> 00:16:00,449

that with like the egg-shaped UFO and

383

00:16:05,389 --> 00:16:03,449

you know because I've seen other people

384

00:16:07,670 --> 00:16:05,399

comment on this too and I don't know if

385

00:16:11,269 --> 00:16:07,680

it was for budget reasons or what else

386

00:16:14,389 --> 00:16:11,279

but I would like to see a non ball of

387

00:16:15,949 --> 00:16:14,399

light UFO exactly yeah because they

388

00:16:18,530 --> 00:16:15,959

certainly did investigate those yeah

389

00:16:20,600 --> 00:16:18,540

absolutely that's a good point but yeah

390

00:16:24,079 --> 00:16:20,610

balls of light are much easier to do

391

00:16:26,720 --> 00:16:24,089

effects wise sure I get it yeah

392

00:16:27,920 --> 00:16:26,730

well it's been fun recapping these

393

00:16:30,079 --> 00:16:27,930

episodes and going through the history

394

00:16:31,490 --> 00:16:30,089

cases and lore that provide the

395

00:16:33,920 --> 00:16:31,500

inspiration for the plot of these 10

396

00:16:35,629 --> 00:16:33,930

episodes we know that Project Blue Book

397

00:16:37,759 --> 00:16:35,639

is coming back for another season so

398

00:16:40,369 --> 00:16:37,769

it's a pretty good bet that we'll be

399

00:16:42,590 --> 00:16:40,379

doing the same thing next season we now

400

00:16:45,319 --> 00:16:42,600

know that another show is coming our way

401
00:16:47,629 --> 00:16:45,329

and Science the show is unidentified

405
00:16:58,819 --> 00:16:55,920
inside America's UFO investigation and

406
00:17:01,150 --> 00:16:58,829
we'll talk more about that show on our

407
00:17:03,800 --> 00:17:01,160
next episode

408
00:17:05,090 --> 00:17:03,810
