

NEW UFO
TV SHOW

episode 12.19

1
00:00:08,580 --> 00:00:05,820
greeting citizens and welcome to unknown

2
00:00:08,990 --> 00:00:08,590
[Music]

3
00:00:27,790 --> 00:00:09,000
[Applause]

4
00:00:30,010 --> 00:00:27,800
[Music]

5
00:00:32,620 --> 00:00:30,020
I'm Jason McClellan I'm here with mr.

6
00:00:33,540 --> 00:00:32,630
Shane herd and mr. Ryan Sprague thanks

7
00:00:36,880 --> 00:00:33,550
so much for hanging out with us today

8
00:00:39,400 --> 00:00:36,890
we'll be briefly discussing the recently

9
00:00:43,300 --> 00:00:39,410
announced TV series coming from to the

10
00:00:45,760 --> 00:00:43,310
stars in history but first Shane if you

11
00:00:47,680 --> 00:00:45,770
wouldn't mind tell us about the event

12
00:00:50,619 --> 00:00:47,690
you attended last week to celebrate the

13
00:00:54,310 --> 00:00:50,629

22nd anniversary of the famous Phoenix

14

00:00:57,610 --> 00:00:54,320

lights UFO incident yeah that was great

15

00:01:00,640 --> 00:00:57,620

I had been to it before but not for the

16

00:01:04,450 --> 00:01:00,650

last two years okay and I think what was

17

00:01:06,730 --> 00:01:04,460

notably different they had on like a you

18

00:01:09,310 --> 00:01:06,740

know extra large theater I think it held

19

00:01:11,560 --> 00:01:09,320

like 300 people but so many came they

20

00:01:14,680 --> 00:01:11,570

had opened another theater and they

21

00:01:17,050 --> 00:01:14,690

played like the movie portion in both

22

00:01:19,359 --> 00:01:17,060

places yeah but in addition they had

23

00:01:21,270 --> 00:01:19,369

like a panel of 10 people there after

24

00:01:24,790 --> 00:01:21,280

that they did in the main theater and

25

00:01:26,800 --> 00:01:24,800

you know it was it was you know really

26
00:01:28,450 --> 00:01:26,810
well done and I mean a little chaotic

27
00:01:31,120 --> 00:01:28,460
but just because there were so many

28
00:01:33,790 --> 00:01:31,130
people but I mean it just never ceases

29
00:01:35,680 --> 00:01:33,800
to amaze me how much attention that case

30
00:01:36,790 --> 00:01:35,690
still gets and so many people that's a

31
00:01:39,370 --> 00:01:36,800
good problem to have

32
00:01:43,270 --> 00:01:39,380
and yeah it's a good point Matt 22 years

33
00:01:45,070 --> 00:01:43,280
later and this thing is still you know

34
00:01:47,230 --> 00:01:45,080
it still generates interest it still has

35
00:01:49,480 --> 00:01:47,240
a crowd of people who want to know more

36
00:01:51,760 --> 00:01:49,490
still want to talk about it as they

37
00:01:53,919 --> 00:01:51,770
should because it's this mass sighting

38
00:01:55,600 --> 00:01:53,929

that still doesn't explain and we still

39

00:01:57,760 --> 00:01:55,610

have so many questions about it but

40

00:02:01,180 --> 00:01:57,770

thousands of people were a part of this

41

00:02:02,919 --> 00:02:01,190

thing so you know I keep wondering how

42

00:02:05,680 --> 00:02:02,929

long Lin is going to keep doing this

43

00:02:09,520 --> 00:02:05,690

event but you know like you you just

44

00:02:11,110 --> 00:02:09,530

said it's an in-demand event people want

45

00:02:14,070 --> 00:02:11,120

to go to something like this they want

46

00:02:17,589 --> 00:02:14,080

to celebrate the anniversary of this

47

00:02:21,070 --> 00:02:17,599

incredible event from UFO history yeah

48

00:02:23,920 --> 00:02:21,080

and in addition you know new reports are

49

00:02:26,370 --> 00:02:23,930

still coming and believe it or not they

50

00:02:31,150 --> 00:02:26,380

had a couple of new witnesses and and

51
00:02:33,900 --> 00:02:31,160
they they produce this video that was

52
00:02:36,580 --> 00:02:33,910
like the most forensic ly accurate

53
00:02:38,650 --> 00:02:36,590
representation you know of the craft and

54
00:02:40,750 --> 00:02:38,660
you know they did some slick stuff there

55
00:02:43,059 --> 00:02:40,760
so there was an another little move

56
00:02:44,800 --> 00:02:43,069
along with it it was really well done it

57
00:02:47,770 --> 00:02:44,810
was from a gentleman who had seen it in

58
00:02:50,380 --> 00:02:47,780
Prescott Valley yes and I it was it was

59
00:02:52,960 --> 00:02:50,390
well done and and so interesting so yeah

60
00:02:56,229 --> 00:02:52,970
that's crazy huh that's really cool and

61
00:02:57,339 --> 00:02:56,239
I'm so glad that you know so many people

62
00:02:58,990 --> 00:02:57,349
turned out for this event that they

63
00:03:00,670 --> 00:02:59,000

spilled into a second theater that's

64

00:03:02,440 --> 00:03:00,680

awesome mm-hmm

65

00:03:05,500 --> 00:03:02,450

yeah interest is still there I know

66

00:03:07,539 --> 00:03:05,510

whenever I talk to anyone who finds out

67

00:03:09,759 --> 00:03:07,549

that I researched UFOs they're always

68

00:03:12,399 --> 00:03:09,769

like what is that thing that happened in

69

00:03:15,850 --> 00:03:12,409

Phoenix that's like it's one of those

70

00:03:19,180 --> 00:03:15,860

things it's like Roswell and and maybe

71

00:03:20,979 --> 00:03:19,190

Rendlesham if you're European but yeah

72

00:03:23,229 --> 00:03:20,989

it's always on it's always in the

73

00:03:25,270 --> 00:03:23,239

zeitgeist and that's so awesome that

74

00:03:29,380 --> 00:03:25,280

more and more people are showing up for

75

00:03:30,849 --> 00:03:29,390

that gene yep I loved it it was good so

76

00:03:33,130 --> 00:03:30,859

Maureen and I spoke at Emerald City

77

00:03:36,640 --> 00:03:33,140

Comicon in Seattle last weekend and that

78

00:03:39,190 --> 00:03:36,650

was so much fun and you know this is

79

00:03:42,580 --> 00:03:39,200

something we've done a lot speaking at

80

00:03:44,830 --> 00:03:42,590

these pop culture events and I love it

81

00:03:47,770 --> 00:03:44,840

so much I really do I love the

82

00:03:50,640 --> 00:03:47,780

audience's you turn out to panels and

83

00:03:54,729 --> 00:03:50,650

lectures and discussions on our weird

84

00:03:57,449 --> 00:03:54,739

strange topics related to UFOs at these

85

00:04:01,539 --> 00:03:57,459

things because they're just they're so

86

00:04:03,729 --> 00:04:01,549

interested in these topics many of them

87

00:04:06,430 --> 00:04:03,739

have personal experiences or personal

88

00:04:08,800 --> 00:04:06,440

reasons for for having that curiosity

89

00:04:11,890 --> 00:04:08,810

and wanting to hear more about it but

90

00:04:15,099 --> 00:04:11,900

they just have this genuine interest in

91

00:04:18,640 --> 00:04:15,109

the topic they are very attentive during

92

00:04:20,560 --> 00:04:18,650

the presentation and then always want to

93

00:04:22,420 --> 00:04:20,570

know more want to want to talk and

94

00:04:25,120 --> 00:04:22,430

discuss the topic more afterwards so

95

00:04:26,500 --> 00:04:25,130

there's always never enough time you

96

00:04:29,560 --> 00:04:26,510

know allocated to these things because

97

00:04:32,469 --> 00:04:29,570

you have your hour or so to deliver the

98

00:04:34,629 --> 00:04:32,479

presentation and then people immediately

99

00:04:37,060 --> 00:04:34,639

after want to talk to you and you have

100

00:04:38,140 --> 00:04:37,070

to sort of say hey I'm sorry I would

101
00:04:39,580 --> 00:04:38,150
love to hear what you have to say but

102
00:04:41,050 --> 00:04:39,590
they're kicking us out now because

103
00:04:43,480 --> 00:04:41,060
there's another panel that has to come

104
00:04:46,300 --> 00:04:43,490
in but we were in the fortunate in

105
00:04:49,029 --> 00:04:46,310
unusual situation this time this hasn't

106
00:04:53,050 --> 00:04:49,039
happened before to where we were the

107
00:04:54,610 --> 00:04:53,060
final presentation on Friday night at

108
00:04:57,460 --> 00:04:54,620
Emerald City Comicon

109
00:04:59,560 --> 00:04:57,470
and so and it was you know fairly early

110
00:05:00,610 --> 00:04:59,570
- it's kind of like it seemed odd we

111
00:05:03,070 --> 00:05:00,620
didn't know if it was gonna be a good

112
00:05:04,120 --> 00:05:03,080
time or a bad time because this was you

113
00:05:06,040 --> 00:05:04,130

know my first time in everyone City

114

00:05:07,659 --> 00:05:06,050

Comic Con I didn't know how how they

115

00:05:10,300 --> 00:05:07,669

worked how their their programming

116

00:05:12,129 --> 00:05:10,310

operated so I mean typically at an event

117

00:05:13,840 --> 00:05:12,139

I would think that like something that's

118

00:05:16,600 --> 00:05:13,850

happening at you know the six or seven

119

00:05:19,210 --> 00:05:16,610

o'clock hour on Friday is a pretty sweet

120

00:05:21,070 --> 00:05:19,220

spot because you know with Comic Cons

121

00:05:23,710 --> 00:05:21,080

people the hardcore people going to a

122

00:05:25,600 --> 00:05:23,720

Comic Con are gonna get there multi-day

123

00:05:28,270 --> 00:05:25,610

pass and be there for the entire thing

124

00:05:30,370 --> 00:05:28,280

but then like your locals and just

125

00:05:32,020 --> 00:05:30,380

everybody else they have to work and

126

00:05:36,190 --> 00:05:32,030

they're not necessarily going to take a

127

00:05:37,450 --> 00:05:36,200

day off work to go to Comic Con so when

128

00:05:39,070 --> 00:05:37,460

the evening rolls around and they get

129

00:05:41,350 --> 00:05:39,080

off work that's when they'll go and

130

00:05:42,940 --> 00:05:41,360

check out the event so you know Friday

131

00:05:44,200 --> 00:05:42,950

after work that's really when the fun

132

00:05:45,610 --> 00:05:44,210

starts and then of course they'll be

133

00:05:48,820 --> 00:05:45,620

there all day Saturday and into Sunday

134

00:05:51,850 --> 00:05:48,830

too sometimes but Friday Friday evening

135

00:05:55,960 --> 00:05:51,860

the place was packed and you know again

136

00:05:58,510 --> 00:05:55,970

a UFO event at a Comic Con with standing

137

00:06:01,150 --> 00:05:58,520

room only and that makes me so excited

138

00:06:04,060 --> 00:06:01,160

when I see that it's amazing you know

139

00:06:05,560 --> 00:06:04,070

it's it's a little sort of I get a

140

00:06:07,690 --> 00:06:05,570

little nervous at first within a while

141

00:06:09,760 --> 00:06:07,700

now the awesomeness outweighs the

142

00:06:12,250 --> 00:06:09,770

nervousness this is so cool so people

143

00:06:15,340 --> 00:06:12,260

are sitting there willing to stand and

144

00:06:20,400 --> 00:06:15,350

listen to you talk about UFOs it's just

145

00:06:23,440 --> 00:06:20,410

so much fun man I mean you and I saw it

146

00:06:24,909 --> 00:06:23,450

alien Kanye just eat sheer amount of

147

00:06:27,100 --> 00:06:24,919

younger people showing up to these

148

00:06:29,700 --> 00:06:27,110

things now like integrating that

149

00:06:32,379 --> 00:06:29,710

comic-con feel and atmosphere

150

00:06:34,390 --> 00:06:32,389

I think it's awesome you know a lot of

151
00:06:36,940 --> 00:06:34,400
people are like oh you're doing the hey

152
00:06:38,680 --> 00:06:36,950
Lincoln that's like that's not serious

153
00:06:40,270 --> 00:06:38,690
and like actually if you go to a lot of

154
00:06:43,270 --> 00:06:40,280
the talks and lectures at these things

155
00:06:46,150 --> 00:06:43,280
they're by highly intelligent people you

156
00:06:48,550 --> 00:06:46,160
know outside of the UFO field so yeah I

157
00:06:50,560 --> 00:06:48,560
think it's great that that these things

158
00:06:53,140 --> 00:06:50,570
are filling up it's it's it's the time

159
00:06:55,810 --> 00:06:53,150
for UFOs again and it was it's fun

160
00:06:57,460 --> 00:06:55,820
because you have like in these crowds of

161
00:06:59,170 --> 00:06:57,470
course you have you know a handful of

162
00:07:01,990 --> 00:06:59,180
people in the audience who will be

163
00:07:04,120 --> 00:07:02,000

familiar with the cases or the people or

164

00:07:06,780 --> 00:07:04,130

the you know topics you're discussing

165

00:07:08,850 --> 00:07:06,790

but the majority of the

166

00:07:11,130 --> 00:07:08,860

this is all new to them or they've just

167

00:07:12,690 --> 00:07:11,140

kind of casually heard about some of

168

00:07:15,480 --> 00:07:12,700

these things so it's all new and

169

00:07:18,150 --> 00:07:15,490

exciting but it's fun in this energetic

170

00:07:20,400 --> 00:07:18,160

sort of atmosphere where you'll mention

171

00:07:22,500 --> 00:07:20,410

something that like one person and the

172

00:07:24,960 --> 00:07:22,510

audience either has heard of or as

173

00:07:29,340 --> 00:07:24,970

familiar with and they'll just let out a

174

00:07:30,810 --> 00:07:29,350

big yeah to acknowledge like hey they're

175

00:07:32,760 --> 00:07:30,820

talking about something I know about it

176

00:07:34,050 --> 00:07:32,770

so I mean right we talked about like

177

00:07:35,730 --> 00:07:34,060

Rendlesham and you know what the very

178

00:07:39,960 --> 00:07:35,740

mention of Rendlesham we had one guy in

179

00:07:43,080 --> 00:07:39,970

the back of whoo some guy in the house

180

00:07:45,840 --> 00:07:43,090

yeah that's always fun I just I just

181

00:07:49,260 --> 00:07:45,850

always fascinating to hear what what

182

00:07:51,690 --> 00:07:49,270

names what topics what cases are going

183

00:07:54,510 --> 00:07:51,700

to elicit that those types of responses

184

00:07:58,740 --> 00:07:54,520

it's fun yeah I was thinking too that

185

00:08:00,450 --> 00:07:58,750

you know I'm kind of worried hardcore

186

00:08:02,550 --> 00:08:00,460

ethology and the fact that it's a lot

187

00:08:04,800 --> 00:08:02,560

older people you know when is this gonna

188

00:08:07,020 --> 00:08:04,810

turn over and interest a lot of younger

189

00:08:10,740 --> 00:08:07,030

ones so maybe this is you know this is a

190

00:08:13,590 --> 00:08:10,750

path you you know you have this energy

191

00:08:17,250 --> 00:08:13,600

and this fun spin on it plus you know

192

00:08:20,010 --> 00:08:17,260

people aren't already jaded and so it

193

00:08:21,840 --> 00:08:20,020

not only fun to be there and do it fun

194

00:08:23,100 --> 00:08:21,850

to speak at that but you know it gives

195

00:08:25,920 --> 00:08:23,110

me a little hope that you know we're

196

00:08:28,140 --> 00:08:25,930

gonna continue this whole ufology thing

197

00:08:30,090 --> 00:08:28,150

and get some young people involved so I

198

00:08:32,550 --> 00:08:30,100

don't think it's a bad thing mixing them

199

00:08:35,040 --> 00:08:32,560

up a little bit with fun with the whole

200

00:08:36,510 --> 00:08:35,050

evening con thing yeah and I think you

201
00:08:41,130 --> 00:08:36,520
make a good point there Shane but I will

202
00:08:45,330 --> 00:08:41,140
in defensive of our old old friends in

203
00:08:46,920 --> 00:08:45,340
the field it was funny at alien Con one

204
00:08:49,230 --> 00:08:46,930
of the most energetic and interested

205
00:08:51,270 --> 00:08:49,240
guys Ryan hat Ryan and I had in one of

206
00:08:53,490 --> 00:08:51,280
our panels was this really old guy who

207
00:08:55,920 --> 00:08:53,500
was like sitting up front and we were

208
00:08:57,600 --> 00:08:55,930
talking about like young people and it's

209
00:08:59,520 --> 00:08:57,610
great to see so many young people in

210
00:09:01,080 --> 00:08:59,530
here and as you know we need to get our

211
00:09:03,090 --> 00:09:01,090
young people involved in the research

212
00:09:05,040 --> 00:09:03,100
and had to make the step back and make

213
00:09:06,870 --> 00:09:05,050

that statement and say you know that's

214

00:09:08,710 --> 00:09:06,880

nothing against the the old people we

215

00:09:12,179 --> 00:09:08,720

love the old people

216

00:09:14,829 --> 00:09:12,189

yeah yeah yeah we're still out there

217

00:09:17,050 --> 00:09:14,839

yeah I just think of it in terms of

218

00:09:19,629 --> 00:09:17,060

passing the torch you know so that that

219

00:09:21,759 --> 00:09:19,639

the word carries on totally man and I

220

00:09:24,280 --> 00:09:21,769

mean even Jason you and I were no spring

221

00:09:27,040 --> 00:09:24,290

chickens anymore either yo so I mean

222

00:09:29,259 --> 00:09:27,050

when you see like teenagers and

223

00:09:31,449 --> 00:09:29,269

twenty-somethings coming to these things

224

00:09:33,939 --> 00:09:31,459

and talking about this stuff there are a

225

00:09:36,069 --> 00:09:33,949

hell of a lot smarter than I get I ever

226

00:09:37,720 --> 00:09:36,079

gave them credit for you know maybe it

227

00:09:39,639 --> 00:09:37,730

is because I'm getting a little older

228

00:09:41,650 --> 00:09:39,649

and I'm like thinking oh they're not

229

00:09:43,660 --> 00:09:41,660

looking into UFOs but then they're you

230

00:09:45,610 --> 00:09:43,670

know they're right there with us you

231

00:09:48,699 --> 00:09:45,620

know they knew who repelled was they

232

00:09:50,889 --> 00:09:48,709

knew what you know the conduct committee

233

00:09:53,769 --> 00:09:50,899

was you know all these all these buzz

234

00:09:55,389 --> 00:09:53,779

words we use in ufology a lot of them

235

00:09:58,480 --> 00:09:55,399

knew what we were talking about I

236

00:10:01,480 --> 00:09:58,490

remember at Pasadena alien con dislike

237

00:10:04,809 --> 00:10:01,490

12 year old kid got up and he knew about

238

00:10:07,990 --> 00:10:04,819

you know like Truman wanting to look

239

00:10:10,269 --> 00:10:08,000

into UFOs which is crazy wow that's

240

00:10:13,179 --> 00:10:10,279

awesome do you know about it we just

241

00:10:15,400 --> 00:10:13,189

were like slack-jawed when this kid got

242

00:10:18,850 --> 00:10:15,410

up to the mic and was like schooling us

243

00:10:21,040 --> 00:10:18,860

on UFOs it was awesome it's really cool

244

00:10:24,340 --> 00:10:21,050

to see and I do think a lot of it has to

245

00:10:27,460 --> 00:10:24,350

do with just the pervasiveness of this

246

00:10:29,590 --> 00:10:27,470

you know in with technology social media

247

00:10:31,329 --> 00:10:29,600

it's all over the place but also you

248

00:10:34,269 --> 00:10:31,339

know regardless of how you feel about

249

00:10:36,670 --> 00:10:34,279

this show itself ancient aliens has had

250

00:10:38,889 --> 00:10:36,680

a tremendous effect on the younger

251
00:10:41,069 --> 00:10:38,899
generation you know I've always assumed

252
00:10:45,549 --> 00:10:41,079
that this is a show that specifically

253
00:10:48,340 --> 00:10:45,559
caters to the older demographic but go

254
00:10:51,970 --> 00:10:48,350
to an alien con just saying go to neon

255
00:10:54,549 --> 00:10:51,980
and you will get an entirely different

256
00:10:56,379 --> 00:10:54,559
picture painted for you about the

257
00:10:58,829 --> 00:10:56,389
demographic of this show this show has

258
00:11:02,230 --> 00:10:58,839
reached so many millions of people and

259
00:11:04,360 --> 00:11:02,240
alien con shows you that it's incredible

260
00:11:07,360 --> 00:11:04,370
that that show has had such an impact on

261
00:11:08,769 --> 00:11:07,370
people's lives and done an incredible

262
00:11:10,600 --> 00:11:08,779
job whether or not the information is

263
00:11:13,809 --> 00:11:10,610

good information or not that's another

264

00:11:16,240 --> 00:11:13,819

discussion but you know it is putting

265

00:11:17,520 --> 00:11:16,250

this information in front of mass amount

266

00:11:19,140 --> 00:11:17,530

people

267

00:11:22,130 --> 00:11:19,150

you know they're just eating it up they

268

00:11:25,050 --> 00:11:22,140

love it and they want more and history's

269

00:11:26,790 --> 00:11:25,060

certainly going along for that ride so

270

00:11:30,120 --> 00:11:26,800

let's get into our discussion about the

271

00:11:32,700 --> 00:11:30,130

new show coming from to the Stars and

272

00:11:35,400 --> 00:11:32,710

history we just heard about this on

273

00:11:37,140 --> 00:11:35,410

Tuesday March 12 history sent out a

274

00:11:40,290 --> 00:11:37,150

press release announcing a new

275

00:11:43,760 --> 00:11:40,300

nonfiction UFO series titled

276

00:11:47,040 --> 00:11:43,770

unidentified inside America's UFO

277

00:11:50,130 --> 00:11:47,050

investigation so this show is going to

278

00:11:51,960 --> 00:11:50,140

be a six-part series and it's a product

279

00:11:55,290 --> 00:11:51,970

of two the stars Academy of Arts and

280

00:11:56,970 --> 00:11:55,300

Science or T TSA for short we talked

281

00:11:59,070 --> 00:11:56,980

about t TSA on this show with some

282

00:12:01,530 --> 00:11:59,080

frequency these days but for those of

283

00:12:03,360 --> 00:12:01,540

you who haven't heard of T TSA this is a

284

00:12:06,270 --> 00:12:03,370

group of former government and military

285

00:12:09,030 --> 00:12:06,280

personnel and scientists on a mission

286

00:12:11,430 --> 00:12:09,040

essentially to explore exotic science

287

00:12:14,430 --> 00:12:11,440

and materials with the ultimate purpose

288

00:12:17,220 --> 00:12:14,440

of changing the world the show will

289

00:12:19,350 --> 00:12:17,230

reportedly feature Tom DeLonge who is

290

00:12:22,800 --> 00:12:19,360

the co-founder and current president of

291

00:12:24,810 --> 00:12:22,810

T TSA Chris Mellon is a former Deputy

292

00:12:28,050 --> 00:12:24,820

Assistant Secretary of Defense and

293

00:12:30,000 --> 00:12:28,060

intelligence and Lewis Elizondo who

294

00:12:32,850 --> 00:12:30,010

we've heard a lot about these days and

295

00:12:34,710 --> 00:12:32,860

he headed the Pentagon's recently

296

00:12:37,440 --> 00:12:34,720

revealed advanced aerospace threat

297

00:12:40,350 --> 00:12:37,450

identification program well here's how

298

00:12:43,320 --> 00:12:40,360

history describes this series DeLonge

299

00:12:45,720 --> 00:12:43,330

Elizondo mellon and a trustworthy

300

00:12:47,730 --> 00:12:45,730

connected team of investigators that

301
00:12:49,620 --> 00:12:47,740
includes retired program director for

302
00:12:51,890 --> 00:12:49,630
advanced systems at lockheed martin

303
00:12:54,240 --> 00:12:51,900
skunk works and the aerospace division

304
00:12:57,210 --> 00:12:54,250
director for the to the stars academy

305
00:12:59,580 --> 00:12:57,220
steve justice renowned CIA researcher

306
00:13:01,110 --> 00:12:59,590
and quantum physicist and vice president

307
00:13:03,720 --> 00:13:01,120
of science and technology at you the

308
00:13:05,850 --> 00:13:03,730
stars academy helped put off and retired

309
00:13:08,640 --> 00:13:05,860
senior intelligence service member of

310
00:13:10,740 --> 00:13:08,650
the Central Intelligence Agency and vice

311
00:13:13,710 --> 00:13:10,750
president of operation at to the stars

312
00:13:16,620 --> 00:13:13,720
jim sim a van will break boundaries and

313
00:13:18,600 --> 00:13:16,630

perceived government taboo by disclosing

314

00:13:21,360 --> 00:13:18,610

information about efforts being made to

315

00:13:24,270 --> 00:13:21,370

change government policy surrounding

316

00:13:27,470 --> 00:13:24,280

these phenomena as well as produced

317

00:13:29,920 --> 00:13:27,480

tangible evidence to build the most

318

00:13:33,630 --> 00:13:29,930

indisputable case for the existence

319

00:13:36,220 --> 00:13:33,640

and threats of UFOs ever assembled

320

00:13:38,530 --> 00:13:36,230

unidentified inside America's UFO

321

00:13:40,930 --> 00:13:38,540

investigation will reveal newly

322

00:13:43,510 --> 00:13:40,940

authenticated evidence and footage

323

00:13:46,150 --> 00:13:43,520

interviews from eyewitnesses and former

324

00:13:49,000 --> 00:13:46,160

military personnel who have never spoken

325

00:13:50,920 --> 00:13:49,010

out before and in extensive

326

00:13:53,230 --> 00:13:50,930

breakthroughs in understanding the

327

00:13:56,410 --> 00:13:53,240

technology behind these unknown

328

00:13:58,870 --> 00:13:56,420

phenomena in our skies so Tom DeLonge in

329

00:14:01,360 --> 00:13:58,880

the press release states with this show

330

00:14:03,970 --> 00:14:01,370

the real conversation can finally begin

331

00:14:05,860 --> 00:14:03,980

I'm thankful to history for giving to

332

00:14:08,170 --> 00:14:05,870

the Stars Academy team of world-class

333

00:14:10,240 --> 00:14:08,180

scientists engineers and intelligence

334

00:14:12,310 --> 00:14:10,250

experts the opportunity to tell the

335

00:14:12,550 --> 00:14:12,320

story in a comprehensive and compelling

336

00:14:15,040 --> 00:14:12,560

way

337

00:14:17,500 --> 00:14:15,050

I think everyone that watches the show

338

00:14:21,480 --> 00:14:17,510

will walk away with questions answered

339

00:14:23,680 --> 00:14:21,490
and a feeling of wow I get it now

340

00:14:25,600 --> 00:14:23,690
unidentified insight America's UFO

341

00:14:28,600 --> 00:14:25,610
investigation will reportedly quote

342

00:14:30,940 --> 00:14:28,610
expose a series of startling encounters

343

00:14:33,430 --> 00:14:30,950
and embark on fascinating new

344

00:14:36,519 --> 00:14:33,440
investigations that will urge the public

345

00:14:40,420 --> 00:14:36,529
to ask questions and look for answers

346

00:14:42,220 --> 00:14:40,430
and quote so really all we know about

347

00:14:44,350 --> 00:14:42,230
when the show is coming is sometime in

348

00:14:46,510 --> 00:14:44,360
May there is no official release date

349

00:14:48,340 --> 00:14:46,520
and you know May is right around the

350

00:14:51,430 --> 00:14:48,350
corner so they'll need to figure that

351

00:14:53,800 --> 00:14:51,440

out soon but I even reached out to the

352

00:14:56,560 --> 00:14:53,810

publicity person who issued the press

353

00:14:59,350 --> 00:14:56,570

release and they don't even know when

354

00:15:01,840 --> 00:14:59,360

the release dates gonna be so we'll just

355

00:15:05,320 --> 00:15:01,850

have to wait and see like everybody else

356

00:15:08,829 --> 00:15:05,330

but you know along with the press

357

00:15:12,519 --> 00:15:08,839

release they put out a very brief

358

00:15:15,579 --> 00:15:12,529

trailer showing a little bit of this

359

00:15:18,760 --> 00:15:15,589

show you get a sense of well not really

360

00:15:20,530 --> 00:15:18,770

much so yeah Brian what what did you

361

00:15:23,310 --> 00:15:20,540

think when you read the press release

362

00:15:28,569 --> 00:15:23,320

and saw the trailer for this new show

363

00:15:31,540 --> 00:15:28,579

honestly man it's it's kind of it's what

364

00:15:34,540 --> 00:15:31,550

T TSA is known for there they teased a

365

00:15:38,199 --> 00:15:34,550

lot and you just have to wait and see

366

00:15:40,000 --> 00:15:38,209

and be patient I mean you know it's cool

367

00:15:40,510 --> 00:15:40,010

to see Elizondo so passionate in the

368

00:15:43,030 --> 00:15:40,520

trailer

369

00:15:44,650 --> 00:15:43,040

I wish they'd showed along

370

00:15:47,230 --> 00:15:44,660

that's what I'm looking forward to if

371

00:15:50,290 --> 00:15:47,240

he's actually in this show I want to see

372

00:15:52,449 --> 00:15:50,300

DeLong's passion and excitement for UFO

373

00:15:55,449 --> 00:15:52,459

so I want to see that like on camera

374

00:15:59,350 --> 00:15:55,459

because he's been he's been I I would

375

00:16:02,110 --> 00:15:59,360

assume put in the background for for

376

00:16:05,559 --> 00:16:02,120

obvious reasons his early interviews

377

00:16:07,840 --> 00:16:05,569

were yeah we won't go there but yeah I'm

378

00:16:10,749 --> 00:16:07,850

looking forward to seeing Tom DeLonge be

379

00:16:13,900 --> 00:16:10,759

a part of this and what he thinks of all

380

00:16:16,509 --> 00:16:13,910

of it and and I'm hoping that we'll

381

00:16:18,910 --> 00:16:16,519

finally get some new videos I mean I'm

382

00:16:21,160 --> 00:16:18,920

sure some of these episodes will involve

383

00:16:23,920 --> 00:16:21,170

the videos we've already seen gimbal

384

00:16:25,900 --> 00:16:23,930

footage and the nimitz encounter but um

385

00:16:29,980 --> 00:16:25,910

hopefully we're gonna get some new stuff

386

00:16:32,350 --> 00:16:29,990

with this series hi-oh I mean judging on

387

00:16:34,749 --> 00:16:32,360

the press release Tom will be in it and

388

00:16:37,930 --> 00:16:34,759

I agree with you I would really like for

389

00:16:43,480 --> 00:16:37,940

people to see that and you know this is

390

00:16:46,259 --> 00:16:43,490

a I guess a good way for Tom and his

391

00:16:57,009 --> 00:16:46,269

passion to be presented to the world

392

00:16:59,800 --> 00:16:57,019

because this is a nice polished so it's

393

00:17:02,590 --> 00:16:59,810

gonna be good and you know I don't fault

394

00:17:04,929 --> 00:17:02,600

Tom he he's incredibly passionate about

395

00:17:07,240 --> 00:17:04,939

this topic and when he talks about it

396

00:17:09,970 --> 00:17:07,250

that comes through he gets really

397

00:17:15,399 --> 00:17:09,980

excited really animated and just kind of

398

00:17:17,770 --> 00:17:15,409

goes off so I think having this be a you

399

00:17:20,829 --> 00:17:17,780

know a produced show sort of being able

400

00:17:23,049 --> 00:17:20,839

to edit that down and in real a man a

401

00:17:26,230 --> 00:17:23,059

little bit he's gonna be beneficial to

402

00:17:28,899 --> 00:17:26,240

really convey that that excitement and

403

00:17:31,149 --> 00:17:28,909

passion appropriately yeah you know it's

404

00:17:33,430 --> 00:17:31,159

also interesting the word trustworthy in

405

00:17:35,320 --> 00:17:33,440

the press release that it's it's

406

00:17:37,480 --> 00:17:35,330

fascinating that they would put that in

407

00:17:39,460 --> 00:17:37,490

there you know I mean I a lot of us

408

00:17:41,830 --> 00:17:39,470

don't quote unquote trust the government

409

00:17:43,690 --> 00:17:41,840

so when we hear about these intelligence

410

00:17:45,600 --> 00:17:43,700

people being involved in the show I

411

00:17:48,549 --> 00:17:45,610

found it really interesting that they

412

00:17:51,280 --> 00:17:48,559

use that word trustworthy in the

413

00:17:54,340 --> 00:17:51,290

official press release little odd it's a

414

00:17:56,920 --> 00:17:54,350

little odd I I noticed that two plus one

415

00:18:00,400 --> 00:17:56,930

of their statements was the

416

00:18:05,140 --> 00:18:00,410

received government taboo on you know

417

00:18:07,720 --> 00:18:05,150

UFOs I mean I think it's more than just

418

00:18:09,460 --> 00:18:07,730

perceived it's a pretty proven fact that

419

00:18:11,170 --> 00:18:09,470

there's a taboo on UFOs and the

420

00:18:13,390 --> 00:18:11,180

government so kind of interesting the

421

00:18:15,490 --> 00:18:13,400

way they worded that and you know maybe

422

00:18:17,800 --> 00:18:15,500

this is part of this show and this angle

423

00:18:20,590 --> 00:18:17,810

is how you know they're gonna they're

424

00:18:23,400 --> 00:18:20,600

making efforts to change government

425

00:18:25,870 --> 00:18:23,410

policy you know and and that's kind of

426

00:18:28,720 --> 00:18:25,880

nothing you've really ever seen in any

427

00:18:31,480 --> 00:18:28,730

UFO show so I mean the nature of this

428

00:18:34,420 --> 00:18:31,490

and what they do what they have to work

429

00:18:36,940 --> 00:18:34,430

with should produce a different kind of

430

00:18:38,830 --> 00:18:36,950

show you know it's not UFO Hunters not

431

00:18:40,720 --> 00:18:38,840

hang or what I mean I'll be really

432

00:18:44,650 --> 00:18:40,730

interested in what the look and feel of

433

00:18:47,650 --> 00:18:44,660

this is yeah and it is I think you're

434

00:18:50,710 --> 00:18:47,660

you're both right it is very curious and

435

00:18:52,510 --> 00:18:50,720

it is I think important to look at the

436

00:18:54,580 --> 00:18:52,520

intentional wording used in the press

437

00:18:56,740 --> 00:18:54,590

release I mean you don't need to go nuts

438

00:19:00,280 --> 00:18:56,750

with it but you should pay attention to

439

00:19:03,010 --> 00:19:00,290

how things are worded it's again first

440

00:19:05,440 --> 00:19:03,020

of all this show for anybody who follows

441

00:19:07,450 --> 00:19:05,450

the developments of to the stars into

442

00:19:08,890 --> 00:19:07,460

the Stars Academy the show shouldn't be

443

00:19:10,840 --> 00:19:08,900

a surprise to anybody we've been

444

00:19:13,090 --> 00:19:10,850

essentially told about this show for

445

00:19:15,130 --> 00:19:13,100

some time now and it seems to

446

00:19:17,080 --> 00:19:15,140

incorporate many of the the elements

447

00:19:19,450 --> 00:19:17,090

that to the Stars Academy has told us

448

00:19:21,010 --> 00:19:19,460

they've been working on so it's got all

449

00:19:24,160 --> 00:19:21,020

these things set up for us that we've

450

00:19:26,380 --> 00:19:24,170

been told about and been waiting for so

451
00:19:28,270 --> 00:19:26,390
it will be great to see it finally come

452
00:19:30,100 --> 00:19:28,280
to fruition something else that

453
00:19:31,750 --> 00:19:30,110
shouldn't be a surprise to anybody who

454
00:19:37,150 --> 00:19:31,760
is familiar with you the Stars Academy

455
00:19:38,110 --> 00:19:37,160
is that it is very pro-government in

456
00:19:40,300 --> 00:19:38,120
pro-military

457
00:19:43,210 --> 00:19:40,310
and that's something that you know Tom

458
00:19:45,010 --> 00:19:43,220
is firmly behind you know being very

459
00:19:47,590 --> 00:19:45,020
supportive of our military and our

460
00:19:49,180 --> 00:19:47,600
government and you know believing that

461
00:19:52,510 --> 00:19:49,190
they're not the bad guys in this whole

462
00:19:54,760 --> 00:19:52,520
UFO thing totally I'm reading secret

463
00:19:58,080 --> 00:19:54,770

machines for the first time right now

464

00:20:00,430 --> 00:19:58,090

and if that's not a you know an obvious

465

00:20:02,230 --> 00:20:00,440

pro-military thing I don't know what is

466

00:20:05,260 --> 00:20:02,240

absolutely yeah and I mean you can see

467

00:20:06,760 --> 00:20:05,270

that and you know conspiracy people can

468

00:20:09,010 --> 00:20:06,770

have a field day with this and people

469

00:20:11,410 --> 00:20:09,020

who you know have just dismissed

470

00:20:12,700 --> 00:20:11,420

to the Stars Academy outright you know

471

00:20:15,310 --> 00:20:12,710

can have a field day with this to see

472

00:20:18,820 --> 00:20:15,320

you know with their theories that

473

00:20:22,030 --> 00:20:18,830

they're just a front for disinformation

474

00:20:25,270 --> 00:20:22,040

you know this whole in bed with the the

475

00:20:29,140 --> 00:20:25,280

government and in the military I mean

476

00:20:31,360 --> 00:20:29,150

just look at the the newest merchandise

477

00:20:33,280 --> 00:20:31,370

released by Tom's band Angels and

478

00:20:37,000 --> 00:20:33,290

Airwaves you know it's it's military

479

00:20:38,560 --> 00:20:37,010

themed right it's literally military no

480

00:20:40,480 --> 00:20:38,570

conspiracy people could have a field day

481

00:20:42,880 --> 00:20:40,490

with this stuff but I don't think people

482

00:20:45,610 --> 00:20:42,890

should read that much into it but it's

483

00:20:48,700 --> 00:20:45,620

interesting that you know there is sort

484

00:20:52,150 --> 00:20:48,710

of everything seemingly thrown into this

485

00:20:57,040 --> 00:20:52,160

show from trying to change government

486

00:21:01,450 --> 00:20:57,050

policy to testing evidence to showing

487

00:21:04,690 --> 00:21:01,460

photos to having new government

488

00:21:08,890 --> 00:21:04,700

testimony you know it's sort of a

489

00:21:10,660 --> 00:21:08,900

hodgepodge of everything from UFOs and

490

00:21:13,090 --> 00:21:10,670

and certainly things that have been done

491

00:21:16,000 --> 00:21:13,100

in the past you know these are all

492

00:21:18,400 --> 00:21:16,010

things and in sort of pieces from this

493

00:21:20,980 --> 00:21:18,410

project and pieces from that project all

494

00:21:24,340 --> 00:21:20,990

kind of coming together in this one

495

00:21:27,850 --> 00:21:24,350

project that is I will remind you only

496

00:21:30,490 --> 00:21:27,860

six episodes so yeah interesting to see

497

00:21:33,550 --> 00:21:30,500

how all of this gets slammed into six

498

00:21:35,380 --> 00:21:33,560

episodes well you know reminds me of oh

499

00:21:37,270 --> 00:21:35,390

I'm sorry sure no go ahead go ahead I

500

00:21:38,560 --> 00:21:37,280

was gonna say it reminds me of Project

501
00:21:40,060 --> 00:21:38,570
Blue Book like they don't know if

502
00:21:42,400 --> 00:21:40,070
they're gonna get another shot and oh

503
00:21:45,790 --> 00:21:42,410
that's a good point oh so maybe history

504
00:21:48,790 --> 00:21:45,800
later or what not so you know throw the

505
00:21:50,530 --> 00:21:48,800
baby in with the bathwater now but yeah

506
00:21:52,930 --> 00:21:50,540
it'll be interesting to see how they can

507
00:21:55,000 --> 00:21:52,940
condense all this stuff that they've

508
00:21:59,020 --> 00:21:55,010
done and plan to do in six episodes

509
00:22:01,930 --> 00:21:59,030
that's crazy to me one of the things I

510
00:22:04,380 --> 00:22:01,940
noticed too was they comment on in the

511
00:22:08,650 --> 00:22:04,390
press release that they were going to

512
00:22:11,410 --> 00:22:08,660
try and help understand the extensive

513
00:22:13,810 --> 00:22:11,420

breakthroughs in the technology of UFOs

514

00:22:16,210 --> 00:22:13,820

and that that kind of reminds me of you

515

00:22:18,160 --> 00:22:16,220

know the tts a state of purpose in the

516

00:22:20,530 --> 00:22:18,170

beginning that you know how they wanted

517

00:22:22,510 --> 00:22:20,540

to you know try and figure out that

518

00:22:23,890 --> 00:22:22,520

technology and apply it in some way

519

00:22:26,380 --> 00:22:23,900

like they were gonna build that craft

520

00:22:28,210 --> 00:22:26,390

for example so that's kind of

521

00:22:30,640 --> 00:22:28,220

interesting and different that no one

522

00:22:32,860 --> 00:22:30,650

else is really done you know next you

523

00:22:35,320 --> 00:22:32,870

know an extensive attempt to understand

524

00:22:37,090 --> 00:22:35,330

the technology you know apart from you

525

00:22:39,550 --> 00:22:37,100

know who is it and why are they here but

526

00:22:42,490 --> 00:22:39,560

hey let's well let us get the thing that

527

00:22:45,010 --> 00:22:42,500

we do have in our hot little hands you

528

00:22:46,930 --> 00:22:45,020

know the evidence video whatever it may

529

00:22:49,540 --> 00:22:46,940

be and you know trying to figure out how

530

00:22:51,250 --> 00:22:49,550

these things work so you know I'm in the

531

00:22:53,500 --> 00:22:51,260

engineering field and I kind of love

532

00:22:56,110 --> 00:22:53,510

that you know just I'm always so curious

533

00:22:58,120 --> 00:22:56,120

how do things work you know and you know

534

00:23:00,070 --> 00:22:58,130

can we figure this out and replicate or

535

00:23:01,720 --> 00:23:00,080

whatever so I'm kind of looking forward

536

00:23:04,360 --> 00:23:01,730

to that edge or spinning it if they do

537

00:23:06,910 --> 00:23:04,370

include it right and a lot of people

538

00:23:08,590 --> 00:23:06,920

think that that's what a tip was created

539

00:23:11,620 --> 00:23:08,600

for in the first place you know it

540

00:23:14,440 --> 00:23:11,630

wasn't to look at aliens or or even UFOs

541

00:23:18,220 --> 00:23:14,450

it was to you know take the evidence we

542

00:23:20,710 --> 00:23:18,230

have of aerial threats and try to

543

00:23:24,190 --> 00:23:20,720

replicate the technology we're seeing so

544

00:23:25,990 --> 00:23:24,200

this is literally like a tip on TV it no

545

00:23:28,420 --> 00:23:26,000

it is that's exactly what I thought too

546

00:23:30,430 --> 00:23:28,430

this all the thing I think dad like

547

00:23:32,980 --> 00:23:30,440

eight stated purposes throughout that

548

00:23:35,710 --> 00:23:32,990

thing I counted and you can almost just

549

00:23:38,170 --> 00:23:35,720

tick the boxes off as though that's a

550

00:23:40,510 --> 00:23:38,180

tip you know it's cool so yeah that is

551
00:23:42,370 --> 00:23:40,520
cool yeah it'll be fun to see what comes

552
00:23:44,470 --> 00:23:42,380
of all of this I think no matter what

553
00:23:46,420 --> 00:23:44,480
this show looks like it's gonna have

554
00:23:49,240 --> 00:23:46,430
good information and you know we'll

555
00:23:51,430 --> 00:23:49,250
finally see the eye I think very hard

556
00:23:55,780 --> 00:23:51,440
and worthwhile work that to the Stars

557
00:23:59,020 --> 00:23:55,790
Academy is doing I will say that the

558
00:24:02,800 --> 00:23:59,030
most peculiar thing I noticed in the

559
00:24:07,770 --> 00:24:02,810
press release was the name of the show

560
00:24:10,900 --> 00:24:07,780
and this is the only show I've ever seen

561
00:24:12,940 --> 00:24:10,910
displayed or written out where they have

562
00:24:17,340 --> 00:24:12,950
the title of the show listed as

563
00:24:21,100 --> 00:24:17,350

trademark Oh was tied with unidentified

564

00:24:23,970 --> 00:24:21,110

inside America's UFO investigation TM TM

565

00:24:27,220 --> 00:24:23,980

[Laughter]

566

00:24:29,680 --> 00:24:27,230

is just not done it's not you know how

567

00:24:32,230 --> 00:24:29,690

ants are done with names of shows and

568

00:24:33,700 --> 00:24:32,240

press releases never do that so seeing

569

00:24:35,190 --> 00:24:33,710

that like just reading the press release

570

00:24:38,759 --> 00:24:35,200

it was very jarring I wasn't

571

00:24:40,919 --> 00:24:38,769

what's going on here it's weird yeah hmm

572

00:24:43,490 --> 00:24:40,929

I didn't know you could like do that I

573

00:24:45,930 --> 00:24:43,500

mean I know you can you can trademark

574

00:24:49,139 --> 00:24:45,940

anything if you really want to but the

575

00:24:50,669 --> 00:24:49,149

title of a TV show it's interesting and

576

00:24:53,870 --> 00:24:50,679

I mean it sort of goes without saying

577

00:24:56,820 --> 00:24:53,880

and certainly the copyright too but yeah

578

00:24:59,820 --> 00:24:56,830

visually display the TM right there

579

00:25:02,549 --> 00:24:59,830

after every mention of the title was

580

00:25:07,049 --> 00:25:02,559

kind of strange laughs yeah I don't like

581

00:25:08,399 --> 00:25:07,059

that they gotta get rid of that sure

582

00:25:10,470 --> 00:25:08,409

that like on the screen like in the

583

00:25:16,259 --> 00:25:10,480

title card to you and everything to you

584

00:25:18,090 --> 00:25:16,269

I own this well I what of these a

585

00:25:20,190 --> 00:25:18,100

hundred different elements of this show

586

00:25:22,980 --> 00:25:20,200

are you guys looking forward to the most

587

00:25:25,350 --> 00:25:22,990

for me it's definitely uh the atom

588

00:25:28,169 --> 00:25:25,360

project that thing has been stagnant for

589

00:25:29,789 --> 00:25:28,179

a while now and we haven't really heard

590

00:25:31,710 --> 00:25:29,799

a lot about what's going on with that

591

00:25:33,779 --> 00:25:31,720

these materials that they're testing and

592

00:25:38,490 --> 00:25:33,789

you know having just done that myself

593

00:25:40,230 --> 00:25:38,500

and being so dumb about it like I I know

594

00:25:42,210 --> 00:25:40,240

nothing about how to properly test

595

00:25:44,009 --> 00:25:42,220

things I assume that the people I was

596

00:25:46,230 --> 00:25:44,019

working with were doing it right so I

597

00:25:47,669 --> 00:25:46,240

want to see how they do it I want to see

598

00:25:50,730 --> 00:25:47,679

what they come up with and they have

599

00:25:54,870 --> 00:25:50,740

said that they've found some extremely

600

00:25:57,149 --> 00:25:54,880

like revolutionary stuff so yeah we'll

601
00:26:00,419 --> 00:25:57,159
see what happens let me just throw out a

602
00:26:04,320 --> 00:26:00,429
wild question here just for the sake of

603
00:26:06,180 --> 00:26:04,330
conversation you both mentioned that you

604
00:26:09,720 --> 00:26:06,190
know reading this it sounds like

605
00:26:11,460 --> 00:26:09,730
essentially a chap on TV what are your

606
00:26:15,649 --> 00:26:11,470
thoughts about the possibility that this

607
00:26:21,330 --> 00:26:18,360
that's a good question yeah good Jay I

608
00:26:24,930 --> 00:26:21,340
mean TTS a in itself I mean is a

609
00:26:29,879 --> 00:26:24,940
composite of you know entertainment

610
00:26:32,129 --> 00:26:29,889
science and intelligence and so it would

611
00:26:35,700 --> 00:26:32,139
not be unreasonable to assume that this

612
00:26:38,220 --> 00:26:35,710
is really part of that model and and in

613
00:26:42,000 --> 00:26:38,230

fact I've I kind of look forward to it

614

00:26:45,960 --> 00:26:42,010

if in fact this TV show ends up being

615

00:26:48,040 --> 00:26:45,970

sort of a you know the process by which

616

00:26:50,350 --> 00:26:48,050

a tip works

617

00:26:53,500 --> 00:26:50,360

you know how you you start with evidence

618

00:26:55,780 --> 00:26:53,510

how they analyze that evidence and then

619

00:26:57,580 --> 00:26:55,790

you know ultimately the the conclusions

620

00:27:00,310 --> 00:26:57,590

that they make you know almost like them

621

00:27:03,100 --> 00:27:00,320

you know almost like an investigation

622

00:27:04,600 --> 00:27:03,110

you know a twosie I mean I don't know if

623

00:27:06,250 --> 00:27:04,610

it's going to end up being that but I

624

00:27:09,549 --> 00:27:06,260

would be interested to see that you know

625

00:27:12,040 --> 00:27:09,559

how does it's like a sneak peek into how

626

00:27:14,560 --> 00:27:12,050

does a government UFO program really

627

00:27:17,380 --> 00:27:14,570

work right we just we are all familiar

628

00:27:20,230 --> 00:27:17,390

with Blue Book but but you know we know

629

00:27:22,810 --> 00:27:20,240

that was largely a you know public

630

00:27:25,060 --> 00:27:22,820

relations effort more than a scientific

631

00:27:27,280 --> 00:27:25,070

study so if it ends up being that that'd

632

00:27:29,980 --> 00:27:27,290

be fine by me I'd be quite interested to

633

00:27:33,400 --> 00:27:29,990

see how it works yeah Jason do you mean

634

00:27:35,650 --> 00:27:33,410

like I mean like it is a chip like

635

00:27:40,930 --> 00:27:35,660

officially it is a part of the

636

00:27:43,080 --> 00:27:40,940

government's project because has been

637

00:27:45,360 --> 00:27:43,090

telling us is that you know officially

638

00:27:49,600 --> 00:27:45,370

2012 it ended but nudge-nudge wink-wink

639

00:27:52,000 --> 00:27:49,610

it still continues yeah that's a really

640

00:27:54,940 --> 00:27:52,010

good point this could be it and you know

641

00:27:57,340 --> 00:27:54,950

in the public you know being the ones

642

00:28:00,850 --> 00:27:57,350

who invested in this company we now are

643

00:28:03,010 --> 00:28:00,860

in on the project which is really cool

644

00:28:05,110 --> 00:28:03,020

if that's the case I think you know

645

00:28:06,790 --> 00:28:05,120

finally we're part of it you know a

646

00:28:09,610 --> 00:28:06,800

secret when I was in the Pentagon now

647

00:28:11,919 --> 00:28:09,620

it's open to the public but elizondo's

648

00:28:14,890 --> 00:28:11,929

gonna take like you said take those

649

00:28:17,590 --> 00:28:14,900

components of a tip and now do it for

650

00:28:20,799 --> 00:28:17,600

all of us you know through entertainment

651
00:28:21,580 --> 00:28:20,809
and mainstream media so yeah I'm all for

652
00:28:23,740 --> 00:28:21,590
it let's do it

653
00:28:25,660 --> 00:28:23,750
yeah maybe that's what one was talking

654
00:28:29,320 --> 00:28:25,670
about we're like oh well now I get it

655
00:28:31,540 --> 00:28:29,330
yeah yeah yeah no it certainly could be

656
00:28:33,910 --> 00:28:31,550
it's interesting and and you know all

657
00:28:35,560 --> 00:28:33,920
this is fun and exciting just to kind of

658
00:28:38,530 --> 00:28:35,570
sit back and observe and see how it all

659
00:28:41,740 --> 00:28:38,540
unfolds and it's certainly giving us

660
00:28:45,310 --> 00:28:41,750
given us plenty to talk talk about as we

661
00:28:47,290 --> 00:28:45,320
watch all of this and I just think I do

662
00:28:50,200 --> 00:28:47,300
believe that a lot of these efforts are

663
00:28:53,380 --> 00:28:50,210

helping to move things forward certainly

664

00:28:57,190 --> 00:28:53,390

you know every little bit helps and not

665

00:28:59,409 --> 00:28:57,200

everybody has to support 100% anything

666

00:29:01,140 --> 00:28:59,419

that any of us do right but I do hope

667

00:29:02,549 --> 00:29:01,150

people give it a fair shake

668

00:29:05,640 --> 00:29:02,559

and watch the show when it comes out and

669

00:29:08,340 --> 00:29:05,650

then they can support or badmouth all

670

00:29:10,890 --> 00:29:08,350

they want after seeing what actually is

671

00:29:12,780 --> 00:29:10,900

produced but I think it will be cool to

672

00:29:13,890 --> 00:29:12,790

see some stuff actually produced and

673

00:29:16,350 --> 00:29:13,900

like you said about the atom project

674

00:29:18,360 --> 00:29:16,360

Ryan I think I think we talked about

675

00:29:20,370 --> 00:29:18,370

that when it was announced initially and

676

00:29:22,830 --> 00:29:20,380

in to us it sounded like that was

677

00:29:25,980 --> 00:29:22,840

essentially created for the purpose of

678

00:29:28,920 --> 00:29:25,990

being a TV show so yeah seems like that

679

00:29:30,720 --> 00:29:28,930

may be actually the case I hope so man I

680

00:29:32,340 --> 00:29:30,730

hope so I can't wait and you know all

681

00:29:34,500 --> 00:29:32,350

the naysayers are to the Stars and

682

00:29:36,060 --> 00:29:34,510

everything you know they're still gonna

683

00:29:38,310 --> 00:29:36,070

watch it it's the same with Blue Book

684

00:29:40,410 --> 00:29:38,320

all these people who pood Blue Book they

685

00:29:45,600 --> 00:29:40,420

were watching this yeah you can't unless

686

00:29:47,850 --> 00:29:45,610

you watch it yeah yeah break it down and

687

00:29:51,299 --> 00:29:47,860

destroy it like you are still watching

688

00:29:53,669 --> 00:29:51,309

it so I'm super stoked that can't wait

689

00:29:54,900 --> 00:29:53,679

for me I know I'm super excited to you

690

00:29:57,450 --> 00:29:54,910

and what helpfully more information

691

00:29:59,340 --> 00:29:57,460

comes out about it soon so we know

692

00:30:08,060 --> 00:29:59,350

exactly when may but all we can say

693

00:30:11,419 --> 00:30:10,099
