I'm Jason McClellan thanks for hanging

00:00:36,880 --> 00:00:34,280  
out with me on the previous episode of

6  
00:00:39,520 --> 00:00:36,890  
unknown I give an extremely basic

7  
00:00:42,150 --> 00:00:39,530  
introduction to the controversial and

8  
00:00:45,430 --> 00:00:42,160  
polarizing figure known as billy meier

9  
00:00:48,400 --> 00:00:45,440  
today we'll go into some of the evidence

10  
00:00:51,490 --> 00:00:48,410  
offered by Meyer to back up his

11  
00:00:54,660 --> 00:00:51,500  
incredible claims but first let's get

12  
00:00:58,479 --> 00:00:56,830

published recently we hope to see you

36

00:02:00,540 --> 00:01:53,730

let's resume our look at the billy meier

37

00:02:02,870 --> 00:02:00,550

case from his numerous alleged contacts

38

00:02:05,330 --> 00:02:02,880

meyer claims to have taken more than

39

00:02:07,830 --> 00:02:05,340

1,000 UFO photos

40

00:02:10,560 --> 00:02:07,840

Lieutenant Colonel Wendell Stevens who

41

00:02:12,900 --> 00:02:10,570

at one point claimed to own the largest

42

00:02:15,540 --> 00:02:12,910

private UFO photo collection in the

43

00:02:18,780 --> 00:02:15,550

world stated that Meyers photos were a

44

00:02:23,640 --> 00:02:18,790

quote the most spectacular photographs

45

00:02:26,340 --> 00:02:23,650

in quote he had ever seen as I mentioned

46

00:02:28,380 --> 00:02:26,350

on the previous episode open minds the

47

00:02:30,180 --> 00:02:28,390

UFO media company I helped start and

48

00:02:32,910 --> 00:02:30,190

where I researched UFOs for more than

49

00:02:35,130 --> 00:02:32,920

six years acquired Wendell's archive I

50

00:02:37,020 --> 00:02:35,140

got to spend quite a bit of time with

51  
00:02:40,410 --> 00:02:37,030  
him during his final years on earth and

52  
00:02:43,350 --> 00:02:40,420  
of course I spent a lot of time with his

53  
00:02:45,690 --> 00:02:43,360  
photo collection to the mire photos

54  
00:02:49,530 --> 00:02:45,700  
remain some of the clearest UFO photos

55  
00:02:53,490 --> 00:02:49,540  
to date but the authenticity of these

56  
00:02:55,620 --> 00:02:53,500  
photos is heavily debated Stephens and

57  
00:02:57,840 --> 00:02:55,630  
the early Meier researchers claimed to

58  
00:03:00,090 --> 00:02:57,850  
have had select photos examined by

59  
00:03:03,840 --> 00:03:00,100  
multiple laboratories proving their

60  
00:03:06,420 --> 00:03:03,850  
legitimacy in UFO contact from the

61  
00:03:09,060 --> 00:03:06,430  
Pleiades Stephon states that the tested

62  
00:03:11,330 --> 00:03:09,070  
photos quote have withstood all efforts

63  
00:03:15,750 --> 00:03:11,340

to positively dispute them in quote

64

00:03:18,000 --> 00:03:15,760

however Kalki horf identified many

65

00:03:20,520 --> 00:03:18,010

questionable characteristics in the

66

00:03:22,620 --> 00:03:20,530

photos and even challenged the purported

67

00:03:24,780 --> 00:03:22,630

testing in his booklet the Meier

68

00:03:27,420 --> 00:03:24,790

incident the most infamous hoax in

69

00:03:29,880 --> 00:03:27,430

ufology he points out that the tested

70

00:03:32,910 --> 00:03:29,890

photos were low-quality copies and not

71

00:03:34,860 --> 00:03:32,920

originals course states that according

72

00:03:36,810 --> 00:03:34,870

to Stephens the best copies that could

73

00:03:38,820 --> 00:03:36,820

be obtained quote for the purpose of

74

00:03:41,580 --> 00:03:38,830

photographic analysis and computer

75

00:03:43,320 --> 00:03:41,590

testing where Internet is which yielded

76

00:03:45,600 --> 00:03:43,330

anywhere from second through sixth

77

00:03:48,710 --> 00:03:45,610

generation copy prints in quote and

78

00:03:50,880 --> 00:03:48,720

several sources have commented on the

79

00:03:53,430 --> 00:03:50,890

generational issue with many of these

80

00:03:55,350 --> 00:03:53,440

photos as far as testing is concerned

81

00:03:56,850 --> 00:03:55,360

Korff contacted one of the labs where

82

00:03:59,930 --> 00:03:56,860

the Meier photos were supposedly

83

00:04:03,090 --> 00:03:59,940

analyzed which resulted in quote

84

00:04:06,330 --> 00:04:03,100

categorical denial that an analysis was

85

00:04:08,990 --> 00:04:06,340

ever done in quote but according to Jim

86

00:04:12,120 --> 00:04:09,000

dalla Toso who along with Stephens

87

00:04:15,720 --> 00:04:12,130

facilitated the testing there is reason

88

00:04:18,210 --> 00:04:15,730

for that denial quote we found many

89

00:04:20,699 --> 00:04:18,220

professionals who under security in

90

00:04:22,080 --> 00:04:20,709

non-disclosure agreements tested these

91

00:04:24,870 --> 00:04:22,090

UFO pictures

92

00:04:29,430 --> 00:04:24,880

this included Jet Propulsion Laboratory

93

00:04:32,190 --> 00:04:29,440

EG&G and u.s. NRL the secrecy was

94

00:04:34,500 --> 00:04:32,200

critical these labs were not generally

95

00:04:37,470 --> 00:04:34,510

authorized to perform personal projects

96

00:04:39,900 --> 00:04:37,480

like testing UFO pictures so when other

97

00:04:42,420 --> 00:04:39,910

UFO researchers hell-bent on getting

98

00:04:45,180 --> 00:04:42,430

into the case meet inquiries into some

99

00:04:48,060 --> 00:04:45,190

of the places we had been they would as

100

00:04:50,280 --> 00:04:48,070

agreed deny any involvement on their

101  
00:04:54,360 --> 00:04:50,290  
part in testing the billy meier UFO

102  
00:04:57,210 --> 00:04:54,370  
photographs in quote photo analysis

103  
00:04:59,760 --> 00:04:57,220  
aside Korff and other skeptics have

104  
00:05:04,080 --> 00:04:59,770  
suggested that the UFOs in the mire

105  
00:05:05,760 --> 00:05:04,090  
photos are simply models it wasn't

106  
00:05:08,580 --> 00:05:05,770  
extraordinary in the pre Photoshop days

107  
00:05:11,790 --> 00:05:08,590  
of the 1970s for someone to hoax a UFO

108  
00:05:14,820 --> 00:05:11,800  
photo by photographing models frisbees

109  
00:05:17,040 --> 00:05:14,830  
hubcaps and other physical objects and

110  
00:05:19,170 --> 00:05:17,050  
while some Meyer supporters are quick to

111  
00:05:21,530 --> 00:05:19,180  
contend that it would be impossible for

112  
00:05:23,970 --> 00:05:21,540  
a one-armed man to stage UFO photos

113  
00:05:27,420 --> 00:05:23,980

Meier is remarkably capable of

114

00:05:30,360 --> 00:05:27,430

performing most tasks and he even admits

115

00:05:32,400 --> 00:05:30,370

to taking pictures of UFO models burn

116

00:05:34,890 --> 00:05:32,410

photos of these models were allegedly

117

00:05:36,930 --> 00:05:34,900

found in Meyers trashcan by Martin

118

00:05:39,120 --> 00:05:36,940

sword's who at one time was Meyers

119

00:05:41,580 --> 00:05:39,130

friend as with many details of the Maier

120

00:05:44,130 --> 00:05:41,590

story there are divergent accounts of

121

00:05:46,260 --> 00:05:44,140

this incident while some accounts claim

122

00:05:48,420 --> 00:05:46,270

that Meyers children created models of

123

00:05:50,670 --> 00:05:48,430

the UFOs other accounts credit Maier

124

00:05:53,640 --> 00:05:50,680

with creating the models in UFO contact

125

00:05:55,860 --> 00:05:53,650

from the Pleiades Stevens explains quote

126

00:05:58,530 --> 00:05:55,870

when I asked about the models of the

127

00:06:00,810 --> 00:05:58,540

spaceships he readily admitted trying to

128

00:06:03,480 --> 00:06:00,820

model them even though they did not come

129

00:06:06,659 --> 00:06:03,490

out well he even tried photographing the

130

00:06:07,410 --> 00:06:06,669

models and the result was so bad that he

131

00:06:10,740 --> 00:06:07,420

threw the picture

132

00:06:13,260 --> 00:06:10,750

away in quote but a different account is

133

00:06:17,510 --> 00:06:13,270

presented by Guido a moose burger in and

134

00:06:19,980 --> 00:06:17,520

yet they fly quote one day in 1975

135

00:06:22,470 --> 00:06:19,990

Sanyasi long billy a model of her

136

00:06:24,840 --> 00:06:22,480

beamship for a period to take a few

137

00:06:27,690 --> 00:06:24,850

pictures of it and then be returned on

138

00:06:29,460 --> 00:06:27,700

the basis of these snapshots billy

139

00:06:32,040 --> 00:06:29,470

planned to construct his own model

140

00:06:35,190 --> 00:06:32,050

spacecraft but this plan never came to

141

00:06:37,050 --> 00:06:35,200

fruition a serious mishap occurred to

142

00:06:39,600 --> 00:06:37,060

the negatives of these model photographs

143

00:06:42,330 --> 00:06:39,610

they slipped off the office tabletop

144

00:06:44,910 --> 00:06:42,340

into a waste paper basket and were not

145

00:06:47,210 --> 00:06:44,920

found until after the entire contents

146

00:06:50,130 --> 00:06:47,220

had landed in a fireplace

147

00:06:52,350 --> 00:06:50,140

Calliope Billy's wife discovered the

148

00:06:54,510 --> 00:06:52,360

more or less burned negatives in the

149

00:06:56,220 --> 00:06:54,520

ashes and handed them over to one of the

150

00:06:59,820 --> 00:06:56,230

group's members to be restored if

151

00:07:03,000 --> 00:06:59,830

possible in quote it is interesting to

152

00:07:05,460 --> 00:07:03,010

note that Billy and his wife Calliope

153

00:07:07,950 --> 00:07:05,470

divorced and she's since stated in

154

00:07:10,880 --> 00:07:07,960

interviews with Luke Burgin and others

155

00:07:13,350 --> 00:07:10,890

that Maier hoaxed his UFO photos and

156

00:07:16,320 --> 00:07:13,360

fabricated the tales of extraterrestrial

157

00:07:18,480 --> 00:07:16,330

encounters however this contradicts her

158

00:07:21,510 --> 00:07:18,490

previous statements that Myers contacts

159

00:07:23,730 --> 00:07:21,520

were real and that she herself witnessed

160

00:07:25,680 --> 00:07:23,740

events with Billy but people who get

161

00:07:27,840 --> 00:07:25,690

divorced do tend to say nasty things

162

00:07:30,840 --> 00:07:27,850

about each other so take it for what you

163

00:07:33,390 --> 00:07:30,850

will select mire photos have received

164

00:07:35,100 --> 00:07:33,400

far more skepticism than others among

165

00:07:36,660 --> 00:07:35,110

those are photos that Maier allegedly

166

00:07:39,960 --> 00:07:36,670

took during his travels through space

167

00:07:42,330 --> 00:07:39,970

and time with the extraterrestrials some

168

00:07:44,160 --> 00:07:42,340

of these photos showed dinosaurs that

169

00:07:47,190 --> 00:07:44,170

Maier allegedly took on the planet

170

00:07:50,190 --> 00:07:47,200

Niebuhr but some researchers like the

171

00:07:52,680 --> 00:07:50,200

independent investigations group contend

172

00:07:55,080 --> 00:07:52,690

that the dinosaurs in these photos are

173

00:07:59,400 --> 00:07:55,090

simply illustrations from a book that

174

00:08:02,970 --> 00:07:59,410

was published in 1972 titled life before

175

00:08:07,110 --> 00:08:02,980

man the illustrated dinosaurs in this

176

00:08:11,400 --> 00:08:07,120

book do appear to be identical to the

177

00:08:13,560 --> 00:08:11,410

dinosaurs in the Meier photos another

178

00:08:16,080 --> 00:08:13,570

highly criticized set of photos purports

179

00:08:19,370 --> 00:08:16,090

to show Meyers extraterrestrial friends

180

00:08:21,230 --> 00:08:19,380

ask it and Neera aboard a beam ship

181

00:08:23,870 --> 00:08:21,240

the women in these photos have been

182

00:08:26,750 --> 00:08:23,880

identified as Michelle de la Fey and

183

00:08:27,470 --> 00:08:26,760

Susan lund who were members of the

184

00:08:29,750 --> 00:08:27,480

gold-diggers

185

00:08:32,650 --> 00:08:29,760

a singing and dancing troupe that

186

00:08:34,940 --> 00:08:32,660

appeared on the Dean Martin variety show

187

00:08:38,800 --> 00:08:34,950

according to a letter posted to the Fiji

188

00:08:41,690 --> 00:08:38,810

website by Meyer in May of 1998 the

189

00:08:44,390 --> 00:08:41,700

extraterrestrial PETA informed Meyer

190

00:08:48,310 --> 00:08:44,400

that the photographs of asket and Neera

191

00:08:51,650 --> 00:08:48,320

were actually of their American doubles

192

00:08:55,160 --> 00:08:51,660

where went on to explain that the men in

193

00:08:57,650 --> 00:08:55,170

black had intercepted his film found

194

00:09:00,320 --> 00:08:57,660

look-alikes for asked at an era took

195

00:09:02,300 --> 00:09:00,330

pictures of them and substituted these

196

00:09:05,750 --> 00:09:02,310

false images for the originals of a

197

00:09:09,920 --> 00:09:05,760

Scott naira and he claims the men in

198

00:09:15,050 --> 00:09:09,930

black performed this same trickery with

199

00:09:18,680 --> 00:09:15,060

most of his early photos yes you heard

200

00:09:21,950 --> 00:09:18,690

that correctly he says that he was told

201  
00:09:24,490 --> 00:09:21,960  
by his extraterrestrial friends that the

202  
00:09:27,920 --> 00:09:24,500  
photos he'd been spreading around

203  
00:09:30,320 --> 00:09:27,930  
weren't genuine the men in black had

204  
00:09:33,110 --> 00:09:30,330  
intercepted his film and secretly

205  
00:09:35,420 --> 00:09:33,120  
replaced it with recreated fake photos

206  
00:09:37,940 --> 00:09:35,430  
you know it sure would have been nice

207  
00:09:41,480 --> 00:09:37,950  
for his extraterrestrial pals to give

208  
00:09:43,750 --> 00:09:41,490  
him at least a heads-up before he went

209  
00:09:47,240 --> 00:09:43,760  
around promoting fake photos right I

210  
00:09:48,110 --> 00:09:47,250  
mean some would say and I think

211  
00:09:52,430 --> 00:09:48,120  
rightfully so

212  
00:09:54,800 --> 00:09:52,440  
that this story is obviously a silly

213  
00:09:56,510 --> 00:09:54,810

excuse an attempt to come up with an

214

00:10:00,800 --> 00:09:56,520

explanation after photos had been

215

00:10:03,650 --> 00:10:00,810

demonstrated to be hoaxes right but who

216

00:10:05,690 --> 00:10:03,660

knows what Meyers lesser-known photos

217

00:10:08,560 --> 00:10:05,700

shows Meyers standing in the middle of

218

00:10:11,150 --> 00:10:08,570

what appears to be a ring of fiery light

219

00:10:14,270 --> 00:10:11,160

this picture appears in moose burgers

220

00:10:18,620 --> 00:10:14,280

book and yet they fly and is explained

221

00:10:21,440 --> 00:10:18,630

to be a quote energy belt of burning

222

00:10:24,860 --> 00:10:21,450

static electricity emanating from cats

223

00:10:27,860 --> 00:10:24,870

all ship above mire which does not

224

00:10:30,199 --> 00:10:27,870

appear in the photo Meyers arm is

225

00:10:33,139 --> 00:10:30,209

extended over his head in the photo Oh

226  
00:10:36,439 --> 00:10:33,149  
holding a microphone to record the sound

227  
00:10:38,780 --> 00:10:36,449  
of Quetzal ship multiple researchers

228  
00:10:41,410 --> 00:10:38,790  
have pointed out that the ring of fire

229  
00:10:44,329 --> 00:10:41,420  
in this photo looks suspiciously

230  
00:10:46,999 --> 00:10:44,339  
identical to steel wall being swung

231  
00:10:49,129 --> 00:10:47,009  
overhead by someone aside from his

232  
00:10:51,619 --> 00:10:49,139  
photographs Maier furnishes other

233  
00:10:54,079 --> 00:10:51,629  
evidence to corroborate his claims of

234  
00:10:57,290 --> 00:10:54,089  
extraterrestrial contact including metal

235  
00:11:00,829 --> 00:10:57,300  
samples and even an extraterrestrial

236  
00:11:03,139 --> 00:11:00,839  
weapon Maier gave these metal samples to

237  
00:11:05,199 --> 00:11:03,149  
Stephens and Stephens had these samples

238  
00:11:07,759 --> 00:11:05,209

tested by various labs

239

00:11:10,369 --> 00:11:07,769

according to Stephens test showed that

240

00:11:13,639 --> 00:11:10,379

the elements in the samples were quote

241

00:11:16,009 --> 00:11:13,649

put together in a very unusual way from

242

00:11:18,499 --> 00:11:16,019

normal earth technology in quote and

243

00:11:21,439 --> 00:11:18,509

that most of the elements studied showed

244

00:11:24,499 --> 00:11:21,449

quote unearthly characteristics in quote

245

00:11:26,629 --> 00:11:24,509

dr. Marcel Vogel a chemist performed

246

00:11:29,329 --> 00:11:26,639

several tests on the metals but

247

00:11:31,699 --> 00:11:29,339

according to calc or dr. Vogel says the

248

00:11:32,569 --> 00:11:31,709

claims made in Stephens book contradict

249

00:11:35,030 --> 00:11:32,579

his opinions

250

00:11:37,280 --> 00:11:35,040

according to moose burger analysis was

251  
00:11:39,289 --> 00:11:37,290  
also conducted by a metallurgist from

252  
00:11:41,600 --> 00:11:39,299  
the University of Arizona who quote

253  
00:11:44,329 --> 00:11:41,610  
examined one of the metal fragments and

254  
00:11:47,299 --> 00:11:44,339  
analyzed it as a simple cooking pot

255  
00:11:49,400 --> 00:11:47,309  
metal or cheap cast metal alloy used to

256  
00:11:51,559 --> 00:11:49,410  
produce such things as tin soldiers in

257  
00:11:53,509 --> 00:11:51,569  
quote Maier claims that the

258  
00:11:57,319 --> 00:11:53,519  
extraterrestrial woman Elena

259  
00:12:01,549 --> 00:11:57,329  
left a ray gun with him but cautioned

260  
00:12:03,799 --> 00:12:01,559  
him not to fire it well come on you

261  
00:12:05,840 --> 00:12:03,809  
can't tease someone like that so of

262  
00:12:08,109 --> 00:12:05,850  
course he was unable to resist the

263  
00:12:10,519 --> 00:12:08,119

temptation he fired this

264

00:12:13,100 --> 00:12:10,529

extraterrestrial ray gun at a nearby

265

00:12:14,799 --> 00:12:13,110

fruit tree burning a hole completely

266

00:12:17,929 --> 00:12:14,809

through the trunk of the tree

267

00:12:20,629 --> 00:12:17,939

Hilly's that's what he claims Maier

268

00:12:22,400 --> 00:12:20,639

showed the tree to Stephens who took

269

00:12:25,340 --> 00:12:22,410

photos of the hole in the tree and

270

00:12:28,669 --> 00:12:25,350

examined it with his finger just like a

271

00:12:30,559 --> 00:12:28,679

doctor would but to Stephens the

272

00:12:33,670 --> 00:12:30,569

internal wood of this hole did not

273

00:12:36,160 --> 00:12:33,680

appear to have been burned

274

00:12:38,739 --> 00:12:36,170

the information we've covered during the

275

00:12:41,739 --> 00:12:38,749

past two episodes barely scratches the

276

00:12:44,920 --> 00:12:41,749

surface of the decades-long billy meier

277

00:12:48,999 --> 00:12:44,930

story wire claims to have much more

278

00:12:52,600 --> 00:12:49,009

evidence including audio recordings UFO

279

00:12:54,689 --> 00:12:52,610

films and tomes of transcripts from his

280

00:12:57,429 --> 00:12:54,699

encounters that are filled with

281

00:13:00,129 --> 00:12:57,439

extraterrestrial wisdom Meir even

282

00:13:01,960 --> 00:13:00,139

asserts that because of his claims there

283

00:13:06,850 --> 00:13:01,970

have been multiple attempts on his life

284

00:13:08,699 --> 00:13:06,860

as with any UFO case I encourage you to

285

00:13:12,160 --> 00:13:08,709

dig into the information for yourself

286

00:13:14,590 --> 00:13:12,170

read the books talk to the people who

287

00:13:17,590 --> 00:13:14,600

have investigated this case and then

288

00:13:21,609 --> 00:13:17,600

based on your research from your own

289

00:13:24,489 --> 00:13:21,619

opinion Myers quote authorized American

290

00:13:27,129 --> 00:13:24,499

media representative Michael Horn is

291

00:13:30,309 --> 00:13:27,139

always available to defend the claims

292

00:13:33,429 --> 00:13:30,319

made by Meir we had horn on open minds

293

00:13:35,919 --> 00:13:33,439

UFO radio back in 2011 to give him the

294

00:13:37,869 --> 00:13:35,929

opportunity to defend Meyers claims I'll

295

00:13:40,689 --> 00:13:37,879

make sure to add the link to that show

296

00:13:42,489 --> 00:13:40,699

in the episode notes Horne is assembled

297

00:13:43,059 --> 00:13:42,499

information related to the Meir case on

298

00:13:45,790 --> 00:13:43,069

his website

299

00:13:47,919 --> 00:13:45,800

they fly calm so if you're going to take

300

00:13:49,509 --> 00:13:47,929

an objective look at this case go ahead

301  
00:13:53,110 --> 00:13:49,519  
and check out the information there as

302  
00:13:55,900 --> 00:13:53,120  
well like I routinely say I believe it's

303  
00:13:58,480 --> 00:13:55,910  
important to approach any UFO case with

304  
00:14:01,439 --> 00:13:58,490  
responsible skepticism in an unbiased

305  
00:14:06,009 --> 00:14:01,449  
journalistic way and with an open mind

306  
00:14:08,230 --> 00:14:06,019  
but a word of warning here if you do

307  
00:14:11,290 --> 00:14:08,240  
come out deciding that you believe the

308  
00:14:14,049 --> 00:14:11,300  
story presented by Billy Meyer be

309  
00:14:17,139 --> 00:14:14,059  
prepared to adjust your entire point of

310  
00:14:21,369 --> 00:14:17,149  
view regarding UFOs and extraterrestrial

311  
00:14:25,059 --> 00:14:21,379  
contact why do I say that because

312  
00:14:29,160 --> 00:14:25,069  
according to Billy his contact

313  
00:14:32,169 --> 00:14:29,170

experiences are the only legitimate

314

00:14:37,210 --> 00:14:32,179

instances of extraterrestrial contact

315

00:14:40,850 --> 00:14:37,220

all others are false claims or are

316

00:14:46,040 --> 00:14:40,860

related to military activity

317

00:14:49,790 --> 00:14:46,050

I'll say that again if you choose to

318

00:14:52,550 --> 00:14:49,800

believe Maier you are agreeing that

319

00:14:55,810 --> 00:14:52,560

everyone else who has claimed to have

320

00:14:58,050 --> 00:14:55,820

any type of extraterrestrial contact is

321

00:15:00,960 --> 00:14:58,060

full of

322

00:15:04,210 --> 00:15:00,970

[Applause]

323

00:15:06,340 --> 00:15:04,220

in spite of that there are still

324

00:15:08,859 --> 00:15:06,350

countless people around the world who

325

00:15:12,989 --> 00:15:08,869

believe this story and believe the

326

00:15:17,169 --> 00:15:12,999

teachings of Myers extraterrestrials oh

327

00:15:20,009 --> 00:15:17,179

and there's this little nugget Meier

328

00:15:22,979 --> 00:15:20,019

claims to be the reincarnation of Jesus

329

00:15:25,659 --> 00:15:22,989

but you know it's always been my

330

00:15:29,650 --> 00:15:25,669

absolute favorite element of this entire

331

00:15:33,099 --> 00:15:29,660

case it's not the cheesy-looking alien

332

00:15:36,279 --> 00:15:33,109

Raygun it's not the men and black excuse

333

00:15:37,960 --> 00:15:36,289

for his photos being fake and it's not

334

00:15:41,919 --> 00:15:37,970

even his time-traveling photos of

335

00:15:44,009 --> 00:15:41,929

dinosaurs it's the name of one of the

336

00:15:48,579 --> 00:15:44,019

types of alien spacecraft he discusses

337

00:15:51,309 --> 00:15:48,589

the beamship from the very first time I

338

00:15:55,689 --> 00:15:51,319

read the name of the beam ships I was

339

00:16:00,729 --> 00:15:55,699

intrigued by that name beamship then

340

00:16:03,819 --> 00:16:00,739

after a while it hit me could it be that

341

00:16:12,929 --> 00:16:03,829

Maier has a sense of humor and is

342

00:16:15,460 --> 00:16:12,939

trolling everyone beamship beam B II a M

343

00:16:18,099 --> 00:16:15,470

there's something else at the center of

344

00:16:21,449 --> 00:16:18,109

this entire case with those exact

345

00:16:27,230 --> 00:16:21,459

initials and that's the man himself

346

00:16:28,820 --> 00:16:27,240

billy edward albert liar

347

00:16:31,160 --> 00:16:28,830

[Applause]

348

00:16:35,300 --> 00:16:31,170

from this very very very brief overview

349

00:16:37,400 --> 00:16:35,310

of a long and complex case it's easy to

350

00:16:40,430 --> 00:16:37,410

see why the Billy Meyer story is so

351  
00:16:42,949 --> 00:16:40,440  
controversial and certainly one of the

352  
00:16:44,120 --> 00:16:42,959  
most polarizing cases in the history of

353  
00:16:51,810 --> 00:16:44,130  
UFOs

354  
00:16:54,580 --> 00:16:51,820
