

NAVY UFD GUIDELINES

episode 16.19

1
00:00:24,700 --> 00:00:02,700
greeting citizens and welcome to unknown

2
00:00:29,710 --> 00:00:26,980
I'm Jason McClellan I'm here with Shane

3
00:00:31,750 --> 00:00:29,720
herd thanks for hanging out with us it's

4
00:00:34,960 --> 00:00:31,760
been one of those interesting weeks

5
00:00:38,710 --> 00:00:34,970
where a media outlet published a UFO

6
00:00:42,299 --> 00:00:38,720
related story resulting in every other

7
00:00:45,000 --> 00:00:42,309
media outlet covering that story too and

8
00:00:48,640 --> 00:00:45,010
naturally that gets the UFO community

9
00:00:51,340 --> 00:00:48,650
buzzing - of course I'm talking about

10
00:00:53,770 --> 00:00:51,350
the news that the u.s. Navy claims it's

11
00:00:56,830 --> 00:00:53,780
drafting new guidelines for UFO

12
00:01:00,250 --> 00:00:56,840
reporting procedures but before we get

13
00:01:03,130 --> 00:01:00,260

to that Shane how are you good sir I'm

14

00:01:05,859 --> 00:01:03,140

doing mighty fine I'm so happy to hear

15

00:01:08,020 --> 00:01:05,869

that and I know that UFO researcher and

16

00:01:10,570 --> 00:01:08,030

lecturer David Marlar spoke this weekend

17

00:01:13,870 --> 00:01:10,580

at Phoenix MUFON and you were there so

18

00:01:17,609 --> 00:01:13,880

how was that it was awesome he spoke on

19

00:01:20,499 --> 00:01:17,619

the Battle of LA case from 1942 nice

20

00:01:22,930 --> 00:01:20,509

David is an excellent speaker great

21

00:01:26,230 --> 00:01:22,940

personality and he laid out a very

22

00:01:27,760 --> 00:01:26,240

cogent explanation of his research and

23

00:01:30,039 --> 00:01:27,770

some of the conclusions that can be

24

00:01:33,490 --> 00:01:30,049

drawn from it plus some kind of

25

00:01:36,789 --> 00:01:33,500

interesting history on the most famous

26

00:01:40,000 --> 00:01:36,799

of UFO pictures I think anyway

27

00:01:44,020 --> 00:01:40,010

lost Los Angeles Times photo of that

28

00:01:47,469 --> 00:01:44,030

event in February of 1942 and it was

29

00:01:49,800 --> 00:01:47,479

fascinating he is a terrific lecturer

30

00:01:54,219 --> 00:01:49,810

like you said I love hearing him speak

31

00:01:57,700 --> 00:01:54,229

and such a fantastic researcher and I'm

32

00:02:00,730 --> 00:01:57,710

sure many listeners have seen these

33

00:02:03,820 --> 00:02:00,740

photos online if not you might want to

34

00:02:07,259 --> 00:02:03,830

google and check it out but david has a

35

00:02:10,900 --> 00:02:07,269

remarkable archive put together

36

00:02:15,250 --> 00:02:10,910

essentially this giant UFO library of

37

00:02:16,780 --> 00:02:15,260

all of these UFO books and and I mean

38

00:02:19,840 --> 00:02:16,790

he's got all sorts of things all sorts

39

00:02:21,580 --> 00:02:19,850
of files related to UFO cases it's a

40

00:02:24,370 --> 00:02:21,590
giant room how big is the chain it's

41

00:02:26,710 --> 00:02:24,380
huge yeah I'd say it looked me to be

42

00:02:29,620 --> 00:02:26,720
like about 20 by 40 I mean he built this

43

00:02:32,470 --> 00:02:29,630
building onto his home for this purpose

44

00:02:34,270 --> 00:02:32,480
and it was you know laid out great I

45

00:02:36,940 --> 00:02:34,280
mean I had all these cases and file

46

00:02:38,559 --> 00:02:36,950
cabinets and shelving and you know he

47

00:02:41,369 --> 00:02:38,569
had some really cool pick

48

00:02:44,050 --> 00:02:41,379
and some you know memorabilia and things

49

00:02:46,780 --> 00:02:44,060
displayed in there a huge conference

50

00:02:48,759 --> 00:02:46,790
table in the middle with lighting so you

51
00:02:51,429 --> 00:02:48,769
could really you know hunker down and do

52
00:02:53,440 --> 00:02:51,439
some good research and I mean my hats

53
00:02:56,050 --> 00:02:53,450
off to him I would love to do that

54
00:02:58,000 --> 00:02:56,060
myself that it was a first-class job

55
00:03:02,550 --> 00:02:58,010
right I mean you see photos of that and

56
00:03:06,339 --> 00:03:02,560
that's like any UFO nerds like dream

57
00:03:08,679 --> 00:03:06,349
bunker like warm room research area it's

58
00:03:10,569 --> 00:03:08,689
it's really cool so yeah David's great

59
00:03:11,559 --> 00:03:10,579
and he does a lot of great research so

60
00:03:13,179 --> 00:03:11,569
if you're not familiar with his work

61
00:03:14,409 --> 00:03:13,189
check that out I'm glad you were able to

62
00:03:14,890 --> 00:03:14,419
catch his lecture Shane that's pretty

63
00:03:17,530 --> 00:03:14,900

cool

64

00:03:20,470 --> 00:03:17,540

yeah loved it well let's jump into our

65

00:03:25,149 --> 00:03:20,480

discussion about the Navy and it's UFO

66

00:03:27,429 --> 00:03:25,159

policy so on April 23rd Politico

67

00:03:30,000 --> 00:03:27,439

published a story titled US Navy

68

00:03:34,300 --> 00:03:30,010

drafting new guidelines for reporting

69

00:03:37,270 --> 00:03:34,310

UFOs this article explains that the Navy

70

00:03:39,220 --> 00:03:37,280

is in the process of drafting new

71

00:03:41,740 --> 00:03:39,230

guidelines for its pilots and other

72

00:03:45,939 --> 00:03:41,750

personnel to report encounters with

73

00:03:48,219 --> 00:03:45,949

quote unidentified aircraft and quote so

74

00:03:50,110 --> 00:03:48,229

according to the article the Navy states

75

00:03:52,449 --> 00:03:50,120

quote there have been a number of

76

00:03:55,539 --> 00:03:52,459

reports of unauthorized and or

77

00:03:57,399 --> 00:03:55,549

unidentified aircraft entering various

78

00:04:00,759 --> 00:03:57,409

military controlled ranges and

79

00:04:03,399 --> 00:04:00,769

designated airspace in recent years for

80

00:04:05,170 --> 00:04:03,409

safety and security concerns the Navy

81

00:04:08,949 --> 00:04:05,180

and the Air Force take these reports

82

00:04:10,509 --> 00:04:08,959

very seriously and investigates each and

83

00:04:13,780 --> 00:04:10,519

every report end quote

84

00:04:16,149 --> 00:04:13,790

the Navy goes on to say quote as part of

85

00:04:19,089 --> 00:04:16,159

this effort the Navy is updating and

86

00:04:22,600 --> 00:04:19,099

formalizing the process by which reports

87

00:04:24,909 --> 00:04:22,610

of any such suspected incursions can be

88

00:04:27,640 --> 00:04:24,919

made to the cognizant authorities in

89

00:04:30,100 --> 00:04:27,650

quote and political clarifies that quote

90

00:04:31,570 --> 00:04:30,110

the Navy isn't endorsing the idea that

91

00:04:35,290 --> 00:04:31,580

its sailors have encountered alien

92

00:04:36,939 --> 00:04:35,300

spacecraft but it is acknowledging there

93

00:04:38,830 --> 00:04:36,949

have been enough strange aerial

94

00:04:41,020 --> 00:04:38,840

sightings by credible and highly trained

95

00:04:43,360 --> 00:04:41,030

military personnel that they need to be

96

00:04:46,779 --> 00:04:43,370

recorded in the official record and

97

00:04:48,850 --> 00:04:46,789

studied rather than dismissed as some

98

00:04:50,649 --> 00:04:48,860

kooky phenomena from the realm of

99

00:04:53,709 --> 00:04:50,659

science fiction in

100

00:04:57,339 --> 00:04:53,719

so there are a couple things to point

101
00:04:59,700 --> 00:04:57,349
out first the Navy hasn't suddenly

102
00:05:02,469 --> 00:04:59,710
decided to take an interest in UFOs okay

103
00:05:05,200 --> 00:05:02,479
it's always been interested in the topic

104
00:05:08,619 --> 00:05:05,210
of UFOs and if you listen to what the

105
00:05:11,439 --> 00:05:08,629
Navy said they directly state that they

106
00:05:13,839 --> 00:05:11,449
are quote unquote updating their UFO

107
00:05:15,969 --> 00:05:13,849
reporting procedures updating implies

108
00:05:18,369 --> 00:05:15,979
that they've already had a reporting

109
00:05:20,499 --> 00:05:18,379
procedure in place but they've also

110
00:05:23,379 --> 00:05:20,509
acknowledged that this process needs to

111
00:05:26,679 --> 00:05:23,389
be revised and formalized to make it

112
00:05:29,290 --> 00:05:26,689
consistent and more widely known to its

113
00:05:32,879 --> 00:05:29,300

pilots and personnel also important to

114

00:05:35,830 --> 00:05:32,889

note even before having this revised

115

00:05:38,679 --> 00:05:35,840

formalized reporting process the Navy

116

00:05:42,369 --> 00:05:38,689

says it already investigates each and

117

00:05:44,350 --> 00:05:42,379

every UFO report it receives and the

118

00:05:47,589 --> 00:05:44,360

final item I'll point out right now is

119

00:05:50,230 --> 00:05:47,599

the fact that the Air Force had UFO

120

00:05:52,300 --> 00:05:50,240

reporting procedures the FAA has had UFO

121

00:05:53,830 --> 00:05:52,310

reporting procedures and both those have

122

00:05:55,209 --> 00:05:53,840

been modified and moved around and

123

00:05:57,430 --> 00:05:55,219

changed many times but that's another

124

00:06:00,129 --> 00:05:57,440

story but I certainly understand the

125

00:06:02,290 --> 00:06:00,139

buzz caused by the report that the Navy

126
00:06:04,719 --> 00:06:02,300
is updating and hopefully improving its

127
00:06:07,269 --> 00:06:04,729
reporting procedures but this certainly

128
00:06:08,890 --> 00:06:07,279
isn't unique Shane what do you think

129
00:06:10,809 --> 00:06:08,900
about the Navy coming out with this news

130
00:06:13,450 --> 00:06:10,819
that it wants to make it easier for its

131
00:06:15,640 --> 00:06:13,460
pilots to report UFOs yeah I mean I want

132
00:06:18,670 --> 00:06:15,650
to be positive about it it's a great

133
00:06:20,860 --> 00:06:18,680
thing yeah and and you know what's

134
00:06:23,309 --> 00:06:20,870
interesting as you as you have said it's

135
00:06:25,719 --> 00:06:23,319
not that they don't already have these

136
00:06:28,540 --> 00:06:25,729
types of procedures in place but I think

137
00:06:32,019 --> 00:06:28,550
what's most significant because they're

138
00:06:34,149 --> 00:06:32,029

willing to come out and state that this

139

00:06:36,610 --> 00:06:34,159

is something that's been denied to the

140

00:06:39,119 --> 00:06:36,620

bloody death for the last 50 years so

141

00:06:41,920 --> 00:06:39,129

here now they're admitting that they do

142

00:06:44,350 --> 00:06:41,930

investigate them and that they have a

143

00:06:46,749 --> 00:06:44,360

process in place but they're no doubt

144

00:06:48,700 --> 00:06:46,759

updating that process based on recent

145

00:06:50,709 --> 00:06:48,710

events we can talk more about but I

146

00:06:53,230 --> 00:06:50,719

think in general it's a good thing I

147

00:06:56,559 --> 00:06:53,240

don't think there's a huge significant

148

00:06:58,870 --> 00:06:56,569

change other than the fact that if if it

149

00:07:01,420 --> 00:06:58,880

unfolds like they're saying you know

150

00:07:03,470 --> 00:07:01,430

military personnel can make these

151

00:07:05,690 --> 00:07:03,480

reports without fear

152

00:07:08,120 --> 00:07:05,700

of ridicule or a negative consequence to

153

00:07:11,210 --> 00:07:08,130

their career which would be big it'd be

154

00:07:14,270 --> 00:07:11,220

very big and as we know pilots see stuff

155

00:07:16,670 --> 00:07:14,280

all the time and there is that stigma

156

00:07:18,680 --> 00:07:16,680

and you know the hesitancy of these

157

00:07:21,320 --> 00:07:18,690

pilots and by these pilots who report

158

00:07:23,060 --> 00:07:21,330

anything they see in just this weekend

159

00:07:26,240 --> 00:07:23,070

the Atlantic published a story about

160

00:07:29,360 --> 00:07:26,250

this titled US Navy wants pilots to

161

00:07:32,540 --> 00:07:29,370

report UFO s despite stigma in this

162

00:07:35,420 --> 00:07:32,550

article the author writes quote the Navy

163

00:07:38,570 --> 00:07:35,430

knows how this sounds it knows what you

164

00:07:40,280 --> 00:07:38,580

must be thinking but the fact stands

165

00:07:42,410 --> 00:07:40,290

that some pilots are saying they've seen

166

00:07:45,170 --> 00:07:42,420

strange things in the sky and that's

167

00:07:47,510 --> 00:07:45,180

concerning in quote and this really

168

00:07:51,440 --> 00:07:47,520

highlights something I bring up quite

169

00:07:53,120 --> 00:07:51,450

often and that is for whatever reason

170

00:07:55,760 --> 00:07:53,130

some people in the UFO research

171

00:07:57,890 --> 00:07:55,770

community get frustrated when we or

172

00:08:00,170 --> 00:07:57,900

anyone else bothers to take the time to

173

00:08:02,210 --> 00:08:00,180

explain to people outside of the UFO

174

00:08:04,970 --> 00:08:02,220

research community that there are

175

00:08:07,700 --> 00:08:04,980

unidentified objects flying around in

176

00:08:09,700 --> 00:08:07,710

our airspace all the time and completely

177

00:08:12,860 --> 00:08:09,710

putting aside the extra-terrestrial

178

00:08:15,470 --> 00:08:12,870

possibility to just talking broadly

179

00:08:18,650 --> 00:08:15,480

about the presence of things in the sky

180

00:08:21,800 --> 00:08:18,660

that we can identify as hard as it might

181

00:08:24,490 --> 00:08:21,810

be for some to accept it is still the

182

00:08:28,400 --> 00:08:24,500

belief in the general public that UFOs

183

00:08:32,000 --> 00:08:28,410

even in that very basic sense aren't a

184

00:08:34,219 --> 00:08:32,010

real thing people assume that if there

185

00:08:36,260 --> 00:08:34,229

were something strange in the sky the

186

00:08:38,750 --> 00:08:36,270

military would know what it is or be

187

00:08:40,880 --> 00:08:38,760

able to easily identify it and if that

188

00:08:43,909 --> 00:08:40,890

didn't happen then we'd hear about it on

189

00:08:46,850 --> 00:08:43,919

the news in some big story this article

190

00:08:48,800 --> 00:08:46,860

from the Atlantic illustrates this when

191

00:08:52,220 --> 00:08:48,810

the author feels the need to state

192

00:08:54,410 --> 00:08:52,230

despite how crazy it sounds quote some

193

00:08:57,650 --> 00:08:54,420

pilots are saying they've seen strange

194

00:08:59,600 --> 00:08:57,660

things in the sky well to us that seems

195

00:09:02,540 --> 00:08:59,610

like something obvious that doesn't need

196

00:09:05,270 --> 00:09:02,550

to be stated but in the general public

197

00:09:07,820 --> 00:09:05,280

there still isn't that level of public

198

00:09:11,810 --> 00:09:07,830

education properly informing people of

199

00:09:13,610 --> 00:09:11,820

the reality of UFOs again this is

200

00:09:14,940 --> 00:09:13,620

completely removing the

201
00:09:18,840 --> 00:09:14,950
extra-terrestrial

202
00:09:21,949 --> 00:09:18,850
or possibility and still the general

203
00:09:24,360 --> 00:09:21,959
public isn't to the point yet of

204
00:09:26,970 --> 00:09:24,370
understanding these quote-unquote

205
00:09:29,400 --> 00:09:26,980
incursions that take place in our

206
00:09:32,480 --> 00:09:29,410
airspace all the time yeah absolutely

207
00:09:35,579 --> 00:09:32,490
and and I think that's one of the the

208
00:09:38,939 --> 00:09:35,589
you know positive consequences of this

209
00:09:41,610 --> 00:09:38,949
is that it is education of the public

210
00:09:43,710 --> 00:09:41,620
and you know I know a lot of people you

211
00:09:45,930 --> 00:09:43,720
know talk about disclosure and maybe how

212
00:09:47,610 --> 00:09:45,940
we're being dripped fret fed and all

213
00:09:50,129 --> 00:09:47,620

those kinds of things you know maybe

214

00:09:51,990 --> 00:09:50,139

there's some truth to that but just you

215

00:09:55,079 --> 00:09:52,000

know putting that aside just the fact

216

00:09:57,540 --> 00:09:55,089

that the Navy the Air Force are coming

217

00:10:00,660 --> 00:09:57,550

out making these statements making it

218

00:10:03,569 --> 00:10:00,670

safe to even think about let alone talk

219

00:10:06,810 --> 00:10:03,579

about you know is a big leap forward in

220

00:10:10,530 --> 00:10:06,820

my opinion on the whole issue so again

221

00:10:12,240 --> 00:10:10,540

it you know it's a positive thing there

222

00:10:15,689 --> 00:10:12,250

may be some negative things attached to

223

00:10:17,850 --> 00:10:15,699

it we have yet to see but from what I've

224

00:10:20,400 --> 00:10:17,860

seen at this point you know it's a good

225

00:10:22,439 --> 00:10:20,410

move it's a really good move I agree

226
00:10:24,360 --> 00:10:22,449
completely Shane and I'm excited to see

227
00:10:26,960 --> 00:10:24,370
what if anything comes out of it I mean

228
00:10:30,569 --> 00:10:26,970
I assume only more can come of it and

229
00:10:33,300 --> 00:10:30,579
who knows what we'll hear about that and

230
00:10:34,829 --> 00:10:33,310
when if at all but as we know with these

231
00:10:36,990 --> 00:10:34,839
stories you know everybody gets all

232
00:10:38,819 --> 00:10:37,000
hyped up and this stuff breaks in the

233
00:10:40,290 --> 00:10:38,829
news we hear about it for two or three

234
00:10:43,439 --> 00:10:40,300
weeks and then we don't hear about it

235
00:10:45,269 --> 00:10:43,449
again so hopefully the wheels are

236
00:10:48,000 --> 00:10:45,279
turning hopefully these uh you know

237
00:10:50,880 --> 00:10:48,010
policies do actually get put in place

238
00:10:53,790 --> 00:10:50,890

and they're actually acted upon and

239

00:10:56,280 --> 00:10:53,800

pilots do feel comfortable reporting

240

00:10:59,309 --> 00:10:56,290

things they see investigations can be

241

00:11:02,519 --> 00:10:59,319

done and there's no lingering ridicule

242

00:11:04,410 --> 00:11:02,529

or or you know effect to the pilots for

243

00:11:07,800 --> 00:11:04,420

actually taking them up on their offer

244

00:11:09,689 --> 00:11:07,810

to listen to these reports right yeah

245

00:11:12,949 --> 00:11:09,699

absolutely and you know when we were at

246

00:11:16,199 --> 00:11:12,959

UFO Megacon we we saw some presentations

247

00:11:19,889 --> 00:11:16,209

by a lot of the folks associated with

248

00:11:22,530 --> 00:11:19,899

the nimitz case and you know radar

249

00:11:24,720 --> 00:11:22,540

operators in particular and you know

250

00:11:27,670 --> 00:11:24,730

they're they're able to come out and and

251
00:11:29,220 --> 00:11:27,680
speak about this and and what I thought

252
00:11:32,320 --> 00:11:29,230
really striking about their

253
00:11:36,610 --> 00:11:32,330
presentations was the emotion that these

254
00:11:39,280 --> 00:11:36,620
guys were displaying on on how this you

255
00:11:41,500 --> 00:11:39,290
know negatively impacted their life when

256
00:11:43,090 --> 00:11:41,510
they couldn't talk about it and now that

257
00:11:45,850 --> 00:11:43,100
they are able to talk about they're

258
00:11:47,829 --> 00:11:45,860
viewing it more positively so but we can

259
00:11:49,870 --> 00:11:47,839
never you know forget the fact that

260
00:11:53,050 --> 00:11:49,880
military members are people too you know

261
00:11:54,790 --> 00:11:53,060
human beings with feelings and you know

262
00:11:57,220 --> 00:11:54,800
making this opportunity available to

263
00:12:00,070 --> 00:11:57,230

them you know can be really helpful to

264

00:12:02,560 --> 00:12:00,080

you know individuals and really to the

265

00:12:05,170 --> 00:12:02,570

military I think in general yeah I think

266

00:12:08,110 --> 00:12:05,180

that's right and again sort of anything

267

00:12:09,910 --> 00:12:08,120

that we can do to lessen the stigma

268

00:12:12,910 --> 00:12:09,920

associated with this topic and get

269

00:12:16,420 --> 00:12:12,920

people to have real conversations and

270

00:12:18,970 --> 00:12:16,430

you know take the time to look into this

271

00:12:20,740 --> 00:12:18,980

topic do actual investigations consider

272

00:12:22,360 --> 00:12:20,750

this not something from science fiction

273

00:12:24,250 --> 00:12:22,370

but something that is concerning and

274

00:12:26,290 --> 00:12:24,260

should be concerning to us all and and

275

00:12:28,329 --> 00:12:26,300

merits investigation you know I think

276

00:12:30,910 --> 00:12:28,339

we're slowly moving that way and like

277

00:12:33,610 --> 00:12:30,920

you said I mean having the pop culture

278

00:12:36,730 --> 00:12:33,620

the general public see the military

279

00:12:39,310 --> 00:12:36,740

talking about UFOs in public in you know

280

00:12:42,550 --> 00:12:39,320

every media outlet that's big and that

281

00:12:43,720 --> 00:12:42,560

helps in that process but here's

282

00:12:44,710 --> 00:12:43,730

something else I want to bring up and

283

00:12:46,090 --> 00:12:44,720

I'm just going to touch on this because

284

00:12:49,269 --> 00:12:46,100

this is a bigger discussion for another

285

00:12:52,030 --> 00:12:49,279

day into something that I have pretty

286

00:12:54,100 --> 00:12:52,040

strong opinions about but something that

287

00:12:56,680 --> 00:12:54,110

has been riled up recently and we

288

00:13:00,550 --> 00:12:56,690

certainly see it in this Navy news as

289

00:13:04,180 --> 00:13:00,560

well is the very term UFO right how we

290

00:13:07,449 --> 00:13:04,190

even talk about this topic UFO that

291

00:13:09,490 --> 00:13:07,459

acronym that that named the term we used

292

00:13:14,170 --> 00:13:09,500

to talk about these things in the sky

293

00:13:16,690 --> 00:13:14,180

has been heavily debated in recent

294

00:13:19,540 --> 00:13:16,700

months and certainly the last week even

295

00:13:22,210 --> 00:13:19,550

in articles about this very story and

296

00:13:25,660 --> 00:13:22,220

the Navy not wanting to use the term UFO

297

00:13:27,730 --> 00:13:25,670

about UFO researchers how they don't

298

00:13:31,780 --> 00:13:27,740

like the term UFO because of the baggage

299

00:13:33,040 --> 00:13:31,790

that comes with it but I don't know what

300

00:13:35,110 --> 00:13:33,050

are your thoughts Shane with with the

301
00:13:37,180 --> 00:13:35,120
term UFO are we over complicating things

302
00:13:38,590 --> 00:13:37,190
by coming up with all sorts of new terms

303
00:13:40,180 --> 00:13:38,600
I mean to me

304
00:13:42,010 --> 00:13:40,190
you know I always come back to

305
00:13:45,040 --> 00:13:42,020
well people throw out these terms and we

306
00:13:46,600 --> 00:13:45,050
see them used by various people and

307
00:13:50,320 --> 00:13:46,610
government and military and and by

308
00:13:51,850 --> 00:13:50,330
journalists in these media outlets but

309
00:13:53,320 --> 00:13:51,860
they always have to come back and and

310
00:13:55,840 --> 00:13:53,330
clarify the what they're talking about

311
00:13:57,310 --> 00:13:55,850
is UFOs like mmm they have their their

312
00:14:00,640 --> 00:13:57,320
one term but it always comes back to

313
00:14:02,380 --> 00:14:00,650

explaining to everybody else yeah what

314

00:14:04,330 --> 00:14:02,390

we're talking about here is UFOs but

315

00:14:05,770 --> 00:14:04,340

it's not UFO it's got this new new way

316

00:14:08,260 --> 00:14:05,780

we're talking about it but it's it's a

317

00:14:11,080 --> 00:14:08,270

UFO we always come back to UFO because

318

00:14:13,420 --> 00:14:11,090

that's what people know yeah I mean that

319

00:14:15,490 --> 00:14:13,430

that's true and I think it was the Air

320

00:14:17,320 --> 00:14:15,500

Force that coined that term way back to

321

00:14:21,670 --> 00:14:17,330

beginning on Project Blue Earth correct

322

00:14:22,920 --> 00:14:21,680

and you know it's it's actually a kind

323

00:14:25,210 --> 00:14:22,930

of a brilliant term you know

324

00:14:28,120 --> 00:14:25,220

unidentified flying object it's pretty

325

00:14:30,370 --> 00:14:28,130

specific and you know they used it so

326

00:14:33,850 --> 00:14:30,380

that they could properly you know

327

00:14:36,910 --> 00:14:33,860

categorize sightings and reports and and

328

00:14:38,980 --> 00:14:36,920

you know it's but what happened is the

329

00:14:41,920 --> 00:14:38,990

term just got hijacked sort of over the

330

00:14:44,500 --> 00:14:41,930

years to begin become synonymous with

331

00:14:47,380 --> 00:14:44,510

something not unidentified but

332

00:14:50,050 --> 00:14:47,390

identified namely alien spacecraft which

333

00:14:53,410 --> 00:14:50,060

that was never the intent it's not the

334

00:14:55,180 --> 00:14:53,420

intent and so but that's what happens

335

00:14:58,450 --> 00:14:55,190

with our language in pop culture right

336

00:15:00,190 --> 00:14:58,460

we take a term and we we misuse it and

337

00:15:02,170 --> 00:15:00,200

takes on a whole new meaning I think

338

00:15:05,170 --> 00:15:02,180

that's what's happening and then you

339

00:15:08,700 --> 00:15:05,180

know the use of UAP or unidentified

340

00:15:12,280 --> 00:15:08,710

aerial phenomena you know is a tool that

341

00:15:16,000 --> 00:15:12,290

you know politicians and probably UFO

342

00:15:19,690 --> 00:15:16,010

researchers use to to get around the

343

00:15:23,260 --> 00:15:19,700

term UFO or rather the the misuse of it

344

00:15:25,300 --> 00:15:23,270

and the stigma attached to that so I can

345

00:15:27,610 --> 00:15:25,310

understand why it's been done but I

346

00:15:32,530 --> 00:15:27,620

think in reality like you said the

347

00:15:34,600 --> 00:15:32,540

general public you know what it always

348

00:15:36,670 --> 00:15:34,610

goes back to UFO because it's just been

349

00:15:38,890 --> 00:15:36,680

part of our culture for all that time so

350

00:15:43,090 --> 00:15:38,900

and you know the military is gonna be

351
00:15:45,880 --> 00:15:43,100
very careful about you know use of terms

352
00:15:47,800 --> 00:15:45,890
so that they aren't used against them or

353
00:15:49,810 --> 00:15:47,810
that they're not misinterpreted the best

354
00:15:51,250 --> 00:15:49,820
that they can at Aintree and so I think

355
00:15:52,820 --> 00:15:51,260
that's what we're seeing here is just

356
00:15:54,829 --> 00:15:52,830
even these articles and

357
00:15:58,130 --> 00:15:54,839
Politico and some of the others are

358
00:16:01,310 --> 00:15:58,140
they're extremely carefully worded you

359
00:16:03,199 --> 00:16:01,320
know to minimize the misperception and I

360
00:16:06,380 --> 00:16:03,209
think that's you know an intelligent

361
00:16:08,570 --> 00:16:06,390
thing to do but you know maybe what will

362
00:16:11,540 --> 00:16:08,580
happen is it's not the term it's the

363
00:16:13,069 --> 00:16:11,550

stigma associated or the misuse and so

364

00:16:15,740 --> 00:16:13,079

maybe as the public becomes more

365

00:16:18,590 --> 00:16:15,750

educated and understanding what that

366

00:16:21,680 --> 00:16:18,600

term actually means just like it says

367

00:16:23,269 --> 00:16:21,690

unidentified not alien crap then it

368

00:16:25,550 --> 00:16:23,279

gives more room for people out of a

369

00:16:27,800 --> 00:16:25,560

conversation without you know going down

370

00:16:29,990 --> 00:16:27,810

that rabbit hole and I think that's

371

00:16:33,470 --> 00:16:30,000

what's needed at least it at first to

372

00:16:35,240 --> 00:16:33,480

get this whole you know discussion out

373

00:16:38,509 --> 00:16:35,250

there in the public without you know

374

00:16:40,310 --> 00:16:38,519

battle lines being drawn yeah it's it's

375

00:16:42,860 --> 00:16:40,320

fascinating to watch and hear the

376

00:16:45,530 --> 00:16:42,870

various takes on how we we talk about

377

00:16:47,810 --> 00:16:45,540

this subject and what we call the things

378

00:16:49,340 --> 00:16:47,820

that we're talking about so yeah we'll

379

00:16:53,090 --> 00:16:49,350

certainly have a much broader discussion

380

00:16:55,190 --> 00:16:53,100

about UFOs and and what we're going to

381

00:16:58,910 --> 00:16:55,200

call them in the future

382

00:17:00,139 --> 00:16:58,920

but let's wrap up this episode citizens

383

00:17:01,370 --> 00:17:00,149

I invite you to come join us in the

384

00:17:03,290 --> 00:17:01,380

rogue planet Facebook group at

385

00:17:04,730 --> 00:17:03,300

facebook.com slash groups slash rogue

386

00:17:06,860 --> 00:17:04,740

planet and let us know what your

387

00:17:09,380 --> 00:17:06,870

thoughts are about the Navy drafting a

388

00:17:11,470 --> 00:17:09,390

new UFO reporting procedure or anything

389

00:17:14,750 --> 00:17:11,480

else ufo-related that's on your mind

390

00:17:17,179 --> 00:17:14,760

here's a regular reminder about alien

391

00:17:20,480 --> 00:17:17,189

Caan alien Caan lands in Los Angeles

392

00:17:22,220 --> 00:17:20,490

California in June alien con Los Angeles

393

00:17:24,710 --> 00:17:22,230

brings together experts the stars of

394

00:17:27,770 --> 00:17:24,720

ancient aliens and science fiction fan

395

00:17:29,720 --> 00:17:27,780

favorites if you want to spend a weekend

396

00:17:32,180 --> 00:17:29,730

with like-minded people to challenge

397

00:17:33,890 --> 00:17:32,190

existing beliefs and seek disclosure of

398

00:17:36,919 --> 00:17:33,900

all kinds in an environment that fosters

399

00:17:39,470 --> 00:17:36,929

learning discovery and discussion all

400

00:17:41,659 --> 00:17:39,480

while having a good time then consider

401
00:17:44,570 --> 00:17:41,669
making it out to alien con Los Angeles

402
00:17:45,860 --> 00:17:44,580
June 21st through the 23rd at the Los

403
00:17:47,600 --> 00:17:45,870
Angeles Convention Center in downtown

404
00:17:49,610 --> 00:17:47,610
Los Angeles California

405
00:17:51,680 --> 00:17:49,620
my fellow rogue planets here Ryan

406
00:17:53,810 --> 00:17:51,690
Sprague and I will be speaking at alien

407
00:17:55,820 --> 00:17:53,820
con Shane heard and Maureen Elsberry

408
00:17:57,560 --> 00:17:55,830
will be there too so come out and hang

409
00:18:00,650 --> 00:17:57,570
out with us use the discount code

410
00:18:03,470 --> 00:18:00,660
unknown to receive \$10 off any ticket

411
00:18:04,810 --> 00:18:03,480
purchase head over to the alien comm to

412
00:18:07,899 --> 00:18:04,820
get your tickets and

413
00:18:09,669 --> 00:18:07,909

schedule we hope to see there you can

414

00:18:11,860 --> 00:18:09,679

find more episodes of unknown on Apple

415

00:18:12,220 --> 00:18:11,870

podcast stitcher google play I Heart

416

00:18:14,620 --> 00:18:12,230

Radio

417

00:18:15,909 --> 00:18:14,630

and even YouTube subscribe on your

418

00:18:17,409 --> 00:18:15,919

favorite podcast provider so you're

419

00:18:19,090 --> 00:18:17,419

notified when we publish new episodes

420

00:18:20,799 --> 00:18:19,100

and if you haven't done it already

421

00:18:22,450 --> 00:18:20,809

please do us a big favor and take a

422

00:18:24,879 --> 00:18:22,460

minute to rate and review unknown on

423

00:18:26,769 --> 00:18:24,889

your favorite podcast platform you can

424

00:18:28,090 --> 00:18:26,779

always find this show at ro Planet TV

425

00:18:30,730 --> 00:18:28,100

because unknown is a rogue planet

426
00:18:34,419 --> 00:18:30,740
production Red Planet TV is your home

427
00:18:35,799 --> 00:18:34,429
for all the strange it thanks to our

428
00:18:37,360 --> 00:18:35,809
talented friend and fellow rogue planet

429
00:18:39,549 --> 00:18:37,370
Eire caleb hanks for the show's intro

430
00:18:42,700 --> 00:18:39,559
and outro music check out all his work

431
00:18:44,289 --> 00:18:42,710
at buckler Chronicles calm thanks again

432
00:18:47,289 --> 00:18:44,299
for hanging out with us today I'm Jason

433
00:18:48,999 --> 00:18:47,299
McClellan and I'm Shane hurt he was the

434
00:18:50,169 --> 00:18:49,009
favorite friends always treat the UFO

435
00:18:51,669 --> 00:18:50,179
subject with the cautious and

436
00:18:54,009 --> 00:18:51,679
responsible skepticism it deserves

437
00:18:56,649 --> 00:18:54,019
question everything have the courage to

438
00:18:58,539 --> 00:18:56,659

form your own opinions keep truth as the

439

00:19:00,700 --> 00:18:58,549

focus of your quest even if the truth

440

00:19:02,390 --> 00:19:00,710

conflicts with your opinions and of

441

00:19:12,880 --> 00:19:02,400

course stay strange

442

00:19:14,460 --> 00:19:12,890

[Music]

443

00:19:15,030 --> 00:19:14,470

[Applause]
