FLEET**

**RECAPPING  
UNIDENTIFIED**

episode 22.19

1  
00:00:04,850 --> 00:00:03,060  
greeting citizens and welcome to unknown

2  
00:00:06,530 --> 00:00:04,860  
[Music]

3  
00:00:24,880 --> 00:00:06,540  
[Applause]

4  
00:00:27,130 --> 00:00:24,890  
[Music]

5  
00:00:28,780 --> 00:00:27,140  
I'm Jason McClellan I'm here with Shane

6  
00:00:29,670 --> 00:00:28,790  
herd thanks so much for hanging out with

7  
00:00:31,840 --> 00:00:29,680  
us

8  
00:00:34,630 --> 00:00:31,850  
unidentified inside America's UFO

9  
00:00:36,580 --> 00:00:34,640  
investigation that new UFO show on

10  
00:00:38,590 --> 00:00:36,590  
history brought to us by Tom DeLonge and

11  
00:00:40,480 --> 00:00:38,600  
his team of military government and

12  
00:00:43,479 --> 00:00:40,490  
aerospace insiders at to the stars

13  
00:00:47,200 --> 00:00:43,489

Academy aired its fourth episode on

14

00:00:49,690 --> 00:00:47,210

Friday June 21st we were all a bit busy

15

00:00:52,150 --> 00:00:49,700

at alien Con last weekend so we didn't

16

00:00:54,490 --> 00:00:52,160

get a chance to recap that episode we'll

17

00:00:56,980 --> 00:00:54,500

take care of that today and yes the

18

00:00:59,680 --> 00:00:56,990

fifth episode aired on Friday June 28th

19

00:01:01,870 --> 00:00:59,690

but we won't discuss that one on this

20

00:01:05,380 --> 00:01:01,880

episode because we're actually recording

21

00:01:07,240 --> 00:01:05,390

this before that episode airs so we'll

22

00:01:09,910 --> 00:01:07,250

cover that one on a future episode of

23

00:01:12,460 --> 00:01:09,920

unknown before we get to our discussion

24

00:01:15,219 --> 00:01:12,470

about Episode four however we're gonna

25

00:01:17,889 --> 00:01:15,229

tell you about our experience at alien

26

00:01:20,620 --> 00:01:17,899

con whoo alien con los angeles took

27

00:01:21,999 --> 00:01:20,630

place June 21st through the 23rd at the

28

00:01:23,910 --> 00:01:22,009

Los Angeles Convention Center in

29

00:01:26,590 --> 00:01:23,920

downtown Los Angeles California

30

00:01:28,690 --> 00:01:26,600

Ryan Sprague and I presented and

31

00:01:31,660 --> 00:01:28,700

participated in a wide range of

32

00:01:33,430 --> 00:01:31,670

programming at alien con la my wonderful

33

00:01:35,320 --> 00:01:33,440

friends and colleagues Shane Hurd and

34

00:01:37,899 --> 00:01:35,330

Maureen Elsberry were there all weekend

35

00:01:40,630 --> 00:01:37,909

as well and we actually all recorded an

36

00:01:43,390 --> 00:01:40,640

episode of unknown live on stage daily

37

00:01:47,080 --> 00:01:43,400

and con will have that episode ready for

38

00:01:50,380 --> 00:01:47,090

your ears soon Shane this was your first

39

00:01:52,780 --> 00:01:50,390

alien con wasn't it yeah it was what did

40

00:01:55,240 --> 00:01:52,790

you think well I thought it was awesome

41

00:01:58,750 --> 00:01:55,250

they they I thought it was well

42

00:02:01,210 --> 00:01:58,760

coordinated well managed the facility

43

00:02:04,090 --> 00:02:01,220

was great you know it was it was

44

00:02:07,030 --> 00:02:04,100

different than a UFO conference and that

45

00:02:09,430 --> 00:02:07,040

you know they had like 15 stages or

46

00:02:12,039 --> 00:02:09,440

rooms going it and he get in dive in you

47

00:02:13,720 --> 00:02:12,049

can choose yeah so that was a little

48

00:02:16,560 --> 00:02:13,730

different but you know that was cool on

49

00:02:19,300 --> 00:02:16,570

you know got to see a lot of people and

50

00:02:21,880 --> 00:02:19,310

you know some good information there was

51  
00:02:23,259 --> 00:02:21,890  
actually a lot of UFO information I was

52  
00:02:26,199 --> 00:02:23,269  
surprised a little bit by how much of

53  
00:02:28,900 --> 00:02:26,209  
that but and then of course you know the

54  
00:02:31,180 --> 00:02:28,910  
ancient aliens things and we even got to

55  
00:02:32,710 --> 00:02:31,190  
see William Shatner which was pretty

56  
00:02:35,710 --> 00:02:32,720  
cool yes

57  
00:02:37,479 --> 00:02:35,720  
so yeah for for people who don't know

58  
00:02:38,620 --> 00:02:37,489  
anything Khan is put on by the people

59  
00:02:40,570 --> 00:02:38,630  
who do ancient

60  
00:02:43,030 --> 00:02:40,580  
it's essentially an ancient aliens fan

61  
00:02:45,070 --> 00:02:43,040  
fest' so it has a big presence there all

62  
00:02:47,680 --> 00:02:45,080  
the ancient aliens people are there and

63  
00:02:50,410 --> 00:02:47,690

you know they do big things on the main

64

00:02:53,020 --> 00:02:50,420

stage all weekend long and they have

65

00:02:57,730 --> 00:02:53,030

photo ops and autographs and all that

66

00:02:59,080 --> 00:02:57,740

stuff but yes in just the past couple of

67

00:03:01,030 --> 00:02:59,090

these that they've done they've really

68

00:03:04,870 --> 00:03:01,040

expanded their programming like you said

69

00:03:08,140 --> 00:03:04,880

Shane and and really offer a whole lot

70

00:03:11,290 --> 00:03:08,150

of UFO related programming and they pull

71

00:03:13,740 --> 00:03:11,300

people in like us to you know give

72

00:03:16,120 --> 00:03:13,750

lectures to participate on panels

73

00:03:18,070 --> 00:03:16,130

something that Ryan and I did was lead

74

00:03:20,200 --> 00:03:18,080

an experience or session to let people

75

00:03:22,060 --> 00:03:20,210

come in and share their experiences

76  
00:03:23,740 --> 00:03:22,070  
because something we point we've pointed

77  
00:03:26,800 --> 00:03:23,750  
out before that we'd really love about

78  
00:03:29,920 --> 00:03:26,810  
this type of event is it's a pop culture

79  
00:03:32,200 --> 00:03:29,930  
event and a lot of the people who come

80  
00:03:35,140 --> 00:03:32,210  
here come to come to events like alien

81  
00:03:37,330 --> 00:03:35,150  
con haven't really ever talked about the

82  
00:03:39,880 --> 00:03:37,340  
subject of UFOs or extraterrestrials in

83  
00:03:42,880 --> 00:03:39,890  
public you know to any friends or

84  
00:03:45,610 --> 00:03:42,890  
relatives even if they feel they've had

85  
00:03:48,310 --> 00:03:45,620  
some sort of major experience you know

86  
00:03:51,250 --> 00:03:48,320  
contact or anything traumatic they've

87  
00:03:53,110 --> 00:03:51,260  
never told anybody so you know that's

88  
00:03:54,790 --> 00:03:53,120

the extreme then even on the casual and

89

00:03:58,390 --> 00:03:54,800

people who just like have a casual

90

00:03:59,980 --> 00:03:58,400

interest in the topic of UFOs because of

91

00:04:02,890 --> 00:03:59,990

the the stigma surrounding the topic

92

00:04:05,650 --> 00:04:02,900

they feel that they can't admit that to

93

00:04:08,440 --> 00:04:05,660

people lest they be made fun of so you

94

00:04:10,090 --> 00:04:08,450

get this whole mix of people who have

95

00:04:12,310 --> 00:04:10,100

this interest in the topic for one

96

00:04:14,110 --> 00:04:12,320

reason or another yet they haven't

97

00:04:17,110 --> 00:04:14,120

discussed it in public so they come to

98

00:04:19,449 --> 00:04:17,120

alien con where they have this safe

99

00:04:21,190 --> 00:04:19,459

space in quotes where they you know are

100

00:04:23,320 --> 00:04:21,200

surrounded by like-minded people and

101  
00:04:25,090 --> 00:04:23,330  
feel they can open up and so in the

102  
00:04:28,020 --> 00:04:25,100  
experience or session or in any of the

103  
00:04:31,720 --> 00:04:28,030  
panels or podcast recordings we held and

104  
00:04:34,750 --> 00:04:31,730  
invited people to openly discuss or

105  
00:04:38,590 --> 00:04:34,760  
share personal stories it is just

106  
00:04:40,720 --> 00:04:38,600  
fascinating seeing these people open up

107  
00:04:43,930 --> 00:04:40,730  
because you can just see like the layers

108  
00:04:45,730 --> 00:04:43,940  
melt off and they're all wow this is

109  
00:04:48,010 --> 00:04:45,740  
kind of unreal I've never talked about

110  
00:04:50,830 --> 00:04:48,020  
this before and I can talk about it here

111  
00:04:51,879 --> 00:04:50,840  
and people aren't laughing at me yeah it

112  
00:04:54,070 --> 00:04:51,889  
was awesome

113  
00:04:57,399 --> 00:04:54,080

I mean they were like three or four

114

00:05:00,249 --> 00:04:57,409

people who said you know I've never told

115

00:05:02,170 --> 00:05:00,259

anyone but my husband or my wife about

116

00:05:05,110 --> 00:05:02,180

this you know and and yet they were

117

00:05:07,209 --> 00:05:05,120

walking up to a microphone in front of

118

00:05:10,689 --> 00:05:07,219

you know fifty hundred people whatever

119

00:05:12,790 --> 00:05:10,699

it was and in in let it rip and I I was

120

00:05:15,429 --> 00:05:12,800

just so impressed how brave people were

121

00:05:18,249 --> 00:05:15,439

and then you could really see how you

122

00:05:20,369 --> 00:05:18,259

know the emotional impact on them and it

123

00:05:22,990 --> 00:05:20,379

was obvious when they were you know

124

00:05:24,580 --> 00:05:23,000

recounting what had happened so and the

125

00:05:28,119 --> 00:05:24,590

audience was really great too they were

126

00:05:30,309 --> 00:05:28,129

real you know empathetic and you know

127

00:05:32,559 --> 00:05:30,319

plotted for these people and so it was

128

00:05:35,140 --> 00:05:32,569

you know I thought that was just awesome

129

00:05:37,209 --> 00:05:35,150

I'm always so glad to see that to you

130

00:05:38,559 --> 00:05:37,219

and that happens because you know I'm

131

00:05:41,459 --> 00:05:38,569

always worried there's gonna be some

132

00:05:43,990 --> 00:05:41,469

jerk who just wants to be an and

133

00:05:45,939 --> 00:05:44,000

make fun of these people or make some

134

00:05:48,490 --> 00:05:45,949

comment like hurry up other people want

135

00:05:50,080 --> 00:05:48,500

to talk and some of these people like

136

00:05:53,050 --> 00:05:50,090

you said Shane you can tell that they

137

00:05:55,540 --> 00:05:53,060

are there visibly visibly fragile and

138

00:05:56,950 --> 00:05:55,550

they it's taken all of their courage to

139

00:05:59,110 --> 00:05:56,960

get up in front of this crowd first of

140

00:06:01,420 --> 00:05:59,120

all and then to share something that

141

00:06:04,450 --> 00:06:01,430

they've held in for the in some cases

142

00:06:06,399 --> 00:06:04,460

their entire lives um you know so it's

143

00:06:08,230 --> 00:06:06,409

it's taken a lot of bravery for them to

144

00:06:10,149 --> 00:06:08,240

be up there and they're in a really

145

00:06:11,499 --> 00:06:10,159

fragile state so I'm always worried that

146

00:06:14,050 --> 00:06:11,509

somebody's going to do something stupid

147

00:06:15,700 --> 00:06:14,060

but they haven't so yeah really great to

148

00:06:17,469 --> 00:06:15,710

see people yeah everybody that audience

149

00:06:19,930 --> 00:06:17,479

is great yeah they were they behaved

150

00:06:22,149 --> 00:06:19,940

very well ya know I love the alien con

151

00:06:23,260 --> 00:06:22,159

crowd they're fantastic and you're right

152

00:06:25,689 --> 00:06:23,270

it's it's a completely different

153

00:06:28,450 --> 00:06:25,699

experience from a purely UFO conference

154

00:06:30,369 --> 00:06:28,460

so it's a lot of fun and one of my

155

00:06:32,619 --> 00:06:30,379

favorite things Shane something I had

156

00:06:35,559 --> 00:06:32,629

the most fun doing was judging the

157

00:06:37,209 --> 00:06:35,569

costume contest that was just a blast I

158

00:06:39,909 --> 00:06:37,219

mean there was some great cosplay there

159

00:06:41,800 --> 00:06:39,919

people really got into it but also I

160

00:06:44,619 --> 00:06:41,810

mean my fellow judges made it just an

161

00:06:46,570 --> 00:06:44,629

absolute blast and a hoot they were both

162

00:06:49,589 --> 00:06:46,580

hilarious and that was of course Paul

163

00:06:53,379 --> 00:06:49,599

Hynek and Robert Picardo from Star Trek

164

00:06:55,869 --> 00:06:53,389

Voyager and they were just both amazing

165

00:06:58,839 --> 00:06:55,879

I don't believe I'd met either of them

166

00:07:01,180 --> 00:06:58,849

before but getting to judge the costume

167

00:07:05,129 --> 00:07:01,190

contest with them was a blast

168

00:07:06,689 --> 00:07:05,139

and certainly a lot of fun but then

169

00:07:08,279 --> 00:07:06,699

of course spending some extra time and

170

00:07:10,350 --> 00:07:08,289

you did too with Paul high-neck Paul

171

00:07:11,189 --> 00:07:10,360

Hynek is such a great guy it was yeah

172

00:07:12,839 --> 00:07:11,199

yes

173

00:07:15,300 --> 00:07:12,849

privilege to be able to meet him and

174

00:07:17,969 --> 00:07:15,310

spend some time with him yep loved it

175

00:07:21,149 --> 00:07:17,979

yeah Ellis that was fun stuff and and

176  
00:07:23,159 --> 00:07:21,159  
then they have the big dance on Saturday

177  
00:07:25,350 --> 00:07:23,169  
night where they were they you know

178  
00:07:27,689 --> 00:07:25,360  
presented the winner of the contest and

179  
00:07:30,269 --> 00:07:27,699  
I was a pretty fun set up to had a

180  
00:07:33,600 --> 00:07:30,279  
coupla bars going they had the music

181  
00:07:35,429 --> 00:07:33,610  
going they had that the contest and you

182  
00:07:37,379 --> 00:07:35,439  
know people were dancing and it just

183  
00:07:39,719 --> 00:07:37,389  
lots of people chatting and it was

184  
00:07:42,059 --> 00:07:39,729  
really a good time my my wife and I both

185  
00:07:44,519 --> 00:07:42,069  
just just enjoyed it immensely that's

186  
00:07:46,769 --> 00:07:44,529  
right and that's always the best part of

187  
00:07:49,200 --> 00:07:46,779  
any event like this we always say that

188  
00:07:51,629 --> 00:07:49,210

again social aspect right it's the

189

00:07:55,050 --> 00:07:51,639

social aspect being able to hang out

190

00:07:56,909 --> 00:07:55,060

with people have discussions and just

191

00:07:59,640 --> 00:07:56,919

hang out grab a drink and talk and meet

192

00:08:01,290 --> 00:07:59,650

people and the alien card is a perfect

193

00:08:02,579 --> 00:08:01,300

place for that it's pretty funny at at

194

00:08:05,489 --> 00:08:02,589

times it reminds you of being at a

195

00:08:07,829 --> 00:08:05,499

junior high dance or something but ya

196

00:08:10,379 --> 00:08:07,839

know it was a lot of fun alien con la

197

00:08:14,309 --> 00:08:10,389

was a great event the next one's gonna

198

00:08:16,019 --> 00:08:14,319

be in Dallas and yeah so keep checking

199

00:08:18,450 --> 00:08:16,029

their website and follow them on social

200

00:08:21,119 --> 00:08:18,460

media because they seem to be doing this

201  
00:08:22,860 --> 00:08:21,129  
twice a year thing where they're doing

202  
00:08:24,540 --> 00:08:22,870  
it at different locations so do you

203  
00:08:27,629 --> 00:08:24,550  
follow them their website is the alien

204  
00:08:29,670 --> 00:08:27,639  
con comm check them out and keep your

205  
00:08:31,200 --> 00:08:29,680  
fingers crossed that eland con comes to

206  
00:08:34,409 --> 00:08:31,210  
you if you can't make it to alien con

207  
00:08:36,810 --> 00:08:34,419  
yep and they even have a phone app they

208  
00:08:38,430 --> 00:08:36,820  
do yes so each event they launched a

209  
00:08:40,019 --> 00:08:38,440  
phone app and we talked about that

210  
00:08:43,740 --> 00:08:40,029  
before Ryan and I love this thing

211  
00:08:45,600 --> 00:08:43,750  
because it has the schedule on there and

212  
00:08:46,920 --> 00:08:45,610  
you can know favorite different things

213  
00:08:48,600 --> 00:08:46,930

on the schedule like change that it's

214

00:08:50,430 --> 00:08:48,610

difficult to navigate everything because

215

00:08:51,990 --> 00:08:50,440

they have multiple stages going at the

216

00:08:53,490 --> 00:08:52,000

same time so you had you do have to pick

217

00:08:55,410 --> 00:08:53,500

and choose which ones you're going to

218

00:08:57,000 --> 00:08:55,420

see in which ones you're gonna miss the

219

00:08:58,079 --> 00:08:57,010

app helps you do that keep track of your

220

00:08:59,850 --> 00:08:58,089

schedule it can send you push

221

00:09:03,090 --> 00:08:59,860

notifications to alert you when things

222

00:09:05,550 --> 00:09:03,100

are coming up but also it has a built in

223

00:09:07,650 --> 00:09:05,560

community where people are posting

224

00:09:09,720 --> 00:09:07,660

messages and interacting with each other

225

00:09:12,509 --> 00:09:09,730

directly in the app so during the event

226

00:09:14,579 --> 00:09:12,519

there's this whole mobile community just

227

00:09:16,259 --> 00:09:14,589

within that app of people who are at

228

00:09:17,250 --> 00:09:16,269

alien con and it's really cool to see

229

00:09:25,680 --> 00:09:17,260

yeah

230

00:09:28,380 --> 00:09:25,690

was neat well alright let's get into our

231

00:09:31,050 --> 00:09:28,390

unidentified conversation but first

232

00:09:34,500 --> 00:09:31,060

here's a brief recap of what episode

233

00:09:37,200 --> 00:09:34,510

four of unidentified showed us so in the

234

00:09:39,510 --> 00:09:37,210

first three episodes of this show they

235

00:09:41,760 --> 00:09:39,520

primarily focused on what is known as

236

00:09:44,250 --> 00:09:41,770

the Tic Tac incident a navy UFO

237

00:09:46,830 --> 00:09:44,260

encounter that occurred back in 2004 off

238

00:09:49,140 --> 00:09:46,840

the coast of San Diego but in Episode

239

00:09:52,920 --> 00:09:49,150

four the show's investigator Lou

240

00:09:55,500 --> 00:09:52,930

Elizondo heads east to meet up with two

241

00:09:58,770 --> 00:09:55,510

active Navy servicemen who say they were

242

00:10:02,130 --> 00:09:58,780

personally involved in UFO incidents

243

00:10:04,950 --> 00:10:02,140

that occurred in 2014 and 2015 off the

244

00:10:08,000 --> 00:10:04,960

East Coast these pilots are lieutenant

245

00:10:11,190 --> 00:10:08,010

Ryan graves and Lieutenant Danny a coin

246

00:10:14,280 --> 00:10:11,200

these pilots share their assertions that

247

00:10:17,490 --> 00:10:14,290

UFOs followed the Navy strike group up

248

00:10:19,800 --> 00:10:17,500

and down the coast for months and even

249

00:10:23,100 --> 00:10:19,810

reappeared when the strike group was

250

00:10:25,290 --> 00:10:23,110

deployed to the Arabian Gulf at one

251

00:10:28,500 --> 00:10:25,300

point lieutenant a coin even asserts

252

00:10:32,940 --> 00:10:28,510

that at least 50 others aboard the USS

253

00:10:37,140 --> 00:10:32,950

Roosevelt that he knew of at least were

254

00:10:39,540 --> 00:10:37,150

aware of this UFO activity also in the

255

00:10:41,850 --> 00:10:39,550

episode we see lieutenant graves

256

00:10:44,670 --> 00:10:41,860

summoned to Washington DC to give a

257

00:10:48,150 --> 00:10:44,680

secret closed-door briefing about these

258

00:10:50,340 --> 00:10:48,160

UFO incidents so that's pretty cool and

259

00:10:53,820 --> 00:10:50,350

we've known this was coming it was cool

260

00:10:55,530 --> 00:10:53,830

to see it presented on the show what do

261

00:10:58,050 --> 00:10:55,540

you think of the episode Shane yeah I

262

00:10:59,520 --> 00:10:58,060

thought it was great because I first of

263

00:11:02,100 --> 00:10:59,530

all like you said mostly all we've heard

264

00:11:03,960 --> 00:11:02,110

about is the 2004 Nimitz case which is

265

00:11:05,340 --> 00:11:03,970

awesome right but we knew these other

266

00:11:07,830 --> 00:11:05,350

videos were out there and that they

267

00:11:09,690 --> 00:11:07,840

weren't part of that sighting so we

268

00:11:13,230 --> 00:11:09,700

really got some real confirmation

269

00:11:15,300 --> 00:11:13,240

information about this activity on the

270

00:11:17,820 --> 00:11:15,310

East Coast and so I like what they did

271

00:11:20,910 --> 00:11:17,830

with the episode date I like that they

272

00:11:25,200 --> 00:11:20,920

that Lou took Dave flavour with him and

273

00:11:27,240 --> 00:11:25,210

perform the interview on nine graves and

274

00:11:29,370 --> 00:11:27,250

then later on Danny

275

00:11:31,620 --> 00:11:29,380

ah coin as well

276

00:11:33,509 --> 00:11:31,630

and they get you know got the testimony

277

00:11:35,519 --> 00:11:33,519

from these pilots and then they got a

278

00:11:37,710 --> 00:11:35,529

lot of information that correlated stuff

279

00:11:40,769 --> 00:11:37,720

so you know that that whole thing about

280

00:11:43,980 --> 00:11:40,779

I think identified you know the the the

281

00:11:46,590 --> 00:11:43,990

gimbal video is basically a saucer they

282

00:11:48,870 --> 00:11:46,600

had the cube with a sphere around it and

283

00:11:51,329 --> 00:11:48,880

then the go-fast was another round

284

00:11:54,540 --> 00:11:51,339

spherical object so three different

285

00:11:56,490 --> 00:11:54,550

objects so we got that kind of explained

286

00:11:58,199 --> 00:11:56,500

I thought that was good and then the

287

00:12:00,660 --> 00:11:58,209

fact that they're saying that you know

288

00:12:02,460 --> 00:12:00,670

this was happening on a daily basis for

289

00:12:04,410 --> 00:12:02,470

months and months yeah that's a

290

00:12:07,410 --> 00:12:04,420

mind-blower that's not a you know a

291

00:12:09,990 --> 00:12:07,420

fluke or freak signing or I mean that

292

00:12:12,300 --> 00:12:10,000

that is that's heavy-duty contact you

293

00:12:15,180 --> 00:12:12,310

know and in fact I think that way they

294

00:12:18,090 --> 00:12:15,190

put it is they said we were stocked for

295

00:12:19,889 --> 00:12:18,100

months by these things so that is that's

296

00:12:21,900 --> 00:12:19,899

a that's a concerning thing especially

297

00:12:24,870 --> 00:12:21,910

when you're in the military and you're

298

00:12:26,879 --> 00:12:24,880

operating a you know practicing for war

299

00:12:29,519 --> 00:12:26,889

and you have you're being stalked by

300

00:12:33,329 --> 00:12:29,529

these things I'm sure that made quite an

301  
00:12:35,400 --> 00:12:33,339  
impression on them absolutely and you

302  
00:12:37,470 --> 00:12:35,410  
know it's great to see more pilots on

303  
00:12:39,360 --> 00:12:37,480  
the show talking about their personal

304  
00:12:42,449 --> 00:12:39,370  
encounters that's something you know

305  
00:12:45,740 --> 00:12:42,459  
that the the show is is you know very

306  
00:12:50,460 --> 00:12:45,750  
firmly behind they want to help these

307  
00:12:53,400 --> 00:12:50,470  
active and former military service

308  
00:12:55,559 --> 00:12:53,410  
people to be able to come out and talk

309  
00:12:58,980 --> 00:12:55,569  
about experiences they've had because

310  
00:13:00,600 --> 00:12:58,990  
like we're seeing it's it's common yeah

311  
00:13:02,639 --> 00:13:00,610  
people are has seeing these strange

312  
00:13:04,259 --> 00:13:02,649  
things they can't explain all the time

313  
00:13:07,829 --> 00:13:04,269

and it's not just a handful of people

314

00:13:10,019 --> 00:13:07,839

here and there it's a lot of people who

315

00:13:12,660 --> 00:13:10,029

do during their service are seeing these

316

00:13:16,170 --> 00:13:12,670

things in the sky yeah think about the

317

00:13:18,720 --> 00:13:16,180

power of that testimony from those kinds

318

00:13:21,809 --> 00:13:18,730

of people those witnesses that's that is

319

00:13:23,490 --> 00:13:21,819

strong evidence right and we do want to

320

00:13:25,679 --> 00:13:23,500

point out you know we have to remember

321

00:13:28,410 --> 00:13:25,689

that everything these guys are saying on

322

00:13:30,720 --> 00:13:28,420

the show because their active duty has

323

00:13:33,059 --> 00:13:30,730

to be okayed by the Navy and the DoD so

324

00:13:35,370 --> 00:13:33,069

the DoD okayed what we're seeing on the

325

00:13:37,980 --> 00:13:35,380

show just keep that in mind yeah good

326

00:13:40,980 --> 00:13:37,990

point and you know something I like

327

00:13:42,780 --> 00:13:40,990

seeing too but it's also you know a

328

00:13:45,990 --> 00:13:42,790

little confusing

329

00:13:49,470 --> 00:13:46,000

I understand why but we see Luz

330

00:13:51,600 --> 00:13:49,480

continuing a struggle and frustration

331

00:13:54,120 --> 00:13:51,610

with his efforts

332

00:13:55,790 --> 00:13:54,130

you know worrying that he you know

333

00:13:58,770 --> 00:13:55,800

through these efforts he's going to look

334

00:14:01,080 --> 00:13:58,780

disingenuous in his quest right because

335

00:14:03,330 --> 00:14:01,090

he keeps getting up the fact that you

336

00:14:04,800 --> 00:14:03,340

know he can't disclose or he can't break

337

00:14:08,100 --> 00:14:04,810

his his security oaths

338

00:14:11,100 --> 00:14:08,110

he may know other things but he can't

339

00:14:12,870 --> 00:14:11,110

divulge that but he still has to go down

340

00:14:15,210 --> 00:14:12,880

this this course and try to find

341

00:14:18,630 --> 00:14:15,220

information even though he might already

342

00:14:20,430 --> 00:14:18,640

have the information so you know he's

343

00:14:23,430 --> 00:14:20,440

self identifying that that's a problem

344

00:14:25,860 --> 00:14:23,440

but it is kind of a confusing problem

345

00:14:27,960 --> 00:14:25,870

right this is the lead investigator on

346

00:14:30,150 --> 00:14:27,970

this show leading the viewer through

347

00:14:33,510 --> 00:14:30,160

this quest but at the same time he's

348

00:14:36,300 --> 00:14:33,520

kind of saying yeah I've done this and I

349

00:14:38,550 --> 00:14:36,310

kind of know some answers yeah I thought

350

00:14:40,710 --> 00:14:38,560

that was fascinating in fact he kind of

351

00:14:43,770 --> 00:14:40,720

got a little emotional I think along

352

00:14:48,000 --> 00:14:43,780

with that and you know but you know I

353

00:14:50,490 --> 00:14:48,010

think the the explanation for that that

354

00:14:53,400 --> 00:14:50,500

that to me it hit home and I thought was

355

00:14:56,820 --> 00:14:53,410

very reasonable and solid was was that

356

00:14:59,550 --> 00:14:56,830

what their effort really is is an effort

357

00:15:02,940 --> 00:14:59,560

to get Congress to listen to these

358

00:15:04,350 --> 00:15:02,950

accounts and when when he he was

359

00:15:06,630 --> 00:15:04,360

speaking there Chris Mellon they're

360

00:15:09,780 --> 00:15:06,640

explaining that you know this is a

361

00:15:11,820 --> 00:15:09,790

system and you have to work within the

362

00:15:14,730 --> 00:15:11,830

framework of that system so you just

363

00:15:17,280 --> 00:15:14,740

can't go thrown out the alien thing all

364

00:15:20,310 --> 00:15:17,290

the time you know you yet you know

365

00:15:22,580 --> 00:15:20,320

there's a specific way and specific

366

00:15:25,530 --> 00:15:22,590

words that you use when you approach

367

00:15:27,960 --> 00:15:25,540

Congress and these people so that you

368

00:15:31,350 --> 00:15:27,970

don't look crazy right that you're not

369

00:15:33,180 --> 00:15:31,360

violating your security oath but that

370

00:15:36,630 --> 00:15:33,190

you're bringing forth you know good

371

00:15:38,910 --> 00:15:36,640

witnesses and good data data and I think

372

00:15:40,380 --> 00:15:38,920

even one of the pilots said it was

373

00:15:43,740 --> 00:15:40,390

graves that you know he wants to

374

00:15:45,810 --> 00:15:43,750

communicate to to Congress that you know

375

00:15:48,480 --> 00:15:45,820

I'm bringing you the facts of the things

376

00:15:50,670 --> 00:15:48,490

that I saw I'm bringing you the data I'm

377

00:15:53,100 --> 00:15:50,680

not giving you an opinion on what it was

378

00:15:54,720 --> 00:15:53,110

and you you need to make that decision

379

00:15:56,160 --> 00:15:54,730

you know so I thought that was really

380

00:15:58,320 --> 00:15:56,170

good explaining why

381

00:16:01,560 --> 00:15:58,330

they're tippy-toeing all around this

382

00:16:04,020 --> 00:16:01,570

thing it's because the ultimate goal is

383

00:16:06,180 --> 00:16:04,030

to get Congress to take some action and

384

00:16:08,970 --> 00:16:06,190

to do that you just got it you got to

385

00:16:10,980 --> 00:16:08,980

work within the framework of the system

386

00:16:14,490 --> 00:16:10,990

so I really thought that was an

387

00:16:17,430 --> 00:16:14,500

excellent explanation right and we saw

388

00:16:19,010 --> 00:16:17,440

mellon bring up a point that we've made

389

00:16:24,060 --> 00:16:19,020

on a previous episode and that is

390

00:16:25,500 --> 00:16:24,070

Congress is the place you go to when you

391

00:16:28,860 --> 00:16:25,510

want money right there that there the

392

00:16:31,340 --> 00:16:28,870

cheque writers so you know to get things

393

00:16:34,140 --> 00:16:31,350

done you've got to convince Congress and

394

00:16:35,550 --> 00:16:34,150

this is the whole funny thing to like

395

00:16:38,730 --> 00:16:35,560

try to wrap your head around in this

396

00:16:41,540 --> 00:16:38,740

whole unraveling or trying to unravel

397

00:16:46,020 --> 00:16:41,550

this mystery and that is keep in mind

398

00:16:48,030 --> 00:16:46,030

according to Lou and other people

399

00:16:50,460 --> 00:16:48,040

involved the Pentagon is still running

400

00:16:52,230 --> 00:16:50,470

its UFO program so yeah they already

401  
00:16:55,800 --> 00:16:52,240  
have people on the inside who are

402  
00:16:57,480 --> 00:16:55,810  
looking into the UFOs and they're

403  
00:17:01,830 --> 00:16:57,490  
already aware of it they're already

404  
00:17:04,560 --> 00:17:01,840  
doing whatever they're doing so you know

405  
00:17:06,630 --> 00:17:04,570  
that's interesting but yeah we're doing

406  
00:17:09,329 --> 00:17:06,640  
this end around trying to get Congress

407  
00:17:12,210 --> 00:17:09,339  
to do something that maybe is different

408  
00:17:15,170 --> 00:17:12,220  
from what the Pentagon's are doing well

409  
00:17:17,970 --> 00:17:15,180  
yeah it's it's really to move it from

410  
00:17:20,189 --> 00:17:17,980  
secrecy to public right that I mean that

411  
00:17:21,449 --> 00:17:20,199  
that's that's that the real effort and

412  
00:17:23,400 --> 00:17:21,459  
that's probably what Lou is talking

413  
00:17:25,620 --> 00:17:23,410

about when he's saying you know I know

414

00:17:27,990 --> 00:17:25,630

things I can't divulge I mean it's the

415

00:17:30,780 --> 00:17:28,000

secret part or sensitive or whatever

416

00:17:33,510 --> 00:17:30,790

term you want to use that you just can't

417

00:17:35,220 --> 00:17:33,520

blurt out yet and even within Congress

418

00:17:37,650 --> 00:17:35,230

you've got to bring those people along

419

00:17:39,600 --> 00:17:37,660

carefully so and then you know the other

420

00:17:40,800 --> 00:17:39,610

thing that was kind of interesting is we

421

00:17:43,650 --> 00:17:40,810

got to see a little more of that

422

00:17:46,100 --> 00:17:43,660

Steve justice I'm thinking yep that's a

423

00:17:48,780 --> 00:17:46,110

serious dude right there just his whole

424

00:17:51,180 --> 00:17:48,790

mannerism and and the way he was

425

00:17:53,370 --> 00:17:51,190

speaking you know and he impressed me as

426

00:17:56,760 --> 00:17:53,380

a guy that you know he knows some stuff

427

00:17:59,130 --> 00:17:56,770

- oh absolutely he does yeah I loved

428

00:18:00,960 --> 00:17:59,140

when when I see these - justice come on

429

00:18:04,200 --> 00:18:00,970

this Korean well oh yay talk to that guy

430

00:18:05,470 --> 00:18:04,210

more yeah he's serious as a heart attack

431

00:18:08,350 --> 00:18:05,480

but you know

432

00:18:10,539 --> 00:18:08,360

I like I like to the way that the their

433

00:18:12,430 --> 00:18:10,549

conversation went the work we're at

434

00:18:14,669 --> 00:18:12,440

first are kind of talking about the

435

00:18:18,190 --> 00:18:14,679

possibility of this being you know

436

00:18:19,899 --> 00:18:18,200

American or Chinese or Russian and you

437

00:18:21,610 --> 00:18:19,909

know we can't discount that possibility

438

00:18:24,340 --> 00:18:21,620

and they kind of flirt with that for a

439

00:18:26,169 --> 00:18:24,350

minute or two but then they they you

440

00:18:28,990 --> 00:18:26,179

know kind of flip it around say but you

441

00:18:30,850 --> 00:18:29,000

know really the evidence suggests that

442

00:18:32,860 --> 00:18:30,860

that's not the case in fact I think Lou

443

00:18:35,440 --> 00:18:32,870

even said look the Russians and in

444

00:18:37,360 --> 00:18:35,450

Chinese they're in the same boat we are

445

00:18:39,190 --> 00:18:37,370

we don't know what this is

446

00:18:41,620 --> 00:18:39,200

so yeah but that that was kind of a cool

447

00:18:44,169 --> 00:18:41,630

little clue right there right but at the

448

00:18:47,529 --> 00:18:44,179

same time we're seeing them float that

449

00:18:49,269 --> 00:18:47,539

more and more I am noticing that that

450

00:18:52,120 --> 00:18:49,279

they're they're bringing up the the

451  
00:18:54,639 --> 00:18:52,130  
terrestrial explanation more and more

452  
00:18:56,169 --> 00:18:54,649  
and so are the mainstream articles that

453  
00:18:59,950 --> 00:18:56,179  
we're seeing pushed out in conjunction

454  
00:19:01,930 --> 00:18:59,960  
with us and so that is interesting so

455  
00:19:04,750 --> 00:19:01,940  
we'll keep an eye on that and also

456  
00:19:07,899 --> 00:19:04,760  
something else too is you know it's

457  
00:19:10,750 --> 00:19:07,909  
interesting hearing the stories that

458  
00:19:13,509 --> 00:19:10,760  
came especially from from Danny from

459  
00:19:18,299 --> 00:19:13,519  
lieutenant coin that you know at least

460  
00:19:21,789 --> 00:19:18,309  
according to him a lot of people aboard

461  
00:19:24,460 --> 00:19:21,799  
ship were aware of these UFOs and he

462  
00:19:26,379 --> 00:19:24,470  
even comments about an admiral who

463  
00:19:29,769 --> 00:19:26,389

allegedly came in and watched one of the

464

00:19:32,500 --> 00:19:29,779

videos and was sort of unimpressed or

465

00:19:36,490 --> 00:19:32,510

unfazed like credible and then walked

466

00:19:37,899 --> 00:19:36,500

out yeah so I mean that to me and

467

00:19:40,090 --> 00:19:37,909

especially if these things are happening

468

00:19:42,789 --> 00:19:40,100

on a daily basis with you know multiple

469

00:19:45,669 --> 00:19:42,799

objects and all of your pilots and stuff

470

00:19:48,879 --> 00:19:45,679

and people all over these vessels know

471

00:19:51,190 --> 00:19:48,889

about these objects that tells me that

472

00:19:53,159 --> 00:19:51,200

you know the Navy it's not a not an

473

00:19:55,419 --> 00:19:53,169

issue of pilots not coming forward to

474

00:19:56,860 --> 00:19:55,429

divulge these things it seems like

475

00:19:59,320 --> 00:19:56,870

they're very well aware that they're

476  
00:20:01,659 --> 00:19:59,330  
there and they just don't care yeah yeah

477  
00:20:03,610 --> 00:20:01,669  
and I think um I mean honestly this is

478  
00:20:06,519 --> 00:20:03,620  
kind of just personally my take on that

479  
00:20:11,560 --> 00:20:06,529  
whole why they keep pushing that is is

480  
00:20:14,529 --> 00:20:11,570  
again to you know not not run up the

481  
00:20:17,409 --> 00:20:14,539  
stigma flag but just you know give

482  
00:20:17,830 --> 00:20:17,419  
people and out you know congressman and

483  
00:20:19,899 --> 00:20:17,840  
Millett

484  
00:20:22,659 --> 00:20:19,909  
arian intelligence officials by

485  
00:20:25,659 --> 00:20:22,669  
continuing to say you know threat and

486  
00:20:29,140 --> 00:20:25,669  
could be you know Chinese or Russian or

487  
00:20:32,019 --> 00:20:29,150  
our own that gives people some cover to

488  
00:20:33,880 --> 00:20:32,029

to go ahead and openly consider this a

489

00:20:36,460 --> 00:20:33,890

possibility you know I'm saying it's

490

00:20:39,419 --> 00:20:36,470

like it's a safe way it's working within

491

00:20:43,000 --> 00:20:39,429

that framework and that system however

492

00:20:47,039 --> 00:20:43,010

it is curious to me as when the point

493

00:20:49,960 --> 00:20:47,049

comes when that no longer works because

494

00:20:52,870 --> 00:20:49,970

you know that so much data so many

495

00:20:55,299 --> 00:20:52,880

people come forward that the that

496

00:20:57,639 --> 00:20:55,309

explanation is not going to work like

497

00:21:00,310 --> 00:20:57,649

that it'll be interesting to see where

498

00:21:02,529 --> 00:21:00,320

this whole thing goes it will be and you

499

00:21:05,230 --> 00:21:02,539

know I like this approach I really do

500

00:21:08,799 --> 00:21:05,240

but I also have to keep in mind you know

501  
00:21:10,389 --> 00:21:08,809  
I have a little little bit of fear that

502  
00:21:12,669 --> 00:21:10,399  
this could all backfire

503  
00:21:16,600 --> 00:21:12,679  
oh yeah right because I mean if it does

504  
00:21:18,460 --> 00:21:16,610  
come out that the Navy says hey just

505  
00:21:20,380 --> 00:21:18,470  
kidding that was our technology we were

506  
00:21:22,210 --> 00:21:20,390  
testing this you know secret radar

507  
00:21:23,950 --> 00:21:22,220  
reflecting technology and that's why it

508  
00:21:26,110 --> 00:21:23,960  
was at all of our test sites and

509  
00:21:28,840 --> 00:21:26,120  
following the ships and everything like

510  
00:21:30,789 --> 00:21:28,850  
and we were just testing how it would

511  
00:21:33,730 --> 00:21:30,799  
work number one with our technology and

512  
00:21:36,220 --> 00:21:33,740  
what kind of reaction our own people

513  
00:21:38,110 --> 00:21:36,230

would have and you know to this stuff if

514

00:21:41,639 --> 00:21:38,120

that all comes out after all of this

515

00:21:44,230 --> 00:21:41,649

effort that could do more harm than good

516

00:21:45,639 --> 00:21:44,240

building up UFOs and trying to get

517

00:21:47,560 --> 00:21:45,649

people to take it seriously and

518

00:21:49,630 --> 00:21:47,570

demonstrating that there's you know

519

00:21:52,149 --> 00:21:49,640

otherworldly technology at play here

520

00:21:54,940 --> 00:21:52,159

then only to have them say yeah that's

521

00:21:57,310 --> 00:21:54,950

us then that balloon is deflated and I

522

00:22:01,210 --> 00:21:57,320

don't yeah get back up after that no and

523

00:22:03,130 --> 00:22:01,220

that's a right out of the 1953 Robertson

524

00:22:05,350 --> 00:22:03,140

panel playbook yeah absolutely it is

525

00:22:07,779 --> 00:22:05,360

yeah and they've been doing it for 70

526

00:22:10,090 --> 00:22:07,789

years so yeah I don't want to be a

527

00:22:13,419 --> 00:22:10,100

pessimist so I mean optimistic

528

00:22:15,820 --> 00:22:13,429

yeah I agree but you know even if that

529

00:22:18,310 --> 00:22:15,830

does happen the so many seeds have been

530

00:22:22,149 --> 00:22:18,320

planted in so many new people a whole

531

00:22:24,990 --> 00:22:22,159

new generation you know i it won't ever

532

00:22:27,430 --> 00:22:25,000

go away and that if it's if they are

533

00:22:29,799 --> 00:22:27,440

UFOs that there's if there's someone

534

00:22:31,779 --> 00:22:29,809

else they have a say-so to you

535

00:22:35,469 --> 00:22:31,789

absolutely and that's why you know I

536

00:22:37,359 --> 00:22:35,479

really hope people do understand and pay

537

00:22:42,159 --> 00:22:37,369

more attention and and do more research

538

00:22:44,529 --> 00:22:42,169

and understand that it's not just the

539

00:22:46,959 --> 00:22:44,539

military right it's not just maybe

540

00:22:49,989 --> 00:22:46,969

fighter pilots seeing this it's people

541

00:22:51,849 --> 00:22:49,999

all over the world every day seeing

542

00:22:54,609 --> 00:22:51,859

strange things in the sky that can't

543

00:22:58,149 --> 00:22:54,619

explain this is a global thing that

544

00:22:59,469 --> 00:22:58,159

happens to absolutely everybody so even

545

00:23:01,509 --> 00:22:59,479

if the military comes up with an

546

00:23:04,359 --> 00:23:01,519

explanation for what they've been

547

00:23:06,549 --> 00:23:04,369

pushing in three videos that were

548

00:23:08,950 --> 00:23:06,559

released by the Pentagon that doesn't

549

00:23:11,169 --> 00:23:08,960

mean that all UFOs are after s real

550

00:23:14,739 --> 00:23:11,179

origin ya can't just wipe that away

551

00:23:16,810 --> 00:23:14,749

right it'd be probably the equivalent a

552

00:23:19,389 --> 00:23:16,820

modern-day equivalent of the whole swamp

553

00:23:20,469 --> 00:23:19,399

gas thing yeah that's right I think

554

00:23:21,820 --> 00:23:20,479

you're absolutely right

555

00:23:23,769 --> 00:23:21,830

it's not gonna happen Shane we're gonna

556

00:23:26,349 --> 00:23:23,779

keep our fingers crossed that's right

557

00:23:28,239 --> 00:23:26,359

pushing it through you got it well

558

00:23:29,499 --> 00:23:28,249

00:23:30,789 --> 00:23:29,509
