

**PETER
LEVENDA
ON
UFO
DISCLOSURE**

1

00:00:00,425 --> 00:00:03,655

You know, we're talking about Disclosure all the time.

2

00:00:03,885 --> 00:00:06,515

There's this demand that the government has disclosure.

3

00:00:06,515 --> 00:00:09,395

Discloses to us the truth about UFOs and the truth about alien contact!

4

00:00:11,100 --> 00:00:13,655

And I said we have to stop asking for that.

5

00:00:13,655 --> 00:00:14,915

Number one: We wouldn't trust it if it happened.

6

00:00:15,295 --> 00:00:17,005

Number two: It's not going to happen.

7

00:00:17,385 --> 00:00:20,365

I mean, there's no margin in it for the government to come out and say something like this.

8

00:00:21,000 --> 00:00:25,100

They'd have to explain the last 70 years at least—since 47, you know.

9

00:00:25,400 --> 00:00:27,800

And actually come out and explain it. They're not going to do that.

10

00:00:28,000 --> 00:00:30,400

If they do, it's going to be piecemeal—a little bit here, a little bit there.

11

00:00:30,580 --> 00:00:31,980

And it's going to cause more problems.

12

00:00:32,240 --> 00:00:36,660

So, from my point of view, as I'm looking at the literature and I'm listening to people,

13

00:00:36,860 --> 00:00:39,860

I realize that disclosure is happening, and it's happening every day.

14

00:00:40,320 --> 00:00:43,200

And it's happening from the bottom up, not from the top down.

15

00:00:43,780 --> 00:00:48,280

If there is alien contact, they're not going to land a UFO on the White House lawn.

16

00:00:48,560 --> 00:00:52,900

But they're landing in your backyard. They're talking to the people directly.

17

00:00:53,320 --> 00:00:58,760

There's communication that's direct. People witness a UFO flight, or they they feel they have a contact experie

18

00:00:59,020 --> 00:01:01,700

This is disclosure. We don't need the government to do it.

19

00:01:01,980 --> 00:01:08,600

Because there's this preconception that the government controls the communication, that they control the alien

20

00:01:09,080 --> 00:01:12,120

The government wants us to think that they're in control of a situation.

21

00:01:12,560 --> 00:01:15,820

That's obviously not true. Obviously not true.

22

00:01:16,140 --> 00:01:19,340

So if it's not true, if the aliens are controlling communication,

23

00:01:19,340 --> 00:01:22,340

the government, it's just . . . it's just a dance they're doing, you know

24

00:01:22,540 --> 00:01:27,420

it's just a slow Tango in front of us. "Don't look over there, look over here where we're dancing."

25

00:01:27,920 --> 00:01:32,020

And, what's happening is people have the mistrust of the government,

26
00:01:32,220 --> 00:01:34,860
but they started to mistrust themselves, you know?

27
00:01:35,500 --> 00:01:38,200
They desperately want you to believe that they have experienced this.

28
00:01:38,400 --> 00:01:40,840
I have not experienced by UFO in my entire life.

29
00:01:41,080 --> 00:01:45,280
I don't need to to look at the data, and to come away with the conclusion

30
00:01:45,440 --> 00:01:47,580
that there is something very serious happening.

31
00:01:47,580 --> 00:01:51,340
If you're a scientist, if you're a rational person, and you look at all this data,

32
00:01:51,680 --> 00:01:55,740
you have to come away with the thought: Okay, what's Occam's razor?

33
00:01:56,200 --> 00:01:58,860
The simplest explanation has to be the right one.

34
00:01:58,980 --> 00:02:01,480
And the simplest explanation is that there's alien contact.

35
00:02:01,880 --> 00:02:05,060
Any other explanation is going to be so contorted and convoluted

36
00:02:05,260 --> 00:02:07,220
that it doesn't make any sense.

37
00:02:07,420 --> 00:02:09,060
Not to a scientist, or to anyone else.

38
00:02:09,320 --> 00:02:13,060

So the people understand that disclosure is happening, and they just have to accept it.
