1
00:00:02,890 --> 00:00:01,640
greetings citizens and welcome to

2
00:00:04,850 --> 00:00:02,900
unknown

3
00:00:06,260 --> 00:00:04,860
[Music]

4
00:00:24,820 --> 00:00:06,270
[Applause]

5
00:00:27,159 --> 00:00:24,830
[Music]

6
00:00:29,259 --> 00:00:27,169
I'm Jason McClellan I'm here with Ryan

7
00:00:31,390 --> 00:00:29,269
Sprague and Shane herd thanks for

8
00:00:34,150 --> 00:00:31,400
hanging out with us today today we're

9
00:00:36,310 --> 00:00:34,160
having a casual conversation about that

10
00:00:38,979 --> 00:00:36,320
thing that just won't leave the

11
00:00:42,160 --> 00:00:38,989
headlines and that is it the whole storm

12
00:00:44,380 --> 00:00:42,170
area51 business i suspect you already

13
00:00:47,229 --> 00:00:44,390

know what that is but if you're not

14

00:00:49,420 --> 00:00:47,239

familiar with it the storm area51 thing

15

00:00:51,490 --> 00:00:49,430

started as a joke that this guy named

16

00:00:54,610 --> 00:00:51,500

Mattie Roberts posted the Facebook on

17

00:00:56,619 --> 00:00:54,620

June 27th of this year what he did was

18

00:00:57,639 --> 00:00:56,629

create an event on Facebook titled storm

19

00:00:59,830 --> 00:00:57,649

area 51

20

00:01:01,630 --> 00:00:59,840

they can't stop all of us and the

21

00:01:03,880 --> 00:01:01,640

description for the event simply stated

22

00:01:06,340 --> 00:01:03,890

we will all meet up in rural Nevada and

23

00:01:08,350 --> 00:01:06,350

coordinate our parties if we Naruto run

24

00:01:10,840 --> 00:01:08,360

we can move faster than their bullets

25

00:01:12,400 --> 00:01:10,850

let's see them aliens well Roberts has

26
00:01:14,260 --> 00:01:12,410
admitted that he created the event as a

27
00:01:15,999 --> 00:01:14,270
joke after watching area 51

28
00:01:17,350 --> 00:01:16,009
whistleblower bob lazar and filmmaker

29
00:01:20,109 --> 00:01:17,360
jeremy Korb on the Joe Rogan

30
00:01:22,600 --> 00:01:20,119
experience but that didn't stop the

31
00:01:24,790 --> 00:01:22,610
event from spreading like wildfire

32
00:01:27,490 --> 00:01:24,800
millions of people signed up for the

33
00:01:30,760 --> 00:01:27,500
event and media outlets around the world

34
00:01:34,749 --> 00:01:30,770
ran with stories about this storm area51

35
00:01:36,760 --> 00:01:34,759
event who initially before people were

36
00:01:39,880 --> 00:01:36,770
really realizing that this was just a

37
00:01:41,979 --> 00:01:39,890
joke it was even prompting responses

38
00:01:43,960 --> 00:01:41,989

from the military warning against any

39

00:01:47,199 --> 00:01:43,970

attempted action at the secret facility

40

00:01:48,580 --> 00:01:47,209

but many of us rolled our eyes at this

41

00:01:51,760 --> 00:01:48,590

thing from the very beginning

42

00:01:53,619 --> 00:01:51,770

and suspected that if anybody actually

43

00:01:54,309 --> 00:01:53,629

showed up on the date of the supposed

44

00:01:56,589 --> 00:01:54,319

event

45

00:01:58,419 --> 00:01:56,599

September 20th it would just be a few

46

00:02:01,990 --> 00:01:58,429

people who would hang out grab drinks

47

00:02:03,729 --> 00:02:02,000

and talk about UFOs no storming even

48

00:02:05,949 --> 00:02:03,739

further some of us speculated from the

49

00:02:08,290 --> 00:02:05,959

start that if anything materialized with

50

00:02:10,749 --> 00:02:08,300

this whole thing it would just wind up

51
00:02:12,490 --> 00:02:10,759
being a Woodstock type gathering well

52
00:02:14,020 --> 00:02:12,500
fast forward to today

53
00:02:17,500 --> 00:02:14,030
that's essentially what it's become

54
00:02:20,800 --> 00:02:17,510
storm area 51 has become an event called

55
00:02:23,949 --> 00:02:20,810
alien stock and there are spin-off

56
00:02:27,610 --> 00:02:23,959
events to storm area 51 base camp and

57
00:02:30,400 --> 00:02:27,620
peace stock 51 are two of the other

58
00:02:33,670 --> 00:02:30,410
events allegedly taking place on the

59
00:02:37,570 --> 00:02:33,680
same weekend so this thing is a giant

60
00:02:38,240 --> 00:02:37,580
cluster and like I said this thing just

61
00:02:40,670 --> 00:02:38,250
won't get

62
00:02:43,280 --> 00:02:40,680
the headlines I mean just this morning

63
00:02:44,710 --> 00:02:43,290

we're recording this on Saturday and

64

00:02:48,410 --> 00:02:44,720

just this morning

65

00:02:50,750 --> 00:02:48,420

HLN did a segment on storm area 51 and

66

00:02:52,250 --> 00:02:50,760

they interviewed Roberts so I mean we're

67

00:02:55,850 --> 00:02:52,260

seeing this in the headlines every day

68

00:02:58,490 --> 00:02:55,860

new details about the local authorities

69

00:03:00,470 --> 00:02:58,500

and the actions they're taking so what

70

00:03:02,990 --> 00:03:00,480

we wanted to do today is just take off

71

00:03:04,760 --> 00:03:03,000

our journalistic hats and just have a

72

00:03:08,390 --> 00:03:04,770

frank discussion about this thing and

73

00:03:10,880 --> 00:03:08,400

share some of our personal opinions so

74

00:03:16,729 --> 00:03:10,890

first guys are either of you going to

75

00:03:20,690 --> 00:03:16,739

any of these events I was actually going

76

00:03:24,290 --> 00:03:20,700

to go to the storm area 51 base camp

77

00:03:27,940 --> 00:03:24,300

event I was asked to come out there and

78

00:03:30,410 --> 00:03:27,950

and speak at that one Jason but I I

79

00:03:32,870 --> 00:03:30,420

completely forgot to check my calendar

80

00:03:36,890 --> 00:03:32,880

and I'm doing another conference that

81

00:03:38,570 --> 00:03:36,900

exact same weekend so I've been you know

82

00:03:39,440 --> 00:03:38,580

signed on to do this other event for

83

00:03:41,630 --> 00:03:39,450

almost a year now

84

00:03:43,850 --> 00:03:41,640

yeah I've been super excited and stoked

85

00:03:46,120 --> 00:03:43,860

about it I'm meeting like John Tenney

86

00:03:48,620 --> 00:03:46,130

and Nick Redfern for the first time ever

87

00:03:50,449 --> 00:03:48,630

Cheryl cost is gonna be there so I was

88

00:03:54,500 --> 00:03:50,459

like I can't I can't I just can't give

89

00:03:58,070 --> 00:03:54,510

it up to go to presumably what could be

90

00:04:00,320 --> 00:03:58,080

a disaster or or on the flip side it

91

00:04:02,960 --> 00:04:00,330

could be something super big and fun but

92

00:04:05,780 --> 00:04:02,970

yeah yeah I was originally gonna go but

93

00:04:07,190 --> 00:04:05,790

yeah and unfortunately I can't what

94

00:04:10,940 --> 00:04:07,200

about you Shane are you making the trek

95

00:04:14,330 --> 00:04:10,950

out to area 51 I'm not and I guess my

96

00:04:17,380 --> 00:04:14,340

opinion has been expressed on Facebook

97

00:04:22,760 --> 00:04:17,390

frequently and I basically have said

98

00:04:28,430 --> 00:04:22,770

stay home stay free and you know stay

99

00:04:30,290 --> 00:04:28,440

alive but obviously the the the tenor of

100

00:04:32,420 --> 00:04:30,300

it and everything has changed that was

101
00:04:35,330 --> 00:04:32,430
that was when it was actually storm area

102
00:04:37,159 --> 00:04:35,340
51 however now you know I'd be kind of

103
00:04:40,280 --> 00:04:37,169
cool probably it's gonna probably end up

104
00:04:42,230 --> 00:04:40,290
being a big party who knows but no I'm

105
00:04:44,090 --> 00:04:42,240
not planning on going yeah I think stay

106
00:04:45,950 --> 00:04:44,100
home is some good advice and a lot of

107
00:04:47,990 --> 00:04:45,960
people have been been offering that

108
00:04:49,880 --> 00:04:48,000
advice I know both of you have actually

109
00:04:51,350 --> 00:04:49,890
been to the area you both have been

110
00:04:53,749 --> 00:04:51,360
right there at area

111
00:04:56,360 --> 00:04:53,759
and Ryan you've been there recently so

112
00:04:59,179 --> 00:04:56,370
for people who aren't familiar sort of

113
00:05:01,969 --> 00:04:59,189

described the area you know that whole

114

00:05:03,770 --> 00:05:01,979

surrounding it it's a schlep to get out

115

00:05:07,520 --> 00:05:03,780

there first of all but but describe the

116

00:05:09,409 --> 00:05:07,530

area around everyone I mean I I was

117

00:05:11,510 --> 00:05:09,419

pretty naive too when I got out there

118

00:05:14,179 --> 00:05:11,520

you know I thought like oh it's gonna be

119

00:05:16,730 --> 00:05:14,189

like a 10 15 20 minute ride from Las

120

00:05:20,659 --> 00:05:16,740

Vegas right little did I know how far

121

00:05:22,219 --> 00:05:20,669

Rachel actually is a small town ship I

122

00:05:25,100 --> 00:05:22,229

guess you can call it of Rachel Nevada

123

00:05:27,379 --> 00:05:25,110

it's not even a really a town it's one

124

00:05:30,230 --> 00:05:27,389

restaurant bar and a couple like

125

00:05:33,680 --> 00:05:30,240

trailers and tents in the back but um it

126

00:05:36,469 --> 00:05:33,690

it's a long drive man from any sort of

127

00:05:39,680 --> 00:05:36,479

civilization endless endless desert

128

00:05:40,369 --> 00:05:39,690

gorgeous absolutely beautiful drive but

129

00:05:42,619 --> 00:05:40,379

my god

130

00:05:44,869 --> 00:05:42,629

I drank two cups of coffee in Rachel and

131

00:05:47,089 --> 00:05:44,879

I had to get out and pee at least like

132

00:05:49,459 --> 00:05:47,099

four times before I actually got to

133

00:05:51,920 --> 00:05:49,469

anywhere even resembling a gate I read

134

00:05:55,580 --> 00:05:51,930

that that is an important point right

135

00:06:00,409 --> 00:05:55,590

because there is nothing there there's

136

00:06:02,779 --> 00:06:00,419

no gas stations no hotels no restaurants

137

00:06:04,219 --> 00:06:02,789

so ya know if you have to pee you do

138

00:06:06,890 --> 00:06:04,229

have to pull over the side of the road I

139

00:06:09,170 --> 00:06:06,900

mean can I can I add to Jason you gotta

140

00:06:11,119 --> 00:06:09,180

know where you're going yeah I we drove

141

00:06:14,180 --> 00:06:11,129

out to where we thought the gate was

142

00:06:16,369 --> 00:06:14,190

gonna be and we got lost we had to turn

143

00:06:19,430 --> 00:06:16,379

around and go back for two hours back to

144

00:06:22,879 --> 00:06:19,440

Rachel and get actual directions turn

145

00:06:25,850 --> 00:06:22,889

around and go and that's unlike just you

146

00:06:28,010 --> 00:06:25,860

know fumes of gas at that point so make

147

00:06:31,399 --> 00:06:28,020

sure your gas tanks are full and you

148

00:06:32,990 --> 00:06:31,409

have backup that's all I'm gonna say so

149

00:06:34,700 --> 00:06:33,000

you experienced a - Shane with your

150

00:06:38,450 --> 00:06:34,710

drive out there to do surprise you how

151

00:06:40,369 --> 00:06:38,460

sparse it is yeah absolutely it's a it's

152

00:06:42,290 --> 00:06:40,379

a good hour and a half drive or more and

153

00:06:45,800 --> 00:06:42,300

it's it's pretty desolate the whole way

154

00:06:48,529 --> 00:06:45,810

and and remember you know a good portion

155

00:06:51,260 --> 00:06:48,539

at least the last leg of the trek is on

156

00:06:53,990 --> 00:06:51,270

the new nuclear test site than Nevada

157

00:06:57,260 --> 00:06:54,000

nuclear test site well you're not gonna

158

00:06:59,719 --> 00:06:57,270

have civil Asian civilization on it on a

159

00:07:02,059 --> 00:06:59,729

nuclear test site and you go quite a

160

00:07:03,829 --> 00:07:02,069

ways in some really desolate desert and

161

00:07:05,060 --> 00:07:03,839

I mean you know I live in Arizona here

162

00:07:09,080 --> 00:07:05,070

and of course there's plenty of

163

00:07:11,870 --> 00:07:09,090

but the desert there is really sparse I

164

00:07:14,990 --> 00:07:11,880

mean you barely have any shrubbery at

165

00:07:17,570 --> 00:07:15,000

all and you know some cactus and very

166

00:07:20,630 --> 00:07:17,580

little of that even so I mean this is

167

00:07:24,350 --> 00:07:20,640

some really desolate stuff and that that

168

00:07:26,930 --> 00:07:24,360

Trek from I think I went to the back

169

00:07:29,090 --> 00:07:26,940

gate when I went and I would never have

170

00:07:32,360 --> 00:07:29,100

found it if it weren't for I had stopped

171

00:07:34,820 --> 00:07:32,370

at that little oh it's looks like a

172

00:07:36,350 --> 00:07:34,830

Quonset hut and has a big robot in front

173

00:07:38,690 --> 00:07:36,360

that guy I can't remember the name of it

174

00:07:40,700 --> 00:07:38,700

some aliens stopped or whatever I mean

175

00:07:42,290 --> 00:07:40,710

it's a cool kitchy story absolutely if

176

00:07:45,080 --> 00:07:42,300

you're gonna go stop by there see that

177

00:07:47,690 --> 00:07:45,090

guy support him and he used to work at

178

00:07:50,570 --> 00:07:47,700

area 51 and so he was super informative

179

00:07:52,730 --> 00:07:50,580

and very helpful and he gave us explicit

180

00:07:54,320 --> 00:07:52,740

directions and so we were able to get

181

00:07:57,650 --> 00:07:54,330

there you know in a pretty straight shot

182

00:08:01,190 --> 00:07:57,660

but again if you're going there I mean

183

00:08:03,620 --> 00:08:01,200

do not count on any service whatsoever I

184

00:08:06,890 --> 00:08:03,630

mean it there is nothing there and that

185

00:08:08,660 --> 00:08:06,900

little restaurant that raychel cool

186

00:08:10,670 --> 00:08:08,670

little bar and stuff and Pat she's

187

00:08:13,190 --> 00:08:10,680

really sweet and everything it's a neat

188

00:08:15,350 --> 00:08:13,200

little fun kitschy thing to do but that

189

00:08:17,780 --> 00:08:15,360

that is not going to support thousands

190

00:08:21,020 --> 00:08:17,790

of people in any way shape or form as

191

00:08:22,790 --> 00:08:21,030

far as I can tell yeah I don't know how

192

00:08:24,830 --> 00:08:22,800

they're gonna do that I mean they're

193

00:08:26,780 --> 00:08:24,840

expecting thousands of people to show up

194

00:08:29,600 --> 00:08:26,790

to what is this now we're up to like

195

00:08:32,839 --> 00:08:29,610

three events happening in the vicinity

196

00:08:34,370 --> 00:08:32,849

within 40 miles of one another so I

197

00:08:36,469 --> 00:08:34,380

don't know how they're gonna do it and

198

00:08:38,510 --> 00:08:36,479

we we've already heard like locals being

199

00:08:40,130 --> 00:08:38,520

like yeah come out here we're gonna be

200

00:08:42,860 --> 00:08:40,140

out there with our guns stopping yet

201
00:08:44,600 --> 00:08:42,870
it's not the government military that's

202
00:08:47,240 --> 00:08:44,610
gonna be stopping these people it's

203
00:08:50,840 --> 00:08:47,250
these small communities out there that

204
00:08:52,870 --> 00:08:50,850
are like no we don't watch out yeah it's

205
00:08:55,310 --> 00:08:52,880
really interesting reading the

206
00:08:58,520 --> 00:08:55,320
information on the websites for these

207
00:09:00,530 --> 00:08:58,530
events you know they have the same

208
00:09:02,330 --> 00:09:00,540
advice that you've been offering Ryan

209
00:09:05,120 --> 00:09:02,340
make sure that you have gas because

210
00:09:06,530 --> 00:09:05,130
there's no gas here make sure you have

211
00:09:10,400 --> 00:09:06,540
your supplies make sure you're prepared

212
00:09:15,320 --> 00:09:10,410
because we have nothing here so that's

213
00:09:17,850 --> 00:09:15,330

there but also fascinating is the town

214

00:09:20,220 --> 00:09:17,860

of Rachel or whatever it's called

215

00:09:22,499 --> 00:09:20,230

you know their own website he's warning

216

00:09:26,400 --> 00:09:22,509

people to stay away and with that very

217

00:09:29,009 --> 00:09:26,410

warning that you know people here aren't

218

00:09:33,119 --> 00:09:29,019

happy about this and they're gonna

219

00:09:34,769 --> 00:09:33,129

defend their property their there that

220

00:09:36,569 --> 00:09:34,779

the town themselves that they're they're

221

00:09:39,090 --> 00:09:36,579

warning people hey look you're gonna be

222

00:09:41,460 --> 00:09:39,100

faced with the landowners here and

223

00:09:43,499 --> 00:09:41,470

they're going to have their guns right

224

00:09:46,319 --> 00:09:43,509

right this is it's a major metropolitan

225

00:09:49,079 --> 00:09:46,329

area where everyone's like oh yeah just

226

00:09:50,819 --> 00:09:49,089

whatever like everyone's property is

227

00:09:52,859 --> 00:09:50,829

everyone's property at least here in New

228

00:09:55,019 --> 00:09:52,869

York like you're on top of one another

229

00:09:57,600 --> 00:09:55,029

but out there they take their land very

230

00:09:59,340 --> 00:09:57,610

seriously think about the the type of

231

00:10:02,789 --> 00:09:59,350

person who would live in a place like

232

00:10:03,780 --> 00:10:02,799

that imagine it's somebody who is there

233

00:10:08,699 --> 00:10:03,790

for a reason

234

00:10:10,949 --> 00:10:08,709

and they want their privacy we have I

235

00:10:13,139 --> 00:10:10,959

live on kind of the outskirts of Phoenix

236

00:10:16,769 --> 00:10:13,149

and there's a place called New River and

237

00:10:19,289 --> 00:10:16,779

just just for for fun you know on more

238

00:10:21,419 --> 00:10:19,299

than one occasion like the ATF and and

239

00:10:23,970 --> 00:10:21,429

you know it has to go out there and they

240

00:10:27,150 --> 00:10:23,980

find some prepper guy and he's got a

241

00:10:29,910 --> 00:10:27,160

shed sled dynamite I mean this is the

242

00:10:32,759 --> 00:10:29,920

kind of people who who they they on

243

00:10:35,579 --> 00:10:32,769

purpose live in a very remote area they

244

00:10:38,249 --> 00:10:35,589

don't want people near them and it's

245

00:10:40,439 --> 00:10:38,259

it's as serious as a heart attack so can

246

00:10:42,900 --> 00:10:40,449

you imagine living in that remote of an

247

00:10:43,799 --> 00:10:42,910

area no thanks I'm not messing with

248

00:10:46,259 --> 00:10:43,809

those folks

249

00:10:48,689 --> 00:10:46,269

ya know and that's smart that's very

250

00:10:51,689 --> 00:10:48,699

smart of you Shane yeah there's no

251
00:10:53,309 --> 00:10:51,699
reason to you so here's something I want

252
00:10:57,749 --> 00:10:53,319
to bring up and and talk about a little

253
00:11:00,480 --> 00:10:57,759
bit and that is the whole aspect of this

254
00:11:04,109 --> 00:11:00,490
generating the hype the hoopla that it

255
00:11:07,259 --> 00:11:04,119
has you know we can't get away from

256
00:11:09,329 --> 00:11:07,269
seeing it in the headlines now we it's

257
00:11:12,960 --> 00:11:09,339
been that way for you know at least a

258
00:11:15,749 --> 00:11:12,970
month now and just prior to that you

259
00:11:18,409 --> 00:11:15,759
know we had this huge momentum where a

260
00:11:21,869 --> 00:11:18,419
lot of people and I don't necessarily

261
00:11:26,489 --> 00:11:21,879
ascribe to this opinion but a lot of

262
00:11:28,319 --> 00:11:26,499
people were celebrating all of the UFO

263
00:11:29,610 --> 00:11:28,329

headlines that we'd seen in mainstream

264

00:11:33,720 --> 00:11:29,620

media

265

00:11:38,189 --> 00:11:33,730

in recent months related to the navy's

266

00:11:41,910 --> 00:11:38,199

UFO videos a tip all that stuff and and

267

00:11:43,410 --> 00:11:41,920

to the stars their television show but

268

00:11:45,629 --> 00:11:43,420

you know a lot of people and the thing i

269

00:11:47,519 --> 00:11:45,639

don't necessarily agree with is that oh

270

00:11:51,299 --> 00:11:47,529

yeah we're finally seeing mainstream

271

00:11:53,939 --> 00:11:51,309

media report on ufos we're seeing an

272

00:11:56,069 --> 00:11:53,949

uptick in the number of stories about

273

00:11:57,689 --> 00:11:56,079

UFOs and you know my position has always

274

00:11:59,759 --> 00:11:57,699

been that there are always stories about

275

00:12:01,110 --> 00:11:59,769

UFOs that's not anything new and yes

276

00:12:04,460 --> 00:12:01,120

media outlets around the world even

277

00:12:07,049 --> 00:12:04,470

mainstream that the main players

278

00:12:10,439 --> 00:12:07,059

constantly write about UFOs it's not not

279

00:12:12,210 --> 00:12:10,449

something new this particular story was

280

00:12:14,309 --> 00:12:12,220

cool because it was coming from official

281

00:12:16,829 --> 00:12:14,319

channels it was about the military about

282

00:12:18,449 --> 00:12:16,839

the navy and about congressional people

283

00:12:20,160 --> 00:12:18,459

being briefed and things like that so

284

00:12:22,230 --> 00:12:20,170

that was all very exciting very very

285

00:12:24,030 --> 00:12:22,240

high level things that seemed to be

286

00:12:27,989 --> 00:12:24,040

happening at a rapid pace that was all

287

00:12:30,210 --> 00:12:27,999

very cool but right after that we get

288

00:12:35,309 --> 00:12:30,220

bombarded with headlines about storm

289

00:12:36,869 --> 00:12:35,319

area 51 show us them aliens and by the

290

00:12:38,790 --> 00:12:36,879

way we're going to just have a music

291

00:12:42,360 --> 00:12:38,800

festival with a bunch of weirdos in the

292

00:12:44,519 --> 00:12:42,370

desert and i haven't heard those same

293

00:12:47,129 --> 00:12:44,529

people saying hey yay look the

294

00:12:48,480 --> 00:12:47,139

mainstream media is writing about UFOs

295

00:12:51,840 --> 00:12:48,490

and writing about aliens and writing

296

00:12:54,540 --> 00:12:51,850

about area 51 it probably for good

297

00:12:56,819 --> 00:12:54,550

reason because you know this is making i

298

00:12:59,369 --> 00:12:56,829

mean it's it's a goofy thing it deserves

299

00:13:02,100 --> 00:12:59,379

to be ripped on a bit you've got a bunch

300

00:13:04,679 --> 00:13:02,110

of you know kind of out there people and

301
00:13:06,480 --> 00:13:04,689
you know I love you UFO community I do

302
00:13:08,549 --> 00:13:06,490
but this isn't necessarily the UFO

303
00:13:11,040 --> 00:13:08,559
community right the guy who's starting

304
00:13:13,079 --> 00:13:11,050
this is a young college guys a gamer

305
00:13:14,699 --> 00:13:13,089
it's just like you know like a lot of

306
00:13:18,749 --> 00:13:14,709
people in the general public we're all

307
00:13:21,960 --> 00:13:18,759
yeah UFOs and you know that's cool and

308
00:13:24,030 --> 00:13:21,970
it has its place but you know when we're

309
00:13:27,210 --> 00:13:24,040
coming off of something where UFOs are

310
00:13:29,280 --> 00:13:27,220
finally being taken seriously to now all

311
00:13:32,220 --> 00:13:29,290
the UFO talk is they're a bunch of

312
00:13:34,079 --> 00:13:32,230
wackos going to the desert you know

313
00:13:36,449 --> 00:13:34,089

destroying this tiny town and they're

314

00:13:38,759 --> 00:13:36,459

just gonna get high and have sex with

315

00:13:41,699 --> 00:13:38,769

each other and go yeah man

316

00:13:42,700 --> 00:13:41,709

aliens are cool what do you think that

317

00:13:47,800 --> 00:13:42,710

does to the

318

00:13:50,250 --> 00:13:47,810

the perceived momentum for getting UFOs

319

00:13:53,680 --> 00:13:50,260

taken seriously in the general public

320

00:13:57,850 --> 00:13:53,690

well I mean we are our own worst enemies

321

00:14:00,790 --> 00:13:57,860

when it comes to the UFO Kane and I hate

322

00:14:02,230 --> 00:14:00,800

to say that but it's true I mean one

323

00:14:06,400 --> 00:14:02,240

minute we're getting congressional

324

00:14:09,580 --> 00:14:06,410

hearings possibly we're getting really

325

00:14:12,100 --> 00:14:09,590

solid documented things credible things

326

00:14:14,140 --> 00:14:12,110

like what Tom DeLonge has done and then

327

00:14:16,840 --> 00:14:14,150

you know you turn around the next week

328

00:14:18,940 --> 00:14:16,850

and you've got storm area 51 or you've

329

00:14:22,690 --> 00:14:18,950

got the bob lazar story creeping up

330

00:14:25,060 --> 00:14:22,700

again and look I I'm actually on the

331

00:14:27,910 --> 00:14:25,070

side of believing a lot of what Bob

332

00:14:30,070 --> 00:14:27,920

Lazar says but I also can't pretend to

333

00:14:35,260 --> 00:14:30,080

know how much baggage comes with that as

334

00:14:37,150 --> 00:14:35,270

well and there's so much discredited

335

00:14:39,010 --> 00:14:37,160

stuff that's come out of the Bob Lazar

336

00:14:41,770 --> 00:14:39,020

story which is what most people know

337

00:14:44,710 --> 00:14:41,780

about area 51 not the top secret you

338

00:14:48,160 --> 00:14:44,720

know f-117 s that were made there or you

339

00:14:50,170 --> 00:14:48,170

know Aurora oxcart all that good amazing

340

00:14:51,820 --> 00:14:50,180

technology we created they know the

341

00:14:54,340 --> 00:14:51,830

story about Bob Lazar and reverse

342

00:14:56,710 --> 00:14:54,350

engineered alien technology and I think

343

00:14:59,230 --> 00:14:56,720

it's tough because it just it muddies

344

00:15:01,150 --> 00:14:59,240

the water on everything we've worked so

345

00:15:03,850 --> 00:15:01,160

hard to achieve in the past couple years

346

00:15:07,390 --> 00:15:03,860

the UFO community and what Tom DeLonge

347

00:15:09,430 --> 00:15:07,400

is done so I'm I'm frustrated by it I

348

00:15:11,950 --> 00:15:09,440

find myself caught right in the middle

349

00:15:13,390 --> 00:15:11,960

of all of it and being excited one

350

00:15:15,910 --> 00:15:13,400

second about you know all these people

351

00:15:18,400 --> 00:15:15,920

going out to area 51 and then the next

352

00:15:19,960 --> 00:15:18,410

minute being like what this is like five

353

00:15:22,870 --> 00:15:19,970

steps backwards from where we were a

354

00:15:25,330 --> 00:15:22,880

year ago so I don't know it's tough guys

355

00:15:27,040 --> 00:15:25,340

I'm a very bipolar on the whole thing

356

00:15:29,230 --> 00:15:27,050

what do you think yeah and that's a good

357

00:15:31,780 --> 00:15:29,240

word for it - it's like a split

358

00:15:35,490 --> 00:15:31,790

personality with ufology right you have

359

00:15:38,350 --> 00:15:35,500

this kitschy pop-culture side versus the

360

00:15:40,510 --> 00:15:38,360

scientific very serious side and it is

361

00:15:42,520 --> 00:15:40,520

it's like this dance of one step forward

362

00:15:44,770 --> 00:15:42,530

and two steps back you know and

363

00:15:47,350 --> 00:15:44,780

especially with with the fact that we

364

00:15:51,340 --> 00:15:47,360

aren't we take it serious and when

365

00:15:54,370 --> 00:15:51,350

you've seen this you know accomplishment

366

00:15:56,530 --> 00:15:54,380

of some very serious things taking place

367

00:15:59,590 --> 00:15:56,540

with ufology and

368

00:16:01,600 --> 00:15:59,600

getting an air of credibility both from

369

00:16:04,510 --> 00:16:01,610

the government and from from the media

370

00:16:07,530 --> 00:16:04,520

and and then this comes up and and then

371

00:16:10,150 --> 00:16:07,540

it just it does it kind of smears or

372

00:16:12,160 --> 00:16:10,160

besmirches or the reputation of the

373

00:16:14,020 --> 00:16:12,170

serious side for this whole kitchen

374

00:16:15,940 --> 00:16:14,030

thing I'm not saying it was planned or

375

00:16:18,430 --> 00:16:15,950

anything like that it's just this

376

00:16:20,890 --> 00:16:18,440

duality that we constantly have to live

377

00:16:23,260 --> 00:16:20,900

with them with ufology and it's

378

00:16:25,600 --> 00:16:23,270

frustrating like you said Ryan I mean it

379

00:16:27,430 --> 00:16:25,610

just it is it's very irritating in some

380

00:16:29,230 --> 00:16:27,440

respects but you know on the one side

381

00:16:30,910 --> 00:16:29,240

you know yeah it is kind of fun and

382

00:16:33,880 --> 00:16:30,920

kitschy and that part may be like

383

00:16:35,620 --> 00:16:33,890

inspires interest mm-hmm especially you

384

00:16:38,140 --> 00:16:35,630

know young people are people who are not

385

00:16:40,570 --> 00:16:38,150

serious and then maybe they gravitate to

386

00:16:43,450 --> 00:16:40,580

the serious side you know so there's a

387

00:16:45,520 --> 00:16:43,460

place for it I suppose but you know it's

388

00:16:48,040 --> 00:16:45,530

just such a difficult thing to manage

389

00:16:50,470 --> 00:16:48,050

and and do so in a way that that you

390

00:16:51,760 --> 00:16:50,480

know maintains credibility so I don't

391

00:16:53,620 --> 00:16:51,770

know what we do about it probably

392

00:16:57,220 --> 00:16:53,630

nothing you just got to live with it but

393

00:16:59,290 --> 00:16:57,230

you know it is it's a real factor in

394

00:17:01,600 --> 00:16:59,300

this whole thing yeah I agree

395

00:17:04,480 --> 00:17:01,610

and I share in the frustration it is it

396

00:17:06,130 --> 00:17:04,490

is frustrating but then I have to you

397

00:17:08,829 --> 00:17:06,140

know practice what I preach and and I

398

00:17:14,800 --> 00:17:08,839

always tell people to not get so worked

399

00:17:17,980 --> 00:17:14,810

up and worried about ufology and UFOs in

400

00:17:19,780 --> 00:17:17,990

general and that the poor poor delicate

401
00:17:22,240 --> 00:17:19,790
UFOs right people are always worried

402
00:17:24,240 --> 00:17:22,250
about how the public is going to

403
00:17:27,430 --> 00:17:24,250
perceive UFOs and and you follow Jesus

404
00:17:29,770 --> 00:17:27,440
Irv I've because negative things like

405
00:17:31,470 --> 00:17:29,780
this happen in the press and so people

406
00:17:34,320 --> 00:17:31,480
will stop taking it seriously and

407
00:17:36,760 --> 00:17:34,330
therefore ufology is going to die and

408
00:17:40,270 --> 00:17:36,770
what I always remind people is that look

409
00:17:42,850 --> 00:17:40,280
we all vote we all agree that there's

410
00:17:44,770 --> 00:17:42,860
substantial evidence for UFOs and

411
00:17:46,720 --> 00:17:44,780
perhaps even that some UFOs are

412
00:17:48,940 --> 00:17:46,730
extraterrestrial in origin and if we

413
00:17:52,450 --> 00:17:48,950

truly believe that the evidence is as

414

00:17:54,310 --> 00:17:52,460

strong as we do then we don't need to

415

00:17:56,980 --> 00:17:54,320

worry about UFOs UFOs are just fine

416

00:17:59,410 --> 00:17:56,990

right they don't they don't need us like

417

00:18:00,540 --> 00:17:59,420

sitting there going oh no my baby don't

418

00:18:02,560 --> 00:18:00,550

hurt my baby

419

00:18:04,540 --> 00:18:02,570

worrying about what other people are

420

00:18:06,970 --> 00:18:04,550

thinking like if they if the evidence is

421

00:18:08,800 --> 00:18:06,980

as strong as we say it is then UFOs and

422

00:18:09,830 --> 00:18:08,810

the study of UFOs is going to be just

423

00:18:12,909 --> 00:18:09,840

fine

424

00:18:15,380 --> 00:18:12,919

but that being said this does you know

425

00:18:18,140 --> 00:18:15,390

sort of encourage that or bring back

426

00:18:20,269 --> 00:18:18,150

that the reason for for the ridicule

427

00:18:22,180 --> 00:18:20,279

factor with UFOs because this is what's

428

00:18:25,490 --> 00:18:22,190

being presented to them they're seeing

429

00:18:28,640 --> 00:18:25,500

these people that's that's what they're

430

00:18:30,649 --> 00:18:28,650

seeing as UFO people and so they see a

431

00:18:32,779 --> 00:18:30,659

bunch of goofballs on TV getting drunk

432

00:18:36,260 --> 00:18:32,789

and swing their hands to music and going

433

00:18:36,950 --> 00:18:36,270

yeah we want to see aliens and they're

434

00:18:39,080 --> 00:18:36,960

all yep

435

00:18:41,180 --> 00:18:39,090

that's that's why we don't say that we

436

00:18:43,190 --> 00:18:41,190

believe in UFOs or extraterrestrials

437

00:18:45,980 --> 00:18:43,200

because and that's what people think

438

00:18:47,169 --> 00:18:45,990

that that means I am and I am NOT just I

439

00:18:49,700 --> 00:18:47,179

don't want to be affiliated with that

440

00:18:52,610 --> 00:18:49,710

right and that's what's frustrating is

441

00:18:54,409 --> 00:18:52,620

we know that not many UFO people are

442

00:18:57,680 --> 00:18:54,419

gonna go to this thing right because

443

00:19:01,519 --> 00:18:57,690

they're smart enough to know a that you

444

00:19:03,340 --> 00:19:01,529

know unlike my naive notion of going out

445

00:19:08,409 --> 00:19:03,350

there and not knowing how far it is from

446

00:19:11,180 --> 00:19:08,419

civilization they know that let's say

447

00:19:13,370 --> 00:19:11,190

10% of what Bob Lazar said was true

448

00:19:15,980 --> 00:19:13,380

that some sort of alien technology was

449

00:19:18,289 --> 00:19:15,990

being worked on there or there's you

450

00:19:21,289 --> 00:19:18,299

know bodies stored there from Roswell or

451
00:19:23,450 --> 00:19:21,299
whatever whatever we know when area51

452
00:19:24,680 --> 00:19:23,460
first became known to the public that

453
00:19:27,230 --> 00:19:24,690
crap was moved somewhere else

454
00:19:29,659 --> 00:19:27,240
immediately so for anyone thinking

455
00:19:33,799 --> 00:19:29,669
there's actually anything alien at area

456
00:19:35,690 --> 00:19:33,809
51 I I tend to err on the side of maybe

457
00:19:37,519 --> 00:19:35,700
at one time but definitely not when

458
00:19:39,830 --> 00:19:37,529
you're going out there on September 20th

459
00:19:42,500 --> 00:19:39,840
that stuff was gone a long time ago or

460
00:19:44,090 --> 00:19:42,510
it's Underground and like that's that's

461
00:19:46,549 --> 00:19:44,100
the other big thing these people think

462
00:19:48,919 --> 00:19:46,559
they're gonna storm a gate I know we're

463
00:19:50,360 --> 00:19:48,929

more into the alien stock field festival

464

00:19:53,269 --> 00:19:50,370

now but you know there's gonna be some

465

00:19:56,720 --> 00:19:53,279

people who actually try to run onto that

466

00:20:01,220 --> 00:19:56,730

base and the first building is probably

467

00:20:03,919 --> 00:20:01,230

what God 70 miles or something like that

468

00:20:06,110 --> 00:20:03,929

from the actual gate so I think people

469

00:20:08,060 --> 00:20:06,120

are in for a very sobering experience

470

00:20:11,060 --> 00:20:08,070

going out there if they're looking to

471

00:20:13,070 --> 00:20:11,070

actually get anything in terms of

472

00:20:15,440 --> 00:20:13,080

information so to see that there are

473

00:20:17,690 --> 00:20:15,450

some educational things going on out

474

00:20:20,450 --> 00:20:17,700

there at this base camp thing that's I

475

00:20:22,019 --> 00:20:20,460

guess that's a plus ya know yeah I mean

476

00:20:23,969 --> 00:20:22,029

they are gonna have lectures they are

477

00:20:26,849 --> 00:20:23,979

you know Jeremy Korbelt is gonna be there

478

00:20:29,419 --> 00:20:26,859

screening his film Bob Lazar so yeah

479

00:20:32,099 --> 00:20:29,429

that stuff is cool and you know I I

480

00:20:33,570 --> 00:20:32,109

really I mean I know there are plenty of

481

00:20:35,639 --> 00:20:33,580

dumb people but I really don't think

482

00:20:37,499 --> 00:20:35,649

anybody's gonna try to storm anything I

483

00:20:38,909 --> 00:20:37,509

think it's all just a goofy thing and

484

00:20:41,549 --> 00:20:38,919

something for them to latch on to you

485

00:20:44,190 --> 00:20:41,559

and pretend to be tough but just again

486

00:20:46,139 --> 00:20:44,200

go out and share UFO stories and I hope

487

00:20:47,159 --> 00:20:46,149

that's that's all it turns out to be but

488

00:20:48,330 --> 00:20:47,169

that being said you're right

489

00:20:49,709 --> 00:20:48,340

there-there is an educational

490

00:20:51,560 --> 00:20:49,719

opportunity here and I'm glad some of

491

00:20:53,849 --> 00:20:51,570

the events are taking advantage of that

492

00:20:54,989 --> 00:20:53,859

but also I think something huge that

493

00:20:58,229 --> 00:20:54,999

will come out of this for the general

494

00:21:00,570 --> 00:20:58,239

public is first of all is there's still

495

00:21:03,029 --> 00:21:00,580

a large percentage of population most

496

00:21:05,129 --> 00:21:03,039

likely that still doesn't realize that

497

00:21:06,690 --> 00:21:05,139

area 51 is a real thing I can't tell you

498

00:21:08,450 --> 00:21:06,700

how many times I get asked so we think

499

00:21:12,119 --> 00:21:08,460

about area 51 you think it's real

500

00:21:14,129 --> 00:21:12,129

we know area 51 is real if you're asking

501
00:21:15,539 --> 00:21:14,139
about are there extraterrestrials there

502
00:21:17,249 --> 00:21:15,549
have there been UFOs there that's

503
00:21:19,109 --> 00:21:17,259
another story but people are still back

504
00:21:21,749 --> 00:21:19,119
that that basic level of not knowing if

505
00:21:23,219 --> 00:21:21,759
area 51 is even a real thing but second

506
00:21:26,279 --> 00:21:23,229
of all a lot of people don't know where

507
00:21:28,680 --> 00:21:26,289
area 51 is and hopefully this will have

508
00:21:31,320 --> 00:21:28,690
people learn that area 51 is in Nevada

509
00:21:33,959 --> 00:21:31,330
and not in New Mexico that gets confused

510
00:21:37,079 --> 00:21:33,969
a lot so you know at least people will

511
00:21:39,029 --> 00:21:37,089
learn where a 51 is hopefully but you

512
00:21:41,579 --> 00:21:39,039
know I do think this has a place right I

513
00:21:45,119 --> 00:21:41,589

just think people it should be presented

514

00:21:47,399 --> 00:21:45,129

in a different way not in a we're going

515

00:21:49,200 --> 00:21:47,409

to find out the truth or we're going to

516

00:21:52,259 --> 00:21:49,210

gain any information from the government

517

00:21:54,149 --> 00:21:52,269

by going out there that's clearly not

518

00:21:56,339 --> 00:21:54,159

going to happen and it's a waste of your

519

00:21:58,379 --> 00:21:56,349

time to go to a military base in the

520

00:22:00,029 --> 00:21:58,389

middle of the desert to demand answers

521

00:22:03,180 --> 00:22:00,039

that's not going to happen if you want

522

00:22:05,190 --> 00:22:03,190

to do that go to Washington this however

523

00:22:08,700 --> 00:22:05,200

if you just want to go somewhere and

524

00:22:10,320 --> 00:22:08,710

have a fun time with people who have

525

00:22:12,060 --> 00:22:10,330

similar interests it's just like going

526

00:22:13,589 --> 00:22:12,070

to you a UFO conference I think it's

527

00:22:15,450 --> 00:22:13,599

great and I think people should if they

528

00:22:16,969 --> 00:22:15,460

want to do that and have fun with other

529

00:22:19,560 --> 00:22:16,979

people who like UFOs

530

00:22:22,079 --> 00:22:19,570

yeah I was thinking too not to be such a

531

00:22:23,789 --> 00:22:22,089

downer but the serious side of this I

532

00:22:27,060 --> 00:22:23,799

mean first of all I think there were

533

00:22:29,399 --> 00:22:27,070

like 2.2 million people on Facebook who

534

00:22:32,999 --> 00:22:29,409

responded interests in this and even if

535

00:22:35,519 --> 00:22:33,009

10% of those people showed up you know

536

00:22:35,880 --> 00:22:35,529

that was one heck of a lot of people

537

00:22:38,700 --> 00:22:35,890

right

538

00:22:42,360 --> 00:22:38,710

and then the other issue is you know

539

00:22:44,940 --> 00:22:42,370

would you storm Fort Hood Texas would

540

00:22:49,110 --> 00:22:44,950

you storm you know Edwards Air Force

541

00:22:53,550 --> 00:22:49,120

Base I mean the storming of an American

542

00:22:55,440 --> 00:22:53,560

military base is not a good idea I mean

543

00:22:58,260 --> 00:22:55,450

I know they're sort of tongue-in-cheek

544

00:23:00,870 --> 00:22:58,270

the whole Neruda thing and outrun both

545

00:23:02,580 --> 00:23:00,880

look those guys I don't know if you've

546

00:23:06,390 --> 00:23:02,590

ever seen footage of people who do

547

00:23:10,170 --> 00:23:06,400

venture past the signs at area 51 those

548

00:23:12,510 --> 00:23:10,180

dudes are not nice they will they shove

549

00:23:14,460 --> 00:23:12,520

a gun in your face they call you all

550

00:23:16,620 --> 00:23:14,470

sorts of names they'll throw you on the

551

00:23:18,120 --> 00:23:16,630

ground they will cuff you they were I

552

00:23:21,540 --> 00:23:18,130

mean this is not a pleasant experience

553

00:23:25,290 --> 00:23:21,550

and in fact they haven't they have shot

554

00:23:28,050 --> 00:23:25,300

people so I mean if you literally if

555

00:23:29,760 --> 00:23:28,060

there were one thousand five thousand

556

00:23:33,870 --> 00:23:29,770

twenty thousand two hundred thousand

557

00:23:36,390 --> 00:23:33,880

people their Air Force is gonna act they

558

00:23:38,370 --> 00:23:36,400

are gonna protect that military base and

559

00:23:40,320 --> 00:23:38,380

I mean you know this is a serious side

560

00:23:43,260 --> 00:23:40,330

of it I don't know what they would do

561

00:23:45,210 --> 00:23:43,270

but they would not just say oh okay cool

562

00:23:48,120 --> 00:23:45,220

go ahead come on in no they're gonna

563

00:23:50,780 --> 00:23:48,130

take action and that action is not going

564

00:23:54,480 --> 00:23:50,790

to be pleasant so I mean it is really

565

00:23:56,670 --> 00:23:54,490

quite a foolish notion to even consider

566

00:23:58,410 --> 00:23:56,680

doing such a thing now I know it's more

567

00:24:01,110 --> 00:23:58,420

from that to the festival but like I

568

00:24:03,090 --> 00:24:01,120

think you mentioned earlier line out a

569

00:24:06,510 --> 00:24:03,100

2.2 million people do you think there

570

00:24:08,490 --> 00:24:06,520

might be 10 and plenty a hundred to

571

00:24:10,290 --> 00:24:08,500

three hundred people that maybe don't

572

00:24:12,090 --> 00:24:10,300

have quite all there

573

00:24:14,520 --> 00:24:12,100

you know cards in their deck and they

574

00:24:17,520 --> 00:24:14,530

might try it I think so I think that

575

00:24:21,840 --> 00:24:17,530

might happen and if that's a case that's

576

00:24:24,140 --> 00:24:21,850

gonna be a very ugly ugly smear on not

577

00:24:26,880 --> 00:24:24,150

only the military America but on on

578

00:24:29,820 --> 00:24:26,890

ufology as well if that really were to

579

00:24:33,270 --> 00:24:29,830

happen so I mean you know I really do

580

00:24:35,550 --> 00:24:33,280

fear for people who who might push it

581

00:24:37,950 --> 00:24:35,560

that far now the whole festival thing

582

00:24:40,050 --> 00:24:37,960

that's different hopefully it just stays

583

00:24:44,010 --> 00:24:40,060

on that level and everything is cool but

584

00:24:47,520 --> 00:24:44,020

I mean the reality of attempting to do

585

00:24:49,210 --> 00:24:47,530

such a thing is just crazy and I would

586

00:24:52,640 --> 00:24:49,220

hope that no one does

587

00:24:56,480 --> 00:24:52,650

I've got to conspiracy theories for this

588

00:24:57,860 --> 00:24:56,490

one guys this this actually came from a

589

00:25:00,470 --> 00:24:57,870

buddy of mine

590

00:25:02,780 --> 00:25:00,480

Alan B Smith do I talk you recently

591

00:25:05,360 --> 00:25:02,790

about this whole event and I actually

592

00:25:08,540 --> 00:25:05,370

the minute he said it he I was like

593

00:25:12,790 --> 00:25:08,550

that's genius I think that this whole

594

00:25:15,980 --> 00:25:12,800

thing is just a way to do a blink 182

595

00:25:17,210 --> 00:25:15,990

reunion show with Tom DeLonge and I

596

00:25:19,640 --> 00:25:17,220

think they're gonna show up to the

597

00:25:21,200 --> 00:25:19,650

festival and blink-182 is gonna get back

598

00:25:23,360 --> 00:25:21,210

together and this is gonna be their

599

00:25:25,400 --> 00:25:23,370

first reunion concert what do you think

600

00:25:28,820 --> 00:25:25,410

Jason I think there's zero chance of

601
00:25:32,240 --> 00:25:28,830
that damn it zero chance and I'll tell

602
00:25:35,780 --> 00:25:32,250
you what I mean if if this if this were

603
00:25:37,850 --> 00:25:35,790
happening like next year I would maybe

604
00:25:40,820 --> 00:25:37,860
entertain that possibility but because

605
00:25:43,940 --> 00:25:40,830
it's happening in September I mean we're

606
00:25:46,700 --> 00:25:43,950
already in September so not a chance

607
00:25:50,600 --> 00:25:46,710
I mean tom is busy with Angels and

608
00:25:52,280 --> 00:25:50,610
Airwaves tour very true

609
00:25:55,730 --> 00:25:52,290
although have you seen the latest like

610
00:25:59,210 --> 00:25:55,740
182 flyer the UF Adamski UFO it's pretty

611
00:26:02,660 --> 00:25:59,220
interesting I I will tell you most blink

612
00:26:04,220 --> 00:26:02,670
182 as posters have UFOs really it's

613
00:26:06,080 --> 00:26:04,230

interesting and I think it's because

614

00:26:07,790 --> 00:26:06,090

they're they're largely fan-made you

615

00:26:10,010 --> 00:26:07,800

know and a lot of people a lot of fans

616

00:26:12,340 --> 00:26:10,020

equate that because they follow Tom as

617

00:26:16,160 --> 00:26:12,350

well so that's cool yeah my other

618

00:26:18,350 --> 00:26:16,170

conspiracy is that maybe maybe this will

619

00:26:19,790 --> 00:26:18,360

be like some big air show like we can

620

00:26:22,160 --> 00:26:19,800

finally they're gonna show off all the

621

00:26:24,590 --> 00:26:22,170

things that they've been testing at area

622

00:26:27,950 --> 00:26:24,600

51 for the public who knows maybe we're

623

00:26:30,860 --> 00:26:27,960

gonna see some really cool drones or new

624

00:26:33,440 --> 00:26:30,870

stealth technology a way of giving

625

00:26:35,800 --> 00:26:33,450

transparency to the public finally from

626
00:26:38,570 --> 00:26:35,810
this supposedly black-budget

627
00:26:39,170 --> 00:26:38,580
installation so I don't know that's your

628
00:26:45,620 --> 00:26:39,180
chance

629
00:26:47,600 --> 00:26:45,630
bursting the balloons on this one you

630
00:26:49,940 --> 00:26:47,610
know I I will I will say I I think

631
00:26:52,700 --> 00:26:49,950
there's a high probability probability

632
00:26:56,090 --> 00:26:52,710
that some drones are gonna get shot down

633
00:26:57,740 --> 00:26:56,100
right with wipes with like yeah like

634
00:27:00,560 --> 00:26:57,750
electrical weapons or something like

635
00:27:01,360 --> 00:27:00,570
that because a lot a lot of morons are

636
00:27:03,040 --> 00:27:01,370
going to have

637
00:27:06,190 --> 00:27:03,050
there and you can't have drones there

638
00:27:09,340 --> 00:27:06,200

they're gonna do that down so yeah and

639

00:27:10,750 --> 00:27:09,350

they also they I know that they can hack

640

00:27:13,150 --> 00:27:10,760

into your phone the minute you're like

641

00:27:14,740 --> 00:27:13,160

within a certain vicinity so they can

642

00:27:17,260 --> 00:27:14,750

shut down your cameras

643

00:27:20,040 --> 00:27:17,270

yeah the shadows down there was one

644

00:27:22,630 --> 00:27:20,050

other thing oh they they have that like

645

00:27:25,150 --> 00:27:22,640

sonar technology where they can actually

646

00:27:27,430 --> 00:27:25,160

make you like sick to your stomach right

647

00:27:30,220 --> 00:27:27,440

or get headaches or migraines so I mean

648

00:27:32,500 --> 00:27:30,230

we're not talking guys on top of hills

649

00:27:34,570 --> 00:27:32,510

with guns shooting at people I honestly

650

00:27:36,730 --> 00:27:34,580

don't think that's what they plan to do

651

00:27:38,830 --> 00:27:36,740

at all I think they're gonna be using

652

00:27:41,530 --> 00:27:38,840

all these other things that they have to

653

00:27:42,880 --> 00:27:41,540

keep people away if they do tend to get

654

00:27:46,510 --> 00:27:42,890

up there that's another big thing is

655

00:27:49,630 --> 00:27:46,520

that back gate Shane you know as well as

656

00:27:52,060 --> 00:27:49,640

I do it's her no I'm sorry the front

657

00:27:54,040 --> 00:27:52,070

gate the front gate is not like a little

658

00:27:56,440 --> 00:27:54,050

post that says do not come in here

659

00:27:58,570 --> 00:27:56,450

people could drive right past that thing

660

00:28:01,930 --> 00:27:58,580

without even knowing it so that could be

661

00:28:04,240 --> 00:28:01,940

a problem too if people don't know where

662

00:28:06,040 --> 00:28:04,250

the actual perimeters are I think

663

00:28:08,710 --> 00:28:06,050

they're actually gonna have people there

664

00:28:11,020 --> 00:28:08,720

I mean they've got extra they've got

665

00:28:14,200 --> 00:28:11,030

extra police presence and extra military

666

00:28:15,760 --> 00:28:14,210

presidents good for that that weekend so

667

00:28:18,100 --> 00:28:15,770

I imagine they'll have people right at

668

00:28:19,420 --> 00:28:18,110

the gate just ridiculous i mean i think

669

00:28:20,920 --> 00:28:19,430

i think they blowing this whole thing

670

00:28:23,110 --> 00:28:20,930

out of proportion i really don't think

671

00:28:25,390 --> 00:28:23,120

they need to have all these people but

672

00:28:27,220 --> 00:28:25,400

you know they've been forced to play it

673

00:28:29,620 --> 00:28:27,230

safe and it's smart and to your point

674

00:28:32,830 --> 00:28:29,630

Shane I mean I do think there'll

675

00:28:34,620 --> 00:28:32,840

probably be some people who don't are

676

00:28:37,210 --> 00:28:34,630

playing with all their cards that might

677

00:28:40,060 --> 00:28:37,220

try to do something but I'm still

678

00:28:43,240 --> 00:28:40,070

hopeful I'm still optimistic that it's

679

00:28:45,130 --> 00:28:43,250

not going to be anything you know so

680

00:28:46,870 --> 00:28:45,140

aggressive like I'm I'm out here with

681

00:28:49,600 --> 00:28:46,880

all my guns I'm gonna march in and I'm

682

00:28:51,550 --> 00:28:49,610

gonna take the place I think it's just

683

00:28:53,770 --> 00:28:51,560

gonna be a handful of dudes who want to

684

00:28:56,350 --> 00:28:53,780

feel macho and they're gonna stand at

685

00:28:59,740 --> 00:28:56,360

the gate and swear it the guards they're

686

00:29:01,780 --> 00:28:59,750

gonna turn around and moon them dance

687

00:29:02,890 --> 00:29:01,790

with their asses out I think that's what

688

00:29:07,360 --> 00:29:02,900

will happen and those guys will get

689

00:29:09,250 --> 00:29:07,370

arrested but hold my beer I do got to

690

00:29:10,690 --> 00:29:09,260

tell you guys about my experience going

691

00:29:13,210 --> 00:29:10,700

there they'll kind of look at a whole

692

00:29:15,779 --> 00:29:13,220

drone thing and in the display of

693

00:29:19,260 --> 00:29:15,789

military you know cake

694

00:29:21,419 --> 00:29:19,270

so going to the back gate you you you

695

00:29:23,340 --> 00:29:21,429

pull out this little highway that that

696

00:29:25,380 --> 00:29:23,350

is going through the mountains and it

697

00:29:28,320 --> 00:29:25,390

kind of snakes and then it takes a

698

00:29:30,409 --> 00:29:28,330

straight shot off to Rachel but where it

699

00:29:33,419 --> 00:29:30,419

kind of snakes out of the mountains you

700

00:29:36,210 --> 00:29:33,429

so you're elevated there's this dirt

701
00:29:38,310 --> 00:29:36,220
road that shoots off the the the curvy

702
00:29:41,250 --> 00:29:38,320
paved highway that you're on and goes

703
00:29:43,350 --> 00:29:41,260
straight for 15 miles in it you know

704
00:29:46,019 --> 00:29:43,360
appears to just dead in into these hills

705
00:29:48,450 --> 00:29:46,029
well that that's the route to the back

706
00:29:51,240 --> 00:29:48,460
gate and it's just big wide gravel dirt

707
00:29:53,279 --> 00:29:51,250
road obviously maintained and that's

708
00:29:55,500 --> 00:29:53,289
where those buses with the employees go

709
00:29:57,149 --> 00:29:55,510
and then go ripping down that thing 60

710
00:29:59,700 --> 00:29:57,159
miles an hour that's why it's so well

711
00:30:02,700 --> 00:29:59,710
groomed and thick heavy gravel and stuff

712
00:30:05,039 --> 00:30:02,710
anyway so my wife and I I just got my

713
00:30:08,070 --> 00:30:05,049

Camaro and it's a convertible and it's

714

00:30:10,889 --> 00:30:08,080

like April and so it it's cold but nice

715

00:30:13,710 --> 00:30:10,899

out and anyways we're driving down that

716

00:30:15,899 --> 00:30:13,720

road and again anyway approaching area

717

00:30:17,460 --> 00:30:15,909

they're gonna see you for like 15 miles

718

00:30:19,919 --> 00:30:17,470

away right you're a little dust cloud on

719

00:30:22,049 --> 00:30:19,929

your car on this straight road that goes

720

00:30:24,570 --> 00:30:22,059

through this flat Valley by the time you

721

00:30:26,580 --> 00:30:24,580

get there that they're ready before you

722

00:30:29,639 --> 00:30:26,590

but anyway so we're in the middle of

723

00:30:32,370 --> 00:30:29,649

that flat Valley I had to top down and

724

00:30:35,730 --> 00:30:32,380

you know clear sky but a few puffy

725

00:30:38,610 --> 00:30:35,740

clouds and all of a sudden were we hear

726

00:30:40,080 --> 00:30:38,620

this plane coming basically military jet

727

00:30:42,419 --> 00:30:40,090

and I don't know if you've ever heard a

728

00:30:45,299 --> 00:30:42,429

military jet versus a commercial book

729

00:30:47,039 --> 00:30:45,309

they're way louder it's like a car with

730

00:30:49,590 --> 00:30:47,049

no muffler and it's just I mean it

731

00:30:51,960 --> 00:30:49,600

rumbles and shakes your guts right and

732

00:30:54,180 --> 00:30:51,970

I'm driving along maybe just 35 miles an

733

00:30:56,340 --> 00:30:54,190

hour and this thing goes over the top of

734

00:30:58,110 --> 00:30:56,350

us and you know just with with the

735

00:31:00,750 --> 00:30:58,120

Doppler effect right you hear it come in

736

00:31:02,730 --> 00:31:00,760

and then it gets over yet its loudest

737

00:31:07,139 --> 00:31:02,740

and then it fades away as you go so

738

00:31:10,169 --> 00:31:07,149

anyways we get strafed by a jet but we

739

00:31:12,180 --> 00:31:10,179

look up and I had 360-degree view

740

00:31:17,220 --> 00:31:12,190

because the tops down we never saw the

741

00:31:19,019 --> 00:31:17,230

plane but that thing came right over the

742

00:31:21,149 --> 00:31:19,029

top of this and gone kind of like from

743

00:31:23,100 --> 00:31:21,159

the right to the left just shook our

744

00:31:25,110 --> 00:31:23,110

guts right there's no doubt it happened

745

00:31:27,120 --> 00:31:25,120

and we're looking up for this plane and

746

00:31:28,110 --> 00:31:27,130

we never saw it so I don't know if it

747

00:31:29,910 --> 00:31:28,120

was just high

748

00:31:32,400 --> 00:31:29,920

of altitude or we were just freaked out

749

00:31:34,200 --> 00:31:32,410

or if there was some sort of you know

750

00:31:35,700 --> 00:31:34,210

technology that just didn't allow you

751
00:31:37,470 --> 00:31:35,710
here but there's no doubt was a

752
00:31:40,170 --> 00:31:37,480
conventional airplane and it was a

753
00:31:42,060 --> 00:31:40,180
fighter jet but man that thing I just

754
00:31:44,760 --> 00:31:42,070
thought that was the coolest darn thing

755
00:31:47,640 --> 00:31:44,770
you know because but it what it did is

756
00:31:49,440 --> 00:31:47,650
it said hey we know you're here and

757
00:31:51,000 --> 00:31:49,450
we're doing something about it you know

758
00:31:54,300 --> 00:31:51,010
so I thought that was just fascinating

759
00:31:56,670 --> 00:31:54,310
it was fun but um yes they have

760
00:31:59,040 --> 00:31:56,680
technology there and they can use it and

761
00:32:01,230 --> 00:31:59,050
I guess that's why I brought that up and

762
00:32:06,090 --> 00:32:01,240
I had that experience it was awesome

763
00:32:09,420 --> 00:32:06,100

yeah I as well Shane have audio proof

764

00:32:12,540 --> 00:32:09,430

that they knew that I was coming I can't

765

00:32:15,900 --> 00:32:12,550

divulge it here right now it will be in

766

00:32:17,670 --> 00:32:15,910

some coming up but I can't wait to hear

767

00:32:20,280 --> 00:32:17,680

what you guys think about it I hope it

768

00:32:22,080 --> 00:32:20,290

made it into the show but um it freaked

769

00:32:23,700 --> 00:32:22,090

me out cuz you know I kind of went being

770

00:32:26,130 --> 00:32:23,710

like nothing's gonna happen

771

00:32:28,800 --> 00:32:26,140

like yeah whatever I've seen the videos

772

00:32:31,770 --> 00:32:28,810

blah blah blah we're gonna be safe but I

773

00:32:34,560 --> 00:32:31,780

had something happen while we were in

774

00:32:37,770 --> 00:32:34,570

our vehicle maybe two miles from not

775

00:32:39,810 --> 00:32:37,780

even maybe a mile from the gate audio

776

00:32:42,750 --> 00:32:39,820

proof that they were tracking us and

777

00:32:45,180 --> 00:32:42,760

they knew why we were there who we were

778

00:32:47,400 --> 00:32:45,190

it was a little scary I'm not gonna lie

779

00:32:49,460 --> 00:32:47,410

so yeah yeah they definitely don't mess

780

00:32:52,920 --> 00:32:49,470

around in terms of monitoring people

781

00:32:55,200 --> 00:32:52,930

like Jason said I I have faith in

782

00:32:57,390 --> 00:32:55,210

humanity that people are not gonna be

783

00:33:01,160 --> 00:32:57,400

stupid enough to storm that gate I mean

784

00:33:05,310 --> 00:33:01,170

someone died two months ago doing it but

785

00:33:08,040 --> 00:33:05,320

you you can't underestimate Instagram

786

00:33:10,770 --> 00:33:08,050

and YouTube and the pressure people will

787

00:33:14,040 --> 00:33:10,780

feel to get that like that one video of

788

00:33:16,050 --> 00:33:14,050

them doing this or whatever so I don't

789

00:33:17,940 --> 00:33:16,060

know just go have fun if you're gonna do

790

00:33:21,960 --> 00:33:17,950

it that's all I have to say yeah sound

791

00:33:22,470 --> 00:33:21,970

like no yeah I know an old man just kids

792

00:33:27,930 --> 00:33:22,480

having fun

793

00:33:29,400 --> 00:33:27,940

beer easy yeah make good choices yeah I

794

00:33:31,710 --> 00:33:29,410

don't know if you're gonna talk about

795

00:33:33,450 --> 00:33:31,720

this Jason but one one thing about this

796

00:33:34,890 --> 00:33:33,460

whole thing that strikes me and that you

797

00:33:37,860 --> 00:33:34,900

know I kind of get into this stuff in my

798

00:33:42,030 --> 00:33:37,870

own head but the political science part

799

00:33:45,360 --> 00:33:42,040

of social media and how

800

00:33:48,840 --> 00:33:45,370

Maddi Roberts you know 22 year old

801
00:33:50,550 --> 00:33:48,850
college student living at home gets on

802
00:33:53,370 --> 00:33:50,560
Facebook so hello this would be cool and

803
00:33:58,080 --> 00:33:53,380
boo-boo-boo-boo and 2.2 million people

804
00:34:02,190 --> 00:33:58,090
are motivated to action I mean that is

805
00:34:06,870 --> 00:34:02,200
that is an unbelievable level of power

806
00:34:08,550 --> 00:34:06,880
that you know I'm sure that makes some

807
00:34:11,970 --> 00:34:08,560
people stay up all night right and

808
00:34:14,970 --> 00:34:11,980
government stuff how how you can make a

809
00:34:17,159 --> 00:34:14,980
call to action to millions of people in

810
00:34:19,470 --> 00:34:17,169
an instant and they respond and you can

811
00:34:22,169 --> 00:34:19,480
communicate and you can organize and dam

812
00:34:25,139 --> 00:34:22,179
you can do something I mean to me that

813
00:34:27,060 --> 00:34:25,149

that's a little freaky I mean it is a

814

00:34:30,030 --> 00:34:27,070

little freaky and a little scary because

815

00:34:32,520 --> 00:34:30,040

you know this this is a fairly harmless

816

00:34:35,310 --> 00:34:32,530

kind of proposition but you know what if

817

00:34:39,300 --> 00:34:35,320

somebody made a call to do something you

818

00:34:41,370 --> 00:34:39,310

know bad and and I mean I like I said

819

00:34:42,960 --> 00:34:41,380

I'm sure there's intelligence agencies

820

00:34:46,139 --> 00:34:42,970

that are up all night about this stuff

821

00:34:48,300 --> 00:34:46,149

so I think it's really fascinating from

822

00:34:50,639 --> 00:34:48,310

that standpoint and also just human

823

00:34:55,080 --> 00:34:50,649

behavior and how people like you were

824

00:34:57,360 --> 00:34:55,090

saying Jason 51 cool but there's a dark

825

00:34:59,730 --> 00:34:57,370

side to that and a you know serious and

826

00:35:03,330 --> 00:34:59,740

dangerous side to so um it just shows

827

00:35:06,180 --> 00:35:03,340

the power of social media and and for me

828

00:35:08,940 --> 00:35:06,190

it speaks to like what we're doing now

829

00:35:10,980 --> 00:35:08,950

is you know if we're participants in it

830

00:35:13,710 --> 00:35:10,990

there it that we need to be you know

831

00:35:15,420 --> 00:35:13,720

have a sense of responsibility and make

832

00:35:18,930 --> 00:35:15,430

sure that what we're doing it you know

833

00:35:21,750 --> 00:35:18,940

is you know appropriate and responsible

834

00:35:23,280 --> 00:35:21,760

because you know I would hate to cause

835

00:35:25,410 --> 00:35:23,290

something that would cause someone to

836

00:35:28,710 --> 00:35:25,420

you know do something wrong or bad or

837

00:35:30,600 --> 00:35:28,720

have some terrible experience so you

838

00:35:32,520 --> 00:35:30,610

know I just think it it's a it's a good

839

00:35:34,770 --> 00:35:32,530

life lesson and it's a lesson in in

840

00:35:36,690 --> 00:35:34,780

political science and kind of the modern

841

00:35:38,460 --> 00:35:36,700

world that we live in and the

842

00:35:41,280 --> 00:35:38,470

responsibility that's placed on people

843

00:35:44,460 --> 00:35:41,290

well you know I'm certainly amateur with

844

00:35:45,900 --> 00:35:44,470

media and and boy you know you've got to

845

00:35:49,470 --> 00:35:45,910

be careful and you got to you know

846

00:35:52,080 --> 00:35:49,480

consider those things yeah I give Maddie

847

00:35:54,720 --> 00:35:52,090

credit I mean he usually could have just

848

00:35:55,589 --> 00:35:54,730

been like this isn't Joe like you guys

849

00:35:57,749 --> 00:35:55,599

are already

850

00:35:59,910 --> 00:35:57,759

serve like that but he actually like

851
00:36:02,759 --> 00:35:59,920
stepped up I talked to him a couple

852
00:36:06,120 --> 00:36:02,769
weeks ago over the phone and he's he's

853
00:36:10,199 --> 00:36:06,130
he's definitely scared and nervous he's

854
00:36:11,609 --> 00:36:10,209
also way in over his head in terms of

855
00:36:14,519 --> 00:36:11,619
what he's trying to do with this thing

856
00:36:17,969 --> 00:36:14,529
but I give him credit for trying to do

857
00:36:21,420 --> 00:36:17,979
something positive you know get music

858
00:36:23,459 --> 00:36:21,430
have fun educate people um you know if I

859
00:36:26,579 --> 00:36:23,469
were him I'd be like let's get a bunch

860
00:36:29,549 --> 00:36:26,589
of like donate money to these local

861
00:36:30,479 --> 00:36:29,559
charities or or help Rachel I don't know

862
00:36:32,670 --> 00:36:30,489
something like that

863
00:36:35,009 --> 00:36:32,680

um maybe that is what they're gonna do

864

00:36:36,559 --> 00:36:35,019

but the social the social movement

865

00:36:38,999 --> 00:36:36,569

aspect Shane I think is really

866

00:36:40,949 --> 00:36:39,009

interesting to like you said within days

867

00:36:43,439 --> 00:36:40,959

this thing went to two million people

868

00:36:45,900 --> 00:36:43,449

the FBI showed up to his house know to

869

00:36:48,359 --> 00:36:45,910

be like her intentions with this it was

870

00:36:50,039 --> 00:36:48,369

just a joke but we all know how many

871

00:36:55,199 --> 00:36:50,049

times we've heard it was just a joke

872

00:36:58,170 --> 00:36:55,209

right I was real so it's fascinating to

873

00:37:01,140 --> 00:36:58,180

think like this kid had no intention of

874

00:37:05,249 --> 00:37:01,150

actually doing this or even cares about

875

00:37:08,519 --> 00:37:05,259

the UFO community or even you know UFO

876
00:37:10,799 --> 00:37:08,529
transparency or disclosure right he you

877
00:37:14,219 --> 00:37:10,809
know late at night listen to Joe Rogan

878
00:37:17,039 --> 00:37:14,229
and the rest is history so I think it's

879
00:37:19,739 --> 00:37:17,049
really fascinating that you know again

880
00:37:22,890 --> 00:37:19,749
someone comes out of the shadows and

881
00:37:26,999 --> 00:37:22,900
like becomes the face of ufology for a

882
00:37:30,359 --> 00:37:27,009
brief moment in time right I know yeah

883
00:37:33,509 --> 00:37:30,369
now it's absolutely insane but you know

884
00:37:35,459 --> 00:37:33,519
again I just hope people recognize these

885
00:37:38,279 --> 00:37:35,469
events for what they are don't go in

886
00:37:40,709 --> 00:37:38,289
with expectations of getting secret

887
00:37:42,779 --> 00:37:40,719
government information or anything like

888
00:37:44,579 --> 00:37:42,789

that if you want to go and and have a

889

00:37:48,029 --> 00:37:44,589

good time and talk about UFOs with

890

00:37:49,049 --> 00:37:48,039

people then more power to you but as we

891

00:37:50,880 --> 00:37:49,059

mentioned from the start

892

00:37:53,640 --> 00:37:50,890

know what you're getting into you visit

893

00:37:54,779 --> 00:37:53,650

the events websites they tell you what

894

00:37:56,519 --> 00:37:54,789

you should bring which is pretty much

895

00:37:59,420 --> 00:37:56,529

everything because there's nothing there

896

00:38:02,249 --> 00:37:59,430

you're not going for a leisurely

897

00:38:04,170 --> 00:38:02,259

vacation in the desert at some you know

898

00:38:05,789 --> 00:38:04,180

nice resort or something there there's

899

00:38:06,900 --> 00:38:05,799

nothing there you're gonna be camping

900

00:38:07,470 --> 00:38:06,910

you're gonna be you're gonna be roughing

901
00:38:11,820 --> 00:38:07,480
it

902
00:38:13,260 --> 00:38:11,830
so I mean that I don't know that I guess

903
00:38:15,960 --> 00:38:13,270
that's appealing to some people to me

904
00:38:18,210 --> 00:38:15,970
that sounds pretty awful but you know if

905
00:38:20,670 --> 00:38:18,220
you want sort of a similar experience

906
00:38:22,770 --> 00:38:20,680
you can just go to the International UFO

907
00:38:25,500 --> 00:38:22,780
Congress which is coming up next week

908
00:38:27,690 --> 00:38:25,510
and then you can stay in a hotel and

909
00:38:29,550 --> 00:38:27,700
have restaurants and bars around you and

910
00:38:32,820 --> 00:38:29,560
air conditioning and a shower and

911
00:38:35,460 --> 00:38:32,830
restrooms you know all the creature

912
00:38:37,800 --> 00:38:35,470
comforts so I mean you've got your

913
00:38:40,590 --> 00:38:37,810

options there and Shane will certainly

914

00:38:42,870 --> 00:38:40,600

be at the the UFO Congress off and on

915

00:38:45,180 --> 00:38:42,880

I'll probably be there too so if you see

916

00:38:46,440 --> 00:38:45,190

us say hello and Ryan you alluded to the

917

00:38:49,440 --> 00:38:46,450

event that's keeping you away from

918

00:38:51,330 --> 00:38:49,450

storming area 51 what event is that I'm

919

00:38:55,290 --> 00:38:51,340

really excited it's called the Michigan

920

00:38:58,290 --> 00:38:55,300

UFO contact event the only reason I

921

00:39:00,510 --> 00:38:58,300

signed on for this is because I'd never

922

00:39:02,220 --> 00:39:00,520

met Nick Redfern I've never met John

923

00:39:04,710 --> 00:39:02,230

Tenney and I saw that both these guys

924

00:39:06,600 --> 00:39:04,720

were gonna be there and I actually

925

00:39:09,600 --> 00:39:06,610

reached out to the event coordinator and

926

00:39:12,360 --> 00:39:09,610

begged them if I could come in and

927

00:39:15,300 --> 00:39:12,370

either just like hang out or cover the

928

00:39:18,030 --> 00:39:15,310

event for the podcast but they were like

929

00:39:20,130 --> 00:39:18,040

no come do a talk do anything so that's

930

00:39:23,100 --> 00:39:20,140

the same weekend as Stormare in 51

931

00:39:25,800 --> 00:39:23,110

September 20th and 21st in Houghton Lake

932

00:39:28,380 --> 00:39:25,810

Michigan so I'm super stoked about that

933

00:39:30,300 --> 00:39:28,390

I'm sure the whole time I'm there we're

934

00:39:32,550 --> 00:39:30,310

gonna be like on our phone seeing what's

935

00:39:34,500 --> 00:39:32,560

going on in Nevada though I'm sure it'll

936

00:39:37,110 --> 00:39:34,510

be a big topic of conversation there for

937

00:39:38,310 --> 00:39:37,120

sure oh yeah but if you're if you're in

938

00:39:40,770 --> 00:39:38,320

that area

939

00:39:42,810 --> 00:39:40,780

I don't know I'm biased but I say he's

940

00:39:44,760 --> 00:39:42,820

probably hang hang hang in the area and

941

00:39:50,790 --> 00:39:44,770

check out that event rather than going

942

00:39:52,560 --> 00:39:50,800

to Nevada for a storm area 51 will
