

**WHEN THE
NAVY
TALKS ABOUT
UFO'S**

episode 29 . 19

1
00:00:33,060 --> 00:00:11,070
reading citizens and welcome to unknown

2
00:00:35,220 --> 00:00:33,070
[Music]

3
00:00:38,760 --> 00:00:35,230
I'm Jason McClellan thanks for hanging

4
00:00:40,790 --> 00:00:38,770
out with me it's been an interesting I

5
00:00:43,200 --> 00:00:40,800
guess I'll go with interesting an

6
00:00:46,050 --> 00:00:43,210
interesting couple of weeks in the world

7
00:00:47,940 --> 00:00:46,060
of UFOs you've likely seen the flood of

8
00:00:50,460 --> 00:00:47,950
headlines about the Navy's latest

9
00:00:52,710 --> 00:00:50,470
comments regarding those now well-known

10
00:00:55,440 --> 00:00:52,720
UFO videos that were released to the

11
00:00:57,750 --> 00:00:55,450
public back in December 2017 by to the

12
00:01:00,150 --> 00:00:57,760
stars Academy of Arts and Science we'll

13
00:01:02,220 --> 00:01:00,160

talk about that soon another recent

14

00:01:05,130 --> 00:01:02,230

headline generating story has been the

15

00:01:07,560 --> 00:01:05,140

whole storm area51 goofiness that took

16

00:01:10,020 --> 00:01:07,570

place this past weekend we've talked

17

00:01:12,030 --> 00:01:10,030

about the storm area51 thing on this

18

00:01:15,210 --> 00:01:12,040

show before but for a quick summary

19

00:01:17,609 --> 00:01:15,220

storm area 51 started it as a joke by

20

00:01:20,640 --> 00:01:17,619

college student matty roberts he created

21

00:01:23,180 --> 00:01:20,650

a Facebook event on June 27 titled storm

22

00:01:25,230 --> 00:01:23,190

airy 51 they can't stop all of us

23

00:01:27,390 --> 00:01:25,240

Roberts later acknowledged that he

24

00:01:29,820 --> 00:01:27,400

created the event as a joke after

25

00:01:32,460 --> 00:01:29,830

watching area 51 whistleblower bob lazar

26
00:01:36,060 --> 00:01:32,470
and filmmaker jeremy Carvel on the Joe

27
00:01:37,530 --> 00:01:36,070
Rogan experience but still millions of

28
00:01:40,200 --> 00:01:37,540
people said they were going to this

29
00:01:42,870 --> 00:01:40,210
event the media went crazy with the

30
00:01:45,210 --> 00:01:42,880
story the military and local authorities

31
00:01:46,950 --> 00:01:45,220
got freaked out and local residents were

32
00:01:48,840 --> 00:01:46,960
unhappy at the thought of millions of

33
00:01:51,420 --> 00:01:48,850
people descending on their properties in

34
00:01:53,730 --> 00:01:51,430
the rural Nevada desert the event

35
00:01:55,580 --> 00:01:53,740
quickly morphed into a festival which

36
00:01:58,170 --> 00:01:55,590
then morphed into three separate events

37
00:02:00,300 --> 00:01:58,180
then just a week or so before the

38
00:02:02,430 --> 00:02:00,310

scheduled September 20th main event

39

00:02:04,109 --> 00:02:02,440

Maddy Roberts pulled out of the event

40

00:02:06,149 --> 00:02:04,119

he'd been Co planning with the

41

00:02:08,789 --> 00:02:06,159

proprietors of the little alien and

42

00:02:10,530 --> 00:02:08,799

Rachel Nevada citing safety concerns and

43

00:02:11,370 --> 00:02:10,540

doubts that the area could support such

44

00:02:14,670 --> 00:02:11,380

an event

45

00:02:15,810 --> 00:02:14,680

you know reasons that everybody pointed

46

00:02:18,930 --> 00:02:15,820

out from the very start

47

00:02:20,550 --> 00:02:18,940

but for some reason it took Maddy that

48

00:02:22,740 --> 00:02:20,560

long to figure it out for himself

49

00:02:24,210 --> 00:02:22,750

so he slopped together a music festival

50

00:02:25,979 --> 00:02:24,220

in downtown Las Vegas

51
00:02:27,449 --> 00:02:25,989
although the few thousand people who

52
00:02:30,030 --> 00:02:27,459
turned out for these events had a fun

53
00:02:32,580 --> 00:02:30,040
silly weekend the whole debacle is

54
00:02:33,960 --> 00:02:32,590
largely considered a flop and many of

55
00:02:36,720 --> 00:02:33,970
the resulting headlines haven't

56
00:02:39,210 --> 00:02:36,730
sugar-coated it either quote storm

57
00:02:40,960 --> 00:02:39,220
area51 brings fewer alien enthusiasts

58
00:02:44,620 --> 00:02:40,970
than authorities expected

59
00:02:47,350 --> 00:02:44,630
in quote quote area51 storming to see

60
00:02:51,220 --> 00:02:47,360
aliens fails to materialize in quote and

61
00:02:54,160 --> 00:02:51,230
quote storm area 51 base camp ends early

62
00:02:55,840 --> 00:02:54,170
due to low attendance in quote just a

63
00:02:58,870 --> 00:02:55,850

few of the headlines that paint the

64

00:03:01,120 --> 00:02:58,880

unfortunate picture I seriously doubt

65

00:03:04,780 --> 00:03:01,130

anybody thought three million people

66

00:03:08,530 --> 00:03:04,790

would show up but I mean fewer than 1%

67

00:03:09,730 --> 00:03:08,540

turned out for these parties still the

68

00:03:12,520 --> 00:03:09,740

creator of all this

69

00:03:14,920 --> 00:03:12,530

Mattie Roberts is loving his 15 minutes

70

00:03:16,690 --> 00:03:14,930

right now he was eating up all the media

71

00:03:18,370 --> 00:03:16,700

attention this weekend proudly

72

00:03:20,200 --> 00:03:18,380

proclaiming that he's received

73

00:03:22,270 --> 00:03:20,210

widespread interest from club owners

74

00:03:25,300 --> 00:03:22,280

around the country so he's taking his

75

00:03:27,310 --> 00:03:25,310

alien stock event on the road look I

76

00:03:29,950 --> 00:03:27,320

personally don't have a problem with fun

77

00:03:32,230 --> 00:03:29,960

alien theme festivals I think events

78

00:03:34,450 --> 00:03:32,240

like this certainly serve a purpose and

79

00:03:37,500 --> 00:03:34,460

they can be a blast for people like me

80

00:03:39,820 --> 00:03:37,510

who are fascinated by the UFO et topic I

81

00:03:42,280 --> 00:03:39,830

frequently mentioned my opinion that the

82

00:03:44,410 --> 00:03:42,290

social aspect of UFO conferences is

83

00:03:46,660 --> 00:03:44,420

perhaps the most valuable element of

84

00:03:48,330 --> 00:03:46,670

those conferences people love being

85

00:03:51,100 --> 00:03:48,340

around other like-minded individuals

86

00:03:54,130 --> 00:03:51,110

being able to listen to and share

87

00:03:56,710 --> 00:03:54,140

stories and really just be loud and

88

00:03:59,380 --> 00:03:56,720

proud the stigma surrounding the UFO

89

00:04:01,750 --> 00:03:59,390

topic leaves many people feeling like

90

00:04:04,510 --> 00:04:01,760

they have to keep their UFO ET interests

91

00:04:06,880 --> 00:04:04,520

hidden from friends and family when they

92

00:04:09,280 --> 00:04:06,890

attend a UFO conference or other UFO

93

00:04:11,710 --> 00:04:09,290

related gatherings like the storm area

94

00:04:13,720 --> 00:04:11,720

51 events these people feel like they

95

00:04:16,630 --> 00:04:13,730

can let their hair down and just be

96

00:04:18,670 --> 00:04:16,640

themselves that's awesome and that's why

97

00:04:22,060 --> 00:04:18,680

I think there's tremendous value in

98

00:04:23,890 --> 00:04:22,070

events like this but the storm area51

99

00:04:26,440 --> 00:04:23,900

thing was doomed from the start

100

00:04:28,690 --> 00:04:26,450

stemming from a stupid call to storm a

101
00:04:31,630 --> 00:04:28,700
military base in hopes of obtaining UFO

102
00:04:32,320 --> 00:04:31,640
secrets of course some people view storm

103
00:04:34,810 --> 00:04:32,330
area51

104
00:04:37,600 --> 00:04:34,820
as a great success because it forced

105
00:04:39,850 --> 00:04:37,610
aliens and UFOs into headlines around

106
00:04:42,250 --> 00:04:39,860
the world and some even interpret the

107
00:04:44,200 --> 00:04:42,260
widespread media attention and the fact

108
00:04:46,990 --> 00:04:44,210
that millions of people said they were

109
00:04:49,330 --> 00:04:47,000
going to actually storm the base as some

110
00:04:51,100 --> 00:04:49,340
wonderful indication that the masses are

111
00:04:53,620 --> 00:04:51,110
rising up and demanding that the

112
00:04:56,620 --> 00:04:53,630
government disclose its UFO secrets

113
00:04:58,840 --> 00:04:56,630

that interpretation seems like wishful

114

00:05:00,700 --> 00:04:58,850

thinking especially when you look at

115

00:05:03,100 --> 00:05:00,710

just how few people followed through

116

00:05:07,030 --> 00:05:03,110

with even showing up to the events and

117

00:05:09,010 --> 00:05:07,040

when you look at who showed up these are

118

00:05:11,800 --> 00:05:09,020

largely people who were just looking to

119

00:05:14,800 --> 00:05:11,810

enjoy a silly weekend snack some cool

120

00:05:17,170 --> 00:05:14,810

photos to post on Instagram and feel

121

00:05:19,510 --> 00:05:17,180

free from judgment or ridicule for a

122

00:05:21,490 --> 00:05:19,520

brief moment and people who made the

123

00:05:24,010 --> 00:05:21,500

track out to the Nevada desert got that

124

00:05:26,740 --> 00:05:24,020

they were part of a brief pop culture

125

00:05:29,890 --> 00:05:26,750

thing I'm certainly not reading anything

126
00:05:32,050 --> 00:05:29,900
into the whole storm area51 thing to me

127
00:05:35,170 --> 00:05:32,060
it's not a sign of growing interest in

128
00:05:36,940 --> 00:05:35,180
UFOs or extraterrestrials most people

129
00:05:39,100 --> 00:05:36,950
are interested in these topics in one

130
00:05:42,760 --> 00:05:39,110
way or another and always have been and

131
00:05:45,310 --> 00:05:42,770
we certainly didn't need storm area51 to

132
00:05:47,980 --> 00:05:45,320
generate headlines about UFOs there are

133
00:05:49,810 --> 00:05:47,990
always headlines about UFOs and you can

134
00:05:53,740 --> 00:05:49,820
even argue that the stories about storm

135
00:05:56,710 --> 00:05:53,750
area51 actually do more to reinforce the

136
00:06:01,090 --> 00:05:56,720
established notion that only weirdos and

137
00:06:04,150 --> 00:06:01,100
freaks like UFOs but then at the same

138
00:06:07,750 --> 00:06:04,160

time we have a flood of headlines about

139

00:06:10,120 --> 00:06:07,760

the Navy commenting about UFOs this

140

00:06:12,220 --> 00:06:10,130

latest flood of headlines was prompted

141

00:06:14,860 --> 00:06:12,230

by veteran UFO researcher John Greenwald

142

00:06:16,690 --> 00:06:14,870

who on September 11th published a story

143

00:06:19,840 --> 00:06:16,700

on his website the black vault comm

144

00:06:21,780 --> 00:06:19,850

titled US Navy releases dates of three

145

00:06:24,760 --> 00:06:21,790

officially acknowledged encounters with

146

00:06:27,040 --> 00:06:24,770

phenomena of course the three encounters

147

00:06:28,570 --> 00:06:27,050

he's talking about here are those shown

148

00:06:30,340 --> 00:06:28,580

in the highly publicized video is

149

00:06:33,160 --> 00:06:30,350

released by to the stars Academy of Arts

150

00:06:36,430 --> 00:06:33,170

and Science in December 2017 and March

151
00:06:39,130 --> 00:06:36,440
2018 now known as the FLIR one gimbal

152
00:06:41,500 --> 00:06:39,140
and go fast videos according to

153
00:06:43,210 --> 00:06:41,510
greenwald Joseph grad assure who is the

154
00:06:44,740 --> 00:06:43,220
official spokesperson for the Deputy

155
00:06:47,080 --> 00:06:44,750
Chief of Naval Operations for

156
00:06:49,150 --> 00:06:47,090
information warfare commented that quote

157
00:06:51,520 --> 00:06:49,160
the Navy considers the phenomena

158
00:06:54,600 --> 00:06:51,530
contained / depicted in those three

159
00:06:58,150 --> 00:06:54,610
videos as unidentified in quote on

160
00:07:00,100 --> 00:06:58,160
September 17 MJ binaya and Tim McMillan

161
00:07:02,590 --> 00:07:00,110
published a story on vice.com about

162
00:07:04,990 --> 00:07:02,600
Greenwald story titled quote the Navy

163
00:07:06,330 --> 00:07:05,000

says the UFOs in Tom DeLonge videos are

164

00:07:09,420 --> 00:07:06,340

unidentified aerial

165

00:07:10,950 --> 00:07:09,430

nomina end quote it's this article that

166

00:07:15,000 --> 00:07:10,960

generated headlines by media outlets

167

00:07:16,680 --> 00:07:15,010

around the world don't get hung up too

168

00:07:20,100 --> 00:07:16,690

much on all the hype being made about

169

00:07:21,360 --> 00:07:20,110

the Navy admitting UFOs are real that's

170

00:07:23,550 --> 00:07:21,370

certainly not the case here

171

00:07:26,640 --> 00:07:23,560

military admitted and acknowledged the

172

00:07:29,189 --> 00:07:26,650

reality of UFOs long ago the military

173

00:07:32,400 --> 00:07:29,199

does have a rich public history with

174

00:07:34,800 --> 00:07:32,410

UFOs even the term UFO was coined by the

175

00:07:37,680 --> 00:07:34,810

military by captain edward repeal

176

00:07:39,659 --> 00:07:37,690

specifically in the early 1950s when he

177

00:07:41,820 --> 00:07:39,669

took over the Air Force's official UFO

178

00:07:43,800 --> 00:07:41,830

study project grudge which then became

179

00:07:46,710 --> 00:07:43,810

Project Blue Book the Pentagon

180

00:07:49,860 --> 00:07:46,720

acknowledged its UFO program in recent

181

00:07:53,370 --> 00:07:49,870

years and the Navy recently revamped its

182

00:07:54,930 --> 00:07:53,380

UFO reporting procedures yes the

183

00:07:57,210 --> 00:07:54,940

military officially collects

184

00:08:00,710 --> 00:07:57,220

investigates and studies UFO incidents

185

00:08:02,850 --> 00:08:00,720

not something you do if UFOs aren't real

186

00:08:04,740 --> 00:08:02,860

although some media outlets have

187

00:08:07,770 --> 00:08:04,750

excitedly reported that the Navy's

188

00:08:09,810 --> 00:08:07,780

recent statement is the first time the

189

00:08:12,810 --> 00:08:09,820

military has acknowledged a UFO case a

190

00:08:15,409 --> 00:08:12,820

true unknown hey that's the name of the

191

00:08:18,690 --> 00:08:15,419

show unknown but that's beside the point

192

00:08:20,250 --> 00:08:18,700

it's it's just not the case just look

193

00:08:23,250 --> 00:08:20,260

back at the official studies conducted

194

00:08:26,070 --> 00:08:23,260

by the Air Force not all needed projects

195

00:08:28,980 --> 00:08:26,080

I acknowledge unknown or unidentified

196

00:08:31,680 --> 00:08:28,990

objects even went so far as to say that

197

00:08:34,409 --> 00:08:31,690

the most likely explanation for some

198

00:08:37,380 --> 00:08:34,419

UFOs was extraterrestrial spacecraft

199

00:08:39,480 --> 00:08:37,390

and when project Bluebook concluded it

200

00:08:43,260 --> 00:08:39,490

listed seven hundred and one of their

201
00:08:45,750 --> 00:08:43,270
investigated cases as unknowns the real

202
00:08:47,460 --> 00:08:45,760
news related to the recent story is the

203
00:08:49,470 --> 00:08:47,470
statement by the Navy spokesperson that

204
00:08:54,120 --> 00:08:49,480
the objects observed and these specific

205
00:08:55,620 --> 00:08:54,130
navy videos are unidentified it's always

206
00:08:57,180 --> 00:08:55,630
cool when officials make public

207
00:08:59,280 --> 00:08:57,190
statements related to UFOs

208
00:09:01,050 --> 00:08:59,290
so this latest statement from the Navy

209
00:09:03,870 --> 00:09:01,060
is most certainly noteworthy

210
00:09:06,570 --> 00:09:03,880
of course it's important to avoid

211
00:09:08,730 --> 00:09:06,580
letting our imaginations run wild as I

212
00:09:11,340 --> 00:09:08,740
mentioned earlier the statement provided

213
00:09:13,170 --> 00:09:11,350

to John Greenwald States quote the Navy

214

00:09:15,590 --> 00:09:13,180

considers the phenomena contained /

215

00:09:18,350 --> 00:09:15,600

depicted in those three videos as

216

00:09:21,620 --> 00:09:18,360

unidentified in quote we can interpret

217

00:09:24,139 --> 00:09:21,630

the statement as saying a lot or saying

218

00:09:26,569 --> 00:09:24,149

a whole lot of nothing this could mean

219

00:09:29,499 --> 00:09:26,579

that the Navy genuinely doesn't know

220

00:09:32,980 --> 00:09:29,509

what the objects are in these videos but

221

00:09:36,769 --> 00:09:32,990

looking at the word unidentified

222

00:09:39,980 --> 00:09:36,779

unidentified to whom clearly the public

223

00:09:43,819 --> 00:09:39,990

doesn't know what those objects are so

224

00:09:46,160 --> 00:09:43,829

that means they're unidentified but it

225

00:09:49,069 --> 00:09:46,170

doesn't necessarily mean the Navy

226

00:09:51,350 --> 00:09:49,079

doesn't know the public definitely

227

00:09:54,379 --> 00:09:51,360

doesn't know though so using the term

228

00:09:57,139 --> 00:09:54,389

unidentified here wouldn't technically

229

00:09:58,939 --> 00:09:57,149

be inaccurate statements from the

230

00:10:00,650 --> 00:09:58,949

military like the recent ones from Navy

231

00:10:03,680 --> 00:10:00,660

spokesperson Joseph creditor are

232

00:10:07,069 --> 00:10:03,690

carefully crafted the words are chosen

233

00:10:07,990 --> 00:10:07,079

deliberately and carefully we can take

234

00:10:10,970 --> 00:10:08,000

it at face value

235

00:10:14,059 --> 00:10:10,980

but it certainly leaves the doors open

236

00:10:16,309 --> 00:10:14,069

for all sorts of speculation another

237

00:10:18,379 --> 00:10:16,319

quick thing to note about this recent

238

00:10:20,960 --> 00:10:18,389

statement from the Navy Gradishar

239

00:10:22,699 --> 00:10:20,970

also states that quote the Navy has not

240

00:10:26,179 --> 00:10:22,709

released the videos to the general

241

00:10:29,269 --> 00:10:26,189

public and quote this is an interesting

242

00:10:30,980 --> 00:10:29,279

statement it seemingly supports a

243

00:10:32,749 --> 00:10:30,990

comment provided by a pentagon

244

00:10:35,269 --> 00:10:32,759

spokesperson earlier this year that

245

00:10:36,980 --> 00:10:35,279

states quote the videos were never

246

00:10:39,650 --> 00:10:36,990

officially released to the general

247

00:10:43,220 --> 00:10:39,660

public by the DoD and should still be

248

00:10:44,420 --> 00:10:43,230

withheld in quote to the Stars Academy

249

00:10:46,249 --> 00:10:44,430

of Arts and Science has always

250

00:10:48,139 --> 00:10:46,259

maintained that it went through the

251
00:10:50,540 --> 00:10:48,149
proper channels and successfully secured

252
00:10:52,759 --> 00:10:50,550
the release of these videos and for

253
00:10:54,920 --> 00:10:52,769
public distribution but we've heard

254
00:10:56,900 --> 00:10:54,930
various conflicting statements from

255
00:10:59,449 --> 00:10:56,910
military and government spokespeople

256
00:11:01,340 --> 00:10:59,459
about this issue not only conflicting

257
00:11:02,870 --> 00:11:01,350
with t TSA statements but also

258
00:11:05,870 --> 00:11:02,880
conflicting with their own statements

259
00:11:10,009 --> 00:11:05,880
the whole thing is a mess and perhaps

260
00:11:12,410 --> 00:11:10,019
intentionally so again looking at the

261
00:11:15,079 --> 00:11:12,420
words chosen by grata sure he states

262
00:11:19,100 --> 00:11:15,089
that the Navy didn't release the videos

263
00:11:21,379 --> 00:11:19,110

to the general public from this we could

264

00:11:21,920 --> 00:11:21,389

extrapolate that perhaps he's being

265

00:11:25,040 --> 00:11:21,930

clever

266

00:11:26,769 --> 00:11:25,050

the DoD reportedly released the videos

267

00:11:28,360 --> 00:11:26,779

not the Navy

268

00:11:30,430 --> 00:11:28,370

additionally

269

00:11:32,350 --> 00:11:30,440

the videos were allegedly released to to

270

00:11:34,990 --> 00:11:32,360

the stars Academy of Arts and Science or

271

00:11:38,130 --> 00:11:35,000

perhaps even to Lewis Elizondo

272

00:11:41,920 --> 00:11:38,140

personally not to the general public so

273

00:11:43,900 --> 00:11:41,930

in this case the statement quote the

274

00:11:46,120 --> 00:11:43,910

Navy has not released the videos to the

275

00:11:50,680 --> 00:11:46,130

general public and quote could actually

276

00:11:52,890 --> 00:11:50,690

support TT si s narrative again these

277

00:11:55,510 --> 00:11:52,900

statements are carefully crafted and

278

00:11:58,329 --> 00:11:55,520

intentionally vague they can be

279

00:12:00,310 --> 00:11:58,339

interpreted as saying a lot while in

280

00:12:09,820 --> 00:12:00,320

fact they leave the door open for

281

00:12:12,160 --> 00:12:09,830

interpretation and speculation well

282

00:12:13,450 --> 00:12:12,170

citizens as we wrap up this episode we

283

00:12:15,130 --> 00:12:13,460

invite you to come join us in the rogue

284

00:12:19,000 --> 00:12:15,140

planet Facebook group at facebook.com

285

00:12:21,130 --> 00:12:19,010

slash groups slash rogue planet we'd

286

00:12:22,150 --> 00:12:21,140

love to hear what you think about storm

287

00:12:24,610 --> 00:12:22,160

area 51

288

00:12:26,079 --> 00:12:24,620

the Navy's UFO statements or anything

289

00:12:26,560 --> 00:12:26,089

else you offer related that's on your

290

00:12:28,450 --> 00:12:26,570

mind

291

00:12:30,460 --> 00:12:28,460

you can always find more episodes of

292

00:12:32,670 --> 00:12:30,470

unknown on a podcast sitter

293

00:12:34,480 --> 00:12:32,680

Google Play by heart radio and youtube

294

00:12:35,740 --> 00:12:34,490

subscribe on your favorite podcast

295

00:12:37,840 --> 00:12:35,750

provider so you're notified when we

296

00:12:39,519 --> 00:12:37,850

publish new episodes and if you haven't

297

00:12:40,990 --> 00:12:39,529

done it already it would be awesome if

298

00:12:43,120 --> 00:12:41,000

you could take a minute to rate and

299

00:12:45,670 --> 00:12:43,130

review unknown on your favorite podcast

300

00:12:47,740 --> 00:12:45,680

platform you can always find the show at

301
00:12:50,230 --> 00:12:47,750
rogue planet TV because unknown is a

302
00:12:57,190 --> 00:12:50,240
rogue planet production ro Planet TV is

303
00:12:58,630 --> 00:12:57,200
your home for all the strange big thanks

304
00:13:00,010 --> 00:12:58,640
to our talented friend and fellow rogue

305
00:13:02,140 --> 00:13:00,020
planet Eire caleb hanks for the show's

306
00:13:05,199 --> 00:13:02,150
intro and outro music check out all his

307
00:13:06,730 --> 00:13:05,209
work at dr. chronicles com thanks again

308
00:13:08,949 --> 00:13:06,740
for hanging out with me today I'm Jason

309
00:13:10,660 --> 00:13:08,959
McClellan do me a favor friends always

310
00:13:12,460 --> 00:13:10,670
treat the UFO subject with the cautious

311
00:13:14,890 --> 00:13:12,470
and responsible skepticism it deserves

312
00:13:17,500 --> 00:13:14,900
question everything have the courage to

313
00:13:19,240 --> 00:13:17,510

form your own opinions keep truth as the

314

00:13:21,280 --> 00:13:19,250

focus of your quest even if the truth

315

00:13:23,910 --> 00:13:21,290

conflicts with your opinions and of

316

00:13:34,390 --> 00:13:23,920

course say strange
