

THE CHANGING PERCEPTION OF  
**THE MILITARY  
AND UFOS**

episode 30 . 19

1  
00:00:03,670 --> 00:00:02,500  
greetings citizens and welcome to

2  
00:00:06,460 --> 00:00:03,680  
unknown

3  
00:00:07,070 --> 00:00:06,470  
[Music]

4  
00:00:25,660 --> 00:00:07,080  
[Applause]

5  
00:00:27,460 --> 00:00:25,670  
[Music]

6  
00:00:30,400 --> 00:00:27,470  
it's been a few weeks since the last

7  
00:00:33,700 --> 00:00:30,410  
episode and plenty has transpired in the

8  
00:00:36,010 --> 00:00:33,710  
world of UFOs as is always the case but

9  
00:00:38,139 --> 00:00:36,020  
today I thought I'd spend a little more

10  
00:00:41,220 --> 00:00:38,149  
time talking about recent developments

11  
00:00:44,320 --> 00:00:41,230  
related to the military and UFOs on

12  
00:00:46,509 --> 00:00:44,330  
recent episodes we've talked about the

13  
00:00:49,750 --> 00:00:46,519

seemingly heightened attention given to

14

00:00:52,240 --> 00:00:49,760

UFOs by the US Navy with their revised

15

00:00:54,610 --> 00:00:52,250

UFO reporting procedures and their

16

00:00:56,259 --> 00:00:54,620

official comments about the unidentified

17

00:00:59,380 --> 00:00:56,269

craft that appear in the highly

18

00:01:01,900 --> 00:00:59,390

publicized Navy UFO videos but today

19

00:01:04,410 --> 00:01:01,910

we're shifting to another branch of the

20

00:01:08,139 --> 00:01:04,420

military as you may have heard on

21

00:01:10,540 --> 00:01:08,149

October 17th - the Stars Academy of Arts

22

00:01:12,359 --> 00:01:10,550

and Science announced a cooperative

23

00:01:15,730 --> 00:01:12,369

research and development agreement

24

00:01:18,340 --> 00:01:15,740

krodha for short with the United States

25

00:01:21,730 --> 00:01:18,350

Army combat capabilities development

26  
00:01:24,219 --> 00:01:21,740  
command the company explains that the

27  
00:01:27,940 --> 00:01:24,229  
goal of this agreement is to quote

28  
00:01:30,670 --> 00:01:27,950  
advance TT SAS material and technology

29  
00:01:33,429 --> 00:01:30,680  
innovations in order to develop enhanced

30  
00:01:37,210 --> 00:01:33,439  
capabilities for army ground vehicles in

31  
00:01:38,920 --> 00:01:37,220  
quote and yes they do specifically use

32  
00:01:42,789 --> 00:01:38,930  
the word material here

33  
00:01:44,889 --> 00:01:42,799  
I'm not mispronouncing material material

34  
00:01:48,969 --> 00:01:44,899  
for those of you who might not know is a

35  
00:01:51,609 --> 00:01:48,979  
word used to specify military material

36  
00:01:54,280 --> 00:01:51,619  
and equipment the press release about

37  
00:01:56,709 --> 00:01:54,290  
this agreement details quote TTS A's

38  
00:01:58,510 --> 00:01:56,719

technology solutions which leveraged

39

00:02:01,149 --> 00:01:58,520

developments in material science

40

00:02:03,609 --> 00:02:01,159

space-time metric engineering quantum

41

00:02:06,550 --> 00:02:03,619

physics beamed energy propulsion an

42

00:02:09,069 --> 00:02:06,560

active camouflage have the potential to

43

00:02:12,880 --> 00:02:09,079

enhance survivability and effectiveness

44

00:02:16,330 --> 00:02:12,890

of multiple army systems in quote the

45

00:02:18,610 --> 00:02:16,340

press release continues quote G TSA will

46

00:02:22,390 --> 00:02:18,620

share its discoveries with ground

47

00:02:25,300 --> 00:02:22,400

vehicle system Center G BSC and ground

48

00:02:28,120 --> 00:02:25,310

vehicle survivability and protection G

49

00:02:31,080 --> 00:02:28,130

VSP and the US Army shall provide

50

00:02:33,520 --> 00:02:31,090

laboratories expertise support and

51  
00:02:37,110 --> 00:02:33,530  
resources to help characterize the

52  
00:02:41,080 --> 00:02:37,120  
technologies and its applications in quo

53  
00:02:42,690 --> 00:02:41,090  
so to rephrase this tea tsa has entered

54  
00:02:45,520 --> 00:02:42,700  
into an agreement with the US Army the

55  
00:02:48,940 --> 00:02:45,530  
Army is making military labs available

56  
00:02:52,660 --> 00:02:48,950  
to T TSA to enhance TTS A's research

57  
00:02:55,390 --> 00:02:52,670  
capabilities and T TSA will share new

58  
00:02:57,340 --> 00:02:55,400  
findings and other research with the

59  
00:02:59,290 --> 00:02:57,350  
army that the army can then use to

60  
00:03:02,500 --> 00:02:59,300  
develop enhancements sports ground

61  
00:03:04,090 --> 00:03:02,510  
vehicles for people familiar with to the

62  
00:03:06,460 --> 00:03:04,100  
Stars Academy of Arts and Science a

63  
00:03:11,050 --> 00:03:06,470

thought that might come to mind after

64

00:03:12,790 --> 00:03:11,060

hearing this news is um I thought T TSA

65

00:03:15,520 --> 00:03:12,800

was a public benefit corporation

66

00:03:18,250 --> 00:03:15,530

how does improving army technology

67

00:03:19,990 --> 00:03:18,260

benefit the public or work toward the

68

00:03:22,420 --> 00:03:20,000

company's goal of making the world a

69

00:03:25,030 --> 00:03:22,430

better place well here's the response

70

00:03:27,160 --> 00:03:25,040

from TTS A's chief operating officer and

71

00:03:30,190 --> 00:03:27,170

aerospace division director Steve

72

00:03:32,620 --> 00:03:30,200

Justice quote this cooperative research

73

00:03:35,559 --> 00:03:32,630

agreement brings additional critically

74

00:03:38,170 --> 00:03:35,569

important expertise that is necessary to

75

00:03:40,900 --> 00:03:38,180

advance the state of the art in both our

76  
00:03:43,600 --> 00:03:40,910  
near and long-term technology areas of

77  
00:03:45,880 --> 00:03:43,610  
focus while the Army has specific

78  
00:03:49,150 --> 00:03:45,890  
military performance interests in the

79  
00:03:51,670 --> 00:03:49,160  
research much of the work is expected to

80  
00:03:54,340 --> 00:03:51,680  
have dual use applications in support of

81  
00:03:58,990 --> 00:03:54,350  
TTS A's path to commercialization and

82  
00:04:01,210 --> 00:03:59,000  
public benefit mission in quote if TTS

83  
00:04:03,840 --> 00:04:01,220  
A's mention of things like space time

84  
00:04:06,840 --> 00:04:03,850  
metric engineering quantum physics and

85  
00:04:10,000 --> 00:04:06,850  
beamed energy propulsion sound familiar

86  
00:04:12,190 --> 00:04:10,010  
it's likely because these are some of

87  
00:04:15,069 --> 00:04:12,200  
the areas of research and theorizing

88  
00:04:17,140 --> 00:04:15,079

conducted for the Pentagon's advanced

89

00:04:19,990 --> 00:04:17,150

aerospace threat identification program

90

00:04:22,690 --> 00:04:20,000

by TTS a co-founder helped put off and

91

00:04:24,520 --> 00:04:22,700

Eric Davis Rudolph's chief science

92

00:04:27,219 --> 00:04:24,530

officer at his research company earth

93

00:04:30,880 --> 00:04:27,229

tech International a company with whom T

94

00:04:33,279 --> 00:04:30,890

TSA has a working relationship also if

95

00:04:36,219 --> 00:04:33,289

you're wondering what this has to do

96

00:04:38,830 --> 00:04:36,229

with UFOs well Tom DeLonge did recently

97

00:04:39,879 --> 00:04:38,840

post a Twitter quote it's good to point

98

00:04:42,999 --> 00:04:39,889

out that

99

00:04:45,429 --> 00:04:43,009

to the Stars Academy is not a UFO

100

00:04:47,379 --> 00:04:45,439

research group we are an advanced

101  
00:04:50,050 --> 00:04:47,389  
aerospace science and entertainment

102  
00:04:51,820 --> 00:04:50,060  
consortium run by a former program

103  
00:04:53,950 --> 00:04:51,830  
director of Lockheed Martin skunk works

104  
00:04:56,770 --> 00:04:53,960  
multiple high-ranking defense and

105  
00:05:00,279 --> 00:04:56,780  
intelligence officials DoD physicists

106  
00:05:02,110 --> 00:05:00,289  
end quote so there's that although the

107  
00:05:04,719 --> 00:05:02,120  
company is doing everything it can to be

108  
00:05:07,209 --> 00:05:04,729  
as transparent as possible in everything

109  
00:05:09,999 --> 00:05:07,219  
it does you of course have to keep in

110  
00:05:12,010 --> 00:05:10,009  
mind that if the military is able to

111  
00:05:13,800 --> 00:05:12,020  
develop some sort of cool technological

112  
00:05:16,629 --> 00:05:13,810  
advancement stemming from all of this

113  
00:05:19,480 --> 00:05:16,639

that information won't be publicized for

114

00:05:21,600 --> 00:05:19,490

obvious reasons the military doesn't

115

00:05:23,980 --> 00:05:21,610

work to enhance its defense capabilities

116

00:05:25,899 --> 00:05:23,990

and share those enhancements with the

117

00:05:27,999 --> 00:05:25,909

rest of the world if you want to see the

118

00:05:30,010 --> 00:05:28,009

details of the agreement between T TSA

119

00:05:32,230 --> 00:05:30,020

and the United States Army combat

120

00:05:34,390 --> 00:05:32,240

capabilities development command the

121

00:05:38,080 --> 00:05:34,400

full executed agreement can be read at

122

00:05:40,649 --> 00:05:38,090

the black vault comm T TSA is clearly

123

00:05:43,510 --> 00:05:40,659

focused on working with the military and

124

00:05:45,610 --> 00:05:43,520

this shouldn't come as a surprise to

125

00:05:48,969 --> 00:05:45,620

anyone who has been following this

126

00:05:50,740 --> 00:05:48,979

company first of all this is a company

127

00:05:53,110 --> 00:05:50,750

comprised of former military and

128

00:05:55,450 --> 00:05:53,120

government personnel and others who have

129

00:05:59,200 --> 00:05:55,460

spent their careers contracting with the

130

00:06:01,689 --> 00:05:59,210

US government second Tom DeLonge the

131

00:06:03,670 --> 00:06:01,699

company's founder and interim CEO has

132

00:06:06,730 --> 00:06:03,680

stated multiple times since the

133

00:06:09,300 --> 00:06:06,740

company's inception that this is a goal

134

00:06:11,619 --> 00:06:09,310

an objective he presented to

135

00:06:13,719 --> 00:06:11,629

high-ranking military officials when he

136

00:06:16,059 --> 00:06:13,729

was working to assemble his group of

137

00:06:18,760 --> 00:06:16,069

military and government advisors to

138

00:06:20,649 --> 00:06:18,770

improve the long-standing perception of

139

00:06:22,959 --> 00:06:20,659

the military and the government in the

140

00:06:25,149 --> 00:06:22,969

eyes of the UFO community and pop

141

00:06:26,530 --> 00:06:25,159

culture in general when it comes to the

142

00:06:29,380 --> 00:06:26,540

UFO subject

143

00:06:32,520 --> 00:06:29,390

historically the military has been the

144

00:06:35,890 --> 00:06:32,530

bad guys of UFOs suppressing information

145

00:06:38,500 --> 00:06:35,900

covering up UFO incidents in actively

146

00:06:41,950 --> 00:06:38,510

working to make the UFO topic seem

147

00:06:44,230 --> 00:06:41,960

ridiculous who knew the military cared

148

00:06:47,020 --> 00:06:44,240

at all about how it was perceived in

149

00:06:49,360 --> 00:06:47,030

relation to UFOs but if they've

150

00:06:51,880 --> 00:06:49,370

demonstrated anything it's that they

151

00:06:55,090 --> 00:06:51,890

definitely loved steering narratives

152

00:06:58,480 --> 00:06:55,100

when it comes to the UFO topic in the

153

00:07:00,970 --> 00:06:58,490

past year we've seen what on the surface

154

00:07:02,950 --> 00:07:00,980

at least appears to be an increased

155

00:07:06,190 --> 00:07:02,960

interest by the military when it comes

156

00:07:08,110 --> 00:07:06,200

to UFOs how much that's actually the

157

00:07:11,350 --> 00:07:08,120

case is up for debate

158

00:07:13,600 --> 00:07:11,360

speculation etc but there have certainly

159

00:07:15,550 --> 00:07:13,610

been a significant amount of headlines

160

00:07:18,130 --> 00:07:15,560

from media outlets around the world this

161

00:07:21,840 --> 00:07:18,140

past year related to the military and

162

00:07:25,750 --> 00:07:21,850

UFOs most notably the Navy and UFOs

163

00:07:27,250 --> 00:07:25,760

there's no question that t TSA deserves

164

00:07:29,950 --> 00:07:27,260

the credit for spawning the large

165

00:07:32,350 --> 00:07:29,960

majority of these stories as most of

166

00:07:35,020 --> 00:07:32,360

these stories were prompted by press

167

00:07:38,770 --> 00:07:35,030

releases from the company or arrange

168

00:07:40,660 --> 00:07:38,780

stories with specific media outlets for

169

00:07:44,440 --> 00:07:40,670

anyone who has spent any time

170

00:07:47,950 --> 00:07:44,450

researching UFOs UFO history and the

171

00:07:51,160 --> 00:07:47,960

military's role in UFO history it's more

172

00:07:53,890 --> 00:07:51,170

than a little bizarre to see the recent

173

00:07:58,480 --> 00:07:53,900

shift in how some perceived the military

174

00:08:02,590 --> 00:07:58,490

when it comes to UFOs I mean here are

175

00:08:06,580 --> 00:08:02,600

things we know we know the military has

176

00:08:08,590 --> 00:08:06,590

covered up UFO incidents we know the

177

00:08:12,430 --> 00:08:08,600

military has spread false information

178

00:08:15,190 --> 00:08:12,440

when it comes to UFOs and we know that

179

00:08:18,130 --> 00:08:15,200

the military has actively worked to

180

00:08:19,390 --> 00:08:18,140

discredit the UFO topic they can

181

00:08:21,580 --> 00:08:19,400

essentially be credited with

182

00:08:25,450 --> 00:08:21,590

establishing the ridicule factor

183

00:08:27,910 --> 00:08:25,460

associated with the UFO topic but now it

184

00:08:29,740 --> 00:08:27,920

seems that because of a few public

185

00:08:32,620 --> 00:08:29,750

comments about UFOs

186

00:08:35,620 --> 00:08:32,630

which include carefully crafted

187

00:08:37,959 --> 00:08:35,630

carefully vague statements some people

188

00:08:42,130 --> 00:08:37,969

are ready and willing to completely

189

00:08:45,640 --> 00:08:42,140

forget 70 years of history history is

190

00:08:49,180 --> 00:08:45,650

important and with a wild topic like

191

00:08:51,180 --> 00:08:49,190

UFOs it's especially important to

192

00:08:54,340 --> 00:08:51,190

constantly question things

193

00:08:56,920 --> 00:08:54,350

question statements question wording

194

00:08:59,650 --> 00:08:56,930

used in those statements question

195

00:09:02,770 --> 00:08:59,660

motives and perhaps even more

196

00:09:05,740 --> 00:09:02,780

importantly avoid blindly accepting

197

00:09:08,770 --> 00:09:05,750

things at face value and avoid the urge

198

00:09:11,470 --> 00:09:08,780

to jump up celebrate and lend your

199

00:09:14,200 --> 00:09:11,480

support to something simply because you

200

00:09:15,970 --> 00:09:14,210

hear a pandering comment that feeds your

201  
00:09:18,580 --> 00:09:15,980  
need to have your established belief

202  
00:09:20,920 --> 00:09:18,590  
supporting you know whenever I think

203  
00:09:23,770 --> 00:09:20,930  
about this dangerous mentality of

204  
00:09:26,650 --> 00:09:23,780  
focusing on specific statements while

205  
00:09:28,720 --> 00:09:26,660  
ignoring the entire picture I think

206  
00:09:31,060 --> 00:09:28,730  
about an episode of Family Guy where

207  
00:09:34,540 --> 00:09:31,070  
Lois is participating in a mayoral

208  
00:09:36,730 --> 00:09:34,550  
debate I don't understand these people

209  
00:09:39,250 --> 00:09:36,740  
he didn't even say anything and they

210  
00:09:40,840 --> 00:09:39,260  
eaten it up Lois undecided voters are

211  
00:09:43,450 --> 00:09:40,850  
the biggest idiots on the planet try

212  
00:09:45,970 --> 00:09:43,460  
giving short simple answers sir your

213  
00:09:53,160 --> 00:09:45,980

question please mrs. Griffin what do you

214

00:10:03,319 --> 00:10:00,820

because that's what Jesus wants 9/11 was

215

00:10:07,759 --> 00:10:05,540

I agree with that I can't believe how

216

00:10:10,389 --> 00:10:07,769

easy this is mrs. Griffin what are your

217

00:10:16,699 --> 00:10:10,399

plans for cleaning up our environment

218

00:10:25,429 --> 00:10:16,709

9/11 this is Griffin what about our

219

00:10:27,530 --> 00:10:25,439

traffic problem 9 mm-hmm 11 with regards

220

00:10:28,069 --> 00:10:27,540

to TTS A's recent agreement with the

221

00:10:30,319 --> 00:10:28,079

Army

222

00:10:32,749 --> 00:10:30,329

I definitely applaud them for what

223

00:10:34,359 --> 00:10:32,759

they've managed to achieve they are

224

00:10:36,650 --> 00:10:34,369

pushing forward with their research

225

00:10:38,419 --> 00:10:36,660

forging more government relationships

226

00:10:41,929 --> 00:10:38,429

and getting access to additional

227

00:10:44,569 --> 00:10:41,939

resources that's huge for them whether

228

00:10:46,929 --> 00:10:44,579

we get to share in any discoveries they

229

00:10:49,699 --> 00:10:46,939

make is yet to be determined however

230

00:10:52,280 --> 00:10:49,709

again when you've got a contract or an

231

00:10:55,819 --> 00:10:52,290

arrangement with the government things

232

00:10:57,819 --> 00:10:55,829

get complicated look at a tip look at

233

00:11:00,739 --> 00:10:57,829

Bigelow Aerospace advanced Space Studies

234

00:11:02,689 --> 00:11:00,749

we have recent examples to look at to

235

00:11:04,759 --> 00:11:02,699

see how much UFO information the public

236

00:11:07,519 --> 00:11:04,769

gets to see when private companies

237

00:11:10,970 --> 00:11:07,529

contract with the government time will

238

00:11:12,859 --> 00:11:10,980

tell but in the meantime I'll continue

239

00:11:14,929 --> 00:11:12,869

wishing T TSA the best of luck with

240

00:11:16,400 --> 00:11:14,939

their efforts and hopefully find the

241

00:11:19,669 --> 00:11:16,410

incredible discoveries they're searching

242

00:11:23,769 --> 00:11:19,679

for as far as considering the military

243

00:11:27,919 --> 00:11:23,779

as good guys in the whole UFO world now

244

00:11:33,350 --> 00:11:27,929

I'm not there consider me justifiably

245

00:11:37,890 --> 00:11:35,730

well citizens that's gonna do it for

246

00:11:39,930 --> 00:11:37,900

this episode you can find more episodes

247

00:11:42,240 --> 00:11:39,940

of unknown on Apple podcast stitcher

248

00:11:44,070 --> 00:11:42,250

Google Play I Heart Radio and YouTube

249

00:11:45,720 --> 00:11:44,080

subscribe on your favorite podcast

250

00:11:47,850 --> 00:11:45,730

provider so you're notified when we

251  
00:11:49,590 --> 00:11:47,860  
publish new episodes you can always find

252  
00:11:51,360 --> 00:11:49,600  
this show at rogue planet TV because

253  
00:11:54,060 --> 00:11:51,370  
unknown is a rogue planet production

254  
00:12:00,720 --> 00:11:54,070  
rogue planet TV is your home for all the

255  
00:12:02,010 --> 00:12:00,730  
strange big thanks to our talented

256  
00:12:03,930 --> 00:12:02,020  
friend and fellow rogue planet Eire

257  
00:12:06,210 --> 00:12:03,940  
caleb hanks for the show's intro and

258  
00:12:09,270 --> 00:12:06,220  
outro music check out all his work at

259  
00:12:10,830 --> 00:12:09,280  
buckler Chronicles com thanks again for

260  
00:12:13,110 --> 00:12:10,840  
hanging out with me today I'm Jason

261  
00:12:14,940 --> 00:12:13,120  
McClellan do me a favor friends always

262  
00:12:16,970 --> 00:12:14,950  
treat the UFO subject with the cautious

263  
00:12:19,440 --> 00:12:16,980

and responsible skepticism it deserves

264

00:12:22,080 --> 00:12:19,450

question everything have the courage to

265

00:12:24,030 --> 00:12:22,090

form your own opinions keep truth as the

266

00:12:26,160 --> 00:12:24,040

focus of your quest even if the truth

267

00:12:28,360 --> 00:12:26,170

conflicts with your opinions and of

268

00:12:36,760 --> 00:12:28,370

course stay strange

269

00:12:38,329 --> 00:12:36,770

[Music]
