

**THE NAVY'S  
FALSE  
UFO FLEETS**

episode 31.19

1  
00:00:03,700 --> 00:00:02,590  
greetings citizens and welcome to

2  
00:00:06,490 --> 00:00:03,710  
unknown

3  
00:00:06,830 --> 00:00:06,500  
[Music]

4  
00:00:25,690 --> 00:00:06,840  
[Applause]

5  
00:00:28,120 --> 00:00:25,700  
[Music]

6  
00:00:31,780 --> 00:00:28,130  
I'm Jason McClellan thanks for hanging

7  
00:00:33,910 --> 00:00:31,790  
out with me it's highly likely that if

8  
00:00:36,820 --> 00:00:33,920  
you've been following UFO related news

9  
00:00:39,520 --> 00:00:36,830  
you've noticed a seemingly singular

10  
00:00:42,490 --> 00:00:39,530  
focus in the world of UFOs on those

11  
00:00:44,410 --> 00:00:42,500  
three Navy UFO videos that were brought

12  
00:00:46,660 --> 00:00:44,420  
to the world's attention by Lewis

13  
00:00:49,210 --> 00:00:46,670

Elizondo and to the stars Academy of

14

00:00:52,630 --> 00:00:49,220

Arts and Science all the way back in

15

00:00:53,470 --> 00:00:52,640

December of 2017 in case you're not

16

00:00:57,670 --> 00:00:53,480

keeping track

17

00:01:00,640 --> 00:00:57,680

this is 2019 nearing the end of 2019 to

18

00:01:02,920 --> 00:01:00,650

be specific so has there really been

19

00:01:05,920 --> 00:01:02,930

nothing else ufo-related worth

20

00:01:09,399 --> 00:01:05,930

discussing for nearly two years besides

21

00:01:11,340 --> 00:01:09,409

these three videos well hopefully you

22

00:01:15,160 --> 00:01:11,350

already know the answer to that question

23

00:01:19,030 --> 00:01:15,170

the answer is of course there has been

24

00:01:21,130 --> 00:01:19,040

as I routinely state UFO related stories

25

00:01:25,719 --> 00:01:21,140

are covered by media outlets around the

26  
00:01:29,140 --> 00:01:25,729  
world every day so why are the tick tack

27  
00:01:31,660 --> 00:01:29,150  
gimbal and go fast UFO videos still

28  
00:01:36,249 --> 00:01:31,670  
generating headlines today and garnering

29  
00:01:37,959 --> 00:01:36,259  
so much attention well first the fact

30  
00:01:41,440 --> 00:01:37,969  
that these videos are sourced from the

31  
00:01:43,300 --> 00:01:41,450  
US military is a big reason knowing that

32  
00:01:45,789 --> 00:01:43,310  
these videos come from Navy fighter

33  
00:01:47,679 --> 00:01:45,799  
pilots rather than some random guy in

34  
00:01:51,249 --> 00:01:47,689  
the middle of nowhere makes them more

35  
00:01:53,590 --> 00:01:51,259  
credible to most people and because we

36  
00:01:55,569 --> 00:01:53,600  
reportedly have supplemental and

37  
00:01:57,399 --> 00:01:55,579  
corroborating radar evidence and

38  
00:02:00,940 --> 00:01:57,409

eyewitness testimony from military

39

00:02:04,660 --> 00:02:00,950

personnel these videos collectively make

40

00:02:07,840 --> 00:02:04,670

a truly fascinating case but most of the

41

00:02:10,480 --> 00:02:07,850

credit for the long lasting high-profile

42

00:02:14,920 --> 00:02:10,490

attention on these videos goes to to the

43

00:02:17,700 --> 00:02:14,930

Stars Academy itself T TSA has created a

44

00:02:20,110 --> 00:02:17,710

powerful vehicle for generating stories

45

00:02:22,990 --> 00:02:20,120

because its founder Tom DeLonge is a

46

00:02:24,820 --> 00:02:23,000

rock star his star power gives the

47

00:02:26,880 --> 00:02:24,830

company the ability to choose when and

48

00:02:29,530 --> 00:02:26,890

where it wants certain stories published

49

00:02:32,530 --> 00:02:29,540

there are plenty of reasons to continue

50

00:02:35,259 --> 00:02:32,540

discussing these videos in my opinion

51  
00:02:38,880 --> 00:02:35,269  
these three UFO videos do merit ongoing

52  
00:02:40,590 --> 00:02:38,890  
discourse but why specifically

53  
00:02:44,970 --> 00:02:40,600  
am i bringing these videos up again

54  
00:02:48,600 --> 00:02:44,980  
today I'm glad you asked I've repeatedly

55  
00:02:51,750 --> 00:02:48,610  
stated my personal opinion yes just my

56  
00:02:54,809 --> 00:02:51,760  
opinion that the objects we see in these

57  
00:02:57,390 --> 00:02:54,819  
Navy UFO videos are not extraterrestrial

58  
00:02:59,449 --> 00:02:57,400  
in nature would rather some new

59  
00:03:02,190 --> 00:02:59,459  
technology being tested by the Navy

60  
00:03:04,440 --> 00:03:02,200  
we've mentioned a few items on this show

61  
00:03:06,449 --> 00:03:04,450  
in the past like Admirals aboard ships

62  
00:03:09,449 --> 00:03:06,459  
involved with these incidents seemingly

63  
00:03:11,910 --> 00:03:09,459

unfazed by the encounters carefully

64

00:03:14,940 --> 00:03:11,920

crafted non-committal answers by Navy

65

00:03:17,250 --> 00:03:14,950

spokespeople and testimony from one of

66

00:03:19,500 --> 00:03:17,260

the primary participants commander David

67

00:03:21,780 --> 00:03:19,510

flavor who has stated in multiple

68

00:03:24,509 --> 00:03:21,790

interviews including his appearance on

69

00:03:26,130 --> 00:03:24,519

the Joe Rogan experience that his bosses

70

00:03:27,110 --> 00:03:26,140

aboard the ship were surprisingly

71

00:03:29,580 --> 00:03:27,120

uninterested

72

00:03:31,080 --> 00:03:29,590

according to favor there are lots of

73

00:03:33,420 --> 00:03:31,090

false stories out there about people

74

00:03:36,630 --> 00:03:33,430

being questioned tapes being confiscated

75

00:03:40,199 --> 00:03:36,640

etc but according to favor none of that

76

00:03:42,060 --> 00:03:40,209

happened very little if anything was

77

00:03:45,030 --> 00:03:42,070

made of the pilot encounters with UFOs

78

00:03:47,370 --> 00:03:45,040

at the time we also know that according

79

00:03:49,319 --> 00:03:47,380

to those involved the Navy was fully

80

00:03:52,530 --> 00:03:49,329

aware that these mysterious aerial

81

00:03:55,110 --> 00:03:52,540

objects were in the area yet didn't

82

00:03:57,630 --> 00:03:55,120

cancel training exercises or even notify

83

00:04:00,030 --> 00:03:57,640

its pilots these are just a few of the

84

00:04:02,400 --> 00:04:00,040

interesting details that lead me to

85

00:04:06,000 --> 00:04:02,410

believe the Navy knows what those UFOs

86

00:04:08,130 --> 00:04:06,010

are but why do I think that just because

87

00:04:10,800 --> 00:04:08,140

the Navy might know the identity of the

88

00:04:14,280 --> 00:04:10,810

objects captured in the UFO videos that

89

00:04:16,560 --> 00:04:14,290

these aren't et spacecraft well it's

90

00:04:18,240 --> 00:04:16,570

certainly not because I don't think that

91

00:04:20,219 --> 00:04:18,250

some of the UFOs seen in the skies

92

00:04:22,920 --> 00:04:20,229

around the world every day could be

93

00:04:25,320 --> 00:04:22,930

extraterrestrial I'm even happy to

94

00:04:28,380 --> 00:04:25,330

entertain the possibility that some of

95

00:04:32,370 --> 00:04:28,390

the UFOs I've personally witnessed could

96

00:04:35,400 --> 00:04:32,380

be extraterrestrial but when it comes to

97

00:04:38,719 --> 00:04:35,410

the Navy UFO videos everything just

98

00:04:41,190 --> 00:04:38,729

points to new Navy technology to me I

99

00:04:43,500 --> 00:04:41,200

think the first thing that got me

100

00:04:45,540 --> 00:04:43,510

thinking along these lines was the fact

101  
00:04:47,730 --> 00:04:45,550  
that both the East Coast and West Coast

102  
00:04:50,159 --> 00:04:47,740  
incidents that are captured on these

103  
00:04:51,460 --> 00:04:50,169  
videos took place during training

104  
00:04:55,120 --> 00:04:51,470  
exercises

105  
00:04:56,860 --> 00:04:55,130  
that seemed pretty coincidental then the

106  
00:04:59,560 --> 00:04:56,870  
comments from Navy personnel about how

107  
00:05:03,760 --> 00:04:59,570  
these UFOs followed the fleet for months

108  
00:05:05,200 --> 00:05:03,770  
only amplified my suspicions and here's

109  
00:05:08,020 --> 00:05:05,210  
the real reason I'm bringing this up

110  
00:05:10,300 --> 00:05:08,030  
today on Thursday November 7th

111  
00:05:13,030 --> 00:05:10,310  
Brett tinguely published a story on the

112  
00:05:15,700 --> 00:05:13,040  
drive calm titled the Navy's secretive

113  
00:05:19,800 --> 00:05:15,710

and revolutionary program to project

114

00:05:22,840 --> 00:05:19,810

false fleets from drone swarms wait what

115

00:05:26,110 --> 00:05:22,850

okay this story definitely got my

116

00:05:28,780 --> 00:05:26,120

attention we know that during both the

117

00:05:31,390 --> 00:05:28,790

East Coast and West Coast incidents Navy

118

00:05:34,180 --> 00:05:31,400

personnel reported seeing fleets of UFOs

119

00:05:36,820 --> 00:05:34,190

on the radar systems and now we're

120

00:05:39,550 --> 00:05:36,830

hearing about Navy technology that can

121

00:05:42,580 --> 00:05:39,560

fool people and systems into thinking

122

00:05:45,780 --> 00:05:42,590

that a fleet of objects is present when

123

00:05:48,070 --> 00:05:45,790

in fact there's nothing there at all

124

00:05:50,890 --> 00:05:48,080

according to the story this new

125

00:05:54,040 --> 00:05:50,900

secretive electronic warfare system is

126

00:05:56,500 --> 00:05:54,050

called the NetID emulation of multi

127

00:05:59,380 --> 00:05:56,510

element signature against integrated

128

00:06:02,409 --> 00:05:59,390

sensors or the much easier acronym

129

00:06:04,630 --> 00:06:02,419

nemesis the article explains quote for

130

00:06:06,670 --> 00:06:04,640

years the Navy has been developing and

131

00:06:09,240 --> 00:06:06,680

integrating multiple types of unmanned

132

00:06:11,800 --> 00:06:09,250

vehicles shipboard and submarine systems

133

00:06:14,560 --> 00:06:11,810

countermeasures and electronic warfare

134

00:06:17,140 --> 00:06:14,570

payloads and communication technologies

135

00:06:20,159 --> 00:06:17,150

to give it the ability to project what

136

00:06:23,530 --> 00:06:20,169

is in essence phantom fleets of aircraft

137

00:06:26,500 --> 00:06:23,540

ships and submarines these realistic

138

00:06:29,230 --> 00:06:26,510

looking false signatures and decoys have

139

00:06:31,120 --> 00:06:29,240

the ability to appear seamlessly across

140

00:06:34,630 --> 00:06:31,130

disparate and geographically separate

141

00:06:37,570 --> 00:06:34,640

enemy sensor systems located both above

142

00:06:39,970 --> 00:06:37,580

and below the ocean's surface as a

143

00:06:42,310 --> 00:06:39,980

result this Network and cooperative

144

00:06:45,070 --> 00:06:42,320

electronic warfare concept brings an

145

00:06:47,440 --> 00:06:45,080

unprecedented level of guileful fidelity

146

00:06:49,420 --> 00:06:47,450

to the fight it's not just about

147

00:06:51,820 --> 00:06:49,430

disrupting the enemy's capabilities or

148

00:06:54,220 --> 00:06:51,830

confusing them at a command and control

149

00:06:56,740 --> 00:06:54,230

level but also about making their

150

00:06:59,050 --> 00:06:56,750

sensors tell them the same falsehoods

151  
00:07:00,719 --> 00:06:59,060  
across large swathes of the battle space

152  
00:07:04,120 --> 00:07:00,729  
in quote

153  
00:07:06,250 --> 00:07:04,130  
the article points to a 20-17 center for

154  
00:07:09,430 --> 00:07:06,260  
strategic and budgetary assessments or

155  
00:07:11,860 --> 00:07:09,440  
CSB a white paper titled winning in the

156  
00:07:15,909 --> 00:07:11,870  
gray zone using electromagnetic warfare

157  
00:07:17,500 --> 00:07:15,919  
to regain escalation dominance this

158  
00:07:20,170 --> 00:07:17,510  
white paper describes fleets of

159  
00:07:22,480 --> 00:07:20,180  
expendable unmanned aerial systems that

160  
00:07:24,460 --> 00:07:22,490  
quote incorporate cognitive processing

161  
00:07:27,760 --> 00:07:24,470  
and coordinate their actions through

162  
00:07:29,860 --> 00:07:27,770  
communication networks in quote Bret

163  
00:07:32,469 --> 00:07:29,870

tingly again the author of the article

164

00:07:34,930 --> 00:07:32,479

on the drive comm explains that this

165

00:07:37,390 --> 00:07:34,940

means quote they can share data in

166

00:07:41,439 --> 00:07:37,400

real-time and operate semi autonomously

167

00:07:44,590 --> 00:07:41,449

to jam an adversary sensor act as or

168

00:07:47,230 --> 00:07:44,600

release decoys gather targeting

169

00:07:50,500 --> 00:07:47,240

information and detect and map air

170

00:07:54,159 --> 00:07:50,510

defense networks unquote this is pretty

171

00:07:56,529 --> 00:07:54,169

wild high-tech futuristic stuff Tingley

172

00:07:59,080 --> 00:07:56,539

further adds quote aside from providing

173

00:08:01,689 --> 00:07:59,090

fire and communication support the

174

00:08:04,629 --> 00:08:01,699

Nemesis system was said to be capable of

175

00:08:06,879 --> 00:08:04,639

creating viable false targets that would

176  
00:08:09,670 --> 00:08:06,889  
increase the number of potential targets

177  
00:08:11,620 --> 00:08:09,680  
an adversary would have to engage these

178  
00:08:13,810 --> 00:08:11,630  
false targets would mimic the RF

179  
00:08:16,750 --> 00:08:13,820  
emissions and radar returns of real

180  
00:08:19,930 --> 00:08:16,760  
platforms and include infrared decoys

181  
00:08:22,000 --> 00:08:19,940  
and concepts and capabilities to

182  
00:08:25,750 --> 00:08:22,010  
simulate the computer network activity

183  
00:08:28,330 --> 00:08:25,760  
of deployed forces in quote this is also

184  
00:08:30,580 --> 00:08:28,340  
really interesting he says that the

185  
00:08:33,219 --> 00:08:30,590  
Nemesis system also included underwater

186  
00:08:35,800 --> 00:08:33,229  
high fidelity acoustic decoys they can

187  
00:08:38,620 --> 00:08:35,810  
generate additional targets the article

188  
00:08:40,930 --> 00:08:38,630

explains quote these acoustic decoys can

189

00:08:43,480 --> 00:08:40,940

include radio emulators and simulate the

190

00:08:46,060 --> 00:08:43,490

Pella noise or other propulsion systems

191

00:08:47,079 --> 00:08:46,070

as well as specific equipment on surface

192

00:08:49,510 --> 00:08:47,089

ships and submarines

193

00:08:51,730 --> 00:08:49,520

end quote the Center for Strategic and

194

00:08:54,730 --> 00:08:51,740

budgetary assessments whitepaper I

195

00:08:57,400 --> 00:08:54,740

mentioned described using small unmanned

196

00:08:59,410 --> 00:08:57,410

electronic warfare systems launched from

197

00:09:02,079 --> 00:08:59,420

either high-altitude balloons or

198

00:09:04,930 --> 00:09:02,089

undersea platforms like submarines or

199

00:09:07,810 --> 00:09:04,940

unmanned underwater vehicles to create

200

00:09:09,670 --> 00:09:07,820

these effects we know that at least in

201  
00:09:11,530 --> 00:09:09,680  
the case of the tic-tac West Coast UFO

202  
00:09:13,670 --> 00:09:11,540  
incident pilots reported seeing

203  
00:09:16,160 --> 00:09:13,680  
underwater disturbances

204  
00:09:19,100 --> 00:09:16,170  
perhaps objects coming out of the water

205  
00:09:21,980 --> 00:09:19,110  
as well as objects coming from extremely

206  
00:09:24,680 --> 00:09:21,990  
high altitudes so that's fascinating to

207  
00:09:27,320 --> 00:09:24,690  
consider recent unclassified budget

208  
00:09:29,960 --> 00:09:27,330  
justification statements explain that

209  
00:09:31,610 --> 00:09:29,970  
it's during fleet experimentation and

210  
00:09:33,889 --> 00:09:31,620  
during focused field and laboratory

211  
00:09:36,019 --> 00:09:33,899  
tests that the capabilities of the

212  
00:09:38,690 --> 00:09:36,029  
Nemesis expendable decoys were

213  
00:09:41,960 --> 00:09:38,700

demonstrated according to the article

214

00:09:43,850 --> 00:09:41,970

the Navy's 2015 program guide mentions

215

00:09:47,930 --> 00:09:43,860

that the Navy conducted a wargame in

216

00:09:50,960 --> 00:09:47,940

2015 to test the nemesis system this is

217

00:09:53,810 --> 00:09:50,970

worth noting because again remember that

218

00:09:56,420 --> 00:09:53,820

the tick-tack go fast and gimble videos

219

00:09:59,630 --> 00:09:56,430

are all from periods of fleet testing

220

00:10:02,030 --> 00:09:59,640

war games etc it's a foregone conclusion

221

00:10:04,760 --> 00:10:02,040

that the military has advanced

222

00:10:06,790 --> 00:10:04,770

technology we don't know about we're now

223

00:10:10,130 --> 00:10:06,800

hearing about this wild nemesis system

224

00:10:13,190 --> 00:10:10,140

but we only know bits and pieces about

225

00:10:15,440 --> 00:10:13,200

it at the time of both training

226

00:10:17,810 --> 00:10:15,450

exercises during which the Navy UFO

227

00:10:19,820 --> 00:10:17,820

videos were captured brand-new

228

00:10:23,210 --> 00:10:19,830

state-of-the-art radar equipment was

229

00:10:25,310 --> 00:10:23,220

being used however based on the reported

230

00:10:27,980 --> 00:10:25,320

capabilities of its advanced electronic

231

00:10:30,829 --> 00:10:27,990

warfare system the Navy currently has

232

00:10:34,930 --> 00:10:30,839

the ability to project false fleets in

233

00:10:38,630 --> 00:10:34,940

both the air and sea and actively jam

234

00:10:41,510 --> 00:10:38,640

control and give false information to

235

00:10:44,660 --> 00:10:41,520

radar systems the reported capabilities

236

00:10:47,390 --> 00:10:44,670

of nemesis could conceivably explain

237

00:10:49,550 --> 00:10:47,400

many of the logic-defying elements

238

00:10:51,949 --> 00:10:49,560

experienced and reported during both the

239

00:10:57,370 --> 00:10:51,959

east coast and west coast Navy UFO

240

00:11:00,110 --> 00:10:57,380

events many but not all first of all

241

00:11:03,440 --> 00:11:00,120

development of Nemesis reportedly began

242

00:11:05,870 --> 00:11:03,450

in 2014 the East Coast incident or

243

00:11:09,380 --> 00:11:05,880

incidents in question reportedly

244

00:11:10,970 --> 00:11:09,390

occurred in 2015 and remember as I

245

00:11:12,860 --> 00:11:10,980

mentioned the Navy claims that tested

246

00:11:16,220 --> 00:11:12,870

nemesis systems during a war game in

247

00:11:18,319 --> 00:11:16,230

2015 however the tic-tac video from the

248

00:11:20,690 --> 00:11:18,329

West Coast incident reportedly occurred

249

00:11:23,360 --> 00:11:20,700

in 2004

250

00:11:26,210 --> 00:11:23,370

then there's the issue of eyewitness

251  
00:11:28,910 --> 00:11:26,220  
testimony these UFOs weren't just seen

252  
00:11:30,770 --> 00:11:28,920  
on radar and gun cameras pilots

253  
00:11:34,610 --> 00:11:30,780  
reportedly witnessed these things with

254  
00:11:36,800 --> 00:11:34,620  
their eyes yes nemesis seems to utilize

255  
00:11:39,380 --> 00:11:36,810  
physical unmanned vehicles to perform

256  
00:11:41,320 --> 00:11:39,390  
its trickery but we don't know the

257  
00:11:43,940 --> 00:11:41,330  
flight capabilities of these craft or

258  
00:11:46,760 --> 00:11:43,950  
even the full capabilities of Nemesis

259  
00:11:48,680 --> 00:11:46,770  
for that matter it's conceivable that

260  
00:11:50,810 --> 00:11:48,690  
the system is capable of using

261  
00:11:53,810 --> 00:11:50,820  
projection technology to visually

262  
00:11:55,760 --> 00:11:53,820  
display false craft as well spoofing is

263  
00:11:59,080 --> 00:11:55,770

the name of the game and the goal is to

264

00:12:01,850 --> 00:11:59,090

create as much confusion as possible

265

00:12:04,910 --> 00:12:01,860

nemesis is just another piece of the

266

00:12:07,250 --> 00:12:04,920

puzzle it's one more possibility we can

267

00:12:10,100 --> 00:12:07,260

consider when trying to make sense of

268

00:12:13,280 --> 00:12:10,110

the Navy UFO videos or any other UFO

269

00:12:15,740 --> 00:12:13,290

case and it certainly doesn't mean we

270

00:12:17,720 --> 00:12:15,750

discount the possibility that what is

271

00:12:20,540 --> 00:12:17,730

actually in those videos is something

272

00:12:23,300 --> 00:12:20,550

far stranger but it definitely behooves

273

00:12:25,790 --> 00:12:23,310

responsible UFO researchers to be aware

274

00:12:28,490 --> 00:12:25,800

of existing human technologies that

275

00:12:32,860 --> 00:12:28,500

could potentially offer explanations for

276

00:12:37,820 --> 00:12:35,690

well citizens that's going to do it for
