

**TOP 10
WFO
STORIES
OF THE DECADE**

episode 33.19

1
00:00:08,220 --> 00:00:05,430
leading citizens and welcome to unknown

2
00:00:08,620 --> 00:00:08,230
[Music]

3
00:00:27,420 --> 00:00:08,630
[Applause]

4
00:00:29,790 --> 00:00:27,430
[Music]

5
00:00:32,670 --> 00:00:29,800
I'm Jason McClellan I'm here with

6
00:00:34,650 --> 00:00:32,680
Maureen Elsberry Ryan Sprague and Shane

7
00:00:38,280 --> 00:00:34,660
hurt today thanks for hanging out with

8
00:00:41,369 --> 00:00:38,290
us we've reached the end of another year

9
00:00:43,080 --> 00:00:41,379
and the end of a decade as hard as it

10
00:00:46,110 --> 00:00:43,090
might be to believe you'll soon be

11
00:00:49,560 --> 00:00:46,120
reading the year 2020 on your calendar

12
00:00:51,750 --> 00:00:49,570
that's crazy so since we're closing out

13
00:00:54,600 --> 00:00:51,760

a decade today we're going to run down

14

00:00:57,960 --> 00:00:54,610

some of the top UFO related stories from

15

00:01:00,390 --> 00:00:57,970

this past decade now this type of show

16

00:01:03,090 --> 00:01:00,400

is always a bit of a challenge for us to

17

00:01:05,189 --> 00:01:03,100

put together because so much happens

18

00:01:08,700 --> 00:01:05,199

during the span of a year let alone a

19

00:01:11,370 --> 00:01:08,710

decade so narrowing it down to the top

20

00:01:13,320 --> 00:01:11,380

10 stories is difficult to say the least

21

00:01:18,300 --> 00:01:13,330

but we've managed to do that for you

22

00:01:18,310 --> 00:01:21,990

[Music]

23

00:01:22,000 --> 00:01:28,720

[Applause]

24

00:01:34,250 --> 00:01:30,860

Brian why don't you get us started off

25

00:01:37,610 --> 00:01:34,260

yeah absolutely so the first one we're

26

00:01:40,520 --> 00:01:37,620

gonna cover here is back in 2001 and

27

00:01:41,740 --> 00:01:40,530

this is the Gary McKinnon case I'm sure

28

00:01:43,730 --> 00:01:41,750

that name

29

00:01:45,080 --> 00:01:43,740

definitely rings a bell with a lot of

30

00:01:47,420 --> 00:01:45,090

people out there but for anyone who

31

00:01:51,050 --> 00:01:47,430

doesn't know who this guy is he was in

32

00:01:53,510 --> 00:01:51,060

IT expert in England who in 2001 and

33

00:01:56,960 --> 00:01:53,520

2002 he spent a lot of his free time

34

00:02:00,440 --> 00:01:56,970

hacking and breaching security defences

35

00:02:03,800 --> 00:02:00,450

of NASA and other US military networks

36

00:02:05,780 --> 00:02:03,810

and he said that he found a document

37

00:02:09,410 --> 00:02:05,790

entitled quote unquote non-terrestrial

38

00:02:11,360 --> 00:02:09,420

officers which was pretty intriguing if

39

00:02:13,820 --> 00:02:11,370

he asked me it was sort of like this

40

00:02:16,310 --> 00:02:13,830

excel sheet that he recalls had the

41

00:02:18,260 --> 00:02:16,320

ranks and names of unknown individuals

42

00:02:21,230 --> 00:02:18,270

on it so when he tried to search for the

43

00:02:23,840 --> 00:02:21,240

names of the ships he was unable to find

44

00:02:26,600 --> 00:02:23,850

any any mention of these people publicly

45

00:02:28,940 --> 00:02:26,610

that is and it made him believe that it

46

00:02:30,970 --> 00:02:28,950

was some sort of secret space program so

47

00:02:34,040 --> 00:02:30,980

he started talking about this stuff

48

00:02:37,370 --> 00:02:34,050

meanwhile his hacking would eventually

49

00:02:41,570 --> 00:02:37,380

be discovered and he was arrested in

50

00:02:44,510 --> 00:02:41,580

late 2002 in England and he was said to

51
00:02:46,310 --> 00:02:44,520
have caused over hundreds of thousands

52
00:02:49,430 --> 00:02:46,320
of dollars in security breaches and

53
00:02:52,220 --> 00:02:49,440
damage and following his arrest he was

54
00:02:54,890 --> 00:02:52,230
also subject to a lengthy extradition

55
00:02:57,580 --> 00:02:54,900
battle the u.s. wanted to punish him for

56
00:03:01,220 --> 00:02:57,590
the cyber crimes on us computers and

57
00:03:03,650 --> 00:03:01,230
intelligence agencies and such so he

58
00:03:08,390 --> 00:03:03,660
easily could have spent almost 70 years

59
00:03:10,850 --> 00:03:08,400
in jail for this but in 2012 the newly

60
00:03:13,610 --> 00:03:10,860
appointed prime minister Theresa May she

61
00:03:15,800 --> 00:03:13,620
did not grant the extradition because of

62
00:03:18,199 --> 00:03:15,810
MacKinnon's history with depression and

63
00:03:21,170 --> 00:03:18,209

he was also suffering from Asperger's

64

00:03:23,090 --> 00:03:21,180

syndrome and it would be extremely

65

00:03:26,600 --> 00:03:23,100

detrimental to his health and it would

66

00:03:28,220 --> 00:03:26,610

make him highly suicidal so it would go

67

00:03:31,040 --> 00:03:28,230

against his human right so she decided

68

00:03:34,759 --> 00:03:31,050

not to do that but since then MacKinnon

69

00:03:37,550 --> 00:03:34,769

had to pay very high legal fees and he

70

00:03:39,230 --> 00:03:37,560

is never allowed in the u.s. ever again

71

00:03:41,030 --> 00:03:39,240

and I

72

00:03:45,170 --> 00:03:41,040

actually got to speak with MacKinnon

73

00:03:47,690 --> 00:03:45,180

briefly after all this happened to see

74

00:03:49,910 --> 00:03:47,700

what we he was up to and now he is doing

75

00:03:53,270 --> 00:03:49,920

the IT thing again he's working for his

76
00:03:55,190 --> 00:03:53,280
own company in you know basically doing

77
00:03:57,710 --> 00:03:55,200
what he used to do hacking he's now

78
00:04:00,800 --> 00:03:57,720
working with cybersecurity so it's kind

79
00:04:02,720 --> 00:04:00,810
of like one of these you know cases

80
00:04:05,870 --> 00:04:02,730
where the the government will hire

81
00:04:07,760 --> 00:04:05,880
ex-cons to help them it's pretty pretty

82
00:04:10,790 --> 00:04:07,770
cool I guess but every now and again he

83
00:04:13,010 --> 00:04:10,800
talks about this stuff and what he found

84
00:04:15,670 --> 00:04:13,020
on those u.s. computers and to this day

85
00:04:18,560 --> 00:04:15,680
we still will never know what you know

86
00:04:22,300 --> 00:04:18,570
non-terrestrial officers actually means

87
00:04:25,550 --> 00:04:22,310
well and this was such a long drawn-out

88
00:04:28,070 --> 00:04:25,560

saga the game MacKinnon saga like you

89

00:04:31,190 --> 00:04:28,080

said started you know in the early 2000s

90

00:04:35,710 --> 00:04:31,200

but the extradition battle was still

91

00:04:38,930 --> 00:04:35,720

raging on in this past decade in

92

00:04:40,790 --> 00:04:38,940

2010-2011 the the headlines were

93

00:04:43,550 --> 00:04:40,800

non-stop I mean it seemed like almost

94

00:04:45,620 --> 00:04:43,560

every week we were hearing a new new

95

00:04:49,340 --> 00:04:45,630

development in the Gary McKinnon case

96

00:04:50,900 --> 00:04:49,350

and his mother was was his really

97

00:04:52,270 --> 00:04:50,910

leading the charge his bin used to have

98

00:04:55,490 --> 00:04:52,280

an advocate and leading the fight

99

00:04:58,610 --> 00:04:55,500

against extradition so that that whole

100

00:05:01,460 --> 00:04:58,620

battle you know the US trying to get him

101
00:05:03,680 --> 00:05:01,470
extradited and hearing all the the

102
00:05:05,750 --> 00:05:03,690
health issues the testimony and then

103
00:05:08,570 --> 00:05:05,760
Teresa may finally saying nope not gonna

104
00:05:10,280 --> 00:05:08,580
happen like that was just generating

105
00:05:11,930 --> 00:05:10,290
tons and tons and tons of mainstream

106
00:05:14,390 --> 00:05:11,940
headlines so is it was kind of fun to

107
00:05:17,480 --> 00:05:14,400
follow along yeah it was so cool again

108
00:05:19,310 --> 00:05:17,490
to see like a mainstream story going on

109
00:05:21,470 --> 00:05:19,320
between countries all because a guy

110
00:05:23,570 --> 00:05:21,480
wanted to hack into computers to find

111
00:05:26,030 --> 00:05:23,580
out [h__\h] on UFOs right I think it's so

112
00:05:28,700 --> 00:05:26,040
cool I love it I love it yeah and think

113
00:05:32,090 --> 00:05:28,710

two of the the timing of it this was pre

114

00:05:35,000 --> 00:05:32,100

Snowden and pre WikiLeaks you know and

115

00:05:37,100 --> 00:05:35,010

how it was handled you know wasn't in

116

00:05:39,860 --> 00:05:37,110

that context it be kind of interesting

117

00:05:41,420 --> 00:05:39,870

you see how it all be treated now you

118

00:05:44,360 --> 00:05:41,430

know if it if it were to have occurred

119

00:05:47,810 --> 00:05:44,370

now after all of that maybe I mean the

120

00:05:52,010 --> 00:05:47,820

the the US was they were rabid man they

121

00:05:52,879 --> 00:05:52,020

wanted him it wanted him bad and and you

122

00:05:54,649 --> 00:05:52,889

know I I don't know

123

00:05:58,490 --> 00:05:54,659

that if they would go after them as hard

124

00:06:00,499 --> 00:05:58,500

today as they did back then but it is

125

00:06:03,610 --> 00:06:00,509

really fascinating the the fact that it

126

00:06:07,189 --> 00:06:03,620

was a UFO story I mean that's amazing

127

00:06:08,959 --> 00:06:07,199

yeah and there there was you know some

128

00:06:12,379 --> 00:06:08,969

speculation because a bunch of documents

129

00:06:15,379 --> 00:06:12,389

were released FOIA requests and nobody

130

00:06:18,649 --> 00:06:15,389

has exactly found the right documents to

131

00:06:21,439 --> 00:06:18,659

sort of verify all his claims which

132

00:06:24,649 --> 00:06:21,449

makes you wonder you know where are they

133

00:06:26,480 --> 00:06:24,659

and people are still actively trying to

134

00:06:30,409 --> 00:06:26,490

research this and I think we'll see this

135

00:06:31,820 --> 00:06:30,419

stretch into 2020 and beyond yeah and

136

00:06:33,559 --> 00:06:31,830

that's a good point I mean that's cool

137

00:06:35,330 --> 00:06:33,569

that's a big big difference yeah with

138

00:06:37,459 --> 00:06:35,340

WikiLeaks and stuff I mean if we if we

139

00:06:39,769 --> 00:06:37,469

had what he discovered that would be

140

00:06:42,170 --> 00:06:39,779

amazing right these transfer lists of

141

00:06:45,589 --> 00:06:42,180

people going to the u.s. s Hill and cut

142

00:06:48,709 --> 00:06:45,599

her and the USS LeMay like you know

143

00:06:50,360 --> 00:06:48,719

that's really huge stuff but again we

144

00:06:52,820 --> 00:06:50,370

don't have any of that because he didn't

145

00:06:54,529 --> 00:06:52,830

save any of that and he also says he was

146

00:06:57,860 --> 00:06:54,539

high when he was doing this so his

147

00:06:59,930 --> 00:06:57,870

memory is a little fuzzy too there's a

148

00:07:01,820 --> 00:06:59,940

lot of stuff but it's is incredible

149

00:07:03,709 --> 00:07:01,830

claims it would be great if we had you

150

00:07:05,240 --> 00:07:03,719

know some weekly wiki leaks like files

151
00:07:06,200 --> 00:07:05,250
that we could look at but there's

152
00:07:08,450 --> 00:07:06,210
nothing yep

153
00:07:11,240 --> 00:07:08,460
I mean it is fascinating and it is

154
00:07:13,760 --> 00:07:11,250
plausible you know that he saw what he

155
00:07:15,769 --> 00:07:13,770
says he saw but without any evidence it

156
00:07:18,499 --> 00:07:15,779
is just that frustrating thing with

157
00:07:21,170 --> 00:07:18,509
ufology manny you just you can't get

158
00:07:24,350 --> 00:07:21,180
your hands around any friggin proof you

159
00:07:26,149 --> 00:07:24,360
know is so frustrating but you know i

160
00:07:28,129 --> 00:07:26,159
think it's plausible and i think you

161
00:07:30,230 --> 00:07:28,139
know maybe he saw stuff maybe he didn't

162
00:07:32,809 --> 00:07:30,240
I know I don't know what it is pretty

163
00:07:34,879 --> 00:07:32,819

curious how how hard the government went

164

00:07:36,350 --> 00:07:34,889

after him for it yeah and that that

165

00:07:37,760 --> 00:07:36,360

certainly fuels the fire right and gets

166

00:07:39,920 --> 00:07:37,770

the clearest he's going you know well

167

00:07:41,719 --> 00:07:39,930

why would they go so hard after him if

168

00:07:44,629 --> 00:07:41,729

he didn't actually find what he says he

169

00:07:46,879 --> 00:07:44,639

found why would they care but again he

170

00:07:48,230 --> 00:07:46,889

did hack into military computers and

171

00:07:51,679 --> 00:07:48,240

caused all sorts of damage they're not

172

00:07:54,260 --> 00:07:51,689

just yeah oh that's okay you stay over

173

00:07:56,629 --> 00:07:54,270

there and everything is fine we will

174

00:07:59,689 --> 00:07:56,639

forget it water under the bridge he must

175

00:08:03,529 --> 00:07:59,699

also be on a lot of legal hooks to where

176
00:08:05,260 --> 00:08:03,539
you noticed like he has not spoken about

177
00:08:08,270 --> 00:08:05,270
the case and

178
00:08:09,920 --> 00:08:08,280
you know gone done the TV circuit or

179
00:08:11,900 --> 00:08:09,930
anything like that or started hopping

180
00:08:14,320 --> 00:08:11,910
around conferences he has a little bit

181
00:08:16,520 --> 00:08:14,330
of UFO circuit you're not salutis

182
00:08:18,440 --> 00:08:16,530
significantly right I mean they've

183
00:08:20,810 --> 00:08:18,450
they've certainly had and like contact

184
00:08:22,580 --> 00:08:20,820
in the desert and stuff like they there

185
00:08:24,470 --> 00:08:22,590
are these conferences where they they

186
00:08:26,840 --> 00:08:24,480
have a minute they have him how did he

187
00:08:37,040 --> 00:08:26,850
get the us to go to contact in the

188
00:08:40,940 --> 00:08:37,050

desert they certainly done that right

189

00:08:43,430 --> 00:08:40,950

yeah not to the the sort of you can tell

190

00:08:47,810 --> 00:08:43,440

he's really trying to push the envelope

191

00:08:51,710 --> 00:08:47,820

and take advantage of the UFO phenomena

192

00:08:53,240 --> 00:08:51,720

circuit kind of thing and yeah it's a

193

00:08:54,770 --> 00:08:53,250

good point yeah a really good point

194

00:08:57,500 --> 00:08:54,780

all right let's move on to the next one

195

00:08:59,540 --> 00:08:57,510

on our list and you guys might not agree

196

00:09:01,820 --> 00:08:59,550

with me on this one but I'm including

197

00:09:04,850 --> 00:09:01,830

Frank Kindler as one of the biggest

198

00:09:07,250 --> 00:09:04,860

stories of the decade and here's why

199

00:09:09,680 --> 00:09:07,260

so Frank made headlines multiple times

200

00:09:11,570 --> 00:09:09,690

during the decade and if you are

201
00:09:13,370 --> 00:09:11,580
familiar with him Frank is a geologist

202
00:09:15,470 --> 00:09:13,380
in an instructor at the New Mexico

203
00:09:19,070 --> 00:09:15,480
Military Institute in Roswell New Mexico

204
00:09:21,680 --> 00:09:19,080
back in 2010 he began making trips out

205
00:09:24,470 --> 00:09:21,690
to a remote area of the desert that is

206
00:09:26,810 --> 00:09:24,480
thought to be near where UFO supposedly

207
00:09:29,330 --> 00:09:26,820
crashed back in 1947 and being a

208
00:09:32,000 --> 00:09:29,340
scientist Frank wanted to find physical

209
00:09:34,070 --> 00:09:32,010
evidence so he used a metal detector and

210
00:09:35,900 --> 00:09:34,080
he found what he was looking for he

211
00:09:38,000 --> 00:09:35,910
managed to find several small pieces of

212
00:09:40,340 --> 00:09:38,010
material he submitted material for

213
00:09:42,680 --> 00:09:40,350

analysis and in one of the first tests

214

00:09:45,440 --> 00:09:42,690

he had done his response to the results

215

00:09:47,960 --> 00:09:45,450

was quote either Earle the lab made an

216

00:09:51,440 --> 00:09:47,970

analytical error or the material is not

217

00:09:53,660 --> 00:09:51,450

from Earth and quote he was excited by

218

00:09:55,340 --> 00:09:53,670

the isotopic analysis and he continued

219

00:09:57,920 --> 00:09:55,350

working to get initial testing done

220

00:10:00,740 --> 00:09:57,930

throughout the decade and then you might

221

00:10:02,420 --> 00:10:00,750

remember that in 2018 there was the

222

00:10:04,640 --> 00:10:02,430

whole drama with the Bureau of Land

223

00:10:06,260 --> 00:10:04,650

Management when they called Frank and

224

00:10:08,110 --> 00:10:06,270

for a meeting and there was the threat

225

00:10:10,370 --> 00:10:08,120

of his material being confiscated

226

00:10:13,610 --> 00:10:10,380

fortunately Frank still has his Roswell

227

00:10:16,760 --> 00:10:13,620

material but that incident generated

228

00:10:18,990 --> 00:10:16,770

some buzz and I mean there were so many

229

00:10:21,900 --> 00:10:19,000

mainstream headlines about that

230

00:10:24,059 --> 00:10:21,910

about Frank's previous work and the the

231

00:10:26,850 --> 00:10:24,069

test results and the claims made about

232

00:10:30,059 --> 00:10:26,860

this strange Roswell material so that

233

00:10:31,559 --> 00:10:30,069

really really breached mainstream press

234

00:10:33,960 --> 00:10:31,569

around the world generate a lot of

235

00:10:36,840 --> 00:10:33,970

headlines throughout the decade and then

236

00:10:39,050 --> 00:10:36,850

at the beginning of 2019 Ryan got to get

237

00:10:42,090 --> 00:10:39,060

involved with this material right Ryan

238

00:10:45,179 --> 00:10:42,100

yeah I got my hands all over this yeah

239

00:10:47,759 --> 00:10:45,189

yeah no I love Frank to death and I

240

00:10:49,860 --> 00:10:47,769

think it's incredible the dedication he

241

00:10:52,290 --> 00:10:49,870

has to trying to find the truth behind

242

00:10:54,629 --> 00:10:52,300

Roswell I mean I've spoken about this in

243

00:10:57,119 --> 00:10:54,639

the past it's amazing the way he was

244

00:11:00,900 --> 00:10:57,129

able to locate the area first and

245

00:11:03,150 --> 00:11:00,910

foremost and then I also got his

246

00:11:05,100 --> 00:11:03,160

materials tested came up with vastly

247

00:11:07,170 --> 00:11:05,110

different results from his first tests

248

00:11:08,879 --> 00:11:07,180

but that's what science is like you

249

00:11:10,590 --> 00:11:08,889

gotta you gotta get this stuff

250

00:11:13,199 --> 00:11:10,600

reviewed over and over and over again

251
00:11:16,189 --> 00:11:13,209
and I think it's fascinating whatever

252
00:11:18,660 --> 00:11:16,199
Frank found out there is definitely

253
00:11:21,110 --> 00:11:18,670
extraordinary I can that's all I can

254
00:11:24,389 --> 00:11:21,120
really say it might not be

255
00:11:26,429 --> 00:11:24,399
extraterrestrial but what we found out

256
00:11:27,960 --> 00:11:26,439
was that whatever that metal was it

257
00:11:30,629 --> 00:11:27,970
should not have been in that desert in

258
00:11:33,689 --> 00:11:30,639
1947 I can tell you that much hopefully

259
00:11:35,939 --> 00:11:33,699
more info on that in 2020 but um no I

260
00:11:39,809 --> 00:11:35,949
think this is an amazing we know now

261
00:11:42,269 --> 00:11:39,819
that the feds I think were we're

262
00:11:44,369 --> 00:11:42,279
monitoring Frank and it's like social

263
00:11:46,769 --> 00:11:44,379

networks and even a bunch of our names

264

00:11:48,689 --> 00:11:46,779

came up in those files because we were

265

00:11:51,240 --> 00:11:48,699

talking to Frank about it so a little

266

00:11:54,980 --> 00:11:51,250

freaky but uh I guess that's that's

267

00:11:57,840 --> 00:11:54,990

points for us yeah you know I think that

268

00:12:00,840 --> 00:11:57,850

this case is really awesome because what

269

00:12:04,170 --> 00:12:00,850

it does is it illustrates the importance

270

00:12:06,299 --> 00:12:04,180

of having true scientific investigation

271

00:12:09,179 --> 00:12:06,309

and that it actually yields stuff so

272

00:12:11,280 --> 00:12:09,189

right oh yeah she was able to find those

273

00:12:14,610 --> 00:12:11,290

metallic fragments because he was a

274

00:12:16,319 --> 00:12:14,620

geologist not because he was just a dude

275

00:12:17,610 --> 00:12:16,329

out there that spent the time I mean

276

00:12:20,759 --> 00:12:17,620

there was science behind that

277

00:12:24,059 --> 00:12:20,769

Annelle is well illustrated on your show

278

00:12:26,040 --> 00:12:24,069

Ryan on mysteries decoded and and so I

279

00:12:28,110 --> 00:12:26,050

thought hey that was very intriguing and

280

00:12:30,929 --> 00:12:28,120

then you know he's got the samples he's

281

00:12:31,560 --> 00:12:30,939

handled them property properly and then

282

00:12:33,360 --> 00:12:31,570

you know

283

00:12:36,420 --> 00:12:33,370

there's something there physical

284

00:12:39,060 --> 00:12:36,430

evidence I mean how scant is physical

285

00:12:40,530 --> 00:12:39,070

evidence right and so he's got that and

286

00:12:41,790 --> 00:12:40,540

you know it has been analyzed and

287

00:12:44,850 --> 00:12:41,800

there's more they're available to

288

00:12:47,760 --> 00:12:44,860

continue the analysis so I mean to me it

289

00:12:50,040 --> 00:12:47,770

just his case really illustrates the

290

00:12:52,440 --> 00:12:50,050

value of true science and getting the

291

00:12:56,160 --> 00:12:52,450

right people involved in this thing and

292

00:12:59,160 --> 00:12:56,170

it will yield you know tangible results

293

00:13:01,980 --> 00:12:59,170

I think another good point to feed off

294

00:13:03,930 --> 00:13:01,990

of that Shane is that you know what's

295

00:13:06,660 --> 00:13:03,940

happening here is everyone says over

296

00:13:08,790 --> 00:13:06,670

Oswell such an old case but when you

297

00:13:10,950 --> 00:13:08,800

look at all these old cases that have

298

00:13:13,860 --> 00:13:10,960

never really been solved they're still

299

00:13:17,550 --> 00:13:13,870

considered by most to be unsolved that

300

00:13:19,530 --> 00:13:17,560

there's still sometimes magic and if we

301
00:13:21,780 --> 00:13:19,540
you know put the effort and in the

302
00:13:23,670 --> 00:13:21,790
science in like you said that we might

303
00:13:26,340 --> 00:13:23,680
be able to find clues that help shed

304
00:13:30,390 --> 00:13:26,350
light on these items that are still

305
00:13:32,880 --> 00:13:30,400
anomalous and yeah it you may think oh

306
00:13:35,250 --> 00:13:32,890
it's you know that happened in 1947

307
00:13:38,160 --> 00:13:35,260
nothing will be out there but you'd be

308
00:13:41,490 --> 00:13:38,170
surprised how stuff moves around you

309
00:13:43,770 --> 00:13:41,500
know shifts down because of you know

310
00:13:46,140 --> 00:13:43,780
changing landscape and water and

311
00:13:50,210 --> 00:13:46,150
everything else and and how you can

312
00:13:53,100 --> 00:13:50,220
still manage to potentially find clues

313
00:13:55,530 --> 00:13:53,110

or a piece of the puzzle was again this

314

00:13:57,960 --> 00:13:55,540

is the exact approach to and that's why

315

00:14:00,630 --> 00:13:57,970

he was successful I was so awesome I

316

00:14:02,340 --> 00:14:00,640

yeah we love Frank and again like you

317

00:14:05,090 --> 00:14:02,350

said Shane it's such a great point that

318

00:14:08,520 --> 00:14:05,100

in the UFO world in the UFO field

319

00:14:11,490 --> 00:14:08,530

tangible physical evidence is scarce so

320

00:14:14,040 --> 00:14:11,500

when you have a case that has that it's

321

00:14:17,480 --> 00:14:14,050

incredibly exciting and there's still

322

00:14:19,980 --> 00:14:17,490

stuff going on with this case so yep I

323

00:14:24,300 --> 00:14:19,990

Frank's just a cool dude in the way

324

00:14:31,800 --> 00:14:24,310

Frank is awesome guys money that I just

325

00:14:32,850 --> 00:14:31,810

somehow did not get alright so let's

326

00:14:36,240 --> 00:14:32,860

move on to the next one on the list

327

00:14:38,760 --> 00:14:36,250

Shane you got the next one alright this

328

00:14:41,430 --> 00:14:38,770

is the I'm gonna read a little bit on

329

00:14:44,040 --> 00:14:41,440

this thing this is the UFO incident that

330

00:14:44,540 --> 00:14:44,050

began about 9:20 p.m. on the evening of

331

00:14:48,259 --> 00:14:44,550

April

332

00:14:52,940 --> 00:14:48,269

25th 2013 at the Raphael Hernandez

333

00:14:55,460 --> 00:14:52,950

Airport in Aguadilla Puerto Rico so many

334

00:14:58,400 --> 00:14:55,470

of you may have met remember the video

335

00:15:02,030 --> 00:14:58,410

from this but what it did is it included

336

00:15:05,120 --> 00:15:02,040

the crew of a DHC 8 turboprop turboprop

337

00:15:08,540 --> 00:15:05,130

aircraft from the US Customs and Border

338

00:15:11,240 --> 00:15:08,550

Protection Agency which is a division of

339

00:15:13,639 --> 00:15:11,250

the Department of Homeland Security and

340

00:15:17,780 --> 00:15:13,649

basically what happened is this flight

341

00:15:23,139 --> 00:15:17,790

recorded a thermal imaging camera on a

342

00:15:25,910 --> 00:15:23,149

DEA chair craft recorded an object that

343

00:15:29,030 --> 00:15:25,920

exhibited characteristics that cannot be

344

00:15:31,699 --> 00:15:29,040

explained by known aircraft for natural

345

00:15:33,319 --> 00:15:31,709

phenomena and so this thing it moved

346

00:15:36,560 --> 00:15:33,329

through buildings and through trees and

347

00:15:38,690 --> 00:15:36,570

eventually over the ocean and then the

348

00:15:41,870 --> 00:15:38,700

object appears to go in and out of the

349

00:15:43,519 --> 00:15:41,880

ocean without slowing down and at the

350

00:15:46,780 --> 00:15:43,529

end of the video at sea they're joined

351

00:15:51,170 --> 00:15:46,790

by another object or it breaks in two

352

00:15:54,769 --> 00:15:51,180

and this case was analyzed thoroughly by

353

00:15:56,569 --> 00:15:54,779

the scientific Coalition for ufology and

354

00:15:58,250 --> 00:15:56,579

they kind of came up with this statement

355

00:16:01,040 --> 00:15:58,260

here I thought was great that kind of

356

00:16:03,620 --> 00:16:01,050

calculates the whole thing it says there

357

00:16:06,110 --> 00:16:03,630

is no explanation for an object capable

358

00:16:09,019 --> 00:16:06,120

of traveling underwater at over 90 miles

359

00:16:12,230 --> 00:16:09,029

per hour with minimal impact as it

360

00:16:15,019 --> 00:16:12,240

enters the water through the air at 120

361

00:16:17,030 --> 00:16:15,029

miles per hour at low altitude through a

362

00:16:19,790 --> 00:16:17,040

residential area without navigation

363

00:16:22,610 --> 00:16:19,800

lights and finally to be able of

364

00:16:26,210 --> 00:16:22,620

splitting into two separate objects no

365

00:16:29,210 --> 00:16:26,220

bird no balloon no aircraft and no known

366

00:16:30,590 --> 00:16:29,220

drones have that capability and I'll

367

00:16:32,569 --> 00:16:30,600

just mention if you want to read the

368

00:16:36,790 --> 00:16:32,579

report if anyone does out there

369

00:16:42,319 --> 00:16:36,800

it's like 161 page report and it's on

370

00:16:43,670 --> 00:16:42,329

the website Explorer s Cu dot or again

371

00:16:45,740 --> 00:16:43,680

you click it the whole report yourself

372

00:16:49,759 --> 00:16:45,750

yeah that group certainly did the most

373

00:16:52,699 --> 00:16:49,769

robust look into that case and that case

374

00:16:54,069 --> 00:16:52,709

at the time made substantial headlines

375

00:16:57,610 --> 00:16:54,079

because

376

00:17:01,300 --> 00:16:57,620

you know for obvious reasons as we know

377

00:17:04,480 --> 00:17:01,310

very well the public and the media love

378

00:17:05,919 --> 00:17:04,490

UFO videos and certainly love UFO videos

379

00:17:07,270 --> 00:17:05,929

when they're coming from a military

380

00:17:07,779 --> 00:17:07,280

source and that's what we had in this

381

00:17:11,289 --> 00:17:07,789

case

382

00:17:13,899 --> 00:17:11,299

so that was a great example of a

383

00:17:17,020 --> 00:17:13,909

military UFO video being circulated

384

00:17:20,789 --> 00:17:17,030

media ran wild with it and people ate it

385

00:17:23,409 --> 00:17:20,799

up I remember getting that link to the

386

00:17:26,289 --> 00:17:23,419

probably Morgan Beall or someone sent us

387

00:17:35,710 --> 00:17:26,299

the link to they 161 page document and I

388

00:17:39,279 --> 00:17:35,720

thought oh [\h__\h] and it's good and that's

389

00:17:41,440 --> 00:17:39,289

that's a positive thing - yeah yeah yeah

390

00:17:44,049 --> 00:17:41,450

I think like just the the maneuvers

391

00:17:45,669 --> 00:17:44,059

alone in the that were displayed in the

392

00:17:47,590 --> 00:17:45,679

video I don't know if it's the same for

393

00:17:49,779 --> 00:17:47,600

you guys but sometimes when I i know

394

00:17:52,870 --> 00:17:49,789

these videos are coming from like the

395

00:17:54,760 --> 00:17:52,880

government or the military i'm I almost

396

00:17:58,390 --> 00:17:54,770

get a little scared to watch it because

397

00:18:01,270 --> 00:17:58,400

I I we can usually figure out within

398

00:18:04,330 --> 00:18:01,280

moments like oh well it was this or it

399

00:18:05,770 --> 00:18:04,340

wasn't this I'm afraid to look at videos

400

00:18:07,419 --> 00:18:05,780

like this because I really think

401
00:18:10,720 --> 00:18:07,429
sometimes my paradigm is gonna get

402
00:18:13,210 --> 00:18:10,730
shifted this video really was one of

403
00:18:16,450 --> 00:18:13,220
those ones early on before all the tic

404
00:18:18,340 --> 00:18:16,460
tacs and all that yes that this one was

405
00:18:20,799 --> 00:18:18,350
like oh my god this could blow the lid

406
00:18:22,600 --> 00:18:20,809
wide open but you know just like any

407
00:18:26,110 --> 00:18:22,610
story it kind of fades into obscurity

408
00:18:28,510 --> 00:18:26,120
within weeks in today's world so yeah

409
00:18:31,570 --> 00:18:28,520
that's really good right

410
00:18:33,580 --> 00:18:31,580
cuz because we're just look at how big

411
00:18:36,370 --> 00:18:33,590
of a mess like you said and then it kind

412
00:18:38,740 --> 00:18:36,380
of drifted off into obscurity and and is

413
00:18:40,779 --> 00:18:38,750

that gonna happen with the tic-tac UFOs

414

00:18:43,840 --> 00:18:40,789

or is there now been such a big deal

415

00:18:45,700 --> 00:18:43,850

about it that it'll remain you know stay

416

00:18:47,770 --> 00:18:45,710

the test of time I think it's human

417

00:18:49,720 --> 00:18:47,780

nature and we see it with every story

418

00:18:51,940 --> 00:18:49,730

that comes along you know whether it's

419

00:18:54,480 --> 00:18:51,950

UFOs or something in pop culture or

420

00:18:56,980 --> 00:18:54,490

anything else you know something's

421

00:18:59,260 --> 00:18:56,990

gigantic earth-shattering news and it

422

00:19:00,970 --> 00:18:59,270

must get your attention right now and

423

00:19:03,310 --> 00:19:00,980

everybody's talking about it and a

424

00:19:04,990 --> 00:19:03,320

couple weeks later it's gone so yeah but

425

00:19:07,460 --> 00:19:05,000

you know if you're careful and you think

426

00:19:09,980 --> 00:19:07,470

about it so many of these things

427

00:19:11,660 --> 00:19:09,990

are connected through history right even

428

00:19:14,060 --> 00:19:11,670

like you know we talked about Frank and

429

00:19:16,880 --> 00:19:14,070

you know I have them 47 but here we are

430

00:19:18,890 --> 00:19:16,890

in 2019 almost 2020 and they're still

431

00:19:21,980 --> 00:19:18,900

evidence yielded or like with this case

432

00:19:24,620 --> 00:19:21,990

you know the fact that that that object

433

00:19:28,690 --> 00:19:24,630

entered both the air and then the water

434

00:19:30,890 --> 00:19:28,700

to me that that relates directly to what

435

00:19:34,400 --> 00:19:30,900

you know happened with the nimitz case

436

00:19:36,530 --> 00:19:34,410

and the tic-tac unit the yips

437

00:19:39,530 --> 00:19:36,540

conclusion that look this these things

438

00:19:41,870 --> 00:19:39,540

are trans medium this is one of like the

439

00:19:45,500 --> 00:19:41,880

five important aspects of identifying a

440

00:19:47,540 --> 00:19:45,510

true UFO right as as outlined by a tip

441

00:19:50,060 --> 00:19:47,550

and that one is at the ab transmedia

442

00:19:52,370 --> 00:19:50,070

incapability southern client space air

443

00:19:54,650 --> 00:19:52,380

and water now in the Agri dia case

444

00:19:56,780 --> 00:19:54,660

obviously it was just observed that it

445

00:19:59,390 --> 00:19:56,790

entered both air and water but still

446

00:20:00,890 --> 00:19:59,400

that's remarkable because even at 95

447

00:20:03,560 --> 00:20:00,900

miles an hour I think is what they

448

00:20:06,080 --> 00:20:03,570

clocked it at underwater I mean there

449

00:20:07,280 --> 00:20:06,090

are very few man-made objects that can

450

00:20:09,560 --> 00:20:07,290

do that right now

451
00:20:11,360 --> 00:20:09,570
and and then let alone go in the water

452
00:20:14,090 --> 00:20:11,370
and fly right there's no man-made

453
00:20:16,130 --> 00:20:14,100
objects that do that so you know it's

454
00:20:18,560 --> 00:20:16,140
pretty fascinating so this stuff I think

455
00:20:21,410 --> 00:20:18,570
in time you know when you look at the

456
00:20:23,960 --> 00:20:21,420
aqua dia case from 2013 in the context

457
00:20:27,200 --> 00:20:23,970
of the information we're learning now in

458
00:20:29,900 --> 00:20:27,210
2019 or 17 18 and 19 they're kind of all

459
00:20:32,140 --> 00:20:29,910
related and and so when if you look at

460
00:20:35,270 --> 00:20:32,150
ufology and in these cases from that

461
00:20:37,430 --> 00:20:35,280
30,000 foot view and you know you can

462
00:20:39,590 --> 00:20:37,440
see that this stuff is connected and I

463
00:20:41,510 --> 00:20:39,600

think that that will help move us

464

00:20:43,720 --> 00:20:41,520

forward too because we learn that stuff

465

00:20:47,180 --> 00:20:43,730

and then we build on it and we add to it

466

00:20:49,610 --> 00:20:47,190

yeah there's five observables are really

467

00:20:51,710 --> 00:20:49,620

a new driving force for me when I'm

468

00:20:55,190 --> 00:20:51,720

looking at this stuff I think it's an

469

00:20:56,870 --> 00:20:55,200

incredible way to to record the data of

470

00:20:59,480 --> 00:20:56,880

these things like how they maneuver we

471

00:21:01,790 --> 00:20:59,490

spend so much time you know talking

472

00:21:03,980 --> 00:21:01,800

about date in weather and this and that

473

00:21:05,660 --> 00:21:03,990

for a UFO case but let's really look at

474

00:21:08,090 --> 00:21:05,670

the patterns of how these things are

475

00:21:10,340 --> 00:21:08,100

working I think you're right Shane I

476
00:21:12,860 --> 00:21:10,350
think something can be gleaned for that

477
00:21:15,860 --> 00:21:12,870
for sure and this video proved that

478
00:21:18,350 --> 00:21:15,870
yeah even from like a perspective as a

479
00:21:20,380 --> 00:21:18,360
MUFON investigator now you know I look

480
00:21:23,200 --> 00:21:20,390
at you know how can you

481
00:21:25,720 --> 00:21:23,210
how can you define what a UFO is right I

482
00:21:27,400 --> 00:21:25,730
mean we all kind of you know we we think

483
00:21:29,700 --> 00:21:27,410
we know but you know this is a

484
00:21:32,830 --> 00:21:29,710
scientific and analysis and a

485
00:21:35,500 --> 00:21:32,840
demarcation of you know if this object

486
00:21:38,380 --> 00:21:35,510
observes these characteristics or

487
00:21:41,470 --> 00:21:38,390
exhibits them then this is not

488
00:21:43,360 --> 00:21:41,480

conventional I mean that that is awesome

489

00:21:45,669 --> 00:21:43,370

and that that's only something that very

490

00:21:48,610 --> 00:21:45,679

recently has come to the fore that we

491

00:21:51,010 --> 00:21:48,620

can define you know what a UFO is by

492

00:21:53,110 --> 00:21:51,020

bias performance characteristics and

493

00:21:55,720 --> 00:21:53,120

those other things so you know I think

494

00:21:57,730 --> 00:21:55,730

that's absolutely huge and in spite of

495

00:21:59,370 --> 00:21:57,740

the fact that we've been at this for 70

496

00:22:02,260 --> 00:21:59,380

years we are continuing to make progress

497

00:22:05,280 --> 00:22:02,270

the more we bring science and technology

498

00:22:07,570 --> 00:22:05,290

and into the hunt you know we are making

499

00:22:09,909 --> 00:22:07,580

we're at least you know checking items

500

00:22:12,070 --> 00:22:09,919

off the list that it is not this it is

501
00:22:13,930 --> 00:22:12,080
not that right sooner or later we're

502
00:22:17,770 --> 00:22:13,940
gonna get down to them a much more

503
00:22:20,409 --> 00:22:17,780
narrow window we can say this is an you

504
00:22:22,150 --> 00:22:20,419
know a true unknown well said absolutely

505
00:22:25,350 --> 00:22:22,160
all right let's move to the next one on

506
00:22:29,440 --> 00:22:25,360
the list and that would be the CIA

507
00:22:31,210 --> 00:22:29,450
declassifying area 51 so area 51 has

508
00:22:34,630 --> 00:22:31,220
been in pop culture for a few decades

509
00:22:36,730 --> 00:22:34,640
now but up until 2013 the government

510
00:22:40,330 --> 00:22:36,740
denied the top-secret base even existed

511
00:22:42,600 --> 00:22:40,340
in August of 2013 the National Security

512
00:22:45,520 --> 00:22:42,610
Archive at George Washington University

513
00:22:48,100 --> 00:22:45,530

posted a CIA document obtained through a

514

00:22:52,470 --> 00:22:48,110

Freedom of Information Act in which the

515

00:22:55,570 --> 00:22:52,480

name area 51 was not redacted and

516

00:22:58,630 --> 00:22:55,580

although the document wasn't the first

517

00:23:01,480 --> 00:22:58,640

to refer to area 51 by its name it

518

00:23:04,539 --> 00:23:01,490

essentially served as a sort of official

519

00:23:06,520 --> 00:23:04,549

outing or declassification of area 51

520

00:23:08,950 --> 00:23:06,530

and this story generated headlines

521

00:23:11,049 --> 00:23:08,960

around the world with the essential

522

00:23:15,520 --> 00:23:11,059

message that the CIA finally

523

00:23:18,820 --> 00:23:15,530

Declassified area 51 so this was huge at

524

00:23:22,360 --> 00:23:18,830

the time and the headlines this thing

525

00:23:24,940 --> 00:23:22,370

generated were crazy and again up to

526

00:23:28,960 --> 00:23:24,950

this point they were still you know most

527

00:23:30,669 --> 00:23:28,970

people in the general public viewed area

528

00:23:32,740 --> 00:23:30,679

51 is something that just crazy

529

00:23:34,960 --> 00:23:32,750

conspiracy theorists talked about

530

00:23:36,070 --> 00:23:34,970

out or they didn't think it was a real

531

00:23:38,140 --> 00:23:36,080

thing because the government said it

532

00:23:41,410 --> 00:23:38,150

wasn't a real thing absolutely and this

533

00:23:42,700 --> 00:23:41,420

was also in Merton it sounded so lame to

534

00:23:45,640 --> 00:23:42,710

us because we were like oh we already

535

00:23:48,070 --> 00:23:45,650

know but that's our circle but this was

536

00:23:51,670 --> 00:23:48,080

really important because it was a

537

00:23:54,010 --> 00:23:51,680

stepping kind of proving that at least

538

00:23:57,190 --> 00:23:54,020

Bob Lazar knew that piece of information

539

00:23:59,020 --> 00:23:57,200

before it was released to the public as

540

00:24:01,150 --> 00:23:59,030

well and it was kind of sort of

541

00:24:03,550 --> 00:24:01,160

confirming a few things that were said

542

00:24:05,350 --> 00:24:03,560

in those initial interviews so not only

543

00:24:08,290 --> 00:24:05,360

was the government saying yes this was

544

00:24:10,150 --> 00:24:08,300

the nickname it had a lot of implication

545

00:24:14,350 --> 00:24:10,160

behind it and that sort of set the

546

00:24:18,700 --> 00:24:14,360

ground for I'd say interested parties to

547

00:24:21,990 --> 00:24:18,710

start running saying well there's a lot

548

00:24:24,700 --> 00:24:22,000

more merit to this particular

549

00:24:26,440 --> 00:24:24,710

investigation of this secret base now

550

00:24:29,440 --> 00:24:26,450

yeah and this story brought out Bob

551
00:24:31,860 --> 00:24:29,450
Lazar too right remember his stories he

552
00:24:34,030 --> 00:24:31,870
would comment on it you know their

553
00:24:35,890 --> 00:24:34,040
mainstream media outlets would get

554
00:24:37,210 --> 00:24:35,900
quotes from him and I remember it opened

555
00:24:38,860 --> 00:24:37,220
minds we'd wrote a story about it it was

556
00:24:41,170 --> 00:24:38,870
something like Bob Lazar is not

557
00:24:43,540 --> 00:24:41,180
impressed with the declassification of

558
00:24:46,000 --> 00:24:43,550
area 51 he's all yeah so what else is

559
00:24:50,020 --> 00:24:46,010
new like he was that's what I've been

560
00:24:52,780 --> 00:24:50,030
telling you yeah I remember back in I

561
00:24:55,480 --> 00:24:52,790
think it was 95 yeah that's when they

562
00:24:58,450 --> 00:24:55,490
like there's a lawsuits against the base

563
00:25:01,480 --> 00:24:58,460

were made by like former yes cuz if they

564

00:25:04,090 --> 00:25:01,490

like the toxic fumes and everything that

565

00:25:05,800 --> 00:25:04,100

they had a lot of people were dying out

566

00:25:07,360 --> 00:25:05,810

there so like the government had to

567

00:25:09,630 --> 00:25:07,370

acknowledge that when the lawsuit came

568

00:25:11,530 --> 00:25:09,640

about and I remember hearing like

569

00:25:14,530 --> 00:25:11,540

specifically an Air Force attorney

570

00:25:16,300 --> 00:25:14,540

saying your honor there is no name there

571

00:25:18,730 --> 00:25:16,310

is no name for the operating location

572

00:25:21,160 --> 00:25:18,740

near groom lake and that always gave me

573

00:25:23,170 --> 00:25:21,170

chills back when I heard about that but

574

00:25:24,910 --> 00:25:23,180

the fact that like through like Freedom

575

00:25:27,730 --> 00:25:24,920

of Information requests in lawsuits

576

00:25:29,770 --> 00:25:27,740

that's how we finally got the CIA to

577

00:25:31,930 --> 00:25:29,780

acknowledge it being area 51 so I

578

00:25:33,190 --> 00:25:31,940

remember my phone blowing up that day I

579

00:25:35,710 --> 00:25:33,200

don't know if there was the same for you

580

00:25:38,200 --> 00:25:35,720

guys yeah almost as much as you know the

581

00:25:40,180 --> 00:25:38,210

current stuff going on so that I loved

582

00:25:42,820 --> 00:25:40,190

it I I thought it was awesome

583

00:25:44,700 --> 00:25:42,830

I think that's with anything like this

584

00:25:46,510 --> 00:25:44,710

as soon as it starts making headlines

585

00:25:49,870 --> 00:25:46,520

yeah my phone my

586

00:25:51,730 --> 00:25:49,880

email blew up friends who you know

587

00:25:54,160 --> 00:25:51,740

aren't paying attention to this stuff

588

00:25:56,980 --> 00:25:54,170

but they thought for them it meant so

589

00:25:58,990 --> 00:25:56,990
much more than it did to me because they

590

00:26:02,830 --> 00:25:59,000
were like what is this there actually is

591

00:26:04,420 --> 00:26:02,840
a base there what's happening yeah have

592

00:26:07,510 --> 00:26:04,430
all the answers don't you tell me what

593

00:26:11,050 --> 00:26:07,520
it is what it is a slight vinification

594

00:26:14,050 --> 00:26:11,060
right if not for Bob but for even

595

00:26:17,260 --> 00:26:14,060
ufology I mean you know we have all been

596

00:26:19,540 --> 00:26:17,270
throwing area51 around for a lot of

597

00:26:21,730 --> 00:26:19,550
decades but you know for official

598

00:26:24,190 --> 00:26:21,740
confirmation does kind of feel good in

599

00:26:27,100 --> 00:26:24,200
that way right it gets it in the the

600

00:26:28,860 --> 00:26:27,110
public public's public's mind and then

601
00:26:31,830 --> 00:26:28,870
all of a sudden it becomes real yeah

602
00:26:34,900 --> 00:26:31,840
yeah it's also one of the best

603
00:26:37,480 --> 00:26:34,910
first-person shooter arcade games out

604
00:26:40,480 --> 00:26:37,490
there yes yes

605
00:26:44,260 --> 00:26:40,490
do you prefer area 51 or the follow-up

606
00:26:45,700 --> 00:26:44,270
s4 I did not know they made it as I have

607
00:26:47,470 --> 00:26:45,710
a second one I think it's called I think

608
00:26:49,660 --> 00:26:47,480
it's called Ashmore or site for yeah

609
00:26:52,420 --> 00:26:49,670
yeah they do have an area 51 to

610
00:26:53,410 --> 00:26:52,430
basically that is so weird I love it I

611
00:26:55,330 --> 00:26:53,420
love it

612
00:26:57,790 --> 00:26:55,340
and there's the one also that Nick

613
00:27:00,520 --> 00:26:57,800

Pope's part of right the more recent one

614

00:27:03,760 --> 00:27:00,530

video game on man yes I've got it I have

615

00:27:06,280 --> 00:27:03,770

to look I did not know Nick Pope was

616

00:27:10,900 --> 00:27:06,290

doing I'm sorry video game action is

617

00:27:13,690 --> 00:27:10,910

some consulting on any idea insulted on

618

00:27:16,000 --> 00:27:13,700

that yeah yeah that's honey that is

619

00:27:20,800 --> 00:27:16,010

awesome what won't that guy do let's be

620

00:27:23,380 --> 00:27:20,810

honest I mean all right let's move on to

621

00:27:25,510 --> 00:27:23,390

the next one so what have you got for

622

00:27:29,470 --> 00:27:25,520

the next item on our list Shane oh this

623

00:27:31,210 --> 00:27:29,480

is the Citizen hearing on disclosure so

624

00:27:33,700 --> 00:27:31,220

when we think about it the last

625

00:27:36,700 --> 00:27:33,710

congressional hearing dealing with the

626

00:27:38,530 --> 00:27:36,710

extra-terrestrial issue was before the

627

00:27:41,080 --> 00:27:38,540

house science and Aeronautics Committee

628

00:27:43,480 --> 00:27:41,090

in July of 1968 so I was you know

629

00:27:46,200 --> 00:27:43,490

obviously over fifty years ago the

630

00:27:49,150 --> 00:27:46,210

Citizen hearing on disclosure was a mock

631

00:27:54,250 --> 00:27:49,160

congressional hearing held in April and

632

00:27:57,760 --> 00:27:54,260

May of 2013 to do what they say the

633

00:27:59,470 --> 00:27:57,770

Congress has failed to do since 1968 and

634

00:28:00,200 --> 00:27:59,480

that is seek out the facts surrounding

635

00:28:02,180 --> 00:28:00,210

the most

636

00:28:05,560 --> 00:28:02,190

or an issue of this or any other time

637

00:28:08,450 --> 00:28:05,570

and that is evidence pointing toward an

638

00:28:11,840 --> 00:28:08,460

extraterrestrial presence engaging the

639

00:28:14,360 --> 00:28:11,850

human race so what they did this is the

640

00:28:17,420 --> 00:28:14,370

work of Steven Bassett the paradigm

641

00:28:20,530 --> 00:28:17,430

research group and they assembled this

642

00:28:22,820 --> 00:28:20,540

this hearing 42 persons including

643

00:28:25,820 --> 00:28:22,830

researchers and military and political

644

00:28:28,000 --> 00:28:25,830

witnesses of Rankin station they came to

645

00:28:31,250 --> 00:28:28,010

the National Press Club in Washington DC

646

00:28:33,530 --> 00:28:31,260

to testify before six former members of

647

00:28:35,330 --> 00:28:33,540

the United States Congress so they had

648

00:28:37,390 --> 00:28:35,340

this main ballroom set up in the

649

00:28:39,530 --> 00:28:37,400

National Press Club was configured

650

00:28:42,500 --> 00:28:39,540

configured to look like a Senate hearing

651
00:28:45,740 --> 00:28:42,510
room there were press areas audience

652
00:28:50,350 --> 00:28:45,750
areas witnesses tables committee tables

653
00:28:52,070 --> 00:28:50,360
or you know professional protocols for

654
00:28:55,910 --> 00:28:52,080
congressional hearings that they

655
00:28:57,590 --> 00:28:55,920
followed as closely as possible the the

656
00:28:59,810 --> 00:28:57,600
committee members these former

657
00:29:01,670 --> 00:28:59,820
congressmen and congresswomen received

658
00:29:04,400 --> 00:29:01,680
written statements from the witnesses

659
00:29:06,200 --> 00:29:04,410
and they heard oral statements and they

660
00:29:09,860 --> 00:29:06,210
were allowed to ask questions just in a

661
00:29:13,820 --> 00:29:09,870
typical hearing it was like 35 hours of

662
00:29:17,390 --> 00:29:13,830
testimony over five days and then the

663
00:29:21,170 --> 00:29:17,400

entire thing was filmed and that video

664

00:29:24,950 --> 00:29:21,180

is available to everyone on the paradigm

665

00:29:28,070 --> 00:29:24,960

research group org website and it is

666

00:29:31,040 --> 00:29:28,080

pretty fascinating is really historical

667

00:29:33,260 --> 00:29:31,050

and it captures a lot of testimony from

668

00:29:35,450 --> 00:29:33,270

people that you know eventually probably

669

00:29:37,730 --> 00:29:35,460

in our lifetime they'll be gone and so

670

00:29:41,450 --> 00:29:37,740

that this is a you know a historical

671

00:29:43,370 --> 00:29:41,460

record of that yeah actually we sent one

672

00:29:47,120 --> 00:29:43,380

of our colleagues at the time Antonio

673

00:29:49,460 --> 00:29:47,130

who næss was present at the Citizen

674

00:29:52,160 --> 00:29:49,470

hearings and can it gave us a

675

00:29:54,080 --> 00:29:52,170

behind-the-scenes look at what was

676

00:29:56,180 --> 00:29:54,090

happening and I think that yeah the

677

00:29:59,600 --> 00:29:56,190

importance of this it's a faux hearing

678

00:30:02,840 --> 00:29:59,610

the former senators and congressmen were

679

00:30:05,180 --> 00:30:02,850

paid to be there or at least were

680

00:30:07,310 --> 00:30:05,190

offered money to be there not sure if

681

00:30:11,690 --> 00:30:07,320

they actually got their payout or not

682

00:30:13,520 --> 00:30:11,700

but you know this is one of those things

683

00:30:15,830 --> 00:30:13,530

where it was

684

00:30:19,340 --> 00:30:15,840

to set up a professional environment for

685

00:30:23,480 --> 00:30:19,350

lawmakers to seriously look at the fact

686

00:30:26,480 --> 00:30:23,490

that there is credible people detailing

687

00:30:29,480 --> 00:30:26,490

very strange phenomena less activity and

688

00:30:31,700 --> 00:30:29,490

and so I think that the effort well it's

689

00:30:33,230 --> 00:30:31,710

kind of you know oh it's a faux hearing

690

00:30:36,160 --> 00:30:33,240

you know why do we care

691

00:30:40,070 --> 00:30:36,170

well we care because we're trying to get

692

00:30:42,950 --> 00:30:40,080

people to take this phenomenon seriously

693

00:30:45,290 --> 00:30:42,960

so that's my face on it and look at like

694

00:30:49,490 --> 00:30:45,300

it kind of paved the way in some weird

695

00:30:51,770 --> 00:30:49,500

you know bastardized way that now actual

696

00:30:55,340 --> 00:30:51,780

senators in office are being briefed on

697

00:30:58,100 --> 00:30:55,350

UFOs so I mean I for as much as people

698

00:31:00,980 --> 00:30:58,110

may mock it because it was a mock

699

00:31:03,560 --> 00:31:00,990

hearing I guess I thought like Shane

700

00:31:05,300 --> 00:31:03,570

said we now have these things on record

701
00:31:08,210 --> 00:31:05,310
from some of the most prominent

702
00:31:10,100 --> 00:31:08,220
witnesses out there I mean you know you

703
00:31:12,260 --> 00:31:10,110
look at the Rendlesham guys Jim

704
00:31:14,660 --> 00:31:12,270
Penniston and John Burroughs there was

705
00:31:17,180 --> 00:31:14,670
the most amazing testimony I've heard

706
00:31:19,030 --> 00:31:17,190
from them at those hearings and that's

707
00:31:22,670 --> 00:31:19,040
one of the most pivotal cases we have to

708
00:31:24,260 --> 00:31:22,680
rely on in ufology so I think that was

709
00:31:26,660 --> 00:31:24,270
really cool to see some of these people

710
00:31:29,270 --> 00:31:26,670
all in one room doing this and then to

711
00:31:31,640 --> 00:31:29,280
hear the reactions from the former

712
00:31:34,220 --> 00:31:31,650
Congress men and women yes they may have

713
00:31:36,500 --> 00:31:34,230

been paid you know to to maybe seem

714

00:31:38,870 --> 00:31:36,510

interested but I do think all of them

715

00:31:40,910 --> 00:31:38,880

were genuinely interested in what they

716

00:31:44,330 --> 00:31:40,920

were hearing and in fact I know some of

717

00:31:46,520 --> 00:31:44,340

them went on to then like try to rally

718

00:31:48,500 --> 00:31:46,530

the troops and get actual congressmen to

719

00:31:50,660 --> 00:31:48,510

look at this so yeah I thought it was a

720

00:31:53,390 --> 00:31:50,670

valiant effort for sure it did seem like

721

00:31:55,220 --> 00:31:53,400

they were genuinely interested and you

722

00:31:57,940 --> 00:31:55,230

know you mentioned that him being paid

723

00:32:00,410 --> 00:31:57,950

and unfortunately there was plenty of of

724

00:32:03,290 --> 00:32:00,420

mainstream press coverage that focused

725

00:32:05,240 --> 00:32:03,300

on that fact about how the dollar amount

726

00:32:08,120 --> 00:32:05,250

that they were paid to sit and listen to

727

00:32:10,430 --> 00:32:08,130

crazy UFOs but that was the unfortunate

728

00:32:13,280 --> 00:32:10,440

part about it but it did generate a lot

729

00:32:16,490 --> 00:32:13,290

of positive headlines and I guess we

730

00:32:19,160 --> 00:32:16,500

should point out too that ruben Langdon

731

00:32:21,920 --> 00:32:19,170

and even Jeremy Korbelt played a big role

732

00:32:23,500 --> 00:32:21,930

in in the execution of the the Citizen

733

00:32:26,620 --> 00:32:23,510

hearing as well

734

00:32:29,170 --> 00:32:26,630

absolutely and I think you know just

735

00:32:33,610 --> 00:32:29,180

looking back on it now it's it was a

736

00:32:36,070 --> 00:32:33,620

very novel approach on the issue of

737

00:32:37,570 --> 00:32:36,080

disclosure right so for you know 70

738

00:32:38,890 --> 00:32:37,580

years we've been banging away trying to

739

00:32:40,600 --> 00:32:38,900

get something out of the government it

740

00:32:43,060 --> 00:32:40,610

was just a different way to try and see

741

00:32:45,850 --> 00:32:43,070

if we could shake something loose so I

742

00:32:47,530 --> 00:32:45,860

give give Steven Bassett credit for that

743

00:32:49,870 --> 00:32:47,540

thinking out of the box and trying

744

00:32:52,240 --> 00:32:49,880

something really different and and I

745

00:32:55,000 --> 00:32:52,250

think you know it did produce some

746

00:32:57,460 --> 00:32:55,010

meaningful results not what we wanted

747

00:32:59,410 --> 00:32:57,470

but you know still meaningful results so

748

00:33:02,050 --> 00:32:59,420

you know at least kudos Dan for trying

749

00:33:04,630 --> 00:33:02,060

something different and and you know

750

00:33:06,100 --> 00:33:04,640

it's definitely I think great viewing

751
00:33:08,290 --> 00:33:06,110
and something everybody should have to

752
00:33:10,030 --> 00:33:08,300
look at yeah definitely and and yeah

753
00:33:12,160 --> 00:33:10,040
Citizen hearing gorg's no place you can

754
00:33:13,210 --> 00:33:12,170
go watch all that testimony pretty

755
00:33:15,640 --> 00:33:13,220
fascinating stuff

756
00:33:18,040 --> 00:33:15,650
oh let's move on to the next item

757
00:33:20,710 --> 00:33:18,050
counting down our list Ryan what have

758
00:33:23,890 --> 00:33:20,720
you got yeah you've got our favorite

759
00:33:26,350 --> 00:33:23,900
don't you this is okay right on the list

760
00:33:28,180 --> 00:33:26,360
I don't know what I did to deserve this

761
00:33:30,280 --> 00:33:28,190
but okay okay here we go

762
00:33:32,320 --> 00:33:30,290
bear with me guys I'm gonna try to get

763
00:33:35,260 --> 00:33:32,330

through this convoluted story as quickly

764

00:33:38,380 --> 00:33:35,270

as possible this happened back in May of

765

00:33:41,380 --> 00:33:38,390

2015 when our favorite Mexican UFO

766

00:33:44,200 --> 00:33:41,390

researcher Haim a son he unveiled to the

767

00:33:46,510 --> 00:33:44,210

world what he says were slides and

768

00:33:50,080 --> 00:33:46,520

images of an alien from the Roswell UFO

769

00:33:52,660 --> 00:33:50,090

crash he presented this to a huge

770

00:33:55,690 --> 00:33:52,670

audience at a stadium in Mexico City and

771

00:33:58,780 --> 00:33:55,700

streamed it across the world for a price

772

00:34:01,660 --> 00:33:58,790

I might add the image is they first

773

00:34:04,120 --> 00:34:01,670

became known by a man named Adam do who

774

00:34:05,980 --> 00:34:04,130

brought them to moose on and several

775

00:34:08,470 --> 00:34:05,990

other Roswell investigators including

776

00:34:11,110 --> 00:34:08,480

Don Schmitt and Tom Carey and for almost

777

00:34:12,820 --> 00:34:11,120

a year I think they were kind of teasing

778

00:34:15,280 --> 00:34:12,830

this thing and promoting the idea that

779

00:34:16,690 --> 00:34:15,290

they had this bombshell evidence that

780

00:34:20,470 --> 00:34:16,700

would blow the entire Roswell incident

781

00:34:24,190 --> 00:34:20,480

wide open and then the day and make aim

782

00:34:26,680 --> 00:34:24,200

and we all saw the images and I think

783

00:34:29,380 --> 00:34:26,690

all of us were little less than

784

00:34:32,380 --> 00:34:29,390

satisfied the the image showed a very

785

00:34:35,230 --> 00:34:32,390

blurry image of a small being one lying

786

00:34:35,930 --> 00:34:35,240

on a slab in front of some sort of glass

787

00:34:38,389 --> 00:34:35,940

case

788

00:34:40,579 --> 00:34:38,399

I believe I'm looking at the picture

789

00:34:43,220 --> 00:34:40,589

right there was a placard that sat below

790

00:34:45,710 --> 00:34:43,230

it but could not be read by the human

791

00:34:49,099 --> 00:34:45,720

eye of course blurry photos seem to be a

792

00:34:52,040 --> 00:34:49,109

staple for the UFO field but for over

793

00:34:54,740 --> 00:34:52,050

two hours at this packed Stadium and a

794

00:34:56,659 --> 00:34:54,750

horribly streamed audience Masson

795

00:34:58,940 --> 00:34:56,669

invited researchers and scientists to

796

00:35:01,849 --> 00:34:58,950

speak some of which actually backed up

797

00:35:04,010 --> 00:35:01,859

the images gave us a play-by-play of how

798

00:35:05,809 --> 00:35:04,020

they supposedly came to be and

799

00:35:07,910 --> 00:35:05,819

everything and for some reason Richard

800

00:35:09,859 --> 00:35:07,920

Owen was there he never thought the

801
00:35:11,780 --> 00:35:09,869
image was alien but he was still there

802
00:35:15,859 --> 00:35:11,790
speaking I will never forgive him for

803
00:35:18,290 --> 00:35:15,869
that but one slide was shown at the

804
00:35:20,390 --> 00:35:18,300
event and later haami Masson would post

805
00:35:24,200 --> 00:35:20,400
a second image on his Twitter account so

806
00:35:25,960 --> 00:35:24,210
within 48 hours of this a group of UFO

807
00:35:28,609 --> 00:35:25,970
researchers and tech-savvy individuals

808
00:35:31,490 --> 00:35:28,619
going the Roswell sites research group

809
00:35:34,220 --> 00:35:31,500
they were able to deburr the image and

810
00:35:36,319 --> 00:35:34,230
figure out that the placard on the image

811
00:35:36,609 --> 00:35:36,329
said mummified body of a two year old

812
00:35:39,050 --> 00:35:36,619
boy

813
00:35:40,370 --> 00:35:39,060

so immediately some of the people

814

00:35:41,930 --> 00:35:40,380

started getting defensive that weren't

815

00:35:45,079 --> 00:35:41,940

involved saying that the de blurred

816

00:35:47,260 --> 00:35:45,089

photo is fake this that this that but

817

00:35:49,579 --> 00:35:47,270

then more of the the placard was

818

00:35:51,079 --> 00:35:49,589

deplored and it read at the time of the

819

00:35:53,780 --> 00:35:51,089

burial the body was clothed in a

820

00:35:55,940 --> 00:35:53,790

slipcover cotton shirt burial wrappings

821

00:35:59,089 --> 00:35:55,950

consisted of three small blankets and

822

00:36:02,480 --> 00:35:59,099

the last line which kind of blew this

823

00:36:06,230 --> 00:36:02,490

all wide open was quote loaned by mr. SL

824

00:36:08,630 --> 00:36:06,240

Palmer San Francisco California so this

825

00:36:12,230 --> 00:36:08,640

led other researchers to then look into

826

00:36:15,500 --> 00:36:12,240

it and they found out that this guy SL

827

00:36:18,530 --> 00:36:15,510

Palmer had given this mummy that he

828

00:36:22,480 --> 00:36:18,540

found to this museum the museum in Mesa

829

00:36:24,859 --> 00:36:22,490

Verde so this kind of buried you know

830

00:36:26,180 --> 00:36:24,869

buried the hatchet on this whole thing

831

00:36:28,970 --> 00:36:26,190

it clearly wasn't a lien it was a

832

00:36:31,040 --> 00:36:28,980

mummified body and since then mostly all

833

00:36:34,579 --> 00:36:31,050

involved of issued public apologies

834

00:36:37,160 --> 00:36:34,589

forgettin everyone's hopes up you know

835

00:36:41,390 --> 00:36:37,170

Tom carried on Schmidt said sorry we got

836

00:36:43,339 --> 00:36:41,400

our passion got the best of us I mean my

837

00:36:45,589 --> 00:36:43,349

son I don't really know where he stands

838

00:36:46,880 --> 00:36:45,599

on all this today but the main person

839

00:36:49,640 --> 00:36:46,890

that kind of started this all

840

00:36:50,870 --> 00:36:49,650

Adam do is like nowhere to be

841

00:36:53,180 --> 00:36:50,880

he was supposed to come out with a

842

00:36:55,670 --> 00:36:53,190

documentary about and never happened

843

00:36:58,099 --> 00:36:55,680

we never saw these crystal-clear copies

844

00:37:02,870 --> 00:36:58,109

that Adam supposedly has of these images

845

00:37:06,259 --> 00:37:02,880

either so yeah I think this is a huge

846

00:37:08,180 --> 00:37:06,269

black eye on the UFO community this

847

00:37:10,220 --> 00:37:08,190

entire thing and it really goes to show

848

00:37:12,680 --> 00:37:10,230

that when your passion and beliefs get

849

00:37:15,259 --> 00:37:12,690

ahead of ya it can really really look

850

00:37:17,720 --> 00:37:15,269

bad for the rest of us so yeah that was

851

00:37:20,539 --> 00:37:17,730

that was right UFOs are so just just the

852

00:37:24,470 --> 00:37:20,549

nature of UFOs with with the the mystery

853

00:37:27,140 --> 00:37:24,480

that they are it's just so ridiculous

854

00:37:30,829 --> 00:37:27,150

for a researcher to come out and make

855

00:37:32,749 --> 00:37:30,839

grand claims and both I mean everybody

856

00:37:33,170 --> 00:37:32,759

involved in this should have known

857

00:37:36,890 --> 00:37:33,180

better

858

00:37:38,720 --> 00:37:36,900

certainly not the individual who own

859

00:37:40,640 --> 00:37:38,730

these things claimed to find them in a

860

00:37:43,640 --> 00:37:40,650

cigar box in a house or whatever free to

861

00:37:45,680 --> 00:37:43,650

I wanted to make a documentary with that

862

00:37:47,359 --> 00:37:45,690

it's not a UFO researcher but the UFO

863

00:37:49,730 --> 00:37:47,369

research is involved should have known

864

00:37:53,059 --> 00:37:49,740

better than to hype this thing up make

865

00:37:56,839 --> 00:37:53,069

grand claims and affirmative ly say this

866

00:37:58,970 --> 00:37:56,849

was absolutely something we know we know

867

00:38:00,499 --> 00:37:58,980

better right I mean that we go ahead I

868

00:38:03,380 --> 00:38:00,509

was just gonna say but that's happened

869

00:38:05,539 --> 00:38:03,390

so many times in this decade you know

870

00:38:07,819 --> 00:38:05,549

yes and that's what I'm saying I mean

871

00:38:10,339 --> 00:38:07,829

rhasta liable should people should learn

872

00:38:11,960 --> 00:38:10,349

and you can't make these grand claims

873

00:38:14,390 --> 00:38:11,970

because we're dealing with something so

874

00:38:17,269 --> 00:38:14,400

mysterious so unknown and being a

875

00:38:19,420 --> 00:38:17,279

responsible researcher you just can't

876

00:38:22,130 --> 00:38:19,430

make claims like that unless you have

877

00:38:23,839 --> 00:38:22,140

definitive proof to back it up these

878

00:38:25,460 --> 00:38:23,849

guys were operating under assumptions

879

00:38:28,489 --> 00:38:25,470

they were operating under things that

880

00:38:29,749 --> 00:38:28,499

they've been told they didn't see the

881

00:38:31,460 --> 00:38:29,759

test for themselves they didn't get

882

00:38:33,859 --> 00:38:31,470

testing done by themselves they were

883

00:38:35,539 --> 00:38:33,869

being told things that Jaime was telling

884

00:38:37,309 --> 00:38:35,549

them that had been done by questionable

885

00:38:39,440 --> 00:38:37,319

doctors and all sorts of weird things

886

00:38:40,700 --> 00:38:39,450

with this whole case but they didn't

887

00:38:42,710 --> 00:38:40,710

personally know they hadn't done the

888

00:38:44,960 --> 00:38:42,720

research on it and they were hyping this

889

00:38:46,819 --> 00:38:44,970

thing from the stage you know at

890

00:38:48,710 --> 00:38:46,829

conferences and things saying we have

891

00:38:50,690 --> 00:38:48,720

definitive proof that Roswell was alien

892

00:38:53,479 --> 00:38:50,700

and all this stuff really hyping it up

893

00:38:55,819 --> 00:38:53,489

and it just came back and slapped him so

894

00:38:57,920 --> 00:38:55,829

hard in the face you know it's it's hard

895

00:38:59,839 --> 00:38:57,930

to believe that they've managed to you

896

00:39:01,849 --> 00:38:59,849

know recuperate from that I mean it was

897

00:39:04,370 --> 00:39:01,859

it was a dirty time for a while I mean

898

00:39:06,140 --> 00:39:04,380

rich Dolan was getting so much [h__h] and

899

00:39:07,160 --> 00:39:06,150

rightfully so I mean everybody involved

900

00:39:09,349 --> 00:39:07,170

with this it was just such an

901
00:39:12,410 --> 00:39:09,359
embarrassing debacle that people would

902
00:39:13,969 --> 00:39:12,420
make grand claims without you know being

903
00:39:15,140 --> 00:39:13,979
cautious without putting the thing out

904
00:39:17,660 --> 00:39:15,150
there saying hey we found something

905
00:39:19,249 --> 00:39:17,670
interesting it might be extraterrestrial

906
00:39:21,469 --> 00:39:19,259
we don't know but we're going to show

907
00:39:22,910 --> 00:39:21,479
you something and we're working on this

908
00:39:24,319 --> 00:39:22,920
we'll figure it out we'll do testing

909
00:39:26,599 --> 00:39:24,329
whatever we have to do to figure it out

910
00:39:29,539 --> 00:39:26,609
but here's an interesting development in

911
00:39:31,430 --> 00:39:29,549
the case right and I think this one

912
00:39:37,219 --> 00:39:31,440
really is an example of like how our

913
00:39:40,579 --> 00:39:37,229

field gets amnesia and I mean I like to

914

00:39:42,319 --> 00:39:40,589

compare this Jason kinda to UM our good

915

00:39:44,630 --> 00:39:42,329

friend and colleague Peter Robbins I

916

00:39:46,940 --> 00:39:44,640

mean this guy based almost half his

917

00:39:48,890 --> 00:39:46,950

career on one case the Rendlesham case

918

00:39:50,329 --> 00:39:48,900

and then to come to find out like the

919

00:39:52,640 --> 00:39:50,339

guy who worked with may have been less

920

00:39:55,489 --> 00:39:52,650

than honest about his involvement and

921

00:39:58,640 --> 00:39:55,499

what did Peter do he he admitted to it

922

00:40:01,549 --> 00:39:58,650

he like stood up he manned up as it were

923

00:40:03,319 --> 00:40:01,559

and he said look I messed up and I want

924

00:40:06,229 --> 00:40:03,329

to move on from that and I want to do

925

00:40:09,069 --> 00:40:06,239

the right thing and let's just keep

926
00:40:12,430 --> 00:40:09,079
working at this when members of this

927
00:40:14,930 --> 00:40:12,440
whether they issued an apology or not

928
00:40:16,789 --> 00:40:14,940
still aren't owning up to it in my

929
00:40:19,969 --> 00:40:16,799
opinion in terms of like how detrimental

930
00:40:22,759 --> 00:40:19,979
this was but again like any story it'll

931
00:40:25,249 --> 00:40:22,769
fade into obscurity like they all do but

932
00:40:28,279 --> 00:40:25,259
this was more an example of good

933
00:40:30,170 --> 00:40:28,289
diligent research by you know civilians

934
00:40:32,630 --> 00:40:30,180
and by like people behind their

935
00:40:35,120 --> 00:40:32,640
computers this Roswell slides research

936
00:40:37,549 --> 00:40:35,130
group jumped it out and I have got to

937
00:40:39,890 --> 00:40:37,559
thank them they did an amazing amazing

938
00:40:42,829 --> 00:40:39,900

work and that's what we need and well

939

00:40:46,209 --> 00:40:42,839

I'm sure for for like Richard and Tom

940

00:40:53,479 --> 00:40:46,219

and Don that this case falls on a on a

941

00:40:56,109 --> 00:40:53,489

top-10 list of a different kind like I

942

00:41:00,140 --> 00:40:56,119

mean this decade has been a mark of like

943

00:41:01,579 --> 00:41:00,150

alleged alien mummies and this is not

944

00:41:04,880 --> 00:41:01,589

the only embarrassing one and since

945

00:41:07,390 --> 00:41:04,890

we're not covering them gonna do my due

946

00:41:11,410 --> 00:41:07,400

diligence and this is very similar to

947

00:41:13,670 --> 00:41:11,420

the hype that was around the atacama

948

00:41:16,220 --> 00:41:13,680

mummy that was oh yes

949

00:41:18,530 --> 00:41:16,230

that is less really little Atta that was

950

00:41:21,250 --> 00:41:18,540

maybe a de not to be mistaken for baby

951
00:41:23,480 --> 00:41:21,260
Yoda right huge in the news and then

952
00:41:25,849 --> 00:41:23,490
unfortunately I really would like

953
00:41:28,700 --> 00:41:25,859
luckily my name isn't totally associated

954
00:41:33,319 --> 00:41:28,710
with this but Jason and I had to deal

955
00:41:36,020 --> 00:41:33,329
with Pepe the squirrel monkey that was

956
00:41:41,510 --> 00:41:36,030
that was advertised as being an alien

957
00:41:43,430 --> 00:41:41,520
mummy also from Jaime mousse on and so

958
00:41:48,049 --> 00:41:43,440
yeah there this is something that keeps

959
00:41:50,870 --> 00:41:48,059
appearing and especially with items that

960
00:41:51,500 --> 00:41:50,880
look strange that are mummified we don't

961
00:41:54,049 --> 00:41:51,510
know what it is

962
00:41:55,400 --> 00:41:54,059
let's not immediately just because it

963
00:41:57,440 --> 00:41:55,410

looks strange jump to the

964

00:41:58,970 --> 00:41:57,450

extra-terrestrial conclusion I think

965

00:42:01,880 --> 00:41:58,980

that's the most important thing any of

966

00:42:04,520 --> 00:42:01,890

us can do like we say you know due

967

00:42:07,190 --> 00:42:04,530

diligence on research put the science

968

00:42:09,910 --> 00:42:07,200

behind it then if it comes back saying

969

00:42:11,930 --> 00:42:09,920

holy [h__\h] this is legitimately

970

00:42:14,599 --> 00:42:11,940

extraterrestrial in nature then let's

971

00:42:16,970 --> 00:42:14,609

tell the world when I want one day if I

972

00:42:19,460 --> 00:42:16,980

decide to to reach the point to where I

973

00:42:22,579 --> 00:42:19,470

just want to completely trash my

974

00:42:24,950 --> 00:42:22,589

credibility and you know throw myself

975

00:42:29,200 --> 00:42:24,960

down the toilet I'm gonna pull out my

976

00:42:31,520 --> 00:42:29,210

old photos with Pepe

977

00:42:33,200 --> 00:42:31,530

holding Pepe and kissing Pepe and

978

00:42:41,510 --> 00:42:33,210

everything I'll post him around and tell

979

00:42:43,339 --> 00:42:41,520

people that I found an alien people yeah

980

00:42:45,319 --> 00:42:43,349

I could go back to some people and get

981

00:42:47,630 --> 00:42:45,329

some get some money and get a circus

982

00:42:50,329 --> 00:42:47,640

going and we great I'm sure we all have

983

00:42:54,650 --> 00:42:50,339

some photos from our UFO days that we

984

00:42:56,900 --> 00:42:54,660

don't want the oh I posted most of them

985

00:43:00,589 --> 00:42:56,910

publicly but making fun of it but if I

986

00:43:03,710 --> 00:43:00,599

were to be be a sleazy person and past

987

00:43:06,859 --> 00:43:03,720

try to pass them off as real there would

988

00:43:09,380 --> 00:43:06,869

be some biters oh yeah that is so true

989

00:43:12,530 --> 00:43:09,390

yeah alright well the next item on our

990

00:43:15,049 --> 00:43:12,540

list was tremendously publicly visible

991

00:43:17,270 --> 00:43:15,059

and we're talking about Hillary Clinton

992

00:43:19,280 --> 00:43:17,280

so as she started hitting the campaign

993

00:43:21,589 --> 00:43:19,290

trail in her push for the White House

994

00:43:24,460 --> 00:43:21,599

Hillary Clinton made considerable

995

00:43:27,280 --> 00:43:24,470

headlines related to UFOs in 2016

996

00:43:29,680 --> 00:43:27,290

Hillary and her husband former US

997

00:43:32,470 --> 00:43:29,690

President Bill Clinton are very vocal

998

00:43:35,560 --> 00:43:32,480

about their interest in UFOs and during

999

00:43:38,440 --> 00:43:35,570

one of her publicity stops when she was

1000

00:43:40,240 --> 00:43:38,450

asked about UFOs she commented quote I

1001
00:43:43,900 --> 00:43:40,250
think we may have been visited already

1002
00:43:45,130 --> 00:43:43,910
we don't know for sure in quote and who

1003
00:43:47,380 --> 00:43:45,140
could forget her appearance on Jimmy

1004
00:43:49,720 --> 00:43:47,390
Kimmel Live where she stated quote I

1005
00:43:52,060 --> 00:43:49,730
would like us to go into those files and

1006
00:43:54,190 --> 00:43:52,070
hopefully make as much of that public as

1007
00:43:55,600 --> 00:43:54,200
possible if there's nothing there let's

1008
00:43:58,900 --> 00:43:55,610
tell the people there's nothing there

1009
00:44:01,150 --> 00:43:58,910
and quote then there was the moment on

1010
00:44:04,000 --> 00:44:01,160
that show when she explained to Kimmel

1011
00:44:07,360 --> 00:44:04,010
that quote unidentified aerial phenomena

1012
00:44:10,360 --> 00:44:07,370
or UAP is the modern nomenclature for

1013
00:44:12,160 --> 00:44:10,370

UFOs Bill Clinton's chief of staff John

1014

00:44:14,740 --> 00:44:12,170

Podesta was also Hillary's campaign

1015

00:44:17,380 --> 00:44:14,750

chairman this former counselor to

1016

00:44:19,480 --> 00:44:17,390

President Obama is a strong advocate for

1017

00:44:22,000 --> 00:44:19,490

government transparency when it comes to

1018

00:44:25,030 --> 00:44:22,010

knowledge of UFOs and files related to

1019

00:44:27,340 --> 00:44:25,040

UFO phenomena when Podesta left the

1020

00:44:29,980 --> 00:44:27,350

White House he began working on

1021

00:44:33,070 --> 00:44:29,990

Clinton's campaign and he publicly

1022

00:44:35,260 --> 00:44:33,080

voiced regret over not being able to get

1023

00:44:35,650 --> 00:44:35,270

the government UFO FILES released to the

1024

00:44:39,070 --> 00:44:35,660

public

1025

00:44:41,590 --> 00:44:39,080

while on the campaign trail in 2016 when

1026

00:44:44,350 --> 00:44:41,600

asked about Podesta Hillary stated quote

1027

00:44:46,150 --> 00:44:44,360

he has made me personally pledged we are

1028

00:44:49,660 --> 00:44:46,160

going to get the information out in

1029

00:44:52,030 --> 00:44:49,670

quote she continued quote one way or

1030

00:44:53,320 --> 00:44:52,040

another maybe we could have like a task

1031

00:44:56,260 --> 00:44:53,330

force go to area 51

1032

00:44:58,000 --> 00:44:56,270

end quote of course Podesta generated

1033

00:44:59,980 --> 00:44:58,010

considerable UFO headlines of his own

1034

00:45:02,350 --> 00:44:59,990

including those related to WikiLeaks

1035

00:45:04,120 --> 00:45:02,360

publishing his hacked emails and some of

1036

00:45:08,050 --> 00:45:04,130

those emails contained communications

1037

00:45:11,380 --> 00:45:08,060

with Tom DeLonge about UFOs but yeah

1038

00:45:14,410 --> 00:45:11,390

Hillary certainly generated countless

1039

00:45:16,360 --> 00:45:14,420

ufo-related headlines around that time

1040

00:45:18,400 --> 00:45:16,370

that was pretty fun also another

1041

00:45:21,220 --> 00:45:18,410

headline she generated unless somehow I

1042

00:45:23,020 --> 00:45:21,230

missed that you said that is you know

1043

00:45:25,060 --> 00:45:23,030

the photo came out of her walking around

1044

00:45:26,680 --> 00:45:25,070

with Lawrence Rockefeller and she was

1045

00:45:28,570 --> 00:45:26,690

holding a book that everyone freaked out

1046

00:45:30,580 --> 00:45:28,580

over oh yeah and there they're like what

1047

00:45:33,540 --> 00:45:30,590

is it and it finally came to light that

1048

00:45:37,540 --> 00:45:33,550

the book was Paul Davies are we alone

1049

00:45:39,640 --> 00:45:37,550

and people went through the roof with

1050

00:45:41,640 --> 00:45:39,650

that because that meant she was actively

1051

00:45:43,390 --> 00:45:41,650

talking

1052

00:45:45,670 --> 00:45:43,400

extraterrestrial life with Lawrence

1053

00:45:47,710 --> 00:45:45,680

Rockefeller and walking around his

1054

00:45:49,690 --> 00:45:47,720

estate yeah that happened prior to this

1055

00:45:53,560 --> 00:45:49,700

decade yeah the big solving of what the

1056

00:45:55,330 --> 00:45:53,570

book was right came out yeah yeah and

1057

00:45:57,750 --> 00:45:55,340

she kind of [h__\h] paved the way for

1058

00:46:01,270 --> 00:45:57,760

other politicians like Bernie Sanders

1059

00:46:02,950 --> 00:46:01,280

Andrew yang they both has said like on

1060

00:46:06,190 --> 00:46:02,960

the campaign run like oh yeah totally

1061

00:46:08,280 --> 00:46:06,200

I'll disclose any info on that we all

1062

00:46:12,160 --> 00:46:08,290

know like they'll they all say that

1063

00:46:14,470 --> 00:46:12,170

happens but it was cool to see other you

1064

00:46:16,359 --> 00:46:14,480

know other representatives saying stuff

1065

00:46:18,730 --> 00:46:16,369

about like yeah totally I'll look into

1066

00:46:20,230 --> 00:46:18,740

the topic and gods Jimmy Kimmel you know

1067

00:46:22,570 --> 00:46:20,240

that's his thing every politician who

1068

00:46:24,880 --> 00:46:22,580

comes on every president you know he

1069

00:46:28,060 --> 00:46:24,890

loves asking about UFOs he's done that

1070

00:46:30,280 --> 00:46:28,070

with GW he did that with Obama that with

1071

00:46:33,099 --> 00:46:30,290

Bill Clinton so that well he's openly

1072

00:46:35,290 --> 00:46:33,109

stated he will always ask that question

1073

00:46:39,420 --> 00:46:35,300

yes I will always to every presidential

1074

00:46:43,720 --> 00:46:41,530

if I were elected president the first

1075

00:46:47,740 --> 00:46:43,730

thing I do is run in and say tell me

1076

00:46:50,320 --> 00:46:47,750

about the UFOs I love Jimmy come love it

1077

00:46:53,560 --> 00:46:50,330

yeah yeah love it yep put him as your

1078

00:46:57,339 --> 00:46:53,570

write-in vote guys all right next on the

1079

00:46:58,750 --> 00:46:57,349

list Maureen what is next so some of the

1080

00:47:01,510 --> 00:46:58,760

most exciting things that have happened

1081

00:47:05,160 --> 00:47:01,520

over the last decade are a continuance

1082

00:47:08,380 --> 00:47:05,170

of commercial flights seeing UFOs

1083

00:47:10,839 --> 00:47:08,390

especially near the end of 2017 and the

1084

00:47:13,060 --> 00:47:10,849

beginning of 2018 there was some really

1085

00:47:15,760 --> 00:47:13,070

exciting and incidents of commercial

1086

00:47:17,920 --> 00:47:15,770

pilots and unidentified flying objects

1087

00:47:19,359 --> 00:47:17,930

and these were reports that generated

1088

00:47:21,520 --> 00:47:19,369

headlines that went all over the world

1089

00:47:24,760 --> 00:47:21,530

an unidentified craft was seen on

1090

00:47:27,550 --> 00:47:24,770

October 25th 2017 in the sky near the

1091

00:47:29,620 --> 00:47:27,560

border of California in Oregon the UFO

1092

00:47:31,630 --> 00:47:29,630

was seen visually by several commercial

1093

00:47:33,250 --> 00:47:31,640

pilots in the sky and they worked with

1094

00:47:35,770 --> 00:47:33,260

ground controllers in an attempt to

1095

00:47:37,930 --> 00:47:35,780

identify it this unidentified white

1096

00:47:40,210 --> 00:47:37,940

craft was seen by several pilots flying

1097

00:47:41,950 --> 00:47:40,220

over Oregon and fighter jets were

1098

00:47:43,630 --> 00:47:41,960

scrambled to intercept and identified

1099

00:47:46,690 --> 00:47:43,640

the unknown craft but they were

1100

00:47:48,970 --> 00:47:46,700

unsuccessful in locating it the FAA and

1101
00:47:51,790 --> 00:47:48,980
NORAD confirmed the incident occurred so

1102
00:47:53,859 --> 00:47:51,800
we have official backing that this is is

1103
00:47:54,730 --> 00:47:53,869
something that happened the craft was

1104
00:47:56,820 --> 00:47:54,740
large enough to be

1105
00:47:59,200 --> 00:47:56,830
see at a distance by commercial traffic

1106
00:48:01,000 --> 00:47:59,210
reportedly traveled at incredible speeds

1107
00:48:03,880 --> 00:48:01,010
and it had limited radar reflectivity

1108
00:48:06,520 --> 00:48:03,890
and was capable of executing hijack

1109
00:48:09,910 --> 00:48:06,530
maneuvers so nobody knows what this is

1110
00:48:12,640 --> 00:48:09,920
and this was really crazy they you know

1111
00:48:14,440 --> 00:48:12,650
thought maybe it was a drug plane but it

1112
00:48:16,780 --> 00:48:14,450
wasn't so it traveled off and they can't

1113
00:48:18,670 --> 00:48:16,790

find it the fact that fighter jets are

1114

00:48:20,770 --> 00:48:18,680

scrambled is really cool and a similar

1115

00:48:24,550 --> 00:48:20,780

incident occurred on the afternoon of

1116

00:48:26,230 --> 00:48:24,560

February 24th in 2018 and when two

1117

00:48:28,810 --> 00:48:26,240

commercial airliners independently

1118

00:48:30,910 --> 00:48:28,820

spotted a UFO this took place in south

1119

00:48:32,680 --> 00:48:30,920

eastern Arizona knew the near Mexico

1120

00:48:34,810 --> 00:48:32,690

border and the crews aboard these planes

1121

00:48:36,820 --> 00:48:34,820

communicated with Albuquerque Center air

1122

00:48:39,130 --> 00:48:36,830

traffic control reporting their visual

1123

00:48:41,080 --> 00:48:39,140

sighting as it took place in the entire

1124

00:48:44,350 --> 00:48:41,090

incident for this one lasted only about

1125

00:48:46,660 --> 00:48:44,360

six minutes so one of the most important

1126
00:48:48,670 --> 00:48:46,670
things about these commercial sightings

1127
00:48:52,420 --> 00:48:48,680
and why we get really excited about them

1128
00:48:55,930 --> 00:48:52,430
is because a pilots are trained to look

1129
00:48:58,660 --> 00:48:55,940
for aircraft in the sky ground controls

1130
00:48:59,920 --> 00:48:58,670
trained to follow craft and obviously

1131
00:49:03,190 --> 00:48:59,930
you're supposed to have your flight path

1132
00:49:05,140 --> 00:49:03,200
in so when unknown objects are spotted

1133
00:49:06,970 --> 00:49:05,150
by these you also have mass witnesses

1134
00:49:10,060 --> 00:49:06,980
and you have a lot of science at your

1135
00:49:12,640 --> 00:49:10,070
disposal already in order to try and

1136
00:49:16,060 --> 00:49:12,650
identify something well it's still in

1137
00:49:17,890 --> 00:49:16,070
the air and I know with the the Oregon

1138
00:49:19,300 --> 00:49:17,900

California they were really worried you

1139

00:49:21,700 --> 00:49:19,310

know that like I said it was drug

1140

00:49:23,920 --> 00:49:21,710

trafficker headed up to the Canadian

1141

00:49:25,840 --> 00:49:23,930

border but this this white object just

1142

00:49:28,599 --> 00:49:25,850

basically disappeared after all these

1143

00:49:30,340 --> 00:49:28,609

people had seen it in the fighter jets

1144

00:49:33,460 --> 00:49:30,350

I mean fighter jets move at incredible

1145

00:49:34,990 --> 00:49:33,470

speeds but not fast yeah fighter jets

1146

00:49:38,290 --> 00:49:35,000

couldn't find it they went up and

1147

00:49:41,080 --> 00:49:38,300

they're all um hello yeah that is crazy

1148

00:49:43,660 --> 00:49:41,090

and one of the coolest thing about both

1149

00:49:46,780 --> 00:49:43,670

of these cases is thanks to the

1150

00:49:49,150 --> 00:49:46,790

incredible work of Tyler rogue away we

1151
00:49:51,580 --> 00:49:49,160
have all of the FAA recording from the

1152
00:49:57,280 --> 00:49:51,590
communication with all of these pilots

1153
00:49:59,109 --> 00:49:57,290
with FAA with NORAD with the sort of

1154
00:50:00,580 --> 00:49:59,119
follow up after the event of them trying

1155
00:50:02,620 --> 00:50:00,590
to piece together the puzzle to figure

1156
00:50:05,010 --> 00:50:02,630
out what the hell happened it's so

1157
00:50:07,109 --> 00:50:05,020
fascinating to listen to you just

1158
00:50:10,380 --> 00:50:07,119
the process of them trying to deal with

1159
00:50:12,690 --> 00:50:10,390
a UFO and the sky and these both

1160
00:50:14,400 --> 00:50:12,700
generated so many headlines and this is

1161
00:50:16,950 --> 00:50:14,410
another example of something reaching

1162
00:50:19,109 --> 00:50:16,960
just the general public you know pop

1163
00:50:22,650 --> 00:50:19,119

culture I can't tell you how many times

1164

00:50:24,720 --> 00:50:22,660

I was asked about this these cases by

1165

00:50:26,430 --> 00:50:24,730

people who aren't into UFOs they would

1166

00:50:28,290 --> 00:50:26,440

come to me and say hey so what's the

1167

00:50:30,000 --> 00:50:28,300

deal with these that the planes that

1168

00:50:31,500 --> 00:50:30,010

were were over Oregon what what what's

1169

00:50:34,230 --> 00:50:31,510

the deal with that it was really cool

1170

00:50:36,480 --> 00:50:34,240

yeah yeah I know the the other one that

1171

00:50:39,510 --> 00:50:36,490

made a lot of headlines too was the one

1172

00:50:42,810 --> 00:50:39,520

in Ireland but the commercial pilots

1173

00:50:44,430 --> 00:50:42,820

that one too had some audio and you can

1174

00:50:46,980 --> 00:50:44,440

tell like all these flights our

1175

00:50:50,040 --> 00:50:46,990

operators and even the pilots like they

1176
00:50:52,920 --> 00:50:50,050
are really dumbfounded by what they're

1177
00:50:54,720 --> 00:50:52,930
seeing and they use the term UFO many

1178
00:50:57,150 --> 00:50:54,730
many times which used to be a huge

1179
00:50:59,280 --> 00:50:57,160
stigma you never said that word when

1180
00:51:01,550 --> 00:50:59,290
you're up there but it seems that that

1181
00:51:04,620 --> 00:51:01,560
might be changing a little bit as these

1182
00:51:06,090 --> 00:51:04,630
cases and these phenomena are plaguing

1183
00:51:09,630 --> 00:51:06,100
more and more of our commercial right

1184
00:51:12,240 --> 00:51:09,640
pilots yeah you would think too with the

1185
00:51:14,220 --> 00:51:12,250
way the TTS a and its popularity and

1186
00:51:16,890 --> 00:51:14,230
unidentified those sorts of things that

1187
00:51:19,410 --> 00:51:16,900
now and of course with Fox News and

1188
00:51:21,690 --> 00:51:19,420

Tucker Carson and those that you know

1189

00:51:24,030 --> 00:51:21,700

the media is warming up a little bit to

1190

00:51:26,070 --> 00:51:24,040

this and feels a little bit safer to to

1191

00:51:28,530 --> 00:51:26,080

report and probably not to mention the

1192

00:51:31,970 --> 00:51:28,540

competition from the likes of you know

1193

00:51:35,280 --> 00:51:31,980

Tyler rogue away and and those sorts of

1194

00:51:37,620 --> 00:51:35,290

publications as well right and you look

1195

00:51:39,780 --> 00:51:37,630

at like cases back to Japan Airlines

1196

00:51:41,790 --> 00:51:39,790

case you know totally she's like put on

1197

00:51:43,530 --> 00:51:41,800

desk duty after reporting the UFO I

1198

00:51:46,260 --> 00:51:43,540

don't see that happening right I'm sure

1199

00:51:48,150 --> 00:51:46,270

their careers are just fine after

1200

00:51:50,370 --> 00:51:48,160

reporting these things because times

1201
00:51:52,920 --> 00:51:50,380
have changed and these things are more

1202
00:51:54,930 --> 00:51:52,930
and more common and I you know that kind

1203
00:51:56,640 --> 00:51:54,940
of leads into our next well and yeah

1204
00:51:58,859 --> 00:51:56,650
good point Ryan and and another thing I

1205
00:52:02,820 --> 00:51:58,869
think you know we're we live in an era

1206
00:52:04,650 --> 00:52:02,830
of cya right so I think a lot of these

1207
00:52:05,910 --> 00:52:04,660
flight controllers these pilots they

1208
00:52:08,910 --> 00:52:05,920
don't want to be responsible something

1209
00:52:12,030 --> 00:52:08,920
happens so to cover their asses they're

1210
00:52:13,890 --> 00:52:12,040
gonna report it alright so we're getting

1211
00:52:16,349 --> 00:52:13,900
into things that took place much more

1212
00:52:18,210 --> 00:52:16,359
recently so the next item on our list

1213
00:52:19,950 --> 00:52:18,220

will likely be fresh in your mind

1214

00:52:23,160 --> 00:52:19,960

and of course we're talking about a tip

1215

00:52:26,160 --> 00:52:23,170

and TTS a so on Wednesday October 11th

1216

00:52:28,470 --> 00:52:26,170

2017 trans media company to the Stars

1217

00:52:30,660 --> 00:52:28,480

hosted a livestream event during which

1218

00:52:33,390 --> 00:52:30,670

founder Tom DeLonge announced a new

1219

00:52:35,160 --> 00:52:33,400

endeavor for the company which was to

1220

00:52:38,160 --> 00:52:35,170

the Stars Academy of Arts and Science

1221

00:52:40,130 --> 00:52:38,170

GT sa has been the source of countless

1222

00:52:42,330 --> 00:52:40,140

global headlines since its launch

1223

00:52:46,110 --> 00:52:42,340

including the well-known New York Times

1224

00:52:48,480 --> 00:52:46,120

story published on December 15 2017 that

1225

00:52:50,820 --> 00:52:48,490

revealed the Pentagon's contemporary UFO

1226

00:52:53,580 --> 00:52:50,830

study known as the advanced aerospace

1227

00:52:56,000 --> 00:52:53,590

threat identification program don't

1228

00:52:58,380 --> 00:52:56,010

forget those three Navy UFO videos

1229

00:53:00,570 --> 00:52:58,390

modification to the Navy's UFO reporting

1230

00:53:03,000 --> 00:53:00,580

policy government partnerships related

1231

00:53:05,610 --> 00:53:03,010

to testing exotic material and the UFO

1232

00:53:07,500 --> 00:53:05,620

TV show on the History Channel all these

1233

00:53:10,260 --> 00:53:07,510

things generated multiple stories by

1234

00:53:12,960 --> 00:53:10,270

media outlets around the world and all

1235

00:53:16,020 --> 00:53:12,970

are a result of the work up to the stars

1236

00:53:19,440 --> 00:53:16,030

Academy pretty remarkable how much that

1237

00:53:21,750 --> 00:53:19,450

is just monopolized really the bulk of

1238

00:53:22,290 --> 00:53:21,760

the UFO community and in the things we

1239

00:53:25,260 --> 00:53:22,300

talk about

1240

00:53:29,430 --> 00:53:25,270

but ufo-related headlines that have been

1241

00:53:31,470 --> 00:53:29,440

generated yeah it's I mean it is the

1242

00:53:34,980 --> 00:53:31,480

face of ufology there's no way to get

1243

00:53:37,950 --> 00:53:34,990

around it we can thank Tom DeLonge for

1244

00:53:39,780 --> 00:53:37,960

giving the topic like I think the it's

1245

00:53:41,220 --> 00:53:39,790

just dues but at the same time it's like

1246

00:53:43,500 --> 00:53:41,230

when you have this one narrative out

1247

00:53:47,460 --> 00:53:43,510

there now it's tough it's hard it's

1248

00:53:47,820 --> 00:53:47,470

tough to be like you know the the signal

1249

00:53:50,670 --> 00:53:47,830

again

1250

00:53:53,670 --> 00:53:50,680

but stall the noise yeah absolutely and

1251

00:53:55,110 --> 00:53:53,680

and that's true to to to an extent if

1252

00:53:57,660 --> 00:53:55,120

you think about it it's like we're kind

1253

00:53:59,370 --> 00:53:57,670

of being blinded to a lot of other

1254

00:54:02,280 --> 00:53:59,380

potential stories that are probably

1255

00:54:04,050 --> 00:54:02,290

happening right now and we're in the

1256

00:54:07,170 --> 00:54:04,060

dark because the news is focusing all on

1257

00:54:09,510 --> 00:54:07,180

on this one segment so got to keep our

1258

00:54:11,820 --> 00:54:09,520

ears open to the the underground stuff

1259

00:54:13,260 --> 00:54:11,830

happening yeah almost four years now

1260

00:54:17,280 --> 00:54:13,270

we're talking about the [h__\h] tic-tac

1261

00:54:19,650 --> 00:54:17,290

come on it'll happen it'll happen but

1262

00:54:21,690 --> 00:54:19,660

you know I think it's gonna take and you

1263

00:54:23,580 --> 00:54:21,700

know we we in the community the UFO

1264

00:54:26,250 --> 00:54:23,590

community like to do a lot of bitching

1265

00:54:28,380 --> 00:54:26,260

and moaning about mainstream media and

1266

00:54:29,609 --> 00:54:28,390

you know them not giving the attention

1267

00:54:33,059 --> 00:54:29,619

to UFOs that a desert

1268

00:54:35,460 --> 00:54:33,069

Erbs but at the same time you know time

1269

00:54:38,370 --> 00:54:35,470

shift and we get you know some people

1270

00:54:41,880 --> 00:54:38,380

from the UFO community writing for

1271

00:54:43,710 --> 00:54:41,890

mainstream publications and they really

1272

00:54:46,499 --> 00:54:43,720

control the power I mean we've all

1273

00:54:49,710 --> 00:54:46,509

written for mainstream publications and

1274

00:54:50,880 --> 00:54:49,720

know how the the media works and you

1275

00:54:52,380 --> 00:54:50,890

know you really do have a lot of power

1276

00:54:56,309 --> 00:54:52,390

on the stories that you choose to write

1277

00:54:58,739 --> 00:54:56,319

and we're seeing right now from many of

1278

00:55:00,120 --> 00:54:58,749

the the UFO researchers people from the

1279

00:55:02,940 --> 00:55:00,130

UFO community who are writing for

1280

00:55:05,249 --> 00:55:02,950

mainstream outlets are really choosing

1281

00:55:08,130 --> 00:55:05,259

just to write stories about things

1282

00:55:10,440 --> 00:55:08,140

related to tts a when there are so many

1283

00:55:12,779 --> 00:55:10,450

other things happening and I have to

1284

00:55:15,299 --> 00:55:12,789

give credit and I have to point out the

1285

00:55:17,849 --> 00:55:15,309

big void that has been in UFO reporting

1286

00:55:21,630 --> 00:55:17,859

since Lee Spiegel left The Huffington

1287

00:55:24,029 --> 00:55:21,640

Post a lease video would certainly cover

1288

00:55:26,670 --> 00:55:24,039

the big stories but he would also find

1289

00:55:28,049 --> 00:55:26,680

other smaller unknown stories to talk

1290

00:55:30,059 --> 00:55:28,059

about he would also do a true

1291

00:55:32,009 --> 00:55:30,069

investigative journalism and use his

1292

00:55:33,599 --> 00:55:32,019

sources and go after stories and do

1293

00:55:35,609 --> 00:55:33,609

updates on those stories and really dig

1294

00:55:38,700 --> 00:55:35,619

in and pull out some really fascinating

1295

00:55:40,589 --> 00:55:38,710

things going on and I think the UFO

1296

00:55:45,779 --> 00:55:40,599

community is really missing that right

1297

00:55:48,660 --> 00:55:45,789

now a true just general journalist who

1298

00:55:49,410 --> 00:55:48,670

digs in and approaches this topic like a

1299

00:55:51,720 --> 00:55:49,420

journalist

1300

00:55:54,660 --> 00:55:51,730

it doesn't just focus on what they see

1301
00:55:56,789 --> 00:55:54,670
posted on Facebook and UFO groups you

1302
00:55:58,799 --> 00:55:56,799
know there's a lot more to UFOs than

1303
00:56:02,370 --> 00:55:58,809
what's trending right now among UFO

1304
00:56:03,930 --> 00:56:02,380
people we miss Julie but he'll be coming

1305
00:56:07,650 --> 00:56:03,940
back with a storm I mean he's got his

1306
00:56:09,359 --> 00:56:07,660
podcast right now that's cool and got

1307
00:56:12,930 --> 00:56:09,369
the great film with James Fox that we're

1308
00:56:14,910 --> 00:56:12,940
going to get in 2020 so super excited

1309
00:56:16,739 --> 00:56:14,920
I've been living under a rock I did not

1310
00:56:21,269 --> 00:56:16,749
know Lee how to podcast can you please

1311
00:56:23,489 --> 00:56:21,279
drop yeah certainly post a link to Lee's

1312
00:56:26,819 --> 00:56:23,499
podcast for sure yeah what one cool

1313
00:56:29,849 --> 00:56:26,829

thing though about the whole nimitz case

1314

00:56:32,309 --> 00:56:29,859

and the TTS a and I don't know if it's

1315

00:56:35,430 --> 00:56:32,319

you know it's probably a combination of

1316

00:56:38,789 --> 00:56:35,440

like the case itself and the but also

1317

00:56:40,739 --> 00:56:38,799

the timing that you know I I do worry

1318

00:56:43,230 --> 00:56:40,749

like you say Ryan to is you know too

1319

00:56:45,750 --> 00:56:43,240

much focus on the singular thing

1320

00:56:47,609 --> 00:56:45,760

and and if it gets resolved I mean I've

1321

00:56:49,620 --> 00:56:47,619

even thought of this what if what if it

1322

00:56:51,599 --> 00:56:49,630

gets resolved in a way like it it's

1323

00:56:56,250 --> 00:56:51,609

identified like let's just say there's

1324

00:56:59,640 --> 00:56:56,260

some program will that just all the

1325

00:57:01,920 --> 00:56:59,650

sudden you know D legitimize everything

1326
00:57:03,420 --> 00:57:01,930
though everything else other than that

1327
00:57:05,010 --> 00:57:03,430
you know do we go back to the whole

1328
00:57:07,230 --> 00:57:05,020
thing we've been experiencing for

1329
00:57:09,870 --> 00:57:07,240
seventy years or not I mean that is a

1330
00:57:13,170 --> 00:57:09,880
little bit of worry but you know I also

1331
00:57:15,690 --> 00:57:13,180
appreciate the fact that you know we

1332
00:57:17,940 --> 00:57:15,700
needed something different to happen you

1333
00:57:19,920 --> 00:57:17,950
know we've been plugging away for you

1334
00:57:21,960 --> 00:57:19,930
know these 70 years and not really

1335
00:57:24,329 --> 00:57:21,970
getting anywhere and and things really

1336
00:57:26,579 --> 00:57:24,339
are different because of this case and

1337
00:57:30,720 --> 00:57:26,589
this issue and maybe the way it came out

1338
00:57:32,910 --> 00:57:30,730

and maybe it is the bit about TST TSA

1339

00:57:35,400 --> 00:57:32,920

and they tip and all those things but I

1340

00:57:38,730 --> 00:57:35,410

mean the fact is it it is it has

1341

00:57:40,349 --> 00:57:38,740

changed things and I think that's pretty

1342

00:57:42,089 --> 00:57:40,359

cool and exciting but I think you're

1343

00:57:45,060 --> 00:57:42,099

right we'll also have to be careful and

1344

00:57:47,540 --> 00:57:45,070

watchful that just doesn't change things

1345

00:57:50,400 --> 00:57:47,550

in in in a negative way where we do

1346

00:57:51,810 --> 00:57:50,410

disregard everything else that's

1347

00:57:56,460 --> 00:57:51,820

happening because there's still a ton of

1348

00:57:58,680 --> 00:57:56,470

stuff happens every single day so we

1349

00:58:00,660 --> 00:57:58,690

need you know in the community we have

1350

00:58:03,960 --> 00:58:00,670

to step up right we can sit here and

1351

00:58:06,089 --> 00:58:03,970

[h__h] and moan about it you know we all

1352

00:58:07,859 --> 00:58:06,099

still talk about TTS a because it is

1353

00:58:10,050 --> 00:58:07,869

important things that are happening it

1354

00:58:11,070 --> 00:58:10,060

is it is newsworthy and relevant and

1355

00:58:14,640 --> 00:58:11,080

people should know about it

1356

00:58:17,430 --> 00:58:14,650

but we also have to do our work and in

1357

00:58:20,640 --> 00:58:17,440

highlight other things and you know not

1358

00:58:22,890 --> 00:58:20,650

not get caught up in this singular

1359

00:58:24,780 --> 00:58:22,900

mindset and and continue painting that

1360

00:58:27,570 --> 00:58:24,790

picture that only one thing is happening

1361

00:58:30,540 --> 00:58:27,580

I said it before and I applaud every

1362

00:58:33,240 --> 00:58:30,550

effort that anybody's doing you know I

1363

00:58:35,520 --> 00:58:33,250

think TTS a is doing fantastic stuff I

1364

00:58:36,930 --> 00:58:35,530

wish them all the luck with everything

1365

00:58:37,560 --> 00:58:36,940

they do that's great I'm glad they're

1366

00:58:40,050 --> 00:58:37,570

doing it

1367

00:58:42,030 --> 00:58:40,060

I think SETI is great people like to

1368

00:58:42,930 --> 00:58:42,040

hate on SETI they're all what a waste of

1369

00:58:44,700 --> 00:58:42,940

time what a waste of money

1370

00:58:46,500 --> 00:58:44,710

hey I'm glad somebody's doing that

1371

00:58:48,960 --> 00:58:46,510

somebody should be doing all the things

1372

00:58:51,359 --> 00:58:48,970

all the time and I'm glad when somebody

1373

00:58:53,940 --> 00:58:51,369

steps up and wants to take this piece

1374

00:58:56,520 --> 00:58:53,950

and work on that or take this piece and

1375

00:58:58,920 --> 00:58:56,530

focus on that we need all

1376
00:59:00,750 --> 00:58:58,930
things going at the same time and when

1377
00:59:03,060 --> 00:59:00,760
you have somebody who steps up and wants

1378
00:59:04,740 --> 00:59:03,070
to do part of that I celebrate that and

1379
00:59:06,030 --> 00:59:04,750
I think that's wonderful we all have to

1380
00:59:09,480 --> 00:59:06,040
do our part

1381
00:59:12,720 --> 00:59:09,490
it doesn't hurt us individually or as a

1382
00:59:14,490 --> 00:59:12,730
whole with the UFO community if there's

1383
00:59:16,350 --> 00:59:14,500
one group doing something that's getting

1384
00:59:17,790 --> 00:59:16,360
more visibility than what we're doing

1385
00:59:20,070 --> 00:59:17,800
that's just pride that gets in the way

1386
00:59:22,320 --> 00:59:20,080
and that hurts research yeah yellow

1387
00:59:25,490 --> 00:59:22,330
sheet competition that's why there's a

1388
00:59:27,960 --> 00:59:25,500

Dunkin Donuts across from Starbucks like

1389

00:59:29,550 --> 00:59:27,970

swift kick in the ass every now and

1390

00:59:31,710 --> 00:59:29,560

again and Jason I do it to add like

1391

00:59:34,200 --> 00:59:31,720

above my desk right now I'm not kidding

1392

00:59:39,060 --> 00:59:34,210

you I literally have we need all the

1393

00:59:41,190 --> 00:59:39,070

things although that's amazing yeah I

1394

00:59:44,220 --> 00:59:41,200

think that's the bunch of this decade

1395

00:59:49,260 --> 00:59:44,230

yeah yes all right well let's move into

1396

00:59:52,050 --> 00:59:49,270

the last thing on our list finally oh we

1397

00:59:54,560 --> 00:59:52,060

can't talk about the top ten UFO related

1398

01:00:00,480 --> 00:59:54,570

stories of the decade without mentioning

1399

01:00:02,640 --> 01:00:00,490

storm area 51 storm area 51 started as a

1400

01:00:06,270 --> 01:00:02,650

joke by college student Mattie Roberts

1401

01:00:09,210 --> 01:00:06,280

he created a Facebook event on June 27th

1402

01:00:12,270 --> 01:00:09,220

2019 titled storm area 51

1403

01:00:14,280 --> 01:00:12,280

they can't stop all of us Roberts later

1404

01:00:16,680 --> 01:00:14,290

acknowledged that he created the event

1405

01:00:18,960 --> 01:00:16,690

as a joke after watching area 51

1406

01:00:20,460 --> 01:00:18,970

whistleblower bob lazar and filmmaker

1407

01:00:24,030 --> 01:00:20,470

jeremy Korb on the Joe Rogan

1408

01:00:26,490 --> 01:00:24,040

experience but still millions of people

1409

01:00:29,370 --> 01:00:26,500

said they were going to this event the

1410

01:00:31,140 --> 01:00:29,380

media went crazy with this story the

1411

01:00:33,480 --> 01:00:31,150

military and local authorities got

1412

01:00:35,520 --> 01:00:33,490

freaked out and local residents were

1413

01:00:37,080 --> 01:00:35,530

pretty darn unhappy with the thought of

1414

01:00:39,540 --> 01:00:37,090

millions of people descending on their

1415

01:00:41,880 --> 01:00:39,550

properties in rural Nevada the event

1416

01:00:44,100 --> 01:00:41,890

quickly morphed into a festival which

1417

01:00:47,190 --> 01:00:44,110

then morphed into multiple festivals

1418

01:00:48,750 --> 01:00:47,200

then just a week before the event

1419

01:00:51,180 --> 01:00:48,760

Maddy Roberts pulled out of the event

1420

01:00:54,030 --> 01:00:51,190

that he'd been planning with the little

1421

01:00:56,160 --> 01:00:54,040

alien in Rachel Nevada and did a

1422

01:00:57,990 --> 01:00:56,170

different event so yeah he slopped

1423

01:01:01,110 --> 01:00:58,000

together something in downtown Las Vegas

1424

01:01:03,120 --> 01:01:01,120

instead and although the few thousand

1425

01:01:06,750 --> 01:01:03,130

people who turned out for this event had

1426
01:01:08,970 --> 01:01:06,760
fun at really what was a silly weekend

1427
01:01:09,930 --> 01:01:08,980
the whole debacle was publicly

1428
01:01:12,240 --> 01:01:09,940
considered a flop

1429
01:01:14,339 --> 01:01:12,250
and many of the resulting headlines

1430
01:01:16,920 --> 01:01:14,349
didn't sugarcoat it either

1431
01:01:19,170 --> 01:01:16,930
they were headlines like storm area51

1432
01:01:22,680 --> 01:01:19,180
brings fewer alien enthusiasts than

1433
01:01:25,339 --> 01:01:22,690
authorities expected area 51 storming to

1434
01:01:28,440 --> 01:01:25,349
see aliens fails to materialize and

1435
01:01:30,809 --> 01:01:28,450
storm area 51 base camp ends early due

1436
01:01:32,550 --> 01:01:30,819
to low attendance just a few of the

1437
01:01:35,520 --> 01:01:32,560
headlines that painted the unfortunate

1438
01:01:37,950 --> 01:01:35,530

picture the pop-culture effect of this

1439

01:01:41,069 --> 01:01:37,960

thing is still being seen we recently

1440

01:01:43,559 --> 01:01:41,079

learned that now I'm citing my sources

1441

01:01:45,980 --> 01:01:43,569

here guys because I'm responsible but we

1442

01:01:50,040 --> 01:01:45,990

recently learned that porn hubs

1443

01:01:53,190 --> 01:01:50,050

20:19 year-in-review revealed that alien

1444

01:01:56,430 --> 01:01:53,200

was the second most popular search term

1445

01:01:59,760 --> 01:01:56,440

on the porn website for the year alright

1446

01:02:03,420 --> 01:01:59,770

good also revealed that searches for the

1447

01:02:06,059 --> 01:02:03,430

term area 51 surged from zero to a

1448

01:02:08,210 --> 01:02:06,069

hundred and sixty thousand just a few

1449

01:02:11,609 --> 01:02:08,220

days after the Facebook event went viral

1450

01:02:14,880 --> 01:02:11,619

and if you're not aroused by stats from

1451

01:02:17,460 --> 01:02:14,890

a porn site maybe Google will do it for

1452

01:02:21,900 --> 01:02:17,470

you according to Google's year in search

1453

01:02:24,329 --> 01:02:21,910

2019 data area 51 raid was the year's

1454

01:02:29,309 --> 01:02:24,339

fourth biggest trending news story and

1455

01:02:32,130 --> 01:02:29,319

that's not all what is area 51 was the

1456

01:02:36,720 --> 01:02:32,140

top what is question of the year on

1457

01:02:39,960 --> 01:02:36,730

Google and where is our area 51 was the

1458

01:02:44,550 --> 01:02:39,970

third most popular where is question of

1459

01:02:46,620 --> 01:02:44,560

the year on Google that's insane just

1460

01:02:49,290 --> 01:02:46,630

showing the impact that this silly

1461

01:02:53,130 --> 01:02:49,300

little event had on the general public

1462

01:02:54,750 --> 01:02:53,140

and on pop culture yeah it really is

1463

01:02:58,319 --> 01:02:54,760

Maureen I was gonna say the same thing I

1464

01:03:01,559 --> 01:02:58,329

mean cool fun like I loved sharing the

1465

01:03:05,550 --> 01:03:01,569

memes and everything but like imagine if

1466

01:03:07,829 --> 01:03:05,560

something spread this this much that

1467

01:03:10,500 --> 01:03:07,839

like benefited anyone anyone in the

1468

01:03:12,809 --> 01:03:10,510

world huh it's like sick and ailing

1469

01:03:14,970 --> 01:03:12,819

people or poor people or the the

1470

01:03:17,010 --> 01:03:14,980

environment like just imagine what kind

1471

01:03:20,440 --> 01:03:17,020

of impact that could have instead it was

1472

01:03:22,420 --> 01:03:20,450

a stupid meme about area 51

1473

01:03:25,240 --> 01:03:22,430

it hurts me but I guess this is a very

1474

01:03:27,910 --> 01:03:25,250

good segue to drop the point that we met

1475

01:03:33,519 --> 01:03:27,920

we didn't say top 10 most credible UFO

1476

01:03:34,779 --> 01:03:33,529

sightings over the last decade right I

1477

01:03:37,269 --> 01:03:34,789

think that's important to note because

1478

01:03:39,279 --> 01:03:37,279

we're gonna get people saying what how

1479

01:03:40,660 --> 01:03:39,289

are you listing the stuff and listing

1480

01:03:42,160 --> 01:03:40,670

plus I had to throw that one in there

1481

01:03:44,440 --> 01:03:42,170

because it gave me an excuse to site

1482

01:03:45,900 --> 01:03:44,450

pornhub that's true well I'm sure we'll

1483

01:03:48,250 --> 01:03:45,910

do it again sometime

1484

01:03:51,400 --> 01:03:48,260

this is a first for this show exciting

1485

01:03:53,890 --> 01:03:51,410

exciting porn porn stats so again it's

1486

01:03:55,660 --> 01:03:53,900

pretty challenging to put together the

1487

01:03:57,849 --> 01:03:55,670

list for a show like this because there

1488

01:04:00,579 --> 01:03:57,859

are so many UFO related stories making

1489

01:04:03,819 --> 01:04:00,589

headlines every year trimming it down to

1490

01:04:05,710 --> 01:04:03,829

the best stories is tough so a few of

1491

01:04:09,190 --> 01:04:05,720

the other stories we considered adding

1492

01:04:10,690 --> 01:04:09,200

were the Baltic Sea UFO if you remember

1493

01:04:12,970 --> 01:04:10,700

that one that generated a lot of

1494

01:04:14,829 --> 01:04:12,980

headlines primarily because this random

1495

01:04:16,750 --> 01:04:14,839

thing that these treasure hunters found

1496

01:04:20,019 --> 01:04:16,760

at the bottom of the ocean looked like

1497

01:04:22,029 --> 01:04:20,029

the Millennium Falcon so that generated

1498

01:04:24,160 --> 01:04:22,039

its own headlines right there because of

1499

01:04:26,170 --> 01:04:24,170

the star wars tie and they were all

1500

01:04:29,309 --> 01:04:26,180

there was also a great case with UFO

1501
01:04:32,319 --> 01:04:29,319
hundreds of UFOs along India's border in

1502
01:04:35,380 --> 01:04:32,329
2012 and that was an ongoing case that

1503
01:04:37,390 --> 01:04:35,390
you know there were multiple updates as

1504
01:04:40,180 --> 01:04:37,400
the case was being investigated by the

1505
01:04:41,950 --> 01:04:40,190
government and that went unsolved it was

1506
01:04:44,410 --> 01:04:41,960
a fascinating case to follow and one of

1507
01:04:46,930 --> 01:04:44,420
my favorites certainly the decade then

1508
01:04:48,940 --> 01:04:46,940
there were the mo D UFO FILES the mo D

1509
01:04:50,380 --> 01:04:48,950
claims they released all of their UFO

1510
01:04:52,529 --> 01:04:50,390
files and that was something to follow

1511
01:04:55,809 --> 01:04:52,539
throughout multiple years as they

1512
01:04:59,230 --> 01:04:55,819
gradually released batches of incredible

1513
01:05:00,999 --> 01:04:59,240

UFO files from their their UFO desk when

1514

01:05:04,870 --> 01:05:01,009

they were collecting and investigating

1515

01:05:07,059 --> 01:05:04,880

UFOs so that was fascinating

1516

01:05:08,349 --> 01:05:07,069

then there was Annie Jacobson that was

1517

01:05:10,690 --> 01:05:08,359

one that generated a lot of headlines

1518

01:05:15,190 --> 01:05:10,700

too with her book that came out about

1519

01:05:18,009 --> 01:05:15,200

area 51 and the infamous chapter about

1520

01:05:20,200 --> 01:05:18,019

Roswell where she claimed that the

1521

01:05:22,569 --> 01:05:20,210

Roswell bodies that were recovered

1522

01:05:25,299 --> 01:05:22,579

allegedly recovered in Roswell were

1523

01:05:28,359 --> 01:05:25,309

those of mutilated children done by

1524

01:05:31,769 --> 01:05:28,369

Joseph Mengele so that generated quite a

1525

01:05:34,620 --> 01:05:31,779

stir created headlines and got a lot of

1526

01:05:37,769 --> 01:05:34,630

negative response from the UFO community

1527

01:05:41,170 --> 01:05:37,779

especially by one Stan Friedman who

1528

01:05:43,269 --> 01:05:41,180

penned a nice rebuttal to her basically

1529

01:05:45,099 --> 01:05:43,279

calling her crazy yeah I guess we should

1530

01:05:46,960 --> 01:05:45,109

mention to you like the passing of

1531

01:05:51,279 --> 01:05:46,970

Stanton Friedman being a big one this

1532

01:05:54,370 --> 01:05:51,289

decades yeah and and maybe maybe that's

1533

01:05:56,920 --> 01:05:54,380

something that in future years I might

1534

01:05:59,620 --> 01:05:56,930

do four four year reviews talking about

1535

01:06:03,339 --> 01:05:59,630

things that were we're big news for the

1536

01:06:05,140 --> 01:06:03,349

UFO community you know certain losses in

1537

01:06:07,059 --> 01:06:05,150

the community and we've certainly seen a

1538

01:06:09,849 --> 01:06:07,069

lot of those we're seeing them more more

1539

01:06:12,670 --> 01:06:09,859

and more as time passes because a lot of

1540

01:06:14,339 --> 01:06:12,680

you know the old researchers from the

1541

01:06:26,410 --> 01:06:14,349

beginning of the modern UFO era are

1542

01:06:27,609 --> 01:06:26,420

nearing their end so gonna happen will

1543

01:06:29,529 --> 01:06:27,619

citizens that's gonna do it for this

1544

01:06:31,509 --> 01:06:29,539

episode it's been another fun year of

1545

01:06:32,859 --> 01:06:31,519

this show and we can't wait to fill your

1546

01:06:36,370 --> 01:06:32,869

ears with more strange and fascinating

1547

01:06:38,200 --> 01:06:36,380

today and a sincere thanks from all of

1563
01:07:10,569 --> 01:07:08,509

us for listening to unknown this past

1564

01:07:12,730 --> 01:07:10,579

year on Jason McClellan I'm Maureen

1565

01:07:14,680 --> 01:07:12,740

Elsberry I'm Ryan spray and I'm Shane

1566

01:07:16,240 --> 01:07:14,690

heard do us a favour friends always

1567

01:07:18,160 --> 01:07:16,250

treat the UFO subject with the cautious

1568

01:07:20,170 --> 01:07:18,170

and responsible skepticism it deserves

1569

01:07:22,779 --> 01:07:20,180

question everything had the courage to

1570

01:07:23,740 --> 01:07:22,789

form your own opinions keep truth as the

1571

01:07:25,180 --> 01:07:23,750

focus of your quest

1572

01:07:28,150 --> 01:07:25,190

even if the truth conflicts with your

1573

01:07:30,980 --> 01:07:28,160

opinions and of course stay strange and
