

A new year of UFOs

EPISODE 01.20

1
00:00:16,090 --> 00:00:15,670

[Music]

2
00:00:34,880 --> 00:00:16,100

[Applause]

3
00:00:37,160 --> 00:00:34,890

[Music]

4
00:00:41,120 --> 00:00:37,170

I'm Jason McClellan thanks for hanging

5
00:00:45,080 --> 00:00:41,130

out with me it's a brand new year 2020

6
00:00:47,600 --> 00:00:45,090

it sounds so futuristic and cool if

7
00:00:49,580 --> 00:00:47,610

you're a regular or returning listener

8
00:00:51,470 --> 00:00:49,590

thank you for continuing to join us on

9
00:00:54,200 --> 00:00:51,480

our exploration of the strange and

10
00:00:56,479 --> 00:00:54,210

fascinating UFO topic if this is your

11
00:00:59,750 --> 00:00:56,489

first time listening to unknown welcome

12
00:01:02,840 --> 00:00:59,760

thanks for checking out the show we

13
00:01:05,780 --> 00:01:02,850

started this show back in 2015 it was

14

00:01:08,740 --> 00:01:05,790

called UFO mod pod back then and we

15

00:01:11,240 --> 00:01:08,750

changed the name to unknown in 2017 I'm

16

00:01:14,810 --> 00:01:11,250

usually joined by my colleagues Maureen

17

00:01:17,330 --> 00:01:14,820

Elsberry Ryan Sprague and Shane herd but

18

00:01:20,020 --> 00:01:17,340

sometimes like today I host the show

19

00:01:22,010 --> 00:01:20,030

solo as you can probably imagine

20

00:01:24,200 --> 00:01:22,020

coordinating schedules between four

21

00:01:26,080 --> 00:01:24,210

people spread across the country can be

22

00:01:29,930 --> 00:01:26,090

challenging but we make it work

23

00:01:33,139 --> 00:01:29,940

sometimes and what we typically do on

24

00:01:36,320 --> 00:01:33,149

this show is well talk about UFOs

25

00:01:39,230 --> 00:01:36,330

obviously but we talk about current UFO

26

00:01:41,830 --> 00:01:39,240

related news revisit historical UFO

27

00:01:44,510 --> 00:01:41,840

events chat with other researchers and

28

00:01:48,170 --> 00:01:44,520

try to present UFO stories in an

29

00:01:50,090 --> 00:01:48,180

unbiased journalistic way of course we

30

00:01:52,969 --> 00:01:50,100

pepper in our personal opinions as well

31

00:01:56,030 --> 00:01:52,979

but we do our best to make it clear when

32

00:01:58,760 --> 00:01:56,040

we are expressing personal views we love

33

00:02:01,280 --> 00:01:58,770

talking about UFOs we're clearly a bunch

34

00:02:04,700 --> 00:02:01,290

of UFO geeks and we're pretty proud of

35

00:02:08,270 --> 00:02:04,710

that today I just want to talk briefly

36

00:02:10,520 --> 00:02:08,280

about looking ahead to a new year

37

00:02:13,280 --> 00:02:10,530

it's always exciting when a new year

38

00:02:16,190 --> 00:02:13,290

rolls around I always have a renewed

39

00:02:20,150 --> 00:02:16,200

drive to create more UFO related content

40

00:02:23,620 --> 00:02:20,160

more podcasts more articles more videos

41

00:02:26,420 --> 00:02:23,630

more books I also feel the anticipation

42

00:02:27,670 --> 00:02:26,430

for all the UFO stories that lie ahead

43

00:02:30,830 --> 00:02:27,680

of us

44

00:02:34,130 --> 00:02:30,840

20-19 was certainly a pretty exciting

45

00:02:38,090 --> 00:02:34,140

year in the world of UFOs we didn't do a

46

00:02:40,160 --> 00:02:38,100

year in review episode for 2019 we opted

47

00:02:42,860 --> 00:02:40,170

instead for an episode highlighting the

48

00:02:45,589 --> 00:02:42,870

top 10 UFO related stories of the decade

49

00:02:47,070 --> 00:02:45,599

if you missed it I definitely recommend

50

00:02:49,860 --> 00:02:47,080

checking that one out

51
00:02:52,440 --> 00:02:49,870
but although we didn't do a year in

52
00:02:55,890 --> 00:02:52,450
review episode the year was packed with

53
00:02:58,820 --> 00:02:55,900
buzz worthy UFO headlines interesting

54
00:03:02,100 --> 00:02:58,830
interviews and a few UFO TV shows and

55
00:03:04,260 --> 00:03:02,110
this year UFOs will be even more

56
00:03:07,020 --> 00:03:04,270
in-your-face than last year

57
00:03:09,840 --> 00:03:07,030
the social media noise gets louder and

58
00:03:13,320 --> 00:03:09,850
louder every year content related to

59
00:03:16,440 --> 00:03:13,330
every topic including UFOs increases

60
00:03:18,930 --> 00:03:16,450
every year so although it might not

61
00:03:21,260 --> 00:03:18,940
always be a good thing you'll see more

62
00:03:24,120 --> 00:03:21,270
UFO related content on social media

63
00:03:27,780 --> 00:03:24,130

there are more UFO related shows coming

64

00:03:30,180 --> 00:03:27,790

to TV this year and because the UFO

65

00:03:31,920 --> 00:03:30,190

field is so accessible there are more

66

00:03:34,050 --> 00:03:31,930

and more people beginning to research

67

00:03:36,030 --> 00:03:34,060

UFOs for themselves actively

68

00:03:38,670 --> 00:03:36,040

participating in discussions and

69

00:03:40,560 --> 00:03:38,680

producing content there's so many

70

00:03:43,680 --> 00:03:40,570

passionate and ambitious people out

71

00:03:46,740 --> 00:03:43,690

there really making genuine attempts to

72

00:03:49,200 --> 00:03:46,750

learn more about UFOs we're guaranteed

73

00:03:52,500 --> 00:03:49,210

to hear a lot from to the Stars Academy

74

00:03:55,110 --> 00:03:52,510

this year that organization has so many

75

00:03:58,229 --> 00:03:55,120

irons in the fire and so many different

76
00:04:00,150 --> 00:03:58,239
projects developing simultaneously we'll

77
00:04:02,460 --> 00:04:00,160
also finally get to see James Fox's

78
00:04:05,850 --> 00:04:02,470
highly anticipated documentary the

79
00:04:09,510 --> 00:04:05,860
phenomenon I know I've been impatiently

80
00:04:11,520 --> 00:04:09,520
waiting for this thing since 2013 James

81
00:04:14,640 --> 00:04:11,530
showed me a tiny bit of the film last

82
00:04:17,699 --> 00:04:14,650
year and I really think this movie will

83
00:04:19,070 --> 00:04:17,709
be the best general documentary on the

84
00:04:22,350 --> 00:04:19,080
topic of UFOs

85
00:04:24,270 --> 00:04:22,360
we'll have James Lee Spiegel and others

86
00:04:27,450 --> 00:04:24,280
on the show later this year to talk more

87
00:04:29,670 --> 00:04:27,460
about the phenomenon there are always

88
00:04:32,610 --> 00:04:29,680

tons of UFO related events that take

89

00:04:35,100 --> 00:04:32,620

place every year and that will no doubt

90

00:04:36,630 --> 00:04:35,110

be the same for 2020 we'll be

91

00:04:39,210 --> 00:04:36,640

highlighting some of these events on

92

00:04:40,950 --> 00:04:39,220

this show certainly the ones at which

93

00:04:43,620 --> 00:04:40,960

we'll be presenting or in which we'll be

94

00:04:45,870 --> 00:04:43,630

participating in some form but we'll

95

00:04:48,450 --> 00:04:45,880

also happily highlight other events we

96

00:04:50,640 --> 00:04:48,460

think you'll enjoy what we're on the

97

00:04:53,310 --> 00:04:50,650

subject of events I'll mention that Ryan

98

00:04:55,740 --> 00:04:53,320

Sprague will be speaking at contact in

99

00:04:57,960 --> 00:04:55,750

the desert which takes place May 29th

100

00:05:00,480 --> 00:04:57,970

through June 1st in Indian Wells

101

00:05:03,150 --> 00:05:00,490

California we have the link to that of

102

00:05:05,960 --> 00:05:03,160

on our website and of course we'll talk

103

00:05:08,960 --> 00:05:05,970

more about it when the event gets closer

104

00:05:13,580 --> 00:05:08,970

I'm really looking forward to a new year

105

00:05:17,360 --> 00:05:13,590

another year of UFO events UFO shows and

106

00:05:19,560 --> 00:05:17,370

UFO research a quick piece of advice

107

00:05:22,770 --> 00:05:19,570

don't get caught up in the seemingly

108

00:05:25,410 --> 00:05:22,780

competitive antagonistic hostile

109

00:05:28,920 --> 00:05:25,420

environment painted by social media when

110

00:05:32,070 --> 00:05:28,930

it comes to UFOs UFOs are really no

111

00:05:34,740 --> 00:05:32,080

different than any other subject sure

112

00:05:38,150 --> 00:05:34,750

there's plenty of trash-talking trolling

113

00:05:40,710 --> 00:05:38,160

and ego flexing within the UFO community

114

00:05:43,560 --> 00:05:40,720

but those same characteristics are

115

00:05:46,440 --> 00:05:43,570

present in the Star Wars community among

116

00:05:49,980 --> 00:05:46,450

football fans or around any political

117

00:05:52,560 --> 00:05:49,990

discussion UFO is in some special topic

118

00:05:55,410 --> 00:05:52,570

that exists in a magic bubble it's an

119

00:05:59,430 --> 00:05:55,420

everyday topic that exists in the real

120

00:06:01,620 --> 00:05:59,440

world humans suck we know that and when

121

00:06:05,340 --> 00:06:01,630

humans engage in a conversation about a

122

00:06:07,920 --> 00:06:05,350

topic any topic you'll have both civil

123

00:06:11,550 --> 00:06:07,930

and ill-mannered discussions it's

124

00:06:13,830 --> 00:06:11,560

inevitable again the UFO community isn't

125

00:06:17,370 --> 00:06:13,840

a secret society that gets together to

126
00:06:20,280 --> 00:06:17,380
stroke egos kiss ass and push forward a

127
00:06:23,130 --> 00:06:20,290
unified religious agenda the UFO

128
00:06:26,010 --> 00:06:23,140
community exists in the real world and

129
00:06:27,930 --> 00:06:26,020
it's made up of shitty imperfect humans

130
00:06:29,160 --> 00:06:27,940
and there's nothing wrong with that

131
00:06:32,640 --> 00:06:29,170
that's reality

132
00:06:36,600 --> 00:06:32,650
and in case you didn't know UFOs are

133
00:06:38,580 --> 00:06:36,610
real so reality is where it belongs the

134
00:06:42,270 --> 00:06:38,590
exploration of UFOs and related

135
00:06:45,420 --> 00:06:42,280
phenomena is confusing wild and for me

136
00:06:48,360 --> 00:06:45,430
so much fun and it's something that

137
00:06:51,080 --> 00:06:48,370
anybody can participate in like I said

138
00:06:54,180 --> 00:06:51,090

don't get deterred by negative people

139

00:06:56,280 --> 00:06:54,190

trust me there are more positive people

140

00:06:59,070 --> 00:06:56,290

out there in the UFO field than the

141

00:07:03,060 --> 00:06:59,080

negative bunch negative people are just

142

00:07:05,490 --> 00:07:03,070

noisier on social media I'm excited for

143

00:07:07,770 --> 00:07:05,500

2020 I think it's going to be another

144

00:07:10,530 --> 00:07:07,780

incredible journey on this wild UFO ride

145

00:07:17,070 --> 00:07:10,540

and I'm excited to have you along on the

146

00:07:17,080 --> 00:07:20,890

[Music]

147

00:07:25,670 --> 00:07:23,809

well citizens that's going to do it for

148

00:07:27,770 --> 00:07:25,680

this brief episode you can find more

149

00:07:29,809 --> 00:07:27,780

episodes of unknown on all the major

150

00:07:31,879 --> 00:07:29,819

platforms including Apple podcasts

151
00:07:34,640 --> 00:07:31,889
stitcher google play pandora iheartradio

152
00:07:36,559 --> 00:07:34,650
and youtube subscribe on your favorite

153
00:07:39,439 --> 00:07:36,569
podcast platform so you're notified when

154
00:07:41,870 --> 00:07:39,449
we publish new episodes oh and just a

155
00:07:44,240 --> 00:07:41,880
quick note for the first time since we

156
00:07:47,270 --> 00:07:44,250
launched this show we recently just

157
00:07:49,279 --> 00:07:47,280
switched podcast hosting providers so if

158
00:07:52,400 --> 00:07:49,289
you're subscribed to the show on Apple

159
00:07:53,839 --> 00:07:52,410
podcasts or any other platform then room

160
00:07:57,080 --> 00:07:53,849
might be some hiccups here and there

161
00:08:00,710 --> 00:07:57,090
like random old episodes showing up as

162
00:08:03,499 --> 00:08:00,720
new for example hopefully not but it's

163
00:08:06,379 --> 00:08:03,509

possible so I just wanted you to be

164

00:08:09,409 --> 00:08:06,389

aware of that you can always find this

165

00:08:11,689 --> 00:08:09,419

show at rogue planet TV because unknown

166

00:08:14,210 --> 00:08:11,699

is a rogue planet production row Planet

167

00:08:16,969 --> 00:08:14,220

TV is your home for all the strange and

168

00:08:19,040 --> 00:08:16,979

if you haven't visited in a while we

169

00:08:23,689 --> 00:08:19,050

just rolled out a fresh redesign so

170

00:08:25,219 --> 00:08:23,699

check it out big thanks to our talented

171

00:08:27,439 --> 00:08:25,229

friend and fellow rogue planet Eire

172

00:08:29,719 --> 00:08:27,449

caleb hanks for the show's intro and

173

00:08:32,600 --> 00:08:29,729

outro music check out all his work at

174

00:08:34,250 --> 00:08:32,610

duck clerk Chronicles calm thanks again

175

00:08:36,560 --> 00:08:34,260

for hanging out with us today I'm Jason

176

00:08:38,329 --> 00:08:36,570

McClellan do us a favor friends always

177

00:08:40,069 --> 00:08:38,339

treat the UFO subject with the cautious

178

00:08:42,409 --> 00:08:40,079

and responsible skepticism it deserves

179

00:08:45,139 --> 00:08:42,419

question everything have the courage to

180

00:08:47,060 --> 00:08:45,149

form your own opinions keep truth as the

181

00:08:49,430 --> 00:08:47,070

focus of your quest even if the truth

182

00:08:51,590 --> 00:08:49,440

conflicts with your opinions and of

183

00:08:59,970 --> 00:08:51,600

course stay strange

184

00:09:01,590 --> 00:08:59,980

[Music]
