

The

SKINWALKER

Debrief

1  
00:00:38,120 --> 00:00:38,110

[Music]

2  
00:00:42,320 --> 00:00:40,370

welcome to the skinwalker debrief I'm

3  
00:00:44,750 --> 00:00:42,330

your host TJ Lord and I'm one of the

4  
00:00:47,000 --> 00:00:44,760

executive producers of the TV series on

5  
00:00:49,760 --> 00:00:47,010

history called the secret of skinwalker

6  
00:00:51,290 --> 00:00:49,770

ranch and I'm joined each week by Jason

7  
00:00:53,600 --> 00:00:51,300

McClellan and Marine Ellsbury and

8  
00:00:55,729 --> 00:00:53,610

together we'll dissect each episode to

9  
00:00:57,200 --> 00:00:55,739

give you more insight into the show and

10  
00:00:59,290 --> 00:00:57,210

we'll bring on some guests and get a

11  
00:01:01,430 --> 00:00:59,300

little uh little background info as well

12  
00:01:03,080 --> 00:01:01,440

Jason's been exploring all the strange

13  
00:01:05,540 --> 00:01:03,090

for more than a decade and he's appeared

14

00:01:08,030 --> 00:01:05,550

on Nat Geo sci-fi and history and he's

15

00:01:09,499 --> 00:01:08,040

the author of only weirdos see UFOs an

16

00:01:11,210 --> 00:01:09,509

introduction to the public's

17

00:01:13,940 --> 00:01:11,220

misperception of unidentified aerial

18

00:01:15,859 --> 00:01:13,950

phenomenon and extraterrestrial life and

19

00:01:18,200 --> 00:01:15,869

Maureen is a journalist researcher and

20

00:01:20,510 --> 00:01:18,210

podcaster specializing in the anomalous

21

00:01:22,850 --> 00:01:20,520

she starred in a docu-series uncovering

22

00:01:24,170 --> 00:01:22,860

aliens on Animal Planet and has served

23

00:01:26,810 --> 00:01:24,180

as the ambassador for science channels

24

00:01:28,580 --> 00:01:26,820

are we alone initiatives and tonight

25

00:01:30,560 --> 00:01:28,590

we'd like to welcome for the very first

26  
00:01:32,900 --> 00:01:30,570  
time to the show the ranch manager of

27  
00:01:33,820 --> 00:01:32,910  
skinwalker ranch Jim Morris Jim thank

28  
00:01:36,800 --> 00:01:33,830  
you for joining us

29  
00:01:41,090 --> 00:01:36,810  
Thank You TJ my pleasure it's good to be

30  
00:01:43,370 --> 00:01:41,100  
with you guys and once again somebody we

31  
00:01:46,160 --> 00:01:43,380  
all say hi awesome it's great to have

32  
00:01:49,279 --> 00:01:46,170  
you so Jim and you know I know you've

33  
00:01:50,809 --> 00:01:49,289  
we've talked before and you've heard the

34  
00:01:52,730 --> 00:01:50,819  
podcast so we're just gonna talk about

35  
00:01:54,889 --> 00:01:52,740  
last week's episode and we'll ask you

36  
00:01:57,770 --> 00:01:54,899  
some questions kind of recap it with you

37  
00:01:59,300 --> 00:01:57,780  
and get your experiences there your take

38  
00:02:01,219 --> 00:01:59,310

on things and then we're gonna open it

39

00:02:04,520 --> 00:02:01,229

up to some questions that we took from

40

00:02:07,160 --> 00:02:04,530

from the internet okay awesome

41

00:02:11,540 --> 00:02:07,170

so this week's episode was surveillance

42

00:02:13,460 --> 00:02:11,550

episode 7 surveillance it was the big

43

00:02:15,470 --> 00:02:13,470

the big talking point here is the

44

00:02:18,410 --> 00:02:15,480

besides the surveillance is a dead cow

45

00:02:21,050 --> 00:02:18,420

that is on land so why don't you tell us

46

00:02:23,479 --> 00:02:21,060

a little bit Jim about your experience

47

00:02:25,460 --> 00:02:23,489

when that happened like where were you

48

00:02:27,670 --> 00:02:25,470

and you know what was going through your

49

00:02:31,370 --> 00:02:27,680

head when all this was going on yeah

50

00:02:35,540 --> 00:02:31,380

thanks for the question TJ I was there

51  
00:02:40,899 --> 00:02:35,550  
on premise at the time you know when I

52  
00:02:43,390 --> 00:02:40,909  
that calf that cow went down in a blind

53  
00:02:46,100 --> 00:02:43,400  
Frank with you I mean it was healthy

54  
00:02:47,780 --> 00:02:46,110  
earlier that day and then when we

55  
00:02:51,350 --> 00:02:47,790  
basically did a

56  
00:02:55,309 --> 00:02:51,360  
perimeter area property check that the

57  
00:02:56,209 --> 00:02:55,319  
cow was down and somewhat alarming to

58  
00:02:58,520 --> 00:02:56,219  
say the least

59  
00:03:02,959 --> 00:02:58,530  
and at that point we brought the science

60  
00:03:06,199 --> 00:03:02,969  
team to the to where the little calf

61  
00:03:10,009 --> 00:03:06,209  
went down unfortunately we had to bring

62  
00:03:12,920 --> 00:03:10,019  
in the vet and there were some things

63  
00:03:14,390 --> 00:03:12,930

that happened and again I apologize I

64

00:03:16,970 --> 00:03:14,400

didn't get a chance to see this past

65

00:03:19,940 --> 00:03:16,980

episode but I was there living and

66

00:03:24,080 --> 00:03:19,950

observing there was something that was

67

00:03:27,679 --> 00:03:24,090

detected from our command center that

68

00:03:30,860 --> 00:03:27,689

obviously was a as Travis Taylor says a

69

00:03:34,429 --> 00:03:30,870

UFO or a UFO unidentified flying object

70

00:03:39,520 --> 00:03:34,439

and it was almost as if when this object

71

00:03:42,099 --> 00:03:39,530

was over the cattle that this happened I

72

00:03:49,309 --> 00:03:42,109

can't help but also notice that there's

73

00:03:52,879 --> 00:03:49,319

something happening here it looks like

74

00:03:56,869 --> 00:03:52,889

an object above the tree and it happens

75

00:04:00,439 --> 00:03:56,879

right when the cow move raises up so as

76

00:04:04,189 --> 00:04:00,449

I was talking to the fat his feeling was

77

00:04:06,710 --> 00:04:04,199

it was it was due to stress and through

78

00:04:09,610 --> 00:04:06,720

this stress it could cause the pneumonia

79

00:04:13,039 --> 00:04:09,620

or you know whatever the analogy was

80

00:04:16,640 --> 00:04:13,049

this was an interesting phenomenon to

81

00:04:21,080 --> 00:04:16,650

the point that they flew in Linda if it

82

00:04:22,610 --> 00:04:21,090

had been a classic cattle mutilation the

83

00:04:25,990 --> 00:04:22,620

first thing you would do is you would

84

00:04:29,170 --> 00:04:26,000

look at the sky facing head

85

00:04:33,190 --> 00:04:29,180

and that is where the sky facing ear

86

00:04:36,220 --> 00:04:33,200

would be gone sky facing I would be

87

00:04:39,010 --> 00:04:36,230

removed and often in a circle of flesh

88

00:04:45,010 --> 00:04:39,020

around taking out the eyeball the

89

00:04:47,080 --> 00:04:45,020

eyelids and a perfect circle I think

90

00:04:51,400 --> 00:04:47,090

there's still some ongoing investigation

91

00:04:53,590 --> 00:04:51,410

in regards to this yes there's more we

92

00:04:54,400 --> 00:04:53,600

get into more the next episode so I'd

93

00:04:58,150 --> 00:04:54,410

want to know

94

00:05:00,760 --> 00:04:58,160

we don't give too much away yeah but so

95

00:05:03,159 --> 00:05:00,770

Jason in marine you guys are familiar

96

00:05:03,820 --> 00:05:03,169

with Linda and her work right yeah

97

00:05:08,290 --> 00:05:03,830

absolutely

98

00:05:10,570 --> 00:05:08,300

we we've known Linda for years and a lot

99

00:05:14,020 --> 00:05:10,580

of other cattle mutilation experts as

100

00:05:17,460 --> 00:05:14,030

well Chuck Zukowski and one people so we

101  
00:05:21,550 --> 00:05:17,470  
were quite versed on on this subject

102  
00:05:22,690 --> 00:05:21,560  
yeah your thoughts after seeing after

103  
00:05:23,920 --> 00:05:22,700  
seeing good I mean it doesn't fall into

104  
00:05:26,400 --> 00:05:23,930  
the traditional category of the

105  
00:05:30,580 --> 00:05:26,410  
mutilation but I mean it it kind of

106  
00:05:34,270 --> 00:05:30,590  
loosely encompasses all of encompasses

107  
00:05:38,950 --> 00:05:34,280  
it then I should say I think it's at

108  
00:05:40,840 --> 00:05:38,960  
strange cattle death and related to

109  
00:05:43,750 --> 00:05:40,850  
stress at this point and as Jim

110  
00:05:46,950 --> 00:05:43,760  
mentioned the vet said stress-related

111  
00:05:50,590 --> 00:05:46,960  
pneumonia which came on super suddenly

112  
00:05:54,610 --> 00:05:50,600  
within a matter of hours so that's

113  
00:05:58,659 --> 00:05:54,620

unique but there were no visceral damage

114

00:06:01,719 --> 00:05:58,669

no predator marks or anything no laser

115

00:06:05,740 --> 00:06:01,729

cuts so this is outside of the box and

116

00:06:08,440 --> 00:06:05,750

Jason maybe you have a different point

117

00:06:09,760 --> 00:06:08,450

of view yeah for sure so I mean let me

118

00:06:12,070 --> 00:06:09,770

even point it out on the show there's

119

00:06:14,200 --> 00:06:12,080

something that it makes this a unique

120

00:06:17,020 --> 00:06:14,210

situation yeah she points out this is

121

00:06:19,390 --> 00:06:17,030

not a typical mutilation scenario but

122

00:06:22,180 --> 00:06:19,400

what does make this unique is the fact

123

00:06:24,969 --> 00:06:22,190

that this is an active research lab

124

00:06:28,060 --> 00:06:24,979

essentially and we had have a team there

125

00:06:29,320 --> 00:06:28,070

with instruments who were able to you

126  
00:06:31,540 --> 00:06:29,330  
know look at eeehm stuff that was

127  
00:06:34,120 --> 00:06:31,550  
happening around the cow right in that

128  
00:06:35,450 --> 00:06:34,130  
area right we see Caleb's phone going

129  
00:06:38,570 --> 00:06:35,460  
crazy

130  
00:06:41,300 --> 00:06:38,580  
we see the the Trifield meters picking

131  
00:06:44,659 --> 00:06:41,310  
up you know these this elevated e/m

132  
00:06:46,700 --> 00:06:44,669  
levels so that being able to have that

133  
00:06:49,249 --> 00:06:46,710  
how the the instruments there to take

134  
00:06:51,290 --> 00:06:49,259  
readings and determine that that stuff

135  
00:06:53,719 --> 00:06:51,300  
is happening in proximity to where this

136  
00:06:56,450 --> 00:06:53,729  
cow was that is pretty interesting

137  
00:06:58,939 --> 00:06:56,460  
pretty unique and pretty exciting and

138  
00:07:02,870 --> 00:06:58,949

and let's just start by giving caleb a

139

00:07:04,790 --> 00:07:02,880

shout-out for making everyone get get

140

00:07:06,950 --> 00:07:04,800

away and treat it like a natural crime

141

00:07:13,909 --> 00:07:06,960

scene because that is okay we important

142

00:07:18,290 --> 00:07:13,919

so yeah real deal you know he's an

143

00:07:20,300 --> 00:07:18,300

ex-marine guy biceps are bigger than my

144

00:07:22,580 --> 00:07:20,310

thighs I was just about to say I was

145

00:07:25,610 --> 00:07:22,590

just about to comment knowing this guy

146

00:07:26,740 --> 00:07:25,620

is the steady as they go I always feel

147

00:07:30,439 --> 00:07:26,750

very much

148

00:07:34,029 --> 00:07:30,449

insulated a lot of mine know that he's

149

00:07:37,100 --> 00:07:34,039

our True North out there he's also

150

00:07:37,969 --> 00:07:37,110

County Sheriff out there too so this guy

151  
00:07:41,240 --> 00:07:37,979  
is the real deal

152  
00:07:45,740 --> 00:07:41,250  
he insulates the ranch he's very

153  
00:07:47,420 --> 00:07:45,750  
conscientious about his actions and as

154  
00:07:50,029 --> 00:07:47,430  
we've talked about you know my actions

155  
00:07:52,159 --> 00:07:50,039  
reflection on you and vice versa and

156  
00:07:55,310 --> 00:07:52,169  
that's the way he's very accountable out

157  
00:07:59,260 --> 00:07:55,320  
there but it would be fun to get him on

158  
00:08:02,029 --> 00:07:59,270  
as on an interview with you guys he's

159  
00:08:05,589 --> 00:08:02,039  
he's an amazing human being he's got a

160  
00:08:09,860 --> 00:08:05,599  
value system that is very very rare

161  
00:08:13,670 --> 00:08:09,870  
great family man has a no fear factor

162  
00:08:16,159 --> 00:08:13,680  
about him and firsthand with him he's my

163  
00:08:21,499 --> 00:08:16,169

shadow out there yeah very cool calm

164

00:08:23,450 --> 00:08:21,509

collective but he's a combat marine but

165

00:08:26,659 --> 00:08:23,460

he's got a value system that is very

166

00:08:28,969 --> 00:08:26,669

very rare for a young man

167

00:08:32,000 --> 00:08:28,979

so we're blessed were very fortunate to

168

00:08:34,490 --> 00:08:32,010

have him as a confidant and a shadow as

169

00:08:35,630 --> 00:08:34,500

you say out there on the ranch and he

170

00:08:37,430 --> 00:08:35,640

did you're right Maureen he had the

171

00:08:39,139 --> 00:08:37,440

wherewithal to kind of make sure people

172

00:08:41,569 --> 00:08:39,149

weren't contaminating anything and I

173

00:08:43,850 --> 00:08:41,579

think that kind of you know goes right

174

00:08:46,370 --> 00:08:43,860

toward the the goal here of the show

175

00:08:47,660 --> 00:08:46,380

which is let's try to get some science

176  
00:08:48,840 --> 00:08:47,670  
behind this let's try to get some actual

177  
00:08:50,639 --> 00:08:48,850  
data in

178  
00:08:52,800 --> 00:08:50,649  
you know move away from all the

179  
00:08:54,809 --> 00:08:52,810  
speculation and the fact that he did

180  
00:08:56,430 --> 00:08:54,819  
that aloud allowed the cage to go up

181  
00:08:58,110 --> 00:08:56,440  
allowed people to get the readings and

182  
00:09:01,259 --> 00:08:58,120  
stuff and then watch and observe that

183  
00:09:03,180 --> 00:09:01,269  
that carcass for however long I mean you

184  
00:09:06,329 --> 00:09:03,190  
don't want to go too deep into it but so

185  
00:09:08,249 --> 00:09:06,339  
Jim I I had a question the Deadland

186  
00:09:10,680 --> 00:09:08,259  
there you know the the Native American

187  
00:09:11,910 --> 00:09:10,690  
land was there or had there been it

188  
00:09:13,920 --> 00:09:11,920

there may or may not have been I mean I

189

00:09:16,290 --> 00:09:13,930

don't know but reports in the past not

190

00:09:18,930 --> 00:09:16,300

just on the ranch but in the surrounding

191

00:09:22,079 --> 00:09:18,940

areas at all of mutilations in the past

192

00:09:25,259 --> 00:09:22,089

you know a few decades do you have any

193

00:09:28,650 --> 00:09:25,269

yes absolutely you know you need to talk

194

00:09:31,800 --> 00:09:28,660

about ley lines and and in that area

195

00:09:34,379 --> 00:09:31,810

over you know many decades now there has

196

00:09:35,910 --> 00:09:34,389

been reports of these cattle mutilations

197

00:09:38,460 --> 00:09:35,920

that have happened very fast

198

00:09:40,980 --> 00:09:38,470

little or no blood the like the

199

00:09:43,949 --> 00:09:40,990

incisions have been been done with a

200

00:09:47,069 --> 00:09:43,959

laser gone right through maybe the eye

201

00:09:51,509 --> 00:09:47,079

socket and out the other end

202

00:09:54,809 --> 00:09:51,519

another orifice and and yeah but on the

203

00:09:58,290 --> 00:09:54,819

ranch I have physically talked to the

204

00:10:00,199 --> 00:09:58,300

young man Sherman who witnessed it he

205

00:10:04,620 --> 00:10:00,209

was out there irrigating that morning

206

00:10:07,590 --> 00:10:04,630

you know he very stand-up guy went on an

207

00:10:10,259 --> 00:10:07,600

LDS mission came back from the mission

208

00:10:12,990 --> 00:10:10,269

Mary's got a really cute little family

209

00:10:15,870 --> 00:10:13,000

and we took the initiative to drive up

210

00:10:17,939 --> 00:10:15,880

to price to visit with him and when he

211

00:10:19,860 --> 00:10:17,949

stepped out kind of give us a little

212

00:10:22,350 --> 00:10:19,870

privacy his wife took the side and says

213

00:10:25,470 --> 00:10:22,360

you know this subject matter is even to

214

00:10:28,590 --> 00:10:25,480

this day is very very upsetting to him

215

00:10:30,170 --> 00:10:28,600

and it happened in a minute minute a few

216

00:10:32,840 --> 00:10:30,180

minutes you know him basically

217

00:10:35,610 --> 00:10:32,850

realigning some of the irrigation

218

00:10:39,329 --> 00:10:35,620

equipment and then came back and these

219

00:10:41,160 --> 00:10:39,339

were these were prized Bulls so and this

220

00:10:43,340 --> 00:10:41,170

is not a guy that you could tell very

221

00:10:46,710 --> 00:10:43,350

quickly he's not an exaggerator

222

00:10:49,079 --> 00:10:46,720

it was pretty profound you know what he

223

00:10:51,780 --> 00:10:49,089

witnessed and what he he was willing to

224

00:10:55,650 --> 00:10:51,790

share with us but he was not willing to

225

00:10:58,379 --> 00:10:55,660

go on camera to be documented so as a

226

00:10:59,490 --> 00:10:58,389

former military guy you know move around

227

00:11:01,799 --> 00:10:59,500

a little bit more in that in that

228

00:11:03,670 --> 00:11:01,809

episode we also have the helicopter and

229

00:11:05,980 --> 00:11:03,680

the surveillance

230

00:11:07,940 --> 00:11:05,990

got a Skyfall on the bottom of it

231

00:11:14,270 --> 00:11:07,950

another thing this thing has a big

232

00:11:17,450 --> 00:11:14,280

camera on the bottom of it - they're

233

00:11:18,920 --> 00:11:17,460

watching this guy's you know the set you

234

00:11:20,060 --> 00:11:18,930

know when you see it happening like

235

00:11:21,920 --> 00:11:20,070

what's the first thought cycle in your

236

00:11:25,280 --> 00:11:21,930

in your head when you're seeing that

237

00:11:26,840 --> 00:11:25,290

well you know for years I hate that you

238

00:11:30,110 --> 00:11:26,850

know I came out of the service being

239

00:11:32,540 --> 00:11:30,120

more effective operations guy that shot

240

00:11:34,940 --> 00:11:32,550

you know heavy weapons 90 millimeter

241

00:11:37,490 --> 00:11:34,950

recoilless and I was in and out of some

242

00:11:39,890 --> 00:11:37,500

third-world countries on helicopters and

243

00:11:42,770 --> 00:11:39,900

I hate to say it and not trying to be a

244

00:11:45,130 --> 00:11:42,780

crybaby here but there was years that I

245

00:11:49,310 --> 00:11:45,140

walked it off six seven years as a as a

246

00:11:52,610 --> 00:11:49,320

postal carrier mailman and just just a

247

00:11:56,180 --> 00:11:52,620

sound of helicopters come in made me

248

00:11:58,580 --> 00:11:56,190

weary you know so you know that day when

249

00:12:02,600 --> 00:11:58,590

that came in to be honest with you it

250

00:12:03,860 --> 00:12:02,610

was as if you know somebody was I I'm

251  
00:12:05,660 --> 00:12:03,870  
not gonna say they were trying to be

252  
00:12:08,840 --> 00:12:05,670  
obnoxious but they had no business

253  
00:12:12,440 --> 00:12:08,850  
coming over the skinwalker ranch and

254  
00:12:16,160 --> 00:12:12,450  
observing and they were there to take

255  
00:12:18,140 --> 00:12:16,170  
photos and and and they were off you

256  
00:12:21,530 --> 00:12:18,150  
know I mean Eric went into the command

257  
00:12:22,970 --> 00:12:21,540  
center and whatever they were doing they

258  
00:12:26,570 --> 00:12:22,980  
were not supposed to be there but that

259  
00:12:29,960 --> 00:12:26,580  
that that Kimmi leo things like that

260  
00:12:31,670 --> 00:12:29,970  
happen out there in that wrench when we

261  
00:12:33,980 --> 00:12:31,680  
first went out there we would hear

262  
00:12:37,700 --> 00:12:33,990  
helicopters which couldn't see them and

263  
00:12:42,110 --> 00:12:37,710

so you know this this ranch has been as

264

00:12:45,080 --> 00:12:42,120

a petri petri dish for Bigelow and the

265

00:12:48,590 --> 00:12:45,090

sorts for many many years due to the

266

00:12:50,330 --> 00:12:48,600

fact that it is a remote area and you

267

00:12:53,480 --> 00:12:50,340

know we would go out there we would hear

268

00:12:55,910 --> 00:12:53,490

hearing noises and they were literally

269

00:12:57,980 --> 00:12:55,920

within a rocks throw the church couldn't

270

00:13:01,370 --> 00:12:57,990

see it it was like I say we use it as

271

00:13:02,870 --> 00:13:01,380

they used it as camouflage but that that

272

00:13:05,330 --> 00:13:02,880

day that we were out there

273

00:13:07,760 --> 00:13:05,340

it was obvious it was just above us and

274

00:13:11,000 --> 00:13:07,770

and they were trying to detect what we

275

00:13:15,410 --> 00:13:11,010

were doing so and no business being that

276

00:13:16,060 --> 00:13:15,420

way did you guys have that did they just

277

00:13:17,770 --> 00:13:16,070

kind of self

278

00:13:19,360 --> 00:13:17,780

I don't remember I know in the show they

279

00:13:21,790 --> 00:13:19,370

just kind of they they just wanted I've

280

00:13:24,250 --> 00:13:21,800

reached but there was no attempt to

281

00:13:26,020 --> 00:13:24,260

communicate with them or try to radio to

282

00:13:27,160 --> 00:13:26,030

them or no one's shooting off flares or

283

00:13:28,750 --> 00:13:27,170

anything like that right I mean they

284

00:13:31,300 --> 00:13:28,760

just kind of went over the ridge and

285

00:13:33,670 --> 00:13:31,310

that was that was the end yeah that's it

286

00:13:35,350 --> 00:13:33,680

and there may be long going I mean we've

287

00:13:37,450 --> 00:13:35,360

had some people come out there with some

288

00:13:40,210 --> 00:13:37,460

of these drums and unfortunately it's

289

00:13:42,970 --> 00:13:40,220

private property and it hasn't worked

290

00:13:46,480 --> 00:13:42,980

out well for how many down drones do you

291

00:13:50,590 --> 00:13:46,490

have in the skinwalker ranch sort of

292

00:13:53,050 --> 00:13:50,600

volt now yeah yeah there's been a few

293

00:13:56,170 --> 00:13:53,060

and I'll tell you you know we devised it

294

00:13:59,410 --> 00:13:56,180

we treat we treat that ranch as if it's

295

00:14:03,640 --> 00:13:59,420

area 51 and it's pretty obvious that

296

00:14:05,710 --> 00:14:03,650

when Bigelow ruled and controlled there

297

00:14:07,470 --> 00:14:05,720

was things going on that ranch that the

298

00:14:11,080 --> 00:14:07,480

public really has no business being

299

00:14:12,730 --> 00:14:11,090

acknowledged absolutely it's for their

300

00:14:14,320 --> 00:14:12,740

own benefit so I mean we've mentioned it

301  
00:14:16,060 --> 00:14:14,330  
before there's a lot about keeping other

302  
00:14:17,500 --> 00:14:16,070  
people safe like please don't show up at

303  
00:14:19,810 --> 00:14:17,510  
the ranch please don't go to the gate

304  
00:14:23,680 --> 00:14:19,820  
please don't fly your drones around you

305  
00:14:25,450 --> 00:14:23,690  
know it's an active inactive scene I

306  
00:14:27,790 --> 00:14:25,460  
mean it's an it's an active experiment

307  
00:14:30,700 --> 00:14:27,800  
you know happening living experiment

308  
00:14:32,470 --> 00:14:30,710  
don't blow the investigation all right

309  
00:14:34,450 --> 00:14:32,480  
now we're in the investigation well it's

310  
00:14:36,730 --> 00:14:34,460  
funny a lot of the people come up they

311  
00:14:38,320 --> 00:14:36,740  
say oh we don't see any guard I will

312  
00:14:44,410 --> 00:14:38,330  
tell you the guard sees you or you

313  
00:14:48,010 --> 00:14:44,420

exactly reach out in the tune of miles

314

00:14:51,460 --> 00:14:48,020

and and what's funny is some of the

315

00:14:54,790 --> 00:14:51,470

guards out there they're their ex ex

316

00:14:57,180 --> 00:14:54,800

vets and and you know some of these they

317

00:14:59,620 --> 00:14:57,190

call their camels their camouflage gear

318

00:15:01,720 --> 00:14:59,630

there's people who try to sneak in and

319

00:15:03,250 --> 00:15:01,730

we're literally an arm's length from

320

00:15:07,390 --> 00:15:03,260

them they're not even aware that our

321

00:15:12,790 --> 00:15:07,400

guards got eyes on them so dragons

322

00:15:15,280 --> 00:15:12,800

waiting in the trees because I know that

323

00:15:17,560 --> 00:15:15,290

those cameras now they're streaming to

324

00:15:19,540 --> 00:15:17,570

multiple it's not just in the command

325

00:15:21,750 --> 00:15:19,550

centre people are off-site and also

326

00:15:26,320 --> 00:15:21,760

seeing those feeds at the same time so

327

00:15:28,690 --> 00:15:26,330

absolutely absolutely yeah it's quite a

328

00:15:29,500 --> 00:15:28,700

team and quite a team but it's then

329

00:15:32,500 --> 00:15:29,510

another day

330

00:15:35,890 --> 00:15:32,510

it's family and as I alluded before we

331

00:15:38,560 --> 00:15:35,900

started this we are and we do get very

332

00:15:42,310 --> 00:15:38,570

concerned about the well-being of each

333

00:15:44,650 --> 00:15:42,320

of us and it's an area unfortunately is

334

00:15:46,530 --> 00:15:44,660

a little tempting to people to want to

335

00:15:48,400 --> 00:15:46,540

get in there and breach and

336

00:15:50,290 --> 00:15:48,410

unfortunately a lot of their underlying

337

00:15:52,660 --> 00:15:50,300

motivation is not as clear as it should

338

00:15:55,450 --> 00:15:52,670

be and you ain't get hurt on that ranch

339

00:15:58,030 --> 00:15:55,460

I mean you've got a lot of areas on that

340

00:16:01,120 --> 00:15:58,040

ranch that are unsafe especially at

341

00:16:05,170 --> 00:16:01,130

night where somebody sprained an ankle

342

00:16:06,670 --> 00:16:05,180

break a leg there's a serengeti they

343

00:16:09,550 --> 00:16:06,680

call it the south side of the ranch

344

00:16:13,450 --> 00:16:09,560

there is the Serengeti you know it's not

345

00:16:16,240 --> 00:16:13,460

where is that is that where the cows

346

00:16:18,970 --> 00:16:16,250

ended up no they were on the west they

347

00:16:20,950 --> 00:16:18,980

were in the west side yeah yeah so Jim I

348

00:16:22,300 --> 00:16:20,960

know I mean besides this episode there

349

00:16:24,210 --> 00:16:22,310

was something they came up a couple

350

00:16:28,600 --> 00:16:24,220

episodes ago a couple of our show's

351  
00:16:30,400 --> 00:16:28,610  
debrief episodes ago it's when we had

352  
00:16:35,520 --> 00:16:30,410  
one of the Native American elders come

353  
00:16:37,650 --> 00:16:35,530  
out what yeah doctor watch

354  
00:16:40,920 --> 00:16:37,660  
[Music]

355  
00:16:43,900 --> 00:16:40,930  
but to us a name

356  
00:16:45,780 --> 00:16:43,910  
what you listening

357  
00:16:47,769 --> 00:16:45,790  
my cleaner

358  
00:16:49,970 --> 00:16:47,779  
[Music]

359  
00:16:51,350 --> 00:16:49,980  
what I would we didn't really talk about

360  
00:16:53,960 --> 00:16:51,360  
it because we were hoping to get you on

361  
00:16:56,360 --> 00:16:53,970  
to go a little bit more into depth about

362  
00:17:00,139 --> 00:16:56,370  
that the situation when it came out and

363  
00:17:01,760 --> 00:17:00,149

blessed land and kind of you know guided

364

00:17:03,139 --> 00:17:01,770

everyone if you want to talk about that

365

00:17:04,490 --> 00:17:03,149

that would be great we'd love to hear

366

00:17:08,150 --> 00:17:04,500

I know Maureen adjacent have questions

367

00:17:09,919 --> 00:17:08,160

about this as well be happy to as I said

368

00:17:12,980 --> 00:17:09,929

before you know I've always had a real

369

00:17:16,669 --> 00:17:12,990

sincere interest in that culture this

370

00:17:18,799 --> 00:17:16,679

particular I used to segment for men and

371

00:17:21,410 --> 00:17:18,809

very diplomatically in this particular

372

00:17:24,160 --> 00:17:21,420

case Larry says pooch has said that Jim

373

00:17:27,470 --> 00:17:24,170

I'd rather be referred to as a medicine

374

00:17:30,500 --> 00:17:27,480

practitioner and it was interesting when

375

00:17:34,299 --> 00:17:30,510

when I asked him to get engaged or

376

00:17:37,640 --> 00:17:34,309

involved on the ranch and he is you'd he

377

00:17:40,040 --> 00:17:37,650

had never been on the ranch before but

378

00:17:42,200 --> 00:17:40,050

for whatever reason the ranch somewhat

379

00:17:45,260 --> 00:17:42,210

embraced him and he embraced the ranch

380

00:17:47,510 --> 00:17:45,270

which was which was interesting because

381

00:17:50,450 --> 00:17:47,520

a lot of the natives are they're very

382

00:17:53,210 --> 00:17:50,460

superstitious one in particular as he

383

00:17:56,330 --> 00:17:53,220

drives home Hill as the ranch looked to

384

00:17:57,590 --> 00:17:56,340

the west he'll he'll look to the east he

385

00:17:58,940 --> 00:17:57,600

doesn't even want to acknowledge that

386

00:18:00,650 --> 00:17:58,950

the ranch is there is that that

387

00:18:04,730 --> 00:18:00,660

superstition it's kind of like saying

388

00:18:10,820 --> 00:18:04,740

Candyman 16 times I don't even bring the

389

00:18:12,680 --> 00:18:10,830

name and but the ranch when he got on

390

00:18:14,890 --> 00:18:12,690

the ranch obviously a lot of the

391

00:18:16,610 --> 00:18:14,900

producers and and some of the

392

00:18:19,820 --> 00:18:16,620

individuals out there that were

393

00:18:22,760 --> 00:18:19,830

participating kind of kind of looked at

394

00:18:25,270 --> 00:18:22,770

him with the level of curiosity and then

395

00:18:27,919 --> 00:18:25,280

they embraced him because I think the

396

00:18:30,890 --> 00:18:27,929

because obviously my respect and love

397

00:18:34,549 --> 00:18:30,900

for it not only Larry but the the Native

398

00:18:37,010 --> 00:18:34,559

American culture and he went out there

399

00:18:40,190 --> 00:18:37,020

and smudged you know took some sweet

400

00:18:42,440 --> 00:18:40,200

grass and his eagle feathers that Native

401  
00:18:45,770 --> 00:18:42,450  
Americans are legally only allowed to

402  
00:18:49,040 --> 00:18:45,780  
have and in the case and I don't want to

403  
00:18:50,960 --> 00:18:49,050  
embarrass anybody but it was very very

404  
00:18:53,450 --> 00:18:50,970  
humbling

405  
00:18:57,350 --> 00:18:53,460  
you know what came to his mind's eye and

406  
00:18:59,570 --> 00:18:57,360  
what he repeated in prayer so you could

407  
00:19:01,749 --> 00:18:59,580  
almost sense that the the ground

408  
00:19:05,560 --> 00:19:01,759  
initially the skinwalker ranch

409  
00:19:08,299 --> 00:19:05,570  
looked at him with a level initially of

410  
00:19:13,100 --> 00:19:08,309  
curiosity almost it was kind of like

411  
00:19:14,869 --> 00:19:13,110  
trying to size his spirit up and and and

412  
00:19:17,720 --> 00:19:14,879  
of course you know Larry was never out

413  
00:19:21,619 --> 00:19:17,730

there to get overly aggressive or assert

414

00:19:24,610 --> 00:19:21,629

himself there was a level of peace that

415

00:19:28,340 --> 00:19:24,620

he brought to the ranch and I've always

416

00:19:30,590 --> 00:19:28,350

looked at the ranches as a woman as a

417

00:19:34,850 --> 00:19:30,600

lady and so you approach it with a level

418

00:19:37,549 --> 00:19:34,860

of finesse and and I always pray going

419

00:19:39,289 --> 00:19:37,559

in and pray going out you know I I do

420

00:19:43,009 --> 00:19:39,299

believe there are such a thing as

421

00:19:45,409 --> 00:19:43,019

spirits or hitchhikers and as we've

422

00:19:49,340 --> 00:19:45,419

talked about TJ if you going and you've

423

00:19:52,310 --> 00:19:49,350

got a overwhelm nosov issues whether

424

00:19:55,759 --> 00:19:52,320

they be financial or personal they

425

00:19:58,700 --> 00:19:55,769

compound and so I try to go into the

426

00:20:01,070 --> 00:19:58,710

ranch and try to leave my personal

427

00:20:04,490 --> 00:20:01,080

burdens at the gate and try to be as

428

00:20:06,169 --> 00:20:04,500

transparent as I can with with the

429

00:20:09,110 --> 00:20:06,179

property or the ground or the skinwalker

430

00:20:11,419 --> 00:20:09,120

ranch because that property is very

431

00:20:15,200 --> 00:20:11,429

complex I think there's more than

432

00:20:16,100 --> 00:20:15,210

obviously one spirit there and it's very

433

00:20:19,940 --> 00:20:16,110

random

434

00:20:23,090 --> 00:20:19,950

so I'm conscientious in Larry's case I

435

00:20:25,909 --> 00:20:23,100

think that native I think I think the

436

00:20:30,230 --> 00:20:25,919

spirit was very receptive it embraced

437

00:20:32,960 --> 00:20:30,240

him with the level of respect and and

438

00:20:34,519 --> 00:20:32,970

and I was so pleased to hear again I

439

00:20:36,590 --> 00:20:34,529

don't see all the episodes I was so

440

00:20:40,220 --> 00:20:36,600

pleased to hear that the directors or

441

00:20:43,549 --> 00:20:40,230

producers asked him to go out there and

442

00:20:47,360 --> 00:20:43,559

bless the ground and ask permission to

443

00:20:49,129 --> 00:20:47,370

dig and so it's really really pleased to

444

00:20:52,159 --> 00:20:49,139

hear that a matter of fact you know I

445

00:20:53,629 --> 00:20:52,169

value the science of what they're doing

446

00:20:56,210 --> 00:20:53,639

I think that that's that's wonderful

447

00:20:58,999 --> 00:20:56,220

it's great but I don't want to forget

448

00:21:02,330 --> 00:20:59,009

the spirit the spiritual side of that

449

00:21:04,399 --> 00:21:02,340

property out there and in you know my

450

00:21:06,830 --> 00:21:04,409

experience out there in the show who's

451  
00:21:07,730 --> 00:21:06,840  
happens to be with you I think the first

452  
00:21:10,820 --> 00:21:07,740  
time I was there

453  
00:21:13,249 --> 00:21:10,830  
luckily Michelle give me she give me as

454  
00:21:14,620 --> 00:21:13,259  
a stone men teachers calling her the

455  
00:21:18,490 --> 00:21:14,630  
power stone

456  
00:21:21,520 --> 00:21:18,500  
that and I you know it was all new to me

457  
00:21:23,410 --> 00:21:21,530  
it was a whole just crazy and luckily I

458  
00:21:25,330 --> 00:21:23,420  
mean that was really that was my first

459  
00:21:27,730 --> 00:21:25,340  
experience out there and I didn't have

460  
00:21:30,580 --> 00:21:27,740  
any any negative side effects or

461  
00:21:31,990 --> 00:21:30,590  
anything bad till my leader visits you

462  
00:21:34,150 --> 00:21:32,000  
know but her she did the first time

463  
00:21:34,920 --> 00:21:34,160

worked I think that's her for it every

464

00:21:40,900 --> 00:21:34,930

time

465

00:21:43,390 --> 00:21:40,910

but thanks Michelle I think there's a

466

00:21:45,550 --> 00:21:43,400

spirit to just about everything you know

467

00:21:48,010 --> 00:21:45,560

you go through some of these impact

468

00:21:51,610 --> 00:21:48,020

trainings and things and they talked

469

00:21:54,670 --> 00:21:51,620

about you you know realigning yourself

470

00:21:57,780 --> 00:21:54,680

with a tree or mother nature and boy

471

00:22:01,680 --> 00:21:57,790

that ground has got a concentration of

472

00:22:04,750 --> 00:22:01,690

feelings and vibes and frequencies and

473

00:22:08,230 --> 00:22:04,760

it's a moving target every time I go out

474

00:22:11,290 --> 00:22:08,240

there it seems like it's a mood swing so

475

00:22:14,680 --> 00:22:11,300

so I don't take it for granted I hold my

476

00:22:18,100 --> 00:22:14,690

breath a lot of times probably one of

477

00:22:20,520 --> 00:22:18,110

the biggest radar detectors is is our

478

00:22:23,680 --> 00:22:20,530

dog out there William it seems like he

479

00:22:25,840 --> 00:22:23,690

he's got perspective on on that property

480

00:22:29,620 --> 00:22:25,850

or skinwalker better than all of us so

481

00:22:37,120 --> 00:22:29,630

you know the first said that right well

482

00:22:40,960 --> 00:22:37,130

just wait till two men May 30th was part

483

00:22:43,810 --> 00:22:40,970

of that panel as well yeah yeah I think

484

00:22:45,610 --> 00:22:43,820

I'm I think that this is an extremely

485

00:22:47,850 --> 00:22:45,620

important part and I'm glad they at

486

00:22:50,440 --> 00:22:47,860

least brought in a little bit of course

487

00:22:53,830 --> 00:22:50,450

science is very important but the

488

00:22:58,420 --> 00:22:53,840

skinwalker ranch is rooted in uten

489

00:23:00,940 --> 00:22:58,430

Navajo history and without bringing any

490

00:23:02,710 --> 00:23:00,950

of that on it would be a total shame so

491

00:23:05,040 --> 00:23:02,720

I'm glad at least a little bit of that

492

00:23:08,470 --> 00:23:05,050

has brought onto the show but I think

493

00:23:11,350 --> 00:23:08,480

especially for people who may not have

494

00:23:15,790 --> 00:23:11,360

ever looked into the ranch before they

495

00:23:18,280 --> 00:23:15,800

really should dive deep into the not

496

00:23:21,310 --> 00:23:18,290

only that the legends and and what's led

497

00:23:25,270 --> 00:23:21,320

up to this in the history and in

498

00:23:27,730 --> 00:23:25,280

skinwalker the whole ideology behind it

499

00:23:30,280 --> 00:23:27,740

it's very important in the spirit

500

00:23:33,010 --> 00:23:30,290

quality like you you said is so

501  
00:23:36,700 --> 00:23:33,020  
important in that aspect and it's not

502  
00:23:39,340 --> 00:23:36,710  
without merit look I really appreciate

503  
00:23:44,970 --> 00:23:39,350  
you saying that Maureen and you know

504  
00:23:47,200 --> 00:23:44,980  
science and I value what you're saying

505  
00:23:49,000 --> 00:23:47,210  
you know this isn't the typical

506  
00:23:51,820 --> 00:23:49,010  
interview I think we're concerned about

507  
00:23:55,240 --> 00:23:51,830  
you know the truth the transparency the

508  
00:23:57,970 --> 00:23:55,250  
facts the data as they say but I I you

509  
00:24:01,840 --> 00:23:57,980  
know I I would really an issue money

510  
00:24:04,810 --> 00:24:01,850  
could email Kevin Burns if he doesn't

511  
00:24:07,330 --> 00:24:04,820  
know and just say you know the the

512  
00:24:11,230 --> 00:24:07,340  
bottom line is the science is great but

513  
00:24:14,860 --> 00:24:11,240

that's got a mirror in parallel of the

514

00:24:17,140 --> 00:24:14,870

Spirit because the spirit of that ground

515

00:24:19,990 --> 00:24:17,150

up there just the lore of that easement

516

00:24:22,000 --> 00:24:20,000

of the skinwalker you can only imagine

517

00:24:24,880 --> 00:24:22,010

you know I mean I get I'm not I'm not

518

00:24:26,169 --> 00:24:24,890

picking sides and not all try oh it's

519

00:24:28,750 --> 00:24:26,179

that aside I don't think it's a side I

520

00:24:31,120 --> 00:24:28,760

think these are they go hand in hand its

521

00:24:33,520 --> 00:24:31,130

history its history and unfortunately

522

00:24:37,480 --> 00:24:33,530

you know you get white man going out

523

00:24:40,930 --> 00:24:37,490

there and might is right and you get out

524

00:24:44,110 --> 00:24:40,940

there and they they basically hire the

525

00:24:47,560 --> 00:24:44,120

Utes as their hit man and they utilize

526

00:24:51,490 --> 00:24:47,570

the Navajo as slaves and you can only

527

00:24:53,799 --> 00:24:51,500

imagine the abuse and so you know I

528

00:24:56,020 --> 00:24:53,809

think I think things pick up vibes you

529

00:24:57,880 --> 00:24:56,030

know I mean I know that you know I can

530

00:24:59,669 --> 00:24:57,890

go into a home or you can walk into home

531

00:25:01,600 --> 00:24:59,679

and you can feel the love you know you

532

00:25:03,100 --> 00:25:01,610

it's like an artist

533

00:25:04,680 --> 00:25:03,110

you walk in there think man there's a

534

00:25:07,900 --> 00:25:04,690

lot of love in here I just feel the

535

00:25:09,970 --> 00:25:07,910

spirit you know it feels warm here in

536

00:25:12,250 --> 00:25:09,980

that ranch you get certain people up

537

00:25:14,980 --> 00:25:12,260

there that unfortunately don't have the

538

00:25:17,950 --> 00:25:14,990

underlying motivation obviously you guys

539

00:25:21,220 --> 00:25:17,960

do and you pick up a vibe you know

540

00:25:23,980 --> 00:25:21,230

before before we went out there to to

541

00:25:26,140 --> 00:25:23,990

manage the ranch there was a level of

542

00:25:29,290 --> 00:25:26,150

chaos there was there was a level there

543

00:25:32,049 --> 00:25:29,300

was a contentment there was domestic

544

00:25:33,700 --> 00:25:32,059

issues out there you know where you

545

00:25:34,930 --> 00:25:33,710

start looking back at the history of

546

00:25:37,270 --> 00:25:34,940

some of the people that lived on that

547

00:25:38,560 --> 00:25:37,280

ranch where they were putting locks on

548

00:25:41,810 --> 00:25:38,570

doors and

549

00:25:44,360 --> 00:25:41,820

you know I don't want to get into all

550

00:25:46,790 --> 00:25:44,370

all the personal issues out there but

551  
00:25:49,430 --> 00:25:46,800  
you pick up the vibes you know see ya go

552  
00:25:52,310 --> 00:25:49,440  
home and yet if they were it's clean

553  
00:25:56,660 --> 00:25:52,320  
it's neat there's there's pictures on

554  
00:25:59,780 --> 00:25:56,670  
the wall places is tidy and you sense a

555  
00:26:01,340 --> 00:25:59,790  
harmony level and and what we're doing

556  
00:26:06,080 --> 00:26:01,350  
the ranch right now is we're trying to

557  
00:26:08,840 --> 00:26:06,090  
be responsible tenants because that

558  
00:26:11,720 --> 00:26:08,850  
ranch hosts us nobody owns the land

559  
00:26:13,580 --> 00:26:11,730  
we're out there as guests and you go out

560  
00:26:16,820 --> 00:26:13,590  
there and try to be abusive

561  
00:26:18,350 --> 00:26:16,830  
whether it be digging or just doing

562  
00:26:21,740 --> 00:26:18,360  
things that you know shouldn't be done

563  
00:26:23,840 --> 00:26:21,750

the land picks it up at D Texas again

564

00:26:25,580 --> 00:26:23,850

it's real simple treat people like you

565

00:26:31,190 --> 00:26:25,590

want to be treated the ground is the

566

00:26:32,390 --> 00:26:31,200

same respect it very well said so I know

567

00:26:35,090 --> 00:26:32,400

you've been going at this for a while I

568

00:26:36,740 --> 00:26:35,100

think Jim it might be a good time for us

569

00:26:39,590 --> 00:26:36,750

to kind of move into the questions for

570

00:26:42,800 --> 00:26:39,600

other people online and so what we'll do

571

00:26:45,560 --> 00:26:42,810

is so Lorene read some Jason reads some

572

00:26:47,390 --> 00:26:45,570

and I read some um so we'll start

573

00:26:49,310 --> 00:26:47,400

Maureen just I think we'll just go in

574

00:26:51,620 --> 00:26:49,320

the order like we always do guys if that

575

00:26:54,200 --> 00:26:51,630

works all right

576

00:26:56,930 --> 00:26:54,210

so actually this this question is from

577

00:26:59,990 --> 00:26:56,940

email and comes from whitefeather he

578

00:27:02,210 --> 00:27:00,000

says or he or she actually I'm not sure

579

00:27:04,280 --> 00:27:02,220

says I'm enjoying the show and would

580

00:27:08,540 --> 00:27:04,290

like to ask you concerning the cattle

581

00:27:10,640 --> 00:27:08,550

mutilation that was mentioned I thought

582

00:27:13,370 --> 00:27:10,650

there had been more but it was stated

583

00:27:16,820 --> 00:27:13,380

this one happened on the show was the

584

00:27:21,350 --> 00:27:16,830

first one in about ten years so I think

585

00:27:24,140 --> 00:27:21,360

what he's asking is is is this the first

586

00:27:26,360 --> 00:27:24,150

cattle mutilation but it wasn't really a

587

00:27:30,620 --> 00:27:26,370

mutilation in the last ten years you

588

00:27:32,060 --> 00:27:30,630

know what happened before we got out

589

00:27:33,700 --> 00:27:32,070

there and you know we've been out there

590

00:27:37,180 --> 00:27:33,710

for the last four or five years that

591

00:27:40,190 --> 00:27:37,190

cattle mutilation probably actually

592

00:27:43,460 --> 00:27:40,200

would have been before Bigelow's era and

593

00:27:46,850 --> 00:27:43,470

Bigelow was out there for about 17 years

594

00:27:48,790 --> 00:27:46,860

so I have personally interviewed visited

595

00:27:51,640 --> 00:27:48,800

with the young man that witnessed it

596

00:27:53,920 --> 00:27:51,650

with their canal adei

597

00:27:57,850 --> 00:27:53,930

the recent occurrence that happened this

598

00:28:01,020 --> 00:27:57,860

past summer again from what we can see

599

00:28:04,840 --> 00:28:01,030

in detect was from trauma I you know

600

00:28:08,500 --> 00:28:04,850

being out there that day and what was in

601  
00:28:11,049 --> 00:28:08,510  
the sky observe enough obviously it

602  
00:28:15,040 --> 00:28:11,059  
wasn't a mountain lion it was not no

603  
00:28:18,100 --> 00:28:15,050  
tracks around that but I think once

604  
00:28:20,320 --> 00:28:18,110  
again it was something to do from the

605  
00:28:22,240 --> 00:28:20,330  
unknown that we're still trying to

606  
00:28:25,299 --> 00:28:22,250  
validate but we do have we do have it on

607  
00:28:28,360 --> 00:28:25,309  
camera and and and you know it's funny

608  
00:28:30,760 --> 00:28:28,370  
we as we talk to some of the locals it

609  
00:28:33,880 --> 00:28:30,770  
ebbs and flows out there about every so

610  
00:28:35,980 --> 00:28:33,890  
many years it gets really active out in

611  
00:28:37,870 --> 00:28:35,990  
the basin and then and then it'll get

612  
00:28:40,360 --> 00:28:37,880  
very docile and what we're finding right

613  
00:28:42,100 --> 00:28:40,370

now it's getting really active again out

614

00:28:44,140 --> 00:28:42,110

there it has nothing to do with the

615

00:28:46,630 --> 00:28:44,150

History Channel cominius trying to

616

00:28:49,200 --> 00:28:46,640

promote a show this is the real deal

617

00:28:53,410 --> 00:28:49,210

there's something going on out there

618

00:28:56,799 --> 00:28:53,420

that is really it's a wake-up call for

619

00:28:59,169 --> 00:28:56,809

us Jason with the questions up to

620

00:29:02,410 --> 00:28:59,179

Twitter questions this first one comes

621

00:29:04,240 --> 00:29:02,420

from Halloween mama 88 she asks what

622

00:29:06,430 --> 00:29:04,250

started Jim's interest in the skinwalker

623

00:29:12,570 --> 00:29:06,440

ranch was it prior to working there or

624

00:29:18,190 --> 00:29:12,580

was it long before employment you know I

625

00:29:20,890 --> 00:29:18,200

skinwalkers I you know I really my young

626

00:29:25,240 --> 00:29:20,900

adult life always will interest in the

627

00:29:30,640 --> 00:29:25,250

Native Americans account with days and

628

00:29:32,890 --> 00:29:30,650

evenings up in the Navajo with a Navajo

629

00:29:35,680 --> 00:29:32,900

tribe matter of fact became really close

630

00:29:38,680 --> 00:29:35,690

to the president of the Navajo President

631

00:29:40,660 --> 00:29:38,690

Joe Shirley he was very gracious in

632

00:29:44,260 --> 00:29:40,670

embracing me on a personal basis

633

00:29:48,610 --> 00:29:44,270

inviting me into some of their personal

634

00:29:53,169 --> 00:29:48,620

ceremony area ceremonies and I remember

635

00:29:55,750 --> 00:29:53,179

one night unfortunately I probably being

636

00:29:57,100 --> 00:29:55,760

a little naive and a white boy I had no

637

00:30:01,140 --> 00:29:57,110

there's a drinking amount of water

638

00:30:04,600 --> 00:30:01,150

coffee before going into a ceremony and

639

00:30:05,440 --> 00:30:04,610

you know Sun Goes Down and you go in and

640

00:30:06,850 --> 00:30:05,450

to

641

00:30:08,889 --> 00:30:06,860

we throw money you don't come out till

642

00:30:10,810 --> 00:30:08,899

the Sun comes up and so but halfway

643

00:30:13,450 --> 00:30:10,820

through I just kind of raised my hand

644

00:30:15,299 --> 00:30:13,460

when the drum stops beat of the drum

645

00:30:19,419 --> 00:30:15,309

would do all right

646

00:30:22,840 --> 00:30:19,429

any way that I can go counter clock by

647

00:30:24,549 --> 00:30:22,850

to take a coffee break and then the

648

00:30:27,129 --> 00:30:24,559

president shared with me very candidly

649

00:30:30,190 --> 00:30:27,139

don't go too far I was left with the

650

00:30:32,230 --> 00:30:30,200

choukai and he said there's there's the

651  
00:30:35,740 --> 00:30:32,240  
potential of skinwalkers out there and I

652  
00:30:38,289 --> 00:30:35,750  
I thought okay and he had shared with me

653  
00:30:41,500 --> 00:30:38,299  
many stories that I won't share with you

654  
00:30:44,649 --> 00:30:41,510  
tonight but I'm pleased other times you

655  
00:30:46,950 --> 00:30:44,659  
know the shapeshifter and and so I took

656  
00:30:52,899 --> 00:30:46,960  
you know he had no reason to try to

657  
00:30:55,659 --> 00:30:52,909  
intimidate me or scare me remember going

658  
00:30:57,100 --> 00:30:55,669  
out there and and making my visit

659  
00:31:00,789 --> 00:30:57,110  
outside as quick as I could and that

660  
00:31:02,980 --> 00:31:00,799  
came back into the fire but I have

661  
00:31:05,919 --> 00:31:02,990  
always had a real sincere love and

662  
00:31:08,259 --> 00:31:05,929  
passion to learn about the culture I've

663  
00:31:10,600 --> 00:31:08,269

shared with my Native American brothers

664

00:31:13,289 --> 00:31:10,610

and sisters you know I'm happy in my

665

00:31:16,269 --> 00:31:13,299

skin but there's always been a real

666

00:31:18,340 --> 00:31:16,279

yearning I've had to learn more about

667

00:31:21,720 --> 00:31:18,350

that culture and I embrace it with the

668

00:31:27,820 --> 00:31:21,730

level of respect and love and humility

669

00:31:30,940 --> 00:31:27,830

some of my favorite memories and friends

670

00:31:33,460 --> 00:31:30,950

are Native Americans and and it goes

671

00:31:36,850 --> 00:31:33,470

back to President Carrie Holton with the

672

00:31:39,820 --> 00:31:36,860

Lenape tribe and and some of our Navajo

673

00:31:44,379 --> 00:31:39,830

friends and I mean it's not just one

674

00:31:47,409 --> 00:31:44,389

tribe I just have had a real respect you

675

00:31:49,629 --> 00:31:47,419

know for their culture and I'm I'll

676

00:31:52,120 --> 00:31:49,639

embrace it I love it I'm very

677

00:31:53,440 --> 00:31:52,130

open-minded I always tell people when

678

00:31:56,560 --> 00:31:53,450

you're with me it's what I call a

679

00:31:59,019 --> 00:31:56,570

judgment-free zone so answer the

680

00:32:01,840 --> 00:31:59,029

question I have no idea it's just innate

681

00:32:05,200 --> 00:32:01,850

ever since I was a child my mother used

682

00:32:08,649 --> 00:32:05,210

to listen to my prayers as I kneeled

683

00:32:10,690 --> 00:32:08,659

beside my bed of my passion my love and

684

00:32:14,460 --> 00:32:10,700

my curiosity for Native Americans so

685

00:32:17,830 --> 00:32:14,470

it's something I've had since day one

686

00:32:19,600 --> 00:32:17,840

thank you for sharing that

687

00:32:23,020 --> 00:32:19,610

next question from Twitter comes from

688

00:32:25,510 --> 00:32:23,030

Jack and this is in relation to you know

689

00:32:28,870 --> 00:32:25,520

the the things that go on the ranch and

690

00:32:31,240 --> 00:32:28,880

the the investigation and the study

691

00:32:33,400 --> 00:32:31,250

that's ongoing Jack asks have they

692

00:32:37,240 --> 00:32:33,410

considered a shamanistic approach or

693

00:32:39,970 --> 00:32:37,250

considered some of their methods you

694

00:32:43,200 --> 00:32:39,980

know that the jack brings it up and I

695

00:32:46,240 --> 00:32:43,210

appreciate the question jack

696

00:32:49,020 --> 00:32:46,250

as we were talking yesterday about you

697

00:32:51,910 --> 00:32:49,030

know the possibilities of another season

698

00:32:54,610 --> 00:32:51,920

and this will put out to to your

699

00:32:56,950 --> 00:32:54,620

audience you know we're really open

700

00:32:59,590 --> 00:32:56,960

minded I'm really enjoying working with

701  
00:33:02,380 --> 00:32:59,600  
the staff and I think that's that's

702  
00:33:05,140 --> 00:33:02,390  
probably a great possibility and I think

703  
00:33:10,480 --> 00:33:05,150  
this probably strumann you know we have

704  
00:33:13,680 --> 00:33:10,490  
got obviously very cest roots and he's a

705  
00:33:17,500 --> 00:33:13,690  
real deal so but no I embrace that

706  
00:33:20,860 --> 00:33:17,510  
question and appreciate you asking it so

707  
00:33:23,220 --> 00:33:20,870  
thank you yeah I mean that's definitely

708  
00:33:26,650 --> 00:33:23,230  
something that's gonna be brought up as

709  
00:33:28,000 --> 00:33:26,660  
a just going forward so stay tuned like

710  
00:33:31,300 --> 00:33:28,010  
Brendan would like to say you know he

711  
00:33:33,820 --> 00:33:31,310  
always says that stay tuned so one other

712  
00:33:37,960 --> 00:33:33,830  
question Jim we have from from Facebook

713  
00:33:40,090 --> 00:33:37,970

this is from it says Jesse asks before

714

00:33:42,550 --> 00:33:40,100

your time on the ranch have you ever had

715

00:33:45,070 --> 00:33:42,560

any other quote unquote experiences

716

00:33:47,830 --> 00:33:45,080

again and I think what their meaning is

717

00:33:50,830 --> 00:33:47,840

like paranormal experiences or you know

718

00:33:54,790 --> 00:33:50,840

sightings of UFOs or anything like that

719

00:33:57,160 --> 00:33:54,800

right now I have as a matter of fact I

720

00:34:01,180 --> 00:33:57,170

said on the military advisory board with

721

00:34:04,450 --> 00:34:01,190

the state of Utah with Senator take Garn

722

00:34:07,300 --> 00:34:04,460

and we would go in and out of area 51

723

00:34:09,640 --> 00:34:07,310

and that this one particular day would

724

00:34:11,530 --> 00:34:09,650

start early in the morning if you've

725

00:34:12,940 --> 00:34:11,540

ever been around helicopters you spend a

726

00:34:15,970 --> 00:34:12,950

full day and when you get what you call

727

00:34:19,960 --> 00:34:15,980

metal fatigue so we came back in and I

728

00:34:23,080 --> 00:34:19,970

was coming out of Ogden Utah where Hill

729

00:34:26,970 --> 00:34:23,090

Air Force bases and I was developing a

730

00:34:29,380 --> 00:34:26,980

project up around fruit Heights and

731

00:34:31,580 --> 00:34:29,390

stopped over there to look at the

732

00:34:33,860 --> 00:34:31,590

infrastructure to see if the contract

733

00:34:37,490 --> 00:34:33,870

had done what they said they'd done and

734

00:34:39,980 --> 00:34:37,500

I pulled into the collar sack and got

735

00:34:41,390 --> 00:34:39,990

out of my car and looked up and you know

736

00:34:43,670 --> 00:34:41,400

I don't like say I've had a top secret

737

00:34:45,500 --> 00:34:43,680

clearance I've been around you know the

738

00:34:48,440 --> 00:34:45,510

latest and the greatest and what you

739

00:34:49,940 --> 00:34:48,450

know supposedly we have and I looked up

740

00:34:53,540 --> 00:34:49,950

and it was if I was looking up at the

741

00:34:54,790 --> 00:34:53,550

ceiling of my home and it was it was

742

00:34:57,470 --> 00:34:54,800

almost surreal

743

00:35:00,520 --> 00:34:57,480

overwhelming to me where that that level

744

00:35:04,520 --> 00:35:00,530

of what I would say metal could just

745

00:35:05,870 --> 00:35:04,530

suspend itself from the air and I looked

746

00:35:08,330 --> 00:35:05,880

around I thought is anybody else seeing

747

00:35:11,390 --> 00:35:08,340

this or just this is my is this a

748

00:35:12,470 --> 00:35:11,400

figment of my imagination God and I you

749

00:35:15,200 --> 00:35:12,480

know unfortunately I didn't have the

750

00:35:17,900 --> 00:35:15,210

presence of mind to pull my iPhone out

751

00:35:20,360 --> 00:35:17,910

and take a photo but I got back in the

752

00:35:24,260 --> 00:35:20,370

car I didn't say a lot about it but when

753

00:35:28,790 --> 00:35:24,270

I started when I got engaged to ask to

754

00:35:32,210 --> 00:35:28,800

co-manage the ranch I started talking to

755

00:35:34,810 --> 00:35:32,220

individuals like Jacque fillet and dr.

756

00:35:37,430 --> 00:35:34,820

Christopher green and how boot off and

757

00:35:41,330 --> 00:35:37,440

individuals like that that that you know

758

00:35:44,510 --> 00:35:41,340

had been around that space and and then

759

00:35:46,610 --> 00:35:44,520

I explained to him the shape of it and

760

00:35:50,420 --> 00:35:46,620

it was almost like yeah yeah Jim which

761

00:35:52,940 --> 00:35:50,430

what you saw was a UFO or you and it

762

00:35:55,700 --> 00:35:52,950

wasn't like there was a lights going

763

00:35:58,160 --> 00:35:55,710

around it there was it was a summer

764

00:36:00,470 --> 00:35:58,170

evening it's probably 7:30 8 o'clock in

765

00:36:06,470 --> 00:36:00,480

the evening crystal clear not a

766

00:36:10,400 --> 00:36:06,480

cloudless guy in a metallic [h\_\_\h] shaped

767

00:36:13,460 --> 00:36:10,410

I would call it a vehicle sky being that

768

00:36:16,370 --> 00:36:13,470

was just it was just there and I had no

769

00:36:18,950 --> 00:36:16,380

reason to you know look for somebody to

770

00:36:21,890 --> 00:36:18,960

embrace me or add a boy or pat me on the

771

00:36:24,950 --> 00:36:21,900

back or ever it was just my own personal

772

00:36:26,510 --> 00:36:24,960

experience and now that we have been

773

00:36:28,910 --> 00:36:26,520

affiliated with the ranch for four or

774

00:36:32,180 --> 00:36:28,920

five years now and you start talking to

775

00:36:33,830 --> 00:36:32,190

people like Travis Taylor and witness

776

00:36:37,220 --> 00:36:33,840

you know people have with us like

777

00:36:40,310 --> 00:36:37,230

Michelle you just go you know what yeah

778

00:36:42,410 --> 00:36:40,320

you know I'm a fact-finder there are

779

00:36:44,689 --> 00:36:42,420

things out there that that I can't

780

00:36:46,920 --> 00:36:44,699

explain but

781

00:36:51,150 --> 00:36:46,930

I've acknowledged them with my eyes and

782

00:36:55,410 --> 00:36:51,160

I'm embracing this opportunity is an

783

00:36:57,959 --> 00:36:55,420

opportunity so yeah the fact that you've

784

00:37:03,779 --> 00:36:57,969

gotten to speak with Jacques filet makes

785

00:37:06,449 --> 00:37:03,789

you way cooler than any of us so that's

786

00:37:09,539 --> 00:37:06,459

a very interesting individual you know

787

00:37:12,359 --> 00:37:09,549

when you talk about presence there's an

788

00:37:13,739 --> 00:37:12,369

aura about him that fills the room and

789

00:37:16,890 --> 00:37:13,749

you know to be honest I felt the same

790

00:37:20,670 --> 00:37:16,900

way with a lot of the people that have

791

00:37:23,189 --> 00:37:20,680

had a sincere in about the skinwalker

792

00:37:26,069 --> 00:37:23,199

ranch and you say what you want to about

793

00:37:28,140 --> 00:37:26,079

this billionaire by the name of mr.

794

00:37:31,349 --> 00:37:28,150

Robert Bigelow but that's a guy there

795

00:37:35,189 --> 00:37:31,359

that you know fills the room he's got a

796

00:37:39,299 --> 00:37:35,199

presence about him a stupidity about

797

00:37:41,130 --> 00:37:39,309

him that you know you just you go

798

00:37:43,739 --> 00:37:41,140

wow you know that this guy is a man's

799

00:37:45,390 --> 00:37:43,749

man he's been there he's done that it's

800

00:37:48,900 --> 00:37:45,400

obvious that there was something

801  
00:37:50,880 --> 00:37:48,910  
associated with that ranch otherwise you

802  
00:37:55,519 --> 00:37:50,890  
wouldn't have twenty thirty million

803  
00:37:57,779 --> 00:37:55,529  
dollars of of government money you know

804  
00:38:00,209 --> 00:37:57,789  
associated that ranch and I think what's

805  
00:38:02,609 --> 00:38:00,219  
going to [h\_\_h] what we're gonna find if

806  
00:38:05,819 --> 00:38:02,619  
the good Lords willing they're the one

807  
00:38:08,789 --> 00:38:05,829  
that ranch then they were what we're

808  
00:38:11,549 --> 00:38:08,799  
seeing right now so I'm hoping that with

809  
00:38:13,650 --> 00:38:11,559  
time and papers and some of the people

810  
00:38:17,819 --> 00:38:13,660  
who've been associated that ranch the

811  
00:38:20,400 --> 00:38:17,829  
last 10-15 years I'm hoping that we will

812  
00:38:23,489 --> 00:38:20,410  
allow them to come forward and tell us

813  
00:38:26,459 --> 00:38:23,499

the rest of the story because to be

814

00:38:28,469 --> 00:38:26,469

honest with you I feel like an outsider

815

00:38:31,559 --> 00:38:28,479

looking in that there's people out there

816

00:38:34,559 --> 00:38:31,569

guys that have been there witnessed and

817

00:38:36,660 --> 00:38:34,569

and and one of those is Michelle you

818

00:38:38,999 --> 00:38:36,670

know she's had experiences that that I

819

00:38:43,199 --> 00:38:39,009

can only read about and and to be honest

820

00:38:45,589 --> 00:38:43,209

with you I have no interest embracing or

821

00:38:50,539 --> 00:38:45,599

witnessing some of the experiences that

822

00:38:53,699 --> 00:38:50,549

that they've had it scares me to death

823

00:38:57,059 --> 00:38:53,709

me the way I am naive and also I'll

824

00:38:57,749 --> 00:38:57,069

continue to say no as we go forward you

825

00:39:02,249 --> 00:38:57,759

know

826

00:39:04,380 --> 00:39:02,259

season because I'm putting it all out

827

00:39:06,299 --> 00:39:04,390

there you know fingers are crossed and

828

00:39:08,160 --> 00:39:06,309

everything and we have to get Michelle

829

00:39:09,779 --> 00:39:08,170

on here so we can talk with Michelle as

830

00:39:13,440 --> 00:39:09,789

well because she's played a big part in

831

00:39:15,749 --> 00:39:13,450

this all coming together to it so it

832

00:39:18,359 --> 00:39:15,759

would be great to have her you know

833

00:39:20,700 --> 00:39:18,369

think through you like introducing who

834

00:39:21,950 --> 00:39:20,710

she is and so she can you know talk

835

00:39:24,089 --> 00:39:21,960

about her role and everything too

836

00:39:25,410 --> 00:39:24,099

because this is a big team it's a big

837

00:39:26,609 --> 00:39:25,420

team it's a big family out there and

838

00:39:29,370 --> 00:39:26,619

that was one of the things I try to

839

00:39:31,799 --> 00:39:29,380

explain to people a lot you know it's

840

00:39:33,089 --> 00:39:31,809

not just it's not just a bunch of guys

841

00:39:34,859 --> 00:39:33,099

like these are different it's a

842

00:39:36,779 --> 00:39:34,869

different group of people it's it's not

843

00:39:37,890 --> 00:39:36,789

they're not out there trying to make

844

00:39:40,229 --> 00:39:37,900

money they're not out there trying to

845

00:39:42,809 --> 00:39:40,239

get a show going it's like no these are

846

00:39:46,469 --> 00:39:42,819

genuine people genuine relationships and

847

00:39:48,120 --> 00:39:46,479

it's if you can you know build bonds

848

00:39:49,410 --> 00:39:48,130

with them that's how that's how things

849

00:39:50,999 --> 00:39:49,420

move forward you're not just going to be

850

00:39:52,289 --> 00:39:51,009

like yeah you know I'm a cowboy I'm

851  
00:39:53,420 --> 00:39:52,299  
coming in to get something done now it

852  
00:39:57,630 --> 00:39:53,430  
doesn't work that way

853  
00:39:59,940 --> 00:39:57,640  
it's not you know well well said DJ and

854  
00:40:01,410 --> 00:39:59,950  
I'll tell you you know I mean I being a

855  
00:40:04,259 --> 00:40:01,420  
businessman I've met some interesting

856  
00:40:07,140 --> 00:40:04,269  
people you know the speed winds and guys

857  
00:40:09,660 --> 00:40:07,150  
that were you know capitalized on Las

858  
00:40:11,459 --> 00:40:09,670  
Vegas and you know the the Donald

859  
00:40:14,219 --> 00:40:11,469  
Trump's and the people that you know as

860  
00:40:17,370 --> 00:40:14,229  
a young developer I was in awe you know

861  
00:40:20,819 --> 00:40:17,380  
but but the rest of the story is is this

862  
00:40:23,670 --> 00:40:20,829  
group that has an interest in the facts

863  
00:40:24,120 --> 00:40:23,680

and being a fact-finder there are rare

864

00:40:26,279 --> 00:40:24,130

Bunch

865

00:40:28,469 --> 00:40:26,289

they're a very eclectic some of them are

866

00:40:32,279 --> 00:40:28,479

venture capitalists I know they've done

867

00:40:35,459 --> 00:40:32,289

extremely well obviously financially but

868

00:40:37,709 --> 00:40:35,469

it's almost like in some cases very

869

00:40:39,390 --> 00:40:37,719

hand-picked and when you get on the

870

00:40:42,150 --> 00:40:39,400

ranch with some of these people were

871

00:40:47,190 --> 00:40:42,160

there surgeons you know medical doctors

872

00:40:50,099 --> 00:40:47,200

and philanthropic individuals and I mean

873

00:40:52,440 --> 00:40:50,109

I mean the names are legion and you

874

00:40:55,680 --> 00:40:52,450

start talking to them offline about some

875

00:40:59,940 --> 00:40:55,690

of their personal experiences it is

876

00:41:01,859 --> 00:40:59,950

sobering it is humbling so oh great hey

877

00:41:04,950 --> 00:41:01,869

guys I did we're gonna they're gonna

878

00:41:07,079 --> 00:41:04,960

lock up the club here they've been very

879

00:41:10,319 --> 00:41:07,089

good right here a shout out to the

880

00:41:11,069 --> 00:41:10,329

Cottonwood Country Club and guys I don't

881

00:41:12,779 --> 00:41:11,079

mean to cut you

882

00:41:15,299 --> 00:41:12,789

short but just know that my thoughts and

883

00:41:18,140 --> 00:41:15,309

prayers are with all of you and if you

884

00:41:21,680 --> 00:41:18,150

guys want to text me offline

885

00:41:25,319 --> 00:41:21,690

I'm more than happy to be candid and

886

00:41:27,359 --> 00:41:25,329

transparent and just know that I'm here

887

00:41:32,699 --> 00:41:27,369

spiritually with you and appreciate all

888

00:41:37,739 --> 00:41:32,709

that you do okay thank you thank you as

889

00:41:39,539 --> 00:41:37,749

well so that's it for us this week on

890

00:41:41,279 --> 00:41:39,549

skin-walker debrief the TV show

891

00:41:44,089 --> 00:41:41,289

secretive skinwalker ranch is off the

892

00:41:46,259 --> 00:41:44,099

air next week but be sure to join us

893

00:41:48,449 --> 00:41:46,269

next week because we're still going to

894

00:41:49,529 --> 00:41:48,459

be here and we'll have superintendent of

895

00:41:51,959 --> 00:41:49,539

skinwalker ranch

896

00:41:53,890 --> 00:41:51,969

Thomas Winterton so he will catch you

897

00:42:17,380 --> 00:41:53,900

guys later
