

SKINWALKER RANCH PANEL

Featuring Bryant "Dragon" Arnold, Jim Morse, Thomas Winterton, and TJ Allard
Hosted by Maureen Elsberry

1
00:00:21,220 --> 00:00:18,910
hello everyone and welcome to the

2
00:00:23,410 --> 00:00:21,230
skinwalker ranch panel at all the

3
00:00:25,900 --> 00:00:23,420
strange I'm marina Ellsbury from rogue

4
00:00:27,999 --> 00:00:25,910
planet today I'm happy to be joined by

5
00:00:30,339 --> 00:00:28,009
an awesome group of people as some of

6
00:00:32,710 --> 00:00:30,349
the team from the ranch and from the

7
00:00:35,619 --> 00:00:32,720
show of the secret of skinwalker ranch

8
00:00:43,270 --> 00:00:35,629
we have executive producer of the show

9
00:00:45,330 --> 00:00:43,280
TJ aller yes yes Esme and we have the

10
00:00:48,610 --> 00:00:45,340
ranch superintendent Thomas Winterton

11
00:00:51,070 --> 00:00:48,620
ranch manager Jim Morse and the head of

12
00:00:53,079 --> 00:00:51,080
security Brant Arnold otherwise known as

13
00:00:56,860 --> 00:00:53,089

dragon so thanks for joining us today

14

00:00:58,840 --> 00:00:56,870

guys thank you thank you so I'm gonna

15

00:01:01,810 --> 00:00:58,850

start you all off with a softball and I

16

00:01:04,479 --> 00:01:01,820

want to start with the ranch crew just

17

00:01:06,969 --> 00:01:04,489

if we could go one by one and tell us a

18

00:01:09,250 --> 00:01:06,979

little bit about your job role and how

19

00:01:12,010 --> 00:01:09,260

you got involved at the ranch so let's

20

00:01:15,130 --> 00:01:12,020

start with you Thomas I'm the

21

00:01:17,910 --> 00:01:15,140

superintendent I basically oversee all

22

00:01:20,680 --> 00:01:17,920

the facilities I oversee the ranch and

23

00:01:24,130 --> 00:01:20,690

coordinate efforts between the

24

00:01:25,720 --> 00:01:24,140

scientists and security and then making

25

00:01:27,280 --> 00:01:25,730

sure the infrastructure and everything

26
00:01:28,060 --> 00:01:27,290
is in place for both of them to be able

27
00:01:31,870 --> 00:01:28,070
to do their jobs

28
00:01:34,930 --> 00:01:31,880
so I Jim Morse the manager is actually

29
00:01:36,460 --> 00:01:34,940
the one that got me involved he happened

30
00:01:38,230 --> 00:01:36,470
to stay at my little motel here in

31
00:01:40,990 --> 00:01:38,240
Roosevelt on his way into town when

32
00:01:42,970 --> 00:01:41,000
Brandon four-spot the place and we

33
00:01:45,940 --> 00:01:42,980
struck it up and he asked me as a

34
00:01:49,060 --> 00:01:45,950
general contractor to come out and to do

35
00:01:53,320 --> 00:01:49,070
a property inspection and through that

36
00:01:55,680 --> 00:01:53,330
and helping in assisting Brandon and Jim

37
00:01:58,390 --> 00:01:55,690
and upgrading the facilities out there

38
00:02:01,180 --> 00:01:58,400

Brandon asked me to just stay on and and

39

00:02:03,610 --> 00:02:01,190

oversee it awesome

40

00:02:05,649 --> 00:02:03,620

it's all about who you meet in the

41

00:02:09,009 --> 00:02:05,659

weirdest of times so with that let's

42

00:02:10,660 --> 00:02:09,019

let's hit you up Jim thanks boring

43

00:02:15,070 --> 00:02:10,670

appreciate that

44

00:02:18,070 --> 00:02:15,080

yeah Tom's pretty much nailed it the

45

00:02:20,170 --> 00:02:18,080

this whole situation with the ranch as I

46

00:02:22,479 --> 00:02:20,180

reflect back on it with the opportunity

47

00:02:24,699 --> 00:02:22,489

of initially going up to the ranch with

48

00:02:28,089 --> 00:02:24,709

Brandon fudge Hooper for the longest

49

00:02:29,020 --> 00:02:28,099

time really wanted Stan's China you know

50

00:02:32,110 --> 00:02:29,030

I don't know how much you know

51
00:02:35,289 --> 00:02:32,120
personally about him but you know just

52
00:02:39,489 --> 00:02:35,299
one of the who's who and on the Wasatch

53
00:02:42,369 --> 00:02:39,499
Front I mean the guy I go all the way

54
00:02:45,009 --> 00:02:42,379
back to him and he was 18 years old and

55
00:02:48,879 --> 00:02:45,019
so there was a lot of loyalty a

56
00:02:50,619 --> 00:02:48,889
commitment on my part anytime the

57
00:02:53,199 --> 00:02:50,629
gentleman calls I'm not only an

58
00:02:55,659 --> 00:02:53,209
attention but pleased to be there so we

59
00:02:58,509 --> 00:02:55,669
flew out one early morning about 7:30

60
00:03:00,550 --> 00:02:58,519
a.m. and of course I've had a little bit

61
00:03:03,509 --> 00:03:00,560
of a background working with Native

62
00:03:06,189 --> 00:03:03,519
American society was young adult and

63
00:03:10,080 --> 00:03:06,199

never have been really out in the basic

64

00:03:13,300 --> 00:03:10,090

Roosevelt and so after he initiated the

65

00:03:16,020 --> 00:03:13,310

opportunity went up the ranch we started

66

00:03:18,429 --> 00:03:16,030

to go out there on a weekly basis and

67

00:03:21,009 --> 00:03:18,439

Thomas Lincoln was the first gentleman

68

00:03:25,839 --> 00:03:21,019

that I had contact with and they talk

69

00:03:29,050 --> 00:03:25,849

about good almonds and this wasn't by

70

00:03:33,219 --> 00:03:29,060

chance you know that this thing has been

71

00:03:37,559 --> 00:03:33,229

is unfolded as if as if it was which

72

00:03:41,339 --> 00:03:37,569

call it destiny and so tom has been

73

00:03:45,610 --> 00:03:41,349

Heaven Sent not only personally to me

74

00:03:47,349 --> 00:03:45,620

but to the ranch and rest of story I

75

00:03:50,319 --> 00:03:47,359

think some of the viewers are getting

76
00:03:52,509 --> 00:03:50,329
from some of these episodes but this is

77
00:03:54,429 --> 00:03:52,519
an opportunity for the audience to look

78
00:03:55,740 --> 00:03:54,439
at real substance and not just smoking

79
00:03:59,199 --> 00:03:55,750
nerves

80
00:04:01,270 --> 00:03:59,209
sure and what it what is your your

81
00:04:05,229 --> 00:04:01,280
general duties would you say on the

82
00:04:07,119 --> 00:04:05,239
ranch you know the reality of it is I'm

83
00:04:10,240 --> 00:04:07,129
out in the valley the Salt Lake City

84
00:04:14,110 --> 00:04:10,250
Valley between Tom and Bryant they are

85
00:04:17,709 --> 00:04:14,120
there hands on and in some respects 24/7

86
00:04:19,870 --> 00:04:17,719
so my real job has been real estate

87
00:04:23,709 --> 00:04:19,880
development commercial I say office

88
00:04:27,070 --> 00:04:23,719

buildings hotels and but there was there

89

00:04:29,800 --> 00:04:27,080

was an immediate synergy in respect that

90

00:04:31,480 --> 00:04:29,810

I had for Tom Winterton not only one of

91

00:04:35,589 --> 00:04:31,490

the great contractors out there in the

92

00:04:37,810 --> 00:04:35,599

basin but a hands-on I mean you know the

93

00:04:38,760 --> 00:04:37,820

word Cowboys thrown around a little bit

94

00:04:43,230 --> 00:04:38,770

maybe

95

00:04:45,360 --> 00:04:43,240

but this this is this is a guy who the

96

00:04:48,300 --> 00:04:45,370

real cowboy I miss the guy you know

97

00:04:51,600 --> 00:04:48,310

brand he can ride a horse time sure with

98

00:04:55,520 --> 00:04:51,610

the best of them is fantastic when it

99

00:04:58,110 --> 00:04:55,530

comes to equipment heavy equipment and

100

00:05:00,360 --> 00:04:58,120

is a big picture call that ranches this

101
00:05:02,969 --> 00:05:00,370
as I said is not smoking nerves this is

102
00:05:04,770 --> 00:05:02,979
the real deal and this is a ranch you

103
00:05:08,900 --> 00:05:04,780
know you've got cattle up there you got

104
00:05:11,610 --> 00:05:08,910
the irrigation of relations associated

105
00:05:14,850 --> 00:05:11,620
being out there in this very remote area

106
00:05:18,260 --> 00:05:14,860
on the reservation and the Winterton

107
00:05:24,379 --> 00:05:18,270
family has a very profound good name and

108
00:05:27,360 --> 00:05:24,389
I can tell you we lucked out so yeah

109
00:05:30,210 --> 00:05:27,370
awesome and yeah so from what we've

110
00:05:31,920 --> 00:05:30,220
learned from Brandon he seems obviously

111
00:05:33,899 --> 00:05:31,930
we've learned that he loyal T is

112
00:05:35,999 --> 00:05:33,909
extremely important to him and somebody

113
00:05:38,370 --> 00:05:36,009

else and forgive me if I'm wrong Brian

114

00:05:43,050 --> 00:05:38,380

but you've also known Brandon since you

115

00:05:47,010 --> 00:05:43,060

were 18 correct yeah 18 19 somewhere in

116

00:05:50,550 --> 00:05:47,020

there Brandon and I go way back and you

117

00:05:52,170 --> 00:05:50,560

know I guess it's that relationship and

118

00:05:55,020 --> 00:05:52,180

for years you know I've just been a

119

00:05:56,939 --> 00:05:55,030

close friend and confidant and if he's

120

00:05:58,800 --> 00:05:56,949

needed something done I've been able to

121

00:06:01,320 --> 00:05:58,810

help him get that done in in various

122

00:06:04,170 --> 00:06:01,330

respects and so when he purchased the

123

00:06:07,170 --> 00:06:04,180

ranch he asked if I wouldn't go out and

124

00:06:09,870 --> 00:06:07,180

check things out and it became evident

125

00:06:11,459 --> 00:06:09,880

that we needed a security presence there

126

00:06:13,499 --> 00:06:11,469

with the interest of the place as well

127

00:06:16,050 --> 00:06:13,509

as you know some of the natural dangers

128

00:06:17,760 --> 00:06:16,060

as well as the unknown dangers which

129

00:06:21,480 --> 00:06:17,770

were actually trying to find out right

130

00:06:26,909 --> 00:06:21,490

now and so you know I took it upon

131

00:06:29,850 --> 00:06:26,919

myself to really head up that effort and

132

00:06:32,520 --> 00:06:29,860

I take it seriously and one thing

133

00:06:33,899 --> 00:06:32,530

Brandon knows about me is I'm not afraid

134

00:06:35,879 --> 00:06:33,909

to put my nose in there if I have to

135

00:06:37,709 --> 00:06:35,889

whether it ruffles feathers or not but

136

00:06:39,390 --> 00:06:37,719

but he appreciates that and he knows

137

00:06:42,839 --> 00:06:39,400

that I'm gonna shoot it straight with

138

00:06:44,790 --> 00:06:42,849

him and that he can trust me and the you

139

00:06:47,399 --> 00:06:44,800

know I've got his back first and

140

00:06:48,659 --> 00:06:47,409

foremost and that you know I'm gonna do

141

00:06:51,689 --> 00:06:48,669

what it takes to make sure the people

142

00:06:52,590 --> 00:06:51,699

that are out there to the best of my

143

00:06:54,990 --> 00:06:52,600

ability and with

144

00:06:58,050 --> 00:06:55,000

my power stay safe and taken care of and

145

00:07:00,300 --> 00:06:58,060

that we most importantly preserve the

146

00:07:01,890 --> 00:07:00,310

entire to the science integrity of the

147

00:07:04,590 --> 00:07:01,900

of the work that's going on there

148

00:07:08,310 --> 00:07:04,600

because it is a living laboratory he's

149

00:07:10,470 --> 00:07:08,320

invested a lot of money in the equipment

150

00:07:14,520 --> 00:07:10,480

and everything else associated with the

151
00:07:16,290 --> 00:07:14,530
ranch and every time you know an outside

152
00:07:19,680 --> 00:07:16,300
presence comes in there and everything

153
00:07:22,610 --> 00:07:19,690
else it can mess with that data and rob

154
00:07:26,550 --> 00:07:22,620
us of days and weeks and months of

155
00:07:28,650 --> 00:07:26,560
important things so I know you didn't

156
00:07:31,050 --> 00:07:28,660
really ask about my duties necessarily

157
00:07:32,580 --> 00:07:31,060
but really at the end of the day it's my

158
00:07:35,030 --> 00:07:32,590
relationship with Brandon they got me

159
00:07:37,590 --> 00:07:35,040
associated with it in the first place

160
00:07:40,710 --> 00:07:37,600
yeah and and I think it's great because

161
00:07:42,600 --> 00:07:40,720
what the audience may not know but we've

162
00:07:45,390 --> 00:07:42,610
tried to at least on our podcast

163
00:07:48,810 --> 00:07:45,400

skinwalker debrief is bring forward that

164

00:07:52,230 --> 00:07:48,820

you were all a team prior to the show

165

00:07:54,540 --> 00:07:52,240

happening so TJ why don't you take us

166

00:07:58,920 --> 00:07:54,550

through a little bit of how the show

167

00:08:01,280 --> 00:07:58,930

came to be Wow that is uh I don't fear

168

00:08:05,160 --> 00:08:01,290

that much time I can give you the brief

169

00:08:05,880 --> 00:08:05,170

the brief version um it all started way

170

00:08:10,710 --> 00:08:05,890

back when

171

00:08:12,150 --> 00:08:10,720

no I guess what it was is you know in

172

00:08:14,550 --> 00:08:12,160

pitching shows and doing show

173

00:08:16,230 --> 00:08:14,560

development for a while anytime you

174

00:08:18,810 --> 00:08:16,240

would do any any time you would pitch a

175

00:08:20,760 --> 00:08:18,820

show that was you know in that in that

176

00:08:22,440 --> 00:08:20,770

world and I hate to say that UFO world

177

00:08:24,300 --> 00:08:22,450

because it encompasses so many other

178

00:08:27,060 --> 00:08:24,310

things just the unknown stuff

179

00:08:28,440 --> 00:08:27,070

quote-unquote anytime you would picture

180

00:08:30,900 --> 00:08:28,450

that they're like well yeah it's not

181

00:08:34,830 --> 00:08:30,910

area 51 yeah it's not skinwalker ranch

182

00:08:37,320 --> 00:08:34,840

and I just heard it so often that I

183

00:08:39,990 --> 00:08:37,330

finally was like enough enough what is

184

00:08:41,940 --> 00:08:40,000

it with this you know it's time and it

185

00:08:43,709 --> 00:08:41,950

just seemed to me after you know and I

186

00:08:44,880 --> 00:08:43,719

had known about the ranch for years and

187

00:08:46,200 --> 00:08:44,890

it was something it was kind of that

188

00:08:48,060 --> 00:08:46,210

untouchable you know you hear about it

189

00:08:50,000 --> 00:08:48,070

and people would talk about it and it

190

00:08:52,440 --> 00:08:50,010

almost it almost seemed like people just

191

00:08:54,960 --> 00:08:52,450

everyone knew about it but no one knew

192

00:08:56,910 --> 00:08:54,970

anything anything about it so I just

193

00:09:00,480 --> 00:08:56,920

find enough and I just started digging

194

00:09:02,510 --> 00:09:00,490

into figuring out how do how do you get

195

00:09:05,330 --> 00:09:02,520

in touch with them and

196

00:09:06,740 --> 00:09:05,340

and you know really truly make up you

197

00:09:09,860 --> 00:09:06,750

know make some kind of connection that

198

00:09:11,270 --> 00:09:09,870

you can say hey look I we really want to

199

00:09:12,230 --> 00:09:11,280

bring this to the public it's time for

200

00:09:13,850 --> 00:09:12,240

people to see this there's too many

201
00:09:16,580 --> 00:09:13,860
unknowns too many questions too many

202
00:09:18,770 --> 00:09:16,590
rumors and just let's get to the truth

203
00:09:20,330 --> 00:09:18,780
of this and it just so happened in my

204
00:09:21,860 --> 00:09:20,340
timing just happened to be you know fate

205
00:09:24,380 --> 00:09:21,870
was smiling upon me because I just

206
00:09:26,030 --> 00:09:24,390
happened to have really good timing

207
00:09:30,050 --> 00:09:26,040
you know the branch has just changed

208
00:09:32,510 --> 00:09:30,060
hands and you know Thomas was the

209
00:09:33,770 --> 00:09:32,520
gatekeeper I mean he was I'll never

210
00:09:35,720 --> 00:09:33,780
forget you know all those calls ahead

211
00:09:38,390 --> 00:09:35,730
for them and him saying you know look

212
00:09:39,800 --> 00:09:38,400
man I'm I guess I'm if anything I'm kind

213
00:09:41,480 --> 00:09:39,810

of like the janitor that's what I am

214

00:09:44,030 --> 00:09:41,490

here and it's like dude you're not the

215

00:09:45,080 --> 00:09:44,040

janitor what are you talking about no no

216

00:09:46,940 --> 00:09:45,090

no you don't understand

217

00:09:48,980 --> 00:09:46,950

and you know I mean I talked to Thomas

218

00:09:50,420 --> 00:09:48,990

for months and months and it's funny

219

00:09:52,460 --> 00:09:50,430

I've told these guys you know I still

220

00:09:54,680 --> 00:09:52,470

have all the text messages they've never

221

00:09:55,610 --> 00:09:54,690

written back and forth because funny

222

00:09:57,590 --> 00:09:55,620

enough there was never

223

00:09:59,090 --> 00:09:57,600

females and very few phone calls if

224

00:10:01,130 --> 00:09:59,100

people believe that it's it's crazy

225

00:10:04,010 --> 00:10:01,140

that's the way kind of stuff having was

226

00:10:06,290 --> 00:10:04,020

through text messaging and it was you

227

00:10:09,590 --> 00:10:06,300

know random texts back and forth for

228

00:10:10,850 --> 00:10:09,600

hours and then just constant getting to

229

00:10:13,820 --> 00:10:10,860

know people like it took me you know

230

00:10:15,440 --> 00:10:13,830

months I mean Thomas what like at least

231

00:10:18,140 --> 00:10:15,450

it has to be at least six months eight

232

00:10:19,700 --> 00:10:18,150

months more well I mean maybe before we

233

00:10:21,620 --> 00:10:19,710

actually kind of started talking on the

234

00:10:24,740 --> 00:10:21,630

phone is that is that right is that safe

235

00:10:27,110 --> 00:10:24,750

to say yeah I think from your first

236

00:10:29,690 --> 00:10:27,120

contact cuz when you first contacted me

237

00:10:31,820 --> 00:10:29,700

I told you you know I don't think that

238

00:10:33,530 --> 00:10:31,830

we're interested in that right now but

239

00:10:37,850 --> 00:10:33,540

you never know the situation can change

240

00:10:39,980 --> 00:10:37,860

and so and I told him you're welcome to

241

00:10:41,810 --> 00:10:39,990

contact me again in the future if you'd

242

00:10:44,180 --> 00:10:41,820

like and he took that to heart

243

00:10:46,280 --> 00:10:44,190

and if it wasn't mostly over text but I

244

00:10:50,090 --> 00:10:46,290

do remember that you were faithful about

245

00:10:51,680 --> 00:10:50,100

call on once a month and I mean you you

246

00:10:53,180 --> 00:10:51,690

checked in once a month but I I do think

247

00:10:55,700 --> 00:10:53,190

you're right I think it was like at

248

00:10:59,170 --> 00:10:55,710

least six four eight months yeah before

249

00:11:01,640 --> 00:10:59,180

you finally got to go to the next right

250

00:11:04,160 --> 00:11:01,650

and that was that was funny because the

251
00:11:06,530 --> 00:11:04,170
the brief version was you know Thomas

252
00:11:08,840 --> 00:11:06,540
was like finally alright man listen you

253
00:11:10,430 --> 00:11:08,850
gotta call Jim here's who I want you and

254
00:11:12,500 --> 00:11:10,440
he kind of almost scripted out what I

255
00:11:15,740 --> 00:11:12,510
needed to say so Jim didn't think I was

256
00:11:16,639 --> 00:11:15,750
some crazy person calling him and he was

257
00:11:22,369 --> 00:11:16,649
you know

258
00:11:24,949 --> 00:11:22,379
know what you do and what your

259
00:11:27,650 --> 00:11:24,959
intentions are and then you know Jim

260
00:11:29,299 --> 00:11:27,660
finally I got to speak with Jim and you

261
00:11:30,859 --> 00:11:29,309
know the same thing you know he was it

262
00:11:32,600 --> 00:11:30,869
was slow going you know he was little

263
00:11:34,040 --> 00:11:32,610

tepid at first but of course that Jim is

264

00:11:35,900 --> 00:11:34,050

just she wants to give you a bear hug

265

00:11:37,309 --> 00:11:35,910

he's like he loves everybody so it's one

266

00:11:39,590 --> 00:11:37,319

of those like he welcomed me right in

267

00:11:41,960 --> 00:11:39,600

and then it just over the course of

268

00:11:44,689 --> 00:11:41,970

another six months plus you know it took

269

00:11:46,400 --> 00:11:44,699

me to get to know Jim and you know in

270

00:11:48,410 --> 00:11:46,410

June is that is that safe to say like

271

00:11:54,790 --> 00:11:48,420

you know I mean another period of time

272

00:12:03,230 --> 00:11:57,769

obviously very tenacious but in the

273

00:12:07,189 --> 00:12:03,240

polite way gentleman and you know it was

274

00:12:10,609 --> 00:12:07,199

baby steps you know because of the

275

00:12:13,669 --> 00:12:10,619

design of the ranch were if you were

276

00:12:18,169 --> 00:12:13,679

wanted to stay really in the back and

277

00:12:28,939 --> 00:12:18,179

one of the exposure myself tried to

278

00:12:30,169 --> 00:12:28,949

shield normal you get into ufology and

279

00:12:31,939 --> 00:12:30,179

everybody let's say you like some

280

00:12:35,150 --> 00:12:31,949

crackpot yeah you know we're

281

00:12:37,850 --> 00:12:35,160

businesspeople so yeah you're absolutely

282

00:12:41,239 --> 00:12:37,860

accurate and if it wasn't for Tom you

283

00:12:44,720 --> 00:12:41,249

know because we get people coming out to

284

00:12:46,610 --> 00:12:44,730

the basin and they'll go to the locals

285

00:12:47,629 --> 00:12:46,620

do you know where skinwalker ranches do

286

00:12:50,569 --> 00:12:47,639

you know how to get ahold of somebody

287

00:12:52,699 --> 00:12:50,579

and and the names are legion you know

288

00:12:54,369 --> 00:12:52,709

I'd come out there and every time I come

289

00:12:56,869 --> 00:12:54,379

out I've got a notes look to me

290

00:12:59,829 --> 00:12:56,879

professor stone so you know would love

291

00:13:03,139 --> 00:12:59,839

you to call there you get inundated with

292

00:13:07,639 --> 00:13:03,149

the curiosity associated with this

293

00:13:09,379 --> 00:13:07,649

branch yeah I approach cool and I

294

00:13:11,449 --> 00:13:09,389

approached it like it was a these guys

295

00:13:12,619 --> 00:13:11,459

were businessmen and but they you know

296

00:13:14,119 --> 00:13:12,629

just like in any business you want to

297

00:13:15,350 --> 00:13:14,129

work with people that you are drawn to

298

00:13:17,660 --> 00:13:15,360

that you like that you're friendly with

299

00:13:19,160 --> 00:13:17,670

and that you can trust and I think that

300

00:13:21,410 --> 00:13:19,170

over time it's you know when you realize

301

00:13:22,819 --> 00:13:21,420

yeah I'm not just in this to chart out

302

00:13:24,679 --> 00:13:22,829

you know oh yeah let's come in and make

303

00:13:26,809 --> 00:13:24,689

a crazy kind of show or something

304

00:13:28,519 --> 00:13:26,819

ridiculous like no we want to do what's

305

00:13:30,100 --> 00:13:28,529

right for the ranch and to present it in

306

00:13:32,019 --> 00:13:30,110

the way you guys want to

307

00:13:34,810 --> 00:13:32,029

um you know and after a while it just

308

00:13:39,790 --> 00:13:34,820

finally clicked and you know it's funny

309

00:13:41,920 --> 00:13:39,800

when I first went out there it was you

310

00:13:44,139 --> 00:13:41,930

know the guy I went out with with Joel

311

00:13:46,180 --> 00:13:44,149

Patterson who I you know did this with

312

00:13:50,560 --> 00:13:46,190

kind of work with me and putting this

313

00:13:51,940 --> 00:13:50,570

bringing this to - Prometheus and he you

314

00:13:54,370 --> 00:13:51,950

know we didn't he I don't even think I

315

00:13:56,290 --> 00:13:54,380

told Joel at that time what Brandon's

316

00:13:59,590 --> 00:13:56,300

name was because we used to call him Poe

317

00:14:01,840 --> 00:13:59,600

on the phone our code name was Poe for

318

00:14:04,120 --> 00:14:01,850

short for property owner and so I would

319

00:14:05,680 --> 00:14:04,130

never because you know that there's all

320

00:14:06,759 --> 00:14:05,690

these rumors about like how people are

321

00:14:08,680 --> 00:14:06,769

listening to your phone calls and

322

00:14:10,180 --> 00:14:08,690

skinwalker ranch is is totally you know

323

00:14:12,940 --> 00:14:10,190

it's government and it's this and it's

324

00:14:16,810 --> 00:14:12,950

that and it's like man I better not

325

00:14:18,579 --> 00:14:16,820

say anything that you know make me look

326

00:14:20,350 --> 00:14:18,589

bad or put me in a bad place like I

327

00:14:21,370 --> 00:14:20,360

can't see this guy's name I know like

328

00:14:22,720 --> 00:14:21,380

all the sudden guys could show up in

329

00:14:25,480 --> 00:14:22,730

like front of my house and put me in a

330

00:14:27,460 --> 00:14:25,490

van and never see me again so I took

331

00:14:29,560 --> 00:14:27,470

that all to heart like this entire idea

332

00:14:31,810 --> 00:14:29,570

of the secrecy and keeping it close like

333

00:14:34,449 --> 00:14:31,820

look this is what he wanted and so I

334

00:14:36,460 --> 00:14:34,459

made sure hey he was Poe you can't call

335

00:14:38,380 --> 00:14:36,470

him anything else and even when we first

336

00:14:40,060 --> 00:14:38,390

brought the History Channel out there at

337

00:14:42,030 --> 00:14:40,070

breakfast the first time we brought one

338

00:14:44,199 --> 00:14:42,040

of the History Channel people out there

339

00:14:47,560 --> 00:14:44,209

prayed and sat down and he was like I

340

00:14:50,199 --> 00:14:47,570

I'm Brandon big I was like huh he's like

341

00:14:52,630 --> 00:14:50,209

oh yeah we never told you his name I'm

342

00:14:54,370 --> 00:14:52,640

sorry so this is like they're at

343

00:14:55,900 --> 00:14:54,380

breakfast the first time these people

344

00:14:57,699 --> 00:14:55,910

are meeting and getting his name so

345

00:15:00,250 --> 00:14:57,709

there's a lot of secrecy around it and

346

00:15:01,540 --> 00:15:00,260

it was just a lot of trust stuff and you

347

00:15:03,730 --> 00:15:01,550

know these guys were great they let me

348

00:15:05,800 --> 00:15:03,740

in and you know the rest is history or

349

00:15:07,630 --> 00:15:05,810

seeing it unfold in front of us but that

350

00:15:09,189 --> 00:15:07,640

was a long journey and someone had to do

351

00:15:11,069 --> 00:15:09,199

it and it just happened to be you know

352

00:15:13,600 --> 00:15:11,079

me I was I was the one who kind of just

353

00:15:16,480 --> 00:15:13,610

you know didn't stop until it was gonna

354

00:15:18,759 --> 00:15:16,490

happen so somebody made it happen well

355

00:15:20,560 --> 00:15:18,769

good for you because you know as as all

356

00:15:23,290 --> 00:15:20,570

of us are super fascinated by the ranch

357

00:15:25,689 --> 00:15:23,300

in the topic and what the heck is going

358

00:15:28,389 --> 00:15:25,699

on there it's it's great to have that

359

00:15:31,810 --> 00:15:28,399

insider view before we get into a lot of

360

00:15:35,199 --> 00:15:31,820

the filming questions I want to ask you

361

00:15:37,569 --> 00:15:35,209

all each how your you think your

362

00:15:39,370 --> 00:15:37,579

perception has changed since when you

363

00:15:41,139 --> 00:15:39,380

first came on the ranch I'm sure this is

364

00:15:43,180 --> 00:15:41,149

kind of a weird thing you have this

365

00:15:45,610 --> 00:15:43,190

person reached out to you or your friend

366

00:15:48,480 --> 00:15:45,620

that says I bind this ranch there's a

367

00:15:51,340 --> 00:15:48,490

lot of strange stuff happening on there

368

00:15:54,070 --> 00:15:51,350

go explore it let's do a scientific

369

00:15:56,110 --> 00:15:54,080

investigation to what you've experienced

370

00:15:58,330 --> 00:15:56,120

over the course of the last four years

371

00:16:01,170 --> 00:15:58,340

investigating the ranch how is your

372

00:16:05,850 --> 00:16:01,180

perspective changed let's go ahead and

373

00:16:13,090 --> 00:16:08,320

great question

374

00:16:17,080 --> 00:16:13,100

my perspective of the ranch my

375

00:16:18,850 --> 00:16:17,090

background before during the telling of

376

00:16:22,390 --> 00:16:18,860

Vietnam I was a military police officer

377

00:16:24,400 --> 00:16:22,400

I've worked yeah I've been in 1951 said

378

00:16:28,830 --> 00:16:24,410

on the military advisory board of the

379

00:16:32,860 --> 00:16:28,840

state that ranch when I went out there

380

00:16:34,510 --> 00:16:32,870

had a frequency or vibration that was so

381

00:16:38,920 --> 00:16:34,520

different than anything else I'd ever

382

00:16:41,260 --> 00:16:38,930

been engaged I'm not a tough guy like

383

00:16:43,630 --> 00:16:41,270

these these other two guys you know but

384

00:16:47,050 --> 00:16:43,640

I'll tell you the darkness make me

385

00:16:50,350 --> 00:16:47,060

wearing some of the people that we have

386

00:16:54,580 --> 00:16:50,360

engaged and brought out their last few

387

00:16:57,970 --> 00:16:54,590

years they they have had experiences

388

00:17:01,990 --> 00:16:57,980

like personally witnessed and ain't

389

00:17:05,590 --> 00:17:02,000

devolved right now and really what I'm

390

00:17:08,230 --> 00:17:05,600

trying to to do is bring in more of the

391

00:17:10,270 --> 00:17:08,240

spirit you know there's a lot of science

392

00:17:12,699 --> 00:17:10,280

out there and they're validating a lot

393

00:17:15,790 --> 00:17:12,709

of things but I've always tried to

394

00:17:17,650 --> 00:17:15,800

embrace not only this property but life

395

00:17:19,240 --> 00:17:17,660

with a level of respect you know it's

396

00:17:21,370 --> 00:17:19,250

real stuff treat people like you want to

397

00:17:25,770 --> 00:17:21,380

be treated and so that property out

398

00:17:32,140 --> 00:17:28,020

reservation there's a lot of things

399

00:17:35,500 --> 00:17:32,150

happened good and bad and that's where

400

00:17:37,930 --> 00:17:35,510

we get into the war of the skinwalker so

401
00:17:41,080 --> 00:17:37,940
as far as the experience isn't trying to

402
00:17:44,560 --> 00:17:41,090
get perspective that that property is

403
00:17:47,200 --> 00:17:44,570
absolutely an enigma to me it seems like

404
00:17:50,050 --> 00:17:47,210
and it's very random there's times that

405
00:17:53,410 --> 00:17:50,060
you go out there and you feel a level

406
00:17:55,810 --> 00:17:53,420
piece another bra sure you can go out

407
00:17:56,980 --> 00:17:55,820
there and he feels a closeness with his

408
00:17:59,169 --> 00:17:56,990
father

409
00:18:01,480 --> 00:17:59,179
as time as I go up there I think this is

410
00:18:03,190 --> 00:18:01,490
this is beautiful property there's other

411
00:18:07,419 --> 00:18:03,200
times I go up there and I actually can

412
00:18:09,250 --> 00:18:07,429
fill it as I'm driving in from song city

413
00:18:11,620 --> 00:18:09,260

you know by the time sometimes I'll hit

414

00:18:14,290 --> 00:18:11,630

Duchene it's like there's a there's an

415

00:18:16,510 --> 00:18:14,300

uneasiness and something in the air you

416

00:18:18,580 --> 00:18:16,520

know that's energy you know like walking

417

00:18:22,180 --> 00:18:18,590

into a room were you know somebody's

418

00:18:24,220 --> 00:18:22,190

having a bad day and you pick up that

419

00:18:26,410 --> 00:18:24,230

vibe and there's other days that ground

420

00:18:28,360 --> 00:18:26,420

I haven't go out there and you can

421

00:18:31,570 --> 00:18:28,370

actually feel it in your sinuses you

422

00:18:34,690 --> 00:18:31,580

know you can drive around what I call

423

00:18:36,010 --> 00:18:34,700

the popemobile and there's just

424

00:18:39,150 --> 00:18:36,020

something out that it's like this

425

00:18:41,140 --> 00:18:39,160

spirits moving around we we brought out

426

00:18:43,150 --> 00:18:41,150

some of our Native American

427

00:18:48,010 --> 00:18:43,160

practitioners a couple of them said to

428

00:18:49,810 --> 00:18:48,020

me you feel some weight on us and his

429

00:18:52,090 --> 00:18:49,820

word was do you feel these Watchers and

430

00:18:55,690 --> 00:18:52,100

there's times I did there's certain

431

00:18:58,450 --> 00:18:55,700

parts of on that ranch that will talk

432

00:19:01,450 --> 00:18:58,460

about homestead - that brings an

433

00:19:04,419 --> 00:19:01,460

uneasiness you know personally to me to

434

00:19:06,910 --> 00:19:04,429

the point where you know obviously were

435

00:19:09,730 --> 00:19:06,920

very protective of Thomas and Thomas has

436

00:19:11,470 --> 00:19:09,740

had issues out there you know physically

437

00:19:14,440 --> 00:19:11,480

which is not a figment of our

438

00:19:16,030 --> 00:19:14,450

imagination I've been out there getting

439

00:19:19,180 --> 00:19:16,040

ready to leave to go back into sollux

440

00:19:23,110 --> 00:19:19,190

and he had all the filaments and my

441

00:19:25,450 --> 00:19:23,120

ranch car completely blown out so

442

00:19:28,060 --> 00:19:25,460

there's an energy out there sometimes

443

00:19:30,520 --> 00:19:28,070

it's stronger than others that's

444

00:19:34,780 --> 00:19:30,530

something I don't take for granted so

445

00:19:36,760 --> 00:19:34,790

it's a really interesting people talk

446

00:19:40,570 --> 00:19:36,770

about ley lines they talk about this

447

00:19:43,840 --> 00:19:40,580

gravitational pull it's got all of it so

448

00:19:45,730 --> 00:19:43,850

we're not out there you know somebody's

449

00:19:50,280 --> 00:19:45,740

mind letting our imagination run wild

450

00:19:52,630 --> 00:19:50,290

this is stuff that can and be validated

451
00:19:56,380 --> 00:19:52,640
absolutely and I think you bring a very

452
00:20:00,430 --> 00:19:56,390
important role in bringing that the

453
00:20:02,710 --> 00:20:00,440
respect and the Native American lore and

454
00:20:06,400 --> 00:20:02,720
legend and the people into it because

455
00:20:09,049 --> 00:20:06,410
they are at the heart of it as well so

456
00:20:12,019 --> 00:20:09,059
that's very appreciative

457
00:20:14,720 --> 00:20:12,029
I think from not only my perspective but

458
00:20:16,999 --> 00:20:14,730
from a lot of people's out there because

459
00:20:19,789 --> 00:20:17,009
the science is extremely important but

460
00:20:22,970 --> 00:20:19,799
there's that other aspect so appreciate

461
00:20:25,539 --> 00:20:22,980
that and and you mentioned Thomas has

462
00:20:29,029 --> 00:20:25,549
gone through obviously some very

463
00:20:32,139 --> 00:20:29,039

disastrous health incidents so Thomas

464

00:20:35,360 --> 00:20:32,149

outside of just the health perspective

465

00:20:40,430 --> 00:20:35,370

how has your mindset changed since

466

00:20:43,509 --> 00:20:40,440

working on the ranch it's it's turned

467

00:20:46,639 --> 00:20:43,519

180 coming on to the ranch

468

00:20:50,350 --> 00:20:46,649

I'd heard all of the crazy stories

469

00:20:54,139 --> 00:20:50,360

living in the community growing up here

470

00:20:57,169 --> 00:20:54,149

but I didn't believe in paranormal

471

00:21:00,109 --> 00:20:57,179

that coupled with you know I am strong

472

00:21:05,239 --> 00:21:00,119

religious upbringing that I that I'm

473

00:21:08,119 --> 00:21:05,249

grateful for and so you know not I'd say

474

00:21:10,669 --> 00:21:08,129

between my religious beliefs and and

475

00:21:13,909 --> 00:21:10,679

just my mindset I come from a very

476
00:21:15,019 --> 00:21:13,919
scientific mindset my my brain needs to

477
00:21:18,249 --> 00:21:15,029
know how it works

478
00:21:20,570 --> 00:21:18,259
needs to be able to validate it through

479
00:21:24,830 --> 00:21:20,580
through something other than just my

480
00:21:26,450 --> 00:21:24,840
imagination and coming out there I think

481
00:21:27,950 --> 00:21:26,460
the biggest thing that I've learned is

482
00:21:30,859 --> 00:21:27,960
there's a lot to this world that we

483
00:21:35,480 --> 00:21:30,869
don't understand there's a lot left to

484
00:21:38,330 --> 00:21:35,490
be discovered both both very very cool

485
00:21:42,320 --> 00:21:38,340
and also maybe some very scary things

486
00:21:43,639 --> 00:21:42,330
and you know coming on not believing

487
00:21:47,629 --> 00:21:43,649
really in the paranormal and the

488
00:21:50,779 --> 00:21:47,639

skinwalker and these the orbs and the

489

00:21:54,529 --> 00:21:50,789

all of these crazy tales have taken

490

00:21:56,509 --> 00:21:54,539

place yet I've witnessed enough I've

491

00:21:58,129 --> 00:21:56,519

experienced enough out on that ranch to

492

00:22:02,090 --> 00:21:58,139

now understand that I don't know

493

00:22:04,430 --> 00:22:02,100

everything and and so I have an open

494

00:22:06,200 --> 00:22:04,440

mind now as far as I don't dismiss

495

00:22:09,049 --> 00:22:06,210

things automatically like I used to I

496

00:22:10,909 --> 00:22:09,059

still I still have our time because my

497

00:22:13,480 --> 00:22:10,919

brains still wired to want to know

498

00:22:16,190 --> 00:22:13,490

scientifically you know what's going on

499

00:22:18,409 --> 00:22:16,200

because I believe paranormal is simply

500

00:22:22,549 --> 00:22:18,419

just something that we don't understand

501

00:22:23,629 --> 00:22:22,559

the science on and you know a you

502

00:22:25,369 --> 00:22:23,639

using a cell phone would have been

503

00:22:26,930 --> 00:22:25,379

considered paranormal 100 years ago

504

00:22:29,779 --> 00:22:26,940

because we didn't understand the science

505

00:22:33,710 --> 00:22:29,789

behind it now you know it's it's

506

00:22:35,299 --> 00:22:33,720

everyday use so and really that's why

507

00:22:37,399 --> 00:22:35,309

I'm involved in this endeavors I'm

508

00:22:40,399 --> 00:22:37,409

hoping that we can learn some of the

509

00:22:42,560 --> 00:22:40,409

science behind the things right now we

510

00:22:44,389 --> 00:22:42,570

don't have any explanation for so we

511

00:22:47,029 --> 00:22:44,399

assign it to this paranormal category

512

00:22:48,889 --> 00:22:47,039

and my hope is that we can start to

513

00:22:51,710 --> 00:22:48,899

understand the science that's behind it

514

00:22:53,659 --> 00:22:51,720

and say oh okay you know that that makes

515

00:22:56,180 --> 00:22:53,669

sense we understand how that principle

516

00:22:59,480 --> 00:22:56,190

works but my views have been turned

517

00:23:01,820 --> 00:22:59,490

upside down in a lot of areas and I

518

00:23:05,299 --> 00:23:01,830

think that's important that that you can

519

00:23:07,609 --> 00:23:05,309

come on and admit that because it is

520

00:23:09,889 --> 00:23:07,619

we're all kind of left in a question and

521

00:23:11,930 --> 00:23:09,899

like you said we're all just basically

522

00:23:15,019 --> 00:23:11,940

truth seekers in the fact that we want

523

00:23:15,739 --> 00:23:15,029

to know and explain things we don't

524

00:23:19,879 --> 00:23:15,749

understand

525

00:23:22,279 --> 00:23:19,889

so all right Bryant let's go to you when

526

00:23:24,590 --> 00:23:22,289

I when brain of hers told me that he was

527

00:23:28,129 --> 00:23:24,600

purchasing skinwalker and said you're

528

00:23:30,259 --> 00:23:28,139

purchasing what because I I honestly

529

00:23:32,379 --> 00:23:30,269

growing up in Utah but I obviously

530

00:23:35,810 --> 00:23:32,389

didn't grow up in the base and like

531

00:23:37,879 --> 00:23:35,820

Thomas did but I had really never heard

532

00:23:39,080 --> 00:23:37,889

of it I'd never heard any of the stories

533

00:23:42,440 --> 00:23:39,090

or anything like that

534

00:23:45,409 --> 00:23:42,450

and you know for those of us that know

535

00:23:47,210 --> 00:23:45,419

Brandon use something that they own a

536

00:23:50,840 --> 00:23:47,220

pair of jeans so the fact that he was

537

00:23:54,470 --> 00:23:50,850

gonna buy 512 acres of property in the

538

00:23:56,359 --> 00:23:54,480

middle of some way no fair it was it was

539

00:23:58,820 --> 00:23:56,369

surprising and and so he told me a

540

00:24:00,619 --> 00:23:58,830

little bit about it gave me a little bit

541

00:24:02,359 --> 00:24:00,629

of back of the back story and things

542

00:24:04,489 --> 00:24:02,369

like that and so I said sure you know

543

00:24:06,919 --> 00:24:04,499

I'll go check it out I love the outdoors

544

00:24:09,529 --> 00:24:06,929

I love to do all that different kind of

545

00:24:12,200 --> 00:24:09,539

stuff so I went and checked it out and

546

00:24:14,690 --> 00:24:12,210

you know you can't be associated with

547

00:24:17,899 --> 00:24:14,700

the place without somewhat absorbing the

548

00:24:19,820 --> 00:24:17,909

stories in the lore and I you know there

549

00:24:21,139 --> 00:24:19,830

were a lot of fantastic stories and

550

00:24:23,269 --> 00:24:21,149

that's what that's kind of what I

551

00:24:25,609 --> 00:24:23,279

thought they were fantastic stories

552

00:24:26,749 --> 00:24:25,619

because for the most part for a lot of

553

00:24:29,119 --> 00:24:26,759

the time that I was out there in the

554

00:24:31,879 --> 00:24:29,129

beginning you know I never had any of

555

00:24:36,230 --> 00:24:31,889

those types of experiences with you know

556

00:24:39,350 --> 00:24:36,240

it would make me think and I refused uh

557

00:24:41,299 --> 00:24:39,360

try and make things out of nothing if

558

00:24:42,860 --> 00:24:41,309

you will because I never want to do like

559

00:24:44,510 --> 00:24:42,870

say okay I'm gonna become part of the

560

00:24:46,460 --> 00:24:44,520

narrative by saying yeah that all these

561

00:24:50,330 --> 00:24:46,470

crazy experiences because I've been on

562

00:24:52,910 --> 00:24:50,340

scheme or just not who I am and and so I

563

00:24:56,120 --> 00:24:52,920

never wanted to do that and as time has

564

00:24:59,210 --> 00:24:56,130

gone on you know being associated with

565

00:25:01,610 --> 00:24:59,220

everybody and having some of the

566

00:25:04,280 --> 00:25:01,620

experiences some that were seen on you

567

00:25:07,070 --> 00:25:04,290

know the television show and some that

568

00:25:11,120 --> 00:25:07,080

you know I've had personally much like

569

00:25:14,120 --> 00:25:11,130

Thomas my my preconceived notion of what

570

00:25:17,810 --> 00:25:14,130

reality was kind of you know made a

571

00:25:21,799 --> 00:25:17,820

complete 180 and you know as some people

572

00:25:24,410 --> 00:25:21,809

saw in the episode where we did see the

573

00:25:26,990 --> 00:25:24,420

UFOs show up it shook me because my

574

00:25:29,480 --> 00:25:27,000

rational mind couldn't make sense of it

575

00:25:32,060 --> 00:25:29,490

and I think you know really that's

576

00:25:33,710 --> 00:25:32,070

that's what got me feeling that somewhat

577

00:25:35,299 --> 00:25:33,720

you know motion sickness feel and

578

00:25:37,400 --> 00:25:35,309

everything my heart rate started race

579

00:25:39,919 --> 00:25:37,410

and gentleman was rushing and everything

580

00:25:41,810 --> 00:25:39,929

because my rational mind was trying to

581

00:25:45,290 --> 00:25:41,820

make sense of what my eyes had just seen

582

00:25:47,230 --> 00:25:45,300

and there's no no getting past what I've

583

00:25:51,680 --> 00:25:47,240

seen and what I've experienced and so

584

00:25:55,430 --> 00:25:51,690

you know we're somewhat programmed to

585

00:25:58,010 --> 00:25:55,440

believe you know what reality is or what

586

00:26:01,340 --> 00:25:58,020

we've been somewhat shaped to believe

587

00:26:02,960 --> 00:26:01,350

what reality is and once you know I went

588

00:26:06,680 --> 00:26:02,970

on the ranch I pretty much had to scrub

589

00:26:09,530 --> 00:26:06,690

that from my mind because what I've

590

00:26:11,840 --> 00:26:09,540

grown up believing I've grown up as just

591

00:26:14,180 --> 00:26:11,850

stories or science fiction or whatever

592

00:26:16,490 --> 00:26:14,190

you know I've been witness to some of

593

00:26:20,390 --> 00:26:16,500

those things and never be able to deny

594

00:26:22,700 --> 00:26:20,400

him nor do I want to and I can you know

595

00:26:25,880 --> 00:26:22,710

I can say a hundred percent but there is

596

00:26:29,620 --> 00:26:25,890

something we can't explain going on a

597

00:26:33,470 --> 00:26:29,630

skinwalker ranch and it's something that

598

00:26:36,650 --> 00:26:33,480

makes just too steep weekend but as far

599

00:26:40,820 --> 00:26:36,660

as my mindset I I think I went in with

600

00:26:42,710 --> 00:26:40,830

an open up an open enough mind that you

601
00:26:45,440 --> 00:26:42,720
know I wasn't like oh this is all

602
00:26:48,080 --> 00:26:45,450
garbage and this is all you know not

603
00:26:49,820 --> 00:26:48,090
true because again because I didn't want

604
00:26:50,990 --> 00:26:49,830
to say that I'd had they had

605
00:26:53,060 --> 00:26:51,000
experiences I also didn't want to

606
00:26:55,340 --> 00:26:53,070
discount people for saying that they had

607
00:26:57,560 --> 00:26:55,350
had those experiences and so now that

608
00:27:00,680 --> 00:26:57,570
I've been able to be a part of it and be

609
00:27:03,500 --> 00:27:00,690
associated with these people and see the

610
00:27:07,519 --> 00:27:03,510
things that I have my perspective on the

611
00:27:10,430 --> 00:27:07,529
universe or existence or you know the

612
00:27:13,600 --> 00:27:10,440
normal mindset has completely changed I

613
00:27:15,889 --> 00:27:13,610

think you just have already in that

614

00:27:19,250 --> 00:27:15,899

encapsulated the answer to my next

615

00:27:22,029 --> 00:27:19,260

question which is and to all ask

616

00:27:24,620 --> 00:27:22,039

everyone as much as you feel comfortable

617

00:27:26,259 --> 00:27:24,630

what is the most perplexing or

618

00:27:28,759 --> 00:27:26,269

mysterious thing you've personally

619

00:27:30,799 --> 00:27:28,769

experienced or seen on the ranch and

620

00:27:35,539 --> 00:27:30,809

perhaps that UFO isn't that for you

621

00:27:38,299 --> 00:27:35,549

Bryant but I believe it might be miss

622

00:27:39,740 --> 00:27:38,309

part is visually definitely I mean you

623

00:27:42,529 --> 00:27:39,750

know there was no mistaking and it's

624

00:27:44,210 --> 00:27:42,539

unfortunate that the cameras didn't do

625

00:27:46,340 --> 00:27:44,220

it justice because it was it was a

626
00:27:47,690 --> 00:27:46,350
pretty spectacular thing and the beauty

627
00:27:52,070 --> 00:27:47,700
of it is is we had all kinds of

628
00:27:53,629 --> 00:27:52,080
instrumentation going off as well as we

629
00:27:55,039 --> 00:27:53,639
have many eyewitnesses we talked about

630
00:27:56,960 --> 00:27:55,049
the five of us that we're standing on

631
00:27:59,720 --> 00:27:56,970
the helicopter pad at this time we had a

632
00:28:02,659 --> 00:27:59,730
whole production crew that saw you know

633
00:28:05,450 --> 00:28:02,669
much of what we did and and were shaken

634
00:28:06,980 --> 00:28:05,460
much like I was because you know they

635
00:28:11,509 --> 00:28:06,990
came into and yeah we're here to make a

636
00:28:15,379 --> 00:28:11,519
TV show and so that definitely was was

637
00:28:18,590 --> 00:28:15,389
visually but I think you know the non

638
00:28:21,440 --> 00:28:18,600

visual things the feelings that I get on

639

00:28:23,060 --> 00:28:21,450

the ranch are probably even a little bit

640

00:28:25,100 --> 00:28:23,070

more profound because there's times you

641

00:28:26,930 --> 00:28:25,110

go to sections of that ranch and if you

642

00:28:27,620 --> 00:28:26,940

you're almost overwhelmed with a good

643

00:28:29,710 --> 00:28:27,630

feeling

644

00:28:33,830 --> 00:28:29,720

Jim kind of touched on that a little bit

645

00:28:36,230 --> 00:28:33,840

and it's amazing and then you can go to

646

00:28:37,759 --> 00:28:36,240

that same place or even just a place a

647

00:28:40,850 --> 00:28:37,769

little bit further away and it's the

648

00:28:43,009 --> 00:28:40,860

most dark ominous make every hair on

649

00:28:44,870 --> 00:28:43,019

your body stand on end type of a feeling

650

00:28:47,720 --> 00:28:44,880

to where you almost feel like the world

651
00:28:52,820 --> 00:28:47,730
is coming in on you and you know it's

652
00:28:55,129 --> 00:28:52,830
that kind of you know the the I guess

653
00:28:57,860 --> 00:28:55,139
the vastness and the feelings you can

654
00:28:59,299 --> 00:28:57,870
get there and almost like there's I hate

655
00:29:01,129 --> 00:28:59,309
to put it this way but a good versus

656
00:29:03,169 --> 00:29:01,139
evil almost type you know well I'll say

657
00:29:05,060 --> 00:29:03,179
this a light versus dark

658
00:29:07,190 --> 00:29:05,070
mentality on the ranch it's almost like

659
00:29:09,019 --> 00:29:07,200
it's a bipolar place it can be wonderful

660
00:29:11,269 --> 00:29:09,029
or it can be awful and I think it's

661
00:29:13,459 --> 00:29:11,279
those feelings that have had the most

662
00:29:16,279 --> 00:29:13,469
effect on me to where I really I treat

663
00:29:19,969 --> 00:29:16,289

it with respect and you know try and

664

00:29:22,129 --> 00:29:19,979

make sure that you know I somewhat tread

665

00:29:23,899 --> 00:29:22,139

lightly around the place I think that's

666

00:29:26,329 --> 00:29:23,909

that's a good notice that transient

667

00:29:28,009 --> 00:29:26,339

nature of the beast so to speak that

668

00:29:31,459 --> 00:29:28,019

that we're seeing that that could be

669

00:29:33,560 --> 00:29:31,469

that good versus bad in different areas

670

00:29:38,029 --> 00:29:33,570

at different times and you make a good

671

00:29:39,259 --> 00:29:38,039

point the TV saw the witnesses as just

672

00:29:41,599 --> 00:29:39,269

the crew but there were a lot of people

673

00:29:45,019 --> 00:29:41,609

behind that in TJ you were are one of

674

00:29:47,779 --> 00:29:45,029

them what for you behind the scenes was

675

00:29:50,959 --> 00:29:47,789

the most perplexing thing you witnessed

676
00:29:54,499 --> 00:29:50,969
on the ranch the most perplexing thing I

677
00:29:56,659 --> 00:29:54,509
witnessed was I still know how to

678
00:30:00,049 --> 00:29:56,669
describe it I kept referring to them as

679
00:30:02,060 --> 00:30:00,059
potato sacks flying potato sacks and I

680
00:30:04,219 --> 00:30:02,070
still I know that Eric had one camera

681
00:30:07,430 --> 00:30:04,229
that picked them up while we were there

682
00:30:08,749 --> 00:30:07,440
was one of the first times first times I

683
00:30:10,399 --> 00:30:08,759
was there when after Thomas had built

684
00:30:15,589 --> 00:30:10,409
the helicopter pad after the helicopter

685
00:30:18,200 --> 00:30:15,599
pad was built the it just we were we

686
00:30:19,369 --> 00:30:18,210
were on the ground and I can't I don't

687
00:30:23,299 --> 00:30:19,379
know how else to describe it but it just

688
00:30:26,180 --> 00:30:23,309

looked like a bunch of dancing potato

689

00:30:29,690 --> 00:30:26,190

sacks literally at the skyline at the

690

00:30:31,789 --> 00:30:29,700

tree line and it there was no way that I

691

00:30:33,469 --> 00:30:31,799

could not have seen I have tucked them

692

00:30:34,940 --> 00:30:33,479

off like as they turned the corner I

693

00:30:37,609 --> 00:30:34,950

grabbed my camera and I started filming

694

00:30:39,680 --> 00:30:37,619

just right my cell phone camera and as

695

00:30:41,659 --> 00:30:39,690

I'm running toward it just as I turned

696

00:30:43,639 --> 00:30:41,669

around got past a tree you would think

697

00:30:45,680 --> 00:30:43,649

that okay I'm seeing a bus you know a

698

00:30:47,269 --> 00:30:45,690

sprawling tree line I would be able to

699

00:30:49,509 --> 00:30:47,279

see them like if it were birds or

700

00:30:51,859 --> 00:30:49,519

something else just flying away and

701
00:30:55,009 --> 00:30:51,869
nothing nothing and it was like there's

702
00:30:57,169 --> 00:30:55,019
no way that it just is not possible and

703
00:30:58,549 --> 00:30:57,179
luckily because I thought I was losing

704
00:31:00,799 --> 00:30:58,559
my mind I'm pretty sure everyone thought

705
00:31:02,839 --> 00:31:00,809
like all he's making up no I'm

706
00:31:04,729 --> 00:31:02,849
looking at this chasing it around this

707
00:31:06,349 --> 00:31:04,739
corner and it's like no I know how to

708
00:31:08,749 --> 00:31:06,359
use a camera I know how to like I know

709
00:31:10,729 --> 00:31:08,759
what I'm doing and luckily Eric one

710
00:31:12,560 --> 00:31:10,739
camera caught the tail end of one of

711
00:31:14,779 --> 00:31:12,570
these things just kind of whipping

712
00:31:16,530 --> 00:31:14,789
around the corner and thank God because

713
00:31:18,300 --> 00:31:16,540

I felt validated at that point

714

00:31:20,970 --> 00:31:18,310

it was something that just could never I

715

00:31:22,650 --> 00:31:20,980

don't even know what it was and you know

716

00:31:25,230 --> 00:31:22,660

I I kept trying to rationalize it as a

717

00:31:26,790 --> 00:31:25,240

bird or something else or is something

718

00:31:28,860 --> 00:31:26,800

just being kicked up from the helicopter

719

00:31:32,250 --> 00:31:28,870

but it was too far away for that and it

720

00:31:33,630 --> 00:31:32,260

was just it moved to intelligently so to

721

00:31:36,270 --> 00:31:33,640

speak I mean I don't want to say that

722

00:31:37,710 --> 00:31:36,280

give us being piloted or driven or

723

00:31:39,960 --> 00:31:37,720

something but it was just something that

724

00:31:42,240 --> 00:31:39,970

knew to get the hell out of the way

725

00:31:45,000 --> 00:31:42,250

and I just don't know what else to say I

726

00:31:46,530 --> 00:31:45,010

mean that from what I've what I'd seen

727

00:31:50,430 --> 00:31:46,540

with my own two eyes that was probably

728

00:31:51,600 --> 00:31:50,440

the you know the most perplexing I think

729

00:31:53,220 --> 00:31:51,610

I mean a lot of other stuff has happened

730

00:31:57,570 --> 00:31:53,230

there but that was the thing that really

731

00:31:59,970 --> 00:31:57,580

got me so that provided me with a very

732

00:32:01,730 --> 00:31:59,980

not to make light of it a very odd image

733

00:32:05,310 --> 00:32:01,740

I'm thinking about potato racks that

734

00:32:07,200 --> 00:32:05,320

race in the sky yes yes now that's all I

735

00:32:10,200 --> 00:32:07,210

can imagine you you know what here's a

736

00:32:12,360 --> 00:32:10,210

better descriptor was the you know the

737

00:32:15,720 --> 00:32:12,370

Wraiths from the Lord of the Rings you

738

00:32:18,630 --> 00:32:15,730

know that the five horsemen and how they

739

00:32:20,940 --> 00:32:18,640

were kind of like like just um like

740

00:32:22,680 --> 00:32:20,950

cloth ish you know like like the ragged

741

00:32:24,870 --> 00:32:22,690

cloth like they weren't a physical form

742

00:32:26,670 --> 00:32:24,880

was a ragged cloth that's kind of the

743

00:32:28,950 --> 00:32:26,680

best way to you know another a better

744

00:32:30,540 --> 00:32:28,960

descriptor than a potato sack so to give

745

00:32:37,740 --> 00:32:30,550

you a better visual than a potato rack

746

00:32:39,750 --> 00:32:37,750

potato sack racing this guy the Lord of

747

00:32:42,180 --> 00:32:39,760

the Rings makes it a lot more ominous

748

00:32:44,100 --> 00:32:42,190

right it was I felt that it was ominous

749

00:32:46,500 --> 00:32:44,110

but yeah it was uh it's pretty amazing

750

00:32:55,590 --> 00:32:46,510

it was pretty amazing so Jim how about

751

00:32:59,070 --> 00:32:55,600

you canines military perimeter checks

752

00:33:01,650 --> 00:32:59,080

and there was one there were three four

753

00:33:05,880 --> 00:33:01,660

separate people we're not family members

754

00:33:09,210 --> 00:33:05,890

per se they had we've got this like

755

00:33:10,920 --> 00:33:09,220

infrared light that we can go as realm

756

00:33:14,310 --> 00:33:10,930

Patrol you know can't hit the book list

757

00:33:17,520 --> 00:33:14,320

and this individuals with acknowledge

758

00:33:21,360 --> 00:33:17,530

there's some red eyes that were peering

759

00:33:24,330 --> 00:33:21,370

looking at us and and I acknowledge them

760

00:33:28,560 --> 00:33:24,340

the red eyes I was just looking through

761

00:33:30,650 --> 00:33:28,570

me I it was not a mountain lion which we

762

00:33:35,100 --> 00:33:30,660

have out there was none

763

00:33:36,980 --> 00:33:35,110

and you know Ill validated along to

764

00:33:40,530 --> 00:33:36,990

three other people what is that and

765

00:33:42,480 --> 00:33:40,540

cursing red eyes and you know a lot of

766

00:33:44,820 --> 00:33:42,490

people out here can say hey you know you

767

00:33:45,420 --> 00:33:44,830

you saw skinwalker you know a

768

00:33:48,750 --> 00:33:45,430

shapeshifter

769

00:33:51,330 --> 00:33:48,760

I don't know where it was but as I tell

770

00:33:54,510 --> 00:33:51,340

people to my knowledge I was something

771

00:33:56,400 --> 00:33:54,520

not from this earth yeah that was a

772

00:33:59,520 --> 00:33:56,410

little bit of a wake-up call

773

00:34:02,970 --> 00:33:59,530

but as Bryant alluded to you know just

774

00:34:05,100 --> 00:34:02,980

that feeling you know that you get with

775

00:34:07,320 --> 00:34:05,110

people that are like workers and then

776

00:34:09,990 --> 00:34:07,330

you get people unfortunately that are

777

00:34:13,050 --> 00:34:10,000

burdened with life and you can just feel

778

00:34:16,200 --> 00:34:13,060

that downer when you're around in that

779

00:34:20,430 --> 00:34:16,210

ranch unfortunately has those feelings

780

00:34:22,920 --> 00:34:20,440

that mixed bag of good and bad and you

781

00:34:25,320 --> 00:34:22,930

know I think we all choose disjunction

782

00:34:27,960 --> 00:34:25,330

of our light to reach out embrace the

783

00:34:30,780 --> 00:34:27,970

light I know I know personally I do I've

784

00:34:32,580 --> 00:34:30,790

been to the dark that's not something I

785

00:34:36,000 --> 00:34:32,590

want to be around I can tell you that

786

00:34:37,740 --> 00:34:36,010

ranch fortunately a family member when

787

00:34:40,500 --> 00:34:37,750

we get very concerned about the

788

00:34:45,000 --> 00:34:40,510

well-being of each of us some of the

789

00:34:46,980 --> 00:34:45,010

things that happen on that ranch that I

790

00:34:49,290 --> 00:34:46,990

don't I don't know how to describe them

791

00:34:53,610 --> 00:34:49,300

you know this Bryant and our other

792

00:34:55,500 --> 00:34:53,620

security calum things happened were if

793

00:34:57,270 --> 00:34:55,510

somebody in the middle of the night

794

00:35:00,180 --> 00:34:57,280

somebody there need the side of their

795

00:35:02,760 --> 00:35:00,190

bed you know Thomas has had no verbally

796

00:35:05,190 --> 00:35:02,770

you know he's witnessed things that has

797

00:35:08,010 --> 00:35:05,200

basically put him on notice get off the

798

00:35:12,990 --> 00:35:08,020

ranch those are things that I don't

799

00:35:16,440 --> 00:35:13,000

welcome and I'm a scaredy cat and less

800

00:35:19,610 --> 00:35:16,450

is more to me so maybe the red-eyes is

801
00:35:22,080 --> 00:35:19,620
probably one of the most profound things

802
00:35:24,120 --> 00:35:22,090
and and that's one of the things that's

803
00:35:27,060 --> 00:35:24,130
long been reported on the ranch and one

804
00:35:30,230 --> 00:35:27,070
of the things that I probably myself

805
00:35:32,040 --> 00:35:30,240
would find one of the most terrifying

806
00:35:35,460 --> 00:35:32,050
experiences as well

807
00:35:38,250 --> 00:35:35,470
because it's so unknown and in like you

808
00:35:41,670 --> 00:35:38,260
said a lot of times it's very visible

809
00:35:43,150 --> 00:35:41,680
that the people on the ranch know how to

810
00:35:45,130 --> 00:35:43,160
decipher

811
00:35:47,080 --> 00:35:45,140
holes in my eyes and and things like

812
00:35:49,500 --> 00:35:47,090
that and this clearly something

813
00:35:55,090 --> 00:35:49,510

different and unique aspect is

814

00:35:57,160 --> 00:35:55,100

terrifying so that I mean that's a

815

00:35:58,480 --> 00:35:57,170

feeling when something would such as

816

00:36:02,890 --> 00:35:58,490

you're looking at me

817

00:36:05,620 --> 00:36:02,900

and and they look right at you and it

818

00:36:09,100 --> 00:36:05,630

penetrates your salt your spirit and

819

00:36:09,850 --> 00:36:09,110

then looked away acknowledged it looks

820

00:36:14,080 --> 00:36:09,860

back at you

821

00:36:16,690 --> 00:36:14,090

and then dissipates so I'm not sure how

822

00:36:19,840 --> 00:36:16,700

to embrace that other than the feeling

823

00:36:24,010 --> 00:36:19,850

that very uncomfortable not something

824

00:36:28,030 --> 00:36:24,020

that I was willing to walk towards and

825

00:36:29,650 --> 00:36:28,040

I've yet to see it again there's other

826

00:36:32,530 --> 00:36:29,660

witnesses that I have been with that

827

00:36:36,850 --> 00:36:32,540

have seen things and there's no reason

828

00:36:40,090 --> 00:36:36,860

for their their imaginations run wild so

829

00:36:42,340 --> 00:36:40,100

there's there's a lot unknown out there

830

00:36:45,010 --> 00:36:42,350

and I think and I really believe what's

831

00:36:47,470 --> 00:36:45,020

going to happen if there's such thing is

832

00:36:51,370 --> 00:36:47,480

another season out there things will

833

00:36:54,490 --> 00:36:51,380

continue to come to the forefront very

834

00:36:57,610 --> 00:36:54,500

active out there right now I think we

835

00:37:00,220 --> 00:36:57,620

all hope so and Thomas you probably at

836

00:37:03,520 --> 00:37:00,230

least from what we've seen out of this

837

00:37:07,150 --> 00:37:03,530

specific ranch group is have suffered

838

00:37:10,330 --> 00:37:07,160

the most medical tragedy tragedy on the

839

00:37:13,600 --> 00:37:10,340

ranch I should say so I

840

00:37:15,580 --> 00:37:13,610

what for you has been the most

841

00:37:19,690 --> 00:37:15,590

mysterious experience if it is something

842

00:37:21,790 --> 00:37:19,700

other than that you know I've spent

843

00:37:25,930 --> 00:37:21,800

literally thousands of hours on that

844

00:37:28,270 --> 00:37:25,940

ranch that's coming on to the team and I

845

00:37:30,940 --> 00:37:28,280

don't know if it's because of the amount

846

00:37:33,850 --> 00:37:30,950

of hours and they spend or if it's

847

00:37:41,380 --> 00:37:33,860

because there's something in me that

848

00:37:44,230 --> 00:37:41,390

singles me out but I I would I mean my

849

00:37:47,650 --> 00:37:44,240

injury definitely takes the cake that

850

00:37:49,180 --> 00:37:47,660

turned my world upside down everything

851

00:37:51,190 --> 00:37:49,190

that was involved with that from the

852

00:37:53,870 --> 00:37:51,200

physical injuries to the psychological

853

00:37:57,380 --> 00:37:53,880

events that took place during and after

854

00:37:59,930 --> 00:37:57,390

it to the investigation that has been

855

00:38:03,620 --> 00:37:59,940

ongoing since I was released from the

856

00:38:07,760 --> 00:38:03,630

hospital yeah I feel like I've been

857

00:38:09,380 --> 00:38:07,770

living in the twilight zone and so so

858

00:38:14,720 --> 00:38:09,390

that definitely takes the cake but

859

00:38:17,810 --> 00:38:14,730

outside of that you know I think I've

860

00:38:19,940 --> 00:38:17,820

got a hundred experiences out there on

861

00:38:25,310 --> 00:38:19,950

the ranch so they're disturbing that are

862

00:38:27,380 --> 00:38:25,320

are scary and I think if I could boil it

863

00:38:32,570 --> 00:38:27,390

down it's the emotions that the ranch

864

00:38:37,610 --> 00:38:32,580

makes you feel and I have experienced

865

00:38:39,590 --> 00:38:37,620

terror out on that ranch that goes

866

00:38:42,650 --> 00:38:39,600

beyond being scared I've never

867

00:38:48,080 --> 00:38:42,660

experienced anything like it there's

868

00:38:49,640 --> 00:38:48,090

been twice where I mean it it had you

869

00:38:52,630 --> 00:38:49,650

know we see we're picking up these high

870

00:38:54,560 --> 00:38:52,640

RF signals so these tight you know these

871

00:38:57,230 --> 00:38:54,570

frequencies that are going on out there

872

00:38:59,900 --> 00:38:57,240

I don't know if they're messing with my

873

00:39:05,240 --> 00:38:59,910

nervous system or what but this tear is

874

00:39:08,000 --> 00:39:05,250

something that is is m'as shaking so bad

875

00:39:10,460 --> 00:39:08,010

both times that I could barely control

876

00:39:12,200 --> 00:39:10,470

myself I I couldn't control it and it

877

00:39:16,430 --> 00:39:12,210

wasn't that I'd seen anything it wasn't

878

00:39:17,990 --> 00:39:16,440

I mean you know the one was accompanied

879

00:39:21,920 --> 00:39:18,000

by voices warning me to get off the

880

00:39:23,600 --> 00:39:21,930

ranch and I ignored it and and continued

881

00:39:27,440 --> 00:39:23,610

to go across the ranch when I

882

00:39:31,250 --> 00:39:27,450

experienced the one time but it is ter

883

00:39:36,260 --> 00:39:31,260

that is so embedded I mean it just to

884

00:39:38,300 --> 00:39:36,270

your core that both times by the time I

885

00:39:40,250 --> 00:39:38,310

made it home I continued to sit there

886

00:39:43,130 --> 00:39:40,260

shake like I almost like had Parkinson's

887

00:39:45,380 --> 00:39:43,140

or something for hours 12 hours

888

00:39:46,550 --> 00:39:45,390

afterwards to where I'm still shaking

889

00:39:49,520 --> 00:39:46,560

uncontrollably and I've never

890

00:39:53,170 --> 00:39:49,530

experienced that type of fear terror in

891

00:39:56,630 --> 00:39:53,180

my life the ranch the ranch regularly

892

00:39:59,650 --> 00:39:56,640

plays on emotions I mean if I find if I

893

00:40:04,720 --> 00:39:59,660

start spending a lot of time out there

894

00:40:07,790 --> 00:40:04,730

it's almost like mood swings to where I

895

00:40:10,550 --> 00:40:07,800

I pride myself and have

896

00:40:13,970 --> 00:40:10,560

and trying to be even kill to try to be

897

00:40:17,000 --> 00:40:13,980

consistent and to be measured in my

898

00:40:19,550 --> 00:40:17,010

responses and I will find and so it's

899

00:40:22,820 --> 00:40:19,560

very unlike me I find that I start

900

00:40:24,800 --> 00:40:22,830

spending a lot of time out there that

901
00:40:28,940 --> 00:40:24,810
the smallest Jim has witnessed this I

902
00:40:30,050 --> 00:40:28,950
mean even in Jim's probably the next to

903
00:40:31,730 --> 00:40:30,060
my wife

904
00:40:36,110 --> 00:40:31,740
Jim is probably my closest friend and

905
00:40:37,730 --> 00:40:36,120
confidant on this planet and I mean I

906
00:40:39,800 --> 00:40:37,740
could sit here all night in and tell you

907
00:40:43,160 --> 00:40:39,810
good things about Jim and what a friend

908
00:40:45,320 --> 00:40:43,170
he's been but even Jim has come on and

909
00:40:49,220 --> 00:40:45,330
just the smallest little thing set me

910
00:40:54,860 --> 00:40:49,230
off and Jim has with innocent Jesus he

911
00:40:59,780 --> 00:40:54,870
has been on the front end and so I don't

912
00:41:01,670 --> 00:40:59,790
know that ranch place you know before

913
00:41:03,200 --> 00:41:01,680

the ranch and like like it's been

914

00:41:05,390 --> 00:41:03,210

alluded to we're business people I've

915

00:41:09,290 --> 00:41:05,400

owned and started several businesses

916

00:41:10,910 --> 00:41:09,300

have been successful I've held many

917

00:41:14,780 --> 00:41:10,920

leadership positions within the

918

00:41:19,070 --> 00:41:14,790

community and even some state positions

919

00:41:20,840 --> 00:41:19,080

and and I've run several political

920

00:41:22,580 --> 00:41:20,850

campaigns and myself I had political

921

00:41:24,800 --> 00:41:22,590

aspirations at looking at running for

922

00:41:27,050 --> 00:41:24,810

office one day and anytime you do that

923

00:41:28,610 --> 00:41:27,060

you always measure your responses you

924

00:41:30,920 --> 00:41:28,620

know how could this come back to haunt

925

00:41:33,380 --> 00:41:30,930

me in three or four years or ten years

926

00:41:35,420 --> 00:41:33,390

you know what am i doing like I've

927

00:41:36,830 --> 00:41:35,430

always been very conscious about what

928

00:41:39,080 --> 00:41:36,840

are the cell phones picking up and it's

929

00:41:40,970 --> 00:41:39,090

gonna show up in a campaign ad you know

930

00:41:43,160 --> 00:41:40,980

twenty years down the road and that's

931

00:41:44,230 --> 00:41:43,170

the way I've lived my life but since

932

00:41:46,340 --> 00:41:44,240

coming up ranch

933

00:41:50,810 --> 00:41:46,350

you know I've pretty much thrown all

934

00:41:54,320 --> 00:41:50,820

those things to the garbage because all

935

00:41:56,990 --> 00:41:54,330

hopes lofty no there's no chance of me

936

00:41:58,910 --> 00:41:57,000

running for office either hey you know

937

00:42:01,490 --> 00:41:58,920

what there are so many political people

938

00:42:05,510 --> 00:42:01,500

that have been involved in UFOs and the

939

00:42:08,480 --> 00:42:05,520

paranormal presidents etc sharing their

940

00:42:09,110 --> 00:42:08,490

UFO sightings so it's not it's not out

941

00:42:12,350 --> 00:42:09,120

of the question

942

00:42:14,780 --> 00:42:12,360

and commend I commend all of you for all

943

00:42:16,910 --> 00:42:14,790

of those terrifying experiences and the

944

00:42:20,310 --> 00:42:16,920

good experiences for continuing to go on

945

00:42:21,870 --> 00:42:20,320

the ranch and work we are getting close

946

00:42:25,670 --> 00:42:21,880

running out of time so I want to do a

947

00:42:29,070 --> 00:42:25,680

quick rapid-fire we'll start with TJ a

948

00:42:34,230 --> 00:42:29,080

quick two-parter what was your favorite

949

00:42:37,740 --> 00:42:34,240

moment filming on season one and if you

950

00:42:39,000 --> 00:42:37,750

could do any experiment if budget wasn't

951
00:42:43,380 --> 00:42:39,010

a question

952
00:42:47,040 --> 00:42:43,390

what would it be my favorite always mrs.

953
00:42:48,540 --> 00:42:47,050

beebie ground penetrating radar and I'll

954
00:42:50,130 --> 00:42:48,550

keep these really succinct and if I

955
00:42:51,420 --> 00:42:50,140

could do any experiment it would be one

956
00:42:55,410 --> 00:42:51,430

that I proposed in the very beginning

957
00:42:57,660 --> 00:42:55,420

which was I want to take huge speakers

958
00:42:59,910 --> 00:42:57,670

and play welcome to the jungle by Guns

959
00:43:02,670 --> 00:42:59,920

and Roses and point the speakers at the

960
00:43:03,900 --> 00:43:02,680

ground and every 15 feet just keep

961
00:43:06,030 --> 00:43:03,910

playing them and playing and playing

962
00:43:07,440 --> 00:43:06,040

them to get the resonance of what's

963
00:43:08,970 --> 00:43:07,450

happening underneath so you could see

964

00:43:11,130 --> 00:43:08,980

the vibrations and determine what the

965

00:43:13,200 --> 00:43:11,140

ground is underneath but then you have

966

00:43:15,030 --> 00:43:13,210

Guns N'Roses so you know you could get a

967

00:43:17,520 --> 00:43:15,040

little emotions out of it too so not

968

00:43:20,790 --> 00:43:17,530

just the GPR but the emotional response

969

00:43:24,750 --> 00:43:20,800

as well I bet you would be down to come

970

00:43:31,830 --> 00:43:24,760

on the roads one of the other you know

971

00:43:33,570 --> 00:43:31,840

be great all right Frank um you know the

972

00:43:36,810 --> 00:43:33,580

whole experience with the TV show was

973

00:43:39,060 --> 00:43:36,820

was crazy it's definitely nothing that

974

00:43:40,410 --> 00:43:39,070

I've ever you know participate in it's

975

00:43:43,590 --> 00:43:40,420

never thought anything I thought I would

976

00:43:46,590 --> 00:43:43,600

ever be a part of so I guess seeing how

977

00:43:50,190 --> 00:43:46,600

all that worked was pretty using some of

978

00:43:51,480 --> 00:43:50,200

the results as to what I you know we

979

00:43:54,150 --> 00:43:51,490

were able to capture in that time frame

980

00:43:56,130 --> 00:43:54,160

because you know as you know dealing

981

00:43:57,540 --> 00:43:56,140

with the quote paranormal there's no

982

00:43:58,590 --> 00:43:57,550

scripting it there's no predicting

983

00:44:00,360 --> 00:43:58,600

what's going to happen so we're

984

00:44:02,520 --> 00:44:00,370

fortunate that you know the ranch

985

00:44:04,320 --> 00:44:02,530

reacted the way it did and you know I

986

00:44:06,570 --> 00:44:04,330

had probably one of the most profound

987

00:44:09,420 --> 00:44:06,580

visual experiences I've ever had when

988

00:44:10,950 --> 00:44:09,430

you know I witnessed the UFOs and you

989

00:44:14,730 --> 00:44:10,960

know there's some other things that you

990

00:44:16,950 --> 00:44:14,740

know that took place that were very I

991

00:44:20,370 --> 00:44:16,960

don't know they kind of they rocked my

992

00:44:24,540 --> 00:44:20,380

world a little bit as far as experiments

993

00:44:28,290 --> 00:44:24,550

go you know there's there's a lot of

994

00:44:31,230 --> 00:44:28,300

things that I would would love to see

995

00:44:33,829 --> 00:44:31,240

happen if if budget budget wasn't an

996

00:44:36,949 --> 00:44:35,479

you know but there's a simple one that I

997

00:44:40,219 --> 00:44:36,959

would like to see too and you know we

998

00:44:42,859 --> 00:44:40,229

have our ranch dog William that I'll

999

00:44:45,469 --> 00:44:42,869

tell you that dog he knows where all the

1000

00:44:46,969 --> 00:44:45,479

secrets lie I begin to wonder I ask him

1001

00:44:49,670 --> 00:44:46,979

face-to-face if he's a skinwalker

1002

00:44:51,769 --> 00:44:49,680

because you'll be going along and he'll

1003

00:44:54,049 --> 00:44:51,779

be walking along the Mesa and you'll see

1004

00:44:56,209 --> 00:44:54,059

him one second then he's gone and then

1005

00:44:59,539 --> 00:44:56,219

he appears again somewhere else you know

1006

00:45:01,160 --> 00:44:59,549

a couple a few hundred yards away behind

1007

00:45:02,809 --> 00:45:01,170

a rock or he just disappears all

1008

00:45:04,880 --> 00:45:02,819

together and he's a black dog I mean

1009

00:45:07,299 --> 00:45:04,890

there's it's crazy and so I'd like to

1010

00:45:12,049 --> 00:45:07,309

actually rake him up with cameras and

1011

00:45:15,890 --> 00:45:12,059

and have him who has free rein he's not

1012

00:45:19,309 --> 00:45:15,900

constrained by anything like that go and

1013

00:45:21,979 --> 00:45:19,319

just do his thing and then be able to

1014

00:45:23,959 --> 00:45:21,989

you know see where he goes what he does

1015

00:45:26,209 --> 00:45:23,969

you know what he discovers what he sees

1016

00:45:28,660 --> 00:45:26,219

things like that because you know he's

1017

00:45:31,309 --> 00:45:28,670

very intuitive that dog and he knows

1018

00:45:33,019 --> 00:45:31,319

Thomas has witnessed he's basically

1019

00:45:34,519 --> 00:45:33,029

tried to stop him from going to places

1020

00:45:36,079 --> 00:45:34,529

on the ranch where he'll step in front

1021

00:45:37,910 --> 00:45:36,089

of the vehicle and not let him go

1022

00:45:39,799 --> 00:45:37,920

because he can sense that there's

1023

00:45:42,319 --> 00:45:39,809

something going on so I know it's not

1024

00:45:44,329 --> 00:45:42,329

the most expensive crazy thing and I and

1025

00:45:47,120 --> 00:45:44,339

you know we do get a chance to do this

1026

00:45:49,819 --> 00:45:47,130

again I'd like to pitch that you know to

1027

00:45:52,789 --> 00:45:49,829

the production people because I really

1028

00:45:54,529 --> 00:45:52,799

think you know he's a ground level eyes

1029

00:45:57,229 --> 00:45:54,539

on the ground and he's seen about every

1030

00:45:59,359 --> 00:45:57,239

inch of that place and I'm sure if he

1031

00:46:01,609 --> 00:45:59,369

could talk we have some amazing stories

1032

00:46:03,589 --> 00:46:01,619

to tell there you go they make doggy

1033

00:46:06,259 --> 00:46:03,599

harnesses for GoPros it's whether the

1034

00:46:08,959 --> 00:46:06,269

GoPro behaves on the the ranch that's

1035

00:46:14,719 --> 00:46:08,969

the real question so Jim Jim how about

1036

00:46:23,539 --> 00:46:14,729

you you know I'm flattered to be a part

1037

00:46:27,819 --> 00:46:23,549

of the team but to be frank with you I

1038

00:46:31,160 --> 00:46:27,829

see the airline so I wear a hat and

1039

00:46:33,709 --> 00:46:31,170

overweight and so I really insulate

1040

00:46:36,829 --> 00:46:33,719

myself you look you guys I'm flattered

1041

00:46:39,079 --> 00:46:36,839

when they call me Uncle Jim but there's

1042

00:46:40,370 --> 00:46:39,089

some this isn't just Hollywood this

1043

00:46:43,339 --> 00:46:40,380

isn't just Talent

1044

00:46:45,829 --> 00:46:43,349

I mean you get guys like Travis on there

1045

00:46:47,630 --> 00:46:45,839

Eric and dr. segala

1046

00:46:49,280 --> 00:46:47,640

these these are the real

1047

00:46:53,000 --> 00:46:49,290

still these these aren't one of these

1048

00:46:56,150 --> 00:46:53,010

you know so these guys flatter me they

1049

00:46:59,770 --> 00:46:56,160

insulate me there's a level of respect

1050

00:47:03,230 --> 00:46:59,780

and love that we have for each other

1051
00:47:07,430 --> 00:47:03,240
there's unconditional love that goes to

1052
00:47:11,030 --> 00:47:07,440
it but the wrath of that ranch is as

1053
00:47:17,960 --> 00:47:11,040
Thomas alluded to is real you know I've

1054
00:47:20,540 --> 00:47:17,970
been I run a river but that ranch and I

1055
00:47:23,440 --> 00:47:20,550
can't bring up names I've watched it

1056
00:47:27,290 --> 00:47:23,450
literally just prick the personality and

1057
00:47:28,790 --> 00:47:27,300
in couple cases you as we're heading

1058
00:47:33,550 --> 00:47:28,800
back into Salt Lake City you think that

1059
00:47:36,830 --> 00:47:33,560
was actresses going on in the car and

1060
00:47:39,590 --> 00:47:36,840
it's gonna be an instant season if they

1061
00:47:41,330 --> 00:47:39,600
have another one because as Brandon

1062
00:47:44,930 --> 00:47:41,340
fugle always says we're just getting

1063
00:47:47,840 --> 00:47:44,940

warmed up and it's a pretty there's a

1064

00:47:50,000 --> 00:47:47,850

phenomenon out there that it'll be

1065

00:47:55,060 --> 00:47:50,010

interesting to see how it embraces us

1066

00:47:57,590 --> 00:47:55,070

and we embrace the phenomena thank you

1067

00:47:59,810 --> 00:47:57,600

absolutely and uncle Jim you look great

1068

00:48:03,350 --> 00:47:59,820

on camera don't worry we're I think

1069

00:48:04,730 --> 00:48:03,360

everyone's tends to be self-critical and

1070

00:48:08,120 --> 00:48:04,740

when they see themselves on camera

1071

00:48:08,630 --> 00:48:08,130

myself included and that's the best in

1072

00:48:16,100 --> 00:48:08,640

the business

1073

00:48:22,670 --> 00:48:16,110

Uncle Jim let's finish up with you

1074

00:48:27,140 --> 00:48:22,680

Thomas um so my favorite has to do with

1075

00:48:29,360 --> 00:48:27,150

Travis and when Travis first came on I

1076

00:48:31,340 --> 00:48:29,370

really from the things that were said I

1077

00:48:34,910 --> 00:48:31,350

really feel like he thought that we were

1078

00:48:36,620 --> 00:48:34,920

bunch of crazy dummies matter of fact I

1079

00:48:41,240 --> 00:48:36,630

think it's exact words were that we were

1080

00:48:44,300 --> 00:48:41,250

all batshit crazy and and say that I

1081

00:48:47,120 --> 00:48:44,310

have worked alongside closely with the

1082

00:48:48,470 --> 00:48:47,130

principal investigator Eric bard I don't

1083

00:48:49,850 --> 00:48:48,480

know that I've ever had the privilege of

1084

00:48:53,900 --> 00:48:49,860

speaking someone that has more

1085

00:48:55,730 --> 00:48:53,910

intelligence more common sense I I will

1086

00:48:56,060 --> 00:48:55,740

take Eric bard to the bank any day of

1087

00:49:00,560 --> 00:48:56,070

the week

1088

00:49:01,339 --> 00:49:00,570

and that guy is the smartest man I've

1089

00:49:04,519 --> 00:49:01,349

ever been around

1090

00:49:07,450 --> 00:49:04,529

Bar None and and watching how methodical

1091

00:49:09,829 --> 00:49:07,460

how meticulous he's been in this

1092

00:49:14,059 --> 00:49:09,839

investigation from the beginning very

1093

00:49:17,930 --> 00:49:14,069

disciplined very patient and completely

1094

00:49:19,789 --> 00:49:17,940

unbiased and so I have to say the

1095

00:49:22,609 --> 00:49:19,799

beginning of the season I was kind of

1096

00:49:24,259 --> 00:49:22,619

insulted with Travis and and his

1097

00:49:26,569 --> 00:49:24,269

connotations that we didn't know what

1098

00:49:28,759 --> 00:49:26,579

the hell we were doing he's very

1099

00:49:30,319 --> 00:49:28,769

protective of Eric and his science I

1100

00:49:32,900 --> 00:49:30,329

will just tell you right now

1101

00:49:34,910 --> 00:49:32,910

that man knows way more than he will

1102

00:49:35,420 --> 00:49:34,920

ever share publicly I'll just tell it

1103

00:49:38,630 --> 00:49:35,430

leave it at that

1104

00:49:40,849 --> 00:49:38,640

so my favorite part of the season is I

1105

00:49:42,529 --> 00:49:40,859

think it's episode five and it

1106

00:49:44,539 --> 00:49:42,539

corresponds with us with the scene that

1107

00:49:46,880 --> 00:49:44,549

happened off the camera the cameras had

1108

00:49:49,160 --> 00:49:46,890

just quit rolling for the day Travis

1109

00:49:50,829 --> 00:49:49,170

comes out we just matter of fact I think

1110

00:49:54,739 --> 00:49:50,839

it was right after he got some radiation

1111

00:49:56,390 --> 00:49:54,749

you know it shows he walks out and he

1112

00:49:59,989 --> 00:49:56,400

throws his arms up in the air and says I

1113

00:50:01,400 --> 00:49:59,999

think I'm batshit crazy and then I think

1114

00:50:02,809 --> 00:50:01,410

it does show in the episode where he

1115

00:50:05,989 --> 00:50:02,819

says there's a good chance that Eric

1116

00:50:07,940 --> 00:50:05,999

Eric was right and and you know so me

1117

00:50:09,349 --> 00:50:07,950

sitting at home on my TV I'm yelling

1118

00:50:11,150 --> 00:50:09,359

hell yeah there's right there chance

1119

00:50:17,120 --> 00:50:11,160

Eric's right that was that was highlight

1120

00:50:19,130 --> 00:50:17,130

of season as far as uh experiments my

1121

00:50:22,039 --> 00:50:19,140

wife and my life revolve around

1122

00:50:24,499 --> 00:50:22,049

frequency she is a resident composer and

1123

00:50:26,749 --> 00:50:24,509

what she does is deals with frequency so

1124

00:50:29,089 --> 00:50:26,759

if I could do anything we'd bring a

1125

00:50:31,519 --> 00:50:29,099

grand piano on the ranch on a specific

1126
00:50:34,219 --> 00:50:31,529
place on the ranch that I would put this

1127
00:50:36,650 --> 00:50:34,229
piano on and we would play with some

1128
00:50:38,150 --> 00:50:36,660
frequency I've had some pretty

1129
00:50:39,650 --> 00:50:38,160
knowledgeable people that claim that

1130
00:50:43,219 --> 00:50:39,660
with the right frequencies you could

1131
00:50:45,799 --> 00:50:43,229
open portals and so I think it would be

1132
00:50:46,339 --> 00:50:45,809
fun to but if I had my way I could do

1133
00:50:48,920 --> 00:50:46,349
anything

1134
00:50:50,509 --> 00:50:48,930
it'd be bring my wife on with piano and

1135
00:50:53,479 --> 00:50:50,519
play with some frequency on the ranch

1136
00:50:56,269 --> 00:50:53,489
that would be a concert I would attend

1137
00:51:00,499 --> 00:50:56,279
for sure sounds like we have a lot of

1138
00:51:02,930 --> 00:51:00,509

musical things going on here so thank

1139

00:51:04,549 --> 00:51:02,940

you all so much for joining us this was

1140

00:51:06,769 --> 00:51:04,559

really insightful and you know Eric

1141

00:51:09,709 --> 00:51:06,779

unfortunately wasn't able to join us

1142

00:51:11,719 --> 00:51:09,719

tonight but I agree with you Thomas he's

1143

00:51:13,880 --> 00:51:11,729

a really fascinating and incredibly

1144

00:51:17,780 --> 00:51:13,890

intelligent scientist

1145

00:51:19,910 --> 00:51:17,790

and great guy so you know I encourage

1146

00:51:21,650 --> 00:51:19,920

the audience if you have not watched the

1147

00:51:23,780 --> 00:51:21,660

show yet watch the show and then

1148

00:51:25,490 --> 00:51:23,790

afterwards come and check out the

1149

00:51:27,920 --> 00:51:25,500

skinwalker debrief because we get to

1150

00:51:30,020 --> 00:51:27,930

speak to all these gentlemen more

1151

00:51:31,910 --> 00:51:30,030

in-depth and you get to see things and

1152

00:51:34,340 --> 00:51:31,920

hear things that you did not see on

1153

00:51:37,880 --> 00:51:34,350

camera so we're all crossing our fingers

1154

00:51:41,180 --> 00:51:37,890

for a season two and we'll keep you
