

# *UFO Happy Hour*

EPISODE 16.20

1  
00:00:04,170 --> 00:00:02,480  
greeting citizens and welcome to fun no

2  
00:00:05,580 --> 00:00:04,180  
[Music]

3  
00:00:24,210 --> 00:00:05,590  
[Applause]

4  
00:00:26,100 --> 00:00:24,220  
[Music]

5  
00:00:28,230 --> 00:00:26,110  
I'm Jason McClellan thanks for hanging

6  
00:00:30,210 --> 00:00:28,240  
out with me Shane hurt and Ryan Sprague

7  
00:00:31,950 --> 00:00:30,220  
are also on the show today and today's

8  
00:00:33,870 --> 00:00:31,960  
episode is one of our casual

9  
00:00:36,000 --> 00:00:33,880  
conversational episodes we like to call

10  
00:00:52,600 --> 00:00:36,010  
UFO happy hour

11  
00:00:55,760 --> 00:00:52,610  
[Music]

12  
00:00:57,830 --> 00:00:55,770  
all right before we start I want to make

13  
00:01:00,200 --> 00:00:57,840

it clear that on our UFO happy hour

14

00:01:02,000 --> 00:01:00,210

episodes these are simply fun

15

00:01:04,729 --> 00:01:02,010

conversations where we discussed various

16

00:01:07,160 --> 00:01:04,739

topics and share our personal opinions

17

00:01:09,469 --> 00:01:07,170

meaning that these episodes are not our

18

00:01:12,170 --> 00:01:09,479

typical objective journalistic reporting

19

00:01:14,830 --> 00:01:12,180

and storytelling these are casual raw

20

00:01:18,140 --> 00:01:14,840

informal discussions where we share our

21

00:01:19,249 --> 00:01:18,150

opinions so having said that let's get

22

00:01:22,280 --> 00:01:19,259

this party started

23

00:01:25,969 --> 00:01:22,290

Ryan good to see you buddy what are you

24

00:01:28,430 --> 00:01:25,979

drinking today informal is the perfect

25

00:01:31,219 --> 00:01:28,440

word man this is gonna be fun I'm

26

00:01:33,529 --> 00:01:31,229

drinking I'm actually on the island of

27

00:01:37,100 --> 00:01:33,539

Oahu right now I had to escape New York

28

00:01:40,130 --> 00:01:37,110

it's going crazy so I went to a brewery

29

00:01:41,840 --> 00:01:40,140

recently called beer lab here on the

30

00:01:44,090 --> 00:01:41,850

island and it's become one of my

31

00:01:46,669 --> 00:01:44,100

favorite breweries ever and they always

32

00:01:49,999 --> 00:01:46,679

do really interesting beers and they're

33

00:01:52,760 --> 00:01:50,009

mixing you know fruits with them guava

34

00:01:54,499 --> 00:01:52,770

beers and breadfruit beer like the

35

00:01:55,910 --> 00:01:54,509

weirdest stuff you can think of but

36

00:01:58,819 --> 00:01:55,920

right now they're actually featuring a

37

00:02:01,100 --> 00:01:58,829

bunch of sort of cosmic brews and the

38

00:02:03,469 --> 00:02:01,110

one I'm drinking is called the solar

39

00:02:06,050 --> 00:02:03,479

system golden ale and it's delicious

40

00:02:08,840 --> 00:02:06,060

amber ale it's got a little little bite

41

00:02:11,150 --> 00:02:08,850

to it it's nice and sweet and like I

42

00:02:13,580 --> 00:02:11,160

said there they're killing it with their

43

00:02:16,310 --> 00:02:13,590

space themed beers right now so I'm a

44

00:02:19,370 --> 00:02:16,320

big fan the name alone sounds amazing

45

00:02:22,370 --> 00:02:19,380

the name alone and I just realized it's

46

00:02:30,979 --> 00:02:22,380

12% so whoa forgive me gentlemen

47

00:02:32,449 --> 00:02:30,989

a little sassy those are my favorite

48

00:02:34,220 --> 00:02:32,459

breweries too I love the breweries that

49

00:02:35,780 --> 00:02:34,230

are all about experimentation and

50

00:02:37,729 --> 00:02:35,790

they're always like just throw in all

51  
00:02:38,720 --> 00:02:37,739  
sorts of different stuff in there let's

52  
00:02:40,690 --> 00:02:38,730  
see what this tastes like

53  
00:02:43,310 --> 00:02:40,700  
and coming up with these crazy

54  
00:02:45,500 --> 00:02:43,320  
concoctions I love that Shane how about

55  
00:02:48,770 --> 00:02:45,510  
you buddy what are you drinking

56  
00:02:51,770 --> 00:02:48,780  
well you guys know I'm a big bourbon guy

57  
00:02:54,680 --> 00:02:51,780  
and I normally drink bourbon but today

58  
00:02:58,190 --> 00:02:54,690  
since it's like 175 degrees here and

59  
00:03:01,009 --> 00:02:58,200  
think up next I am drinking the soda pop

60  
00:03:03,830 --> 00:03:01,019  
of beers I am drinking a Bud Light Lime

61  
00:03:05,750 --> 00:03:03,840  
with I just had chips and salsa so

62  
00:03:08,420 --> 00:03:05,760  
that's very good

63  
00:03:11,539 --> 00:03:08,430

and I'm rolling with that that's perfect

64

00:03:13,850 --> 00:03:11,549

yes and I'm not not not a Bud Light fan

65

00:03:15,890 --> 00:03:13,860

for sure but you know what when it is a

66

00:03:17,929 --> 00:03:15,900

hundred and seventy five like it is pure

67

00:03:20,720 --> 00:03:17,939

Shane I'm in Phoenix with you buddy

68

00:03:22,399 --> 00:03:20,730

I agree those are perfect on on hot days

69

00:03:24,500 --> 00:03:22,409

and great with chips it's also like you

70

00:03:26,240 --> 00:03:24,510

said and I'm in the same boat as you

71

00:03:28,880 --> 00:03:26,250

Shane I wanted to do like an

72

00:03:31,819 --> 00:03:28,890

old-fashioned or some great bourbon

73

00:03:34,130 --> 00:03:31,829

cocktail for today but it's so damn hot

74

00:03:39,759 --> 00:03:34,140

here I just went with a Corona so

75

00:03:44,119 --> 00:03:39,769

drinking a corona to the right as usual

76

00:03:52,490 --> 00:03:44,129

yeah there's a joke in there right now

77

00:03:54,530 --> 00:03:52,500

just waiting to be had oh well I have a

78

00:03:56,539 --> 00:03:54,540

couple topics I'd like to hit today and

79

00:03:58,369 --> 00:03:56,549

I guess we'll start with one that's been

80

00:04:00,800 --> 00:03:58,379

the subject of renewed discussion and

81

00:04:03,740 --> 00:04:00,810

debate and that's the question of

82

00:04:08,360 --> 00:04:03,750

whether UFOs should be considered a

83

00:04:11,180 --> 00:04:08,370

threat now on the last episode of

84

00:04:13,970 --> 00:04:11,190

unknown I kind of talked about that a

85

00:04:16,520 --> 00:04:13,980

bit and my thoughts on that and kind of

86

00:04:18,949 --> 00:04:16,530

the a little bit of history where that

87

00:04:21,949 --> 00:04:18,959

comes into play where where the military

88

00:04:23,450 --> 00:04:21,959

the US government has offered opinions

89

00:04:25,580 --> 00:04:23,460

about that you know certainly with

90

00:04:29,060 --> 00:04:25,590

official UFO investigations we've we've

91

00:04:30,920 --> 00:04:29,070

seen those sort of closed and shutdown

92

00:04:33,560 --> 00:04:30,930

and finalized because it was determined

93

00:04:35,180 --> 00:04:33,570

that UFOs don't pose a threat but of

94

00:04:38,779 --> 00:04:35,190

course the military looks at everything

95

00:04:41,870 --> 00:04:38,789

from a threat assessment perspective so

96

00:04:44,659 --> 00:04:41,880

I mean I come out on the side of UFOs

97

00:04:46,370 --> 00:04:44,669

definitely being a potential threat and

98

00:04:49,070 --> 00:04:46,380

that's that's the the verbage they use a

99

00:04:51,260 --> 00:04:49,080

potential threat because clearly when

100

00:04:53,029 --> 00:04:51,270

you don't know what something is it's a

101  
00:04:54,710 --> 00:04:53,039  
potential threat you need to identify it

102  
00:04:57,170 --> 00:04:54,720  
and then be able to eliminate it as a

103  
00:04:59,870 --> 00:04:57,180  
possible threat but another big issue

104  
00:05:03,140 --> 00:04:59,880  
with this question and the answers

105  
00:05:07,790 --> 00:05:03,150  
people give is this weird idea that UFOs

106  
00:05:10,730 --> 00:05:07,800  
is a singular unified thing I mean UFOs

107  
00:05:12,980 --> 00:05:10,740  
aren't all the same thing right they

108  
00:05:15,830 --> 00:05:12,990  
aren't necessarily all related

109  
00:05:18,589 --> 00:05:15,840  
you can't ever in my opinion you can't

110  
00:05:19,279 --> 00:05:18,599  
ever eliminate UFOs as a potential

111  
00:05:22,269 --> 00:05:19,289  
threat

112  
00:05:25,459 --> 00:05:22,279  
completely because of their very nature

113  
00:05:27,529 --> 00:05:25,469

their unknown objects they're not

114

00:05:29,119 --> 00:05:27,539

related just because you see what this

115

00:05:31,369 --> 00:05:29,129

one thing is it was flying in the

116

00:05:34,010 --> 00:05:31,379

airspace at this time does it mean you

117

00:05:35,450 --> 00:05:34,020

go oh that was nothing that's just fine

118

00:05:37,760 --> 00:05:35,460

we're not gonna look at it anymore

119

00:05:40,579 --> 00:05:37,770

because every UFO is different than

120

00:05:43,820 --> 00:05:40,589

every UFO has to be looked at from that

121

00:05:45,799 --> 00:05:43,830

sort of military threat assessment

122

00:05:48,950 --> 00:05:45,809

perspective what do you guys think uh

123

00:05:52,040 --> 00:05:48,960

yeah I mean we can go so far as if

124

00:05:54,019 --> 00:05:52,050

anyone listened to the conversation with

125

00:05:57,409 --> 00:05:54,029

Tom DeLonge Chris melon and Lois

126

00:05:59,899 --> 00:05:57,419

Elizondo recently Elizondo the former

127

00:06:02,689 --> 00:05:59,909

head of a tip the threat identification

128

00:06:05,209 --> 00:06:02,699

program it's right in the in the name of

129

00:06:07,279 --> 00:06:05,219

the program and of course someone like

130

00:06:11,839 --> 00:06:07,289

him is going to be looking at this topic

131

00:06:13,959 --> 00:06:11,849

from a a threat angle he asked you now

132

00:06:17,899 --> 00:06:13,969

that doesn't necessarily mean that these

133

00:06:20,329 --> 00:06:17,909

objects or phenomena are malevolent as

134

00:06:22,730 --> 00:06:20,339

Jason pointed out it just means we don't

135

00:06:25,309 --> 00:06:22,740

know what they are and they could pose a

136

00:06:27,350 --> 00:06:25,319

potential threat what I think is most

137

00:06:30,980 --> 00:06:27,360

interesting about this question Jason is

138

00:06:33,259 --> 00:06:30,990

the idea that it's not even the UFO or

139

00:06:36,679 --> 00:06:33,269

the UAP that's the threat it's us it's

140

00:06:38,839 --> 00:06:36,689

how we react to it it's now you know I

141

00:06:40,999 --> 00:06:38,849

recently covered the tehran UFO incident

142

00:06:44,509 --> 00:06:41,009

of 1976 and this is a prime example

143

00:06:48,469 --> 00:06:44,519

where a fighter pilot was in a

144

00:06:52,070 --> 00:06:48,479

cat-and-mouse you know game with the UFO

145

00:06:55,309 --> 00:06:52,080

and could possibly have used his weapons

146

00:06:58,969 --> 00:06:55,319

on it or vice versa yeah so I think a

147

00:07:02,149 --> 00:06:58,979

lot of it again comes down to the human

148

00:07:06,079 --> 00:07:02,159

being observing the object and if it's a

149

00:07:08,209 --> 00:07:06,089

military observer if we could be the

150

00:07:10,790 --> 00:07:08,219

threat we could be the one causing harm

151

00:07:14,359 --> 00:07:10,800

in our reaction to it so if we don't

152

00:07:16,639 --> 00:07:14,369

have protocol in you know setup for

153

00:07:19,369 --> 00:07:16,649

something like that the pilots gonna act

154

00:07:21,799 --> 00:07:19,379

the way they want to and if it's a

155

00:07:24,679 --> 00:07:21,809

threat to them they might fire on it so

156

00:07:27,049 --> 00:07:24,689

yeah I think the threat really comes

157

00:07:29,319 --> 00:07:27,059

from us more than it does any of these

158

00:07:32,310 --> 00:07:29,329

UFOs of course yeah I mean they've

159

00:07:35,420 --> 00:07:32,320

supposedly affected

160

00:07:38,460 --> 00:07:35,430

ordnance nuclear ordnance or they have

161

00:07:40,560 --> 00:07:38,470

harmed people in physiological ways at

162

00:07:43,860 --> 00:07:40,570

times but I think if we look at the

163

00:07:47,490 --> 00:07:43,870

overall history of UFOs it's really not

164

00:07:50,610 --> 00:07:47,500

a threat from the object itself it's how

165

00:07:52,500 --> 00:07:50,620

we react to it so yeah right and and

166

00:07:54,900 --> 00:07:52,510

like you brought up the confusing threat

167

00:07:56,850 --> 00:07:54,910

with malevolence that's an important

168

00:07:59,250 --> 00:07:56,860

thing to keep in mind here and like you

169

00:08:01,650 --> 00:07:59,260

just said with the disarming nuclear

170

00:08:03,420 --> 00:08:01,660

weapons and things like that and in

171

00:08:06,030 --> 00:08:03,430

other interactions that these things

172

00:08:07,940 --> 00:08:06,040

have reportedly caused you know just

173

00:08:11,100 --> 00:08:07,950

because those things aren't necessarily

174

00:08:14,640 --> 00:08:11,110

done out of malevolence they're not a

175

00:08:17,250 --> 00:08:14,650

hostile act the fact the simple fact

176

00:08:20,010 --> 00:08:17,260

that they seem to have the ability to do

177

00:08:22,020 --> 00:08:20,020

that that again is where potential

178

00:08:24,600 --> 00:08:22,030

threat comes in because you don't know

179

00:08:28,260 --> 00:08:24,610

the motives you know behind that is this

180

00:08:32,580 --> 00:08:28,270

just an accidental you know result of

181

00:08:34,290 --> 00:08:32,590

some electromagnetic interference or you

182

00:08:36,150 --> 00:08:34,300

know why these things are happening we

183

00:08:38,430 --> 00:08:36,160

don't know we don't know the why we

184

00:08:40,950 --> 00:08:38,440

don't know the motive if there even is a

185

00:08:43,680 --> 00:08:40,960

motive but we do have have these objects

186

00:08:46,140 --> 00:08:43,690

in the sky we do have our reactions to

187

00:08:49,560 --> 00:08:46,150

them and there's just a whole lot of

188

00:08:51,840 --> 00:08:49,570

unknowns there that cause a you know

189

00:08:54,480 --> 00:08:51,850

potential situation and until you have

190

00:08:57,990 --> 00:08:54,490

all of the data all of the information

191

00:09:00,000 --> 00:08:58,000

to make it make a reasonable decision I

192

00:09:02,070 --> 00:09:00,010

don't think you have that information to

193

00:09:04,410 --> 00:09:02,080

determine to cross it off the list of a

194

00:09:05,850 --> 00:09:04,420

potential threat and I've seen a lot of

195

00:09:07,530 --> 00:09:05,860

things going around recently because

196

00:09:10,830 --> 00:09:07,540

this has been such a hot topic you know

197

00:09:13,260 --> 00:09:10,840

people's sassy responses and and good

198

00:09:16,200 --> 00:09:13,270

analogies too and one analogy that I

199

00:09:17,700 --> 00:09:16,210

enjoyed because it involved swimming

200

00:09:19,440 --> 00:09:17,710

pools and we have tons of swimming pools

201  
00:09:23,100 --> 00:09:19,450  
here in Phoenix because like Shane said

202  
00:09:24,720 --> 00:09:23,110  
is 175 degrees right now in swimming

203  
00:09:26,970 --> 00:09:24,730  
pools right there are lots of swimming

204  
00:09:29,460 --> 00:09:26,980  
pools and swimming pools are nothing

205  
00:09:31,290 --> 00:09:29,470  
they're just pools of water they're just

206  
00:09:33,480 --> 00:09:31,300  
these big things in many different

207  
00:09:35,280 --> 00:09:33,490  
shapes filled with water that people use

208  
00:09:37,590 --> 00:09:35,290  
for fun sitting in people's backyards

209  
00:09:39,450 --> 00:09:37,600  
the pools themselves aren't dangerous

210  
00:09:42,540 --> 00:09:39,460  
they're not trying to hurt us they're

211  
00:09:44,610 --> 00:09:42,550  
not necessarily a threat but we still

212  
00:09:45,810 --> 00:09:44,620  
put fences around them because children

213  
00:09:47,910 --> 00:09:45,820

fall in the pool and

214

00:09:50,340 --> 00:09:47,920

and die all the time it happens all the

215

00:09:52,080 --> 00:09:50,350

time every year here in Arizona it's a

216

00:09:54,810 --> 00:09:52,090

big deal and all around the world

217

00:09:58,110 --> 00:09:54,820

obviously but the pools themselves are

218

00:10:00,180 --> 00:09:58,120

not hostile yet we still view them as a

219

00:10:03,360 --> 00:10:00,190

potential threat so we take appropriate

220

00:10:06,810 --> 00:10:03,370

actions to prevent anything bad from

221

00:10:10,110 --> 00:10:06,820

happening with UFOs it's not that simple

222

00:10:11,220 --> 00:10:10,120

obviously because again we don't know

223

00:10:13,080 --> 00:10:11,230

what we're dealing with we're not

224

00:10:15,000 --> 00:10:13,090

dealing with one thing every UFO is

225

00:10:18,210 --> 00:10:15,010

different so it's almost impossible to

226

00:10:20,940 --> 00:10:18,220

figure out how you know if at all to

227

00:10:24,090 --> 00:10:20,950

respond we can't put up a fence and and

228

00:10:26,910 --> 00:10:24,100

have the the issue dealt with absolutely

229

00:10:28,560 --> 00:10:26,920

I think it's the human condition it

230

00:10:32,190 --> 00:10:28,570

really is Jason I'm glad you brought

231

00:10:35,460 --> 00:10:32,200

that up I mean we as human beings are

232

00:10:37,950 --> 00:10:35,470

defensive by nature so I mean we will

233

00:10:40,770 --> 00:10:37,960

always find a way to find a threat with

234

00:10:42,960 --> 00:10:40,780

anything we do I think that's just the

235

00:10:44,700 --> 00:10:42,970

way we are and when that gets amplified

236

00:10:46,830 --> 00:10:44,710

by our military that's a whole other

237

00:10:47,880 --> 00:10:46,840

level so yeah good point

238

00:10:51,000 --> 00:10:47,890

really good point what do you think

239

00:10:54,570 --> 00:10:51,010

about the shame yeah I think you know a

240

00:10:56,400 --> 00:10:54,580

couple different takes on it first of

241

00:10:58,200 --> 00:10:56,410

all like your analogy like I have horses

242

00:11:01,380 --> 00:10:58,210

right and I have a well-trained horse

243

00:11:04,260 --> 00:11:01,390

and it loves me and I love it and

244

00:11:06,060 --> 00:11:04,270

everything's cool but that horse is

245

00:11:08,250 --> 00:11:06,070

still a threat to me because it's a

246

00:11:09,960 --> 00:11:08,260

thousand-pound animal it can

247

00:11:12,510 --> 00:11:09,970

accidentally step on my foot and break

248

00:11:15,180 --> 00:11:12,520

it or you know it could get spooked

249

00:11:18,570 --> 00:11:15,190

somehow and I fall off and break my neck

250

00:11:20,460 --> 00:11:18,580

and die you know it's a threat but it's

251  
00:11:22,740 --> 00:11:20,470  
not the kind it's not an intentional

252  
00:11:26,910 --> 00:11:22,750  
threat it's it's threatening because of

253  
00:11:29,250 --> 00:11:26,920  
its you know its existence and its how

254  
00:11:32,580 --> 00:11:29,260  
it could conflict' with my existence

255  
00:11:34,680 --> 00:11:32,590  
right so I treat it with respect and and

256  
00:11:38,190 --> 00:11:34,690  
care and not always treat as a threat

257  
00:11:40,080 --> 00:11:38,200  
but so there's that bad angle and I

258  
00:11:42,690 --> 00:11:40,090  
think what's going on in ufology today

259  
00:11:45,300 --> 00:11:42,700  
and you know like with a tip and now

260  
00:11:50,580 --> 00:11:45,310  
with you know unidentified and stuff and

261  
00:11:53,160 --> 00:11:50,590  
these guys are really putting forth the

262  
00:11:55,170 --> 00:11:53,170  
threat nature of UFOs and some in the

263  
00:11:57,480 --> 00:11:55,180

UFO community are very upset by that

264

00:12:00,019 --> 00:11:57,490

like no they're often nothing Neverland

265

00:12:03,239 --> 00:12:00,029

you're just trying to NOAA try this

266

00:12:06,300 --> 00:12:03,249

however just through the reasons you

267

00:12:09,210 --> 00:12:06,310

both stated first of all you look at

268

00:12:12,150 --> 00:12:09,220

there's different meanings to threat

269

00:12:14,759 --> 00:12:12,160

right so when you're talking military

270

00:12:18,059 --> 00:12:14,769

and intelligence they interpret threat

271

00:12:21,150 --> 00:12:18,069

in a very specific way so let me

272

00:12:23,579 --> 00:12:21,160

illustrate maybe I do if I could I just

273

00:12:26,360 --> 00:12:23,589

like to read a little excerpt from Linda

274

00:12:28,710 --> 00:12:26,370

Keens book UFOs generals pilots

275

00:12:31,619 --> 00:12:28,720

government officials go on the record

276

00:12:35,280 --> 00:12:31,629

and this is quoting basically Nick Pope

277

00:12:37,860 --> 00:12:35,290

but I I always thought his definition or

278

00:12:40,470 --> 00:12:37,870

a explanation of a military or

279

00:12:42,900 --> 00:12:40,480

intelligence threat in relation to UFOs

280

00:12:45,569 --> 00:12:42,910

it's pretty pretty well done it and it

281

00:12:48,090 --> 00:12:45,579

reads this way I says Nick Pope former

282

00:12:50,850 --> 00:12:48,100

mo D official and UFO expert in the UK

283

00:12:53,189 --> 00:12:50,860

says that governments define threat in a

284

00:12:56,129 --> 00:12:53,199

very specific way especially within

285

00:12:59,150 --> 00:12:56,139

military intelligence circles the

286

00:13:03,720 --> 00:12:59,160

formula goes like this threat equals

287

00:13:06,590 --> 00:13:03,730

capability plus intent for example the

288

00:13:10,170 --> 00:13:06,600

United States is aware that the UK has

289

00:13:12,059 --> 00:13:10,180

nuclear weapons that's the threat okay

290

00:13:15,509 --> 00:13:12,069

and therefore could launch a nuclear

291

00:13:19,049 --> 00:13:15,519

attack on America that is the capability

292

00:13:22,110 --> 00:13:19,059

but since the UK has no intent to launch

293

00:13:25,170 --> 00:13:22,120

such an attack the United States faces

294

00:13:27,210 --> 00:13:25,180

no threat in this regard so point poke

295

00:13:29,460 --> 00:13:27,220

points out that we certainly know that

296

00:13:31,679 --> 00:13:29,470

UFOs have the capability of being a

297

00:13:34,470 --> 00:13:31,689

threat given they're like a horse

298

00:13:37,110 --> 00:13:34,480

fantastic speed maneuverability far

299

00:13:39,650 --> 00:13:37,120

superior to our own technology but in

300

00:13:43,790 --> 00:13:39,660

this case the intent of UFOs is

301  
00:13:46,379 --> 00:13:43,800  
completely unknown and therefore

302  
00:13:49,439 --> 00:13:46,389  
immeasurable because of that fact then

303  
00:13:52,549 --> 00:13:49,449  
UFOs must be taken seriously as possible

304  
00:13:54,809 --> 00:13:52,559  
threats so I think when you see that on

305  
00:13:57,150 --> 00:13:54,819  
unidentified and remember these are

306  
00:13:59,610 --> 00:13:57,160  
military guys intelligence guys and

307  
00:14:01,949 --> 00:13:59,620  
they're bringing cases that our military

308  
00:14:04,470 --> 00:14:01,959  
cases write cases we probably never even

309  
00:14:06,480 --> 00:14:04,480  
heard of first of all thank you thank

310  
00:14:09,900 --> 00:14:06,490  
you because that expands our knowledge

311  
00:14:11,980 --> 00:14:09,910  
and understanding of it but in addition

312  
00:14:15,190 --> 00:14:11,990  
it helps us understand

313  
00:14:16,900 --> 00:14:15,200

that our government's reaction and some

314

00:14:19,840 --> 00:14:16,910

of the things that they do and have done

315

00:14:21,820 --> 00:14:19,850

and probably will do on that basis and

316

00:14:23,800 --> 00:14:21,830

to me I think that's logical and thank

317

00:14:27,120 --> 00:14:23,810

goodness there is somebody out there

318

00:14:30,430 --> 00:14:27,130

thinking that way because we do not know

319

00:14:31,900 --> 00:14:30,440

and so yeah for 70 years they've not you

320

00:14:33,460 --> 00:14:31,910

know done anything particularly

321

00:14:36,040 --> 00:14:33,470

threatening and that that whole thing

322

00:14:39,220 --> 00:14:36,050

but you know we don't know yet so we

323

00:14:40,840 --> 00:14:39,230

should you know have that posture at

324

00:14:43,750 --> 00:14:40,850

least not not to be threatening

325

00:14:46,930 --> 00:14:43,760

ourselves but to be prepared if in fact

326

00:14:49,590 --> 00:14:46,940

they ever approved to be threatening so

327

00:14:52,540 --> 00:14:49,600

that's kind of want one angle on threat

328

00:14:55,420 --> 00:14:52,550

the other to me and this is this comes

329

00:14:58,540 --> 00:14:55,430

from some research I did from a paper

330

00:15:01,000 --> 00:14:58,550

called UFOs and sovereignty by Alexander

331

00:15:04,440 --> 00:15:01,010

Wendt and Raymond Duval and these guys

332

00:15:07,180 --> 00:15:04,450

they're two political scientists who

333

00:15:10,870 --> 00:15:07,190

analyze the government's behavior for

334

00:15:12,790 --> 00:15:10,880

these 75 years regarding UFOs and it's a

335

00:15:14,320 --> 00:15:12,800

super complex and big long thing and we

336

00:15:17,530 --> 00:15:14,330

won't go into all that but one of the

337

00:15:21,760 --> 00:15:17,540

things that they touched on is the fact

338

00:15:24,610 --> 00:15:21,770

that because UFOs you know whoever has

339

00:15:26,980 --> 00:15:24,620

created eminence is operating them and

340

00:15:29,350 --> 00:15:26,990

and all of that they're clearly far

341

00:15:31,540 --> 00:15:29,360

superior to human beings at least

342

00:15:33,639 --> 00:15:31,550

they're technologists and so forth and

343

00:15:37,510 --> 00:15:33,649

if they ever do come and present them

344

00:15:39,880 --> 00:15:37,520

themselves governments well they use

345

00:15:42,519 --> 00:15:39,890

this illustration they said if if some

346

00:15:45,540 --> 00:15:42,529

superior being manifested itself here

347

00:15:48,519 --> 00:15:45,550

like maybe Jesus is in the second coming

348

00:15:51,550 --> 00:15:48,529

and they demonstrate this superiority to

349

00:15:54,040 --> 00:15:51,560

human beings who are human beings going

350

00:15:57,810 --> 00:15:54,050

to follow are they going to follow the

351  
00:15:59,019 --> 00:15:57,820  
superior being or the failed States

352  
00:16:01,240 --> 00:15:59,029  
nation-states

353  
00:16:03,760 --> 00:16:01,250  
on this earth the global network of

354  
00:16:07,120 --> 00:16:03,770  
these separate disparate governments who

355  
00:16:10,420 --> 00:16:07,130  
frankly have you know 200 of them with

356  
00:16:12,519 --> 00:16:10,430  
by far the majority do not take care of

357  
00:16:16,900 --> 00:16:12,529  
their people very well let's just put it

358  
00:16:19,840 --> 00:16:16,910  
that way right so if if others present

359  
00:16:22,510 --> 00:16:19,850  
themselves in that way they view it as

360  
00:16:25,390 --> 00:16:22,520  
an existential threat to our

361  
00:16:27,670 --> 00:16:25,400  
governmental system on earth and that

362  
00:16:30,040 --> 00:16:27,680  
I don't think that gets enough play we

363  
00:16:32,650 --> 00:16:30,050

always focus on the you know the the

364

00:16:35,100 --> 00:16:32,660

military threat aspect but you know you

365

00:16:37,810 --> 00:16:35,110

there has to be more of an exponent to

366

00:16:40,540 --> 00:16:37,820

playing the schizophrenic behavior of

367

00:16:43,150 --> 00:16:40,550

our governments you know that that we've

368

00:16:45,340 --> 00:16:43,160

seen for these 75 years and to that to

369

00:16:47,770 --> 00:16:45,350

me that makes a lot of sense they again

370

00:16:51,250 --> 00:16:47,780

provide a lot more powerful reason and

371

00:16:52,840 --> 00:16:51,260

logic an example else but I just wanted

372

00:16:54,760 --> 00:16:52,850

to bring that wound up because no one

373

00:16:57,130 --> 00:16:54,770

really talks about that aspect of it

374

00:17:00,820 --> 00:16:57,140

much but I think it's probably as much

375

00:17:03,730 --> 00:17:00,830

or greater a driving force than even the

376

00:17:06,370 --> 00:17:03,740

military threat because again it not

377

00:17:09,400 --> 00:17:06,380

demonstrated you know an intent to

378

00:17:11,140 --> 00:17:09,410

threaten us so I think maybe that's one

379

00:17:13,300 --> 00:17:11,150

of the things that explains why they act

380

00:17:16,540 --> 00:17:13,310

the way they do I think Shane said it

381

00:17:18,880 --> 00:17:16,550

all I would just elaborate by saying I

382

00:17:21,250 --> 00:17:18,890

think that's why our government has had

383

00:17:24,340 --> 00:17:21,260

plausible deniability for so long when

384

00:17:27,280 --> 00:17:24,350

it comes to this issue like instead of

385

00:17:29,200 --> 00:17:27,290

acknowledging it and admitting we don't

386

00:17:32,580 --> 00:17:29,210

control our skies or our nation's

387

00:17:35,860 --> 00:17:32,590

borders and in the air or in the sea

388

00:17:40,210 --> 00:17:35,870

it's not happening you're imagining it

389

00:17:43,960 --> 00:17:40,220

it's it's explainable and I think now

390

00:17:46,330 --> 00:17:43,970

we're seeing with the Navy and the DoD

391

00:17:50,200 --> 00:17:46,340

officially acknowledging a phenomenon in

392

00:17:52,180 --> 00:17:50,210

our skies that's a big shift in what you

393

00:17:56,110 --> 00:17:52,190

said Shane in terms of that existential

394

00:17:57,970 --> 00:17:56,120

question of what's beyond the government

395

00:18:00,250 --> 00:17:57,980

when it comes to this and like you said

396

00:18:02,800 --> 00:18:00,260

yeah if a superior intelligence came

397

00:18:04,660 --> 00:18:02,810

down and said hey we don't care about

398

00:18:06,490 --> 00:18:04,670

your nation's borders we don't care if

399

00:18:09,040 --> 00:18:06,500

you speak different languages have

400

00:18:11,230 --> 00:18:09,050

different religious beliefs like we made

401  
00:18:13,180 --> 00:18:11,240  
it here we're here we could get rid of

402  
00:18:17,650 --> 00:18:13,190  
you in an instant who are you gonna

403  
00:18:20,230 --> 00:18:17,660  
follow us or your quote-unquote leader

404  
00:18:21,790 --> 00:18:20,240  
of your nation yeah so I think that's a

405  
00:18:23,740 --> 00:18:21,800  
really good point and I think we're

406  
00:18:26,560 --> 00:18:23,750  
seeing a really interesting shift in the

407  
00:18:30,190 --> 00:18:26,570  
way the military is now acknowledging

408  
00:18:33,460 --> 00:18:30,200  
the topic and that could be a huge play

409  
00:18:36,310 --> 00:18:33,470  
moving forward with the issue yeah but

410  
00:18:37,420 --> 00:18:36,320  
with both of you guys sort of bashing

411  
00:18:39,340 --> 00:18:37,430  
government here

412  
00:18:42,280 --> 00:18:39,350  
I think we've guaranteed

413  
00:18:44,170 --> 00:18:42,290

another stellar review on Apple podcast

414

00:18:47,170 --> 00:18:44,180

because we've established that this

415

00:18:49,740 --> 00:18:47,180

podcast has more left EBS I haven't

416

00:18:55,690 --> 00:18:49,750

gotten one of those in a while but oh

417

00:18:57,760 --> 00:18:55,700

I've got plenty I said I am glad we have

418

00:19:00,790 --> 00:18:57,770

the military thinking that way and

419

00:19:03,250 --> 00:19:00,800

protecting us so it isn't all bad well

420

00:19:05,320 --> 00:19:03,260

our wonderful fans who leave the

421

00:19:08,650 --> 00:19:05,330

comments about left EBS or different

422

00:19:10,810 --> 00:19:08,660

people Wow alright well on a related

423

00:19:12,820 --> 00:19:10,820

topic let's talk about season 2 of

424

00:19:14,860 --> 00:19:12,830

unidentified inside America's UFO

425

00:19:17,170 --> 00:19:14,870

investigation that just premiered on

426

00:19:18,940 --> 00:19:17,180

Saturday July 11th what did you guys

427

00:19:21,520 --> 00:19:18,950

think of the episode did Ryan did you

428

00:19:23,530 --> 00:19:21,530

see it yeah yeah I watched it on yeah

429

00:19:26,230 --> 00:19:23,540

maybe a week ago or so one of those

430

00:19:29,020 --> 00:19:26,240

advanced ones but um it aired last night

431

00:19:32,470 --> 00:19:29,030

I believe the ratings I heard were

432

00:19:33,400 --> 00:19:32,480

really stellar and I thought it was

433

00:19:36,070 --> 00:19:33,410

great

434

00:19:39,670 --> 00:19:36,080

UFOs in combat I believe it was titled

435

00:19:42,250 --> 00:19:39,680

and we got some new military encounters

436

00:19:46,240 --> 00:19:42,260

one of which really blew me away with

437

00:19:51,130 --> 00:19:46,250

the the army specialists in Afghanistan

438

00:19:53,590 --> 00:19:51,140

that that was really interesting and I

439

00:19:58,540 --> 00:19:53,600

was happy to see all our players are bad

440

00:20:00,610 --> 00:19:58,550

Chris Mellon we sell is Ando and yeah

441

00:20:03,880 --> 00:20:00,620

yeah I thought it was good and we got

442

00:20:05,830 --> 00:20:03,890

some interesting connections back to the

443

00:20:08,320 --> 00:20:05,840

tick-tack UFO maybe that's what these

444

00:20:12,970 --> 00:20:08,330

guys are seeing in Afghanistan as well

445

00:20:15,160 --> 00:20:12,980

so I think I think unidentified they're

446

00:20:17,530 --> 00:20:15,170

trying to make connections between what

447

00:20:21,520 --> 00:20:17,540

these things could be and that it wasn't

448

00:20:23,350 --> 00:20:21,530

just over the seas of California where

449

00:20:25,360 --> 00:20:23,360

they saw this ticks act maybe we're

450

00:20:26,530 --> 00:20:25,370

seeing these in Afghanistan maybe we're

451

00:20:29,290 --> 00:20:26,540

seeing these in other parts of the

452

00:20:30,970 --> 00:20:29,300

United States um so yeah I I thought it

453

00:20:33,550 --> 00:20:30,980

was a really good opener for their new

454

00:20:35,500 --> 00:20:33,560

season and it also introduced us to a

455

00:20:38,320 --> 00:20:35,510

new format I think too we're gonna be

456

00:20:41,440 --> 00:20:38,330

covering certain topics now which I find

457

00:20:42,730 --> 00:20:41,450

really interesting and yeah I'm excited

458

00:20:46,090 --> 00:20:42,740

to see where the series goes from here

459

00:20:47,950 --> 00:20:46,100

did you see the episode Shane yeah yeah

460

00:20:51,650 --> 00:20:47,960

I thought it was terrific too and I

461

00:20:56,270 --> 00:20:51,660

think the big takeaway for me was that

462

00:20:58,520 --> 00:20:56,280

again military UFO encounters have not

463

00:21:00,800 --> 00:20:58,530

been available to the public and now

464

00:21:02,300 --> 00:21:00,810

they're being made available I mean oh

465

00:21:05,120 --> 00:21:02,310

my gosh this is the thing we've been

466

00:21:08,030 --> 00:21:05,130

asking for for those 75 years right and

467

00:21:09,650 --> 00:21:08,040

and it's happening and I mean at least I

468

00:21:12,080 --> 00:21:09,660

wasn't familiar with those I don't know

469

00:21:14,060 --> 00:21:12,090

if they were in the public domain or not

470

00:21:17,930 --> 00:21:14,070

but you know I found it very interesting

471

00:21:21,500 --> 00:21:17,940

they had cases from I think it was

472

00:21:27,740 --> 00:21:21,510

Kosovo from the first Gulf War

473

00:21:32,930 --> 00:21:27,750

first Vietnam and Afghanistan and you

474

00:21:35,240 --> 00:21:32,940

know involving you know b-52s and a TENS

475

00:21:38,090 --> 00:21:35,250

and helicopters and just this whole

476  
00:21:40,780 --> 00:21:38,100  
variety of things and and again to me

477  
00:21:44,570 --> 00:21:40,790  
when you when you have different

478  
00:21:45,620 --> 00:21:44,580  
contexts for different encounters kind

479  
00:21:48,410 --> 00:21:45,630  
of like you are alluding to earlier

480  
00:21:51,770 --> 00:21:48,420  
Jason you know it may not be one fun

481  
00:21:52,970 --> 00:21:51,780  
thing and and that that is interesting

482  
00:21:55,190 --> 00:21:52,980  
and and you know there are different

483  
00:21:57,620 --> 00:21:55,200  
types and they're different shapes and I

484  
00:22:00,650 --> 00:21:57,630  
think what this does is it also helps

485  
00:22:03,080 --> 00:22:00,660  
corroborate the public cases that we

486  
00:22:05,120 --> 00:22:03,090  
have in like all of our classic cases

487  
00:22:07,130 --> 00:22:05,130  
from Roswell to the Phoenix lights and

488  
00:22:09,680 --> 00:22:07,140

that kind of thing when you have

489

00:22:11,960 --> 00:22:09,690

military people especially in the

490

00:22:14,600 --> 00:22:11,970

theatres of war you know having these

491

00:22:17,510 --> 00:22:14,610

experiences and they they run similar to

492

00:22:20,090 --> 00:22:17,520

the public experiences then to me again

493

00:22:21,890 --> 00:22:20,100

military cases are highly credible

494

00:22:23,990 --> 00:22:21,900

because of the people involved the

495

00:22:25,790 --> 00:22:24,000

equipment you know like you know you

496

00:22:28,190 --> 00:22:25,800

just think about radar systems you know

497

00:22:31,100 --> 00:22:28,200

but those are closed systems those are

498

00:22:33,410 --> 00:22:31,110

you know instruments and they're they're

499

00:22:35,150 --> 00:22:33,420

patched and they're maintained and

500

00:22:36,950 --> 00:22:35,160

they're highly trained operators of

501  
00:22:38,840 --> 00:22:36,960  
those things you know so when you when

502  
00:22:41,960 --> 00:22:38,850  
you collect that kind of data it's it's

503  
00:22:44,900 --> 00:22:41,970  
super valuable you know and so all of

504  
00:22:48,410 --> 00:22:44,910  
those things I think us becoming aware

505  
00:22:49,970 --> 00:22:48,420  
of those actually you know supports all

506  
00:22:51,080 --> 00:22:49,980  
the public stuff that we've seen all

507  
00:22:53,210 --> 00:22:51,090  
these years and that we always talk

508  
00:22:56,300 --> 00:22:53,220  
about so I think it's you know really

509  
00:23:00,130 --> 00:22:56,310  
really gonna be a valuable thing to the

510  
00:23:03,020 --> 00:23:00,140  
whole you know ufology and whole and how

511  
00:23:04,010 --> 00:23:03,030  
people in the public learnt UFO people

512  
00:23:11,150 --> 00:23:04,020  
it

513  
00:23:13,370 --> 00:23:11,160

again goes back to well maybe these guys

514

00:23:15,680 --> 00:23:13,380

aren't wackos these are their people who

515

00:23:17,690 --> 00:23:15,690

you know I've been reporting UFOs

516

00:23:20,090 --> 00:23:17,700

because they've been reported in the

517

00:23:21,950 --> 00:23:20,100

military for all these decades and no

518

00:23:24,110 --> 00:23:21,960

one just heard about it now it's coming

519

00:23:27,320 --> 00:23:24,120

out so I mean I think that it's it's

520

00:23:32,000 --> 00:23:27,330

good for everybody to have it go down

521

00:23:34,520 --> 00:23:32,010

like that yeah I mean it it is

522

00:23:37,040 --> 00:23:34,530

interesting to see the audience that the

523

00:23:39,560 --> 00:23:37,050

show is reaching and they had a

524

00:23:41,780 --> 00:23:39,570

tremendous response to last season and

525

00:23:44,420 --> 00:23:41,790

had all these military people coming

526

00:23:46,460 --> 00:23:44,430

forward with their own sighting

527

00:23:48,290 --> 00:23:46,470

experiences that's really cool and we're

528

00:23:49,820 --> 00:23:48,300

gonna see that and we already did see

529

00:23:52,820 --> 00:23:49,830

that in the first episode we'll see more

530

00:23:55,190 --> 00:23:52,830

of that the results of that on this

531

00:23:56,390 --> 00:23:55,200

second season like you mentioned not

532

00:23:58,100 --> 00:23:56,400

surprisingly it's focused on the

533

00:24:00,950 --> 00:23:58,110

military but that is the focus of this

534

00:24:02,750 --> 00:24:00,960

show and you know after seeing the first

535

00:24:04,970 --> 00:24:02,760

episode a couple weeks ago when I wrote

536

00:24:07,490 --> 00:24:04,980

a little preview for the season on rogue

537

00:24:09,710 --> 00:24:07,500

planet I posted about it on social media

538

00:24:11,570 --> 00:24:09,720

with a cheesy comment about how I hope

539

00:24:14,030 --> 00:24:11,580

your breath still stinks because season

540

00:24:16,370 --> 00:24:14,040

two is giving you more tic tacs and that

541

00:24:19,370 --> 00:24:16,380

is certainly true I mean there they are

542

00:24:21,830 --> 00:24:19,380

all about the tic tac and I don't know

543

00:24:23,630 --> 00:24:21,840

to me it seems like there it's a weird

544

00:24:26,510 --> 00:24:23,640

trying to force a connection between

545

00:24:30,050 --> 00:24:26,520

other sightings and the 2004 Nimitz

546

00:24:32,120 --> 00:24:30,060

stik-tek UFO encounter you know even

547

00:24:34,040 --> 00:24:32,130

comments about oh yeah that that looks

548

00:24:36,350 --> 00:24:34,050

like a tic-tac or that sounds like a

549

00:24:38,180 --> 00:24:36,360

tic-tac you know maybe that's a good

550

00:24:40,610 --> 00:24:38,190

thing maybe it's not I think that's kind

551  
00:24:42,770 --> 00:24:40,620  
of an unnecessary forced connection I

552  
00:24:45,710 --> 00:24:42,780  
mean we again we we had this need to

553  
00:24:47,960 --> 00:24:45,720  
find connections with things in life and

554  
00:24:51,950 --> 00:24:47,970  
with UFOs I think most times there there

555  
00:24:53,870 --> 00:24:51,960  
aren't connections and you know Tom

556  
00:24:56,420 --> 00:24:53,880  
DeLonge even posted on social media

557  
00:24:58,490 --> 00:24:56,430  
either today or yesterday about how

558  
00:25:02,060 --> 00:24:58,500  
they're going to use religious texts and

559  
00:25:05,840 --> 00:25:02,070  
add that to their their AI for looking

560  
00:25:07,340 --> 00:25:05,850  
for patterns throughout history and you

561  
00:25:09,910 --> 00:25:07,350  
know that's that's interesting and all

562  
00:25:13,160 --> 00:25:09,920  
but again people change over time with

563  
00:25:16,470 --> 00:25:13,170

how we describe things the things we're

564

00:25:20,220 --> 00:25:16,480

used to seeing and you know I would

565

00:25:22,380 --> 00:25:20,230

bet that a lot of what people are

566

00:25:25,470 --> 00:25:22,390

calling Tic Tacs now because that's just

567

00:25:27,990 --> 00:25:25,480

such a buzz term that people new to this

568

00:25:30,990 --> 00:25:28,000

are are thinking that is a thing these

569

00:25:32,790 --> 00:25:31,000

tic-tac UFOs we've seen so many shapes

570

00:25:34,920 --> 00:25:32,800

over the years and I would guess that

571

00:25:38,430 --> 00:25:34,930

people who described something as a

572

00:25:41,010 --> 00:25:38,440

cigar shaped UFO years ago would now

573

00:25:42,900 --> 00:25:41,020

call that a tic-tac UFO just because a

574

00:25:46,950 --> 00:25:42,910

similar shape you know these things that

575

00:25:49,230 --> 00:25:46,960

are you know kind of elongated it look

576

00:25:51,030 --> 00:25:49,240

like a cigar or something you know these

577

00:25:52,830 --> 00:25:51,040

these shapes change over time again I

578

00:25:54,390 --> 00:25:52,840

mean some of my favorites and that

579

00:25:56,100 --> 00:25:54,400

that's a book in itself we should write

580

00:25:57,840 --> 00:25:56,110

some time about different shapes of UFOs

581

00:25:59,100 --> 00:25:57,850

but yeah the British are the best with

582

00:26:01,320 --> 00:25:59,110

their shapes I mean they've got they've

583

00:26:03,180 --> 00:26:01,330

had hamburger UFOs and things like that

584

00:26:04,770 --> 00:26:03,190

I love reading some of those sighting

585

00:26:06,660 --> 00:26:04,780

reports of how people describe these

586

00:26:08,790 --> 00:26:06,670

things but we're certainly seeing more

587

00:26:11,880 --> 00:26:08,800

more tick tack UFOs now because that's

588

00:26:14,250 --> 00:26:11,890

been put out there into into the

589

00:26:16,950 --> 00:26:14,260

community and into the thought process

590

00:26:19,380 --> 00:26:16,960

and now we've got this this show you

591

00:26:21,600 --> 00:26:19,390

know pushing the UFO narrative driving

592

00:26:24,450 --> 00:26:21,610

the UFO narrative and and this focus on

593

00:26:26,490 --> 00:26:24,460

tick tack UFOs and and trying to find

594

00:26:28,020 --> 00:26:26,500

tick tack UFOs from all over the world

595

00:26:31,320 --> 00:26:28,030

so that's interesting it'll be

596

00:26:33,900 --> 00:26:31,330

interesting to see what that does to the

597

00:26:36,330 --> 00:26:33,910

the discussion to the dialogue and

598

00:26:37,800 --> 00:26:36,340

discourse on UFOs going forward but I'm

599

00:26:39,150 --> 00:26:37,810

excited to see where the season goes

600

00:26:42,180 --> 00:26:39,160

again I think it's really cool we're

601  
00:26:45,020 --> 00:26:42,190  
seeing these this Millett military

602  
00:26:46,920 --> 00:26:45,030  
testimony coming forward from people who

603  
00:26:48,360 --> 00:26:46,930  
obviously the ones we're hearing from

604  
00:26:51,090 --> 00:26:48,370  
are no longer in the military they're

605  
00:26:53,100 --> 00:26:51,100  
able to talk about it but yeah the the

606  
00:26:55,260 --> 00:26:53,110  
really old ones are really cool to me

607  
00:26:58,500 --> 00:26:55,270  
because especially people you know like

608  
00:27:00,630 --> 00:26:58,510  
the Vietnam era and things like that the

609  
00:27:02,820 --> 00:27:00,640  
stigma was so much worse than it is now

610  
00:27:05,640 --> 00:27:02,830  
and those were just things you did not

611  
00:27:07,920 --> 00:27:05,650  
talk about and these are people who even

612  
00:27:09,600 --> 00:27:07,930  
if they did happen to tell somebody

613  
00:27:11,340 --> 00:27:09,610

about it which you know that is

614

00:27:12,570 --> 00:27:11,350

extremely rare that they would tell

615

00:27:15,870 --> 00:27:12,580

anybody about something like that

616

00:27:17,370 --> 00:27:15,880

because of the ridicule factor but you

617

00:27:19,910 --> 00:27:17,380

know for them to be able to unload that

618

00:27:22,770 --> 00:27:19,920

and how people take them seriously

619

00:27:25,110 --> 00:27:22,780

that's got to be such a relief such a

620

00:27:28,080 --> 00:27:25,120

such a burden that they're unable to

621

00:27:30,090 --> 00:27:28,090

unload and finally feel I'm not crazy

622

00:27:31,860 --> 00:27:30,100

you know and people are not

623

00:27:34,100 --> 00:27:31,870

calling me crazy and they're genuinely

624

00:27:37,230 --> 00:27:34,110

interested in hearing about what I

625

00:27:39,570 --> 00:27:37,240

experienced and maybe even trying to

626

00:27:41,310 --> 00:27:39,580

find some answers yeah I think the

627

00:27:44,159 --> 00:27:41,320

weight has been lifted off of a lot of

628

00:27:47,310 --> 00:27:44,169

these witnesses shoulders I mean you're

629

00:27:50,159 --> 00:27:47,320

talking back Vietnam or even earlier the

630

00:27:54,060 --> 00:27:50,169

idea of shell-shocked and and whatnot in

631

00:27:56,370 --> 00:27:54,070

Gulf War Syndrome I mean you you were

632

00:27:58,380 --> 00:27:56,380

caught dead talking about a UFO because

633

00:28:01,200 --> 00:27:58,390

that is a telltale sign that you're

634

00:28:04,950 --> 00:28:01,210

suffering this what we now term PTSD and

635

00:28:07,620 --> 00:28:04,960

whatnot so I mean right there if you

636

00:28:11,460 --> 00:28:07,630

wanted to get out of the military or out

637

00:28:13,919 --> 00:28:11,470

of war report a UFO that seems to be the

638

00:28:15,899 --> 00:28:13,929

way to go to get out of it but a lot of

639

00:28:17,700 --> 00:28:15,909

these guys were doing it for their

640

00:28:20,490 --> 00:28:17,710

country and serving their country and

641

00:28:22,590 --> 00:28:20,500

they didn't want to leave so let's take

642

00:28:24,539 --> 00:28:22,600

for instance the guy the witness that

643

00:28:26,669 --> 00:28:24,549

saw the Vietnam UFO in that first

644

00:28:28,049 --> 00:28:26,679

unidentified episode if he had talked

645

00:28:30,630 --> 00:28:28,059

about it then like they probably would

646

00:28:32,940 --> 00:28:30,640

have got rid of it so yeah I think it's

647

00:28:34,440 --> 00:28:32,950

interesting the pressure to not come

648

00:28:36,299 --> 00:28:34,450

forward with these things within the

649

00:28:38,520 --> 00:28:36,309

military and again we're seeing that

650

00:28:40,710 --> 00:28:38,530

shift and I think this show and this

651  
00:28:42,180 --> 00:28:40,720  
organization have a lot to do with that

652  
00:28:44,669 --> 00:28:42,190  
no matter what you think of them whether

653  
00:28:47,370 --> 00:28:44,679  
you follow them support them demonize

654  
00:28:50,789 --> 00:28:47,380  
them they are changing the conversation

655  
00:28:52,649 --> 00:28:50,799  
and that's interesting let's hop

656  
00:28:55,380 --> 00:28:52,659  
straight from talking about unidentified

657  
00:28:57,750 --> 00:28:55,390  
to the related topic of the intelligence

658  
00:29:00,360 --> 00:28:57,760  
Authorization Act for fiscal year 2021

659  
00:29:03,870 --> 00:29:00,370  
this bill introduced in the Senate on

660  
00:29:05,909 --> 00:29:03,880  
June 8th that if enacted would require a

661  
00:29:08,279 --> 00:29:05,919  
report to be assembled by the Office of

662  
00:29:10,350 --> 00:29:08,289  
Naval Intelligence and others and it

663  
00:29:12,980 --> 00:29:10,360

would essentially paint a picture of the

664

00:29:16,380 --> 00:29:12,990

current assessment of the UFO situation

665

00:29:18,770 --> 00:29:16,390

at a government level so what are your

666

00:29:22,770 --> 00:29:18,780

thoughts on this proposed bill Shane

667

00:29:25,049 --> 00:29:22,780

yeah I mean I think it's a definitely a

668

00:29:28,320 --> 00:29:25,059

step in the right direction I think it

669

00:29:31,169 --> 00:29:28,330

it's a baby step but we'll take it I

670

00:29:35,190 --> 00:29:31,179

think also that it came to be because of

671

00:29:36,720 --> 00:29:35,200

the efforts of of T TSA so if they've

672

00:29:42,840 --> 00:29:36,730

accomplished something in that regard

673

00:29:43,890 --> 00:29:42,850

that hasn't happened ever and so I think

674

00:29:46,200 --> 00:29:43,900

it's it's very

675

00:29:48,720 --> 00:29:46,210

important in that regard however I do

676  
00:29:51,540 --> 00:29:48,730  
approach it with some caution because

677  
00:29:53,160 --> 00:29:51,550  
it's still not a lot yet still hasn't

678  
00:29:55,980 --> 00:29:53,170  
really happened it's just it's a

679  
00:29:58,230 --> 00:29:55,990  
suggestion so so far and then the

680  
00:30:02,870 --> 00:29:58,240  
requirements are to produce a public

681  
00:30:05,340 --> 00:30:02,880  
report and it can have it a as I recall

682  
00:30:07,560 --> 00:30:05,350  
classified addendum to it that that

683  
00:30:09,330 --> 00:30:07,570  
would not be released so uh you dare

684  
00:30:13,140 --> 00:30:09,340  
kind of cut pepper in both faces there

685  
00:30:18,200 --> 00:30:13,150  
which I think is wise but you know I

686  
00:30:21,180 --> 00:30:18,210  
just fear the project Bluebook sort of

687  
00:30:24,090 --> 00:30:21,190  
whitewashing of of the information

688  
00:30:25,980 --> 00:30:24,100

that's reported if I mean and I think

689

00:30:28,140 --> 00:30:25,990

what's happening is you know you that

690

00:30:30,390 --> 00:30:28,150

there is a battle going on in our

691

00:30:33,090 --> 00:30:30,400

government right now between two camps

692

00:30:35,160 --> 00:30:33,100

okay not everyone in the government is

693

00:30:38,250 --> 00:30:35,170

aware of this issue but I'm talking

694

00:30:40,020 --> 00:30:38,260

about there's two specific groups that

695

00:30:42,330 --> 00:30:40,030

are aware of what's going on

696

00:30:45,150 --> 00:30:42,340

one group of closes releasing

697

00:30:47,700 --> 00:30:45,160

information the other group supports it

698

00:30:50,070 --> 00:30:47,710

I think this is like you know Luis

699

00:30:52,590 --> 00:30:50,080

Alison Dale coming out of the military

700

00:30:55,020 --> 00:30:52,600

was he's from the camp that wants to

701

00:30:57,780 --> 00:30:55,030

release information was stonewalled

702

00:31:00,270 --> 00:30:57,790

couldn't get it done on the inside so he

703

00:31:02,370 --> 00:31:00,280

his attempt on the outside of the PTSA

704

00:31:03,990 --> 00:31:02,380

and you know it's moving the the meat

705

00:31:06,510 --> 00:31:04,000

the meat or something okay so that's

706

00:31:08,520 --> 00:31:06,520

that's awesome but um and he's even

707

00:31:12,300 --> 00:31:08,530

spoke up those two different camps and

708

00:31:14,370 --> 00:31:12,310

so who ultimately is gonna win I don't

709

00:31:17,340 --> 00:31:14,380

know I mean I like to think that the

710

00:31:19,830 --> 00:31:17,350

truth always wins out but they end it's

711

00:31:22,770 --> 00:31:19,840

been 75 years we've been putting up with

712

00:31:26,460 --> 00:31:22,780

with the lie so I guess that's what's

713

00:31:30,000 --> 00:31:26,470

got me skeptical but I'm hopeful that's

714

00:31:33,240 --> 00:31:30,010

oddly well and to that point yeah it is

715

00:31:35,850 --> 00:31:33,250

it is a little confusing at least from

716

00:31:37,410 --> 00:31:35,860

my perspective you know like with with

717

00:31:40,260 --> 00:31:37,420

Willa's Ando you know with his

718

00:31:44,040 --> 00:31:40,270

frustration and and leaving and trying

719

00:31:47,130 --> 00:31:44,050

to do things outside the government yet

720

00:31:49,590 --> 00:31:47,140

the efforts now are focused on doing

721

00:31:51,570 --> 00:31:49,600

things inside the government and trying

722

00:31:54,390 --> 00:31:51,580

to get you know allies on the inside

723

00:31:56,400 --> 00:31:54,400

well we already had allies on the inside

724

00:31:57,190 --> 00:31:56,410

and those allies left we're trying to go

725

00:32:00,220 --> 00:31:57,200

back inside

726

00:32:03,070 --> 00:32:00,230

and then even with like Senator Reid

727

00:32:05,950 --> 00:32:03,080

right top guy in the Senate advocate for

728

00:32:08,350 --> 00:32:05,960

UFOs however he's even said that with

729

00:32:10,509 --> 00:32:08,360

with a tip like he wanted to move it to

730

00:32:12,730 --> 00:32:10,519

a special access program he wanted to

731

00:32:14,710 --> 00:32:12,740

make it even harder for that information

732

00:32:17,950 --> 00:32:14,720

to you know be found by people like us

733

00:32:19,960 --> 00:32:17,960

so it's it's a very confusing game when

734

00:32:21,850 --> 00:32:19,970

it comes to politics and the government

735

00:32:23,769 --> 00:32:21,860

and this topic and like you said Shane

736

00:32:25,330 --> 00:32:23,779

with Blue Book and every other

737

00:32:26,919 --> 00:32:25,340

government study that's been done on

738

00:32:29,680 --> 00:32:26,929

this we've kind of been down this road

739

00:32:32,259 --> 00:32:29,690

where they've had input from other

740

00:32:34,180 --> 00:32:32,269

people and other organizations within

741

00:32:36,250 --> 00:32:34,190

the military and within the government

742

00:32:39,580 --> 00:32:36,260

they put their information together and

743

00:32:42,220 --> 00:32:39,590

ultimately concluded yeah UFOs nothing

744

00:32:44,680 --> 00:32:42,230

here move on so why is this going to be

745

00:32:45,940 --> 00:32:44,690

any different well we'll see and another

746

00:32:48,789 --> 00:32:45,950

thing that's it's always interesting

747

00:32:52,330 --> 00:32:48,799

about these efforts is that it's

748

00:32:55,210 --> 00:32:52,340

intriguing that people who are briefed

749

00:32:57,639 --> 00:32:55,220

on these the this subject and take an

750

00:33:00,039 --> 00:32:57,649

interest in it enough to look into it

751  
00:33:02,200 --> 00:33:00,049  
more or try to make some action happen

752  
00:33:03,879 --> 00:33:02,210  
these are people in the government and

753  
00:33:05,799 --> 00:33:03,889  
they're being briefed and given their

754  
00:33:08,049 --> 00:33:05,809  
their information or having their eyes

755  
00:33:11,139 --> 00:33:08,059  
open by people in the UFO community

756  
00:33:12,669 --> 00:33:11,149  
really UFO groups UFO individuals are

757  
00:33:14,680 --> 00:33:12,679  
the ones briefing the government about

758  
00:33:16,870 --> 00:33:14,690  
what's happening and then the people in

759  
00:33:19,810 --> 00:33:16,880  
the government go oh wow I didn't know

760  
00:33:21,490 --> 00:33:19,820  
that let's look into it why are you

761  
00:33:23,110 --> 00:33:21,500  
getting your information from UFO people

762  
00:33:25,060 --> 00:33:23,120  
number one and number two why are you

763  
00:33:27,220 --> 00:33:25,070

even listening to that why wouldn't you

764

00:33:29,110 --> 00:33:27,230

you know get your information from the

765

00:33:31,210 --> 00:33:29,120

government or from the military if that

766

00:33:33,039 --> 00:33:31,220

information exists you probably would

767

00:33:34,930 --> 00:33:33,049

know about it if you had that interest

768

00:33:37,299 --> 00:33:34,940

but you should be able to find out about

769

00:33:40,269 --> 00:33:37,309

it but it's always been interesting to

770

00:33:42,310 --> 00:33:40,279

me how I mean that feels conspiracy for

771

00:33:44,289 --> 00:33:42,320

sure and it's people it's easy for

772

00:33:46,480 --> 00:33:44,299

people to dismiss and say well yeah but

773

00:33:48,430 --> 00:33:46,490

that shows that it's true but you know

774

00:33:50,950 --> 00:33:48,440

people like Steven Greer people like

775

00:33:53,500 --> 00:33:50,960

Paul Hellyer in Canada you know a lot of

776

00:33:56,289 --> 00:33:53,510

his information was based off of a UFO

777

00:33:57,730 --> 00:33:56,299

author who shared information with him

778

00:33:59,350 --> 00:33:57,740

and he goes oh wow

779

00:34:01,360 --> 00:33:59,360

I didn't know that was happening I need

780

00:34:03,310 --> 00:34:01,370

to look into this you know so a lot of

781

00:34:05,019 --> 00:34:03,320

the information is coming from the UFO

782

00:34:07,990 --> 00:34:05,029

community so it raises lots of questions

783

00:34:10,000 --> 00:34:08,000

about the narrative that exists where

784

00:34:10,960 --> 00:34:10,010

this information is coming from and how

785

00:34:12,970 --> 00:34:10,970

the whole

786

00:34:15,549 --> 00:34:12,980

sort of timeline happens with a lot of

787

00:34:17,289 --> 00:34:15,559

these things is there a real concern

788

00:34:19,419 --> 00:34:17,299

within the government is there anything

789

00:34:21,279 --> 00:34:19,429

that the government has that they can

790

00:34:22,599 --> 00:34:21,289

share with us you know I'm sure they

791

00:34:23,980 --> 00:34:22,609

would like to continue the illusion that

792

00:34:25,990 --> 00:34:23,990

they have all the answers they've got

793

00:34:28,419 --> 00:34:26,000

these secret information that we're not

794

00:34:30,460 --> 00:34:28,429

allowed to have but you know with this

795

00:34:32,079 --> 00:34:30,470

bill if it even passes the Senate then

796

00:34:33,339 --> 00:34:32,089

passes the House then gets signed by the

797

00:34:35,139 --> 00:34:33,349

president into law

798

00:34:37,839 --> 00:34:35,149

like you said Shane it's at their

799

00:34:40,690 --> 00:34:37,849

discretion to disclose what they want

800

00:34:43,089 --> 00:34:40,700

it's up to these individual groups to

801  
00:34:46,089 --> 00:34:43,099  
say oh yeah here's our information about

802  
00:34:47,409 --> 00:34:46,099  
UFOs and it's certainly not all the

803  
00:34:49,599 --> 00:34:47,419  
information but it's what we want to

804  
00:34:51,490 --> 00:34:49,609  
present to you because you don't need to

805  
00:34:52,990 --> 00:34:51,500  
know what we're working on over here and

806  
00:34:55,210 --> 00:34:53,000  
it's the same problems that they

807  
00:34:57,339 --> 00:34:55,220  
highlight in that in that bill and that

808  
00:34:59,319 --> 00:34:57,349  
is the lack of communication lack of

809  
00:35:01,599 --> 00:34:59,329  
cross talk all these different groups

810  
00:35:03,370 --> 00:35:01,609  
have no idea what the other is doing and

811  
00:35:05,200 --> 00:35:03,380  
a lot of that you know we've got a lot

812  
00:35:06,400 --> 00:35:05,210  
of secrecy going on between different

813  
00:35:07,690 --> 00:35:06,410

branches of government and thing

814

00:35:09,819 --> 00:35:07,700

although we're all on the same side

815

00:35:11,620 --> 00:35:09,829

they're doing their own things and

816

00:35:14,740 --> 00:35:11,630

they've got their their own interests at

817

00:35:16,240 --> 00:35:14,750

heart so you know ultimately it's up to

818

00:35:18,819 --> 00:35:16,250

them to put forth the information that's

819

00:35:21,609 --> 00:35:18,829

being requested and you know what winds

820

00:35:23,620 --> 00:35:21,619

up in that report who knows but I'm

821

00:35:26,680 --> 00:35:23,630

curious to see and I'm really curious

822

00:35:28,029 --> 00:35:26,690

and skeptical to see if we the public

823

00:35:30,579 --> 00:35:28,039

get to see any of that even though

824

00:35:33,490 --> 00:35:30,589

they've specifically asked for that what

825

00:35:37,059 --> 00:35:33,500

do you think right yeah I I think I

826

00:35:41,920 --> 00:35:37,069

think you're right I think this bill or

827

00:35:43,390 --> 00:35:41,930

this Intelligence Committee I'm afraid

828

00:35:45,910 --> 00:35:43,400

it's going to have the opposite effect

829

00:35:48,519 --> 00:35:45,920

that I think a lot of the UFO people

830

00:35:50,499 --> 00:35:48,529

think it's gonna have I do think you're

831

00:35:52,180 --> 00:35:50,509

right I think this is and even Chris

832

00:35:54,220 --> 00:35:52,190

Mellon tweeted out I think last night

833

00:35:56,109 --> 00:35:54,230

this is Project Blue Book for the 21st

834

00:36:00,309 --> 00:35:56,119

century of and I immediately was like

835

00:36:04,180 --> 00:36:00,319

dude no that's not money won because we

836

00:36:06,069 --> 00:36:04,190

now know how filtered and suppressed and

837

00:36:09,249 --> 00:36:06,079

controlled the project Bluebook

838

00:36:11,200 --> 00:36:09,259

narrative was in with all of this and

839

00:36:13,749 --> 00:36:11,210

thank God for someone like Hynek coming

840

00:36:15,880 --> 00:36:13,759

out in explaining like this is what I

841

00:36:19,569 --> 00:36:15,890

found this is what the government told

842

00:36:22,359 --> 00:36:19,579

you now maybe is this gonna be a project

843

00:36:24,190 --> 00:36:22,369

Bluebook part two I hope not but you're

844

00:36:24,820 --> 00:36:24,200

right if we have this committee doing

845

00:36:26,890 --> 00:36:24,830

this

846

00:36:29,770 --> 00:36:26,900

they control the narrative again and

847

00:36:32,200 --> 00:36:29,780

they get to decide what it is and what

848

00:36:37,870 --> 00:36:32,210

the public is going to be told so I do

849

00:36:39,970 --> 00:36:37,880

worry um I I have good and high hopes

850

00:36:42,010 --> 00:36:39,980

that maybe we'll get some cool cases out

851  
00:36:45,100 --> 00:36:42,020  
of it again but I think the overall

852  
00:36:47,200 --> 00:36:45,110  
issue and the potential for threat and

853  
00:36:49,900 --> 00:36:47,210  
all of that is going to be in that

854  
00:36:52,180 --> 00:36:49,910  
classified caveat to this thing um and

855  
00:36:54,040 --> 00:36:52,190  
again we understand the need for that

856  
00:36:56,230 --> 00:36:54,050  
yeah we I think the three of us can

857  
00:36:58,510 --> 00:36:56,240  
agree uh we understand why this topic

858  
00:37:01,030 --> 00:36:58,520  
needs to be classified at a level but at

859  
00:37:04,600 --> 00:37:01,040  
the same time I think those who really

860  
00:37:07,510 --> 00:37:04,610  
support the work of Mellon and T TSA and

861  
00:37:11,710 --> 00:37:07,520  
everything just I urge them to keep in

862  
00:37:14,170 --> 00:37:11,720  
mind that they may not they may not give

863  
00:37:17,500 --> 00:37:14,180

us the information that you so want and

864

00:37:20,230 --> 00:37:17,510

that that's sobering or or yeah the the

865

00:37:22,780 --> 00:37:20,240

result of that coming out and the the

866

00:37:25,240 --> 00:37:22,790

results or lack of results you know

867

00:37:26,890 --> 00:37:25,250

could be quite detrimental you know so

868

00:37:29,170 --> 00:37:26,900

there's always that to you and here's

869

00:37:30,730 --> 00:37:29,180

the thing with with the Chris Mullins

870

00:37:33,480 --> 00:37:30,740

comment about Project Blue Book for the

871

00:37:36,070 --> 00:37:33,490

21st century didn't we already have that

872

00:37:37,630 --> 00:37:36,080

raises questions about a tip right I

873

00:37:39,160 --> 00:37:37,640

mean we don't really know what a chip

874

00:37:40,720 --> 00:37:39,170

did there was this whole thing about all

875

00:37:42,580 --> 00:37:40,730

they didn't do anything with UFOs and

876

00:37:44,230 --> 00:37:42,590

their what they did things with UFOs and

877

00:37:46,660 --> 00:37:44,240

we've always been told they were the

878

00:37:48,280 --> 00:37:46,670

pentagon's UFO you know research project

879

00:37:51,610 --> 00:37:48,290

that's essentially what Blue Book was

880

00:37:53,440 --> 00:37:51,620

for the Air Force so I mean didn't we

881

00:37:56,260 --> 00:37:53,450

already have a Blue Book for the 21st

882

00:37:59,410 --> 00:37:56,270

century you know that was that was 2007

883

00:38:01,750 --> 00:37:59,420

to 2012 and allegedly still ongoing and

884

00:38:03,430 --> 00:38:01,760

now we have the UAP task force and

885

00:38:06,130 --> 00:38:03,440

that's supposedly you know the new

886

00:38:08,140 --> 00:38:06,140

version of a chip so I mean it seems

887

00:38:10,390 --> 00:38:08,150

like we already have a Blue Book for the

888

00:38:12,190 --> 00:38:10,400

21st century but Chris Mullins comment

889

00:38:14,680 --> 00:38:12,200

makes that very confusing as well so

890

00:38:17,290 --> 00:38:14,690

plus I mean the other interesting thing

891

00:38:19,690 --> 00:38:17,300

too about this bill right is that this

892

00:38:23,230 --> 00:38:19,700

proposed bill doesn't discuss public

893

00:38:25,990 --> 00:38:23,240

sightings or reports at all so it can't

894

00:38:28,150 --> 00:38:26,000

truly be a you know a good analogy with

895

00:38:30,820 --> 00:38:28,160

Project Blue Book because Blue Book was

896

00:38:32,680 --> 00:38:30,830

a lot of public cases it was sighting

897

00:38:35,050 --> 00:38:32,690

reports from the public that they were

898

00:38:35,859 --> 00:38:35,060

investigating yeah military sightings

899

00:38:40,029 --> 00:38:35,869

are

900

00:38:42,190 --> 00:38:40,039

1% of the 99% UFO reports so I think

901  
00:38:43,480 --> 00:38:42,200  
yeah that's that's a really good point

902  
00:38:45,999 --> 00:38:43,490  
to make juice and this bill is

903  
00:38:49,059 --> 00:38:46,009  
specifically focused on military all

904  
00:38:50,650 --> 00:38:49,069  
military and only on a few groups within

905  
00:38:52,809 --> 00:38:50,660  
the military I mean they're not even

906  
00:38:54,819 --> 00:38:52,819  
bringing in all government bodies

907  
00:38:56,410 --> 00:38:54,829  
they're not bringing in the FAA like

908  
00:38:59,170 --> 00:38:56,420  
they're not interested in that stuff

909  
00:39:01,239 --> 00:38:59,180  
this is all military that seems a little

910  
00:39:03,870 --> 00:39:01,249  
ridiculous to me and I think that proves

911  
00:39:06,730 --> 00:39:03,880  
once again why we need civilian

912  
00:39:09,370 --> 00:39:06,740  
investigatory programs and organizations

913  
00:39:12,789 --> 00:39:09,380

and and independent researchers out

914

00:39:13,809 --> 00:39:12,799

there doing the dirty work you know

915

00:39:17,140 --> 00:39:13,819

traveling around the country

916

00:39:19,180 --> 00:39:17,150

interviewing people and whatnot who are

917

00:39:22,269 --> 00:39:19,190

also having these experiences other than

918

00:39:24,999 --> 00:39:22,279

military yeah so we can remain realistic

919

00:39:26,859 --> 00:39:25,009

but I'm still you know hopeful and

920

00:39:28,359 --> 00:39:26,869

optimistic that you know something good

921

00:39:31,120 --> 00:39:28,369

comes out of that it does start new

922

00:39:33,249 --> 00:39:31,130

discussions it does help people become

923

00:39:35,710 --> 00:39:33,259

aware within the government that there

924

00:39:37,359 --> 00:39:35,720

is first of all a communications problem

925

00:39:39,430 --> 00:39:37,369

they need to get their [h\_\_h] together and

926  
00:39:41,380 --> 00:39:39,440  
being able to to communicate especially

927  
00:39:43,599 --> 00:39:41,390  
when it comes to this topic to be able

928  
00:39:45,339 --> 00:39:43,609  
to share that data and you know

929  
00:39:47,920 --> 00:39:45,349  
hopefully get a better understanding of

930  
00:39:49,870 --> 00:39:47,930  
what's going on and and you know what

931  
00:39:51,910 --> 00:39:49,880  
they can do to get more more information

932  
00:39:54,130 --> 00:39:51,920  
about the subject we have to take

933  
00:39:55,960 --> 00:39:54,140  
everything everything with a grain of

934  
00:39:59,829 --> 00:39:55,970  
salt you have you know you have to be as

935  
00:40:01,809 --> 00:39:59,839  
balanced as you can and understand you

936  
00:40:04,239 --> 00:40:01,819  
know there are multiple agendas and

937  
00:40:06,579 --> 00:40:04,249  
politics going on all the time when it

938  
00:40:08,979 --> 00:40:06,589

comes to UFOs and you got to keep your

939

00:40:10,900 --> 00:40:08,989

feet on the ground and and just you know

940

00:40:14,049 --> 00:40:10,910

don't put all your eggs in one basket

941

00:40:16,329 --> 00:40:14,059

because as we've learned over and over

942

00:40:18,999 --> 00:40:16,339

you know those eggs are gonna get broken

943

00:40:22,390 --> 00:40:19,009

I mean it just we've been disappointed a

944

00:40:25,420 --> 00:40:22,400

million times right so I just I try not

945

00:40:26,890 --> 00:40:25,430

to get too strongly opinionated and I

946

00:40:29,229 --> 00:40:26,900

always reserve the right to change my

947

00:40:32,200 --> 00:40:29,239

mind because new information comes out

948

00:40:34,900 --> 00:40:32,210

but I just think that you know something

949

00:40:37,259 --> 00:40:34,910

your chest and claiming this or that is

950

00:40:39,880 --> 00:40:37,269

dangerous dangerous thing to do because

951

00:40:42,039 --> 00:40:39,890

the information the world that we're

952

00:40:44,019 --> 00:40:42,049

living in and this topic and all the

953

00:40:45,579 --> 00:40:44,029

tangents and the people and all the

954

00:40:47,470 --> 00:40:45,589

agendas I mean you can have egg on your

955

00:40:48,470 --> 00:40:47,480

face real quick so yeah I think it's

956

00:40:51,589 --> 00:40:48,480

just you know

957

00:40:53,690 --> 00:40:51,599

be skeptical to a healthy degree be

958

00:40:55,849 --> 00:40:53,700

supportive where where it's warranted

959

00:40:58,430 --> 00:40:55,859

you know be critical where it's

960

00:40:59,839 --> 00:40:58,440

warranted and and you know and just try

961

00:41:02,540 --> 00:40:59,849

and you know stay in the middle of the

962

00:41:04,579 --> 00:41:02,550

road and and take it as it comes and and

963

00:41:07,220 --> 00:41:04,589

you know analyze it with what you know

964

00:41:09,260 --> 00:41:07,230

and you know go ahead and develop some

965

00:41:11,240 --> 00:41:09,270

opinions and theories but just recognize

966

00:41:13,040 --> 00:41:11,250

that that's all they are and that they

967

00:41:15,349 --> 00:41:13,050

should be subject to change and that I

968

00:41:17,480 --> 00:41:15,359

think that's kind of a safe way to do it

969

00:41:20,599 --> 00:41:17,490

and I think it's not not cowardly but

970

00:41:22,609 --> 00:41:20,609

it's the response or when it is it's a

971

00:41:26,120 --> 00:41:22,619

responsible way I agree with you 100%

972

00:41:29,450 --> 00:41:26,130

and on that note the final topic we can

973

00:41:32,329 --> 00:41:29,460

touch on quickly is hype grand claims

974

00:41:34,190 --> 00:41:32,339

and unnamed sources things that have

975

00:41:37,069 --> 00:41:34,200

always been precedent in the UFO field

976

00:41:40,069 --> 00:41:37,079

and are things that thrive on social

977

00:41:42,260 --> 00:41:40,079

media unfortunately predictions are

978

00:41:43,940 --> 00:41:42,270

another thing I'll throw in there and as

979

00:41:46,280 --> 00:41:43,950

history is shown it's typically the

980

00:41:48,740 --> 00:41:46,290

wiser move for anybody who expects to be

981

00:41:51,260 --> 00:41:48,750

taken seriously to steer clear of making

982

00:41:53,300 --> 00:41:51,270

predictions related to this topic but

983

00:41:55,700 --> 00:41:53,310

these common problematic issues have

984

00:41:58,190 --> 00:41:55,710

been perfectly illustrated lately by the

985

00:41:59,990 --> 00:41:58,200

public statements and restatements about

986

00:42:01,790 --> 00:42:00,000

an impending article in The New York

987

00:42:04,900 --> 00:42:01,800

Times about a US government UFO crash

988

00:42:07,370 --> 00:42:04,910

retrieval program now claims like this

989

00:42:09,440 --> 00:42:07,380

usually come from people who assert that

990

00:42:11,780 --> 00:42:09,450

they have some secret unnamed source

991

00:42:14,930 --> 00:42:11,790

who's read this amazing information to

992

00:42:18,109 --> 00:42:14,940

them and yeah that may very well be true

993

00:42:20,000 --> 00:42:18,119

in some cases however it seems to me

994

00:42:21,829 --> 00:42:20,010

that by publicly spreading around

995

00:42:24,109 --> 00:42:21,839

something that was told to you in

996

00:42:26,089 --> 00:42:24,119

confidence you're not only putting the

997

00:42:27,800 --> 00:42:26,099

sources job in jeopardy you're also

998

00:42:30,470 --> 00:42:27,810

putting everything surrounding the claim

999

00:42:32,750 --> 00:42:30,480

in jeopardy by that well let's look

1000

00:42:34,940 --> 00:42:32,760

specifically at the claim about the New

1001

00:42:36,890 --> 00:42:34,950

York Times story if revealing the fact

1002

00:42:38,480 --> 00:42:36,900

that such a story was being worked on

1003

00:42:42,200 --> 00:42:38,490

was permitted and wouldn't jeopardize

1004

00:42:44,510 --> 00:42:42,210

the research the scoop and so on then

1005

00:42:46,730 --> 00:42:44,520

the source would directly share that

1006

00:42:49,640 --> 00:42:46,740

information with the public or wouldn't

1007

00:42:52,250 --> 00:42:49,650

mind being named and with news spreading

1008

00:42:54,319 --> 00:42:52,260

about this alleged impending story The

1009

00:42:57,260 --> 00:42:54,329

Times would have to know that the source

1010

00:42:59,660 --> 00:42:57,270

was prematurely blabbing about the story

1011

00:43:01,520 --> 00:42:59,670

therefore potentially resulting in the

1012

00:43:02,120 --> 00:43:01,530

source being fired and the story being

1013

00:43:04,910 --> 00:43:02,130

scrapped

1014

00:43:06,620 --> 00:43:04,920

and it's not just the story yeah it's

1015

00:43:08,630 --> 00:43:06,630

every story like this in the UFO

1016

00:43:12,230 --> 00:43:08,640

community where there are alleged secret

1017

00:43:14,720 --> 00:43:12,240

communications amazing claims made and

1018

00:43:16,849 --> 00:43:14,730

people within the UFO community eager to

1019

00:43:18,499 --> 00:43:16,859

break that news to everybody else

1020

00:43:20,720 --> 00:43:18,509

without stopping to think of the

1021

00:43:23,599 --> 00:43:20,730

potential damage it can do we're really

1022

00:43:25,309 --> 00:43:23,609

in a time right now where people want to

1023

00:43:28,640 --> 00:43:25,319

be the first you know they want to be

1024

00:43:30,950 --> 00:43:28,650

the first two to share some great news

1025

00:43:33,440 --> 00:43:30,960

some information even is something

1026  
00:43:36,079 --> 00:43:33,450  
something silly about an article coming

1027  
00:43:37,249 --> 00:43:36,089  
out I mean mainstream media publishes

1028  
00:43:39,559 --> 00:43:37,259  
articles all the time about these

1029  
00:43:41,690 --> 00:43:39,569  
incredible stories and topics related to

1030  
00:43:42,470 --> 00:43:41,700  
UFOs and you could argue that the times

1031  
00:43:45,170 --> 00:43:42,480  
already

1032  
00:43:47,690 --> 00:43:45,180  
in fact talked about crash retrievals

1033  
00:43:49,720 --> 00:43:47,700  
because in that great story you know

1034  
00:43:53,390 --> 00:43:49,730  
that start started this whole whirlwind

1035  
00:43:55,549 --> 00:43:53,400  
back in 2017 they mentioned big low

1036  
00:43:57,319 --> 00:43:55,559  
modifying buildings to store materials I

1037  
00:43:59,720 --> 00:43:57,329  
mean that was already covered and crash

1038  
00:44:01,700 --> 00:43:59,730

retrievals isn't a new topic

1039

00:44:04,910 --> 00:44:01,710

in this field that's been covered over

1040

00:44:07,400 --> 00:44:04,920

and over and over since Roswell I mean

1041

00:44:08,960 --> 00:44:07,410

that was the start of it there's been so

1042

00:44:11,630 --> 00:44:08,970

many mainstream media outlets that have

1043

00:44:14,029 --> 00:44:11,640

gone into this topic but again it

1044

00:44:17,660 --> 00:44:14,039

doesn't matter about that story because

1045

00:44:18,680 --> 00:44:17,670

even if there is a story about this what

1046

00:44:22,720 --> 00:44:18,690

does that do

1047

00:44:24,980 --> 00:44:22,730

aside from rehashing old information or

1048

00:44:28,099 --> 00:44:24,990

by making claims that can't be

1049

00:44:29,809 --> 00:44:28,109

substantiated right because even the

1050

00:44:32,059 --> 00:44:29,819

greatest thing that come out of a story

1051

00:44:35,900 --> 00:44:32,069

like that from a mainstream outlet like

1052

00:44:39,470 --> 00:44:35,910

The Times would be to specifically name

1053

00:44:42,170 --> 00:44:39,480

an organization within the US government

1054

00:44:45,289 --> 00:44:42,180

that is tasked with doing crash

1055

00:44:47,359 --> 00:44:45,299

retrievals however and I guess it's

1056

00:44:50,390 --> 00:44:47,369

always possible that they could say that

1057

00:44:52,220 --> 00:44:50,400

it's for recovering extraterrestrial

1058

00:44:54,440 --> 00:44:52,230

spacecraft but that's not going to

1059

00:44:57,680 --> 00:44:54,450

happen in my opinion just opinion aiding

1060

00:45:00,289 --> 00:44:57,690

here but that's not gonna happen if they

1061

00:45:03,170 --> 00:45:00,299

were to name or out some crash retrieval

1062

00:45:04,960 --> 00:45:03,180

program it would be very vague it would

1063

00:45:08,450 --> 00:45:04,970

talk about you know recovering

1064

00:45:10,130 --> 00:45:08,460

unidentified objects or whatever and I

1065

00:45:12,109 --> 00:45:10,140

don't know about you guys but it stands

1066

00:45:14,440 --> 00:45:12,119

to reason that the government has that I

1067

00:45:16,180 --> 00:45:14,450

mean they'd be silly not to

1068

00:45:18,880 --> 00:45:16,190

have a group that would go out and

1069

00:45:20,950 --> 00:45:18,890

recover craft that crash that they don't

1070

00:45:23,290 --> 00:45:20,960

know what it is number one to find out

1071

00:45:25,720 --> 00:45:23,300

what it is and number two because we

1072

00:45:28,540 --> 00:45:25,730

want to recover technology from our

1073

00:45:30,310 --> 00:45:28,550

adversaries you know that makes sense or

1074

00:45:32,290 --> 00:45:30,320

things we're testing you're going to

1075

00:45:34,210 --> 00:45:32,300

have some group within the government

1076

00:45:36,310 --> 00:45:34,220

tasked with going out and cleaning that

1077

00:45:38,200 --> 00:45:36,320

[h\_\_h] up before anybody else can find out

1078

00:45:40,870 --> 00:45:38,210

about it that just makes sense

1079

00:45:44,530 --> 00:45:40,880

absolutely and not even having to do

1080

00:45:47,670 --> 00:45:44,540

with aliens or anything I mean of course

1081

00:45:50,470 --> 00:45:47,680

like there has to be a retrieval of down

1082

00:45:52,780 --> 00:45:50,480

spacecraft aircraft no matter what it is

1083

00:45:54,940 --> 00:45:52,790

it could be it could be Russian it could

1084

00:45:57,520 --> 00:45:54,950

be Chinese it doesn't matter we have to

1085

00:46:00,099 --> 00:45:57,530

retrieve it and figure out what it is um

1086

00:46:01,780 --> 00:46:00,109

so yeah I I agree with everything you

1087

00:46:06,040 --> 00:46:01,790

said Jason the only thing I would add is

1088

00:46:08,109 --> 00:46:06,050

I think the the Twitter crowd as it were

1089

00:46:11,370 --> 00:46:08,119

needs to just temper their excitement

1090

00:46:13,599 --> 00:46:11,380

and just let these things be as they are

1091

00:46:16,390 --> 00:46:13,609

if there's gonna be a New York Times

1092

00:46:19,300 --> 00:46:16,400

article great like wait for it we don't

1093

00:46:22,569 --> 00:46:19,310

need months and months of hype to get to

1094

00:46:24,640 --> 00:46:22,579

that point I think the greatest work and

1095

00:46:28,720 --> 00:46:24,650

the safest way to get this information

1096

00:46:30,700 --> 00:46:28,730

out is to just drop it when it's ready

1097

00:46:32,530 --> 00:46:30,710

and when all the sources have been

1098

00:46:35,470 --> 00:46:32,540

vetted everything I mean that New York

1099

00:46:38,380 --> 00:46:35,480

Times article in 2017 took them God

1100

00:46:40,089 --> 00:46:38,390

almost half a year to write because they

1101  
00:46:44,170 --> 00:46:40,099  
had to vendor sources they had to make

1102  
00:46:46,540 --> 00:46:44,180  
sure every word was carefully there so

1103  
00:46:48,880 --> 00:46:46,550  
yeah for for those who are claiming

1104  
00:46:52,030 --> 00:46:48,890  
inside sources and that an articles

1105  
00:46:54,550 --> 00:46:52,040  
coming out and everything it's fun it's

1106  
00:46:57,280 --> 00:46:54,560  
sexy it's whatever but at the end of the

1107  
00:46:59,140 --> 00:46:57,290  
day like I have learned to temper my own

1108  
00:47:02,020 --> 00:46:59,150  
excitement in hyping things when it

1109  
00:47:04,059 --> 00:47:02,030  
comes to my own work and that's it that

1110  
00:47:06,849 --> 00:47:04,069  
was a big thing for me so I think if

1111  
00:47:08,710 --> 00:47:06,859  
other people took that into their own

1112  
00:47:11,109 --> 00:47:08,720  
work and into their own research and

1113  
00:47:11,319 --> 00:47:11,119

just let it let that chips fall as they

1114

00:47:14,109 --> 00:47:11,329

may

1115

00:47:16,990 --> 00:47:14,119

we'd all be better off now we might not

1116

00:47:19,240 --> 00:47:17,000

ever get that article and those claiming

1117

00:47:21,550 --> 00:47:19,250

no article was in the works maybe there

1118

00:47:24,099 --> 00:47:21,560

was but now there isn't because of those

1119

00:47:25,750 --> 00:47:24,109

that's how journalism works I mean we

1120

00:47:28,359 --> 00:47:25,760

know that that's how it works and

1121

00:47:30,819 --> 00:47:28,369

especially with a main ow

1122

00:47:33,400 --> 00:47:30,829

like The Times I mean there's no

1123

00:47:35,289 --> 00:47:33,410

guarantee number one I mean you can have

1124

00:47:37,630 --> 00:47:35,299

the greatest story in the world and the

1125

00:47:39,430 --> 00:47:37,640

works that you know they they either

1126  
00:47:41,680 --> 00:47:39,440  
commissioned or expressed interest in

1127  
00:47:44,859 --> 00:47:41,690  
but when it comes down to it they might

1128  
00:47:46,450 --> 00:47:44,869  
say yeah pass I mean just because you're

1129  
00:47:49,239 --> 00:47:46,460  
writing it you have no control over what

1130  
00:47:52,870 --> 00:47:49,249  
they're going to do you certainly can't

1131  
00:47:55,120 --> 00:47:52,880  
say oh come in this week guys but again

1132  
00:47:57,759 --> 00:47:55,130  
there's no need for that hype there's no

1133  
00:47:59,890 --> 00:47:57,769  
need for treating this like it's a

1134  
00:48:02,109 --> 00:47:59,900  
competition to be the first to claim

1135  
00:48:05,859 --> 00:48:02,119  
something the first to report on

1136  
00:48:08,470 --> 00:48:05,869  
something and certainly not focusing on

1137  
00:48:10,569 --> 00:48:08,480  
who's right and who's wrong there is no

1138  
00:48:12,400 --> 00:48:10,579

right and wrong we're all looking for

1139

00:48:15,519 --> 00:48:12,410

answers and you know taking information

1140

00:48:17,289 --> 00:48:15,529

in as it comes and doing with

1141

00:48:19,980 --> 00:48:17,299

information what we individually choose

1142

00:48:23,410 --> 00:48:19,990

to do there's a big focus now I think on

1143

00:48:26,529 --> 00:48:23,420

shaming people and forcing people to

1144

00:48:30,970 --> 00:48:26,539

have the same viewpoints about certain

1145

00:48:33,249 --> 00:48:30,980

things and that in UFOs just doesn't go

1146

00:48:35,859 --> 00:48:33,259

together that's not how the study of

1147

00:48:38,079 --> 00:48:35,869

UFOs works and the study of the unknown

1148

00:48:39,910 --> 00:48:38,089

the study of the strange like as you

1149

00:48:41,259 --> 00:48:39,920

should said Shane I agree with you

1150

00:48:44,229 --> 00:48:41,269

completely that's how I live my life

1151  
00:48:46,210 --> 00:48:44,239  
with all this is you know that your

1152  
00:48:47,890 --> 00:48:46,220  
views are constantly going to change

1153  
00:48:49,660 --> 00:48:47,900  
because you're constantly being

1154  
00:48:51,220 --> 00:48:49,670  
presented with new information you're

1155  
00:48:53,950 --> 00:48:51,230  
constantly learning new things about

1156  
00:48:56,529 --> 00:48:53,960  
sources from information that you once

1157  
00:48:58,779 --> 00:48:56,539  
considered you know high-value and

1158  
00:49:00,789 --> 00:48:58,789  
certain things might change that because

1159  
00:49:03,460 --> 00:49:00,799  
you learn new things it's constantly

1160  
00:49:05,950 --> 00:49:03,470  
evolving so you have to constantly let

1161  
00:49:09,430 --> 00:49:05,960  
your your own personal views evolve with

1162  
00:49:12,759 --> 00:49:09,440  
that now yeah I mean as far as shaming

1163  
00:49:14,349 --> 00:49:12,769

and wanting to prove people wrong I mean

1164

00:49:16,180 --> 00:49:14,359

I guess that's just an individual thing

1165

00:49:18,519 --> 00:49:16,190

and personalities are going to do that

1166

00:49:21,819 --> 00:49:18,529

and I think there's this this real

1167

00:49:24,160 --> 00:49:21,829

desire this this hunger for some of

1168

00:49:27,160 --> 00:49:24,170

these people making the loudest noise to

1169

00:49:29,670 --> 00:49:27,170

I guess have some sort of not really

1170

00:49:32,259 --> 00:49:29,680

acceptance but they want confirmation

1171

00:49:33,489 --> 00:49:32,269

you know to support their their

1172

00:49:35,529 --> 00:49:33,499

established beliefs and what they've

1173

00:49:38,480 --> 00:49:35,539

been barking to you know their friends

1174

00:49:41,570 --> 00:49:38,490

and relatives to to feel vindicated

1175

00:49:43,760 --> 00:49:41,580

they might need that you know for their

1176

00:49:45,080 --> 00:49:43,770

their personality to be able to go

1177

00:49:47,030 --> 00:49:45,090

uh-huh

1178

00:49:49,250 --> 00:49:47,040

see I can shove it in your face now I

1179

00:49:50,930 --> 00:49:49,260

was right all along some people need

1180

00:49:52,630 --> 00:49:50,940

that it's a weird personality trait but

1181

00:49:55,580 --> 00:49:52,640

I know a lot of people have that and

1182

00:49:58,130 --> 00:49:55,590

again I don't think those that that type

1183

00:50:00,050 --> 00:49:58,140

of personality goes well with the search

1184

00:50:03,470 --> 00:50:00,060

for truth when it comes to a topic like

1185

00:50:05,750 --> 00:50:03,480

UFOs so I don't know I see it doing more

1186

00:50:08,150 --> 00:50:05,760

more harm than good when it comes to

1187

00:50:10,040 --> 00:50:08,160

UFOs we're not saying that we don't want

1188

00:50:11,540 --> 00:50:10,050

a New York Times story about crash

1189

00:50:13,250 --> 00:50:11,550

retrievals I mean I think that would be

1190

00:50:15,830 --> 00:50:13,260

pretty cool I would want to read it I

1191

00:50:17,390 --> 00:50:15,840

would want to see what what what these

1192

00:50:19,490 --> 00:50:17,400

claims are and what the sources are and

1193

00:50:22,310 --> 00:50:19,500

again I mean that helps me in my journey

1194

00:50:25,370 --> 00:50:22,320

in learning about these weird topics and

1195

00:50:27,590 --> 00:50:25,380

what's going on but you know if it

1196

00:50:30,020 --> 00:50:27,600

doesn't come out that's fine too if it

1197

00:50:32,300 --> 00:50:30,030

comes out and it says some wacky wonky

1198

00:50:33,590 --> 00:50:32,310

stuff that I can't substantiate it's not

1199

00:50:35,690 --> 00:50:33,600

gonna do anything for me and could

1200

00:50:38,840 --> 00:50:35,700

potentially harm you know any serious

1201

00:50:41,030 --> 00:50:38,850

research into this but in the end it's

1202

00:50:43,970 --> 00:50:41,040

just an article on a website or in a

1203

00:50:46,400 --> 00:50:43,980

newspaper they come and go it's not

1204

00:50:48,740 --> 00:50:46,410

going to change the world no matter how

1205

00:50:51,230 --> 00:50:48,750

grand it is I mean look at the buzz the

1206

00:50:53,840 --> 00:50:51,240

hype that was created with the 2017

1207

00:50:55,400 --> 00:50:53,850

article people jumped up and down and

1208

00:50:58,490 --> 00:50:55,410

thought that was the greatest thing ever

1209

00:51:01,250 --> 00:50:58,500

and now everybody is fascinated by UFOs

1210

00:51:03,470 --> 00:51:01,260

everybody is into this topic well that's

1211

00:51:05,630 --> 00:51:03,480

not necessarily true I mean there are

1212

00:51:09,290 --> 00:51:05,640

still you know just as many people as

1213

00:51:12,170 --> 00:51:09,300

before who have no idea what's going on

1214

00:51:14,599 --> 00:51:12,180

in the world of UFO research and UFO

1215

00:51:17,030 --> 00:51:14,609

news they're aware of that story they're

1216

00:51:18,470 --> 00:51:17,040

aware of you know certain articles that

1217

00:51:20,840 --> 00:51:18,480

come up here and there they still have

1218

00:51:23,300 --> 00:51:20,850

the casual interest that they always had

1219

00:51:25,580 --> 00:51:23,310

but they haven't jumped into UFO

1220

00:51:28,250 --> 00:51:25,590

research their worldview hasn't shifted

1221

00:51:29,450 --> 00:51:28,260

their lives are just the same they just

1222

00:51:31,250 --> 00:51:29,460

thought it was cool that there was a

1223

00:51:34,310 --> 00:51:31,260

story in The New York Times about UFOs

1224

00:51:36,050 --> 00:51:34,320

and they've moved on so even if we had

1225

00:51:38,450 --> 00:51:36,060

something grand claiming that there's a

1226

00:51:41,000 --> 00:51:38,460

crash retrieval system in the UFO in the

1227

00:51:43,099 --> 00:51:41,010

US government it's going to cause a

1228

00:51:44,570 --> 00:51:43,109

splash every media outlet in the

1229

00:51:46,370 --> 00:51:44,580

round-the-world is going to write

1230

00:51:48,380 --> 00:51:46,380

spin-off stories about it people are

1231

00:51:49,970 --> 00:51:48,390

going to talk about it on podcast the

1232

00:51:52,099 --> 00:51:49,980

world's going to move on

1233

00:51:53,300 --> 00:51:52,109

and people in the UFO community you're

1234

00:51:54,320 --> 00:51:53,310

still gonna be talking about it how

1235

00:51:57,140 --> 00:51:54,330

what's the greatest thing that's ever

1236

00:52:01,099 --> 00:51:57,150

happened these things come and go that's

1237

00:52:03,260 --> 00:52:01,109

how news happens and we focus on it and

1238

00:52:05,000 --> 00:52:03,270

fixate on it because this is what we're

1239

00:52:07,760 --> 00:52:05,010

passionate about this is the field we're

1240

00:52:11,660 --> 00:52:07,770

in so you know we're more hyper sensual

1241

00:52:14,210 --> 00:52:11,670

hyper sensual we are we are hyper

1242

00:52:15,890 --> 00:52:14,220

sensual absolutely I mean again we're

1243

00:52:18,440 --> 00:52:15,900

talking personally here personally I'm

1244

00:52:20,870 --> 00:52:18,450

hyper sensual but high percent hyper

1245

00:52:22,640 --> 00:52:20,880

sensitive to these topics we pay more

1246

00:52:24,380 --> 00:52:22,650

attention to it it affects us more than

1247

00:52:27,590 --> 00:52:24,390

it does the general public good point

1248

00:52:31,460 --> 00:52:27,600

Jason I think that passion we're seeing

1249

00:52:33,410 --> 00:52:31,470

in the the more vocal of those unlike

1250

00:52:36,410 --> 00:52:33,420

UFO Twitter and everything that's great

1251

00:52:38,930 --> 00:52:36,420

and I think it's fantastic we're all

1252

00:52:40,700 --> 00:52:38,940

passionate about this topic - but like

1253

00:52:42,730 --> 00:52:40,710

you said the New York Times article

1254

00:52:46,609 --> 00:52:42,740

didn't change the world but it did

1255

00:52:48,859 --> 00:52:46,619

blindsided a DoD at one point where they

1256

00:52:51,140 --> 00:52:48,869

had to literally backtrack and change

1257

00:52:53,599 --> 00:52:51,150

their their official stance on all this

1258

00:52:55,310 --> 00:52:53,609

so hey if there is a crash retrievable

1259

00:52:57,410 --> 00:52:55,320

article coming out just let it happen

1260

00:52:59,180 --> 00:52:57,420

when it happens and it's gonna blindsided

1261

00:53:01,849 --> 00:52:59,190

those people who are involved with that

1262

00:53:03,440 --> 00:53:01,859

as well so again it's not gonna change

1263

00:53:06,109 --> 00:53:03,450

the world but it's going to get the

1264

00:53:10,330 --> 00:53:06,119

conversation going on every facet of

1265

00:53:15,950 --> 00:53:10,340

this topic we all find very exciting and

1266

00:53:17,660 --> 00:53:15,960

sensual in some way and sensual yeah and

1267

00:53:22,580 --> 00:53:17,670

I would just say to your point earlier

1268

00:53:26,330 --> 00:53:22,590

Jason I would rather wait for a fully

1269

00:53:33,099 --> 00:53:26,340

vetted professional journalistic article

1270

00:53:36,400 --> 00:53:33,109

with facts then you know be deluge with

1271

00:53:38,900 --> 00:53:36,410

supposition and opinion and all the hype

1272

00:53:40,820 --> 00:53:38,910

preceding it you know or trying to jump

1273

00:53:43,820 --> 00:53:40,830

it in other words you know all that's

1274

00:53:47,780 --> 00:53:43,830

fine and that and to me that's the world

1275

00:53:49,400 --> 00:53:47,790

of social media actually that's if if we

1276

00:53:51,980 --> 00:53:49,410

didn't have social media we wouldn't see

1277

00:53:54,940 --> 00:53:51,990

90% of that right right this was no way

1278

00:53:57,410 --> 00:53:54,950

for that to happen but it's like I

1279

00:53:59,960 --> 00:53:57,420

mentioned in my book and stuff about how

1280

00:54:03,170 --> 00:53:59,970

you know hoaxers they do they do a

1281

00:54:03,830 --> 00:54:03,180

disservice to us all and I think in a

1282

00:54:05,900 --> 00:54:03,840

way this

1283

00:54:08,780 --> 00:54:05,910

of speculation does a disservice to us

1284

00:54:11,450 --> 00:54:08,790

as well because you know it um it

1285

00:54:14,210 --> 00:54:11,460

muddies the water and it kind of takes

1286

00:54:16,610 --> 00:54:14,220

away credibility and and for me now you

1287

00:54:19,040 --> 00:54:16,620

mentioned it Jason I'm on a search for

1288

00:54:22,250 --> 00:54:19,050

truth you know I want to know the truth

1289

00:54:25,970 --> 00:54:22,260

I don't want you know to cloud my mind

1290

00:54:27,800 --> 00:54:25,980

or my judgment my opinion you know with

1291

00:54:30,920 --> 00:54:27,810

a bunch of speculation that ends up

1292

00:54:33,650 --> 00:54:30,930

being completely wrong or off-base or

1293

00:54:35,660 --> 00:54:33,660

any of that so I I think it's wise to

1294

00:54:38,600 --> 00:54:35,670

just hold back a little bit let things

1295

00:54:42,140 --> 00:54:38,610

play out and see what really is real

1296

00:54:44,990 --> 00:54:42,150

versus all the hype stuff so and and I

1297

00:54:48,440 --> 00:54:45,000

get it I mean it is it is a competition

1298

00:54:52,610 --> 00:54:48,450

in some regards but you know and they're

1299

00:54:54,950 --> 00:54:52,620

obviously genuinely sincere enthusiastic

1300

00:54:57,170 --> 00:54:54,960

people doing this research and stuff yes

1301  
00:54:59,320 --> 00:54:57,180  
absolutely and I appreciate all that I

1302  
00:55:02,300 --> 00:54:59,330  
don't I don't mean to diminish them but

1303  
00:55:04,400 --> 00:55:02,310  
what I'm just saying is we get we want

1304  
00:55:07,580 --> 00:55:04,410  
to we want facts and we don't want just

1305  
00:55:09,770 --> 00:55:07,590  
you know unsubstantiated stuff we want

1306  
00:55:12,560 --> 00:55:09,780  
the real deal we want we want the truth

1307  
00:55:14,270 --> 00:55:12,570  
so and that and that's why I said

1308  
00:55:16,280 --> 00:55:14,280  
earlier just taking everything with the

1309  
00:55:18,350 --> 00:55:16,290  
grain of salt because you know there's a

1310  
00:55:20,210 --> 00:55:18,360  
lot of proclamations that we know this

1311  
00:55:23,150 --> 00:55:20,220  
and that and blah blah blah and it

1312  
00:55:24,590 --> 00:55:23,160  
doesn't happen and if if you if you put

1313  
00:55:26,450 --> 00:55:24,600

all your eggs in that basket you're

1314

00:55:28,190 --> 00:55:26,460

gonna be disappointed and who knows I

1315

00:55:30,110 --> 00:55:28,200

bet you there's been people who have

1316

00:55:32,180 --> 00:55:30,120

been disappointed right out of ufology

1317

00:55:33,710 --> 00:55:32,190

because it you know it didn't turn out

1318

00:55:35,900 --> 00:55:33,720

to be what they thought because they

1319

00:55:38,240 --> 00:55:35,910

were basing everything on you know a

1320

00:55:40,400 --> 00:55:38,250

certain book or of line of thinking or

1321

00:55:43,580 --> 00:55:40,410

some kind of concept that eventually

1322

00:55:45,920 --> 00:55:43,590

falls out of favor or you know it's

1323

00:55:47,960 --> 00:55:45,930

proven untrue and then you know that

1324

00:55:50,360 --> 00:55:47,970

would be a real shame for someone so I

1325

00:55:53,420 --> 00:55:50,370

just think it's responsible to be

1326

00:55:55,760 --> 00:55:53,430

careful and to use good judgment and let

1327

00:55:58,790 --> 00:55:55,770

let the truth come out and then then get

1328

00:56:00,440 --> 00:55:58,800

excited then get hyped yeah and this is

1329

00:56:03,670 --> 00:56:00,450

like I said I mean this this isn't a

1330

00:56:06,890 --> 00:56:03,680

field this isn't a hobby for people or

1331

00:56:11,270 --> 00:56:06,900

you know a focus of study for anybody

1332

00:56:13,430 --> 00:56:11,280

who does not have patience I mean UFOs

1333

00:56:15,530 --> 00:56:13,440

are slow you know let me wait in 75

1334

00:56:17,540 --> 00:56:15,540

years you know what's what's another

1335

00:56:20,300 --> 00:56:17,550

year a couple years

1336

00:56:23,330 --> 00:56:20,310

you know there's no rush the information

1337

00:56:26,210 --> 00:56:23,340

will come if it's coming and even when

1338

00:56:27,920 --> 00:56:26,220

that information comes you're not gonna

1339

00:56:29,960 --> 00:56:27,930

be satisfied because they're gonna be

1340

00:56:31,820 --> 00:56:29,970

more questions and you're gonna be

1341

00:56:34,970 --> 00:56:31,830

waiting on additional information it's

1342

00:56:36,650 --> 00:56:34,980

it's an endless endless quest so if

1343

00:56:38,960 --> 00:56:36,660

you're not ready for that you know it's

1344

00:56:40,670 --> 00:56:38,970

time to eject I think but you got to

1345

00:56:43,010 --> 00:56:40,680

strap in for the for the long haul with

1346

00:56:45,160 --> 00:56:43,020

us and understand that it requires a lot

1347

00:56:48,380 --> 00:56:45,170

of patience it's very unfulfilling

1348

00:56:51,350 --> 00:56:48,390

unsatisfying and frustrating that's what

1349

00:56:55,070 --> 00:56:51,360

UFO research is why do we do this to

1350

00:56:57,710 --> 00:56:55,080

ourselves gentlemen because we like we

1351  
00:57:00,020 --> 00:56:57,720  
like the journey yeah it is it's all

1352  
00:57:02,690 --> 00:57:00,030  
about the journey we always you know

1353  
00:57:04,520 --> 00:57:02,700  
every every every few months we threaten

1354  
00:57:06,800 --> 00:57:04,530  
that we're we're ready to quit UFOs

1355  
00:57:09,500 --> 00:57:06,810  
we're done with UFOs can't do it anymore

1356  
00:57:11,570 --> 00:57:09,510  
why so stressful so frustrating why do

1357  
00:57:13,190 --> 00:57:11,580  
we do this but it always pulls us back

1358  
00:57:30,800 --> 00:57:13,200  
in and that's because UFOs are so

1359  
00:57:32,210 --> 00:57:30,810  
essential element 115 well citizens

1360  
00:57:33,920 --> 00:57:32,220  
that's gonna do it for this episode you

1361  
00:57:35,720 --> 00:57:33,930  
can find more episodes of unknown on all

1362

again for hanging out with us today I'm

1374

00:57:59,660 --> 00:57:58,080

Jason McClellan do us a favor friends

1375

00:58:01,400 --> 00:57:59,670

always treat the UFO subject with the

1376

00:58:03,830 --> 00:58:01,410

cautious and responsible skepticism it

1377

00:58:06,020 --> 00:58:03,840

deserves question everything have the

1378

00:58:08,120 --> 00:58:06,030

courage to form your own opinions keep

1379

00:58:09,740 --> 00:58:08,130

truth as the focus of your quest even if

1380

00:58:12,550 --> 00:58:09,750

the truth conflicts with your opinions
