Unidentified
Aerial
Phenomenon
Task Force

1
00:00:03,189 --> 00:00:02,389
the unidentified aerial phenomena task

2
00:00:06,630 --> 00:00:03,199
force

3
00:00:09,190 --> 00:00:06,640
this is a new government ufo program or

4
00:00:17,450 --> 00:00:09,200
maybe it's not all that new or maybe it

5
00:00:25,990 --> 00:00:17,460
doesn't exist at all

6
00:00:27,910 --> 00:00:26,000
[Music]

7
00:00:29,910 --> 00:00:27,920
i'm jason and today we're taking a quick

8
00:00:30,630 --> 00:00:29,920
look at the recently revealed uap task

9
00:00:35,350 --> 00:00:30,640
force

10
00:00:36,950 --> 00:00:35,360
related to ufos back in may of 2020

11
00:00:38,549 --> 00:00:36,960
when researcher john greenwald brought

12
00:00:39,990 --> 00:00:38,559
attention to statements obtained by

13
00:00:41,750 --> 00:00:40,000

writer roger glassell

14

00:00:43,750 --> 00:00:41,760

from department of defense spokesperson

15

00:00:46,150 --> 00:00:43,760

susan gao who stated

16

00:00:48,229 --> 00:00:46,160

the investigation of uap sightings by

17

00:00:51,270 --> 00:00:48,239

the multi-agency task force

18

00:00:52,709 --> 00:00:51,280

is ongoing multi-agency meaning the dod

19

00:00:54,310 --> 00:00:52,719

in the u.s navy

20

00:00:56,150 --> 00:00:54,320

that was really the first realization of

21

00:00:58,150 --> 00:00:56,160

a current ufo task force

22

00:00:59,990 --> 00:00:58,160

then we got a name to go along with this

23

00:01:01,430 --> 00:01:00,000

mysterious task force

24

00:01:03,990 --> 00:01:01,440

a draft of the intelligence

25

00:01:05,990 --> 00:01:04,000

authorization act for fiscal year 2021

26
00:01:08,070 --> 00:01:06,000
was submitted by senator marco rubio on

27
00:01:09,990 --> 00:01:08,080
june 17th on behalf of the senate select

28
00:01:11,830 --> 00:01:10,000
committee on intelligence

29
00:01:13,990 --> 00:01:11,840
within the committee comments was a

30
00:01:15,350 --> 00:01:14,000
section titled advanced aerial threats

31
00:01:17,670 --> 00:01:15,360
and this essentially detailed the

32
00:01:19,429 --> 00:01:17,680
request for a report to be assembled to

33
00:01:20,310 --> 00:01:19,439
provide a summary of the current ufo

34
00:01:22,390 --> 00:01:20,320
situation

35
00:01:23,990 --> 00:01:22,400
by the director of national intelligence

36
00:01:26,310 --> 00:01:24,000
in consultation with the secretary of

37
00:01:28,789 --> 00:01:26,320
defense and other relevant parties

38
00:01:30,390 --> 00:01:28,799

and that information is supposed to come

39

00:01:32,230 --> 00:01:30,400
from a few different sources

40

00:01:33,749 --> 00:01:32,240
including the unidentified aerial

41

00:01:35,429 --> 00:01:33,759
phenomenon task force

42

00:01:37,749 --> 00:01:35,439
cool we have evidence that there's

43

00:01:40,069 --> 00:01:37,759
something called the uap task force

44

00:01:41,830 --> 00:01:40,079
but like most things with ufos

45

00:01:42,710 --> 00:01:41,840
especially things related to ufos and

46

00:01:44,550 --> 00:01:42,720
the government

47

00:01:46,710 --> 00:01:44,560
the information we have about this task

48

00:01:49,910 --> 00:01:46,720
force is limited confusing

49

00:01:51,510 --> 00:01:49,920
and a bit wonky first we don't really

50

00:01:53,749 --> 00:01:51,520
know if the uip task force

51
00:01:55,910 --> 00:01:53,759
is actually a thing yet the comments in

52
00:01:57,910 --> 00:01:55,920
the intelligence authorization act state

53
00:01:59,590 --> 00:01:57,920
that the committee supports the efforts

54
00:02:00,630 --> 00:01:59,600
of the unidentified aerial phenomenon

55
00:02:02,630 --> 00:02:00,640
task force

56
00:02:04,469 --> 00:02:02,640
the report being requested specifically

57
00:02:06,389 --> 00:02:04,479
asks for a detailed analysis of

58
00:02:07,590 --> 00:02:06,399
unidentified aerial phenomena data and

59
00:02:09,910 --> 00:02:07,600
intelligence reporting

60
00:02:11,430 --> 00:02:09,920
collected or held by the unidentified

61
00:02:12,949 --> 00:02:11,440
aerial phenomena task force

62
00:02:14,869 --> 00:02:12,959
it's kind of hard to support efforts of

63
00:02:16,229 --> 00:02:14,879

something that doesn't exist yet

64

00:02:17,990 --> 00:02:16,239

and there wouldn't be any data to

65

00:02:19,190 --> 00:02:18,000

collect from a group that hasn't started

66

00:02:20,470 --> 00:02:19,200

collecting data yet

67

00:02:22,550 --> 00:02:20,480

an article published in the new york

68

00:02:24,309 --> 00:02:22,560

times on july 23 2020

69

00:02:26,470 --> 00:02:24,319

also makes it sound like the uap task

70

00:02:28,309 --> 00:02:26,480

force is something that already exists

71

00:02:29,990 --> 00:02:28,319

the article reports that the uap task

72

00:02:31,830 --> 00:02:30,000

force is the continuation

73

00:02:33,030 --> 00:02:31,840

of the pentagon's previously revealed

74

00:02:34,390 --> 00:02:33,040

ufo program

75

00:02:36,390 --> 00:02:34,400

the advanced aerospace threat

76

00:02:38,949 --> 00:02:36,400

identification program or atip

77

00:02:41,430 --> 00:02:38,959

which reportedly ended in 2012 and the

78

00:02:43,190 --> 00:02:41,440

time says that the program never lapsed

79

00:02:45,509 --> 00:02:43,200

the article even states that luis

80

00:02:47,110 --> 00:02:45,519

elizondo atip's former head

81

00:02:49,030 --> 00:02:47,120

confirmed that the new task force

82

00:02:51,430 --> 00:02:49,040

evolved from the advanced aerospace

83

00:02:52,150 --> 00:02:51,440

program so here we have more indications

84

00:02:54,869 --> 00:02:52,160

that the uap

85

00:02:55,589 --> 00:02:54,879

task force already exists and has

86

00:02:58,070 --> 00:02:55,599

potentially

87

00:02:59,589 --> 00:02:58,080

for years luis elizondo currently serves

88

00:03:01,430 --> 00:02:59,599

as the director of government programs

89

00:03:04,229 --> 00:03:01,440

and services at to the stars academy of

90

00:03:06,550 --> 00:03:04,239

arts and science or ttsa and

91

00:03:07,430 --> 00:03:06,560

ttsa issued a press release back on june

92

00:03:09,030 --> 00:03:07,440

24th

93

00:03:10,550 --> 00:03:09,040

stating that the senate select committee

94

00:03:11,509 --> 00:03:10,560

on intelligence introduced a bill for

95

00:03:14,390 --> 00:03:11,519

2021

96

00:03:16,309 --> 00:03:14,400

that includes an official public request

97

00:03:19,190 --> 00:03:16,319

for a uap task force

98

00:03:19,830 --> 00:03:19,200

um this makes it sound like the uap task

99

00:03:22,710 --> 00:03:19,840

force

100

00:03:24,789 --> 00:03:22,720

doesn't exist yet ttsa restated this on

101
00:03:26,149 --> 00:03:24,799
an episode of the company's podcast

102
00:03:28,229 --> 00:03:26,159
again calling the intelligence

103
00:03:31,670 --> 00:03:28,239
authorization act for 2021

104
00:03:35,270 --> 00:03:31,680
a public request for a uap task force

105
00:03:37,670 --> 00:03:35,280
confused yet i am it gets better

106
00:03:39,430 --> 00:03:37,680
or maybe worse pentagon spokesperson

107
00:03:41,190 --> 00:03:39,440
susan gow issued a statement to popular

108
00:03:42,550 --> 00:03:41,200
mechanics and other journalists stating

109
00:03:45,110 --> 00:03:42,560
that the department of defense

110
00:03:46,070 --> 00:03:45,120
is creating a task force to gain

111
00:03:48,550 --> 00:03:46,080
knowledge and insight

112
00:03:50,390 --> 00:03:48,560
into the nature and origin of uaps as

113
00:03:52,070 --> 00:03:50,400

well as their operations capabilities

114

00:03:54,550 --> 00:03:52,080

performance and or signatures

115

00:03:57,030 --> 00:03:54,560

this clearly and plainly states that a

116

00:03:59,110 --> 00:03:57,040

uap task force is being created

117

00:04:00,470 --> 00:03:59,120

it doesn't exist yet but we gain some

118

00:04:01,750 --> 00:04:00,480

additional details from this statement

119

00:04:03,670 --> 00:04:01,760

from susan gallo

120

00:04:05,750 --> 00:04:03,680

she added that the mission of the task

121

00:04:07,990 --> 00:04:05,760

force will be to detect analyze catalog

122

00:04:10,070 --> 00:04:08,000

consolidate and exploit non-traditional

123

00:04:11,750 --> 00:04:10,080

aerospace vehicles slash uaps

124

00:04:13,750 --> 00:04:11,760

posing an operational threat to u.s

125

00:04:14,949 --> 00:04:13,760

national security and avoid strategic

126
00:04:16,710 --> 00:04:14,959
surprise

127
00:04:18,229 --> 00:04:16,720
so we now know the mission of this task

128
00:04:19,990 --> 00:04:18,239
force but again

129
00:04:21,430 --> 00:04:20,000
by saying what the mission of the task

130
00:04:23,430 --> 00:04:21,440
force will be

131
00:04:25,030 --> 00:04:23,440
she's demonstrating that the task force

132
00:04:26,710 --> 00:04:25,040
isn't a thing yet but then what was she

133
00:04:28,950 --> 00:04:26,720
talking about back in may when she said

134
00:04:31,590 --> 00:04:28,960
the investigation of uap sightings by

135
00:04:33,030 --> 00:04:31,600
the multi-agency task force is ongoing

136
00:04:34,710 --> 00:04:33,040
is that a different task force than the

137
00:04:36,310 --> 00:04:34,720
one allegedly being assembled

138
00:04:37,830 --> 00:04:36,320

what is the new york times and the

139

00:04:39,430 --> 00:04:37,840

intelligence authorization act for

140

00:04:41,590 --> 00:04:39,440

fiscal year 2021

141

00:04:43,030 --> 00:04:41,600

indicate that the uap task force is

142

00:04:45,270 --> 00:04:43,040

already operating

143

00:04:47,990 --> 00:04:45,280

yet ttsa seems confident that its

144

00:04:50,950 --> 00:04:48,000

formation is just now being requested

145

00:04:51,990 --> 00:04:50,960

confusing and it's not really surprising

146

00:04:53,350 --> 00:04:52,000

at this point

147

00:04:55,110 --> 00:04:53,360

the government and the military have

148

00:04:56,629 --> 00:04:55,120

demonstrated time and time again

149

00:04:58,710 --> 00:04:56,639

that the one thing they're really good

150

00:05:00,629 --> 00:04:58,720

at is creating confusion

151
00:05:01,749 --> 00:05:00,639
and what's up with the name even if this

152
00:05:03,189 --> 00:05:01,759
thing exists

153
00:05:05,189 --> 00:05:03,199
we don't even know what the official

154
00:05:05,909 --> 00:05:05,199
name is the only time we've seen it in

155
00:05:07,670 --> 00:05:05,919
writing

156
00:05:09,350 --> 00:05:07,680
is the intelligence authorization act

157
00:05:12,150 --> 00:05:09,360
for fiscal year 2021

158
00:05:13,749 --> 00:05:12,160
in that it's mentioned twice first it's

159
00:05:15,430 --> 00:05:13,759
written as the unidentified aerial

160
00:05:17,189 --> 00:05:15,440
phenomenon task force

161
00:05:19,110 --> 00:05:17,199
and then it's written as the

162
00:05:21,909 --> 00:05:19,120
unidentified aerial phenomena

163
00:05:23,189 --> 00:05:21,919

task force and susan gal's comments are

164

00:05:25,189 --> 00:05:23,199

no help here

165

00:05:26,790 --> 00:05:25,199

she conveniently avoid using a specific

166

00:05:29,670 --> 00:05:26,800

name for the task force

167

00:05:31,350 --> 00:05:29,680

she simply refers to it as a task force

168

00:05:33,350 --> 00:05:31,360

regardless of its name

169

00:05:34,870 --> 00:05:33,360

or whether it's something active or

170

00:05:38,310 --> 00:05:34,880

currently in the works

171

00:05:40,550 --> 00:05:38,320

its existence or future existence

172

00:05:41,830 --> 00:05:40,560

demonstrates that at least on some level

173

00:05:43,270 --> 00:05:41,840

and to a certain degree

174

00:05:44,870 --> 00:05:43,280

the government continues to have an

175

00:05:46,870 --> 00:05:44,880

active interest in ufos

176

00:05:47,909 --> 00:05:46,880

including data collection and data

177

00:05:50,230 --> 00:05:47,919

sharing

178

00:05:51,270 --> 00:05:50,240

that's a good thing that's a really good

179

00:05:52,870 --> 00:05:51,280

thing

180

00:05:54,469 --> 00:05:52,880

but time will tell if the public

181

00:05:55,749 --> 00:05:54,479

benefits from any of that

182

00:05:57,430 --> 00:05:55,759

but hopefully we'll get to see the

183

00:05:58,710 --> 00:05:57,440

fruits of the uap task force's data
