

UFO Happy Hour

EPISODE 23.20

1
00:00:04,600 --> 00:00:02,910
greetings citizens and welcome to

2
00:00:06,010 --> 00:00:04,610
[Music]

3
00:00:14,910 --> 00:00:06,020
[Applause]

4
00:00:15,930 --> 00:00:14,920
[Music]

5
00:00:25,349 --> 00:00:15,940
unknown

6
00:00:27,509 --> 00:00:25,359
[Music]

7
00:00:28,710 --> 00:00:27,519
i'm jason mcclellan maureen elsberry and

8
00:00:30,710 --> 00:00:28,720
shane hurd are

9
00:00:32,069 --> 00:00:30,720
here with me today as well thanks for

10
00:00:34,549 --> 00:00:32,079
hanging out with us for another one of

11
00:00:37,830 --> 00:00:34,559
our ufo happy hour episodes

12
00:00:40,150 --> 00:00:37,840
where we get together for some informal

13
00:00:41,990 --> 00:00:40,160

opinionated discussions about various

14

00:00:44,229 --> 00:00:42,000

ufo related topics

15

00:00:45,590 --> 00:00:44,239

and today some of the topics that we may

16

00:00:48,950 --> 00:00:45,600

get around to discussing

17

00:00:51,270 --> 00:00:48,960

are japan's ufo policy recent research

18

00:00:53,990 --> 00:00:51,280

related to possible life on venus

19

00:00:55,270 --> 00:00:54,000

and of course james fox's new film the

20

00:00:57,350 --> 00:00:55,280

phenomenon

21

00:00:58,869 --> 00:00:57,360

but before we get to that it's not happy

22

00:01:00,869 --> 00:00:58,879

hour until we get the drinks going so

23

00:01:03,910 --> 00:01:00,879

maureen what are you drinking today

24

00:01:04,390 --> 00:01:03,920

i went a little bit boring i am drinking

25

00:01:19,030 --> 00:01:04,400

a

26

00:01:21,270 --> 00:01:19,040

fun weekend like end of week movie night

27

00:01:22,710 --> 00:01:21,280

so we ordered in pizza which you know we

28

00:01:25,990 --> 00:01:22,720

certainly haven't done any

29

00:01:28,710 --> 00:01:26,000

going out or a lot of ordering since uh

30

00:01:29,990 --> 00:01:28,720

the whole pandemic hit so like ordering

31

00:01:32,230 --> 00:01:30,000

in food is is a

32

00:01:34,230 --> 00:01:32,240

extra special treat so we decided to get

33

00:01:35,510 --> 00:01:34,240

some awesome pizza last night and we

34

00:01:36,230 --> 00:01:35,520

really wanted a bottle of wine to go

35

00:01:37,830 --> 00:01:36,240

with it

36

00:01:39,990 --> 00:01:37,840

but we found out that we had no more

37

00:01:41,670 --> 00:01:40,000

wine left in the house so a bottle of

38

00:01:42,789 --> 00:01:41,680

red wine is exactly what i wanted we

39

00:01:44,469 --> 00:01:42,799

didn't have that so

40

00:01:46,069 --> 00:01:44,479

but but that's a great thing right now

41

00:01:48,310 --> 00:01:46,079

in the pandemic a lot of

42

00:01:50,469 --> 00:01:48,320

at least in washington state you can

43

00:01:53,510 --> 00:01:50,479

order booze and

44

00:01:54,870 --> 00:01:53,520

beer and wine to go so you should have

45

00:01:56,550 --> 00:01:54,880

just ordered a bottle of wine

46

00:01:59,109 --> 00:01:56,560

that's true i should have you know i

47

00:02:01,109 --> 00:01:59,119

have done a couple couple orders from

48

00:02:03,510 --> 00:02:01,119

from the uh from the booze store from

49

00:02:04,230 --> 00:02:03,520

total wine you know nice nice alcohol

50

00:02:05,990 --> 00:02:04,240

shipment

51
00:02:07,270 --> 00:02:06,000
but uh yeah we were all out of wine this

52
00:02:09,510 --> 00:02:07,280
time that's okay

53
00:02:10,389 --> 00:02:09,520
but today i'm drinking um some japanese

54
00:02:13,030 --> 00:02:10,399
whiskey

55
00:02:13,510 --> 00:02:13,040
so it was a quick and easy thing to grab

56
00:02:15,589 --> 00:02:13,520
so

57
00:02:17,670 --> 00:02:15,599
that's what i've got and shane how about

58
00:02:20,710 --> 00:02:17,680
you buddy what magical drink do you have

59
00:02:25,910 --> 00:02:23,910
well i've got myself a headache going

60
00:02:26,790 --> 00:02:25,920
today and i decided i didn't want any

61
00:02:29,830 --> 00:02:26,800
booze

62
00:02:32,949 --> 00:02:29,840
so i grabbed a nice big glass

63
00:02:33,750 --> 00:02:32,959

of red kool-aid and it's almost all gone

64

00:02:37,030 --> 00:02:33,760

so

65

00:02:39,110 --> 00:02:37,040

i'm a a actual kool-aid drinker

66

00:02:41,509 --> 00:02:39,120

in the in the real sense not the

67

00:02:44,790 --> 00:02:41,519

political sense or otherwise so

68

00:02:46,949 --> 00:02:44,800

uh and in my defense i have two i'm an

69

00:02:49,430 --> 00:02:46,959

eight and a ten-year-old in the house so

70

00:02:50,949 --> 00:02:49,440

that's why we had a nice full picture

71

00:02:54,309 --> 00:02:50,959

full of kool-aid

72

00:02:58,710 --> 00:02:54,319

and i just took it and ran so that's it

73

00:03:02,070 --> 00:02:58,720

so i i'm thinking that uh after today

74

00:03:05,670 --> 00:03:02,080

i must create a t-shirt that says shane

75

00:03:09,350 --> 00:03:05,680

drank the kool-aid

76
00:03:11,670 --> 00:03:09,360
admit it

77
00:03:14,470 --> 00:03:11,680
it's all right shane you got a bud well

78
00:03:18,390 --> 00:03:14,480
enjoy the kool-aid cheers

79
00:03:19,430 --> 00:03:18,400
cheers everybody cheers well i wanted to

80
00:03:21,270 --> 00:03:19,440
get together for

81
00:03:22,790 --> 00:03:21,280
a ufo happy hour episode it's been a

82
00:03:23,990 --> 00:03:22,800
while since we we've even done an

83
00:03:26,550 --> 00:03:24,000
episode of unknown

84
00:03:28,630 --> 00:03:26,560
but you know a few things have have

85
00:03:31,589 --> 00:03:28,640
happened and generated some headlines in

86
00:03:33,430 --> 00:03:31,599
recent weeks in the past month um and we

87
00:03:35,589 --> 00:03:33,440
haven't had a chance to

88
00:03:36,789 --> 00:03:35,599

kind of discuss them together so just

89

00:03:39,910 --> 00:03:36,799

thought i'd

90

00:03:41,350 --> 00:03:39,920

mention a couple of them today and get

91

00:03:44,630 --> 00:03:41,360

your guys reaction we can

92

00:03:46,710 --> 00:03:44,640

talk about these casually and uh

93

00:03:47,990 --> 00:03:46,720

you know see what you think but the

94

00:03:51,430 --> 00:03:48,000

first one i want to talk about

95

00:03:54,630 --> 00:03:51,440

is this ufo policy

96

00:03:58,149 --> 00:03:54,640

that the japanese government has

97

00:04:01,350 --> 00:03:58,159

sort of enacted and you know

98

00:04:05,190 --> 00:04:01,360

media outlets around the world kind of

99

00:04:07,030 --> 00:04:05,200

spun this in various ways but overall

100

00:04:08,229 --> 00:04:07,040

what we know is that the us secretary of

101
00:04:10,149 --> 00:04:08,239
defense mark esper

102
00:04:12,309 --> 00:04:10,159
and tara cono the defense minister of

103
00:04:14,470 --> 00:04:12,319
japan met in guam

104
00:04:15,509 --> 00:04:14,480
back on august 29th and they talked

105
00:04:17,509 --> 00:04:15,519
about all sorts of

106
00:04:19,189 --> 00:04:17,519
military things like strength

107
00:04:21,189 --> 00:04:19,199
strengthening uh intelligence and

108
00:04:24,230 --> 00:04:21,199
defense capabilities

109
00:04:25,909 --> 00:04:24,240
they also discussed ufos and in early

110
00:04:27,430 --> 00:04:25,919
september during a press conference

111
00:04:30,870 --> 00:04:27,440
minister kona was asked

112
00:04:33,590 --> 00:04:30,880
if he had a ufo policy

113
00:04:34,870 --> 00:04:33,600

and if japan was looking to cooperate

114

00:04:37,350 --> 00:04:34,880

with the u.s

115

00:04:39,189 --> 00:04:37,360

being that they you know supposedly

116

00:04:39,990 --> 00:04:39,199

reportedly talked about ufos during this

117

00:04:41,670 --> 00:04:40,000

recent meeting

118

00:04:43,830 --> 00:04:41,680

well minister kono said that he planned

119

00:04:45,749 --> 00:04:43,840

to address a ufo policy soon

120

00:04:47,990 --> 00:04:45,759

and that he and esper talked about it

121

00:04:50,230 --> 00:04:48,000

but he wouldn't elaborate beyond that

122

00:04:51,670 --> 00:04:50,240

then fast forward to september 14th we

123

00:04:54,310 --> 00:04:51,680

learned that minister kono

124

00:04:56,230 --> 00:04:54,320

announced these ufo instructions for the

125

00:04:59,430 --> 00:04:56,240

self defenses force which

126
00:05:00,710 --> 00:04:59,440
is basically if you encounter a ufo that

127
00:05:03,110 --> 00:05:00,720
you think could potentially

128
00:05:04,629 --> 00:05:03,120
pose a threat to national security try

129
00:05:07,029 --> 00:05:04,639
to get it on camera

130
00:05:07,990 --> 00:05:07,039
and the instructions also reportedly

131
00:05:10,870 --> 00:05:08,000
call for

132
00:05:12,070 --> 00:05:10,880
the analysis of ufo information received

133
00:05:14,390 --> 00:05:12,080
from the public

134
00:05:15,430 --> 00:05:14,400
now that i think is a cool element to

135
00:05:17,670 --> 00:05:15,440
this that

136
00:05:19,510 --> 00:05:17,680
you know deserves more attention than

137
00:05:20,629 --> 00:05:19,520
just the fact that they're telling their

138
00:05:22,710 --> 00:05:20,639

military to

139

00:05:23,909 --> 00:05:22,720

if you see a ufo take a picture of it

140

00:05:24,629 --> 00:05:23,919

and try to get as much information as

141

00:05:26,310 --> 00:05:24,639

possible

142

00:05:29,029 --> 00:05:26,320

i mean i think that's always the default

143

00:05:30,870 --> 00:05:29,039

with anything that you encounter

144

00:05:32,710 --> 00:05:30,880

that could could pose a threat so i

145

00:05:35,749 --> 00:05:32,720

think that was already

146

00:05:36,790 --> 00:05:35,759

in in place by default but it's been

147

00:05:39,189 --> 00:05:36,800

stated now

148

00:05:41,510 --> 00:05:39,199

but then this mentioned that they're

149

00:05:42,230 --> 00:05:41,520

supposedly going to analyze ufo

150

00:05:44,390 --> 00:05:42,240

information

151
00:05:45,350 --> 00:05:44,400
received from the public that's super

152
00:05:48,070 --> 00:05:45,360
cool

153
00:05:49,670 --> 00:05:48,080
but you know to this point minister kono

154
00:05:51,189 --> 00:05:49,680
appears to be pretty skeptical when it

155
00:05:53,350 --> 00:05:51,199
comes to ufos

156
00:05:55,510 --> 00:05:53,360
because back in april after the pentagon

157
00:05:57,270 --> 00:05:55,520
officially released those three now

158
00:05:59,909 --> 00:05:57,280
famous ufo videos

159
00:06:01,350 --> 00:05:59,919
minister kono was asked about the videos

160
00:06:04,870 --> 00:06:01,360
during a press conference

161
00:06:06,550 --> 00:06:04,880
and he said that no defense

162
00:06:08,230 --> 00:06:06,560
self-defense force pilot has ever

163
00:06:12,070 --> 00:06:08,240

encountered a ufo

164

00:06:14,070 --> 00:06:12,080

um but you know he wanted to know more

165

00:06:16,710 --> 00:06:14,080

about the pentagon's videos

166

00:06:17,270 --> 00:06:16,720

and he then stated the now infamous

167

00:06:20,309 --> 00:06:17,280

phrase

168

00:06:21,909 --> 00:06:20,319

i don't really believe in ufos but he

169

00:06:23,189 --> 00:06:21,919

did express an interest back then in

170

00:06:25,189 --> 00:06:23,199

establishing procedures

171

00:06:26,230 --> 00:06:25,199

in the event that a ufo encounter took

172

00:06:30,710 --> 00:06:26,240

place

173

00:06:34,550 --> 00:06:30,720

so you know it's it's interesting that

174

00:06:35,990 --> 00:06:34,560

seemingly in response to us us moves

175

00:06:39,189 --> 00:06:36,000

with our now uh

176

00:06:39,749 --> 00:06:39,199

uap task force in place that japan would

177

00:06:41,350 --> 00:06:39,759

think oh

178

00:06:44,070 --> 00:06:41,360

the u.s is doing something we should do

179

00:06:46,629 --> 00:06:44,080

it too but then also looking to the u.s

180

00:06:50,150 --> 00:06:46,639

and the us kind of taking this position

181

00:06:52,710 --> 00:06:50,160

as an authority on the subject of ufos

182

00:06:54,469 --> 00:06:52,720

and offering insight and suggestions

183

00:06:57,749 --> 00:06:54,479

into how another country

184

00:06:59,909 --> 00:06:57,759

should deal with ufos when in my opinion

185

00:07:02,230 --> 00:06:59,919

the uf the us is kind of a [h__h] show

186

00:07:06,150 --> 00:07:02,240

when it comes to ufos and

187

00:07:08,710 --> 00:07:06,160

you know studying ufos and with us just

188

00:07:10,390 --> 00:07:08,720

reportedly just putting this uap task

189

00:07:12,230 --> 00:07:10,400

force in place

190

00:07:13,589 --> 00:07:12,240

i don't really think the u.s is the one

191

00:07:16,710 --> 00:07:13,599

that the world should look to

192

00:07:21,029 --> 00:07:16,720

when it comes to how to deal with ufos

193

00:07:24,390 --> 00:07:21,039

what do you guys think yeah i mean

194

00:07:26,629 --> 00:07:24,400

first off the statement i don't believe

195

00:07:29,110 --> 00:07:26,639

in ufos drives me insane because

196

00:07:30,550 --> 00:07:29,120

all it means is this unidentified dude

197

00:07:32,309 --> 00:07:30,560

so you

198

00:07:33,830 --> 00:07:32,319

are saying you don't believe in seeing

199

00:07:37,430 --> 00:07:33,840

something that that

200

00:07:40,469 --> 00:07:37,440

uh cannot be explained yeah on the other

201
00:07:42,150 --> 00:07:40,479
side crazy too anyways um

202
00:07:43,909 --> 00:07:42,160
so it's interesting because it's

203
00:07:45,350 --> 00:07:43,919
actually kind of surprising that japan

204
00:07:47,990 --> 00:07:45,360
didn't have anything in place

205
00:07:48,550 --> 00:07:48,000
and it's such a small country and you

206
00:07:51,909 --> 00:07:48,560
have

207
00:07:54,309 --> 00:07:51,919
uh multiple active you know okinawa is a

208
00:07:55,830 --> 00:07:54,319
active us military base in fact and

209
00:07:56,469 --> 00:07:55,840
there's lots of sightings that have

210
00:08:01,189 --> 00:07:56,479
happened

211
00:08:04,150 --> 00:08:01,199
uh unexplained there and and by military

212
00:08:06,070 --> 00:08:04,160
officials there so the fact that this is

213
00:08:09,430 --> 00:08:06,080

new is kind of surprising

214

00:08:12,309 --> 00:08:09,440

and yes every country

215

00:08:13,430 --> 00:08:12,319

should have a way to report and

216

00:08:16,309 --> 00:08:13,440

investigate

217

00:08:17,749 --> 00:08:16,319

unknown objects in their airspace like

218

00:08:20,869 --> 00:08:17,759

it blows my mind

219

00:08:23,510 --> 00:08:20,879

that it's a big deal and and

220

00:08:24,390 --> 00:08:23,520

yeah that the public should be able to

221

00:08:27,510 --> 00:08:24,400

submit

222

00:08:29,670 --> 00:08:27,520

um sightings i agree that the u.s

223

00:08:31,270 --> 00:08:29,680

is probably not the way to to go you

224

00:08:33,829 --> 00:08:31,280

could look at other

225

00:08:34,870 --> 00:08:33,839

chile or france or other places that

226

00:08:38,310 --> 00:08:34,880

have

227

00:08:41,829 --> 00:08:38,320

well established official ufo

228

00:08:44,149 --> 00:08:41,839

reporting facilities and and policies

229

00:08:45,350 --> 00:08:44,159

um the policy japan put out is very

230

00:08:46,949 --> 00:08:45,360

basic it's

231

00:08:49,110 --> 00:08:46,959

we should investigate this take a

232

00:08:49,750 --> 00:08:49,120

picture uh we'll investigate public

233

00:08:52,550 --> 00:08:49,760

reports

234

00:08:53,590 --> 00:08:52,560

that's it it's not um well at least what

235

00:08:57,110 --> 00:08:53,600

we've been told

236

00:09:00,790 --> 00:08:57,120

is very basic um so

237

00:09:04,389 --> 00:09:00,800

i find it interesting but the

238

00:09:08,070 --> 00:09:04,399

this is good because um you know there's

239

00:09:10,630 --> 00:09:08,080

jay seti over there japan's

240

00:09:11,910 --> 00:09:10,640

uh center for extraterrestrial

241

00:09:15,190 --> 00:09:11,920

intelligence research

242

00:09:17,509 --> 00:09:15,200

and they've reported major uh

243

00:09:19,269 --> 00:09:17,519

sightings from pilots and other things

244

00:09:20,630 --> 00:09:19,279

to the government and the government has

245

00:09:23,670 --> 00:09:20,640

ignored them because

246

00:09:25,910 --> 00:09:23,680

there was no policy in place so i'm

247

00:09:28,710 --> 00:09:25,920

hoping you know i think

248

00:09:29,910 --> 00:09:28,720

we are on the opposite end where we hear

249

00:09:33,030 --> 00:09:29,920

about these crazy

250

00:09:34,389 --> 00:09:33,040

sightings over japan and uh

251
00:09:37,670 --> 00:09:34,399
in other things that have happened over

252
00:09:39,430 --> 00:09:37,680
history because we're in the ufo area

253
00:09:43,670 --> 00:09:39,440
and we hear it directly from

254
00:09:48,150 --> 00:09:43,680
organization organizations like jcetti

255
00:09:51,030 --> 00:09:48,160
so now that it's official policy

256
00:09:51,829 --> 00:09:51,040
and i don't know if they said uh i don't

257
00:09:54,550 --> 00:09:51,839
know if you know

258
00:09:56,230 --> 00:09:54,560
are they reporting this to the public

259
00:09:57,829 --> 00:09:56,240
their findings or is this just

260
00:10:00,150 --> 00:09:57,839
we're going to investigate them and then

261
00:10:05,509 --> 00:10:00,160
keep the information classified

262
00:10:08,310 --> 00:10:05,519
um right yeah no mention about that

263
00:10:09,750 --> 00:10:08,320

yeah so it but if they are going to

264

00:10:12,069 --> 00:10:09,760

share their findings

265

00:10:13,750 --> 00:10:12,079

i think it'd be amazing because we'll

266

00:10:16,790 --> 00:10:13,760

probably get a much more in-depth

267

00:10:19,590 --> 00:10:16,800

uh look at what's happening over there

268

00:10:21,670 --> 00:10:19,600

but seems seems kind of doubtful but if

269

00:10:22,470 --> 00:10:21,680

they're following the us policy which we

270

00:10:25,670 --> 00:10:22,480

have

271

00:10:28,949 --> 00:10:25,680

uh some stuff being leaked

272

00:10:30,069 --> 00:10:28,959

or like you know leaked or revealed then

273

00:10:32,310 --> 00:10:30,079

maybe we'll get

274

00:10:33,829 --> 00:10:32,320

little tidbits here and there but who

275

00:10:37,030 --> 00:10:33,839

knows

276

00:10:45,350 --> 00:10:41,430

yeah um you know maybe what we're seeing

277

00:10:49,430 --> 00:10:45,360

is just a function of how

278

00:10:52,949 --> 00:10:49,440

us and ally militaries

279

00:10:56,310 --> 00:10:52,959

cooperate and that this is less driven

280

00:11:00,389 --> 00:10:56,320

by ufos as much as

281

00:11:03,350 --> 00:11:00,399

this is just a a new military policy and

282

00:11:04,630 --> 00:11:03,360

for those militaries that are associated

283

00:11:07,990 --> 00:11:04,640

or even

284

00:11:11,829 --> 00:11:08,000

dependent or intertwined with ours that

285

00:11:14,710 --> 00:11:11,839

this is just them following that model

286

00:11:15,670 --> 00:11:14,720

of hey the us does it this is what they

287

00:11:17,590 --> 00:11:15,680

say and

288

00:11:18,870 --> 00:11:17,600

let's model after that and let's

289

00:11:21,190 --> 00:11:18,880

cooperate

290

00:11:21,910 --> 00:11:21,200

i mean you know it could be as simple as

291

00:11:25,190 --> 00:11:21,920

that

292

00:11:28,470 --> 00:11:25,200

unless the focus on ufos because

293

00:11:31,030 --> 00:11:28,480

as you mentioned we've not really seen

294

00:11:32,790 --> 00:11:31,040

anything come out of japan from its

295

00:11:34,550 --> 00:11:32,800

military in terms of having

296

00:11:36,550 --> 00:11:34,560

you know encounters and that sort of

297

00:11:38,310 --> 00:11:36,560

thing so that's one thing i think the

298

00:11:39,430 --> 00:11:38,320

other thing i think could possibly be

299

00:11:42,710 --> 00:11:39,440

going on is

300

00:11:44,230 --> 00:11:42,720

they in fact have had encounters

301
00:11:46,790 --> 00:11:44,240
they do have evidence of those

302
00:11:49,990 --> 00:11:46,800
encounters and because the us

303
00:11:53,110 --> 00:11:50,000
has always pooh-poohed this allies will

304
00:11:55,670 --> 00:11:53,120
have fallen in place with that as well

305
00:11:57,509 --> 00:11:55,680
but now that there's some you know uh

306
00:12:00,470 --> 00:11:57,519
inklings of disclosure this

307
00:12:02,870 --> 00:12:00,480
disclosure of some items um you know

308
00:12:06,069 --> 00:12:02,880
those videos for example and now

309
00:12:09,509 --> 00:12:06,079
them having this formal policy that that

310
00:12:11,670 --> 00:12:09,519
they're going to you know latch onto

311
00:12:13,430 --> 00:12:11,680
that and do the same thing as well so

312
00:12:14,710 --> 00:12:13,440
it's to me it could either be just

313
00:12:17,350 --> 00:12:14,720

simple um

314

00:12:18,550 --> 00:12:17,360

you know perfunctory this is how allies

315

00:12:21,110 --> 00:12:18,560

cooperate

316

00:12:22,870 --> 00:12:21,120

uh or it could be there's been some

317

00:12:24,629 --> 00:12:22,880

motivation

318

00:12:25,990 --> 00:12:24,639

because of an experience that they've

319

00:12:28,389 --> 00:12:26,000

had and they're

320

00:12:29,269 --> 00:12:28,399

they're going to go to you know the us

321

00:12:31,350 --> 00:12:29,279

for some

322

00:12:33,190 --> 00:12:31,360

help or direction on that in that case

323

00:12:35,350 --> 00:12:33,200

so i mean it's hard to say we

324

00:12:37,750 --> 00:12:35,360

know how it goes uh once that

325

00:12:39,829 --> 00:12:37,760

information is in their hands

326

00:12:41,829 --> 00:12:39,839

you know there's no guarantee we'll ever

327

00:12:42,550 --> 00:12:41,839

see it or hear about it or any of that

328

00:12:44,870 --> 00:12:42,560

so

329

00:12:45,750 --> 00:12:44,880

uh well i think it's significant in the

330

00:12:47,990 --> 00:12:45,760

fact that

331

00:12:50,470 --> 00:12:48,000

you know it's a it's a still an act of

332

00:12:53,350 --> 00:12:50,480

credibility regarding ufos

333

00:12:54,389 --> 00:12:53,360

um it you know may not change much in

334

00:12:56,389 --> 00:12:54,399

itself but

335

00:12:58,150 --> 00:12:56,399

you know if we start seeing other allies

336

00:12:59,430 --> 00:12:58,160

doing the same thing and coming out to

337

00:13:01,110 --> 00:12:59,440

where

338

00:13:02,949 --> 00:13:01,120

you know the majority of governments i

339

00:13:05,910 --> 00:13:02,959

think like you mentioned

340

00:13:07,910 --> 00:13:05,920

maureen that it's some unimaginable that

341

00:13:09,590 --> 00:13:07,920

they completely ignore this stuff or

342

00:13:11,590 --> 00:13:09,600

have been

343

00:13:13,110 --> 00:13:11,600

so i think they've been you know dealing

344

00:13:15,670 --> 00:13:13,120

with it but just not

345

00:13:16,150 --> 00:13:15,680

making that public so even the construct

346

00:13:18,550 --> 00:13:16,160

of a

347

00:13:19,750 --> 00:13:18,560

public ufo reporting program i think is

348

00:13:22,710 --> 00:13:19,760

a huge

349

00:13:25,030 --> 00:13:22,720

you know gain in terms of of the whole

350

00:13:26,470 --> 00:13:25,040

topic of ufos and some credibility and

351

00:13:28,550 --> 00:13:26,480

reality there so

352

00:13:29,750 --> 00:13:28,560

i think overall it's a good thing and

353

00:13:32,710 --> 00:13:29,760

yeah is it what it

354

00:13:34,949 --> 00:13:32,720

what it looks like maybe maybe not yeah

355

00:13:37,030 --> 00:13:34,959

i think international cooperation on

356

00:13:39,030 --> 00:13:37,040

this topic is always a good thing any

357

00:13:42,150 --> 00:13:39,040

sort of international cooperation

358

00:13:45,350 --> 00:13:42,160

but as we know in this country

359

00:13:46,949 --> 00:13:45,360

and you know the uap task force um has

360

00:13:50,069 --> 00:13:46,959

kind of highlighted this at least the

361

00:13:51,269 --> 00:13:50,079

the senate bill in the wording um for

362

00:13:54,389 --> 00:13:51,279

what

363

00:13:55,829 --> 00:13:54,399

was intended um in a report that the

364

00:13:58,949 --> 00:13:55,839

senate would like

365

00:14:00,230 --> 00:13:58,959

and that it it highlighted the lack of

366

00:14:03,509 --> 00:14:00,240

communication

367

00:14:05,590 --> 00:14:03,519

here in our own country between

368

00:14:07,910 --> 00:14:05,600

different agencies and branches of our

369

00:14:11,110 --> 00:14:07,920

own government our own military

370

00:14:13,750 --> 00:14:11,120

so it's weird you know for us to be

371

00:14:16,310 --> 00:14:13,760

going and expecting some sort of

372

00:14:16,870 --> 00:14:16,320

great cooperation and communication with

373

00:14:18,949 --> 00:14:16,880

other

374

00:14:20,629 --> 00:14:18,959

countries when we can't even figure out

375

00:14:22,470 --> 00:14:20,639

how to do that here

376

00:14:24,150 --> 00:14:22,480

in our own country with our own

377

00:14:26,230 --> 00:14:24,160

government our own military

378

00:14:27,350 --> 00:14:26,240

so i mean communication issues are a big

379

00:14:30,230 --> 00:14:27,360

thing we need to work

380

00:14:30,870 --> 00:14:30,240

work on that in our own country let

381

00:14:32,389 --> 00:14:30,880

alone with

382

00:14:33,590 --> 00:14:32,399

international cooperation but i agree

383

00:14:34,550 --> 00:14:33,600

with you shane i think international

384

00:14:36,629 --> 00:14:34,560

cooperation is

385

00:14:39,350 --> 00:14:36,639

is always good on this topic and it's

386

00:14:41,670 --> 00:14:39,360

needed because as we know this is a

387

00:14:42,629 --> 00:14:41,680

global issue it's not something that's

388

00:14:45,189 --> 00:14:42,639

us or

389

00:14:45,670 --> 00:14:45,199

japan it's it's the globe we all deal

390

00:14:48,870 --> 00:14:45,680

with it

391

00:14:50,790 --> 00:14:48,880

so we'll see what happens but hey glad

392

00:14:53,990 --> 00:14:50,800

other countries are

393

00:14:55,350 --> 00:14:54,000

i won't say starting to because we know

394

00:14:57,350 --> 00:14:55,360

that countries have always had an

395

00:14:59,269 --> 00:14:57,360

interest in this topic and have always

396

00:15:02,150 --> 00:14:59,279

investigated and looked into

397

00:15:03,110 --> 00:15:02,160

and researched ufos but taking a renewed

398

00:15:04,629 --> 00:15:03,120

interest i guess

399

00:15:06,550 --> 00:15:04,639

because you make a good point shane i

400

00:15:09,269 --> 00:15:06,560

think based on

401
00:15:10,870 --> 00:15:09,279
the us's past pooh-poohing of the topic

402
00:15:12,389 --> 00:15:10,880
i think other people kind of take a lead

403
00:15:14,069 --> 00:15:12,399
from that and go ah

404
00:15:16,150 --> 00:15:14,079
well if they're not really going to take

405
00:15:18,629 --> 00:15:16,160
it seriously then why should we

406
00:15:20,389 --> 00:15:18,639
so we'll see hopefully it it lights that

407
00:15:23,509 --> 00:15:20,399
fire and renews some interest so i think

408
00:15:28,470 --> 00:15:26,870
yep well let's move on to space let's go

409
00:15:30,069 --> 00:15:28,480
deeper into space

410
00:15:31,990 --> 00:15:30,079
and you probably remember seeing the

411
00:15:33,990 --> 00:15:32,000
headlines about this about

412
00:15:35,350 --> 00:15:34,000
life being discovered on venus which

413
00:15:37,350 --> 00:15:35,360

isn't quite the case but

414

00:15:38,870 --> 00:15:37,360

on monday september 14th the royal

415

00:15:40,550 --> 00:15:38,880

astronomical society held a press

416

00:15:42,629 --> 00:15:40,560

conference where they announced the

417

00:15:45,269 --> 00:15:42,639

discovery of a rare molecule called

418

00:15:47,189 --> 00:15:45,279

phosphine in the clouds of venus and

419

00:15:49,749 --> 00:15:47,199

it's not really the phosphene itself

420

00:15:51,749 --> 00:15:49,759

that excited researchers but it's the

421

00:15:54,069 --> 00:15:51,759

relatively large amount

422

00:15:55,350 --> 00:15:54,079

or quantity of phosphine because here on

423

00:15:57,749 --> 00:15:55,360

earth natural things like

424

00:16:00,069 --> 00:15:57,759

volcanic activity and lightning can

425

00:16:02,629 --> 00:16:00,079

cause or generate phosphine

426
00:16:05,030 --> 00:16:02,639
but only in small amounts and according

427
00:16:07,509 --> 00:16:05,040
to researchers the only thing on earth

428
00:16:09,590 --> 00:16:07,519
is known to produce phosphine in similar

429
00:16:11,910 --> 00:16:09,600
quantities that they found on venus

430
00:16:13,030 --> 00:16:11,920
is bio or things that are biologic in

431
00:16:16,550 --> 00:16:13,040
origin

432
00:16:19,430 --> 00:16:16,560
so that's really cool and exciting um

433
00:16:20,389 --> 00:16:19,440
you know as with any research any

434
00:16:22,870 --> 00:16:20,399
research at all

435
00:16:24,310 --> 00:16:22,880
you're going to have people who are

436
00:16:27,269 --> 00:16:24,320
against that research

437
00:16:28,790 --> 00:16:27,279
or find problems with that research and

438
00:16:31,030 --> 00:16:28,800

you know poke holes in it

439

00:16:33,350 --> 00:16:31,040

and we've certainly seen that with this

440

00:16:36,470 --> 00:16:33,360

research not everybody believes

441

00:16:39,749 --> 00:16:36,480

what these researchers are suggesting

442

00:16:41,590 --> 00:16:39,759

that it indicates um but

443

00:16:43,590 --> 00:16:41,600

as some of these researchers like

444

00:16:45,189 --> 00:16:43,600

astrobiologist sarah sager pointed out

445

00:16:47,590 --> 00:16:45,199

during that press conference

446

00:16:48,710 --> 00:16:47,600

the only way we'll know for sure if life

447

00:16:51,670 --> 00:16:48,720

is causing this

448

00:16:53,509 --> 00:16:51,680

is to actually go to venus and we'll do

449

00:16:56,629 --> 00:16:53,519

that soon i mean we have missions

450

00:16:58,310 --> 00:16:56,639

you know planned uh for for going there

451
00:17:00,310 --> 00:16:58,320
for flying through the clouds for

452
00:17:02,470 --> 00:17:00,320
trying to do some sample collection

453
00:17:05,350 --> 00:17:02,480
those things are underway

454
00:17:05,990 --> 00:17:05,360
but the thing that surprised me with

455
00:17:08,870 --> 00:17:06,000
seeing

456
00:17:11,110 --> 00:17:08,880
something like this happen is the

457
00:17:14,470 --> 00:17:11,120
reaction from the ufo community

458
00:17:16,870 --> 00:17:14,480
acting like this was something

459
00:17:18,069 --> 00:17:16,880
unheard of something new something that

460
00:17:20,630 --> 00:17:18,079
we haven't seen before

461
00:17:21,909 --> 00:17:20,640
and it's a sign of drip drip disclosure

462
00:17:23,350 --> 00:17:21,919
from the government that something

463
00:17:25,029 --> 00:17:23,360

bigger some big announcement about

464

00:17:26,870 --> 00:17:25,039

extraterrestrial life is coming

465

00:17:28,309 --> 00:17:26,880

because we've never seen this before

466

00:17:29,830 --> 00:17:28,319

where they make a big deal and have a

467

00:17:31,430 --> 00:17:29,840

press conference about the possibility

468

00:17:34,710 --> 00:17:31,440

of extraterrestrial life

469

00:17:35,669 --> 00:17:34,720

and as we all know certainly and maureen

470

00:17:37,190 --> 00:17:35,679

especially

471

00:17:39,190 --> 00:17:37,200

you and i have covered so much

472

00:17:41,990 --> 00:17:39,200

astrobiology news over the past

473

00:17:43,430 --> 00:17:42,000

decade plus and we've seen so many

474

00:17:44,630 --> 00:17:43,440

announcements like this and it made this

475

00:17:46,630 --> 00:17:44,640

one seem tame

476

00:17:49,669 --> 00:17:46,640

you know where we had nasa press

477

00:17:51,830 --> 00:17:49,679

conferences in the past five years or so

478

00:17:53,190 --> 00:17:51,840

where they really hyped it up and they

479

00:17:56,150 --> 00:17:53,200

were really

480

00:17:56,789 --> 00:17:56,160

playing up that extraterrestrial card

481

00:17:58,710 --> 00:17:56,799

and and

482

00:17:59,990 --> 00:17:58,720

teasing it and even in the press

483

00:18:01,510 --> 00:18:00,000

releases announcing

484

00:18:03,190 --> 00:18:01,520

who the participants in the press

485

00:18:03,830 --> 00:18:03,200

releases were going to be and these were

486

00:18:06,310 --> 00:18:03,840

people

487

00:18:07,430 --> 00:18:06,320

focused on intelligent extraterrestrial

488

00:18:09,350 --> 00:18:07,440

life and things like that

489

00:18:10,789 --> 00:18:09,360

they'd really hype it up and and

490

00:18:12,070 --> 00:18:10,799

everybody would go crazy you'd have the

491

00:18:13,190 --> 00:18:12,080

speculation oh yeah they're going to

492

00:18:14,950 --> 00:18:13,200

announce extraterrestrial life they're

493

00:18:17,270 --> 00:18:14,960

going to announce extraterrestrial life

494

00:18:18,470 --> 00:18:17,280

this has happened so many times over the

495

00:18:20,630 --> 00:18:18,480

years we keep seeing

496

00:18:22,310 --> 00:18:20,640

it this is certainly not a new thing it

497

00:18:24,150 --> 00:18:22,320

doesn't mean it's not exciting not all

498

00:18:27,190 --> 00:18:24,160

of this stuff is super exciting

499

00:18:29,430 --> 00:18:27,200

but it's nothing new so

500

00:18:31,270 --> 00:18:29,440

warren you you kind of followed the the

501
00:18:32,789 --> 00:18:31,280
explosion of headlines as this was

502
00:18:34,310 --> 00:18:32,799
happening what what did you think did

503
00:18:36,549 --> 00:18:34,320
you have flashbacks when

504
00:18:37,590 --> 00:18:36,559
when you saw that stuff come out i can

505
00:18:41,029 --> 00:18:37,600
only say how many

506
00:18:41,990 --> 00:18:41,039
press releases we in the office sat and

507
00:18:45,190 --> 00:18:42,000
waited for

508
00:18:45,830 --> 00:18:45,200
and watched uh and and again this is

509
00:18:47,590 --> 00:18:45,840
news that

510
00:18:49,750 --> 00:18:47,600
it is exciting and we've seen this

511
00:18:52,950 --> 00:18:49,760
before on on many potential

512
00:18:54,950 --> 00:18:52,960
you know life on enceladus and uh mars

513
00:18:55,990 --> 00:18:54,960

and lots of different things and

514

00:18:57,750 --> 00:18:56,000

exciting discoveries

515

00:18:59,750 --> 00:18:57,760

and don't get me wrong this stuff is

516

00:19:02,950 --> 00:18:59,760

always exciting

517

00:19:04,630 --> 00:19:02,960

but is it is it what people are

518

00:19:06,230 --> 00:19:04,640

are hyping up in terms of

519

00:19:06,950 --> 00:19:06,240

extraterrestrial life no we're looking

520

00:19:10,789 --> 00:19:06,960

at more

521

00:19:13,270 --> 00:19:10,799

microbial in the clouds um

522

00:19:13,990 --> 00:19:13,280

at least for the case of venus and these

523

00:19:16,150 --> 00:19:14,000

are not

524

00:19:17,510 --> 00:19:16,160

you know particles would die when they

525

00:19:20,710 --> 00:19:17,520

hit the the

526

00:19:23,669 --> 00:19:20,720

earth earth sorry the ground

527

00:19:24,070 --> 00:19:23,679

of venus it's not like benugi in life

528

00:19:31,510 --> 00:19:24,080

that

529

00:19:34,230 --> 00:19:31,520

have um described in encounters and

530

00:19:37,190 --> 00:19:34,240

um so so yeah it's exciting but i think

531

00:19:39,750 --> 00:19:37,200

what's more interesting is looking at it

532

00:19:40,870 --> 00:19:39,760

in the fact that um you know they

533

00:19:43,190 --> 00:19:40,880

believe that

534

00:19:44,789 --> 00:19:43,200

water disappeared like the oceans of

535

00:19:47,110 --> 00:19:44,799

venus

536

00:19:48,390 --> 00:19:47,120

evaporated probably 700 million years

537

00:19:50,150 --> 00:19:48,400

ago which is

538

00:19:52,390 --> 00:19:50,160

in the grand scheme of things not that

539

00:19:55,350 --> 00:19:52,400

long ago and

540

00:19:57,350 --> 00:19:55,360

so life they they're speculating that

541

00:19:59,830 --> 00:19:57,360

life found a way to

542

00:20:01,190 --> 00:19:59,840

adapt and it moved to the clouds and

543

00:20:05,190 --> 00:20:01,200

then you have mars

544

00:20:08,470 --> 00:20:05,200

and mars life adapted

545

00:20:11,510 --> 00:20:08,480

and potentially moved down underground

546

00:20:13,270 --> 00:20:11,520

into lava tubes or other places on mars

547

00:20:14,710 --> 00:20:13,280

and then we have earth and we're facing

548

00:20:16,149 --> 00:20:14,720

this big climate change

549

00:20:18,310 --> 00:20:16,159

what the hell is going to happen here i

550

00:20:22,710 --> 00:20:18,320

mean granted the oceans aren't going to

551
00:20:25,669 --> 00:20:22,720
disappear in our lifetime uh but

552
00:20:27,029 --> 00:20:25,679
you know it's it's a projection of of

553
00:20:29,190 --> 00:20:27,039
what will earth look like

554
00:20:30,710 --> 00:20:29,200
are we going the route of venus and mars

555
00:20:31,750 --> 00:20:30,720
so i find that interesting not

556
00:20:33,190 --> 00:20:31,760
necessarily but

557
00:20:35,029 --> 00:20:33,200
that we're finding intelligent

558
00:20:37,190 --> 00:20:35,039
extraterrestrial life on venus that's

559
00:20:41,590 --> 00:20:37,200
not what this is about but it is still

560
00:20:45,270 --> 00:20:43,669
how about you shane i know you're a

561
00:20:47,029 --> 00:20:45,280
space nerd and you love

562
00:20:48,950 --> 00:20:47,039
seeing stuff like this tell me what you

563
00:20:51,190 --> 00:20:48,960

thought

564

00:20:52,950 --> 00:20:51,200

yeah yeah i think it was interesting uh

565

00:20:53,430 --> 00:20:52,960

you know i didn't go bananas over it

566

00:20:55,909 --> 00:20:53,440

either

567

00:20:56,549 --> 00:20:55,919

uh we've heard you know inklings of this

568

00:21:00,230 --> 00:20:56,559

kind of stuff

569

00:21:01,990 --> 00:21:00,240

before um you know like most recently

570

00:21:04,870 --> 00:21:02,000

amuamua for example

571

00:21:05,909 --> 00:21:04,880

and what i find interesting about the

572

00:21:10,070 --> 00:21:05,919

whole topic

573

00:21:13,510 --> 00:21:10,080

is that scientists are floating

574

00:21:16,630 --> 00:21:13,520

the idea or explanation about it being

575

00:21:18,230 --> 00:21:16,640

life which you know

576
00:21:19,990 --> 00:21:18,240
as you guys mentioned i know you guys

577
00:21:20,870 --> 00:21:20,000
are way more familiar with this than i

578
00:21:23,110 --> 00:21:20,880
am but

579
00:21:24,630 --> 00:21:23,120
over the years these sorts of things do

580
00:21:27,190 --> 00:21:24,640
pop up and so

581
00:21:27,830 --> 00:21:27,200
uh again like avialobe from harvard

582
00:21:29,590 --> 00:21:27,840
saying

583
00:21:32,230 --> 00:21:29,600
you know muammar could have been a you

584
00:21:35,270 --> 00:21:32,240
know an alien craft or probe

585
00:21:36,789 --> 00:21:35,280
um you know there was uh you know

586
00:21:38,950 --> 00:21:36,799
different announcements

587
00:21:40,950 --> 00:21:38,960
i think it was just a couple years ago

588
00:21:42,470 --> 00:21:40,960

nasa come out and said

589

00:21:44,070 --> 00:21:42,480

again with the big news conference we

590

00:21:47,270 --> 00:21:44,080

think we'll find intelligent life

591

00:21:49,990 --> 00:21:47,280

in 10 years you know uh before that

592

00:21:50,630 --> 00:21:50,000

yeah certainly with the mars stuff and

593

00:21:53,270 --> 00:21:50,640

um

594

00:21:54,390 --> 00:21:53,280

you know other probes you know phobos

595

00:21:56,230 --> 00:21:54,400

and that whole thing where

596

00:21:57,590 --> 00:21:56,240

they lost the russian craft and there's

597

00:22:01,350 --> 00:21:57,600

that photo and just

598

00:22:05,350 --> 00:22:01,360

you know the just the suggestion of life

599

00:22:06,630 --> 00:22:05,360

is pretty remarkable from the scientific

600

00:22:09,029 --> 00:22:06,640

community

601
00:22:11,430 --> 00:22:09,039
at least more than 10 years ago it had

602
00:22:13,669 --> 00:22:11,440
been kind of almost shocking but

603
00:22:16,070 --> 00:22:13,679
now we're starting to kind of get used

604
00:22:18,070 --> 00:22:16,080
to that idea and i think it really

605
00:22:19,750 --> 00:22:18,080
hovers around the fact that we we have

606
00:22:23,029 --> 00:22:19,760
discovered so many

607
00:22:25,190 --> 00:22:23,039
um exoplanets now that if you remember

608
00:22:27,110 --> 00:22:25,200
15 20 years ago scientists would not

609
00:22:30,149 --> 00:22:27,120
admit life was anywhere they just

610
00:22:31,510 --> 00:22:30,159
were super skeptical um but when those

611
00:22:34,870 --> 00:22:31,520
started popping up and then

612
00:22:35,430 --> 00:22:34,880
recognizing just how ubiquitous planets

613
00:22:38,149 --> 00:22:35,440

are

614

00:22:39,190 --> 00:22:38,159

you know billions of them in our galaxy

615

00:22:42,230 --> 00:22:39,200

alone

616

00:22:44,630 --> 00:22:42,240

that you know just the sheer odds say

617

00:22:45,270 --> 00:22:44,640

life if it found a way here it's had to

618

00:22:48,950 --> 00:22:45,280

find

619

00:22:50,470 --> 00:22:48,960

fi found a way elsewhere so um

620

00:22:51,990 --> 00:22:50,480

that's kind of what strikes me with the

621

00:22:54,310 --> 00:22:52,000

whole issue and i know they just

622

00:22:55,830 --> 00:22:54,320

a probe on the way to mercury i think in

623

00:22:57,990 --> 00:22:55,840

the last week or so

624

00:22:59,430 --> 00:22:58,000

has flown by venus and you know they're

625

00:23:01,430 --> 00:22:59,440

gonna try and check it out so i haven't

626

00:23:04,070 --> 00:23:01,440

heard any results of that yet but

627

00:23:05,270 --> 00:23:04,080

you know it's it it is noteworthy and it

628

00:23:07,510 --> 00:23:05,280

is interesting

629

00:23:09,110 --> 00:23:07,520

but like anything i think you know the

630

00:23:12,070 --> 00:23:09,120

explanation could be very

631

00:23:12,310 --> 00:23:12,080

um you know prosaic it could just be you

632

00:23:15,110 --> 00:23:12,320

know

633

00:23:16,390 --> 00:23:15,120

chemical element there that uh as we

634

00:23:19,430 --> 00:23:16,400

know already it can

635

00:23:20,390 --> 00:23:19,440

it can occur in ways other than being

636

00:23:21,990 --> 00:23:20,400

life

637

00:23:23,830 --> 00:23:22,000

like the volcanic stuff that you

638

00:23:25,830 --> 00:23:23,840

mentioned marine so uh

639

00:23:27,190 --> 00:23:25,840

and you know venus is a pretty freaking

640

00:23:29,190 --> 00:23:27,200

weird place i mean

641

00:23:31,029 --> 00:23:29,200

you know it's 800 degrees fahrenheit it

642

00:23:33,029 --> 00:23:31,039

has prep i don't know off the top my

643

00:23:36,149 --> 00:23:33,039

head but i know the pressure there

644

00:23:39,029 --> 00:23:36,159

is much greater in a and you know

645

00:23:40,870 --> 00:23:39,039

especially the soviet union sent probes

646

00:23:42,870 --> 00:23:40,880

and stuff there in the past and

647

00:23:45,110 --> 00:23:42,880

you know they just don't last long

648

00:23:47,029 --> 00:23:45,120

because of the harsh chemical

649

00:23:48,549 --> 00:23:47,039

elements in the atmosphere the weight

650

00:23:50,669 --> 00:23:48,559

the the pressure

651
00:23:51,830 --> 00:23:50,679
and the temperature and so it's a it's

652
00:23:54,230 --> 00:23:51,840
extremely

653
00:23:55,830 --> 00:23:54,240
hostile environment so i don't know can

654
00:23:57,350 --> 00:23:55,840
life find a way maybe

655
00:23:59,110 --> 00:23:57,360
maybe not in the clouds and that's

656
00:24:00,149 --> 00:23:59,120
what's cool about any of these planets

657
00:24:02,310 --> 00:24:00,159
because they they all have their

658
00:24:04,789 --> 00:24:02,320
weirdnesses to them and venus certainly

659
00:24:05,430 --> 00:24:04,799
you know in the clouds because you know

660
00:24:09,029 --> 00:24:05,440
it brings up

661
00:24:11,029 --> 00:24:09,039
images of of star wars uh

662
00:24:12,390 --> 00:24:11,039
you know cloud city and that's what they

663
00:24:14,310 --> 00:24:12,400

talked about with venus

664

00:24:16,830 --> 00:24:14,320

is you know the possibility of having

665

00:24:19,190 --> 00:24:16,840

these cloud cities in the future

666

00:24:21,590 --> 00:24:19,200

because potentially habitable they're in

667

00:24:24,230 --> 00:24:21,600

the clouds of venus

668

00:24:25,190 --> 00:24:24,240

but you know a lot of the research being

669

00:24:28,630 --> 00:24:25,200

done now

670

00:24:31,990 --> 00:24:28,640

is is quite old based on on old data

671

00:24:35,110 --> 00:24:32,000

because you know the past 10 20 years

672

00:24:35,990 --> 00:24:35,120

instruments have provided the data that

673

00:24:38,789 --> 00:24:36,000

suggests

674

00:24:39,990 --> 00:24:38,799

life on a lot of the worlds in our own

675

00:24:43,750 --> 00:24:40,000

solar system

676
00:24:45,110 --> 00:24:43,760
and now we're seeing return missions in

677
00:24:48,630 --> 00:24:45,120
in

678
00:24:48,950 --> 00:24:48,640
adaptations of of what the scientists

679
00:24:51,750 --> 00:24:48,960
know

680
00:24:53,110 --> 00:24:51,760
specifically they want more data on to

681
00:24:54,950 --> 00:24:53,120
be able to

682
00:24:56,630 --> 00:24:54,960
prove or get closer to proving the

683
00:24:57,510 --> 00:24:56,640
existence of extraterrestrial life on

684
00:25:00,470 --> 00:24:57,520
these worlds

685
00:25:02,149 --> 00:25:00,480
there's so many astrobiology missions

686
00:25:04,950 --> 00:25:02,159
happening right now

687
00:25:06,390 --> 00:25:04,960
and missions that are planned for for

688
00:25:08,789 --> 00:25:06,400

sample return missions

689

00:25:09,750 --> 00:25:08,799

for you know just additional data

690

00:25:12,710 --> 00:25:09,760

gathering

691

00:25:15,190 --> 00:25:12,720

on all these crazy awesome moons like

692

00:25:17,350 --> 00:25:15,200

europa enceladus titan

693

00:25:18,630 --> 00:25:17,360

yeah i i'm pretty sure there's life on

694

00:25:20,230 --> 00:25:18,640

all these places but we're getting

695

00:25:21,110 --> 00:25:20,240

closer and closer to being able to

696

00:25:24,630 --> 00:25:21,120

answer that

697

00:25:26,230 --> 00:25:24,640

at least more more solidly um certainly

698

00:25:27,029 --> 00:25:26,240

not concretely and we won't until we're

699

00:25:29,430 --> 00:25:27,039

actually like

700

00:25:31,269 --> 00:25:29,440

landing on these worlds and and you know

701
00:25:33,029 --> 00:25:31,279
doing submarines which again another

702
00:25:35,269 --> 00:25:33,039
cool thing that's in the works sending

703
00:25:37,909 --> 00:25:35,279
submarines to some of these water worlds

704
00:25:38,950 --> 00:25:37,919
to to do sample uh returns and to you

705
00:25:42,149 --> 00:25:38,960
know do

706
00:25:45,269 --> 00:25:42,159
collection to be able to analyze

707
00:25:47,830 --> 00:25:45,279
the the water for life on these crazy

708
00:25:50,950 --> 00:25:47,840
awesome worlds i love it just send out a

709
00:25:54,470 --> 00:25:50,960
mel gibson to the water worlds and

710
00:25:56,070 --> 00:25:54,480
sorry i know when when i when i saw this

711
00:25:57,990 --> 00:25:56,080
this venus news the first thing i

712
00:25:58,630 --> 00:25:58,000
thought was well maybe women are from

713
00:26:01,669 --> 00:25:58,640

venus

714

00:26:03,430 --> 00:26:01,679

actually because who knows

715

00:26:04,950 --> 00:26:03,440

but but yeah you know one thing that

716

00:26:06,870 --> 00:26:04,960

that i will say is

717

00:26:08,149 --> 00:26:06,880

based on your point jason is it's kind

718

00:26:09,430 --> 00:26:08,159

of cool if you look at it you think

719

00:26:11,909 --> 00:26:09,440

about how

720

00:26:14,630 --> 00:26:11,919

we're now able to solve all these crimes

721

00:26:17,269 --> 00:26:14,640

based on dna evidence that was gathered

722

00:26:18,950 --> 00:26:17,279

50 years ago because we have the

723

00:26:21,190 --> 00:26:18,960

technology to do it now

724

00:26:22,149 --> 00:26:21,200

and so that that data that's captured on

725

00:26:24,230 --> 00:26:22,159

all these past

726

00:26:26,070 --> 00:26:24,240

missions is super important because now

727

00:26:27,029 --> 00:26:26,080

we have technology to analyze that

728

00:26:30,470 --> 00:26:27,039

better so

729

00:26:31,190 --> 00:26:30,480

i i think that within uh within our

730

00:26:34,149 --> 00:26:31,200

lifetime

731

00:26:36,470 --> 00:26:34,159

we'll see a lot more uh really amazing

732

00:26:38,310 --> 00:26:36,480

discoveries in space but i am envious of

733

00:26:42,310 --> 00:26:38,320

future generations

734

00:26:45,830 --> 00:26:42,320

uh if if our planet's still alive

735

00:26:48,710 --> 00:26:45,840

what what they might discover and learn

736

00:26:50,630 --> 00:26:48,720

a lot's gonna happen you know

737

00:26:53,350 --> 00:26:50,640

progressively more and more will happen

738

00:26:55,350 --> 00:26:53,360

each year because technology keeps

739

00:26:57,909 --> 00:26:55,360

improving and we've got so many rad

740

00:26:59,110 --> 00:26:57,919

instruments now specifically focused on

741

00:27:00,950 --> 00:26:59,120

finding life

742

00:27:02,310 --> 00:27:00,960

so you know every year just gets more

743

00:27:03,909 --> 00:27:02,320

and more exciting in that in the world

744

00:27:06,310 --> 00:27:03,919

of astrobiology

745

00:27:07,269 --> 00:27:06,320

so let's move on to the phenomenon guys

746

00:27:10,549 --> 00:27:07,279

um this

747

00:27:12,630 --> 00:27:10,559

is a big ufo documentary

748

00:27:14,230 --> 00:27:12,640

that just released on october 6th from

749

00:27:17,269 --> 00:27:14,240

our friend james fox

750

00:27:19,909 --> 00:27:17,279

and maureen and i recently

751
00:27:21,269 --> 00:27:19,919
spoke with james on our newly launched

752
00:27:22,789 --> 00:27:21,279
the rogue planet show

753
00:27:24,710 --> 00:27:22,799
that's on youtube check that out if you

754
00:27:26,389 --> 00:27:24,720
haven't seen it but uh

755
00:27:28,070 --> 00:27:26,399
let's talk a little bit about this film

756
00:27:30,389 --> 00:27:28,080
guys and shane i'll let you go

757
00:27:32,710 --> 00:27:30,399
first what did you think of the

758
00:27:36,389 --> 00:27:32,720
phenomenon

759
00:27:39,430 --> 00:27:36,399
yeah i liked it very much i thought um

760
00:27:41,590 --> 00:27:39,440
you know james has put out already some

761
00:27:43,669 --> 00:27:41,600
very good documentaries with out of the

762
00:27:46,310 --> 00:27:43,679
blue and i know what you saw

763
00:27:47,510 --> 00:27:46,320

um and i think this this just is a

764

00:27:51,269 --> 00:27:47,520
reflection of

765

00:27:53,830 --> 00:27:51,279
you know uh his

766

00:27:54,789 --> 00:27:53,840
skill improving and making movies and

767

00:27:57,029 --> 00:27:54,799
and

768

00:27:58,389 --> 00:27:57,039
uh you know those were sort of like man

769

00:28:01,190 --> 00:27:58,399
on the street kind of ones

770

00:28:02,070 --> 00:28:01,200
dominated with that now they're on this

771

00:28:05,190 --> 00:28:02,080
one

772

00:28:06,630 --> 00:28:05,200
had some really great interviews uh on

773

00:28:10,789 --> 00:28:06,640
cases that

774

00:28:11,750 --> 00:28:10,799
was blown away some of those i had not

775

00:28:13,990 --> 00:28:11,760
heard of

776

00:28:16,070 --> 00:28:14,000

um and then to you know to hear about

777

00:28:18,549 --> 00:28:16,080

them now and actually have those

778

00:28:20,070 --> 00:28:18,559

individuals go on camera and tell about

779

00:28:21,029 --> 00:28:20,080

their experience i thought was very

780

00:28:22,870 --> 00:28:21,039

powerful

781

00:28:25,190 --> 00:28:22,880

and i like how he just kind of laid out

782

00:28:29,190 --> 00:28:25,200

a historical review

783

00:28:31,669 --> 00:28:29,200

you know of cases that you know provide

784

00:28:33,190 --> 00:28:31,679

excellent evidence for the topic and i

785

00:28:36,630 --> 00:28:33,200

especially love the

786

00:28:38,549 --> 00:28:36,640

both the ariel school and the uh westall

787

00:28:39,669 --> 00:28:38,559

school cases and you know the footage

788

00:28:41,990 --> 00:28:39,679

with john mack

789

00:28:42,789 --> 00:28:42,000

and interviewing these children and you

790

00:28:45,029 --> 00:28:42,799

know i know

791

00:28:45,830 --> 00:28:45,039

you guys know emily trim and it was cool

792

00:28:48,870 --> 00:28:45,840

to see her

793

00:28:51,269 --> 00:28:48,880

as an adult but actual footage when she

794

00:28:54,630 --> 00:28:51,279

was a child and several of those

795

00:28:57,190 --> 00:28:54,640

those individuals um just made a very

796

00:28:57,669 --> 00:28:57,200

you know very powerful testimony i think

797

00:29:02,710 --> 00:28:57,679

is

798

00:29:04,070 --> 00:29:02,720

and then you know the conclusions and

799

00:29:06,710 --> 00:29:04,080

you know the revealing of

800

00:29:07,750 --> 00:29:06,720

some more specific stuff on the nuclear

801
00:29:10,470 --> 00:29:07,760
contact and

802
00:29:12,070 --> 00:29:10,480
i mean just it just did an absolute

803
00:29:15,110 --> 00:29:12,080
awesome job of hitting

804
00:29:18,470 --> 00:29:15,120
all of the right points in

805
00:29:22,310 --> 00:29:18,480
in the uf ufo topic that you know

806
00:29:25,990 --> 00:29:22,320
produced meaningful credible

807
00:29:27,830 --> 00:29:26,000
data and results and and um

808
00:29:29,269 --> 00:29:27,840
i i just thought it was excellent all

809
00:29:31,669 --> 00:29:29,279
the way around

810
00:29:33,350 --> 00:29:31,679
maureen i i'd love to hear your thought

811
00:29:36,470 --> 00:29:33,360
on this so

812
00:29:39,110 --> 00:29:36,480
surprisingly or not surprisingly

813
00:29:40,710 --> 00:29:39,120

after the movie came out there was quite

814

00:29:44,710 --> 00:29:40,720

a bit of criticism

815

00:29:47,909 --> 00:29:44,720

from the ufo community about this film

816

00:29:50,710 --> 00:29:47,919

because there wasn't anything

817

00:29:51,909 --> 00:29:50,720

that's really all that new in the film

818

00:29:55,029 --> 00:29:51,919

you know it's not any

819

00:29:56,710 --> 00:29:55,039

anything bringing earth-shattering new

820

00:29:59,110 --> 00:29:56,720

ufo information

821

00:30:00,470 --> 00:29:59,120

to the ufo community what do you think

822

00:30:03,750 --> 00:30:00,480

about that

823

00:30:05,430 --> 00:30:03,760

i think this film is not for the ufo

824

00:30:06,389 --> 00:30:05,440

community i think this is for the

825

00:30:09,110 --> 00:30:06,399

general public

826

00:30:09,990 --> 00:30:09,120

and in that respect if you approach it

827

00:30:12,230 --> 00:30:10,000

like that

828

00:30:14,070 --> 00:30:12,240

it's an amazing film i can't tell you

829

00:30:17,269 --> 00:30:14,080

how many people i talk to that

830

00:30:19,750 --> 00:30:17,279

don't know about the fact that

831

00:30:20,389 --> 00:30:19,760

we had nuclear missile sites being shut

832

00:30:22,950 --> 00:30:20,399

down by

833

00:30:23,510 --> 00:30:22,960

unknown objects that we would not be

834

00:30:26,789 --> 00:30:23,520

able to

835

00:30:30,070 --> 00:30:26,799

launch these missiles if needed

836

00:30:31,990 --> 00:30:30,080

in an attack i mean that i mean i hope

837

00:30:35,029 --> 00:30:32,000

we don't ever launch them anyways

838

00:30:36,070 --> 00:30:35,039

but that's like these are amazing

839

00:30:39,430 --> 00:30:36,080

testimonies

840

00:30:41,750 --> 00:30:39,440

that are occurring and most of the world

841

00:30:43,350 --> 00:30:41,760

does not know about this we have a very

842

00:30:45,430 --> 00:30:43,360

niche ufo community

843

00:30:47,510 --> 00:30:45,440

this documentary is not for us i mean

844

00:30:50,950 --> 00:30:47,520

it's for us but

845

00:30:54,149 --> 00:30:50,960

there's not breaking information for us

846

00:30:55,190 --> 00:30:54,159

real passion was put into this film and

847

00:30:57,430 --> 00:30:55,200

if you watch it

848

00:30:59,430 --> 00:30:57,440

there were some really great tidbits and

849

00:31:02,549 --> 00:30:59,440

footage that we'd never seen before

850

00:31:03,350 --> 00:31:02,559

yeah some amazing interviews to your

851
00:31:05,669 --> 00:31:03,360
point shane

852
00:31:07,190 --> 00:31:05,679
the john mack interviews were amazing

853
00:31:09,350 --> 00:31:07,200
with the aerial school children

854
00:31:10,310 --> 00:31:09,360
yeah i mean i think that super powerful

855
00:31:13,430 --> 00:31:10,320
testimony

856
00:31:17,669 --> 00:31:13,440
the children were

857
00:31:21,909 --> 00:31:17,679
sincere and honest and talking about

858
00:31:25,190 --> 00:31:21,919
the alleged creatures they saw in a way

859
00:31:27,990 --> 00:31:25,200
that was truthful and honest and

860
00:31:29,750 --> 00:31:28,000
and you know most cases that are

861
00:31:32,149 --> 00:31:29,760
presented in this documentary and we're

862
00:31:35,509 --> 00:31:32,159
moving forward on a timeline of of

863
00:31:37,430 --> 00:31:35,519

all the west all 66 incident the aerial

864

00:31:38,470 --> 00:31:37,440

you know we're going from the 60s to the

865

00:31:41,269 --> 00:31:38,480

90s

866

00:31:42,310 --> 00:31:41,279

they're all building up to this uh

867

00:31:45,909 --> 00:31:42,320

greater reveal

868

00:31:46,389 --> 00:31:45,919

of more transparency and understanding

869

00:31:49,509 --> 00:31:46,399

and

870

00:31:50,070 --> 00:31:49,519

a storyline that i think is is extremely

871

00:31:52,549 --> 00:31:50,080

important

872

00:31:54,470 --> 00:31:52,559

and i think this will make people take

873

00:31:58,389 --> 00:31:54,480

the subject more seriously

874

00:32:00,950 --> 00:31:58,399

and of course um

875

00:32:02,310 --> 00:32:00,960

i when i posted something about the film

876
00:32:05,269 --> 00:32:02,320
on facebook

877
00:32:06,630 --> 00:32:05,279
somebody who's friends with facebook

878
00:32:07,750 --> 00:32:06,640
friends with lee spiegel i don't know if

879
00:32:10,389 --> 00:32:07,760
he actually knows

880
00:32:12,630 --> 00:32:10,399
this person or not asked why the billy

881
00:32:14,149 --> 00:32:12,640
meyer incident wasn't included because

882
00:32:17,430 --> 00:32:14,159
it's so important

883
00:32:20,310 --> 00:32:17,440
and so

884
00:32:21,990 --> 00:32:20,320
i and and i i really i don't want to

885
00:32:25,029 --> 00:32:22,000
attack people for their

886
00:32:28,630 --> 00:32:25,039
beliefs or anything but that case is

887
00:32:31,350 --> 00:32:28,640
highly polarizing and it's

888
00:32:32,310 --> 00:32:31,360

i mean obviously i think it's it's a lot

889

00:32:34,630 --> 00:32:32,320

of bs

890

00:32:36,389 --> 00:32:34,640

and i know jason has done significant

891

00:32:40,149 --> 00:32:36,399

research on that

892

00:32:42,389 --> 00:32:40,159

but it's not very credible and you

893

00:32:44,630 --> 00:32:42,399

don't want to put stuff in a documentary

894

00:32:46,070 --> 00:32:44,640

like this because you may believe it's a

895

00:32:48,070 --> 00:32:46,080

hundred percent the truth

896

00:32:50,070 --> 00:32:48,080

but most people don't and if you put

897

00:32:51,990 --> 00:32:50,080

that kind of stuff in a documentary

898

00:32:53,750 --> 00:32:52,000

like this and present it to the public

899

00:32:57,830 --> 00:32:53,760

that documentary is

900

00:33:01,190 --> 00:32:57,840

nolan void and that's it it would

901
00:33:03,350 --> 00:33:01,200
skew the entire film so i think people

902
00:33:07,350 --> 00:33:03,360
should realize

903
00:33:09,430 --> 00:33:07,360
that these are amazing cases

904
00:33:10,630 --> 00:33:09,440
that should be presented to the public

905
00:33:13,990 --> 00:33:10,640
in a light like this

906
00:33:16,549 --> 00:33:14,000
it's not a film for us in terms of

907
00:33:17,909 --> 00:33:16,559
revealing new information but that's

908
00:33:21,590 --> 00:33:17,919
what makes it great

909
00:33:24,789 --> 00:33:21,600
in my opinion yeah and

910
00:33:25,750 --> 00:33:24,799
you know there was a lot i mean

911
00:33:27,190 --> 00:33:25,760
certainly i've seen a lot of the

912
00:33:29,110 --> 00:33:27,200
archival stuff before

913
00:33:30,630 --> 00:33:29,120

but there's plenty in this film that i

914

00:33:33,350 --> 00:33:30,640

hadn't seen before

915

00:33:35,029 --> 00:33:33,360

seen or heard you know i love to bring

916

00:33:36,950 --> 00:33:35,039

up the the lani zamora stuff

917

00:33:38,070 --> 00:33:36,960

because there was some really good

918

00:33:41,269 --> 00:33:38,080

archival stuff

919

00:33:44,310 --> 00:33:41,279

there yeah you know the audio and

920

00:33:47,110 --> 00:33:44,320

and the the interview with the wife um

921

00:33:47,750 --> 00:33:47,120

the conversation with the dispatcher i

922

00:33:50,470 --> 00:33:47,760

mean

923

00:33:50,789 --> 00:33:50,480

that's a fantastic case and this film i

924

00:33:53,029 --> 00:33:50,799

know

925

00:33:54,230 --> 00:33:53,039

james spent a lot of time on that case

926
00:33:56,710 --> 00:33:54,240
specifically

927
00:33:57,269 --> 00:33:56,720
and there's some really good stuff about

928
00:33:59,590 --> 00:33:57,279
about

929
00:34:00,710 --> 00:33:59,600
socorro in there that was certainly one

930
00:34:03,029 --> 00:34:00,720
of my favorites

931
00:34:04,389 --> 00:34:03,039
the school stuff absolutely i mean a lot

932
00:34:06,149 --> 00:34:04,399
of archival stuff there

933
00:34:08,230 --> 00:34:06,159
but you know talking with the people

934
00:34:09,270 --> 00:34:08,240
today and hearing their recollections

935
00:34:11,669 --> 00:34:09,280
today

936
00:34:12,869 --> 00:34:11,679
compared with back then and hearing from

937
00:34:15,669 --> 00:34:12,879
some of the

938
00:34:16,629 --> 00:34:15,679

people who were adults at the time at

939

00:34:19,109 --> 00:34:16,639

these schools

940

00:34:20,950 --> 00:34:19,119

that was amazing too hearing from them

941

00:34:22,550 --> 00:34:20,960

that was great

942

00:34:24,950 --> 00:34:22,560

another one of my favorite things again

943

00:34:27,109 --> 00:34:24,960

talking about the ufos and nukes

944

00:34:30,149 --> 00:34:27,119

um wasn't necessarily about the you know

945

00:34:33,030 --> 00:34:30,159

the ufos and nukes information but

946

00:34:34,470 --> 00:34:33,040

about that one little detail that i find

947

00:34:37,349 --> 00:34:34,480

so fascinating

948

00:34:38,230 --> 00:34:37,359

that connects you know many of these

949

00:34:40,950 --> 00:34:38,240

cases

950

00:34:42,470 --> 00:34:40,960

beyond just the the military bases and

951

00:34:45,669 --> 00:34:42,480

the nuclear weapons

952

00:34:49,109 --> 00:34:45,679

and that is the red laser being shot

953

00:34:51,750 --> 00:34:49,119

from the ufo you know we heard that from

954

00:34:52,550 --> 00:34:51,760

from malmstrom and uh from ellsworth air

955

00:34:54,790 --> 00:34:52,560

force base

956

00:34:56,869 --> 00:34:54,800

but that's also that's also rendalchum i

957

00:34:58,390 --> 00:34:56,879

mean we've got these ufos at these bases

958

00:35:01,589 --> 00:34:58,400

with nukes shooting down

959

00:35:04,870 --> 00:35:01,599

lasers at the ground and that just is

960

00:35:06,950 --> 00:35:04,880

incredibly fascinating to me um

961

00:35:08,790 --> 00:35:06,960

you know so there were moments like that

962

00:35:10,870 --> 00:35:08,800

when i was watching this movie where

963

00:35:12,630 --> 00:35:10,880

you know with ufo documentaries i kind

964

00:35:14,069 --> 00:35:12,640

of passively watched them because you

965

00:35:16,230 --> 00:35:14,079

know it's just a lot of head nodding i'm

966

00:35:18,150 --> 00:35:16,240

like oh yeah that case oh yeah that case

967

00:35:19,510 --> 00:35:18,160

but there were elements you know with

968

00:35:21,190 --> 00:35:19,520

some of the interviews with some of the

969

00:35:21,829 --> 00:35:21,200

footage with some of the details that i

970

00:35:23,109 --> 00:35:21,839

thought oh

971

00:35:24,950 --> 00:35:23,119

that's interesting and i would actually

972

00:35:25,589 --> 00:35:24,960

like pull out my phone and take notes on

973

00:35:27,349 --> 00:35:25,599

it because

974

00:35:29,030 --> 00:35:27,359

i wasn't expecting to be pleasantly

975

00:35:30,630 --> 00:35:29,040

surprised with some of these things

976
00:35:33,349 --> 00:35:30,640
so i thought the movie did a really good

977
00:35:34,870 --> 00:35:33,359
job um from a narrative standpoint sort

978
00:35:37,270 --> 00:35:34,880
of telling the story

979
00:35:39,109 --> 00:35:37,280
and telling it to the general public and

980
00:35:41,510 --> 00:35:39,119
that that is the big point here

981
00:35:43,030 --> 00:35:41,520
i mean it's not a documentary made for

982
00:35:46,630 --> 00:35:43,040
the ufo community

983
00:35:48,710 --> 00:35:46,640
found it

984
00:35:50,150 --> 00:35:48,720
interesting and you know it's something

985
00:35:51,990 --> 00:35:50,160
that i highly recommend

986
00:35:55,030 --> 00:35:52,000
to everybody i think it's the best ufo

987
00:35:56,470 --> 00:35:55,040
documentary that's ever been made

988
00:35:58,230 --> 00:35:56,480

but it is for the public and that's

989

00:35:59,750 --> 00:35:58,240

something hard i think for a lot of

990

00:36:00,790 --> 00:35:59,760

people including myself i get caught up

991

00:36:04,550 --> 00:36:00,800

in it too

992

00:36:06,310 --> 00:36:04,560

not remembering that this is something

993

00:36:08,710 --> 00:36:06,320

that's important to us it's something

994

00:36:10,550 --> 00:36:08,720

that we're focused on hyper focused on

995

00:36:12,390 --> 00:36:10,560

we pay pay attention to everything we

996

00:36:14,870 --> 00:36:12,400

see in the news about this everything

997

00:36:16,790 --> 00:36:14,880

that the ufo community is discussing

998

00:36:17,910 --> 00:36:16,800

but the general public doesn't see

999

00:36:21,030 --> 00:36:17,920

things the way we

1000

00:36:22,069 --> 00:36:21,040

see it if they see a ufo headline it's

1001
00:36:24,310 --> 00:36:22,079
not necessarily

1002
00:36:25,990 --> 00:36:24,320
going to you know serve the same purpose

1003
00:36:27,430 --> 00:36:26,000
to them that it does to us

1004
00:36:29,589 --> 00:36:27,440
a lot of people just brush that stuff

1005
00:36:33,030 --> 00:36:29,599
off or don't give it a second thought

1006
00:36:36,310 --> 00:36:33,040
so you know for the ufo community

1007
00:36:38,470 --> 00:36:36,320
there's oftentimes this perception that

1008
00:36:39,510 --> 00:36:38,480
the entire world knows about all of this

1009
00:36:41,589 --> 00:36:39,520
stuff that's happening

1010
00:36:43,670 --> 00:36:41,599
i mean we can take something as big as

1011
00:36:46,310 --> 00:36:43,680
those three ufo videos

1012
00:36:47,510 --> 00:36:46,320
officially released by the government

1013
00:36:50,069 --> 00:36:47,520

there are still

1014

00:36:51,829 --> 00:36:50,079

probably the majority of the people in

1015

00:36:53,910 --> 00:36:51,839

the country if not the world

1016

00:36:55,589 --> 00:36:53,920

who don't know about those videos who

1017

00:36:58,790 --> 00:36:55,599

haven't seen those videos as hard as

1018

00:37:00,550 --> 00:36:58,800

it as it is to believe there are lots

1019

00:37:02,310 --> 00:37:00,560

and lots and lots of people

1020

00:37:03,750 --> 00:37:02,320

who aren't even familiar with those

1021

00:37:07,109 --> 00:37:03,760

videos let alone

1022

00:37:08,710 --> 00:37:07,119

intricacies of other ufo cases or the

1023

00:37:09,270 --> 00:37:08,720

fact that back to your favorite question

1024

00:37:12,390 --> 00:37:09,280

maureen

1025

00:37:14,310 --> 00:37:12,400

are ufos real you know and and that's

1026
00:37:17,270 --> 00:37:14,320
why it always comes up because

1027
00:37:18,470 --> 00:37:17,280
that is the established norm the default

1028
00:37:21,510 --> 00:37:18,480
for the general public

1029
00:37:24,069 --> 00:37:21,520
is ufos do not exist

1030
00:37:25,270 --> 00:37:24,079
we're still at that beginning step of

1031
00:37:28,310 --> 00:37:25,280
this race

1032
00:37:30,310 --> 00:37:28,320
we can't go expect the public to to

1033
00:37:31,750 --> 00:37:30,320
leap forward and finish the race when

1034
00:37:33,430 --> 00:37:31,760
we're back at the beginning

1035
00:37:35,270 --> 00:37:33,440
and i think a lot of people need to

1036
00:37:35,990 --> 00:37:35,280
understand that have a little more

1037
00:37:37,990 --> 00:37:36,000
patience

1038
00:37:39,589 --> 00:37:38,000

when it comes to this topic in

1039

00:37:42,310 --> 00:37:39,599

presenting the information

1040

00:37:43,750 --> 00:37:42,320

and having lower expectations for how

1041

00:37:45,510 --> 00:37:43,760

the general public

1042

00:37:47,510 --> 00:37:45,520

should react to these news stories

1043

00:37:48,790 --> 00:37:47,520

because again to the general most of the

1044

00:37:51,990 --> 00:37:48,800

general public

1045

00:37:55,270 --> 00:37:52,000

we're still back at do ufos exist

1046

00:37:58,069 --> 00:37:55,280

absolutely that i mean seriously this is

1047

00:37:59,430 --> 00:37:58,079

i've always had the resources when when

1048

00:38:02,470 --> 00:37:59,440

people find out what i do

1049

00:38:05,510 --> 00:38:02,480

and they say well okay uh

1050

00:38:06,230 --> 00:38:05,520

what do i read or watch to learn more

1051
00:38:08,950 --> 00:38:06,240
about it

1052
00:38:09,589 --> 00:38:08,960
and i had always suggested i know what i

1053
00:38:12,310 --> 00:38:09,599
saw

1054
00:38:13,829 --> 00:38:12,320
leslie kane's book uh ufos pilots

1055
00:38:14,870 --> 00:38:13,839
generals and military officials go on

1056
00:38:17,270 --> 00:38:14,880
the record

1057
00:38:18,310 --> 00:38:17,280
and now you know this is going to be

1058
00:38:21,829 --> 00:38:18,320
probably my

1059
00:38:24,390 --> 00:38:21,839
the first thing i say go watch this film

1060
00:38:25,829 --> 00:38:24,400
if that spikes your interest then i'm

1061
00:38:26,150 --> 00:38:25,839
going to give you some other resources

1062
00:38:32,470 --> 00:38:26,160
to

1063
00:38:34,950 --> 00:38:32,480

say this about the

1064

00:38:35,670 --> 00:38:34,960

fascination you had with the lasers

1065

00:38:37,430 --> 00:38:35,680

aspect

1066

00:38:40,790 --> 00:38:37,440

because one of your favorite cases

1067

00:38:42,410 --> 00:38:40,800

involves a ufo shooting laser beams

1068

00:38:44,150 --> 00:38:42,420

and killing people

1069

00:38:45,750 --> 00:38:44,160

[Laughter]

1070

00:38:47,349 --> 00:38:45,760

yes the killing part isn't what i love

1071

00:38:48,790 --> 00:38:47,359

but yes it does make it fascinating yes

1072

00:38:52,470 --> 00:38:48,800

kolaris is like

1073

00:38:55,349 --> 00:38:52,480

it's so cool you know that in proximity

1074

00:38:58,069 --> 00:38:55,359

time wise to to rendelsham yes very

1075

00:39:00,069 --> 00:38:58,079

fascinating

1076

00:39:01,190 --> 00:39:00,079

ufos shooting lasers another thing

1077

00:39:03,990 --> 00:39:01,200

typically

1078

00:39:05,829 --> 00:39:04,000

yeah another thing i just to to close

1079

00:39:08,230 --> 00:39:05,839

this out guys just another thing to

1080

00:39:09,990 --> 00:39:08,240

to kind of get your take on and that is

1081

00:39:10,630 --> 00:39:10,000

you know i've heard recently and i think

1082

00:39:12,310 --> 00:39:10,640

it's

1083

00:39:14,470 --> 00:39:12,320

maybe chris mellon has been been

1084

00:39:15,109 --> 00:39:14,480

tweeting this um i could be wrong about

1085

00:39:19,030 --> 00:39:15,119

that

1086

00:39:21,190 --> 00:39:19,040

but supposedly the phenomenon

1087

00:39:23,990 --> 00:39:21,200

you know is is being shown to people on

1088

00:39:26,150 --> 00:39:24,000

the ufo task force the uap task force

1089

00:39:28,870 --> 00:39:26,160

you know to sort of bring them up to

1090

00:39:30,310 --> 00:39:28,880

speed or to to to give them a good

1091

00:39:33,430 --> 00:39:30,320

education

1092

00:39:33,990 --> 00:39:33,440

um you know and and whether that's

1093

00:39:35,430 --> 00:39:34,000

that's

1094

00:39:37,829 --> 00:39:35,440

actually happening or not i don't know

1095

00:39:39,510 --> 00:39:37,839

but if it is

1096

00:39:41,109 --> 00:39:39,520

i personally find that fascinating

1097

00:39:43,670 --> 00:39:41,119

because as we

1098

00:39:44,470 --> 00:39:43,680

keep hearing with so much of what

1099

00:39:48,950 --> 00:39:44,480

happens

1100

00:39:52,790 --> 00:39:48,960

with ufos on an official level

1101

00:39:54,950 --> 00:39:52,800

it's people who aren't

1102

00:39:56,310 --> 00:39:54,960

supposed to be are in the know people

1103

00:39:57,190 --> 00:39:56,320

the ones who are supposed to be

1104

00:39:59,750 --> 00:39:57,200

disclosing

1105

00:40:00,950 --> 00:39:59,760

information to us who are getting their

1106

00:40:04,470 --> 00:40:00,960

information

1107

00:40:05,829 --> 00:40:04,480

from the ufo community it's the ufo

1108

00:40:09,109 --> 00:40:05,839

community

1109

00:40:10,309 --> 00:40:09,119

informing people in the government about

1110

00:40:12,790 --> 00:40:10,319

ufos

1111

00:40:14,870 --> 00:40:12,800

for people in the government to then say

1112

00:40:17,990 --> 00:40:14,880

here's what we know about ufos

1113

00:40:20,630 --> 00:40:18,000

because we learned it from ufo people

1114

00:40:21,430 --> 00:40:20,640

it doesn't seem to be the right sequence

1115

00:40:24,309 --> 00:40:21,440

of events

1116

00:40:24,870 --> 00:40:24,319

to me um i don't know what do you what

1117

00:40:28,790 --> 00:40:24,880

do you guys

1118

00:40:34,550 --> 00:40:31,910

yeah that's a curious little uh

1119

00:40:36,470 --> 00:40:34,560

development there i would say too it

1120

00:40:40,150 --> 00:40:36,480

unless it is

1121

00:40:42,470 --> 00:40:40,160

that it because it is so succinct

1122

00:40:43,430 --> 00:40:42,480

and it's encapsulated in the form of a

1123

00:40:45,670 --> 00:40:43,440

movie

1124

00:40:48,069 --> 00:40:45,680

and as as we already talked about that

1125

00:40:50,790 --> 00:40:48,079

the cases selected are strong

1126
00:40:52,069 --> 00:40:50,800
they include civilian and military cases

1127
00:40:55,510 --> 00:40:52,079
and so

1128
00:40:57,910 --> 00:40:55,520
maybe um it just tells the story

1129
00:40:59,109 --> 00:40:57,920
in the quickest way possible right so

1130
00:41:00,470 --> 00:40:59,119
you're probably not going to have a

1131
00:41:03,109 --> 00:41:00,480
senator sit down and read

1132
00:41:05,430 --> 00:41:03,119
you know an entire book in a short

1133
00:41:07,670 --> 00:41:05,440
period of time about ufos

1134
00:41:08,630 --> 00:41:07,680
uh they might spend an hour and 20

1135
00:41:11,990 --> 00:41:08,640
minutes watching

1136
00:41:15,109 --> 00:41:12,000
watching that film and you know we we

1137
00:41:18,230 --> 00:41:15,119
you know learn quickly from um

1138
00:41:19,670 --> 00:41:18,240

film or video so maybe that's that's the

1139

00:41:22,790 --> 00:41:19,680

idea

1140

00:41:25,670 --> 00:41:22,800

or or maybe it's

1141

00:41:27,430 --> 00:41:25,680

you know i mean i really got mixed

1142

00:41:29,349 --> 00:41:27,440

feelings on the whole how much the

1143

00:41:32,470 --> 00:41:29,359

government knows things

1144

00:41:35,190 --> 00:41:32,480

because i think you i think what you

1145

00:41:35,670 --> 00:41:35,200

have is you have some people that know a

1146

00:41:38,150 --> 00:41:35,680

lot

1147

00:41:39,750 --> 00:41:38,160

and the majority know nothing and maybe

1148

00:41:42,950 --> 00:41:39,760

a smattering know a little

1149

00:41:45,349 --> 00:41:42,960

and and i'm talking within government um

1150

00:41:46,630 --> 00:41:45,359

and as we already know from louis

1151

00:41:50,069 --> 00:41:46,640

alizando

1152

00:41:53,990 --> 00:41:50,079

that you know the receptiveness of

1153

00:41:56,470 --> 00:41:54,000

individuals within government um

1154

00:41:57,990 --> 00:41:56,480

can be pretty narrow based on like the

1155

00:41:59,670 --> 00:41:58,000

religious views or

1156

00:42:01,910 --> 00:41:59,680

or other things now you put those

1157

00:42:02,630 --> 00:42:01,920

personal biases in and then you add top

1158

00:42:05,430 --> 00:42:02,640

of them

1159

00:42:05,910 --> 00:42:05,440

their professional responsibilities and

1160

00:42:07,430 --> 00:42:05,920

you

1161

00:42:09,750 --> 00:42:07,440

there's no mistake there's still the

1162

00:42:13,109 --> 00:42:09,760

ridicule factor out there so

1163

00:42:14,950 --> 00:42:13,119

you know it to me it's probably a blend

1164

00:42:17,910 --> 00:42:14,960

of all those things you know

1165

00:42:20,550 --> 00:42:17,920

they they they do depend on some of the

1166

00:42:23,750 --> 00:42:20,560

information from the ufo community they

1167

00:42:24,470 --> 00:42:23,760

know some things themselves um but maybe

1168

00:42:26,550 --> 00:42:24,480

this was just

1169

00:42:28,390 --> 00:42:26,560

the most direct way to bring some of

1170

00:42:30,550 --> 00:42:28,400

those people up to speed

1171

00:42:32,630 --> 00:42:30,560

in a way that people get up to speed

1172

00:42:34,150 --> 00:42:32,640

quickly with a film versus you know

1173

00:42:36,470 --> 00:42:34,160

dreams of reading to do so

1174

00:42:38,150 --> 00:42:36,480

maybe it's as simple as that but in any

1175

00:42:39,990 --> 00:42:38,160

regard if it's true and they did it i

1176

00:42:42,630 --> 00:42:40,000

think that's freaking awesome

1177

00:42:45,109 --> 00:42:42,640

very cool and a very informative and

1178

00:42:46,790 --> 00:42:45,119

useful tool for them to again make

1179

00:42:49,109 --> 00:42:46,800

progress and educate these

1180

00:42:50,309 --> 00:42:49,119

these leaders and these people who

1181

00:42:52,390 --> 00:42:50,319

ultimately

1182

00:42:53,829 --> 00:42:52,400

are gonna control the narrative on this

1183

00:42:55,829 --> 00:42:53,839

thing so

1184

00:42:57,510 --> 00:42:55,839

you know stay tuned and hold on to our

1185

00:42:59,589 --> 00:42:57,520

butts i guess

1186

00:43:01,990 --> 00:42:59,599

yeah so it's essentially serving as an

1187

00:43:02,710 --> 00:43:02,000

onboarding video for people and as you

1188

00:43:05,109 --> 00:43:02,720

mentioned

1189

00:43:06,390 --> 00:43:05,119

we have people that that are brand new

1190

00:43:07,910 --> 00:43:06,400

to this that are probably being

1191

00:43:09,349 --> 00:43:07,920

appointed to positions

1192

00:43:11,109 --> 00:43:09,359

that need to be filled and you have

1193

00:43:13,829 --> 00:43:11,119

people who have uh

1194

00:43:15,510 --> 00:43:13,839

high clearance and you know even harry

1195

00:43:18,870 --> 00:43:15,520

reid had mentioned

1196

00:43:23,030 --> 00:43:18,880

in this film his groundbreaking quote of

1197

00:43:24,550 --> 00:43:23,040

most most of what what we have has not

1198

00:43:29,109 --> 00:43:24,560

been revealed to the public

1199

00:43:31,109 --> 00:43:29,119

so um i think it makes total sense and

1200

00:43:33,190 --> 00:43:31,119

if you look at past history with the

1201
00:43:34,230 --> 00:43:33,200
government's involvement with the ufo

1202
00:43:38,550 --> 00:43:34,240
community

1203
00:43:41,430 --> 00:43:38,560
they have sent government officials

1204
00:43:42,870 --> 00:43:41,440
undercover to ufo conferences and events

1205
00:43:45,109 --> 00:43:42,880
and and

1206
00:43:45,990 --> 00:43:45,119
followed people and interacted with with

1207
00:43:49,030 --> 00:43:46,000
ufo

1208
00:43:51,270 --> 00:43:49,040
uh researchers to find out

1209
00:43:53,430 --> 00:43:51,280
what the community knows to see if it

1210
00:43:56,470 --> 00:43:53,440
aligns with

1211
00:43:56,790 --> 00:43:56,480
what they know or does the ufo community

1212
00:43:58,550 --> 00:43:56,800
have

1213
00:44:00,550 --> 00:43:58,560

insider knowledge on specialized

1214

00:44:02,390 --> 00:44:00,560

military technology that

1215

00:44:04,230 --> 00:44:02,400

you know they need to like do something

1216

00:44:06,230 --> 00:44:04,240

about um

1217

00:44:07,349 --> 00:44:06,240

so it's not that surprising to me and i

1218

00:44:11,270 --> 00:44:07,359

think it's yeah like

1219

00:44:14,710 --> 00:44:11,280

he like shane said it's freaking cool um

1220

00:44:15,910 --> 00:44:14,720

i i think that everyone should watch it

1221

00:44:18,630 --> 00:44:15,920

in the government and and

1222

00:44:19,109 --> 00:44:18,640

it's great and yeah uh to the stars lou

1223

00:44:22,390 --> 00:44:19,119

and

1224

00:44:24,950 --> 00:44:22,400

praising

1225

00:44:25,510 --> 00:44:24,960

the film on twitter i know quite a bit

1226

00:44:28,230 --> 00:44:25,520

so

1227

00:44:30,309 --> 00:44:28,240

um their involvement with with

1228

00:44:33,910 --> 00:44:30,319

government programs as well i think

1229

00:44:36,230 --> 00:44:33,920

it goes hand in hand yeah and

1230

00:44:37,510 --> 00:44:36,240

he brought up lou and lose a i think a

1231

00:44:40,550 --> 00:44:37,520

prime example of

1232

00:44:42,309 --> 00:44:40,560

why showing this film to the people on

1233

00:44:43,270 --> 00:44:42,319

the the uap task force and others in the

1234

00:44:45,829 --> 00:44:43,280

government

1235

00:44:46,790 --> 00:44:45,839

is such an amazing thing because you

1236

00:44:50,230 --> 00:44:46,800

know as we know

1237

00:44:53,109 --> 00:44:50,240

lou when he was involved with with atip

1238

00:44:54,950 --> 00:44:53,119

lou wasn't familiar with ufo history he

1239

00:44:57,349 --> 00:44:54,960

didn't know historical cases that's not

1240

00:44:58,710 --> 00:44:57,359

part of the knowledge that he had

1241

00:45:01,589 --> 00:44:58,720

you know he was starting from scratch

1242

00:45:04,390 --> 00:45:01,599

and doing whatever you know the

1243

00:45:05,990 --> 00:45:04,400

atip was doing but he didn't didn't have

1244

00:45:08,230 --> 00:45:06,000

that historical knowledge so

1245

00:45:09,910 --> 00:45:08,240

you know it's a slow slow build process

1246

00:45:12,150 --> 00:45:09,920

to to acquire that

1247

00:45:13,430 --> 00:45:12,160

and uh you know it helps you avoid

1248

00:45:15,750 --> 00:45:13,440

duplicating work or

1249

00:45:17,270 --> 00:45:15,760

or you know finding things out as you do

1250

00:45:18,150 --> 00:45:17,280

when you go down this rabbit hole and

1251
00:45:19,510 --> 00:45:18,160
thinking

1252
00:45:21,030 --> 00:45:19,520
you've uncovered something

1253
00:45:23,190 --> 00:45:21,040
earth-shattering groundbreaking

1254
00:45:23,829 --> 00:45:23,200
information about ufos come to find that

1255
00:45:26,550 --> 00:45:23,839
that's

1256
00:45:27,109 --> 00:45:26,560
old news in the ufo world you know so i

1257
00:45:30,150 --> 00:45:27,119
think it's

1258
00:45:31,430 --> 00:45:30,160
incredibly smart of them to do but at

1259
00:45:34,550 --> 00:45:31,440
the same time

1260
00:45:38,550 --> 00:45:34,560
you know it kind of highlights

1261
00:45:40,710 --> 00:45:38,560
an exercise in futility um

1262
00:45:42,710 --> 00:45:40,720
when it comes to the uap task force if

1263
00:45:44,550 --> 00:45:42,720

this is really where they're starting

1264

00:45:45,990 --> 00:45:44,560

and you know they're putting a team in

1265

00:45:47,990 --> 00:45:46,000

place that doesn't

1266

00:45:50,069 --> 00:45:48,000

really have this knowledge already going

1267

00:45:51,430 --> 00:45:50,079

forward because

1268

00:45:54,150 --> 00:45:51,440

we've been down this road before with

1269

00:45:56,950 --> 00:45:54,160

the government why are we trying again

1270

00:45:58,069 --> 00:45:56,960

with the same thing when supposedly

1271

00:45:59,910 --> 00:45:58,079

people hire up

1272

00:46:01,829 --> 00:45:59,920

have special information and it's the

1273

00:46:04,069 --> 00:46:01,839

information that we're all after

1274

00:46:05,349 --> 00:46:04,079

why aren't those people the ones doing

1275

00:46:07,030 --> 00:46:05,359

this project

1276

00:46:09,270 --> 00:46:07,040

um you know it seems like we're starting

1277

00:46:11,910 --> 00:46:09,280

over where we've been many times before

1278

00:46:14,630 --> 00:46:11,920

so and maybe that's trying to eliminate

1279

00:46:17,750 --> 00:46:14,640

bias i mean you wouldn't want a bunch of

1280

00:46:21,349 --> 00:46:17,760

very researched ufo uh

1281

00:46:23,109 --> 00:46:21,359

researchers running this program because

1282

00:46:24,550 --> 00:46:23,119

you know if you know too much and i

1283

00:46:27,190 --> 00:46:24,560

think as as you all

1284

00:46:27,990 --> 00:46:27,200

know the deeper you get into this the

1285

00:46:30,550 --> 00:46:28,000

more your views

1286

00:46:32,710 --> 00:46:30,560

can shift and personal bias could be

1287

00:46:35,430 --> 00:46:32,720

projected into something that needs

1288

00:46:36,150 --> 00:46:35,440

a really objective standpoint so i can

1289

00:46:37,990 --> 00:46:36,160

see why

1290

00:46:39,910 --> 00:46:38,000

why you wouldn't put those people in

1291

00:46:41,829 --> 00:46:39,920

charge necessarily as well

1292

00:46:43,670 --> 00:46:41,839

yeah that's a good point and you know i

1293

00:46:45,349 --> 00:46:43,680

was thinking about you know how times

1294

00:46:48,230 --> 00:46:45,359

change and how we've changed as humans

1295

00:46:49,829 --> 00:46:48,240

and you know we're all i think we could

1296

00:46:52,230 --> 00:46:49,839

say we're all kind of

1297

00:46:53,270 --> 00:46:52,240

lazier than than previous generations

1298

00:46:55,829 --> 00:46:53,280

you know it's just kind of

1299

00:46:57,670 --> 00:46:55,839

kind of the culture where you know we we

1300

00:47:00,309 --> 00:46:57,680

have shorter attention spans

1301
00:47:01,190 --> 00:47:00,319
we aren't going to take the time to to

1302
00:47:03,829 --> 00:47:01,200
read a lot of

1303
00:47:04,550 --> 00:47:03,839
text or you know invest a lot of time

1304
00:47:06,390 --> 00:47:04,560
into

1305
00:47:07,829 --> 00:47:06,400
to researching something we want the

1306
00:47:10,470 --> 00:47:07,839
quick version too lazy

1307
00:47:11,030 --> 00:47:10,480
didn't read right so um i think the

1308
00:47:12,870 --> 00:47:11,040
movie

1309
00:47:14,550 --> 00:47:12,880
really helps in that regard brings

1310
00:47:17,510 --> 00:47:14,560
people up to speed quickly in a visual

1311
00:47:20,710 --> 00:47:17,520
format something that's easy to digest

1312
00:47:24,470 --> 00:47:20,720
but i gotta say man i mean i really hope

1313
00:47:27,670 --> 00:47:24,480

that the uap task force has a couple

1314

00:47:31,990 --> 00:47:27,680

like ed repelts on their squad who

1315

00:47:35,750 --> 00:47:32,000

like will go in and be gung-ho and

1316

00:47:38,069 --> 00:47:35,760

go and look at every single ufo report

1317

00:47:39,750 --> 00:47:38,079

that the government has on file that's

1318

00:47:42,069 --> 00:47:39,760

what ed did when he

1319

00:47:44,630 --> 00:47:42,079

before he took over project blue book

1320

00:47:45,670 --> 00:47:44,640

went in and personally evaluated and

1321

00:47:49,030 --> 00:47:45,680

looked through

1322

00:47:51,430 --> 00:47:49,040

all of the ufo sightings and reports

1323

00:47:52,150 --> 00:47:51,440

that the project had amassed to that

1324

00:47:55,030 --> 00:47:52,160

point

1325

00:47:56,870 --> 00:47:55,040

so when he came in and took over he knew

1326
00:47:58,150 --> 00:47:56,880
everything that had been done already

1327
00:48:00,309 --> 00:47:58,160
knew the conclusions that had been

1328
00:48:03,349 --> 00:48:00,319
reached and you know was ready

1329
00:48:05,190 --> 00:48:03,359
to lead the project so we can hope that

1330
00:48:08,390 --> 00:48:05,200
there are some go-getters like that in

1331
00:48:11,910 --> 00:48:08,400
the uap task force now

1332
00:48:13,589 --> 00:48:11,920
well actually this is this has really

1333
00:48:16,549 --> 00:48:13,599
been on my mind the whole time

1334
00:48:17,910 --> 00:48:16,559
is you know where's the freaking air

1335
00:48:20,069 --> 00:48:17,920
force been

1336
00:48:22,390 --> 00:48:20,079
and we have heard nothing but crickets

1337
00:48:24,549 --> 00:48:22,400
from them and it's like

1338
00:48:26,309 --> 00:48:24,559

blue book never happened and now the

1339

00:48:28,230 --> 00:48:26,319

navy oh

1340

00:48:29,829 --> 00:48:28,240

wow there's ufos and we're going to be

1341

00:48:31,990 --> 00:48:29,839

you know transparent about it

1342

00:48:33,829 --> 00:48:32,000

you know what i mean what does that mean

1343

00:48:34,870 --> 00:48:33,839

what i have various thoughts on that is

1344

00:48:36,710 --> 00:48:34,880

it related

1345

00:48:38,710 --> 00:48:36,720

yeah yeah yeah anybody probably could do

1346

00:48:39,190 --> 00:48:38,720

a whole show on it i think time will

1347

00:48:42,069 --> 00:48:39,200

tell

1348

00:48:43,750 --> 00:48:42,079

but you know here's my my overall

1349

00:48:46,230 --> 00:48:43,760

feeling about that

1350

00:48:47,510 --> 00:48:46,240

and that you know it goes into the navy

1351

00:48:48,549 --> 00:48:47,520

and everything else that's that's

1352

00:48:51,990 --> 00:48:48,559

happening right now

1353

00:48:55,349 --> 00:48:52,000

it's you know how far can you take it

1354

00:48:56,950 --> 00:48:55,359

you know and for the air force why would

1355

00:49:00,069 --> 00:48:56,960

they now come back

1356

00:49:02,950 --> 00:49:00,079

and say oh you know what let's do

1357

00:49:03,589 --> 00:49:02,960

another project because they already did

1358

00:49:05,910 --> 00:49:03,599

a project

1359

00:49:07,270 --> 00:49:05,920

they already did several projects and

1360

00:49:09,109 --> 00:49:07,280

after their projects

1361

00:49:11,750 --> 00:49:09,119

after their years of invested time and

1362

00:49:14,870 --> 00:49:11,760

manpower their conclusion reached

1363

00:49:17,750 --> 00:49:14,880

was that ufos don't pose a threat and

1364

00:49:18,150 --> 00:49:17,760

it's really not useful at all for them

1365

00:49:21,430 --> 00:49:18,160

to

1366

00:49:23,270 --> 00:49:21,440

anymore

1367

00:49:24,710 --> 00:49:23,280

you know the uk government did the same

1368

00:49:27,270 --> 00:49:24,720

thing so people

1369

00:49:28,950 --> 00:49:27,280

getting frustrated now why is the uk

1370

00:49:31,190 --> 00:49:28,960

government so quiet on this

1371

00:49:32,230 --> 00:49:31,200

look at everything the us is doing what

1372

00:49:36,069 --> 00:49:32,240

are they doing

1373

00:49:38,230 --> 00:49:36,079

well again just until recently too

1374

00:49:40,230 --> 00:49:38,240

they evaluated it they already went down

1375

00:49:41,190 --> 00:49:40,240

this road and they made an official

1376

00:49:43,030 --> 00:49:41,200

conclusion

1377

00:49:44,309 --> 00:49:43,040

that doesn't pose a threat to national

1378

00:49:45,750 --> 00:49:44,319

security

1379

00:49:48,790 --> 00:49:45,760

we don't have the manpower to deal with

1380

00:49:52,230 --> 00:49:48,800

this we've done what we're going to do

1381

00:49:53,030 --> 00:49:52,240

bye you know so does it really then make

1382

00:49:54,549 --> 00:49:53,040

sense for

1383

00:49:56,309 --> 00:49:54,559

a group that's made that public

1384

00:49:57,990 --> 00:49:56,319

determination already

1385

00:50:00,150 --> 00:49:58,000

then come back and do the same thing

1386

00:50:02,150 --> 00:50:00,160

again you know

1387

00:50:04,470 --> 00:50:02,160

i would like them to of course because

1388

00:50:06,790 --> 00:50:04,480

this is that's just the nature of this

1389

00:50:09,109 --> 00:50:06,800

field the nature of ufos

1390

00:50:10,950 --> 00:50:09,119

is in my opinion something that can

1391

00:50:12,950 --> 00:50:10,960

never be solved it's the frustrating

1392

00:50:15,670 --> 00:50:12,960

nature of ufos it's something that

1393

00:50:16,230 --> 00:50:15,680

is ongoing and will always be ongoing

1394

00:50:18,230 --> 00:50:16,240

and will

1395

00:50:20,870 --> 00:50:18,240

always need to be looked at on an

1396

00:50:23,910 --> 00:50:20,880

individual case-by-case basis

1397

00:50:26,630 --> 00:50:23,920

it's not something as simplistic as oh

1398

00:50:27,750 --> 00:50:26,640

we solved every ufo or we can't solve

1399

00:50:30,710 --> 00:50:27,760

any ufo

1400

00:50:32,150 --> 00:50:30,720

therefore not gonna try um you know it's

1401

00:50:35,349 --> 00:50:32,160

a very complicated thing

1402

00:50:36,390 --> 00:50:35,359

because every ufo is different because

1403

00:50:39,990 --> 00:50:36,400

it's not something

1404

00:50:41,829 --> 00:50:40,000

that is solved with a single answer so

1405

00:50:43,430 --> 00:50:41,839

on that end i think it always needs to

1406

00:50:45,430 --> 00:50:43,440

just remain a thing

1407

00:50:46,950 --> 00:50:45,440

that you know is part of what you do and

1408

00:50:49,109 --> 00:50:46,960

in a sense it is like we talked about

1409

00:50:51,430 --> 00:50:49,119

with japan like you're always

1410

00:50:53,829 --> 00:50:51,440

you know going to look into something

1411

00:50:55,190 --> 00:50:53,839

that's unidentified in your airspace

1412

00:50:57,109 --> 00:50:55,200

it's not something you say oh we don't

1413

00:50:59,109 --> 00:50:57,119

have a policy for this so

1414

00:51:00,630 --> 00:50:59,119

we're just going to let that go no of

1415

00:51:02,069 --> 00:51:00,640

course they've always looked into it

1416

00:51:05,349 --> 00:51:02,079

it's always been something that

1417

00:51:06,790 --> 00:51:05,359

they're going to go and investigate but

1418

00:51:08,950 --> 00:51:06,800

i think it's just something that has to

1419

00:51:10,630 --> 00:51:08,960

be ongoing it's just a

1420

00:51:13,349 --> 00:51:10,640

product of life it's something that's

1421

00:51:15,750 --> 00:51:13,359

that has always been and will always be

1422

00:51:17,589 --> 00:51:15,760

so you can't just close the book on it

1423

00:51:19,190 --> 00:51:17,599

but i do see

1424

00:51:20,790 --> 00:51:19,200

the difficulty from the air force's

1425

00:51:23,109 --> 00:51:20,800

standpoint because

1426

00:51:24,390 --> 00:51:23,119

they've already done this what utility

1427

00:51:27,510 --> 00:51:24,400

is there and saying

1428

00:51:30,150 --> 00:51:27,520

oh hey let's do it again

1429

00:51:32,069 --> 00:51:30,160

no no i totally agree and and you know

1430

00:51:34,390 --> 00:51:32,079

it's it's a freaking hot potato

1431

00:51:36,470 --> 00:51:34,400

and they they they dealt with it for 20

1432

00:51:36,870 --> 00:51:36,480

years what they're done i i do get that

1433

00:51:38,230 --> 00:51:36,880

but

1434

00:51:41,190 --> 00:51:38,240

i thought it was interesting like

1435

00:51:43,750 --> 00:51:41,200

colonel friend his comments there

1436

00:51:44,790 --> 00:51:43,760

about about blue book and i've always

1437

00:51:49,430 --> 00:51:44,800

said this

1438

00:51:52,549 --> 00:51:49,440

that when do you stop asking a question

1439

00:51:54,470 --> 00:51:52,559

it's when you get the answer right so

1440

00:51:55,589 --> 00:51:54,480

he alluded to that as well with project

1441

00:51:58,470 --> 00:51:55,599

blue book that

1442

00:52:00,150 --> 00:51:58,480

and you know he had a pretty wry smile

1443

00:52:03,430 --> 00:52:00,160

on his face when he said

1444

00:52:05,430 --> 00:52:03,440

you know it the they made a conclusion

1445

00:52:06,390 --> 00:52:05,440

and it wasn't the conclusion that you

1446

00:52:09,030 --> 00:52:06,400

got

1447

00:52:10,470 --> 00:52:09,040

was formally from blue book at the close

1448

00:52:13,109 --> 00:52:10,480

the blue book so

1449

00:52:15,589 --> 00:52:13,119

uh again you know you stop asking a

1450

00:52:18,230 --> 00:52:15,599

question when you get the answer so

1451
00:52:19,750 --> 00:52:18,240
i don't know i guess time will tell what

1452
00:52:22,150 --> 00:52:19,760
that really means

1453
00:52:22,870 --> 00:52:22,160
i i think there's a lot of weight in his

1454
00:52:25,589 --> 00:52:22,880
smile

1455
00:52:27,670 --> 00:52:25,599
and you know jason and i have had the

1456
00:52:31,670 --> 00:52:27,680
opportunity to interview him in the past

1457
00:52:32,069 --> 00:52:31,680
and he was similar and it was very hard

1458
00:52:33,589 --> 00:52:32,079
to

1459
00:52:35,270 --> 00:52:33,599
interview him because you couldn't

1460
00:52:35,750 --> 00:52:35,280
figure out what he was trying to tell

1461
00:52:37,510 --> 00:52:35,760
you

1462
00:52:39,270 --> 00:52:37,520
with the look in his eye and the smile

1463
00:52:42,710 --> 00:52:39,280

on his face you couldn't

1464

00:52:45,270 --> 00:52:42,720

tell if he was like mocking it or

1465

00:52:46,950 --> 00:52:45,280

whether he was trying to tell you i'm

1466

00:52:50,230 --> 00:52:46,960

telling you there's something

1467

00:52:53,829 --> 00:52:50,240

you don't know yeah so very very

1468

00:52:56,150 --> 00:52:53,839

curious well and that coupled with

1469

00:52:57,430 --> 00:52:56,160

harry reid which again i find is quite

1470

00:53:00,150 --> 00:52:57,440

confusing

1471

00:53:01,270 --> 00:53:00,160

when james asked him are you saying some

1472

00:53:03,190 --> 00:53:01,280

information

1473

00:53:05,349 --> 00:53:03,200

has been withheld from the government

1474

00:53:06,630 --> 00:53:05,359

about ufos and he came and came back and

1475

00:53:09,670 --> 00:53:06,640

said no i'm telling you

1476

00:53:12,230 --> 00:53:09,680

most of it has been held back and yet

1477

00:53:13,750 --> 00:53:12,240

when the the most recent new york times

1478

00:53:15,349 --> 00:53:13,760

uh article came out he kind of

1479

00:53:17,510 --> 00:53:15,359

pooh-poohed the whole thing i

1480

00:53:18,710 --> 00:53:17,520

i i don't know what i don't know how to

1481

00:53:21,990 --> 00:53:18,720

explain that what

1482

00:53:24,150 --> 00:53:22,000

you know how to justify is kind of

1483

00:53:25,670 --> 00:53:24,160

playing back and forth maybe that's just

1484

00:53:27,270 --> 00:53:25,680

politician stuff i

1485

00:53:28,790 --> 00:53:27,280

don't know it very well could be you

1486

00:53:29,829 --> 00:53:28,800

know and maybe that's an episode we'll

1487

00:53:32,069 --> 00:53:29,839

have in the future

1488

00:53:33,190 --> 00:53:32,079

and maybe a happy hour episode where we

1489

00:53:35,349 --> 00:53:33,200

try to dissect

1490

00:53:37,670 --> 00:53:35,359

the mind of harry reid and his his

1491

00:53:40,390 --> 00:53:37,680

comments on the subject

1492

00:53:41,829 --> 00:53:40,400

yeah fascinating all right guys well

1493

00:53:44,150 --> 00:53:41,839

let's wrap this up thanks uh

1494

00:53:45,510 --> 00:53:44,160

for hanging out on our happy hour

1495
