

*Top UFO Stories  
of 2020*

EPISODE 25.20

1  
00:00:14,910 --> 00:00:02,790  
greetings citizens and welcome to

2  
00:00:14,920 --> 00:00:20,000  
unknown

3  
00:00:26,790 --> 00:00:24,710  
[Music]

4  
00:00:28,390 --> 00:00:26,800  
i'm jason mcclellan and the gang's all

5  
00:00:31,189 --> 00:00:28,400  
here maureen elsberry

6  
00:00:32,709 --> 00:00:31,199  
ryan sprague and shane heard thanks for

7  
00:00:33,350 --> 00:00:32,719  
hanging out with us for this final

8  
00:00:36,470 --> 00:00:33,360  
episode

9  
00:00:37,510 --> 00:00:36,480  
of 2020. today we're wrapping up our

10  
00:00:39,270 --> 00:00:37,520  
2020 season

11  
00:00:41,430 --> 00:00:39,280  
by looking back at some of the most

12  
00:00:50,310 --> 00:00:41,440  
noteworthy ufo and extraterrestrial

13  
00:00:53,670 --> 00:00:52,389

here's what we're doing today we're

14

00:00:55,830 --> 00:00:53,680

running through 10

15

00:00:57,670 --> 00:00:55,840

of the biggest ufo and extraterrestrial

16

00:00:59,830 --> 00:00:57,680

related stories of 2020

17

00:01:02,470 --> 00:00:59,840

and rather than trying to rank these

18

00:01:05,350 --> 00:01:02,480

stories by importance or magnitude

19

00:01:06,469 --> 00:01:05,360

we'll simply go in mostly chronological

20

00:01:09,670 --> 00:01:06,479

order

21

00:01:11,510 --> 00:01:09,680

so let's start in january and

22

00:01:13,109 --> 00:01:11,520

this is a story it's always fun when we

23

00:01:13,910 --> 00:01:13,119

do these shows because it's difficult to

24

00:01:17,030 --> 00:01:13,920

remember back

25

00:01:18,390 --> 00:01:17,040

to the stories that happened this year

26  
00:01:19,670 --> 00:01:18,400  
you know whether it was this year or the

27  
00:01:21,270 --> 00:01:19,680  
previous year because the story is kind

28  
00:01:23,510 --> 00:01:21,280  
of all blend together but also

29  
00:01:24,950 --> 00:01:23,520  
like especially with this being 2020 and

30  
00:01:26,310 --> 00:01:24,960  
a pandemic year

31  
00:01:28,550 --> 00:01:26,320  
everything kind of blends together

32  
00:01:30,069 --> 00:01:28,560  
anyway so it's hard to think all the way

33  
00:01:31,270 --> 00:01:30,079  
back but let's go all the way back to

34  
00:01:33,590 --> 00:01:31,280  
january

35  
00:01:35,910 --> 00:01:33,600  
and the year began with a fun juicy

36  
00:01:36,870 --> 00:01:35,920  
story that prompted an explosion of

37  
00:01:40,069 --> 00:01:36,880  
headlines

38  
00:01:42,630 --> 00:01:40,079

and fueled speculation on january 10th

39

00:01:45,190 --> 00:01:42,640

vice.com published an article titled the

40

00:01:47,030 --> 00:01:45,200

navy has secret classified video of an

41

00:01:49,350 --> 00:01:47,040

infamous ufo incident

42

00:01:51,429 --> 00:01:49,360

in which mj binnies details the navy's

43

00:01:52,230 --> 00:01:51,439

response to a freedom of information act

44

00:01:54,149 --> 00:01:52,240

request

45

00:01:55,830 --> 00:01:54,159

submitted by ufo researcher christian

46

00:01:57,429 --> 00:01:55,840

lambreit who is hoping to gain

47

00:01:58,310 --> 00:01:57,439

additional information about the heavily

48

00:02:00,789 --> 00:01:58,320

publicized

49

00:02:02,389 --> 00:02:00,799

2004 navy ufo encounter that took place

50

00:02:04,310 --> 00:02:02,399

off the coast of san diego

51  
00:02:06,389 --> 00:02:04,320  
known by many as the tic tac ufo

52  
00:02:07,429 --> 00:02:06,399  
incident bonaires explained that the

53  
00:02:10,309 --> 00:02:07,439  
navy's response

54  
00:02:11,670 --> 00:02:10,319  
indicated that it had quote discovered

55  
00:02:15,030 --> 00:02:11,680  
certain briefing slides

56  
00:02:17,110 --> 00:02:15,040  
that are classified top secret end quote

57  
00:02:19,510 --> 00:02:17,120  
this response from the navy continues

58  
00:02:21,270 --> 00:02:19,520  
quote a review of these materials

59  
00:02:23,350 --> 00:02:21,280  
indicate that they are currently and

60  
00:02:27,430 --> 00:02:23,360  
appropriately marked and classified

61  
00:02:28,949 --> 00:02:27,440  
top secret under executive order 13526

62  
00:02:30,550 --> 00:02:28,959  
and the original classification

63  
00:02:32,150 --> 00:02:30,560

authority has determined

64

00:02:34,869 --> 00:02:32,160

that the release of these materials

65

00:02:36,470 --> 00:02:34,879

would cause exceptionally grave damage

66

00:02:39,270 --> 00:02:36,480

to the national security

67

00:02:40,150 --> 00:02:39,280

of the united states end quote this

68

00:02:42,710 --> 00:02:40,160

comment about

69

00:02:44,309 --> 00:02:42,720

grave damage to national security

70

00:02:46,790 --> 00:02:44,319

certainly caught the attention of ufo

71

00:02:49,030 --> 00:02:46,800

researchers and media outlets alike

72

00:02:50,070 --> 00:02:49,040

with some interpreting this comment as

73

00:02:52,390 --> 00:02:50,080

an admission

74

00:02:54,550 --> 00:02:52,400

that the navy has information about

75

00:02:56,309 --> 00:02:54,560

menacing extraterrestrials

76

00:02:58,070 --> 00:02:56,319

and others interpreting it as an

77

00:02:58,710 --> 00:02:58,080

admission that the ufo involved in the

78

00:03:01,509 --> 00:02:58,720

incident

79

00:03:03,750 --> 00:03:01,519

is actually secret military technology

80

00:03:05,990 --> 00:03:03,760

both speculative interpretations

81

00:03:06,949 --> 00:03:06,000

and quite possibly over analyzing the

82

00:03:09,190 --> 00:03:06,959

statement here

83

00:03:10,630 --> 00:03:09,200

because it's simply a cut and paste

84

00:03:14,309 --> 00:03:10,640

definition of

85

00:03:18,390 --> 00:03:14,319

secret

86

00:03:20,550 --> 00:03:18,400

information the unauthorized disclosure

87

00:03:21,350 --> 00:03:20,560

of which reasonably could be expected to

88

00:03:23,110 --> 00:03:21,360

cause

89

00:03:25,110 --> 00:03:23,120

exceptionally grave damage to the

90

00:03:27,350 --> 00:03:25,120

national security

91

00:03:29,030 --> 00:03:27,360

but of course official navy comments

92

00:03:29,910 --> 00:03:29,040

like this sound juicy and they fuel

93

00:03:32,149 --> 00:03:29,920

speculation

94

00:03:32,949 --> 00:03:32,159

so it's understandable while the whole

95

00:03:35,430 --> 00:03:32,959

story

96

00:03:36,070 --> 00:03:35,440

generated the buzz that it did and it

97

00:03:37,990 --> 00:03:36,080

was

98

00:03:39,910 --> 00:03:38,000

just the first of many official comments

99

00:03:41,110 --> 00:03:39,920

about ufos we got over the course of the

100

00:03:42,789 --> 00:03:41,120

year

101  
00:03:45,190 --> 00:03:42,799  
do any of you guys remember all the way

102  
00:03:48,149 --> 00:03:45,200  
back to january when this dropped

103  
00:03:49,350 --> 00:03:48,159  
barely god i feel like it's been like a

104  
00:03:51,270 --> 00:03:49,360  
crazy year

105  
00:03:53,670 --> 00:03:51,280  
on top of everything else going on in

106  
00:03:56,630 --> 00:03:53,680  
the world but there's been a lot of

107  
00:03:58,550 --> 00:03:56,640  
ufo stuff going on and statements and

108  
00:03:59,990 --> 00:03:58,560  
people making things out of certain

109  
00:04:02,949 --> 00:04:00,000  
statements so um

110  
00:04:04,789 --> 00:04:02,959  
i i honestly had to go back and uh and

111  
00:04:05,910 --> 00:04:04,799  
google this jason i didn't remember this

112  
00:04:07,910 --> 00:04:05,920  
at all

113  
00:04:09,270 --> 00:04:07,920

well of course like you know we have had

114

00:04:10,470 --> 00:04:09,280

lots of military

115

00:04:12,550 --> 00:04:10,480

comments and we'll get into some of

116

00:04:14,470 --> 00:04:12,560

those more of those in a little bit

117

00:04:16,069 --> 00:04:14,480

but again they all kind of blend

118

00:04:17,509 --> 00:04:16,079

together because as military and

119

00:04:18,710 --> 00:04:17,519

government does there is a lot of cut

120

00:04:20,229 --> 00:04:18,720

and pace that's going on

121

00:04:21,670 --> 00:04:20,239

especially with their responses because

122

00:04:22,710 --> 00:04:21,680

of those those are the approved

123

00:04:24,469 --> 00:04:22,720

responses

124

00:04:26,230 --> 00:04:24,479

so it's hard to keep all these stories

125

00:04:27,430 --> 00:04:26,240

separate because in my mind they all

126

00:04:29,270 --> 00:04:27,440

blend together

127

00:04:31,030 --> 00:04:29,280

right and i think this was sort of the

128

00:04:32,550 --> 00:04:31,040

first of uh

129

00:04:34,790 --> 00:04:32,560

you know what would become a battle

130

00:04:35,909 --> 00:04:34,800

throughout the entire year with the navy

131

00:04:38,870 --> 00:04:35,919

spokespeople

132

00:04:40,629 --> 00:04:38,880

of like wording and like you said copy

133

00:04:43,430 --> 00:04:40,639

and pasting certain things

134

00:04:45,189 --> 00:04:43,440

and yeah this this whole thing so i i

135

00:04:46,070 --> 00:04:45,199

really respect a lot of the journalists

136

00:04:48,230 --> 00:04:46,080

early in

137

00:04:49,670 --> 00:04:48,240

2020 who were going after this stuff

138

00:04:51,350 --> 00:04:49,680

because you know they

139

00:04:53,270 --> 00:04:51,360

they force them into a corner and now

140

00:04:54,070 --> 00:04:53,280

look where we are you know almost a year

141

00:04:55,670 --> 00:04:54,080

later it's

142

00:04:57,430 --> 00:04:55,680

pretty incredible were you going to say

143

00:05:00,230 --> 00:04:57,440

something maureen just the

144

00:05:01,029 --> 00:05:00,240

it's it's a complete recycle of of what

145

00:05:02,950 --> 00:05:01,039

we'll see

146

00:05:04,150 --> 00:05:02,960

that happens later this year and it's

147

00:05:06,950 --> 00:05:04,160

because of process

148

00:05:08,390 --> 00:05:06,960

and and that process uh you know you

149

00:05:11,590 --> 00:05:08,400

have one department that

150

00:05:13,909 --> 00:05:11,600

that says it even though we all kind of

151

00:05:14,950 --> 00:05:13,919

know that these are already out there

152

00:05:16,629 --> 00:05:14,960

and they are official

153

00:05:18,230 --> 00:05:16,639

and then we have another department oh

154

00:05:19,350 --> 00:05:18,240

this department did it so now we have to

155

00:05:21,590 --> 00:05:19,360

do it and

156

00:05:23,110 --> 00:05:21,600

uh it's that an endless cycle of just

157

00:05:25,430 --> 00:05:23,120

government tape

158

00:05:27,110 --> 00:05:25,440

yeah it's a great way to phrase it all

159

00:05:30,310 --> 00:05:27,120

right let's move on to our

160

00:05:32,629 --> 00:05:30,320

number two story and that is

161

00:05:33,909 --> 00:05:32,639

covet causes ufo sightings surge you

162

00:05:36,870 --> 00:05:33,919

want to take this one shane

163

00:05:37,990 --> 00:05:36,880

yeah absolutely so on april 2nd the

164

00:05:41,189 --> 00:05:38,000

telegraph published

165

00:05:42,790 --> 00:05:41,199

a story entitled coronavirus to blame

166

00:05:45,990 --> 00:05:42,800

for a record number

167

00:05:48,469 --> 00:05:46,000

of ufo sightings in belgium

168

00:05:51,510 --> 00:05:48,479

and then on april 13th the daily star

169

00:05:54,790 --> 00:05:51,520

ran a story entitled coronavirus

170

00:05:58,550 --> 00:05:54,800

pandemic sparks 30-year high spike

171

00:06:00,390 --> 00:05:58,560

in ufo sightings worldwide

172

00:06:01,990 --> 00:06:00,400

several media outlets around the world

173

00:06:03,990 --> 00:06:02,000

published similar stories

174

00:06:05,590 --> 00:06:04,000

so that month jason and i looked into

175

00:06:07,909 --> 00:06:05,600

the data on this show

176

00:06:09,189 --> 00:06:07,919

and there was in fact a decent jump in

177

00:06:12,070 --> 00:06:09,199

sightings for march

178

00:06:13,590 --> 00:06:12,080

compared to march of 2019 in fact there

179

00:06:16,230 --> 00:06:13,600

were 647

180

00:06:17,430 --> 00:06:16,240

sightings reported to mufon in march of

181

00:06:20,309 --> 00:06:17,440

2020

182

00:06:21,909 --> 00:06:20,319

compared to the 372 reported in march of

183

00:06:24,790 --> 00:06:21,919

2019

184

00:06:26,070 --> 00:06:24,800

and then there were nearly 800 sightings

185

00:06:29,430 --> 00:06:26,080

reported to mufon

186

00:06:32,629 --> 00:06:29,440

in april compared to the 483

187

00:06:33,590 --> 00:06:32,639

reported in april last year so a huge

188

00:06:36,070 --> 00:06:33,600

increase

189

00:06:38,150 --> 00:06:36,080

so there was in fact an uptick in ufo

190

00:06:39,749 --> 00:06:38,160

sightings reported during that specific

191

00:06:42,629 --> 00:06:39,759

period of quarantining

192

00:06:44,070 --> 00:06:42,639

staying at home and isolation so

193

00:06:45,749 --> 00:06:44,080

probably in january

194

00:06:47,590 --> 00:06:45,759

this year we'll take a look back at the

195

00:06:49,510 --> 00:06:47,600

data for all of 2020

196

00:06:51,350 --> 00:06:49,520

and we'll see if that trend continued

197

00:06:54,070 --> 00:06:51,360

for the entire year

198

00:06:54,710 --> 00:06:54,080

yeah i'm looking forward to that um we

199

00:06:56,469 --> 00:06:54,720

could

200

00:06:58,629 --> 00:06:56,479

conceivably do it now but the year is

201  
00:07:00,469 --> 00:06:58,639  
not over so to give it a fair shake and

202  
00:07:02,150 --> 00:07:00,479  
get a chance for all the data to come in

203  
00:07:03,909 --> 00:07:02,160  
we'll wait until we're in the new year

204  
00:07:06,070 --> 00:07:03,919  
and then we'll look back at that

205  
00:07:09,350 --> 00:07:06,080  
together yep sounds good

206  
00:07:11,270 --> 00:07:09,360  
all right on to number three pentagon

207  
00:07:15,189 --> 00:07:11,280  
officially releases

208  
00:07:17,510 --> 00:07:15,199  
ufo videos wow that sounds massive

209  
00:07:19,670 --> 00:07:17,520  
you want to go with this one yeah yeah

210  
00:07:22,870 --> 00:07:19,680  
so again this is going to relate to my

211  
00:07:23,830 --> 00:07:22,880  
uh recycled government tape um comment

212  
00:07:26,550 --> 00:07:23,840  
earlier

213  
00:07:27,350 --> 00:07:26,560

uh on april 27th of this year which is

214

00:07:29,830 --> 00:07:27,360

2020

215

00:07:31,670 --> 00:07:29,840

um we're stuck in this horrible year the

216

00:07:33,909 --> 00:07:31,680

department of defense issued a press

217

00:07:36,309 --> 00:07:33,919

release to announce the official release

218

00:07:38,309 --> 00:07:36,319

of those three navy ufo videos

219

00:07:40,870 --> 00:07:38,319

that we keep seeing resurface from time

220

00:07:42,950 --> 00:07:40,880

to find to fill the headlines with

221

00:07:44,790 --> 00:07:42,960

new rounds of stories so here's what the

222

00:07:46,790 --> 00:07:44,800

press release said the department of

223

00:07:48,950 --> 00:07:46,800

defense has authorized the release of

224

00:07:51,990 --> 00:07:48,960

three unclassified navy videos

225

00:07:54,309 --> 00:07:52,000

one taken in november 2004 and the other

226

00:07:55,670 --> 00:07:54,319

two in january of 2015

227

00:07:57,830 --> 00:07:55,680

which have been circulating in the

228

00:07:58,469 --> 00:07:57,840

public domain after unauthorized

229

00:08:01,830 --> 00:07:58,479

releases

230

00:08:04,230 --> 00:08:01,840

in 2007 and 2017.

231

00:08:06,150 --> 00:08:04,240

the us navy previously acknowledged that

232

00:08:07,350 --> 00:08:06,160

these videos circulating in the public

233

00:08:09,990 --> 00:08:07,360

domain were indeed

234

00:08:11,589 --> 00:08:10,000

navy videos after a thorough review the

235

00:08:13,670 --> 00:08:11,599

department has determined that the

236

00:08:15,909 --> 00:08:13,680

authorized release of these unclassified

237

00:08:17,670 --> 00:08:15,919

videos does not reveal any sensitive

238

00:08:19,589 --> 00:08:17,680

capabilities or systems

239

00:08:21,670 --> 00:08:19,599

and does not impinge on any subsequent

240

00:08:22,469 --> 00:08:21,680

investigations of military airspace

241

00:08:25,589 --> 00:08:22,479

incursions by

242

00:08:26,230 --> 00:08:25,599

unidentified aerial phenomena dod is

243

00:08:28,150 --> 00:08:26,240

releasing

244

00:08:30,550 --> 00:08:28,160

the videos in order to clear up any

245

00:08:31,990 --> 00:08:30,560

misconceptions by the public on whether

246

00:08:33,350 --> 00:08:32,000

or not the footage that has been

247

00:08:35,029 --> 00:08:33,360

circulating was real

248

00:08:37,029 --> 00:08:35,039

or whether or not there is more to the

249

00:08:38,550 --> 00:08:37,039

videos the aerial phenomena

250

00:08:41,190 --> 00:08:38,560

observed in the videos remains

251  
00:08:43,829 --> 00:08:41,200  
characterized as unidentified

252  
00:08:45,190 --> 00:08:43,839  
and you know media outlets love stories

253  
00:08:47,269 --> 00:08:45,200  
about ufos

254  
00:08:49,509 --> 00:08:47,279  
so naturally this statement opened the

255  
00:08:51,350 --> 00:08:49,519  
floodgates media outlets from around the

256  
00:08:53,670 --> 00:08:51,360  
world were running stories about the

257  
00:08:55,590 --> 00:08:53,680  
pentagon releasing ufo videos

258  
00:08:57,509 --> 00:08:55,600  
but you know for people like us who have

259  
00:08:58,389 --> 00:08:57,519  
followed the story of these videos for

260  
00:09:00,790 --> 00:08:58,399  
years now

261  
00:09:02,550 --> 00:09:00,800  
the dod's statement really didn't add

262  
00:09:05,430 --> 00:09:02,560  
anything new to the saga

263  
00:09:08,389 --> 00:09:05,440

there are these navy videos and the navy

264

00:09:11,110 --> 00:09:08,399

already told us in 2019 that the objects

265

00:09:13,509 --> 00:09:11,120

in the video are considered unidentified

266

00:09:15,430 --> 00:09:13,519

so the pentagon has stated before that

267

00:09:16,550 --> 00:09:15,440

previous releases of these videos were

268

00:09:19,030 --> 00:09:16,560

unauthorized

269

00:09:20,630 --> 00:09:19,040

and as for the videos themselves as the

270

00:09:22,550 --> 00:09:20,640

dod acknowledges

271

00:09:24,150 --> 00:09:22,560

these videos have been circulating in

272

00:09:26,150 --> 00:09:24,160

the public for years now

273

00:09:28,710 --> 00:09:26,160

uh and even the video themselves that

274

00:09:29,990 --> 00:09:28,720

the dod officially released with its

275

00:09:31,990 --> 00:09:30,000

recent announcement

276

00:09:33,030 --> 00:09:32,000

are identical to the ones previously

277

00:09:35,269 --> 00:09:33,040

released by you know

278

00:09:36,150 --> 00:09:35,279

outlets like to the stars of academy of

279

00:09:38,470 --> 00:09:36,160

arts and science

280

00:09:40,230 --> 00:09:38,480

the link the quality everything about

281

00:09:42,150 --> 00:09:40,240

the videos is the same

282

00:09:43,829 --> 00:09:42,160

so the pentagon's decision to issue

283

00:09:45,190 --> 00:09:43,839

another statement about the videos and

284

00:09:47,190 --> 00:09:45,200

officially release them

285

00:09:48,389 --> 00:09:47,200

was a little strange and kind of

286

00:09:50,949 --> 00:09:48,399

confusing but

287

00:09:51,590 --> 00:09:50,959

they did it anyways confusing is right

288

00:09:53,030 --> 00:09:51,600

and

289

00:09:54,550 --> 00:09:53,040

here we are you know at the end of the

290

00:09:56,310 --> 00:09:54,560

year and we still don't really

291

00:09:58,230 --> 00:09:56,320

understand this move

292

00:10:00,550 --> 00:09:58,240

and similar moves made throughout the

293

00:10:02,710 --> 00:10:00,560

year right yeah yeah i really think it

294

00:10:03,990 --> 00:10:02,720

goes back to the fact that uh

295

00:10:06,710 --> 00:10:04,000

you know these things were going to get

296

00:10:08,389 --> 00:10:06,720

out there whether the dod or pentagon

297

00:10:09,190 --> 00:10:08,399

liked it or not and they had been out

298

00:10:11,190 --> 00:10:09,200

there

299

00:10:12,630 --> 00:10:11,200

for a while so i think they were playing

300

00:10:14,790 --> 00:10:12,640

catch up in this case

301  
00:10:16,550 --> 00:10:14,800  
in my personal opinion and trying to

302  
00:10:18,310 --> 00:10:16,560  
take control of the situation

303  
00:10:20,069 --> 00:10:18,320  
damage control right there that's that's

304  
00:10:22,550 --> 00:10:20,079  
the damage control is certainly

305  
00:10:24,150 --> 00:10:22,560  
certainly a good guess but again i mean

306  
00:10:25,030 --> 00:10:24,160  
there's so much that's out there all the

307  
00:10:28,389 --> 00:10:25,040  
time

308  
00:10:29,269 --> 00:10:28,399  
and there really is no need for them to

309  
00:10:30,949 --> 00:10:29,279  
say anything

310  
00:10:33,590 --> 00:10:30,959  
they could just let it run wild and let

311  
00:10:36,150 --> 00:10:33,600  
people talk about ufos all they want

312  
00:10:38,389 --> 00:10:36,160  
and there's no need for them to say

313  
00:10:41,670 --> 00:10:38,399

anything at all and almost by saying

314

00:10:43,110 --> 00:10:41,680

something adds a little fuel fire

315

00:10:45,350 --> 00:10:43,120

protest too much yeah

316

00:10:46,630 --> 00:10:45,360

right you wonder how long i mean they're

317

00:10:49,030 --> 00:10:46,640

they're late to the party

318

00:10:51,430 --> 00:10:49,040

uh you know so how long and how many

319

00:10:53,910 --> 00:10:51,440

conversations about sitting around

320

00:10:55,590 --> 00:10:53,920

uh do we comment on this or do we not

321

00:10:57,509 --> 00:10:55,600

happen behind closed doors

322

00:10:59,269 --> 00:10:57,519

probably a lot they may be struggling to

323

00:11:00,230 --> 00:10:59,279

set a pattern how to deal with this

324

00:11:02,389 --> 00:11:00,240

information

325

00:11:03,910 --> 00:11:02,399

and the way that it rolls out and so you

326

00:11:04,710 --> 00:11:03,920

know maybe we're going to see some kind

327

00:11:07,509 --> 00:11:04,720

of awkward

328

00:11:08,150 --> 00:11:07,519

you know stops and starts but you know

329

00:11:11,190 --> 00:11:08,160

if the

330

00:11:16,150 --> 00:11:11,200

ua

331

00:11:17,590 --> 00:11:16,160

you just know that from now on the

332

00:11:20,069 --> 00:11:17,600

pattern's been set that

333

00:11:20,630 --> 00:11:20,079

information is coming out and they've

334

00:11:23,030 --> 00:11:20,640

got to

335

00:11:25,430 --> 00:11:23,040

get a grip on how to you know handle

336

00:11:26,870 --> 00:11:25,440

that from a media perspective and

337

00:11:28,389 --> 00:11:26,880

and may you know me that's a little

338

00:11:28,870 --> 00:11:28,399

awkward and they're struggling with it

339

00:11:30,389 --> 00:11:28,880

so

340

00:11:31,829 --> 00:11:30,399

i mean i could see this still happening

341

00:11:33,030 --> 00:11:31,839

for a while but sooner or later you

342

00:11:35,030 --> 00:11:33,040

would think that they would

343

00:11:36,790 --> 00:11:35,040

you know develop some kind of policy or

344

00:11:38,710 --> 00:11:36,800

something that you know create some

345

00:11:40,710 --> 00:11:38,720

consistency in their responses

346

00:11:42,630 --> 00:11:40,720

i would like the the job title of

347

00:11:46,150 --> 00:11:42,640

government uh uap

348

00:11:49,269 --> 00:11:46,160

uh media liaison

349

00:11:51,990 --> 00:11:49,279

but then everybody would hate you she

350

00:11:52,310 --> 00:11:52,000

is hated by everybody and i i think it's

351  
00:11:54,310 --> 00:11:52,320  
a little

352  
00:11:56,230 --> 00:11:54,320  
unfair for that poor woman but yeah all

353  
00:11:56,790 --> 00:11:56,240  
right but but to your point shane i mean

354  
00:11:58,710 --> 00:11:56,800  
i think

355  
00:12:00,629 --> 00:11:58,720  
you know it probably caught them a

356  
00:12:02,550 --> 00:12:00,639  
little off guard with this next story

357  
00:12:05,350 --> 00:12:02,560  
and that is our number four

358  
00:12:05,750 --> 00:12:05,360  
the new york times big story it talked

359  
00:12:08,470 --> 00:12:05,760  
about

360  
00:12:08,949 --> 00:12:08,480  
ufo crash retrievals go with this one

361  
00:12:11,110 --> 00:12:08,959  
ryan

362  
00:12:12,230 --> 00:12:11,120  
oh yeah i definitely remember this one

363  
00:12:14,389 --> 00:12:12,240

as i'm sure you guys

364

00:12:17,269 --> 00:12:14,399

your phones were going off the hook in

365

00:12:18,790 --> 00:12:17,279

email after this yeah on july 23rd

366

00:12:20,790 --> 00:12:18,800

new york times published a much

367

00:12:23,269 --> 00:12:20,800

anticipated article titled

368

00:12:25,910 --> 00:12:23,279

no longer in the shadows pentagon's ufo

369

00:12:27,829 --> 00:12:25,920

unit will make some findings public

370

00:12:29,829 --> 00:12:27,839

it was written by leslie kane and ralph

371

00:12:32,710 --> 00:12:29,839

blumenthal who we know very

372

00:12:33,590 --> 00:12:32,720

very well from the original 2017 article

373

00:12:36,710 --> 00:12:33,600

and uh the two

374

00:12:39,990 --> 00:12:36,720

authors of that now legendary article

375

00:12:41,590 --> 00:12:40,000

of december of 2017 where they exposed

376

00:12:43,829 --> 00:12:41,600

the ufo project the

377

00:12:45,750 --> 00:12:43,839

atip advanced aerospace threat

378

00:12:48,230 --> 00:12:45,760

identification program

379

00:12:49,590 --> 00:12:48,240

and uh this article this i guess

380

00:12:51,829 --> 00:12:49,600

follow-up kind of

381

00:12:52,870 --> 00:12:51,839

um essentially provided an overview of

382

00:12:55,350 --> 00:12:52,880

some of the

383

00:12:57,430 --> 00:12:55,360

uh the ufo related stories that had been

384

00:12:58,230 --> 00:12:57,440

generating buzz in recent months namely

385

00:13:02,310 --> 00:12:58,240

the

386

00:13:05,670 --> 00:13:02,320

fiscal year of 2021

387

00:13:06,870 --> 00:13:05,680

and the uh uap task force which we're

388

00:13:07,990 --> 00:13:06,880

going to be talking about in a little

389

00:13:11,509 --> 00:13:08,000

bit here um

390

00:13:14,710 --> 00:13:11,519

marco rubio's recent comments about ufos

391

00:13:16,550 --> 00:13:14,720

and comments about ufo crashes and

392

00:13:18,389 --> 00:13:16,560

recovered material from former senate

393

00:13:20,870 --> 00:13:18,399

majority leader harry reid

394

00:13:22,069 --> 00:13:20,880

and in eric davis a former pentagon

395

00:13:25,110 --> 00:13:22,079

contractor

396

00:13:28,550 --> 00:13:25,120

and uh eric davis he reportedly worked

397

00:13:29,670 --> 00:13:28,560

as a consultant for atip and he told the

398

00:13:32,870 --> 00:13:29,680

new york times that

399

00:13:34,310 --> 00:13:32,880

in some cases quote examination of the

400

00:13:36,790 --> 00:13:34,320

materials had so far

401  
00:13:38,150 --> 00:13:36,800  
failed to determine their source and led

402  
00:13:41,189 --> 00:13:38,160  
him to conclude

403  
00:13:43,509 --> 00:13:41,199  
we couldn't make it ourselves end quote

404  
00:13:45,990 --> 00:13:43,519  
the article also says that davis claims

405  
00:13:48,150 --> 00:13:46,000  
he quote gave a classified briefing to

406  
00:13:50,870 --> 00:13:48,160  
the defense department agency

407  
00:13:51,910 --> 00:13:50,880  
as recently as march and about

408  
00:13:54,870 --> 00:13:51,920  
retrievals from

409  
00:13:56,310 --> 00:13:54,880  
off-world vehicles not made on this

410  
00:14:00,069 --> 00:13:56,320  
earth and that

411  
00:14:02,389 --> 00:14:00,079  
was the quote that really went viral and

412  
00:14:03,350 --> 00:14:02,399  
sent everyone into a tailspin off world

413  
00:14:05,509 --> 00:14:03,360

vehicles

414

00:14:06,790 --> 00:14:05,519

and uh yeah it's that statement right

415

00:14:08,790 --> 00:14:06,800

there that generated

416

00:14:10,389 --> 00:14:08,800

generated the most attention from the

417

00:14:12,629 --> 00:14:10,399

public and from media

418

00:14:14,069 --> 00:14:12,639

and it was just crazy for a few weeks

419

00:14:16,230 --> 00:14:14,079

after that from what i remember

420

00:14:17,750 --> 00:14:16,240

yeah and understandably so i mean here

421

00:14:20,790 --> 00:14:17,760

we have the new york

422

00:14:23,030 --> 00:14:20,800

a new york times article talking about

423

00:14:24,629 --> 00:14:23,040

recovered vehicles from not of this

424

00:14:26,949 --> 00:14:24,639

earth that's insane

425

00:14:27,910 --> 00:14:26,959

and certainly justifiable that people

426

00:14:29,990 --> 00:14:27,920

went nuts over this

427

00:14:32,389 --> 00:14:30,000

i was right there with you getting uh an

428

00:14:34,949 --> 00:14:32,399

insane in charge of uh

429

00:14:36,230 --> 00:14:34,959

texts and emails from friends what's

430

00:14:37,990 --> 00:14:36,240

what's going on here

431

00:14:39,269 --> 00:14:38,000

no correct me if i'm wrong was this the

432

00:14:42,710 --> 00:14:39,279

article

433

00:14:43,350 --> 00:14:42,720

that all the hype was around in mystery

434

00:14:45,269 --> 00:14:43,360

for like

435

00:14:47,350 --> 00:14:45,279

half a year or something that seemed

436

00:14:49,670 --> 00:14:47,360

like a thorn in our side for a while

437

00:14:51,829 --> 00:14:49,680

yeah absolutely there was so much hype

438

00:14:53,590 --> 00:14:51,839

built up over this that oh yeah there's

439

00:14:56,150 --> 00:14:53,600

going to be this bomb drop

440

00:14:57,990 --> 00:14:56,160

it's coming it's coming it's coming and

441

00:15:00,870 --> 00:14:58,000

then after the story came out

442

00:15:01,590 --> 00:15:00,880

um yeah leslie and ralph did that

443

00:15:03,269 --> 00:15:01,600

interview

444

00:15:05,509 --> 00:15:03,279

you know even pointing out how much

445

00:15:07,829 --> 00:15:05,519

trouble that caused the article

446

00:15:08,550 --> 00:15:07,839

and almost prevented the release of it

447

00:15:10,629 --> 00:15:08,560

now was it

448

00:15:12,470 --> 00:15:10,639

was this the one where harry reid then

449

00:15:16,230 --> 00:15:12,480

backstepped on a quote

450

00:15:17,030 --> 00:15:16,240

yeah yeah so much drama with this

451  
00:15:19,590 --> 00:15:17,040  
article

452  
00:15:21,670 --> 00:15:19,600  
yeah and it was supposed to be really

453  
00:15:23,590 --> 00:15:21,680  
long like a pretty lengthy

454  
00:15:25,670 --> 00:15:23,600  
write-up and we were told by the authors

455  
00:15:28,870 --> 00:15:25,680  
that they had to walk it back a ton

456  
00:15:30,550 --> 00:15:28,880  
so god knows what they really wanted to

457  
00:15:32,069 --> 00:15:30,560  
get out to the public with it we may

458  
00:15:33,910 --> 00:15:32,079  
never know or we might know

459  
00:15:35,590 --> 00:15:33,920  
in the coming months who knows we've

460  
00:15:38,389 --> 00:15:35,600  
heard that we'll know some more

461  
00:15:41,269 --> 00:15:38,399  
big articles are coming so welcome to

462  
00:15:44,069 --> 00:15:41,279  
our world

463  
00:15:44,629 --> 00:15:44,079

well a big part of that article was the

464

00:15:47,749 --> 00:15:44,639

mention

465

00:15:49,189 --> 00:15:47,759

of the uap task force so let's jump into

466

00:15:50,629 --> 00:15:49,199

that with our number five story about

467

00:15:52,230 --> 00:15:50,639

the uap task force

468

00:15:53,749 --> 00:15:52,240

and this is a little long because

469

00:15:53,990 --> 00:15:53,759

there's so much to talk about here and

470

00:15:56,870 --> 00:15:54,000

this

471

00:15:58,629 --> 00:15:56,880

all isn't necessarily um from one story

472

00:16:01,509 --> 00:15:58,639

or in order

473

00:16:02,550 --> 00:16:01,519

this was a big story all year long so on

474

00:16:04,230 --> 00:16:02,560

august 14th

475

00:16:06,790 --> 00:16:04,240

the department of defense issued a press

476  
00:16:08,870 --> 00:16:06,800  
release to announce the establishment of

477  
00:16:12,310 --> 00:16:08,880  
the unidentified aerial phenomenon

478  
00:16:13,430 --> 00:16:12,320  
task force or uaptf and according to the

479  
00:16:16,550 --> 00:16:13,440  
press release

480  
00:16:19,350 --> 00:16:16,560  
the uaptf was approved on august 4th

481  
00:16:20,870 --> 00:16:19,360  
2020 by deputy secretary of defense

482  
00:16:23,430 --> 00:16:20,880  
david I norquist

483  
00:16:24,470 --> 00:16:23,440  
this task force is led by the department

484  
00:16:26,389 --> 00:16:24,480  
of the navy with

485  
00:16:28,150 --> 00:16:26,399  
oversight by the office of the under

486  
00:16:29,749 --> 00:16:28,160  
secretary of defense for intelligence

487  
00:16:32,710 --> 00:16:29,759  
and security

488  
00:16:34,389 --> 00:16:32,720

as had previously been reported the dod

489

00:16:37,110 --> 00:16:34,399

reiterated that the uap

490

00:16:38,069 --> 00:16:37,120

task force was established quote to

491

00:16:40,710 --> 00:16:38,079

improve

492

00:16:41,509 --> 00:16:40,720

its understanding of and gain insight

493

00:16:45,430 --> 00:16:41,519

into

494

00:16:47,910 --> 00:16:45,440

the nature and origin of uaps in quote

495

00:16:50,069 --> 00:16:47,920

and its mission is to quote detect

496

00:16:51,990 --> 00:16:50,079

analyze and catalog uaps

497

00:16:54,790 --> 00:16:52,000

that could potentially pose a threat to

498

00:16:58,470 --> 00:16:54,800

u.s national security end quote

499

00:17:00,870 --> 00:16:58,480

this was the official announcement but

500

00:17:02,230 --> 00:17:00,880

we heard plenty about this mysterious

501  
00:17:05,350 --> 00:17:02,240  
uap task force

502  
00:17:07,590 --> 00:17:05,360  
earlier in the year mentions of some new

503  
00:17:08,630 --> 00:17:07,600  
task force related to ufos were seen

504  
00:17:10,309 --> 00:17:08,640  
back in may

505  
00:17:11,990 --> 00:17:10,319  
when researcher john greenwald brought

506  
00:17:12,630 --> 00:17:12,000  
attention to statements obtained by

507  
00:17:15,429 --> 00:17:12,640  
writer

508  
00:17:16,309 --> 00:17:15,439  
roger glassell from dod spokesperson

509  
00:17:18,309 --> 00:17:16,319  
susan goff

510  
00:17:20,949 --> 00:17:18,319  
who stated that quote the investigation

511  
00:17:21,750 --> 00:17:20,959  
of uap sightings by the multi-agency

512  
00:17:24,470 --> 00:17:21,760  
task force

513  
00:17:26,549 --> 00:17:24,480

is ongoing end quote multi-agency

514

00:17:28,630 --> 00:17:26,559

meaning the dod and the u.s navy

515

00:17:31,190 --> 00:17:28,640

that was really the first realization of

516

00:17:33,510 --> 00:17:31,200

a current ufo task force

517

00:17:34,549 --> 00:17:33,520

the july 23rd new york times article we

518

00:17:36,990 --> 00:17:34,559

just mentioned

519

00:17:38,230 --> 00:17:37,000

reported that the uap task force is the

520

00:17:40,390 --> 00:17:38,240

continuation

521

00:17:42,150 --> 00:17:40,400

of the pentagon's previously revealed

522

00:17:45,029 --> 00:17:42,160

ufo program atip

523

00:17:45,990 --> 00:17:45,039

which reportedly ended in 2012 and the

524

00:17:47,909 --> 00:17:46,000

new york times

525

00:17:49,750 --> 00:17:47,919

article says that quote the program

526

00:17:51,669 --> 00:17:49,760

never lapsed end quote

527

00:17:53,430 --> 00:17:51,679

the article even states that luis

528

00:17:55,669 --> 00:17:53,440

elizondo atep's former head

529

00:17:56,789 --> 00:17:55,679

quote confirmed that the new task force

530

00:17:59,350 --> 00:17:56,799

evolved from

531

00:18:00,070 --> 00:17:59,360

the advanced aerospace program end quote

532

00:18:02,230 --> 00:18:00,080

the discussion

533

00:18:04,070 --> 00:18:02,240

of the task force in the new york times

534

00:18:05,430 --> 00:18:04,080

was related to a draft of the

535

00:18:06,870 --> 00:18:05,440

intelligence authorization act for

536

00:18:08,390 --> 00:18:06,880

fiscal year 2021

537

00:18:10,630 --> 00:18:08,400

that was submitted by senator marco

538

00:18:12,230 --> 00:18:10,640

rubio on june 17th

539

00:18:13,669 --> 00:18:12,240

on behalf of the senate select committee

540

00:18:15,669 --> 00:18:13,679

on intelligence

541

00:18:17,190 --> 00:18:15,679

within the committee comments was a

542

00:18:20,230 --> 00:18:17,200

section titled quote

543

00:18:22,150 --> 00:18:20,240

advanced aerial threats end quote

544

00:18:24,230 --> 00:18:22,160

and this essentially detailed a request

545

00:18:26,630 --> 00:18:24,240

for a report to be assembled to provide

546

00:18:28,470 --> 00:18:26,640

a summary of the current ufo situation

547

00:18:29,669 --> 00:18:28,480

by the director of national intelligence

548

00:18:31,270 --> 00:18:29,679

in consultation

549

00:18:33,430 --> 00:18:31,280

with the secretary of defense and other

550

00:18:34,630 --> 00:18:33,440

relevant parties and the source of that

551  
00:18:35,669 --> 00:18:34,640  
information is supposed to come from a

552  
00:18:38,870 --> 00:18:35,679  
few different sources

553  
00:18:40,390 --> 00:18:38,880  
including the uap task force

554  
00:18:42,070 --> 00:18:40,400  
now the comments in the intelligence

555  
00:18:44,310 --> 00:18:42,080  
authorization act state that

556  
00:18:46,070 --> 00:18:44,320  
quote the committee supports the efforts

557  
00:18:46,870 --> 00:18:46,080  
of the unidentified aerial phenomena

558  
00:18:49,350 --> 00:18:46,880  
task force

559  
00:18:51,190 --> 00:18:49,360  
end quote the report being requested

560  
00:18:53,270 --> 00:18:51,200  
specifically asks for a quote

561  
00:18:55,029 --> 00:18:53,280  
a detailed analysis of unidentified

562  
00:18:56,950 --> 00:18:55,039  
aerial phenomena data and intelligence

563  
00:18:59,590 --> 00:18:56,960

reporting collected or held by the

564

00:19:01,590 --> 00:18:59,600

unidentified aerial phenomena task force

565

00:19:03,830 --> 00:19:01,600

susan goff issued a statement to popular

566

00:19:04,789 --> 00:19:03,840

mechanics and other journalists on july

567

00:19:07,350 --> 00:19:04,799

26

568

00:19:08,549 --> 00:19:07,360

stating that the dod was quote creating

569

00:19:10,470 --> 00:19:08,559

a task force

570

00:19:12,549 --> 00:19:10,480

to gain knowledge and insight into the

571

00:19:14,630 --> 00:19:12,559

nature and origins of uips

572

00:19:16,950 --> 00:19:14,640

as well as their operations capabilities

573

00:19:18,870 --> 00:19:16,960

performance and or signatures in quote

574

00:19:21,110 --> 00:19:18,880

and she added that quote the mission of

575

00:19:22,470 --> 00:19:21,120

the task force will be to detect analyze

576

00:19:24,630 --> 00:19:22,480

catalog consolidate

577

00:19:26,390 --> 00:19:24,640

and exploit non-traditional aerospace

578

00:19:28,549 --> 00:19:26,400

vehicles slash uaps

579

00:19:29,750 --> 00:19:28,559

posing an operational threat to u.s

580

00:19:32,549 --> 00:19:29,760

national security

581

00:19:33,110 --> 00:19:32,559

and avoid strategic surprise in quote

582

00:19:35,270 --> 00:19:33,120

and

583

00:19:36,630 --> 00:19:35,280

to the dismay of everybody hoping that

584

00:19:38,549 --> 00:19:36,640

the uap task force

585

00:19:40,789 --> 00:19:38,559

was going to be some awesome government

586

00:19:43,270 --> 00:19:40,799

project openly sharing ufo info

587

00:19:44,789 --> 00:19:43,280

with the public susan goff has on

588

00:19:47,669 --> 00:19:44,799

multiple occasions

589

00:19:49,990 --> 00:19:47,679

burst of that balloon stating quote dod

590

00:19:51,510 --> 00:19:50,000

does not discuss publicly the details of

591

00:19:53,590 --> 00:19:51,520

either the observations or the

592

00:19:55,830 --> 00:19:53,600

examination of reported incursions

593

00:19:57,990 --> 00:19:55,840

into our training ranges or designated

594

00:20:01,110 --> 00:19:58,000

airspace including those incursions

595

00:20:04,310 --> 00:20:01,120

initially designated as uap

596

00:20:06,230 --> 00:20:04,320

so the uap task force is in my opinion

597

00:20:07,909 --> 00:20:06,240

a giant mess and we still have more

598

00:20:10,789 --> 00:20:07,919

coming about the uap task force

599

00:20:12,470 --> 00:20:10,799

in a few stories here but we have

600

00:20:13,669 --> 00:20:12,480

conflicting stories conflicting

601  
00:20:17,110 --> 00:20:13,679  
reporting

602  
00:20:18,070 --> 00:20:17,120  
and we still don't know if it actually

603  
00:20:19,909 --> 00:20:18,080  
is something

604  
00:20:21,270 --> 00:20:19,919  
that has been going on for a long time

605  
00:20:23,190 --> 00:20:21,280  
or if it is in fact

606  
00:20:25,270 --> 00:20:23,200  
brand new as the press release the

607  
00:20:27,510 --> 00:20:25,280  
pentagon itself released

608  
00:20:28,789 --> 00:20:27,520  
and we don't know if it truly is the

609  
00:20:30,549 --> 00:20:28,799  
continuation of

610  
00:20:31,909 --> 00:20:30,559  
atif it has been going if there never

611  
00:20:33,909 --> 00:20:31,919  
was a lapse

612  
00:20:35,430 --> 00:20:33,919  
that's what the reporting says but the

613  
00:20:38,230 --> 00:20:35,440

pentagon again with its

614

00:20:39,190 --> 00:20:38,240

trend of mixed messaging here has made

615

00:20:45,909 --> 00:20:39,200

everything

616

00:20:47,510 --> 00:20:45,919

such a complete confusing mess

617

00:20:48,789 --> 00:20:47,520

i feel like we should just get to the

618

00:20:49,669 --> 00:20:48,799

point where the government should

619

00:20:54,149 --> 00:20:49,679

acknowledge

620

00:20:56,950 --> 00:20:54,159

a small budget for a public ufo program

621

00:20:58,549 --> 00:20:56,960

that uh you know citizens can report to

622

00:21:00,230 --> 00:20:58,559

as well they know this is going to

623

00:21:03,510 --> 00:21:00,240

satisfy a lot of those things

624

00:21:06,149 --> 00:21:03,520

i totally get not being able to reveal

625

00:21:07,830 --> 00:21:06,159

information that is involved with

626

00:21:09,909 --> 00:21:07,840

training exercises and

627

00:21:12,149 --> 00:21:09,919

and things that are going to really

628

00:21:14,470 --> 00:21:12,159

corrupt our safety around

629

00:21:15,750 --> 00:21:14,480

uh international relations and and

630

00:21:18,470 --> 00:21:15,760

technology we have

631

00:21:20,470 --> 00:21:18,480

i get it yes we'd like to hear every

632

00:21:22,549 --> 00:21:20,480

detail that some unknown object

633

00:21:24,390 --> 00:21:22,559

came and tried to shut down a nuclear

634

00:21:27,110 --> 00:21:24,400

base and and this and that

635

00:21:28,549 --> 00:21:27,120

because we eventually find out about

636

00:21:30,789 --> 00:21:28,559

some of those sightings but

637

00:21:32,390 --> 00:21:30,799

i think it would not be that expensive

638

00:21:35,029 --> 00:21:32,400

to have this public

639

00:21:36,230 --> 00:21:35,039

organization in place ryan will sit at a

640

00:21:39,350 --> 00:21:36,240

desk

641

00:21:40,870 --> 00:21:39,360

surrounded by paper oh you know

642

00:21:42,870 --> 00:21:40,880

have a couple people they could hire a

643

00:21:45,110 --> 00:21:42,880

rogue planet to to do this

644

00:21:46,630 --> 00:21:45,120

for the public and have a small budget

645

00:21:48,630 --> 00:21:46,640

for it i

646

00:21:49,990 --> 00:21:48,640

i mean all these these secret projects

647

00:21:51,110 --> 00:21:50,000

over the years you know going from

648

00:21:53,190 --> 00:21:51,120

grudge sign

649

00:21:55,270 --> 00:21:53,200

blue book which were all literal

650

00:21:57,590 --> 00:21:55,280

iterations of each other and now we have

651  
00:22:00,070 --> 00:21:57,600  
a tip and in this task force and whether

652  
00:22:02,549 --> 00:22:00,080  
or not they are the same continuation

653  
00:22:04,390 --> 00:22:02,559  
you know like you said is foggy i don't

654  
00:22:06,789 --> 00:22:04,400  
know it's so convoluted

655  
00:22:08,870 --> 00:22:06,799  
honestly it is it is what always

656  
00:22:09,590 --> 00:22:08,880  
concerns me too guys is the government

657  
00:22:12,230 --> 00:22:09,600  
funded

658  
00:22:13,750 --> 00:22:12,240  
programs i mean right from the start

659  
00:22:15,990 --> 00:22:13,760  
like we know

660  
00:22:18,470 --> 00:22:16,000  
that something's gonna be hidden from us

661  
00:22:21,350 --> 00:22:18,480  
probably for national security purposes

662  
00:22:23,270 --> 00:22:21,360  
but also because they can control the

663  
00:22:25,190 --> 00:22:23,280

information that gets out to us so while

664

00:22:27,430 --> 00:22:25,200

a lot of people get excited about

665

00:22:29,669 --> 00:22:27,440

you know the uap task force and they say

666

00:22:32,789 --> 00:22:29,679

you know disclosure's finally coming

667

00:22:35,830 --> 00:22:32,799

like has it is it i i mean we had

668

00:22:36,789 --> 00:22:35,840

some of the reports we had to get in the

669

00:22:38,390 --> 00:22:36,799

public sphere

670

00:22:40,549 --> 00:22:38,400

through leaks from the actual

671

00:22:42,149 --> 00:22:40,559

intelligence agencies which i'm sure

672

00:22:43,909 --> 00:22:42,159

we'll talk about but um

673

00:22:45,350 --> 00:22:43,919

yeah yeah i'm just as confused as you

674

00:22:46,870 --> 00:22:45,360

guys are when i heard about the task

675

00:22:47,909 --> 00:22:46,880

force i'm like am i supposed to know

676  
00:22:51,350 --> 00:22:47,919  
about this

677  
00:22:51,750 --> 00:22:51,360  
as a ufo researcher or what's going on

678  
00:22:53,029 --> 00:22:51,760  
here

679  
00:22:55,029 --> 00:22:53,039  
well and again based on the mixed

680  
00:22:56,950 --> 00:22:55,039  
messaging and just just all the

681  
00:22:59,909 --> 00:22:56,960  
confusion out there surrounding this

682  
00:23:00,549 --> 00:22:59,919  
a lot of what we a lot of people know

683  
00:23:04,630 --> 00:23:00,559  
and

684  
00:23:07,430 --> 00:23:04,640  
the uap task force

685  
00:23:08,230 --> 00:23:07,440  
is all from rumor and speculation right

686  
00:23:10,710 --> 00:23:08,240  
and a lot of it

687  
00:23:12,070 --> 00:23:10,720  
is based off of that intelligence

688  
00:23:13,669 --> 00:23:12,080

authorization act

689

00:23:15,350 --> 00:23:13,679

because that's where we first had

690

00:23:18,630 --> 00:23:15,360

mentions of this

691

00:23:19,270 --> 00:23:18,640

as part of a possible request that may

692

00:23:21,350 --> 00:23:19,280

or may not

693

00:23:22,630 --> 00:23:21,360

ever happen you know this thing got

694

00:23:25,270 --> 00:23:22,640

passed around from

695

00:23:27,190 --> 00:23:25,280

bill to build a bill and still hasn't

696

00:23:28,950 --> 00:23:27,200

passed and the one it's currently

697

00:23:31,510 --> 00:23:28,960

maybe part of we don't even know if it's

698

00:23:33,750 --> 00:23:31,520

part of and even if that passes we don't

699

00:23:35,590 --> 00:23:33,760

know if this request for this report is

700

00:23:38,950 --> 00:23:35,600

even going to happen

701  
00:23:40,950 --> 00:23:38,960  
um but in that see i think that

702  
00:23:42,390 --> 00:23:40,960  
was the root of everybody assuming that

703  
00:23:44,070 --> 00:23:42,400  
this was going to be

704  
00:23:45,750 --> 00:23:44,080  
yay they're going to share ufo

705  
00:23:46,549 --> 00:23:45,760  
information with the public simply

706  
00:23:49,269 --> 00:23:46,559  
because

707  
00:23:50,230 --> 00:23:49,279  
in the wording of that it said that a

708  
00:23:52,870 --> 00:23:50,240  
report

709  
00:23:53,669 --> 00:23:52,880  
should be issued in an unclassified

710  
00:23:55,269 --> 00:23:53,679  
format

711  
00:23:56,710 --> 00:23:55,279  
that doesn't mean that they're giving

712  
00:23:57,750 --> 00:23:56,720  
all the information to the public it

713  
00:23:59,750 --> 00:23:57,760

just means that report's going to be

714

00:24:01,750 --> 00:23:59,760

unclassified so yeah i mean through

715

00:24:04,230 --> 00:24:01,760

foia maybe eventually people would be

716

00:24:05,750 --> 00:24:04,240

able to to get a copy of it

717

00:24:07,190 --> 00:24:05,760

and see what they were up to but it

718

00:24:07,990 --> 00:24:07,200

doesn't mean they're sharing information

719

00:24:10,470 --> 00:24:08,000

with the public

720

00:24:11,590 --> 00:24:10,480

that's that's nothing they have said

721

00:24:14,230 --> 00:24:11,600

publicly

722

00:24:15,990 --> 00:24:14,240

has indicated that's part of their their

723

00:24:17,830 --> 00:24:16,000

operating procedure that's their mission

724

00:24:19,430 --> 00:24:17,840

to be transparent and share ufo

725

00:24:21,190 --> 00:24:19,440

information with the public

726

00:24:22,789 --> 00:24:21,200

you know we've heard that from various

727

00:24:24,470 --> 00:24:22,799

sources talking about how

728

00:24:25,909 --> 00:24:24,480

senators are getting interested and the

729

00:24:27,990 --> 00:24:25,919

government's getting interested in the

730

00:24:30,390 --> 00:24:28,000

military wants to be transparent

731

00:24:31,430 --> 00:24:30,400

but none of their messaging has hinted

732

00:24:33,269 --> 00:24:31,440

at all

733

00:24:35,190 --> 00:24:33,279

about any of that so we're just going

734

00:24:37,669 --> 00:24:35,200

off of rumor and speculation

735

00:24:39,510 --> 00:24:37,679

at this point when it comes to the uap

736

00:24:41,750 --> 00:24:39,520

task force itself

737

00:24:42,789 --> 00:24:41,760

we don't know that much and again people

738

00:24:44,149 --> 00:24:42,799

are getting confused with the

739

00:24:45,190 --> 00:24:44,159

intelligence authorization act i've

740

00:24:47,909 --> 00:24:45,200

heard comments

741

00:24:49,750 --> 00:24:47,919

recently about people saying that

742

00:24:51,590 --> 00:24:49,760

they're waiting on that to pass

743

00:24:53,029 --> 00:24:51,600

for a budget to be created for the uap

744

00:24:54,789 --> 00:24:53,039

task force however

745

00:24:57,110 --> 00:24:54,799

we've been told uap task force has been

746

00:24:58,630 --> 00:24:57,120

ongoing and it's currently operating

747

00:25:00,870 --> 00:24:58,640

clearly it has money it's not waiting on

748

00:25:02,470 --> 00:25:00,880

a budget and if you looked at that

749

00:25:05,110 --> 00:25:02,480

document when it was issued

750

00:25:05,750 --> 00:25:05,120

that had the section about the uap task

751  
00:25:07,269 --> 00:25:05,760  
force

752  
00:25:08,630 --> 00:25:07,279  
again it didn't talk about creating a

753  
00:25:09,830 --> 00:25:08,640  
task force it said they support the

754  
00:25:12,310 --> 00:25:09,840  
efforts of the task force

755  
00:25:13,909 --> 00:25:12,320  
implying that it was already running and

756  
00:25:14,789 --> 00:25:13,919  
there wasn't a budget line in there that

757  
00:25:17,590 --> 00:25:14,799  
i saw

758  
00:25:19,750 --> 00:25:17,600  
specifically for the uab task force so i

759  
00:25:21,029 --> 00:25:19,760  
think that again is just speculation

760  
00:25:23,110 --> 00:25:21,039  
that that has anything to do with

761  
00:25:24,149 --> 00:25:23,120  
creating a budget for the uap task force

762  
00:25:26,630 --> 00:25:24,159  
but again we don't

763  
00:25:28,070 --> 00:25:26,640

know just because we have very limited

764

00:25:30,070 --> 00:25:28,080

information to work with here

765

00:25:32,230 --> 00:25:30,080

all right let's move on to our next

766

00:25:34,549 --> 00:25:32,240

story we are at number six

767

00:25:35,430 --> 00:25:34,559

and that is venus i'm sure all you

768

00:25:37,350 --> 00:25:35,440

remember the

769

00:25:38,710 --> 00:25:37,360

big hype about venus and all the

770

00:25:40,549 --> 00:25:38,720

excitement that caused

771

00:25:41,990 --> 00:25:40,559

maureen what was so exciting about venus

772

00:25:44,950 --> 00:25:42,000

this year well we finally

773

00:25:45,269 --> 00:25:44,960

uh figured out that women are from venus

774

00:25:49,830 --> 00:25:45,279

now

775

00:25:50,310 --> 00:25:49,840

um yeah so it was back on september 14th

776  
00:25:53,269 --> 00:25:50,320  
that the

777  
00:25:55,110 --> 00:25:53,279  
royal astronomical society held a press

778  
00:25:56,149 --> 00:25:55,120  
conference to announce the discovery of

779  
00:25:58,870 --> 00:25:56,159  
a rare molecule

780  
00:26:00,710 --> 00:25:58,880  
called phosphine in the clouds of venus

781  
00:26:02,789 --> 00:26:00,720  
so the press release explained that

782  
00:26:05,110 --> 00:26:02,799  
on earth this gas is only made

783  
00:26:05,350 --> 00:26:05,120  
industrially or by microbes that thrive

784  
00:26:09,029 --> 00:26:05,360  
in

785  
00:26:10,789 --> 00:26:09,039  
oxygen free environments mit scientist

786  
00:26:12,149 --> 00:26:10,799  
dr william baines who was part of the

787  
00:26:13,990 --> 00:26:12,159  
press conference explained that there

788  
00:26:16,149 --> 00:26:14,000

are two possibilities

789

00:26:17,750 --> 00:26:16,159

one there could be some completely

790

00:26:18,470 --> 00:26:17,760

unknown reaction that is creating

791

00:26:20,310 --> 00:26:18,480

phosphate

792

00:26:21,510 --> 00:26:20,320

or the more exciting one that it could

793

00:26:25,830 --> 00:26:21,520

be life

794

00:26:28,149 --> 00:26:25,840

and we know all too well that anytime

795

00:26:29,830 --> 00:26:28,159

any sort of space news comes out that

796

00:26:32,390 --> 00:26:29,840

hints at some sort of

797

00:26:34,310 --> 00:26:32,400

revelation about extraterrestrial life

798

00:26:36,950 --> 00:26:34,320

the media goes nuts

799

00:26:38,630 --> 00:26:36,960

and there was a extreme explosion of

800

00:26:40,630 --> 00:26:38,640

headlines around the world

801  
00:26:41,990 --> 00:26:40,640  
that claim that alien life has been

802  
00:26:43,669 --> 00:26:42,000  
discovered

803  
00:26:45,029 --> 00:26:43,679  
and we certainly saw that with this

804  
00:26:48,310 --> 00:26:45,039  
particular story

805  
00:26:49,190 --> 00:26:48,320  
and you know all the the newspaper is

806  
00:26:52,310 --> 00:26:49,200  
reporting that

807  
00:26:55,669 --> 00:26:52,320  
that life was found in the clouds of

808  
00:26:56,549 --> 00:26:55,679  
venus so um think about a thriving cloud

809  
00:27:00,070 --> 00:26:56,559  
city

810  
00:27:01,669 --> 00:27:00,080  
sort of of of microbial life but um

811  
00:27:03,669 --> 00:27:01,679  
you know all research like this the

812  
00:27:04,549 --> 00:27:03,679  
findings were met with skepticism almost

813  
00:27:06,630 --> 00:27:04,559

immediately

814

00:27:07,990 --> 00:27:06,640

and even now the researchers behind this

815

00:27:10,310 --> 00:27:08,000

particular story have

816

00:27:11,909 --> 00:27:10,320

downgraded their claims after re

817

00:27:13,669 --> 00:27:11,919

analyzing the data

818

00:27:15,590 --> 00:27:13,679

so the phosphine levels appear to be

819

00:27:17,990 --> 00:27:15,600

almost seven times lower than

820

00:27:18,870 --> 00:27:18,000

they originally reported which is quite

821

00:27:21,029 --> 00:27:18,880

a bit

822

00:27:21,990 --> 00:27:21,039

but the team is still confident that

823

00:27:25,190 --> 00:27:22,000

there is gas

824

00:27:28,070 --> 00:27:25,200

there and as they originally stated

825

00:27:29,510 --> 00:27:28,080

much more research is needed so and this

826

00:27:30,470 --> 00:27:29,520

is one of those headlines also that

827

00:27:33,750 --> 00:27:30,480

completely

828

00:27:35,750 --> 00:27:33,760

overtook everything for about a week

829

00:27:36,950 --> 00:27:35,760

and then disappeared in and nobody talks

830

00:27:39,269 --> 00:27:36,960

about it anymore and

831

00:27:41,029 --> 00:27:39,279

always the same with these these news

832

00:27:41,590 --> 00:27:41,039

stories reporting extraterrestrial life

833

00:27:43,110 --> 00:27:41,600

is

834

00:27:45,029 --> 00:27:43,120

people get super hyped on them and then

835

00:27:47,510 --> 00:27:45,039

kind of forget about them and oh

836

00:27:48,870 --> 00:27:47,520

great so it's important it's important

837

00:27:50,630 --> 00:27:48,880

to do the follow-up too

838

00:27:52,789 --> 00:27:50,640

i mean as we've said there's been so

839

00:27:53,669 --> 00:27:52,799

much more that these stories are ongoing

840

00:27:55,830 --> 00:27:53,679

this research

841

00:27:57,909 --> 00:27:55,840

research like this is constantly

842

00:28:00,070 --> 00:27:57,919

evolving and moving forward

843

00:28:01,510 --> 00:28:00,080

and this one there's been new

844

00:28:03,669 --> 00:28:01,520

developments with the story

845

00:28:05,909 --> 00:28:03,679

yet very few have reported on it because

846

00:28:09,350 --> 00:28:05,919

it's far less sexy to say

847

00:28:11,909 --> 00:28:09,360

actually the big news we hyped earlier

848

00:28:12,950 --> 00:28:11,919

isn't as sexy as we claimed it was it's

849

00:28:15,590 --> 00:28:12,960

still cool

850

00:28:17,350 --> 00:28:15,600

but not as sexy i mean there hasn't been

851  
00:28:19,350 --> 00:28:17,360  
that follow-up so still i'm sure

852  
00:28:21,190 --> 00:28:19,360  
everybody who got excited about those

853  
00:28:22,710 --> 00:28:21,200  
initial articles are still thinking

854  
00:28:26,070 --> 00:28:22,720  
they're aliens on venus

855  
00:28:28,070 --> 00:28:26,080  
yeah and and you know with all of these

856  
00:28:29,110 --> 00:28:28,080  
and we've seen this with enceladus and a

857  
00:28:32,789 --> 00:28:29,120  
lot of other

858  
00:28:35,029 --> 00:28:32,799  
planets this is is very exciting news

859  
00:28:37,990 --> 00:28:35,039  
and we continue to find developments

860  
00:28:40,549 --> 00:28:38,000  
um you know even on earth where life is

861  
00:28:42,230 --> 00:28:40,559  
existing in conditions that we thought

862  
00:28:43,990 --> 00:28:42,240  
previously impossible

863  
00:28:46,310 --> 00:28:44,000

and and that's the exciting part about

864

00:28:47,430 --> 00:28:46,320

this because we need to and as we always

865

00:28:50,149 --> 00:28:47,440

say

866

00:28:51,350 --> 00:28:50,159

life can't survive in this atmosphere as

867

00:28:53,430 --> 00:28:51,360

we know it

868

00:28:54,710 --> 00:28:53,440

but we don't know everything we're we're

869

00:28:57,029 --> 00:28:54,720

quite uh

870

00:28:58,230 --> 00:28:57,039

minimal in our knowledge of we know very

871

00:29:01,990 --> 00:28:58,240

little yeah

872

00:29:06,710 --> 00:29:02,000

absolutely yeah all right our next story

873

00:29:08,950 --> 00:29:06,720

for number seven japan has a ufo policy

874

00:29:09,990 --> 00:29:08,960

ryan tell us about japan's ufo policy

875

00:29:12,470 --> 00:29:10,000

yeah it's pretty cool

876

00:29:13,430 --> 00:29:12,480

uh september 8th during a press

877

00:29:15,669 --> 00:29:13,440

conference

878

00:29:17,350 --> 00:29:15,679

taro kono the defense minister of japan

879

00:29:20,389 --> 00:29:17,360

he was asked if he had

880

00:29:22,710 --> 00:29:20,399

a ufo policy and if japan was looking to

881

00:29:24,870 --> 00:29:22,720

cooperate with the us in the future

882

00:29:26,549 --> 00:29:24,880

and uh minister kono said he planned to

883

00:29:29,110 --> 00:29:26,559

address a ufo policy

884

00:29:31,350 --> 00:29:29,120

soon in that he and the u.s secretary of

885

00:29:33,909 --> 00:29:31,360

defense mark esper talked about it

886

00:29:34,549 --> 00:29:33,919

but he wouldn't elaborate beyond that um

887

00:29:36,630 --> 00:29:34,559

then

888

00:29:38,870 --> 00:29:36,640

on september 14th about a week later

889

00:29:39,990 --> 00:29:38,880

media outlets in japan reported that

890

00:29:42,149 --> 00:29:40,000

minister kono

891

00:29:44,149 --> 00:29:42,159

had issued official protocols for

892

00:29:46,549 --> 00:29:44,159

japan's self-defense forces

893

00:29:48,470 --> 00:29:46,559

to follow uh when dealing with

894

00:29:50,630 --> 00:29:48,480

unidentified aerial objects that would

895

00:29:52,310 --> 00:29:50,640

pose a national security threat

896

00:29:54,310 --> 00:29:52,320

and uh these are pretty straightforward

897

00:29:55,510 --> 00:29:54,320

you know try to record and photograph

898

00:29:58,070 --> 00:29:55,520

the ufos

899

00:29:59,029 --> 00:29:58,080

uh take steps for necessary analysis of

900

00:30:01,029 --> 00:29:59,039

a sighting

901  
00:30:02,310 --> 00:30:01,039  
and uh including all information

902  
00:30:05,190 --> 00:30:02,320  
provided separately

903  
00:30:06,950 --> 00:30:05,200  
by the public so minister kono he

904  
00:30:10,470 --> 00:30:06,960  
recently stated that he

905  
00:30:12,070 --> 00:30:10,480  
does not believe in ufos and he's been

906  
00:30:15,190 --> 00:30:12,080  
saying this for many many years

907  
00:30:18,230 --> 00:30:15,200  
and he asserts that no sdf pilot has

908  
00:30:21,029 --> 00:30:18,240  
ever encountered a ufo in japan

909  
00:30:22,149 --> 00:30:21,039  
but he has these protocols in place so

910  
00:30:25,029 --> 00:30:22,159  
that they're ready if

911  
00:30:26,149 --> 00:30:25,039  
when they do encounter a ufo there is a

912  
00:30:27,669 --> 00:30:26,159  
protocol so

913  
00:30:29,590 --> 00:30:27,679

you know while he personally doesn't

914

00:30:31,909 --> 00:30:29,600

believe in it or uh

915

00:30:33,350 --> 00:30:31,919

says that no pilot in japan has ever

916

00:30:37,909 --> 00:30:33,360

encountered a ufo

917

00:30:41,510 --> 00:30:40,470

there's a safety net now so if you call

918

00:30:43,830 --> 00:30:41,520

that progress

919

00:30:44,549 --> 00:30:43,840

great but um this is pretty interesting

920

00:30:47,669 --> 00:30:44,559

i mean hey

921

00:30:48,149 --> 00:30:47,679

the us uh task force and uip and

922

00:30:50,870 --> 00:30:48,159

everything

923

00:30:52,470 --> 00:30:50,880

is trickling over to other countries and

924

00:30:54,470 --> 00:30:52,480

in influencing the way they're looking

925

00:30:56,389 --> 00:30:54,480

at it so that's my thoughts on it

926  
00:30:57,590 --> 00:30:56,399  
it's cool yeah it's it's one of those

927  
00:31:00,149 --> 00:30:57,600  
things too where it's like

928  
00:31:01,750 --> 00:31:00,159  
look it's just an unknown object we're

929  
00:31:03,509 --> 00:31:01,760  
not saying it's extraterrestrial in

930  
00:31:06,549 --> 00:31:03,519  
nature you should have

931  
00:31:08,789 --> 00:31:06,559  
every country should have some sort of

932  
00:31:09,110 --> 00:31:08,799  
policy in place for how to report those

933  
00:31:10,950 --> 00:31:09,120  
things

934  
00:31:12,470 --> 00:31:10,960  
you think it's a no-brainer and if they

935  
00:31:13,269 --> 00:31:12,480  
don't already have that that's

936  
00:31:15,350 --> 00:31:13,279  
terrifying

937  
00:31:17,110 --> 00:31:15,360  
but it's what are they doing everyone's

938  
00:31:18,470 --> 00:31:17,120

hung up on the stigma so

939

00:31:20,549 --> 00:31:18,480

you know he's saying i don't believe in

940

00:31:23,509 --> 00:31:20,559

ufos you're saying you don't believe in

941

00:31:25,269 --> 00:31:23,519

in trying to figure out what an unknown

942

00:31:28,149 --> 00:31:25,279

craft line through your airspace

943

00:31:28,950 --> 00:31:28,159

yeah i'm sorry that's not you know if

944

00:31:31,509 --> 00:31:28,960

you ask me

945

00:31:32,870 --> 00:31:31,519

he's failing at his job miserably by

946

00:31:35,830 --> 00:31:32,880

saying that

947

00:31:36,230 --> 00:31:35,840

and and we like you said we know there

948

00:31:39,509 --> 00:31:36,240

are

949

00:31:42,389 --> 00:31:39,519

cases of pilots there seen

950

00:31:43,909 --> 00:31:42,399

yes ufos that potentially by be

951  
00:31:45,909 --> 00:31:43,919  
extraterrestrial in nature

952  
00:31:47,190 --> 00:31:45,919  
or maybe they're they're you know

953  
00:31:48,950 --> 00:31:47,200  
neighbors uh

954  
00:31:50,630 --> 00:31:48,960  
north korea or something you know like

955  
00:31:53,509 --> 00:31:50,640  
you don't know you have to

956  
00:31:54,389 --> 00:31:53,519  
be able to figure that out or at least

957  
00:31:56,710 --> 00:31:54,399  
try

958  
00:31:57,990 --> 00:31:56,720  
my biggest reaction to this story was

959  
00:31:59,990 --> 00:31:58,000  
just kind of laughing

960  
00:32:02,470 --> 00:32:00,000  
that any country would look to us for

961  
00:32:04,950 --> 00:32:02,480  
leadership when it comes to ufos

962  
00:32:05,990 --> 00:32:04,960  
really give me a break no we have no

963  
00:32:08,789 --> 00:32:06,000

idea what we're doing

964

00:32:09,110 --> 00:32:08,799

look look to france look to chile look

965

00:32:12,230 --> 00:32:09,120

to

966

00:32:13,269 --> 00:32:12,240

people who have those programs yes in a

967

00:32:15,430 --> 00:32:13,279

non-stigma

968

00:32:16,389 --> 00:32:15,440

environment yeah well something that i

969

00:32:19,190 --> 00:32:16,399

think

970

00:32:21,269 --> 00:32:19,200

goes a long way in helping reduce that

971

00:32:21,909 --> 00:32:21,279

stigma that still does surround the ufo

972

00:32:23,990 --> 00:32:21,919

topic

973

00:32:26,230 --> 00:32:24,000

that's our number eight story the

974

00:32:27,909 --> 00:32:26,240

release of the documentary film

975

00:32:29,430 --> 00:32:27,919

the phenomenon morning you want to tell

976

00:32:31,029 --> 00:32:29,440

us about the phenomenon

977

00:32:32,630 --> 00:32:31,039

yeah of course and i hope everyone's

978

00:32:34,470 --> 00:32:32,640

seen it already but you know if you've

979

00:32:36,149 --> 00:32:34,480

watched ufo documentaries during the

980

00:32:38,630 --> 00:32:36,159

past couple decades

981

00:32:41,190 --> 00:32:38,640

chances are pretty good that you've seen

982

00:32:43,190 --> 00:32:41,200

at least one of james fox's films

983

00:32:44,310 --> 00:32:43,200

both out of the blue and i know what i

984

00:32:46,470 --> 00:32:44,320

saw are some of the

985

00:32:49,269 --> 00:32:46,480

i would say best most compelling

986

00:32:51,990 --> 00:32:49,279

documentaries on the subject of ufos

987

00:32:54,389 --> 00:32:52,000

in general um and he successfully

988

00:32:56,230 --> 00:32:54,399

continued this trend with the phenomenon

989

00:32:57,750 --> 00:32:56,240

which was released to the world on

990

00:33:00,549 --> 00:32:57,760

october 6th

991

00:33:01,269 --> 00:33:00,559

so the film's official description is

992

00:33:03,350 --> 00:33:01,279

including

993

00:33:04,950 --> 00:33:03,360

shocking never-before-seen testimony

994

00:33:06,470 --> 00:33:04,960

from high-ranking government and

995

00:33:09,190 --> 00:33:06,480

military officials

996

00:33:09,990 --> 00:33:09,200

nasa astronauts and riveting footage the

997

00:33:12,470 --> 00:33:10,000

timely film

998

00:33:14,870 --> 00:33:12,480

includes bombshell reveals about uap

999

00:33:15,669 --> 00:33:14,880

incursions at nuclear weapon facilities

1000

00:33:17,590 --> 00:33:15,679

and

1001  
00:33:19,750 --> 00:33:17,600  
the monumental events behind the new

1002  
00:33:22,230 --> 00:33:19,760  
york times recent disclosure of ufo

1003  
00:33:23,029 --> 00:33:22,240  
videos and the pentagon's classified ufo

1004  
00:33:25,029 --> 00:33:23,039  
program

1005  
00:33:27,509 --> 00:33:25,039  
providing eye-opening evidence that

1006  
00:33:30,149 --> 00:33:27,519  
mankind is not alone in the universe

1007  
00:33:31,509 --> 00:33:30,159  
senator harry reid says the phenomenon

1008  
00:33:34,310 --> 00:33:31,519  
makes the incredible

1009  
00:33:35,669 --> 00:33:34,320  
credible so we actually spoke to james

1010  
00:33:38,630 --> 00:33:35,679  
on the rogue planet show

1011  
00:33:40,549 --> 00:33:38,640  
the week of the release of the movie and

1012  
00:33:42,630 --> 00:33:40,559  
he shared that uh prominent

1013  
00:33:44,630 --> 00:33:42,640

ufo researcher jacques valet was

1014

00:33:45,509 --> 00:33:44,640

reluctant at first to contribute to the

1015

00:33:47,830 --> 00:33:45,519

phenomenon

1016

00:33:49,029 --> 00:33:47,840

but he when he saw what james was doing

1017

00:33:51,669 --> 00:33:49,039

he eventually became

1018

00:33:52,149 --> 00:33:51,679

a producer and a consultant on this film

1019

00:33:54,230 --> 00:33:52,159

and

1020

00:33:56,230 --> 00:33:54,240

valet now calls this the most credible

1021

00:34:00,149 --> 00:33:56,240

documentary ever made about

1022

00:34:03,750 --> 00:34:00,159

ufos and i agree

1023

00:34:06,149 --> 00:34:03,760

i think that yeah it's

1024

00:34:06,789 --> 00:34:06,159

because we're looking at a timeline of

1025

00:34:08,710 --> 00:34:06,799

events

1026

00:34:11,109 --> 00:34:08,720

and he includes a lot of really

1027

00:34:12,950 --> 00:34:11,119

monumental cases from the past

1028

00:34:14,710 --> 00:34:12,960

and we get some never-before-seen

1029

00:34:16,550 --> 00:34:14,720

footage of some of these events and

1030

00:34:17,750 --> 00:34:16,560

interviews with with people that were

1031

00:34:21,510 --> 00:34:17,760

related that

1032

00:34:24,629 --> 00:34:21,520

we have never seen and it comes off

1033

00:34:27,030 --> 00:34:24,639

as so credible and i would show that to

1034

00:34:29,750 --> 00:34:27,040

anybody that that like thinks that

1035

00:34:30,950 --> 00:34:29,760

the ufo uap community is completely

1036

00:34:34,869 --> 00:34:30,960

crazy

1037

00:34:37,190 --> 00:34:34,879

and to show them why we

1038

00:34:38,710 --> 00:34:37,200

as researchers are so intrigued and

1039

00:34:39,510 --> 00:34:38,720

interested in what's going on in the

1040

00:34:43,349 --> 00:34:39,520

world

1041

00:34:46,389 --> 00:34:43,359

and you know he even covers a case

1042

00:34:49,750 --> 00:34:46,399

that is the rua

1043

00:34:53,030 --> 00:34:49,760

the aerial school incident where

1044

00:34:54,790 --> 00:34:53,040

it actually involves maybe beans

1045

00:34:56,310 --> 00:34:54,800

where most people would be like oh this

1046

00:34:58,150 --> 00:34:56,320

is then the

1047

00:35:00,630 --> 00:34:58,160

when you start bringing in actual

1048

00:35:02,150 --> 00:35:00,640

physical organic entities people start

1049

00:35:04,390 --> 00:35:02,160

getting crazy

1050

00:35:05,829 --> 00:35:04,400

but watch it because this is a very very

1051

00:35:07,990 --> 00:35:05,839

curious case

1052

00:35:09,030 --> 00:35:08,000

and it's with a ton of children and

1053

00:35:11,510 --> 00:35:09,040

their teachers

1054

00:35:12,230 --> 00:35:11,520

and they have stuck to their stories for

1055

00:35:15,270 --> 00:35:12,240

for

1056

00:35:18,150 --> 00:35:15,280

you know what it was 1994

1057

00:35:20,150 --> 00:35:18,160

so less than 30 years but close yeah i

1058

00:35:22,870 --> 00:35:20,160

and i love how the the description

1059

00:35:24,390 --> 00:35:22,880

states it riveting footage just like you

1060

00:35:27,109 --> 00:35:24,400

you said there's so much footage

1061

00:35:29,349 --> 00:35:27,119

in there that uh you know has never been

1062

00:35:31,750 --> 00:35:29,359

seen or has rarely been seen

1063

00:35:32,950 --> 00:35:31,760

the interviews with people um present

1064

00:35:36,310 --> 00:35:32,960

day and

1065

00:35:39,589 --> 00:35:36,320

uh back during john matthews

1066

00:35:41,670 --> 00:35:39,599

yeah i don't remember ever crying at a

1067

00:35:43,270 --> 00:35:41,680

ufo documentary before

1068

00:35:45,109 --> 00:35:43,280

but and you guys right and you crying

1069

00:35:46,150 --> 00:35:45,119

you guys you know i'm pretty sensitive

1070

00:35:48,390 --> 00:35:46,160

to begin with but

1071

00:35:49,589 --> 00:35:48,400

i cried twice during this one during the

1072

00:35:52,230 --> 00:35:49,599

ruiz zimbabwe

1073

00:35:53,829 --> 00:35:52,240

part where the kids you know some 20

1074

00:35:56,230 --> 00:35:53,839

something years later or whatever

1075

00:35:56,950 --> 00:35:56,240

um that was really powerful and then um

1076  
00:35:59,990 --> 00:35:56,960  
hearing

1077  
00:36:02,150 --> 00:36:00,000  
uh lonnie zamora's wife talk about how

1078  
00:36:05,030 --> 00:36:02,160  
the sakura new mexico case

1079  
00:36:06,069 --> 00:36:05,040  
like ruined his life and um his

1080  
00:36:09,510 --> 00:36:06,079  
reputation

1081  
00:36:12,790 --> 00:36:09,520  
and that he he was really like

1082  
00:36:14,790 --> 00:36:12,800  
sad and james was able to like find all

1083  
00:36:15,910 --> 00:36:14,800  
these letters that people had written to

1084  
00:36:18,550 --> 00:36:15,920  
lonnie zamora

1085  
00:36:19,510 --> 00:36:18,560  
like in you know help like telling him

1086  
00:36:21,750 --> 00:36:19,520  
we believe you

1087  
00:36:23,190 --> 00:36:21,760  
we've seen these things so that was a

1088  
00:36:26,550 --> 00:36:23,200

really powerful moment for me

1089

00:36:27,430 --> 00:36:26,560

um james isn't just like shoot a talking

1090

00:36:30,550 --> 00:36:27,440

head interview

1091

00:36:32,230 --> 00:36:30,560

and done like he was digging for years

1092

00:36:34,150 --> 00:36:32,240

for some of this information

1093

00:36:36,630 --> 00:36:34,160

and going to like the national archives

1094

00:36:37,829 --> 00:36:36,640

and getting things that no one's ever

1095

00:36:40,870 --> 00:36:37,839

seen before so

1096

00:36:43,910 --> 00:36:40,880

i mean i think harry reid's right and

1097

00:36:44,710 --> 00:36:43,920

um valet is right this is probably the

1098

00:36:48,310 --> 00:36:44,720

most

1099

00:36:50,710 --> 00:36:48,320

uh in-depth study we've ever had of the

1100

00:36:52,470 --> 00:36:50,720

ufo phenomenon throughout the decades so

1101

00:36:54,230 --> 00:36:52,480

kudos to james on that i know he's been

1102

00:36:57,430 --> 00:36:54,240

working on it for god

1103

00:36:59,670 --> 00:36:57,440

10 years and yeah i went through every

1104

00:37:02,069 --> 00:36:59,680

hurdle to get this thing made and then

1105

00:37:04,390 --> 00:37:02,079

up until including it not being in

1106

00:37:07,109 --> 00:37:04,400

theaters during the pandemic which was

1107

00:37:08,550 --> 00:37:07,119

his bucket list dream but um yeah maybe

1108

00:37:11,430 --> 00:37:08,560

they're still home that'll happen

1109

00:37:11,750 --> 00:37:11,440

yeah i i hope i hope i hope so theaters

1110

00:37:13,829 --> 00:37:11,760

are

1111

00:37:15,589 --> 00:37:13,839

or back up that it's re-released in

1112

00:37:17,510 --> 00:37:15,599

theaters and and you know what it's

1113

00:37:18,950 --> 00:37:17,520

i think it's like ranking the number one

1114

00:37:21,349 --> 00:37:18,960

documentary

1115

00:37:22,550 --> 00:37:21,359

in the definitely in the us if not in

1116

00:37:25,589 --> 00:37:22,560

the world

1117

00:37:27,990 --> 00:37:25,599

wow um

1118

00:37:29,750 --> 00:37:28,000

and which which is incredible and i

1119

00:37:30,550 --> 00:37:29,760

think it sticks to that point that

1120

00:37:32,870 --> 00:37:30,560

people are

1121

00:37:34,069 --> 00:37:32,880

starting to realize that there's more

1122

00:37:37,109 --> 00:37:34,079

behind

1123

00:37:40,390 --> 00:37:37,119

this whole phenomenon that uh

1124

00:37:44,310 --> 00:37:40,400

then what they just see you know the woo

1125

00:37:46,710 --> 00:37:44,320

stuff so uh i love it and and

1126  
00:37:48,390 --> 00:37:46,720  
yeah congrats to james i know that you

1127  
00:37:50,870 --> 00:37:48,400  
know he got pretty emotional when we

1128  
00:37:53,349 --> 00:37:50,880  
interviewed him too i mean this is a

1129  
00:37:54,870 --> 00:37:53,359  
very intense passion project for him

1130  
00:37:58,470 --> 00:37:54,880  
that he's worked very hard on

1131  
00:38:01,030 --> 00:37:58,480  
and he's done a great service to the

1132  
00:38:02,710 --> 00:38:01,040  
to the world i would say putting out

1133  
00:38:05,670 --> 00:38:02,720  
something that's not a complete

1134  
00:38:06,390 --> 00:38:05,680  
pile of trash yeah yeah i love that

1135  
00:38:08,470 --> 00:38:06,400  
movie and

1136  
00:38:10,390 --> 00:38:08,480  
like you said i mean i'd recommend it to

1137  
00:38:12,470 --> 00:38:10,400  
anybody you know for people

1138  
00:38:14,230 --> 00:38:12,480

who are into this subject or people just

1139

00:38:14,950 --> 00:38:14,240

getting into it i think it does a really

1140

00:38:17,750 --> 00:38:14,960

good job

1141

00:38:19,589 --> 00:38:17,760

of laying the groundwork going through

1142

00:38:22,470 --> 00:38:19,599

chronologically essentially

1143

00:38:23,750 --> 00:38:22,480

and uh you know presenting those facts

1144

00:38:26,710 --> 00:38:23,760

presenting witnesses

1145

00:38:27,430 --> 00:38:26,720

and and making it a digestible thing for

1146

00:38:29,109 --> 00:38:27,440

anybody

1147

00:38:30,710 --> 00:38:29,119

really getting into it and for people

1148

00:38:31,910 --> 00:38:30,720

like us we're very familiar with pretty

1149

00:38:32,470 --> 00:38:31,920

much everything that was covered in that

1150

00:38:33,990 --> 00:38:32,480

film

1151

00:38:36,150 --> 00:38:34,000

there are so many little nuggets in

1152

00:38:38,550 --> 00:38:36,160

there that will surprise you

1153

00:38:39,510 --> 00:38:38,560

certainly surprised me it was a fun ride

1154

00:38:42,150 --> 00:38:39,520

well

1155

00:38:43,030 --> 00:38:42,160

we've reached number nine and that is

1156

00:38:46,390 --> 00:38:43,040

that leaked

1157

00:38:47,510 --> 00:38:46,400

ufo photo shane go ahead and take this

1158

00:38:49,829 --> 00:38:47,520

one all right

1159

00:38:51,990 --> 00:38:49,839

so on december 2nd the newly launched

1160

00:38:54,790 --> 00:38:52,000

media outlet the debrief

1161

00:38:55,430 --> 00:38:54,800

they published an article entitled fast

1162

00:38:58,390 --> 00:38:55,440

movers

1163

00:39:00,310 --> 00:38:58,400

and trans-medium vehicles the pentagon's

1164

00:39:03,349 --> 00:39:00,320

unidentified aerial phenomena

1165

00:39:05,510 --> 00:39:03,359

task force that article revealed that

1166

00:39:07,270 --> 00:39:05,520

two classified intelligence reports on

1167

00:39:09,349 --> 00:39:07,280

ufos have reportedly been

1168

00:39:11,109 --> 00:39:09,359

widely distributed in the u.s

1169

00:39:13,270 --> 00:39:11,119

intelligence community

1170

00:39:15,270 --> 00:39:13,280

during the last couple of years and the

1171

00:39:17,109 --> 00:39:15,280

reports reportedly contained clear

1172

00:39:19,030 --> 00:39:17,119

photos of ufos

1173

00:39:20,710 --> 00:39:19,040

well a day after this article came out

1174

00:39:21,430 --> 00:39:20,720

the debrief published a follow-up

1175

00:39:24,550 --> 00:39:21,440

article that

1176

00:39:25,270 --> 00:39:24,560

included one of these ufo photos and

1177

00:39:27,270 --> 00:39:25,280

allegedly

1178

00:39:29,910 --> 00:39:27,280

leaked by someone who would have

1179

00:39:31,589 --> 00:39:29,920

received the intelligence report

1180

00:39:33,510 --> 00:39:31,599

now although this ufo photo has

1181

00:39:35,750 --> 00:39:33,520

apparently been floating around on the

1182

00:39:37,589 --> 00:39:35,760

internet since may of this year

1183

00:39:39,750 --> 00:39:37,599

and it's allegedly been in the

1184

00:39:42,790 --> 00:39:39,760

possession of other individuals since of

1185

00:39:43,750 --> 00:39:42,800

late of 2019 it was its publishing by

1186

00:39:45,829 --> 00:39:43,760

the debrief

1187

00:39:47,430 --> 00:39:45,839

along with additional details about the

1188

00:39:49,829 --> 00:39:47,440

incident itself

1189

00:39:51,670 --> 00:39:49,839  
that launched it into the spotlight

1190

00:39:53,670 --> 00:39:51,680  
almost as soon as it was published

1191

00:39:56,150 --> 00:39:53,680  
internet slu seemingly solved the

1192

00:39:57,910 --> 00:39:56,160  
mystery asserting that the ufo in the

1193

00:39:58,870 --> 00:39:57,920  
photo is nothing more than a mylar

1194

00:40:03,510 --> 00:39:58,880  
balloon

1195

00:40:05,430 --> 00:40:03,520  
shape of the object in the photo is

1196

00:40:06,870 --> 00:40:05,440  
seemingly a perfect match to the shape

1197

00:40:09,910 --> 00:40:06,880  
of a batman balloon

1198

00:40:10,950 --> 00:40:09,920  
balloons can and do reach those high

1199

00:40:13,030 --> 00:40:10,960  
altitudes

1200

00:40:14,390 --> 00:40:13,040  
where the jet would have been flying and

1201

00:40:16,710 --> 00:40:14,400

a batman balloon is

1202

00:40:18,470 --> 00:40:16,720

unlikely something a fighter pilot has

1203

00:40:21,190 --> 00:40:18,480

ever seen while flying

1204

00:40:22,230 --> 00:40:21,200

so a balloon is a logical explanation in

1205

00:40:24,630 --> 00:40:22,240

this case

1206

00:40:25,510 --> 00:40:24,640

based on the information that's publicly

1207

00:40:27,910 --> 00:40:25,520

available

1208

00:40:29,589 --> 00:40:27,920

however there is allegedly more

1209

00:40:30,390 --> 00:40:29,599

information that goes along with this

1210

00:40:33,430 --> 00:40:30,400

incident

1211

00:40:35,750 --> 00:40:33,440

so if we ever get access to that data

1212

00:40:38,069 --> 00:40:35,760

we can reevaluate and see if the balloon

1213

00:40:39,829 --> 00:40:38,079

identification remains a plausible

1214

00:40:42,309 --> 00:40:39,839

explanation and i think that's a really

1215

00:40:43,109 --> 00:40:42,319

important point based on the information

1216

00:40:51,270 --> 00:40:43,119

we have

1217

00:40:53,670 --> 00:40:51,280

with most ufo photos

1218

00:40:54,470 --> 00:40:53,680

but uh you know then take into account

1219

00:40:57,910 --> 00:40:54,480

the

1220

00:40:59,750 --> 00:40:57,920

where it comes from

1221

00:41:01,109 --> 00:40:59,760

you know those are all great uh

1222

00:41:04,230 --> 00:41:01,119

contributing pieces

1223

00:41:07,190 --> 00:41:04,240

to this whole case in itself

1224

00:41:08,870 --> 00:41:07,200

but um you know when it comes to ufos

1225

00:41:10,550 --> 00:41:08,880

and i i think you agree shane that when

1226

00:41:12,630 --> 00:41:10,560

we we're dealing with

1227

00:41:13,910 --> 00:41:12,640

ufo photos or videos and trying to

1228

00:41:17,109 --> 00:41:13,920

identify things

1229

00:41:20,870 --> 00:41:17,119

a lot of people really like to overlook

1230

00:41:23,349 --> 00:41:20,880

things that are good possibilities

1231

00:41:24,550 --> 00:41:23,359

or are are reasonably logical

1232

00:41:27,990 --> 00:41:24,560

conclusions

1233

00:41:29,910 --> 00:41:28,000

and rather jump to something far out or

1234

00:41:31,190 --> 00:41:29,920

extraterrestrial it's easier to make

1235

00:41:33,750 --> 00:41:31,200

that jump to something

1236

00:41:35,750 --> 00:41:33,760

incredible rather than looking at what

1237

00:41:37,589 --> 00:41:35,760

is reasonably

1238

00:41:39,910 --> 00:41:37,599

logically possible for the

1239

00:41:41,349 --> 00:41:39,920

identification and in this case like we

1240

00:41:43,190 --> 00:41:41,359

said

1241

00:41:45,190 --> 00:41:43,200

all these things certainly could explain

1242

00:41:48,630 --> 00:41:45,200

a balloon but

1243

00:41:50,309 --> 00:41:48,640

we weren't there um i'm still mesmerized

1244

00:41:52,870 --> 00:41:50,319

and kind of confused that a pilot was

1245

00:41:55,589 --> 00:41:52,880

able to capture a photo like that

1246

00:41:56,790 --> 00:41:55,599

in an f-18 flying at 600 miles an hour

1247

00:41:58,870 --> 00:41:56,800

or whatever they were doing

1248

00:42:01,109 --> 00:41:58,880

at their cruising speed and still

1249

00:42:01,589 --> 00:42:01,119

managed to get a solid object like that

1250

00:42:03,190 --> 00:42:01,599

i mean

1251  
00:42:04,790 --> 00:42:03,200  
i've never been able to do that with

1252  
00:42:07,750 --> 00:42:04,800  
with my phone

1253  
00:42:08,950 --> 00:42:07,760  
driving 60 down the freeway so it's

1254  
00:42:10,950 --> 00:42:08,960  
still kind of confusing and

1255  
00:42:12,630 --> 00:42:10,960  
i thought it was really cool that uh on

1256  
00:42:15,670 --> 00:42:12,640  
the holiday episode

1257  
00:42:16,230 --> 00:42:15,680  
of the mystery wire podcast george knapp

1258  
00:42:18,390 --> 00:42:16,240  
did

1259  
00:42:19,829 --> 00:42:18,400  
clear up some confusion about that

1260  
00:42:21,670 --> 00:42:19,839  
because he said

1261  
00:42:23,829 --> 00:42:21,680  
you know and a lot of people had heard

1262  
00:42:27,670 --> 00:42:23,839  
that george had allegedly been

1263  
00:42:30,069 --> 00:42:27,680

in possession of this photo since 2019

1264

00:42:31,750 --> 00:42:30,079

and a lot of people found that curious

1265

00:42:34,790 --> 00:42:31,760

but he clarified that when

1266

00:42:37,030 --> 00:42:34,800

he heard the this photo had been leaked

1267

00:42:37,990 --> 00:42:37,040

um and heard that it was a photo taken

1268

00:42:39,990 --> 00:42:38,000

from a cockpit

1269

00:42:42,630 --> 00:42:40,000

a fighter jet of an object out the

1270

00:42:44,630 --> 00:42:42,640

window he assumed it was the same photo

1271

00:42:46,390 --> 00:42:44,640

and he he had looked at the photo that

1272

00:42:48,950 --> 00:42:46,400

he is in possession of

1273

00:42:50,470 --> 00:42:48,960

um in some time but when he actually

1274

00:42:51,990 --> 00:42:50,480

pulled it out and took a look at it he

1275

00:42:52,710 --> 00:42:52,000

realized it's a completely different

1276

00:42:56,390 --> 00:42:52,720

photo

1277

00:42:57,990 --> 00:42:56,400

the same incident but it's it's a

1278

00:43:00,069 --> 00:42:58,000

different photo it's not the same

1279

00:43:01,910 --> 00:43:00,079

photo that we've seen publicly and he

1280

00:43:04,069 --> 00:43:01,920

also clarified it's not

1281

00:43:05,349 --> 00:43:04,079

the other photo that was mentioned in

1282

00:43:07,190 --> 00:43:05,359

the debrief article

1283

00:43:08,870 --> 00:43:07,200

about uh with this triangle object

1284

00:43:11,190 --> 00:43:08,880

seemingly coming out of the ocean

1285

00:43:12,630 --> 00:43:11,200

so it's not that either but he does have

1286

00:43:14,390 --> 00:43:12,640

this other photo

1287

00:43:16,550 --> 00:43:14,400

that looks similar to the one that was

1288

00:43:18,870 --> 00:43:16,560

released but it's not that it's a

1289

00:43:20,150 --> 00:43:18,880

different a photo of a different object

1290

00:43:23,510 --> 00:43:20,160

so that's kind of

1291

00:43:25,829 --> 00:43:23,520

interesting and george is

1292

00:43:27,910 --> 00:43:25,839

a journalist first and foremost and he

1293

00:43:30,309 --> 00:43:27,920

knows that and wanted to clear that up

1294

00:43:31,589 --> 00:43:30,319

so george always uh you know is good

1295

00:43:33,270 --> 00:43:31,599

about that about

1296

00:43:34,870 --> 00:43:33,280

following up stories following up his

1297

00:43:36,710 --> 00:43:34,880

statements to clarify

1298

00:43:38,309 --> 00:43:36,720

things to make sure that people are

1299

00:43:40,550 --> 00:43:38,319

working with the full picture so

1300

00:43:41,349 --> 00:43:40,560

kudos to george on that yeah and he also

1301  
00:43:43,670 --> 00:43:41,359  
he also

1302  
00:43:44,470 --> 00:43:43,680  
um i think we should keep in mind his

1303  
00:43:46,630 --> 00:43:44,480  
source

1304  
00:43:48,230 --> 00:43:46,640  
said you cannot share the photo and he

1305  
00:43:49,750 --> 00:43:48,240  
respected that because it'd be easy for

1306  
00:43:51,910 --> 00:43:49,760  
him to just drop it

1307  
00:43:53,510 --> 00:43:51,920  
tomorrow and everyone's like if you have

1308  
00:43:55,030 --> 00:43:53,520  
it show us but

1309  
00:43:56,790 --> 00:43:55,040  
again like it's the same with the

1310  
00:43:59,910 --> 00:43:56,800  
debrief the guys over there like

1311  
00:44:02,550 --> 00:43:59,920  
they have sources for a reason so i mean

1312  
00:44:03,990 --> 00:44:02,560  
i think as a journalist and those who

1313  
00:44:06,550 --> 00:44:04,000

respect these journalists like

1314

00:44:07,990 --> 00:44:06,560

just respect that like don't make all

1315

00:44:09,589 --> 00:44:08,000

these conspiracy theories

1316

00:44:11,510 --> 00:44:09,599

that like they're trying to muddy the

1317

00:44:13,510 --> 00:44:11,520

waters or they're part of the

1318

00:44:14,710 --> 00:44:13,520

disinformation no they're reporting on

1319

00:44:17,430 --> 00:44:14,720

things when they can

1320

00:44:18,630 --> 00:44:17,440

and i think too with this story jason

1321

00:44:21,670 --> 00:44:18,640

shannon maureen um

1322

00:44:25,109 --> 00:44:21,680

it really showed how good

1323

00:44:28,150 --> 00:44:25,119

and smart and diligent the ufo community

1324

00:44:30,309 --> 00:44:28,160

is in many respects we always bash on

1325

00:44:31,750 --> 00:44:30,319

ufo people and say we're our own worst

1326

00:44:34,950 --> 00:44:31,760

enemy but in this case

1327

00:44:37,270 --> 00:44:34,960

i mean within hours of that photo going

1328

00:44:39,750 --> 00:44:37,280

online people were pretty much able to

1329

00:44:41,190 --> 00:44:39,760

possibly determine what it was uh this

1330

00:44:43,190 --> 00:44:41,200

batman mylar balloon

1331

00:44:44,230 --> 00:44:43,200

and then you started having people doing

1332

00:44:46,710 --> 00:44:44,240

tests of like

1333

00:44:48,790 --> 00:44:46,720

oh well um i went outside and drove my

1334

00:44:51,190 --> 00:44:48,800

car this miles per hour and took

1335

00:44:52,790 --> 00:44:51,200

in like that's cool that we we have the

1336

00:44:55,030 --> 00:44:52,800

ability to do that

1337

00:44:56,390 --> 00:44:55,040

and um possibly it's a valuable resource

1338

00:44:58,470 --> 00:44:56,400

it's a huge army it's great

1339

00:44:59,910 --> 00:44:58,480

absolutely so for every bad thing we say

1340

00:45:03,030 --> 00:44:59,920

about the ufo community

1341

00:45:04,550 --> 00:45:03,040

there is some good in there too i think

1342

00:45:07,109 --> 00:45:04,560

and and this is frustrating too because

1343

00:45:08,630 --> 00:45:07,119

i mean my my degree is in journalism and

1344

00:45:11,510 --> 00:45:08,640

that's journalism 101

1345

00:45:12,950 --> 00:45:11,520

i mean you have to respect the chain of

1346

00:45:15,829 --> 00:45:12,960

command of your sources

1347

00:45:17,349 --> 00:45:15,839

and and how you get your information and

1348

00:45:18,069 --> 00:45:17,359

you have to be a trustworthy thing you

1349

00:45:21,190 --> 00:45:18,079

can ruin your

1350

00:45:21,990 --> 00:45:21,200

credibility in one word you know one

1351  
00:45:25,109 --> 00:45:22,000  
mention

1352  
00:45:25,910 --> 00:45:25,119  
and so it's it's more of doing your due

1353  
00:45:29,589 --> 00:45:25,920  
diligence

1354  
00:45:30,069 --> 00:45:29,599  
in reporting as a non-biased journalist

1355  
00:45:32,710 --> 00:45:30,079  
than it

1356  
00:45:34,950 --> 00:45:32,720  
is your commitment to the ufo community

1357  
00:45:35,829 --> 00:45:34,960  
at this point otherwise you'd be in a

1358  
00:45:38,950 --> 00:45:35,839  
spiral hole

1359  
00:45:39,750 --> 00:45:38,960  
and i've got to say the second i saw the

1360  
00:45:42,950 --> 00:45:39,760  
photo

1361  
00:45:45,109 --> 00:45:42,960  
i did think balloon as well and it also

1362  
00:45:45,750 --> 00:45:45,119  
reminded me of those flying humanoid

1363  
00:45:48,550 --> 00:45:45,760

stories

1364

00:45:50,150 --> 00:45:48,560

we used to get uh reported open minds a

1365

00:45:53,510 --> 00:45:50,160

lot um

1366

00:45:55,829 --> 00:45:53,520

that were uh what was it it was it like

1367

00:45:59,030 --> 00:45:55,839

it was like a human drone thing or

1368

00:46:00,470 --> 00:45:59,040

balloon yeah that big one yeah yeah yeah

1369

00:46:02,150 --> 00:46:00,480

that definitely was one

1370

00:46:03,990 --> 00:46:02,160

um the other one that always with mylar

1371

00:46:05,109 --> 00:46:04,000

balloons makes me laugh is the shark

1372

00:46:07,190 --> 00:46:05,119

remember the flower oh yeah yeah the

1373

00:46:09,430 --> 00:46:07,200

flying shark through the

1374

00:46:10,470 --> 00:46:09,440

um and you so actually this is kind of

1375

00:46:13,750 --> 00:46:10,480

funny because

1376

00:46:15,829 --> 00:46:13,760

i found a mylar shark that i had bought

1377

00:46:17,030 --> 00:46:15,839

when that story came out for us to do a

1378

00:46:18,870 --> 00:46:17,040

test on like

1379

00:46:21,109 --> 00:46:18,880

like ryan mentioned it's like go do that

1380

00:46:22,870 --> 00:46:21,119

test but we had never put it together

1381

00:46:24,550 --> 00:46:22,880

and so i just recently cleaned out my

1382

00:46:27,589 --> 00:46:24,560

storage locker after 10 years

1383

00:46:28,230 --> 00:46:27,599

and gave it to my nephew and we filled

1384

00:46:29,750 --> 00:46:28,240

it up

1385

00:46:31,750 --> 00:46:29,760

and those things they're the ones that

1386

00:46:33,670 --> 00:46:31,760

have a little remote control and they're

1387

00:46:35,750 --> 00:46:33,680

they're like very crappily made but they

1388

00:46:37,109 --> 00:46:35,760

have helium in them but use the remote

1389

00:46:40,069 --> 00:46:37,119

to swish the tail

1390

00:46:41,270 --> 00:46:40,079

and and uh are they for swimmers they're

1391

00:46:44,309 --> 00:46:41,280

swimmers yeah i think

1392

00:46:46,710 --> 00:46:44,319

they're swimmers they are um and so i

1393

00:46:48,630 --> 00:46:46,720

have video of it being used inside

1394

00:46:50,069 --> 00:46:48,640

but the big thing is you are not

1395

00:46:51,190 --> 00:46:50,079

supposed to bring them outside because

1396

00:46:53,030 --> 00:46:51,200

if you do

1397

00:46:55,190 --> 00:46:53,040

it's just gonna float up so that's what

1398

00:46:57,750 --> 00:46:55,200

this particular case jason mentioned

1399

00:46:59,030 --> 00:46:57,760

did and it was seen from a commercial

1400

00:47:00,630 --> 00:46:59,040

aircraft

1401  
00:47:02,790 --> 00:47:00,640  
imagine looking out the window as you're

1402  
00:47:05,670 --> 00:47:02,800  
flying and seeing a shark

1403  
00:47:06,230 --> 00:47:05,680  
sharknado oh this is sharknado mine was

1404  
00:47:08,550 --> 00:47:06,240  
a song

1405  
00:47:10,309 --> 00:47:08,560  
what's going on mine was a zombie shark

1406  
00:47:11,430 --> 00:47:10,319  
too so it had like blood all over its

1407  
00:47:14,390 --> 00:47:11,440  
face and it was dead

1408  
00:47:14,790 --> 00:47:14,400  
that's terrifying wow another thing with

1409  
00:47:19,030 --> 00:47:14,800  
this

1410  
00:47:20,630 --> 00:47:19,040  
the the uap task force right there

1411  
00:47:22,790 --> 00:47:20,640  
they're at the center of this

1412  
00:47:24,069 --> 00:47:22,800  
and something i pointed out is you know

1413  
00:47:26,309 --> 00:47:24,079

it makes me

1414

00:47:27,670 --> 00:47:26,319

a little concerned for the future of the

1415

00:47:29,750 --> 00:47:27,680

task force

1416

00:47:31,430 --> 00:47:29,760

because here they've only been operating

1417

00:47:32,150 --> 00:47:31,440

for well we can't say because we have no

1418

00:47:33,990 --> 00:47:32,160

idea

1419

00:47:35,910 --> 00:47:34,000

but um you know at least for a couple

1420

00:47:38,470 --> 00:47:35,920

years they've been been issuing these

1421

00:47:40,710 --> 00:47:38,480

reports to the intelligence community

1422

00:47:42,790 --> 00:47:40,720

and already information's leaking out

1423

00:47:43,829 --> 00:47:42,800

that can't bode well for them yeah and

1424

00:47:46,069 --> 00:47:43,839

also the uh

1425

00:47:46,870 --> 00:47:46,079

the credibility of the investigations

1426

00:47:49,109 --> 00:47:46,880

like if

1427

00:47:50,390 --> 00:47:49,119

if they're you know really looking into

1428

00:47:51,990 --> 00:47:50,400

a mylar balloon

1429

00:47:54,390 --> 00:47:52,000

like is that the best they're coming up

1430

00:47:55,510 --> 00:47:54,400

with i don't know absolutely and that's

1431

00:47:58,549 --> 00:47:55,520

a great point ryan

1432

00:48:02,390 --> 00:47:58,559

and i i worry about the optics of that i

1433

00:48:03,270 --> 00:48:02,400

get that because again the uap task

1434

00:48:06,309 --> 00:48:03,280

force is not

1435

00:48:07,750 --> 00:48:06,319

comprised of ufo researchers right these

1436

00:48:09,510 --> 00:48:07,760

are just military people who are

1437

00:48:11,910 --> 00:48:09,520

assigned to be in this role to look at

1438

00:48:13,990 --> 00:48:11,920

ufo data or ufo information

1439

00:48:15,750 --> 00:48:14,000

they don't have the background that we

1440

00:48:18,309 --> 00:48:15,760

do this is not something that they've

1441

00:48:21,109 --> 00:48:18,319

done before i mean we've analyzed

1442

00:48:22,390 --> 00:48:21,119

thousands of ufo photos and videos over

1443

00:48:24,230 --> 00:48:22,400

our careers

1444

00:48:26,309 --> 00:48:24,240

and it's something that we are highly

1445

00:48:28,549 --> 00:48:26,319

focused on and highly tuned to

1446

00:48:29,589 --> 00:48:28,559

we've seen various objects in the sky

1447

00:48:31,190 --> 00:48:29,599

and we've seen

1448

00:48:33,430 --> 00:48:31,200

what they've turned out to be after

1449

00:48:34,470 --> 00:48:33,440

investigation these guys are going into

1450

00:48:36,470 --> 00:48:34,480

a cold

1451

00:48:38,230 --> 00:48:36,480

and you know when you see weird stuff in

1452

00:48:38,710 --> 00:48:38,240

the sky for the first time obviously

1453

00:48:40,390 --> 00:48:38,720

you're gonna go

1454

00:48:42,710 --> 00:48:40,400

wow i have no idea what that is that's

1455

00:48:45,910 --> 00:48:42,720

bizarre no one's ever seen that before

1456

00:48:48,230 --> 00:48:45,920

i mean these are sort of novices when it

1457

00:48:49,589 --> 00:48:48,240

comes to this type of thing and they're

1458

00:48:51,190 --> 00:48:49,599

i think they're doing the best they have

1459

00:48:53,510 --> 00:48:51,200

with the tools they have

1460

00:48:54,790 --> 00:48:53,520

so it's not surprising to me because i

1461

00:48:56,630 --> 00:48:54,800

can certainly attest

1462

00:48:58,790 --> 00:48:56,640

when i first started and started looking

1463

00:49:01,670 --> 00:48:58,800

at ufo photos and videos

1464

00:49:02,950 --> 00:49:01,680

everything looked extraterrestrial to me

1465

00:49:04,470 --> 00:49:02,960

there's no way that that could be

1466

00:49:05,430 --> 00:49:04,480

anything man-made i've never seen

1467

00:49:07,030 --> 00:49:05,440

anything like that

1468

00:49:09,190 --> 00:49:07,040

and obviously if something like that

1469

00:49:10,950 --> 00:49:09,200

were in the sky and and with something

1470

00:49:12,790 --> 00:49:10,960

normal everybody would know about it

1471

00:49:13,190 --> 00:49:12,800

they should be able to easily identify

1472

00:49:17,510 --> 00:49:13,200

that

1473

00:49:17,990 --> 00:49:17,520

feel i feel really bad for the uap task

1474

00:49:20,470 --> 00:49:18,000

force

1475

00:49:22,069 --> 00:49:20,480

trying to do this and now sort of doing

1476

00:49:24,710 --> 00:49:22,079

it on a public scale

1477

00:49:25,109 --> 00:49:24,720

where eyeballs are on them and if it

1478

00:49:26,950 --> 00:49:25,119

isn't

1479

00:49:28,309 --> 00:49:26,960

does in fact turn out to be a balloon

1480

00:49:30,069 --> 00:49:28,319

they look kind of foolish being the

1481

00:49:30,549 --> 00:49:30,079

government's ufo people and they can't

1482

00:49:33,589 --> 00:49:30,559

even

1483

00:49:35,430 --> 00:49:33,599

tell that something is a balloon so i

1484

00:49:37,910 --> 00:49:35,440

agree and that that that makes them look

1485

00:49:40,390 --> 00:49:37,920

really bad but at the same time i get it

1486

00:49:42,790 --> 00:49:40,400

um it sucks that that if that is the

1487

00:49:44,390 --> 00:49:42,800

case it was exposed on a public scale

1488

00:49:45,670 --> 00:49:44,400

they should be able to to do that and

1489

00:49:47,589 --> 00:49:45,680

learn in private

1490

00:49:49,589 --> 00:49:47,599

um but hopefully that doesn't uh

1491

00:49:50,950 --> 00:49:49,599

diminish the the project at all

1492

00:49:52,630 --> 00:49:50,960

yeah and i was thinking due to something

1493

00:49:55,190 --> 00:49:52,640

you said earlier jason about

1494

00:49:57,109 --> 00:49:55,200

about it the story this story or stories

1495

00:49:58,549 --> 00:49:57,119

like that and how people want to be in a

1496

00:50:00,950 --> 00:49:58,559

rush to go to

1497

00:50:02,069 --> 00:50:00,960

hey it's you know extraterrestrial when

1498

00:50:05,190 --> 00:50:02,079

you think about it

1499

00:50:07,190 --> 00:50:05,200

we certainly as the ufo community and

1500

00:50:09,349 --> 00:50:07,200

and probably a little you know a circle

1501  
00:50:11,670 --> 00:50:09,359  
outside that

1502  
00:50:12,870 --> 00:50:11,680  
we have been primed to kind of think

1503  
00:50:15,430 --> 00:50:12,880  
that way

1504  
00:50:16,390 --> 00:50:15,440  
so when i'm talking about like tsa and

1505  
00:50:19,349 --> 00:50:16,400  
they came out and

1506  
00:50:21,109 --> 00:50:19,359  
we know in 2017 and we see these series

1507  
00:50:22,390 --> 00:50:21,119  
of articles from the new york times and

1508  
00:50:24,790 --> 00:50:22,400  
stuff so

1509  
00:50:26,150 --> 00:50:24,800  
now we're kind it set a pattern and

1510  
00:50:29,270 --> 00:50:26,160  
we're kind of interpreting

1511  
00:50:31,910 --> 00:50:29,280  
as new as new reports come or or new

1512  
00:50:34,150 --> 00:50:31,920  
stories or new articles

1513  
00:50:35,670 --> 00:50:34,160

we're kind of primed from to have that

1514

00:50:37,750 --> 00:50:35,680

kind of point of view

1515

00:50:39,750 --> 00:50:37,760

um right up front and you know the

1516

00:50:42,069 --> 00:50:39,760

debrief did a great job good

1517

00:50:44,630 --> 00:50:42,079

article good research and all of those

1518

00:50:47,349 --> 00:50:44,640

things however for me as an investigator

1519

00:50:48,549 --> 00:50:47,359

you know i'm starving for so much more

1520

00:50:50,470 --> 00:50:48,559

there's a point where you have to get

1521

00:50:52,790 --> 00:50:50,480

the story out and i get it and you can't

1522

00:50:55,430 --> 00:50:52,800

you know you're not gonna you know have

1523

00:50:57,910 --> 00:50:55,440

the entire tome of data and all that

1524

00:50:59,430 --> 00:50:57,920

but we have to temper our excitement

1525

00:51:01,349 --> 00:50:59,440

when these things happen

1526  
00:51:02,470 --> 00:51:01,359  
knowing that what we're hearing about is

1527  
00:51:05,829 --> 00:51:02,480  
is at best

1528  
00:51:08,870 --> 00:51:05,839  
preliminary you know and and you know

1529  
00:51:09,910 --> 00:51:08,880  
it's it'll take thousands of hours and

1530  
00:51:12,710 --> 00:51:09,920  
research and

1531  
00:51:15,349 --> 00:51:12,720  
and data collection and blah blah to to

1532  
00:51:17,349 --> 00:51:15,359  
really nail some of these things down so

1533  
00:51:18,710 --> 00:51:17,359  
i just i kind of when i see stories like

1534  
00:51:21,990 --> 00:51:18,720  
this i'm like great cool

1535  
00:51:23,829 --> 00:51:22,000  
but i'm not getting excited and i would

1536  
00:51:25,430 --> 00:51:23,839  
love to hear the follow-up later like

1537  
00:51:27,670 --> 00:51:25,440  
you're talking about earlier

1538  
00:51:29,430 --> 00:51:27,680

with guys like george knapp and stuff

1539

00:51:30,470 --> 00:51:29,440

hey you know this is what we first

1540

00:51:32,230 --> 00:51:30,480

thought but now

1541

00:51:34,230 --> 00:51:32,240

you know this is an update this is what

1542

00:51:34,710 --> 00:51:34,240

the research has revealed and so forth

1543

00:51:36,790 --> 00:51:34,720

so

1544

00:51:39,270 --> 00:51:36,800

you know like even the the the photo

1545

00:51:41,430 --> 00:51:39,280

itself and the metadata of that photo

1546

00:51:43,190 --> 00:51:41,440

you know that's just a basic one-on-one

1547

00:51:44,710 --> 00:51:43,200

place to start and who took it and when

1548

00:51:46,390 --> 00:51:44,720

and what time and what altitude what

1549

00:51:47,670 --> 00:51:46,400

were the gps coordinates and

1550

00:51:49,750 --> 00:51:47,680

you know what were the lighting

1551

00:51:51,349 --> 00:51:49,760

conditions and can we make a comparison

1552

00:51:53,030 --> 00:51:51,359

and was it the wizzle in the back seat

1553

00:51:53,589 --> 00:51:53,040

that took that photo or was it the pilot

1554

00:51:55,190 --> 00:51:53,599

in the front

1555

00:51:57,750 --> 00:51:55,200

you know there's a billion little

1556

00:52:00,710 --> 00:51:57,760

details that really

1557

00:52:02,470 --> 00:52:00,720

will nail this thing but you can't rush

1558

00:52:03,510 --> 00:52:02,480

to judgment until you go through that

1559

00:52:05,829 --> 00:52:03,520

process so

1560

00:52:06,549 --> 00:52:05,839

just for me as a from an investigator i

1561

00:52:09,910 --> 00:52:06,559

kind of see it

1562

00:52:10,870 --> 00:52:09,920

that way um although i think the most

1563

00:52:12,870 --> 00:52:10,880

critical thing is

1564

00:52:14,630 --> 00:52:12,880

investigative journalists that's what's

1565

00:52:16,390 --> 00:52:14,640

going to cut through all this

1566

00:52:19,109 --> 00:52:16,400

this stuff this confusion with the

1567

00:52:21,030 --> 00:52:19,119

government and you know other articles

1568

00:52:22,710 --> 00:52:21,040

i mean those those are the guys again

1569

00:52:23,910 --> 00:52:22,720

they're the tip of the spear and that

1570

00:52:26,870 --> 00:52:23,920

needs to happen but

1571

00:52:28,549 --> 00:52:26,880

there really needs to be a great deal of

1572

00:52:31,589 --> 00:52:28,559

investigative push behind

1573

00:52:31,990 --> 00:52:31,599

it and i will say i have to give huge

1574

00:52:36,069 --> 00:52:32,000

props

1575

00:52:38,950 --> 00:52:36,079

to the team at the debrief because

1576

00:52:39,589 --> 00:52:38,960

i'm big fans of and especially tim tim

1577

00:52:42,630 --> 00:52:39,599

mcmillan

1578

00:52:45,190 --> 00:52:42,640

is a journalist through and through

1579

00:52:46,069 --> 00:52:45,200

nobody really right now pushes harder

1580

00:52:48,309 --> 00:52:46,079

for sources

1581

00:52:49,109 --> 00:52:48,319

and information and verifying uh

1582

00:52:51,190 --> 00:52:49,119

information

1583

00:52:52,870 --> 00:52:51,200

than tim does tim can be a pain in the

1584

00:52:54,630 --> 00:52:52,880

ass and that's amazing

1585

00:52:55,990 --> 00:52:54,640

for you know an amazing journalistic

1586

00:52:59,750 --> 00:52:56,000

skill

1587

00:53:00,549 --> 00:52:59,760

so i i mean i am i'm and ryan is is

1588

00:53:03,030 --> 00:53:00,559

contributing to

1589

00:53:04,630 --> 00:53:03,040

the debrief now um they've got a great

1590

00:53:05,349 --> 00:53:04,640

team you know those are those are all

1591

00:53:08,390 --> 00:53:05,359

our buds

1592

00:53:12,630 --> 00:53:08,400

um who i envy their skills because

1593

00:53:15,670 --> 00:53:12,640

um ryan mj binayas yes uh tim mcmillan

1594

00:53:19,750 --> 00:53:15,680

and micah hanks you know are people

1595

00:53:21,750 --> 00:53:19,760

who can just kind of vomit words

1596

00:53:23,750 --> 00:53:21,760

very quickly you know and that is a

1597

00:53:24,069 --> 00:53:23,760

skill i don't have it takes me very long

1598

00:53:27,270 --> 00:53:24,079

to

1599

00:53:28,950 --> 00:53:27,280

writers uh

1600

00:53:30,710 --> 00:53:28,960

doing that and i think we're going to

1601  
00:53:31,589 --> 00:53:30,720  
get some great stuff in the new year

1602  
00:53:33,589 --> 00:53:31,599  
coming from that

1603  
00:53:35,270 --> 00:53:33,599  
and it gives me confidence knowing them

1604  
00:53:37,109 --> 00:53:35,280  
yes and knowing their integrity

1605  
00:53:38,390 --> 00:53:37,119  
and just how journalistic they are and

1606  
00:53:41,670 --> 00:53:38,400  
what they do

1607  
00:53:42,470 --> 00:53:41,680  
um that they really are doing that extra

1608  
00:53:44,230 --> 00:53:42,480  
push

1609  
00:53:46,470 --> 00:53:44,240  
to try to get the information to verify

1610  
00:53:47,349 --> 00:53:46,480  
sources and verify the information that

1611  
00:53:49,670 --> 00:53:47,359  
they are printing

1612  
00:53:51,750 --> 00:53:49,680  
so that's excellent love to those guys

1613  
00:53:52,870 --> 00:53:51,760

and and just to clarify

1614

00:53:55,349 --> 00:53:52,880

because i'm going to clarify this

1615

00:53:57,910 --> 00:53:55,359

because it came up on facebook

1616

00:53:58,870 --> 00:53:57,920

is you know jason and i were hosting a

1617

00:54:01,030 --> 00:53:58,880

podcast

1618

00:54:02,230 --> 00:54:01,040

um earlier this year prior to the

1619

00:54:04,230 --> 00:54:02,240

release of the debrief called the

1620

00:54:05,670 --> 00:54:04,240

skinwalker debrief that was focused on

1621

00:54:07,109 --> 00:54:05,680

the skinwalker ranch and apparently

1622

00:54:08,230 --> 00:54:07,119

there's some confusion people are

1623

00:54:11,349 --> 00:54:08,240

thinking

1624

00:54:12,150 --> 00:54:11,359

that we are part of the debrief in that

1625

00:54:13,670 --> 00:54:12,160

sense and no

1626  
00:54:15,190 --> 00:54:13,680  
the two projects were completely

1627  
00:54:19,670 --> 00:54:15,200  
unrelated and uh

1628  
00:54:23,349 --> 00:54:19,680  
just happens to use the debrief in both

1629  
00:54:24,470 --> 00:54:23,359  
random important conspiracy theorists

1630  
00:54:27,030 --> 00:54:24,480  
will go wild

1631  
00:54:27,829 --> 00:54:27,040  
it's surprising that that yes that has

1632  
00:54:29,430 --> 00:54:27,839  
happened

1633  
00:54:31,190 --> 00:54:29,440  
all right and we've reached our number

1634  
00:54:34,309 --> 00:54:31,200  
10 story and that

1635  
00:54:38,549 --> 00:54:34,319  
is the galactic federation uh how could

1636  
00:54:41,990 --> 00:54:38,559  
we not talk about

1637  
00:54:43,910 --> 00:54:42,000  
ryan go why not why not right yep

1638  
00:54:45,270 --> 00:54:43,920

i mean this was as recent as december

1639

00:54:47,109 --> 00:54:45,280

2nd and uh

1640

00:54:48,950 --> 00:54:47,119

again like many of the stories we

1641

00:54:50,950 --> 00:54:48,960

covered you know it was the big thing

1642

00:54:51,589 --> 00:54:50,960

for the day and then poof kind of gone

1643

00:54:53,510 --> 00:54:51,599

but um

1644

00:54:55,589 --> 00:54:53,520

i do respect some of the follow-up done

1645

00:54:58,390 --> 00:54:55,599

by certain people who will get to but uh

1646

00:55:00,789 --> 00:54:58,400

let's start here december 2nd an israeli

1647

00:55:02,150 --> 00:55:00,799

newspaper published a story in hebrew

1648

00:55:04,549 --> 00:55:02,160

that featured an interview with

1649

00:55:06,470 --> 00:55:04,559

professor haim ashad a former head of

1650

00:55:08,870 --> 00:55:06,480

israel's defense ministries space

1651  
00:55:09,589 --> 00:55:08,880  
programs the interview contains shocking

1652  
00:55:11,670 --> 00:55:09,599  
claims

1653  
00:55:12,789 --> 00:55:11,680  
from professor asha like the quote

1654  
00:55:16,069 --> 00:55:12,799  
unidentified flying

1655  
00:55:18,789 --> 00:55:16,079  
objects have asked not to publish

1656  
00:55:19,190 --> 00:55:18,799  
that they are here humanity is not ready

1657  
00:55:21,349 --> 00:55:19,200  
yet

1658  
00:55:22,230 --> 00:55:21,359  
end quote and quote there is an

1659  
00:55:24,630 --> 00:55:22,240  
agreement

1660  
00:55:26,710 --> 00:55:24,640  
between the us government and the aliens

1661  
00:55:30,150 --> 00:55:26,720  
they signed a contract with us to do

1662  
00:55:32,630 --> 00:55:30,160  
experiments here end quote so the uh

1663  
00:55:34,150 --> 00:55:32,640

the jerusalem post was the first media

1664

00:55:36,870 --> 00:55:34,160

outlet to run a story

1665

00:55:38,710 --> 00:55:36,880

about this interview in english and uh

1666

00:55:40,390 --> 00:55:38,720

that set off a chain reaction of

1667

00:55:42,150 --> 00:55:40,400

coverage by media outlets

1668

00:55:44,470 --> 00:55:42,160

around the world including here in the

1669

00:55:46,710 --> 00:55:44,480

us fox cnn everyone was

1670

00:55:48,230 --> 00:55:46,720

talking about this and the interview

1671

00:55:49,589 --> 00:55:48,240

with professor ashad was part of a

1672

00:55:52,150 --> 00:55:49,599

publicity effort

1673

00:55:53,589 --> 00:55:52,160

to promote a new book about him written

1674

00:55:56,470 --> 00:55:53,599

by israeli writer

1675

00:55:57,349 --> 00:55:56,480

hagar yanai titled the universe beyond

1676

00:56:00,470 --> 00:55:57,359

the horizon

1677

00:56:03,589 --> 00:56:00,480

talks with professor haimashat so

1678

00:56:06,150 --> 00:56:03,599

um yeah these headlines went crazy the

1679

00:56:08,710 --> 00:56:06,160

galactic federation was the big thing

1680

00:56:10,710 --> 00:56:08,720

for a while um certain people have who

1681

00:56:11,589 --> 00:56:10,720

have pushed this narrative of there is a

1682

00:56:14,549 --> 00:56:11,599

big galactic

1683

00:56:16,710 --> 00:56:14,559

federation were just eating this up and

1684

00:56:19,750 --> 00:56:16,720

saying we were right all along

1685

00:56:22,230 --> 00:56:19,760

and then filmmaker jeremy corbell he

1686

00:56:23,910 --> 00:56:22,240

just interviewed the journalist who uh

1687

00:56:25,430 --> 00:56:23,920

recently interviewed professor rashad

1688

00:56:26,230 --> 00:56:25,440

for the article that sparked all the

1689

00:56:28,309 --> 00:56:26,240

attention

1690

00:56:30,150 --> 00:56:28,319

and it provides some really good insight

1691

00:56:31,270 --> 00:56:30,160

into the whole thing and um i would

1692

00:56:32,789 --> 00:56:31,280

highly suggest

1693

00:56:34,789 --> 00:56:32,799

people go watch that interview that

1694

00:56:36,390 --> 00:56:34,799

jeremy did on his youtube channel

1695

00:56:38,470 --> 00:56:36,400

if you haven't seen it because it does

1696

00:56:40,470 --> 00:56:38,480

clear up a lot of this and because the

1697

00:56:43,750 --> 00:56:40,480

original article was in hebrew

1698

00:56:45,030 --> 00:56:43,760

a lot got lost in translation and the uh

1699

00:56:47,109 --> 00:56:45,040

the professor

1700

00:56:49,270 --> 00:56:47,119

is not really talking about it he's not

1701

00:56:50,789 --> 00:56:49,280

taking fielding calls about this

1702

00:56:52,710 --> 00:56:50,799

because he's overwhelmed by the

1703

00:56:54,630 --> 00:56:52,720

attention it's gotten but um

1704

00:56:56,150 --> 00:56:54,640

yeah what do you guys make of this i

1705

00:56:57,750 --> 00:56:56,160

would keep watching jeremy's channel

1706

00:56:59,030 --> 00:56:57,760

because i i do think that he'll have an

1707

00:57:00,950 --> 00:56:59,040

interview with you soon

1708

00:57:02,309 --> 00:57:00,960

i know he's trying really hard so i

1709

00:57:04,150 --> 00:57:02,319

think that'll happen

1710

00:57:05,510 --> 00:57:04,160

uh but you know right from the start i

1711

00:57:08,870 --> 00:57:05,520

was surprised to see

1712

00:57:11,910 --> 00:57:08,880

as many people as i did sort of

1713

00:57:13,190 --> 00:57:11,920

equating this to paul hellyer and i

1714

00:57:15,990 --> 00:57:13,200

think that is very apt

1715

00:57:16,630 --> 00:57:16,000

in this situation it really is you know

1716

00:57:19,670 --> 00:57:16,640

you've got

1717

00:57:20,870 --> 00:57:19,680

a an accomplished respected government

1718

00:57:23,990 --> 00:57:20,880

person here

1719

00:57:27,109 --> 00:57:24,000

who's making these incredible claims but

1720

00:57:27,990 --> 00:57:27,119

really we find that most of it as we

1721

00:57:30,630 --> 00:57:28,000

expected

1722

00:57:31,349 --> 00:57:30,640

is just you know him reciting things

1723

00:57:36,470 --> 00:57:31,359

that

1724

00:57:38,230 --> 00:57:36,480

in ufo lore

1725

00:57:40,789 --> 00:57:38,240

um things that you know other people

1726

00:57:42,150 --> 00:57:40,799

have told him so that's that's not

1727

00:57:43,990 --> 00:57:42,160

uncommon it's really not

1728

00:57:46,069 --> 00:57:44,000

and and you know apparently like i know

1729

00:57:48,069 --> 00:57:46,079

that there were a lot of like twitter

1730

00:57:49,829 --> 00:57:48,079

or not twitter reddit threads going nuts

1731

00:57:53,109 --> 00:57:49,839

on this because they were like

1732

00:57:55,589 --> 00:57:53,119

he's basically just talking about he's

1733

00:57:57,910 --> 00:57:55,599

heard you know these bill cooper stories

1734

00:57:59,510 --> 00:57:57,920

conspiracy theories about the eisenhower

1735

00:58:00,950 --> 00:57:59,520

and then reciting things that laura

1736

00:58:05,030 --> 00:58:00,960

eisenhower has said the

1737

00:58:08,630 --> 00:58:05,040

the uh and and these are people who

1738

00:58:11,990 --> 00:58:08,640

are extremely fringe in their beliefs

1739

00:58:15,990 --> 00:58:12,000

and so that lost in translation part

1740

00:58:18,470 --> 00:58:16,000

from hebrew to english is definitely

1741

00:58:20,150 --> 00:58:18,480

a huge factor in this and and yeah good

1742

00:58:22,150 --> 00:58:20,160

on jeremy for

1743

00:58:24,789 --> 00:58:22,160

for kind of getting that interview with

1744

00:58:27,510 --> 00:58:24,799

with the journalists because

1745

00:58:28,789 --> 00:58:27,520

i think we all knew like this is not

1746

00:58:31,829 --> 00:58:28,799

quite what it seems

1747

00:58:33,750 --> 00:58:31,839

what what what is being said here and

1748

00:58:35,349 --> 00:58:33,760

and yeah again this is a story that had

1749

00:58:36,789 --> 00:58:35,359

my phone blowing up again

1750

00:58:38,870 --> 00:58:36,799

maureen what's going on with this

1751  
00:58:40,150 --> 00:58:38,880  
galactic federation what is this what's

1752  
00:58:42,630 --> 00:58:40,160  
happening

1753  
00:58:43,829 --> 00:58:42,640  
is this real i'm like don't read

1754  
00:58:45,670 --> 00:58:43,839  
anything into it

1755  
00:58:46,870 --> 00:58:45,680  
this this has been said by other people

1756  
00:58:50,309 --> 00:58:46,880  
before and it's

1757  
00:58:53,349 --> 00:58:50,319  
not very credible so i i think that

1758  
00:58:55,829 --> 00:58:53,359  
that yeah that due diligence as a

1759  
00:58:57,109 --> 00:58:55,839  
journalist to like get in there and

1760  
00:58:59,990 --> 00:58:57,119  
clarify

1761  
00:59:01,510 --> 00:59:00,000  
sensational news is super important and

1762  
00:59:03,510 --> 00:59:01,520  
and i'm glad that we have people like

1763  
00:59:06,230 --> 00:59:03,520

jeremy and other people who are

1764

00:59:06,870 --> 00:59:06,240

going back and doing that yeah yeah and

1765

00:59:08,549 --> 00:59:06,880

i think too

1766

00:59:10,789 --> 00:59:08,559

like this is one of those stories that's

1767

00:59:12,549 --> 00:59:10,799

going to end 2020

1768

00:59:14,710 --> 00:59:12,559

and it's one of the most sensational and

1769

00:59:15,910 --> 00:59:14,720

it puts us back three steps every time

1770

00:59:18,470 --> 00:59:15,920

we have something

1771

00:59:19,910 --> 00:59:18,480

good happen in this field it seems like

1772

00:59:22,630 --> 00:59:19,920

something comes

1773

00:59:24,789 --> 00:59:22,640

right after to kind of discredit it so i

1774

00:59:26,710 --> 00:59:24,799

mean it's frustrating in one way

1775

00:59:28,470 --> 00:59:26,720

in another i mean it keeps the

1776

00:59:31,430 --> 00:59:28,480

conversation going but

1777

00:59:33,430 --> 00:59:31,440

uh again i think follow-up that's

1778

00:59:35,670 --> 00:59:33,440

something tim's doing at the debrief

1779

00:59:37,510 --> 00:59:35,680

we haven't heard the last of those two

1780

00:59:39,190 --> 00:59:37,520

uap task force reports

1781

00:59:41,430 --> 00:59:39,200

i know that for a fact we're gonna get

1782

00:59:43,270 --> 00:59:41,440

follow-up and same with jeremy like if

1783

00:59:45,190 --> 00:59:43,280

we can hear from this professor

1784

00:59:47,109 --> 00:59:45,200

then that'll be awesome to finally like

1785

00:59:48,870 --> 00:59:47,119

put this to rest like

1786

00:59:50,549 --> 00:59:48,880

is this something you read in a book or

1787

00:59:52,950 --> 00:59:50,559

heard in an interview or do you

1788

00:59:54,870 --> 00:59:52,960

firmly believe that uh you know trump

1789

00:59:55,750 --> 00:59:54,880

was gonna disclose this information and

1790

00:59:58,230 --> 00:59:55,760

the aliens said

1791

00:59:58,789 --> 00:59:58,240

hey put the brakes on there mr i don't

1792

01:00:03,190 --> 00:59:58,799

know

1793

01:00:06,870 --> 01:00:03,200

that this the the trump comments came

1794

01:00:09,510 --> 01:00:06,880

at a very crucial election

1795

01:00:11,750 --> 01:00:09,520

where maybe he's of the opinion that

1796

01:00:15,670 --> 01:00:11,760

that trump is the right person to be

1797

01:00:17,510 --> 01:00:15,680

ruling the u.s and he was thinking

1798

01:00:19,190 --> 01:00:17,520

maybe this will help in all these

1799

01:00:19,589 --> 01:00:19,200

lawsuits and battles people will be like

1800

01:00:21,829 --> 01:00:19,599

oh

1801

01:00:23,190 --> 01:00:21,839

wait wait trump's going to reveal ufos

1802

01:00:25,829 --> 01:00:23,200

maybe we should go into that

1803

01:00:26,710 --> 01:00:25,839

who knows what that mindset was for that

1804

01:00:29,829 --> 01:00:26,720

particular

1805

01:00:31,829 --> 01:00:29,839

presidential comment um or whether it

1806

01:00:35,750 --> 01:00:31,839

was just based on the fact that the

1807

01:00:37,829 --> 01:00:35,760

the as as jason phrased ufo lore

1808

01:00:38,789 --> 01:00:37,839

of this galactic federation and

1809

01:00:41,430 --> 01:00:38,799

agreement with

1810

01:00:43,030 --> 01:00:41,440

with extraterrestrials was based on this

1811

01:00:45,750 --> 01:00:43,040

whole eisenhower thing

1812

01:00:46,069 --> 01:00:45,760

um so who knows and and yeah like you

1813

01:00:49,109 --> 01:00:46,079

said

1814

01:00:50,390 --> 01:00:49,119

one step forward uh two steps back uh

1815

01:00:52,710 --> 01:00:50,400

without with our uh

1816

01:00:53,829 --> 01:00:52,720

progress in making this a legitimate

1817

01:00:57,030 --> 01:00:53,839

subject

1818

01:00:58,710 --> 01:00:57,040

but also like galactic federation i mean

1819

01:01:01,109 --> 01:00:58,720

if we're me

1820

01:01:02,069 --> 01:01:01,119

that seems a little too english of a

1821

01:01:05,349 --> 01:01:02,079

terminology

1822

01:01:07,349 --> 01:01:05,359

that like unless it was created by the

1823

01:01:08,950 --> 01:01:07,359

the us to say you're now called the

1824

01:01:11,270 --> 01:01:08,960

galactic federation

1825

01:01:12,390 --> 01:01:11,280

i mean yeah aliens aren't speaking

1826

01:01:15,910 --> 01:01:12,400

english come on

1827

01:01:17,750 --> 01:01:15,920

yeah it's almost as dumb as uh calling

1828

01:01:19,349 --> 01:01:17,760

people from the space force guardians oh

1829

01:01:20,870 --> 01:01:19,359

i saw that today

1830

01:01:23,270 --> 01:01:20,880

i was hoping they're the guardians of

1831

01:01:24,950 --> 01:01:23,280

the galaxy

1832

01:01:26,390 --> 01:01:24,960

i mean everything they're doing is is

1833

01:01:27,670 --> 01:01:26,400

just like entertainment

1834

01:01:29,430 --> 01:01:27,680

they're making them out to be such a

1835

01:01:32,150 --> 01:01:29,440

joke yeah it's just like

1836

01:01:33,829 --> 01:01:32,160

yay president trump is a sci-fi fan and

1837

01:01:34,630 --> 01:01:33,839

he thinks this is all cool and fun so

1838

01:01:36,150 --> 01:01:34,640

let's have a space

1839

01:01:39,190 --> 01:01:36,160

force let's have them be guardians of

1840

01:01:41,030 --> 01:01:39,200

the galaxy

1841

01:01:42,470 --> 01:01:41,040

back to this story about the galactic

1842

01:01:45,510 --> 01:01:42,480

federation and about

1843

01:01:46,789 --> 01:01:45,520

professor asked um again back to the

1844

01:01:49,349 --> 01:01:46,799

point of

1845

01:01:51,510 --> 01:01:49,359

the language problem here and about the

1846

01:01:54,309 --> 01:01:51,520

root being in hebrew

1847

01:01:56,309 --> 01:01:54,319

it made very difficult the task of

1848

01:01:59,430 --> 01:01:56,319

trying to verify details

1849

01:02:01,510 --> 01:01:59,440

um even about the professor himself

1850

01:02:02,470 --> 01:02:01,520

you saw that all the all the articles

1851  
01:02:05,670 --> 01:02:02,480  
that were written

1852  
01:02:06,549 --> 01:02:05,680  
by nbc and every major outlet around the

1853  
01:02:08,870 --> 01:02:06,559  
world

1854  
01:02:11,270 --> 01:02:08,880  
they were essentially reciting things

1855  
01:02:13,910 --> 01:02:11,280  
that the jerusalem posted said

1856  
01:02:15,430 --> 01:02:13,920  
or you know kind of finding bits and

1857  
01:02:17,829 --> 01:02:15,440  
pieces here and there

1858  
01:02:18,870 --> 01:02:17,839  
but really finding anything about the

1859  
01:02:21,829 --> 01:02:18,880  
guy on the internet

1860  
01:02:22,390 --> 01:02:21,839  
is incredibly challenging there's really

1861  
01:02:25,430 --> 01:02:22,400  
nothing

1862  
01:02:28,789 --> 01:02:25,440  
there certainly in english

1863  
01:02:31,829 --> 01:02:28,799

that's a big problem the israeli

1864

01:02:32,710 --> 01:02:31,839

space program is not a major space

1865

01:02:34,309 --> 01:02:32,720

program

1866

01:02:35,750 --> 01:02:34,319

yes they've made huge strides they've

1867

01:02:37,670 --> 01:02:35,760

done a lot with satellites and things

1868

01:02:38,630 --> 01:02:37,680

but they are not a major player when it

1869

01:02:41,349 --> 01:02:38,640

comes to

1870

01:02:42,549 --> 01:02:41,359

space so that might play a part in it

1871

01:02:44,789 --> 01:02:42,559

but there is really not

1872

01:02:46,789 --> 01:02:44,799

a whole lot written about this guy in

1873

01:02:49,190 --> 01:02:46,799

the english language

1874

01:02:50,230 --> 01:02:49,200

even his wikipedia page and you know as

1875

01:02:52,150 --> 01:02:50,240

a researcher this

1876

01:02:55,190 --> 01:02:52,160

this would raise flags if this is all

1877

01:02:57,190 --> 01:02:55,200

there was even a wikipedia

1878

01:02:58,950 --> 01:02:57,200

the english wikipedia page for this guy

1879

01:03:02,230 --> 01:02:58,960

was only created in december

1880

01:03:05,270 --> 01:03:02,240

after the story had dropped so that

1881

01:03:06,309 --> 01:03:05,280

seems fishy but there is one on the

1882

01:03:08,069 --> 01:03:06,319

hebrew version

1883

01:03:09,829 --> 01:03:08,079

of wikipedia that of course has been

1884

01:03:11,750 --> 01:03:09,839

there but uh

1885

01:03:13,109 --> 01:03:11,760

even in english some of the only stuff

1886

01:03:15,190 --> 01:03:13,119

that's out there about him

1887

01:03:16,870 --> 01:03:15,200

has his first name spelled differently

1888

01:03:18,470 --> 01:03:16,880

and again maybe that's a translation

1889

01:03:19,430 --> 01:03:18,480

thing between hebrew and english that

1890

01:03:22,470 --> 01:03:19,440

could be

1891

01:03:26,710 --> 01:03:22,480

you know similar with his first name

1892

01:03:29,190 --> 01:03:26,720

h a i am and then kym c-h-a-i-m

1893

01:03:30,390 --> 01:03:29,200

so the discrepancy there between even

1894

01:03:32,630 --> 01:03:30,400

how to spell his name

1895

01:03:34,150 --> 01:03:32,640

is kind of weird so you could get all

1896

01:03:35,190 --> 01:03:34,160

conspiratorial with this story too and

1897

01:03:37,829 --> 01:03:35,200

how real it is

1898

01:03:38,950 --> 01:03:37,839

but we know it's real there is a book if

1899

01:03:40,950 --> 01:03:38,960

i've read hebrew

1900

01:03:42,230 --> 01:03:40,960

i would buy the book and read it but

1901

01:03:44,069 --> 01:03:42,240

some people have done that and

1902

01:03:44,630 --> 01:03:44,079

highlighted the passages and translated

1903

01:03:47,990 --> 01:03:44,640

it

1904

01:03:49,910 --> 01:03:48,000

kind of read

1905

01:03:51,589 --> 01:03:49,920

some of the stuff that's in the book but

1906

01:03:53,349 --> 01:03:51,599

it doesn't seem all that exciting i

1907

01:03:55,270 --> 01:03:53,359

don't know from the stuff i've seen

1908

01:03:57,510 --> 01:03:55,280

so it's been said that like a third of

1909

01:03:58,870 --> 01:03:57,520

the book is about ufos and aliens but

1910

01:04:01,029 --> 01:03:58,880

you know the stuff i've seen translated

1911

01:04:04,390 --> 01:04:01,039

seems very mild but uh

1912

01:04:06,390 --> 01:04:04,400

again it's a story that uh was all too

1913

01:04:09,029 --> 01:04:06,400

ripe for the picking for the press

1914

01:04:09,829 --> 01:04:09,039

and uh fortunately people like jeremy

1915

01:04:11,829 --> 01:04:09,839

are out there and

1916

01:04:13,029 --> 01:04:11,839

and we'll keep follow-ups with this

1917

01:04:16,150 --> 01:04:13,039

story coming so

1918

01:04:16,950 --> 01:04:16,160

excited for that well that is our 10

1919

01:04:19,990 --> 01:04:16,960

stories

1920

01:04:21,349 --> 01:04:20,000

but i will throw in a couple honorable

1921

01:04:24,230 --> 01:04:21,359

mentions here

1922

01:04:25,190 --> 01:04:24,240

because it was a long year it was a

1923

01:04:28,470 --> 01:04:25,200

weird year

1924

01:04:29,430 --> 01:04:28,480

a lot of things happened but uh we did a

1925

01:04:32,309 --> 01:04:29,440

lot of things

1926

01:04:33,670 --> 01:04:32,319

here at rogue planet it feels weird like

1927

01:04:35,750 --> 01:04:33,680

they didn't actually happen this year

1928

01:04:37,589 --> 01:04:35,760

but they did

1929

01:04:39,990 --> 01:04:37,599

we did our own virtual conference called

1930

01:04:43,190 --> 01:04:40,000

all the strange that happened this year

1931

01:04:44,150 --> 01:04:43,200

um and you know tooting our our horn

1932

01:04:46,069 --> 01:04:44,160

here

1933

01:04:47,829 --> 01:04:46,079

i think it was pretty awesome i do too

1934

01:04:52,710 --> 01:04:47,839

it was it was awesome

1935

01:04:59,270 --> 01:04:52,720

it was so fun man yeah so it sucked

1936

01:05:02,710 --> 01:05:00,950

you do you do that's why we have you

1937

01:05:08,390 --> 01:05:02,720

here yes we needed it it was great

1938

01:05:11,349 --> 01:05:08,400

it said journalism 101 degree yeah

1939

01:05:12,870 --> 01:05:11,359

so we did our all the strange conference

1940

01:05:14,870 --> 01:05:12,880

we also had

1941

01:05:16,390 --> 01:05:14,880

shane's book release shane released his

1942

01:05:19,270 --> 01:05:16,400

first book this year yeah

1943

01:05:21,029 --> 01:05:19,280

yeah that was awesome jason for helping

1944

01:05:23,029 --> 01:05:21,039

me do that that was awesome

1945

01:05:24,230 --> 01:05:23,039

but then ryan also released a book this

1946

01:05:28,470 --> 01:05:24,240

year so yay right

1947

01:05:30,789 --> 01:05:28,480

ryan just doing my small golf clap here

1948

01:05:32,069 --> 01:05:30,799

and we also as you mentioned earlier

1949

01:05:35,430 --> 01:05:32,079

maureen we did

1950

01:05:36,710 --> 01:05:35,440

a skinwalker ranch podcast um you know

1951

01:05:39,910 --> 01:05:36,720

sort of in conjunction

1952

01:05:41,349 --> 01:05:39,920

with the skinwalker ranch tv show so

1953

01:05:42,950 --> 01:05:41,359

that happened this year that seems like

1954

01:05:45,670 --> 01:05:42,960

so long ago but yeah

1955

01:05:46,950 --> 01:05:45,680

that happened too so we we had a busy

1956

01:05:49,670 --> 01:05:46,960

year here at rogue planet

1957

01:05:50,870 --> 01:05:49,680

yep yes i barely remember what day of

1958

01:05:54,069 --> 01:05:50,880

the week it is

1959

01:05:56,710 --> 01:05:54,079

uh lately and yeah this year has

1960

01:05:58,230 --> 01:05:56,720

completely i think turned everyone up on

1961

01:06:00,230 --> 01:05:58,240

end so

1962

01:06:01,990 --> 01:06:00,240

i mean it's not like we're rolling over

1963

01:06:04,309 --> 01:06:02,000

to 2021 uh

1964

01:06:05,349 --> 01:06:04,319

and it'll be this magical new fresh year

1965

01:06:08,950 --> 01:06:05,359

but

1966

01:06:11,990 --> 01:06:08,960

i i hope for f's sake that uh

1967

01:06:15,430 --> 01:06:12,000

things improve here soon don't we all

1968

01:06:17,029 --> 01:06:15,440

well guys i want to thank you all for

1969

01:06:18,870 --> 01:06:17,039

taking the time to run through these

1970

01:06:20,150 --> 01:06:18,880

stories today i always love it when we

1971

01:06:23,029 --> 01:06:20,160

can all get together

1972

01:06:23,589 --> 01:06:23,039

and and do these these group shows so

1973

01:06:26,390 --> 01:06:23,599

thank you

1974

01:06:28,309 --> 01:06:26,400

first of all of course and before we

1975

01:06:31,109 --> 01:06:28,319

wrap up today i want to let everybody

1976

01:06:33,430 --> 01:06:31,119

know about changes coming to this show

1977

01:06:36,069 --> 01:06:33,440

starting in the new year unknown is

1978

01:06:38,710 --> 01:06:36,079

going to shift to a monthly schedule

1979

01:06:39,430 --> 01:06:38,720

and each month we'll highlight and recap

1980

01:06:41,829 --> 01:06:39,440

some of the

1981

01:06:43,589 --> 01:06:41,839

noteworthy stories from that month of

1982

01:06:44,390 --> 01:06:43,599

course we'll throw in occasional ufo

1983

01:06:46,950 --> 01:06:44,400

happy hour

1984

01:06:48,309 --> 01:06:46,960

episodes here and there but mostly we'll

1985

01:06:49,349 --> 01:06:48,319

release new episodes on a monthly

1986

01:06:52,150 --> 01:06:49,359

schedule

1987

01:06:54,150 --> 01:06:52,160

and to satisfy your ufo appetite you

1988

01:06:55,270 --> 01:06:54,160

always have ryan's weekly show somewhere

1989

01:06:57,029 --> 01:06:55,280

in the skies

1990

01:06:59,029 --> 01:06:57,039

make sure you're subscribed to that show

1991

01:07:00,710 --> 01:06:59,039

if you're not already

1992

01:07:02,470 --> 01:07:00,720

well citizens that's going to do it for

1993

01:07:04,390 --> 01:07:02,480

this episode you can find more episodes

1994

01:07:05,190 --> 01:07:04,400

of unknown on all the major podcast

1995

01:07:06,789 --> 01:07:05,200

platforms

1996

01:07:09,029 --> 01:07:06,799

and you can always find this show and

1997

01:07:10,470 --> 01:07:09,039

our other shows at [realplanet.tv](http://realplanet.tv)

1998

01:07:12,950 --> 01:07:10,480

because unknown is a rogue planet

1999

01:07:15,190 --> 01:07:12,960

production [rogueplanet.tv](http://rogueplanet.tv) is your home

2000

01:07:17,430 --> 01:07:15,200

for all the strange thanks for riding

2001

01:07:19,430 --> 01:07:17,440

along with us during this weird year

2002

01:07:21,109 --> 01:07:19,440

happy holidays to you and yours and

2003

01:07:23,270 --> 01:07:21,119

thanks again for hanging out today

2004

01:07:25,430 --> 01:07:23,280

i'm jason mcclellan i'm maureen elsberry

2005

01:07:27,349 --> 01:07:25,440

i'm ryan sprague and i'm shane hurd

2006

01:07:28,870 --> 01:07:27,359

do us a favor friends always treat the

2007

01:07:30,950 --> 01:07:28,880

ufo subject with the cautious and

2008

01:07:32,950 --> 01:07:30,960

responsible skepticism it deserves

2009

01:07:34,789 --> 01:07:32,960

question everything have the courage to

2010

01:07:36,870 --> 01:07:34,799

form your own opinions

2011

01:07:37,829 --> 01:07:36,880

keep truth as the focus of your quest

2012

01:07:39,829 --> 01:07:37,839

even if the truth

2013

01:07:41,990 --> 01:07:39,839

conflicts with your opinions and of

2014

01:07:57,109 --> 01:07:42,000

course stay strange
