greetings to all the lovers of the

3  
00:00:08,960 --> 00:00:12,470  
the sky watchers of the night

4  
00:00:35,670 --> 00:00:16,500  
hello citizens and welcome to unknown

5  
00:00:37,270 --> 00:00:35,680  
[Music]

6  
00:00:39,430 --> 00:00:37,280  
i'm jason mcclellan i'm here with

7  
00:00:41,510 --> 00:00:39,440  
maureen elsberry ryan sprague and shane

8  
00:00:43,750 --> 00:00:41,520  
hurd today for our monthly

9  
00:00:44,709 --> 00:00:43,760  
ufo happy hour thanks for hanging out

10  
00:00:48,790 --> 00:00:44,719  
with us

11  
00:00:50,869 --> 00:00:48,800  
so guys we're going to do what we

12  
00:00:52,630 --> 00:00:50,879  
try to do with these these happy hour

13  
00:00:54,630 --> 00:00:52,640

episodes and that is just

14

00:00:56,549 --> 00:00:54,640

have fun and kind of talk about some of

15

00:00:59,510 --> 00:00:56,559

the things that have made news

16

00:01:00,869 --> 00:00:59,520

during this this month we're recording

17

00:01:02,150 --> 00:01:00,879

this in january so we're going to be

18

00:01:04,869 --> 00:01:02,160

talking about things that have made

19

00:01:06,550 --> 00:01:04,879

made news already early in this 2021

20

00:01:10,310 --> 00:01:06,560

year

21

00:01:13,510 --> 00:01:10,320

so to start let's talk about

22

00:01:15,670 --> 00:01:13,520

what flooded the headlines right away

23

00:01:17,749 --> 00:01:15,680

because at the end of the year you know

24

00:01:20,469 --> 00:01:17,759

we had this this massive

25

00:01:21,270 --> 00:01:20,479

coveted relief bill is how it was billed

26

00:01:22,950 --> 00:01:21,280

uh

27

00:01:24,469 --> 00:01:22,960

you know to the public most of the the

28

00:01:25,429 --> 00:01:24,479

reporting was about that because it

29

00:01:27,350 --> 00:01:25,439

contained

30

00:01:29,510 --> 00:01:27,360

things related to coveted relief but it

31

00:01:32,149 --> 00:01:29,520

was really this just large

32

00:01:34,149 --> 00:01:32,159

omnibus spending bill for the end of the

33

00:01:35,030 --> 00:01:34,159

year had a bunch of stuff just crammed

34

00:01:37,749 --> 00:01:35,040

into it

35

00:01:39,510 --> 00:01:37,759

and one of those things was that little

36

00:01:41,830 --> 00:01:39,520

piece that we'd been following

37

00:01:42,870 --> 00:01:41,840

for half the year and that was about

38

00:01:45,190 --> 00:01:42,880

this

39

00:01:46,950 --> 00:01:45,200

uh request for a report from the

40

00:01:50,230 --> 00:01:46,960

government from government agencies

41

00:01:51,910 --> 00:01:50,240

about ufo-related information and so

42

00:01:54,469 --> 00:01:51,920

we saw this flood of headlines already

43

00:01:55,510 --> 00:01:54,479

this year about how that 180-day

44

00:01:58,630 --> 00:01:55,520

countdown

45

00:02:02,069 --> 00:01:58,640

has started it has begun so

46

00:02:05,830 --> 00:02:02,079

within 180 days we could have this

47

00:02:09,830 --> 00:02:05,840

uh report shedding all of the

48

00:02:12,470 --> 00:02:09,840

government's ufo secrets right ryan

49

00:02:14,630 --> 00:02:12,480

absolutely man i have no doubt this is

50

00:02:17,830 --> 00:02:14,640

the disclosure we've been waiting for

51  
00:02:24,630 --> 00:02:17,840  
for decades it's finally happening god

52  
00:02:31,350 --> 00:02:28,550  
i i hope you can uh sense the uh circus

53  
00:02:31,910 --> 00:02:31,360  
in there but um just a little bit just a

54  
00:02:36,070 --> 00:02:31,920  
little bit

55  
00:02:37,830 --> 00:02:36,080  
yeah so yeah i mean it's just so funny

56  
00:02:39,190 --> 00:02:37,840  
i don't know why we still get surprised

57  
00:02:42,229 --> 00:02:39,200  
by this but it is funny

58  
00:02:43,830 --> 00:02:42,239  
every time we have any sort of news like

59  
00:02:44,790 --> 00:02:43,840  
this that just generates countless

60  
00:02:46,790 --> 00:02:44,800  
headlines

61  
00:02:47,990 --> 00:02:46,800  
or media outlets around the world

62  
00:02:50,630 --> 00:02:48,000  
something like this

63  
00:02:52,229 --> 00:02:50,640

where the majority of the headlines just

64

00:02:54,550 --> 00:02:52,239

completely misrepresent

65

00:02:56,150 --> 00:02:54,560

what is actually taking place and we

66

00:02:58,070 --> 00:02:56,160

definitely saw that with this just

67

00:02:59,270 --> 00:02:58,080

headline after headline talking about

68

00:03:01,270 --> 00:02:59,280

how

69

00:03:02,550 --> 00:03:01,280

the countdown has started in 180 days

70

00:03:05,350 --> 00:03:02,560

the government is going to

71

00:03:07,270 --> 00:03:05,360

reveal all of its secrets to the public

72

00:03:08,309 --> 00:03:07,280

and that's obviously not true first of

73

00:03:09,830 --> 00:03:08,319

all number one

74

00:03:11,589 --> 00:03:09,840

it's silly to think they're revealing

75

00:03:13,030 --> 00:03:11,599

all of their secrets because they're not

76

00:03:14,949 --> 00:03:13,040

going to reveal any secrets that's

77

00:03:16,949 --> 00:03:14,959

that's not the point of this and that

78

00:03:18,390 --> 00:03:16,959

is not how the government works but

79

00:03:21,030 --> 00:03:18,400

number two

80

00:03:21,509 --> 00:03:21,040

it's not in 180 days it's within 180

81

00:03:23,509 --> 00:03:21,519

days

82

00:03:25,270 --> 00:03:23,519

and i think many of us suspect that

83

00:03:26,550 --> 00:03:25,280

that's going to be completed much sooner

84

00:03:28,710 --> 00:03:26,560

than 180 days

85

00:03:30,470 --> 00:03:28,720

from the start of that countdown but

86

00:03:32,630 --> 00:03:30,480

then beyond that

87

00:03:33,990 --> 00:03:32,640

it's not they're not doing this out of

88

00:03:36,789 --> 00:03:34,000

the goodness of their hearts

89

00:03:37,509 --> 00:03:36,799

they're not doing this as a show of good

90

00:03:39,990 --> 00:03:37,519

faith

91

00:03:42,470 --> 00:03:40,000

to just give the public everything it

92

00:03:46,390 --> 00:03:42,480

knows about ufos this is not a

93

00:03:49,110 --> 00:03:46,400

a public benefit project it's something

94

00:03:49,990 --> 00:03:49,120

for military purposes that is being

95

00:03:51,670 --> 00:03:50,000

conducted

96

00:03:53,190 --> 00:03:51,680

for the government to get a better

97

00:03:54,390 --> 00:03:53,200

understanding of their information

98

00:03:57,270 --> 00:03:54,400

sharing and the

99

00:03:58,390 --> 00:03:57,280

information they each individual agency

100

00:04:00,869 --> 00:03:58,400

or department

101  
00:04:01,429 --> 00:04:00,879  
might have it's not putting this stuff

102  
00:04:03,750 --> 00:04:01,439  
together

103  
00:04:04,949 --> 00:04:03,760  
in a pleasant report to give to the

104  
00:04:05,670 --> 00:04:04,959  
public and that's what a lot of these

105  
00:04:08,630 --> 00:04:05,680  
headlines

106  
00:04:09,990 --> 00:04:08,640  
are are indicating or suggesting or or

107  
00:04:11,190 --> 00:04:10,000  
just outright saying

108  
00:04:14,149 --> 00:04:11,200  
is going to happen and that's just not

109  
00:04:15,589 --> 00:04:14,159  
the case yeah and i think

110  
00:04:17,749 --> 00:04:15,599  
what you need to do is look at this

111  
00:04:21,270 --> 00:04:17,759  
there's two good things

112  
00:04:23,909 --> 00:04:21,280  
about this one is we're on the path

113  
00:04:25,909 --> 00:04:23,919

forward to having a unified way to

114

00:04:28,150 --> 00:04:25,919

uh these military organizations

115

00:04:32,310 --> 00:04:28,160

government organizations

116

00:04:35,909 --> 00:04:32,320

a standardized way to report and unify

117

00:04:38,950 --> 00:04:35,919

reports on anomalous phenomenon great

118

00:04:41,110 --> 00:04:38,960

uh that's a good start second again this

119

00:04:44,310 --> 00:04:41,120

is kind of the thing the media has been

120

00:04:47,189 --> 00:04:44,320

mis explaining so to speak as

121

00:04:49,189 --> 00:04:47,199

as you mentioned jason is this is an

122

00:04:51,990 --> 00:04:49,199

unclassified report

123

00:04:53,270 --> 00:04:52,000

however there is also an annex

124

00:04:56,550 --> 00:04:53,280

classified

125

00:04:58,550 --> 00:04:56,560

section so again we see when

126

00:04:59,830 --> 00:04:58,560

uh the government releases documents and

127

00:05:03,110 --> 00:04:59,840

i know we'll get this

128

00:05:07,029 --> 00:05:03,120

into this uh more in depth in our next

129

00:05:09,670 --> 00:05:07,039

point in this happy hour uh is that

130

00:05:10,550 --> 00:05:09,680

even when you have these big public sort

131

00:05:14,230 --> 00:05:10,560

of

132

00:05:16,950 --> 00:05:14,240

redacted information

133

00:05:18,710 --> 00:05:16,960

so again are we going to get to have

134

00:05:22,629 --> 00:05:18,720

this big disclosure event

135

00:05:23,270 --> 00:05:22,639

no don't get your hopes up it's exciting

136

00:05:26,469 --> 00:05:23,280

that it was

137

00:05:27,189 --> 00:05:26,479

crammed into this massive trillion

138

00:05:31,189 --> 00:05:27,199

dollar

139

00:05:32,710 --> 00:05:31,199

relief bill

140

00:05:34,469 --> 00:05:32,720

that kind of just slid in there let's

141

00:05:37,990 --> 00:05:34,479

get this out of the way too

142

00:05:40,550 --> 00:05:38,000

but um honestly yes if it's a threat to

143

00:05:41,990 --> 00:05:40,560

our our aerospace it's of course

144

00:05:43,990 --> 00:05:42,000

important that we get this

145

00:05:46,469 --> 00:05:44,000

on track but i feel like we have a hell

146

00:05:49,510 --> 00:05:46,479

of a lot more to worry about

147

00:05:52,710 --> 00:05:49,520

within this first 180 days

148

00:05:53,990 --> 00:05:52,720

of our new administration so

149

00:05:56,309 --> 00:05:54,000

i think everyone just needs to take a

150

00:05:59,749 --> 00:05:56,319

breath don't read too much into it and

151  
00:06:01,189 --> 00:05:59,759  
and let's hopefully have this be a step

152  
00:06:02,070 --> 00:06:01,199  
in the right direction but it's not

153  
00:06:05,990 --> 00:06:02,080  
going to be that

154  
00:06:10,950 --> 00:06:06,000  
that big event people are hoping for

155  
00:06:17,270 --> 00:06:14,150  
about just the the timing of all of this

156  
00:06:19,590 --> 00:06:17,280  
and yes there are many other

157  
00:06:20,469 --> 00:06:19,600  
pressing issues right now that i think

158  
00:06:23,510 --> 00:06:20,479  
are going to

159  
00:06:24,790 --> 00:06:23,520  
take priority over you know

160  
00:06:27,110 --> 00:06:24,800  
these different agencies and

161  
00:06:28,390 --> 00:06:27,120  
organizations compiling their ufo

162  
00:06:30,550 --> 00:06:28,400  
information and sharing it with each

163  
00:06:31,909 --> 00:06:30,560

other for this report

164

00:06:33,430 --> 00:06:31,919

there are a lot of important things

165

00:06:33,990 --> 00:06:33,440

going on right now and yes ufos are

166

00:06:36,150 --> 00:06:34,000

important

167

00:06:38,070 --> 00:06:36,160

but you know people are dealing with the

168

00:06:38,870 --> 00:06:38,080

things we have here on earth right now

169

00:06:40,790 --> 00:06:38,880

and

170

00:06:42,309 --> 00:06:40,800

i think that's we're already seeing some

171

00:06:43,909 --> 00:06:42,319

of that stuff happen with

172

00:06:45,749 --> 00:06:43,919

uh you know some personnel shifting

173

00:06:49,189 --> 00:06:45,759

happening with people being

174

00:06:50,870 --> 00:06:49,199

assigned different roles so already

175

00:06:52,629 --> 00:06:50,880

before a lot of the stuff is even

176  
00:06:54,710 --> 00:06:52,639  
starting we're having

177  
00:06:55,830 --> 00:06:54,720  
shifting and changing happening with an

178  
00:06:58,150 --> 00:06:55,840  
already

179  
00:06:58,870 --> 00:06:58,160  
very small possibly just couple people

180  
00:07:00,950 --> 00:06:58,880  
involved

181  
00:07:02,390 --> 00:07:00,960  
with the uap task force specifically

182  
00:07:04,070 --> 00:07:02,400  
granted they're they're not the ones

183  
00:07:06,070 --> 00:07:04,080  
putting together this report and they're

184  
00:07:08,870 --> 00:07:06,080  
not the only ones involved in it

185  
00:07:10,309 --> 00:07:08,880  
but with already that kind of movement

186  
00:07:12,790 --> 00:07:10,319  
happening

187  
00:07:13,510 --> 00:07:12,800  
it could mean things are a little slower

188  
00:07:15,670 --> 00:07:13,520

or less

189

00:07:16,710 --> 00:07:15,680

uh forthcoming and and as soon as we

190

00:07:19,510 --> 00:07:16,720

would like them

191

00:07:21,270 --> 00:07:19,520

to be but to your point you brought up

192

00:07:23,749 --> 00:07:21,280

the unclassified part

193

00:07:25,430 --> 00:07:23,759

maureen and and i mentioned on the

194

00:07:28,150 --> 00:07:25,440

previous episode

195

00:07:30,070 --> 00:07:28,160

just what that means you know it's not

196

00:07:33,670 --> 00:07:30,080

it's not just a flipping term they threw

197

00:07:34,230 --> 00:07:33,680

out there unclassified specifically

198

00:07:37,110 --> 00:07:34,240

means

199

00:07:37,990 --> 00:07:37,120

something and it does not mean public it

200

00:07:40,150 --> 00:07:38,000

doesn't mean

201  
00:07:41,029 --> 00:07:40,160  
that necessarily it's going to be

202  
00:07:43,029 --> 00:07:41,039  
available

203  
00:07:44,550 --> 00:07:43,039  
for the public granted this stuff you

204  
00:07:45,909 --> 00:07:44,560  
know down the road of course through

205  
00:07:47,830 --> 00:07:45,919  
foia requests

206  
00:07:48,950 --> 00:07:47,840  
um unclassified stuff come out but

207  
00:07:51,430 --> 00:07:48,960  
unclassified

208  
00:07:54,150 --> 00:07:51,440  
can't be released to the public unless

209  
00:07:55,830 --> 00:07:54,160  
it is authorized for that public release

210  
00:07:57,830 --> 00:07:55,840  
do i think that's going to happen yeah

211  
00:07:59,589 --> 00:07:57,840  
probably i think to some degree

212  
00:08:01,189 --> 00:07:59,599  
there will be a public release

213  
00:08:04,390 --> 00:08:01,199

authorized on this

214

00:08:05,670 --> 00:08:04,400

unclassified report but to just assume

215

00:08:08,309 --> 00:08:05,680

that's going to happen

216

00:08:08,950 --> 00:08:08,319

or to present this whole thing in a way

217

00:08:10,790 --> 00:08:08,960

that

218

00:08:12,469 --> 00:08:10,800

this is for the public it's going to be

219

00:08:14,390 --> 00:08:12,479

a public report

220

00:08:15,990 --> 00:08:14,400

that's just assuming facts not in

221

00:08:18,550 --> 00:08:16,000

evidence

222

00:08:20,869 --> 00:08:18,560

yeah all the fun stuff will be hidden

223

00:08:22,070 --> 00:08:20,879

yeah it will it always is maureen and i

224

00:08:24,469 --> 00:08:22,080

think too like

225

00:08:25,589 --> 00:08:24,479

i know it's this isn't directly the uap

226

00:08:29,270 --> 00:08:25,599

task force

227

00:08:31,589 --> 00:08:29,280

but uh when we we've seen

228

00:08:33,509 --> 00:08:31,599

that this task force doesn't even have a

229

00:08:35,829 --> 00:08:33,519

budget that we're aware of

230

00:08:37,029 --> 00:08:35,839

right so i do wonder even you know

231

00:08:40,790 --> 00:08:37,039

besides the bill

232

00:08:42,630 --> 00:08:40,800

and the 180 days for findings um

233

00:08:44,790 --> 00:08:42,640

what are we are we going to get anything

234

00:08:46,310 --> 00:08:44,800

from this uap task force because

235

00:08:48,790 --> 00:08:46,320

right now it looks like they don't have

236

00:08:51,030 --> 00:08:48,800

any money to even do it

237

00:08:52,310 --> 00:08:51,040

it's probably being allocated to other

238

00:08:55,030 --> 00:08:52,320

sections

239

00:08:55,829 --> 00:08:55,040

where this bill was slipped in so i

240

00:08:57,590 --> 00:08:55,839

wonder

241

00:08:59,829 --> 00:08:57,600

you know if we'll even get anything from

242

00:09:02,790 --> 00:08:59,839

the task force let alone this

243

00:09:03,590 --> 00:09:02,800

this senate bill that was passed um and

244

00:09:05,190 --> 00:09:03,600

i mean

245

00:09:06,870 --> 00:09:05,200

i think we just need to keep applying

246

00:09:07,990 --> 00:09:06,880

pressure i think that's what it comes

247

00:09:10,470 --> 00:09:08,000

down to people like john

248

00:09:13,269 --> 00:09:10,480

greenwald going for those foyer requests

249

00:09:16,389 --> 00:09:13,279

is the only way we're gonna get anything

250

00:09:20,070 --> 00:09:16,399

well and i would like to hope that maybe

251  
00:09:22,230 --> 00:09:20,080  
this will because we have been

252  
00:09:24,389 --> 00:09:22,240  
at this point and similar points in the

253  
00:09:26,949 --> 00:09:24,399  
road in the whole ufo

254  
00:09:27,990 --> 00:09:26,959  
process with the government many times

255  
00:09:31,190 --> 00:09:28,000  
before

256  
00:09:34,710 --> 00:09:31,200  
and what i hope comes out of this is

257  
00:09:36,550 --> 00:09:34,720  
an accelerated sort of relearning what

258  
00:09:37,829 --> 00:09:36,560  
we've already learned and then moving to

259  
00:09:39,829 --> 00:09:37,839  
the next step

260  
00:09:41,750 --> 00:09:39,839  
because we have these these periods that

261  
00:09:43,030 --> 00:09:41,760  
go by where the government

262  
00:09:45,030 --> 00:09:43,040  
you know kind of scratches their head

263  
00:09:46,310 --> 00:09:45,040

and goes huh we've got to figure out

264

00:09:47,750 --> 00:09:46,320

these ufos

265

00:09:49,430 --> 00:09:47,760

then they finally talk to each other

266

00:09:50,790 --> 00:09:49,440

they finally look into it

267

00:09:53,030 --> 00:09:50,800

and they get this information that

268

00:09:54,630 --> 00:09:53,040

they've had all along and

269

00:09:56,230 --> 00:09:54,640

you know shouldn't be going back and

270

00:09:57,190 --> 00:09:56,240

reinventing the wheel but that's always

271

00:09:58,710 --> 00:09:57,200

what happens

272

00:10:01,030 --> 00:09:58,720

then they finally get back up to speed

273

00:10:02,389 --> 00:10:01,040

again and then it kind of peters out and

274

00:10:04,710 --> 00:10:02,399

nothing happens

275

00:10:06,790 --> 00:10:04,720

so i'm hoping that you know there's

276

00:10:07,350 --> 00:10:06,800

enough momentum now that's generated by

277

00:10:10,470 --> 00:10:07,360

this

278

00:10:12,790 --> 00:10:10,480

that they will look through their boxes

279

00:10:14,230 --> 00:10:12,800

they'll talk to the different groups

280

00:10:15,110 --> 00:10:14,240

they'll put all their their heads

281

00:10:18,069 --> 00:10:15,120

together

282

00:10:19,190 --> 00:10:18,079

assess the current situation and then

283

00:10:21,590 --> 00:10:19,200

move on

284

00:10:23,110 --> 00:10:21,600

to the next step without letting it die

285

00:10:25,110 --> 00:10:23,120

out and waste all their their current

286

00:10:27,269 --> 00:10:25,120

efforts

287

00:10:29,030 --> 00:10:27,279

yeah i think this is just uh chris

288

00:10:30,790 --> 00:10:29,040

mellon too

289

00:10:32,389 --> 00:10:30,800

right sorry sorry the interruption but

290

00:10:34,550 --> 00:10:32,399

the efforts of the people who

291

00:10:36,069 --> 00:10:34,560

actually got this into the senate

292

00:10:38,550 --> 00:10:36,079

intelligence committee and be like

293

00:10:40,470 --> 00:10:38,560

yo put some pressure on your agencies

294

00:10:41,590 --> 00:10:40,480

like stuff's going on the public wants

295

00:10:43,910 --> 00:10:41,600

to know so

296

00:10:46,310 --> 00:10:43,920

i mean they did so much to get that in

297

00:10:48,550 --> 00:10:46,320

there let's not just drop the ball now

298

00:10:50,389 --> 00:10:48,560

like i think the public really needs to

299

00:10:51,509 --> 00:10:50,399

kind of take the reins at this point

300

00:10:53,030 --> 00:10:51,519

because we know

301  
00:10:54,310 --> 00:10:53,040  
the government's not going to like you

302  
00:10:57,990 --> 00:10:54,320  
said they're going to make us wait it

303  
00:11:01,269 --> 00:11:00,550  
yeah i think this whole bill thing is

304  
00:11:04,470 --> 00:11:01,279  
really just

305  
00:11:05,990 --> 00:11:04,480  
a very much a baby step

306  
00:11:07,590 --> 00:11:06,000  
and there's really two sides to it

307  
00:11:08,470 --> 00:11:07,600  
because really they could have submitted

308  
00:11:11,509 --> 00:11:08,480  
a bill

309  
00:11:11,829 --> 00:11:11,519  
that had no public reporting element to

310  
00:11:13,590 --> 00:11:11,839  
it

311  
00:11:15,190 --> 00:11:13,600  
they could have still got a report and

312  
00:11:17,590 --> 00:11:15,200  
brief congress and

313  
00:11:18,790 --> 00:11:17,600

it you know various government agencies

314

00:11:21,829 --> 00:11:18,800

who

315

00:11:24,150 --> 00:11:21,839

had an interest um and not

316

00:11:25,829 --> 00:11:24,160

not disclosed anything so there is there

317

00:11:28,870 --> 00:11:25,839

is two sides to it but

318

00:11:29,190 --> 00:11:28,880

um i i found kind of interesting some of

319

00:11:40,949 --> 00:11:29,200

the

320

00:11:43,590 --> 00:11:40,959

word on that i think you know we're

321

00:11:45,350 --> 00:11:43,600

we're focused on ufos and have been

322

00:11:47,509 --> 00:11:45,360

these are people who

323

00:11:48,949 --> 00:11:47,519

probably have zero knowledge you know

324

00:11:51,910 --> 00:11:48,959

congressmen

325

00:11:54,150 --> 00:11:51,920

and so forth that um you know this will

326

00:11:56,710 --> 00:11:54,160

be dipping their toe in the water but

327

00:11:58,710 --> 00:11:56,720

um i like kind of some quotes here from

328

00:11:59,750 --> 00:11:58,720

there was a military.com article

329

00:12:01,430 --> 00:11:59,760

recently

330

00:12:02,870 --> 00:12:01,440

and they said that lawmakers are

331

00:12:06,230 --> 00:12:02,880

concerned that there's no

332

00:12:07,590 --> 00:12:06,240

unified comprehensive process within the

333

00:12:09,509 --> 00:12:07,600

federal government

334

00:12:11,110 --> 00:12:09,519

for collecting and analyzing

335

00:12:14,150 --> 00:12:11,120

intelligence

336

00:12:17,030 --> 00:12:14,160

on unidentified aerial phenomena

337

00:12:19,190 --> 00:12:17,040

despite the potential threat which is

338

00:12:20,310 --> 00:12:19,200

why the sweeping report on all relevant

339

00:12:23,509 --> 00:12:20,320  
information

340

00:12:25,990 --> 00:12:23,519  
regarding uaps is essential and they

341

00:12:28,230 --> 00:12:26,000  
want information on up

342

00:12:29,590 --> 00:12:28,240  
uaps that were found using and this is

343

00:12:33,030 --> 00:12:29,600  
what i thought was kind of

344

00:12:36,870 --> 00:12:33,040  
interesting geospatial intelligence

345

00:12:39,269 --> 00:12:36,880  
signals intelligence human intelligence

346

00:12:41,030 --> 00:12:39,279  
measurement and signal signature

347

00:12:44,389 --> 00:12:41,040  
intelligence regardless of which

348

00:12:47,110 --> 00:12:44,399  
agency or service collected the data

349

00:12:47,750 --> 00:12:47,120  
right there gives you some insight about

350

00:12:51,110 --> 00:12:47,760  
how

351  
00:12:52,230 --> 00:12:51,120  
pervasive ufo data is within the

352  
00:12:55,190 --> 00:12:52,240  
government

353  
00:12:55,910 --> 00:12:55,200  
and has been picked up or noticed on

354  
00:12:59,110 --> 00:12:55,920  
very

355  
00:13:01,190 --> 00:12:59,120  
varying intelligence capabilities

356  
00:13:02,949 --> 00:13:01,200  
so they list they list some things here

357  
00:13:04,870 --> 00:13:02,959  
that i actually have not heard of

358  
00:13:07,190 --> 00:13:04,880  
um you know it's where they're

359  
00:13:08,150 --> 00:13:07,200  
geospatial and the signals and the human

360  
00:13:09,910 --> 00:13:08,160  
of course but

361  
00:13:11,590 --> 00:13:09,920  
uh measurement and signature

362  
00:13:12,310 --> 00:13:11,600  
intelligence i'm not even sure what that

363  
00:13:14,629 --> 00:13:12,320

is

364

00:13:15,509 --> 00:13:14,639

um and so i think it's pretty

365

00:13:18,230 --> 00:13:15,519

fascinating

366

00:13:20,230 --> 00:13:18,240

we are seeing something new and unique

367

00:13:21,910 --> 00:13:20,240

to it to a slight degree but i think

368

00:13:23,590 --> 00:13:21,920

it's just new because

369

00:13:25,990 --> 00:13:23,600

they're really trying to educate just a

370

00:13:28,389 --> 00:13:26,000

whole new group of of lawmakers

371

00:13:30,389 --> 00:13:28,399

but at the same time they seem to be

372

00:13:32,150 --> 00:13:30,399

acquiescing to the pressure

373

00:13:33,670 --> 00:13:32,160

by the public to to have more

374

00:13:34,870 --> 00:13:33,680

information on this so

375

00:13:37,030 --> 00:13:34,880

i don't know they're probably going to

376

00:13:39,509 --> 00:13:37,040

be walking a fine line

377

00:13:41,750 --> 00:13:39,519

they'll produce a report we'll see what

378

00:13:43,910 --> 00:13:41,760

we get out of it i by no means feel it's

379

00:13:46,069 --> 00:13:43,920

disclosure of any sort

380

00:13:48,069 --> 00:13:46,079

but it is a step in the right direction

381

00:13:50,550 --> 00:13:48,079

so i think it's pretty fascinating

382

00:13:51,790 --> 00:13:50,560

and i look forward to it but you know

383

00:13:54,629 --> 00:13:51,800

certainly my uh

384

00:13:55,350 --> 00:13:54,639

enthusiasm is quelled by the last 70

385

00:13:58,389 --> 00:13:55,360

years of

386

00:14:00,829 --> 00:13:58,399

um you know the track record that

387

00:14:02,069 --> 00:14:00,839

they have of obfuscating this whole

388

00:14:04,230 --> 00:14:02,079

subject

389

00:14:05,350 --> 00:14:04,240

i will say though it kind of feels like

390

00:14:08,389 --> 00:14:05,360

they can't put the

391

00:14:10,310 --> 00:14:08,399

the cat back in the bag uh that we've

392

00:14:12,949 --> 00:14:10,320

gotten to this point where

393

00:14:15,030 --> 00:14:12,959

the internet and technology and what's

394

00:14:16,710 --> 00:14:15,040

happening is you can no longer

395

00:14:18,629 --> 00:14:16,720

hide this subject and that the

396

00:14:21,750 --> 00:14:18,639

government should or

397

00:14:24,230 --> 00:14:21,760

or does have interest in it there's

398

00:14:25,430 --> 00:14:24,240

there's no going back now so while

399

00:14:29,350 --> 00:14:25,440

things might not move

400

00:14:32,389 --> 00:14:29,360

in a fast pace i don't think they

401  
00:14:33,509 --> 00:14:32,399  
have the liberty to be as secretive as

402  
00:14:36,949 --> 00:14:33,519  
they have in the past

403  
00:14:38,710 --> 00:14:36,959  
in terms of uh research organizations

404  
00:14:40,790 --> 00:14:38,720  
within the government

405  
00:14:42,069 --> 00:14:40,800  
you know i could be wrong of course i'm

406  
00:14:43,910 --> 00:14:42,079  
not saying that if

407  
00:14:45,910 --> 00:14:43,920  
everything's going to be sunny going

408  
00:14:48,069 --> 00:14:45,920  
forward or that these programs

409  
00:14:49,189 --> 00:14:48,079  
won't like ryan said they have no

410  
00:14:50,710 --> 00:14:49,199  
financing so

411  
00:14:52,230 --> 00:14:50,720  
it's basically i was kind of laughing

412  
00:14:55,829 --> 00:14:52,240  
because it reminded me of

413  
00:14:57,189 --> 00:14:55,839

uh mulder and scully in the basement

414

00:14:58,550 --> 00:14:57,199

uh you know kind of like here we're

415

00:14:59,509 --> 00:14:58,560

going to cram you in this small back

416

00:15:02,629 --> 00:14:59,519

room in the basement

417

00:15:04,949 --> 00:15:02,639

uh go look at your files uh

418

00:15:06,150 --> 00:15:04,959

with without much budget because ever

419

00:15:10,310 --> 00:15:06,160

they do have they do have that

420

00:15:14,629 --> 00:15:10,320

nice travel budget but anyways uh

421

00:15:17,829 --> 00:15:14,639

i i can see um a more positive

422

00:15:20,870 --> 00:15:17,839

route forward in terms of

423

00:15:23,430 --> 00:15:20,880

of at least the government knowing that

424

00:15:25,189 --> 00:15:23,440

uh the public's not going to shut up

425

00:15:27,509 --> 00:15:25,199

anymore

426  
00:15:29,110 --> 00:15:27,519  
point shane about about disclosure i

427  
00:15:31,269 --> 00:15:29,120  
agree with you i don't think this is

428  
00:15:32,389 --> 00:15:31,279  
any any sort of disclosure and i think

429  
00:15:35,350 --> 00:15:32,399  
if anything

430  
00:15:36,710 --> 00:15:35,360  
whether it's intentionally crafted this

431  
00:15:39,509 --> 00:15:36,720  
way or not

432  
00:15:40,069 --> 00:15:39,519  
i think both based on the wording we've

433  
00:15:43,749 --> 00:15:40,079  
seen

434  
00:15:47,269 --> 00:15:43,759  
related to this report request and

435  
00:15:54,310 --> 00:15:50,710  
detailed uh purpose behind it

436  
00:15:58,230 --> 00:15:54,320  
it's just demonstrating and showing

437  
00:16:01,590 --> 00:15:58,240  
that the government doesn't really

438  
00:16:03,910 --> 00:16:01,600

know anything about ufos that again

439

00:16:04,629 --> 00:16:03,920

whether whether that's intentional or

440

00:16:06,069 --> 00:16:04,639

not that's

441

00:16:07,590 --> 00:16:06,079

you know the narrative that they want to

442

00:16:08,629 --> 00:16:07,600

create by doing this they certainly

443

00:16:10,790 --> 00:16:08,639

could do that

444

00:16:11,829 --> 00:16:10,800

and they're doing a good job of it but

445

00:16:14,310 --> 00:16:11,839

on its face

446

00:16:16,150 --> 00:16:14,320

what this demonstrates is that they

447

00:16:17,430 --> 00:16:16,160

don't really have a lot of information

448

00:16:19,350 --> 00:16:17,440

they don't really understand the

449

00:16:20,710 --> 00:16:19,360

information they need more information

450

00:16:22,470 --> 00:16:20,720

because they're sort of operating

451  
00:16:25,430 --> 00:16:22,480  
blindly so

452  
00:16:27,110 --> 00:16:25,440  
that is basically them saying hey we

453  
00:16:28,710 --> 00:16:27,120  
don't we don't know

454  
00:16:30,470 --> 00:16:28,720  
about these ufos but we're trying to

455  
00:16:32,470 --> 00:16:30,480  
figure that out so

456  
00:16:34,069 --> 00:16:32,480  
whether or not that's true you know we

457  
00:16:35,590 --> 00:16:34,079  
don't know but they can certainly

458  
00:16:37,670 --> 00:16:35,600  
create that narrative going forward from

459  
00:16:40,310 --> 00:16:37,680  
this point

460  
00:16:40,949 --> 00:16:40,320  
yeah absolutely and i was even thinking

461  
00:16:42,550 --> 00:16:40,959  
just

462  
00:16:44,870 --> 00:16:42,560  
i don't know how the report will be

463  
00:16:46,629 --> 00:16:44,880

constructed and so forth but

464

00:16:48,710 --> 00:16:46,639

it's calling for a variety of

465

00:16:49,670 --> 00:16:48,720

governmental agencies to produce

466

00:16:53,110 --> 00:16:49,680

information on

467

00:16:55,350 --> 00:16:53,120

their ufo research right well not all

468

00:16:56,949 --> 00:16:55,360

70 years or agencies that you would

469

00:16:57,990 --> 00:16:56,959

think would be included they're very

470

00:17:01,030 --> 00:16:58,000

specifically

471

00:17:01,590 --> 00:17:01,040

chosen yeah it's interesting yeah yeah

472

00:17:03,670 --> 00:17:01,600

so that

473

00:17:06,230 --> 00:17:03,680

i'm very curious about that because

474

00:17:08,789 --> 00:17:06,240

really for 70 years we've all just been

475

00:17:10,789 --> 00:17:08,799

basically looking at the air force and

476

00:17:12,390 --> 00:17:10,799

then only until a couple years ago oh

477

00:17:14,710 --> 00:17:12,400

the navy has a program

478

00:17:16,390 --> 00:17:14,720

well what other organizations are we

479

00:17:19,350 --> 00:17:16,400

going to find out that have programs

480

00:17:22,549 --> 00:17:19,360

research and study programs on ufos

481

00:17:24,309 --> 00:17:22,559

that in itself would be huge you know

482

00:17:26,150 --> 00:17:24,319

getting a grasp or an understanding of

483

00:17:27,990 --> 00:17:26,160

that something that that's been hidden

484

00:17:31,590 --> 00:17:28,000

from us for all this time so

485

00:17:33,110 --> 00:17:31,600

i mean i'm sure there's some information

486

00:17:34,630 --> 00:17:33,120

to glean from that report

487

00:17:36,870 --> 00:17:34,640

uh you know they're not probably going

488

00:17:38,950 --> 00:17:36,880

to say oh yeah israel

489

00:17:40,310 --> 00:17:38,960

roswell's real and happened just like

490

00:17:41,750 --> 00:17:40,320

everyone thinks but

491

00:17:43,669 --> 00:17:41,760

but we're going to get a lot of

492

00:17:44,150 --> 00:17:43,679

information that you know will help

493

00:17:45,990 --> 00:17:44,160

connect

494

00:17:47,590 --> 00:17:46,000

other dots i guess is what i'm saying

495

00:17:50,789 --> 00:17:47,600

through throughout you know

496

00:17:52,789 --> 00:17:50,799

uh ufo research hopefully hopefully

497

00:17:54,630 --> 00:17:52,799

yeah no i'm optimistic i think some good

498

00:17:56,070 --> 00:17:54,640

stuff will come out yeah

499

00:17:58,150 --> 00:17:56,080

oh i was just gonna add one thing on

500

00:18:01,909 --> 00:17:58,160

what you said they don't know

501  
00:18:02,710 --> 00:18:01,919  
um i spoke to luis elizondo like a week

502  
00:18:04,310 --> 00:18:02,720  
ago

503  
00:18:07,029 --> 00:18:04,320  
and i asked him i'm like do you know who

504  
00:18:08,789 --> 00:18:07,039  
these people are on the uap task force

505  
00:18:10,310 --> 00:18:08,799  
and he was like yeah of course i do and

506  
00:18:10,950 --> 00:18:10,320  
i'm like all right is there anything you

507  
00:18:13,190 --> 00:18:10,960  
can share

508  
00:18:15,270 --> 00:18:13,200  
like and he's like no i mean i'm not at

509  
00:18:18,310 --> 00:18:15,280  
liberty to discuss who it is

510  
00:18:19,190 --> 00:18:18,320  
he's like just be just know that they

511  
00:18:21,830 --> 00:18:19,200  
know who you

512  
00:18:23,990 --> 00:18:21,840  
all are and i think he meant you know

513  
00:18:26,310 --> 00:18:24,000

the ufo community these people

514

00:18:27,350 --> 00:18:26,320

that are doing research and putting

515

00:18:30,150 --> 00:18:27,360

things out there

516

00:18:30,710 --> 00:18:30,160

so i think that's kind of a sign that

517

00:18:33,669 --> 00:18:30,720

they are

518

00:18:34,230 --> 00:18:33,679

looking to us for information whether

519

00:18:37,110 --> 00:18:34,240

they are

520

00:18:38,150 --> 00:18:37,120

making that visible to us or not he did

521

00:18:41,430 --> 00:18:38,160

say oh yeah

522

00:18:43,510 --> 00:18:41,440

i mean some of these twitter handles

523

00:18:44,630 --> 00:18:43,520

that just pop out of nowhere i guarantee

524

00:18:47,270 --> 00:18:44,640

you it's them

525

00:18:48,630 --> 00:18:47,280

looking at the work all of you are doing

526

00:18:50,710 --> 00:18:48,640

so i don't know if that was meant to

527

00:18:52,390 --> 00:18:50,720

make us all paranoid or what but

528

00:18:54,230 --> 00:18:52,400

it does make me think huh yeah maybe

529

00:18:54,950 --> 00:18:54,240

they don't maybe they are starting from

530

00:18:56,549 --> 00:18:54,960

scratch

531

00:18:58,630 --> 00:18:56,559

and they're going to the only people

532

00:18:59,909 --> 00:18:58,640

they know will have information

533

00:19:01,750 --> 00:18:59,919

and that's people who've been looking at

534

00:19:04,230 --> 00:19:01,760

it for 70 plus years so

535

00:19:05,110 --> 00:19:04,240

it gives me some hope that we still have

536

00:19:07,430 --> 00:19:05,120

a place

537

00:19:08,630 --> 00:19:07,440

in all of this you know when when kind

538

00:19:11,029 --> 00:19:08,640

of the whole ufo

539

00:19:12,310 --> 00:19:11,039

narrative gets gobbled up by the navy or

540

00:19:15,110 --> 00:19:12,320

the or the um

541

00:19:16,390 --> 00:19:15,120

defense department um they are they're

542

00:19:18,310 --> 00:19:16,400

they're looking at what

543

00:19:20,390 --> 00:19:18,320

we are doing in the public as well

544

00:19:23,350 --> 00:19:20,400

because ultimately they do have to

545

00:19:25,270 --> 00:19:23,360

answer to us some ways somehow

546

00:19:27,110 --> 00:19:25,280

you you say that like you think they

547

00:19:29,110 --> 00:19:27,120

really care

548

00:19:30,870 --> 00:19:29,120

that's a good point that's a good point

549

00:19:32,390 --> 00:19:30,880

i don't think no reason to tell you

550

00:19:35,909 --> 00:19:32,400

anything and they don't care if you're

551

00:19:38,789 --> 00:19:35,919

uh annoyed or pissed off at it at all so

552

00:19:40,470 --> 00:19:38,799

that's so true let's move on to our next

553

00:19:41,190 --> 00:19:40,480

topic something else that has made

554

00:19:43,830 --> 00:19:41,200

similar

555

00:19:45,029 --> 00:19:43,840

headlines a lot of headlines man so many

556

00:19:46,150 --> 00:19:45,039

media outlets around the world have

557

00:19:49,270 --> 00:19:46,160

covered this

558

00:19:52,710 --> 00:19:49,280

and this sort of ties in to the

559

00:19:55,750 --> 00:19:52,720

uh ufo report request and that

560

00:19:57,750 --> 00:19:55,760

is cia ufo files

561

00:19:59,270 --> 00:19:57,760

and there have been so many headlines

562

00:20:02,630 --> 00:19:59,280

lately saying that

563

00:20:05,110 --> 00:20:02,640

the cia ahead of its ahead of the

564

00:20:07,590 --> 00:20:05,120

deadline of 180 days has decided to

565

00:20:10,630 --> 00:20:07,600

release all of its ufo files

566

00:20:13,270 --> 00:20:10,640

um you know tying this in saying that uh

567

00:20:14,950 --> 00:20:13,280

the cia the recent news you've seen

568

00:20:18,470 --> 00:20:14,960

about cia ufo files

569

00:20:21,190 --> 00:20:18,480

is anyway related to this uap

570

00:20:21,669 --> 00:20:21,200

or ufo report and that is not the case

571

00:20:23,990 --> 00:20:21,679

it has

572

00:20:26,630 --> 00:20:24,000

nothing to do with it the cia didn't

573

00:20:30,070 --> 00:20:26,640

recently release their ufo files

574

00:20:33,350 --> 00:20:30,080

cia didn't do anything what did happen

575

00:20:34,070 --> 00:20:33,360

was researcher john greenwald took a

576

00:20:37,190 --> 00:20:34,080

cd-rom

577

00:20:40,230 --> 00:20:37,200

that he had acquired from the cia

578

00:20:43,590 --> 00:20:40,240

and went through the painstaking process

579

00:20:46,470 --> 00:20:43,600

of taking each of those individual files

580

00:20:48,549 --> 00:20:46,480

and you know nearly 3 000 pages worth of

581

00:20:51,669 --> 00:20:48,559

ufo files that were in

582

00:20:53,590 --> 00:20:51,679

random formats like like tiff

583

00:20:55,510 --> 00:20:53,600

image formats and stuff converted them

584

00:20:58,149 --> 00:20:55,520

to pdf and made them searchable

585

00:20:59,350 --> 00:20:58,159

so what john did was take all these cia

586

00:21:01,190 --> 00:20:59,360

files that had already been

587

00:21:02,710 --> 00:21:01,200

classified already been out for for many

588

00:21:05,909 --> 00:21:02,720

years in cases some

589

00:21:07,909 --> 00:21:05,919

since the 90s but he

590

00:21:09,510 --> 00:21:07,919

went through the process of making them

591

00:21:12,470 --> 00:21:09,520

so they're easy to go through

592

00:21:13,430 --> 00:21:12,480

easy to search presented them in a more

593

00:21:15,830 --> 00:21:13,440

user-friendly

594

00:21:17,190 --> 00:21:15,840

format so huge thanks to john for that

595

00:21:20,070 --> 00:21:17,200

no small task

596

00:21:20,549 --> 00:21:20,080

but almost all of the reporting about

597

00:21:22,120 --> 00:21:20,559

this

598

00:21:25,190 --> 00:21:22,130

has been completely wrong

599

00:21:27,669 --> 00:21:25,200

[Music]

600

00:21:29,190 --> 00:21:27,679

yeah yeah i think um john even mentioned

601  
00:21:30,230 --> 00:21:29,200  
in some of the interviews he did after

602  
00:21:33,669 --> 00:21:30,240  
this like

603  
00:21:36,310 --> 00:21:33,679  
um they make it incredibly difficult to

604  
00:21:37,750 --> 00:21:36,320  
search so i think it's amazing because

605  
00:21:39,830 --> 00:21:37,760  
you know you guys know as

606  
00:21:42,630 --> 00:21:39,840  
researchers like we're looking for the

607  
00:21:44,870 --> 00:21:42,640  
most expedited way to find information

608  
00:21:47,590 --> 00:21:44,880  
um you know that doesn't mean google

609  
00:21:49,590 --> 00:21:47,600  
search done my research is over but like

610  
00:21:50,630 --> 00:21:49,600  
if you're looking for a certain thing

611  
00:21:53,830 --> 00:21:50,640  
from

612  
00:21:55,190 --> 00:21:53,840  
the dod like type in dod and now john's

613  
00:21:57,350 --> 00:21:55,200

made it accessible

614

00:21:58,230 --> 00:21:57,360

all files within the dod will be right

615

00:21:59,830 --> 00:21:58,240

here so

616

00:22:01,990 --> 00:21:59,840

i think that's awesome but like you said

617

00:22:03,510 --> 00:22:02,000

jason yeah i mean how many people came

618

00:22:03,990 --> 00:22:03,520

to you guys the day after all these

619

00:22:05,909 --> 00:22:04,000

headlines

620

00:22:07,270 --> 00:22:05,919

were like oh my god the cia released

621

00:22:09,190 --> 00:22:07,280

everything it's like no

622

00:22:10,630 --> 00:22:09,200

no we've we've read we've been reading

623

00:22:13,990 --> 00:22:10,640

these files for like

624

00:22:16,549 --> 00:22:14,000

10 years now right again and and john

625

00:22:17,590 --> 00:22:16,559

john does uh you know always talk about

626  
00:22:20,310 --> 00:22:17,600  
the fact that

627  
00:22:21,270 --> 00:22:20,320  
the cia and they know what they're doing

628  
00:22:25,190 --> 00:22:21,280  
they're trying to

629  
00:22:26,470 --> 00:22:25,200  
bury researchers in a ton of documents

630  
00:22:28,149 --> 00:22:26,480  
and hopefully

631  
00:22:29,669 --> 00:22:28,159  
you know they'll get bored and give up

632  
00:22:32,630 --> 00:22:29,679  
or get frustrated

633  
00:22:34,070 --> 00:22:32,640  
um so in another problem with a lot of

634  
00:22:37,270 --> 00:22:34,080  
these documents is

635  
00:22:40,710 --> 00:22:37,280  
is i know john mentioned in an interview

636  
00:22:43,830 --> 00:22:40,720  
that the the old typewriter fonts

637  
00:22:45,909 --> 00:22:43,840  
make it really difficult sometimes to

638  
00:22:47,350 --> 00:22:45,919

read the lettering so if you search ufo

639

00:22:49,029 --> 00:22:47,360

on on black vault you're going to get a

640

00:22:51,430 --> 00:22:49,039

ton of documents that aren't actually

641

00:22:54,470 --> 00:22:51,440

ufo related

642

00:22:56,310 --> 00:22:54,480

but you know again

643

00:22:58,230 --> 00:22:56,320

like ryan mentioned a lot of these

644

00:22:58,870 --> 00:22:58,240

people who are not familiar with ufo

645

00:23:01,750 --> 00:22:58,880

subject

646

00:23:02,070 --> 00:23:01,760

in depth have have you know reached out

647

00:23:07,270 --> 00:23:02,080

and

648

00:23:08,390 --> 00:23:07,280

is this a smoking gun or or what have

649

00:23:10,950 --> 00:23:08,400

you in and no

650

00:23:12,549 --> 00:23:10,960

and a lot of these documents are so

651  
00:23:16,070 --> 00:23:12,559  
heavily redacted

652  
00:23:18,870 --> 00:23:16,080  
that there's nothing

653  
00:23:19,830 --> 00:23:18,880  
to of note there except for you know

654  
00:23:22,789 --> 00:23:19,840  
maybe

655  
00:23:23,510 --> 00:23:22,799  
seeing uh hints of evidence that there

656  
00:23:25,909 --> 00:23:23,520  
were

657  
00:23:27,590 --> 00:23:25,919  
was physical evidence of some kind that

658  
00:23:29,510 --> 00:23:27,600  
the government was looking at

659  
00:23:30,710 --> 00:23:29,520  
and that the government was interested

660  
00:23:32,230 --> 00:23:30,720  
in ufos

661  
00:23:34,470 --> 00:23:32,240  
after they said they weren't after

662  
00:23:35,029 --> 00:23:34,480  
project blue book and and a handful of

663  
00:23:39,029 --> 00:23:35,039

other

664

00:23:41,990 --> 00:23:39,039

things but you're not gonna find

665

00:23:43,029 --> 00:23:42,000

uh sort of information the cia admitting

666

00:23:45,590 --> 00:23:43,039

that that

667

00:23:46,950 --> 00:23:45,600

ufos are extraterrestrial in nature like

668

00:23:48,310 --> 00:23:46,960

that you're probably not gonna find

669

00:23:50,470 --> 00:23:48,320

you'd have to do a

670

00:23:52,230 --> 00:23:50,480

hell of a lot of digging in these uh and

671

00:23:55,350 --> 00:23:52,240

word play i would say

672

00:23:58,230 --> 00:23:55,360

yes it the the thing with these

673

00:23:58,710 --> 00:23:58,240

files it i always roll my eyes when i

674

00:24:00,789 --> 00:23:58,720

see

675

00:24:03,430 --> 00:24:00,799

new things come out about the cia ufo

676

00:24:06,789 --> 00:24:03,440

files or the fbi ufo files

677

00:24:08,789 --> 00:24:06,799

because you know anytime there's any

678

00:24:10,070 --> 00:24:08,799

sort of movement or activity or anything

679

00:24:13,190 --> 00:24:10,080

related to these

680

00:24:13,990 --> 00:24:13,200

there's always tons of headlines making

681

00:24:18,549 --> 00:24:14,000

it out

682

00:24:20,710 --> 00:24:18,559

to be this new thing that the fbi wow

683

00:24:22,310 --> 00:24:20,720

they they had an interest in ufos they

684

00:24:23,590 --> 00:24:22,320

have ufo files this is like earth

685

00:24:24,950 --> 00:24:23,600

shattering news first time we're hearing

686

00:24:26,070 --> 00:24:24,960

about this

687

00:24:28,390 --> 00:24:26,080

but that's not the case we've heard

688

00:24:31,430 --> 00:24:28,400

about it so many times before and

689

00:24:33,190 --> 00:24:31,440

both the cia and the fbi love to play on

690

00:24:35,269 --> 00:24:33,200

this you know they've really

691

00:24:37,110 --> 00:24:35,279

really milked it milked these files for

692

00:24:39,269 --> 00:24:37,120

everything they they can get

693

00:24:40,950 --> 00:24:39,279

we certainly saw it with the x-files

694

00:24:42,950 --> 00:24:40,960

revivals you know they would

695

00:24:44,950 --> 00:24:42,960

they would love to you know be cheeky

696

00:24:47,830 --> 00:24:44,960

with it on twitter and post hey you want

697

00:24:49,269 --> 00:24:47,840

to check out our real ufo files and

698

00:24:51,830 --> 00:24:49,279

uh you know they've had them on their

699

00:24:53,510 --> 00:24:51,840

website the fbi's got it's got its uh

700

00:24:55,830 --> 00:24:53,520

you know the reading room and these

701  
00:24:56,549 --> 00:24:55,840  
places where you know the ufo files are

702  
00:24:59,669 --> 00:24:56,559  
some of their

703  
00:25:01,909 --> 00:24:59,679  
most most popular searched uh

704  
00:25:02,950 --> 00:25:01,919  
files in their databases they've had

705  
00:25:04,950 --> 00:25:02,960  
this stuff available

706  
00:25:06,149 --> 00:25:04,960  
is it all all they have no certainly not

707  
00:25:06,950 --> 00:25:06,159  
and john points that out too with the

708  
00:25:08,390 --> 00:25:06,960  
cia

709  
00:25:09,750 --> 00:25:08,400  
they've got their ufo files right on

710  
00:25:10,390 --> 00:25:09,760  
their website you can go and search

711  
00:25:12,789 --> 00:25:10,400  
there

712  
00:25:14,470 --> 00:25:12,799  
it's not very user friendly and he

713  
00:25:16,870 --> 00:25:14,480

points out that

714

00:25:17,990 --> 00:25:16,880

you know what they have on their website

715

00:25:21,269 --> 00:25:18,000

is not

716

00:25:23,269 --> 00:25:21,279

all of their files allegedly all of

717

00:25:24,549 --> 00:25:23,279

their files are what was on the cd-rom

718

00:25:27,110 --> 00:25:24,559

that he has since put on

719

00:25:28,470 --> 00:25:27,120

the black ball but even that you know

720

00:25:30,310 --> 00:25:28,480

there's no way of knowing if that's all

721

00:25:33,029 --> 00:25:30,320

their files but according to the cie

722

00:25:34,870 --> 00:25:33,039

cia it is all of their ufo files so we

723

00:25:37,029 --> 00:25:34,880

don't know but the point is

724

00:25:39,430 --> 00:25:37,039

they've been out there available for the

725

00:25:41,350 --> 00:25:39,440

public for quite a long time

726

00:25:42,470 --> 00:25:41,360

it's not something new and it has

727

00:25:44,789 --> 00:25:42,480

nothing to do

728

00:25:47,110 --> 00:25:44,799

with the report currently being

729

00:25:49,350 --> 00:25:47,120

requested by the senate

730

00:25:50,710 --> 00:25:49,360

one of the files was actually kind of

731

00:25:53,669 --> 00:25:50,720

interesting that john

732

00:25:55,430 --> 00:25:53,679

came across that i hadn't heard of um so

733

00:25:57,029 --> 00:25:55,440

i mean there was some cool stuff

734

00:25:59,590 --> 00:25:57,039

to come out of it at least we got some

735

00:26:01,990 --> 00:25:59,600

new stuff to look at i mean he found a

736

00:26:05,029 --> 00:26:02,000

file from the assistant deputy director

737

00:26:05,430 --> 00:26:05,039

for science and technology um who was

738

00:26:08,789 --> 00:26:05,440

shown

739

00:26:10,230 --> 00:26:08,799

something about ufos and um he decided

740

00:26:12,230 --> 00:26:10,240

he would personally look into it

741

00:26:13,350 --> 00:26:12,240

and after he gave advice on how to move

742

00:26:16,870 --> 00:26:13,360

forward with

743

00:26:17,430 --> 00:26:16,880

these ufo files he was given and um that

744

00:26:19,190 --> 00:26:17,440

advice

745

00:26:21,430 --> 00:26:19,200

of course in the file is completely

746

00:26:22,390 --> 00:26:21,440

redacted it looks like stan friedman's

747

00:26:25,990 --> 00:26:22,400

worst nightmare

748

00:26:29,350 --> 00:26:26,000

everything's blacked out in it but um

749

00:26:32,390 --> 00:26:29,360

cool nonetheless um i found a file

750

00:26:34,470 --> 00:26:32,400

dug really really deep for this one um

751

00:26:35,190 --> 00:26:34,480

and it came from 1954 and it was about a

752

00:26:39,110 --> 00:26:35,200

shortage

753

00:26:41,909 --> 00:26:39,120

of coca-cola bottles um and this was

754

00:26:43,430 --> 00:26:41,919

yup yup this came from the cia so yeah

755

00:26:45,430 --> 00:26:43,440

you're gonna type in ufo and get some

756

00:26:46,870 --> 00:26:45,440

weird stuff not just about ufos

757

00:26:48,870 --> 00:26:46,880

there was a shortage of coca-cola

758

00:26:53,350 --> 00:26:48,880

bottles in 1954

759

00:26:56,549 --> 00:26:53,360

august 4th in case anyone was wondering

760

00:26:59,510 --> 00:26:56,559

you never know what you're going to find

761

00:27:00,470 --> 00:26:59,520

coca-cola no these things are always so

762

00:27:02,470 --> 00:27:00,480

fascinating

763

00:27:04,470 --> 00:27:02,480

yeah there's there's great reading to be

764

00:27:05,590 --> 00:27:04,480

done in there but i agree i mean we

765

00:27:07,430 --> 00:27:05,600

really find

766

00:27:10,789 --> 00:27:07,440

you know anything that's super exciting

767

00:27:12,470 --> 00:27:10,799

in these mountain dumps of files but

768

00:27:13,830 --> 00:27:12,480

they're interesting interesting reading

769

00:27:16,230 --> 00:27:13,840

and interesting to see

770

00:27:18,789 --> 00:27:16,240

what the cia what the fbi what these

771

00:27:21,269 --> 00:27:18,799

different agencies

772

00:27:21,830 --> 00:27:21,279

deem worthy of keeping in their files

773

00:27:23,110 --> 00:27:21,840

like it's

774

00:27:24,950 --> 00:27:23,120

some of it's just completely random you

775

00:27:26,070 --> 00:27:24,960

have no idea why they were involved in

776

00:27:28,389 --> 00:27:26,080

the first place

777

00:27:29,110 --> 00:27:28,399

but uh let's move on to our next story

778

00:27:32,470 --> 00:27:29,120

and

779

00:27:34,310 --> 00:27:32,480

this one you know i'm

780

00:27:35,990 --> 00:27:34,320

i'm excited about for for a few

781

00:27:39,510 --> 00:27:36,000

different reasons but the main reason

782

00:27:41,269 --> 00:27:39,520

is i am and have always been a big

783

00:27:44,230 --> 00:27:41,279

robert bigelow fan

784

00:27:45,269 --> 00:27:44,240

and you probably saw the past week a lot

785

00:27:49,110 --> 00:27:45,279

of headlines about

786

00:27:50,789 --> 00:27:49,120

robert bigelow and robert bigelow is a

787

00:27:52,630 --> 00:27:50,799

multi-millionaire he's not quite a

788

00:27:54,230 --> 00:27:52,640

billionaire that's a common mistake he's

789

00:27:55,750 --> 00:27:54,240

not a billionaire but almost a

790

00:27:58,950 --> 00:27:55,760

billionaire

791

00:27:59,990 --> 00:27:58,960

because he spent so much of his personal

792

00:28:03,430 --> 00:28:00,000

fortune

793

00:28:04,950 --> 00:28:03,440

on space and on investigating ufos and

794

00:28:08,630 --> 00:28:04,960

other paranormal

795

00:28:10,710 --> 00:28:08,640

topics and you know he uh

796

00:28:12,389 --> 00:28:10,720

he is the head of bigelow aerospace

797

00:28:13,110 --> 00:28:12,399

which is kind of at a standstill right

798

00:28:17,029 --> 00:28:13,120

now

799

00:28:19,029 --> 00:28:17,039

made his fortune

800

00:28:20,710 --> 00:28:19,039

with in real estate in las vegas with

801  
00:28:23,190 --> 00:28:20,720  
budget suites of america

802  
00:28:25,430 --> 00:28:23,200  
and the whole point of him acquiring

803  
00:28:27,110 --> 00:28:25,440  
wealth was because he wanted to

804  
00:28:28,710 --> 00:28:27,120  
do this research of his personal

805  
00:28:32,310 --> 00:28:28,720  
interests he wanted to

806  
00:28:33,830 --> 00:28:32,320  
do projects to take people into space

807  
00:28:35,350 --> 00:28:33,840  
and that's what he's spending his money

808  
00:28:37,190 --> 00:28:35,360  
doing so

809  
00:28:39,269 --> 00:28:37,200  
we're all pretty familiar with you know

810  
00:28:41,029 --> 00:28:39,279  
his ufo history and how he's kind of

811  
00:28:43,510 --> 00:28:41,039  
been involved in

812  
00:28:45,430 --> 00:28:43,520  
seemingly every aspect of the ufo

813  
00:28:48,710 --> 00:28:45,440

phenomenon

814

00:28:51,029 --> 00:28:48,720

and has sort of had his hand in

815

00:28:52,310 --> 00:28:51,039

every case it seems which is really

816

00:28:55,269 --> 00:28:52,320

interesting

817

00:28:56,310 --> 00:28:55,279

but he's making news recently because

818

00:28:59,750 --> 00:28:56,320

he's

819

00:29:01,990 --> 00:28:59,760

not uh dipping his toe in the water of

820

00:29:05,269 --> 00:29:02,000

this particular topic he's returning

821

00:29:08,389 --> 00:29:05,279

to the topic of sort of consciousness

822

00:29:11,669 --> 00:29:08,399

and looking at you know can we survive

823

00:29:12,710 --> 00:29:11,679

death does consciousness survive death

824

00:29:15,190 --> 00:29:12,720

and

825

00:29:16,789 --> 00:29:15,200

so if you haven't read it i highly

826

00:29:18,710 --> 00:29:16,799

encourage you to check out

827

00:29:19,830 --> 00:29:18,720

the new york times article that ralph

828

00:29:23,830 --> 00:29:19,840

blumenthal

829

00:29:26,950 --> 00:29:23,840

wrote on january 21st it is

830

00:29:29,269 --> 00:29:26,960

an awesome deep dive article into

831

00:29:31,830 --> 00:29:29,279

robert bigelow kind of his history how

832

00:29:33,510 --> 00:29:31,840

he got into all these weird subjects

833

00:29:35,269 --> 00:29:33,520

all the things he's been not all the

834

00:29:38,070 --> 00:29:35,279

things but a lot of the things he's been

835

00:29:40,310 --> 00:29:38,080

a part of how he's personally financed a

836

00:29:42,549 --> 00:29:40,320

lot of paranormal investigations

837

00:29:43,750 --> 00:29:42,559

and how currently he's offering nearly a

838

00:29:45,029 --> 00:29:43,760

million dollars

839

00:29:47,190 --> 00:29:45,039

if you can help him figure out how to

840

00:29:49,269 --> 00:29:47,200

survive death

841

00:29:50,870 --> 00:29:49,279

and i hope people aren't going out and

842

00:29:53,110 --> 00:29:50,880

actually

843

00:29:54,470 --> 00:29:53,120

you know experimenting like trying to

844

00:29:56,470 --> 00:29:54,480

figure out how to survive

845

00:29:58,549 --> 00:29:56,480

death and i could see that leading into

846

00:30:01,110 --> 00:29:58,559

very disastrous situations

847

00:30:01,669 --> 00:30:01,120

yeah one thing i i find interesting too

848

00:30:03,190 --> 00:30:01,679

um

849

00:30:04,710 --> 00:30:03,200

and we know that bigelow's already

850

00:30:08,310 --> 00:30:04,720

always had kind of um

851  
00:30:11,590 --> 00:30:08,320  
this spiritual uh consciousness

852  
00:30:13,909 --> 00:30:11,600  
sort of background in terms of of life

853  
00:30:17,269 --> 00:30:13,919  
after death and his wife he mentions in

854  
00:30:19,750 --> 00:30:17,279  
his interview with george had um

855  
00:30:20,310 --> 00:30:19,760  
paranormal experiences with apparitions

856  
00:30:23,029 --> 00:30:20,320  
and and

857  
00:30:24,950 --> 00:30:23,039  
and things like that um but i find it

858  
00:30:28,310 --> 00:30:24,960  
interesting this the timing

859  
00:30:31,190 --> 00:30:28,320  
where netflix just released uh

860  
00:30:33,909 --> 00:30:31,200  
you know leslie kane's uh the series

861  
00:30:35,590 --> 00:30:33,919  
based off of her book surviving death

862  
00:30:37,269 --> 00:30:35,600  
and now there's this netflix series

863  
00:30:38,149 --> 00:30:37,279

which i have to be honest i haven't seen

864

00:30:40,590 --> 00:30:38,159

it yet

865

00:30:42,070 --> 00:30:40,600

um but it's all about you know

866

00:30:44,789 --> 00:30:42,080

experiences

867

00:30:45,750 --> 00:30:44,799

uh when people had near death

868

00:30:47,750 --> 00:30:45,760

experiences

869

00:30:49,909 --> 00:30:47,760

uh so it's very interesting that this

870

00:30:50,710 --> 00:30:49,919

has popped up within the same month that

871

00:30:53,029 --> 00:30:50,720

that show

872

00:30:53,830 --> 00:30:53,039

was released as well so it's always all

873

00:30:56,389 --> 00:30:53,840

connected

874

00:30:58,070 --> 00:30:56,399

yeah like well it's interesting that

875

00:30:59,750 --> 00:30:58,080

this is going to be a new fascinating

876

00:31:01,269 --> 00:30:59,760

realm for people i think and people are

877

00:31:01,669 --> 00:31:01,279

going to get interested in the subject

878

00:31:04,549 --> 00:31:01,679

by

879

00:31:06,710 --> 00:31:04,559

via binging netflix at home during a

880

00:31:09,990 --> 00:31:06,720

pandemic and uh

881

00:31:11,750 --> 00:31:10,000

all these other aspects so yeah

882

00:31:13,669 --> 00:31:11,760

leslie is tied into this she's one of

883

00:31:15,750 --> 00:31:13,679

the judges for this this contest that

884

00:31:19,590 --> 00:31:15,760

he's hosted the essay contest

885

00:31:21,909 --> 00:31:19,600

yeah she's also a uh she's also a member

886

00:31:24,310 --> 00:31:21,919

right on the new board of his

887

00:31:26,149 --> 00:31:24,320

i believe yes she is and this is

888

00:31:26,630 --> 00:31:26,159

something again that he's been involved

889

00:31:29,909 --> 00:31:26,640

in

890

00:31:32,310 --> 00:31:29,919

you know decades ago and

891

00:31:34,149 --> 00:31:32,320

you know he was involved in the research

892

00:31:36,549 --> 00:31:34,159

of bud hopkins

893

00:31:38,230 --> 00:31:36,559

um you know so a lot of these tie-ins

894

00:31:38,950 --> 00:31:38,240

this is these are relationships and

895

00:31:41,909 --> 00:31:38,960

research

896

00:31:42,870 --> 00:31:41,919

that has been sort of ongoing and

897

00:31:46,149 --> 00:31:42,880

working together

898

00:31:48,070 --> 00:31:46,159

for decades yeah

899

00:31:49,669 --> 00:31:48,080

i mean i think maureen's right too like

900

00:31:51,669 --> 00:31:49,679

everyone's kind of

901  
00:31:54,389 --> 00:31:51,679  
looking at their mortality right now i

902  
00:31:56,389 --> 00:31:54,399  
think in the middle of a pandemic and

903  
00:31:58,549 --> 00:31:56,399  
i i know for a fact you know the netflix

904  
00:32:00,070 --> 00:31:58,559  
series had been in the works for a while

905  
00:32:01,830 --> 00:32:00,080  
but they weren't sure when it was going

906  
00:32:04,149 --> 00:32:01,840  
to come out so i'm sure

907  
00:32:06,549 --> 00:32:04,159  
again it's like with the show

908  
00:32:07,269 --> 00:32:06,559  
unidentified and then the a-tip story is

909  
00:32:09,269 --> 00:32:07,279  
coming out

910  
00:32:10,470 --> 00:32:09,279  
it's all connected all these people they

911  
00:32:12,470 --> 00:32:10,480  
work together

912  
00:32:14,070 --> 00:32:12,480  
to find the right times to release these

913  
00:32:16,470 --> 00:32:14,080

things right that's marketing

914

00:32:17,750 --> 00:32:16,480

and like that's what you do so i i

915

00:32:19,830 --> 00:32:17,760

completely understand

916

00:32:21,350 --> 00:32:19,840

that side of it um maureen you brought

917

00:32:23,590 --> 00:32:21,360

up another good point is

918

00:32:25,269 --> 00:32:23,600

bigelow's wife and i think she passed

919

00:32:27,830 --> 00:32:25,279

away this past year if i'm

920

00:32:29,669 --> 00:32:27,840

not mistaken so you have to wonder how

921

00:32:31,669 --> 00:32:29,679

much of that was an impetus for

922

00:32:32,789 --> 00:32:31,679

bigelow to revisit this it's kind of

923

00:32:34,710 --> 00:32:32,799

morbid and

924

00:32:36,710 --> 00:32:34,720

and almost romantic in a way to think

925

00:32:38,310 --> 00:32:36,720

maybe you know this is why he's getting

926

00:32:40,549 --> 00:32:38,320

back into the afterlife game

927

00:32:42,789 --> 00:32:40,559

because he just lost the love of his

928

00:32:44,470 --> 00:32:42,799

life so um yeah i don't know

929

00:32:46,310 --> 00:32:44,480

he's had to deal with death a lot you

930

00:32:48,630 --> 00:32:46,320

know he certainly had a son who

931

00:32:50,710 --> 00:32:48,640

committed suicide and then a grandson

932

00:32:52,470 --> 00:32:50,720

who committed suicide so

933

00:32:54,070 --> 00:32:52,480

you know i i get it there's a lot of

934

00:32:56,070 --> 00:32:54,080

personal reasons there

935

00:32:57,590 --> 00:32:56,080

you know i saw a lot of people or not a

936

00:32:58,230 --> 00:32:57,600

lot of people but some people giving him

937

00:32:59,750 --> 00:32:58,240

[h\_\_\h]

938

00:33:01,269 --> 00:32:59,760

you know for wanting to explore this

939

00:33:03,909 --> 00:33:01,279

topic thinking he's some just

940

00:33:05,350 --> 00:33:03,919

just some uh rich guy who's so arrogant

941

00:33:07,669 --> 00:33:05,360

wants to live forever

942

00:33:08,950 --> 00:33:07,679

and that's not the case i mean i can't

943

00:33:10,789 --> 00:33:08,960

speak for robert bigelow

944

00:33:12,230 --> 00:33:10,799

and certainly i know people who have

945

00:33:14,070 --> 00:33:12,240

worked for rubber bigelow and

946

00:33:16,230 --> 00:33:14,080

don't have the most glowing review of

947

00:33:18,310 --> 00:33:16,240

the man but

948

00:33:20,070 --> 00:33:18,320

when it comes to this topic i i don't

949

00:33:22,950 --> 00:33:20,080

see him as being this

950

00:33:24,630 --> 00:33:22,960

sort of ego driven wealthy individual

951  
00:33:26,870 --> 00:33:24,640  
who wants to live forever because he's

952  
00:33:28,870 --> 00:33:26,880  
so great not at all

953  
00:33:29,909 --> 00:33:28,880  
i think it has to do with these person

954  
00:33:33,190 --> 00:33:29,919  
personal

955  
00:33:36,149 --> 00:33:33,200  
uh you know family issues and

956  
00:33:37,669 --> 00:33:36,159  
wanting to know if there's more what

957  
00:33:40,310 --> 00:33:37,679  
comes next where where

958  
00:33:42,470 --> 00:33:40,320  
where are my loved ones and and can i

959  
00:33:45,029 --> 00:33:42,480  
possibly reach them

960  
00:33:46,630 --> 00:33:45,039  
yeah yeah and a lot of his early

961  
00:33:47,110 --> 00:33:46,640  
research had to do with consciousness

962  
00:33:49,590 --> 00:33:47,120  
too

963  
00:33:51,509 --> 00:33:49,600

yeah right with nids and everything so i

964

00:33:51,990 --> 00:33:51,519

mean why not use what you maybe learned

965

00:33:54,470 --> 00:33:52,000

from that

966

00:33:56,870 --> 00:33:54,480

and explore other avenues especially if

967

00:33:58,789 --> 00:33:56,880

it's ufos in consciousness you know

968

00:34:00,630 --> 00:33:58,799

like yeah maybe there's a connection

969

00:34:03,509 --> 00:34:00,640

yeah yeah it's like they're

970

00:34:04,389 --> 00:34:03,519

yeah well all of those or consciousness

971

00:34:06,549 --> 00:34:04,399

has been

972

00:34:07,590 --> 00:34:06,559

you know kind of in the public view for

973

00:34:10,069 --> 00:34:07,600

a while in

974

00:34:11,190 --> 00:34:10,079

in both the fields of ufos you know

975

00:34:15,270 --> 00:34:11,200

standalone or

976  
00:34:17,750 --> 00:34:15,280  
ndes and and then even skinwalker ranch

977  
00:34:20,149 --> 00:34:17,760  
um and so it's to me it's just kind of a

978  
00:34:22,629 --> 00:34:20,159  
natural progression right paranormal

979  
00:34:24,069 --> 00:34:22,639  
yeah ufos near-death experiences all

980  
00:34:26,310 --> 00:34:24,079  
those things there's

981  
00:34:28,310 --> 00:34:26,320  
there's some you get a sense that

982  
00:34:30,550 --> 00:34:28,320  
there's some kind of connectivity

983  
00:34:31,990 --> 00:34:30,560  
to them and and i know that you know

984  
00:34:33,349 --> 00:34:32,000  
people are thinking that that's

985  
00:34:35,909 --> 00:34:33,359  
consciousness so

986  
00:34:37,990 --> 00:34:35,919  
um to me it's it's um you know kind of

987  
00:34:41,349 --> 00:34:38,000  
the natural progression where things are

988  
00:34:43,669 --> 00:34:41,359

are going um in multiple fields and it's

989

00:34:46,310 --> 00:34:43,679

a big topic of study

990

00:34:47,589 --> 00:34:46,320

and even if you even consider maybe even

991

00:34:49,669 --> 00:34:47,599

quantum

992

00:34:50,710 --> 00:34:49,679

physics and mechanics and stuff there's

993

00:34:53,030 --> 00:34:50,720

some

994

00:34:54,950 --> 00:34:53,040

weirdness there in relationship that

995

00:34:56,470 --> 00:34:54,960

that you know is going down that

996

00:34:59,270 --> 00:34:56,480

consciousness path so

997

00:34:59,910 --> 00:34:59,280

i guess really kind of a new expanding

998

00:35:03,750 --> 00:34:59,920

kind of

999

00:35:05,510 --> 00:35:03,760

uh you know discipline

1000

00:35:08,230 --> 00:35:05,520

yeah absolutely i think it's very much

1001  
00:35:10,310 --> 00:35:08,240  
linked to you know he discusses his time

1002  
00:35:12,630 --> 00:35:10,320  
on skinwalker ranch and and

1003  
00:35:14,069 --> 00:35:12,640  
you know ultimately why he's sold the

1004  
00:35:17,109 --> 00:35:14,079  
ranch and

1005  
00:35:18,390 --> 00:35:17,119  
and i believe used the phrase that that

1006  
00:35:21,109 --> 00:35:18,400  
he got

1007  
00:35:22,390 --> 00:35:21,119  
bored and tired of not having the right

1008  
00:35:25,589 --> 00:35:22,400  
answers

1009  
00:35:30,150 --> 00:35:25,599  
you know sort of appear to him and

1010  
00:35:30,790 --> 00:35:30,160  
i think that is also why he tends to on

1011  
00:35:34,069 --> 00:35:30,800  
these

1012  
00:35:37,670 --> 00:35:34,079  
big questions and jason and i

1013  
00:35:42,390 --> 00:35:37,680

for sure 100 percent know that sometimes

1014

00:35:49,190 --> 00:35:45,510

philadelphia ufo event

1015

00:35:50,069 --> 00:35:49,200

um weekend where a bunch of ufo

1016

00:35:53,030 --> 00:35:50,079

researchers

1017

00:35:55,910 --> 00:35:53,040

were privately flown out to this whole

1018

00:35:57,670 --> 00:35:55,920

weekend extravaganza

1019

00:35:59,349 --> 00:35:57,680

and we were asked to fill out essay

1020

00:36:02,150 --> 00:35:59,359

questions on what we believed

1021

00:36:02,950 --> 00:36:02,160

all these answers to some very important

1022

00:36:05,910 --> 00:36:02,960

ufo

1023

00:36:07,589 --> 00:36:05,920

and and earth questions are and sort of

1024

00:36:10,870 --> 00:36:07,599

trying to get the answers

1025

00:36:11,510 --> 00:36:10,880

from a hive uh sort of an intelligence

1026  
00:36:14,390 --> 00:36:11,520  
hive

1027  
00:36:15,510 --> 00:36:14,400  
and offering large sums of money or or

1028  
00:36:17,829 --> 00:36:15,520  
sort of other

1029  
00:36:18,870 --> 00:36:17,839  
perks to try to get people to reveal

1030  
00:36:20,630 --> 00:36:18,880  
what they know

1031  
00:36:22,470 --> 00:36:20,640  
and if you have a ton of money and

1032  
00:36:25,510 --> 00:36:22,480  
you're someone who

1033  
00:36:26,150 --> 00:36:25,520  
you know i can't wait around for 20

1034  
00:36:27,910 --> 00:36:26,160  
years

1035  
00:36:29,589 --> 00:36:27,920  
to find the answer to this question so

1036  
00:36:30,310 --> 00:36:29,599  
i'm going to make this really appealing

1037  
00:36:34,310 --> 00:36:30,320  
to

1038  
00:36:36,550 --> 00:36:34,320

million dollars if

1039

00:36:37,750 --> 00:36:36,560

somebody if people can give me the

1040

00:36:40,230 --> 00:36:37,760

answers i'm seeking

1041

00:36:41,270 --> 00:36:40,240

and if not then i'm maybe going to get

1042

00:36:43,430 --> 00:36:41,280

sidetracked and go

1043

00:36:44,310 --> 00:36:43,440

into a different field of study see if i

1044

00:36:47,750 --> 00:36:44,320

can answer that

1045

00:36:49,030 --> 00:36:47,760

sort of question no i i love i love rich

1046

00:36:50,630 --> 00:36:49,040

people who do this

1047

00:36:52,470 --> 00:36:50,640

right we talk about rich people like

1048

00:36:54,630 --> 00:36:52,480

like elon musk all the time

1049

00:36:55,750 --> 00:36:54,640

who you know got to applaud these these

1050

00:36:58,790 --> 00:36:55,760

rich people who

1051  
00:37:01,990 --> 00:36:58,800  
take their money and use it to try to

1052  
00:37:02,790 --> 00:37:02,000  
answer deep questions or to better

1053  
00:37:04,710 --> 00:37:02,800  
humanity

1054  
00:37:06,310 --> 00:37:04,720  
or things like that rather than just

1055  
00:37:08,550 --> 00:37:06,320  
buying another yacht

1056  
00:37:09,990 --> 00:37:08,560  
um you know so i love that robert

1057  
00:37:11,750 --> 00:37:10,000  
bigelow spends his money

1058  
00:37:13,589 --> 00:37:11,760  
he certainly has spent an absolute

1059  
00:37:16,870 --> 00:37:13,599  
fortune on

1060  
00:37:18,390 --> 00:37:16,880  
these paranormal topics and

1061  
00:37:20,310 --> 00:37:18,400  
although i find this conscious

1062  
00:37:23,510 --> 00:37:20,320  
consciousness stuff interesting

1063  
00:37:24,950 --> 00:37:23,520

it's it's bigelow's lifelong you know

1064

00:37:28,710 --> 00:37:24,960

decades-long

1065

00:37:31,910 --> 00:37:28,720

uh journey into the paranormal

1066

00:37:33,910 --> 00:37:31,920

into ufos all of this stuff that i would

1067

00:37:36,790 --> 00:37:33,920

just

1068

00:37:37,430 --> 00:37:36,800

die being able to have a conversation

1069

00:37:39,349 --> 00:37:37,440

open

1070

00:37:40,870 --> 00:37:39,359

off the record conversation with him

1071

00:37:42,150 --> 00:37:40,880

about all of this stuff the things that

1072

00:37:43,190 --> 00:37:42,160

he's learned the things that he's been

1073

00:37:45,510 --> 00:37:43,200

involved in

1074

00:37:46,630 --> 00:37:45,520

and i hope and i don't think this is in

1075

00:37:48,790 --> 00:37:46,640

his wheelhouse or

1076  
00:37:50,870 --> 00:37:48,800  
or even something he's thinking about

1077  
00:37:53,910 --> 00:37:50,880  
but i would love to read

1078  
00:37:56,150 --> 00:37:53,920  
a robert bigelow book about his journey

1079  
00:37:57,349 --> 00:37:56,160  
through the exploration of the weird

1080  
00:37:59,430 --> 00:37:57,359  
because

1081  
00:38:00,870 --> 00:37:59,440  
i think he's got a story like nobody

1082  
00:38:04,390 --> 00:38:00,880  
else

1083  
00:38:08,630 --> 00:38:04,400  
i don't think a lot of people realize

1084  
00:38:12,150 --> 00:38:08,640  
just how involved he has been in

1085  
00:38:14,870 --> 00:38:12,160  
ufos for so many decades i mean

1086  
00:38:15,510 --> 00:38:14,880  
he was actively involved with stanton

1087  
00:38:18,630 --> 00:38:15,520  
friedman

1088  
00:38:19,670 --> 00:38:18,640

in the early roswell research you know

1089

00:38:21,750 --> 00:38:19,680

he's had his hand

1090

00:38:23,270 --> 00:38:21,760

probably in most of the cases that

1091

00:38:25,829 --> 00:38:23,280

people know about

1092

00:38:28,630 --> 00:38:25,839

uh you know he certainly did a big part

1093

00:38:31,430 --> 00:38:28,640

of the investigation into

1094

00:38:32,550 --> 00:38:31,440

the calaras incident in 79 or whatever

1095

00:38:34,790 --> 00:38:32,560

that was

1096

00:38:36,390 --> 00:38:34,800

um he's just he's had his hand in a

1097

00:38:38,069 --> 00:38:36,400

little bit of everything

1098

00:38:39,910 --> 00:38:38,079

that we're familiar with in the ufo

1099

00:38:41,829 --> 00:38:39,920

community and

1100

00:38:43,589 --> 00:38:41,839

you know some might step back and and

1101  
00:38:44,390 --> 00:38:43,599  
get conspiratorial and wonder why that

1102  
00:38:46,390 --> 00:38:44,400  
is but

1103  
00:38:47,589 --> 00:38:46,400  
on the other hand he's the guy who's got

1104  
00:38:49,430 --> 00:38:47,599  
the means and the interest

1105  
00:38:51,589 --> 00:38:49,440  
this is his passion this is his interest

1106  
00:38:54,230 --> 00:38:51,599  
and he has been able to

1107  
00:38:56,470 --> 00:38:54,240  
insert himself and be involved and try

1108  
00:38:59,030 --> 00:38:56,480  
to find answers for so many years

1109  
00:38:59,990 --> 00:38:59,040  
i would just love to read a book sort of

1110  
00:39:02,390 --> 00:39:00,000  
walking through this

1111  
00:39:03,430 --> 00:39:02,400  
crazy life that he's had exploring the

1112  
00:39:04,710 --> 00:39:03,440  
strange

1113  
00:39:07,190 --> 00:39:04,720

i think it'd be really interesting to

1114

00:39:09,589 --> 00:39:07,200

have a chapter i know he touches

1115

00:39:11,109 --> 00:39:09,599

uh on this a little bit in the interview

1116

00:39:14,390 --> 00:39:11,119

but we've also met and

1117

00:39:17,910 --> 00:39:14,400

spoken with a lot of people

1118

00:39:21,270 --> 00:39:17,920

on our skinwalker debrief podcast

1119

00:39:22,790 --> 00:39:21,280

and a lot of the information that

1120

00:39:24,710 --> 00:39:22,800

bigelow mentions the hitchhiker

1121

00:39:27,670 --> 00:39:24,720

phenomenon and

1122

00:39:28,630 --> 00:39:27,680

that things with around people he knew

1123

00:39:30,230 --> 00:39:28,640

um

1124

00:39:32,150 --> 00:39:30,240

started happening after leaving

1125

00:39:35,670 --> 00:39:32,160

skinwalker ranch uh

1126

00:39:37,990 --> 00:39:35,680

anomalous phenomenon and uh

1127

00:39:40,230 --> 00:39:38,000

a lot of people researchers that were

1128

00:39:42,950 --> 00:39:40,240

there and he said he was more scared for

1129

00:39:44,710 --> 00:39:42,960

for sort of the fear people had after

1130

00:39:45,510 --> 00:39:44,720

leaving and the experiences that they

1131

00:39:47,910 --> 00:39:45,520

were having

1132

00:39:48,870 --> 00:39:47,920

and i can tell you that a lot of the

1133

00:39:50,710 --> 00:39:48,880

stories

1134

00:39:52,870 --> 00:39:50,720

regarding hitchcock the hitchhiker

1135

00:39:54,870 --> 00:39:52,880

phenomenon from skinwalker ranch

1136

00:39:56,230 --> 00:39:54,880

people didn't want to talk about live on

1137

00:39:59,430 --> 00:39:56,240

the air so

1138

00:40:02,069 --> 00:39:59,440

we had a lot of that information shared

1139

00:40:03,990 --> 00:40:02,079

off the recording but it's very

1140

00:40:06,069 --> 00:40:04,000

interesting people are very

1141

00:40:07,430 --> 00:40:06,079

private about these hitchhiker

1142

00:40:10,550 --> 00:40:07,440

experiences they've had

1143

00:40:12,309 --> 00:40:10,560

post skinwalker ranch and it's happened

1144

00:40:14,790 --> 00:40:12,319

to so many people that i think it'd be

1145

00:40:17,349 --> 00:40:14,800

really interesting to

1146

00:40:18,950 --> 00:40:17,359

to dive into that further and i think

1147

00:40:22,069 --> 00:40:18,960

that

1148

00:40:23,990 --> 00:40:22,079

whole consciousness thing as well

1149

00:40:25,750 --> 00:40:24,000

it's kind of crazy what comes around

1150

00:40:26,470 --> 00:40:25,760

goes around in a weird circle i had to

1151

00:40:28,950 --> 00:40:26,480

um

1152

00:40:29,670 --> 00:40:28,960

applaud uh george knapp on these

1153

00:40:31,829 --> 00:40:29,680

interviews

1154

00:40:33,030 --> 00:40:31,839

it was clear that bigelow probably

1155

00:40:35,430 --> 00:40:33,040

approved these

1156

00:40:36,309 --> 00:40:35,440

because it was going to promote his new

1157

00:40:37,990 --> 00:40:36,319

study and

1158

00:40:39,430 --> 00:40:38,000

organization and everything because i

1159

00:40:41,510 --> 00:40:39,440

kept tying back to that

1160

00:40:42,470 --> 00:40:41,520

um but at the same time i think george

1161

00:40:44,309 --> 00:40:42,480

did a good job of

1162

00:40:46,309 --> 00:40:44,319

really trying to cover everything up

1163

00:40:47,030 --> 00:40:46,319

until then you know and getting some

1164

00:40:49,750 --> 00:40:47,040

stuff and i

1165

00:40:51,349 --> 00:40:49,760

the skinwalker mini interview was i

1166

00:40:53,190 --> 00:40:51,359

think the most interesting to me

1167

00:40:55,030 --> 00:40:53,200

to be honest like the hitchhiker

1168

00:40:58,230 --> 00:40:55,040

phenomenon maureen you mentioned

1169

00:41:00,710 --> 00:40:58,240

and also that like skinwalker ranch was

1170

00:41:02,630 --> 00:41:00,720

just a tiny portion of the phenomenon

1171

00:41:04,309 --> 00:41:02,640

i mean that that kind of blew my mind he

1172

00:41:06,710 --> 00:41:04,319

was saying like oh no

1173

00:41:08,470 --> 00:41:06,720

every ranch in that basin and everything

1174

00:41:11,030 --> 00:41:08,480

was experiencing stuff yeah

1175

00:41:13,430 --> 00:41:11,040

local law enforcement and this so like

1176

00:41:14,790 --> 00:41:13,440

this this one skinwalker ranch is only a

1177

00:41:16,390 --> 00:41:14,800

small portion of it

1178

00:41:17,990 --> 00:41:16,400

and you don't really hear about that

1179

00:41:19,829 --> 00:41:18,000

that often when it comes to

1180

00:41:21,829 --> 00:41:19,839

it because we want to put it all on

1181

00:41:24,390 --> 00:41:21,839

skinwalker ranch because it's

1182

00:41:27,670 --> 00:41:24,400

such a sound bite but um yeah there's a

1183

00:41:29,349 --> 00:41:27,680

lot of confusing reports

1184

00:41:31,430 --> 00:41:29,359

yeah there's conflicting reports about

1185

00:41:33,750 --> 00:41:31,440

that and some people say that

1186

00:41:35,430 --> 00:41:33,760

um a lot of the neighbors and who knows

1187

00:41:36,470 --> 00:41:35,440

if they're then just trying to be more

1188

00:41:38,230 --> 00:41:36,480

private but

1189

00:41:39,990 --> 00:41:38,240

um there's people that say no we've

1190

00:41:41,190 --> 00:41:40,000

never seen anything strange around this

1191

00:41:43,030 --> 00:41:41,200

area and then you have

1192

00:41:45,349 --> 00:41:43,040

the reports that say like no there's a

1193

00:41:45,990 --> 00:41:45,359

ton of activity happening and everyone's

1194

00:41:50,230 --> 00:41:46,000

seen stuff

1195

00:41:51,990 --> 00:41:50,240

so it's it's kind of hard to to know

1196

00:41:54,710 --> 00:41:52,000

which is which and yeah i think that

1197

00:41:57,349 --> 00:41:54,720

area in general it's not like it's

1198

00:42:00,150 --> 00:41:57,359

a fenced-off piece of property only that

1199

00:42:04,309 --> 00:42:00,160

is having this experience it has to be

1200

00:42:05,910 --> 00:42:04,319

regional in that area so um

1201  
00:42:07,510 --> 00:42:05,920  
but yeah who knows i think there's a lot

1202  
00:42:09,270 --> 00:42:07,520  
of mystery still behind it even though

1203  
00:42:10,150 --> 00:42:09,280  
there's been a lot of exploration into

1204  
00:42:12,309 --> 00:42:10,160  
it as well

1205  
00:42:13,430 --> 00:42:12,319  
yeah you mentioned skinwalker ranch the

1206  
00:42:16,870 --> 00:42:13,440  
the show

1207  
00:42:20,470 --> 00:42:16,880  
um and the second season of that

1208  
00:42:23,750 --> 00:42:20,480  
is coming soon but there i

1209  
00:42:24,550 --> 00:42:23,760  
i suspect there are going to be quite a

1210  
00:42:27,750 --> 00:42:24,560  
lot of

1211  
00:42:28,790 --> 00:42:27,760  
ufo tv programs this year um there

1212  
00:42:31,430 --> 00:42:28,800  
always are

1213  
00:42:33,430 --> 00:42:31,440

but i think this year is going to also

1214

00:42:36,470 --> 00:42:33,440

be another ufo heavy year

1215

00:42:40,470 --> 00:42:36,480

in terms of programming um

1216

00:42:43,750 --> 00:42:40,480

and you know this growth of

1217

00:42:45,109 --> 00:42:43,760

every production company every network

1218

00:42:48,470 --> 00:42:45,119

wanting to have their own digital

1219

00:42:50,230 --> 00:42:48,480

network it it just won't stop so

1220

00:42:51,510 --> 00:42:50,240

you know we're getting new ones it seems

1221

00:42:53,750 --> 00:42:51,520

like every week

1222

00:42:55,109 --> 00:42:53,760

and discovery plus is one that just

1223

00:42:56,950 --> 00:42:55,119

recently rolled out

1224

00:42:58,950 --> 00:42:56,960

and we've got a new show on discovery

1225

00:43:02,069 --> 00:42:58,960

plus called ufo witness

1226  
00:43:03,910 --> 00:43:02,079  
and that's with ben hansen and former

1227  
00:43:04,950 --> 00:43:03,920  
project blue book investigator jenny

1228  
00:43:07,109 --> 00:43:04,960  
ziedman

1229  
00:43:08,790 --> 00:43:07,119  
and this show i mean although it just

1230  
00:43:09,910 --> 00:43:08,800  
started this month it's already halfway

1231  
00:43:12,710 --> 00:43:09,920  
over i think four

1232  
00:43:14,150 --> 00:43:12,720  
four episodes have already already aired

1233  
00:43:15,990 --> 00:43:14,160  
but at the digital platform

1234  
00:43:17,829 --> 00:43:16,000  
so you know that kind of means different

1235  
00:43:19,510 --> 00:43:17,839  
things but have any of you guys checked

1236  
00:43:21,829 --> 00:43:19,520  
out ufo witness yet

1237  
00:43:23,910 --> 00:43:21,839  
uh yeah i mean i know shane and i have

1238  
00:43:24,710 --> 00:43:23,920

seen a few of the screeners and whatnot

1239

00:43:27,430 --> 00:43:24,720

um

1240

00:43:27,990 --> 00:43:27,440

i i've seen the first six episodes so

1241

00:43:31,670 --> 00:43:28,000

far

1242

00:43:33,349 --> 00:43:31,680

um and it's it's interesting you know

1243

00:43:35,829 --> 00:43:33,359

like you mentioned with um

1244

00:43:37,750 --> 00:43:35,839

jimmy ziedman it's so cool to see a

1245

00:43:38,870 --> 00:43:37,760

former blue book investigator still

1246

00:43:41,430 --> 00:43:38,880

alive

1247

00:43:43,430 --> 00:43:41,440

talking about like these files that

1248

00:43:46,470 --> 00:43:43,440

haven't really seen the light of day in

1249

00:43:47,349 --> 00:43:46,480

decades so um i i think it's really cool

1250

00:43:49,190 --> 00:43:47,359

they got um

1251

00:43:51,510 --> 00:43:49,200

ben to do the show he's the perfect

1252

00:43:52,630 --> 00:43:51,520

person for a show like this to dig into

1253

00:43:54,550 --> 00:43:52,640

old files

1254

00:43:57,270 --> 00:43:54,560

and see how they can connect to modern

1255

00:43:59,670 --> 00:43:57,280

day ufo cases and phenomenon

1256

00:44:01,190 --> 00:43:59,680

and um and they also got mark o'connell

1257

00:44:03,510 --> 00:44:01,200

the guy who wrote the

1258

00:44:04,710 --> 00:44:03,520

the biography on jl and heinek i mean

1259

00:44:07,349 --> 00:44:04,720

who knows

1260

00:44:09,270 --> 00:44:07,359

heineken those files better than mark so

1261

00:44:10,790 --> 00:44:09,280

um it's pretty cool to see ben kind of

1262

00:44:13,510 --> 00:44:10,800

go to these two

1263

00:44:15,430 --> 00:44:13,520

experts you know and um get the lay of

1264

00:44:18,390 --> 00:44:15,440

the land and then go investigate it

1265

00:44:19,109 --> 00:44:18,400

himself um so yeah i mean the show is

1266

00:44:21,510 --> 00:44:19,119

interesting

1267

00:44:23,990 --> 00:44:21,520

um i i'm gonna be talking to ben next

1268

00:44:25,670 --> 00:44:24,000

week about it actually but um

1269

00:44:28,550 --> 00:44:25,680

we are the biggest critics when these

1270

00:44:31,030 --> 00:44:28,560

shows come out and i will say there

1271

00:44:32,309 --> 00:44:31,040

there's some questionable stuff and

1272

00:44:35,589 --> 00:44:32,319

people in the show

1273

00:44:38,710 --> 00:44:35,599

um richard dodie being one of them uh

1274

00:44:40,630 --> 00:44:38,720

lauren eisenhower being another one two

1275

00:44:42,710 --> 00:44:40,640

very controversial people in the ufo

1276

00:44:46,470 --> 00:44:42,720

field so to see them in the show

1277

00:44:48,550 --> 00:44:46,480

kind of um gave me some pause so i'm i'm

1278

00:44:49,829 --> 00:44:48,560

interested to talk to ben about that

1279

00:44:52,630 --> 00:44:49,839

and what he thinks about some of these

1280

00:44:55,670 --> 00:44:52,640

areas they explored in the show but um

1281

00:44:58,069 --> 00:44:55,680

it's cool it's it's it's a ufo show

1282

00:45:00,790 --> 00:44:58,079

that's really all i can say it's a show

1283

00:45:02,870 --> 00:45:00,800

about ufos

1284

00:45:03,990 --> 00:45:02,880

yep what do you think i agree it was

1285

00:45:06,710 --> 00:45:04,000

fine yeah

1286

00:45:08,309 --> 00:45:06,720

it was good and um i i thought that was

1287

00:45:11,910 --> 00:45:08,319

really great to have

1288

00:45:14,470 --> 00:45:11,920

um uh jenny siedman in that

1289

00:45:15,510 --> 00:45:14,480

and and just that that connection of

1290

00:45:18,230 --> 00:45:15,520

blue book and

1291

00:45:19,030 --> 00:45:18,240

and actually her her perspective and you

1292

00:45:21,670 --> 00:45:19,040

could tell her

1293

00:45:23,190 --> 00:45:21,680

attitude about these cases and some of

1294

00:45:25,829 --> 00:45:23,200

the information in there

1295

00:45:26,309 --> 00:45:25,839

and it it wasn't what i expected from a

1296

00:45:29,349 --> 00:45:26,319

blue

1297

00:45:31,750 --> 00:45:29,359

book investigator she she was fairly

1298

00:45:32,870 --> 00:45:31,760

pro on on on these cases that they had

1299

00:45:34,230 --> 00:45:32,880

selected so

1300

00:45:36,550 --> 00:45:34,240

i thought that was kind of interesting

1301  
00:45:39,670 --> 00:45:36,560  
of course have a mark there as well

1302  
00:45:42,870 --> 00:45:39,680  
and um you know even some of the

1303  
00:45:44,790 --> 00:45:42,880  
other stuff that they showed

1304  
00:45:46,390 --> 00:45:44,800  
they're just some little different looks

1305  
00:45:47,750 --> 00:45:46,400  
at the cases that you know

1306  
00:45:49,349 --> 00:45:47,760  
just from a slightly different

1307  
00:45:49,750 --> 00:45:49,359  
perspective i thought that was different

1308  
00:45:53,030 --> 00:45:49,760  
but

1309  
00:45:54,790 --> 00:45:53,040  
i mean it's worth the watch and

1310  
00:45:56,550 --> 00:45:54,800  
you know i'm very supportive of ben and

1311  
00:45:58,630 --> 00:45:56,560  
he does a great job

1312  
00:46:01,109 --> 00:45:58,640  
and it has that kind of what looks like

1313  
00:46:03,109 --> 00:46:01,119

a popular format now for these ufo shows

1314

00:46:05,589 --> 00:46:03,119

where you have an investigator that

1315

00:46:07,190 --> 00:46:05,599

you know goes from uh you know i don't

1316

00:46:09,190 --> 00:46:07,200

know from their bunker or their

1317

00:46:11,270 --> 00:46:09,200

their office type thing and then they go

1318

00:46:13,109 --> 00:46:11,280

out you know to different locations and

1319

00:46:15,030 --> 00:46:13,119

different people and talk to them and

1320

00:46:16,550 --> 00:46:15,040

i mean it's it's good it's you know it's

1321

00:46:19,190 --> 00:46:16,560

visually good and

1322

00:46:20,470 --> 00:46:19,200

and uh but yeah there were uh you know i

1323

00:46:22,710 --> 00:46:20,480

think you guys know how

1324

00:46:24,710 --> 00:46:22,720

big a fan i am of richard dodie so that

1325

00:46:28,710 --> 00:46:24,720

look that's kind of a

1326

00:46:30,390 --> 00:46:28,720

bummer but but anyway you know i know uh

1327

00:46:32,710 --> 00:46:30,400

you know there's production companies

1328

00:46:34,710 --> 00:46:32,720

that have a say-so and others so

1329

00:46:36,230 --> 00:46:34,720

yeah you can't completely control that

1330

00:46:37,990 --> 00:46:36,240

whole whole thing but

1331

00:46:39,910 --> 00:46:38,000

yeah i recommend it's worth watching and

1332

00:46:42,069 --> 00:46:39,920

like you said jason man there's

1333

00:46:44,230 --> 00:46:42,079

there's just gonna be a whole spate of

1334

00:46:47,670 --> 00:46:44,240

new ufo shows coming on

1335

00:46:48,390 --> 00:46:47,680

in and i i vo i'm always of the mind

1336

00:46:52,150 --> 00:46:48,400

that look

1337

00:46:52,710 --> 00:46:52,160

i don't care a ufo show is a good thing

1338

00:46:54,790 --> 00:46:52,720

because

1339

00:46:56,550 --> 00:46:54,800

it still advertises it gets it in the

1340

00:46:58,470 --> 00:46:56,560

public consciousness and

1341

00:46:59,670 --> 00:46:58,480

and you know like with anything you have

1342

00:47:01,510 --> 00:46:59,680

to wade through

1343

00:47:02,950 --> 00:47:01,520

some of the bs you know but there's

1344

00:47:04,950 --> 00:47:02,960

still some gems in there and good

1345

00:47:06,390 --> 00:47:04,960

information so

1346

00:47:08,309 --> 00:47:06,400

i think it's another you know there's

1347

00:47:11,349 --> 00:47:08,319

another new show from history

1348

00:47:13,270 --> 00:47:11,359

called the proof is out there and

1349

00:47:15,190 --> 00:47:13,280

i've only caught i think i only cut a

1350

00:47:18,069 --> 00:47:15,200

couple episodes of that so far

1351  
00:47:18,550 --> 00:47:18,079  
but i like that show you know i i love

1352  
00:47:20,309 --> 00:47:18,560  
it

1353  
00:47:25,030 --> 00:47:20,319  
i don't know why who's the lead in that

1354  
00:47:29,190 --> 00:47:28,069  
he's a journal journalist oh yeah he's a

1355  
00:47:31,430 --> 00:47:29,200  
journalist great not

1356  
00:47:32,309 --> 00:47:31,440  
not a not a ufo guy at all as far as i

1357  
00:47:34,790 --> 00:47:32,319  
can tell

1358  
00:47:36,630 --> 00:47:34,800  
um which is kind of a cool aspect to it

1359  
00:47:40,150 --> 00:47:36,640  
because you get this perspective of

1360  
00:47:41,670 --> 00:47:40,160  
you know fairly objective yeah

1361  
00:47:43,430 --> 00:47:41,680  
so how do you bring that one up jason

1362  
00:47:45,670 --> 00:47:43,440  
yeah i really like it

1363  
00:47:47,589 --> 00:47:45,680

um and you know i mean they've debunked

1364

00:47:50,069 --> 00:47:47,599

so much which i think is

1365

00:47:51,430 --> 00:47:50,079

unlike most of these shows you know

1366

00:47:53,270 --> 00:47:51,440

willing to go there and be like

1367

00:47:55,430 --> 00:47:53,280

nah that's fake and they have some

1368

00:47:57,270 --> 00:47:55,440

really good people on there

1369

00:48:00,390 --> 00:47:57,280

i mean they've they've got mark on there

1370

00:48:03,270 --> 00:48:00,400

and i'm so happy about that mark antonio

1371

00:48:04,470 --> 00:48:03,280

from mufon the chief photo and video guy

1372

00:48:06,950 --> 00:48:04,480

from mufon

1373

00:48:08,710 --> 00:48:06,960

um by the way shane aren't you number

1374

00:48:12,390 --> 00:48:08,720

two next to next to mark

1375

00:48:14,950 --> 00:48:12,400

in that department oh no oh no

1376

00:48:16,390 --> 00:48:14,960

no i'm i'm just one of many but i've one

1377

00:48:19,589 --> 00:48:16,400

of them i've worked with mark

1378

00:48:20,230 --> 00:48:19,599

and yeah yeah and he he's he's he is

1379

00:48:22,390 --> 00:48:20,240

awesome

1380

00:48:24,309 --> 00:48:22,400

and um you know he's got a new telescope

1381

00:48:27,829 --> 00:48:24,319

he's sitting up here in arizona

1382

00:48:30,790 --> 00:48:27,839

yeah and so that's been fun and and uh

1383

00:48:31,589 --> 00:48:30,800

but yeah yeah yeah good but i i i do

1384

00:48:34,950 --> 00:48:31,599

like that

1385

00:48:37,589 --> 00:48:34,960

because you know

1386

00:48:38,390 --> 00:48:37,599

we you know and you and me especially

1387

00:48:40,150 --> 00:48:38,400

maureen

1388

00:48:42,390 --> 00:48:40,160

you know we spent years and years and

1389

00:48:45,670 --> 00:48:42,400

years our full-time job

1390

00:48:48,150 --> 00:48:45,680

analyzing photo and video and so

1391

00:48:49,030 --> 00:48:48,160

this type of show where they show a

1392

00:48:51,109 --> 00:48:49,040

photo or

1393

00:48:52,470 --> 00:48:51,119

show a video they show footage of

1394

00:48:54,710 --> 00:48:52,480

something paranormal

1395

00:48:55,910 --> 00:48:54,720

and then try to analyze it and determine

1396

00:48:59,190 --> 00:48:55,920

if it's legit

1397

00:49:00,390 --> 00:48:59,200

or you know signs of a hoax or whatever

1398

00:49:02,470 --> 00:49:00,400

you know that's just something that we

1399

00:49:04,390 --> 00:49:02,480

did as part of our regular job so when i

1400

00:49:06,390 --> 00:49:04,400

watch these videos it's it's super fun

1401  
00:49:06,950 --> 00:49:06,400  
to me i love that process going through

1402  
00:49:08,549 --> 00:49:06,960  
and like

1403  
00:49:11,030 --> 00:49:08,559  
trying to analyze something trying to

1404  
00:49:13,829 --> 00:49:11,040  
come up with with logical explanations

1405  
00:49:14,230 --> 00:49:13,839  
um looking at the the problems with it

1406  
00:49:16,549 --> 00:49:14,240  
like

1407  
00:49:18,790 --> 00:49:16,559  
in how the the people recording the

1408  
00:49:19,750 --> 00:49:18,800  
videos are acting what's going on in the

1409  
00:49:21,349 --> 00:49:19,760  
scene

1410  
00:49:23,430 --> 00:49:21,359  
and they they go through some of that on

1411  
00:49:25,349 --> 00:49:23,440  
the show and it's it's so fun to see

1412  
00:49:27,430 --> 00:49:25,359  
um you know and with the show like this

1413  
00:49:29,750 --> 00:49:27,440

i i mean i i spend more time talking to

1414

00:49:31,670 --> 00:49:29,760

the tv than i do with most shows because

1415

00:49:33,750 --> 00:49:31,680

i'm shouting out my answer and yelling

1416

00:49:35,589 --> 00:49:33,760

at them to say something else why aren't

1417

00:49:37,349 --> 00:49:35,599

you looking at this aspect of it

1418

00:49:39,109 --> 00:49:37,359

and then mark comes in and brings up the

1419

00:49:41,109 --> 00:49:39,119

points that i was yelling at the tv

1420

00:49:43,109 --> 00:49:41,119

but it's a fun process to go through i

1421

00:49:44,950 --> 00:49:43,119

think they do a pretty good job

1422

00:49:46,710 --> 00:49:44,960

damn it you i mean this is my problem

1423

00:49:48,470 --> 00:49:46,720

for you guys do you know how much money

1424

00:49:50,710 --> 00:49:48,480

i'm spending on streaming services

1425

00:49:53,349 --> 00:49:50,720

already

1426

00:49:53,750 --> 00:49:53,359

it's a lot it's a lot and and then you

1427

00:49:55,430 --> 00:49:53,760

know

1428

00:49:56,790 --> 00:49:55,440

now we have discovery plus and all these

1429

00:49:58,790 --> 00:49:56,800

networks that keep launching

1430

00:50:00,790 --> 00:49:58,800

their owns and and maybe it's only six

1431

00:50:04,390 --> 00:50:00,800

or seven bucks a month

1432

00:50:07,670 --> 00:50:04,400

but add that on to like 12 other 15

1433

00:50:09,190 --> 00:50:07,680

a month yeah subscriptions like i might

1434

00:50:12,309 --> 00:50:09,200

as well have like a

1435

00:50:13,829 --> 00:50:12,319

satellite a ping satellite price exactly

1436

00:50:15,910 --> 00:50:13,839

with a lot of these shows you know even

1437

00:50:17,910 --> 00:50:15,920

though i really want to see them i don't

1438

00:50:20,069 --> 00:50:17,920

sign up at the beginning to see them i

1439

00:50:21,990 --> 00:50:20,079

wait till all the episodes are out

1440

00:50:23,670 --> 00:50:22,000

so i can send it to a free trial and

1441

00:50:25,510 --> 00:50:23,680

then binge it

1442

00:50:27,430 --> 00:50:25,520

i already signed up for the free trial

1443

00:50:27,990 --> 00:50:27,440

on discovery plus and then i forgot to

1444

00:50:30,950 --> 00:50:28,000

watch

1445

00:50:32,870 --> 00:50:30,960

anything on it so yeah kind of blew it

1446

00:50:35,190 --> 00:50:32,880

up i've wasted a few of those too

1447

00:50:36,309 --> 00:50:35,200

yeah yeah so another another history

1448

00:50:38,790 --> 00:50:36,319

well that's the other thing you

1449

00:50:40,230 --> 00:50:38,800

guys caught this yeah exactly that's

1450

00:50:42,150 --> 00:50:40,240

right shane um

1451

00:50:44,390 --> 00:50:42,160

i don't know if you guys caught this um

1452

00:50:47,670 --> 00:50:44,400

this isn't really that new anymore

1453

00:50:49,270 --> 00:50:47,680

but the lawrence fishburne uh hosted

1454

00:50:50,630 --> 00:50:49,280

show on history called history's

1455

00:50:53,510 --> 00:50:50,640

greatest mysteries

1456

00:50:53,990 --> 00:50:53,520

they did that three-part roswell special

1457

00:50:56,549 --> 00:50:54,000

and

1458

00:50:57,349 --> 00:50:56,559

yeah you know i i saw you know a fair

1459

00:51:00,870 --> 00:50:57,359

amount of

1460

00:51:03,109 --> 00:51:00,880

of kind of poo point this show because

1461

00:51:05,270 --> 00:51:03,119

you know that's that's the hip thing to

1462

00:51:07,510 --> 00:51:05,280

do with anything roswell you know who

1463

00:51:09,109 --> 00:51:07,520

cares about roswell roswell's old

1464

00:51:10,710 --> 00:51:09,119

been there done that let's move on why

1465

00:51:13,990 --> 00:51:10,720

are we talking about roswell

1466

00:51:16,150 --> 00:51:14,000

however i gave this show a chance and

1467

00:51:17,430 --> 00:51:16,160

it was really cool because it focused

1468

00:51:20,829 --> 00:51:17,440

specifically

1469

00:51:22,230 --> 00:51:20,839

on the marcel family and you know this

1470

00:51:25,270 --> 00:51:22,240

introduction of

1471

00:51:28,470 --> 00:51:25,280

a diary a journal of sorts

1472

00:51:29,349 --> 00:51:28,480

that jesse marcel senior kept with it

1473

00:51:30,870 --> 00:51:29,359

with his uh

1474

00:51:32,390 --> 00:51:30,880

you know important possessions and

1475

00:51:34,390 --> 00:51:32,400

passed on to his family

1476  
00:51:36,230 --> 00:51:34,400  
um and that's just a small part of what

1477  
00:51:37,190 --> 00:51:36,240  
this this special does is three-part

1478  
00:51:40,069 --> 00:51:37,200  
special

1479  
00:51:40,470 --> 00:51:40,079  
it really does a great job going through

1480  
00:51:46,309 --> 00:51:40,480  
and

1481  
00:51:48,710 --> 00:51:46,319  
members of the extended marcel family

1482  
00:51:51,030 --> 00:51:48,720  
and other members of the extended family

1483  
00:51:52,630 --> 00:51:51,040  
of people who jessie marcel worked

1484  
00:51:53,109 --> 00:51:52,640  
closely with and could potentially be

1485  
00:51:57,190 --> 00:51:53,119  
the

1486  
00:51:58,790 --> 00:51:57,200  
in his possession

1487  
00:52:00,630 --> 00:51:58,800  
but it goes through a lot of interesting

1488  
00:52:01,109 --> 00:52:00,640

angles that haven't been gone down

1489

00:52:03,270 --> 00:52:01,119

before

1490

00:52:04,950 --> 00:52:03,280

with the roswell case and just getting

1491

00:52:07,910 --> 00:52:04,960

to see those

1492

00:52:09,190 --> 00:52:07,920

in-person uh conversations with these

1493

00:52:11,030 --> 00:52:09,200

family members

1494

00:52:12,309 --> 00:52:11,040

it's really fascinating especially if

1495

00:52:15,510 --> 00:52:12,319

you're familiar at all with

1496

00:52:16,950 --> 00:52:15,520

with the marcel story and how crucial

1497

00:52:19,190 --> 00:52:16,960

of a part that plays in the whole

1498

00:52:20,390 --> 00:52:19,200

roswell story it's

1499

00:52:22,390 --> 00:52:20,400

it's really cool i thought they did a

1500

00:52:24,230 --> 00:52:22,400

really good job with it

1501  
00:52:26,790 --> 00:52:24,240  
yeah i thought some of the science that

1502  
00:52:30,630 --> 00:52:26,800  
they applied to it was awesome

1503  
00:52:34,549 --> 00:52:30,640  
yes yeah they had the

1504  
00:52:37,990 --> 00:52:34,559  
handwriting analysts they had uh the the

1505  
00:52:41,190 --> 00:52:38,000  
cipher decor coder they you know

1506  
00:52:43,270 --> 00:52:41,200  
um they they really just brought in

1507  
00:52:45,510 --> 00:52:43,280  
really interesting stuff you know again

1508  
00:52:47,750 --> 00:52:45,520  
i think the guy that lead in it is a you

1509  
00:52:50,309 --> 00:52:47,760  
know investigative journalist and

1510  
00:52:51,910 --> 00:52:50,319  
you know just had all these different

1511  
00:52:53,829 --> 00:52:51,920  
people you've not seen before

1512  
00:52:55,030 --> 00:52:53,839  
and processes you haven't really seen

1513  
00:52:56,790 --> 00:52:55,040

much of uh

1514

00:53:02,790 --> 00:52:56,800

in all of these programs so i thought

1515

00:53:07,430 --> 00:53:05,349

it was by far the most comprehensive i

1516

00:53:10,870 --> 00:53:07,440

think overview of roswell to date

1517

00:53:12,710 --> 00:53:10,880

um and yeah i interviewed ben uh

1518

00:53:14,230 --> 00:53:12,720

a couple weeks before the show came out

1519

00:53:15,910 --> 00:53:14,240

and i didn't know what to make of the

1520

00:53:17,829 --> 00:53:15,920

guy like former cia

1521

00:53:20,390 --> 00:53:17,839

op and everything like what's your

1522

00:53:23,190 --> 00:53:20,400

agenda with all this but um

1523

00:53:23,910 --> 00:53:23,200

once he came on with um denise marcel

1524

00:53:26,549 --> 00:53:23,920

and

1525

00:53:26,950 --> 00:53:26,559

really dug into the case like i was i

1526

00:53:29,430 --> 00:53:26,960

was

1527

00:53:31,510 --> 00:53:29,440

really impressed again like i've been

1528

00:53:32,150 --> 00:53:31,520

there done that like roswell's been done

1529

00:53:35,190 --> 00:53:32,160

to death

1530

00:53:37,750 --> 00:53:35,200

and there's like i i try to

1531

00:53:38,309 --> 00:53:37,760

not look at roswell as much as possible

1532

00:53:41,990 --> 00:53:38,319

but

1533

00:53:44,549 --> 00:53:42,000

this three-part series was i i would

1534

00:53:46,150 --> 00:53:44,559

i would argue it is probably the best

1535

00:53:49,030 --> 00:53:46,160

overview of roswell

1536

00:53:49,430 --> 00:53:49,040

that's been made probably like to date

1537

00:53:51,510 --> 00:53:49,440

so

1538

00:53:52,630 --> 00:53:51,520

um maybe that's i'm maybe i'm saying a

1539

00:53:54,790 --> 00:53:52,640

lot but i

1540

00:53:56,470 --> 00:53:54,800

highly recommend that free partner

1541

00:53:58,230 --> 00:53:56,480

they're like an hour long each

1542

00:53:59,910 --> 00:53:58,240

or something too what is the name of

1543

00:54:02,309 --> 00:53:59,920

this show i haven't seen it

1544

00:54:04,150 --> 00:54:02,319

it's called history's greatest mysteries

1545

00:54:05,910 --> 00:54:04,160

is the name of the show history's

1546

00:54:06,710 --> 00:54:05,920

greatest mysteries hosted by lawrence

1547

00:54:10,309 --> 00:54:06,720

fishburne

1548

00:54:12,230 --> 00:54:10,319

it's on history and it's like episode

1549

00:54:12,630 --> 00:54:12,240

five six and seven i want to say i'm not

1550

00:54:15,829 --> 00:54:12,640

sure

1551  
00:54:17,589 --> 00:54:15,839  
yeah something like that damn i got a

1552  
00:54:19,990 --> 00:54:17,599  
lot of stuff to catch up on

1553  
00:54:21,030 --> 00:54:20,000  
i think those are long term it's hard to

1554  
00:54:22,309 --> 00:54:21,040  
keep up with it

1555  
00:54:24,390 --> 00:54:22,319  
i think they're an hour and a half each

1556  
00:54:27,190 --> 00:54:24,400  
or something like that it is quite

1557  
00:54:27,589 --> 00:54:27,200  
a little mini series there uh but they

1558  
00:54:30,710 --> 00:54:27,599  
do

1559  
00:54:33,670 --> 00:54:30,720  
of data and speaking about like

1560  
00:54:35,670 --> 00:54:33,680  
government agencies and sharing ufo data

1561  
00:54:37,030 --> 00:54:35,680  
i wish some of these these tv shows

1562  
00:54:39,030 --> 00:54:37,040  
would do that and that's never going to

1563  
00:54:40,710 --> 00:54:39,040

happen i mean this is all proprietary

1564

00:54:42,150 --> 00:54:40,720

they want that stuff locked down so they

1565

00:54:44,390 --> 00:54:42,160

can make money off of it

1566

00:54:45,270 --> 00:54:44,400

but talking about this specific show i

1567

00:54:47,190 --> 00:54:45,280

mean think about

1568

00:54:48,950 --> 00:54:47,200

all the data gathering they did the

1569

00:54:51,190 --> 00:54:48,960

ground penetrating radar

1570

00:54:53,190 --> 00:54:51,200

all of that [h\_\_h] they did to like map

1571

00:54:56,710 --> 00:54:53,200

the debris field

1572

00:54:58,069 --> 00:54:56,720

and yeah determine you know hard and

1573

00:54:59,670 --> 00:54:58,079

soft areas and

1574

00:55:01,270 --> 00:54:59,680

where things were returning from the

1575

00:55:02,230 --> 00:55:01,280

surface to determine if something was

1576

00:55:03,750 --> 00:55:02,240

buried there

1577

00:55:06,390 --> 00:55:03,760

you know they mentioned that possibly

1578

00:55:08,230 --> 00:55:06,400

something neoprene was buried in a spot

1579

00:55:09,430 --> 00:55:08,240

go out and dig that [h\_\_h] up i mean

1580

00:55:11,270 --> 00:55:09,440

there's just so much

1581

00:55:12,710 --> 00:55:11,280

there with the information that they

1582

00:55:14,150 --> 00:55:12,720

gathered and probably spent a lot of

1583

00:55:15,829 --> 00:55:14,160

money gathering it

1584

00:55:17,510 --> 00:55:15,839

would be great and i know other shows

1585

00:55:19,109 --> 00:55:17,520

have done similar things you know doing

1586

00:55:21,750 --> 00:55:19,119

these aerial surveys and

1587

00:55:23,190 --> 00:55:21,760

just all of this comparative data being

1588

00:55:26,630 --> 00:55:23,200

able to share that

1589

00:55:28,630 --> 00:55:26,640

that would be amazing for subsequent

1590

00:55:30,870 --> 00:55:28,640

uh investigations to go out build on

1591

00:55:33,589 --> 00:55:30,880

that data and take it further

1592

00:55:35,270 --> 00:55:33,599

i think as long as it's like they're you

1593

00:55:39,430 --> 00:55:35,280

know the production company

1594

00:55:43,030 --> 00:55:39,440

is finding and using um unbiased

1595

00:55:43,990 --> 00:55:43,040

uh credible labs and and services for

1596

00:55:47,109 --> 00:55:44,000

these surveys

1597

00:55:48,470 --> 00:55:47,119

and like you know a lot of times we know

1598

00:55:51,670 --> 00:55:48,480

production companies

1599

00:55:53,670 --> 00:55:51,680

take short corners on that stuff so

1600

00:55:55,510 --> 00:55:53,680

it may be either they're showing the

1601  
00:55:55,910 --> 00:55:55,520  
data that looks really interesting but

1602  
00:55:58,549 --> 00:55:55,920  
yeah

1603  
00:55:59,270 --> 00:55:58,559  
they're pushing an aspect of it that is

1604  
00:56:01,270 --> 00:55:59,280  
not as big

1605  
00:56:02,710 --> 00:56:01,280  
as they're making it out to seem and we

1606  
00:56:05,750 --> 00:56:02,720  
know that happens a lot

1607  
00:56:08,870 --> 00:56:05,760  
and especially with uh doing

1608  
00:56:11,270 --> 00:56:08,880  
the sort of as they say boots on the

1609  
00:56:14,549 --> 00:56:11,280  
ground investigation of different sites

1610  
00:56:15,990 --> 00:56:14,559  
and so yeah that'd be great if they

1611  
00:56:17,430 --> 00:56:16,000  
would present it but i can tell you

1612  
00:56:18,950 --> 00:56:17,440  
there's probably reasons they

1613  
00:56:20,549 --> 00:56:18,960

they don't want to right and it's

1614

00:56:21,990 --> 00:56:20,559

because of those short corners

1615

00:56:23,990 --> 00:56:22,000

yep and you got to make it look good for

1616

00:56:25,829 --> 00:56:24,000

tv but i wish you know

1617

00:56:27,109 --> 00:56:25,839

for research sake they could present

1618

00:56:28,630 --> 00:56:27,119

that stuff on the show

1619

00:56:30,470 --> 00:56:28,640

especially with testing of like metal

1620

00:56:32,069 --> 00:56:30,480

and things like that say what testing

1621

00:56:34,069 --> 00:56:32,079

specifically was done

1622

00:56:35,510 --> 00:56:34,079

or what limitations they had when trying

1623

00:56:37,270 --> 00:56:35,520

to do that and what

1624

00:56:39,190 --> 00:56:37,280

other things would be needed to get any

1625

00:56:43,990 --> 00:56:39,200

more data out of

1626  
00:56:46,230 --> 00:56:44,000  
that specific sample you know mourinho

1627  
00:56:47,109 --> 00:56:46,240  
enjoy this they they do go visit chuck

1628  
00:56:50,309 --> 00:56:47,119  
wade

1629  
00:56:51,030 --> 00:56:50,319  
in this mini series and chuck pulls out

1630  
00:56:53,349 --> 00:56:51,040  
his

1631  
00:56:54,789 --> 00:56:53,359  
you know big collection of interesting

1632  
00:56:58,870 --> 00:56:54,799  
looking materials

1633  
00:57:00,710 --> 00:56:58,880  
and he lets uh ben take some samples

1634  
00:57:01,829 --> 00:57:00,720  
and they say that they tested him but

1635  
00:57:03,430 --> 00:57:01,839  
you know couldn't really determine

1636  
00:57:05,750 --> 00:57:03,440  
anything

1637  
00:57:07,030 --> 00:57:05,760  
that's nice but i want more information

1638  
00:57:08,630 --> 00:57:07,040

right when they say things like that

1639

00:57:10,549 --> 00:57:08,640

they just like brush over that

1640

00:57:12,150 --> 00:57:10,559

or what testing was done what

1641

00:57:13,109 --> 00:57:12,160

specifically was determined with the

1642

00:57:14,549 --> 00:57:13,119

test you did

1643

00:57:16,309 --> 00:57:14,559

but that's just kind of like brushed to

1644

00:57:18,069 --> 00:57:16,319

the side is a big nothing

1645

00:57:19,589 --> 00:57:18,079

but i did learn something and i'm

1646

00:57:20,950 --> 00:57:19,599

embarrassed to say this because it means

1647

00:57:24,309 --> 00:57:20,960

i didn't pay attention

1648

00:57:26,950 --> 00:57:24,319

to the 100 or 200 times

1649

00:57:27,750 --> 00:57:26,960

chuck was in our offices all those years

1650

00:57:31,109 --> 00:57:27,760

ago

1651  
00:57:33,670 --> 00:57:31,119  
but his family is actually

1652  
00:57:34,789 --> 00:57:33,680  
the ones who owned the bar wade's bar in

1653  
00:57:37,190 --> 00:57:34,799  
corona

1654  
00:57:37,829 --> 00:57:37,200  
where mac brazil brought the material

1655  
00:57:39,510 --> 00:57:37,839  
first

1656  
00:57:40,950 --> 00:57:39,520  
on july 4th when he was showing it off

1657  
00:57:42,950 --> 00:57:40,960  
to people and trying to get

1658  
00:57:44,150 --> 00:57:42,960  
their take on what to do with it so

1659  
00:57:47,349 --> 00:57:44,160  
wade's bar it was

1660  
00:57:48,710 --> 00:57:47,359  
his dad's bar i didn't know that that's

1661  
00:57:52,230 --> 00:57:48,720  
awesome

1662  
00:57:55,270 --> 00:57:52,240  
so for people listening um chuck wade

1663  
00:57:58,470 --> 00:57:55,280

lives in corona new mexico and uh

1664

00:58:01,109 --> 00:57:58,480

has a whole collection of of different

1665

00:58:04,630 --> 00:58:01,119

materials he has acquired from

1666

00:58:07,990 --> 00:58:04,640

uh the crash site at corona uh

1667

00:58:10,390 --> 00:58:08,000

and he brings them with him everywhere

1668

00:58:12,069 --> 00:58:10,400

um you know we've met him many times

1669

00:58:14,309 --> 00:58:12,079

over the years

1670

00:58:16,150 --> 00:58:14,319

both both coming into our office to show

1671

00:58:18,230 --> 00:58:16,160

us these materials as well as at the

1672

00:58:18,950 --> 00:58:18,240

international ufo congress that we ran

1673

00:58:21,670 --> 00:58:18,960

for

1674

00:58:22,150 --> 00:58:21,680

uh what upwards of almost eight nine

1675

00:58:25,190 --> 00:58:22,160

years

1676  
00:58:29,109 --> 00:58:27,190  
and so we've seen all these materials

1677  
00:58:31,109 --> 00:58:29,119  
many times

1678  
00:58:32,230 --> 00:58:31,119  
when you're in an environment like that

1679  
00:58:36,309 --> 00:58:32,240  
being approached

1680  
00:58:38,069 --> 00:58:36,319  
with uh with those kind of materials

1681  
00:58:42,390 --> 00:58:38,079  
sometimes you're not

1682  
00:58:45,190 --> 00:58:42,400  
capable of analyzing on the spot and or

1683  
00:58:46,150 --> 00:58:45,200  
uh sort of understanding if they're

1684  
00:58:48,150 --> 00:58:46,160  
important or not

1685  
00:58:50,150 --> 00:58:48,160  
when you have people presenting them

1686  
00:58:52,549 --> 00:58:50,160  
very frantically sometimes

1687  
00:58:54,230 --> 00:58:52,559  
um so it's interesting i'm glad that

1688  
00:58:56,950 --> 00:58:54,240

that a show has

1689

00:58:57,510 --> 00:58:56,960

has gone out and ben was able to to talk

1690

00:58:59,270 --> 00:58:57,520

with chuck

1691

00:59:00,950 --> 00:58:59,280

i know ben's met him many times at the

1692

00:59:03,510 --> 00:59:00,960

congress as well

1693

00:59:04,870 --> 00:59:03,520

so that's i haven't heard that name in a

1694

00:59:07,109 --> 00:59:04,880

long time

1695

00:59:08,549 --> 00:59:07,119

i hadn't either i you know i hadn't seen

1696

00:59:09,510 --> 00:59:08,559

anything about chuck for the longest

1697

00:59:11,030 --> 00:59:09,520

time but

1698

00:59:12,069 --> 00:59:11,040

there he was on the show and i was like

1699

00:59:13,670 --> 00:59:12,079

huh i wonder if they're going to do

1700

00:59:14,150 --> 00:59:13,680

something with chuck's medals and they

1701

00:59:21,030 --> 00:59:14,160

did

1702

00:59:22,710 --> 00:59:21,040

yeah um to add on to the that

1703

00:59:24,069 --> 00:59:22,720

whole aspect of like production

1704

00:59:26,390 --> 00:59:24,079

companies and like

1705

00:59:27,990 --> 00:59:26,400

what they have in their possession that

1706

00:59:31,190 --> 00:59:28,000

ufo researchers

1707

00:59:33,670 --> 00:59:31,200

would kill for i mean um like i

1708

00:59:34,950 --> 00:59:33,680

i wrestled for almost a year in getting

1709

00:59:37,829 --> 00:59:34,960

all of the

1710

00:59:38,390 --> 00:59:37,839

uh the data from the materials i had

1711

00:59:41,750 --> 00:59:38,400

tested

1712

00:59:44,870 --> 00:59:41,760

of frank kimbler's um which is

1713

00:59:45,990 --> 00:59:44,880

amazing and thank god frank had more of

1714

00:59:47,990 --> 00:59:46,000

these materials

1715

00:59:49,589 --> 00:59:48,000

to get tested afterwards because i

1716

00:59:52,230 --> 00:59:49,599

fought for like a year to get

1717

00:59:52,630 --> 00:59:52,240

all of the results um but on a separate

1718

00:59:56,309 --> 00:59:52,640

note

1719

00:59:58,470 --> 00:59:56,319

um i recently spoke to the guy who

1720

01:00:01,510 --> 00:59:58,480

produced the unidentified show

1721

01:00:02,309 --> 01:00:01,520

and you know he's he said specifically

1722

01:00:04,470 --> 01:00:02,319

like

1723

01:00:05,829 --> 01:00:04,480

hundreds of military witnesses came to

1724

01:00:07,750 --> 01:00:05,839

them with stories

1725

01:00:09,670 --> 01:00:07,760

for unidentified and they could only put

1726

01:00:12,789 --> 01:00:09,680

on like two or three

1727

01:00:15,510 --> 01:00:12,799

people every episode so there's so my

1728

01:00:16,710 --> 01:00:15,520

my obvious question is well what about

1729

01:00:19,030 --> 01:00:16,720

all those reports

1730

01:00:20,390 --> 01:00:19,040

like of military witnesses seeing ufos

1731

01:00:21,829 --> 01:00:20,400

where do those go

1732

01:00:24,630 --> 01:00:21,839

and he's like that's a really good

1733

01:00:26,309 --> 01:00:24,640

question like you have no idea how much

1734

01:00:28,710 --> 01:00:26,319

we would kill for all of those

1735

01:00:29,750 --> 01:00:28,720

unfortunately unfortunately reality i

1736

01:00:31,430 --> 01:00:29,760

think is that

1737

01:00:32,789 --> 01:00:31,440

with these i mean certainly on a

1738

01:00:34,789 --> 01:00:32,799

production company level

1739

01:00:35,829 --> 01:00:34,799

you know when they do anything pretty

1740

01:00:38,230 --> 01:00:35,839

sure they sign

1741

01:00:40,710 --> 01:00:38,240

the rights over absolutely everything to

1742

01:00:43,190 --> 01:00:40,720

the network whatever network is attached

1743

01:00:44,069 --> 01:00:43,200

but the network you know we had the same

1744

01:00:47,270 --> 01:00:44,079

problem with

1745

01:00:49,670 --> 01:00:47,280

with the government too and ufo files um

1746

01:00:50,470 --> 01:00:49,680

but you know even even more dramatically

1747

01:00:53,510 --> 01:00:50,480

so

1748

01:00:55,670 --> 01:00:53,520

where network executives change like

1749

01:00:57,349 --> 01:00:55,680

all the time like more frequently than i

1750

01:00:58,390 --> 01:00:57,359

change my my sheets and i change my

1751

01:01:01,589 --> 01:00:58,400

sheets all the time

1752

01:01:02,150 --> 01:01:01,599

but you know their their turnover is

1753

01:01:03,829 --> 01:01:02,160

huge

1754

01:01:05,829 --> 01:01:03,839

you have people with with different

1755

01:01:06,950 --> 01:01:05,839

priorities different uh feelings on

1756

01:01:09,829 --> 01:01:06,960

different projects

1757

01:01:10,630 --> 01:01:09,839

but they also i don't think are set up

1758

01:01:14,069 --> 01:01:10,640

to be

1759

01:01:15,349 --> 01:01:14,079

this warehouse for just terabytes and

1760

01:01:19,510 --> 01:01:15,359

terabytes of

1761

01:01:21,829 --> 01:01:19,520

footage for each show that they they buy

1762

01:01:22,710 --> 01:01:21,839

and then don't use right i think they

1763

01:01:26,069 --> 01:01:22,720

have

1764

01:01:28,470 --> 01:01:26,079

limited resources so when a show's done

1765

01:01:29,190 --> 01:01:28,480

a lot of that's probably getting dumped

1766

01:01:31,190 --> 01:01:29,200

which

1767

01:01:32,630 --> 01:01:31,200

is a tremendous shame because like you

1768

01:01:34,470 --> 01:01:32,640

said with that you know when you have

1769

01:01:36,309 --> 01:01:34,480

interviews when you have

1770

01:01:38,150 --> 01:01:36,319

science that's done this research where

1771

01:01:39,829 --> 01:01:38,160

you hire these companies to come out do

1772

01:01:41,510 --> 01:01:39,839

ground penetrating radar and

1773

01:01:43,589 --> 01:01:41,520

create all sorts of maps and things of

1774

01:01:46,069 --> 01:01:43,599

terrain i

1775

01:01:46,630 --> 01:01:46,079

i'm guessing unfortunately a lot of this

1776

01:01:49,589 --> 01:01:46,640

stuff

1777

01:01:53,589 --> 01:01:49,599

is just getting deleted when the project

1778

01:02:01,270 --> 01:01:57,190

it's in the gmail inboxes of casting

1779

01:02:02,390 --> 01:02:01,280

producers so you'll notice right that

1780

01:02:05,349 --> 01:02:02,400

she's right i am yeah

1781

01:02:06,710 --> 01:02:05,359

so so you'll notice um anybody that's

1782

01:02:09,990 --> 01:02:06,720

ever been contacted

1783

01:02:12,309 --> 01:02:10,000

by a potential tv show

1784

01:02:14,230 --> 01:02:12,319

the email you're going to get is from a

1785

01:02:17,510 --> 01:02:14,240

personal email usually

1786

01:02:19,430 --> 01:02:17,520

sometimes the production companies uh

1787

01:02:21,270 --> 01:02:19,440

legit email because so many of these

1788

01:02:22,870 --> 01:02:21,280

these people that are doing the casting

1789

01:02:23,670 --> 01:02:22,880

and the research for these shows story

1790

01:02:26,710 --> 01:02:23,680

producers

1791

01:02:28,230 --> 01:02:26,720

are contract workers so generally

1792

01:02:29,589 --> 01:02:28,240

they'll reach out on their personal

1793

01:02:32,069 --> 01:02:29,599

emails unless they are

1794

01:02:34,309 --> 01:02:32,079

a full-time employee of the production

1795

01:02:36,549 --> 01:02:34,319

company um and

1796

01:02:38,230 --> 01:02:36,559

they're asking for material to be sent

1797

01:02:40,789 --> 01:02:38,240

to their personal

1798

01:02:42,230 --> 01:02:40,799

emails unless there's like a form or

1799

01:02:45,270 --> 01:02:42,240

something so

1800

01:02:48,710 --> 01:02:45,280

yeah a lot of these conversations are

1801

01:02:51,670 --> 01:02:48,720

in freelancers personal

1802

01:02:53,270 --> 01:02:51,680

gmail accounts or right god forbid

1803

01:02:55,190 --> 01:02:53,280

somebody had a hotmail address i don't

1804

01:02:58,230 --> 01:02:55,200

think i'd answer it

1805

01:03:00,789 --> 01:02:58,240

i still have one but uh yeah but

1806

01:03:01,750 --> 01:03:00,799

well to to play off of that maureen um

1807

01:03:04,390 --> 01:03:01,760

to kind of wrap

1808

01:03:05,750 --> 01:03:04,400

that part up um i got in touch with the

1809

01:03:07,750 --> 01:03:05,760

casting person

1810

01:03:08,870 --> 01:03:07,760

and i'm gonna have a meeting with them

1811

01:03:11,589 --> 01:03:08,880

about

1812

01:03:13,109 --> 01:03:11,599

the protocol like what happens to this

1813

01:03:15,029 --> 01:03:13,119

these are

1814

01:03:17,190 --> 01:03:15,039

military witness reports that we would

1815

01:03:19,589 --> 01:03:17,200

kill to have in the ufo field

1816

01:03:21,750 --> 01:03:19,599

um so hopefully something will come of

1817

01:03:23,829 --> 01:03:21,760

it but like you said my biggest fear

1818

01:03:25,990 --> 01:03:23,839

is that it's just delete delete delete

1819

01:03:28,549 --> 01:03:26,000

delete and we'll never hear about it

1820

01:03:30,470 --> 01:03:28,559

again so um i'll keep you guys posted

1821

01:03:32,470 --> 01:03:30,480

but maybe we'll have some new

1822

01:03:34,470 --> 01:03:32,480

military cases to look at in the near

1823

01:03:36,069 --> 01:03:34,480

future i feel like those are going to be

1824

01:03:37,349 --> 01:03:36,079

sat on those particular cases

1825

01:03:39,270 --> 01:03:37,359

are going to be sat on because they're

1826  
01:03:41,510 --> 01:03:39,280  
going to think we could use these in the

1827  
01:03:42,630 --> 01:03:41,520  
future um this is a very hot topic right

1828  
01:03:45,109 --> 01:03:42,640  
now

1829  
01:03:46,390 --> 01:03:45,119  
it is and that was my biggest fear yeah

1830  
01:03:48,150 --> 01:03:46,400  
and we'll have to see what

1831  
01:03:50,309 --> 01:03:48,160  
what happens with history going forward

1832  
01:03:50,710 --> 01:03:50,319  
right because i think i think right now

1833  
01:03:58,069 --> 01:03:50,720  
their

1834  
01:04:02,069 --> 01:03:58,079  
you know is kind of questionable uh

1835  
01:04:03,670 --> 01:04:02,079  
with the recent passing of kevin burns

1836  
01:04:05,109 --> 01:04:03,680  
you know he was their their driving

1837  
01:04:08,230 --> 01:04:05,119  
force between or

1838  
01:04:09,910 --> 01:04:08,240

behind all the ufo content he's no

1839

01:04:11,349 --> 01:04:09,920

longer there so

1840

01:04:13,589 --> 01:04:11,359

you know we'll have to wait and see what

1841

01:04:15,190 --> 01:04:13,599

happens but as of right now history is

1842

01:04:17,829 --> 01:04:15,200

still putting out ufo content

1843

01:04:19,270 --> 01:04:17,839

and they like to repurpose their content

1844

01:04:21,270 --> 01:04:19,280

like every network likes to

1845

01:04:23,270 --> 01:04:21,280

so you know some of that stuff that was

1846

01:04:24,789 --> 01:04:23,280

created for unidentified

1847

01:04:26,309 --> 01:04:24,799

you know gets repurposed and used on

1848

01:04:28,630 --> 01:04:26,319

ancient aliens um

1849

01:04:30,230 --> 01:04:28,640

it's kind of go back and forth and and

1850

01:04:32,230 --> 01:04:30,240

uh you know they have that very

1851

01:04:34,230 --> 01:04:32,240

incestuous relationship with with all

1852

01:04:35,910 --> 01:04:34,240

the the products that they own

1853

01:04:37,750 --> 01:04:35,920

they will just repurpose material and

1854

01:04:38,630 --> 01:04:37,760

use that um i can't tell you yeah jason

1855

01:04:41,910 --> 01:04:38,640

different shows

1856

01:04:44,549 --> 01:04:41,920

you've been in you've been on yeah

1857

01:04:45,910 --> 01:04:44,559

yeah yeah they just repackage it in a

1858

01:04:47,190 --> 01:04:45,920

different way and use it on a different

1859

01:04:48,950 --> 01:04:47,200

show so

1860

01:04:50,870 --> 01:04:48,960

at least that means they still have the

1861

01:04:52,150 --> 01:04:50,880

content right and i'm hoping that other

1862

01:04:55,430 --> 01:04:52,160

networks do too

1863

01:04:56,470 --> 01:04:55,440

because it would it's just it's so much

1864

01:04:58,710 --> 01:04:56,480

content

1865

01:05:00,309 --> 01:04:58,720

and they've spent the money to acquire

1866

01:05:03,829 --> 01:05:00,319

it you know whether it's

1867

01:05:05,349 --> 01:05:03,839

testimony whether it's uh you know talk

1868

01:05:07,670 --> 01:05:05,359

speaking to an expert about something to

1869

01:05:09,750 --> 01:05:07,680

get their thoughts on a particular issue

1870

01:05:12,230 --> 01:05:09,760

or whether it's you know witness

1871

01:05:14,789 --> 01:05:12,240

testimony or photos or videos or

1872

01:05:16,470 --> 01:05:14,799

scientific testing of something that's

1873

01:05:19,270 --> 01:05:16,480

all stuff they spent time and money

1874

01:05:20,230 --> 01:05:19,280

to create that all has value for us as

1875

01:05:22,470 --> 01:05:20,240

researchers

1876

01:05:24,230 --> 01:05:22,480

and i just cry thinking that a lot of

1877

01:05:28,150 --> 01:05:24,240

that stuff over the years just gets

1878

01:05:30,390 --> 01:05:28,160

dumped well on on a more fun topic

1879

01:05:31,990 --> 01:05:30,400

uh you know going fictional there are

1880

01:05:34,230 --> 01:05:32,000

certainly going to be lots of

1881

01:05:36,710 --> 01:05:34,240

alien related shows this year as there

1882

01:05:39,990 --> 01:05:36,720

always are and one of those is on sci-fi

1883

01:05:41,029 --> 01:05:40,000

called resident alien about an alien who

1884

01:05:42,950 --> 01:05:41,039

crashes to earth

1885

01:05:44,390 --> 01:05:42,960

hides out in a remote colorado mountain

1886

01:05:47,109 --> 01:05:44,400

town have

1887

01:05:49,190 --> 01:05:47,119

any of you guys check this show out no i

1888

01:05:52,150 --> 01:05:49,200

didn't even know it was out yet i know

1889

01:05:53,349 --> 01:05:52,160

alejandro rojas just interviewed the

1890

01:05:55,750 --> 01:05:53,359

cast i think

1891

01:05:57,029 --> 01:05:55,760

over at den of geeks so um that should

1892

01:05:59,190 --> 01:05:57,039

be yeah they were doing like

1893

01:06:00,150 --> 01:05:59,200

i think like they did for your your cw

1894

01:06:02,309 --> 01:06:00,160

show um

1895

01:06:04,549 --> 01:06:02,319

you know they they get into like doing

1896

01:06:05,670 --> 01:06:04,559

like ufo trivia and stuff like that so i

1897

01:06:07,430 --> 01:06:05,680

think they were doing that

1898

01:06:09,190 --> 01:06:07,440

some like you know interesting stuff

1899

01:06:11,750 --> 01:06:09,200

like that which i love i love when they

1900

01:06:13,910 --> 01:06:11,760

do the marketing pushes and and bring

1901

01:06:15,109 --> 01:06:13,920

ufo lore and and you know things like

1902

01:06:17,430 --> 01:06:15,119

that into it

1903

01:06:19,349 --> 01:06:17,440

because it all goes along that public

1904

01:06:20,710 --> 01:06:19,359

education route uh you know people have

1905

01:06:21,589 --> 01:06:20,720

this casual interest and they're looking

1906

01:06:23,829 --> 01:06:21,599

at it from this

1907

01:06:25,829 --> 01:06:23,839

fictional standpoint this fun standpoint

1908

01:06:27,910 --> 01:06:25,839

but they're using real information

1909

01:06:29,190 --> 01:06:27,920

and kind of introducing the general

1910

01:06:32,549 --> 01:06:29,200

public to that

1911

01:06:35,670 --> 01:06:32,559

when we did our education press tour for

1912

01:06:37,589 --> 01:06:35,680

that roswell new mexico show on the cw

1913

01:06:39,990 --> 01:06:37,599

i showed up and i like said something

1914

01:06:41,670 --> 01:06:40,000

like okay so back in 1947

1915

01:06:43,510 --> 01:06:41,680

and i can't tell you how many tv

1916

01:06:45,990 --> 01:06:43,520

executives came up to me or like

1917

01:06:47,589 --> 01:06:46,000

whoa it happened in 1947 i'm like you

1918

01:06:49,029 --> 01:06:47,599

just made a show called roswell new

1919

01:06:50,390 --> 01:06:49,039

mexico you didn't even know the event

1920

01:06:53,430 --> 01:06:50,400

happened in 1947.

1921

01:06:56,309 --> 01:06:53,440

yeah so yeah there is a need for the wow

1922

01:06:57,750 --> 01:06:56,319

education for sure it's kind of sad how

1923

01:07:00,309 --> 01:06:57,760

ignorant they actually are

1924

01:07:03,109 --> 01:07:00,319

yeah things they're putting out there so

1925

01:07:06,069 --> 01:07:03,119

yeah let's school them as much as we can

1926

01:07:08,870 --> 01:07:06,079

i just realized how how crazy the number

1927

01:07:13,589 --> 01:07:08,880

47 has become for me in my life

1928

01:07:16,950 --> 01:07:13,599

um all those ufo events happened in 1947

1929

01:07:19,430 --> 01:07:16,960

uh roswell and kenneth arnold's

1930

01:07:21,829 --> 01:07:19,440

mount rainier sighting i work for a

1931

01:07:24,069 --> 01:07:21,839

company with 47 in the title

1932

01:07:26,390 --> 01:07:24,079

i live at an apartment that includes the

1933

01:07:30,789 --> 01:07:26,400

number 47

1934

01:07:33,510 --> 01:07:30,799

the building not my apartment number um

1935

01:07:36,150 --> 01:07:33,520

and so many other things it's just if

1936

01:07:39,430 --> 01:07:36,160

we're on the 47th degree parallel here

1937

01:07:46,950 --> 01:07:39,440

in seattle uh it's always 47 degrees

1938

01:07:49,750 --> 01:07:48,150

well there's a different there's a

1939

01:07:50,470 --> 01:07:49,760

different bookshelf with all the goodies

1940

01:07:52,980 --> 01:07:50,480

on it

1941

01:07:54,069 --> 01:07:52,990

the fun books the ufo books but um

1942

01:07:56,789 --> 01:07:54,079

[Music]

1943

01:07:58,390 --> 01:07:56,799

yeah anyways this this show has the

1944

01:08:01,349 --> 01:07:58,400

premise that it sounds like

1945

01:08:03,190 --> 01:08:01,359

a lot of these fictional ufo shows have

1946

01:08:03,670 --> 01:08:03,200

that are meant to be on a more casual

1947

01:08:05,270 --> 01:08:03,680

basis

1948

01:08:07,349 --> 01:08:05,280

is this supposed to be a comedy or is

1949

01:08:09,829 --> 01:08:07,359

this it yes it is right

1950

01:08:12,230 --> 01:08:09,839

yeah what was the the one that came out

1951

01:08:13,109 --> 01:08:12,240

a year or two ago is it ufo people what

1952

01:08:15,510 --> 01:08:13,119

was it called

1953

01:08:17,189 --> 01:08:15,520

uh ryan i know you were a big fan of it

1954

01:08:19,669 --> 01:08:17,199

people of earth

1955

01:08:20,390 --> 01:08:19,679

people so that was essentially the same

1956

01:08:23,430 --> 01:08:20,400

thing it was an

1957

01:08:24,470 --> 01:08:23,440

alien family trying to hide in a suburbs

1958

01:08:27,590 --> 01:08:24,480

right

1959

01:08:30,070 --> 01:08:27,600

there were yeah so like it was about

1960

01:08:30,709 --> 01:08:30,080

abductees like a support group of oh

1961

01:08:33,189 --> 01:08:30,719

that's right

1962

01:08:35,430 --> 01:08:33,199

um okay yeah what am i thinking yeah

1963

01:08:38,470 --> 01:08:35,440

there were aliens everywhere

1964

01:08:39,030 --> 01:08:38,480

and stuff yeah okay there was a comedy

1965

01:08:40,630 --> 01:08:39,040

sitcom

1966

01:08:42,709 --> 01:08:40,640

that came out like within the last

1967

01:08:46,550 --> 01:08:42,719

couple of years that was an

1968

01:08:49,749 --> 01:08:46,560

alien family pretending to be human

1969

01:08:53,590 --> 01:08:51,910

i don't remember that you're not

1970

01:08:56,870 --> 01:08:53,600

thinking about new mexico show

1971

01:08:58,630 --> 01:08:56,880

right yeah roswell new mexico

1972

01:09:00,070 --> 01:08:58,640

that was actually pretty good it lasted

1973

01:09:02,550 --> 01:09:00,080

like three seasons

1974

01:09:04,870 --> 01:09:02,560

yes no this this was like that was like

1975

01:09:08,630 --> 01:09:04,880

a 20 something that was cw

1976

01:09:11,269 --> 01:09:08,640

yeah nbc or something

1977

01:09:13,829 --> 01:09:11,279

it got cancelled before it even started

1978

01:09:16,309 --> 01:09:13,839

airing i think but

1979

01:09:18,709 --> 01:09:16,319

yeah a lot of that material hopefully

1980

01:09:24,709 --> 01:09:18,719

they'll make it good

1981

01:09:28,390 --> 01:09:27,349

yeah what chan what network is this on

1982

01:09:33,030 --> 01:09:28,400

sci-fi

1983

01:09:35,349 --> 01:09:33,040

still making like original shows anymore

1984

01:09:37,349 --> 01:09:35,359

um mostly what they do they are the

1985

01:09:39,269 --> 01:09:37,359

kings of original content

1986

01:09:40,870 --> 01:09:39,279

oh you're gonna get into like shark

1987

01:09:44,149 --> 01:09:40,880

versus plato yeah

1988

01:09:48,070 --> 01:09:44,159

shark versus octopus and yes yeah

1989

01:09:51,030 --> 01:09:48,080

all of those i love when they do them

1990

01:09:52,470 --> 01:09:51,040

digital channel yeah i think this one's

1991

01:09:55,270 --> 01:09:52,480

based on a um

1992

01:09:55,750 --> 01:09:55,280

a graphic novel am i correct in that i

1993

01:09:58,070 --> 01:09:55,760

believe that's

1994

01:10:00,149 --> 01:09:58,080

correct yeah that's cool i always like

1995

01:10:02,950 --> 01:10:00,159

to see those adaptations so

1996

01:10:03,750 --> 01:10:02,960

um yeah it looks good the the um what do

1997

01:10:07,030 --> 01:10:03,760

you call it

1998

01:10:10,470 --> 01:10:07,040

the practical effects they have on uh

1999

01:10:12,950 --> 01:10:10,480

two dicks like alien uh is

2000

01:10:14,310 --> 01:10:12,960

really good i i i thought they did a

2001

01:10:18,310 --> 01:10:14,320

fantastic job it's

2002

01:10:19,110 --> 01:10:18,320

almost got like um a vaporwave feel to

2003

01:10:22,229 --> 01:10:19,120

like his

2004

01:10:24,229 --> 01:10:22,239

reptilian skin and whatnot um

2005

01:10:25,669 --> 01:10:24,239

yeah yeah so i look forward i'm looking

2006

01:10:27,030 --> 01:10:25,679

forward to it i'm gonna check it out for

2007

01:10:29,750 --> 01:10:27,040

sure so

2008

01:10:31,430 --> 01:10:29,760

is it actually premiering tonight or has

2009

01:10:33,430 --> 01:10:31,440

it already aired

2010

01:10:34,790 --> 01:10:33,440

because i could very well be premiering

2011

01:10:36,630 --> 01:10:34,800

tonight on tv

2012

01:10:38,149 --> 01:10:36,640

soon and then it says oh wait that's

2013

01:10:41,189 --> 01:10:38,159

episode four sorry

2014

01:10:44,310 --> 01:10:42,630

so it's it's already played four

2015

01:10:48,070 --> 01:10:44,320

episodes it looks like okay what

2016

01:10:50,149 --> 01:10:48,080

oh wow um well i have no i thought it

2017

01:10:50,709 --> 01:10:50,159

was coming out like on the 28th or

2018

01:10:52,470 --> 01:10:50,719

something

2019

01:10:54,470 --> 01:10:52,480

okay well i'm looking at a very

2020

01:10:57,990 --> 01:10:54,480

confusing time

2021

01:11:00,950 --> 01:10:58,000

uh chart here where some is saying that

2022

01:11:01,669 --> 01:11:00,960

it premieres on the 27th episode one

2023

01:11:05,430 --> 01:11:01,679

season one

2024

01:11:06,550 --> 01:11:05,440

but then it shows tonight at 11 35 p.m

2025

01:11:11,030 --> 01:11:06,560

on sci-fi

2026  
01:11:13,510 --> 01:11:11,040  
season one episode four i'm confused

2027  
01:11:14,070 --> 01:11:13,520  
it says on scifi's website the season

2028  
01:11:16,709 --> 01:11:14,080

2029  
01:11:17,990 --> 01:11:16,719  
is january 27th all right so it

2030  
01:11:19,750 --> 01:11:18,000

the the fictional stuff these days
