[Music]

2  
00:00:08,950 --> 00:00:05,829  
greetings to all the lovers of the

3  
00:00:08,960 --> 00:00:12,470  
the sky watchers of the night

4  
00:00:35,910 --> 00:00:16,500  
hello citizens and welcome to unknown

5

[Music]

6  
00:00:40,069 --> 00:00:37,520  
i'm jason mcclellan thanks for hanging

7  
00:00:41,670 --> 00:00:40,079  
out with me on june 8th washington post

8  
00:00:44,069 --> 00:00:41,680  
congressional correspondent jacqueline

9  
00:00:45,190 --> 00:00:44,079  
alemany interviewed luis elizondo the

10  
00:00:47,510 --> 00:00:45,200  
individual who administered the

11  
00:00:49,110 --> 00:00:47,520  
pentagon's now defunct ufo project

12  
00:00:51,029 --> 00:00:49,120  
known as the advanced aerospace threat

13  
00:00:53,029 --> 00:00:51,039

identification program

14

00:00:54,549 --> 00:00:53,039

during the interview elizondo made a

15

00:00:56,830 --> 00:00:54,559

comment about china

16

00:00:58,630 --> 00:00:56,840

bringing the ufo issue to the united

17

00:01:00,229 --> 00:00:58,640

nations

18

00:01:01,670 --> 00:01:00,239

we've just announced they've established

19

00:01:03,670 --> 00:01:01,680

a new uap

20

00:01:05,830 --> 00:01:03,680

task force similar to ours and are using

21

00:01:07,990 --> 00:01:05,840

artificial intelligence to do this

22

00:01:09,109 --> 00:01:08,000

we also know that there's a play by them

23

00:01:10,950 --> 00:01:09,119

to to try

24

00:01:12,390 --> 00:01:10,960

to to lead this conversation at the

25

00:01:13,750 --> 00:01:12,400

united nations

26  
00:01:15,749 --> 00:01:13,760  
there have been plenty of people opining

27  
00:01:17,590 --> 00:01:15,759  
recently that the topic of ufos should

28  
00:01:19,590 --> 00:01:17,600  
be addressed at the u.n

29  
00:01:20,950 --> 00:01:19,600  
most people don't realize however that

30  
00:01:25,190 --> 00:01:20,960  
it already has been

31  
00:01:27,109 --> 00:01:25,200  
back in 1978. this special ufo un event

32  
00:01:29,030 --> 00:01:27,119  
and an associated press conference

33  
00:01:31,270 --> 00:01:29,040  
included astronaut gordon cooper

34  
00:01:32,710 --> 00:01:31,280  
and famed ufo researchers jacques valet

35  
00:01:34,789 --> 00:01:32,720  
and j allen heineck

36  
00:01:36,710 --> 00:01:34,799  
and the individual who produced this ufo

37  
00:01:39,670 --> 00:01:36,720  
presentation at the united nations

38  
00:01:40,340 --> 00:01:39,680

is our guest today my dear friend mr lee

39

00:01:44,710 --> 00:01:40,350

spiegel

40

00:01:47,830 --> 00:01:44,720

[Music]

41

00:01:49,350 --> 00:01:47,840

lee it feels like it's been forever

42

00:01:50,630 --> 00:01:49,360

since you and i got together like this

43

00:01:51,429 --> 00:01:50,640

so i've really been looking forward to

44

00:01:54,550 --> 00:01:51,439

today

45

00:01:56,630 --> 00:01:54,560

how are you my friend i'm good jason

46

00:01:57,670 --> 00:01:56,640

it was it has been forever the last time

47

00:02:01,350 --> 00:01:57,680

we we saw

48

00:02:04,469 --> 00:02:01,360

each other we were in las vegas

49

00:02:08,070 --> 00:02:04,479

and you and a mutual friend of ours

50

00:02:10,790 --> 00:02:08,080

alejandro rojas the the three of us

51  
00:02:11,510 --> 00:02:10,800  
um were probably walking through that

52  
00:02:15,110 --> 00:02:11,520  
incredible

53  
00:02:15,910 --> 00:02:15,120  
car exhibition uh in one of the hotels

54  
00:02:18,470 --> 00:02:15,920  
you remember that

55  
00:02:20,229 --> 00:02:18,480  
i remember that and i've got i got some

56  
00:02:23,510 --> 00:02:20,239  
pictures to prove it

57  
00:02:24,390 --> 00:02:23,520  
and you and i i think i'm correct about

58  
00:02:28,229 --> 00:02:24,400  
this

59  
00:02:31,509 --> 00:02:28,239  
you and i had a buffet dinner

60  
00:02:32,309 --> 00:02:31,519  
in one of the hotels that night and i

61  
00:02:34,630 --> 00:02:32,319  
found out

62  
00:02:36,949 --> 00:02:34,640  
later and i think it was the same time

63  
00:02:39,990 --> 00:02:36,959

that while you and i were eating

64

00:02:42,309 --> 00:02:40,000

apparently there was a ufo

65

00:02:43,509 --> 00:02:42,319

sighting above las vegas and we didn't

66

00:02:45,990 --> 00:02:43,519

know it at the time

67

00:02:46,550 --> 00:02:46,000

i forgot about that yeah do you remember

68

00:02:48,630 --> 00:02:46,560

that now

69

00:02:49,589 --> 00:02:48,640

yeah it was in the news later and i

70

00:02:52,150 --> 00:02:49,599

don't even know

71

00:02:52,869 --> 00:02:52,160

what it eventually turned out to be but

72

00:02:55,589 --> 00:02:52,879

uh but

73

00:02:56,070 --> 00:02:55,599

i mean how could they decide to appear

74

00:02:57,910 --> 00:02:56,080

over

75

00:02:59,830 --> 00:02:57,920

a major city like that and not let us

76

00:03:03,110 --> 00:02:59,840

know in advance so we could interview

77

00:03:04,869 --> 00:03:03,120

someone about it well i mean maybe they

78

00:03:06,790 --> 00:03:04,879

they assumed that we weren't going to be

79

00:03:08,710 --> 00:03:06,800

wasting our time at a buffet but i mean

80

00:03:11,830 --> 00:03:08,720

we were in vegas so

81

00:03:14,710 --> 00:03:11,840

well yeah but how could we not i know

82

00:03:16,630 --> 00:03:14,720

right i mean really definitely good

83

00:03:18,550 --> 00:03:16,640

times and it has been forever i mean

84

00:03:19,430 --> 00:03:18,560

that was years ago at this point that's

85

00:03:21,430 --> 00:03:19,440

crazy

86

00:03:23,110 --> 00:03:21,440

but uh you know i always love jumping on

87

00:03:25,030 --> 00:03:23,120

on shows with you and and

88

00:03:26,470 --> 00:03:25,040

and doing these interview chats because

89

00:03:28,149 --> 00:03:26,480

it's just you know

90

00:03:29,670 --> 00:03:28,159

it's good to catch up it's been been a

91

00:03:32,309 --> 00:03:29,680

long time and you know there certainly

92

00:03:34,470 --> 00:03:32,319

is no shortage of ufo buzz these days

93

00:03:36,309 --> 00:03:34,480

and one of the ufo related topics that

94

00:03:38,229 --> 00:03:36,319

caught my attention a few days ago

95

00:03:39,589 --> 00:03:38,239

was this claim that china wants to bring

96

00:03:42,229 --> 00:03:39,599

the topic of ufos

97

00:03:43,750 --> 00:03:42,239

to the united nations and regardless of

98

00:03:45,190 --> 00:03:43,760

whether that's true or not

99

00:03:47,270 --> 00:03:45,200

of course it made me think of you

100

00:03:48,149 --> 00:03:47,280

because you good sir already beat him to

101

00:03:50,229 --> 00:03:48,159

the punch

102

00:03:52,949 --> 00:03:50,239

you're the only person in history to

103

00:03:55,750 --> 00:03:52,959

produce a major presentation on ufos

104

00:03:57,350 --> 00:03:55,760

at the united nations so for people who

105

00:03:58,869 --> 00:03:57,360

might not be aware of this incredible

106

00:04:00,630 --> 00:03:58,879

moment in ufo history

107

00:04:02,309 --> 00:04:00,640

or for those who haven't heard you

108

00:04:04,550 --> 00:04:02,319

discuss this before i would

109

00:04:05,750 --> 00:04:04,560

love for you to walk us through the un

110

00:04:08,229 --> 00:04:05,760

ufo presentation

111

00:04:09,270 --> 00:04:08,239

what that was and how it came together

112

00:04:12,550 --> 00:04:09,280

it was no

113

00:04:15,670 --> 00:04:12,560

small task really

114

00:04:19,030 --> 00:04:15,680

yeah i i mean the the very

115

00:04:21,990 --> 00:04:19,040

first thing that i ever did in the ufo

116

00:04:24,790 --> 00:04:22,000

field was in 1975

117

00:04:28,310 --> 00:04:24,800

just a few days ago yeah just a few days

118

00:04:31,430 --> 00:04:28,320

ago i kind of almost remember it well uh

119

00:04:34,950 --> 00:04:31,440

i produced and wrote a

120

00:04:38,150 --> 00:04:34,960

spoken word first of its kind ufo

121

00:04:39,830 --> 00:04:38,160

documentary recording do we remember

122

00:04:41,270 --> 00:04:39,840

vinyl records

123

00:04:43,030 --> 00:04:41,280

it's interesting that you bring that up

124

00:04:46,070 --> 00:04:43,040

because we are recording this

125

00:04:48,710 --> 00:04:46,080

on saturday the 12th june 12th

126  
00:04:50,230 --> 00:04:48,720  
and it happens to be record store day so

127  
00:04:52,550 --> 00:04:50,240  
i love that you're bringing up

128  
00:04:53,590 --> 00:04:52,560  
this vinyl record on record store day so

129  
00:04:55,189 --> 00:04:53,600  
sorry continue

130  
00:04:56,950 --> 00:04:55,199  
is it you mean it's record store day

131  
00:04:57,749 --> 00:04:56,960  
where you are or is it like all over the

132  
00:04:59,590 --> 00:04:57,759  
world that's right

133  
00:05:01,510 --> 00:04:59,600  
it's all over the world it's a it's a

134  
00:05:04,469 --> 00:05:01,520  
day that was was sort of created i think

135  
00:05:06,629 --> 00:05:04,479  
back in 2007 to essentially celebrate

136  
00:05:08,469 --> 00:05:06,639  
records independent record stores and a

137  
00:05:09,990 --> 00:05:08,479  
lot of bands now do special releases of

138  
00:05:12,310 --> 00:05:10,000

vinyl records on this day

139

00:05:13,670 --> 00:05:12,320

and it's very interesting but i knew

140

00:05:14,950 --> 00:05:13,680

that we had to talk about this today

141

00:05:15,990 --> 00:05:14,960

being that it's record store day when

142

00:05:20,870 --> 00:05:16,000

we're recording this

143

00:05:24,390 --> 00:05:20,880

well sure uh you know this was 1975

144

00:05:27,350 --> 00:05:24,400

and i well i don't mind telling you this

145

00:05:28,629 --> 00:05:27,360

what what i was what i was doing at the

146

00:05:31,350 --> 00:05:28,639

time

147

00:05:32,150 --> 00:05:31,360

i was working in one of the biggest

148

00:05:35,110 --> 00:05:32,160

music

149

00:05:35,590 --> 00:05:35,120

store chains in the country called sam

150

00:05:39,029 --> 00:05:35,600

ash

151

00:05:41,189 --> 00:05:39,039

music in new york city and i was uh

152

00:05:43,270 --> 00:05:41,199

i was a salesperson there it was great

153

00:05:44,070 --> 00:05:43,280

to work there because i came to new york

154

00:05:47,830 --> 00:05:44,080

from

155

00:05:48,710 --> 00:05:47,840

new hampshire in 1970 uh with a suitcase

156

00:05:52,070 --> 00:05:48,720

and guitar

157

00:05:54,550 --> 00:05:52,080

i was a folk singer and i was trying to

158

00:05:55,590 --> 00:05:54,560

make it if i knew that if i wanted to

159

00:05:57,749 --> 00:05:55,600

have a recording

160

00:05:58,790 --> 00:05:57,759

to get a record deal somewhere i had to

161

00:06:02,070 --> 00:05:58,800

leave new hampshire

162

00:06:06,550 --> 00:06:02,080

and come to new york and so in

163

00:06:09,749 --> 00:06:06,560

early 1973 i was working at sam ash

164

00:06:14,309 --> 00:06:09,759

and and all of a sudden

165

00:06:17,510 --> 00:06:14,319

within one it's like a 10-day period

166

00:06:20,629 --> 00:06:17,520

in 1973 in october

167

00:06:21,909 --> 00:06:20,639

ufo stories two major stories hit the

168

00:06:25,189 --> 00:06:21,919

news media

169

00:06:28,230 --> 00:06:25,199

and it caught my attention one story

170

00:06:29,830 --> 00:06:28,240

involved two fishermen in pascagoula

171

00:06:31,909 --> 00:06:29,840

mississippi

172

00:06:32,870 --> 00:06:31,919

charlie hixson and calvin parker were

173

00:06:34,870 --> 00:06:32,880

fishing

174

00:06:36,150 --> 00:06:34,880

and they claimed and it hit the news for

175

00:06:39,029 --> 00:06:36,160

some reason

176

00:06:40,950 --> 00:06:39,039

uh that that they had been abducted onto

177

00:06:43,270 --> 00:06:40,960

some kind of a craft

178

00:06:44,710 --> 00:06:43,280

and then later returned to the scene of

179

00:06:47,990 --> 00:06:44,720

the abduction

180

00:06:49,270 --> 00:06:48,000

and and about a week later i think that

181

00:06:52,150 --> 00:06:49,280

it was their

182

00:06:52,790 --> 00:06:52,160

uh case that happened first but then

183

00:06:56,870 --> 00:06:52,800

over

184

00:06:59,110 --> 00:06:56,880

mansfield ohio an army helicopter

185

00:07:01,270 --> 00:06:59,120

under the command of lieutenant colonel

186

00:07:03,670 --> 00:07:01,280

larry coyne he was captain coin

187

00:07:05,110 --> 00:07:03,680

at the time four-man helicopter crew

188

00:07:07,110 --> 00:07:05,120

flying over ohio

189

00:07:08,309 --> 00:07:07,120

and they had a near collision with a

190

00:07:10,710 --> 00:07:08,319

cigar-shaped

191

00:07:11,909 --> 00:07:10,720

ufo and there were witnesses on the

192

00:07:15,110 --> 00:07:11,919

ground to it

193

00:07:17,589 --> 00:07:15,120

i mean it was a real event this thing

194

00:07:18,629 --> 00:07:17,599

uh actually they they didn't collide

195

00:07:19,110 --> 00:07:18,639

with it but when they thought they were

196

00:07:21,670 --> 00:07:19,120

going to

197

00:07:22,309 --> 00:07:21,680

be hit by it uh it didn't hit it just

198

00:07:24,550 --> 00:07:22,319

stopped

199

00:07:25,510 --> 00:07:24,560

and it hovered above their helicopter

200

00:07:28,870 --> 00:07:25,520

and it shined

201  
00:07:30,870 --> 00:07:28,880  
a light of green into their cockpit

202  
00:07:32,629 --> 00:07:30,880  
and then it pulled the helicopter up

203  
00:07:33,430 --> 00:07:32,639  
several thousand feet before it let them

204  
00:07:36,629 --> 00:07:33,440  
go

205  
00:07:38,390 --> 00:07:36,639  
and moved off and when they landed

206  
00:07:40,550 --> 00:07:38,400  
they made sure the media was there they

207  
00:07:42,629 --> 00:07:40,560  
wanted to tell the story and the army

208  
00:07:44,550 --> 00:07:42,639  
allowed them to and so i heard about

209  
00:07:46,869 --> 00:07:44,560  
these two stories and i went

210  
00:07:47,909 --> 00:07:46,879  
what is going on here just just how

211  
00:07:50,469 --> 00:07:47,919  
important

212  
00:07:51,670 --> 00:07:50,479  
is my music career at this point in my

213  
00:07:54,950 --> 00:07:51,680

life

214

00:07:56,950 --> 00:07:54,960

and and i decided that i i needed to

215

00:07:57,990 --> 00:07:56,960

to check into this it was like that

216

00:07:59,830 --> 00:07:58,000

light bulb

217

00:08:01,110 --> 00:07:59,840

appeared over my head and said you're

218

00:08:03,589 --> 00:08:01,120

going to stop

219

00:08:05,110 --> 00:08:03,599

trying to get a music recording contract

220

00:08:06,390 --> 00:08:05,120

now you're going to start looking into

221

00:08:09,110 --> 00:08:06,400

ufos

222

00:08:10,469 --> 00:08:09,120

and that's what i did and i spent a

223

00:08:13,670 --> 00:08:10,479

couple of years reading

224

00:08:17,270 --> 00:08:13,680

everything i could about it and finally

225

00:08:19,589 --> 00:08:17,280

in 1975 i

226

00:08:22,150 --> 00:08:19,599

i and a few other people in the new york

227

00:08:26,309 --> 00:08:22,160

area we were able to get

228

00:08:29,350 --> 00:08:26,319

time to sit with people at cbs records

229

00:08:31,189 --> 00:08:29,360

in new york and we did a pitch

230

00:08:32,469 --> 00:08:31,199

for or what i wanted to do was a

231

00:08:35,589 --> 00:08:32,479

recording

232

00:08:37,110 --> 00:08:35,599

uh because i had read about and heard

233

00:08:38,870 --> 00:08:37,120

about people

234

00:08:41,589 --> 00:08:38,880

in the military in the government law

235

00:08:44,389 --> 00:08:41,599

enforcement private citizens scientists

236

00:08:46,150 --> 00:08:44,399

who had ufo encounters and i thought boy

237

00:08:49,430 --> 00:08:46,160

it would be great to hear

238

00:08:50,070 --> 00:08:49,440

from these people and so we did the

239

00:08:54,070 --> 00:08:50,080

pitch

240

00:08:56,710 --> 00:08:54,080

cbs bought the idea because at the time

241

00:08:58,710 --> 00:08:56,720

cbs records a division of cbs called

242

00:09:02,310 --> 00:08:58,720

columbia house records

243

00:09:05,350 --> 00:09:02,320

in prime time television they had these

244

00:09:05,910 --> 00:09:05,360

commercials the early infomercials where

245

00:09:09,030 --> 00:09:05,920

they were

246

00:09:10,949 --> 00:09:09,040

offering to the public vinyl records the

247

00:09:13,030 --> 00:09:10,959

the great mitch miller in the game

248

00:09:14,070 --> 00:09:13,040

or the the the greatest hits of

249

00:09:16,150 --> 00:09:14,080

montevani

250

00:09:17,269 --> 00:09:16,160

and the stringed orchestra and and they

251  
00:09:20,230 --> 00:09:17,279  
were selling

252  
00:09:22,150 --> 00:09:20,240  
albums during prime time and i thought

253  
00:09:25,030 --> 00:09:22,160  
now there's there's a place where

254  
00:09:26,150 --> 00:09:25,040  
if i could get a deal about doing a ufo

255  
00:09:28,790 --> 00:09:26,160  
documentary

256  
00:09:29,910 --> 00:09:28,800  
and if they agreed to let me produce and

257  
00:09:33,110 --> 00:09:29,920  
write

258  
00:09:35,190 --> 00:09:33,120  
a 60 to 90 second tv commercial because

259  
00:09:37,190 --> 00:09:35,200  
that had never been done

260  
00:09:38,389 --> 00:09:37,200  
that would be really worth all my energy

261  
00:09:40,710 --> 00:09:38,399  
at that point yeah

262  
00:09:42,470 --> 00:09:40,720  
and and it just turned out like that

263  
00:09:44,790 --> 00:09:42,480

everything happened i started

264

00:09:46,870 --> 00:09:44,800

traveling around the country the first

265

00:09:49,829 --> 00:09:46,880

person that i ever interviewed

266

00:09:50,070 --> 00:09:49,839

in my life about anything uh was stanton

267

00:10:57,990 --> 00:09:50,080

t

268

00:11:02,150 --> 00:10:58,000

good friends

269

00:11:04,470 --> 00:11:02,160

not a chance not a chance so

270

00:11:07,430 --> 00:11:04,480

we did the album i did the album came

271

00:11:10,470 --> 00:11:07,440

out in early 1976

272

00:11:11,590 --> 00:11:10,480

and then not long after that some things

273

00:11:14,150 --> 00:11:11,600

started happening

274

00:11:15,590 --> 00:11:14,160

in media that i was i was paying

275

00:11:19,750 --> 00:11:15,600

attention to

276

00:11:21,750 --> 00:11:19,760

uh and that was in in grenada the little

277

00:11:24,949 --> 00:11:21,760

caribbean country of grenada

278

00:11:25,430 --> 00:11:24,959

their prime minister eric gary was going

279

00:11:29,030 --> 00:11:25,440

on a

280

00:11:31,430 --> 00:11:29,040

personal ufo crusade trying to get

281

00:11:32,710 --> 00:11:31,440

other countries to pay attention to him

282

00:11:36,630 --> 00:11:32,720

and and he was hoping

283

00:11:38,710 --> 00:11:36,640

to get the un to to create a committee

284

00:11:41,430 --> 00:11:38,720

of some sort an investigation

285

00:11:42,470 --> 00:11:41,440

committee to share ufo information with

286

00:11:45,829 --> 00:11:42,480

other countries

287

00:11:48,230 --> 00:11:45,839

had he united at this point no no he

288

00:11:50,550 --> 00:11:48,240

he wasn't knighted um he was just prime

289

00:11:51,910 --> 00:11:50,560

minister eric gary and i watched

290

00:11:54,069 --> 00:11:51,920

watched him on the news and i thought

291

00:11:57,269 --> 00:11:54,079

well this is good i mean here's a guy

292

00:12:00,310 --> 00:11:57,279

who's trying to do something and

293

00:12:02,790 --> 00:12:00,320

but i also noticed that in general

294

00:12:05,269 --> 00:12:02,800

the media and other countries just

295

00:12:09,590 --> 00:12:05,279

weren't really paying attention to him

296

00:12:13,269 --> 00:12:09,600

and i thought i mean from what i can see

297

00:12:15,030 --> 00:12:13,279

he's the only game in town in town being

298

00:12:17,030 --> 00:12:15,040

new york city where the united nations

299

00:12:19,750 --> 00:12:17,040

is no other country at the time

300

00:12:21,829 --> 00:12:19,760

seemed to be wanting to be really open

301  
00:12:22,949 --> 00:12:21,839  
and transparent about ufos and i thought

302  
00:12:24,389 --> 00:12:22,959  
boy

303  
00:12:26,949 --> 00:12:24,399  
if i could just get to the united

304  
00:12:27,430 --> 00:12:26,959  
nations somehow and i found and i was

305  
00:12:30,389 --> 00:12:27,440  
told

306  
00:12:31,030 --> 00:12:30,399  
by many people at the time you you're

307  
00:12:33,030 --> 00:12:31,040  
crazy

308  
00:12:34,870 --> 00:12:33,040  
you can't just walk up to the front door

309  
00:12:35,670 --> 00:12:34,880  
of the u.n knock on the door and say

310  
00:12:37,670 --> 00:12:35,680  
hello

311  
00:12:39,590 --> 00:12:37,680  
may i please come in and talk to someone

312  
00:12:40,710 --> 00:12:39,600  
about doing a presentation here about

313  
00:12:43,750 --> 00:12:40,720

ufos

314

00:12:47,269 --> 00:12:43,760

and and i knew that i would either get

315

00:12:50,790 --> 00:12:47,279

quietly escorted out or not so quietly

316

00:12:51,430 --> 00:12:50,800

arrested and told never to come back

317

00:12:54,230 --> 00:12:51,440

again

318

00:12:56,389 --> 00:12:54,240

right another said to me if you want to

319

00:12:59,190 --> 00:12:56,399

do something at the united nations

320

00:12:59,829 --> 00:12:59,200

you need to be either a member or

321

00:13:02,870 --> 00:12:59,839

citizen

322

00:13:03,910 --> 00:13:02,880

of a country that is already interested

323

00:13:05,990 --> 00:13:03,920

in this subject

324

00:13:07,910 --> 00:13:06,000

or you need to get friendly with a

325

00:13:10,949 --> 00:13:07,920

country where they can make you

326

00:13:13,190 --> 00:13:10,959

a delegate of their country in order to

327

00:13:16,790 --> 00:13:13,200

do something there and i thought well

328

00:13:20,870 --> 00:13:16,800

okay eric gary was the only guy

329

00:13:21,509 --> 00:13:20,880

in town like i said uh and so my my ufo

330

00:13:24,389 --> 00:13:21,519

album

331

00:13:25,269 --> 00:13:24,399

ufos the credibility factor was the name

332

00:13:28,790 --> 00:13:25,279

of it

333

00:13:30,389 --> 00:13:28,800

uh we had already had this thing done

334

00:13:31,990 --> 00:13:30,399

and out for about a year or so and it

335

00:13:35,030 --> 00:13:32,000

was doing very well

336

00:13:35,990 --> 00:13:35,040

and i decided to get friendly with

337

00:13:39,509 --> 00:13:36,000

grenada

338

00:13:41,350 --> 00:13:39,519

and what i did was to call the

339

00:13:42,949 --> 00:13:41,360

mission the grenada mission every

340

00:13:45,590 --> 00:13:42,959

country has a mission

341

00:13:47,350 --> 00:13:45,600

in new york near near the united nations

342

00:13:49,030 --> 00:13:47,360

their own offices

343

00:13:50,389 --> 00:13:49,040

i called the grenada mission got

344

00:13:52,710 --> 00:13:50,399

friendly with

345

00:13:53,670 --> 00:13:52,720

their ambassadors and said i i have an

346

00:13:55,110 --> 00:13:53,680

idea of

347

00:13:56,629 --> 00:13:55,120

something that perhaps your prime

348

00:13:58,629 --> 00:13:56,639

minister would be interested in it's

349

00:14:01,350 --> 00:13:58,639

about ufos

350

00:14:03,509 --> 00:14:01,360

i have i have a product that i've

351

00:14:05,269 --> 00:14:03,519

recently created for cbs

352

00:14:08,230 --> 00:14:05,279

about ufos and they said we'd love to

353

00:14:11,269 --> 00:14:08,240

meet you so i went to their office

354

00:14:13,110 --> 00:14:11,279

with a copy of my album and said please

355

00:14:14,150 --> 00:14:13,120

give this to your prime minister with my

356

00:14:16,629 --> 00:14:14,160

compliments and

357

00:14:17,590 --> 00:14:16,639

let him know that i think that i could

358

00:14:20,710 --> 00:14:17,600

help

359

00:14:23,189 --> 00:14:20,720

in his personal crusade about bringing

360

00:14:25,509 --> 00:14:23,199

united nations of bringing ufos

361

00:14:26,870 --> 00:14:25,519

to the united nations a couple weeks

362

00:14:29,430 --> 00:14:26,880

later i got a call

363

00:14:31,030 --> 00:14:29,440

from the ambassadors and they said our

364

00:14:34,470 --> 00:14:31,040

prime minister

365

00:14:37,189 --> 00:14:34,480

is getting ready to be knighted

366

00:14:39,030 --> 00:14:37,199

to become sir eric gary there's going to

367

00:14:39,590 --> 00:14:39,040

be a big ceremony here at the united

368

00:14:41,829 --> 00:14:39,600

nations

369

00:14:42,870 --> 00:14:41,839

we would like to invite you to the

370

00:14:46,949 --> 00:14:42,880

ceremony

371

00:14:47,829 --> 00:14:46,959

he would like to meet with you and talk

372

00:14:50,389 --> 00:14:47,839

to you about your

373

00:14:51,350 --> 00:14:50,399

your proposal i said yeah i can i can be

374

00:14:53,590 --> 00:14:51,360

there

375

00:14:55,670 --> 00:14:53,600

and that's that's how it turned out i

376

00:14:57,430 --> 00:14:55,680

saw it was my first time being actually

377

00:15:01,269 --> 00:14:57,440

inside the un

378

00:15:03,750 --> 00:15:01,279

to a pageantry of presentation

379

00:15:04,710 --> 00:15:03,760

uh with people from many different

380

00:15:06,550 --> 00:15:04,720

countries

381

00:15:07,829 --> 00:15:06,560

uh and well of course the the

382

00:15:10,949 --> 00:15:07,839

international

383

00:15:13,030 --> 00:15:10,959

buffet cuisine that that's probably

384

00:15:15,189 --> 00:15:13,040

the first buffet that i had that was

385

00:15:18,550 --> 00:15:15,199

almost as good as the one you and i had

386

00:15:22,150 --> 00:15:18,560

in las vegas imagine

387

00:15:24,790 --> 00:15:22,160

um but we it was there and and when the

388

00:15:26,629 --> 00:15:24,800

the various participants there all sort

389

00:15:30,389 --> 00:15:26,639

of went their own separate ways

390

00:15:32,150 --> 00:15:30,399

i was i was brought into a room

391

00:15:34,550 --> 00:15:32,160

the prime minister was brought into the

392

00:15:36,870 --> 00:15:34,560

room and they left us alone with them

393

00:15:38,550 --> 00:15:36,880

alone with each other nobody stayed

394

00:15:41,990 --> 00:15:38,560

around to make sure

395

00:15:44,389 --> 00:15:42,000

i wasn't there to do him any harm and

396

00:15:45,749 --> 00:15:44,399

he he said that he really enjoyed

397

00:15:47,350 --> 00:15:45,759

listening to my album

398

00:15:48,790 --> 00:15:47,360

he really especially liked all the

399

00:15:51,590 --> 00:15:48,800

people who

400

00:15:53,189 --> 00:15:51,600

i had gathered for the album and he said

401  
00:15:56,710 --> 00:15:53,199  
what's what's your idea

402  
00:15:58,230 --> 00:15:56,720  
and i said well you know i said

403  
00:16:00,230 --> 00:15:58,240  
well mr prime minister and

404  
00:16:04,069 --> 00:16:00,240  
congratulations on now being knighted

405  
00:16:07,509 --> 00:16:04,079  
by the way i've been following you

406  
00:16:09,910 --> 00:16:07,519  
on the news and and i noticed that the

407  
00:16:11,910 --> 00:16:09,920  
united nations in general and the media

408  
00:16:13,030 --> 00:16:11,920  
is not really paying much attention to

409  
00:16:16,310 --> 00:16:13,040  
you in fact

410  
00:16:18,150 --> 00:16:16,320  
the media is is they tend to ridicule

411  
00:16:21,749 --> 00:16:18,160  
things like this

412  
00:16:24,470 --> 00:16:21,759  
here in 1978 and

413  
00:16:25,590 --> 00:16:24,480

and i said if you like what you heard on

414

00:16:27,509 --> 00:16:25,600

my album

415

00:16:28,629 --> 00:16:27,519

i could bring some of these people from

416

00:16:31,829 --> 00:16:28,639

the album

417

00:16:35,189 --> 00:16:31,839

to help support your cause

418

00:16:36,710 --> 00:16:35,199

if you would sponsor my proposal

419

00:16:39,030 --> 00:16:36,720

and we talked about it for a few minutes

420

00:16:41,350 --> 00:16:39,040

and we ended up

421

00:16:43,509 --> 00:16:41,360

doing a handshake deal right there in

422

00:16:46,949 --> 00:16:43,519

that room he said i would really love to

423

00:16:49,110 --> 00:16:46,959

sponsor you and you know welcome aboard

424

00:16:51,590 --> 00:16:49,120

and when can you start and i said well

425

00:16:53,350 --> 00:16:51,600

i'm already starting i'm here with you

426  
00:16:55,189 --> 00:16:53,360  
and what happened almost immediately

427  
00:16:59,590 --> 00:16:55,199  
after that jason

428  
00:17:01,509 --> 00:16:59,600  
is the the country of grenada gave me

429  
00:17:03,590 --> 00:17:01,519  
my own little delegates card it was

430  
00:17:05,510 --> 00:17:03,600  
about the size of a little credit card

431  
00:17:07,590 --> 00:17:05,520  
and it was it had the united nations

432  
00:17:10,309 --> 00:17:07,600  
logo on it it's a country of grenada

433  
00:17:12,549 --> 00:17:10,319  
with my name lee spiegel delegate to

434  
00:17:15,590 --> 00:17:12,559  
grenada

435  
00:17:18,870 --> 00:17:15,600  
which meant yes now i could actually

436  
00:17:21,829 --> 00:17:18,880  
legitimately do something at the u n

437  
00:17:23,189 --> 00:17:21,839  
and it was probably because of that

438  
00:17:25,270 --> 00:17:23,199

delegates card

439

00:17:26,230 --> 00:17:25,280

that i guess word got back to our state

440

00:17:28,309 --> 00:17:26,240

department

441

00:17:30,470 --> 00:17:28,319

and they stu at that point they knew

442

00:17:33,990 --> 00:17:30,480

that i an american citizen

443

00:17:37,430 --> 00:17:34,000

was now doing something for grenada

444

00:17:39,830 --> 00:17:37,440

but i didn't realize any of that until

445

00:17:41,909 --> 00:17:39,840

much much later and i'll get to that at

446

00:17:45,510 --> 00:17:41,919

the end of the un story

447

00:17:46,070 --> 00:17:45,520

uh so not only did i get the delegates

448

00:17:49,430 --> 00:17:46,080

card

449

00:17:52,310 --> 00:17:49,440

i started receiving checks from the

450

00:17:53,270 --> 00:17:52,320

i guess the united bank national bank of

451  
00:17:56,870 --> 00:17:53,280  
grenada

452  
00:17:59,669 --> 00:17:56,880  
and this this was to to to pay

453  
00:18:00,710 --> 00:17:59,679  
offset my personal expenses that i was

454  
00:18:03,110 --> 00:18:00,720  
going to need

455  
00:18:04,390 --> 00:18:03,120  
out of pocket expenses i was going to do

456  
00:18:06,070 --> 00:18:04,400  
some traveling around the country

457  
00:18:07,750 --> 00:18:06,080  
gathering documents and

458  
00:18:09,110 --> 00:18:07,760  
talking to people and just whatever

459  
00:18:11,750 --> 00:18:09,120  
expenses that i would need

460  
00:18:12,390 --> 00:18:11,760  
so that it would legitimize what i was

461  
00:18:16,470 --> 00:18:12,400  
doing

462  
00:18:19,909 --> 00:18:16,480  
without being a salaried employee

463  
00:18:23,029 --> 00:18:19,919

you know of grenada and and so

464

00:18:24,710 --> 00:18:23,039

uh then for the rest of that year all i

465

00:18:27,590 --> 00:18:24,720

did was to work

466

00:18:29,190 --> 00:18:27,600

on this presentation alan heineck and i

467

00:18:32,230 --> 00:18:29,200

met many times

468

00:18:35,430 --> 00:18:32,240

and while i spent one of my

469

00:18:36,630 --> 00:18:35,440

uh trips to his home in office uh in

470

00:18:38,710 --> 00:18:36,640

illinois

471

00:18:40,390 --> 00:18:38,720

we were in his office going through we

472

00:18:43,750 --> 00:18:40,400

were putting a packet together that we

473

00:18:44,710 --> 00:18:43,760

intended to present not only to all the

474

00:18:47,590 --> 00:18:44,720

countries

475

00:18:48,470 --> 00:18:47,600

at the un but to all members of the

476

00:18:50,710 --> 00:18:48,480

media

477

00:18:52,630 --> 00:18:50,720

who would show up on the day of the

478

00:18:55,990 --> 00:18:52,640

presentation which was scheduled

479

00:18:56,310 --> 00:18:56,000

for near the end of november in 1978 so

480

00:18:59,510 --> 00:18:56,320

we

481

00:19:03,029 --> 00:18:59,520

of documents about

482

00:19:04,630 --> 00:19:03,039

ufos and and i said to him alan

483

00:19:06,230 --> 00:19:04,640

this is really good stuff but you know

484

00:19:10,549 --> 00:19:06,240

i'm looking for something

485

00:19:13,669 --> 00:19:10,559

that that i would consider a smoking gun

486

00:19:15,270 --> 00:19:13,679

about ufos i said

487

00:19:16,950 --> 00:19:15,280

you were with the air force during

488

00:19:19,510 --> 00:19:16,960

project blue book

489

00:19:20,549 --> 00:19:19,520

for more than 20 years i've got to

490

00:19:22,630 --> 00:19:20,559

believe

491

00:19:24,390 --> 00:19:22,640

you you got your fingers at some places

492

00:19:27,830 --> 00:19:24,400

that maybe you shouldn't have gone to

493

00:19:31,110 --> 00:19:27,840

but you had you had the clearance

494

00:19:32,070 --> 00:19:31,120

at working with the air force and and do

495

00:19:33,830 --> 00:19:32,080

you have anything

496

00:19:35,270 --> 00:19:33,840

that you could actually give me that we

497

00:19:37,909 --> 00:19:35,280

can use and present

498

00:19:39,029 --> 00:19:37,919

to the un so you walked over to a filing

499

00:19:41,350 --> 00:19:39,039

cabinet

500

00:19:43,590 --> 00:19:41,360

and he pulled out a manila envelope and

501  
00:19:45,270 --> 00:19:43,600  
he as he handed it to me he said

502  
00:19:47,909 --> 00:19:45,280  
i i don't know if you would consider

503  
00:19:51,029 --> 00:19:47,919  
this a smoking gun

504  
00:19:52,950 --> 00:19:51,039  
but if you want you can

505  
00:19:54,310 --> 00:19:52,960  
you can use it at the un i'll i'll give

506  
00:19:56,789 --> 00:19:54,320  
you my permission

507  
00:19:57,830 --> 00:19:56,799  
and and i i opened it up and what i was

508  
00:20:01,630 --> 00:19:57,840  
looking at

509  
00:20:05,110 --> 00:20:01,640  
was this lengthy chapter from

510  
00:20:08,070 --> 00:20:05,120  
1968 it was

511  
00:20:09,270 --> 00:20:08,080  
from a textbook a science test book

512  
00:20:12,149 --> 00:20:09,280  
textbook

513  
00:20:13,190 --> 00:20:12,159

that was it was edited by two air force

514

00:20:16,390 --> 00:20:13,200

officers

515

00:20:16,950 --> 00:20:16,400

and this chapter was the chapter 33 was

516

00:20:19,190 --> 00:20:16,960

called

517

00:20:20,070 --> 00:20:19,200

unidentified flying objects the book

518

00:20:22,310 --> 00:20:20,080

itself was called

519

00:20:23,669 --> 00:20:22,320

introductory space science it's part of

520

00:20:25,669 --> 00:20:23,679

the physics department

521

00:20:27,110 --> 00:20:25,679

at the at the cadet academy the air

522

00:20:30,390 --> 00:20:27,120

force academy

523

00:20:33,270 --> 00:20:30,400

and it was for air force cadets

524

00:20:34,390 --> 00:20:33,280

eyes only and it was meant to bring them

525

00:20:38,230 --> 00:20:34,400

up to date

526

00:20:39,510 --> 00:20:38,240

in 1968 on what the current state of

527

00:20:41,990 --> 00:20:39,520

interest was

528

00:20:43,029 --> 00:20:42,000

in information that the air force

529

00:20:46,549 --> 00:20:43,039

believed or

530

00:20:48,230 --> 00:20:46,559

thought about ufos and i'm reading and

531

00:20:51,909 --> 00:20:48,240

i'm reading all this stuff

532

00:20:55,110 --> 00:20:51,919

and and it it had international

533

00:20:56,149 --> 00:20:55,120

historical references other important

534

00:20:58,549 --> 00:20:56,159

data

535

00:21:00,390 --> 00:20:58,559

and and as i kept reading through it i

536

00:21:03,430 --> 00:21:00,400

looked at al and i said

537

00:21:06,470 --> 00:21:03,440

i let my language go i said what the

538

00:21:08,630 --> 00:21:06,480

where the did you get this you know

539

00:21:09,990 --> 00:21:08,640

uh and he said well you don't have to

540

00:21:12,950 --> 00:21:10,000

know that

541

00:21:13,830 --> 00:21:12,960

but if you like it i mean he didn't say

542

00:21:15,590 --> 00:21:13,840

anything like

543

00:21:17,830 --> 00:21:15,600

well if i told you i'd have to kill you

544

00:21:20,390 --> 00:21:17,840

there was nothing like that

545

00:21:21,029 --> 00:21:20,400

um he said you can make some copies of

546

00:21:23,590 --> 00:21:21,039

that

547

00:21:24,149 --> 00:21:23,600

and give it out at the u.n well i mean i

548

00:21:26,710 --> 00:21:24,159

ended up

549

00:21:27,909 --> 00:21:26,720

making about a gazillion copies good for

550

00:21:35,430 --> 00:21:27,919

you

551  
00:21:36,390 --> 00:21:35,440  
right now of what was actually in that

552  
00:21:38,390 --> 00:21:36,400  
chapter

553  
00:21:39,590 --> 00:21:38,400  
yeah it's pretty incredible yeah i i

554  
00:21:40,070 --> 00:21:39,600  
think you're listening as i'd like to

555  
00:21:42,149 --> 00:21:40,080  
hear

556  
00:21:43,350 --> 00:21:42,159  
yeah those little things i've got it up

557  
00:21:45,750 --> 00:21:43,360  
here on my screen

558  
00:21:46,390 --> 00:21:45,760  
let me basically they start off by

559  
00:21:48,149 --> 00:21:46,400  
saying

560  
00:21:50,549 --> 00:21:48,159  
what we will do here again this is the

561  
00:21:53,590 --> 00:21:50,559  
air force telling their cadets

562  
00:21:54,070 --> 00:21:53,600  
right in 1968 what we will do here is to

563  
00:21:56,390 --> 00:21:54,080

present

564

00:21:58,310 --> 00:21:56,400

evidence that ufos are a global

565

00:21:58,870 --> 00:21:58,320

phenomenon which may have persisted for

566

00:22:02,230 --> 00:21:58,880

many

567

00:22:04,950 --> 00:22:02,240

thousands of years bang bang bang

568

00:22:05,590 --> 00:22:04,960

ufos sightings not only appear to extend

569

00:22:09,190 --> 00:22:05,600

back

570

00:22:10,230 --> 00:22:09,200

47 000 years through time but also are

571

00:22:12,789 --> 00:22:10,240

global

572

00:22:13,430 --> 00:22:12,799

one has the feeling that the phenomenon

573

00:22:15,110 --> 00:22:13,440

deserves

574

00:22:16,549 --> 00:22:15,120

some sort of valid scientific

575

00:22:19,350 --> 00:22:16,559

investigation

576

00:22:22,390 --> 00:22:19,360

uh the most stimulating theory for us is

577

00:22:24,310 --> 00:22:22,400

that the ufos are material objects

578

00:22:27,190 --> 00:22:24,320

which are either manned or remote

579

00:22:28,390 --> 00:22:27,200

controlled by beings who are alien to

580

00:22:30,470 --> 00:22:28,400

this planet

581

00:22:32,070 --> 00:22:30,480

and there is some evidence supporting

582

00:22:35,669 --> 00:22:32,080

this viewpoint

583

00:22:38,230 --> 00:22:35,679

they go on why no contact that question

584

00:22:40,070 --> 00:22:38,240

is very easy to answer in several ways

585

00:22:41,270 --> 00:22:40,080

number one we may be the object of

586

00:22:44,390 --> 00:22:41,280

intensive

587

00:22:46,870 --> 00:22:44,400

sociological and psychological study

588

00:22:47,909 --> 00:22:46,880

in such studies you usually avoid

589

00:22:50,549 --> 00:22:47,919

disturbing

590

00:22:51,190 --> 00:22:50,559

the test subject's environment number

591

00:22:54,549 --> 00:22:51,200

two

592

00:22:57,270 --> 00:22:54,559

you do not contact a colony of ants

593

00:22:58,310 --> 00:22:57,280

and humans may seem that way to any

594

00:23:01,350 --> 00:22:58,320

aliens

595

00:23:04,310 --> 00:23:01,360

a variation a zoo is fun to visit

596

00:23:05,510 --> 00:23:04,320

but you don't contact the lizards and

597

00:23:07,430 --> 00:23:05,520

number three

598

00:23:08,950 --> 00:23:07,440

such contact may have already taken

599

00:23:12,470 --> 00:23:08,960

place secretly

600

00:23:14,390 --> 00:23:12,480

again 1968

601  
00:23:16,950 --> 00:23:14,400  
from available information the ufo

602  
00:23:19,909 --> 00:23:16,960  
phenomenon appears to have been global

603  
00:23:21,750 --> 00:23:19,919  
for almost 50 000 years the majority of

604  
00:23:22,390 --> 00:23:21,760  
known witnesses have been reliable

605  
00:23:25,430 --> 00:23:22,400  
people

606  
00:23:27,909 --> 00:23:25,440  
who have seen easily explained natural

607  
00:23:29,830 --> 00:23:27,919  
phenomena this leaves us with the

608  
00:23:32,789 --> 00:23:29,840  
unpleasant possibility

609  
00:23:35,029 --> 00:23:32,799  
of alien visitors to our planet or at

610  
00:23:38,149 --> 00:23:35,039  
least of alien controlled

611  
00:23:40,710 --> 00:23:38,159  
ufos however the data

612  
00:23:42,230 --> 00:23:40,720  
are not well correlated but but the

613  
00:23:45,669 --> 00:23:42,240

questionable data there are

614

00:23:46,470 --> 00:23:45,679

suggests and i love this the existence

615

00:23:49,269 --> 00:23:46,480

of at least

616

00:23:50,470 --> 00:23:49,279

three and maybe four different groups of

617

00:23:52,549 --> 00:23:50,480

aliens

618

00:23:53,750 --> 00:23:52,559

possibly at different stages of

619

00:23:55,750 --> 00:23:53,760

development

620

00:23:57,190 --> 00:23:55,760

i didn't make any of this up jason this

621

00:24:00,230 --> 00:23:57,200

is what the air force

622

00:24:03,510 --> 00:24:00,240

was telling their cadets i have to

623

00:24:05,909 --> 00:24:03,520

i'll have to pound that in it says so

624

00:24:08,230 --> 00:24:05,919

at different stages of development this

625

00:24:11,909 --> 00:24:08,240

too is difficult to accept

626  
00:24:14,070 --> 00:24:11,919  
it implies the exist the existence

627  
00:24:15,029 --> 00:24:14,080  
of intelligent life on a majority of the

628  
00:24:17,830 --> 00:24:15,039  
planets

629  
00:24:19,669 --> 00:24:17,840  
in our solar system or a surprisingly

630  
00:24:22,789 --> 00:24:19,679  
strong interest in earth

631  
00:24:24,950 --> 00:24:22,799  
by members of other solar systems

632  
00:24:25,990 --> 00:24:24,960  
a solution to the ufo problem may be

633  
00:24:27,909 --> 00:24:26,000  
obtained

634  
00:24:30,149 --> 00:24:27,919  
by the long and diligent effort of a

635  
00:24:31,750 --> 00:24:30,159  
large group of well-financed and

636  
00:24:34,310 --> 00:24:31,760  
competent scientists

637  
00:24:35,110 --> 00:24:34,320  
unfortunately there is no evidence

638  
00:24:38,230 --> 00:24:35,120

suggesting

639

00:24:42,870 --> 00:24:38,240

that such an effort is going to be made

640

00:24:43,990 --> 00:24:42,880

so you know i was so enamored with this

641

00:24:47,510 --> 00:24:44,000

thing

642

00:24:51,029 --> 00:24:47,520

that dr heineck gave me and and

643

00:24:52,149 --> 00:24:51,039

we we gave it out at the um the packet

644

00:24:55,269 --> 00:24:52,159

was put in front of

645

00:24:56,390 --> 00:24:55,279

every every nation's chair there at the

646

00:24:58,230 --> 00:24:56,400

u.n

647

00:25:00,390 --> 00:24:58,240

it was given to every member of the

648

00:25:04,230 --> 00:25:00,400

press that showed up and

649

00:25:05,909 --> 00:25:04,240

i i have to tell you i thought

650

00:25:08,549 --> 00:25:05,919

everybody was going to jump on this on

651

00:25:11,750 --> 00:25:08,559

this one piece of evidence

652

00:25:12,549 --> 00:25:11,760

but they didn't nobody did i i couldn't

653

00:25:15,990 --> 00:25:12,559

believe it

654

00:25:17,990 --> 00:25:16,000

and and i was so pissed

655

00:25:19,350 --> 00:25:18,000

that nobody picked up on it especially

656

00:25:21,750 --> 00:25:19,360

in the media

657

00:25:22,789 --> 00:25:21,760

to even do a follow-up story about it

658

00:25:27,029 --> 00:25:22,799

again

659

00:25:30,470 --> 00:25:27,039

this was 1978 we hadn't even had a fully

660

00:25:32,630 --> 00:25:30,480

created thing called the internet

661

00:25:34,149 --> 00:25:32,640

at that point where you could just you

662

00:25:35,350 --> 00:25:34,159

know post things and put them up for all

663

00:25:37,269 --> 00:25:35,360

the world to see

664

00:25:39,269 --> 00:25:37,279

no i mean this eventually appeared on

665

00:25:41,110 --> 00:25:39,279

the internet later on

666

00:25:43,350 --> 00:25:41,120

but but i was giving it to them i was

667

00:25:44,870 --> 00:25:43,360

handing it to them on a platter

668

00:25:46,950 --> 00:25:44,880

here's the other interesting thing about

669

00:25:49,029 --> 00:25:46,960

this

670

00:25:51,190 --> 00:25:49,039

the book the introductory space science

671

00:25:55,990 --> 00:25:51,200

book with this chapter

672

00:25:59,110 --> 00:25:56,000

uh was in 1968 shortly after that

673

00:26:01,510 --> 00:25:59,120

the air force revised that chapter

674

00:26:02,950 --> 00:26:01,520

and they put a new chapter in and they

675

00:26:04,310 --> 00:26:02,960

had taken some of the things out of the

676  
00:26:06,789 --> 00:26:04,320  
original chapter

677  
00:26:07,909 --> 00:26:06,799  
okay and then follow a little a little

678  
00:26:11,110 --> 00:26:07,919  
further on

679  
00:26:14,390 --> 00:26:11,120  
ahead of them less than a year later

680  
00:26:17,190 --> 00:26:14,400  
the air force closed project blue book

681  
00:26:18,549 --> 00:26:17,200  
coincidence i'm not sure and when they

682  
00:26:20,870 --> 00:26:18,559  
and when they closed

683  
00:26:22,950 --> 00:26:20,880  
project blue book they basically said

684  
00:26:25,029 --> 00:26:22,960  
folks there's nothing of any scientific

685  
00:26:26,950 --> 00:26:25,039  
interest to us here

686  
00:26:29,190 --> 00:26:26,960  
after we studied more than 12 000

687  
00:26:30,789 --> 00:26:29,200  
reports nothing going on here of any

688  
00:26:33,190 --> 00:26:30,799

scientific value

689

00:26:34,390 --> 00:26:33,200

there's certainly no threat to our

690

00:26:36,070 --> 00:26:34,400

national security

691

00:26:38,470 --> 00:26:36,080

and we have no evidence that any of

692

00:26:42,070 --> 00:26:38,480

these objects

693

00:26:46,230 --> 00:26:42,080

are extraterrestrial like wow

694

00:26:49,909 --> 00:26:46,240

and now we know all these years later

695

00:26:52,310 --> 00:26:49,919

mostly because in 2017 when

696

00:26:54,950 --> 00:26:52,320

when the pentagon the new york times

697

00:26:57,269 --> 00:26:54,960

released that big game-changer story

698

00:26:59,110 --> 00:26:57,279

about the pentagon revealing that you

699

00:27:00,230 --> 00:26:59,120

know we've been studying ufos for a

700

00:27:01,909 --> 00:27:00,240

while now

701  
00:27:03,830 --> 00:27:01,919  
and suddenly the navy is chasing them

702  
00:27:06,710 --> 00:27:03,840  
now we've got we've got ufos

703  
00:27:07,909 --> 00:27:06,720  
videos with the tic tac ufos and because

704  
00:27:10,230 --> 00:27:07,919  
of that

705  
00:27:11,029 --> 00:27:10,240  
now everybody has to suddenly realize

706  
00:27:13,350 --> 00:27:11,039  
wait a minute

707  
00:27:14,230 --> 00:27:13,360  
but they told us in 1968 that there was

708  
00:27:15,990 --> 00:27:14,240  
nothing to it

709  
00:27:17,590 --> 00:27:16,000  
does that mean they were telling us the

710  
00:27:20,789 --> 00:27:17,600  
truth in 1968

711  
00:27:22,870 --> 00:27:20,799  
no they they weren't and haven't all

712  
00:27:25,990 --> 00:27:22,880  
this time

713  
00:27:29,029 --> 00:27:26,000

so we but we did the presentation

714

00:27:30,070 --> 00:27:29,039

alan heineck and jacques valet stan

715

00:27:33,110 --> 00:27:30,080

friedman

716

00:27:35,350 --> 00:27:33,120

and lieutenant colonel larry coyne

717

00:27:36,310 --> 00:27:35,360

from the helicopter incident were all

718

00:27:38,789 --> 00:27:36,320

there as part of

719

00:27:42,070 --> 00:27:38,799

my speakers to talk about what they

720

00:27:44,389 --> 00:27:42,080

wanted to say to the u.n

721

00:27:45,190 --> 00:27:44,399

when it was all over the secretary

722

00:27:47,590 --> 00:27:45,200

general's

723

00:27:48,630 --> 00:27:47,600

office let all the other nations of the

724

00:27:51,269 --> 00:27:48,640

world know that

725

00:27:52,470 --> 00:27:51,279

if you're interested in in working with

726  
00:27:54,310 --> 00:27:52,480  
grenada

727  
00:27:56,870 --> 00:27:54,320  
to form some kind of an international

728  
00:28:00,310 --> 00:27:56,880  
committee where everybody can

729  
00:28:02,950 --> 00:28:00,320  
do research together or you can at least

730  
00:28:04,470 --> 00:28:02,960  
do research in your own countries and

731  
00:28:06,630 --> 00:28:04,480  
share it with other countries

732  
00:28:08,149 --> 00:28:06,640  
to kind of get to the bottom of this so

733  
00:28:10,310 --> 00:28:08,159  
while

734  
00:28:12,149 --> 00:28:10,320  
they were waiting for enough countries

735  
00:28:15,269 --> 00:28:12,159  
to you know to kind of

736  
00:28:16,630 --> 00:28:15,279  
chime in on this just a couple of it

737  
00:28:17,190 --> 00:28:16,640  
must have been i think only a couple of

738  
00:28:19,669 --> 00:28:17,200

months

739

00:28:20,470 --> 00:28:19,679

after we did the presentation uh there

740

00:28:23,590 --> 00:28:20,480

was a uh

741

00:28:24,230 --> 00:28:23,600

a political coup in grenada and sir eric

742

00:28:27,510 --> 00:28:24,240

gary

743

00:28:30,710 --> 00:28:27,520

vanished yeah he vanished

744

00:28:32,549 --> 00:28:30,720

and and but it didn't it didn't mean

745

00:28:34,710 --> 00:28:32,559

that the ufo resolution

746

00:28:36,149 --> 00:28:34,720

could never happen again it just quietly

747

00:28:39,430 --> 00:28:36,159

went to sleep and it's still there

748

00:28:41,909 --> 00:28:39,440

for anyone who'd like to try it again

749

00:28:43,830 --> 00:28:41,919

a couple of years went by and i'm

750

00:28:46,070 --> 00:28:43,840

sitting at home watching the abc

751  
00:28:47,669 --> 00:28:46,080  
news with peter jennings and he

752  
00:28:49,990 --> 00:28:47,679  
announces that

753  
00:28:51,269 --> 00:28:50,000  
under the leadership of president ronald

754  
00:28:53,750 --> 00:28:51,279  
reagan

755  
00:28:54,789 --> 00:28:53,760  
we've sent american troops into and we

756  
00:28:58,230 --> 00:28:54,799  
have just invaded

757  
00:29:01,029 --> 00:28:58,240  
grenada and i watched this on the news

758  
00:29:02,950 --> 00:29:01,039  
and i thought i'm never leaving my

759  
00:29:06,389 --> 00:29:02,960  
apartment this is my fault

760  
00:29:08,630 --> 00:29:06,399  
it's got to be my fault and then

761  
00:29:11,510 --> 00:29:08,640  
around the same time the kicker of this

762  
00:29:13,029 --> 00:29:11,520  
is i started to lead into this before

763  
00:29:15,029 --> 00:29:13,039

do you remember do you know the name

764

00:29:18,789 --> 00:29:15,039

peter gersten by any chance

765

00:29:21,830 --> 00:29:18,799

i do peter gerson was at the time

766

00:29:22,710 --> 00:29:21,840

in the late 70s he was an attorney and

767

00:29:25,269 --> 00:29:22,720

he was

768

00:29:25,990 --> 00:29:25,279

like the lead attorney for cause

769

00:29:29,590 --> 00:29:26,000

citizens

770

00:29:30,549 --> 00:29:29,600

against ufo secrecy right he called and

771

00:29:33,510 --> 00:29:30,559

what he did

772

00:29:34,789 --> 00:29:33,520

primarily for cause was use the freedom

773

00:29:38,230 --> 00:29:34,799

of information act

774

00:29:41,269 --> 00:29:38,240

to get government documents about ufos

775

00:29:43,510 --> 00:29:41,279

and he called me one day and he said

776

00:29:44,470 --> 00:29:43,520

hey i just got a batch of new documents

777

00:29:46,630 --> 00:29:44,480

and one of them

778

00:29:48,710 --> 00:29:46,640

talks about you and what you did at the

779

00:29:51,350 --> 00:29:48,720

u.n but it was written

780

00:29:52,549 --> 00:29:51,360

before you did the project i mean it was

781

00:29:54,950 --> 00:29:52,559

just like a month or two

782

00:29:55,909 --> 00:29:54,960

or two before the the presentation

783

00:29:58,950 --> 00:29:55,919

happened

784

00:30:01,830 --> 00:29:58,960

and and it names you

785

00:30:03,909 --> 00:30:01,840

as the ringleader of this whole thing uh

786

00:30:07,269 --> 00:30:03,919

would you like me to send you

787

00:30:09,269 --> 00:30:07,279

the document i said no no no no

788

00:30:11,830 --> 00:30:09,279

don't do that i'm coming up to your

789

00:30:14,070 --> 00:30:11,840

office i had to get on a subway

790

00:30:15,909 --> 00:30:14,080

go up to the bronx right across the

791

00:30:18,389 --> 00:30:15,919

street from yankee stadium where his

792

00:30:19,510 --> 00:30:18,399

law office was and i rushed into his

793

00:30:21,990 --> 00:30:19,520

office and i said

794

00:30:23,190 --> 00:30:22,000

just hand it to me i you know if

795

00:30:24,630 --> 00:30:23,200

anything's going to happen to it it's

796

00:30:25,190 --> 00:30:24,640

going to happen to it while it's in my

797

00:30:28,070 --> 00:30:25,200

hands

798

00:30:29,830 --> 00:30:28,080

yeah because i wanted to see this and

799

00:30:33,110 --> 00:30:29,840

and it was amazing it was a

800

00:30:36,070 --> 00:30:33,120

correspondence as i learned later

801  
00:30:38,230 --> 00:30:36,080  
one of many pieces of correspondence uh

802  
00:30:40,389 --> 00:30:38,240  
talking about what we were trying to do

803  
00:30:41,750 --> 00:30:40,399  
at the u.n listed all the names of my

804  
00:30:44,549 --> 00:30:41,760  
speakers and

805  
00:30:45,350 --> 00:30:44,559  
at one point in the document it said we

806  
00:30:47,269 --> 00:30:45,360  
understand

807  
00:30:49,190 --> 00:30:47,279  
the person responsible for bringing all

808  
00:30:50,230 --> 00:30:49,200  
these people together is producer lee

809  
00:30:52,710 --> 00:30:50,240  
spiegel

810  
00:30:54,389 --> 00:30:52,720  
how would you like us to handle this and

811  
00:30:56,710 --> 00:30:54,399  
the correspondence was between

812  
00:30:58,549 --> 00:30:56,720  
the american ambassador at the un and

813  
00:30:59,830 --> 00:30:58,559

the state department in washington like

814

00:31:01,830 --> 00:30:59,840

wow

815

00:31:04,950 --> 00:31:01,840

and i read this you know a couple of

816

00:31:07,430 --> 00:31:04,960

months after our presentation i thought

817

00:31:08,630 --> 00:31:07,440

how did i survive how did i come out of

818

00:31:11,350 --> 00:31:08,640

this alive

819

00:31:11,830 --> 00:31:11,360

why didn't you try and take me down i

820

00:31:15,350 --> 00:31:11,840

mean

821

00:31:18,149 --> 00:31:15,360

wow the only thing that i knew

822

00:31:19,190 --> 00:31:18,159

that that i was being watched at the

823

00:31:23,190 --> 00:31:19,200

time

824

00:31:25,350 --> 00:31:23,200

when i knew that my

825

00:31:26,870 --> 00:31:25,360

my my telephone line was was being

826

00:31:29,509 --> 00:31:26,880

bugged

827

00:31:30,789 --> 00:31:29,519

i could always tell if i went to pick it

828

00:31:32,470 --> 00:31:30,799

up and make a call

829

00:31:34,549 --> 00:31:32,480

i could i could hear this it'd be like

830

00:31:35,509 --> 00:31:34,559

no dial tone i could hear some actual

831

00:31:37,909 --> 00:31:35,519

breathing

832

00:31:39,190 --> 00:31:37,919

and some clicks and i would hang it up

833

00:31:41,029 --> 00:31:39,200

and then i would

834

00:31:42,789 --> 00:31:41,039

after a while i thought no this is this

835

00:31:45,269 --> 00:31:42,799

is ridiculous

836

00:31:46,789 --> 00:31:45,279

i so i picked up the phone again i heard

837

00:31:49,750 --> 00:31:46,799

some clicks and i heard some breathing

838

00:31:51,110 --> 00:31:49,760

and i said into the phone listen uh i

839

00:31:52,870 --> 00:31:51,120

know you guys are there i know you're

840

00:31:55,350 --> 00:31:52,880

listening to me

841

00:31:57,029 --> 00:31:55,360

i'm not making the kind of call now that

842

00:31:57,590 --> 00:31:57,039

would really interest you so you might

843

00:31:59,750 --> 00:31:57,600

as well

844

00:32:01,269 --> 00:31:59,760

turn your tape recorders off i'm just

845

00:32:03,750 --> 00:32:01,279

making a personal call

846

00:32:05,110 --> 00:32:03,760

you can come back later if you want but

847

00:32:06,070 --> 00:32:05,120

i'm only going to be out for about like

848

00:32:09,590 --> 00:32:06,080

five minutes so

849

00:32:13,669 --> 00:32:09,600

yeah so you know then i hung up

850

00:32:18,310 --> 00:32:16,950

what a year that was yeah i bet doing

851  
00:32:21,669 --> 00:32:18,320  
doing the u.n

852  
00:32:24,549 --> 00:32:21,679  
um there was so so much stuff

853  
00:32:25,909 --> 00:32:24,559  
behind the scenes things i i learned

854  
00:32:28,630 --> 00:32:25,919  
along the way

855  
00:32:28,950 --> 00:32:28,640  
that sir eric gary was not the nicest

856  
00:32:32,230 --> 00:32:28,960  
guy

857  
00:32:33,029 --> 00:32:32,240  
in the world i learned that people had

858  
00:32:36,630 --> 00:32:33,039  
said to me

859  
00:32:38,950 --> 00:32:36,640  
if if the prime minister invites you

860  
00:32:39,830 --> 00:32:38,960  
to come down and spend a weekend at

861  
00:32:43,509 --> 00:32:39,840  
grenada

862  
00:32:45,350 --> 00:32:43,519  
you should politely decline because he

863  
00:32:47,110 --> 00:32:45,360

they said they tell they said to me he

864

00:32:50,710 --> 00:32:47,120

has a goon squad

865

00:32:53,350 --> 00:32:50,720

of sorts down there who who make people

866

00:32:55,509 --> 00:32:53,360

vanish uh if they don't agree with the

867

00:32:57,909 --> 00:32:55,519

the prime minister's points of view

868

00:32:58,630 --> 00:32:57,919

so better to stay in the united states

869

00:33:00,149 --> 00:32:58,640

yeah

870

00:33:02,070 --> 00:33:00,159

i thought well okay what have i got

871

00:33:04,389 --> 00:33:02,080

myself into but you know what

872

00:33:05,430 --> 00:33:04,399

nev never would have done it differently

873

00:33:07,669 --> 00:33:05,440

jason

874

00:33:10,549 --> 00:33:07,679

it was it was just amazing to be there

875

00:33:11,590 --> 00:33:10,559

to meet all these people to be part of

876

00:33:14,870 --> 00:33:11,600

something that that

877

00:33:18,310 --> 00:33:14,880

dr jacques valet to this day

878

00:33:21,830 --> 00:33:18,320

says what we did there was a milestone

879

00:33:24,389 --> 00:33:21,840

right and and and

880

00:33:26,070 --> 00:33:24,399

to your point to your question about

881

00:33:27,909 --> 00:33:26,080

learning that china

882

00:33:29,830 --> 00:33:27,919

is interested in now doing something at

883

00:33:32,230 --> 00:33:29,840

the u.n

884

00:33:32,950 --> 00:33:32,240

i first heard about this a couple years

885

00:33:34,870 --> 00:33:32,960

ago

886

00:33:35,990 --> 00:33:34,880

when i was working as one of the the

887

00:33:39,350 --> 00:33:36,000

producers

888

00:33:41,190 --> 00:33:39,360

of the documentary the phenomenon

889

00:33:43,269 --> 00:33:41,200

right that was put together by by the

890

00:33:46,470 --> 00:33:43,279

great james fox

891

00:33:49,830 --> 00:33:46,480

and james took at least

892

00:33:51,110 --> 00:33:49,840

two trips i believe to china because

893

00:33:54,710 --> 00:33:51,120

there was a big

894

00:33:57,750 --> 00:33:54,720

ufo related celebration going on

895

00:33:58,310 --> 00:33:57,760

on in mainland china and he videotaped a

896

00:34:00,870 --> 00:33:58,320

lot of

897

00:34:01,669 --> 00:34:00,880

things and he interviewed people um

898

00:34:05,430 --> 00:34:01,679

china is

899

00:34:07,190 --> 00:34:05,440

very very interested in in ufos in

900

00:34:08,629 --> 00:34:07,200

they're serious there's no ridicule

901  
00:34:10,710 --> 00:34:08,639  
there about that

902  
00:34:13,270 --> 00:34:10,720  
they're a lot more transparent about it

903  
00:34:16,310 --> 00:34:13,280  
than than we are

904  
00:34:18,149 --> 00:34:16,320  
and so to to learn that china may

905  
00:34:20,389 --> 00:34:18,159  
want to bring us up to the united

906  
00:34:22,790 --> 00:34:20,399  
nations i think that's a great idea

907  
00:34:24,149 --> 00:34:22,800  
and i have actually had some

908  
00:34:26,710 --> 00:34:24,159  
conversations

909  
00:34:27,510 --> 00:34:26,720  
with jacques valet and i've suggested to

910  
00:34:30,550 --> 00:34:27,520  
him that if

911  
00:34:33,030 --> 00:34:30,560  
if we can pull our energies together

912  
00:34:34,629 --> 00:34:33,040  
i said i said to him jacques of all the

913  
00:34:38,310 --> 00:34:34,639

people that i had there

914

00:34:38,869 --> 00:34:38,320

at the un in 1978 uh to give speeches

915

00:34:41,270 --> 00:34:38,879

and to

916

00:34:43,109 --> 00:34:41,280

give their points of view about ufos

917

00:34:46,389 --> 00:34:43,119

you're the only one who's still around

918

00:34:51,589 --> 00:34:46,399

the sad reality yeah and i think

919

00:34:53,669 --> 00:34:51,599

that for your legacy in this field

920

00:34:55,510 --> 00:34:53,679

would you like to give it another shot

921

00:34:57,109 --> 00:34:55,520

with me

922

00:34:59,349 --> 00:34:57,119

you know and get some other people

923

00:35:02,710 --> 00:34:59,359

because now the climate has

924

00:35:04,790 --> 00:35:02,720

changed so much so radically the i think

925

00:35:07,910 --> 00:35:04,800

the ridicule factor is now almost

926

00:35:09,190 --> 00:35:07,920

almost diminished entirely and

927

00:35:11,349 --> 00:35:09,200

we now know that there are many

928

00:35:12,630 --> 00:35:11,359

countries that are out there uh that are

929

00:35:13,030 --> 00:35:12,640

really interested they're being very

930

00:35:15,190 --> 00:35:13,040

open

931

00:35:16,230 --> 00:35:15,200

they're working together south american

932

00:35:19,190 --> 00:35:16,240

countries

933

00:35:20,069 --> 00:35:19,200

uh the military factions of different

934

00:35:22,470 --> 00:35:20,079

countries

935

00:35:23,990 --> 00:35:22,480

are working together by trying to figure

936

00:35:26,710 --> 00:35:24,000

this thing out

937

00:35:27,670 --> 00:35:26,720

uh and i said to jacques if if you're up

938

00:35:29,910 --> 00:35:27,680

for it

939

00:35:31,349 --> 00:35:29,920

uh let's let's talk more about it

940

00:35:33,829 --> 00:35:31,359

because let's get

941

00:35:34,950 --> 00:35:33,839

more than one country to do something

942

00:35:38,230 --> 00:35:34,960

about this not

943

00:35:39,750 --> 00:35:38,240

not just one but again

944

00:35:42,150 --> 00:35:39,760

it was just grenada i had no other

945

00:35:44,230 --> 00:35:42,160

choice back then right you were right

946

00:35:45,589 --> 00:35:44,240

the climate has completely changed so it

947

00:35:46,870 --> 00:35:45,599

would be a completely different ball

948

00:35:48,710 --> 00:35:46,880

game right now

949

00:35:49,990 --> 00:35:48,720

um yeah let's talk about the the

950

00:35:51,910 --> 00:35:50,000

reception and and

951  
00:35:54,069 --> 00:35:51,920  
you know sort of the you know some of

952  
00:35:54,870 --> 00:35:54,079  
the uh the feeling from other countries

953  
00:35:57,109 --> 00:35:54,880  
back

954  
00:35:59,349 --> 00:35:57,119  
when you did the presentation um you

955  
00:36:01,030 --> 00:35:59,359  
know were were other countries receptive

956  
00:36:03,109 --> 00:36:01,040  
did other countries object to try to

957  
00:36:05,109 --> 00:36:03,119  
stop you how did that happen

958  
00:36:06,710 --> 00:36:05,119  
well i'll get to the stopping part

959  
00:36:09,589 --> 00:36:06,720  
afterwards

960  
00:36:10,550 --> 00:36:09,599  
but um yes i had a chance to meet

961  
00:36:13,750 --> 00:36:10,560  
several

962  
00:36:16,310 --> 00:36:13,760  
heads of states leaders of countries

963  
00:36:17,670 --> 00:36:16,320

from around the world and and in these

964

00:36:20,950 --> 00:36:17,680

meetings they said

965

00:36:23,750 --> 00:36:20,960

we we don't know what these objects are

966

00:36:25,510 --> 00:36:23,760

that are flying in our skies as well as

967

00:36:28,550 --> 00:36:25,520

american skies they seem to be

968

00:36:30,950 --> 00:36:28,560

almost everywhere and so we

969

00:36:32,069 --> 00:36:30,960

we would be interested uh if there was a

970

00:36:34,950 --> 00:36:32,079

majority

971

00:36:35,829 --> 00:36:34,960

of countries that would want to create a

972

00:36:38,790 --> 00:36:35,839

sharing

973

00:36:39,589 --> 00:36:38,800

committee of ufos unidentified flying

974

00:36:42,950 --> 00:36:39,599

objects

975

00:36:44,390 --> 00:36:42,960

and so i felt i felt very uh positive

976  
00:36:46,230 --> 00:36:44,400  
that something actually might have come

977  
00:36:47,990 --> 00:36:46,240  
from it the only thing that that got in

978  
00:36:51,430 --> 00:36:48,000  
its way was all of a sudden when

979  
00:36:54,630 --> 00:36:51,440  
sir eric gary was was wiped out right

980  
00:36:55,750 --> 00:36:54,640  
which which is like whoa okay i mean who

981  
00:36:58,870 --> 00:36:55,760  
saw that coming

982  
00:36:59,430 --> 00:36:58,880  
i didn't maybe maybe people in the state

983  
00:37:02,069 --> 00:36:59,440  
department

984  
00:37:03,990 --> 00:37:02,079  
and other places saw that coming i'm

985  
00:37:06,390 --> 00:37:04,000  
always asking people

986  
00:37:09,190 --> 00:37:06,400  
who's really in charge here of all this

987  
00:37:12,230 --> 00:37:09,200  
kind of information

988  
00:37:12,950 --> 00:37:12,240

and so i i was very hopeful about it but

989

00:37:16,150 --> 00:37:12,960

then it's just

990

00:37:20,950 --> 00:37:16,160

it just went away quietly and

991

00:37:23,510 --> 00:37:20,960

and then fast forward 30 years

992

00:37:25,910 --> 00:37:23,520

when i was working as a writer for the

993

00:37:29,270 --> 00:37:25,920

the huffington post

994

00:37:31,670 --> 00:37:29,280

and i was writing mostly ufo

995

00:37:32,870 --> 00:37:31,680

paranormal stories and every once in a

996

00:37:36,470 --> 00:37:32,880

while

997

00:37:39,670 --> 00:37:36,480

uh the the united kingdom

998

00:37:42,710 --> 00:37:39,680

was releasing previously classified

999

00:37:44,390 --> 00:37:42,720

ufo materials to the public and every

1000

00:37:47,589 --> 00:37:44,400

time that they had new batches

1001

00:37:49,990 --> 00:37:47,599

of reports to uh to release

1002

00:37:51,349 --> 00:37:50,000

they they generally gave them to

1003

00:37:53,190 --> 00:37:51,359

insiders first

1004

00:37:55,349 --> 00:37:53,200

and the only person i knew inside at the

1005

00:37:56,870 --> 00:37:55,359

time was nick pope

1006

00:37:58,870 --> 00:37:56,880

who used to work for the ministry of

1007

00:38:00,870 --> 00:37:58,880

defense uh in the

1008

00:38:02,069 --> 00:38:00,880

in what was called the ufo office or a

1009

00:38:05,349 --> 00:38:02,079

desk

1010

00:38:05,910 --> 00:38:05,359

back then in the 1990s and and so he

1011

00:38:08,230 --> 00:38:05,920

released

1012

00:38:09,109 --> 00:38:08,240

he got the releases first and and so i

1013

00:38:11,270 --> 00:38:09,119

knew he had them

1014

00:38:12,470 --> 00:38:11,280

but then i didn't really need to contact

1015

00:38:14,310 --> 00:38:12,480

him initially

1016

00:38:16,310 --> 00:38:14,320

because i could just get them now as

1017

00:38:18,630 --> 00:38:16,320

they were being released to the media

1018

00:38:19,670 --> 00:38:18,640

so i'm reading some of some of these

1019

00:38:22,310 --> 00:38:19,680

reports these

1020

00:38:23,910 --> 00:38:22,320

documents and and i'm suddenly seeing

1021

00:38:24,550 --> 00:38:23,920

something that i'm not really crazy

1022

00:38:28,150 --> 00:38:24,560

about

1023

00:38:31,109 --> 00:38:28,160

and i went to my my editor buck wolf

1024

00:38:31,990 --> 00:38:31,119

and i said listen this i i think i need

1025

00:38:34,870 --> 00:38:32,000

to change my

1026  
00:38:35,510 --> 00:38:34,880  
attitude about the story about these

1027  
00:38:38,870 --> 00:38:35,520  
documents

1028  
00:38:40,230 --> 00:38:38,880  
because i think i need to take this more

1029  
00:38:42,630 --> 00:38:40,240  
personally

1030  
00:38:44,550 --> 00:38:42,640  
some of these documents are indicating

1031  
00:38:47,910 --> 00:38:44,560  
that in 1978

1032  
00:38:52,150 --> 00:38:47,920  
the united kingdom really tried

1033  
00:38:55,670 --> 00:38:52,160  
their best to stop my presentation

1034  
00:38:58,069 --> 00:38:55,680  
and that was like here i am that was

1035  
00:38:58,870 --> 00:38:58,079  
30 years ago and i'm only learning this

1036  
00:39:01,190 --> 00:38:58,880  
now

1037  
00:39:02,550 --> 00:39:01,200  
by reading these documents i said i said

1038  
00:39:05,030 --> 00:39:02,560

the buck listen

1039

00:39:06,630 --> 00:39:05,040

uh i'd like to write the story in the

1040

00:39:10,150 --> 00:39:06,640

first person

1041

00:39:12,069 --> 00:39:10,160

and because i was there basically

1042

00:39:14,069 --> 00:39:12,079

and buck said yeah go with it run with

1043

00:39:16,390 --> 00:39:14,079

it do it

1044

00:39:17,109 --> 00:39:16,400

one of the first people i called at that

1045

00:39:21,270 --> 00:39:17,119

point

1046

00:39:22,870 --> 00:39:21,280

was nick pope and and

1047

00:39:24,470 --> 00:39:22,880

when he's when he heard that it was me

1048

00:39:27,990 --> 00:39:24,480

on the phone he

1049

00:39:29,829 --> 00:39:28,000

he said so hello lee i know why you're

1050

00:39:31,670 --> 00:39:29,839

calling

1051

00:39:32,950 --> 00:39:31,680

and and i said well you probably do it

1052

00:39:33,990 --> 00:39:32,960

might have something to do with some

1053

00:39:35,510 --> 00:39:34,000

documents

1054

00:39:37,349 --> 00:39:35,520

that have just been released by the

1055

00:39:39,430 --> 00:39:37,359

united kingdom he says yeah

1056

00:39:40,470 --> 00:39:39,440

yeah i got i got those those documents

1057

00:39:44,150 --> 00:39:40,480

as well and

1058

00:39:47,190 --> 00:39:44,160

and i i have to tell you lee um

1059

00:39:48,710 --> 00:39:47,200

you you can't blame me for

1060

00:39:51,190 --> 00:39:48,720

any of that stuff that the united

1061

00:39:54,150 --> 00:39:51,200

kingdom was doing in 1978

1062

00:39:55,990 --> 00:39:54,160

i had nothing to do with it lee i was 13

1063

00:39:58,150 --> 00:39:56,000

years old at the time

1064

00:39:59,910 --> 00:39:58,160

and so i didn't even have working papers

1065

00:40:02,950 --> 00:39:59,920

yet i wasn't

1066

00:40:05,750 --> 00:40:02,960

a member of the ministry of defense

1067

00:40:07,589 --> 00:40:05,760

i had nothing to do with this i said

1068

00:40:09,510 --> 00:40:07,599

well nick i'm not blaming you at all but

1069

00:40:12,230 --> 00:40:09,520

but i am going to

1070

00:40:13,510 --> 00:40:12,240

let my writers know that that i've been

1071

00:40:16,790 --> 00:40:13,520

in touch with you

1072

00:40:17,349 --> 00:40:16,800

he said would it help if i if i kind of

1073

00:40:21,109 --> 00:40:17,359

issue

1074

00:40:23,349 --> 00:40:21,119

like an unofficial apology

1075

00:40:24,470 --> 00:40:23,359

uh for what we did or what we tried to

1076

00:40:26,550 --> 00:40:24,480

do for your presentation

1077

00:40:27,510 --> 00:40:26,560

i said yeah go ahead go for it give me

1078

00:40:30,309 --> 00:40:27,520

it

1079

00:40:32,309 --> 00:40:30,319

well i i unofficially apologize for what

1080

00:40:32,950 --> 00:40:32,319

my country did when i was only 13 years

1081

00:40:34,550 --> 00:40:32,960

old

1082

00:40:36,950 --> 00:40:34,560

and i think i published it just like

1083

00:40:41,589 --> 00:40:36,960

that in my off post story

1084

00:40:45,030 --> 00:40:41,599

but wow to realize that so back then

1085

00:40:47,589 --> 00:40:45,040

england didn't like to have

1086

00:40:49,750 --> 00:40:47,599

the the public information known about

1087

00:40:52,630 --> 00:40:49,760

about ufos they just

1088

00:40:55,030 --> 00:40:52,640

wanted to let it go and keep it under

1089

00:40:56,950 --> 00:40:55,040

the carpet so to speak

1090

00:40:58,390 --> 00:40:56,960

yeah and it's funny with with nick

1091

00:41:00,309 --> 00:40:58,400

during that period well

1092

00:41:02,710 --> 00:41:00,319

while these uh mod files were being

1093

00:41:05,750 --> 00:41:02,720

released it seems like part of his pr

1094

00:41:06,470 --> 00:41:05,760

role in that there seemed to be multiple

1095

00:41:09,109 --> 00:41:06,480

instances

1096

00:41:10,150 --> 00:41:09,119

where apologies or half apologies were

1097

00:41:13,510 --> 00:41:10,160

being made because

1098

00:41:15,349 --> 00:41:13,520

i remember also he was talking about how

1099

00:41:17,349 --> 00:41:15,359

the wording in some of those files

1100

00:41:19,829 --> 00:41:17,359

revealed how they were taking an

1101  
00:41:20,710 --> 00:41:19,839  
active stance at ridiculing people and

1102  
00:41:21,829 --> 00:41:20,720  
making

1103  
00:41:23,829 --> 00:41:21,839  
you know that the language they would

1104  
00:41:24,150 --> 00:41:23,839  
use talking about ufo buffs and things

1105  
00:41:32,550 --> 00:41:24,160  
to

1106  
00:41:36,309 --> 00:41:32,560  
with him that when he was working

1107  
00:41:38,069 --> 00:41:36,319  
at the ufo desk back in between 1991 and

1108  
00:41:41,109 --> 00:41:38,079  
93 i think it was

1109  
00:41:44,710 --> 00:41:41,119  
he said he used to go to like

1110  
00:41:46,870 --> 00:41:44,720  
um ufo uh symposia

1111  
00:41:48,470 --> 00:41:46,880  
you know or conferences and he would

1112  
00:41:51,510 --> 00:41:48,480  
just kind of look around and

1113  
00:41:53,190 --> 00:41:51,520

and and he would end up going back to

1114

00:41:55,030 --> 00:41:53,200

to the office and he would write about

1115

00:41:57,670 --> 00:41:55,040

them and put reports together

1116

00:41:58,550 --> 00:41:57,680

and he said we we engaged in something

1117

00:42:01,990 --> 00:41:58,560

called

1118

00:42:04,150 --> 00:42:02,000

spin and dirty tricks right really

1119

00:42:05,349 --> 00:42:04,160

the hell was that he said that that

1120

00:42:08,630 --> 00:42:05,359

meant that we had

1121

00:42:10,630 --> 00:42:08,640

we had an attitude of ridicule that we

1122

00:42:13,430 --> 00:42:10,640

wanted to keep this stuff

1123

00:42:15,670 --> 00:42:13,440

away from the public's awareness we

1124

00:42:17,750 --> 00:42:15,680

didn't want to cause any panic

1125

00:42:19,109 --> 00:42:17,760

we didn't want people to criticize the

1126

00:42:20,950 --> 00:42:19,119

government we wanted people to just go

1127

00:42:23,510 --> 00:42:20,960

about their daily lives

1128

00:42:25,589 --> 00:42:23,520

and let us handle it spin and dirty

1129

00:42:27,589 --> 00:42:25,599

tricks like whoa

1130

00:42:28,870 --> 00:42:27,599

if it's not one thing jason it's another

1131

00:42:31,910 --> 00:42:28,880

i mean really

1132

00:42:34,950 --> 00:42:31,920

right it's just it's just amazing

1133

00:42:36,230 --> 00:42:34,960

and uh and and so now we've got this

1134

00:42:39,349 --> 00:42:36,240

thing coming up

1135

00:42:40,550 --> 00:42:39,359

uh um when when are you airing this show

1136

00:42:42,950 --> 00:42:40,560

by the way

1137

00:42:43,750 --> 00:42:42,960

it should should air uh a couple days

1138

00:42:46,309 --> 00:42:43,760

from now or

1139

00:42:47,349 --> 00:42:46,319

maybe maybe even tomorrow we'll see okay

1140

00:42:50,230 --> 00:42:47,359

well

1141

00:42:51,349 --> 00:42:50,240

by the time your listeners hear this

1142

00:42:54,550 --> 00:42:51,359

show

1143

00:42:55,750 --> 00:42:54,560

we we may already have seen the the

1144

00:43:00,550 --> 00:42:55,760

long-awaited

1145

00:43:03,510 --> 00:43:00,560

congressional new report on ufos or uaps

1146

00:43:05,750 --> 00:43:03,520

that's you know the latest terminology

1147

00:43:07,109 --> 00:43:05,760

unidentified aerial phenomena

1148

00:43:09,750 --> 00:43:07,119

big difference between that and

1149

00:43:12,390 --> 00:43:09,760

unidentified flying objects

1150

00:43:15,990 --> 00:43:12,400

but but as many people now know i i talk

1151

00:43:23,670 --> 00:43:20,069

the the the intelligence agencies

1152

00:43:27,349 --> 00:43:23,680

uh and the fbi and the pentagon

1153

00:43:29,829 --> 00:43:27,359

have been working now to create an

1154

00:43:32,069 --> 00:43:29,839

actual congressional report that they're

1155

00:43:35,990 --> 00:43:32,079

going to give to congress and supposedly

1156

00:43:39,109 --> 00:43:36,000

than to release it on or about june 25th

1157

00:43:40,069 --> 00:43:39,119

yeah and so everybody's been waiting for

1158

00:43:41,910 --> 00:43:40,079

that to see what's what's

1159

00:43:45,190 --> 00:43:41,920

going to happen that was going to be in

1160

00:43:48,550 --> 00:43:45,200

that report and about a week ago

1161

00:43:50,550 --> 00:43:48,560

the new york times uh they wrote a

1162

00:43:52,829 --> 00:43:50,560

couple of stories in which they

1163

00:43:54,950 --> 00:43:52,839

had already been contacted or they

1164

00:43:55,910 --> 00:43:54,960

contacted some actual government

1165

00:43:58,790 --> 00:43:55,920

officials

1166

00:44:00,150 --> 00:43:58,800

who had already seen the report and who

1167

00:44:02,870 --> 00:44:00,160

are giving their opinion

1168

00:44:04,230 --> 00:44:02,880

of what the report will probably contain

1169

00:44:06,950 --> 00:44:04,240

and they were saying

1170

00:44:08,069 --> 00:44:06,960

that this ufo report is basically going

1171

00:44:11,349 --> 00:44:08,079

to say

1172

00:44:14,870 --> 00:44:11,359

um and and admit and confirm

1173

00:44:17,109 --> 00:44:14,880

yes there are strange objects in the sky

1174

00:44:18,470 --> 00:44:17,119

that are that are flying above america

1175

00:44:20,710 --> 00:44:18,480

and and they

1176

00:44:22,950 --> 00:44:20,720

they have a technology that we don't

1177

00:44:25,910 --> 00:44:22,960

have it's not american technology

1178

00:44:26,550 --> 00:44:25,920

they outperform us they outmaneuver us

1179

00:44:29,109 --> 00:44:26,560

um

1180

00:44:29,670 --> 00:44:29,119

our navy pilots have interacted with

1181

00:44:33,190 --> 00:44:29,680

them

1182

00:44:34,829 --> 00:44:33,200

and we don't know what it is

1183

00:44:37,270 --> 00:44:34,839

we're not saying that it's

1184

00:44:40,390 --> 00:44:37,280

extraterrestrial but

1185

00:44:43,750 --> 00:44:40,400

it's not you know out of the question

1186

00:44:45,510 --> 00:44:43,760

but so with that in mind we are uh

1187

00:44:47,910 --> 00:44:45,520

we're still looking into the possibility

1188

00:44:51,030 --> 00:44:47,920

that it could be a russian technology

1189

00:44:52,069 --> 00:44:51,040

or or chinese technology and this is

1190

00:44:53,430 --> 00:44:52,079

where they're going to go with the

1191

00:44:56,470 --> 00:44:53,440

report

1192

00:44:59,190 --> 00:44:56,480

and and this annoys me

1193

00:45:00,230 --> 00:44:59,200

to no end because whenever i hear

1194

00:45:03,109 --> 00:45:00,240

something like that

1195

00:45:03,990 --> 00:45:03,119

i come right back like i did on my show

1196

00:45:07,670 --> 00:45:04,000

this week

1197

00:45:09,990 --> 00:45:07,680

and and i say to to my listeners okay

1198

00:45:11,510 --> 00:45:10,000

so if it's america saying it's not

1199

00:45:13,829 --> 00:45:11,520

american it might be russian and

1200

00:45:14,630 --> 00:45:13,839

chinese or the chinese are saying well

1201

00:45:16,790 --> 00:45:14,640

it's not us

1202

00:45:17,670 --> 00:45:16,800

in china it could be american could be

1203

00:45:20,950 --> 00:45:17,680

russia

1204

00:45:26,390 --> 00:45:20,960

my my comeback to that is okay

1205

00:45:35,190 --> 00:45:32,550

are you hearing me everybody 1947.

1206

00:45:36,550 --> 00:45:35,200

and that's not even where the ufo

1207

00:45:40,069 --> 00:45:36,560

sightings even began

1208

00:45:43,109 --> 00:45:40,079

historically but i'm just going to 1947

1209

00:45:44,710 --> 00:45:43,119

when the air material command lieutenant

1210

00:45:47,270 --> 00:45:44,720

general nathan twining

1211

00:45:47,910 --> 00:45:47,280

wrote a very famous memo that went all

1212

00:45:51,030 --> 00:45:47,920

through

1213

00:45:51,349 --> 00:45:51,040

military factions basically saying the

1214

00:45:53,829 --> 00:45:51,359

uh

1215

00:45:54,710 --> 00:45:53,839

the subject of the memo was the flying

1216

00:45:57,750 --> 00:45:54,720

discs

1217

00:45:58,870 --> 00:45:57,760

because that was before the term flying

1218

00:46:02,150 --> 00:45:58,880

saucer

1219

00:46:02,790 --> 00:46:02,160

had even come out uh and according to

1220

00:46:06,710 --> 00:46:02,800

lieutenant

1221

00:46:09,750 --> 00:46:06,720

general nathan 20 he began his memo

1222

00:46:11,270 --> 00:46:09,760

with the phrase the phenomenon and

1223

00:46:15,030 --> 00:46:11,280

that's where we got the name

1224

00:46:18,390 --> 00:46:15,040

for our movie from a few years ago right

1225

00:46:21,349 --> 00:46:18,400

the phenomenon is something real

1226

00:46:21,829 --> 00:46:21,359

it's not fictitious it's not illusion

1227

00:46:25,510 --> 00:46:21,839

it's not

1228

00:46:27,750 --> 00:46:25,520

delusional um objects approximating

1229

00:46:29,750 --> 00:46:27,760

the size and shape of a disc with a dome

1230

00:46:32,870 --> 00:46:29,760

on top

1231

00:46:33,829 --> 00:46:32,880

with incredible maneuverability

1232

00:46:37,190 --> 00:46:33,839

potentials

1233

00:46:39,109 --> 00:46:37,200

especially in how they can evade

1234

00:46:40,710 --> 00:46:39,119

friendly aircraft when we approach them

1235

00:46:43,510 --> 00:46:40,720

and try to make contact

1236

00:46:44,150 --> 00:46:43,520

they can come and go as they please and

1237

00:46:47,109 --> 00:46:44,160

we don't know

1238

00:46:47,990 --> 00:46:47,119

anything about them and we we highly

1239

00:46:51,030 --> 00:46:48,000

recommend

1240

00:46:53,510 --> 00:46:51,040

an internal investigation

1241

00:46:54,630 --> 00:46:53,520

of these flying discs and so that was

1242

00:46:56,710 --> 00:46:54,640

about the time

1243

00:46:58,069 --> 00:46:56,720

when various things happened and we

1244

00:46:59,109 --> 00:46:58,079

ended up having something called project

1245

00:47:02,230 --> 00:46:59,119

blue book

1246

00:47:02,870 --> 00:47:02,240

that supposedly was tasked with looking

1247

00:47:06,069 --> 00:47:02,880

into this

1248

00:47:10,550 --> 00:47:06,079

but 1947

1249

00:47:12,550 --> 00:47:10,560

again did anybody have this technology

1250

00:47:14,550 --> 00:47:12,560

no the things that they that he was

1251

00:47:17,910 --> 00:47:14,560

reporting in his memo

1252

00:47:21,430 --> 00:47:17,920

in 1947 were exactly the same things

1253

00:47:24,950 --> 00:47:21,440

that the the navy pilots reported off

1254

00:47:25,510 --> 00:47:24,960

the san diego coast um the maneuvers

1255

00:47:27,589 --> 00:47:25,520

that these

1256

00:47:28,710 --> 00:47:27,599

objects made what they look like and

1257

00:47:32,150 --> 00:47:28,720

everything that

1258

00:47:35,349 --> 00:47:32,160

they reported in 1947

1259

00:47:36,069 --> 00:47:35,359

they're still reporting now right and

1260

00:47:38,470 --> 00:47:36,079

you would think

1261

00:47:40,390 --> 00:47:38,480

yes you know yes with their argument

1262

00:47:41,190 --> 00:47:40,400

that you know this could be china or

1263

00:47:44,069 --> 00:47:41,200

russia some

1264

00:47:45,109 --> 00:47:44,079

some country that's leapfrog the us and

1265

00:47:47,589 --> 00:47:45,119

technology

1266

00:47:49,109 --> 00:47:47,599

you would think if that was in 1947 we

1267

00:47:49,910 --> 00:47:49,119

surely would have seen that from another

1268

00:47:52,790 --> 00:47:49,920

country

1269

00:47:54,069 --> 00:47:52,800

by this point and we certainly have not

1270

00:47:56,790 --> 00:47:54,079

but on the other hand

1271

00:47:58,230 --> 00:47:56,800

it seems like the extraterrestrials if

1272

00:48:00,069 --> 00:47:58,240

they are extraterrestrials

1273

00:48:01,510 --> 00:48:00,079

haven't really advanced their technology

1274

00:48:03,349 --> 00:48:01,520

if they were doing the same thing back

1275

00:48:04,470 --> 00:48:03,359

in 47 that they're doing now so that's

1276

00:48:05,910 --> 00:48:04,480

interesting too

1277

00:48:09,109 --> 00:48:05,920

well and you know you know what i like

1278

00:48:11,510 --> 00:48:09,119

about what you just said uh because 1947

1279

00:48:13,109 --> 00:48:11,520

that famous year when when something

1280

00:48:16,069 --> 00:48:13,119

came streaking out of the sky

1281

00:48:17,109 --> 00:48:16,079

outside of roswell new mexico and and

1282

00:48:20,230 --> 00:48:17,119

crash landed

1283

00:48:22,309 --> 00:48:20,240

we we now know from many sources many

1284

00:48:25,750 --> 00:48:22,319

credible sources that

1285

00:48:28,390 --> 00:48:25,760

there have been other crashes here

1286

00:48:30,069 --> 00:48:28,400

and in other countries and so my my

1287

00:48:32,710 --> 00:48:30,079

attitude about that is

1288

00:48:34,790 --> 00:48:32,720

well well okay if they do if it is

1289

00:48:36,470 --> 00:48:34,800

visitors with somewhere else

1290

00:48:38,470 --> 00:48:36,480

and they have this incredible technology

1291

00:48:38,870 --> 00:48:38,480

that we don't have what's wrong with

1292

00:48:45,190 --> 00:48:38,880

their

1293

00:48:47,349 --> 00:48:45,200

i mean look it's like are these

1294

00:48:49,030 --> 00:48:47,359

some of their ships are they would be

1295

00:48:52,950 --> 00:48:49,040

considered the edsel

1296

00:48:56,470 --> 00:48:55,589

i mean really so we don't have this

1297

00:49:04,309 --> 00:48:56,480

technology

1298

00:49:05,670 --> 00:49:04,319

anyway what's wrong with it right

1299

00:49:07,750 --> 00:49:05,680

maybe that's what makes it so difficult

1300

00:49:09,910 --> 00:49:07,760

to back engineer too

1301  
00:49:11,910 --> 00:49:09,920  
i i know and or maybe we tried and

1302  
00:49:15,109 --> 00:49:11,920  
realized it sucks

1303  
00:49:19,030 --> 00:49:15,119  
i i don't understand that attitude

1304  
00:49:21,670 --> 00:49:19,040  
if if in fact the american military or

1305  
00:49:23,030 --> 00:49:21,680  
american scientists have been working

1306  
00:49:25,270 --> 00:49:23,040  
behind the scenes

1307  
00:49:26,390 --> 00:49:25,280  
if they've got one or more of these

1308  
00:49:28,710 --> 00:49:26,400  
ships

1309  
00:49:30,710 --> 00:49:28,720  
at area 51 or wherever and they're

1310  
00:49:33,190 --> 00:49:30,720  
trying and they've been trying to

1311  
00:49:34,390 --> 00:49:33,200  
figure out how do they work and and

1312  
00:49:38,150 --> 00:49:34,400  
let's as you say

1313  
00:49:41,030 --> 00:49:38,160

reverse engineer so we can make our own

1314

00:49:42,230 --> 00:49:41,040

my my attitude about that is if it's a

1315

00:49:45,270 --> 00:49:42,240

technology

1316

00:49:47,190 --> 00:49:45,280

that we don't have what makes us think

1317

00:49:49,109 --> 00:49:47,200

we're smart enough to figure out how to

1318

00:49:51,270 --> 00:49:49,119

put it together right

1319

00:49:53,510 --> 00:49:51,280

how can we think we know how to do that

1320

00:49:57,589 --> 00:49:53,520

sure i i don't think we are

1321

00:49:59,670 --> 00:49:57,599

yeah yeah not not until not until the

1322

00:50:02,150 --> 00:49:59,680

a few more hundred years pass and we're

1323

00:50:02,950 --> 00:50:02,160

in the the time zone of the enterprise

1324

00:50:06,549 --> 00:50:02,960

and

1325

00:50:08,710 --> 00:50:06,559

we really need

1326  
00:50:09,670 --> 00:50:08,720  
but no we we we don't have this kind of

1327  
00:50:12,150 --> 00:50:09,680  
stuff yet

1328  
00:50:13,349 --> 00:50:12,160  
yeah and and i'm i'm comfortable with

1329  
00:50:16,309 --> 00:50:13,359  
that

1330  
00:50:17,510 --> 00:50:16,319  
when when people ask me i get asked the

1331  
00:50:20,230 --> 00:50:17,520  
same kind of questions

1332  
00:50:21,589 --> 00:50:20,240  
first they ask so when uh when is it

1333  
00:50:23,589 --> 00:50:21,599  
going to be real disclosure

1334  
00:50:25,030 --> 00:50:23,599  
about ufos and i just come right back

1335  
00:50:27,589 --> 00:50:25,040  
and say to people

1336  
00:50:28,549 --> 00:50:27,599  
there has been ongoing disclosure for

1337  
00:50:30,870 --> 00:50:28,559  
decades

1338  
00:50:31,589 --> 00:50:30,880

but you gotta know where to look for it

1339

00:50:34,390 --> 00:50:31,599

you can't

1340

00:50:34,950 --> 00:50:34,400

i say to people please don't get all of

1341

00:50:37,750 --> 00:50:34,960

your

1342

00:50:39,430 --> 00:50:37,760

accurate information from just watching

1343

00:50:43,030 --> 00:50:39,440

episodes of ancient aliens

1344

00:50:47,030 --> 00:50:43,040

please you've got to know where

1345

00:50:48,870 --> 00:50:47,040

to go and what to read and most people

1346

00:50:50,549 --> 00:50:48,880

don't that most people don't want to

1347

00:50:52,950 --> 00:50:50,559

disrupt their daily lives

1348

00:50:54,230 --> 00:50:52,960

and i get that i'm okay with that i

1349

00:50:57,109 --> 00:50:54,240

understand that

1350

00:50:58,470 --> 00:50:57,119

uh we all have our lives to lead and and

1351  
00:50:59,750 --> 00:50:58,480  
so i don't think there's going to be

1352  
00:51:03,030 --> 00:50:59,760  
disclosure

1353  
00:51:05,030 --> 00:51:03,040  
and and and people then will say to me

1354  
00:51:06,950 --> 00:51:05,040  
why why don't they just if we're being

1355  
00:51:09,430 --> 00:51:06,960  
visited why don't they just

1356  
00:51:11,109 --> 00:51:09,440  
show up land on the white house lawn or

1357  
00:51:14,069 --> 00:51:11,119  
land in the kremlin

1358  
00:51:15,270 --> 00:51:14,079  
and and my response to that is well we

1359  
00:51:17,670 --> 00:51:15,280  
don't know what their

1360  
00:51:20,390 --> 00:51:17,680  
reasons are for being here we don't know

1361  
00:51:23,589 --> 00:51:20,400  
what their agenda is

1362  
00:51:25,030 --> 00:51:23,599  
ufos uaps from from from the first time

1363  
00:51:27,589 --> 00:51:25,040

they were reported

1364

00:51:29,430 --> 00:51:27,599

they come and go as they want they they

1365

00:51:32,950 --> 00:51:29,440

do what they want they appear

1366

00:51:36,069 --> 00:51:32,960

and disappear from wherever they go and

1367

00:51:39,270 --> 00:51:36,079

if they didn't want to be seen why do

1368

00:51:43,510 --> 00:51:39,280

they turn their lights on after dark

1369

00:51:46,230 --> 00:51:43,520

yeah i mean really they want to be seen

1370

00:51:46,950 --> 00:51:46,240

and so we don't know why they do what

1371

00:51:49,829 --> 00:51:46,960

they do

1372

00:51:51,430 --> 00:51:49,839

we're not smart enough to really know

1373

00:51:54,790 --> 00:51:51,440

what's going on with them

1374

00:51:57,270 --> 00:51:54,800

i'm comfortable with that too i

1375

00:51:58,630 --> 00:51:57,280

i don't care where they come from i'm

1376  
00:52:00,549 --> 00:51:58,640  
totally satisfied

1377  
00:52:02,870 --> 00:52:00,559  
that that we're being visited and that's

1378  
00:52:04,470 --> 00:52:02,880  
just based on almost 50 years of my

1379  
00:52:06,069 --> 00:52:04,480  
looking into this

1380  
00:52:08,790 --> 00:52:06,079  
so i'm not saying to people oh you got

1381  
00:52:12,870 --> 00:52:08,800  
to look you have to spend 50 years

1382  
00:52:17,190 --> 00:52:15,990  
just just a couple nights ago on the on

1383  
00:52:20,710 --> 00:52:17,200  
the hbo

1384  
00:52:24,549 --> 00:52:20,720  
show real time with bill maher

1385  
00:52:29,270 --> 00:52:24,559  
uh he had on as a guest

1386  
00:52:31,829 --> 00:52:29,280  
dr neil degrasse tyson astrophysicist

1387  
00:52:32,549 --> 00:52:31,839  
and i think he's out promoting a new

1388  
00:52:36,710 --> 00:52:32,559

book

1389

00:52:38,549 --> 00:52:36,720

ufos and bill maher said to him

1390

00:52:40,309 --> 00:52:38,559

yeah we want to talk about various

1391

00:52:41,910 --> 00:52:40,319

things but but

1392

00:52:43,750 --> 00:52:41,920

you know ufos are in the news a lot

1393

00:52:44,870 --> 00:52:43,760

lately and i want to know what you think

1394

00:52:46,630 --> 00:52:44,880

about ufos and

1395

00:52:47,990 --> 00:52:46,640

are we being visited and i was waiting

1396

00:52:52,230 --> 00:52:48,000

for the answer

1397

00:52:54,470 --> 00:52:52,240

and and and degrasse tyson as i guess

1398

00:52:55,270 --> 00:52:54,480

believes when he says this or maybe this

1399

00:52:57,750 --> 00:52:55,280

is what he's been

1400

00:52:58,309 --> 00:52:57,760

told to say he was ridiculing he was

1401  
00:53:00,549 --> 00:52:58,319  
saying yeah

1402  
00:53:01,990 --> 00:53:00,559  
these navy pilots and and they've been

1403  
00:53:03,270 --> 00:53:02,000  
claiming to see this thing like

1404  
00:53:05,670 --> 00:53:03,280  
something called the tic tac

1405  
00:53:07,030 --> 00:53:05,680  
and and then all this maneuverability

1406  
00:53:09,829 --> 00:53:07,040  
and yeah you know

1407  
00:53:11,190 --> 00:53:09,839  
even navy pilots are not totally

1408  
00:53:13,750 --> 00:53:11,200  
reliable

1409  
00:53:15,510 --> 00:53:13,760  
they they could be delusional uh even

1410  
00:53:16,470 --> 00:53:15,520  
airline commercial airline pilots and

1411  
00:53:18,950 --> 00:53:16,480  
i'm thinking

1412  
00:53:20,630 --> 00:53:18,960  
are you kidding me you're you're

1413  
00:53:23,670 --> 00:53:20,640

downplaying this

1414

00:53:26,549 --> 00:53:23,680

and and and i i said

1415

00:53:28,790 --> 00:53:26,559

listen if i if i had a chance to ask him

1416

00:53:30,069 --> 00:53:28,800

maybe i'll take a chance and try and get

1417

00:53:32,230 --> 00:53:30,079

him on my show because but i don't want

1418

00:53:34,549 --> 00:53:32,240

to get into a debate into a debate with

1419

00:53:35,910 --> 00:53:34,559

anybody because i don't think i have to

1420

00:53:38,950 --> 00:53:35,920

i don't think that

1421

00:53:41,910 --> 00:53:38,960

i have to be on the side

1422

00:53:42,630 --> 00:53:41,920

where i have to try and prove the case i

1423

00:53:46,150 --> 00:53:42,640

think that

1424

00:53:47,030 --> 00:53:46,160

the debunkers have to prove it on their

1425

00:53:50,630 --> 00:53:47,040

end

1426  
00:53:51,030 --> 00:53:50,640  
um i mean really i i would say i would

1427  
00:53:54,870 --> 00:53:51,040  
ask

1428  
00:53:57,510 --> 00:53:54,880  
someone of neil degrasse tyson

1429  
00:53:58,630 --> 00:53:57,520  
have you personally looked into spend

1430  
00:54:02,150 --> 00:53:58,640  
any time

1431  
00:54:05,270 --> 00:54:02,160  
in your professional astrophysicist life

1432  
00:54:05,829 --> 00:54:05,280  
looking into this science this topic

1433  
00:54:08,790 --> 00:54:05,839  
right

1434  
00:54:09,430 --> 00:54:08,800  
you've spoken to other scientists of

1435  
00:54:12,870 --> 00:54:09,440  
equal

1436  
00:54:15,430 --> 00:54:12,880  
caliber uh and qualifications as you

1437  
00:54:17,349 --> 00:54:15,440  
have you spoken to any of the military

1438  
00:54:20,309 --> 00:54:17,359

pilots have you spoken to someone

1439

00:54:20,790 --> 00:54:20,319

at the pentagon uh people who are in the

1440

00:54:23,349 --> 00:54:20,800

know

1441

00:54:24,710 --> 00:54:23,359

have you really taken the time to do

1442

00:54:26,549 --> 00:54:24,720

that

1443

00:54:27,750 --> 00:54:26,559

and i i think i know what his answer

1444

00:54:30,069 --> 00:54:27,760

would be no i don't have to

1445

00:54:31,430 --> 00:54:30,079

absolutely i i don't have to it's it's

1446

00:54:32,309 --> 00:54:31,440

more logical to think that we're not

1447

00:54:34,549 --> 00:54:32,319

being visited

1448

00:54:36,150 --> 00:54:34,559

they couldn't possibly get here they

1449

00:54:36,789 --> 00:54:36,160

couldn't cross the great distances of

1450

00:54:38,950 --> 00:54:36,799

space

1451  
00:54:41,349 --> 00:54:38,960  
if that's where they're coming from and

1452  
00:54:43,510 --> 00:54:41,359  
and again it's like

1453  
00:54:45,670 --> 00:54:43,520  
how long have we been flying in our

1454  
00:54:48,710 --> 00:54:45,680  
airplanes since the wright brothers

1455  
00:54:49,670 --> 00:54:48,720  
just barely 150 years or not even that

1456  
00:54:53,349 --> 00:54:49,680  
much

1457  
00:54:56,069 --> 00:54:53,359  
if you have any idea of

1458  
00:54:56,950 --> 00:54:56,079  
most scientists now astronomers will

1459  
00:55:00,069 --> 00:54:56,960  
tell you

1460  
00:55:03,349 --> 00:55:00,079  
that the numbers the sheer numbers

1461  
00:55:06,870 --> 00:55:03,359  
dictate that we're not alone

1462  
00:55:09,270 --> 00:55:06,880  
because of how many galaxies there are

1463  
00:55:11,910 --> 00:55:09,280

how many suns there are and how many

1464

00:55:15,270 --> 00:55:11,920

planets there are orbiting those suns

1465

00:55:18,630 --> 00:55:15,280

everywhere in the universe there's a lot

1466

00:55:22,069 --> 00:55:18,640

and and so for any other

1467

00:55:26,470 --> 00:55:22,079

technology to develop somewhere else

1468

00:55:29,670 --> 00:55:26,480

if they're only gosh if they're only 500

1469

00:55:31,030 --> 00:55:29,680

a thousand years ahead of us that means

1470

00:55:32,549 --> 00:55:31,040

they can do something that we don't know

1471

00:55:34,710 --> 00:55:32,559

how to do yet

1472

00:55:36,150 --> 00:55:34,720

and i'm comfortable with that it doesn't

1473

00:55:38,630 --> 00:55:36,160

make them better

1474

00:55:40,630 --> 00:55:38,640

than we are it just makes them a little

1475

00:55:41,349 --> 00:55:40,640

bit better at doing certain things than

1476  
00:55:42,870 --> 00:55:41,359  
we are

1477  
00:55:44,470 --> 00:55:42,880  
there's nothing wrong with that that's

1478  
00:55:47,430 --> 00:55:44,480  
nothing to be afraid of

1479  
00:55:48,069 --> 00:55:47,440  
people shouldn't panic about that but to

1480  
00:55:51,030 --> 00:55:48,079  
just

1481  
00:55:51,829 --> 00:55:51,040  
out and out ridicule the idea that we're

1482  
00:55:55,109 --> 00:55:51,839  
being visited

1483  
00:55:57,750 --> 00:55:55,119  
without actually investigating it

1484  
00:55:58,950 --> 00:55:57,760  
that's uh it's irresponsible and it's

1485  
00:56:02,549 --> 00:55:58,960  
unscientific

1486  
00:56:03,750 --> 00:56:02,559  
completely yeah it's it's like

1487  
00:56:05,109 --> 00:56:03,760  
i don't know how much longer this is

1488  
00:56:06,069 --> 00:56:05,119

going to go on because i don't think

1489

00:56:09,510 --> 00:56:06,079

we're anywhere

1490

00:56:11,910 --> 00:56:09,520

near close to any kind of

1491

00:56:13,430 --> 00:56:11,920

of a public announcement because it

1492

00:56:16,150 --> 00:56:13,440

can't come

1493

00:56:17,910 --> 00:56:16,160

from the president of the united states

1494

00:56:18,470 --> 00:56:17,920

it can't come from the prime minister of

1495

00:56:22,150 --> 00:56:18,480

england

1496

00:56:25,349 --> 00:56:22,160

it can only come from a unilateral

1497

00:56:26,710 --> 00:56:25,359

multiple country announcement that all

1498

00:56:28,950 --> 00:56:26,720

countries agree on

1499

00:56:29,750 --> 00:56:28,960

that's how that kind of an announcement

1500

00:56:33,030 --> 00:56:29,760

can come

1501  
00:56:37,030 --> 00:56:33,040  
the ufos the

1502  
00:56:41,109 --> 00:56:37,040  
care

1503  
00:56:42,710 --> 00:56:41,119  
we think about them

1504  
00:56:44,549 --> 00:56:42,720  
because they don't have to care

1505  
00:56:45,270 --> 00:56:44,559  
nothing's going to stop them nothing has

1506  
00:56:48,150 --> 00:56:45,280  
stopped them

1507  
00:56:49,750 --> 00:56:48,160  
except except their own technology sure

1508  
00:56:52,789 --> 00:56:49,760  
no good point

1509  
00:56:54,150 --> 00:56:52,799  
on the topic of global uh collaboration

1510  
00:56:57,030 --> 00:56:54,160  
cooperation let's

1511  
00:56:57,589 --> 00:56:57,040  
jump back to the u.n quickly and first i

1512  
00:57:01,270 --> 00:56:57,599  
mean

1513  
00:57:03,589 --> 00:57:01,280

obviously i have to mention that

1514

00:57:04,630 --> 00:57:03,599

you have balls my friend because you

1515

00:57:07,829 --> 00:57:04,640

went in

1516

00:57:09,510 --> 00:57:07,839

producing this un event without having

1517

00:57:11,349 --> 00:57:09,520

done that before without knowing how to

1518

00:57:12,470 --> 00:57:11,359

do it without having the internet to

1519

00:57:14,390 --> 00:57:12,480

help you research

1520

00:57:16,630 --> 00:57:14,400

how to go about doing that you know you

1521

00:57:19,589 --> 00:57:16,640

made this happen decades ago

1522

00:57:19,910 --> 00:57:19,599

and that is truly amazing and i'm

1523

00:57:21,750 --> 00:57:19,920

still

1524

00:57:22,950 --> 00:57:21,760

in awe of that you know so many years

1525

00:57:26,309 --> 00:57:22,960

later um

1526

00:57:29,750 --> 00:57:26,319

so so kudos on that um but also

1527

00:57:30,789 --> 00:57:29,760

i'm curious to hear what knowing today's

1528

00:57:34,150 --> 00:57:30,799

climate

1529

00:57:35,030 --> 00:57:34,160

and going back to the idea of revisiting

1530

00:57:37,030 --> 00:57:35,040

a ufo

1531

00:57:38,710 --> 00:57:37,040

presentation at the un doing something

1532

00:57:40,789 --> 00:57:38,720

new now

1533

00:57:42,549 --> 00:57:40,799

in your mind how do you see that that

1534

00:57:44,710 --> 00:57:42,559

playing out what what would a

1535

00:57:45,589 --> 00:57:44,720

modern day ufo presentation at the u.n

1536

00:57:48,710 --> 00:57:45,599

look like

1537

00:57:49,670 --> 00:57:48,720

i think it would involve uh it would

1538

00:57:52,789 --> 00:57:49,680

obviously involve

1539

00:57:54,710 --> 00:57:52,799

in order to to to make it more palatable

1540

00:57:58,789 --> 00:57:54,720

to everybody

1541

00:58:00,309 --> 00:57:58,799

there would have to be more time

1542

00:58:02,150 --> 00:58:00,319

i mean the presentation that we did was

1543

00:58:04,470 --> 00:58:02,160

just under two hours

1544

00:58:05,829 --> 00:58:04,480

uh and and i think it should be a little

1545

00:58:06,470 --> 00:58:05,839

longer it could be something that'll

1546

00:58:09,990 --> 00:58:06,480

last

1547

00:58:12,069 --> 00:58:10,000

a few days like over a weekend and

1548

00:58:13,589 --> 00:58:12,079

there should be representatives of more

1549

00:58:15,990 --> 00:58:13,599

than one country

1550

00:58:16,950 --> 00:58:16,000

that that are willing to come out and

1551

00:58:20,150 --> 00:58:16,960

talk about

1552

00:58:22,630 --> 00:58:20,160

what was going on in above this guy

1553

00:58:24,309 --> 00:58:22,640

and um there should be more people there

1554

00:58:26,789 --> 00:58:24,319

are much more people now

1555

00:58:28,390 --> 00:58:26,799

different people that are very open

1556

00:58:29,990 --> 00:58:28,400

about the ufo subject and just

1557

00:58:32,309 --> 00:58:30,000

some names that come to mind well

1558

00:58:33,670 --> 00:58:32,319

certainly jacques valet because i'd love

1559

00:58:37,190 --> 00:58:33,680

to get him back

1560

00:58:40,630 --> 00:58:37,200

if possible clearly um i mean

1561

00:58:43,670 --> 00:58:40,640

christopher mellon from the intelligence

1562

00:58:46,150 --> 00:58:43,680

world lou elizondo who who

1563

00:58:47,030 --> 00:58:46,160

used to work at the pentagon involved in

1564

00:58:49,270 --> 00:58:47,040

charged with

1565

00:58:50,390 --> 00:58:49,280

the behind the scenes investigations of

1566

00:58:52,789 --> 00:58:50,400

ufos

1567

00:58:53,750 --> 00:58:52,799

there are people in in different

1568

00:58:55,750 --> 00:58:53,760

countries

1569

00:58:57,589 --> 00:58:55,760

who i think would be willing to talk

1570

00:58:59,670 --> 00:58:57,599

would feel more comfortable talking

1571

00:59:00,950 --> 00:58:59,680

if they could do it in numbers i think

1572

00:59:05,829 --> 00:59:00,960

so too yeah

1573

00:59:09,030 --> 00:59:05,839

you know again in 1978 sir eric gary

1574

00:59:12,069 --> 00:59:09,040

didn't have the international respect

1575

00:59:13,670 --> 00:59:12,079

i don't think that more people in

1576

00:59:15,910 --> 00:59:13,680

different countries now

1577

00:59:17,829 --> 00:59:15,920

have i wouldn't even certainly not

1578

00:59:18,870 --> 00:59:17,839

somebody to lead the charge and somebody

1579

00:59:20,630 --> 00:59:18,880

who other countries would feel

1580

00:59:22,309 --> 00:59:20,640

comfortable following yeah

1581

00:59:24,069 --> 00:59:22,319

and you know what if i had if i had to

1582

00:59:29,589 --> 00:59:24,079

choose i wouldn't even approach

1583

00:59:33,349 --> 00:59:32,870

so that's understandable uh i mean

1584

00:59:36,549 --> 00:59:33,359

really

1585

00:59:38,710 --> 00:59:36,559

i i i think that

1586

00:59:39,670 --> 00:59:38,720

there's probably there are so many more

1587

00:59:42,710 --> 00:59:39,680

documents

1588

00:59:44,630 --> 00:59:42,720

that can be given evaluated

1589

00:59:45,829 --> 00:59:44,640

and even forget the documents come on

1590

00:59:49,510 --> 00:59:45,839

folks

1591

00:59:52,549 --> 00:59:49,520

we've only really seen three confirmed

1592

00:59:53,510 --> 00:59:52,559

videos let's let's go with more videos i

1593

00:59:56,870 --> 00:59:53,520

mean

1594

00:59:57,270 --> 00:59:56,880

look a couple years ago when james fox

1595

01:00:00,630 --> 00:59:57,280

and i

1596

01:00:02,549 --> 01:00:00,640

were working on the phenomenon and

1597

01:00:03,750 --> 01:00:02,559

and we spent the good part of an

1598

01:00:06,470 --> 01:00:03,760

afternoon

1599

01:00:08,309 --> 01:00:06,480

in the law office in las vegas of

1600

01:00:10,630 --> 01:00:08,319

senator harry reid

1601

01:00:11,910 --> 01:00:10,640

uh the former you know the majority

1602

01:00:14,710 --> 01:00:11,920

leader of the senate

1603

01:00:15,589 --> 01:00:14,720

and he he's the one who you know really

1604

01:00:18,309 --> 01:00:15,599

helped to get

1605

01:00:19,750 --> 01:00:18,319

all the money to to create this pentagon

1606

01:00:23,430 --> 01:00:19,760

ufo study

1607

01:00:25,430 --> 01:00:23,440

and and he he said to us there's so much

1608

01:00:27,190 --> 01:00:25,440

out there

1609

01:00:29,430 --> 01:00:27,200

the three videos that have already come

1610

01:00:30,069 --> 01:00:29,440

out that's nothing compared to what we

1611

01:00:33,589 --> 01:00:30,079

have

1612

01:00:37,750 --> 01:00:33,599

shouldn't

1613

01:00:40,470 --> 01:00:37,760

countries have the right

1614

01:00:41,910 --> 01:00:40,480

to look at these things but no nobody's

1615

01:00:44,470 --> 01:00:41,920

doing that

1616

01:00:45,829 --> 01:00:44,480

everybody wants to be the ones who you

1617

01:00:47,750 --> 01:00:45,839

know get the power first

1618

01:00:49,750 --> 01:00:47,760

let's reengineer let's reverse engineer

1619

01:00:52,150 --> 01:00:49,760

this so we will actually have

1620

01:00:53,349 --> 01:00:52,160

our the first flying saucer well that

1621

01:00:57,270 --> 01:00:53,359

ain't going to happen

1622

01:01:01,190 --> 01:00:57,280

yeah it's not going to happen

1623

01:01:04,390 --> 01:01:01,200

uh just talking to people like

1624

01:01:05,510 --> 01:01:04,400

harry reid was was amazing to hear the

1625

01:01:07,109 --> 01:01:05,520

things that he told us

1626  
01:01:08,710 --> 01:01:07,119  
he told us things that ended up on the

1627  
01:01:10,230 --> 01:01:08,720  
cutting room floor that never made it

1628  
01:01:13,270 --> 01:01:10,240  
into the phenomenon

1629  
01:01:15,990 --> 01:01:13,280  
uh that you know was really

1630  
01:01:18,230 --> 01:01:16,000  
really interesting i mean we we weren't

1631  
01:01:19,030 --> 01:01:18,240  
even really going to mention to him or

1632  
01:01:21,270 --> 01:01:19,040  
ask him

1633  
01:01:23,349 --> 01:01:21,280  
to talk about something else which i had

1634  
01:01:26,230 --> 01:01:23,359  
wanted to and james said no

1635  
01:01:27,910 --> 01:01:26,240  
let's just kind of leave it but during

1636  
01:01:31,270 --> 01:01:27,920  
during the conversation

1637  
01:01:33,910 --> 01:01:31,280  
and james was asking harry reid all the

1638  
01:01:36,309 --> 01:01:33,920

the right stuff reid just suddenly said

1639

01:01:43,109 --> 01:01:39,349

there's a place in utah uh

1640

01:01:45,190 --> 01:01:43,119

it's a ranch and it's it's a place

1641

01:01:47,349 --> 01:01:45,200

and he never made he didn't mention it

1642

01:01:49,510 --> 01:01:47,359

that the name is skinwalker ranch

1643

01:01:50,789 --> 01:01:49,520

so but this is there's a ranch there on

1644

01:01:53,589 --> 01:01:50,799

which

1645

01:01:54,870 --> 01:01:53,599

almost every paranormal phenomena that

1646

01:01:57,430 --> 01:01:54,880

you can think of

1647

01:01:58,789 --> 01:01:57,440

has occurred and there have been teams

1648

01:02:05,510 --> 01:01:58,799

of scientists

1649

01:02:07,430 --> 01:02:05,520

robert bigelow who's

1650

01:02:08,870 --> 01:02:07,440

under contract with nasa to build new

1651

01:02:12,710 --> 01:02:08,880

space modules and

1652

01:02:14,870 --> 01:02:12,720

and he created this this whole um

1653

01:02:16,630 --> 01:02:14,880

organization of scientists and one of

1654

01:02:19,029 --> 01:02:16,640

the first scientists there

1655

01:02:20,309 --> 01:02:19,039

was jacques valet the first the first

1656

01:02:22,789 --> 01:02:20,319

person who

1657

01:02:23,510 --> 01:02:22,799

who spent the night there at skinwalker

1658

01:02:26,630 --> 01:02:23,520

ranch

1659

01:02:28,630 --> 01:02:26,640

uh who was with uh

1660

01:02:30,630 --> 01:02:28,640

with bigelow when he bought the ranch

1661

01:02:31,750 --> 01:02:30,640

from the owners who had to leave because

1662

01:02:35,029 --> 01:02:31,760

they couldn't stand it

1663

01:02:39,270 --> 01:02:35,039

anymore uh was former

1664

01:02:42,549 --> 01:02:39,280

army retired colonel john alexander

1665

01:02:45,190 --> 01:02:42,559

and and he he he was

1666

01:02:46,549 --> 01:02:45,200

he wanted to not only did he see the the

1667

01:02:47,990 --> 01:02:46,559

the changing of the guard from the

1668

01:02:51,670 --> 01:02:48,000

ownership of the ranch from one person

1669

01:02:53,349 --> 01:02:51,680

to robert bigelow but but he insisted

1670

01:02:55,589 --> 01:02:53,359

john insisted on spending the night

1671

01:02:58,230 --> 01:02:55,599

there alone

1672

01:02:58,789 --> 01:02:58,240

he's the kind of guy where in the 1960s

1673

01:03:02,069 --> 01:02:58,799

he was an

1674

01:03:04,150 --> 01:03:02,079

a-team commander i mean it's like if you

1675

01:03:04,630 --> 01:03:04,160

want to be anywhere in a jungle during a

1676

01:03:06,789 --> 01:03:04,640

war

1677

01:03:08,390 --> 01:03:06,799

he's the kind of guy you want to be with

1678

01:03:09,270 --> 01:03:08,400

you know he could get you through

1679

01:03:12,069 --> 01:03:09,280

anything

1680

01:03:12,470 --> 01:03:12,079

and he he spent the night at skinwalker

1681

01:03:15,029 --> 01:03:12,480

and

1682

01:03:16,390 --> 01:03:15,039

there were things that that freaked him

1683

01:03:17,910 --> 01:03:16,400

out a little bit too

1684

01:03:19,910 --> 01:03:17,920

and and he and i have talked about it

1685

01:03:22,630 --> 01:03:19,920

and i i had him on on

1686

01:03:23,829 --> 01:03:22,640

my show again about talking about these

1687

01:03:26,950 --> 01:03:23,839

things and he

1688

01:03:29,510 --> 01:03:26,960

uh he's a no-nonsense man

1689

01:03:30,789 --> 01:03:29,520

and he wrote an amazing couple of books

1690

01:03:33,990 --> 01:03:30,799

about ufos

1691

01:03:36,549 --> 01:03:34,000

absolutely everybody by surprise uh

1692

01:03:38,309 --> 01:03:36,559

and and he's the kind of guy that says

1693

01:03:42,069 --> 01:03:38,319

if there's something

1694

01:03:45,430 --> 01:03:42,079

paranormal going on at skinwalker ranch

1695

01:03:48,630 --> 01:03:45,440

or somewhere else we need to study it

1696

01:03:49,910 --> 01:03:48,640

instead of make fun of it that that

1697

01:03:53,109 --> 01:03:49,920

attitude shift

1698

01:03:54,950 --> 01:03:53,119

has to change in order to to make the

1699

01:03:57,510 --> 01:03:54,960

public realize that

1700

01:03:58,870 --> 01:03:57,520

we're not alone we could be getting

1701

01:04:00,789 --> 01:03:58,880

visited by someone

1702

01:04:02,150 --> 01:04:00,799

uh who's just on the other side of an

1703

01:04:04,390 --> 01:04:02,160

invisible

1704

01:04:06,230 --> 01:04:04,400

you know plane of existence right you

1705

01:04:08,470 --> 01:04:06,240

know or dimension

1706

01:04:09,589 --> 01:04:08,480

there's so much out there that we don't

1707

01:04:13,029 --> 01:04:09,599

know

1708

01:04:13,829 --> 01:04:13,039

and i i i hope but i don't think it's

1709

01:04:15,270 --> 01:04:13,839

going to happen

1710

01:04:17,829 --> 01:04:15,280

uh that will know about these things in

1711

01:04:20,950 --> 01:04:17,839

my lifetime uh i i just

1712

01:04:22,630 --> 01:04:20,960

i don't feel that positive about about

1713

01:04:25,029 --> 01:04:22,640

how transparent this information is

1714

01:04:28,390 --> 01:04:25,039

going to be and when it can come out

1715

01:04:30,150 --> 01:04:28,400

yeah that's a a realistic view and uh

1716

01:04:31,990 --> 01:04:30,160

you know certainly one that from

1717

01:04:33,349 --> 01:04:32,000

somebody who's been in this field for so

1718

01:04:36,390 --> 01:04:33,359

long and looking into the

1719

01:04:39,589 --> 01:04:36,400

the strange subjects like this um

1720

01:04:42,150 --> 01:04:39,599

yeah i i share that view

1721

01:04:42,870 --> 01:04:42,160

as well uh we're we're past an hour here

1722

01:04:44,549 --> 01:04:42,880

lee so

1723

01:04:46,309 --> 01:04:44,559

we should probably wrap up our

1724

01:04:47,670 --> 01:04:46,319

conversation for today

1725

01:04:49,670 --> 01:04:47,680

but you've mentioned your show a couple

1726

01:04:51,670 --> 01:04:49,680

of times please do tell us the name of

1727

01:04:53,750 --> 01:04:51,680

your show and how people can listen

1728

01:04:54,710 --> 01:04:53,760

to your fantastic show the name of my

1729

01:04:58,470 --> 01:04:54,720

show is

1730

01:05:01,430 --> 01:04:58,480

edge of reality radio it's a resurrected

1731

01:05:02,230 --> 01:05:01,440

version of the first talk show that i

1732

01:05:04,870 --> 01:05:02,240

did

1733

01:05:06,950 --> 01:05:04,880

um almost 30 years ago more than 30

1734

01:05:09,270 --> 01:05:06,960

years ago on nbc radio

1735

01:05:11,109 --> 01:05:09,280

called media what's that yeah i know

1736

01:05:14,230 --> 01:05:11,119

what's radio right

1737

01:05:17,430 --> 01:05:14,240

i did the edge of reality uh for nbc

1738

01:05:20,870 --> 01:05:17,440

and then when i was approached

1739

01:05:23,430 --> 01:05:20,880

a few years ago by kgra

1740

01:05:24,710 --> 01:05:23,440

digital broadcast network to to come on

1741

01:05:27,349 --> 01:05:24,720

and do

1742

01:05:27,990 --> 01:05:27,359

a new show uh i said okay but i'd like

1743

01:05:30,309 --> 01:05:28,000

to call it

1744

01:05:31,430 --> 01:05:30,319

edge of reality again because i may

1745

01:05:32,950 --> 01:05:31,440

still have some people out there who

1746

01:05:35,750 --> 01:05:32,960

used to listen to that show

1747

01:05:37,190 --> 01:05:35,760

i want to keep the listeners out there

1748

01:05:40,630 --> 01:05:37,200

and

1749

01:05:41,349 --> 01:05:40,640

uh i instantly did a um i went online to

1750

01:05:44,309 --> 01:05:41,359

do uh

1751

01:05:45,670 --> 01:05:44,319

a domain name search for edge of reality

1752

01:05:50,789 --> 01:05:45,680

and

1753

01:05:52,950 --> 01:05:50,799

from from the south to calling

1754

01:05:54,069 --> 01:05:52,960

themselves edge of reality and it's a

1755

01:05:57,190 --> 01:05:54,079

good bad name

1756

01:05:59,670 --> 01:05:57,200

damn right i guess uh

1757

01:06:00,870 --> 01:05:59,680

and and it was my it was my lovely wife

1758

01:06:04,630 --> 01:06:00,880

and muse

1759

01:06:06,470 --> 01:06:04,640

lorraine who said to me you know

1760

01:06:08,470 --> 01:06:06,480

why don't you go go back online and do

1761

01:06:13,190 --> 01:06:08,480

another search and look for

1762

01:06:16,549 --> 01:06:13,200

the words edgeofrealityradio.com

1763

01:06:18,309 --> 01:06:16,559

and i did and i found it and i bought it

1764

01:06:19,910 --> 01:06:18,319

way to go lorraine all right it just

1765

01:06:21,430 --> 01:06:19,920

kind of rolls off the left edge of

1766

01:06:23,430 --> 01:06:21,440

reality radio

1767

01:06:25,430 --> 01:06:23,440

and and so that's that's the the name of

1768

01:06:27,589 --> 01:06:25,440

the show i'm on kgra

1769

01:06:30,470 --> 01:06:27,599

db if anybody's interested in hearing

1770

01:06:34,230 --> 01:06:30,480

the show it's on every thursday evening

1771

01:06:35,910 --> 01:06:34,240

uh from 8 00 to 10 p.m eastern time

1772

01:06:37,990 --> 01:06:35,920

so you can go ahead and figure out when

1773

01:06:41,190 --> 01:06:38,000

you can hear it um

1774

01:06:44,150 --> 01:06:41,200

as i said just you can just google kgr

1775

01:06:46,549 --> 01:06:44,160

a db.com it'll take you right to the

1776

01:06:48,230 --> 01:06:46,559

kgra page and you can

1777

01:06:50,069 --> 01:06:48,240

look at the archives and just see all

1778

01:06:52,950 --> 01:06:50,079

kinds of things about the show

1779

01:06:54,150 --> 01:06:52,960

so i'm glad excellent doing it again

1780

01:06:56,230 --> 01:06:54,160

yeah that's exciting

1781

01:06:57,990 --> 01:06:56,240

well i sure do miss getting into trouble

1782

01:07:00,309 --> 01:06:58,000

with you lee whether it's been in

1783

01:07:02,150 --> 01:07:00,319

phoenix or new york or las vegas you and

1784

01:07:03,430 --> 01:07:02,160

i have had some great fun over the years

1785

01:07:06,150 --> 01:07:03,440

conducting our

1786

01:07:07,910 --> 01:07:06,160

covert ops together i really miss that

1787

01:07:09,990 --> 01:07:07,920

so i can't wait till you and i find

1788

01:07:12,549 --> 01:07:10,000

ourselves in the same place again so we

1789

01:07:14,150 --> 01:07:12,559

can uh get into some more trouble

1790

01:07:16,069 --> 01:07:14,160

well i think you'll be the kind of guy

1791

01:07:17,510 --> 01:07:16,079

that i'd like to do that with

1792

01:07:19,349 --> 01:07:17,520

i i mean because you could you've got

1793

01:07:22,950 --> 01:07:19,359

the look

1794

01:07:24,549 --> 01:07:22,960

that i i always thought that

1795

01:07:27,589 --> 01:07:24,559

the the visitors would probably really

1796

01:07:29,190 --> 01:07:27,599

be attracted to you much more than me

1797

01:07:31,829 --> 01:07:29,200

well i don't know if you would have as

1798

01:07:34,390 --> 01:07:31,839

much luck with me as you did with

1799

01:07:36,069 --> 01:07:34,400

uh robin leach you know robin leach is a

1800

01:07:38,950 --> 01:07:36,079

is probably a better buddy to go

1801

01:07:39,750 --> 01:07:38,960

ufo hunting with and you did that so i

1802

01:07:42,549 --> 01:07:39,760

did the late

1803

01:07:43,109 --> 01:07:42,559

great lifestyle of the rich and famous

1804

01:07:45,349 --> 01:07:43,119

man

1805

01:07:46,630 --> 01:07:45,359

robin leach yeah we were we were friends

1806

01:07:49,990 --> 01:07:46,640

for over 40 years

1807

01:07:51,910 --> 01:07:50,000

right and i miss him a lot absolutely

1808

01:07:54,309 --> 01:07:51,920

well you and i can certainly do it

1809

01:07:56,230 --> 01:07:54,319

um i don't know if i have the look

1810

01:07:59,349 --> 01:07:56,240

they're looking for but we can certainly

1811

01:08:01,430 --> 01:07:59,359

uh use me as bait i'm on game oh oh yeah

1812

01:08:02,870 --> 01:08:01,440

i use you as bait at the end of a long

1813

01:08:06,230 --> 01:08:02,880

strong fishing pole

1814

01:08:07,829 --> 01:08:06,240

right yep all right lee

1815

01:08:09,430 --> 01:08:07,839

thank you so much buddy i appreciate you

1816

01:08:11,190 --> 01:08:09,440

taking the time to hang out today

1817

01:08:13,270 --> 01:08:11,200

thanks jason thanks for having me on we

1818

01:08:14,710 --> 01:08:13,280

can do it again

1819

01:08:16,870 --> 01:08:14,720

well citizens that's going to do it for

1820

01:08:18,709 --> 01:08:16,880

this episode is it lee awesome

1821

01:08:20,789 --> 01:08:18,719

i love that guy if you want to learn

1822

01:08:22,390 --> 01:08:20,799

more about lee and his incredible career

1823

01:08:24,590 --> 01:08:22,400

in the strange world of unexplained

1824
