00:00:06,940 --> 00:00:05,910
greetings to all the lovers of the

3
00:00:09,030 --> 00:00:06,950
strange

[Music]

5
00:00:34,790 --> 00:00:16,560
hello citizens and welcome to unknown

6
00:00:36,790 --> 00:00:34,800
[Music]

7
00:00:38,470 --> 00:00:36,800
i'm jason mcclellan thanks for hanging

8
00:00:41,110 --> 00:00:38,480
out with me

9
00:00:43,270 --> 00:00:41,120
on friday june 25th the public was

10
00:00:44,549 --> 00:00:43,280
presented with that much hyped and

11
00:00:49,160 --> 00:00:44,559
highly anticipated

12
00:00:55,830 --> 00:00:53,830
[Music]

13
00:00:57,029 --> 00:00:55,840

we'll walk through that report today but

14

00:00:58,790 --> 00:00:57,039

before we do

15

00:01:00,470 --> 00:00:58,800

i know we've talked about this report

16

00:01:01,750 --> 00:01:00,480

several times on this show

17

00:01:04,149 --> 00:01:01,760

but if you're not familiar with this

18

00:01:06,149 --> 00:01:04,159

report or if you need a refresher

19

00:01:08,390 --> 00:01:06,159

this is a report that was requested back

20

00:01:10,390 --> 00:01:08,400

in june of 2020 by the senate select

21

00:01:12,149 --> 00:01:10,400

committee on intelligence

22

00:01:13,830 --> 00:01:12,159

it asked for the office of the director

23

00:01:14,550 --> 00:01:13,840

of national intelligence to prepare a

24

00:01:16,710 --> 00:01:14,560

report

25

00:01:17,590 --> 00:01:16,720

containing data about military ufo

26

00:01:19,109 --> 00:01:17,600

encounters

27

00:01:21,270 --> 00:01:19,119

as well as a plan for different

28

00:01:24,550 --> 00:01:21,280

government departments and agencies

29

00:01:26,390 --> 00:01:24,560

to share data related to ufos that's the

30

00:01:29,429 --> 00:01:26,400

short backstory for this report

31

00:01:30,789 --> 00:01:29,439

so let's get into it the unclassified

32

00:01:32,789 --> 00:01:30,799

version of this report

33

00:01:34,789 --> 00:01:32,799

titled preliminary assessment

34

00:01:36,310 --> 00:01:34,799

unidentified aerial phenomena

35

00:01:38,310 --> 00:01:36,320

was published by the office of the

36

00:01:41,350 --> 00:01:38,320

director of national intelligence on the

37

00:01:43,429 --> 00:01:41,360

afternoon of june 25th

38

00:01:45,190 --> 00:01:43,439

the first section in this report titled

39

00:01:47,830 --> 00:01:45,200

scope and assumptions

40

00:01:48,630 --> 00:01:47,840

already gives us a nice surprise we see

41

00:01:50,469 --> 00:01:48,640

right away

42

00:01:53,749 --> 00:01:50,479

that a wide variety of government

43

00:01:57,109 --> 00:01:53,759

agencies provided input for the report

44

00:02:00,310 --> 00:01:57,119

army navy air force nsa

45

00:02:01,590 --> 00:02:00,320

faa fbi and more

46

00:02:03,749 --> 00:02:01,600

although that might sound like a

47

00:02:05,670 --> 00:02:03,759

no-brainer for a report like this

48

00:02:06,950 --> 00:02:05,680

you might recall that the report request

49

00:02:07,990 --> 00:02:06,960

from the senate select committee on

50

00:02:09,830 --> 00:02:08,000

intelligence

51
00:02:11,029 --> 00:02:09,840
only asked for data from the navy and

52
00:02:13,270 --> 00:02:11,039
the fbi

53
00:02:14,630 --> 00:02:13,280
so seeing a broad list of data sources

54
00:02:18,229 --> 00:02:14,640
included in the report

55
00:02:20,150 --> 00:02:18,239
was unexpected but certainly reassuring

56
00:02:22,869 --> 00:02:20,160
for this report the pentagon's

57
00:02:25,670 --> 00:02:22,879
unidentified aerial phenomena task force

58
00:02:26,630 --> 00:02:25,680
focused on military ufo incidents that

59
00:02:29,670 --> 00:02:26,640
occurred between

60
00:02:33,270 --> 00:02:29,680
2004 and 2021

61
00:02:36,070 --> 00:02:33,280
they looked at 144 ufo reports

62
00:02:36,869 --> 00:02:36,080
but unfortunately this unclassified

63
00:02:38,710 --> 00:02:36,879

report

64

00:02:41,030 --> 00:02:38,720

doesn't include the details of any of

65

00:02:43,509 --> 00:02:41,040

these evaluated incidents

66

00:02:44,390 --> 00:02:43,519

in lieu of specific details the report

67

00:02:47,509 --> 00:02:44,400

notes that

68

00:02:49,910 --> 00:02:47,519

of the 144 reports they looked at a

69

00:02:50,229 --> 00:02:49,920

positive identification was only found

70

00:02:53,350 --> 00:02:50,239

for

71

00:02:58,070 --> 00:02:53,360

one case which turned out to be a large

72

00:03:03,190 --> 00:03:01,190

i suspect the most interesting exciting

73

00:03:04,229 --> 00:03:03,200

or even sexy part of this report for the

74

00:03:07,270 --> 00:03:04,239

general public

75

00:03:10,149 --> 00:03:07,280

and ufo fans alike is the comment that

76

00:03:11,110 --> 00:03:10,159

quote a handful of uap appear to

77

00:03:14,309 --> 00:03:11,120

demonstrate

78

00:03:17,350 --> 00:03:14,319

advanced technology end quote

79

00:03:20,149 --> 00:03:17,360

again without providing specific details

80

00:03:21,110 --> 00:03:20,159

the report describes quote in 18

81

00:03:23,830 --> 00:03:21,120

incidents

82

00:03:25,509 --> 00:03:23,840

described in 21 reports observers

83

00:03:27,110 --> 00:03:25,519

reported unusual uap

84

00:03:29,589 --> 00:03:27,120

movement patterns or flight

85

00:03:32,149 --> 00:03:29,599

characteristics some uap appear to

86

00:03:33,509 --> 00:03:32,159

remain stationary in winds aloft moving

87

00:03:35,830 --> 00:03:33,519

against the wind

88

00:03:37,589 --> 00:03:35,840

maneuver abruptly or move at

89

00:03:40,309 --> 00:03:37,599

considerable speed

90

00:03:41,830 --> 00:03:40,319

without discernible means of propulsion

91

00:03:43,830 --> 00:03:41,840

in a small number of cases

92

00:03:45,190 --> 00:03:43,840

military aircraft systems processed

93

00:03:49,030 --> 00:03:45,200

radio frequency

94

00:03:51,509 --> 00:03:49,040

rf energy associated with uap sightings

95

00:03:53,509 --> 00:03:51,519

the uaptf holds a small amount of data

96

00:03:54,550 --> 00:03:53,519

that appear to show uap demonstrating

97

00:03:57,190 --> 00:03:54,560

acceleration

98

00:03:58,789 --> 00:03:57,200

or a degree of signature management

99

00:03:59,589 --> 00:03:58,799

additional rigorous analysis are

100

00:04:01,910 --> 00:03:59,599

necessary

101
00:04:03,670 --> 00:04:01,920
by multiple teams or groups of technical

102
00:04:05,429 --> 00:04:03,680
experts to determine the nature and

103
00:04:07,030 --> 00:04:05,439
validity of these data

104
00:04:08,789 --> 00:04:07,040
we are conducting further analysis to

105
00:04:09,990 --> 00:04:08,799
determine if breakthrough technologies

106
00:04:13,030 --> 00:04:10,000
were demonstrated

107
00:04:14,710 --> 00:04:13,040
end quote and on the other hand

108
00:04:16,550 --> 00:04:14,720
the part of this report that probably

109
00:04:19,189 --> 00:04:16,560
bummed some people out the most

110
00:04:20,949 --> 00:04:19,199
was this statement quote the limited

111
00:04:22,870 --> 00:04:20,959
amount of high quality reporting on

112
00:04:24,550 --> 00:04:22,880
unidentified aerial phenomena

113
00:04:26,629 --> 00:04:24,560

hampers our ability to draw firm

114

00:04:30,150 --> 00:04:26,639

conclusions about the nature or intent

115

00:04:31,990 --> 00:04:30,160

of uap end quote many people were really

116

00:04:32,710 --> 00:04:32,000

hoping for some sort of groundbreaking

117

00:04:34,870 --> 00:04:32,720

announcement

118

00:04:36,790 --> 00:04:34,880

or some conclusive determination about

119

00:04:37,749 --> 00:04:36,800

aliens or certainly something more

120

00:04:41,030 --> 00:04:37,759

exciting than

121

00:04:43,749 --> 00:04:41,040

we don't know but that's ufos

122

00:04:45,830 --> 00:04:43,759

welcome to the game that's how trying to

123

00:04:48,150 --> 00:04:45,840

identify ufos works

124

00:04:50,390 --> 00:04:48,160

in the large majority of cases you can

125

00:04:53,350 --> 00:04:50,400

come up with likely explanations

126
00:04:54,870 --> 00:04:53,360
but most cases also have extremely

127
00:04:58,790 --> 00:04:54,880
limited data

128
00:05:01,189 --> 00:04:58,800
so firm conclusions are hard to come by

129
00:05:02,870 --> 00:05:01,199
one component of the report i personally

130
00:05:05,590 --> 00:05:02,880
found to be a bit silly

131
00:05:06,310 --> 00:05:05,600
was the statement that quote uap

132
00:05:10,150 --> 00:05:06,320
probably

133
00:05:13,830 --> 00:05:10,160
lack a single explanation end quote

134
00:05:14,469 --> 00:05:13,840
really you don't say of course there

135
00:05:17,830 --> 00:05:14,479
isn't a

136
00:05:18,390 --> 00:05:17,840
single explanation for ufos every ufo

137
00:05:21,110 --> 00:05:18,400
sighting

138
00:05:21,909 --> 00:05:21,120

is different the explanations for ufo

139

00:05:24,950 --> 00:05:21,919

sightings are

140

00:05:27,430 --> 00:05:24,960

infinite but i suppose it's good that

141

00:05:29,110 --> 00:05:27,440

this detail was included in the report

142

00:05:30,950 --> 00:05:29,120

it's something that the general public

143

00:05:33,189 --> 00:05:30,960

doesn't fully grasp

144

00:05:35,909 --> 00:05:33,199

and frankly it's not surprising to see

145

00:05:37,590 --> 00:05:35,919

things like that in this report

146

00:05:39,670 --> 00:05:37,600

it clearly indicates that the

147

00:05:42,150 --> 00:05:39,680

individuals who assembled this report

148

00:05:43,990 --> 00:05:42,160

are new to this topic and that's not

149

00:05:45,830 --> 00:05:44,000

necessarily a bad thing

150

00:05:47,749 --> 00:05:45,840

but it does provide some important

151
00:05:48,710 --> 00:05:47,759
context about the people behind the

152
00:05:50,870 --> 00:05:48,720
report

153
00:05:51,990 --> 00:05:50,880
the incident evaluations conducted for

154
00:05:58,469 --> 00:05:52,000
the report

155
00:06:01,110 --> 00:05:58,479
of the investigation process

156
00:06:02,550 --> 00:06:01,120
seemingly established by the uaptf and

157
00:06:05,110 --> 00:06:02,560
that's a section detailing

158
00:06:05,670 --> 00:06:05,120
five explanatory categories into which

159
00:06:07,909 --> 00:06:05,680
ufo

160
00:06:09,029 --> 00:06:07,919
incidents will be placed once they are

161
00:06:11,350 --> 00:06:09,039
resolved

162
00:06:12,390 --> 00:06:11,360
and those categories are airborne

163
00:06:15,430 --> 00:06:12,400

clutter

164

00:06:17,830 --> 00:06:15,440

natural atmospheric phenomena usg or

165

00:06:21,749 --> 00:06:17,840

industry developmental programs

166

00:06:24,309 --> 00:06:21,759

foreign adversary systems and other

167

00:06:26,070 --> 00:06:24,319

of course this other bucket is where

168

00:06:27,749 --> 00:06:26,080

cases most interesting to ufo

169

00:06:30,710 --> 00:06:27,759

researchers will land

170

00:06:31,350 --> 00:06:30,720

and it's nice to see that at least for

171

00:06:33,430 --> 00:06:31,360

now

172

00:06:35,270 --> 00:06:33,440

the plan isn't simply to dump the

173

00:06:37,830 --> 00:06:35,280

unknowns into a bucket

174

00:06:38,469 --> 00:06:37,840

and forget them the report explicitly

175

00:06:40,950 --> 00:06:38,479

states

176
00:06:41,909 --> 00:06:40,960
quote we would group such objects in

177
00:06:44,390 --> 00:06:41,919
this category

178
00:06:46,230 --> 00:06:44,400
pending scientific advances that would

179
00:06:48,550 --> 00:06:46,240
allow us to better understand them

180
00:06:49,430 --> 00:06:48,560
the uaptf intends to focus additional

181
00:06:51,589 --> 00:06:49,440
analysis

182
00:06:52,629 --> 00:06:51,599
on the small number of cases where a uap

183
00:06:54,390 --> 00:06:52,639
appeared to display

184
00:06:56,710 --> 00:06:54,400
unusual flight characteristics or

185
00:06:59,670 --> 00:06:56,720
signature management end quote

186
00:07:01,830 --> 00:06:59,680
unsurprisingly the report states quote

187
00:07:04,230 --> 00:07:01,840
uap sightings also tend to cluster

188
00:07:07,029 --> 00:07:04,240

around us training and testing grounds

189

00:07:07,670 --> 00:07:07,039

end quote that's not surprising for this

190

00:07:10,550 --> 00:07:07,680

report

191

00:07:11,110 --> 00:07:10,560

because after all military training

192

00:07:12,790 --> 00:07:11,120

ranges

193

00:07:15,270 --> 00:07:12,800

were more or less the focus of this

194

00:07:16,070 --> 00:07:15,280

report but i was glad to see them

195

00:07:18,870 --> 00:07:16,080

responsibly

196

00:07:20,790 --> 00:07:18,880

add quote would we assess that this may

197

00:07:23,270 --> 00:07:20,800

result from a collection bias

198

00:07:25,350 --> 00:07:23,280

as a result of focused attention greater

199

00:07:27,110 --> 00:07:25,360

numbers of latest generation sensors

200

00:07:30,230 --> 00:07:27,120

operating in those areas

201
00:07:34,070 --> 00:07:30,240
unit expectations and guidance to report

202
00:07:36,950 --> 00:07:34,080
anomalies end quote ufos are reported

203
00:07:38,150 --> 00:07:36,960
all around the world every day and

204
00:07:39,990 --> 00:07:38,160
there's no question

205
00:07:42,150 --> 00:07:40,000
that the number of sightings that occur

206
00:07:45,510 --> 00:07:42,160
outside of military airspace

207
00:07:47,430 --> 00:07:45,520
far outweigh those that do so again

208
00:07:48,629 --> 00:07:47,440
this is just kind of a common sense

209
00:07:50,550 --> 00:07:48,639
thing

210
00:07:52,550 --> 00:07:50,560
there's one section of this report that

211
00:07:54,550 --> 00:07:52,560
i had to re-read a few times

212
00:07:56,550 --> 00:07:54,560
and that's a section that mentions the

213
00:08:00,150 --> 00:07:56,560

federal aviation administration

214

00:08:02,869 --> 00:08:00,160

the faa the report states quote

215

00:08:04,710 --> 00:08:02,879

the faa captures data related to uap

216

00:08:06,469 --> 00:08:04,720

during the normal course of managing air

217

00:08:08,869 --> 00:08:06,479

traffic operations

218

00:08:10,869 --> 00:08:08,879

the faa generally ingests this data when

219

00:08:13,350 --> 00:08:10,879

pilots and other aerospace users

220

00:08:14,390 --> 00:08:13,360

report unusual or unexpected events to

221

00:08:17,350 --> 00:08:14,400

the faa's

222

00:08:18,869 --> 00:08:17,360

air traffic organization end quote i

223

00:08:22,710 --> 00:08:18,879

initially found this statement

224

00:08:25,189 --> 00:08:22,720

troubling because no the faa has

225

00:08:28,230 --> 00:08:25,199

notoriously and confusingly wanted

226

00:08:30,070 --> 00:08:28,240

nothing to do with ufo reports and data

227

00:08:31,270 --> 00:08:30,080

their manual directs people wishing to

228

00:08:33,750 --> 00:08:31,280

report a ufo

229

00:08:35,909 --> 00:08:33,760

to civilian ufo reporting centers like

230

00:08:38,790 --> 00:08:35,919

the national ufo reporting center

231

00:08:39,350 --> 00:08:38,800

now maybe this is a new shift in policy

232

00:08:42,469 --> 00:08:39,360

that will

233

00:08:44,389 --> 00:08:42,479

be reflected in the manual soon but

234

00:08:46,710 --> 00:08:44,399

after rereading this statement a few

235

00:08:49,750 --> 00:08:46,720

times i suspect the report

236

00:08:50,710 --> 00:08:49,760

is only specifically referring to live

237

00:08:53,110 --> 00:08:50,720

incidents

238

00:08:53,750 --> 00:08:53,120

like when a pilot sees an unexpected

239

00:08:56,630 --> 00:08:53,760

craft

240

00:08:59,030 --> 00:08:56,640

nearby and radios a tower to inquire

241

00:09:01,910 --> 00:08:59,040

about any nearby traffic

242

00:09:03,110 --> 00:09:01,920

but regardless it looks like the faa is

243

00:09:04,710 --> 00:09:03,120

certainly being included in the

244

00:09:07,350 --> 00:09:04,720

government's ufo study

245

00:09:09,350 --> 00:09:07,360

and that's a very good thing the ufo

246

00:09:12,070 --> 00:09:09,360

report concludes in a logical

247

00:09:12,630 --> 00:09:12,080

and predictable way by again pointing

248

00:09:15,590 --> 00:09:12,640

out

249

00:09:17,910 --> 00:09:15,600

that it's not easy to study ufos even

250

00:09:20,550 --> 00:09:17,920

harder to identify ufos

251
00:09:22,630 --> 00:09:20,560
and any further official study requires

252
00:09:24,870 --> 00:09:22,640
more resources

253
00:09:26,550 --> 00:09:24,880
in explaining this the report reveals

254
00:09:30,230 --> 00:09:26,560
that the uap task force

255
00:09:33,350 --> 00:09:30,240
has long-term goals it states quote

256
00:09:34,630 --> 00:09:33,360
the uaptf's long-term goal is to widen

257
00:09:36,550 --> 00:09:34,640
the scope of its work

258
00:09:39,030 --> 00:09:36,560
to include additional uap events

259
00:09:41,030 --> 00:09:39,040
documented by a broader swath of usg

260
00:09:41,910 --> 00:09:41,040
personnel and technical systems in its

261
00:09:44,949 --> 00:09:41,920
analysis

262
00:09:47,590 --> 00:09:44,959
end quote it's disappointing to see

263
00:09:50,550 --> 00:09:47,600

that sites are still only focused on

264

00:09:53,110 --> 00:09:50,560

government and military ufo sightings

265

00:09:54,949 --> 00:09:53,120

but it's progress certainly a step in

266

00:09:56,790 --> 00:09:54,959

the right direction

267

00:09:58,630 --> 00:09:56,800

after the classified version of the ufo

268

00:10:00,550 --> 00:09:58,640

report was published to the public

269

00:10:01,910 --> 00:10:00,560

congressman adam schiff who is the

270

00:10:02,630 --> 00:10:01,920

chairman of the house intelligence

271

00:10:05,350 --> 00:10:02,640

committee

272

00:10:05,829 --> 00:10:05,360

released a statement about the report it

273

00:10:07,430 --> 00:10:05,839

says

274

00:10:09,590 --> 00:10:07,440

quote through the intelligence

275

00:10:11,190 --> 00:10:09,600

authorization act the congress and the

276
00:10:12,710 --> 00:10:11,200
intelligence committee required the

277
00:10:13,590 --> 00:10:12,720
preparation and release of today's

278
00:10:15,910 --> 00:10:13,600
report

279
00:10:17,590 --> 00:10:15,920
as it has become increasingly clear that

280
00:10:19,350 --> 00:10:17,600
unidentified aerial phenomena

281
00:10:21,910 --> 00:10:19,360
are not a rare occurrence and our

282
00:10:24,870 --> 00:10:21,920
government needs a unified way to gather

283
00:10:26,310 --> 00:10:24,880
analyze and contextualize these reports

284
00:10:27,750 --> 00:10:26,320
we should approach these questions

285
00:10:30,069 --> 00:10:27,760
without preconceptions

286
00:10:31,910 --> 00:10:30,079
to encourage a thorough systematized

287
00:10:33,990 --> 00:10:31,920
analysis of the potential national

288
00:10:36,470 --> 00:10:34,000

security and flight safety risks

289

00:10:38,069 --> 00:10:36,480

posed by unidentified aerial phenomena

290

00:10:39,030 --> 00:10:38,079

whether they are the result of a foreign

291

00:10:41,430 --> 00:10:39,040

adversary

292

00:10:42,389 --> 00:10:41,440

atmospheric or other aerial phenomena

293

00:10:44,470 --> 00:10:42,399

space debris

294

00:10:45,990 --> 00:10:44,480

or something else entirely we look

295

00:10:47,590 --> 00:10:46,000

forward to reviewing the report and will

296

00:10:48,949 --> 00:10:47,600

host a classified briefing for the

297

00:10:49,509 --> 00:10:48,959

members of the house intelligence

298

00:10:51,670 --> 00:10:49,519

committee

299

00:10:53,269 --> 00:10:51,680

later this year based on its findings

300

00:10:54,470 --> 00:10:53,279

and to build on the member briefing held

301
00:10:56,310 --> 00:10:54,480
last week

302
00:10:58,310 --> 00:10:56,320
as we continue to receive updates we

303
00:10:59,110 --> 00:10:58,320
will share what we can with the american

304
00:11:01,590 --> 00:10:59,120
people

305
00:11:02,630 --> 00:11:01,600
as excessive secrecy will only spur more

306
00:11:06,550 --> 00:11:02,640
speculation

307
00:11:08,630 --> 00:11:06,560
end quote additionally on the same day

308
00:11:10,150 --> 00:11:08,640
deputy secretary of defense kathleen

309
00:11:11,430 --> 00:11:10,160
hicks issued a memo

310
00:11:12,949 --> 00:11:11,440
directing the office of the

311
00:11:14,470 --> 00:11:12,959
undersecretary of defense for

312
00:11:17,269 --> 00:11:14,480
intelligence and security

313
00:11:20,310 --> 00:11:17,279

to quote develop a plan to formalize the

314

00:11:22,310 --> 00:11:20,320

mission currently performed by the uaptf

315

00:11:24,230 --> 00:11:22,320

the plan should number one establish

316

00:11:26,389 --> 00:11:24,240

procedures to synchronize collection

317

00:11:27,509 --> 00:11:26,399

reporting and analysis on the uap

318

00:11:29,190 --> 00:11:27,519

problem set

319

00:11:30,870 --> 00:11:29,200

and to establish recommendations for

320

00:11:31,910 --> 00:11:30,880

securing military tests and training

321

00:11:34,550 --> 00:11:31,920

ranges

322

00:11:35,590 --> 00:11:34,560

number two identify requirements for the

323

00:11:38,630 --> 00:11:35,600

establishment

324

00:11:40,470 --> 00:11:38,640

and operation of the new activity

325

00:11:42,470 --> 00:11:40,480

to include the organizational alignment

326
00:11:44,790 --> 00:11:42,480
resources and staffing required

327
00:11:46,870 --> 00:11:44,800
as well as any necessary authorities and

328
00:11:48,630 --> 00:11:46,880
a timeline for implementation

329
00:11:50,310 --> 00:11:48,640
number three be developed in

330
00:11:51,110 --> 00:11:50,320
coordination with the principal staff's

331
00:11:52,389 --> 00:11:51,120
assistance

332
00:11:54,550 --> 00:11:52,399
the chairman of the joint chiefs of

333
00:11:55,430 --> 00:11:54,560
staff the secretaries of the military

334
00:11:56,870 --> 00:11:55,440
departments

335
00:11:58,790 --> 00:11:56,880
and the commanders of the combatant

336
00:12:01,350 --> 00:11:58,800
commands and with the dni

337
00:12:02,710 --> 00:12:01,360
and other relevant inter-agency partners

338
00:12:04,710 --> 00:12:02,720

all members of the department will

339

00:12:06,150 --> 00:12:04,720

utilize these processes to ensure that

340

00:12:09,110 --> 00:12:06,160

the uaptf

341

00:12:09,670 --> 00:12:09,120

or its follow-on activity has reports of

342

00:12:11,509 --> 00:12:09,680

uap

343

00:12:13,430 --> 00:12:11,519

observations within two weeks of an

344

00:12:15,509 --> 00:12:13,440

occurrence end quote

345

00:12:16,790 --> 00:12:15,519

so all this plainly spells out that it

346

00:12:19,750 --> 00:12:16,800

looks like we're going to get

347

00:12:20,550 --> 00:12:19,760

yet another us government ufo program an

348

00:12:24,150 --> 00:12:20,560

actual

349

00:12:27,110 --> 00:12:24,160

dedicated ufo program not a limited time

350

00:12:27,990 --> 00:12:27,120

special purpose task force all things

351
00:12:30,629 --> 00:12:28,000
considered

352
00:12:32,710 --> 00:12:30,639
i think this new ufo report is

353
00:12:35,110 --> 00:12:32,720
surprisingly good

354
00:12:36,710 --> 00:12:35,120
certainly far better than i expected i

355
00:12:39,269 --> 00:12:36,720
was pretty surprised to not see any

356
00:12:41,670 --> 00:12:39,279
specific case details or data

357
00:12:42,790 --> 00:12:41,680
but this is as the name plainly

358
00:12:45,829 --> 00:12:42,800
describes

359
00:12:46,790 --> 00:12:45,839
a preliminary report others will likely

360
00:12:48,310 --> 00:12:46,800
follow

361
00:12:50,230 --> 00:12:48,320
i'm guessing congressional hearings

362
00:12:52,790 --> 00:12:50,240
aren't too far away and

363
00:12:53,910 --> 00:12:52,800

a new ufo program or programs are in the

364

00:12:56,470 --> 00:12:53,920

works

365

00:12:57,750 --> 00:12:56,480

so there's definitely movement related

366

00:13:00,069 --> 00:12:57,760

to the ufo issue

367

00:13:06,069 --> 00:13:00,079

at the government level we'll just have

368

00:13:07,670 --> 00:13:06,079

to wait and see where this all leads

369

00:13:09,670 --> 00:13:07,680

well citizens that's going to do it for
