i'm jason mcclellan thanks for hanging

11  
00:00:40,630 --> 00:00:39,040  
out with me

12  
00:00:42,549 --> 00:00:40,640  
you and i have talked a lot this year

13  
00:00:45,910 --> 00:00:42,559

about the united states government and

14

00:00:48,069 --> 00:00:45,920

its seemingly renewed interest in ufos

15

00:00:49,990 --> 00:00:48,079

last year around this time many in the

16

00:00:51,430 --> 00:00:50,000

ufo community were anxiously awaiting

17

00:00:53,990 --> 00:00:51,440

the passage of the intelligence

18

00:00:55,270 --> 00:00:54,000

authorization act for fiscal year 2021

19

00:00:57,350 --> 00:00:55,280

which contained a request for the

20

00:00:59,349 --> 00:00:57,360

director of national intelligence to

21

00:01:01,189 --> 00:00:59,359

prepare a report assessing the current

22

00:01:03,510 --> 00:01:01,199

ufo situation

23

00:01:05,270 --> 00:01:03,520

after bouncing around in various bills

24

00:01:07,750 --> 00:01:05,280

the intelligence authorization act for

25

00:01:10,230 --> 00:01:07,760

fiscal year 2021 eventually passed as

26  
00:01:12,390 --> 00:01:10,240  
part of the fiscal year 2021 omnibus

27  
00:01:14,390 --> 00:01:12,400  
appropriations bill signed into law on

28  
00:01:15,350 --> 00:01:14,400  
december 27th by then president donald

29  
00:01:17,670 --> 00:01:15,360  
trump

30  
00:01:19,910 --> 00:01:17,680  
that started the mandated 180-day

31  
00:01:21,590 --> 00:01:19,920  
countdown the specified time frame

32  
00:01:23,830 --> 00:01:21,600  
provided by the senate select committee

33  
00:01:25,270 --> 00:01:23,840  
on intelligence for the ufo report to be

34  
00:01:26,469 --> 00:01:25,280  
issued by the director of national

35  
00:01:28,630 --> 00:01:26,479  
intelligence

36  
00:01:30,390 --> 00:01:28,640  
after the dni assembled the report an

37  
00:01:31,910 --> 00:01:30,400  
unclassified version was released to the

38  
00:01:33,910 --> 00:01:31,920

public

39

00:01:35,590 --> 00:01:33,920

the unclassified version of this report

40

00:01:37,670 --> 00:01:35,600

titled preliminary assessment

41

00:01:39,270 --> 00:01:37,680

unidentified aerial phenomena was

42

00:01:40,870 --> 00:01:39,280

published by the office of the director

43

00:01:43,109 --> 00:01:40,880

of national intelligence on the

44

00:01:45,510 --> 00:01:43,119

afternoon of june 25th

45

00:01:46,950 --> 00:01:45,520

this ufo report concludes in a logical

46

00:01:48,950 --> 00:01:46,960

and predictable way

47

00:01:52,469 --> 00:01:48,960

by pointing out that it's not easy to

48

00:01:54,789 --> 00:01:52,479

study ufos even harder to identify ufos

49

00:01:56,870 --> 00:01:54,799

and any further official study requires

50

00:01:58,630 --> 00:01:56,880

more resources

51  
00:02:00,870 --> 00:01:58,640  
one of the sources of information for

52  
00:02:02,870 --> 00:02:00,880  
this report was a department of defense

53  
00:02:05,030 --> 00:02:02,880  
task force called the unidentified

54  
00:02:07,590 --> 00:02:05,040  
aerial phenomena task force which was

55  
00:02:09,910 --> 00:02:07,600  
approved on august 4th 2020 by deputy

56  
00:02:11,990 --> 00:02:09,920  
secretary of defense david l norquist

57  
00:02:13,589 --> 00:02:12,000  
and led by the department of the navy

58  
00:02:14,869 --> 00:02:13,599  
with oversight by the office of the

59  
00:02:16,869 --> 00:02:14,879  
undersecretary of defense for

60  
00:02:19,190 --> 00:02:16,879  
intelligence and security according to

61  
00:02:21,510 --> 00:02:19,200  
the department of defense the uap task

62  
00:02:24,229 --> 00:02:21,520  
force exists to quote improve its

63  
00:02:27,350 --> 00:02:24,239

understanding of and gain insight into

64

00:02:29,750 --> 00:02:27,360

the nature and origins of uaps end quote

65

00:02:32,390 --> 00:02:29,760

and its mission is to quote detect

66

00:02:34,150 --> 00:02:32,400

analyze and catalog uaps that could

67

00:02:36,630 --> 00:02:34,160

potentially pose a threat to u.s

68

00:02:38,949 --> 00:02:36,640

national security end quote

69

00:02:41,589 --> 00:02:38,959

in the dni's ufo report we learned that

70

00:02:43,670 --> 00:02:41,599

the uap task force's long-term goal is

71

00:02:46,229 --> 00:02:43,680

to quote widen the scope of its work to

72

00:02:48,790 --> 00:02:46,239

include additional uap events documented

73

00:02:51,030 --> 00:02:48,800

by a broader swath of usg personnel and

74

00:02:53,509 --> 00:02:51,040

technical systems in its analysis end

75

00:02:54,790 --> 00:02:53,519

quote going even further on the day the

76

00:02:57,430 --> 00:02:54,800

report was published for public

77

00:02:59,350 --> 00:02:57,440

consumption deputy secretary of defense

78

00:03:00,949 --> 00:02:59,360

kathleen hicks issued a memo directing

79

00:03:03,190 --> 00:03:00,959

the office of the under secretary of

80

00:03:05,589 --> 00:03:03,200

defense for intelligence and security to

81

00:03:08,390 --> 00:03:05,599

quote develop a plan to formalize the

82

00:03:10,869 --> 00:03:08,400

mission currently performed by the uaptf

83

00:03:13,190 --> 00:03:10,879

the plan should one establish procedures

84

00:03:16,229 --> 00:03:13,200

to synchronize collection reporting and

85

00:03:18,070 --> 00:03:16,239

analysis on the uap problem set and to

86

00:03:20,309 --> 00:03:18,080

establish recommendations for securing

87

00:03:22,309 --> 00:03:20,319

military tests and training ranges

88

00:03:24,309 --> 00:03:22,319

two identify requirements for the

89

00:03:26,710 --> 00:03:24,319

establishment and operation of the new

90

00:03:28,869 --> 00:03:26,720

activity to include the organizational

91

00:03:31,110 --> 00:03:28,879

alignment resources and staffing

92

00:03:32,630 --> 00:03:31,120

required as well as any necessary

93

00:03:33,910 --> 00:03:32,640

authorities and a timeline for

94

00:03:35,110 --> 00:03:33,920

implementation

95

00:03:36,789 --> 00:03:35,120

number three

96

00:03:38,949 --> 00:03:36,799

be developed in coordination with the

97

00:03:40,630 --> 00:03:38,959

principal staff assistants the chairman

98

00:03:42,949 --> 00:03:40,640

of the joint chiefs of staff the

99

00:03:44,550 --> 00:03:42,959

secretaries of the military departments

100

00:03:47,190 --> 00:03:44,560

and the commanders of the combatant

101  
00:03:49,589 --> 00:03:47,200  
commands and with the dni and other

102  
00:03:51,030 --> 00:03:49,599  
relevant interagency partners all

103  
00:03:53,589 --> 00:03:51,040  
members of the department will utilize

104  
00:03:55,750 --> 00:03:53,599  
these processes to ensure that the uaptf

105  
00:03:58,309 --> 00:03:55,760  
or its follow-on activity has reports of

106  
00:04:01,509 --> 00:03:58,319  
uap observations within two weeks of an

107  
00:04:04,070 --> 00:04:01,519  
occurrence in quote well that follow-on

108  
00:04:06,229 --> 00:04:04,080  
activity has been established

109  
00:04:07,910 --> 00:04:06,239  
on november 23rd the department of

110  
00:04:09,830 --> 00:04:07,920  
defense issued a press release to

111  
00:04:11,830 --> 00:04:09,840  
announce the formation of the airborne

112  
00:04:14,229 --> 00:04:11,840  
object identification and management

113  
00:04:17,349 --> 00:04:14,239

synchronization group also known as its

114

00:04:20,229 --> 00:04:17,359

initialism aoimsg

115

00:04:21,590 --> 00:04:20,239

this uap task force successor will quote

116

00:04:23,350 --> 00:04:21,600

synchronize efforts across the

117

00:04:25,830 --> 00:04:23,360

department and the broader u.s

118

00:04:28,070 --> 00:04:25,840

government to detect identify and

119

00:04:29,510 --> 00:04:28,080

attribute objects of interest in special

120

00:04:31,590 --> 00:04:29,520

use airspace

121

00:04:33,830 --> 00:04:31,600

and to assess and mitigate any

122

00:04:35,510 --> 00:04:33,840

associated threats to safety of flight

123

00:04:38,150 --> 00:04:35,520

and national security

124

00:04:40,550 --> 00:04:38,160

to provide oversight of the aoi msg the

125

00:04:42,150 --> 00:04:40,560

deputy secretary also directed the under

126

00:04:44,469 --> 00:04:42,160

secretary of defense for intelligence

127

00:04:46,550 --> 00:04:44,479

and security to lead an airborne object

128

00:04:48,510 --> 00:04:46,560

identification and management executive

129

00:04:50,070 --> 00:04:48,520

council or

130

00:04:52,390 --> 00:04:50,080

aoimexec

131

00:04:54,230 --> 00:04:52,400

to be comprised of dod and intelligence

132

00:04:56,230 --> 00:04:54,240

community membership and to offer a

133

00:04:58,790 --> 00:04:56,240

venue for u.s government interagency

134

00:05:01,029 --> 00:04:58,800

representation end quote the press

135

00:05:03,110 --> 00:05:01,039

release also announces that quote in

136

00:05:05,189 --> 00:05:03,120

coming weeks the department will issue

137

00:05:08,629 --> 00:05:05,199

implementing guidance which will contain

138

00:05:11,270 --> 00:05:08,639

further details on the aoi msg director

139

00:05:13,270 --> 00:05:11,280

organizational structure authorities and

140

00:05:15,350 --> 00:05:13,280

resourcing end quote

141

00:05:18,150 --> 00:05:15,360

so there it is a more permanent

142

00:05:20,550 --> 00:05:18,160

established dod ufo project

143

00:05:21,990 --> 00:05:20,560

it's exactly what the dni's ufo report

144

00:05:24,550 --> 00:05:22,000

said the long-term mission of the task

145

00:05:26,469 --> 00:05:24,560

force is and it's exactly the plan laid

146

00:05:28,469 --> 00:05:26,479

out by deputy secretary of defense

147

00:05:30,070 --> 00:05:28,479

kathleen hicks back in june so it

148

00:05:32,310 --> 00:05:30,080

shouldn't surprise anybody who has been

149

00:05:34,870 --> 00:05:32,320

following this however the announcement

150

00:05:37,830 --> 00:05:34,880

of the aoi msg seemed to catch many off

151  
00:05:39,909 --> 00:05:37,840  
guard and even prompted mass concern

152  
00:05:41,189 --> 00:05:39,919  
panic and anger among some in the ufo

153  
00:05:42,230 --> 00:05:41,199  
community

154  
00:05:44,070 --> 00:05:42,240  
but wait

155  
00:05:45,990 --> 00:05:44,080  
isn't this what vocal members of the ufo

156  
00:05:47,510 --> 00:05:46,000  
community have been clamoring for

157  
00:05:49,830 --> 00:05:47,520  
the government and the military to take

158  
00:05:51,749 --> 00:05:49,840  
ufo seriously and to establish something

159  
00:05:54,070 --> 00:05:51,759  
better funded with more resources at its

160  
00:05:55,670 --> 00:05:54,080  
disposal than a temporary task force to

161  
00:05:57,990 --> 00:05:55,680  
explore ufos

162  
00:06:00,870 --> 00:05:58,000  
yes but the dissatisfaction at the

163  
00:06:02,550 --> 00:06:00,880

establishment of the aoi msg has emerged

164

00:06:04,710 --> 00:06:02,560

because there's another government ufo

165

00:06:06,790 --> 00:06:04,720

project in the works that seemingly

166

00:06:09,029 --> 00:06:06,800

caters more to the desires of the ufo

167

00:06:10,870 --> 00:06:09,039

community in early november senator

168

00:06:12,629 --> 00:06:10,880

kirsten gillibrand introduced an

169

00:06:15,350 --> 00:06:12,639

amendment to the national defense

170

00:06:17,189 --> 00:06:15,360

authorization act to establish and quote

171

00:06:19,029 --> 00:06:17,199

anomaly surveillance and resolution

172

00:06:20,629 --> 00:06:19,039

office end quote

173

00:06:22,150 --> 00:06:20,639

the working title of this office has

174

00:06:24,150 --> 00:06:22,160

since changed to the anomaly

175

00:06:26,790 --> 00:06:24,160

surveillance tracking and resolution

176

00:06:29,590 --> 00:06:26,800

office which gives it a more playful and

177

00:06:31,590 --> 00:06:29,600

nerdy acronym astro

178

00:06:34,550 --> 00:06:31,600

it's not a simple preference for the

179

00:06:36,710 --> 00:06:34,560

astro acronym over the aoi msg

180

00:06:40,070 --> 00:06:36,720

initialism that has summoned the ufo

181

00:06:42,790 --> 00:06:40,080

community so strongly against aoy msg

182

00:06:45,590 --> 00:06:42,800

it's really a fear that aoi msg was

183

00:06:47,430 --> 00:06:45,600

intentionally established to undermine

184

00:06:48,950 --> 00:06:47,440

and perhaps prevent astro from

185

00:06:50,710 --> 00:06:48,960

materializing

186

00:06:52,790 --> 00:06:50,720

before we address that let's look at

187

00:06:54,309 --> 00:06:52,800

what astro could be the language in the

188

00:06:55,909 --> 00:06:54,319

amendment explains that astra will

189

00:06:57,670 --> 00:06:55,919

essentially continue to do what was

190

00:06:59,189 --> 00:06:57,680

specifically asked for in the

191

00:07:01,430 --> 00:06:59,199

intelligence authorization act for

192

00:07:03,350 --> 00:07:01,440

fiscal year 2021 the senate select

193

00:07:05,830 --> 00:07:03,360

committee on intelligence asked for

194

00:07:07,909 --> 00:07:05,840

plans and procedures to be established

195

00:07:10,150 --> 00:07:07,919

for inter-agency and inter-department

196

00:07:11,670 --> 00:07:10,160

information sharing and data collection

197

00:07:13,909 --> 00:07:11,680

the language in the new amendment

198

00:07:16,390 --> 00:07:13,919

explains that the plan was for astro to

199

00:07:18,629 --> 00:07:16,400

replace the uap task force

200

00:07:21,029 --> 00:07:18,639

and here's what really has ufo fans

201

00:07:23,430 --> 00:07:21,039

giving preference to astro

202

00:07:25,510 --> 00:07:23,440

like the dni's ufo report from earlier

203

00:07:27,830 --> 00:07:25,520

this year astro would be required to

204

00:07:30,070 --> 00:07:27,840

issue reports of its findings including

205

00:07:31,990 --> 00:07:30,080

unclassified reports which means the

206

00:07:33,670 --> 00:07:32,000

public might get to see what the ufo

207

00:07:35,830 --> 00:07:33,680

office discovers

208

00:07:37,749 --> 00:07:35,840

astro would go even further having

209

00:07:40,150 --> 00:07:37,759

actual field investigators to

210

00:07:42,950 --> 00:07:40,160

investigate sightings after they happen

211

00:07:44,950 --> 00:07:42,960

it would utilize outside expertise

212

00:07:48,230 --> 00:07:44,960

it would require coordination with

213

00:07:50,629 --> 00:07:48,240

relevant agencies like nasa the faa the

214

00:07:52,869 --> 00:07:50,639

department of energy and so on

215

00:07:55,110 --> 00:07:52,879

on its surface astro appears much more

216

00:07:57,350 --> 00:07:55,120

broad in its approach and certainly more

217

00:07:58,629 --> 00:07:57,360

focused on actual investigation

218

00:08:00,469 --> 00:07:58,639

so let's get back to the negative

219

00:08:03,189 --> 00:08:00,479

reactions by summoning the ufo community

220

00:08:04,950 --> 00:08:03,199

to the announcement of aoi msg

221

00:08:06,950 --> 00:08:04,960

luis elizondo headed up a former

222

00:08:09,510 --> 00:08:06,960

pentagon ufo project called the advanced

223

00:08:11,350 --> 00:08:09,520

aerospace threat identification program

224

00:08:13,350 --> 00:08:11,360

he and christopher mellon a former

225

00:08:15,270 --> 00:08:13,360

deputy assistant secretary of defense

226  
00:08:17,589 --> 00:08:15,280  
for intelligence are the two driving

227  
00:08:19,270 --> 00:08:17,599  
forces behind all the recent public ufo

228  
00:08:20,790 --> 00:08:19,280  
activity we've seen taking place in the

229  
00:08:22,710 --> 00:08:20,800  
u.s government

230  
00:08:25,029 --> 00:08:22,720  
these two individuals have engaged in a

231  
00:08:26,390 --> 00:08:25,039  
mission to lobby members of congress to

232  
00:08:28,150 --> 00:08:26,400  
look into ufos

233  
00:08:31,430 --> 00:08:28,160  
in addition to their lobbying efforts in

234  
00:08:33,110 --> 00:08:31,440  
mainstream media and on social media too

235  
00:08:36,149 --> 00:08:33,120  
both were quick to take to twitter with

236  
00:08:39,589 --> 00:08:36,159  
their disapproval after aoi msg was

237  
00:08:41,589 --> 00:08:39,599  
announced lu elizondo tweeted quote

238  
00:08:42,949 --> 00:08:41,599

important update before anyone gets too

239

00:08:45,030 --> 00:08:42,959

excited about the recent pentagon

240

00:08:46,710 --> 00:08:45,040

announcement of a new uap group please

241

00:08:49,110 --> 00:08:46,720

consider the following

242

00:08:50,949 --> 00:08:49,120

usdi the under secretary of defense for

243

00:08:53,030 --> 00:08:50,959

intelligence is precisely the same

244

00:08:55,829 --> 00:08:53,040

organization that has underplayed and

245

00:08:58,150 --> 00:08:55,839

tried to kill the uap effort for years

246

00:08:59,990 --> 00:08:58,160

usdi is an oversight organization and

247

00:09:02,230 --> 00:09:00,000

non-operational

248

00:09:04,550 --> 00:09:02,240

nowhere is their requirement to provide

249

00:09:06,870 --> 00:09:04,560

unclassified findings to congress or

250

00:09:08,310 --> 00:09:06,880

work with our international partners

251

00:09:10,310 --> 00:09:08,320

given that elements still exist in the

252

00:09:12,630 --> 00:09:10,320

pentagon who are actively underplaying

253

00:09:15,110 --> 00:09:12,640

the significance of this topic this is

254

00:09:17,350 --> 00:09:15,120

akin to giving an alcoholic the key and

255

00:09:20,230 --> 00:09:17,360

control to the liquor cabinet

256

00:09:23,430 --> 00:09:20,240

if you want to maintain uap ufo secrecy

257

00:09:25,430 --> 00:09:23,440

this is exactly how you do it end quote

258

00:09:28,389 --> 00:09:25,440

he goes on to say that the formation of

259

00:09:30,870 --> 00:09:28,399

aoi msg is a direct and blatant attempt

260

00:09:33,670 --> 00:09:30,880

to circumvent and undermine the senate

261

00:09:35,110 --> 00:09:33,680

and those behind the astro amendment

262

00:09:36,710 --> 00:09:35,120

chris mellon echoed some of these

263

00:09:38,630 --> 00:09:36,720

concerns in an open letter to

264

00:09:40,389 --> 00:09:38,640

representative ruben galleo who

265

00:09:42,710 --> 00:09:40,399

introduced the initial legislation to

266

00:09:44,550 --> 00:09:42,720

establish a permanent ufo office now

267

00:09:47,190 --> 00:09:44,560

referred to as astro

268

00:09:49,910 --> 00:09:47,200

in this letter mellon states quote as a

269

00:09:51,670 --> 00:09:49,920

former osd staffer myself i'm shocked

270

00:09:53,829 --> 00:09:51,680

that the deputy secretary of defense

271

00:09:56,630 --> 00:09:53,839

would assign the uap function to an

272

00:09:58,949 --> 00:09:56,640

oversight staff with no uap funding line

273

00:10:00,710 --> 00:09:58,959

authority contracting command or

274

00:10:03,350 --> 00:10:00,720

technical capabilities

275

00:10:05,910 --> 00:10:03,360

indeed the inability of usdi to engage

276

00:10:07,590 --> 00:10:05,920

effectively on the uap issue is why so

277

00:10:10,150 --> 00:10:07,600

little has changed or been accomplished

278

00:10:11,670 --> 00:10:10,160

since 2004 end quote

279

00:10:13,590 --> 00:10:11,680

in addition to the disapproving

280

00:10:15,670 --> 00:10:13,600

commentary provided by elizondo and

281

00:10:17,910 --> 00:10:15,680

mellon dozens of passionate and

282

00:10:20,630 --> 00:10:17,920

exasperated members of the ufo community

283

00:10:22,310 --> 00:10:20,640

have been criticizing the aoi msg and

284

00:10:24,790 --> 00:10:22,320

hounding congressional representatives

285

00:10:27,350 --> 00:10:24,800

with phone calls emails and messages on

286

00:10:29,110 --> 00:10:27,360

social media urging them to support the

287

00:10:30,630 --> 00:10:29,120

gila brand amendment so that's

288

00:10:32,230 --> 00:10:30,640

essentially where we are

289

00:10:34,870 --> 00:10:32,240

an important thing to keep in mind is

290

00:10:35,829 --> 00:10:34,880

that at this stage we in the general

291

00:10:37,590 --> 00:10:35,839

public

292

00:10:39,829 --> 00:10:37,600

really don't know what either of these

293

00:10:41,750 --> 00:10:39,839

ufo projects would do or what the

294

00:10:43,829 --> 00:10:41,760

results of their effort would be

295

00:10:46,710 --> 00:10:43,839

we know generally what the function of

296

00:10:48,310 --> 00:10:46,720

aoi msg is but as of the date i'm

297

00:10:50,310 --> 00:10:48,320

recording this episode we're still

298

00:10:52,710 --> 00:10:50,320

waiting to hear the additional details

299

00:10:55,030 --> 00:10:52,720

promised in coming weeks like the name

300

00:10:57,350 --> 00:10:55,040

of the aoi msg director its

301  
00:10:58,870 --> 00:10:57,360  
organizational structure authorities and

302  
00:11:01,750 --> 00:10:58,880  
resourcing

303  
00:11:03,110 --> 00:11:01,760  
and as for astro we have to wait on that

304  
00:11:05,590 --> 00:11:03,120  
one too

305  
00:11:07,190 --> 00:11:05,600  
sure at this point we've read various

306  
00:11:09,590 --> 00:11:07,200  
versions of the amendment

307  
00:11:11,750 --> 00:11:09,600  
and it's bounced around a bit as these

308  
00:11:13,269 --> 00:11:11,760  
things tend to do the bill it's attached

309  
00:11:14,470 --> 00:11:13,279  
to did pass in the house of

310  
00:11:16,550 --> 00:11:14,480  
representatives

311  
00:11:18,230 --> 00:11:16,560  
it still has to pass in the senate

312  
00:11:19,910 --> 00:11:18,240  
then it needs to be signed into law by

313  
00:11:21,110 --> 00:11:19,920

the president there are still changes

314

00:11:23,829 --> 00:11:21,120

that could be made to the language of

315

00:11:26,069 --> 00:11:23,839

the amendment so even if it does pass

316

00:11:28,069 --> 00:11:26,079

and become law we don't really know what

317

00:11:29,509 --> 00:11:28,079

the final thing will look like most

318

00:11:33,110 --> 00:11:29,519

everything right now related to these

319

00:11:34,630 --> 00:11:33,120

two projects aoi msg and astro is based

320

00:11:36,870 --> 00:11:34,640

on assumption

321

00:11:39,269 --> 00:11:36,880

it seems extremely short-sighted to go

322

00:11:40,710 --> 00:11:39,279

all in and champion one of these and

323

00:11:44,389 --> 00:11:40,720

admonish the other

324

00:11:46,310 --> 00:11:44,399

or promote both or oppose both

325

00:11:48,550 --> 00:11:46,320

we just don't know enough about either

326

00:11:50,470 --> 00:11:48,560

to know what real benefits or real

327

00:11:52,150 --> 00:11:50,480

adverse effects could come from these

328

00:11:53,990 --> 00:11:52,160

projects

329

00:11:56,470 --> 00:11:54,000

in the end these are both government

330

00:11:58,949 --> 00:11:56,480

projects and we've seen how government

331

00:12:00,870 --> 00:11:58,959

ufo projects in the past have played out

332

00:12:02,629 --> 00:12:00,880

recent ufo champion and lobbyist luella

333

00:12:05,190 --> 00:12:02,639

zondo was the head of a multi-year

334

00:12:07,910 --> 00:12:05,200

government ufo program that according to

335

00:12:09,110 --> 00:12:07,920

him never ended and even as the head of

336

00:12:10,870 --> 00:12:09,120

this project

337

00:12:12,150 --> 00:12:10,880

he got frustrated and quit because he

338

00:12:14,069 --> 00:12:12,160

didn't think he was being taken

339

00:12:16,310 --> 00:12:14,079

seriously and because he didn't like how

340

00:12:18,710 --> 00:12:16,320

government projects operate and the most

341

00:12:21,509 --> 00:12:18,720

recent government ufo project the uap

342

00:12:23,509 --> 00:12:21,519

task force and the dni's ufo report

343

00:12:26,069 --> 00:12:23,519

plainly illustrated the frustrating and

344

00:12:27,750 --> 00:12:26,079

largely impossible exercise of trying to

345

00:12:29,750 --> 00:12:27,760

investigate ufos

346

00:12:31,509 --> 00:12:29,760

especially within the government the

347

00:12:33,350 --> 00:12:31,519

real driving reason behind the recent

348

00:12:36,310 --> 00:12:33,360

apparent increase in the government's

349

00:12:38,310 --> 00:12:36,320

ufo interest is politics for whatever

350

00:12:39,670 --> 00:12:38,320

reason luella elizondo and chris mellon

351

00:12:41,350 --> 00:12:39,680

took it upon themselves to use their

352

00:12:43,430 --> 00:12:41,360

government connections to get people

353

00:12:45,430 --> 00:12:43,440

fired up not to mention concerned and

354

00:12:47,990 --> 00:12:45,440

alarmed about an apparent recent

355

00:12:49,910 --> 00:12:48,000

dramatic increase in ufos penetrating

356

00:12:51,750 --> 00:12:49,920

restricted airspace and harassing

357

00:12:53,190 --> 00:12:51,760

members of the military mellon is

358

00:12:54,949 --> 00:12:53,200

responsible for the language that was

359

00:12:57,269 --> 00:12:54,959

used in the senate select committee on

360

00:12:59,509 --> 00:12:57,279

intelligence's ufo report request last

361

00:13:01,829 --> 00:12:59,519

year and he and elizondo have plugged

362

00:13:03,430 --> 00:13:01,839

away at briefing members of congress as

363

00:13:05,509 --> 00:13:03,440

well as participating in countless

364

00:13:07,350 --> 00:13:05,519

podcasts radio television and

365

00:13:09,269 --> 00:13:07,360

documentary interviews

366

00:13:11,750 --> 00:13:09,279

this is why almost everything we hear or

367

00:13:13,110 --> 00:13:11,760

read in media reports press releases and

368

00:13:15,269 --> 00:13:13,120

public statements about recent

369

00:13:16,949 --> 00:13:15,279

government ufo interests or efforts

370

00:13:19,430 --> 00:13:16,959

sounds very familiar

371

00:13:21,350 --> 00:13:19,440

the same language the same phrases and

372

00:13:23,829 --> 00:13:21,360

the same issues are regurgitated time

373

00:13:25,590 --> 00:13:23,839

and time again it's politics and i get

374

00:13:26,790 --> 00:13:25,600

that that's how you play the game if

375

00:13:28,310 --> 00:13:26,800

you're looking to accomplish something

376

00:13:30,230 --> 00:13:28,320

inside the government

377

00:13:33,190 --> 00:13:30,240

but let's step back and think about why

378

00:13:35,190 --> 00:13:33,200

we should be happy sad or indifferent

379

00:13:37,590 --> 00:13:35,200

about both or either of these new

380

00:13:41,430 --> 00:13:37,600

government ufo projects

381

00:13:43,509 --> 00:13:41,440

on the surface both aoy msg and astro

382

00:13:46,069 --> 00:13:43,519

address one of the primary issues within

383

00:13:47,910 --> 00:13:46,079

the us government related to ufos and

384

00:13:49,829 --> 00:13:47,920

that's establishing procedures for

385

00:13:51,750 --> 00:13:49,839

interagency data sharing

386

00:13:53,509 --> 00:13:51,760

that's a good thing

387

00:13:55,430 --> 00:13:53,519

both groups add more ears and eyes

388

00:13:57,509 --> 00:13:55,440

within the government looking at the ufo

389

00:13:59,189 --> 00:13:57,519

issue complete with access to valuable

390

00:14:01,350 --> 00:13:59,199

government and military data that the

391

00:14:02,790 --> 00:14:01,360

public doesn't have access to that's

392

00:14:04,790 --> 00:14:02,800

also probably good

393

00:14:07,509 --> 00:14:04,800

astra plans to establish an advisory

394

00:14:09,670 --> 00:14:07,519

committee of 20 members which kind of

395

00:14:12,389 --> 00:14:09,680

looks like a national security council

396

00:14:13,670 --> 00:14:12,399

or for the conspiracy folks an mj-12

397

00:14:15,910 --> 00:14:13,680

type group

398

00:14:18,150 --> 00:14:15,920

i find it interesting that astro as part

399

00:14:19,750 --> 00:14:18,160

of its scientific plan wants scientists

400

00:14:22,550 --> 00:14:19,760

to contemplate and speculate about

401  
00:14:25,269 --> 00:14:22,560  
various ufo-related topics like possible

402  
00:14:27,590 --> 00:14:25,279  
propulsion systems and the effects of

403  
00:14:30,389 --> 00:14:27,600  
human proximity to ufos

404  
00:14:32,949 --> 00:14:30,399  
if this sounds familiar it should

405  
00:14:35,350 --> 00:14:32,959  
the recent government ufo program atip

406  
00:14:36,389 --> 00:14:35,360  
produced dozens of report on these exact

407  
00:14:37,750 --> 00:14:36,399  
topics

408  
00:14:39,350 --> 00:14:37,760  
so it doesn't give me a lot of

409  
00:14:41,590 --> 00:14:39,360  
confidence that a newly proposed

410  
00:14:43,430 --> 00:14:41,600  
government ufo program isn't aware of

411  
00:14:45,269 --> 00:14:43,440  
what has already been done by other

412  
00:14:47,590 --> 00:14:45,279  
government ufo programs

413  
00:14:50,069 --> 00:14:47,600

a potential positive for astro is that

414

00:14:52,310 --> 00:14:50,079

it plans at least for now to publish

415

00:14:54,069 --> 00:14:52,320

unclassified reports which means that

416

00:14:56,389 --> 00:14:54,079

there's a possibility that the public

417

00:14:57,269 --> 00:14:56,399

could see some of what the project is up

418

00:14:59,750 --> 00:14:57,279

to

419

00:15:02,230 --> 00:14:59,760

however we've just seen an unclassified

420

00:15:04,470 --> 00:15:02,240

report from our government ufo group so

421

00:15:06,150 --> 00:15:04,480

there's obviously potential for more of

422

00:15:08,550 --> 00:15:06,160

the same

423

00:15:10,389 --> 00:15:08,560

aoi msg on the other hand has no

424

00:15:13,189 --> 00:15:10,399

announced plans yet with regards to any

425

00:15:14,790 --> 00:15:13,199

sort of reporting and louis lozando and

426

00:15:16,870 --> 00:15:14,800

chris mellon were quick to ridicule and

427

00:15:19,110 --> 00:15:16,880

attack the program because of this

428

00:15:21,750 --> 00:15:19,120

on november 29th travis tritton from

429

00:15:24,790 --> 00:15:21,760

military.com asked pentagon spokesperson

430

00:15:26,790 --> 00:15:24,800

john kirby about aoi msg and the

431

00:15:28,550 --> 00:15:26,800

accusations from elizondo and mellon

432

00:15:31,110 --> 00:15:28,560

that it was an attempt by the pentagon

433

00:15:34,150 --> 00:15:31,120

to be less transparent on the ufo issue

434

00:15:36,389 --> 00:15:34,160

kirby responded explaining that aoy msg

435

00:15:38,069 --> 00:15:36,399

will continue to be as transparent as

436

00:15:40,550 --> 00:15:38,079

possible

437

00:15:44,150 --> 00:15:40,560

it is really designed to help us better

438

00:15:46,389 --> 00:15:44,160

coordinate the reporting processes um

439

00:15:49,590 --> 00:15:46,399

the actual reports themselves and the

440

00:15:52,150 --> 00:15:49,600

analysis of those reports so that um

441

00:15:53,749 --> 00:15:52,160

rather than uh

442

00:15:56,310 --> 00:15:53,759

getting them sort of piecemeal and ad

443

00:15:59,030 --> 00:15:56,320

hoc as we've been getting them from uh

444

00:16:01,189 --> 00:15:59,040

from from the services um this is a way

445

00:16:03,430 --> 00:16:01,199

to coordinate the the input so that we

446

00:16:05,509 --> 00:16:03,440

can uh there's a common set of

447

00:16:07,430 --> 00:16:05,519

parameters for how to report them and to

448

00:16:09,189 --> 00:16:07,440

analyze them and then to assess what

449

00:16:10,790 --> 00:16:09,199

we've got and not all

450

00:16:12,310 --> 00:16:10,800

uh reports are going to manifest

451  
00:16:14,870 --> 00:16:12,320  
themselves in something that we consider

452  
00:16:18,150 --> 00:16:14,880  
a national security threat um so this is

453  
00:16:20,150 --> 00:16:18,160  
a chance for us to to be a much more

454  
00:16:21,509 --> 00:16:20,160  
organized in the way we process these

455  
00:16:23,749 --> 00:16:21,519  
reports

456  
00:16:26,470 --> 00:16:23,759  
and as we have we will certainly

457  
00:16:28,790 --> 00:16:26,480  
continue to be as transparent as we can

458  
00:16:30,389 --> 00:16:28,800  
about these phenomena

459  
00:16:31,509 --> 00:16:30,399  
and and the impact that they may or may

460  
00:16:33,749 --> 00:16:31,519  
not be having

461  
00:16:35,590 --> 00:16:33,759  
on our ability to operate

462  
00:16:37,430 --> 00:16:35,600  
trenton also asked about any plans to

463  
00:16:39,509 --> 00:16:37,440

release any information to the public

464

00:16:41,110 --> 00:16:39,519

but kirby noted that big thing that

465

00:16:43,430 --> 00:16:41,120

prevents the public from seeing most

466

00:16:45,829 --> 00:16:43,440

things related to government and ufos

467

00:16:48,470 --> 00:16:45,839

and that's national security

468

00:16:50,470 --> 00:16:48,480

i don't have a specific report to to

469

00:16:52,310 --> 00:16:50,480

announce today that on any kind of a

470

00:16:54,230 --> 00:16:52,320

frequent basis that we would do but i i

471

00:16:56,470 --> 00:16:54,240

can assure you that our intention is to

472

00:16:58,949 --> 00:16:56,480

be as transparent about uh this

473

00:17:00,870 --> 00:16:58,959

phenomena as as we can again try this

474

00:17:02,949 --> 00:17:00,880

understanding that um

475

00:17:04,230 --> 00:17:02,959

uh that

476

00:17:05,669 --> 00:17:04,240

that there'll be national security

477

00:17:07,189 --> 00:17:05,679

considerations that we have to keep in

478

00:17:08,949 --> 00:17:07,199

mind but we'll be as transparent as we

479

00:17:09,990 --> 00:17:08,959

can but not i don't want to leave you

480

00:17:12,630 --> 00:17:10,000

with the impression that there'll be

481

00:17:14,949 --> 00:17:12,640

sort of a a regular drum beat of uh you

482

00:17:16,390 --> 00:17:14,959

know of some kind of report that uh that

483

00:17:19,110 --> 00:17:16,400

gets posted on the website you know

484

00:17:20,470 --> 00:17:19,120

every couple months this is always going

485

00:17:22,390 --> 00:17:20,480

to be an issue when it comes to

486

00:17:23,829 --> 00:17:22,400

government ufo programs

487

00:17:26,949 --> 00:17:23,839

when you're dealing with military

488

00:17:29,110 --> 00:17:26,959

encounters military systems and military

489

00:17:30,870 --> 00:17:29,120

personnel there's lots of classified

490

00:17:32,870 --> 00:17:30,880

stuff there and lots of national

491

00:17:34,070 --> 00:17:32,880

security considerations that are always

492

00:17:35,830 --> 00:17:34,080

at play

493

00:17:38,870 --> 00:17:35,840

considering the nature of government

494

00:17:41,110 --> 00:17:38,880

programs and the nature of ufos

495

00:17:43,029 --> 00:17:41,120

government ufo projects aren't really

496

00:17:44,710 --> 00:17:43,039

ideal and certainly aren't where we

497

00:17:47,430 --> 00:17:44,720

should be looking and hoping for answers

498

00:17:49,190 --> 00:17:47,440

to ufo mysteries i keep seeing activists

499

00:17:51,750 --> 00:17:49,200

being overly dramatic and using

500

00:17:53,590 --> 00:17:51,760

hyperbole to create a sense of urgency

501  
00:17:55,830 --> 00:17:53,600  
and even a necessity to support

502  
00:17:57,590 --> 00:17:55,840  
government ufo efforts some are choosing

503  
00:18:00,470 --> 00:17:57,600  
to proudly announce that they are quote

504  
00:18:02,070 --> 00:18:00,480  
fighting to end a cover-up end quote and

505  
00:18:03,830 --> 00:18:02,080  
i'm not sure exactly why they think the

506  
00:18:06,070 --> 00:18:03,840  
establishment of yet another government

507  
00:18:07,830 --> 00:18:06,080  
ufo program will end any sort of

508  
00:18:09,510 --> 00:18:07,840  
cover-up related to supposed government

509  
00:18:11,510 --> 00:18:09,520  
knowledge about ufos

510  
00:18:13,750 --> 00:18:11,520  
a government ufo report came out just

511  
00:18:15,909 --> 00:18:13,760  
five months ago very clearly showing

512  
00:18:18,549 --> 00:18:15,919  
that yes the government knows ufos are

513  
00:18:20,470 --> 00:18:18,559

real but they don't know what they are

514

00:18:22,470 --> 00:18:20,480

even luella zondo stated in a december

515

00:18:25,430 --> 00:18:22,480

1st article published by political news

516

00:18:27,669 --> 00:18:25,440

outlet the hill quote we've had 70 years

517

00:18:29,270 --> 00:18:27,679

to try to figure the ufo problem out as

518

00:18:31,750 --> 00:18:29,280

a government while keeping it in the

519

00:18:34,230 --> 00:18:31,760

halls of secrecy and we haven't come any

520

00:18:36,230 --> 00:18:34,240

closer to figuring it out end quote

521

00:18:37,909 --> 00:18:36,240

so although some like to think elizondo

522

00:18:40,230 --> 00:18:37,919

and or the government knew all sorts of

523

00:18:41,669 --> 00:18:40,240

ufo secrets lou makes it clear that the

524

00:18:43,990 --> 00:18:41,679

government is just as much in the dark

525

00:18:46,870 --> 00:18:44,000

as everybody else when it comes to aoi

526

00:18:49,029 --> 00:18:46,880

msg and astro again it's kind of silly

527

00:18:51,110 --> 00:18:49,039

to pick sides and champion one over the

528

00:18:52,630 --> 00:18:51,120

other at this stage in the game

529

00:18:53,830 --> 00:18:52,640

they're both department of defense

530

00:18:55,350 --> 00:18:53,840

projects

531

00:18:57,270 --> 00:18:55,360

and again

532

00:18:59,990 --> 00:18:57,280

pretty much everything associated with

533

00:19:01,270 --> 00:19:00,000

these is assumption at this point

534

00:19:03,830 --> 00:19:01,280

although the amendment language

535

00:19:06,310 --> 00:19:03,840

associated with astro says the project

536

00:19:09,110 --> 00:19:06,320

will replace the uap task force which

537

00:19:11,270 --> 00:19:09,120

has already been replaced by aoi msg

538

00:19:13,270 --> 00:19:11,280

we don't necessarily know that both

539

00:19:14,950 --> 00:19:13,280

projects can't coexist

540

00:19:17,029 --> 00:19:14,960

and if they do coexist

541

00:19:19,110 --> 00:19:17,039

astro could potentially benefit from aoy

542

00:19:20,470 --> 00:19:19,120

msg as a more streamlined source for

543

00:19:22,710 --> 00:19:20,480

information

544

00:19:24,549 --> 00:19:22,720

but we just don't know

545

00:19:27,029 --> 00:19:24,559

and i guess i should mention just how

546

00:19:29,510 --> 00:19:27,039

strange it is to see people passionately

547

00:19:32,070 --> 00:19:29,520

and blindly urging support for a bill

548

00:19:33,990 --> 00:19:32,080

simply because it has a small amendment

549

00:19:36,150 --> 00:19:34,000

related to ufos

550

00:19:37,909 --> 00:19:36,160

the bill is massive and contains all

551  
00:19:40,070 --> 00:19:37,919  
sorts of items related to defense

552  
00:19:41,430 --> 00:19:40,080  
projects and military spending the

553  
00:19:43,830 --> 00:19:41,440  
passage of the bill has large

554  
00:19:45,590 --> 00:19:43,840  
implications that affect so much more

555  
00:19:47,510 --> 00:19:45,600  
than the desire of people interested in

556  
00:19:49,029 --> 00:19:47,520  
ufos to get a few more government

557  
00:19:51,750 --> 00:19:49,039  
reports that say

558  
00:19:53,750 --> 00:19:51,760  
we receive lots of military ufo reports

559  
00:19:55,270 --> 00:19:53,760  
we identified some but we couldn't

560  
00:19:57,510 --> 00:19:55,280  
identify others

561  
00:19:58,710 --> 00:19:57,520  
i'm not kidding there's so much in this

562  
00:20:00,310 --> 00:19:58,720  
massive bill

563  
00:20:01,990 --> 00:20:00,320

including breeding dogs for use in

564

00:20:03,510 --> 00:20:02,000

combat it's more than a little

565

00:20:05,430 --> 00:20:03,520

self-centered and short-sighted to

566

00:20:07,190 --> 00:20:05,440

passionately advocate for a defense

567

00:20:09,750 --> 00:20:07,200

spending bill to be passed simply

568

00:20:11,990 --> 00:20:09,760

because you personally like one tiny

569

00:20:13,830 --> 00:20:12,000

amendment in that bill i'm definitely

570

00:20:16,470 --> 00:20:13,840

not saying that i don't want astro to

571

00:20:18,549 --> 00:20:16,480

move forward because i do

572

00:20:20,070 --> 00:20:18,559

as i frequently say when it comes to

573

00:20:22,310 --> 00:20:20,080

something as strange and mysterious as

574

00:20:24,390 --> 00:20:22,320

ufos i think it's great for people to

575

00:20:26,549 --> 00:20:24,400

try a wide variety of approaches to

576

00:20:29,110 --> 00:20:26,559

better understand ufos

577

00:20:30,870 --> 00:20:29,120

all the things all the time

578

00:20:32,149 --> 00:20:30,880

ufos isn't a sport

579

00:20:34,950 --> 00:20:32,159

you don't need to pick your favorite

580

00:20:36,789 --> 00:20:34,960

team become a die-hard fanatic and trash

581

00:20:38,710 --> 00:20:36,799

talk opposing teams

582

00:20:39,990 --> 00:20:38,720

multiple approaches can and should

583

00:20:41,590 --> 00:20:40,000

coincide

584

00:20:43,750 --> 00:20:41,600

and something that gets easily forgotten

585

00:20:47,750 --> 00:20:43,760

for some reason is that the military and

586

00:20:49,830 --> 00:20:47,760

the government already investigate ufos

587

00:20:52,310 --> 00:20:49,840

lobbyists ufo activists and others try

588

00:20:54,630 --> 00:20:52,320

to drum up fear doom and gloom by making

589

00:20:56,390 --> 00:20:54,640

grand statements about how urgent it is

590

00:20:57,830 --> 00:20:56,400

that the government look into ufos

591

00:20:59,669 --> 00:20:57,840

because of the danger they pose to

592

00:21:01,909 --> 00:20:59,679

members of the military commercial

593

00:21:03,750 --> 00:21:01,919

planes and everybody else and these

594

00:21:05,430 --> 00:21:03,760

statements alarm members of congress who

595

00:21:07,350 --> 00:21:05,440

quickly become concerned after being

596

00:21:09,750 --> 00:21:07,360

told that nobody is doing anything about

597

00:21:11,909 --> 00:21:09,760

ufos when in fact

598

00:21:13,190 --> 00:21:11,919

that's what the military does and has

599

00:21:14,630 --> 00:21:13,200

always done

600

00:21:16,390 --> 00:21:14,640

when there's an unknown and restricted

601  
00:21:18,390 --> 00:21:16,400  
airspace the military tries to

602  
00:21:20,470 --> 00:21:18,400  
communicate with and or intercept the

603  
00:21:22,470 --> 00:21:20,480  
unknown some intercept attempts are

604  
00:21:24,230 --> 00:21:22,480  
successful others aren't

605  
00:21:26,070 --> 00:21:24,240  
when commercial or private pilots or air

606  
00:21:27,430 --> 00:21:26,080  
traffic controllers detect an unknown

607  
00:21:29,909 --> 00:21:27,440  
attempts are made to communicate with

608  
00:21:31,830 --> 00:21:29,919  
that unknown and in some cases fighter

609  
00:21:33,590 --> 00:21:31,840  
jets are scrambled to intercept

610  
00:21:36,470 --> 00:21:33,600  
again some intercept attempts are

611  
00:21:38,390 --> 00:21:36,480  
successful others aren't the faa also

612  
00:21:39,909 --> 00:21:38,400  
investigates these incidents

613  
00:21:41,510 --> 00:21:39,919

ufos aren't new

614

00:21:42,789 --> 00:21:41,520

they've been seen as long as humans have

615

00:21:44,390 --> 00:21:42,799

been around

616

00:21:45,590 --> 00:21:44,400

ufos are nothing new to pilots to the

617

00:21:49,590 --> 00:21:45,600

military

618

00:21:51,029 --> 00:21:49,600

they're not sitting around scratching

619

00:21:53,270 --> 00:21:51,039

their heads because they don't have a

620

00:21:54,630 --> 00:21:53,280

government ufo project to tell them what

621

00:21:56,950 --> 00:21:54,640

to do

622

00:21:59,669 --> 00:21:56,960

ultimately it's members of congress who

623

00:22:01,510 --> 00:21:59,679

were unaware that ufos even exist and

624

00:22:03,990 --> 00:22:01,520

who have been led to believe that this

625

00:22:05,669 --> 00:22:04,000

is somehow a new and urgent thing

626

00:22:07,430 --> 00:22:05,679

this isn't a case of the military being

627

00:22:08,549 --> 00:22:07,440

helpless and seeking assistance from

628

00:22:10,470 --> 00:22:08,559

congress

629

00:22:12,230 --> 00:22:10,480

the military didn't ask for this it's

630

00:22:15,669 --> 00:22:12,240

simply an issue pushed on politicians by

631

00:22:17,270 --> 00:22:15,679

lobbyists with any msg and astro

632

00:22:18,870 --> 00:22:17,280

either one could be considered a win for

633

00:22:21,270 --> 00:22:18,880

the ufo community

634

00:22:23,190 --> 00:22:21,280

active government ufo projects meaning

635

00:22:25,590 --> 00:22:23,200

eyes in the military and government

636

00:22:26,789 --> 00:22:25,600

actively looking specifically at the ufo

637

00:22:29,430 --> 00:22:26,799

subject

638

00:22:32,230 --> 00:22:29,440

that's good and with either there's more

639

00:22:34,230 --> 00:22:32,240

potential for some official information

640

00:22:36,230 --> 00:22:34,240

to be released to the public

641

00:22:37,110 --> 00:22:36,240

that info is either shared with us or it

642

00:22:39,190 --> 00:22:37,120

isn't

643

00:22:40,310 --> 00:22:39,200

if it's not it's no different than what

644

00:22:41,350 --> 00:22:40,320

we've gotten from the government for

645

00:22:44,230 --> 00:22:41,360

decades

646

00:22:46,149 --> 00:22:44,240

but of course any government ufo project

647

00:22:47,590 --> 00:22:46,159

has the potential to be catastrophic for

648

00:22:49,590 --> 00:22:47,600

ufos

649

00:22:51,190 --> 00:22:49,600

previous government ufo projects have

650

00:22:53,590 --> 00:22:51,200

started strong with lots of mystery and

651  
00:22:55,750 --> 00:22:53,600  
speculation but ultimately concluded

652  
00:22:57,029 --> 00:22:55,760  
that ufos aren't a threat and nothing

653  
00:22:59,510 --> 00:22:57,039  
more can be learned by attempting to

654  
00:23:00,470 --> 00:22:59,520  
study them so ufos get put back in the

655  
00:23:02,149 --> 00:23:00,480  
closet

656  
00:23:03,830 --> 00:23:02,159  
but you know what let's be cautiously

657  
00:23:05,350 --> 00:23:03,840  
optimistic about this recent ufo

658  
00:23:06,710 --> 00:23:05,360  
excitement within the government and see

659  
00:23:08,310 --> 00:23:06,720  
where it goes

660  
00:23:11,029 --> 00:23:08,320  
there's real potential for some good

661  
00:23:13,750 --> 00:23:11,039  
science here and for improved policies

662  
00:23:16,220 --> 00:23:13,760  
procedures and mindsets when it comes to

663  
00:23:26,070 --> 00:23:16,230

the overall subject of ufos

664

00:23:29,270 --> 00:23:27,590
