UFO PODCAST

SHOOTING AT UFOS

1
00:00:04,370 --> 00:00:02,810
the U.S military began 2023 with a

2
00:00:06,889 --> 00:00:04,380
series of incidents in which fighter

3
00:00:08,030 --> 00:00:06,899
jets shot down UFOs these events

4
00:00:09,830 --> 00:00:08,040
occurred not long after the

5
00:00:11,410 --> 00:00:09,840
Congressional hearing on UFOs at which

6
00:00:15,230 --> 00:00:11,420
the claim was made that the U.S military

7
00:00:27,290 --> 00:00:15,240
hasn't ever fired at a UFO spoiler alert

8
00:00:27,300 --> 00:00:36,530
[Music]

9
00:00:36,540 --> 00:00:41,990
again

10
00:00:42,000 --> 00:00:45,560
Thunderstruck

11
00:01:08,090 --> 00:01:03,210
[Music]

12
00:01:11,230 --> 00:01:08,100
what the [h__\h]

13
00:01:14,450 --> 00:01:11,240

hello citizens and welcome to UFO UAP

14

00:01:15,710 --> 00:01:14,460

WTF I'm your host Jason MccLellan and

15

00:01:17,870 --> 00:01:15,720

together we'll be exploring the

16

00:01:19,969 --> 00:01:17,880

fascinating enigmatic and frustrating

17

00:01:22,550 --> 00:01:19,979

subject of UFOs

18

00:01:24,530 --> 00:01:22,560

in mid-2022 the first congressional

19

00:01:26,929 --> 00:01:24,540

Hearing in more than 50 years on the

20

00:01:28,670 --> 00:01:26,939

subject of UFOs took place

21

00:01:30,609 --> 00:01:28,680

during this hearing led by the house

22

00:01:32,390 --> 00:01:30,619

intelligence counter-terrorism

23

00:01:34,730 --> 00:01:32,400

counter-intelligence and counter

24

00:01:36,230 --> 00:01:34,740

proliferation subcommittee deputy

25

00:01:37,969 --> 00:01:36,240

director of Naval intelligence Scott

26

00:01:39,230 --> 00:01:37,979

Bray was questioned by members of the

27

00:01:43,429 --> 00:01:39,240

subcommittee

28

00:01:46,249 --> 00:01:43,439

okay so um and I I assume we've never

29

00:01:47,630 --> 00:01:46,259

discharged any armaments against a UAP

30

00:01:52,370 --> 00:01:47,640

correct

31

00:01:53,990 --> 00:01:52,380

never discharged any armaments against a

32

00:01:56,630 --> 00:01:54,000

UFO huh

33

00:02:02,260 --> 00:01:56,640

I don't think that's quite correct

34

00:02:06,410 --> 00:02:04,010

[Music]

35

00:02:08,330 --> 00:02:06,420

as I just mentioned the US military shot

36

00:02:09,770 --> 00:02:08,340

down multiple UFOs at the beginning of

37

00:02:11,750 --> 00:02:09,780

2023.

38

00:02:13,670 --> 00:02:11,760

the first object which was eventually

39

00:02:16,430 --> 00:02:13,680

identified as a Chinese spyballoon

40

00:02:19,369 --> 00:02:16,440

entered U.S airspace over Alaska on

41

00:02:20,630 --> 00:02:19,379

January 28th then drifted down across

42

00:02:23,869 --> 00:02:20,640

the United States

43

00:02:26,089 --> 00:02:23,879

on February 2nd an F-22 was dispatched

44

00:02:27,589 --> 00:02:26,099

out of Langley Air Force Base and it

45

00:02:29,390 --> 00:02:27,599

took down the balloon with a single

46

00:02:31,309 --> 00:02:29,400

air-to-air missile off the coast of

47

00:02:32,869 --> 00:02:31,319

South Carolina

48

00:02:34,610 --> 00:02:32,879

that was the beginning of a stirring of

49

00:02:37,190 --> 00:02:34,620

UFO shootdowns

50

00:02:39,710 --> 00:02:37,200

a high altitude object was shot down off

51
00:02:42,229 --> 00:02:39,720
the coast of Alaska on February 10th

52
00:02:44,150 --> 00:02:42,239
another UFO was shot down over Canadian

53
00:02:46,430 --> 00:02:44,160
airspace the following day

54
00:02:49,550 --> 00:02:46,440
and another UFO was shot down over the

55
00:02:51,650 --> 00:02:49,560
Great Lakes region the day after that

56
00:02:53,449 --> 00:02:51,660
that's a whole lot of shooting at UFOs

57
00:02:55,729 --> 00:02:53,459
for a military that just claimed several

58
00:02:57,290 --> 00:02:55,739
months earlier that it had never fired

59
00:02:58,790 --> 00:02:57,300
at a UFO

60
00:03:01,250 --> 00:02:58,800
and these objects were likely just

61
00:03:03,830 --> 00:03:01,260
balloons of some sort you're telling me

62
00:03:05,449 --> 00:03:03,840
that with all the crazy UFOs with

63
00:03:07,610 --> 00:03:05,459

seemingly Advanced and Superior

64

00:03:10,610 --> 00:03:07,620

capabilities that the US military tells

65

00:03:13,970 --> 00:03:10,620

us its Pilots encounter a shot has never

66

00:03:15,710 --> 00:03:13,980

been fired at one of these things yet a

67

00:03:19,190 --> 00:03:15,720

string of balloon UFO incidents

68

00:03:21,290 --> 00:03:19,200

transpires and its missiles away

69

00:03:23,990 --> 00:03:21,300

if you want to call [h__h] on this one

70

00:03:25,930 --> 00:03:24,000

I'm right there with you

71

00:03:28,729 --> 00:03:25,940

ever hear of the Battle of Los Angeles

72

00:03:32,330 --> 00:03:28,739

this was a UFO incident that occurred on

73

00:03:33,890 --> 00:03:32,340

February 24th and 25th in 1942

74

00:03:36,470 --> 00:03:33,900

the incident began on the evening of

75

00:03:38,030 --> 00:03:36,480

February 24th when a radar operator at

76
00:03:41,330 --> 00:03:38,040
Fort McArthur reported seeing an

77
00:03:43,009 --> 00:03:41,340
unidentified object over Los Angeles

78
00:03:45,410 --> 00:03:43,019
it's tracked by radar for several hours

79
00:03:47,690 --> 00:03:45,420
before anti-aircraft batteries began

80
00:03:49,610 --> 00:03:47,700
firing at the UFO

81
00:03:51,410 --> 00:03:49,620
the shooting continued for approximately

82
00:03:53,089 --> 00:03:51,420
an hour

83
00:03:55,789 --> 00:03:53,099
who knows if they hit whatever the

84
00:03:59,089 --> 00:03:55,799
object was but in the end the military

85
00:04:00,470 --> 00:03:59,099
had fired more than 1 400 rounds at the

86
00:04:02,570 --> 00:04:00,480
UFO

87
00:04:08,030 --> 00:04:02,580
I think that qualifies as shooting at a

88
00:04:12,350 --> 00:04:10,309

the U.S Air Force Academy has had some

89

00:04:14,030 --> 00:04:12,360

interesting UFO related content in its

90

00:04:17,090 --> 00:04:14,040

textbooks over the years

91

00:04:19,490 --> 00:04:17,100

a textbook they used from 1968 to 1970

92

00:04:22,670 --> 00:04:19,500

titled introductory space science Volume

93

00:04:24,710 --> 00:04:22,680

2 focuses on unidentified flying objects

94

00:04:26,330 --> 00:04:24,720

in its 33rd chapter

95

00:04:29,689 --> 00:04:26,340

here's a nice line that's fitting for

96

00:04:32,629 --> 00:04:29,699

our discussion today quote we too have

97

00:04:34,249 --> 00:04:32,639

fired on UFOs end quote

98

00:04:36,469 --> 00:04:34,259

interesting

99

00:04:38,870 --> 00:04:36,479

it continues quote

100

00:04:41,210 --> 00:04:38,880

about 10 o'clock one morning a radar

101
00:04:43,550 --> 00:04:41,220
site near a fighter base picked up a UFO

102
00:04:46,070 --> 00:04:43,560
doing 700 miles per hour

103
00:04:49,189 --> 00:04:46,080
the UFO then slowed to 100 miles per

104
00:04:50,390 --> 00:04:49,199
hour and two f-86s were scrambled to

105
00:04:53,930 --> 00:04:50,400
intercept

106
00:04:56,450 --> 00:04:53,940
eventually one f-86 closed on the UFO at

107
00:04:59,030 --> 00:04:56,460
about 3 000 feet altitude

108
00:05:01,189 --> 00:04:59,040
the UFO began to accelerate away but the

109
00:05:03,170 --> 00:05:01,199
pilots still managed to get within 500

110
00:05:04,490 --> 00:05:03,180
yards of the target for a short period

111
00:05:07,430 --> 00:05:04,500
of time

112
00:05:10,249 --> 00:05:07,440
it was definitely saucer shaped as the

113
00:05:12,350 --> 00:05:10,259

pilot pushed the f-86 at top speed the

114

00:05:15,050 --> 00:05:12,360

UFO began to pull away

115

00:05:17,450 --> 00:05:15,060

when the range reached 1 000 yards the

116

00:05:19,310 --> 00:05:17,460

pilot armed his guns and fired in an

117

00:05:21,650 --> 00:05:19,320

attempt to down the saucer

118

00:05:24,290 --> 00:05:21,660

he failed and the UFO pulled away

119

00:05:25,129 --> 00:05:24,300

rapidly Vanishing in the distance end

120

00:05:27,050 --> 00:05:25,139

quote

121

00:05:29,689 --> 00:05:27,060

that seems like a pretty clear case of

122

00:05:31,730 --> 00:05:29,699

the US military firing at UFOs

123

00:05:33,469 --> 00:05:31,740

I do need to point out though that this

124

00:05:36,230 --> 00:05:33,479

textbook chapter doesn't really cite

125

00:05:39,409 --> 00:05:36,240

sources for its claims and when it does

126

00:05:41,390 --> 00:05:39,419

it's essentially sourced from a UFO book

127

00:05:42,830 --> 00:05:41,400

UFO researcher Jacques valet has

128

00:05:44,090 --> 00:05:42,840

mentioned a couple times

129

00:05:46,129 --> 00:05:44,100

I just point that out for your

130

00:05:47,689 --> 00:05:46,139

consideration we hear time and time

131

00:05:49,850 --> 00:05:47,699

again how the government seemingly

132

00:05:52,129 --> 00:05:49,860

relies on UFO researchers and UFO

133

00:05:54,350 --> 00:05:52,139

literature to inform them about the UFO

134

00:05:56,629 --> 00:05:54,360

subject suggesting that the government

135

00:05:59,689 --> 00:05:56,639

doesn't really know all that much about

136

00:06:01,370 --> 00:05:59,699

UFOs and what they do know comes from

137

00:06:03,469 --> 00:06:01,380

UFO folks

138

00:06:05,029 --> 00:06:03,479

anyway back to our exploration of

139

00:06:07,490 --> 00:06:05,039

shooting at UFOs

140

00:06:11,629 --> 00:06:07,500

let's look at some old newspapers

141

00:06:13,790 --> 00:06:11,639

a piece in the June 13 1975 edition of

142

00:06:15,830 --> 00:06:13,800

Greater Oregon claims quote both

143

00:06:18,590 --> 00:06:15,840

friendly and hostile UFOs seem to be

144

00:06:20,749 --> 00:06:18,600

involved over six dozen cases of UFOs

145

00:06:23,510 --> 00:06:20,759

being fired upon have been reported to

146

00:06:25,670 --> 00:06:23,520

date and 160 different cases of

147

00:06:28,129 --> 00:06:25,680

eyewitnesses being burned blinded

148

00:06:30,050 --> 00:06:28,139

paralyzed and injured by UFOs and close

149

00:06:31,129 --> 00:06:30,060

encounters have been documented end

150

00:06:33,350 --> 00:06:31,139

quote

151

00:06:35,390 --> 00:06:33,360

the paper unfortunately doesn't cite any

152

00:06:38,150 --> 00:06:35,400

sources for these claims

153

00:06:40,129 --> 00:06:38,160

the October 12 1980 edition of the

154

00:06:42,170 --> 00:06:40,139

Sacramento Bee includes a quote from Dr

155

00:06:43,550 --> 00:06:42,180

J Allen heineck who served as a

156

00:06:46,370 --> 00:06:43,560

scientific consultant to the United

157

00:06:48,830 --> 00:06:46,380

States Air Force's official UFO studies

158

00:06:51,409 --> 00:06:48,840

he stated quote one could think this was

159

00:06:53,629 --> 00:06:51,419

all a mental experience except for the

160

00:06:55,909 --> 00:06:53,639

physical evidence such as one reported

161

00:06:58,370 --> 00:06:55,919

incident when a UFO Observer fired a

162

00:07:00,409 --> 00:06:58,380

shotgun at the object and then saw and

163

00:07:03,950 --> 00:07:00,419

heard the bullet Ricochet off the UFO's

164

00:07:06,469 --> 00:07:03,960

side end quote not the military there

165

00:07:08,629 --> 00:07:06,479

but still a case of shooting at UFOs

166

00:07:11,050 --> 00:07:08,639

interesting

167

00:07:13,730 --> 00:07:11,060

a story published in the November 28

168

00:07:17,270 --> 00:07:13,740

1978 edition of The Daily Sentinel

169

00:07:19,490 --> 00:07:17,280

Tribune titled UFOs fired on tells the

170

00:07:21,350 --> 00:07:19,500

story of a UFO encounter with police in

171

00:07:24,050 --> 00:07:21,360

Guadalajara Mexico

172

00:07:26,390 --> 00:07:24,060

it states quote two objects described as

173

00:07:28,249 --> 00:07:26,400

luminous flying saucers were reported by

174

00:07:29,930 --> 00:07:28,259

residents and a police officer near

175

00:07:32,089 --> 00:07:29,940

Guadalajara authorities said Monday

176
00:07:34,370 --> 00:07:32,099
authorities said one of the unidentified

177
00:07:36,050 --> 00:07:34,380
flying objects hovered about 30 feet

178
00:07:38,930 --> 00:07:36,060
over the patrol car of policeman

179
00:07:42,230 --> 00:07:38,940
Francisco diaz-cortez and emitted a red

180
00:07:43,730 --> 00:07:42,240
light turned on the car's siren and made

181
00:07:45,170 --> 00:07:43,740
it spin around

182
00:07:47,150 --> 00:07:45,180
the policeman said the UFO then

183
00:07:49,670 --> 00:07:47,160
descended rapidly behind some nearby

184
00:07:52,070 --> 00:07:49,680
Hills and when he gave Chase he found

185
00:07:54,409 --> 00:07:52,080
another flying object the police said

186
00:07:56,450 --> 00:07:54,419
they fired on the UFOs both of which

187
00:07:57,350 --> 00:07:56,460
took off after rapidly emitting red

188
00:08:00,230 --> 00:07:57,360

light

189

00:08:03,230 --> 00:08:00,240

neither apparently was hit by the shots

190

00:08:04,780 --> 00:08:03,240

again not military but another example

191

00:08:05,870 --> 00:08:04,790

of shooting at UFOs

192

00:08:08,629 --> 00:08:05,880

[Music]

193

00:08:11,270 --> 00:08:08,639

a UFO emitting a red light we definitely

194

00:08:13,010 --> 00:08:11,280

have to go on a brief detour here UFO

195

00:08:15,409 --> 00:08:13,020

seen shooting red lights are reported in

196

00:08:17,450 --> 00:08:15,419

many UFO cases throughout history and

197

00:08:18,290 --> 00:08:17,460

notably around the same time frame as

198

00:08:20,629 --> 00:08:18,300

well

199

00:08:23,689 --> 00:08:20,639

a series of UFO attacks occurred on the

200

00:08:25,369 --> 00:08:23,699

Brazilian island of kolaras in 1977 a

201
00:08:26,990 --> 00:08:25,379
case that was investigated for months by

202
00:08:28,969 --> 00:08:27,000
the Brazilian military

203
00:08:31,070 --> 00:08:28,979
UFOs were seen shooting red beams of

204
00:08:34,130 --> 00:08:31,080
lighted people which resulted in burn

205
00:08:36,050 --> 00:08:34,140
skin paralysis and other health issues

206
00:08:38,269 --> 00:08:36,060
another quick example is the rendlesham

207
00:08:40,670 --> 00:08:38,279
forest incident this was a multi-day

208
00:08:43,370 --> 00:08:40,680
incident that took place in 1980 near

209
00:08:45,350 --> 00:08:43,380
Twin NATO bases RAF Woodbridge and RAF

210
00:08:47,509 --> 00:08:45,360
bentwaters that were at least to the

211
00:08:49,670 --> 00:08:47,519
United States Air Force at the time

212
00:08:52,430 --> 00:08:49,680
Witnesses reportedly saw red lights in

213
00:08:54,230 --> 00:08:52,440

the forest multiple UFOs in the sky and

214

00:08:56,750 --> 00:08:54,240

light beams shooting down to the ground

215

00:08:58,970 --> 00:08:56,760

both at woodbridge's weapon storage area

216

00:09:01,490 --> 00:08:58,980

and at the Personnel investigating the

217

00:09:02,630 --> 00:09:01,500

incident okay off the tangent and back

218

00:09:04,250 --> 00:09:02,640

on track

219

00:09:05,570 --> 00:09:04,260

let's talk about Oscar Santa Maria

220

00:09:07,670 --> 00:09:05,580

Huerta

221

00:09:09,949 --> 00:09:07,680

this is the pilot from the Peruvian Air

222

00:09:13,130 --> 00:09:09,959

Force who retired at the rank of Colonel

223

00:09:15,110 --> 00:09:13,140

in April of 1980 the then Lieutenant was

224

00:09:16,970 --> 00:09:15,120

scrambled to intercept a strange shiny

225

00:09:19,850 --> 00:09:16,980

object that was spotted floating near

226

00:09:22,009 --> 00:09:19,860

the runway of La Jolla Air Force Base

227

00:09:23,810 --> 00:09:22,019

this object was just hanging in the air

228

00:09:24,829 --> 00:09:23,820

approximately two thousand feet off the

229

00:09:26,690 --> 00:09:24,839

ground

230

00:09:28,790 --> 00:09:26,700

this balloon-like object was in

231

00:09:30,590 --> 00:09:28,800

restricted airspace so the lieutenant

232

00:09:34,550 --> 00:09:30,600

moved to take it down

233

00:09:36,949 --> 00:09:34,560

he fired 64 30 millimeter shelves but

234

00:09:37,790 --> 00:09:36,959

shockingly this had no effect on the

235

00:09:39,829 --> 00:09:37,800

object

236

00:09:41,449 --> 00:09:39,839

he said it was like the UFO just

237

00:09:43,910 --> 00:09:41,459

absorbed the rounds

238

00:09:45,650 --> 00:09:43,920

the UFO then shot away and the

239

00:09:49,009 --> 00:09:45,660

lieutenant gave Chase

240

00:09:51,050 --> 00:09:49,019

the UFO came to an abrupt stop and Oscar

241

00:09:53,930 --> 00:09:51,060

Santa Maria Huerta moved in for another

242

00:09:55,790 --> 00:09:53,940

shot but the object zoomed upward before

243

00:09:57,710 --> 00:09:55,800

he could get the shot off

244

00:09:59,570 --> 00:09:57,720

he tried a couple more times but the

245

00:10:01,790 --> 00:09:59,580

result was the same

246

00:10:04,009 --> 00:10:01,800

he attempted to position himself above

247

00:10:06,769 --> 00:10:04,019

the UFO to prevent it from ascending

248

00:10:09,949 --> 00:10:06,779

like it did before but the UFO climbed

249

00:10:11,990 --> 00:10:09,959

to approximately 62 thousand feet much

250

00:10:14,449 --> 00:10:12,000

higher than his jet was rated for

251

00:10:16,490 --> 00:10:14,459

his plane was low on fuel so before

252

00:10:19,190 --> 00:10:16,500

returning to base he decided to fly

253

00:10:21,470 --> 00:10:19,200

close to the object to get a better look

254

00:10:24,110 --> 00:10:21,480

he described the object as roughly 32

255

00:10:24,889 --> 00:10:24,120

feet in diameter with a shiny Dome on

256

00:10:27,949 --> 00:10:24,899

top

257

00:10:29,030 --> 00:10:27,959

a quote light bulb cut in half is how he

258

00:10:31,430 --> 00:10:29,040

described it

259

00:10:33,530 --> 00:10:31,440

back on the ground he and others on the

260

00:10:36,050 --> 00:10:33,540

base watch the UFO as it hung in the sky

261

00:10:37,250 --> 00:10:36,060

for another two hours

262

00:10:40,130 --> 00:10:37,260

I don't think that object was ever

263

00:10:44,569 --> 00:10:42,170

in addition to existing accounts of

264

00:10:46,310 --> 00:10:44,579

shooting at UFOs there are perhaps more

265

00:10:48,949 --> 00:10:46,320

stories where an attempt has been made

266

00:10:51,889 --> 00:10:48,959

to shoot at a UFO but the attempt was

267

00:10:54,050 --> 00:10:51,899

seemingly thwarted by the UFO

268

00:10:56,329 --> 00:10:54,060

Milton Torres is a great example of this

269

00:10:58,490 --> 00:10:56,339

Milton Torres was a U.S Air Force

270

00:11:00,110 --> 00:10:58,500

fighter pilot stationed at Raf manston

271

00:11:03,170 --> 00:11:00,120

in Kent England

272

00:11:06,170 --> 00:11:03,180

in May of 1957 he was scrambled to

273

00:11:08,630 --> 00:11:06,180

intercept a massive UFO reportedly the

274

00:11:10,910 --> 00:11:08,640

size of an aircraft carrier

275

00:11:13,190 --> 00:11:10,920

this UFO was Motionless in the sky at

276
00:11:16,190 --> 00:11:13,200
times but also reached speeds of more

277
00:11:18,290 --> 00:11:16,200
than 7 600 miles per hour

278
00:11:20,810 --> 00:11:18,300
just as Torres got ready to fire 24

279
00:11:23,750 --> 00:11:20,820
rockets at the UFO it suddenly

280
00:11:25,910 --> 00:11:23,760
accelerated and disappeared from sight

281
00:11:28,250 --> 00:11:25,920
Torres said he was given the order to

282
00:11:29,630 --> 00:11:28,260
shoot the UFO down before he even took

283
00:11:32,150 --> 00:11:29,640
off that day

284
00:11:34,370 --> 00:11:32,160
he also says that he was debriefed by a

285
00:11:36,410 --> 00:11:34,380
Men In Black type guy he actually

286
00:11:38,690 --> 00:11:36,420
describes him as looking like an IBM

287
00:11:41,030 --> 00:11:38,700
salesman but this individual apparently

288
00:11:43,069 --> 00:11:41,040

threatened Torres and told him to never

289

00:11:45,710 --> 00:11:43,079

talk about the incident

290

00:11:47,090 --> 00:11:45,720

pretty fascinating case and details

291

00:11:49,910 --> 00:11:47,100

about it were released by the ministry

292

00:11:53,269 --> 00:11:49,920

of Defense in 2008.

293

00:11:55,850 --> 00:11:53,279

in 2004 the crew of an Iranian Air Force

294

00:11:57,650 --> 00:11:55,860

F-14 armed with missiles spotted a

295

00:11:58,730 --> 00:11:57,660

luminous object flying near a heavy

296

00:12:00,710 --> 00:11:58,740

water plant

297

00:12:03,590 --> 00:12:00,720

when the Jets radar painted the object

298

00:12:06,110 --> 00:12:03,600

both the radar intercept officer and the

299

00:12:07,850 --> 00:12:06,120

pilot saw the radar scope was disrupted

300

00:12:09,829 --> 00:12:07,860

the pilot described the object as being

301
00:12:11,930 --> 00:12:09,839
spherical with something like a green

302
00:12:14,810 --> 00:12:11,940
afterburner creating a considerable

303
00:12:16,970 --> 00:12:14,820
amount of turbulence behind it

304
00:12:18,769 --> 00:12:16,980
lock-on was achieved When the UFO was

305
00:12:19,970 --> 00:12:18,779
flying in a linear and constant flight

306
00:12:21,829 --> 00:12:19,980
path

307
00:12:24,170 --> 00:12:21,839
once the pilot selected a missile to

308
00:12:26,329 --> 00:12:24,180
launch against the UFO the object

309
00:12:27,530 --> 00:12:26,339
increased its speed and disappeared like

310
00:12:30,350 --> 00:12:27,540
a meteor

311
00:12:33,650 --> 00:12:30,360
a 2012 incident also involving Iranian

312
00:12:35,930 --> 00:12:33,660
Air Force f-14s is even crazier

313
00:12:37,490 --> 00:12:35,940

and F-14 was scrambled to intercept an

314

00:12:40,190 --> 00:12:37,500

incoming UFO

315

00:12:41,930 --> 00:12:40,200

seconds after taking off the F-14

316

00:12:46,910 --> 00:12:41,940

reportedly exploded

317

00:12:50,090 --> 00:12:46,920

[Music]

318

00:12:52,129 --> 00:12:50,100

here's another example from 1967. the

319

00:12:54,970 --> 00:12:52,139

alleged incident as it was reported to

320

00:12:58,430 --> 00:12:54,980

UFO researchers involved the

321

00:13:00,170 --> 00:12:58,440

6947 security Squadron a unit of the U.S

322

00:13:02,150 --> 00:13:00,180

Air Force Security Service that was

323

00:13:05,389 --> 00:13:02,160

tasked with monitoring Cuban Air Force

324

00:13:08,449 --> 00:13:05,399

Communications and radar Transmissions

325

00:13:10,490 --> 00:13:08,459

in March of 1967 communication was

326
00:13:12,769 --> 00:13:10,500
intercepted from Cuban air defense radar

327
00:13:15,530 --> 00:13:12,779
controllers who were reporting a UFO

328
00:13:17,569 --> 00:13:15,540
approaching Cuba from the Northeast

329
00:13:19,670 --> 00:13:17,579
the UFO reportedly entered Cuban

330
00:13:22,610 --> 00:13:19,680
airspace at an altitude of approximately

331
00:13:25,610 --> 00:13:22,620
33 000 feet then shot away at

332
00:13:28,310 --> 00:13:25,620
approximately 660 miles per hour

333
00:13:30,769 --> 00:13:28,320
in response to this UFO Two mig-21

334
00:13:32,389 --> 00:13:30,779
fighter jets were scrambled to intercept

335
00:13:35,690 --> 00:13:32,399
the flight leader was ordered to arm

336
00:13:37,310 --> 00:13:35,700
weapons and destroy the UFO the pilot

337
00:13:39,170 --> 00:13:37,320
achieved radar lock and was about to

338
00:13:41,269 --> 00:13:39,180

fire when his wingman alerted Ground

339

00:13:42,769 --> 00:13:41,279

Control that the flight Leader's jet had

340

00:13:46,490 --> 00:13:42,779

exploded

341

00:13:49,009 --> 00:13:46,500

description because there wasn't any

342

00:13:51,889 --> 00:13:49,019

smoke or flames the wingman said the

343

00:13:55,069 --> 00:13:51,899

plane just disintegrated

344

00:13:56,870 --> 00:13:55,079

after that the UFO climbed to 98 000

345

00:13:58,730 --> 00:13:56,880

feet and disappeared towards South

346

00:14:02,150 --> 00:13:58,740

America

347

00:14:04,250 --> 00:14:02,160

that's an absolutely wild story right

348

00:14:06,590 --> 00:14:04,260

but being the wet blanket I am I do have

349

00:14:08,449 --> 00:14:06,600

to add this disclaimer that as with many

350

00:14:09,410 --> 00:14:08,459

of these stories take it with a grain of

351

00:14:11,629 --> 00:14:09,420

salt

352

00:14:13,670 --> 00:14:11,639

the source for this particular story is

353

00:14:15,530 --> 00:14:13,680

a little questionable and the story gets

354

00:14:17,629 --> 00:14:15,540

even Wilder with claims of visits from

355

00:14:19,910 --> 00:14:17,639

Men In Black threats against UFO

356

00:14:21,050 --> 00:14:19,920

researchers Etc it's got a bit of

357

00:14:23,150 --> 00:14:21,060

everything you'd expect from a

358

00:14:25,069 --> 00:14:23,160

sensational UFO story

359

00:14:27,889 --> 00:14:25,079

the bottom line is this

360

00:14:29,329 --> 00:14:27,899

yes the United States military has fired

361

00:14:31,190 --> 00:14:29,339

at UFOs

362

00:14:33,769 --> 00:14:31,200

other countries have too

363

00:14:35,810 --> 00:14:33,779

and the recent balloon takedowns aside

364

00:14:37,910 --> 00:14:35,820

the statement by deputy director of

365

00:14:39,949 --> 00:14:37,920

Naval intelligence Scott Bray was an

366

00:14:41,449 --> 00:14:39,959

accurate and misinformed

367

00:14:42,889 --> 00:14:41,459

and that shouldn't really be surprising

368

00:14:45,050 --> 00:14:42,899

to anybody

369

00:14:46,730 --> 00:14:45,060

I know it's not a popular opinion in UFO

370

00:14:49,910 --> 00:14:46,740

circles but the US government

371

00:14:51,590 --> 00:14:49,920

demonstrates time and time again that it

372

00:14:53,150 --> 00:14:51,600

doesn't really know all that much about

373

00:14:55,250 --> 00:14:53,160

UFOs

374

00:14:57,710 --> 00:14:55,260

each time the U.S government decides to

375

00:14:59,810 --> 00:14:57,720

explore UFOs they seemingly start from

376

00:15:02,150 --> 00:14:59,820

scratch by signing people with no

377

00:15:04,550 --> 00:15:02,160

knowledge about UFO issues or even the

378

00:15:06,710 --> 00:15:04,560

government's own UFO history

379

00:15:10,129 --> 00:15:06,720

it's a frustrating cycle that provides

380

00:15:13,790 --> 00:15:10,139

confusion fuels conspiracies and keeps

381

00:15:16,069 --> 00:15:13,800

people clamoring for UFO disclosure

382

00:15:17,629 --> 00:15:16,079

but that my friends is our brief look at

383

00:15:19,370 --> 00:15:17,639

some of the times that UFOs have

384

00:15:21,170 --> 00:15:19,380

reportedly been shot at

385

00:15:22,910 --> 00:15:21,180

I hope you learned something I'm glad we

386

00:15:24,590 --> 00:15:22,920

could walk through that together and hey

387

00:15:25,790 --> 00:15:24,600

if there's a case or topic you'd like to

388

00:15:28,310 --> 00:15:25,800

have featured or addressed on a future

389

00:15:30,829 --> 00:15:28,320

episode a general comment or anything

390

00:15:32,629 --> 00:15:30,839

else I'd love to hear it I'm easy to

391

00:15:35,030 --> 00:15:32,639
