2023 05 15	Saucer Life	<a href="https://youtu.be/tfF6WK9HRk0">https://youtu.be/tfF6WK9HRk0</a>	The Zine Scene California UFO Magazine 2	The Zine Scene returns with another very early issue of (California) UFO Magazine! Like the first issue, this one shows off the diversity of the UFO scene, from articles and opinions that range from the nuts and bolts to the more etherial side of the UFO spectrum. There are some interesting ads, fun contactee stories, letters to the editor, and all sorts of other amusements, along with a couple of rabbit holes for us to go down.	<a href="#">Transcript Link</a>

It's a wild ride featuring convicted fraudster Sean David Morton, who I urge you to read about at <a href="https://www.ufowatchdog.com">https://www.ufowatchdog.com</a>	<a href="#">Transcript Link</a>

2023 03 06	Saucer Life	<a href="https://youtu.be/6K3lrJ66Gu0">https://youtu.be/6K3lrJ66Gu0</a>	Laura Mundo and the Father's Plan	In this episode, we're going to look at "Flying Saucers and the Father's Plan" by Laura Munro. This is an interesting book; it's part Contactee tale and part commentary on other Contactees (which was more rare than one might expect). It was published by Gray Barker's Saucerian Press and, thanks to Barker's record keeping, we have some interesting insights into the book's development as well.  We previous covered Laura Munro in our episode on FBI investigations into flying saucer clubs in Detroit, so check out that episode if you haven't at <a href="https://youtu.be/7WhFwSmEx2I">https://youtu.be/7WhFwSmEx2I</a>  Website: <a href="https://saucerlife.com">https://saucerlife.com</a> Patreon: <a href="https://patreon.com/cheesomedia">https://patreon.com/cheesomedia</a>	<a href="#">Transcript Link</a>

We'll see one example of "government interest in flying saucers" and why it really was never about the saucers, in some cases. We also look at a useful illustration about the way one story can connect to others, with the story of Laura Mundo.  This episode featured Nelson Sannat as the voice of J. Edgar Hoover and Roberta Evangeline Straith as the voice of Laura Mundo.	<a href="#">Transcript Link</a>

For those of us who came to the magazine much later (the late 90s, in my case), these early issues are a bit different than what we might expect. [Transcript Link](#)

- 2023 02 06 Saucer Life <https://youtu.be/02AT4gkDBu0> Dr. Peter Beter The Rockefeller family was a frequent target of conspiracy theory in the United States. One of their detractors was Peter Beter, a conspiracy theorist whose frequently outlandish conspiracy theories also targeted the Federal Reserve system and the Soviet Union. He spread his message through recorded messages distributed on cassette tape to subscribers, released monthly from 1975 to 1982. Beter claimed that the Soviets had planted short range nuclear missiles just off the coast of the United States and that the US and USSR had fought an orbital conflict with space-based weapons which he called the "Battle of the Harvest Moon." It was, however, Beter's tales of assassinated and replaced political figures that remain his most outlandish legacy. [Transcript Link](#)

At least in my experience. His name is Robert Renaud and he had some very interesting experiences and a very distinct, entertaining way of writing. [Transcript Link](#)

Never heard of him? Neither had I. What's his claim to fame? Um.... He might have been the source for the original Contactee-style account, years before George Adamski or Truman Bethurum did their thing. It's a strange story. Much thanks to The Saucers that Time Forgot for their work on this story, as well as Håkan Blomqvist for his write up as well. They were very valuable resources! Håkan Blomqvist's article: <a href="https://ufoarchives.blogspot.com/2017/01/the-ufo-contactee-no-one-investigated.html">https://ufoarchives.blogspot.com/2017/01/the-ufo-contactee-no-one-investigated.html</a> The Saucers that Time Forgot: <a href="https://thesaucersthattimeforgot.blogspot.com/2022/10/dr-drake-and-visitors.html">https://thesaucersthattimeforgot.blogspot.com/2022/10/dr-drake-and-visitors.html</a>	<a href="#">Transcript Link</a>
