

1
00:00:14,709 --> 00:00:12,470
we are in kelly

2
00:00:16,070 --> 00:00:14,719
kelly kentucky almost like kelly west

3
00:00:18,870 --> 00:00:16,080
virginia that's pretty wrong

4
00:00:19,830 --> 00:00:18,880
we're at the park the the kelly park and

5
00:00:22,390 --> 00:00:19,840
you can see

6
00:00:23,910 --> 00:00:22,400
here in the uh the distance that we're

7
00:00:25,029 --> 00:00:23,920
walking toward i'll zoom in so we can

8
00:00:27,670 --> 00:00:25,039
walk a little faster

9
00:00:28,630 --> 00:00:27,680
it is a flying saucer of indeterminate

10
00:00:33,270 --> 00:00:28,640
origin

11
00:00:35,110 --> 00:00:33,280
uh you never know

12
00:00:36,310 --> 00:00:35,120
do you never know it appears to be made

13
00:00:39,430 --> 00:00:36,320

of titanium

14

00:00:42,549 --> 00:00:39,440

and particle board and um it's

15

00:00:45,270 --> 00:00:42,559

uh it's pretty cool isn't it

16

00:00:45,670 --> 00:00:45,280

it's got the translucent dome up at the

17

00:00:48,229 --> 00:00:45,680

top

18

00:00:49,110 --> 00:00:48,239

i i love this thing i i love this thing

19

00:00:51,670 --> 00:00:49,120

sort of

20

00:00:53,750 --> 00:00:51,680

inordinately simpson is a big fan he's

21

00:00:57,110 --> 00:00:53,760

planning to take it up for a flight

22

00:00:58,869 --> 00:00:57,120

but uh nothing happened that's

23

00:01:00,389 --> 00:00:58,879

that's uh that's roofing material right

24

00:01:03,110 --> 00:01:00,399

there underneath

25

00:01:03,750 --> 00:01:03,120

um can you can't see it on the screen

26

00:01:05,509 --> 00:01:03,760

but there's

27

00:01:07,429 --> 00:01:05,519

there's a couple goblin corpses down

28

00:01:09,030 --> 00:01:07,439

here i was hoping there'd be a

29

00:01:11,750 --> 00:01:09,040

ladder where you could climb up to the

30

00:01:14,149 --> 00:01:11,760

inside i think that's probably an

31

00:01:15,030 --> 00:01:14,159

insurance problem uh more than anything

32

00:01:18,070 --> 00:01:15,040

else you know what

33

00:01:21,030 --> 00:01:18,080

these are rope lights rope lights

34

00:01:21,429 --> 00:01:21,040

at night are we going to come back at

35

00:01:23,350 --> 00:01:21,439

night

36

00:01:24,789 --> 00:01:23,360

i think we are simpson says we're going

37

00:01:26,390 --> 00:01:24,799

to have to come back at night and i'm

38

00:01:28,469 --> 00:01:26,400

not gonna argue with the associate

39

00:01:31,670 --> 00:01:28,479

producer of the saucer life

40

00:01:32,069 --> 00:01:31,680

so so this is this is pretty cool and

41

00:01:38,630 --> 00:01:32,079

there's

42

00:01:41,749 --> 00:01:38,640

over here and uh

43

00:01:44,870 --> 00:01:41,759

let's uh let's check this out

44

00:01:48,630 --> 00:01:44,880

if you're uh if you're lucky

45

00:01:50,069 --> 00:01:48,640

i will edit out me walking towards the

46

00:01:52,149 --> 00:01:50,079

historical marker

47

00:01:53,670 --> 00:01:52,159

but uh let's be honest you're probably

48

00:01:55,030 --> 00:01:53,680

not going to be that lucky

49

00:01:57,749 --> 00:01:55,040

and you're going to have to put up with

50

00:01:59,190 --> 00:01:57,759

me walking toward the historical marker

51

00:02:02,389 --> 00:01:59,200

so

52

00:02:04,709 --> 00:02:02,399

here we are um and boy is this a

53

00:02:06,469 --> 00:02:04,719

marvelous location for a socially

54

00:02:09,029 --> 00:02:06,479

distanced vacation or what

55

00:02:10,469 --> 00:02:09,039

there's uh there's there's nobody here

56

00:02:13,750 --> 00:02:10,479

which is how i like

57

00:02:17,750 --> 00:02:13,760

my places so we've got this

58

00:02:20,790 --> 00:02:17,760

um i don't know vaguely occult

59

00:02:23,510 --> 00:02:20,800

looking circle bisected

60

00:02:24,229 --> 00:02:23,520

circle here and if this isn't a ufo

61

00:02:26,309 --> 00:02:24,239

related

62

00:02:27,670 --> 00:02:26,319

oh it's the 10 it's the ten commandment

63

00:02:28,869 --> 00:02:27,680

not that we're not that we're down on

64

00:02:32,229 --> 00:02:28,879

the ten commandments but

65

00:02:36,949 --> 00:02:33,990

i was hoping for something goblin

66

00:02:38,550 --> 00:02:36,959

related but um

67

00:02:40,390 --> 00:02:38,560

i mean i've got several books that

68

00:02:43,350 --> 00:02:40,400

contain the ten commandments

69

00:02:45,110 --> 00:02:43,360

you know because they're in the bible so

70

00:02:48,229 --> 00:02:45,120

but the ten commandments there we go

71

00:02:49,190 --> 00:02:48,239

in memory of malcolm bugs and francis

72

00:02:52,309 --> 00:02:49,200

pritchett

73

00:02:54,309 --> 00:02:52,319

that's uh that's outstanding okay thanks

74

00:02:57,990 --> 00:02:54,319

bugs

75

00:02:59,670 --> 00:02:58,000

so over here we have

76

00:03:01,030 --> 00:02:59,680

we have a stage because this is i

77

00:03:03,990 --> 00:03:01,040

believe this is where kelly

78

00:03:05,030 --> 00:03:04,000

the kelly green man days green men days

79

00:03:08,229 --> 00:03:05,040

festival

80

00:03:11,750 --> 00:03:08,239

takes place i think that's what the sign

81

00:03:15,030 --> 00:03:11,760

over over there says so

82

00:03:17,270 --> 00:03:15,040

um a stage i can't resist a stage i will

83

00:03:17,990 --> 00:03:17,280

try to resist a stage i mean don't need

84

00:03:19,670 --> 00:03:18,000

to resist

85

00:03:21,430 --> 00:03:19,680

let's go for it simpson says i don't

86

00:03:22,869 --> 00:03:21,440

need to resist and we should give you

87

00:03:24,229 --> 00:03:22,879

lecturing from the stage

88

00:03:26,390 --> 00:03:24,239

we need some footage of me lecturing

89

00:03:29,589 --> 00:03:26,400

from the stage says simpson

90

00:03:33,030 --> 00:03:29,599

let's go we are here

91

00:03:36,149 --> 00:03:33,040

in the place where the goblins came

92

00:03:39,990 --> 00:03:36,159

to grace us with their gobliny hair

93

00:03:42,550 --> 00:03:40,000

pulling shotgun resistant menace

94

00:03:43,910 --> 00:03:42,560

and we thanked them for it but we would

95

00:03:47,270 --> 00:03:43,920

appreciate it

96

00:03:48,789 --> 00:03:47,280

if they do not come again now you may

97

00:03:49,670 --> 00:03:48,799

say the goblins the goblins are nothing

98

00:03:51,589 --> 00:03:49,680

the god was nothing

99

00:03:53,350 --> 00:03:51,599

they saw a great horned owl they say a

100

00:03:55,270 --> 00:03:53,360

great horned owl that's come to this

101
00:03:56,630 --> 00:03:55,280
do you see a great horned owl brother

102
00:04:00,910 --> 00:03:56,640
simpson circle around and show us the

103
00:04:03,350 --> 00:04:00,920
great horned owl

104
00:04:04,789 --> 00:04:03,360
[Music]

105
00:04:14,390 --> 00:04:04,799
there are no great horned owl brothers

106
00:04:16,789 --> 00:04:14,400
and sisters there are not

107
00:04:17,830 --> 00:04:16,799
i wonder so this is um this is what we

108
00:04:21,509 --> 00:04:17,840
think

109
00:04:25,749 --> 00:04:21,519
was the uh the shady oaks

110
00:04:27,110 --> 00:04:25,759
place um it it fits the uh if it's the

111
00:04:27,990 --> 00:04:27,120
uh the description if you've heard the

112
00:04:29,909 --> 00:04:28,000
podcast episode

113
00:04:31,430 --> 00:04:29,919

then you you know about that and there

114

00:04:33,510 --> 00:04:31,440

there doesn't seem to be anything here

115

00:04:34,629 --> 00:04:33,520

anybody here there's some things here

116

00:04:38,070 --> 00:04:34,639

and if we

117

00:04:39,110 --> 00:04:38,080

look down this way you'll see there's a

118

00:04:41,749 --> 00:04:39,120

uh

119

00:04:42,150 --> 00:04:41,759

zoom in there there's a sidewalk going

120

00:04:46,230 --> 00:04:42,160

back

121

00:04:48,629 --> 00:04:46,240

like a path and a uh it's like a

122

00:04:49,270 --> 00:04:48,639

driveway as well so this looks like a

123

00:04:51,990 --> 00:04:49,280

place where

124

00:04:53,430 --> 00:04:52,000

you check in at a main building which

125

00:04:54,550 --> 00:04:53,440

was probably located around here but

126

00:04:56,870 --> 00:04:54,560

might not have been

127

00:04:59,590 --> 00:04:56,880

this might be a newer building than that

128

00:05:02,070 --> 00:04:59,600

was it doesn't match the postcard but

129

00:05:03,510 --> 00:05:02,080

um everything else matches and sort of

130

00:05:05,749 --> 00:05:03,520

the the layout of the

131

00:05:07,350 --> 00:05:05,759

the land sort of reminds me of it so

132

00:05:08,950 --> 00:05:07,360

it's uh it's interesting

133

00:05:10,050 --> 00:05:08,960

it's interesting and it's sort of a neat

134

00:05:11,350 --> 00:05:10,060

find

135

00:05:13,189 --> 00:05:11,360

[Applause]

136

00:05:15,189 --> 00:05:13,199

we're in the land between the lakes uh

137

00:05:17,909 --> 00:05:15,199

national recreation area now

138

00:05:19,830 --> 00:05:17,919

um why are we here because when i was

139

00:05:21,270 --> 00:05:19,840

looking for cryptids in kentucky

140

00:05:23,270 --> 00:05:21,280

this was a place where it was said there

141

00:05:25,189 --> 00:05:23,280

were some and also it's uh

142

00:05:27,189 --> 00:05:25,199

it's nice to get uh nice to get a good

143

00:05:27,749 --> 00:05:27,199

long hike in when you've been sitting in

144

00:05:30,870 --> 00:05:27,759

cars

145

00:05:32,629 --> 00:05:30,880

for several hours so we'll check in from

146

00:05:35,749 --> 00:05:32,639

time to time and if there are

147

00:05:39,430 --> 00:05:35,759

any big feet or

148

00:05:42,790 --> 00:05:39,440

sasquatches or woodland elves or

149

00:05:45,830 --> 00:05:42,800

anything of the sort we will be sure to

150

00:05:51,749 --> 00:05:48,950

okay we are several miles in and uh

151
00:05:53,749 --> 00:05:51,759
simpson have you seen any big feet i saw

152
00:05:55,430 --> 00:05:53,759
a big footprint

153
00:05:57,990 --> 00:05:55,440
but not a big sure it was a human

154
00:05:59,189 --> 00:05:58,000
boot-sized so a big footprint rather

155
00:06:02,469 --> 00:05:59,199
than a big footprint

156
00:06:02,950 --> 00:06:02,479
right yeah yeah that often trips up even

157
00:06:05,749 --> 00:06:02,960
the most

158
00:06:07,909 --> 00:06:05,759
savvy investigators i thought i saw a

159
00:06:09,990 --> 00:06:07,919
woodland elf but it was uh the dead

160
00:06:11,029 --> 00:06:10,000
raccoon bloated from its own internal

161
00:06:13,350 --> 00:06:11,039
gases

162
00:06:14,790 --> 00:06:13,360
as it decayed and decomposed and that

163
00:06:15,590 --> 00:06:14,800

was the most frightening thing i expect

164

00:06:19,430 --> 00:06:15,600

to see

165

00:06:21,350 --> 00:06:19,440

on this little jaunt so onward

166

00:06:23,029 --> 00:06:21,360

were these steps put here by ancient

167

00:06:26,309 --> 00:06:23,039

aliens to
