

1
00:00:07,749 --> 00:00:04,470
okay hi

2
00:00:10,230 --> 00:00:07,759
it's uh it's 9 30. and um

3
00:00:11,110 --> 00:00:10,240
the youtube streaming thing has uh has

4
00:00:13,589 --> 00:00:11,120
reversed

5
00:00:15,110 --> 00:00:13,599
my uh my screen here which is which is

6
00:00:19,189 --> 00:00:15,120
great i think i look

7
00:00:22,390 --> 00:00:19,199
better in reverse it's like mere

8
00:00:26,070 --> 00:00:22,400
universe me only

9
00:00:29,509 --> 00:00:26,080
in all universes i have the increasingly

10
00:00:33,830 --> 00:00:32,310
my beard is rasputin curious at this

11
00:00:34,630 --> 00:00:33,840
point anyway if you're not familiar with

12
00:00:36,470 --> 00:00:34,640
it from

13
00:00:38,549 --> 00:00:36,480

other videos and and things like that

14

00:00:44,069 --> 00:00:38,559

this is the chiso media

15

00:00:48,150 --> 00:00:44,079

studio slash bike repair shop slash

16

00:00:51,029 --> 00:00:48,160

library slash toy collection

17

00:00:53,590 --> 00:00:51,039

um such short notice on this uh on this

18

00:00:55,910 --> 00:00:53,600

stream that uh that i i doubt there

19

00:00:57,670 --> 00:00:55,920

uh will be uh will be anybody here um

20

00:00:57,990 --> 00:00:57,680

until they find out it's going on and by

21

00:01:00,869 --> 00:00:58,000

that

22

00:01:01,510 --> 00:01:00,879

time it may be over but it will be here

23

00:01:04,710 --> 00:01:01,520

for

24

00:01:05,670 --> 00:01:04,720

posterity um a couple little notes a

25

00:01:08,550 --> 00:01:05,680

couple little notes

26
00:01:10,070 --> 00:01:08,560
um at tomorrow's episode we've got a new

27
00:01:12,630 --> 00:01:10,080
episode coming tomorrow

28
00:01:13,429 --> 00:01:12,640
um it may be coming a little bit later

29
00:01:16,950 --> 00:01:13,439
than usual

30
00:01:19,590 --> 00:01:16,960
um i uh i spent all my time

31
00:01:20,789 --> 00:01:19,600
this week so far all my time this week

32
00:01:29,510 --> 00:01:20,799
it's

33
00:01:30,550 --> 00:01:29,520
it tomorrow in amongst the uh the work

34
00:01:33,590 --> 00:01:30,560
from home

35
00:01:37,350 --> 00:01:33,600
chaos that is uh that is always

36
00:01:40,550 --> 00:01:37,360
going on oh tonight's um

37
00:01:42,789 --> 00:01:40,560
video beer is um concrete dinosaur brown

38
00:01:45,270 --> 00:01:42,799

rye india pale ale

39

00:01:46,069 --> 00:01:45,280

from right brain brewing up in traverse

40

00:01:48,310 --> 00:01:46,079

city it's

41

00:01:49,350 --> 00:01:48,320

uh it's it's it's good i never know

42

00:01:52,149 --> 00:01:49,360

where to look at these things

43

00:01:53,109 --> 00:01:52,159

it's good he says into the camera um

44

00:01:55,590 --> 00:01:53,119

okay so the

45

00:01:56,389 --> 00:01:55,600

the episode that is appearing tomorrow

46

00:01:59,830 --> 00:01:56,399

is about

47

00:02:02,469 --> 00:01:59,840

contacting albert coe and

48

00:02:03,109 --> 00:02:02,479

you might not have heard of albert coe

49

00:02:05,510 --> 00:02:03,119

because

50

00:02:06,550 --> 00:02:05,520

almost nobody has heard of contacty

51

00:02:09,270 --> 00:02:06,560

albert co there

52

00:02:11,110 --> 00:02:09,280

there's very little footprint of him

53

00:02:13,510 --> 00:02:11,120

outside of um

54

00:02:15,830 --> 00:02:13,520

outside of his his initial pamphlet that

55

00:02:18,309 --> 00:02:15,840

was published in 1969

56

00:02:20,150 --> 00:02:18,319

exactly the wrong time to publish a

57

00:02:21,270 --> 00:02:20,160

contact e pamphlet because the contact

58

00:02:24,150 --> 00:02:21,280

he thing was

59

00:02:24,790 --> 00:02:24,160

the ufo thing was sort of on a downward

60

00:02:27,190 --> 00:02:24,800

slope

61

00:02:28,390 --> 00:02:27,200

uh in 1959 but especially the con or

62

00:02:31,430 --> 00:02:28,400

1969

63

00:02:33,990 --> 00:02:31,440

especially the contact e thing um

64

00:02:34,790 --> 00:02:34,000

there was i found one newspaper article

65

00:02:37,030 --> 00:02:34,800

about him

66

00:02:38,710 --> 00:02:37,040

um i might try to find some more before

67

00:02:39,589 --> 00:02:38,720

i record just to see if there's any more

68

00:02:41,910 --> 00:02:39,599

out there

69

00:02:42,710 --> 00:02:41,920

he gave an interview in 1977 to a

70

00:02:45,430 --> 00:02:42,720

psychiatrist

71

00:02:46,869 --> 00:02:45,440

that psychologist rather that i haven't

72

00:02:48,150 --> 00:02:46,879

been able to find i've just found

73

00:02:51,030 --> 00:02:48,160

references to it

74

00:02:52,229 --> 00:02:51,040

and timothy good ufo author timothy good

75

00:02:55,990 --> 00:02:52,239

talked about his

76

00:02:57,430 --> 00:02:56,000

uh his account in um in his book alien

77

00:03:00,070 --> 00:02:57,440

bases

78

00:03:00,550 --> 00:03:00,080

so there's not a lot there as far as

79

00:03:05,030 --> 00:03:00,560

what's

80

00:03:07,190 --> 00:03:05,040

interesting about him is he claims to

81

00:03:10,790 --> 00:03:07,200

have started having these experiences

82

00:03:11,990 --> 00:03:10,800

in 1920 as a teenager and kept in touch

83

00:03:15,190 --> 00:03:12,000

with the same

84

00:03:18,309 --> 00:03:15,200

uh space guy all the way uh

85

00:03:19,190 --> 00:03:18,319

all the way through the 1970s probably

86

00:03:22,270 --> 00:03:19,200

supposedly

87

00:03:23,750 --> 00:03:22,280

until his death in what i believe to be

88

00:03:26,149 --> 00:03:23,760

1979

89

00:03:27,350 --> 00:03:26,159
from the uh from the social security

90

00:03:29,670 --> 00:03:27,360
death records

91

00:03:31,110 --> 00:03:29,680
that i've been looking at actually

92

00:03:33,270 --> 00:03:31,120
looking at the social security death

93

00:03:34,149 --> 00:03:33,280
records probably what put me behind

94

00:03:35,750 --> 00:03:34,159
schedule

95

00:03:37,910 --> 00:03:35,760
getting this episode produced but it

96

00:03:40,789 --> 00:03:37,920
will be out uh tomorrow

97

00:03:42,630 --> 00:03:40,799
uh at some point um with the caveat that

98

00:03:46,789 --> 00:03:42,640
tomorrow goes right up until 11

99

00:03:47,110 --> 00:03:46,799
59 pm so what's interesting about albert

100

00:03:50,229 --> 00:03:47,120
co

101
00:03:53,350 --> 00:03:50,239
other than the lifetime of

102
00:03:56,630 --> 00:03:53,360
um contact that he had with

103
00:03:59,670 --> 00:03:56,640
uh with uh um shereck

104
00:04:01,110 --> 00:03:59,680
i i think his name was i forget his name

105
00:04:03,509 --> 00:04:01,120
i know what it is in reverse

106
00:04:04,470 --> 00:04:03,519
that's something that uh that comes up

107
00:04:08,070 --> 00:04:04,480
but uh

108
00:04:10,070 --> 00:04:08,080
zurich um the lifetime of

109
00:04:11,670 --> 00:04:10,080
of communication the fact that this

110
00:04:14,229 --> 00:04:11,680
alien communicated

111
00:04:15,110 --> 00:04:14,239
through written letters sent through the

112
00:04:18,069 --> 00:04:15,120
mail

113
00:04:19,189 --> 00:04:18,079

which is odd it ties into some ancient

114

00:04:22,230 --> 00:04:19,199

astronaut stuff

115

00:04:24,469 --> 00:04:22,240

but also into

116

00:04:25,830 --> 00:04:24,479

some of the 19th century stuff that was

117

00:04:29,990 --> 00:04:25,840

still floating around

118

00:04:32,950 --> 00:04:30,000

um stuff like atlantis and lemuria

119

00:04:33,830 --> 00:04:32,960

things like that there's some brief talk

120

00:04:39,110 --> 00:04:33,840

of

121

00:04:41,749 --> 00:04:39,120

earth and found distinct races that they

122

00:04:42,710 --> 00:04:41,759

categorized by skin pigmentation and

123

00:04:45,990 --> 00:04:42,720

it's like you know

124

00:04:47,990 --> 00:04:46,000

god please no not this again um

125

00:04:49,110 --> 00:04:48,000

but they subvert that a little bit and

126
00:04:53,830 --> 00:04:49,120
it turns into a

127
00:04:59,430 --> 00:04:56,950
mind blown at that um

128
00:05:00,950 --> 00:04:59,440
but it's it's interesting stuff he's got

129
00:05:04,150 --> 00:05:00,960
an interesting relationship

130
00:05:07,189 --> 00:05:04,160
with uh with this alien um that

131
00:05:10,550 --> 00:05:07,199
seems a little creepy in some ways

132
00:05:12,070 --> 00:05:10,560
um not not creepy because it's an overly

133
00:05:13,110 --> 00:05:12,080
affectionate relationship between a

134
00:05:15,110 --> 00:05:13,120
contactee

135
00:05:16,710 --> 00:05:15,120
between a space brother and an earth

136
00:05:20,230 --> 00:05:16,720
brother but

137
00:05:22,469 --> 00:05:20,240
um the fact that this seemingly very

138
00:05:25,270 --> 00:05:22,479

affectionate relationship started when

139

00:05:26,390 --> 00:05:25,280

when co was probably 15 or 16. um

140

00:05:34,230 --> 00:05:26,400

there's some

141

00:05:36,950 --> 00:05:34,240

should catch a predator sort of vibes

142

00:05:37,510 --> 00:05:36,960

going on here a little bit uh although

143

00:05:39,350 --> 00:05:37,520

like i'm

144

00:05:41,029 --> 00:05:39,360

saying the episode i i watch a little

145

00:05:43,830 --> 00:05:41,039

too much law order and so

146

00:05:44,950 --> 00:05:43,840

i just jump to uh some conclusions

147

00:05:47,590 --> 00:05:44,960

sometimes

148

00:05:48,870 --> 00:05:47,600

so there's that there's some other

149

00:05:51,430 --> 00:05:48,880

interesting things about it

150

00:05:52,629 --> 00:05:51,440

i i actually reached some conclusions

151

00:05:54,230 --> 00:05:52,639

about this case

152

00:05:56,629 --> 00:05:54,240

in in a way that i don't usually do

153

00:05:58,469 --> 00:05:56,639

usually i'm fairly neutral

154

00:06:00,309 --> 00:05:58,479

and say something like well perhaps

155

00:06:02,150 --> 00:06:00,319

there was some kind of experience who

156

00:06:05,029 --> 00:06:02,160

are we to judge but i don't know if it's

157

00:06:07,029 --> 00:06:05,039

exactly how he said

158

00:06:08,870 --> 00:06:07,039

there's weird things going on here and

159

00:06:09,670 --> 00:06:08,880

i'm going to talk about those and

160

00:06:12,710 --> 00:06:09,680

hopefully

161

00:06:13,670 --> 00:06:12,720

because the episode is going to be a

162

00:06:15,990 --> 00:06:13,680

little bit later

163

00:06:16,870 --> 00:06:16,000

tomorrow um i absolutely tend to have it

164

00:06:19,110 --> 00:06:16,880

out tomorrow

165

00:06:20,629 --> 00:06:19,120

it's um i thought i'd do this little

166

00:06:23,189 --> 00:06:20,639

video preview for just

167

00:06:24,390 --> 00:06:23,199

a little bit and uh we do we have some

168

00:06:26,550 --> 00:06:24,400

people watching which is

169

00:06:27,590 --> 00:06:26,560

great considering the nine minutes of

170

00:06:30,150 --> 00:06:27,600

advance warning

171

00:06:30,710 --> 00:06:30,160

i gave but hopefully people can uh can

172

00:06:33,510 --> 00:06:30,720

catch it

173

00:06:33,990 --> 00:06:33,520

after it's done if possible one of the

174

00:06:36,950 --> 00:06:34,000

things

175

00:06:38,870 --> 00:06:36,960

that uh that set me a little behind on

176

00:06:41,110 --> 00:06:38,880

getting this one done

177

00:06:42,790 --> 00:06:41,120

is uh the fact that i spent the whole

178

00:06:44,950 --> 00:06:42,800

weekend at the

179

00:06:46,309 --> 00:06:44,960

um strange realities conference which

180

00:06:49,189 --> 00:06:46,319

was held online

181

00:06:49,830 --> 00:06:49,199

uh put on by the uh the fellows who run

182

00:06:52,950 --> 00:06:49,840

the uh

183

00:06:56,150 --> 00:06:52,960

the um the conspira normal podcast

184

00:06:59,029 --> 00:06:56,160

adam and surfy hill and they did a

185

00:07:00,550 --> 00:06:59,039

fantastic job i know there were uh there

186

00:07:03,589 --> 00:07:00,560

were several listeners

187

00:07:06,629 --> 00:07:03,599

to the saucer life who uh who were there

188

00:07:08,230 --> 00:07:06,639

um and and that's that's great and and

189

00:07:11,749 --> 00:07:08,240

thanks for that support

190

00:07:12,790 --> 00:07:11,759

um it was so many good speakers alan

191

00:07:14,070 --> 00:07:12,800

greenfield if you're familiar with

192

00:07:15,029 --> 00:07:14,080

hellyer or secret cipher of the

193

00:07:18,550 --> 00:07:15,039

euphonauts

194

00:07:21,189 --> 00:07:18,560

alan greenfield was there um being like

195

00:07:21,670 --> 00:07:21,199

only alan greenfield can sort of holding

196

00:07:25,430 --> 00:07:21,680

court

197

00:07:27,670 --> 00:07:25,440

and mostly answering questions uh

198

00:07:28,950 --> 00:07:27,680

joshua cutchen talked about uh talked

199

00:07:31,990 --> 00:07:28,960

about his uh the

200

00:07:35,110 --> 00:07:32,000

his bigfoot research and uh the same way

201
00:07:36,070 --> 00:07:35,120
um his uh his co-author on his most

202
00:07:37,909 --> 00:07:36,080
recent book

203
00:07:39,350 --> 00:07:37,919
uh timothy renner who i always want to

204
00:07:41,110 --> 00:07:39,360
call jeremy renner

205
00:07:42,790 --> 00:07:41,120
um the actor although they're completely

206
00:07:45,990 --> 00:07:42,800
different people uh did a

207
00:07:48,550 --> 00:07:46,000
really interesting presentation about um

208
00:07:49,430 --> 00:07:48,560
various bigfoot things and and sort of

209
00:07:51,990 --> 00:07:49,440
um

210
00:07:52,469 --> 00:07:52,000
evidence and attempts to create or or

211
00:07:55,189 --> 00:07:52,479
sort of

212
00:07:56,790 --> 00:07:55,199
develop evidence about bigfoot and the

213
00:07:58,070 --> 00:07:56,800

most interesting thing i learned is that

214

00:08:00,629 --> 00:07:58,080

just like there are men in black

215

00:08:03,029 --> 00:08:00,639

who who shut up ufo witnesses there are

216

00:08:05,589 --> 00:08:03,039

apparently

217

00:08:06,869 --> 00:08:05,599

there's flannel man who intimidates

218

00:08:09,189 --> 00:08:06,879

bigfoot witnesses

219

00:08:10,150 --> 00:08:09,199

and and this is the most glorious thing

220

00:08:14,309 --> 00:08:10,160

i've ever heard

221

00:08:17,589 --> 00:08:14,319

because uh flannel man sounds um

222

00:08:20,309 --> 00:08:17,599

i think people say oh he's more cuddly

223

00:08:21,110 --> 00:08:20,319

no no no a big guy in a flannel coming

224

00:08:22,950 --> 00:08:21,120

at you in the middle of the night

225

00:08:25,830 --> 00:08:22,960

telling you not to talk about bigfoot

226

00:08:27,589 --> 00:08:25,840

you listen guy in a suit i don't know i

227

00:08:30,070 --> 00:08:27,599

see 10 guys in a suit a day you know

228

00:08:30,710 --> 00:08:30,080

uh not that big a deal so there was that

229

00:08:32,310 --> 00:08:30,720

um

230

00:08:34,389 --> 00:08:32,320

uh tim benall great friend of the show

231

00:08:36,389 --> 00:08:34,399

tim benall talked about his experiences

232

00:08:38,870 --> 00:08:36,399

at the flat earth conference

233

00:08:40,310 --> 00:08:38,880

um when he went last year that was uh

234

00:08:42,310 --> 00:08:40,320

that was hilarious um

235

00:08:45,269 --> 00:08:42,320

sort of on the ground hunter s thompson

236

00:08:45,990 --> 00:08:45,279

style gonzo journalism from uh from tim

237

00:08:47,509 --> 00:08:46,000

benall

238

00:08:50,150 --> 00:08:47,519

greg bishop friend of the show greg

239

00:08:54,550 --> 00:08:50,160

bishop was there uh red pill junkie

240

00:08:57,430 --> 00:08:54,560

um just a a a literal cast of

241

00:08:57,829 --> 00:08:57,440

uh dozens and the the attendees were

242

00:08:59,910 --> 00:08:57,839

were

243

00:09:01,829 --> 00:08:59,920

right in there in the uh the chat

244

00:09:03,590 --> 00:09:01,839

threads and uh

245

00:09:05,670 --> 00:09:03,600

the chat box in the after party with

246

00:09:07,990 --> 00:09:05,680

with great questions and insights

247

00:09:09,750 --> 00:09:08,000

and uh and all around a phenomenal

248

00:09:10,949 --> 00:09:09,760

experience i hope they

249

00:09:12,389 --> 00:09:10,959

hope they're able to do it again next

250

00:09:13,670 --> 00:09:12,399

year hopefully in person like it was

251
00:09:16,070 --> 00:09:13,680
supposed to be this year

252
00:09:16,710 --> 00:09:16,080
but i think keeping that hybrid online

253
00:09:19,030 --> 00:09:16,720
element

254
00:09:19,910 --> 00:09:19,040
makes it a lot more accessible to people

255
00:09:22,070 --> 00:09:19,920
because

256
00:09:23,430 --> 00:09:22,080
um after the last six months i am

257
00:09:27,190 --> 00:09:23,440
completely

258
00:09:28,949 --> 00:09:27,200
acclimated to not leaving the

259
00:09:30,230 --> 00:09:28,959
what has increasingly become the chiso

260
00:09:31,990 --> 00:09:30,240
media compound

261
00:09:34,150 --> 00:09:32,000
rather than a studio i'm not going to

262
00:09:37,030 --> 00:09:34,160
say bunker that's a little grim when you

263
00:09:40,710 --> 00:09:37,040

start talking about a bunker but

264

00:09:46,310 --> 00:09:43,910

new episode tomorrow albert co contacty

265

00:09:47,590 --> 00:09:46,320

um i i've got 20 seconds to go before

266

00:09:48,870 --> 00:09:47,600

this hits 10 minutes and

267

00:09:50,470 --> 00:09:48,880

uh you got to get that thing double

268

00:09:51,670 --> 00:09:50,480

digits otherwise it looks like he just

269

00:09:52,949 --> 00:09:51,680

sort of showed up and didn't have

270

00:09:54,790 --> 00:09:52,959

anything to say

271

00:09:56,150 --> 00:09:54,800

and while i usually show up and don't

272

00:09:58,150 --> 00:09:56,160

have anything to say

273

00:09:59,590 --> 00:09:58,160

it's the mark of a professional to come

274

00:10:02,630 --> 00:09:59,600

up with something to say

275

00:10:05,350 --> 00:10:02,640

whether he has anything to say or not

276

00:10:06,389 --> 00:10:05,360

um that's uh that's my secret and that

277

00:10:09,190 --> 00:10:06,399

is ten minutes

278

00:10:11,190 --> 00:10:09,200

so thank you so much for um for tuning

279

00:10:13,750 --> 00:10:11,200

in those of you who are able to uh

280

00:10:15,350 --> 00:10:13,760

to tune in live and for the rest of you

281

00:10:17,110 --> 00:10:15,360

um

282

00:10:18,710 --> 00:10:17,120

hello and i'm glad you're able to see

283

00:10:21,750 --> 00:10:18,720

this eventually

284

00:10:22,710 --> 00:10:21,760

um i'll talk to you later good to see

285

00:10:27,269 --> 00:10:22,720

you

286

00:10:30,829 --> 00:10:27,279

i might do more of these
